Ep 1 — BoJack Horseman: The BoJack Horseman Story, Chapter One

00:00:09

Horsin' Around is filmed before a live studio audience.

00:00:13

[sighs]

00:00:13

Mondays.

00:00:15

[laughs]

00:00:15

Well, good morning to you too.

00:00:18

Oh, hey.

00:00:20

Where? I'd love hay.

00:00:21

[chuffs]

00:00:23

[laughs]

00:00:25

In 1987, the situation comedy Horsin' Around

00:00:28

premiered on ABC.

00:00:29

The show, in which a young, bachelor horse is forced to reevaluate his priorities when he agrees to raise three human children, was initially dismissed by critics as broad and saccharine and not good, but the family comedy struck a chord with America and went on to air for nine seasons.

00:00:46

The star of Horsin' Around , BoJack Horseman, is our guest tonight.

00:00:51

Welcome, BoJack.

00:00:52

It is good to be here, Charlie.

00:00:53

Sorry I was late. The traffic--

00:00:55

It's really no problem.

00:00:56

I parked in a handicapped spot.

00:00:57

I hope that's okay.

00:00:59

You parked in a--

00:01:00

I'm sorry, disabled spot.

00:01:01

Is that the proper nomenclature?

00:01:03

Maybe you should move the car.

00:01:05

No, I don't think I should drive right now.

00:01:06

I'm incredibly drunk.

00:01:08

You're telling me that you're drunk right now?

00:01:11

Is it just me, or am I nailing this interview?

00:01:13

I kind of feel like I'm nailing it.

00:01:14

Yes.

00:01:16

Anyway, we were talking about Horsin' Around.

00:01:19

To what do you attribute the show's wide appeal?

00:01:21

Charlie, listen, you know,

00:01:23

I know that it's very hip these days to shit all over Horsin' Around , but at the time, I can tell you--

00:01:27

- Is it okay to say "shit"? - Please don't.

00:01:28

'Cause I-- I think the show's actually pretty solid for what it is.

00:01:31

It's not Ibsen, sure, but look, for a lot of people, life is just one long, hard kick in the urethra, and sometimes when you get home from a long day of getting kicked in the urethra, you just want to watch a show about good, likable people who love each other, where, you know, no matter what happens, at the end of 30 minutes, everything's gonna turn out okay.

00:01:50

You know, because in real life--

00:01:52

Did I already say the thing about the urethra?

00:01:55

Well, let's talk about real life.

00:01:56

What have you been doing since the show's cancellation

00:01:58

18 years ago?

00:02:00

That's a great question, Charlie.

00:02:01

I, uh...

00:02:03

Uh, I...

00:02:06

Um...

00:02:10

[funky electronic music]

00:03:04

[crowd]

00:03:04

Maury! Maury! Maury!

00:03:08

In the case of one-year-old Phoenix,

00:03:10

you are the father.

00:03:12

Morning, sunshine.

00:03:15

[groans]

00:03:16

Why so gloomy, roomie?

00:03:18

First of all, we're not roommates.

00:03:19

You are my houseguest.

00:03:20

Well, we don't need to put labels on things.

00:03:22

You sleep on my couch, and you don't pay rent.

00:03:24

I've had tapeworms that were less parasitic.

00:03:27

I don't even remember why I let you stay with me in the first place.

00:03:29

Because my parents kicked me out,

00:03:30

and I had nowhere to go, and even though you don't want anyone to know it...

00:03:34

[blender whirring]

00:03:39

You secretly have a good heart.

00:03:41

You told me they didn't approve

00:03:42

of your "alternative lifestyle."

00:03:44

I thought you were, like,

00:03:45

a troubled gay teen or something.

00:03:47

I didn't realize by "alternative lifestyle"

00:03:48

that you meant you were lazy.

00:03:50

That's on you for making assumptions.

00:03:52

Also, if you're looking for the Toaster Strudels,

00:03:54

I got really high last night and ate them all.

00:03:57

[sighs]

00:03:59

Did you say you've had tapeworms?

00:04:01

[upbeat music]

00:04:06

Thanks for meeting me here.

00:04:07

I would have invited you to my office,

00:04:09

but the electric company shut off our power.

00:04:11

That's unfortunate.

00:04:12

Just an issue with the bank

00:04:13

and a lack of money in it.

00:04:15

Now, as you know, Penguin is very eager to publish your memoirs, but you keep missing your deadlines.

00:04:20

I know, and I'm sorry,

00:04:22

but I am making great progress.

00:04:23

BoJack Horseman: The BoJack Horseman Story, written by

BoJack Horseman.

00:04:30

Chapter one.

00:04:32

Chapter one.

00:04:35

Chapter...

00:04:41

One.

00:04:42

Look, we really need a bestseller here at Penguin.

00:04:45

Things are not that great for me, money wise.

00:04:47

Aren't you an editor at a major publishing house?

00:04:49

Yeah, a publishing house.

00:04:51

When was the last time you saw a book?

00:04:53

I thought I saw someone reading one in the park the other day, but it turned out it was a takeout menu.

00:04:57

Whenever you're ready.

00:04:59

[clears throat]

00:05:02

[sighs]

00:05:04

We're living month to month here.

00:05:05

We're kind of counting on your autobiography to save the company, no pressure.

00:05:08

That's actually a lot of pressure.

00:05:10

Have you considered working with a ghostwriter?

00:05:12

Ugh, no, thank you.

00:05:14

Look, just give me one more week, and I will give you some pages that'll knock your ass back to the South Pole.

00:05:19

I'm from Cincinnati.

00:05:20

It-- that doesn't matter.

00:05:22

I'll call you in a week.

00:05:23

Yes, one week.

00:05:24

I'm telling you, this book is a top priority for me.

00:05:30

[laughter on TV]

00:05:31

[cell phone vibrates]

00:05:31

[upbeat tune plays]

00:05:33

Oh, right. Yeesh.

00:05:37

You're wearing that to the prom?

00:05:39

What, you don't think it's cute?

00:05:41

Neigh way, Jose.

00:05:43

[laughs]

00:05:45

"Neigh way, Jose."

00:05:48

I improvised that line.

00:05:50

I mean, it was written, but I gave it the old BoJack spin.

00:05:53

Hey, how many times have you watched this episode?

00:05:55

Yeah, but do you get it, though?

00:05:57

Because "nay" means no, but it's also a thing that horses say.

00:06:00

It works on every level.

00:06:02

- I get it. - Ah, you don't get it.

00:06:04

[cheerful music on TV]

00:06:07

■ Three little orphans One, two, three ■

00:06:10

■ Without a home Or a family tree ■

00:06:13

■ Until this horse said "Live with me" ■

00:06:16

■ And now we've got A new family ■

00:06:19

■ We were lost And now we're found ■

00:06:22

■ And we're ■

00:06:24

■ Horsin' around ■

00:06:24

[neighs]

00:06:26

[belches]

00:06:28

Are you drunk?

00:06:29

Todd, I weigh over 1,200 pounds.

00:06:31

It takes a lot of beer to get me drunk.

00:06:33

Yes.

00:06:34

Ah, yeah, I see.

00:06:36

You're just bummed out because Princess Carolyn dumped you last night.

00:06:39

[jazz music]

00:06:41

BoJack, we need to talk.

00:06:43

Hey, check out the rug on that guy.

00:06:45

Slow and steady, am I right, ladies?

00:06:46

[girls giggle]

00:06:47

Ha-cha-cha.

00:06:49

Who does he think he's fooling?

00:06:50

Turtles don't have hair.

00:06:51

Stop embarrassing me.

00:06:53

That is Lenny Turteltaub.

00:06:54

You know, I am not crazy about the bread here.

00:06:56

Mm.

00:06:57

Why do I keep eating it?

00:06:59

BoJack, can you please just listen for a second?

00:07:01

You have my undivided attention.

00:07:05

I think we should see other people.

00:07:07

Were we not seeing other people?

00:07:09

[moaning]

00:07:12

BoJack, I'm almost there.

00:07:14

Wait. Shh! Shut up.

00:07:15

Now, that's a horse of a different...

00:07:18

cruller?

00:07:19

Oh!

00:07:21

God, that's good comedy.

00:07:24

- BoJack! - What?

00:07:26

Everyone gets a mulligan, and my mulligan was Carey Mulligan.

00:07:30

I'm kidding, jeez. It was Emily Mortimer.

00:07:33

[scoffs]

00:07:33

- What is the problem here?

00:07:35

Are you embarrassed of me because I'm a has-been?

00:07:37

Because you know that I'm writing that book that is gonna make everybody love me again.

00:07:41

You're not really writing a book.

00:07:43

Well, I already spent my advance, so that's a first step.

00:07:45

Look, this has been a lot of fun, but I need to start thinking about my future.

00:07:49

I mean, you don't even respect me enough to have a baby with me.

00:07:52

Whoa, what?

00:07:53

I never explicitly said that.

00:07:54

You said it with your actions.

00:07:56

What actions?

00:07:58

Oh, look at that baby.

00:08:00

Isn't he the cutest baby you ever saw?

00:08:02

What? What? What? No, no, wha--

00:08:04

[horn honks]

00:08:04

[glass shatters]

00:08:06

[car door opens and closes]

00:08:06

[engine turns over]

00:08:08

[tires squealing]

00:08:08

[glass shattering]

00:08:10

[engine revving]

00:08:11

[tires screeching]

00:08:12

[loud crash]

00:08:12

[sirens blaring]

00:08:15

[cop]

00:08:15

Step away from the stolen vehicle, sir!

00:08:17

[BoJack]

00:08:17

No, no, no. Misunderstanding, officer.

00:08:19

I was running away from my girlfriend

00:08:21

whom I don't respect enough to have a baby with.

00:08:23

[cop]

00:08:23

Hey, aren't you the horse from Horsin' Around ?

00:08:25

Oh, face it. You're afraid of commitment.

00:08:28

I'm not afraid of commitment.

00:08:30

I commit to things all the time.

00:08:31

It's the following through on that commitment that I take issue with.

00:08:34

Hey, stupid, isn't that your friend over there?

00:08:36

Oh, Mr. Peanutbutter?

00:08:38

God, I hope he doesn't see us.

00:08:39

Is that BoJack Horseman?

00:08:41

Oh, jeez, here we go.

00:08:43

Mr. Peanutbutter and BoJack Horseman in the same room.

00:08:47

What is this, a crossover episode?

00:08:49

You know, that gets funnier every time.

00:08:51

You're being sarcastic, but I think it does actually get funnier every time.

00:08:54

We're actually in the middle of breaking up right now,

00:08:56

- so if you could just-- - Yeah?

00:08:58

- You're in the middle of it? - Yeah, that's right.

00:08:59

So would it be awkward if I joined you right now?

00:09:02

Yes, actually, it's very awkward.

00:09:04

Is that not clear?

00:09:05

Yeah, this is awkward right now?

00:09:08

Yes, please leave.

00:09:09

How are you, Mr. Peanutbutter?

00:09:11

Oh, living the dream, P.C., living the dream.

00:09:13

Why are you making conversation?

00:09:14

Oh, let's see, it's the English word--

00:09:16

It's called being polite, BoJack.

00:09:18

But am I crazy that this is a bad time?

00:09:20

Always a Clydesdale, never a Clyde, eh, BoJack?

00:09:22

What?

00:09:24

You'll get that one later, man.

00:09:25

Erica, get out of here with that face.

00:09:27

Would it kill you to be civil?

00:09:28

This is why we're breaking up.

00:09:30

So it's not because of the thing with the baby?

00:09:32

It's because of a lot of things!

00:09:34

Waiter, could we please have the check?

00:09:36

- Thank you. - We haven't even ordered yet.

00:09:37

I have wasted so many dinners on you, BoJack Horseman.

00:09:40

I don't know how you can expect anyone else to love you when you so clearly hate yourself.

00:09:44

- Here you go. - Let me see that.

00:09:47

\$10 for bread?

00:09:50

I don't want to live in a society where the premeal bread isn't free.

00:09:54

It is free if you order a meal.

00:09:56

Can you take me home, please?

00:09:58

Yeah, but I didn't even eat that much bread.

00:10:00

What did I have? I must have had--

00:10:01

You ate nine baskets, sir.

00:10:03

Nine-- really?

00:10:04

Great, now I'm gonna feel like a fat ass all week.

00:10:08

You've seen me naked. Do you think I'm getting chubby?

00:10:10

You want to know the real reason we're breaking up?

00:10:12

What was that? Sorry.

00:10:13

Couldn't hear you over the sound of my calories not metabolizing.

00:10:15

This is so classic you.

00:10:18

You're using this bread thing to avoid talking about our relationship.

00:10:21

No, that is definitely not happening.

00:10:23

I'd like to go home now.

00:10:27

You think I'm fat.

00:10:28

So yeah, technically I was dumped, but the real headline of the evening was,

00:10:32

"Dumb guy eats bread, gets fat, the end."

00:10:35

What kind of headline is that?

00:10:37

Wasn't there a pizza here a second ago?

00:10:39

God damn it! Stop the presses.

00:10:41

You're not fat.

00:10:43

Oh, hey, let's throw a party. That'll cheer you up.

00:10:46

No, it won't. It'll cheer you up.

00:10:49

I'll stand in the corner by myself eating cotton candy until I barf like I did at your last party.

00:10:54

Hey, aren't you the horse from Horsin' Around ?

00:10:57

[retching]

00:11:00

That was a good party.

00:11:02

Hey, didn't we get a cotton candy machine for that party?

00:11:05

Who told you Princess Carolyn and I broke up?

00:11:07

- She did. - What?

00:11:09

You never took me home, jerk!

00:11:11

Oh, everything's my fault.

00:11:12

Take me home.

00:11:14

Okay, jeez.

00:11:16

But I'm not looking for parking in Silver Lake.

00:11:18

I'll slow the car down to a crawl, and you can duck and roll.

00:11:22

You know what, you can take a last look at this face, because it's the last time you're gonna see it.

00:11:26

Hey-up!

00:11:27

[screams]

00:11:29

[cell phone vibrates]

00:11:29

[upbeat tune plays]

00:11:33

Hello?

00:11:34

I've got Princess Carolyn for you.

00:11:35

Uh, okay.

00:11:37

BoJack.

00:11:38

Oh, my God, we just broke up.

00:11:40

Yeah, but I'm still your agent.

00:11:41

I pride myself on my ability to separate my professional life from my personal life.

00:11:46

Great.

00:11:47

Then, as my agent, do you think I'm getting fat?

00:11:49

No way.

00:11:50

You are in the prime of your life, never looked better.

00:11:52

What about as my ex-girlfriend?

00:11:54

You look like a pile of crap ate a second pile of crap and then crapped out a third pile of crap.

00:11:57

Wait, wait, so which pile of crap do I look like?

00:12:00

- The third one. - What? That's the worst one.

00:12:02

I'm not calling you as your ex.

00:12:03

I'm calling you as your agent.

00:12:05

Remember that book you're pretending to write?

00:12:07

Well, Penguin wants an update on your progress.

00:12:09

Does Tuesday work for you, or are you gonna be too busy this week masturbating to old pictures of yourself?

00:12:14

I told you, that's not what was happening that time.

00:12:16

I was masturbating to what the picture represented.

00:12:18

You walked in at the worst possible moment!

00:12:21

So, Tuesday, though?

00:12:22

Yes, fine!

00:12:24

[laid-back rock music]

00:12:25

Whoo!

00:12:27

You don't have anything?

00:12:29

Hey, you got the electricity back.

00:12:30

Good for you.

00:12:31

This company is in dire straits.

00:12:32

[screams]

00:12:32

[alarm blares]

00:12:34

We made a series of very bad investments.

00:12:36

Ever hear of a young adult franchise called the Swamp Monsters of Malibu?

00:12:39

Uh, no.

00:12:40

Then why did we spend \$20 million on marketing?

00:12:46

It's okay, Pinky, go to your happy place.

00:12:49

Uh...

00:12:50

Look, I know you're a busy guy.

00:12:51

Actually, I am a busy guy.

00:12:52

I live a very active lifestyle.

00:12:54

[laughter on TV]

00:12:56

Can't I just stay home with you?

00:12:58

I know kindergarten is scary,

00:13:01

but you're a big girl now,

00:13:03

and you have to be brave.

00:13:05

Okay, Daddy.

00:13:06

Wait, did you just call me "Daddy"?

00:13:11

Little Sabrina grew up right before our eyes, right, Todd?

00:13:14

Todd?

00:13:15

Todd!

00:13:16

What?

00:13:18

Did Sabrina grow up before our eyes?

00:13:20

Yes!

00:13:21

[clears throat]

00:13:22

We're tired of waiting.

00:13:23

We're hiring you a ghostwriter.

00:13:26

Diane "Nugent"?

00:13:28

She's great, and she's got a thing for horses.

00:13:30

Check this out.

00:13:32

Hey, Secretariat.

00:13:34

You know, I always wanted to play Secretariat in a movie.

00:13:35

He's kind of my personal hero.

00:13:37

Could never get the project off the ground, though.

00:13:40

I mean, there was this one time I came close in the '90s, but then those Prefontaine movies came out, and people got tired of seeing running on-screen.

00:13:45

Don't tell me. Tell her!

00:13:48

She's cute.

00:13:49

Call her. That's a loan, by the way.

00:13:51

We can't afford to be giving out free books to people, but you can take anything you want from the Swamp Monsters swag box.

00:13:58

[electricity crackles]

00:13:59

[upbeat music]

00:14:03

Oh, God, I'm a failure.

00:14:05

Oh, you're not a failure.

00:14:07

Why did I say I could write a book?

00:14:09

Because you have an amazing story to tell.

00:14:11

- Relax. - Relax?

00:14:13

Easy for you to say, you hippie.

00:14:14

You've never had a day of stress in your life.

00:14:17

Ow. Why?

00:14:19

And that's for trying to sell E on the cartel's turf.

00:14:22

[coughs]

00:14:24

Oh, where's Gabriela?

00:14:25

She went back to Mexico City, ese, to be with her husband.

00:14:30

What? No!

00:14:35

- Gabriela, why? - Who?

00:14:37

We were talking about me.

00:14:38

Can you try to focus for, like, a second?

00:14:40

Oh, yeah, sorry. You were saying?

00:14:42

Never should have signed this book deal.

00:14:44

You know what my problem is?

00:14:45

I can't say no to people because I want everyone to like me.

00:14:48

You want everyone to like you?

00:14:51

Yeah, why?

00:14:53

Do people not like me?

00:14:54

Uh...

00:15:00

Uh...

00:15:03

What were we talking about?

00:15:04

I can see the headline now,

00:15:06

"Stupid BoJack writes a stupid book about his stupid life, nobody cares."

00:15:11

What newspapers are you reading?

00:15:13

Hey, why don't you just let that lady write your book and be done with it?

00:15:16

Better question, why are you in my kitchen?

00:15:18

I'm making breakfast.

00:15:19
We had sex last night, dummy.

00:15:21
Ugh, I really got to start putting my phone on airplane mode when I drink.

00:15:24
[hisses]

00:15:26
This lady probably thinks I'm just some dumb sitcom actor.

00:15:28
I hate her and her stupid, impossible-to-pronounce last name,

00:15:31
Na-goo-ya-go-goo-goo-goo-ga.

00:15:33
You haven't even met her.

00:15:34
Give her a chance.

00:15:36
Oh, you should invite her to the party.

00:15:37
What party?

00:15:39
Why are you so obsessed with throwing a party all of a sudden?

00:15:42
Ow, ow, ow!

00:15:44
You know how much money we lost 'cause of you?

00:15:46
I can't even afford a hall now for my daughter's 15th birthday, and now I got a hundred guests coming and nowhere to put them.

00:15:53
You owe me a party, cabrón , and if you don't deliver--

00:15:58
[muffled whimpers]

00:15:59
[gunshot]

00:16:01
Because parties are fun?

00:16:03
This book is really important to me.

00:16:04
I don't want to just hand it off to some stranger.

00:16:06
If it's so important, why have you written literally nothing in a year and a half?

00:16:09
It's too much pressure.

00:16:11
This book is my one shot at preserving my legacy.

00:16:14
I'm a joke, and if this book isn't good,

00:16:16
I'm gonna be a joke forever.

00:16:18
Everyone thinks that I'm just this washed-up hack, but actually--

00:16:21
Oh, God, actually, what if they're right?

00:16:24
I can't breathe.

00:16:26
Am I dying?

00:16:27
Toast. I smell burning toast!

00:16:29
Oh, my God, my toast!

00:16:29
[ding]

00:16:32

Todd, on my grave,

00:16:34
I want it to say that I was born in 1975.

00:16:39
No one's gonna believe--

00:16:41
Damn it, can't you respect a dying man's wish?

00:16:42
You're not dying.

00:16:44
[monitor beeping]

00:16:46
[steady tone]

00:16:48
[groans]

00:16:50
[sighs]

00:16:50
Well, we did everything we could.

00:16:53
Nurse, record the time of death.

00:16:54
It doesn't get easier.

00:16:56
It never gets easier.

00:16:58
[both sigh]

00:17:02
[Sabrina crying]

00:17:02
What-- I don't--

00:17:03
What do you mean he's dead?

00:17:07
That's right, sweetheart.

00:17:08
He died of a broken heart because you didn't appreciate him enough, and now he's gone forever.

00:17:14
We might have gone too dark on that series finale.

00:17:16
I'm required to hand you over

00:17:18
to the child protective services.

00:17:20
You're the state's problem now.

00:17:21
[crowd]

00:17:21
No!

00:17:21
[TV turns off]

00:17:24
Do you just take those DVDs with you everywhere you go?

00:17:26
Linus walked around with a blanket.

00:17:28
No one gave him shit for it.

00:17:29
How long is that doctor going to take?

00:17:30
I have a meeting with another client at 3:00.

00:17:32
You have other clients?

00:17:33
No, I make a living off you sitting on your ass all day.

00:17:36
Are your other clients more talented than I am?

00:17:39
Your silence speaks volumes.

00:17:40
■ That was my intention ■

00:17:42
Well, BoJack, it looks like what you experienced was a mild anxiety attack.

00:17:47
Jesus, if that's mild,

00:17:49
I don't want to know what spicy feels like.

00:17:51
Too smart for the room?

00:17:52
It was a salsa joke, people.

00:17:54
You've been overstressed.

00:17:55
I need you to take it easy.

00:17:57
Take it easy, are you kidding?

00:17:59
He doesn't have a job. He has no real responsibilities.

00:18:01
He doesn't do anything but take it easy.

00:18:03
Well, can you take it even easier?

00:18:06
I can try, doctor. I can try.

00:18:09
This book deal is obviously stressing you out.

00:18:11
Will you just call the ghostwriter already?

00:18:13
What, you want me to call this woman on the phone?

00:18:18
[gasps]

00:18:19
Well, you just had another anxiety attack.

00:18:22
And Entertainment Weekly said I wasn't consistent.

00:18:24
[laughs]

00:18:26
Really, not even a pity laugh?

00:18:27
I did almost die.

00:18:29
Ha.

00:18:30
I have to check on some other patients.

00:18:33
You have other patients?

00:18:34
BoJack, let's have a party, okay?

00:18:36
I'll organize the whole thing.

00:18:38
You can invite the ghostwriter and have a nice, casual conversation in a fun, pressure-free environment.

00:18:44
Okay, fine. We'll have a party.

00:18:46
Oh, thank God.

00:18:47
But we're not getting a cotton candy machine.

00:18:49
I can't control myself around those things.

00:18:50
I totally hear what you are saying, and I will do my best.

00:18:54
[mariachi music]

00:18:57
[singing in Spanish]

00:18:59
[laughter]

00:19:02
[cheering]

00:19:04
[laughter]

00:19:07
Señor Horseman, I will never forget your generosity today.

00:19:11
You have made a powerful ally for life.

00:19:15
Mwah. Let's dance!

00:19:17
Todd, who was that guy?

00:19:18
Who are all these people?

00:19:19
Oh, you know, just a variety of folks from all walks of life.

00:19:22
Is this a quinceañera?

00:19:24
Oh, so any party with Mexican teenage girls is a quinceañera?

00:19:27
Now who's racist?

00:19:28
[laughter]

00:19:32
I find that piñata offensive.

00:19:34
If you'll excuse me,

00:19:36
I have a Virgin of Guadalupe pendant to present.

00:19:43
BoJack!

00:19:45
Oh, good Lord.

00:19:47
Hey, Mr. Peanutbutter.

00:19:49
Can you believe this, the two of us in the same house?

00:19:52
Is this a crossover episode?

00:19:54
No, I'm just kidding around, man.

00:19:56
Seriously, though, how are you?

00:19:59
Well, I've been kind of up and--

00:20:00
Living the dream, huh? Yeah.

00:20:01
Hey, we'll catch up later, all right?

00:20:03
I want to talk to you.

00:20:06
Erica, how are you looking so beautiful?

00:20:08
I'm furious.

00:20:13
[sighs]

00:20:15
Hey, BoJack, right?

00:20:18

- BoJack Horseman? - Yes.

00:20:20

Oh, I'm-- I'm sorry, I don't want to mispronounce your name.

00:20:23

It's Diane.

00:20:24

Oh, Diane.

00:20:26

Thanks for inviting me to your party.

00:20:28

Sorry I haven't really been mingling.

00:20:29

I get kind of awkward at parties.

00:20:31

- Have you tried alcohol? - I don't know.

00:20:33

Parties make me anxious in a real broad sense.

00:20:37

Like, look at that guy.

00:20:39

He's having fun.

00:20:40

Why haven't I figured it out?

00:20:41

What guy?

00:20:42

No, there's no guy there.

00:20:44

I'm just saying, like, a guy, you know?

00:20:46

Oh, okay, yeah.

00:20:47

I'm probably just overthinking it because I never got the practice because I didn't get invited to any parties in high school.

00:20:53

What am I talking about?

00:20:55

You don't care about any of that.

00:20:57

Shut up, Diane.

00:20:58

You're at a party, compliment the host.

00:21:00

You have a lovely home.

00:21:03

Yeah, well, if you're gonna throw away most of your adult life on some dumb sitcom, you might as well get a sweet house out of the deal, right?

00:21:10

So what are you working on these days?

00:21:12

Well, mostly I just sit around the house and complain about things.

00:21:15

Yeah, how's that working out for you?

00:21:17

I can't complain, so you know.

00:21:19

No, I will not have sex with you!

00:21:21

This girl wants me to have sex with her.

00:21:24

No, I'm just kidding around.

00:21:25

You're a good sport.

00:21:27

- Ugh, you know who that is? - Mr. Peanutbutter?

00:21:29

Yeah, he was on that show Mr. Peanutbutter's House about that dog who adopted the three human kids.

00:21:34

What a dumb idea for a TV show.

00:21:37

You people are all right.

00:21:40

Who wants an autograph?

00:21:41

He's so stupid he doesn't realize how miserable he should be. I envy that.

00:21:45

Hey, do you know the story of the dad from The Brady Bunch ?

00:21:48

Do I know his story?

00:21:49

If I recall correctly, he was bringing up three boys of his own.

00:21:51

Right, but--

00:21:53

They were four men living all together, but they were all alone.

00:21:55

That is profoundly sad.

00:21:57

No, the story is that the guy who played the dad hated being on The Brady Bunch because he was a real actor, and he considered it beneath him.

00:22:05

Sound familiar?

00:22:06

That's not all that was beneath him.

00:22:08

Gay joke. Sorry, I'm better than that.

00:22:10

Most people don't even get to do

00:22:12

The Brady Bunch version of the thing they want to do with their lives.

00:22:15

You're actually in a really good position now, because you can pretty much do anything you want.

00:22:20

You're responsible for your own happiness, you know?

00:22:22

- Good Lord, that's depressing. - No, it's not.

00:22:24

I'm responsible for my own happiness?

00:22:25

I can't even be responsible for my own breakfast.

00:22:36

Todd!

00:22:37

I need help.

00:22:39

What would make you happy?

00:22:41

Well, finishing my memoir, I guess.

00:22:43

Is that all? I can help you with that.

00:22:45

Yeah? I mean, would you even want to?

00:22:47

You'd have to spend a lot of time with me.

00:22:49

You'd probably get sick of me.

00:22:50

I don't think that's going to happen.

00:22:52
- No? - No, BoJack.

00:22:54
Okay.

00:22:56
Well, then I guess you're hired, but don't put all that stuff about how sad I am in the book.

00:23:00
Oh, that doesn't count.

00:23:01
We weren't on the clock yet.

00:23:02
Yeah, exactly.

00:23:04
You're only my ghostwriter starting nah...

00:23:09
- Starting now. - You got it.

00:23:11
- BoJack! - Ugh, this guy.

00:23:13
Hey, man, wanted to let you know, you are out of beer.

00:23:16
Oh, I see you've met my beautiful girlfriend, Diane Nguyen.

00:23:19
Whoa, whoa, whoa, wait a second.

00:23:21
You drank all my beer?

00:23:22
- Also, you two are dating? - Yeah.

00:23:24
- You're dating him? - Yes.

00:23:26
This is your boyfriend?

00:23:27
- That is correct. - Uh-huh.

00:23:28
- You are going out with you? - Uh-huh.

00:23:30
But in a sexual way, not just as friends?

00:23:32
- That's right. - You have seen her naked.

00:23:34
Many times, yes.

00:23:35
- You are attracted to this? - Yes.

00:23:36
This penis has been inside this vagina.

00:23:38
- Yep. - But in a sexual way.

00:23:39
Oh, yes.

00:23:42
Humph.

00:23:44
[retching]

00:23:45
- Ugh. - Oh, my God.

00:23:47
[retching]

00:23:49
Are you okay?

00:23:51
I'm just--

00:23:52
[retching]

00:23:52
I'm fine.

00:23:55

I'm just-- I'm really happy for you.

00:23:56
[retching]

00:23:57
Should we get someone, or...

00:23:59
No, everything's--

00:24:01
Oh, this is really--

00:24:03
Wonderful.

00:24:04
Oh, God.

00:24:05
[retching]

00:24:08
Starting now.

00:24:11

Ep 2 — BoJack Hates the Troops

00:00:11
Say when.

00:00:15
When.

00:00:17
[woman]

00:00:17
Yeah, you'll never guess who's here.

00:00:19
Think '90s.

00:00:21
No, BoJack Horseman from Horsin' Around.

00:00:24
No, I mean, he got a little fatter, but it's definitely him.

00:00:28
He looks really sad. It's hilarious.

00:00:30
[laughs]

00:00:32
Get over here now.

00:00:33
[upbeat ringtone]

00:00:33
[cell phone vibrates]

00:00:37
I told you, I don't know where it is.

00:00:39
Don't put things in my butt if you want them back.

00:00:41
[phone rings]

00:00:43
And hold for Princess Carolyn, please.

00:00:46
Thanks, Laura.

00:00:47
■ When you're walking alone ■

00:00:48
■ Because Jellicles are And Jellicles do ■

00:00:52
■ Jellicles do and Jelli-- ■

00:00:54
BoJack, it's your favorite agent.

00:00:56
Yeah, some agent, you couldn't even get me in the room for War Horse.

00:00:59
There were, like, ten horses in that movie.

00:01:01
I didn't need to be the warhorse.

00:01:02
Listen, dummy, I want to make sure you're all set for your first day with Diane tomorrow.

00:01:06
Is she gonna ask me a bunch of personal questions?

00:01:08
The woman we're paying to ghostwrite your memoir?

00:01:11
Yeah, probably.

00:01:12
Okay, all right, there's no need to get--

00:01:14
What, catty? Are you gonna say catty?

00:01:16
- I was not gonna say catty. - Oh, what were you gonna say?

00:01:19
I was gonna say catty because you're a cat.

00:01:22

Goodbye, BoJack.

00:01:24
Laura, I know you're listening. You got it, right?

00:01:26
Laura, do not respond to him. Goodbye, BoJack.

00:01:28
She got it.

00:01:28
[camera shutter clicks]

00:01:31
[laughter]

00:01:34
Oh, my God. Take another one.

00:01:36
Take another one.

00:01:41
Excuse me, I just wanted you to know that you ruined someone else's night tonight, and I hope you have enough decency to at least feel a little bit crappy about it.

00:01:50
Excuse me?

00:01:52
I was actually already in a bad mood, but I thought maybe for one night,

00:01:55
I could go out to a bar and try to forget about myself, but now because of you and your friends,

00:02:00
I feel more self-conscious than ever.

00:02:02
If we were bothering you so much, why didn't you just leave?

00:02:05
Because I didn't think of that, and now I feel stupid.

00:02:07
Look, I have a right to be here.

00:02:09
No!

00:02:10
Maybe because you're skinny and maybe 'cause you're pretty, you're used to getting away with things, but I want you to know that your actions have an effect on others, and I hate you, and you are a horrible person, and you not understanding that you're a horrible person doesn't make you less of a horrible person.

00:02:29
You think I'm pretty?

00:02:37
[chuffs]

00:02:39
Well, that was another in a long series of regrettable life choices.

00:02:42
What'd you say?

00:02:44
I was tweeting about all the weird stuff you do in bed.

00:02:48
[funky electronic music]

00:03:46
- Good morning. - Ah!

00:03:48
Why are you here?

00:03:49
I slept here.

00:03:50
Yeah, but why are you still here?

00:03:51
Breakfast.

00:03:53
That better not be my last Toaster Strudel.

00:03:55
No, there were three left.

00:03:56
Well, get out of here.

00:03:58
My memoirist is gonna show up soon, and I don't need you--

00:04:01
- What's your name? - Pam.

00:04:03
I don't need you Pam-ing up the place when she gets here.

00:04:07
- Hey, BoJack. - Ah! Why are you here?

00:04:10
- You told me to come at 9:00. - That doesn't sound like me.

00:04:12
I have your email right here.

00:04:12
[clears throat]

00:04:14
"Diane, why don't you come over Tuesday morning at 9:00?"

00:04:17
Also, you should bring this email with you because I might not remember it because I just took a bunch of horse tranquilizers, ha ha.

00:04:23
Also, please don't put in my book that I use horse tranquilizers, ha ha.

00:04:26
I just use a small dose to help me fall asleep at night and then a much, much larger dose to get me through the day.

00:04:32
Also, I'm drunk.

00:04:33
Also, I'm alone, so alone, so, so alone.

00:04:36
Please don't put that in my book, book, book, book 'em, dildo.

00:04:41
Does it taste like magenta in here?"

00:04:42
Then I think you fell asleep on the keyboard because it just says the letter "B" 27 times.

00:04:46
That does sound like me.

00:04:48
Well, anyway, this is my businessperson...

00:04:50
Excuse me?

00:04:52
Here to help me with some business needs.

00:04:54
- All very above board. - Uh, what'd you say?

00:04:56
No need to mention her in the book either, unless it's a business book.

00:04:58
[laughs]

00:04:58
- Ha ha, classic BoJack.

00:05:02
Why are you here?

00:05:03
Oh, funny story, I'm filming a reality show later,

00:05:07
so I thought I'd drop by with the old tennis ball and chain.

00:05:11
That is neither funny nor a story nor a reason for you to drop by.

00:05:16
Aw, he just wanted to come over and brag

00:05:18
about his reality show.

00:05:19
Get this, I am starring in a pilot presentation

00:05:23
for a celebrity reality show.

00:05:25
It's pretty cutting edge, huh?

00:05:26
Yeah, if it's 2003.

00:05:28
Ha ha. Don't tell VH1 that.

00:05:30
Seriously, though, please don't tell VH1 that.

00:05:33
We are calling it Peanutbutter and Jelly.

00:05:35
Get it?

00:05:37
- Because I'm Mr. Peanutbutter. - Okay, who's jelly?

00:05:39
No, no, no. It's like a peanut butter and jelly sandwich.

00:05:41
It's wordplay.

00:05:42
You may have too forgiving a definition of the word "wordplay."

00:05:45
Well, it's a working title.

00:05:47
Well, it could be working harder, and that's wordplay.

00:05:50
How'd you even get in here?

00:05:51
Your roommate let us in.

00:05:52
Mi casa es su casa.

00:05:54
And that is the last of the Toaster Strudels, and now my morning is ruined.

00:05:58
Could you guys keep it down, okay?

00:05:59
I'm kind of on a date right now.

00:06:01
[speaking Japanese]

00:06:01
In America,

00:06:04
I am actually considered very handsome.

00:06:07
[giggling]

00:06:08
Okay, I'm gonna go get breakfast, and when I get back, I want everyone out of my house except for you and you and--

00:06:17
- Who are you again? - The girl you had sex with.

00:06:20
Right. You definitely should have already been gone.

00:06:23
[tires screech]

00:06:25
I really shouldn't eat chocolate

00:06:27
'cause it can literally kill me.

00:06:28
Oh, I know.

00:06:30
- But I love chocolate. - Story of my life.

00:06:33

[laughter]

00:06:41

Hey, excuse me.

00:06:43

Yes, I am BoJack Horseman, star of Horsin' Around.

00:06:46

Yeah, okay, I don't care.

00:06:48

Those are my muffins.

00:06:49

I'm sorry, I-- I don't understand.

00:06:51

Did you bring them into the store with you?

00:06:53

No, but I was going to buy them.

00:06:56

That's the last box, and I had dibs on them.

00:06:58

Really? You had dibs?

00:07:01

Yeah, dibs.

00:07:02

I just put them down for a second while I went to the bathroom.

00:07:05

Look, I don't even want the muffins.

00:07:07

I was just looking at them, but I got to say, if you put muffins down, they're not your muffins.

00:07:11

So what, I was supposed to take them into the bathroom with me?

00:07:14

You didn't even put the muffins in a cart.

00:07:16

You just left them out here.

00:07:17

Yeah, in the produce section.

00:07:19

Clearly, muffins aren't supposed to be in the produce section.

00:07:22

That wasn't a sign to you that maybe someone else had dibs?

00:07:24

Look, I don't want to get into a whole thing here.

00:07:26

Then give me the muffins.

00:07:28

No, 'cause maybe now I want the muffins.

00:07:32

You think that because you're a pseudo-celebrity, normal rules don't apply to you?

00:07:35

Pseudo? Would you say that to Eric McCormack?

00:07:38

Look, I've had a rough morning, so I don't need--

00:07:40

You've had a rough morning?

00:07:42

I spent the last ten months--

00:07:45

Hey!

00:07:47

Sorry, wasn't listening. See ya.

00:07:49

You're going to regret this, BoJack Horseman.

00:07:53

[laughing]

00:07:53

Oh, really?

00:07:54

I'm gonna regret buying muffins?

00:07:56

What, have they got a lot of saturated fat in them?

00:07:59

Oh, man, they do have a lot of saturated fat.

00:08:01

Why'd I buy these?

00:08:08

Man, I really regret buying those muffins and then eating them all on the drive home.

00:08:13

Well, my date with Ayako went really well.

00:08:14

Thanks for asking.

00:08:15

I specifically didn't ask, and I'll thank you to respect my total lack of interest in your personal life.

00:08:20

She's hilarious.

00:08:22

I never met a girl who was so curious about American bank routing numbers.

00:08:25

Still not interested.

00:08:27

Should we get started on the book?

00:08:28

What's your hurry?

00:08:29

What do you guys think I should get Ayako for our 12-hour anniversary?

00:08:33

She wants a framed picture of my mother's maiden name.

00:08:36

Okay, let's get to work.

00:08:41

Let's start at the beginning.

00:08:43

What was your childhood like?

00:08:45

- Normal. - Normal?

00:08:47

Yeah, it was, uh, normal-- normal childhood stuff.

00:08:50

Here's your omelet.

00:08:52

I'm sorry it's not as good as the omelets your secretary makes, but then you're not married to your secretary, are you?

00:08:58

Well, maybe if my secretary also refused to get an abortion,

00:09:01

I would be.

00:09:02

Mommy, can I have an omelet?

00:09:04

You're the birthday boy.

00:09:07

Normal childhood, and then just get right into the big, famous part.

00:09:12

Look, if you're not ready to talk, we can wait.

00:09:13

I am ready to talk.

00:09:15

Why wouldn't I want to talk about my parents?

00:09:17

They're so normal. That's crazy.

00:09:18

You sound like a crazy person, not me.

00:09:20

Stop being so crazy, crazy.

00:09:21

[laughing]

00:09:21

Why are you calling me crazy?

00:09:23

Okay. Was your father--

00:09:23

[upbeat ringtone]

00:09:26

Hold on, I got to take this. Hello?

00:09:27

Hey, BoJack, I've got Princess Carolyn for you.

00:09:29

- It's urgent. - Great, put her on.

00:09:31

Just a sec. I'll see if she's available.

00:09:32

■ When you're walking alone ■

00:09:34

■ Because Jellicles are And-- ■

00:09:36

BoJack, are you watching MSNBSea right now?

00:09:39

Great question.

00:09:40

Well, I didn't fall down on my remote, randomly changing the channel to MSNBSea while simultaneously crippling myself, thus physically forcing me to watch MSNBSea, so no.

00:09:50

No, I'm not watching MSNBSea right now.

00:09:53

Yeah, well, Hamlet, you might want to turn it on.

00:09:55

They're talking about you.

00:09:56

Ooh! Good things, I hope.

00:09:57

[sighs]

00:10:02

Our guest via satellite is Neal McBeal,

00:10:04

a naval officer on leave from Afghanistan.

00:10:07

Welcome to the program, Neal.

00:10:08

Thank you, Tom.

00:10:09

Hey, I met this guy.

00:10:11

All Neal wanted when he got home--

00:10:13

and I emphasize, from Afghanistan--

00:10:17

was his favorite brand of breakfast muffins.

00:10:21

When he went to the supermarket and called dibs

00:10:23

on the last box--

00:10:24

Well, tell us what happened, Neal.

00:10:26

BoJack Horseman, from the '90s sitcom Horsin' Around,

00:10:30

refused to respect my dibs.

00:10:32

Have you no shame, BoJack Horseman?

00:10:35

Seen here sneezing at a Christmas party.

00:10:37

Oh, not the sneezing pic--

00:10:38

Why do they always use the sneezing picture?

00:10:40

In the '90s, we laughed at your antics.

00:10:42

Oh, how we laughed. "Ha ha ha,"

00:10:45

we chortled in rapturous glee.

00:10:46

But when you deny the dibs called by our men and women

00:10:50

on the frontlines, that is a sick joke, sir.

00:10:52

A sick, sick joke, indeed,

00:10:55

and you'll forgive me if I chortle no longer,

00:10:57

for, to me, there is nothing the least bit funny

00:11:00

about stealing a meal from Neal McBeal, the Navy SEAL.

00:11:04

[grunting]

00:11:05

Wait, wait, you stole muffins from a Navy SEAL?

00:11:09

I didn't know he was a Navy SEAL.

00:11:10

I just thought he was the regular kind of seal.

00:11:12

This is classic Hollywood elitism.

00:11:14

BoJack Horseman thinks that because he was on TV,

00:11:16

that makes him better than everybody.

00:11:18

Well, guess what, BoJack, now I'm on TV,

00:11:20

so now I'm better than everybody!

00:11:22

That's right, Neal.

00:11:24

You didn't even have dibs, you stupid sea cow.

00:11:26

You guys think I should call in and set the record straight?

00:11:29

BoJack, these people feed off controversy.

00:11:31

If you dignify the story with a response, it's just gonna fan--

00:11:33

I'm now receiving word

00:11:35

that we've got BoJack himself on the phone.

00:11:38

Sorry, stopped listening.

00:11:39

You were ramping up to a "yes," right?

00:11:41

BoJack, what you did today

00:11:43

was a slap in the face of America's heroes.

00:11:45

Will you apologize?

00:11:48

Okay, enough about America's heroes.

00:11:51

Can we talk about dibs?

00:11:52

Because he didn't even really have dibs.

00:11:54

If he had legitimate dibs--

00:11:56

Oh, I had dibs on the muffins.

00:11:57

I hid them in the produce section!

00:12:00

You left them totally out in the open.

00:12:01

That's hiding?

00:12:03

[yelling]

00:12:03

How did you survive in Afghanistan?

00:12:04

Those are my muffins!

00:12:05

You give me back my muffins!

00:12:05

[barks]

00:12:07

Hey, guess what, I can't give them back

00:12:09

'cause I ate them all, okay?

00:12:10

Dude.

00:12:12

Hold on, just to be clear, since this morning,

00:12:14

you ate all the muffins?

00:12:16

Yeah, I ate them all in one sitting because I have no self-control and I hate myself.

00:12:20

Is that what you want to hear?

00:12:22

Neal, was it a small container of muffins, like two to four muffins?

00:12:25

No, Tom, there were a good deal more than that.

00:12:28

Can you remember exactly how many muffins were in the box?

00:12:30

Yeah, there were exactly 12!

00:12:32

I ate 12 muffins, and I didn't even want one!

00:12:36

There's your goddamn news story, the mystery of my missing goddamn self-respect!

00:12:42

[pants]

00:12:46

How'd I come off?

00:12:47

Well, that went slightly better than the worst it could have possibly gone, so hooray?

00:12:59

It's not even about the muffins.

00:13:01

Everyone is just out to get me because I'm famous and so well-adjusted.

00:13:05

Well, at least you've got some privacy.

00:13:07

My boyfriend's filming a reality show at our house.

00:13:09

If I want to be alone, I have to go to the roof because it's the only place they don't have insurance to film.

00:13:13

You go on the roof?

00:13:14

Yeah, just to get some work done.

00:13:16

Is that really weird?

00:13:18

No, it's adorable.

00:13:19

When I was a kid, I used to climb onto the roof with my dad and look at the stars.

00:13:24

What about you?

00:13:25

Were you close with your father?

00:13:27

Happy Father's Day, Daddy.

00:13:29

What is this supposed to be, a lima bean?

00:13:31

It's a heart.

00:13:32

That's some shoddy craftsmanship, son.

00:13:35

- I tried my best. - No, you didn't.

00:13:37

You slacked off and took the easy way out.

00:13:39

In this world, you can either do things the easy way or the right way.

00:13:42

You take a boat from here to New York, you gonna go around the horn like a gentleman or cut through the Panama Canal like some kind of democrat?

00:13:48

Um, the canal?

00:13:49

You go around the horn the way God intended!

00:13:53

Uneventful.

00:13:54

- What? - What?

00:13:56

I asked if you were close with your father, and you sat here in silence for five minutes and then said, "Uneventful."

00:14:02

You know what, this is a really good conversation, and I definitely want to keep having it, but I just keep thinking about the muffins thing, so maybe we could put a pin in this thorough deconstruction of my past, so I can put that other thing to bed before it spirals out of con--

00:14:15

I had dibs!

00:14:17

- My dibs were on those muffins! - Your dibs were void!

00:14:19

I spent a year in Afghanistan making America safer,

00:14:23

and this is the thanks I get?

00:14:25

Really, you, specifically, made America safer?

00:14:28

Well, BoJack, surely, even you would agree

00:14:31
that the troops are heroes.

00:14:32
I don't agree to that.

00:14:34
Maybe some of the troops are heroes but not automatically.

00:14:37
I'm sure a lot of the troops are jerks.

00:14:38
Most people are jerks already,

00:14:40
and it's not like giving a jerk a gun and telling him

00:14:42
it's okay to kill people

00:14:44
suddenly turns that jerk into a hero.

00:14:48
What?

00:14:50
Did you just say you think the troops are jerks?

00:14:54
Oh, you took that the bad way, didn't you?

00:14:59
I'm sure a lot of the troops are jerks.

00:15:01
No, no, no.

00:15:02
- The troops are jerks? - Oh, God.

00:15:04
Most people are jerks already,

00:15:06
and it's not like giving a jerk a gun--

00:15:07
[upbeat ringtone]

00:15:07
Hello?

00:15:10
Princess Carolyn needs to talk to you immediately.

00:15:11
Great, put her on.

00:15:12
She's actually just getting out of a meeting.

00:15:14
- Can you hold for a sec? - You called me.

00:15:17
■ When you're walking alone ■

00:15:18
■ Because Jellicles are And Jellicles do ■

00:15:21
Ugh.

00:15:23
■ Jellicles would And Jellicles can ■

00:15:26
- BoJack. - Ah!

00:15:27
I'm gonna level with you, honey.

00:15:29
This whole you hating the troops thing is not great.

00:15:33
I don't hate the troops.

00:15:34
I just hate one specific troop. I don't even hate him, really.

00:15:37
I just think that he's wrong about the muffins.

00:15:40
I know, BoJack-- just like always, you're right, and everyone else is wrong.

00:15:43

But if you don't swallow your pride, this is never gonna let up.

00:15:46
- I know you're stubborn-- - I'm not stubborn.

00:15:48
- I'm proud. - That's kind of the same thing.

00:15:49
No, it's an important distinction.

00:15:51
Okay, fine. You're not stubborn.

00:15:53
But I'm about to tell you something very important,

00:15:55
so I want you to listen carefully.

00:15:57
I'm getting another call.

00:16:00
I'm gonna have to put you on hold.

00:16:01
■ When you're walking alone ■

00:16:03
■ Because Jellicles are And Jellicles do ■

00:16:08
It is now day three of the great BoJack jerk-off--

00:16:11
Really?

00:16:12
That's the name we came up with for this?

00:16:14
Who came up with that? Was it Randy?

00:16:17
Did Randy come up with that?

00:16:20
Anyway, the former television actor

00:16:21
who hates our troops has not left his home

00:16:23
since his controversial remarks on Monday

00:16:25
about how he hates the troops.

00:16:27
BoJack Horseman makes me sick.

00:16:29
He voiced his opinion, even though it was unpopular,

00:16:31
and that's the most cowardly thing a person can do.

00:16:34
After we made love, he covered himself in sheets like an Arab.

00:16:38
At this very moment,

00:16:40
Congress is voting on a major education bill

00:16:42
that could completely restructure the--

00:16:44
Joan, I'm sorry to interrupt you,

00:16:46
but we've got some big news on the BoJack Horseman front.

00:16:48
It appears that BoJack's Lexus is coming out of the garage.

00:16:52
This is very big news, indeed.

00:16:54
Any comment on BoJack's controversial remarks this week?

00:16:56
Uh, nope.

00:16:56
[tires screech]

00:17:01

So where are we going?

00:17:02

Don't worry, I've got a plan.

00:17:05

[tires screech]

00:17:05

Whoa!

00:17:06

Jeez.

00:17:08

Ayako, hey, I need you to get me three tickets to Kyoto.

00:17:12

[speaking Japanese]

00:17:12

You son of a bitch!

00:17:14

You told me you were an obscenely rich American entrepreneur.

00:17:17

You had eighty dollars in your bank account.

00:17:21

Eighty!

00:17:22

Hey, I meant I was rich because I have friends like George Bailey.

00:17:26

[speaking Japanese]

00:17:26

Who the shit is George Bailey?

00:17:28

Do you have any idea how much work went into scamming you?

00:17:31

George Bailey!

00:17:32

Hello?

00:17:34

Well, I'm out of ideas.

00:17:36

We can hide out at my place while we make a plan.

00:17:42

Yeah, great, just get me away from the cameras.

00:17:46

Do we really need to be filming this?

00:17:48

It's for my reality show.

00:17:50

You never know when gold's gonna strike.

00:17:52

Yeah, gold doesn't strike.

00:17:53

That's why you never know.

00:17:55

BoJack, be nice.

00:17:57

Just pretend they're not there.

00:17:59

Okay. Well, I--

00:18:00

Could you speak up, please?

00:18:02

- I'd like to-- - Whoa, whoa, whoa, whoa.

00:18:04

That's too loud.

00:18:06

I want to fix this as quickly as possible.

00:18:08

I don't care who was right about the muffins anymore, even though

I was definitely right.

00:18:11

I just want my privacy back, so I can finish writing my tell-all memoir, so everyone will pay attention to me again.

00:18:17

I've already reached out to the McBeal camp.

00:18:19

He's willing to publicly forgive you if you publicly apologize and present to him a box of muffins as a symbol of your great admiration for the American military and everything they do.

00:18:28

But I ate the muffins.

00:18:30

I know. We got another box.

00:18:31

It's in the cupboard.

00:18:32

Oh, you were saving those? I ate those too.

00:18:34

We've been here for ten minutes!

00:18:36

It's okay, we'll get more muffins.

00:18:38

I'll get the muffins, and they're on me.

00:18:40

I just found out I got 80 bucks in the bank.

00:18:43

I'm helping! Hooray!

00:18:46

So where are we gonna do this?

00:18:47

Do I have to go on MSNBSea?

00:18:49

No, we should do it somewhere people will actually see it.

00:18:51

Oh, why don't you do it on Peanutbutter and Jelly ?

00:18:54

You can't call a show Peanutbutter and Jelly if there's no jelly.

00:18:58

It's a pun.

00:19:00

It's not a pun if it only works one way.

00:19:02

Is this a necessary conversation to be having right now?

00:19:05

Look, I know tempers are high, but let's not take it out on the great title for my reality show, which we all agree is really clever.

00:19:13

We can edit this to make me look smart, right?

00:19:16

■ Yeah ■

00:19:17

- ■ Peanutbutter ■ - ■ Come on ■

00:19:18

How's this look? Looks good?

00:19:20

- Okay. - Marker, sound, speed.

00:19:23

Well, here I am, hanging out with my good friend BoJack Horseman, enjoying each other's company, as we often do.

00:19:31

Yes, this is all very authentic and natural.

00:19:33

[doorbell rings]

00:19:34

Oh, someone's at the door!

00:19:36

I will see who it is.

00:19:41

Wow, this is a surprise.

00:19:43

Neal McBeal.

00:19:44

Hello, sir.

00:19:46

Thank you for inviting me into your home. It is lovely.

00:19:49

BoJack, is there anything you'd like to give Neal McBeal?

00:19:54

Ahem.

00:19:55

Oh, yeah, Todd?

00:19:57

What the hell is this?

00:19:59

I tried to buy the muffins, but my bank card got declined for some reason.

00:20:03

But don't worry, I still saved the day because I found this bag of stale hamburger buns.

00:20:08

I'm sorry?

00:20:10

Yeah, they're just giving them away behind In-N-Out.

00:20:12

Why does anybody pay for anything?

00:20:15

Ow.

00:20:16

Uh, Neal, as a token of my admiration, please accept this bag of stale hamburger buns.

00:20:24

- What? - Yes, hamburger buns.

00:20:26

It's a symbol for how we throw our veterans in the trash, sadly, far too often.

00:20:32

I'm listening.

00:20:34

We send our muffins overseas, and they come back as stale hamburger buns, but that doesn't mean we should love them any less, because in their own way, aren't stale hamburger buns just as good?

00:20:47

Mmm.

00:20:49

American made.

00:20:51

So what you're saying is, you think I'm a hero.

00:20:57

Well, I don't know if I--

00:20:59

Say it, BoJack. Say I'm a hero.

00:21:04

You're a hero.

00:21:05

The troops are all heroes, every single one.

00:21:09

Great.

00:21:10

And I don't believe saying that cheapens the word and actually disrespects those we mean to honor by turning real people into political pawns.

00:21:19

Okay, you can let go of the bag now.

00:21:22

Also, I am not deeply ambivalent about a seemingly mandated celebration of our military by a nation that claims to value peace telling our children that violence is never the answer while refusing to hold our own government to the same standard.

00:21:35

Yeah, me neither. I think we're in agreement here.

00:21:37

Furthermore, I do not find it unbelievably appropriate that this conversation is taking place on reality television, a genre which thrives on chopping the complexities of our era into easily digestible chunks of empty catchphrases.

00:21:51

Okay.

00:21:53

And finally, I don't--

00:21:55

Hey, look, Mr. Peanutbutter got a bucket stuck on his head.

00:21:58

Guys, guys, where am I? Can someone tell me where I am?

00:22:02

Hey, where'd he get that bucket from?

00:22:04

Who gave him a bucket?

00:22:06

[laughter]

00:22:08

Uh, actually, I had another point I wanted to make.

00:22:11

Yeah, but who doesn't love a dog with a bucket on his head?

00:22:14

Come on.

00:22:15

Bucket! Bucket!

00:22:17

[crowd]

00:22:17

Bucket!

00:22:18

Bucket! Bucket! Bucket! Bucket!

00:22:22

Hey, can anyone find a handle?

00:22:25

[howls]

00:22:25

[all cheer]

00:22:27

Oh, thank you, my friend.

00:22:29

You're a real hero.

00:22:31

Unbelievable.

00:22:33

What's your name, young lady?

00:22:34

Well, my real name's Angela, but my friends call me Jelly.

00:22:37

What? Oh, my God, did we get that?

00:22:40

Please tell me we got that.

00:22:49

[chuffs]

00:22:50

You want a day-old hamburger bun?

00:22:52

I'm all right. How'd it go down there?

00:22:54

You know what the problem is with everybody?

00:22:57

They all just want to hear what they already believe.

00:22:59

No one ever wants to hear the truth.

00:23:01

I want to hear the truth.

00:23:03

I don't know if you want to tell it, though.

00:23:04

What do you mean?

00:23:06

Mr. Normal Childhood, Mr. Uneventful Father?

00:23:10

Look, I can write you the standard empty-calorie celebrity tell-some, if that's what you're looking for, but I thought you might want more than that.

00:23:16

I do.

00:23:18

Well, then you're going to have to open up and give me something real.

00:23:21

What, you think I can't open up?

00:23:22

Well, I don't know if you can or not.

00:23:23

You certainly haven't.

00:23:25

[sighs]

00:23:27

Okay, from now on, full truth, warts and all.

00:23:31

You're not gonna make me look like an asshole, are you?

00:23:34

I don't know, are you an asshole?

00:23:38

Okay, full truth, here we go.

00:23:41

You want to know about my parents?

00:23:43

They drank a lot.

00:23:45

My father was a failed novelist.

00:23:46

My mother was the heiress to the Sugarman sugar cubes fortune, and my dad resented her for it.

00:23:51

He used to make me cry with him while listening to Cole Porter records.

00:23:54

He made me build my own tree house, and then he tore it down while I was at summer camp because instead of hearty, Christian nails,

00:24:00

I used screws, which he called fancy Jew nails.

00:24:04

Like I said, totally normal.

Ep 3 — Prickly-Muffin

00:00:09
[BoJack]

00:00:09
Who wants chocolate chip pancakes?

00:00:12
I do! I do!

00:00:14
Ethan, didn't you already eat your pancakes?

00:00:17
As Oliver North would say, "I do not recall."

00:00:19
[canned laughter]

00:00:21
Hey, where's Sabrina?

00:00:23
Not hiding under the table, that's for sure.

00:00:26
[audience]

00:00:26
Aww...

00:00:28
Why don't you guys leave this one to me?

00:00:31
Why aren't you dressed for school, prickly muffin?

00:00:33
I'm scared. Olivia told me sometimes, at school they have pop quizzes.

00:00:37
I don't want to pop!

00:00:40
That's too much, man.

00:00:42
[canned laughter and applause]

00:00:44
[laughs]

00:00:44
Sabrina, nobody's popping on my watch.

00:00:48
You stick with me, and I promise you, everything's gonna be just fine.

00:00:52
- Cut, boom in the shot. - What? I'll be in my trailer.

00:00:56
[canned laughter]

00:00:57
Nah, I'm just horsin' around.

00:00:59
[canned laughter and applause]

00:00:59
[laughs]

00:01:01
You folks enjoying the show?

00:01:01
[crowd cheering]

00:01:03
And how about Sara Lynn as Sabrina? Isn't she wonderful?

00:01:06
[cheers and applause]

00:01:06
- Oh.

00:01:06
[chuckles]

00:01:06
Thank you.

00:01:10
Sarah Lynn. You remember that name.

00:01:12

Back to one, everybody.

00:01:13
- Hey, you see those people? - Yeah.

00:01:15
Well, those boobs and jerk wads are the best friends you'll ever have.

00:01:18
Without them, you're nothing. Remember that.

00:01:20
Let's take it back to "prickly muffin."

00:01:23
Your family will never understand you, your lovers will leave you or try to change you, but your fans, you be good to them, and they'll be good to you.

00:01:29
We are rolling. Sound speed.

00:01:31
The most important thing is, you got to give the people what they want, even if it kills you, even if it empties you out until there's nothing left to empty.

00:01:39
No matter what happens, no matter how much it hurts, you don't stop dancing, and you don't stop smiling, and you give those people what they want.

00:01:47
And action.

00:01:49
Why aren't you dressed for school, prickly muffin?

00:01:54
You might remember her as adorable Sabrina

00:01:57
from Horsin' Around , but on her new dance pop album,

00:02:00
Sarah Lynn wants you to know that she is hot to trot.

00:02:03
■ Why don't you touch My prickly muffin? ■

00:02:10
■ My prickly muffin ■

00:02:11
■ Ooh, prickly And it's muffin, and it's-- ■

00:02:14
[gasps]

00:02:15
■ It's ready For your stuffing ■

00:02:19
What is the message behind your music?

00:02:22
America needs to know that I'm not that little girl anymore.

00:02:25
I'm a grown up, sophisticated woman now, and I have sex, and I do sexy things.

00:02:30
People like sex, okay, and since I'm sexy right now, they like me.

00:02:36
Are you at all worried that audiences will grow bored and abandon you for the next sexy thing?

00:02:40
[chuckles]

00:02:40
Are you kidding? I'm Sarah freaking Lynn.

00:02:43
I'm gonna be sexy forever!

00:02:47
Pop star and child actress, Sarah Lynn,

00:02:50
celebrates her 30th birthday this month,

00:02:52

raising the question, "does anyone care
00:02:54
about Sarah Lynn anymore?" After all, she is 30.
00:02:57
Here to answer that question,
00:02:59
sexy, 14-year-old dubstep wunderkind, Sextina Aquafina.
00:03:03
Hey!
00:03:03
[applause]
00:03:05
Sextina, what's your take?
00:03:07
I love Sarah Lynn. I grew up on her music, okay, and she's, like, an
inspiration, but now, she is old, and shriveled, and gross, and
nobody want her no more, okay?
00:03:14
They want Sextina Aquafina, baby!
00:03:17
Ha ha! You're delightful.
00:03:19
So where does Sarah Lynn go from here?
00:03:21
Oh, you know where she should go?
00:03:23
She should go wherever famous people go when they're done
being famous, and nobody cares if they live or die.
00:03:29
[horse whinnying doorbell ringing]
00:03:31
Who could that be?
00:03:33
[funky electronic music]
00:04:28
Who-o-o wants chocolate chip pancakes?
00:04:31
I do! I do!
00:04:34
Why are you talking to me?
00:04:35
I thought maybe if I said that,
00:04:37
you'd make me chocolate chip pancakes.
00:04:38
[grumbles]
00:04:38
- Oh, come on, buddy.
00:04:42
It's a beautiful morning, the sun is shining,
00:04:45
- birds are chirping-- - Hey, BoJack,
00:04:46
-any plans for the weekend? - Still hate the troops, Boj?
00:04:49
Why don't you refill your bird feeder, huh?
00:04:50
Yeah, who's a bird got to blow
00:04:52
- to get some seed around here? -
00:04:52
[chuckles]
00:04:52
Good one.
00:04:54
Let's do something fun today.
00:04:56
- Like what? - Like a cannonball!

00:05:01
Like a "buying you a new bed"?
00:05:06
Wow, everything in this store is made
00:05:08
out of old train tracks and a reclaimed pier.
00:05:10
Oh, great, for ten grand, I can sleep like a hobo.
00:05:13
Do we need letter openers
00:05:14
made out of Confederate bayonets?
00:05:16
It says they're stained with authentic Yankee blood.
00:05:18
O-M-G. O-M-G! O-M-M-F-C-S-D-V-R-Q-Q-P-Q-F-G!
00:05:25
- I know. - Ugh.
00:05:28
Yeah, it's me, straight off your TV screens
00:05:30
and into your shitty lives.
00:05:31
It's Sarah Lynn and Andrew Garfield.
00:05:34
[screams]
00:05:34
Huh? What the--?
00:05:38
And what's your name, darling?
00:05:40
I-- mm--
00:05:42
I'll just make it out to "Evelyn."
00:05:44
Uh--
00:05:46
Um, hi. Sarah Lynn, hi.
00:05:48
BoJack? Hey. Andrew, this is BoJack, my TV dad.
00:05:54
Oh, hello, I'm Andrew Garfield.
00:05:56
Andrew's my boyfriend. We're a celebrity power couple.
00:05:59
It's no big deal.
00:06:01
[whispering]
00:06:01
It's a really big deal.
00:06:03
Sarah Lynn, I actually wanted to talk to you about that.
00:06:05
When we started dating, you were the biggest star in the world, but
your last few albums tanked, so now, I don't even know what you
are anymore.
00:06:14
Are you-- Are you breaking up with me?
00:06:17
Oh, bother.
00:06:19
Um, are those candy pills,
00:06:21
'cause if so, that is a lot of sugar.
00:06:23
Why are you doing this to me?
00:06:25
Do you like seeing me suffer?

00:06:27
Because you know I'll bleed for you.

00:06:31
Ugh!

00:06:31
[all gasp]

00:06:32
- Oh! - Damn!

00:06:33
- Oh, dear. - Whoa-oh-oh. Um--

00:06:36
Darling, please, I wanted to do this in a public place so you wouldn't make a scene.

00:06:40
You think I won't make a scene, you limey bastard?

00:06:43
Then you really don't know me at all.

00:06:45
Hey, everyone! Who wants to see me take a dump on that sofa?

00:06:52
And then she took a dump on a sofa made out of a reclaimed propeller.

00:06:55
Where's Sarah Lynn now?

00:06:57
I checked her into Promises. 28 days, she'll be good as new.

00:07:00
How did it feel to check the girl you raised on television into rehab?

00:07:03
It was tough.

00:07:04
I would have liked to reconnect with her.

00:07:06
At least we got to bond a little on the drive to Malibu.

00:07:08
I can see my organs.

00:07:10
Oh, whoa! She is losing a lot of blood, BoJack.

00:07:13
Beautiful day for a drive, though, huh?

00:07:15
Well, maybe the two of you can catch up some more when she gets out of rehab.

00:07:19
People don't usually want to hang out with me after rehab.

00:07:22
I'm really more of a before-rehab friend.

00:07:24
I think it's gonna be a long time before I see Sarah Lynn again.

00:07:27
[horse whinnying doorbell ringing]

00:07:28
Who could that be?

00:07:32
Look, BoJack, I appreciate what you were trying to do, but I don't need rehab. Look, good as new, huh?

00:07:39
Oh, great, well, that's a relief.

00:07:41
Uh, should you be taking all those pills?

00:07:43
It's dextriathyphenolbarbatol.

00:07:45
- I got it from a doctor. - Your doctor or just a doctor?

00:07:48
I don't know, some doctor, okay?

00:07:50
I met him at Adam Levine's Halloween party.

00:07:52
I think he said his name was Dr. Who.

00:07:54
Yeah, I don't think that was--

00:07:57
Ohh, God damn.

00:07:59
Uh, are you supposed to be snorting it like that?

00:08:01
Ugh! What are you, the paramedic who restarted my heart at Adam Levine's Halloween party?

00:08:06
Okay, so before we put to bed the whole

00:08:08
- you going to rehab thing-- - BoJack, all my life,

00:08:11
I've never been forced to confront my problems head on.

00:08:13
No one has ever said "no" to me, ever, so is it cool if instead of confronting my problems head on,

00:08:20
I just hide out here for a little bit?

00:08:23
Sarah Lynn, I hear what you're saying, and I think I know what you need.

00:08:26
You just need a strong, responsible adult to say, "Yes. Yes, you can move in with me."

00:08:32
This is gonna be fun. Hey, everyone, the old gang's getting back together.

00:08:36
■ Three little orphans One, two, three ■

00:08:39
Who-o-o wants chocolate chip pancakes?

00:08:43
I do! I do!

00:08:44
Uh, what's going on in here?

00:08:46
Morning, sleepy-pooh, you want pancakes?

00:08:49
Yeah, that sounds great.

00:08:51
Ooh, tough break, champ. I just gave the last one to Sarah Lynn. Early bird gets the worm.

00:08:55
More like early turd gets the sperm.

00:08:57
Wha-- "Early turd gets the sperm," nice one, Sarah Lynn.

00:09:01
You should do a Shouts and Murmurs.

00:09:03
Help yourself to some cold wheat bran, sport.

00:09:04
Ugh.

00:09:06
Thanks for letting me crash here, BoJack.

00:09:08
The guest room is yours as long as you want.

00:09:10
You have a guest room?

00:09:11
Why have I been sleeping on the couch for five years?

00:09:14
You'll get the guest room when you've earned the guest room.

00:09:16

These pancakes are so good.

00:09:19

All Andrew ever wanted to eat was stupid lasagna.

00:09:22

Andrew Garfield loves lasagna?

00:09:25

I don't want to talk about him!

00:09:26

BoJack, can you drive me to the mall today?

00:09:29

I really want to go shopping, but I'm not allowed to drive because somebody got a DUI.

00:09:35

Uh, that somebody was you, right?

00:09:38

I don't have to answer your questions!

00:09:40

What are you, the cop that pulled me over after Adam Levine's Halloween party?

00:09:44

Honey, do you really think going to the mall's a good idea?

00:09:47

I seem to recall another time you went shopping when things got pretty out of control.

00:09:52

Oh, that's too much, man!

00:09:56

[cheering and theme music]

00:09:58

Really? Not the time when she gored herself with a bayonet and shat on a floor model?

00:10:03

Hey, I'm not the crazy one.

00:10:04

Andrew's the one who flies off the handle whenever his agent sets up an audition on a Monday.

00:10:09

Andrew Garfield hates Mondays and loves lasagna?

00:10:14

I said I don't want to talk about it!

00:10:15

- She said drop it, Todd! - Whatever,

00:10:16

I don't want to go to the stupid mall.

00:10:18

I'll just tell my friends to come here.

00:10:20

Muffin, I've got to work on my book today, and I can't have a bunch of folks over making a lot of noise.

00:10:25

Oh, I see. I'm a burden to you.

00:10:29

No, no, no, no. Sweetheart. Sweetheart.

00:10:31

I'm no longer cute, so I have nothing to offer this world.

00:10:35

Honey, of course your friends are always welcome here.

00:10:37

Cool. Bye.

00:10:39

- Can I invite a frien-- - No.

00:10:43

You let that basket case into your house?

00:10:45

That girl is a PR hurricane that you don't need right now.

00:10:48

She has nowhere else to turn. She broke up with her boyfriend.

00:10:51

She stabbed herself and closed the wound with duct tape.

00:10:54

- She fired her agent. - Whoa, whoa, whoa.

00:10:55

Back it up, horsey.

00:10:56

Did you say Sarah Lynn doesn't have an agent?

00:10:58

Laura, hold my calls, cancel everything!

00:11:00

Ahab's got a white whale to catch, baby!

00:11:02

[vase smashes on the ground]

00:11:02

[footsteps]

00:11:05

Uh, hello? Still there?

00:11:10

[house music]

00:11:14

Oh, th-- that's-- That's fragile.

00:11:17

Uh, no, oh, no, wait.

00:11:17

[glass breaking]

00:11:18

Careful. Careful. Careful.

00:11:19

Whoa! Hey, hey, hey!

00:11:21

Ah! Lemur!

00:11:30

[grunts]

00:11:36

- Great party, Sarah Lynn. -

00:11:36

[blows raspberry]

00:11:40

Hi, what it is, banana bread?

00:11:43

I'm not looking for a new agent right now.

00:11:45

Oh, whoa, whoa. Who says I'm looking for a new client?

00:11:49

Slow your roll, Speed Racer.

00:11:50

We're just two single ladies having a no-presh rap sesh.

00:11:54

I'm not one of those agents who can't turn it off.

00:11:56

Your Ari Emanuels and Vanessa Geckos and what have you.

00:12:00

Vanessa Gecko is actually Andrew's agent, and she's really great.

00:12:03

Is she? I've heard that.

00:12:09

I didn't realize you were so into house music.

00:12:12

Look, I asked her to turn it down, but apparently, this volume was prescribed by Dr. Who to treat something called "uptight dickhead disease."

00:12:20

What do you-- What do you think about Sarah Lynn?

00:12:23

Oh, I don't really think about her all that much.

00:12:25

I mean, obviously, I'm a fan of her early work which both satirized and celebrated youth culture's obsession with sex, but I do wonder as a third-wave feminist if it's even possible for women to reclaim their sexuality in this deeply entrenched patriarchal society, or if claiming to do so is just a lie we tell ourselves so we can more comfortably cater to the male gaze.

00:12:43

- Uh, what? - But you know, on the other hand, I worry that conversations like this one often dismiss her as a mere puppet of the industry...

00:12:49

- That's my same worry. - ...incapable of engaging

00:12:51

- in these discussions herself... - Obviously.

00:12:54

...and infantilization, which is itself a product

00:12:56

- of the deeply misogynistic... - So deep.

00:12:57

...society we live in. But like I said,

00:12:59

I don't really think about her all that much.

00:13:01

Okay, well, that is very interesting, but I was more asking, like, what do you think about her living here?

00:13:07

Oh, right.

00:13:08

Well, what was your relationship like with her when you were working on the show?

00:13:13

It was very good, very professional.

00:13:15

BoJack, where did you go to college?

00:13:18

- Don't bother him, honey. - Oh, it's no problem.

00:13:21

Honey, college is for ugly people who can't tap dance.

00:13:24

- I want to be an architect. -

00:13:24

[laughing]

00:13:24

Sweetheart,

00:13:27

Mommy didn't do what Mommy did to that Star Search producer so that you could be an architect.

00:13:32

- Aw. - All right,

00:13:34

- take it sleazy, everybody. - Wait, BoJack, um, what are you doing this weekend?

00:13:39

I don't know. I'll probably just go to the amusement park, maybe the circus, fly a kite on the beach, watch the sunset, then I'll head back to my place to watch any number of Disney princess movies while eating ice cream straight from the tub.

00:13:49

Whoa, that sounds like so much fun.

00:13:51

Can I come?

00:13:52

[laughing]

00:13:52

Yeah, like I want to spend my weekend hanging out with a little girl.

00:13:52

[laughing]

00:13:52

Good one!

00:13:58

You should write for the Shouts and Murmurs.

00:14:00

See you Monday!

00:14:01

So the makeup they were putting on you was not for the show, it was just for the weekend?

00:14:06

Why does that matter?

00:14:07

I'm just trying to understand the story.

00:14:09

Do you think it's possible that you inviting Sarah Lynn into your house now is your way of compensating for not--

00:14:14

No, Diane, I'm just helping out a friend.

00:14:16

I'm not trying to play out some weird, sick dad fantasy, or resolve a deep guilt for past neglect, or even try to retroactively fix my own childhood by recreating someone else's, and I'm especially not doing all those things at once!

00:14:29

Okay.

00:14:30

[loud crash]

00:14:30

- What happened?

00:14:32

Did somebody hurt my precious baby?

00:14:34

Sarah Lynn! Ah! What the--?

00:14:37

Oh, hey, BoJack.

00:14:39

I told my friends they could tear this wall out to build a sweet cocaine booth/sex closet.

00:14:43

- Is that cool? - No, that's not cool.

00:14:45

Oof. Way to harsh the vibe, Kissinger.

00:14:47

Oh, I'm sorry. I didn't realize.

00:14:50

I thought this was a place where Sarah Lynn could finally be Sarah Lynn, but I guess... that's too much, man.

00:14:58

I always loved that catch phrase.

00:15:01

Can your friends at least take the artwork off the wall first?

00:15:04

Ooh. I want to say yes, but no.

00:15:08

- Okay, good talk. - Wha-- Are you serious?

00:15:16

The reason I have called this house meeting is--

00:15:19

Todd, how many times have we been over this?

00:15:21

You don't have the authority to call house meetings.

00:15:23

Only I can call a house meeting. You can propose a house meeting.

00:15:27

All right, fine, fine, fine, but the reason I propose

00:15:29

- this house meeting-- - Your proposal has been submitted and is under board review.

00:15:33
- Proposal denied. - BoJack, this Sarah Lynn thing is getting out of control, okay? She's taking advantage of you.

00:15:39
What? No she's not. We have a special relationship.

00:15:41
You couldn't possibly understand.

00:15:43
Oh, my God. Look at what she's done to your house.

00:15:45
All right, look, I mean, I stepped on a needle earlier.

00:15:48
I think I'm addicted to heroin now, so now, that's probably gonna be a whole thing.

00:15:52
I have to say, I agree with Todd.

00:15:54
You're not this girl's father, and you're not doing her any favors by refusing to set boundaries.

00:15:57
Look, I played a dad for nine years on TV, so I think I know a little bit more about parenting than you two jokers. The kids on Horsin' Around didn't need boundaries.

00:16:06
All they needed was some good, old-fashioned love.

00:16:08
BoJack! This is not a TV show, okay?

00:16:11
This is real life.

00:16:13
Ah! Lemur on fire! Lemur on fire!

00:16:19
Some good, old-fashioned love, and I'm gonna give it to her.

00:16:22
I'm gonna give it to her so... hard.

00:16:26
You know, I feel like we don't ever hang out.

00:16:31
Here you are, milady, a gin and nutmeg just like you asked.

00:16:36
Ugh. Too much nutmeg.

00:16:38
Well, you know what would taste even better?

00:16:40
An endorsement for a Slovakian yogurt.

00:16:42
Could Vanessa Gecko get you that?

00:16:45
Vanessa Gecko got Andrew The Social Network , and she has skybox seats at the Staples Center.

00:16:51
- What do you have? - Well, I've got a table at the Comedy Central roast of Gloria Stein--

00:16:54
Hey, Sarah Lynn, what say we spend the day together, just you and me, away from all the haters?

00:16:59
- I want to say yes, but-- - Great, let's go.

00:17:02
■ It really seems like Some things are forever ■

00:17:06
■ in this world ■

00:17:08
■ Don't you know I'm feeling fine ■

00:17:10

■ Together with my girl ■

00:17:13
■ Daddy's girl She's daddy's girl ■

00:17:19
You know, Sarah Lynn, I got a feeling

00:17:21
- everything's gonna be okay. - Uh-huh.

00:17:25
Hey, did you hear Kazaz got cancer?

00:17:28
What? Herb Kazaz has cancer?

00:17:30
Yeah, in the butt. He's got, like, six months I think.

00:17:33
Well, that's horrible. Why would you tell me that now?

00:17:35
I don't know. The sun setting over those two hills made me think of a big ass, and that made me think of ass cancer, and that made me think of Herb Kazaz's ass cancer. You really didn't know?

00:17:45
No, Herb and I aren't on the best--

00:17:46
Look, I'm trying to have a moment here. I can't--

00:17:49
Hey, I want to give you something.

00:17:51
Is this your TV Guide award?

00:17:53
It's the most prestigious award I ever won.

00:17:56
I always thought if I ever had kids of my own,

00:17:57
I'd give it to them one day. I want you to have it.

00:18:00
Oh, wow. BoJack, thanks. You're sweet.

00:18:03
[sighs]

00:18:03
■ Na-na-na-na La-la-la-la ■

00:18:07
■ Na-na-na-na La-la-la-la ■

00:18:09
- What are you doing? - Shh.

00:18:10
Just let the credits roll, let the credits roll.

00:18:12
■ Sha-na-na-na-na-na Special moment ■

00:18:15
■ Exec Producer Garry Marshall ■

00:18:18
■ Na-na-na Such a happy day ■

00:18:20
"Sit, Ubu, sit." "Good dog." "Arf."

00:18:21
- Can we go home now? - Yeah, okay, we're done.

00:18:24
■ Hey now, boy, come and try My clitoris is ginormous ■

00:18:30
[phone buzzing]

00:18:33
- Hello? - BoJack Horseman.

00:18:35
Did you get rid of your old TV Guide award?

00:18:37
This pawnshop on La Cienega was selling one

00:18:39
- with your name on it. - What?

00:18:40

Wait, why were you at a pawnshop?

00:18:42

Oh, I just have a guy there who calls me whenever TV awards come in so I can buy 'em.

00:18:46

I put my name on, it's like I won it myself!

00:18:48

I have two Golden Globes and a People's Choice for Temple Grandin.

00:18:52

Sarah Lynn!

00:18:53

Hello? You still there?

00:18:56

■ My clitoris is ginor-- ■

00:18:56

[record scratch]

00:18:58

Okay, party's over. Everybody out.

00:19:00

[all]

00:19:00

Aw! - Not you.

00:19:02

You are in big trouble, young lady.

00:19:04

I can't believe you pawned my award.

00:19:06

It wasn't personal. I just thought your award was stupid, and I already have a billion other awards, and I wanted to get money for drugs.

00:19:13

Look, things have been tough for you, and I understand that.

00:19:16

I know what you're going through right now.

00:19:18

[chuckling]

00:19:18

Oh, you know what I'm going through? Why?

00:19:21

Because you were on some dumb kids show a million years ago?

00:19:24

- Hey, now. - I had my own fashion line when I was ten. By 20, I was packing stadiums.

00:19:29

I get letters every day from boys telling me that I was the first girl they masturbated to.

00:19:35

Literally, someone tells me that every day.

00:19:38

- That is gross. - Oh-ho, I know!

00:19:41

You sit up here in your little house and feel sorry for yourself? Oh, guess what, Bo-j, in order to be a has-been, you have to have actually,

00:19:48

- you know, been. - You are way out of line!

00:19:51

You're not my dad. You're just a rugged, older man who provided me with a strong, masculine presence during my formative years.

00:19:57

I'm not your dad, and you're not my child.

00:19:59

We're just a man and a lady living in a house together, and we're both adults, and we're both a little drunk.

00:20:05

[both groaning]

00:20:09

Who-o-o lit my ottoman on fire?

00:20:13

Seriously, you seriously don't know?

00:20:16

I'm a bad "widdle" girl.

00:20:19

Yeah, you are bad, very bad!

00:20:21

You want me to put it out with my boob?

00:20:25

- Uh, what? - Your boob is a very impractical way to put out a fire.

00:20:31

What is happening?

00:20:33

I think you have a serious drug problem.

00:20:35

The only drug I need is horse.

00:20:38

Guys, guys, what are you doing?

00:20:40

Please don't do this.

00:20:40

[both moaning]

00:20:41

No, no. Why are you--

00:20:41

[both moaning]

00:20:43

[whinnies]

00:20:43

- This is a very bad idea.

00:20:45

[both moaning]

00:20:45

Can I at least get my blanket--

00:20:47

Let me get my blanket out from under--

00:20:49

Oh G-- Oh, my God, my arm.

00:20:50

- You got my arm. -

00:20:50

[laughs]

00:20:50

Ow! Ow!

00:20:52

I'm in it now. Oh, God, no! I'm a part of it.

00:20:54

[both moaning]

00:20:58

I still haven't regained the feeling in my fingers.

00:21:01

That was the longest two minutes of my life.

00:21:03

Um, I think it was a little longer than two minutes.

00:21:06

It was longer than two minutes.

00:21:07

How do you not get that this is terrible?

00:21:10

Oh, you mean from a P.R. standpoint?

00:21:12

Yeah, 'cause if this got out, oh, I would get flayed!

00:21:15

Oh, I'm done being the voice of reason.

00:21:18

It's exhausting. I got to take an angry nap.

00:21:22

Ugh. Ugh. Ugh.

00:21:24

I know. I know. She's taking advantage of me.

00:21:27

Actually, it kind of feels like you're the one taking advantage of her. She's the one with substance abuse problems and daddy issues.

00:21:33

Hey, we both have substance abuse problems

00:21:35

- and daddy issues. - Yeah, but she came to you

00:21:37

- for help. -

00:21:37

[sighs]

00:21:41

Hey, notice how I've been ignoring you, playing hard to get? Only makes you want me more.

00:21:45

Ugh. Go stand on the other side of the room.

00:21:47

- Okay. - Sarah Lynn, get your coat.

00:21:49

- I'm taking you to rehab. - Nah,

00:21:51

I was gonna keep hanging out here if that's all right.

00:21:54

- No, it's not all right. - What?

00:21:56

This place isn't good for you.

00:21:58

You need to go where you can get help, real help.

00:22:00

But I thought you were always gonna be there for me like you said.

00:22:04

I will always be there for you.

00:22:07

Cut, let's take ten.

00:22:08

That's ten, everyone. Let's make it a tight ten.

00:22:11

- These pages are shit. -

00:22:11

[coughs]

00:22:11

you understand? Shit.

00:22:14

I wouldn't wipe my ass with these pages.

00:22:16

It would defeat the whole purpose of wiping my ass.

00:22:18

- Phone for you. - Uh-huh.

00:22:19

You get me points on the back end?

00:22:21

[coughs]

00:22:21

- Well, I told you

00:22:22

I'm not gonna do it unless I get points.

00:22:24

Oh, they can't find any?

00:22:25

Well, maybe they could suck some out of my dick!

00:22:27

[coughs]

00:22:27

- I'm on the phone.

00:22:28

- You're being very rude. -

00:22:28

[laughs]

00:22:31

You promised me you would always be there.

00:22:33

Sarah Lynn, this is for your own good.

00:22:36

You can't stay here anymore.

00:22:37

Okie-doke. I guess I'll just move out and find one of the billion people who will let me party at their house.

00:22:43

Uh, well, you should not do that.

00:22:45

Oh, I know. I know, but I can, so I will.

00:22:48

I'm at a place right now where I never need to grow as a person or rise to an occasion because I can constantly just surround myself with sycophants and enablers until I die tragically young.

00:22:58

- Wh-What? - Yeah, it's pretty much too late for me.

00:23:03

Well, them's the breaks. Take it sleazy, everybody.

00:23:06

Oh, by the way, I called Vanessa Gecko, and I'm meeting with her tomorrow.

00:23:11

- Thanks for the suggestion. - No! No, no, no, no, no!

00:23:13

Hey, you guys want to hear my new catchphrase?

00:23:16

Suck a dick, dumb shits!

00:23:16

[blows raspberry]

00:23:20

[grunting]

00:23:22

Laura, the dummy took the bait. Now for phase two.

00:23:25

Is she gone? Is it safe to come out?

00:23:29

Leak to the trades that Andrew Garfield's agent is taking meetings with his ex, get it all over town, wait an hour, then get me lunch with Andrew on the books for this weekend, someplace Italian.

00:23:40

I really blew it, didn't I?

00:23:41

I mean, maybe you could have been a better role model when she was young, but also, she never really had a chance.

00:23:47

This is what our celebrity culture does to people.

00:23:49

So what you're saying is, Everything is society's fault, and we as individuals never need to take responsibility for anything?

00:23:56

Uh, no. Not exactly. I was just saying that--

00:23:59

Yeah. I like that. I didn't do anything wrong because I can't do anything wrong because we're all just products of our environment, bouncing around like marbles in the game of Hungry Hungry Hippos that is our random and cruel universe.

00:24:09

Wait, no, that's not even what I'm saying--

00:24:11

Yeah, It's not my fault. It's society.

00:24:14

Everything is because of society!

00:24:16

- BoJack, that-- - Dude, just let him have this.

00:24:19

Hooray! Everything is meaningless!

00:24:21

Nothing I do has consequence!

00:24:26

So what'd you get, anything good?

00:24:28

Oh, I got everything.

00:24:30

[both laugh]

00:24:36

Ep 4 — Zoës and Zeldas

00:00:05

[funky music]

00:00:11

And he says-- he says, "Why the long face?"

00:00:13

And I say, "Hey, buddy, I can't help it."

00:00:18

You get that? Long face. Horses have long faces.

00:00:21

I am a horse, my face is long. You get it, right?

00:00:23

[dispassionate murmur]

00:00:23

Good, good.

00:00:25

What about the Rock Hudson stuff?

00:00:26

Felt like that flew over your heads.

00:00:27

Did you get that?

00:00:28

Keep this up, and the only thing we're gonna get is our money back!

00:00:31

[laughter]

00:00:33

Okay, okay, it wasn't that funny.

00:00:34

Maybe you didn't get it.

00:00:34

[laughter]

00:00:36

Uh, hey, guys, guys--

00:00:36

[clears throat]

00:00:38

00:00:41

[whinnies]

00:00:44

Hey, let me buy you a drink.

00:00:45

Get cancer, jerk wad.

00:00:47

You've got some good material, you really do.

00:00:49

The Gorbachev stuff, it's killer.

00:00:51

But you gotta stop asking people if they get things.

00:00:54

But then who do I know if they got it?

00:00:55

They'll laugh.

00:00:57

Why are you giving me advice?

00:01:00

Look, I've been doing stand-up for a year now, and it's the responsibility of big shots like me to always be looking out for the little guy.

00:01:07

Let me buy you a drink.

00:01:09

Oh, I don't drink.

00:01:10

BoJack Horseman.

00:01:11

Herb Kazazz.

00:01:16

Oh, God!

00:01:18

Goddamn it, Todd, clean up your shit.

00:01:20

What am I supposed to do, okay?

00:01:22

You don't give me any closet space.

00:01:24

Not my problem. A better man than you once said, and I quote,

00:01:27

"It's the responsibility of little guys like you to be looking out for big shots like me."

00:01:31

Who said that?

00:01:32

I don't know, Jesus, Ghandi, Malcolm-Jamal Warner.

00:01:35

Clean up your shit! Oh!

00:01:38

[funky electronic music]

00:02:31

[big band music]

00:02:34

Gloria Steinem, one of the leading lights of modern feminism.

00:02:39

You will surely go down in the annals of history just as surely as Lisa Lampanelli will go down in the locker room of the Houston Rockets.

00:02:47

[laughter]

00:02:49

Hey, BoJack, settle a bet.

00:02:51

Are you a Zoe or a Zelda?

00:02:53

Don't know what that means.

00:02:54

Well, I was talking to Wayne.

00:02:56

- Who's Wayne? - I'm Wayne.

00:02:57

Wayne's writing an article about me for BuzzFeed.

00:03:00

BuzzFeed? What'll they think of next?

00:03:03

Fun fact: Wayne is also my ex-boyfriend.

00:03:06

Ha! You're funny.

00:03:07

[Peanutbutter]

00:03:07

Pretty cool, eh, BoJack?

00:03:09

Diane's writing a book about you,

00:03:10

Wayne's writing an article about me.

00:03:12

We're the same!

00:03:14

How could you think that that's the same?

00:03:15

My book will be in libraries for hundreds of years.

00:03:17

Your BuzzFeed article will be crammed

00:03:19

between an animated GIF of a cat falling asleep

00:03:21

and a list of fun facts about Legally Blonde.

00:03:24

Ha! Classic Zoe.

00:03:25

I still don't know what that means.

00:03:27

Well, are you familiar with Mr. Peanutbutter's House?

00:03:29

Do you mean his sitcom that coincidentally

00:03:31

had the exact same premise as my sitcom?

00:03:33

Not the exact same. Mr. Peanutbutter's House featured a pair of twins, Zoe and Zelda.

00:03:39

Zelda was the sunny, fun-loving extrovert.

00:03:42

Look at my pumpkin, Mr. Peanutbutter.

00:03:44

Pretty smile, Zelly-belly.

00:03:45

[audience]

00:03:45

Aww...

00:03:47

Whereas Zoe was the smart, cynical introvert.

00:03:49

My pumpkin's throwing up because Halloween encourages excessive consumption of refined sugar at a time when obesity rates are sky high.

00:03:56

Plus, Halloween costumes are a gateway to casual racism.

00:04:00

Why don't I keep the knife, Zo-bo?

00:04:02

■ Who's that dog? ■

00:04:03

■ Mr. Peanutbutter ■

00:04:05

■ Knick-knack, paddywhack Give a dog a bone ■

00:04:07

Now, was the show's acting ham-fisted and the writing moronic?

00:04:10

N-n-no?

00:04:12

Yes, but the Zoe/Zelda paradigm rang true.

00:04:15

I believe everyone's either a Zoe or a Zelda.

00:04:18

For example, Nixon was a Zoe and Kennedy, a Zelda.

00:04:22

Al Gore, Zoe. George W. Bush, total Zelda.

00:04:25

It's R2-D2 and C-3PO, Zooey and Emily Deschanel.

00:04:29

So Zooey's a Zoe?

00:04:30

No, Zooey's a Zelda. Emily's the Zoe.

00:04:33

What a crazy world.

00:04:34

So which one are you, BoJack?

00:04:36

I think I'm... above this.

00:04:38

Said the Zoe.

00:04:39

[laughter]

00:04:41

Well, I think I'm a Zelda.

00:04:42

Or maybe you're the third kind of person,

00:04:44

whose only function is to drain the energy and life force from his host organism.

00:04:48

Come on, BoJack.

00:04:49

Nah, he's right. I'm pretty much worthless.

00:04:51

See? You say something to someone enough times,

00:04:53

and eventually, he internalizes it.

00:04:55

The system works.

00:04:57

I don't have a job, I don't have any prospects.

00:04:59

I probably won't ever finish the rock opera I'm working on.

00:05:02

What?

00:05:02

[laughs]

00:05:03

Since when are you working on a rock opera?

00:05:07

Oh, no. Why'd I ask that?

00:05:09

Basically, it's Tommy by way of Cirque du Soleil set in space, with heavy erotic overtones, and the gripping psychodrama of a thriller with plenty of heart and more than a little humor.

00:05:20

I call it Newtopia Rising, Book I:

00:05:24

The Search for a New Utopia.

00:05:26

Book I?

00:05:28

You've got me thinking sequel here.

00:05:30

Ugh.

00:05:31

[playing fanfare]

00:05:33

[laser effects]

00:05:34

■ Traveling on a spaceship ■

00:05:37

- I'm in. - I'm out.

00:05:38

■ So far away from home ■

00:05:42

■ To find a new and better place ■

00:05:46

■ A planet rich with loam ■

00:05:49

Loam? "Rich with loam?"

00:05:51

Yeah, it's a kind of soil.

00:05:53

These people are simple, agricultural types.

00:05:55

On a spaceship?

00:05:57
[synthesizer music]

00:05:59
■ We learned a lot And had some laughs ■

00:06:03
■ But they couldn't make us slaves ■

00:06:05
■ No! No, they couldn't make us slaves ■

00:06:08
[panting]

00:06:08
- ■ No! ■

00:06:09
■ No, they could-n-n-n't ■

00:06:12
[yawns]

00:06:12
- ■ Make u-u-u-us ■

00:06:16
[synthesizer fills]

00:06:17
■ One, two ■

00:06:19
"Slaves." Just say "slaves."

00:06:21
■ Sla-a-a-a-a-aves ■

00:06:21
[playing fanfare]

00:06:27
[recorded applause plays]

00:06:30
That was-- and I don't say this lightly... worse than a hundred September 11ths.

00:06:35
Yeah, you're right. This was stupid.

00:06:37
I don't know what I was thinking.

00:06:39
Well, guess I'll give up forever.

00:06:41
That's the spirit.

00:06:45
Now, you have to understand that as a port city,

00:06:48
Liverpool had unique access to all aspects of American culture, especially Blues music and its unruly nephew, Rock and Roll.

00:06:55
I thought this story was about running into Paul McCartney in the bathroom at the Golden Globes.

00:06:58
It is. I thought you would appreciate some context.

00:07:01
Let's skip that one for a minute.

00:07:03
Tell me about Todd.

00:07:04
Todd? What's to tell?

00:07:06
Five years ago, he found his way into one of my house parties and never left.

00:07:10
And you've never asked him anything about himself?

00:07:12
I've asked him to get a job, I've asked him to move out.

00:07:14
With a little encouragement,

00:07:15
I'll bet he could really flourish.

00:07:17
I mean, didn't you have anyone who helped you when you were just starting out?

00:07:20
Um, actually, no.

00:07:21
Todd clearly thinks the world of you.

00:07:23
Todd thinks the world of Pop-Tarts.

00:07:25
Look, I get that helping other people is not your thing, but--

00:07:28
What? I let Todd live rent-free in my stately manse.

00:07:30
I am his own personal Mother Teresa.

00:07:32
But do you let him stay here because you're kind or just because you're terrified of being alone?

00:07:36
[laughing]

00:07:36
That is insane!

00:07:38
I would love to be alone. That is all I want.

00:07:42
Mmm...if that were really true,

00:07:44
I don't think you'd be clipping Todd's wings all the time.

00:07:46
What? That's unbelievable.

00:07:47
Todd!

00:07:48
What? Clean up my shit?

00:07:50
Yes, but also, I would like to... help you with your dumb-ass rock opera.

00:07:55
- What? - I am... supporting you.

00:07:59
I-I don't understand. Oh, my God, are you dying?

00:08:02
No. I... think you have great depth of untapped potential and I wish to mentor you in your... art.

00:08:09
- Really? - Yes.

00:08:11
Wait, is this going to be like that time you promised to take me ice skating, and I got really excited about the ice skating, but then instead of ice skating, you left me at home so you could go to the strip club and then you took the strippers ice skating?

00:08:22
- No. - Then hooray!

00:08:27
Let's dig in. Where to start?

00:08:30
Okay, well, the headline is, I hate it.

00:08:32
I hate everything about it.

00:08:33
The premise is bad and the execution is also bad.

00:08:35
It's an irredeemable jumble of shit.

00:08:37
Tough but fair.

00:08:39
Ahem.

00:08:40

That said, I don't see why we can't make something really great here.

00:08:44

Okay, thank you. I'll work on that.

00:08:46

[panting]

00:08:46

Are you close?

00:08:48

No!

00:08:50

- How 'bout now? - No!

00:08:51

Now?

00:08:52

You're not even inside of me.

00:08:53

Oh, God!

00:08:56

Did you get there?

00:08:57

[door opening]

00:08:59

Okay, so you know in the second act closer when the seekers of Newtopia are in the Turbidians' dungeon and they learn their ship

00:09:05

- has been destroyed? - No.

00:09:06

Well, what if we move that to the fourth act?

00:09:09

I have no idea what you're talking about, but that idea is terrible.

00:09:12

I hear the note. Let me see what I can do.

00:09:14

[playing keyboard]

00:09:16

■ And that's why this planet ■

00:09:20

■ Su-u-u-u-u-cks ■

00:09:25

So?

00:09:26

How can I put this?

00:09:27

Imagine if the Holocaust happened every four years like the Olympics.

00:09:32

I would rather that happened than your rock opera.

00:09:35

That's not really a note.

00:09:37

In fact, none of your notes have been notes.

00:09:40

I feel like you're not even listening.

00:09:42

Yeah, well, you know what? Maybe I would listen if the Turbidians had some reason to enter the Cave of Swollen Dreams that didn't break the pact they made in act one with Queen Darneesa.

00:09:51

You have been listening.

00:09:52

Just doesn't make sense.

00:09:53

The Turbidians are a loyal people.

00:09:55

They-- they wouldn't betray their queen.

00:09:57

Unless...

00:10:00

[both]

00:10:00

They were working for Queen Darneesa, who gave them a potion that would counteract the effects of the Elixir of Failed Remembrance so they could bring the secret knowledge from the cave back to her, and then establish Newtopia as a vassal state to the Craterman kingdom!

00:10:15

Well, don't just sit there! Get this down!

00:10:18

[grunting]

00:10:18

Oh, you like that.

00:10:21

You like daddy's good stuff?

00:10:22

Not especially.

00:10:24

[groans]

00:10:25

Did you get there?

00:10:28

Okay, what if there isn't a robot army?

00:10:32

I think you just blew this thing wide open.

00:10:35

[playing keyboard]

00:10:38

■ We'll make this our Newtopia-a-a ■

00:10:42

- ■ Up a fifth ■ -

00:10:42

[high note]

00:10:42

■ Ah ■

00:10:44

■ Down a fifth ■

00:10:45

[low note]

00:10:45

■ A-a-ah ■

00:10:48

That was great! This train is moving.

00:10:50

[laughs]

00:10:50

Let's take a break and get lunch.

00:10:52

Wait, you want to get lunch with me?

00:10:54

Yeah, that's right.

00:10:56

Is this like the time you invited me to lunch, but then, when I got to the restaurant, you texted me to tell me you weren't coming because you were at a strip club "eating stripper" for lunch, and also, it was my birthday?

00:11:09

No.

00:11:10

Then hooray!

00:11:14

And that was a last time I worked with David O. Russell.

00:11:18

What's that old expression?

00:11:20

"Fool me once, shame on me, but fool me twice... fiddle-dee-dee."

00:11:24
I do believe that is the expression.

00:11:26
[phone ringing]

00:11:26
- Ooh, hold on.

00:11:27
I gotta take this.

00:11:28
Erica, I don't have time to be charmed to death right now.

00:11:32
So how long have you been dating Mr. Peanutbutter?

00:11:35
Is it serious? I'm only asking for the article.

00:11:38
Better question: How long does it take to write a BuzzFeed article?

00:11:40
I want to be thorough.

00:11:42
What? Diane, Diane, Diane, Diane!

00:11:44
- Do you know what today is? - Sunday?

00:11:46
It's "burritos as big as your head" day at El Taco Loco!

00:11:50
We gotta go right now!

00:11:52
I thought we were going to see the Diane Arbus show at LACMA today. You know I love Diane Arbus.

00:11:55
[chuckles]

00:11:55
I see what's happening here.

00:11:58
Her name is Diane, and your name is Diane.

00:12:02
That's not what's happening.

00:12:04
I can go to the Arbus show with you, Diane.

00:12:05
What?

00:12:07
I've actually been meaning to go myself.

00:12:08
Oh, man, you guys are perfect for each other.

00:12:10
Why did you ever break up?

00:12:12
[nervous laugh]

00:12:14
Okay, less yakking, more snacking.

00:12:16
Let's go ride in the car!

00:12:16
[barking]

00:12:20
Here's your steak.

00:12:21
- Uh, sorry. - Mm-hmm.

00:12:24
You mean to tell me that for a full year you were on the run from the Russian mafia?

00:12:28
Well, a Russian mafia.

00:12:31
I can't believe you never told me any of this stuff.

00:12:33

I just thought you were a dumb freeloader who ate all my food and played video games all day.

00:12:36
You should have seen me in high school.

00:12:38
There was this one game, Decapathon.

00:12:40
I remember that game.

00:12:42
I was up for Dr. Decapitator in the movie version.

00:12:44
They said they wanted someone hipper, but the part ended up going to Robert Downey.

00:12:47
- Junior? - If it was Junior,

00:12:49
I would have said, "Junior."

00:12:50
That game basically destroyed my life.

00:12:53
I flunked out of school, my girlfriend left me.

00:12:55
I mean, I didn't stop playing until my mom threw me out of the house.

00:13:00
I mean, that's when I first realized, you know,

00:13:03
I'm a total screw-up.

00:13:05
You're not a screw-up anymore, Todd.

00:13:07
You're about to have a hit rock opera on your hands.

00:13:09
I'm really glad you think that.

00:13:12
I got Princess Carolyn to invite

00:13:13
Virgil Van Cleef to our next rehearsal.

00:13:16
Who in the what Van?

00:13:17
Virgil Van Cleef is the biggest name in rock opera.

00:13:20
Okay, think of all the great rock operas from the last 20 years.

00:13:25
Okay.

00:13:26
He had a piece of all of them.

00:13:28
Wow, Todd, are you sure we're ready for that?

00:13:30
Hey, you said yourself the train is moving, but if you think we're not ready,

00:13:34
I mean, I'll listen to you.

00:13:35
Hey, you've done enough listening, buddy.

00:13:37
Maybe it's about time I start listening.

00:13:39
Well, I feel like--

00:13:39
[phone ringing]

00:13:40
Gotta take this. Hello?

00:13:41
Hello? BoJack Horseman?

00:13:44

We have some very delicate pictures you might have an interest in not getting into the wrong hands.

00:13:48

I am very happy with my current long distance provider, thank you.

00:13:51

What?

00:13:52

Now, if you'll excuse me, I'm having lunch with my friend.

00:13:55

But if you just listen--

00:13:59

All right, gang, when Virgil Van Cleef gets here, look alive.

00:14:02

This could be Todd's big break, so clap really hard and laugh at all the jokes, even if they're not funny, but also, be careful, because a lot of things you might think are jokes are not jokes, so, you know, look out.

00:14:13

[laughs]

00:14:15

- That was not a joke. - That was not a real laugh.

00:14:17

I hope you don't mind I brought Wayne along.

00:14:19

- Who's Wayne? - I'm Wayne.

00:14:21

I just wanted to make sure he had everything he needs for the big BuzzFeed cover story.

00:14:25

BuzzFeed is a website. There is no cover.

00:14:27

Eh, "tomato," "tomato."

00:14:28

It's "tomato," "to-mah-to."

00:14:29

You say, "tomato," "to-mah-to,"

00:14:31

I say, "tomato," "tomato."

00:14:33

[shudders]

00:14:34

Oh, hey, Diane, I got you something.

00:14:36

Oh, plane tickets?

00:14:38

Yep, to San Francisco.

00:14:40

That's where the Arbus exhibit is heading next.

00:14:42

Oh, my God. Thanks, Mr. Peanutbutter.

00:14:45

[crash]

00:14:46

[moose call]

00:14:47

Gentlemen, dazzle me.

00:14:51

What you're about to see is rough, very rough.

00:14:53

It's a vomit pass at what might become a rock opera.

00:14:56

Right now, it's set mostly in space, but we're not married to that.

00:14:59

Todd is neither a singer nor a trained musician.

00:15:01

In fact, he never even graduated high school, he told me in confidence.

00:15:05

Keep all that in mind as you give it up for Todd.

00:15:07

[cheers and applause]

00:15:10

Okay, so we start in 1887 with a young Emma Goldman.

00:15:16

[playing keyboard]

00:15:18

■ No they couldn't-n-n't Make u-u-u-us ■

00:15:24

■ Sla-a-a-a-aves ■

00:15:31

It needs a third act showstopper.

00:15:33

I had the same note.

00:15:35

But in all, it's spellbinding.

00:15:38

[BoJack]

00:15:38

All right!

00:15:39

Whoo!

00:15:39

[applause]

00:15:41

You know, I run a small theater in North Hollywood.

00:15:43

We were supposed to mount a J.C. Superstar revival next month, but of course, Andrew Lloyd Webber has to be a real hot penis about everything.

00:15:51

Oh, Andy. Fool me once, shame on you, but teach a man to fool me, and I'll be fooled for the rest of my life.

00:15:58

Anyway, could this show be ready to debut in six weeks?

00:16:01

Six weeks? Uh, damn. Yeah, I guess so.

00:16:04

Marvelous! We'll schedule an investor showcase posthaste.

00:16:08

In the meantime, libations!

00:16:10

Ah!

00:16:10

[laughter]

00:16:13

- Popping, what? - This is great.

00:16:14

You know, just when you think you have a person pegged, he can still find ways to surprise you.

00:16:19

Yeah, Todd really rose to the occasion, didn't he?

00:16:21

I was talking about you.

00:16:22

Ah, well, it was nothing.

00:16:24

Maybe the Zoe has a little Zelda in him after all.

00:16:27

I appreciate the sentiment, but I still think that game is stupid.

00:16:30

Hey, BoJack, do you realize what this means?

00:16:32

I mean, if this thing's a hit, I could finally move out.

00:16:35

Oh, uh, you're gonna move out?

00:16:37
You won't have to yell, "Hey, Todd, clean up your shit!"

00:16:40
Or, "Todd, why haven't you cleaned up your shit yet?"

00:16:43
Or, "Todd, what was the name of that guy from Perfect Strangers?"

00:16:46
Not Bronson Pinchot, but the other one?"

00:16:48
Good, that's great. That's great and good.

00:16:51
So good, so great.

00:16:54
- Just great, and also good. - Mm-hmm.

00:16:57
[big band music]

00:17:03
And as you can see, progress has been swift.

00:17:05
For tomorrow's investor showcase, we'll have choreography and pyrotechnics for you.

00:17:10
This is all just happening so fast.

00:17:12
I don't-- I don't think Todd is ready for this.

00:17:14
Todd's not ready or you're not ready?

00:17:16
Don't make this about me. I've seen what happens when baby birds get pushed out of the nest too soon.

00:17:21
It's not your fault.

00:17:24
I thought he was ready. He seemed ready.

00:17:26
It's not... your... fault.

00:17:30
You're right. In these heady times, what Todd needs is an agent.
Ha! Ha!

00:17:35
- I just need you to deliver... - Hoo! Ha!

00:17:37
- That third act showstopper... - Ha!

00:17:39
...and then we'll be fully financed!

00:17:41
Todd can do it! Todd can do anything!

00:17:44
- Can I get your autograph? - Yeah, yeah, yeah.

00:17:45
And another autograph, and initial here, here, here, and here.

00:17:48
- Right here? - And the last four digits

00:17:50
- of your social. - Okay.

00:17:51
So I think the big third act number Virgil wants might be a big anthem that--

00:17:56
Whoa, whoa, whoa, buddy, buddy,

00:17:58
I'm not gonna let you start on this until we stock up on snacks and Red Bull.

00:18:02
I do get snacky. You think of everything.

00:18:09
'Scuse me, young man.

00:18:10

Can you hand me that Ronnie Milsap cassingle in the 10-cent bin?

00:18:14
Sure thing, lady.

00:18:17
Oh, my God. Decapathon VII?

00:18:21
This just came out.

00:18:23
Todd, put it down.

00:18:24
Is this really only a dime?

00:18:26
If it's in there, that's the price.

00:18:28
Todd, this is no time for a relapse.

00:18:31
Look, okay, I'll buy it now, but I won't play it till after I've written the new song.

00:18:35
Todd, this is a bad idea!

00:18:38
- Whoa! - All sales are final.

00:18:42
Okay, let's see here.

00:18:45
I wonder if it still smells the same.

00:18:47
I assure you, it still smells like cheap plastic and child labor.

00:18:50
[sighs]

00:18:50
Okay, here we go. Song time.

00:18:53
[plays a single scale]

00:18:55
Or should I just play one game now, just to get the creative juices flowing?

00:18:59
We both know that if you play that game tonight, you'll never leave this couch!

00:19:02
Ah, no, you're right, of course.

00:19:04
- Thank you. - Good night.

00:19:08
[three single piano notes]

00:19:09
[heavy metal music]

00:19:11
Come on, Decapathon, come on.

00:19:13
[mumbling]

00:19:13
Oh, come on, Decapathon.

00:19:16
Oh.

00:19:16
[grunts]

00:19:18
Wake up! It's the morning!

00:19:21
Damn it, Todd, the investor showcase is in half an hour.

00:19:25
- Did you work on the song? - Huh?

00:19:27
Pull yourself together, man!

00:19:29
Ugh! Why did the water have to come out of your mouth?

00:19:33
Well, I'm awfully sorry to have wasted your time.

00:19:36
I don't think our man is going to show.

00:19:39
[door slams open]

00:19:40
Wait!

00:19:42
- Good God, what's happened? -

00:19:42
[groaning]

00:19:43
He looks like he was up all night playing some sort of videographic game.

00:19:48
He's in no condition to debut a song.

00:19:50
Give the kid a chance, Van Cleef.

00:19:52
[groaning]

00:19:56
[playing piano intro]

00:19:59
■ Loam, loam, loam ■

00:20:01
■ And a-- uh, little room to, uh, roam ■

00:20:06
■ And on this planet It's our home ■

00:20:10
■ In space ■

00:20:13
Rock opera? More like "schlock flop-era."

00:20:16
[slams keys]

00:20:17
Ugh!

00:20:19
■ Loam ■

00:20:20
Enough!

00:20:21
Clearly, Van Cleef has shown a rare lapse in taste and judgment.

00:20:25
I apologize for wasting your time with this talentless imp.

00:20:29
Hey, Van Cleef, Todd may not be ready for the high-flying world of rock opera or the larger world outside of my living room couch, but you know what? He's a good friend.

00:20:40
I don't see how that's relevant.

00:20:41
No, of course you don't. Maybe Todd's worse off today, but you're worse off in the long run, because you're gonna die alone and unloved, you pompous, affected asshole!

00:20:50
[grunts]

00:20:50
Mon dieu! Never have I ever!

00:20:53
Hey, maybe don't burn the bridge.

00:20:56
I could still beg for a second chance.

00:20:58
Shut your mouth, Todd.

00:20:59
And you shut yours, Van Cleef, or I will buck it shut.

00:21:02

Suck a dick, dumb shifts!

00:21:02
[blows raspberry]

00:21:08
Oh, that damn video game.

00:21:10
No, it's not the video game's fault.

00:21:12
I blew it.

00:21:14
For a second, I actually convinced myself

00:21:16
I was more than just a worthless screw-up.

00:21:19
Fool me once, fool me twice, fool me chicken soup with rice.

00:21:23
I guess there's a reason they don't call it

00:21:25
"the rock opera fun."

00:21:26
They call it "the rock opera business."

00:21:29
[sighs]

00:21:29
Guess I won't be needing this piece of junk anymore.

00:21:32
Hey, no. Hold on to that.

00:21:34
Why don't you just put it in the living room closet?

00:21:36
- Really? - In fact, from now on, you can keep all your stuff in the living room closet.

00:21:40
Thanks, BoJack, for everything.

00:21:43
This, I will get rid of.

00:21:49
- What the-- - Don't look at those!

00:21:51
- Those are private! - Are these the notes you've been taking on Mr. Peanutbutter?

00:21:54
It's gibberish!

00:21:56
Have you just been mashing keys this whole time?

00:21:58
It's a-- it's a work in progress.

00:22:00
What's really going on here?

00:22:02
Look, I've been following you two around for the last couple weeks, and I think it's pretty obvious to everyone that you shouldn't be with Mr. Peanutbutter.

00:22:09
You should be with me.

00:22:11
No, I've dated you.

00:22:13
Sure, you're smart and sophisticated and cool, but you're also mean.

00:22:18
What's your article on Mr. Peanutbutter called?

00:22:21
The working title is, "Nine Jokes From the '90s

00:22:23
We Haven't Stopped Laughing at."

00:22:25

- I knew it! - Come on!

00:22:26

Like you're not gonna tear BoJack apart in your book.

00:22:29

I'm not "tearing him apart."

00:22:31

I'm writing a nuanced portrait of a complicated man.

00:22:35

Well, then, we might be doing different things.

00:22:37

Mr. Peanutbutter is nice to me!

00:22:40

He's kind and he's generous and he's loyal.

00:22:43

You know what your problem is? You're trying to be a Zelda but you're so obviously a Zoe.

00:22:49

Ugh! Don't label me. You don't know who I am.

00:22:51

You can live your happy Zelda life in this happy Zelda town and pretend you're a happy Zelda, but I know you, and this isn't you.

00:23:01

People don't change, Diane, not really.

00:23:03

Mr. Peanutbutter's a Zelda.

00:23:05

He's happy and he's carefree

00:23:07

and he's loving, but you and me, we're Zoes.

00:23:10

Yeah, I bought this earlier, and I'd like to return it.

00:23:14

I don't know where the receipt went.

00:23:15

I remember you. You came in yesterday.

00:23:18

No problem.

00:23:20

[Wayne]

00:23:20

We're Zoes, Diane.

00:23:22

We're cynical and we're sad and we're mean.

00:23:25

Thanks for your help, character actress

00:23:27

Margo Martindale.

00:23:29

I don't feel good about what we did here, BoJack.

00:23:32

I don't know what you're talking about.

00:23:34

This never happened.

00:23:36

[Wayne]

00:23:36

There's a darkness inside you, and you can bury it deep in burritos as big as your head, but someday soon, that darkness is gonna come out, and when it does, I want you to call me.

00:23:51

I like that guy.

00:23:54

[straining]

00:23:56

Ahh.

00:23:59

[whistles]

00:24:16

Ep 5 — Live Fast, Diane Nguyen

00:00:05
[upbeat music]
00:00:09
[birds chirping]
00:00:11
[beeping]
00:00:13
- Come on! -
00:00:13
[people grumbling]
00:00:14
Oh, is it this guy?
00:00:16
Never travel without it.
00:00:17
[man]
00:00:17
Stop holding up the line, idiot!
00:00:19
It's not his fault. He's just doing his job.
00:00:21
[man]
00:00:21
It's your fault, dummy.
00:00:23
I'm sorry, sir, no liquid over three ounces.
00:00:25
This is Pappy Van Winkle, friend.
00:00:27
Do you know how old this bourbon is?
00:00:28
If this was a person,
00:00:30
I would've stopped having sex with it a year ago.
00:00:32
I'm sorry, sir.
00:00:33
Do you know who I am?
00:00:35
Come on. Ugh!
00:00:36
I'm actually a huge celebrity on my way to New York for an important meeting with a book publisher, who wants to publish a book about me because I am famous.
00:00:45
- That's not-- - Fine, you want me to dance?
00:00:47
I'll dance.
00:00:48
[gulping]
00:00:50
Give me ten seconds, Diane.
00:00:52
This guy's being a total fascist.
00:00:53
Diane?
00:00:54
Diane?
00:00:55
Over here, BoJack.
00:00:57
How'd you get through so fast?
00:00:58
I followed the basic requirements for air travel that have been in place for over a decade.
00:01:01
Ugh, weird.

00:01:02
Sir, whoever you are, please--
00:01:04
Really? You've never heard of my TV show?
00:01:06
You know very well who I am.
00:01:08
And now if you'll excuse me, I'm going to New York.
00:01:10
[beeping]
00:01:10
- Ah, no.
00:01:12
More? Come on!
00:01:13
Oh, you know what? Could be this.
00:01:15
[all gasp]
00:01:15
- Oh, my God, he's got a gun.
00:01:17
Relax, it's a lighter.
00:01:17
[all gasp]
00:01:19
How much lighter fluid can I take on the plane?
00:01:21
And before you answer, remember, I'm a celebrity.
00:01:24
We're gonna need a full body cavity search.
00:01:26
[glove snaps]
00:01:28
[funky electronic music]
00:02:22
[swinging jazz music]
00:02:25
[grim music]
00:02:27
Thanks for coming to New York for this.
00:02:28
Let's just say, it's better for everyone's kneecaps if I stay out of California for a little bit.
00:02:33
Always nice to get a change of scenery, am I right?
00:02:35
I think the New York air's been good for my health.
00:02:37
I mean, I did find a lump,
00:02:39
but hey, who needs health insurance
00:02:41
when you've got BoJack Horseman writing a book, huh?
00:02:45
How's it coming along?
00:02:47
It's great.
00:02:48
I'm pumping out heartfelt anecdotes and witty observations left and right, and this one is spinning it all into gold.
00:02:54
Your telephone is ringing. I'm Ira Glass.
00:02:56
Thank you for being a sustaining member of public radio.
00:02:59
Everyone has a story,
00:03:00
and your phone's story is that it's ringing.
00:03:02

Excuse me. Hello?
00:03:04
Hurry back, superstar.
00:03:05
I don't think Diane's working out.
00:03:07
What? Why? Is Diane no good?
00:03:09
She's too good.
00:03:11
I don't know if Diane is damaged enough to tell my story.
00:03:13
She's so...functional.
00:03:15
Oh, I'm so sorry, Mr. Horseman,
00:03:17
she's too functional.
00:03:18
Why don't I just get on the phone
00:03:20
and call a less functional--
00:03:22
[shouting]
00:03:22
What are you talking about?
00:03:24
This is a very bad time, BoJack!
00:03:26
All right.
00:03:27
You need to promise me that your book will be on the shelves
00:03:29
and making money by October!
00:03:32
All right. Jesus.
00:03:33
Uh-huh? Uh-huh.
00:03:35
Uh-huh.
00:03:36
Got it. Sorry I took so long.
00:03:38
Who was that? The library?
00:03:39
Thanking you for never returning a book late?
00:03:42
That was my brother Tommy. My dad just died.
00:03:44
Oh, my God.
00:03:45
Did we talk about firming up the release date?
00:03:47
- I was thinking late September. - I am so sorry.
00:03:49
It's fine, he was old and also the worst.
00:03:51
Such a terrible tragedy
00:03:52
really puts everything in perspective.
00:03:54
Where does that leave us as far as the book of it all?
00:03:56
Not a problem.
00:03:58
I just got to swing by Boston
00:03:59
and give my condolences real quick.
00:04:00

BoJack can come with me.
00:04:02
We'll get some work done while we're there,
00:04:03
and then that way the whole trip
00:04:04
won't be a total waste of time.
00:04:06
Great.
00:04:07
Call me if you need anything,
00:04:08
but hang up after one ring,
00:04:10
and I'll call you back from the phone booth where my wife and I are
living.
00:04:14
■ Todd bless these scrambled eggs ■
00:04:16
■ Eggs from the fridge ■
00:04:19
■ Sunny side them And guide them ■
00:04:22
[BoJack]
00:04:22
Todd, stop singing your dumb scrambled eggs song.
00:04:24
Who said that?
00:04:25
If you're wondering who said that,
00:04:27
it's this note that you're reading.
00:04:29
You're hearing my voice in your head,
00:04:30
because that's how reading works.
00:04:33
Oh, yeah.
00:04:34
As you might've noticed, Todd,
00:04:35
I've left you home alone for the day,
00:04:37
and frankly, I already regret that decision.
00:04:38
Here's what you need to do. Nothing.
00:04:41
Don't touch my stuff, and don't make a mess.
00:04:43
Pick me up at the airport tomorrow,
00:04:44
and until then, don't do anything.
00:04:51
[sneezes]
00:04:52
Well, seal's broken. Might as well enjoy myself.
00:04:55
■ It's all good ■
00:04:58
Whee!
00:04:59
■ It's all good ■
00:05:01
Cheers to bath time.
00:05:04
Great story, Todd. I love our friendship.
00:05:08
[groaning]

00:05:10
Here we go!

00:05:12
The great Toddini!

00:05:14
And here we have the home

00:05:16
of a truly dynamic and unique talent,

00:05:18
TV's own David Boreanaz.

00:05:21
[all]

00:05:21
Ohh! -

00:05:21
[cameras clicking]

00:05:23
Sounds like we have some fans

00:05:24
of Person of Interest on board, or Castle , or whatever his show is.

00:05:30
Sorry, dudes, you got the wrong house.

00:05:32
[all]

00:05:32
Aww.

00:05:34
Crikey, I would've paid \$50 U.S. to see where David Boreanaz lives.

00:05:39
He's the American Hugh Jackman.

00:05:41
Oh, yeah, 50 bucks?

00:05:42
He's so good in Burn Notice.

00:05:43
What? 50 bucks?

00:05:45
In that case, come on in, friends.

00:05:47
Some guy named David Boreanaz lives here.

00:05:49
[all]

00:05:49
Hooray!

00:05:52
Hey, so listen,

00:05:54
I really want to be here for you in your time of need, but I'm not really good with funerals or death or families or feelings or people.

00:05:59
Don't worry. You can wait in the car.

00:06:01
It's probably better you don't meet my brothers.

00:06:02
They're narrow-minded, mean-spirited dirtbags.

00:06:05
I wish I had brothers growing up.

00:06:07
Touch football on the weekends, noogie parades on the reg.

00:06:10
Life as an only child can get pretty lonely.

00:06:13
Daddy, do you want to meet my imaginary friend?

00:06:16
Imaginary friends are freeloaders invented by communists to rip-off welfare.

00:06:21

Why don't you do something productive, like bang your head against the wall until your brain isn't so stupid?

00:06:25
Okay, Daddy.

00:06:27
Yeah, well, I was pretty lonely, too.

00:06:29
My family made my life miserable, and then they never forgave me for leaving.

00:06:32
So, what, you're like the black sheep?

00:06:34
No, Gary's the black sheep. He's adopted.

00:06:35
I'm just the member of the family nobody likes.

00:06:37
And my dad was the worst of them all.

00:06:39
You told me that you and your father used to sit on the roof and look at the stars together.

00:06:43
Oh, yeah, I was just trying to get you to open up, so I used an old writer's trick called "me lying to you."

00:06:49
Oh, yeah? Well, I'm using an old me trick called "that hurts my feelings."

00:06:52
And the truth is, I used to sit alone on the hill out by the dump and dream of waking up as Chelsea Clinton, but with my hair.

00:06:59
You do have great hair.

00:07:00
I know.

00:07:02
[distant sirens]

00:07:04
That's us.

00:07:06
I'll just pop in for a quick hi and bye.

00:07:07
Then we'll be on our way.

00:07:08
Ten minutes, swear to God.

00:07:10
You can play with this kaleidoscope

00:07:11
I got you at the airport.

00:07:12
What? A kaleidoscope?

00:07:14
I'm not five--

00:07:16
Shapes and colors the likes of which I've never seen.

00:07:19
Hello.

00:07:20
[in Boston accent]

00:07:20
Hey, yeah, Deedee came home!

00:07:23
Gary, Marty, Artie, Deedee's back!

00:07:25
Come here!

00:07:26
[Boston accent]

00:07:26
Game. Watching the game.

00:07:28
Can't look up from the game. How you doing?

00:07:29
Marty, it's a game from '86.

00:07:31
You've seen it a hundred times.

00:07:32
And how many times does Buckner break your heart?

00:07:34
[both]

00:07:34
100 times.

00:07:36
[Boston accent]

00:07:36
Aw, thank God you're here, Deedee.

00:07:38
Pops is wicked departed.

00:07:39
Oh, yeah, man. He departed so hard.

00:07:41
And I do not like them apples, Deedee.

00:07:44
Yo, Deedee, get me a beer.

00:07:45
[Boston accent]

00:07:45
Yeah, make that two, Deedee.

00:07:46
Gary, Marty, I just got home.

00:07:48
Ooh, Princess Diane doesn't want to get her brother a beer.

00:07:53
Hey, Ma, come look what the Pats dragged in.

00:07:55
[Boston accent]

00:07:55
Oh, hello! Look who decided to come home.

00:08:00
Queen Deedee blesses us with her presence.

00:08:03
To what do I owe the honor?

00:08:05
Look, I'm just here to offer my condolences.

00:08:07
Oh, sure, in and out, like a Protestant on Christmas.

00:08:11
Why would you want to stick around, be with your family in their time of need?

00:08:14
Come on, Ma.

00:08:15
Don't fight while the game's on.

00:08:17
It's bad Juju.

00:08:18
It's the '86 World Series.

00:08:20
They lose.

00:08:21
Ah, why'd you have to--

00:08:22
Oh, we're just a bunch of savages, right?

00:08:24
We're not like your fancy California friends.

00:08:27
Your George Clooney and your California Raisins.

00:08:31

Oh, come off it, Ma. She don't mean no harm.

00:08:33
For five years she didn't come home.

00:08:35
Why don't you make like A-Rod and blow.

00:08:38
Well, this was clearly a huge mistake.

00:08:41
Ah, don't go.

00:08:42
Deedee, please.

00:08:44
Why not? Ma doesn't want me here.

00:08:45
Ma don't know what she wants.

00:08:47
She wants you here. We all do.

00:08:49
Ain't that right, Marty?

00:08:50
Can't look up from the game.

00:08:51
Besides, we need your help organizing all the funeral stuff.

00:08:54
We didn't go to college.

00:08:55
We're not smart like you.

00:08:57
Fine, I'll help.

00:08:58
Is there a number for me to call?

00:08:59
Yeah, try 1-800-The-Internet, dummy.

00:09:02
Jeez, do some legwork, Dee.

00:09:04
And do it quick. The ice is melting.

00:09:06
Oh, my God. Is that dad?

00:09:08
Did someone draw balls on his forehead?

00:09:11
That was before we knew he was dead.

00:09:13
We just thought he was wicked hung over.

00:09:15
[laugh]

00:09:15
In your face, Dad!

00:09:17
In your face forever.

00:09:20
[Todd]

00:09:20
Welcome to the home of David Boreanaz, famous from television shows such as dramas on networks.

00:09:31
That will be \$50 please.

00:09:33
Oy, mate, this picture of David Boreanaz fell apart.

00:09:36
Oh, no, no, no, I'll handle that.

00:09:38
Why don't you just go look through

00:09:39
David Boreanaz's underwear drawer, okay?

00:09:41
It's in his bedroom.

00:09:42
Oh, knickers.

00:09:44
[BoJack]

00:09:44
Hey, what do you think you're doing?

00:09:46
Uh-oh, am I reading something again?

00:09:47
No, this is your conscience.

00:09:50
BoJack trusted you to take care of his house.

00:09:53
Is this really-- What are you doing?

00:09:55
[muffled talking]

00:09:57
[panting]

00:09:59
[phone vibrates]

00:09:59
■ Dun-dun-dun-dun ■

00:10:01
■ Dun-dun-dun ■

00:10:02
It's a great day on Todd's phone.

00:10:04
How can I help you?

00:10:06
Are you trying to cut me out of this David Boreanaz deal?

00:10:08
I'm your agent, damn it.

00:10:09
How'd you find out about Boreanaz House?

00:10:11
Don't worry, I'm not just gonna sit here batting a ball of yarn around while you do the real work.

00:10:15
I want to take your project to the next level.

00:10:18
We need to go bigger.

00:10:20
Have you thought about attaching Mila Kunis to this thing?

00:10:22
Attach her? How?

00:10:24
You do your job. I'll do mine.

00:10:26
Who is this?

00:10:28
[psychedelic music]

00:10:30
Ah, out of combinations. Now I'm bored.

00:10:32
Diane!

00:10:35
[sigh]

00:10:36
- You show me nothing-- - What do you want from me?

00:10:38
You have no right to barge in here after five years and judge us, Diane.

00:10:42
I'm just saying Marty could lend a hand instead of sitting on the couch watching the game all day.

00:10:46
Ah, Deedee.

00:10:47

You know very well his leg's still sore from the accident at the quarry.

00:10:51
Yeah, he's got to rest up if he's gonna be a wide receiver for B.C.

00:10:55
He didn't get into B.C.

00:10:56
Ah, what's the point of getting off the couch anyway?

00:10:58
All the jobs are going to immigrants these days.

00:11:01
What do you-- We're immigrants.

00:11:03
- How do you figure? - We're Vietnamese?

00:11:05
Step off! We're American as Pho.

00:11:07
And that's the same crap you always pull--

00:11:09
What do you want from me? Come on!

00:11:10
[knock at door]

00:11:12
Excuse me.

00:11:13
Yes, hello, I'm looking for Diane.

00:11:15
Does anyone here speak English?

00:11:16
Pull over and park the car.

00:11:19
Is that the frickin' horse from Horsin' Around ?

00:11:22
Again, does anyone here speak English?

00:11:24
- Oh, no way-- - What?

00:11:26
A TV star!

00:11:30
Boreanaz house.

00:11:32
Seventy-five each. Children and seniors free.

00:11:34
Please stay behind the ropes and keep your hands and belongings on your person at all times.

00:11:39
Next we'll head to the kitchen where-- Is that Mila Kunis?

00:11:42
[all]

00:11:42
Ooh!

00:11:44
Note the letters B.H. on all hand towels and linens.

00:11:46
That stands for "Boreanaz House."

00:11:49
[camera shutters clicking]

00:11:53
Yeah, do you pick up bodies?

00:11:55
Is that a service you provide? Corpse removal?

00:11:57
Hey, BoJack, you ever meet any Boston celebrities?

00:12:00
Well, one time at Bristol Farms,

00:12:02
Ben Affleck and I did reach for the same bunch of grapes.

00:12:05

Oh, he eats grapes just like us?

00:12:08

Hey, Ma, Ben Affleck eats grapes.

00:12:10

[Ma]

00:12:10

He don't eat grapes!

00:12:12

BoJack said he fed Affleck grapes.

00:12:14

He was graping it up with the Daredevil himself.

00:12:17

This is the greatest day of my life.

00:12:19

Oh!

00:12:21

Hey, I don't suppose you boys would have any interest in maybe playing some touch football later?

00:12:25

Are you kidding?

00:12:26

Touch football with a star like you?

00:12:28

That would be mad wicked pisser.

00:12:30

Ooh, you know what else we got to do?

00:12:31

We got to watch the Cryane video.

00:12:34

Ooh, that sounds good. What's that?

00:12:36

No, we don't need to revisit that.

00:12:37

When Deedee was 16, we made up a secret pen pal for her named Leo.

00:12:42

Guys, I really would rather not discuss it.

00:12:45

We all took turns writing her letters, pretending to be this sensitive boy from Cambridge.

00:12:50

It was wicked messed up.

00:12:52

"Oh, Diane, we're two misunderstood souls.

00:12:55

Everyone else is a phony.

00:12:57

Yours forever, Leo."

00:13:00

What? That is amazing.

00:13:02

After six months of letters, we hired a homeless guy to pretend to be Leo and take her to the homecoming dance.

00:13:09

- Look at her. - Watch, watch this part.

00:13:10

I like your boutonniere.

00:13:10

[laughter]

00:13:12

[cries]

00:13:14

Why don't we watch this every day?

00:13:17

- Look at her face. - Now that's a good prank.

00:13:18

I was humiliated.

00:13:20

Yeah, you wouldn't get it.

00:13:21

It's a brothers thing, right, brothers?

00:13:23

Whoo! That's Cryane for you.

00:13:25

What a pussy.

00:13:26

You know, it's nice that years later we can all laugh about this.

00:13:30

Yep, my therapist thinks the same thing.

00:13:32

I'm gonna go meet with the funeral director.

00:13:34

Any of you boys want to come?

00:13:35

Nah, I ain't so big on funeral homes, Deedee.

00:13:37

All them dead bodies, they give me the jeebies.

00:13:39

Yeah, Deedee, why do we got to go?

00:13:41

Fine, none of you have to go.

00:13:43

I'll take care of everything.

00:13:45

Thank you, Diane. We all really appreciate it.

00:13:47

Come on, BoJack.

00:13:48

Why you got to take BoJack with you?

00:13:49

- Boo! -

00:13:49

[bleats]

00:13:51

Boo!

00:13:52

Boys, you have stolen my heart like Dave Roberts stole second base.

00:13:55

[laughs]

00:13:55

Hey! He knows our things!

00:13:57

I must go now, but I'll see you all at the funeral, okay?

00:14:00

And when I do, you're all getting noogies.

00:14:02

- Funeral! - Yeah!

00:14:03

Whoo-hoo!

00:14:05

[all]

00:14:05

Funeral!

00:14:06

Funeral! Funeral!

00:14:07

Ugh.

00:14:08

And now, a very special treat just for our platinum members.

00:14:13

Let's take a peek at the slumbering

00:14:15

Mr. Boreanaz himself.

00:14:19

Get out of my room, Todd!

00:14:21
I'm David Boreanaz.

00:14:23
[all]

00:14:23
Ohh!

00:14:24
And thus concludes our tour.

00:14:26
Have a Boreanderful day.

00:14:28
[somber organ music]

00:14:30
Tell me about your father.

00:14:32
Well, he was a mean, sadistic alcoholic, who never supported anything I did and actively delighted in seeing me fail.

00:14:39
Hmm, I see.

00:14:41
Sounds like you're looking for our Piece of Shit Dad Package.

00:14:44
That would be too good for my father.

00:14:46
Hmm, I see.

00:14:48
Might I then suggest our Piece of Shit Dad Package

00:14:51
Would Be Too Good For Him Package.

00:14:54
Yeah, that's the one.

00:14:55
Excellent choice.

00:14:58
Hey, can I suggest something?

00:15:00
You might want to loosen up a little.

00:15:02
I think you could actually learn a thing or two from your brothers.

00:15:05
Are you kidding?

00:15:07
If I was like my brothers, nothing would ever get done.

00:15:09
I'm just saying, if you can't find a way to let off some steam you're going to explode.

00:15:09
[phone rings]

00:15:15
God damn it! Are you god damn kidding me?

00:15:16
I keep getting calls from this unlisted number.

00:15:18
Ignore. Who are these assholes?

00:15:20
Why don't you just answer, and then you'll know?

00:15:22
Oh, they'd just love that, wouldn't they?

00:15:23
Ugh, how are we supposed to blackmail him if we can't reach him?

00:15:27
Maybe we got to get him where he lives?

00:15:29
You mean--?

00:15:31
That's right, his house.

00:15:34
[horns honking]

00:15:35
What the-- Whose house is this?

00:15:37
Is that David Boreanaz?

00:15:39
I could've sworn BoJack Horseman lived here.

00:15:42
Hey, let's keep these lines moving, huh?

00:15:43
You want to stop and chat, you gotta pay for the extended stay ticket.

00:15:47
Ah, so much, so much, so much.

00:15:49
Another five Gs, T-Bag, and we are in the pink.

00:15:52
I don't know, Princess Carolyn.

00:15:53
I ran out of shoeboxes for the money, and the books aren't adding up.

00:15:57
Plus the men's lav needs to be serviced, and I had to fire Janine in the gift shop for stealing Boreable heads.

00:16:03
I mean, how did I end up with all this responsibility?

00:16:06
Hey, I'm not screwing around here, small fry.

00:16:08
You better make those numbers sing.

00:16:10
I don't think these offshore banks we've been using are 100% legal.

00:16:14
Yeah, well, my mother told me never to slap an idiot.

00:16:17
What? Ow!

00:16:18
Now we're both breaking the rules.

00:16:20
You listen, and you listen good.

00:16:22
I've gotten used to a certain lifestyle since Boreanaz House went public, and I'm not going back to the old way.

00:16:27
Mommy likes her shoes, see?

00:16:29
And her pearls.

00:16:30
Oh, I'm in too deep.

00:16:32
I don't know what to do.

00:16:34
[BoJack]

00:16:34
I'll tell you what you should do.

00:16:35
Who said that?

00:16:36
It's me, David Boreanaz.

00:16:38
Is that what David Boreanaz sounds like?

00:16:40
Uh, sure.

00:16:42
Let me give you some advice.

00:16:43
As we say on my show-- I want to say, New Girl ?--

00:16:47
just keep doing what you're doing, and you'll be fine.

00:16:49
Wow, thanks, Davie B.

00:16:51
Never call me that.

00:16:56
Unbelievable.

00:16:57
It's 4:00. I don't think anyone's coming.

00:17:00
Unbe-goddamn-lievable.

00:17:02
All those jerk wads had to do was show up, and they couldn't even do that.

00:17:07
Where's the body even?

00:17:08
Beg your pardon, minor hiccup.

00:17:11
My goons went to pick your father up, but nobody was home.

00:17:15
For a nominal fee, we can scrounge up another body for you.

00:17:18
Would you care to peruse our loaner closet?

00:17:22
[upbeat music]

00:17:25
Hey, assholes! Where were you?

00:17:27
I planned the whole funeral, like you asked me to, and nobody showed.

00:17:31
Yeah, we realized dad wouldn't have wanted some stuffy funeral.

00:17:35
He would've wanted his body to be chopped up into chum and thrown in Derek Jeter's fat face.

00:17:39
Yeah, suck it, Jeter!

00:17:41
Wait, what? Where is Dad?

00:17:42
We got him chummed. He's in the truck.

00:17:44
[horn honks]

00:17:46
You chummed Dad?

00:17:48
It's what your father wanted, honey, but then you wouldn't know anything about that, would you?

00:17:53
Let me get this straight.

00:17:55
So instead of coming to the funeral that I paid for and spent all day organizing, you had Dad's body ground into chum, so you could throw his mushy remains on Derek Jeter?

00:18:06
No, not just on Derek Jeter.

00:18:08
We're gonna throw it into his fat face.

00:18:10
- Yeah, his fat face. - In his fat face.

00:18:12
The Yankees are in town this week.

00:18:13
The planets are aligning, Deedee.

00:18:15
Tommy, you begged me to stay and help.

00:18:17
Why does everything always got to be about big-shot Diane?

00:18:21
Too good for her home.

00:18:23
I don't think I'm too good for my home.

00:18:25
Yeah, guys, you got it all wrong.

00:18:27
Diane isn't a big-shot. She's my ghostwriter.

00:18:30
She's writing a book that's not even gonna have her name on it.

00:18:34
You think this is how she expected her life would be going at 34?

00:18:37
She lives with her rich boyfriend and doesn't pay rent.

00:18:41
She's not too good for anything.

00:18:44
What?

00:18:46
Diane's a freeloader?

00:18:47
[laughter]

00:18:48
Even I pay rent.

00:18:49
BoJack helping?

00:18:52
[screams]

00:18:56
[glass breaking]

00:18:57
Whoa.

00:18:59
This is why I told you to wait in the car!

00:19:03
Oh, she snapped.

00:19:05
Here comes Cryane.

00:19:06
Hey, hey, Deedee, come on.

00:19:09
Diane, you are making a public spectacle of yourself.

00:19:13
Deedee, what are you doing with Dad's keys?

00:19:15
Put those back.

00:19:17
Oh, come on, that's Dad's truck.

00:19:18
[screams]

00:19:18
- Dad's chum is in the back.

00:19:20
No! No, no, no!

00:19:21
[Diane]

00:19:21
Suck a dick, dumb shifts!

00:19:24
Well, that crazy clam did it. She took Pops.

00:19:26
Oh, no, what are we gonna do?

00:19:30
[announcer]

00:19:30
And it's a one-hopper back to the pitcher.

00:19:32
Easy out at first.

00:19:33

So what we're gonna do is nothing?

00:19:36

Sox are on, and I haven't seen this one.

00:19:38

Does anyone know where she might have gone?

00:19:40

Ah, she used to run off like this all the time in high school, too.

00:19:43

Who knows where crazy goes?

00:19:45

I think I know where she went.

00:19:47

Wait, you can't leave.

00:19:49

The party's just getting started.

00:19:51

I don't know, Diane was pretty upset, and she's got your dad.

00:19:55

Oh, don't go, BoJack.

00:19:57

You're like the fifth brother I never had.

00:19:59

I-- Really?

00:20:00

Yeah, don't leave, bro.

00:20:01

After this, we'll go play touch football and do a noogie parade.

00:20:04

Ah, um...

00:20:07

[sirens blaring]

00:20:08

[cop]

00:20:08

Everyone please disperse.

00:20:09

This is an unlawful gathering.

00:20:11

Disperse immediately.

00:20:15

Oh, this isn't looking good, Princess Carolyn.

00:20:17

What are we gonna do?

00:20:18

What do you mean, we?

00:20:20

Princess Carolyn always lands on her feet.

00:20:22

Ha!

00:20:23

Mr. Boreanaz, I presume.

00:20:25

Um, would you like a Boreabble head?

00:20:29

The amazing thing is, the house looks just like BoJack's house.

00:20:32

They must have the same architect.

00:20:34

Anyway, how are things with you?

00:20:36

[Diane]

00:20:36

Not good.

00:20:37

I should've known it was a waste of time to come back here.

00:20:40

Oh, that's awful.

00:20:41

Well, when you get back,

00:20:43

I'll give you one of my patented Peanutbutter hugs.

00:20:45

Crunchy and creamy.

00:20:47

You know that patent wasn't approved, but I'll take it.

00:20:51

I have to go. BoJack's here.

00:20:53

BoJack, well, what's he doing--?

00:20:55

Hey, sorry I said all that stuff about you.

00:20:58

It's all true, isn't it?

00:21:01

I found this letter back at the bar.

00:21:02

I think it's for you.

00:21:06

Look, just read it. I think you'll like it.

00:21:08

"Dear Diane, it's me, your old pen pal Leo.

00:21:13

This definitely isn't BoJack Horseman writing this."

00:21:16

Keep reading.

00:21:17

"You're a good person, Diane, and that's the most important thing.

00:21:22

Even if no one appreciates you, it's important that you don't stop being good.

00:21:26

I like how you always bring your own bags to the grocery store, and how you're always organized to go places.

00:21:32

I like how you chew gum on the airplane so your ears will pop.

00:21:36

A lot of people might not appreciate that about you, but I do.

00:21:41

Yours forever, Leo."

00:21:43

That's the best letter he ever wrote me.

00:21:46

Look, take it from someone with his own shitty parents, family is a sinkhole, and you were right to get out when you had the chance.

00:21:53

The stupid thing is, even now I still just want them to be proud of me and think I did good.

00:21:58

Is that really stupid?

00:22:00

- Yep. - No, it isn't.

00:22:01

Yeah, it is.

00:22:02

You want those guys to be proud of you?

00:22:04

I guess I was just hoping to get some modicum of closure.

00:22:06

Closure is a made up thing by Steven Spielberg to sell movie tickets.

00:22:10

It, like true love and the Munich Olympics, doesn't exist in the real world.

00:22:14

The only thing to do now is just to keep living forward.

00:22:18

Yeah, but every time I come back here they--

00:22:21

So don't come back here.

00:22:22

What's great about Los Angeles is nobody cares about where you're from or who you are.

00:22:27

It's a superficial town where you can worry about stupid shit like keeping your pool clean, and what artisanal nuts to put on your salad.

00:22:33

I do like salad.

00:22:34

Oh, it's the best.

00:22:36

Why do you think people keep moving there?

00:22:37

Thanks, BoJack.

00:22:39

The good news is, your dad can't hurt anyone ever again.

00:22:45

Uh-oh.

00:22:47

[upbeat music]

00:22:49

■ Gonna spend the day ■

00:22:51

■ Over at Fenway ■

00:22:55

Thank you so much, Derek Jeter.

00:22:58

I thought a big baseball hotshot like you would be too busy to help us old ladies across the street.

00:23:04

I always have time to look out for my elders,

00:23:07

Yankee fan or no.

00:23:09

Is that a barrel of chum?

00:23:11

[screams]

00:23:13

■ Only at Fenway ■

00:23:15

■ Ba-dum, ba-da-dum ■

00:23:17

Um, I'll meet you inside. I have to make a call.

00:23:20

Okay.

00:23:22

[sighs]

00:23:23

[line rings]

00:23:25

- It's Herb. You know what to do. -

00:23:25

[beep]

00:23:28

Hey, Herb, look,

00:23:31

I think we have some unfinished business.

00:23:34

It seems like life's too short to hold grudges and stuff like that, you know what I'm saying?

00:23:39

About life being too short?

00:23:40

Well, of course you know what I'm saying.

00:23:42

You're the one with terminal--

00:23:43

I feel like I'm doing all the talking here.

00:23:45

So anyway, I thought maybe we could chat.

00:23:47

Why don't you give me a call, okay?

00:23:49

Um... so smell you later?

00:23:53

This is BoJack. Horseman.

00:23:55

Obviously.

00:23:56

[phone buzzes]

00:23:58

Ugh, who keeps calling me?

00:24:01

Come on, BoJack. Pick up, pick up.

00:24:04

I'm sure he'll pick up.

00:24:06

It's BoJack. You know what to do.

00:24:11

■ Back in the '90s ■

00:24:13

■ I was in a very famous TV show ■

00:24:20

- ■ I'm BoJack the horse ■ - ■ BoJack ■

00:24:22

■ BoJack the horse ■

00:24:24

■ Don't act like you don't know ■

00:24:29

■ And I'm trying to hold on to my past ■

00:24:34

■ It's been so long ■

00:24:35

■ I don't think I'm gonna last ■

00:24:39

■ I guess I'll just try ■

00:24:40

■ And make you understand ■

00:24:42

■ That I'm more horse than a man ■

00:24:47

■ Or I'm more man than a horse ■

00:24:51

■ BoJack ■

00:24:55

Boxer versus raptor.

00:24:57

■ Na na na na na na na na ■

Ep 6 — Our A-Story Is a 'D' Story

00:00:10

- Huh? - Oh, uh, it's a pet name.

00:00:13

- I don't have actual honey. -

00:00:13

[sighs]

00:00:15

[laughter]

00:00:15

- Diane!

00:00:17

Hey, Mr. Peanutbutter. Mwah.

00:00:20

BoJack Horseman!

00:00:22

- Put her there! - That's all right.

00:00:24

I'm gonna get that handshake.

00:00:25

No, you're not.

00:00:27

[laughs]

00:00:27

Since when am I Honey?

00:00:28

Since now.

00:00:30

I made up the nickname while you were back east.

00:00:32

Yeah, really? You made up calling someone honey?

00:00:34

Uh, I do believe so. Yes.

00:00:36

Hey, why don't we give BoJack a ride?

00:00:37

That's okay. Todd's supposed to pick me up.

00:00:39

Where is he?

00:00:40

[indistinct chatter]

00:00:40

[cell door buzzing]

00:00:42

First day, huh?

00:00:42

[laughs]

00:00:44

Well, stick with me. You're gonna be just fi--

00:00:46

[grunts]

00:00:46

[gasps]

00:00:49

[gasping]

00:00:50

Probably just forgot, the lazy bum.

00:00:52

Hey, I'll take the ride as long as it's not as bumpy as that pilot's landing.

00:00:56

That was seriously very scary.

00:00:58

- Hey... - I'm just glad you were there, because I really would have freaked out by myself.

00:01:02

Be stiller, my beating heart.

00:01:04

Stiller crazy after all these years.

00:01:06

[laughter]

00:01:06

- Did I miss something funny?

00:01:07

- I love funny somethings. - No, we were just laughing about this Ben Stiller article from the plane.

00:01:12

[laughter]

00:01:12

- Ooh, he is the best.

00:01:13

- What did it say? - You wouldn't get it.

00:01:15

Either you read Hemisphere's Magazine, or you don't.

00:01:18

Hey, I might be crazy, because this is such a dumb question, and I'm embarrassed to even ask, but do I have anything to worry about with you and Diane?

00:01:28

What?

00:01:29

[laughs]

00:01:29

What?

00:01:32

Get out of here.

00:01:34

I got to say, BoJack, that is a relief.

00:01:38

Ho-ho! Whoo!

00:01:41

[funky electronic music]

00:02:34

[panting]

00:02:36

Hey, do you guys want to grab dinner?

00:02:38

Or at least some road sodas,

00:02:39

so I don't have to go through the ordeal

00:02:41

of sobering up and then having to get drunk all over again?

00:02:43

Oh, I actually already made special plans

00:02:45

for just the two of us.

00:02:46

Oh, come on.

00:02:48

You're the one who's always saying you want to hang out with BoJack more, and how it's weird that BoJack never returns your calls, and how I should hang up the phone because maybe BoJack's trying to call you right now.

00:02:56

Uh, okay.

00:02:58

I guess we can make this work.

00:03:01

[laughter]

00:03:01

- Oh.

00:03:03

Oh, man. Remember that guy in 34-B?

00:03:05

Do I? Can't stop remembering him.

00:03:08

Uh, hey. Diane and I have memories, too.

00:03:10

This place reminds me of a cliffside meal we had

00:03:13

one romantic vacay to Cabo.

00:03:15

Boring. I wasn't there.

00:03:17

Can we keep this general interests?

00:03:19

Well, here's to a meal we're all here for.

00:03:22

Mmm.

00:03:24

Oh, oh. Ew.

00:03:25

There's something in my food.

00:03:27

Ah, crap. Someone get the manager.

00:03:28

No, no, no. Wait.

00:03:30

It's supposed to be in there. Welcome home, honey.

00:03:32

I got you a D pendant, because I am D-pendant on you.

00:03:37

- Thank you. - Yeah. Real-- Real cute.

00:03:39

- A D for dog. - It's for Diane.

00:03:42

This is the sweetest choking hazard anyone's ever given me.

00:03:45

[moans]

00:03:45

- Mwah.

00:03:47

Well, how about some champagne for the happy couple.

00:03:49

Waiter, get me a bottle of Dom

00:03:51

to keep with the trend of sweet D gifts.

00:03:54

You're too kind, but everyone knows you go off menu for the good stuff.

00:03:59

Yes, get me your most expensive bottle from the back.

00:04:01

Perhaps a 1922-ish Heidsieck Diamant Bleu?

00:04:05

A toast on me to Diane and Mr. Peanutbutter.

00:04:08

I'd like a round of drinks for everyone.

00:04:10

Off the menu, of course.

00:04:12

[all cheering]

00:04:12

- BoJack, folks. What a sport.

00:04:15

And while we're all in giving moods,

00:04:17

I'd like to buy you all an Xbox, courtesy of me.

00:04:21

[all cheering]

00:04:22

Wow. You guys don't have to do this.

00:04:24

Look, I could happily go down this petty road of raising and re-raising one another.

00:04:28

[man]

00:04:28

Please do!

00:04:29

But I'd instead like to highlight the fact that Mr. Peanutbutter's ripping off my toast

00:04:33

the same way he ripped off my entire career.

00:04:36

[man 2]

00:04:36

Uh, we prefer gifts over observations.

00:04:39

Okay. Well, here's something I didn't rip off.

00:04:41

This brand new helicopter I just bought.

00:04:43

Whoo-whoo! Who wants a ride in the chopper?

00:04:46

[applause and cheering]

00:04:46

- Okay, guys. This has been fun, and also an offensive display of extravagant wealth, but maybe we should call it a night.

00:04:52

What's the rush?

00:04:54

Because I just bought the restaurant, and we can stay as long as we want.

00:04:57

[all cheering]

00:04:57

- Hey, you. I own you now.

00:04:58

- Do a dance. -

00:04:58

[scats]

00:05:04

Oops.

00:05:06

[laughs]

00:05:06

Oh, no. Hey, sorry, bud.

00:05:07

- It's all yours. - Please, you first.

00:05:09

Apparently, we both like to be clean.

00:05:12

I love being clean. That's so coincidental.

00:05:15

- I'm Todd. - Klaus.

00:05:17

Look, I know you're new here, but we have a lot in common: being white, into cleansing.

00:05:23

I think you'd enjoy hanging out with me and the gang.

00:05:26

When you say "the gang," do you mean a gang?

00:05:29

Check this out. If you want to lift weights, we got great yard connections.

00:05:33

If you like toilet wine, we spent the past 20 years perfecting pruno.

00:05:37

The Aryan nation is number one for a reason.

00:05:39

Never thought I'd say this, but you put a pretty good spin on Nazis.

00:05:43

Hey, tell you what. Drop by our party tomorrow.

00:05:45

Shoot the shit with the guys, mostly about Jews, and make up your own mind.

00:05:49

Until then, take my card.

00:05:51

Whoa. Uh, where were you keeping that card?

00:05:54

[both]

00:05:54

Forty-five, forty-six, forty-seven...

00:05:59

Guys, can we give this thing a rest?

00:06:02

Rest? Why rest? I'm not tired.

00:06:04

I'm twice as not tired.

00:06:12

Or D, sex and candy?

00:06:16

[vibrates and rings]

00:06:17

[Todd]

00:06:17

BoJack!

00:06:19

Todd, where the hell have you been?

00:06:21

I had to carpool home from the airport like a goddamn environmentalist.

00:06:24

I'm sorry, but I'm in jail, dude.

00:06:26

Well, you called the right person, because I need your help and you're my phone-a-friend.

00:06:30

Marie Curie won Nobel prizes in which two sciences?

00:06:33

A, chemistry and physics.

00:06:35

- B, biology and physics-- - Oh, B! The answer's B!

00:06:38

- It's A! - Damn it, Todd!

00:06:39

This was life or death.

00:06:41

Same with me. The bail's set at 50 bucks.

00:06:43

I'll be here wai--

00:06:46

[groaning]

00:06:50

Yes! I am the champion of the games!

00:06:53

Did you see that, Diane?

00:06:55

Diane?

00:06:57

You win, old friend.

00:06:58

Now if you'll excuse me,

00:07:00

I'm going to take my girlfriend to bed.

00:07:02

[groans]

00:07:04

We're still out?

00:07:05

[groans]

00:07:07

Night, BoJack.

00:07:08

Good night, Diane.

00:07:11

Give me a bottle of something to help me forget my problems.

00:07:14

Ooh, maybe not that strong.

00:07:16

What is this, breakfast?

00:07:17

Yeah, that's about right.

00:07:19

[gulping]

00:07:26

Well, that worked effectively.

00:07:28

[newsman]

00:07:28

It's a Holly-who-done-it

00:07:30

as police are scrambling to figure out

00:07:32

who stole the D from the famed Hollywood sign.

00:07:35

- Holly-what? - All of Tinseltown's

00:07:37

at DEFCON 5 until their diabolically displaced D

00:07:40

is demonstrably displayed once more.

00:07:43

Can we cool it with the alliteration?

00:07:44

Who wrote this copy? Randy, looking at you.

00:07:47

Weird.

00:07:49

Weirder.

00:07:50

[doorbell rings]

00:07:52

Why the hell would I steal a giant D?

00:07:54

Ding-dong! It's Diane.

00:07:55

D-- D-- Damn!

00:07:58

Meanwhile, local authorities

00:08:00

are already investigating several suspects.

00:08:01

David Duchovny, Dick Van Dyke, DMX,

00:08:04

and of course Dane Cook, who we all know is a thief.

00:08:07

Hey, D-voted memoirist.

00:08:10

I can't work on the book today. Too ill. Cough.

00:08:13

Are you ill, or hung-over?

00:08:15

Because instead of coughing you just said the word cough.

00:08:17

Plus you left me a long, drunken voicemail last night.

00:08:19

Ooh, was it bad?

00:08:20

It was mostly a lot of wheezing, as if you were climbing something, followed by the sounds of dismantling metal, and then grunting like you were dragging something heavy at least a few miles.

00:08:28

I didn't say anything incriminating, did I?

00:08:30

As incriminating as that question? No.

00:08:32

Good. Well, just as a general rule, you probably shouldn't be listening to any voicemails I leave after--

00:08:36

- What time do I start drinking? - Noon?

00:08:38

- Yup. See you later. - But we had an appointment.

00:08:40

What's that? An actor flaking on an obligation?

00:08:42

- Welcome to Hollywood. - I think you mean Hollywoo.

00:08:44

Did you see? Someone stole the D off the sign.

00:08:46

Cough, cough, cough, cough, cough.

00:08:47

Cough, cough, cough, cough, door slam.

00:08:50

[phone rings]

00:08:50

- What is it, BoJack?

00:08:52

You know, I'm tied up with all my Deans today.

00:08:54

Kane, Norris, Winters, and Koontz, all being questioned by police.

00:08:58

It was me. I stole the D.

00:09:00

- What? - Now be a good agent and make this not my problem.

00:09:03

How did you even--?

00:09:04

You know, your scandal-to-work ratio is, like, five to one.

00:09:07

Look, I need to get rid of this before Diane sees it.

00:09:09

Why do you care if Dia-- Oh, fish.

00:09:11

Are you in love with your biographer?

00:09:13

What?

00:09:15

[laughs]

00:09:15

What?

00:09:18

Get out of here.

00:09:20

You stole the D for Diane. Unbelievable.

00:09:23

Yeah, I don't know. The D might be for David, because apparently when I was drunk,

00:09:26

I printed out a bunch of pictures of David Boreanaz.

00:09:29

Yeah. You did that.

00:09:32

Look, I'll keep your little crush busy long enough for you to get rid of the contraband, but the next three weddings I'm invited to, you're my date, dummy.

00:09:38

Since when to women your age get invited to weddings?

00:09:40

I have a lot of nieces and nephews!

00:09:42

[phone beeps off]

00:09:43

[claps]

00:09:43

- Well, you pulled it off, you deviant.

00:09:46

Get it? D-viant?

00:09:49

- I got it. - Tell me, how are you gonna complete your giant bracelet?

00:09:52

With the chain-link fence from Dodger's Stadium?

00:09:54

No. How'd you figure out it was me?

00:09:57

Oh, how did I figure it out? Well, I just followed the clues, used deduction, puzzle-solving, a little bit of forensics, and also, what did I do?

00:10:04

Oh, I listened to the voicemail you left me saying you were stealing the D because of Diane so I could, and I quote, "Suck your D."

00:10:12

Stop leaving voicemails!

00:10:14

Admit it! You like my girlfriend.

00:10:17

Oh, come on. I mean, am I attracted to her? Sure.

00:10:20

Do my days feel better when I'm around her? Yeah.

00:10:22

Does she get me in ways no woman ever has? Indubitably.

00:10:25

Do I fantasize about her? Yes, but only in two positions.

00:10:27

Look, am I the kind of guy who would try to steal someone else's girlfriend?

00:10:31

Sure, of course, but do I like her?

00:10:32

The answer's no. You have nothing to worry about.

00:10:35

I'll cut you a deal.

00:10:36

I help you get rid of that D, and you never talk to Diane again.

00:10:41

Well, I have to talk to her, because she's writing my book.

00:10:44

Okay, but just don't pursue her romantically?

00:10:47

- Deal. - Ha!

00:10:49

- I knew I'd get that handshake. - I regret this already.

00:10:54

Spread them wide, ladies. This is a random cavity search.

00:10:59

[both]

00:10:59

Whoa! Buy a guy a drink first.

00:11:01

[laughs]

00:11:01

- Did we just say that...

00:11:03

- Oh! - ...at the same time?

00:11:05

Look, I saw you talking to Klaus in the shower.

00:11:08

Now, the Aryans are good guys, don't get me wrong.

00:11:11

But I don't know if you're gonna get the right attention over there.

00:11:14

Uh, I'd hate to get lost in a shop that big.

00:11:17

Now we can't offer you the works, but in the Latin Kings, you'll be a star.

00:11:21

We're number two, and that means we try harder.

00:11:24

Am I really being courted by two gangs?

00:11:27

Oh, I feel like the belle of the ball.

00:11:31

So, this is the shapeless biographer

00:11:34

I've heard so much about.

00:11:36

We've met several times.

00:11:38

Did you just call me here to insult me?

00:11:40

What is your secret, lady?

00:11:42

I mean, how do you get two grown men fighting over you like a foul ball at a football game?

00:11:46

First of all, football doesn't have foul balls.

00:11:48

Ugh, sports.

00:11:49

Second of all, nobody's fighting over me.

00:11:52

Open your eyes.

00:11:53

BoJack's clearly in love with you.

00:11:55

Wha--?

00:12:01

Get out of here!

00:12:03

Get out of here? Why would I get out of here?

00:12:04

You get out of here. This is my office.

00:12:09

I get the army men are police, but what's the mustard packet again?

00:12:12

Oh, that's just a mustard packet.

00:12:14

- It's left over from lunch. - Oh.

00:12:15

Well, can we move it off the table?

00:12:17

No. I still might want it later.

00:12:18

Good call.

00:12:19

So how do we get the D from here all the way up to here?

00:12:23

What, with all these cops and mustards,

00:12:25

- it's gonna be a pickle. - Oh, no.

00:12:26

The pickle's a SWAT van, but I see your point.

00:12:28

Might be easier to just ditch the evidence. But how?

00:12:32

I-- I don't know.

00:12:34

You think these coffees would get the juices flowing.

00:12:36

Well, they do have Bailey's in them.

00:12:37

Is that why I feel drunk?

00:12:39

Because I've had, like, seven or eight coffees.

00:12:41

I mean, I admit, it's been bad for ideas, but it's been great for camaraderie.

00:12:45

Couldn't agree more.

00:12:46

Ooh, hey. What time is it?

00:12:48

I probably need to move my helicopter.

00:12:50

It's in a two-hour zone.

00:12:51

You beautiful bastard, that's it!

00:12:53

We can pick up the D with your chopper, fly it out of here, and then dump it out into the ocean.

00:12:58

Stupendous!

00:12:59

Take that, the ocean.

00:13:01

[phone vibrates and rings]

00:13:03

- What now, Todd? - Listen.

00:13:05

So, kind of landed myself in a two-dates-to-the-prom situation.

00:13:08

The dates being prison gangs and the prom being a jump-in, so do you remember how you got out of the same jam on Horsin' Around?

00:13:15

Ah, a classic conundrum.

00:13:17

Well, I recall one time on Mr. Peanutbutter's House--

00:13:20

I think he's talking to me, pal.

00:13:22

You know, the guy whose show invented the two-dates-to-the-prom story.

00:13:25

You may have invented it, but I think our show perfected it.

00:13:29

The only thing you ever perfected

00:13:30

- was stealing my thunder. - Stealing your thunder, eh?

00:13:32

Now you're even stealing the words I'm saying.

00:13:34

You know, it's tough.

00:13:35

I agree with the Latin Kings on social issues, but fiscally I'm more of an Aryan.

00:13:40

Well, juggling both never ends well.

00:13:42

Mr. Peanutbutter, anything to contribute?

00:13:44

He's just staring blankly now.

00:13:46

Stealing your thunder.

00:13:49

You could also just bail me out of here, as I said.

00:13:52

- It's only 50 bucks-- - Got to go, pal.

00:13:53

Hope it's a magical night.

00:13:55

All right, you ready for the plan?

00:13:56

Oh, yeah.

00:13:58

But we are gonna need a big distraction to keep the eyes off the skies.

00:14:03

You leave that to me.

00:14:04

Whoa, wait. You had a lot to drink.

00:14:06

You better have a cup of coffee.

00:14:12

Who loves you, people?

00:14:14

Look this way, news media.

00:14:16

A celebrity is throwing away his hard-earned cash.

00:14:19

Everyone pay attention to me.

00:14:21

Oh, it's only one-dollar bills, folks.

00:14:23

Don't bother.

00:14:25

No, it's still free, spendable money.

00:14:27

This is a huge story.

00:14:28

Dollars are like the new penny.

00:14:30

Yeah. Cash is for poor people.

00:14:32

What is wrong with you bozos?

00:14:34

Just riot over the damn money already.

00:14:37

Well, nothing to see here, I guess.

00:14:38

■ Ooh, ooh ■

00:14:39

Whoa!

00:14:41

■ Jesus Christ, my ankle ■

00:14:43

- Oh, my God. -

00:14:43

[groaning]

00:14:44

American singer-songwriter Beyoncé is hurt.

00:14:46

Somebody help her!

00:14:48

Ring the alarm. Irreplaceable pop icon

00:14:50

and independent woman Beyoncé has been injured.

00:14:53

What more can you give us?

00:14:54

Details are sketchy at this point,

00:14:56

but we do know Beyoncé is a survivor,

00:14:58

and presumably she will keep on surviving.

00:15:01

- But what happened? - Well, Tom,

00:15:02

I'm being told she fell on all the single dollars.

00:15:04

- All the single dollars? - All the single dollars.

00:15:06

All the single dollars?

00:15:08

- All the single dollars. - Bills, bills, bills.

00:15:10

We promise to provide live, unflinching coverage

00:15:13

of this harrowing ordeal

00:15:15

of a star gone from dangerously in love

00:15:17

to dangerously in peril.

00:15:19

Don't stop watching.

00:15:22

Mr. Peanutbutter, take her home.

00:15:32

Doctors have confirmed

00:15:34

that Beyoncé will never perform again.

00:15:37

This just in. A break in the story of the Hollywoo heist.

00:15:40

We now go live to the house of Mr. Peanutbutter,

00:15:43

star of Mr. Peanutbutter's House.

00:15:45

Ah, jeez. What did that idiot do?

00:15:48

Ladies and gentlemen of the press,

00:15:50

I, and I alone, stole the D from the Hollywoo sign.

00:15:54

[all gasping]

00:15:56

Just tell us, why'd you do it?

00:15:58

Oh, I'll tell you why.

00:15:59

I did it all for my girlfriend, Diane.

00:16:02

[all]

00:16:02

Aww.

00:16:04

Son of a bitch.

00:16:06

That literal son of a bitch.

00:16:09

If you're joining us, Mr. Peanutbutter has confessed

00:16:12

to stealing the D for his girlfriend Diane

00:16:15

in what many are calling the most romantic gesture

00:16:17

in the history of romance and gestures.

00:16:20

We now await the L.A.P.D.'s move.

00:16:21

The day they make love a crime is the day I turn in my badge.

00:16:25

[all clapping]

00:16:25

[grunts]

00:16:28

And here's our lady of the hour now, Diane.

00:16:30

Diane! What do you think?

00:16:33

Wow, Mr. Peanutbutter, uh, it's kind of a lot.

00:16:37

I don't really like to be on camera.

00:16:39

And?

00:16:41

Do you love anything or anyone?

00:16:44

I got to go. We'll talk about it later.

00:16:49

■ Ooh ■

00:16:53

Oh, my Todd.

00:16:56

You look-- You look beautiful, holmes.

00:16:59

What? This old thing?

00:17:01

The guards made me wear it.

00:17:03

Yeah, well, it suits you.

00:17:05

You're an autumn, bro.

00:17:06

[both gulping]

00:17:08

Ahh.

00:17:09

It's good, right?

00:17:11

Oh.

00:17:13

Come meet my boy, Santiago.

00:17:14

Uh, you know, I'll-- I'll be right back.

00:17:16

I-- I left my cot unmade.

00:17:17

[panting]

00:17:17

- Ooh, watch it.

00:17:19

Oh, sorry I'm late.

00:17:21

Hope you didn't think I was pulling an Anne Frank on you.

00:17:24

[laughs]

00:17:24

Good one.

00:17:28

Can you believe it?

00:17:29

I was double-crossed by the one man

00:17:31

I assumed was too stupid to even single-cross.

00:17:34

What? I have no idea what you're talking about.

00:17:36

I do have a life outside of you, you know.

00:17:38

Mr. Peanutbutter took my D and gave it to Diane.

00:17:41

Once again, he completely ripped me off.

00:17:43

Oh, right. That whole thing.

00:17:45

[sighs]

00:17:45

Just a minute, Cate.

00:17:47

Look, you may have come up with a log line, but he's the one who sold the pitch.

00:17:50

This is more on brand for him than it is for you.

00:17:52

- What do you mean? - Desecrated a major landmark in a drunken stupor, that's a BoJack Horseman thing.

00:17:56

But stealing it for your girlfriend as a grand display of affection?

00:18:00

That's Mr. Peanutbutter.

00:18:02

You're right. It's Mr. Peanutbutter all over.

00:18:05

It's the kind of bold, romantic gesture they base movies on.

00:18:08

Actually, that's not a bad idea.

00:18:10

Lora? Check if anyone's bought the rights yet.

00:18:13

Can we keep this about me, please?

00:18:14

Even if he stole your stealing of the D, what he made his was telling Diane how he felt from his heart.

00:18:20

You could never say it to me, and you still can't say it to her.

00:18:23

That's not true. I can express feelings.

00:18:25

Nothing on the outside. Nothing on the inside.

00:18:29

Look, I got to bounce. Quick question, though.

00:18:31

Would you see Cate Blanchett in a movie about Eva Braun?

00:18:34

Why are you wasting my time with this?

00:18:35

- Of course I would. Who wouldn't? - Huh.

00:18:39

[disco music plays]

00:18:40

And that's why Eva Braun was like the fifth Beatle of the Third Reich.

00:18:45

Wow. I never knew neo-Nazis were so interested in Nazis.

00:18:51

You got some great moves, Todd.

00:18:53

You dance like a white man, and I love it.

00:18:56

Hey, no disrespect, but I got a few chess pieces I forgot need whittling.

00:19:02

[panting]

00:19:02

Oh, excuse me.

00:19:03

Oh, thank God you're back.

00:19:05

I was getting nervous that you left me for another gang.

00:19:08

[laughs]

00:19:10

If that happened, I'd have to kill you.

00:19:13

[laughter]

00:19:14

[bleats]

00:19:19

Thank you for rescheduling given your recent, uh, everything.

00:19:23

Yeah. That was really something.

00:19:25

I guess he makes your heart stand Stiller?

00:19:28

Yeah, but for some reason the jury's Stiller out on how I feel about it.

00:19:33

Well, that's because it wasn't for you.

00:19:35

That wasn't a Diane thing. It was a Mr. Peanutbutter thing.

00:19:37

Well, what would be a Diane thing?

00:19:39

A Diane thing would be something that shows he really knows you, like giving you an iPod loaded with all your favorite podcasts, or a practical houseplant, or surprising you with a bound album of photos and emails he saved.

00:19:52

That's-- That's what the Diane I know would want.

00:19:55

What are you saying to me?

00:19:56

Just that you should be with someone who knows you.

00:19:59

Yeah? Like who?

00:20:02

- I-- -

00:20:02

[device beeps]

00:20:03

Whoa, were we-- Were we taping?

00:20:05

Um, okay.

00:20:06

Uh, you want to hear my Andy Dick story?

00:20:08

It's a doozie.

00:20:11

All we ask for is 10% of anything pilfered.

00:20:15

Drugs, cigarettes.

00:20:17

I mean, that's the standard gang rate.

00:20:18

Hey, I got to go, uh, do a prison thing.

00:20:24

That sounds legitimate. We are in prison, after all.

00:20:27

[panting]

00:20:29

Whew. Hey.

00:20:31

White people, right?

00:20:33

Todd? Why in the name of Pat Buchanan are you dressed like a Latin King?

00:20:38

- Uh, what-- - What the hell, bro?

00:20:40

- Are you playing both sides? - Look, guys,

00:20:42

I didn't want to choose between you because I like you both.

00:20:45

Look, in fact, if you just took the time to get to know each other the way you did me,

00:20:50

I think you'd agree we don't need gangs anymore because, deep down, we're all just people.

00:20:58

What do you say?

00:21:00

This just in. A standoff at the Super Max

00:21:02

has turned into a full-on race war.

00:21:05

But first, America has fallen in love with Hollywoo it-couple,

00:21:09

Mr. Peanutbutter and Diane--

00:21:11

[sighs]

00:21:13

[cell phone vibrating]

00:21:15

Diane? Is that you?

00:21:20

Hey. It's, um, me.

00:21:23

[nervously laughs]

00:21:24

Look, uh, things got a bit weird earlier, so I-- I want to make sure that we're still on for tomorrow to talk about the time I sneezed on Marisa Tomei.

00:21:32

I'm really sorry about before.

00:21:33

I know the D was overkill, so I got you something more personal.

00:21:38

Aww.

00:21:39

I also wanted to just, um, let you know how much I appreciate you working on this book with me.

00:21:46

I know I sometimes get carried away, but it's because I love you so much.

00:21:51

You're a catch, Diane, and I think you know how much I love catch.

00:21:56

And I'm sorry if I've been difficult in any way during this process.

00:22:00

You know, it's-- It's really hard to have somebody,

00:22:02

I don't know, know you, I guess.

00:22:05

And you do, uh, know me, Diane.

00:22:07

We're very different, but I think we bring out the best in each other.

00:22:12

It's like you're chocolate and I'm--

00:22:13

- Peanutbutter? -

00:22:13

[laughs]

00:22:13

What? Now see?

00:22:15

That was so much better than what I was gonna say.

00:22:18

- I was gonna say carrots. -

00:22:18

[laughs]

00:22:21

And I know I'm not the perfect guy.

00:22:22

I actually kind of hate myself a lot of the time.

00:22:26

But when-- When I'm with you, I, uh, don't hate myself.

00:22:30

I like being around you, and I don't know if I ever told you that in so many words, so I'm telling you.

00:22:37

Diane, I've got an important question to ask.

00:22:40

No cameras, no big spectacle.

00:22:43

Just me and you.

00:22:45

Call me back.

00:22:47

This was BoJack, by the way.

00:22:49

Horseman, obviously.

00:22:50

Will you do the honor...

00:22:52

[cell phone chimes]

00:22:53

...of becoming Mrs. Peanutbutter?

00:22:56

Wow. This is happening so fast.

00:23:00

Yes. I'll marry you.

00:23:02

But I'm keeping my last name.

00:23:04

You hear that? She said yes!

00:23:07

- Let's kick it! -

00:23:07

[festive music plays]

00:23:08

Erica, did you hear she said yes?

00:23:10

Come on in here! All right!

00:23:13

[fireworks pop and crackle]

00:23:15

She's not gonna call. Get out the consolation scotch.

00:23:18

[vibrates]

00:23:19

It's her! Make that celebration scotch.

00:23:21

- What's the difference? - It's the same scotch!

00:23:23

Diane! Hey, you!

00:23:24

Hey.

00:23:26

So this is weird.

00:23:28

I'm engaged.

00:23:31

Oh, wow.

00:23:33

To Mr. Peanutbutter?

00:23:35

I saw you left me a voicemail--

00:23:37

Delete it. It's just a drunken recipe for Bundt cake.

00:23:39

Not important.

00:23:40

Okay. I got to go.

00:23:42

They're about to move the D back.

00:23:44

- See you tomorrow? - Absolutely.

00:23:49

Well, nobody knows me like you.

00:23:55

[pilot]

00:23:55

Time to bring this baby home.

00:23:57

To think I went from flying missions over Kandahar to this cushy crap.

00:24:03

I spoke too soon!

00:24:05

Black Hawk down! Black Hawk down!

00:24:07

See, you guys aren't so different.

00:24:10

[grunting]

00:24:10

[helicopter approaching]

00:24:12

[crashing]

00:24:16

We're free! We're free!

00:24:18

- Yeah! - Freedom!

00:24:19

- I am free! - Freedom!

00:24:21

Oh, wow.

00:24:23

What a twist, huh?

00:24:25

And they say there's no new stories in Hollywood.

00:24:29

[sighs]

00:24:30

■ Hollywoo, Hollywoo ■

00:24:34

[scatting]

00:24:37

■ Back in the '90s ■

00:24:39

■ I was in a very famous TV show ■

00:24:44

■■

00:24:46

- ■ I'm BoJack the horse ■ - ■ BoJack ■

00:24:48

Ep 7 — Say Anything

00:00:05

You got to get your shit together.

00:00:08

So you took some licks, but you're gonna bounce back, because you're talented, you're smart, and damn it, you're good.

00:00:15

You are a goddamn American treasure, you know that?

00:00:17

You are BoJack goddamn Horseman.

00:00:21

So get the hell off my lawn.

00:00:23

Oh.

00:00:24

Here I thought I was at the drive-through at Carl's Jr.

00:00:27

How much did I have to drink last night?

00:00:29

Last night? Oh, you've been on a bender for the last two weeks, ever since you found out Diane got engaged to Mr. Peanutbutter.

00:00:35

Diane got engaged to Mr. Peanutbutter?

00:00:37

- I need a drink. - No. No more drinking.

00:00:39

You've been out of control.

00:00:41

Princess Carolyn, look. I met John Stamos.

00:00:44

That is not John Stamos.

00:00:46

Hey, Princess Carolyn,

00:00:48

John Stamos and I got our ears pierced.

00:00:50

That is not your ear.

00:00:52

Princess Carolyn, John Stamos died.

00:00:55

Why? Why, God?

00:00:57

Why did you take John Stamos?

00:01:00

That doesn't sound so bad.

00:01:02

Oh, I forgot to mention you were naked for a lot of that.

00:01:04

Stamos!

00:01:08

Also, it wasn't here. It was at my office.

00:01:10

We thought night swimming would be fun, but the current was too strong.

00:01:15

Oh, God, I wasn't driving around, was I?

00:01:17

No. You made Todd your designated driver, but then you also made him drink with you.

00:01:22

Yeah, I'll have a western bacon cheeseburger.

00:01:25

BoJack, we are going to get you back on your feet.

00:01:27

All you need to do is get off Diane and get on to something else.

00:01:31

[line rings]

00:01:31

- Hello?

00:01:32

Tony, hi. I'm calling in that favor.

00:01:34

Get your crew to BoJack Horseman's house.

00:01:36

Can you be there in an hour?

00:01:37

- Yeah. - Great.

00:01:39

What just happened?

00:01:40

You're the new face of Guten Bourbon.

00:01:42

What is Guten Bourbon?

00:01:43

It's an urban German bourbon.

00:01:44

Am I just hungover, or are you talking like a Muppet?

00:01:47

They're looking for American celebrities to talk about how much they like to drink.

00:01:50

It's the part you were born to play.

00:01:52

All you have to do is smile and stay upright.

00:01:55

I don't know. It sounds like a lot of work.

00:01:57

You take up 80% of my time with your drama and make me 0% of my money.

00:02:01

Do the damn commercial.

00:02:03

[cell phone vibrates]

00:02:04

7:00 a.m. Breakfast with Lenny Turteltaub.

00:02:07

Okay, I got to go. You're in charge, Todd.

00:02:09

Keep this dummy out of trouble.

00:02:11

Hooray, responsibility.

00:02:13

[vomits]

00:02:13

- Hey.

00:02:15

Do you really believe all that stuff you said to me earlier about me being smart and talented and good?

00:02:21

BoJack, I'm an agent. I believe everything I say.

00:02:25

Ah.

00:02:27

Hey, where the hell is that cheeseburger?

00:02:29

I ordered it, like, an hour ago.

00:02:31

[funky electronic music]

00:03:27

Lenny Turteltaub, you skinny bitch.

00:03:29

How the hell are you?

00:03:31

I'm in a hurry, so I'll make this... snappy.

00:03:34

I got some great news about the picture

00:03:36

we're putting together.

00:03:37

[cell phone rings]

00:03:37

- Sorry. Hello?

00:03:39

Hey, I just wanted to thank you for getting me this job

00:03:42

and pulling me out of that oh-so-predictably BoJack

00:03:46

spiral of self-loathing and substance abuse.

00:03:48

- You really are the best. - I know. Talk to you later.

00:03:50

I feel like you see things in me that nobody else sees.

00:03:53

Yep, I'm pretty great. Got to go.

00:03:54

All this time, I never even--

00:03:56

BoJack, I'm in a very important breakfast right now.

00:03:58

- Okay. I got to go, too. - Sorry.

00:04:00

What's the great news?

00:04:01

- We got Braff. - You beautiful dickhead.

00:04:05

You finally got Zach Braff?

00:04:07

Ah, no other director has enough weight

00:04:09

to handle a movie about the last days of Eva Braun.

00:04:12

No shit, toots.

00:04:13

Ooh, ooh, ooh. There you go.

00:04:15

Thank you, sweetheart.

00:04:17

Everything's coming together.

00:04:18

With Braff directing,

00:04:19

my client Cate Blanchett starring,

00:04:21

and the great Lenny Turteltaub producing, this movie is a done deal.

00:04:25

Look, honey, I been in this business a long time, okay?

00:04:27

Long time.

00:04:28

And as I once said to a young Ed Begley Sr.,

00:04:31

"It ain't a done deal till the deals are all done."

00:04:33

I'm the best agent in the biz.

00:04:35

I can seal these deals with my paws in my pants.

00:04:38

Well, then I'll say to you what I once said to a young Buster Keaton, "What?"

00:04:42

[jazzy music]

00:04:48

[overlapping shouting]

00:04:52

Laura! What's happening?

00:04:55

- We're merging. - No shit. With what?

00:04:57

FME. A bunch of people got laid off, and some of the FMEers are already moving in.

00:05:01

It's all so sudden and unexpected.

00:05:03

- It was not handled well. -

00:05:03

[laughter]

00:05:07

Oh, shit. Don't tell me one of the new agents is...

00:05:10

Vanessa Gekko.

00:05:11

That slippery, slimy, cold-blooded, bug-eyed--

00:05:14

What's new, pussycat?

00:05:16

- Gekko. - In the flesh.

00:05:18

Ha ha. How are you?

00:05:20

What a morning, huh?

00:05:22

I was in the middle of my second soul cycle class when I got the news.

00:05:25

- Can you imagine? - No.

00:05:27

I was so excited, I rushed home, made love to my husband of 15 years, made a hot breakfast for my three wonderful girls, read to them, dropped them off at their elite private school, and then got my ass here as quick as I could.

00:05:39

- Um, how old are your kids now? - I don't have any children.

00:05:42

Oh, well, it'll happen. You're still...

00:05:46

- Anyway-- - Princess Carolyn.

00:05:48

I see you've already met a new member of the team.

00:05:52

- Vanessa Gekko, sir. - I know that.

00:05:54

This merger is very exciting.

00:05:57

- I'm pumped. - I'm beyond pumped.

00:05:58

You should be, or at least I think you should be.

00:06:01

It's hard to keep track of who's getting promoted

00:06:04

- and who's getting fired. - Oh.

00:06:06

You're probably fine or not. Who knows?

00:06:09

[cell phone rings]

00:06:11

Ugh. What do you want, Todd?

00:06:13

Well, good news, bad news.

00:06:15

The bad news is that there actually is no good news, and the other bad news is BoJack's gone.

00:06:21

What? Where did he go? The shoot is at his house.

00:06:23

He just disappeared. I don't even know why he'd leave.

00:06:26

This charcoal mellowed bourbon is so smooth, every time I take a sip, pure happiness.

00:06:32

- That was amazing. - Really?

00:06:33

Can I get you to say that in a tuxedo?

00:06:35

Hey, I got to go. I think this is my big break.

00:06:37

Don't worry. I won't let it get to my head or anything.

00:06:40

Hey, who told that asshole he could sit in my chair?

00:06:43

Don't forget I'm your agent, too! I want 10%.

00:06:46

Hello, beautiful.

00:06:47

What the hell are you doing here?

00:06:49

You're supposed to be shooting a commercial.

00:06:51

I know, but I was sitting there drinking bourbon and--

00:06:53

They didn't give you fake bourbon on set?

00:06:54

Oh, they did, and then I just mixed it with bourbon.

00:06:56

And it hit me.

00:06:58

Why was I so upset about Diane getting engaged?

00:07:00

You're the one who's always been there for me, so I drank a lot more bourbon and drove over to tell you how I feel.

00:07:05

Oh, I see what this is.

00:07:07

Princess Carolyn, what are we doing?

00:07:10

Clearly we're in love with each other.

00:07:12

You're not in love with me. You're in love with Diane.

00:07:14

And you're not even really in love with her.

00:07:16

You just think you are because you pay her to listen to you talk about yourself.

00:07:19

Diane getting engaged was the best thing that ever happened to me.

00:07:21

It made me realize you're the one I need to be with.

00:07:24

Ha! You say that every time something bad happens.

00:07:28

Not getting nominated for a People's Choice Award is the best thing that ever happened to me.

00:07:31

It made me realize--

00:07:33

Getting caught with that pound of cocaine was the best thing that ever happened to me.

00:07:36

That hooker getting pregnant was the best thing that ever happened to me.

00:07:39

Sneezing on Marisa Tomei was the best--

00:07:41

Every time something bad happens, you come running to me for comfort.

00:07:45

Well, it's not gonna happen this time.

00:07:47

I can't be your agent and your girlfriend.

00:07:49

- It just doesn't work. -

00:07:49

[knock on door]

00:07:51

I have Lenny Turteltaub for you.

00:07:53

- I have to take this. - Okay.

00:07:54

But remember, I'm coming for you, and I'm gonna make you love me.

00:08:00

Please don't. Hey.

00:08:02

Bad news, P.C.

00:08:03

Braff used your merger as an opportunity to jump ship.

00:08:05

Aw, fish.

00:08:06

Now his new agent's asking for twice the money.

00:08:09

As I once said to a young Lionel Barrymore,

00:08:11

"Eh, shut up."

00:08:13

Without a director, Eva Braun is as dead as Eva Braun.

00:08:16

Yep. You got to get someone big.

00:08:18

- What about those brothers -- - Hello? Hello?

00:08:20

Lady, you work too hard.

00:08:22

That was an important phone call.

00:08:24

Important phone call beep boop blorp.

00:08:26

Don't you robot-voice me.

00:08:27

Princess Carolyn, what are we doing?

00:08:30

Well, I'm working, and you are leaving.

00:08:32

Before I go, I got you a little sexy something to remember me by.

00:08:36

Since we can't be together every second, which would be my preference, I give you cardboard BoJack.

00:08:42

It's got a light-sensitive sound chip, so every time you walk by it, it quotes a line from Jerry Maguire, your favorite movie.

00:08:47

You complete me.

00:08:48
What do you think? Pretty sweet, huh?

00:08:50
You had me at "hello."

00:08:51
I don't have time for you or cardboard you.

00:08:53
I need to find a new director.

00:08:55
Or you could find my nude erector--

00:08:58
She's gone.

00:08:59
[jazzy music]

00:09:02
[elevator bell dings]

00:09:03
Blech. Word to the wise, Laura--

00:09:06
Do not pitch a Nazi romance to Steven Spielberg.

00:09:08
Just thought you should know there's been some reorganization

00:09:11
- vis-a-vis resource management. - What are you saying?

00:09:13
You and Vanessa Gekko are sharing an office until they can find her a permanent one.

00:09:17
- The hell we are. - Also...

00:09:19
Good news, Princess Carolyn. Vanessa's my agent now.

00:09:21
What?

00:09:22
You said you couldn't be my girlfriend and my agent, so I'm firing you.

00:09:26
Now we can be in love.

00:09:28
- Hope you like money, BoJack. - This is so great.

00:09:31
Now I can date you and have a better agent.

00:09:33
- Everybody wins. - Oh.

00:09:35
I'm a sporting agent.

00:09:36
Are you still searching for happiness?

00:09:40
Make your own happiness.

00:09:42
Mmm, that's some Guten Bourbon.

00:09:46
Cut. That was great.

00:09:47
Was it? You know, I'm trying to do good work here, really find the character, but it's pretty distracting to have all these robots staring at me with their blinking red eyes.

00:09:56
Those are cameras, Todd. We're making a commercial.

00:09:59
Oh, well, you want to make a good one?

00:10:01
Then get them the hell out of here!

00:10:03
I'm the face of this brand, I'm the man behind the thing, and I'm determined to get the jargon of this German bourbon blurbin'.

00:10:13

Is it just me, or does this fake booze taste a lot like real booze?

00:10:17
You want BoJack, you can have him.

00:10:19
Here's a list of directors who won't work with him, studios that won't hire him, former assistants with restraining orders.

00:10:24
This is great.

00:10:25
You know, it gets kind of boring when all your clients are in such demand, they practically find their own jobs.

00:10:31
Well, then BoJack should be a lot of fun for you.

00:10:33
- No one wants to hire him. -

00:10:33
[knock on door]

00:10:36
Hello. We're looking for BoJack Horseman's agent.

00:10:39
We'd like to discuss a very lucrative business opportunity.

00:10:43
- You gotta be kidding me. - I'm BoJack's agent.

00:10:46
The opportunity is we're blackmailing you.

00:10:49
Ha. All yours.

00:10:51
Needless to say, it would be a shame if these pictures got out.

00:10:55
Fortunately, that can easily be avoided by simply paying me and my partner here \$150.

00:11:03
Each.

00:11:04
Let me just get my checkbook.

00:11:06
Huh?

00:11:07
- Whoa. -

00:11:07
[chuckles]

00:11:08
Oh, except California law prohibits taking photos on private property without a permit, but you had a permit, right?

00:11:14
- Uh... - What's that?

00:11:16
Oh, also, extortion can be prosecuted as a class E felony.

00:11:18
That's four years in prison, easy, and when you throw in the murder of Tupac Shakur...

00:11:22
- We didn't do that. - Yeah, yeah.

00:11:23
You can't pin that on us.

00:11:24
Well, someone's got to take the fall.

00:11:26
[both gulp]

00:11:26
- Sorry to bother you.

00:11:28
Forget we were ever here.

00:11:33
That was fun.

00:11:35

Hey, Laura, send those guys a nice fruit-and-nut basket.

00:11:37

You got it, boss.

00:11:39

Who said you could use my assistant?

00:11:40

- I did. - Oh, hello, Mr. Witherspoon.

00:11:43

Did you know the human head weighs 8 pounds?

00:11:45

Fascinating.

00:11:46

So sorry we have to double up on everything while we work out who goes where and who gets fired, but in the meantime, help yourself to an intern, one of the rising stars at our company--

00:11:58

- Charlie Witherspoon. - Hello. I-- Oh.

00:12:02

Sorry, my-- My hands are really sticky.

00:12:05

[groans]

00:12:07

Oh, God, am I blowing this?

00:12:10

[glass shatters]

00:12:12

Charlie was the editor of The Harvard Lampoon.

00:12:15

He can be Princess Carolyn's new assistant while I use Laura.

00:12:17

- Ugh. - Good thinking, boss.

00:12:18

[phone rings]

00:12:20

Ah, ah, phone is ringing. Phone is ringing.

00:12:23

What do I do? What do I do?

00:12:24

I'll take it in here, Charlie. Hello.

00:12:27

Princess Carolyn, your client is out of control.

00:12:29

BoJack is not my client anymore.

00:12:32

Not BoJack. Todd.

00:12:33

I think someone mixed alcohol into his prop drink.

00:12:36

Oh, you pretenders.

00:12:37

Bourbon is the name of a county.

00:12:39

You can't just make bourbon in Germany.

00:12:42

That would be like making Rice-A-Roni

00:12:44

- anywhere but San Francisco. - No, no, no, no, no.

00:12:47

- Ugh. I'll be right there. - Ow.

00:12:50

You got to get your shit together.

00:12:52

You are a winner, okay? You are Todd-- Hold on.

00:12:55

4:30 p.m. Meeting with Eva Braun team.

00:12:59

Fish. Okay, you are Todd goddamn--

00:13:02

- What's your last name? - Chavez.

00:13:04

- Your last name is Chavez? - Yeah. Why?

00:13:06

I don't know, I just never thought of you as a Chavez. Look, I got to go.

00:13:09

I feel like you didn't really finish the pep talk.

00:13:11

I know, but I got a movie to put together.

00:13:13

Best of luck.

00:13:14

Ready for the tagline? Here's the tagline.

00:13:17

What the heck is going on?

00:13:18

"The woman who loved the man who hated everyone."

00:13:21

- That writes itself. - You got to be kidding me.

00:13:23

Hey, where were you? We looked everywhere.

00:13:26

You're having the Eva Braun meeting without me?

00:13:29

I'm so sorry, but I didn't know what the protocol was around here, and these guys were just champing at the bit.

00:13:35

- We're just wrapping up. - But Cate is my client.

00:13:37

Okay, why don't I come find you when it's over, and I'll bring you up to speed?

00:13:40

Is that Quentin Tarantino?

00:13:42

Yeah. I brought him on board.

00:13:44

You know he's always wanted to direct a romantic comedy?

00:13:46

Eva Braun is not a romantic comedy.

00:13:49

[sing-song]

00:13:49

Bye.

00:13:50

[dramatic music]

00:13:52

We live in a cynical world, a cynical world.

00:13:56

He's right, you know.

00:13:58

Oh, ooh, oh, oh, over-rotate. Hey.

00:14:02

I just missed an important meeting because I was babysitting Todd, who's too drunk to work, because you switched out the prop bourbon with the real bourbon. You are ruining my life.

00:14:11

- Have dinner with me tonight. - No way.

00:14:13

Come on, just me, you, and a bottle of Pinot.

00:14:17

Probably more than one bottle and some entrees.

00:14:18

And I'll probably get an appetizer.

00:14:20

I own the restaurant, so we can go crazy.

00:14:22

- I have to work. - You don't have to work.

00:14:24

- You choose to work. - Hmm.

00:14:28

Why not choose to be happy for once?

00:14:30

Mm.

00:14:32

[soft piano music]

00:14:35

When you're writing a memoir, you spend a lot of time reflecting on the past.

00:14:39

I regret not being a better friend to you and lover.

00:14:44

Thank you.

00:14:45

Lover's kind of a weird word, but thanks.

00:14:48

You want to get out of this stuffy old restaurant, get some gelato, and maybe drive out to the ocean

00:14:53

- and put our feet in the water? - That sounds great.

00:14:56

Let me just freshen up my whiskers.

00:14:58

Great. I'll get the car and meet you outside.

00:15:00

You scamper right back, pussycat.

00:15:02

You look at your reflection too long, you might fall in love. She's gone.

00:15:05

[cell phone rings]

00:15:07

What do you want, Gekko?

00:15:09

Well, I was hoping to talk to you face-to-face, but I guess you had to leave work early.

00:15:13

I left at 8:30. What is it?

00:15:15

Well, Cate and I had a really good talk today.

00:15:18

We have so much in common,

00:15:20

and especially since I'm doing so much for Eva Braun ,

00:15:22

it almost seemed weird that I wasn't repping her.

00:15:25

No. No. No, no, no, no. No, no, no.

00:15:27

She and I are both high-powered working mothers, so I understand her priorities, so she's switching to Gekko.

00:15:34

Wow, being a mom helped my career?

00:15:37

I really can have it all.

00:15:39

This isn't fair. I know everything about Cate.

00:15:41

Her favorite color is red.

00:15:43

Her favorite book is Suffragette City.

00:15:45

Her favorite Spice Girl is Baby.

00:15:46

I know all I need to know, which is that she's beautiful, she's British, and she's gonna make me a lot of money.

00:15:51

She's Australian, you moron.

00:15:53

If you need me, I'll be at work.

00:15:55

[sing-song]

00:15:55

Bye.

00:15:56

[sing-song]

00:15:56

Bye.

00:15:58

Ugh.

00:16:00

[phone rings]

00:16:02

Uh, telephone.

00:16:04

Charlie, get me Cate Blanchett.

00:16:05

Um, who is-- Okay, I don't--

00:16:09

Uh, uh, sorry, I can't--

00:16:12

Oh, sticky.

00:16:14

You know what? Never mind.

00:16:16

If Vanessa Gekko wants Cate that bad, she can have her.

00:16:19

I'm gonna be okay. I'm gonna be happy.

00:16:22

Tonight, I choose to be happy.

00:16:26

Hello? I think I put you on mute.

00:16:28

Good night, Charlie.

00:16:33

[ringtone jingles]

00:16:35

Holy shit.

00:16:38

Herb! How the hell are you, buddy?

00:16:42

Ruin any lives lately?

00:16:43

- Excuse me? - I got your message, asshole.

00:16:46

[coughs]

00:16:47

You got something to say to me,

00:16:49

you come out to Malibu and say it to my face.

00:16:51

I'll be alive tomorrow. After that, who knows?

00:16:55

[beeps off]

00:16:57

[sighs]

00:16:58

Sorry that took me so long.

00:17:00

Just wanted to look my best for you, lover.

00:17:03

Hey, um, I just got kind of a weird phone call.

00:17:08

You and me both. Hey, screw 'em all, right?

00:17:12

Yeah.

00:17:14

Are we going to gelato?

00:17:16

Princess Carolyn, what are we doing?

00:17:18

Getting gelato?

00:17:20

[sighs]

00:17:22

This was a mistake. I've been acting crazy.

00:17:26

That phone call just pulled me back to reality.

00:17:29

You were right. I don't love you.

00:17:31

You don't love me. We're just two lonely people trying to hate ourselves a little less.

00:17:36

Maybe that's all we're ever gonna be.

00:17:38

Maybe that's all we ever were.

00:17:41

Well, this night took a turn.

00:17:46

You know the worst part? I knew this was gonna happen and I let myself get excited anyway.

00:17:52

So we agree that this is on you, then?

00:18:00

I guess I'll see you around.

00:18:01

You're not even gonna give me a ride home?

00:18:04

Sorry, I think I just need to be alone right now.

00:18:07

[tires squealing]

00:18:09

[sighs]

00:18:10

Of course, of course.

00:18:12

That's what you get when you fall for a horse.

00:18:15

Taxi.

00:18:18

You got to get your shit together.

00:18:20

So yesterday, you let yourself fall in love a little bit, and you got your heart broken.

00:18:24

Serves you right for having feelings.

00:18:26

Starting now, you are a hard, heartless career gal.

00:18:29

Go to work, be awesome at it,

00:18:31

and don't waste time on foolish flights of fancy.

00:18:33

From now on, you are a robot.

00:18:35

Beep bop boop blurp bleep.

00:18:40

[cell phone vibrates]

00:18:41

- Hello. - I just want you to know I'm fine.

00:18:44

Uh-oh. People only say they're fine when they're not fine.

00:18:46

Did I hurt your feelings last night?

00:18:48

I'm an agent. I don't have feelings.

00:18:50

Well, I'm glad you called.

00:18:51

I think that you had the right idea yesterday.

00:18:53

I should be getting back to work.

00:18:54

Can you get me another job?

00:18:56

Yeah, well, I'm not your agent anymore, so, no.

00:18:58

Oh, right. Well, just tell whoever, then.

00:19:00

- Haah! -

00:19:00

[tires screech]

00:19:02

Whoa.

00:19:03

[honks horn]

00:19:05

Asshole!

00:19:08

Anyway, I'm off to Malibu to see Herb Kazzaz.

00:19:10

He has cancer, which, as you know, is a whole thing.

00:19:12

Plus, he hates me, so I could really use some good news at the end of the day.

00:19:16

Oh, my God, you're going to see Herb?

00:19:18

You must be really--

00:19:19

Nope, don't care. Not interested.

00:19:21

[phone beeps]

00:19:22

Hope you like kicking ass, Charlie, because that's all we're gonna do today.

00:19:26

My tie got stuck in the copier this morning.

00:19:29

That's great, Charlie.

00:19:30

If you flip them real quick, it looks like the tie is running.

00:19:34

Hey, Vanessa, your client, BoJack Horseman, wants a job.

00:19:37

- Good luck. - Oh, yeah, about that.

00:19:39

Gwyneth came in this morning, and I wanted to show her that she was a top priority, so I shredded BoJack's contract right in front of her. Heh heh

00:19:46

What? You just signed BoJack yesterday.

00:19:48

I say good riddance to Mr. Houseman or whatever that horse's name is.

00:19:53

It's not like he makes this company any money, and he does seem to take up an awful lot of your time.

00:19:58

I'm from Arizona, Jerry. I went to Arizona State.

00:20:01

Todd, how do I turn this thing off?

00:20:04

Todd.

00:20:05

[Todd]

00:20:05

What? I'm busy.

00:20:07

[BoJack]

00:20:07

Never mind. Think I've figured it out.

00:20:10

Now that I've got the room to myself,

00:20:13

time to practice the trombone.

00:20:15

[trombone plays]

00:20:20

He's kind of in a bad place right now.

00:20:22

You can't just drop him.

00:20:24

The best agent in this building couldn't get that guy a job.

00:20:27

The best agent in this building got him a job yesterday, and I could get him a feature by the end of today.

00:20:32

If you want to get him a movie by the end of the day, great, do that.

00:20:35

Otherwise, we are washing our hands of him.

00:20:37

Charlie, I hear NBC picked up your running tie show.

00:20:41

Congratulations.

00:20:43

[Charlie]

00:20:43

Thank you, Dad.

00:20:47

Hey, Marty, Princess Carolyn here.

00:20:50

How'd you like to work with the BoJack Horseman?

00:20:53

What's that? You hate his guts?

00:20:55

What's that? He's a talentless boob?

00:20:59

What's that? You'll never work with BoJack again?

00:21:01

What's that?

00:21:02

You want him to die in an ass factory warehouse fire, smothering to death under a pile of burning asses?

00:21:08

Well, if you change your mind, give me a call.

00:21:10

Oh, BoJack, what am I gonna do with you?

00:21:12

I don't understand why you're going through all this trouble for him.

00:21:15

That guy's dead weight, Princess Carolyn.

00:21:17

If you don't cut him loose, you're never gonna be happy.

00:21:20

Help me help you.

00:21:22

That's it. Of course.

00:21:25

Cameron Crow, you skinny bitch.

00:21:27

You know Jerry Maguire 's my favorite movie of all time?

00:21:30

All your films are so human, which is super impressive since you're a crow.

00:21:34

Well, my name is Cameron Crow, but I'm actually a raven, so common misconception.

00:21:39

- Well, whatever you are-- - A raven.

00:21:41

- I brought you this - Suffragette City ...

00:21:43

"a coming of age story about rock music, being a teenager in the '80s and buying zoos"?

00:21:50

How have I not heard of this book?

00:21:52

You'd be the perfect director to make a movie out of it, and I happen to know this is

00:21:56

Cate Blanchett's favorite book.

00:21:57

I'll bet she'll drop everything to play the part.

00:21:59

You should give her a caw.

00:22:01

Okay, I see-- Yeah. Caw is what crows say.

00:22:04

Again, I am not a crow.

00:22:06

[jazzy music]

00:22:10

Cate, listen to me, you're making a big mistake.

00:22:13

Eva Braun is your dream, remember?

00:22:15

Cate? Hello?

00:22:17

Cate!

00:22:19

Oh, no. What happened?

00:22:21

Did Cate drop out of your little Holocaust movie so she could make my little Cameron Crow movie?

00:22:26

Why don't you go home and cry about it to your loving husband and children?

00:22:30

Say, which one of you is overseeing the Eva Braun package?

00:22:34

That would be me, sir.

00:22:35

Vanessa, you really shat the bed on this one.

00:22:38

Now, are you fired? Not exactly.

00:22:40

Can you still work here? No.

00:22:42

Lenny Turteltaub here to see you.

00:22:44

Thanks, Laura.

00:22:45

So, one minute I'm making a movie with Cate Blanchett.

00:22:47

Next, I hear she's doing a picture with Cameron Crow about mix tapes.

00:22:51

As I said to Ed Porter at the premiere of The Great Train Robbery ,

00:22:54

"Aah, the train's coming right at me."

00:22:56

- What the hell is going on? - I don't know, Lenny.

00:22:58

Eva Braun was Vanessa's project.

00:23:00

All that work for nothing.

00:23:02

Now Quentin Tarantino's got four arms up my ass

00:23:04

'cause he got all excited about making a rom-com.

00:23:06

You know what would be a great romantic comedy?

00:23:08

Remember when that guy stole the D from the Hollywood sign so he could propose to his girlfriend?

00:23:12

That would make a great movie, but who would play the lead?

00:23:16

Preferably someone kind of washed up.

00:23:18

You know how much Quentin loves to revitalize dead careers.

00:23:20

It's kind of his thing.

00:23:22

Well, in that case, you know who'd be great?

00:23:24

Show me the money.

00:23:26

[cell phone vibrates]

00:23:29

- Yeah. - Good news.

00:23:31

You're back in my stable, and I got you the lead in a romantic comedy.

00:23:35

Who's the best agent in the world?

00:23:37

What?

00:23:39

I went through hell and back today, but it was worth it because I got you a job. Aren't you excited?

00:23:45

No. I don't know.

00:23:47

I don't care about that.

00:23:49

You... You said you wanted a job.

00:23:52

It doesn't matter. Nothing matters.

00:23:55

- Wow. What happened in Malibu? - I got to go.

00:23:58

[beep]

00:24:00

Need anything else?

00:24:02

No, thanks, Laura. Go home. I'll see you tomorrow.

00:24:06

Are you gonna head out soon?

00:24:07

Where else would I go?

00:24:10

[upbeat music]

00:24:19

[cell phone vibrates]

00:24:21

Happy birthday, Princess Carolyn.

00:24:24

[sighs]

00:24:24

Thanks, phone.

00:24:27

You are 40.

00:24:29

[soft music]

00:24:31

■ We were young ■

00:24:33

■ We had our heads down ■

00:24:37

■ Oh and I ■

00:24:39

00:24:45

00:24:47

Ep 8 — The Telescope

00:00:05

[BoJack]

00:00:05

Oh, right.

00:00:06

Well, just tell whoever, then.

00:00:08

- Haaah! -

00:00:08

[tires screech]

00:00:09

Ooh!

00:00:11

[honks horn]

00:00:13

- Asshole! -

00:00:13

[tires squeal]

00:00:15

Anyway, I'm off to Malibu to see Herb Kazzaz.

00:00:18

He has cancer, which, as you know, is a whole thing.

00:00:20

Plus, he hates me, so I could really use some good news at the end of the day.

00:00:24

Oh, my God. You're going to see Herb?

00:00:25

You must be really-- Nope.

00:00:28

- Don't care. Not interested. -

00:00:28

[phone beeps]

00:00:30

Okay, Good talk.

00:00:32

Hey.

00:00:35

- Ready for this? - Listen.

00:00:36

I want to make sure I don't spend any time alone with Herb.

00:00:39

I'm bringing you along as my buffer.

00:00:40

And your memoirist.

00:00:42

I should meet your old best friend before he dies of cancer.

00:00:44

Fine, I guess.

00:00:45

Just don't abandon me.

00:00:46

No bathroom breaks.

00:00:48

And don't slip out of the room to text your fiancé a bunch of winky smileys with hearts next to them-- Gross.

00:00:55

Congratulations on the whole being engaged thing,

00:00:57

- by the way. - Thanks.

00:00:58

It's just starting to hit me.

00:01:00

I'm getting married.

00:01:01

Thank God I don't have to die alone.

00:01:03

- No offense. - None taken.

00:01:04

Till you said, "No offense."

00:01:06

So what's the deal with you and this guy?

00:01:08

You never talk about him.

00:01:10

Well, I kind of, maybe stabbed him in the back.

00:01:13

Yeah, it's a bit of a story.

00:01:16

A story of power, betrayal, and ambitious hairstyles.

00:01:21

The year? 198--

00:01:22

- Movie's over. - Watch the next one.

00:01:25

Aw, I'm tired of watching movies.

00:01:28

- Do you want to play a game? - Sure.

00:01:30

I spy with my little eye someone who needs to shut the hell up.

00:01:34

- Is it me? - It's always you.

00:01:36

- Now, where was I? - You were about to tell a story about you being a shitty friend, but then, we got interrupted by you yelling at Todd.

00:01:42

Oh, yeah. Shut up, Todd.

00:01:44

[funky electronic music]

00:02:38

['80s music]

00:02:40

■ Generic '80s new wave ■

00:02:43

■ Beep, bop, beep, bop, beep, bop ■

00:02:45

■ This is a song from the '80s ■

00:02:48

■ The decade which it currently is ■

00:02:52

Why do we need a kitchen and a bathroom?

00:02:56

Pipes are pipes, people.

00:02:58

Do we really need a toilet and a sink

00:03:01

and a bathtub and-- Wait, hold on--

00:03:03

A whole 'nother room with another sink?

00:03:06

They're all just holes to the ocean, lady.

00:03:07

I mean, come on.

00:03:08

[laughs]

00:03:10

BoJack, you're late.

00:03:11

Here. I got you a beer. It's on the house.

00:03:13

Don't tell my boss.

00:03:15

Thanks, Charlotte, but one beer gets me tipsy.

00:03:17

I got to be clear-headed for my set.

00:03:18

Looks like Herb's killing.

00:03:20

Yeah, and the suits from ABC are here.

00:03:22

[laughter]

00:03:23

Look. They're nodding.

00:03:25

That's the executive version of laughing.

00:03:26

Wow. They must be serious about Herb.

00:03:29

That's Angela Diaz.

00:03:31

She's the woman who made pantsuits a thing.

00:03:33

Oh, before I forget.

00:03:34

Herb and I are gonna see

00:03:36

Back to the Future again this weekend.

00:03:37

- Want to come? - I'm in.

00:03:38

That movie was amazing, except for all the lame time period jokes.

00:03:41

We get it. The '50s were different.

00:03:43

I'll have a New Coke, please.

00:03:45

Listen, you guys don't need to include me on your dates.

00:03:48

Sometimes, it makes me feel like a third wheel.

00:03:50

BoJack, stop.

00:03:51

Without the third wheel,

00:03:53

how would you ride a tricycle?

00:03:54

Wouldn't that make it a bicycle?

00:03:56

Herb Kazzaz, ladies and gentlemen.

00:03:57

[applause]

00:03:58

- Hey-ooh! - Great set, man.

00:04:00

It's like everything you said was something

00:04:01

I've thought before but never had the balls to say.

00:04:04

Thanks, BJ. I set 'em up.

00:04:05

Now, you knock 'em down.

00:04:07

Let's give it up for BoJack Horseman.

00:04:09

[applause]

00:04:09

- Well, thank you, Bubbles.

00:04:12

I love L.A. Don't you guys?

00:04:14

The prettiest girls in the world flock to this city, and they end up with total knobs.

00:04:18

Take this couple, for example.

00:04:20

[laughter]

00:04:21

Excuse me, miss. Is that your date?

00:04:23

He's my husband.

00:04:24

That's your husband? You can do better.

00:04:26

Give me a call after the show.

00:04:28

[laughter]

00:04:28

- I'm just kidding around.

00:04:31

[whispers]

00:04:31

I'm not kidding around.

00:04:33

[laughter]

00:04:36

Ugh.

00:04:38

Maker's Manhattan? 2:00 P.M.?

00:04:39

Not judging.

00:04:41

That guy tipped me a quarter.

00:04:43

That's barely enough money to buy three gallons of gas.

00:04:45

- You want a slug? - No, I got to stay sharp.

00:04:47

I got another audition this afternoon.

00:04:49

God, I can't wait till I'm finally up

00:04:51

for real jobs instead of these dumb commercials.

00:04:53

"Here's the thing about most long-distance plans."

00:04:56

Ugh. I hate when people say that.

00:04:58

- "Here's the thing." - It's so stupid.

00:05:00

Just say the thing.

00:05:02

You don't need to introduce the concept that there's going to be a thing.

00:05:06

I don't expect to be offered Secretariat right away, but when am I gonna be up for real roles?

00:05:11

We'll get there, BJ. We both will.

00:05:13

In fact, if I play my cards right,

00:05:15

I might get there real soon.

00:05:16

Wait.

00:05:17

- Did the guys from ABC call? - Uh-huh.

00:05:19

They invited me to some hotshot event at LACMA this weekend.

00:05:23

I'm gonna pitch 'em a TV show while they're drunk.

00:05:26
An off-the-clock, non-work-related social event?

00:05:29
That's the perfect time to pitch a TV show.

00:05:31
You're brilliant.

00:05:32
These people are so fancy.

00:05:34
Look, look, look. Hey, hey, look.

00:05:35
That's Joyce DeWitt, isn't it?

00:05:37
That's Joyce DeWitt. And that's Angela Diaz.

00:05:39
And that's Ubu, the guy who sits.

00:05:41
- He is a good dog. -

00:05:41
[Ubu barks]

00:05:44
Guys, don't take your eyes off the prize.

00:05:46
We need to fill Charlotte's bag with these mini quiches.

00:05:48
This is our breakfast for June.

00:05:50
- Herb Kazzaz. - Shit, we're busted.

00:05:51
[plate shatters]

00:05:51
- Pretend you don't speak English.

00:05:53
Buongiorno. Bon Jovi.

00:05:55
Salutations. Crap, that's English.

00:05:57
Hey, you mind if I steal this superstar for a second?

00:05:59
Okay, yeah. I'll catch you two later.

00:06:01
Stay out of trouble. Oh, ho.

00:06:02
Well, there he goes.

00:06:04
Herb's about to hit the big time, and I'm just gonna be a small-fry doing tiny commercials and eating mini quiches.

00:06:09
You're dead wrong.

00:06:10
You're gonna be a big success.

00:06:12
Herb says that to me all the time.

00:06:13
- He thinks the world of you. - He does?

00:06:16
Yeah, I'm not worried about if you'll become a star.

00:06:18
I'm more worried about how you'll change when it happens.

00:06:21
Like, you think I'll get fat?

00:06:22
No, that's not what I'm talking about.

00:06:25
So you're saying I definitely

00:06:26
- won't get fat? - No.

00:06:27

Well, make up your mind, lady.

00:06:28
Look over there. See those tar pits?

00:06:31
Hollywood's a real pretty town that's smack on top of all that black tar.

00:06:35
By the time you realize you're sinking, it's too late.

00:06:38
Wait, is this a science lesson?

00:06:40
No, BoJack, it's a metaphor.

00:06:42
- Ugh, that's worse. - BoJack, I'm moving to Maine.

00:06:45
Whoa, whoa, whoa. Really?

00:06:46
- Does Herb know? - Yeah.

00:06:49
I don't think I'm the person Herb's looking for.

00:06:51
I'm going to miss you, Charlotte.

00:06:53
Hey, do you ever wonder what would have happened if you'd met me before Herb did?

00:06:58
Would you have made a move on me?

00:06:59
- Charlotte-- - I don't think you would have.

00:07:01
You know why?

00:07:03
I think you're a coward.

00:07:05
Now go stuff some prosciutto in your pants before that Webster kid takes it all.

00:07:08
[upbeat music]

00:07:10
[Herb]

00:07:10
I love this town.

00:07:13
Why did you bring me to Griffith Park?

00:07:15
Are we gonna get in a knife fight like in Rebel Without a Cause?

00:07:18
- I hate that title. - He had several causes.

00:07:20
I wanted to give you this.

00:07:22
Look out at that city.

00:07:24
What do you see?

00:07:25
Wow, I didn't realize there were so many day hookers.

00:07:28
I see a city that you and I will run someday, and when we're both famous and have everything we've ever wanted, we'll come back here together and high five.

00:07:37
I'm not fully on board with this new high five thing.

00:07:39
What ever happened to the low five?

00:07:41
Give me some skin.

00:07:43

BJ, listen. I got a call from ABC today.

00:07:45

They bought my TV pitch.

00:07:46

What? That's amazing.

00:07:48

- What's the show? - It's called Horsin' Around.

00:07:52

Well, good luck on your rocket ship to the top without me.

00:07:55

No, BoJack, the show's about a horse, and I told those suits if they want my show, then that horse is gonna be BJ Goddamn Horseman.

00:08:02

- Oh, my God. - And they said, "No."

00:08:04

- Oh. - And I said, "Please?"

00:08:06

And they said, "Okay."

00:08:07

So, what do you say?

00:08:09

- Want to be my star? - Seriously?

00:08:11

Of course I do. Of course, Herb.

00:08:13

Jesus Christ, thank you.

00:08:15

Mm-hmm-- Whoa, whoa.

00:08:17

I think you got the wrong idea here.

00:08:18

- Yeah, no, man. Whoa. - Herb, I'm not--

00:08:20

Me either. No, I just-- You know,

00:08:22

- I caught up in the moment. - Yeah, no, I gotcha.

00:08:25

BJ, can you believe it?

00:08:26

We're gonna make an actual TV show!

00:08:29

One that takes an unflinching look at the gritty reality of the American family.

00:08:35

Just kidding. Let's get rich!

00:08:37

[both]

00:08:37

Yeah.

00:08:38

[rock music]

00:08:40

■ Generic '90s grunge song ■

00:08:42

■ Everyone in flannel ■

00:08:45

■ Generic '90s grunge song ■

00:08:48

■ Something from Seattle ■

00:08:52

Why would I say, "You'll never get me in that sweater" in this scene and then, in the very next scene,

00:08:58

I'm wearing the sweater?

00:08:59

Did my character suddenly forget that he didn't want to wear the sweater?

00:09:03

No, see, that's actually the joke.

00:09:04

Don't explain the joke to me.

00:09:05

I just don't understand how it's a joke.

00:09:07

So you do want me to explain it to you?

00:09:09

I want you to add a scene showing how I changed my mind about the sweater so the goddamn episode makes sense.

00:09:14

Look at me, doing your job for you.

00:09:16

Way to go, Shakespeare.

00:09:17

BJ, you're doing the scene as written.

00:09:19

What happened to the stories I requested?

00:09:22

Where's my rap? You said you'd write me a rap.

00:09:24

We're working on it.

00:09:26

We just need a rhyme for "and I'm here to say."

00:09:28

Well, what about giving me Rollerblades?

00:09:29

How are people gonna know that my character is hip if he doesn't roll the blade?

00:09:33

Just get out there and do your job.

00:09:35

Every one of your ideas is stupid or racist.

00:09:37

That was one pitch, and I didn't say they're all thieves.

00:09:40

But if you're too scared to start a national dialogue, maybe I'll take my ideas home.

00:09:44

Good luck making Horsin' Around without the horse.

00:09:46

BoJack, hon.

00:09:48

That audience out there traveled from all over the country just to taste some of your magic.

00:09:53

Do you really want to disappoint them?

00:09:54

[sighs]

00:09:54

Okay, Sharona.

00:09:56

I'll go out and jerk this limp script until it gets hard, but I'm not doing it for Herb.

00:10:02

I'm doing it for the fans.

00:10:03

And your 30K an episode.

00:10:05

[announcer]

00:10:05

Let's give it up for BoJack Horseman!

00:10:07

And there better be some Zimas in my dressing room after the show.

00:10:11

[cheers and applause]

00:10:14

Wait a minute. This isn't the bar.

00:10:16

I got to fire my assistant.

00:10:18

[laughter]

00:10:20

You guys sound like you're ready for a show.

00:10:22

[rock music]

00:10:24

Oh, gross. Why do I keep trying to like Zima?

00:10:26

[phone rings]

00:10:28

- Talk to me, world. - BoJack, it's Princess Carolyn.

00:10:31

How are you doing today?

00:10:32

Well, I'll tell you my problem.

00:10:34

- I just keep getting handsomer. -

00:10:34

[laughs]

00:10:36

Good problems to have.

00:10:38

Hold for a sec.

00:10:39

I've got your agent on the line.

00:10:40

[Marv]

00:10:40

BoJack Goddamn Horseface.

00:10:43

I got some news so good, you'll goddamn kiss me.

00:10:48

Put it here. Put it here.

00:10:49

What's the role you've been dying to play your whole life, besides Kathy Ireland's bathing suit?

00:10:55

Ha-ha. She is attractive.

00:10:58

Good God, when I die, bury me in Kathy Ireland.

00:11:03

Uh, Marv? Marv?

00:11:05

What's the big news?

00:11:07

Secretariat!

00:11:08

It's happening, and it's down to you and Val Kilmer for the title role.

00:11:14

That's amazing.

00:11:15

Thank you. Thank you.

00:11:16

Now, listen.

00:11:18

I don't want to see you in any more tabloids.

00:11:20

Keep your head down and your nose clean.

00:11:23

Now, I gotta go.

00:11:24

I got a lunch with MC Skat Kat.

00:11:29

[man on TV]

00:11:29

Scandal breaking today

00:11:31

surrounding the family sitcom, Horsin' Around.

00:11:33

Oh, God. What did I do this time?

00:11:35

Herb Kazzaz, the show's creator,

00:11:37

was caught tonight in an LAPD sting

00:11:40

- on public indecency. - Wha--

00:11:42

Police say Mr. Kazzaz was caught in the middle

00:11:43

of lewd acts with another man.

00:11:45

Conservative groups have been quick to organize.

00:11:48

Horsin' Around is a show for kids.

00:11:50

My family should be able to watch those nubile preteens

00:11:53

without men like perv Kazzaz flaunting

00:11:55

their alternative lifestyles and ruining America.

00:11:58

Sheeeiiiit.

00:12:06

BoJack, I gotta tell ya.

00:12:08

- I'm gay. - No doy.

00:12:10

I know we haven't been close for the past couple years.

00:12:14

Okay, I'm gonna hold back my "No doys" because there might be a lot.

00:12:16

But you know me, right?

00:12:18

You know that I'm a good guy.

00:12:19

They're gunning for me at the network, and if I get kicked off this, I won't recover.

00:12:24

I need to know that you've got my back.

00:12:25

If you threaten to walk, they'll listen to you.

00:12:28

Herb, you picked the worst possible time to--

00:12:31

Hey, you know I wouldn't ask if I didn't need it.

00:12:34

Come on, BoJack.

00:12:36

How'd we get so far apart, huh?

00:12:38

[sighs]

00:12:40

You know what? You can count on me, Herb.

00:12:43

I mean, I wouldn't even be here if it weren't for you.

00:12:45

I knew it! I knew you'd come through.

00:12:48

And when this is all over, we're going to drive back up to Griffith Park.

00:12:51

I still owe you that high five, right?

00:12:54

Hey, this is a dumb question, but do you guys ever, like, all link up together and do, like, a party train or a fun circle?

00:12:59

'Cause I feel like I'd be doing that all the--

00:13:01

Never mind. Stupid question.

00:13:02

Feel stupid for asking that.

00:13:04

[crowd shouting]

00:13:04

[barking]

00:13:07

Go right ahead.

00:13:09

And then it goes, "I like healthy gums in a major way."

00:13:12

See, that's what I'm talking about.

00:13:14

That's great.

00:13:15

We just gotta make sure that we work in the phrase

00:13:17

"toothbrush rap" early, so they know I'm rapping.

00:13:22

BoJack, can we chat for a second?

00:13:25

Ugh. Here we go. It's the big one.

00:13:29

I'm not gonna waste your time with small talk because you work for me, and your time is my time.

00:13:34

We're letting Herb go.

00:13:35

- You can't do that. - "I can't do that."

00:13:37

I'm not asking you. It's nothing personal.

00:13:39

I like Herb. I think he's a good guy.

00:13:41

But this is a business, and every day we don't fire him, we're flushing money

00:13:44

- down the crapper. - Well, if he goes, I go.

00:13:46

"Well, if he goes, you go." I wouldn't do that.

00:13:47

BoJack, I think you're a star, and sometimes being a star means making tough choices.

00:13:52

You can storm out, make a big show out of what a "good" friend you are, or you could be the guy who does his job.

00:13:58

- Angela-- - I'll tell you when it's your turn to talk again.

00:14:01

Look, you're a star, but this is really just the beginning of the BoJack Horseman story.

00:14:05

You can choose whatever path you want, but I'll tell you right now.

00:14:09

You don't win awards and you don't get to be on the covers of magazines and you don't get to play the lead role in the Secretariat movie by being a good friend.

00:14:18

What's that old expression about how the show must go on?

00:14:20

Oh, right. It's "Don't be an idiot."

00:14:23

So what do you think, BoJack? That's a courtesy question.

00:14:26

I already know what you think because I have conversations like this one five times a day.

00:14:31

I know who you are, and I know you've already made your decision.

00:14:34

But if you want to surprise me, now's the time to do it.

00:14:37

That's what I thought.

00:14:39

You're doing the right thing. I know it's hard.

00:14:41

But if Herb's really your friend, he'll understand.

00:14:43

Now, you've got a show to put on, so I'll let you get ready.

00:14:46

This was a good conversation. Productive.

00:14:49

If you're lucky, I'll never talk to you again.

00:14:52

[cup thuds]

00:14:54

[sighs]

00:14:57

[announcer]

00:14:57

You folks ready for a show?

00:14:59

[audience cheering]

00:15:00

'Cause I think a certain someone might show up any second.

00:15:04

[applause]

00:15:08

[sighs]

00:15:11

[cheers and applause]

00:15:11

- Wait a minute.

00:15:13

This isn't the bar.

00:15:14

I gotta fire my assistant.

00:15:16

[laughter]

00:15:20

So what ended up happening with Secretariat?

00:15:23

Went into turnaround.

00:15:25

I don't totally know what "turnaround" means,

00:15:26

- but they never made the movie. - Whoa.

00:15:29

This house is way bigger than yours.

00:15:32

Herb's done really well for a guy you kicked over.

00:15:35

- Oh, no. Ah. - That's enough out of you.

00:15:37
Stay out here and turn this car around in case we need to leave in a hurry.

00:15:40
Hooray. A task.

00:15:42
[doorbell rings]

00:15:44
[sighs]

00:15:45
[coughs]

00:15:47
BoJack! Well.

00:15:49
Jesus, you look shitty.

00:15:51
Have you been eating your guilt this whole time?

00:15:53
[all laugh]

00:15:57
Yeah, you don't look so hot yourself, Herb.

00:15:59
I have cancer.

00:16:02
And hello. Who's this stunning creature?

00:16:04
And what string of bad decisions has placed you in BoJack's orbit?

00:16:08
- Uh-- - This is Diane.

00:16:09
She's writing a book about me.

00:16:11
Pleasure to meet you.

00:16:12
Is your book called, Portrait of an Asshole?

00:16:15
[laughs]

00:16:15
I kid.

00:16:16
It's funny, because he ruined my life.

00:16:18
I joke. It's what I do.

00:16:20
Please, come in.

00:16:21
You're letting out all the cancer.

00:16:22
Ha ha ha ha ha ha!

00:16:23
[forced laugh]

00:16:25
Ha ha...

00:16:26
Almost. Ah...

00:16:28
Almost there.

00:16:30
Come on... ah.

00:16:32
- Oh, thanks. Thanks. -

00:16:32
[bear growls]

00:16:35
BoJack, how are your utensils?

00:16:38
- Uh, they're fine. - Are you sure?

00:16:39
Because if that knife ain't sharp enough,

00:16:41
I got another that you left in my back 20 years ago.

00:16:44
[laughs]

00:16:44
- Could have seen that coming.

00:16:46
Who asks about utensils?

00:16:47
I'm gonna go to the bathroom.

00:16:48
Nope. No, you are not.

00:16:50
Uh.

00:16:52
Oh. Ow. Almost.

00:16:54
[exciting music]

00:16:56
- Drive, drive, drive! - Oh. Oh, no.

00:16:58
I can't turn the car around.

00:16:59
I've been trying to do this three-point turn forever.

00:17:02
I mean, it's more like a 300-point turn.

00:17:04
- Am I right, huh? - Hee hee hee hee!

00:17:06
Hey, we've got two sacks of Kardashian swag and the fuzz on our heels.

00:17:09
You think this is Driver's Ed, you hat-wearing pussy?

00:17:12
Drive the goddamn car!

00:17:15
[coughs]

00:17:19
Hey, Herb, is that your Vitamix?

00:17:22
BoJack has one, too.

00:17:23
I wonder if you guys have strong opinions about it one way or the other.

00:17:28
Well, the stupid thing was like 600 bucks.

00:17:29
I have used mine a grand total of zero times.

00:17:31
I got it a month before I was diagnosed with cancer.

00:17:34
I don't give a shit about being healthy anymore.

00:17:36
I don't even have cancer, and I don't use it.

00:17:37
- So who's it for? - Exactly.

00:17:39
What is so great about liquids?

00:17:41
Every article I read now is "juice this" and "juice that."

00:17:44
You know why? Juice controls the media.

00:17:46
- Hey-ooh. -

00:17:46
[both laugh]

00:17:49
Can't this thing go any faster?

00:17:51
Uh, I'm going as fast as I can.

00:17:54
[tires squealing]

00:17:56
Do you want me to get out? Try to guide you?

00:17:58
No, I think I'm almost there.

00:17:59
You're doing a great job.

00:18:01
Kenzie, stop talking to him.

00:18:03
Why? He's being nice.

00:18:05
Remember the number one rule of the Celebrity Stealing Club--

00:18:08
- "No falling in love." - Ugh.

00:18:10
That's your rule for every club.

00:18:12
It's a good rule.

00:18:14
Whoa. Whoa, guys.

00:18:16
I'm sensing a lot of hostility here.

00:18:18
Maybe we should take our masks off and actually talk.

00:18:22
You want me to take my mask off? Fine.

00:18:25
Happy? I took my mask off.

00:18:27
Did you?

00:18:28
Because I think you're still wearing a mask.

00:18:32
[both]

00:18:32
Oh.

00:18:34
Oh, my God, Herb, you met President Clinton?

00:18:37
Oh, yeah. Many times.

00:18:38
Did you think that I spent the last 20 years on my couch just feeling sorry for myself?

00:18:41
I mean, I did do that, but I also started...

00:18:44
[coughs]

00:18:44
a charity to bring clean water to millions of children in Sub-Saharan Africa.

00:18:48
Oh, wow.

00:18:49
I presented at the Teen Choice Awards.

00:18:51
Wait, is that Charlotte?

00:18:53
Yeah, yeah. We kept in touch.

00:18:54
You should actually give her a call.

00:18:56
I'm sure she'd love to hear from you.

00:18:57
She looks good for someone so old.

00:18:59
She's three years younger than you.

00:19:00
- Exactly! -

00:19:00
[laughs]

00:19:02
[coughs]

00:19:02
- Er?

00:19:04
Well, guys, I'm pretty beat.

00:19:06
I think I need to head off to bed, and I hope I actually wake up later.

00:19:09
[coughs]

00:19:11
And it was actually nice to see you, BoJack.

00:19:15
You can see yourselves out.

00:19:16
[chuckling]

00:19:18
"Juice controls the media."

00:19:20
[chuckling]

00:19:20
I love it.

00:19:24
So I guess in a sense

00:19:26
I'm running away from the cops, but I feel like in another, truer sense,

00:19:30
I'm running away from myself.

00:19:33
- Truth. Truth. - Whoa.

00:19:35
Kenzie, do you have anything to share?

00:19:37
Just how amazing it feels to finally be honest for once.

00:19:40
I could live a million lives, and I'd never forget this one afternoon.

00:19:44
Word.

00:19:45
You know, I act all cool and sophisticated on the outside, but on the inside, I'm just Todd, you know?

00:19:52
But thanks to you guys, I think I'm finally

00:19:54
- ready to let my guard down. - Do you hear that?

00:19:55
- He's letting his guard down. - Let's get him!

00:19:58
[grunts]

00:19:58
- Oh!

00:19:59
[both]

00:19:59
Celebrity stealing club strikes again.

00:20:01
[upbeat music]

00:20:06
This-- This just doesn't feel right.

00:20:09
I should have brought a bottle of wine.

00:20:11

That's what adults do. BoJack, damn it.

00:20:13

Is that what's bothering you,

00:20:15

- that you didn't bring wine? - You're right.

00:20:17

I just would have drunk it on the way here.

00:20:19

This isn't about wine, BoJack.

00:20:21

If you have something you need to say to someone, you should do it while you have the chance because before you know it, it'll be too late.

00:20:29

Is this one of those things where we're talking about Herb but we're actually talking about something else?

00:20:33

- No, I was talking about Herb. - Okay, good. Yeah, me, too.

00:20:36

[cheerfully]

00:20:36

Hey, buddy!

00:20:39

You come back for that Vitamix, you--

00:20:41

[coughs]

00:20:43

Ooh, you should get that looked at.

00:20:45

Yeah. I've been meaning to see a doctor.

00:20:47

Hey, I wanted to talk to you about... you know.

00:20:51

I feel bad about what happened.

00:20:55

So you're apologizing.

00:20:57

Yes. I'm sorry.

00:21:00

Okay. I don't forgive you.

00:21:02

Herb, I said I'm sorry.

00:21:03

Yeah, and I do not forgive you.

00:21:06

Uh... not sure you get what's happening here.

00:21:09

This could be the last time that you--

00:21:11

No. I'm not gonna give you closure.

00:21:14

You don't get that.

00:21:15

[coughs]

00:21:15

You have to live with the shitty thing you did for the rest of your life.

00:21:20

You have to know that it's never, ever going to be okay.

00:21:23

I really think that we'd both

00:21:25

- feel better if we just-- - I'm dying.

00:21:27

I'm not gonna feel better, and I'm not gonna be your prop so you can feel better.

00:21:31

You have to believe me.

00:21:33

- I did everything I could. - Yeah?

00:21:34

Then why didn't you call me? Huh?

00:21:37

20 years-- You didn't call me.

00:21:39

Look, I-- I wanted to, but I didn't think--

00:21:42

You know what it was like for me?

00:21:43

I had nobody. Everybody left.

00:21:45

I knew all those showbiz phonies would turn on me.

00:21:47

Sure. But you?

00:21:48

It's not my fault you got fired.

00:21:50

I don't care about the job!

00:21:52

I did fine. I had a good life.

00:21:55

But what I needed then was a friend, and you abandoned me.

00:21:59

And I will never forgive you for that.

00:22:03

Now, get the fuck out of my house.

00:22:06

I--

00:22:08

[sighs]

00:22:12

Hey, this is a dumb question, but the gay thing and the rectal cancer thing aren't related, are they?

00:22:16

- Get out of here! - Never mind.

00:22:17

Stupid question. Forget I brought it up.

00:22:19

- Huh. - Hey, BJ.

00:22:22

- Put that back, asshole! - No, you gave this to me.

00:22:24

[growls]

00:22:24

- No!

00:22:26

[both grunting]

00:22:28

[Diane]

00:22:28

BoJack?

00:22:30

What are you doing? Get off him.

00:22:33

The show was never the same after I left. Admit it.

00:22:35

Some people prefer the later years.

00:22:39

[growling]

00:22:39

- BoJack. Come on.

00:22:41

[panting]

00:22:41

- Thank you for inviting us.

00:22:44

You have a lovely home.

00:22:46

You know what your problem is?

00:22:48

You want to think of yourself as the good guy.

00:22:50

Well, I know you better than anyone, and I can tell you that you're not.

00:22:54

In fact, you'd probably sleep a lot better at night if you just admitted to yourself that you're a selfish goddamn coward who takes whatever he wants and doesn't give a shit about who he hurts.

00:23:06

That's you. That's BoJack Horseman.

00:23:10

I don't know why I came here.

00:23:13

Yeah. You do.

00:23:16

[engine revs, tires screech]

00:23:18

[Princess Carolyn]

00:23:18

You said you wanted a job.

00:23:21

It doesn't matter. Nothing matters.

00:23:24

Wow. What happened in Malibu?

00:23:26

- I gotta go. -

00:23:26

[phone beeps]

00:23:28

Hey, bright side.

00:23:30

At least now you have a good story to tell at his funeral.

00:23:34

Ugh, God.

00:23:48

I'm not trying to kill the vibe here, but I've had to pee for, like, three hours.

00:23:53

[sighs]

00:23:55

Look, I won't put what happened today in the book if you don't want me to.

00:23:58

No, it's okay.

00:23:59

Full truth like we agreed.

00:24:01

Warts and all.

00:24:03

It doesn't matter anyway.

00:24:04

I don't even care what anybody thinks anymore.

00:24:06

Well, for what it's worth,

00:24:08

I think it took a lot of guts to do what you did back there.

00:24:11

[water lapping]

00:24:14

- Mmm-- - Mm!

00:24:18

[melancholy music]

00:24:32

■ Back in the '90s ■

00:24:34

■ I was in a very famous TV show ■

00:24:42

- ■ I'm BoJack the horse ■ - ■ BoJack ■

00:24:43

■ BoJack the horse ■

00:24:45

■ Don't act like you don't know ■

00:24:51

■ And I'm trying to hold on to my past ■

00:24:55

■ It's been so long ■

00:24:57

■ I don't think I'm gonna last ■

00:25:00

■ I guess I'll just try ■

00:25:01

■ And make you understand ■

00:25:04

■ That I'm more horse than a man ■

00:25:08

■ Or I'm more man than a horse ■

00:25:13

■ BoJack ■

00:25:19

It's a Kazzaz-trophe.

Ep 9 — Horse Majeure

00:00:12
[seatbelt clicks]

00:00:12
[clears throat]

00:00:14
[engine turns]

00:00:16
So... should we talk about how you just tried to kiss me?

00:00:20
No, I don't think we need to talk about that.

00:00:22
Yeah, you're right. What's to talk about, right?

00:00:25
We're f-friends, right?

00:00:27
- Oh, yeah, totally. - Yeah, friends.

00:00:29
And I think it's important that we stay friends.

00:00:32
Yeah, I agree.

00:00:33
And be friends with each other.

00:00:36
- Yeah, friends. - And also to each other.

00:00:39
Plus, hey, you're getting married.

00:00:41
That's right. Next summer.

00:00:42
Nantucket is great in the summer.

00:00:44
Not like L.A., which is so hot and dry.

00:00:47
[laughs]

00:00:47
- It is arid.

00:00:49
[brakes squeak]

00:00:51
Well... see you later!

00:00:52
We're still a few miles--

00:00:53
I'll walk. It's a beautiful night.

00:00:55
[horn honks, tires screech]

00:00:55
- Ah! Sorry, sorry!

00:00:58
Shit.

00:01:00
Todd, we gotta stop this wedding.

00:01:02
Todd?

00:01:04
Aw, crap. I left him in Malibu.

00:01:06
[tires squeal]

00:01:06
[car horn honking]

00:01:09
[funky electronic music]

00:02:03
But wait, doesn't Diane want to marry Mr. Peanutbutter?

00:02:06
No, see, she thinks she does, but she actually doesn't.

00:02:10

That's why we need to be good friends right now,

00:02:12
and put our own feelings aside

00:02:14
and sabotage our friend's engagement.

00:02:17
Oh...

00:02:18
- Wait? What? - Oh.

00:02:19
I got here as soon as I could. What's the emergency?

00:02:22
We got to figure out a way to stop Diane's wedding.

00:02:24
[clears throat]

00:02:24
Okay.

00:02:25
So when you woke me up in the middle of the night

00:02:27
and told me to rush over here because of an "emergency,"

00:02:29
the emergency you were referring to

00:02:32
was Diane getting married a year from now?

00:02:34
- Yeah, you got any ideas? - I'm done.

00:02:36
I'm not going to waste another thought on you.

00:02:38
I am at a bar. It's the weekend.

00:02:40
I'm gonna enjoy myself.

00:02:42
Look, if you don't have any ideas,

00:02:44
just say you don't have any ideas.

00:02:45
Yoo-hoo! Buy me a drink.

00:02:47
Uh, okay.

00:02:49
What's your name, stud?

00:02:51
Vincent.

00:02:52
Adult... man.

00:02:55
Vincent Adultman.

00:02:57
Ya hear that, BoJack?

00:02:58
Vincent is an adult, and I'll bet he knows how to treat a lady.

00:03:02
He very clearly isn't and doesn't.

00:03:04
Would you like alcohol?

00:03:06
I certainly would,

00:03:07
you sophisticated smooth talker.

00:03:10
Mmm! Tell me all about you .

00:03:12
Mm...

00:03:13
I like business... transactions.

00:03:17

[laughs]

00:03:19

Are you seriously trying to make me jealous by flirting with what is very obviously just three kids stacked on top

00:03:24

of each other under a trench coat?

00:03:26

Vinnie, what does a guy like you do for fun?

00:03:28

I don't have time for these shenanigans.

00:03:29

I got a wedding to shanghai.

00:03:31

Good luck with your business transactions.

00:03:32

- Thanks. -

00:03:32

[grunts]

00:03:32

Ugh!

00:03:35

[laughs]

00:03:35

Officer.

00:03:36

The mail truck pulled up right next to me.

00:03:38

I got a bad vibe. What was I supposed to do?

00:03:41

Not chase the mail truck?

00:03:42

Mr. Peanutbutter, I'm a big fan, so I'm gonna let you off with a warning this time.

00:03:47

[rap music]

00:03:49

■ Dangerous ■

00:03:50

- ■ Come on ■ - ■ Dangerous ■

00:03:52

- Aah! - Mr. Peanutbutter!

00:03:53

[siren wails]

00:03:53

[Mr. Peanutbutter barking]

00:03:56

[sips]

00:03:58

[table rattles]

00:04:00

Hey, honeysuckle. Great news.

00:04:02

I got to ride in a police car.

00:04:04

Bad news-- I lost my driver's license.

00:04:07

Let me guess.

00:04:08

Were you chasing the mailman again?

00:04:10

Yeah, why? Did you see him out there too?

00:04:11

[flowers voice]

00:04:11

Nothing stops them.

00:04:13

Not rain, not sleet, not dead of night, not gates!

00:04:13

[dramatic music]

00:04:17

Anyway, I need a little favor.

00:04:19

Can you... drive me everywhere I need to go for the next three months?

00:04:23

I really can't, sweetheart. I'm super busy.

00:04:25

Oh, you're working on our wedding registry.

00:04:28

- I'm writing my book. - Right.

00:04:30

But don't forget about the registry.

00:04:32

Mr. Peanutbutter, you know I love you.

00:04:34

And you know I am really excited about getting married, but right now I'm working, and I have a lot of thoughts in my head, and I can't really think about our wedding or the future or me being married to you.

00:04:43

Okay. What's going on?

00:04:45

Talk to me like I'm Michelle Pfeiffer in the Coolio video.

00:04:47

Just-- Well, um... with the leg--

00:04:50

Hmm, all right.

00:04:51

And Coolio.

00:04:52

Nothing's going on.

00:04:54

It's just that this wedding is kind of starting to feel like a lot.

00:04:57

Honey, relax. Getting married is easy.

00:05:00

I mean, I've already done it twice.

00:05:02

It's fine. I'm sorry.

00:05:03

I just... need to focus on the book right now.

00:05:06

So that's still a no on driving me around?

00:05:09

- Why don't you hire a driver? - Eh-eh-eh-deh--

00:05:11

Is there a light bulb above my head?

00:05:13

Because while you were talking, I just got an amazing idea.

00:05:16

I should hire a driver!

00:05:18

Oh, this will be a romp.

00:05:20

[laughs]

00:05:20

If I know me, this will be a romp.

00:05:27

I'm not sure how I feel about breaking and entering, BoJack.

00:05:30

Well, that's the beauty part.

00:05:32

The B&E is really the least illegal piece of this 12-point master plan.

00:05:36

- Have you got your tool kit? - Check.

00:05:38

- Burner phone? - Check.

00:05:39

- Cyanide capsule? - Check.

00:05:40

Wait, why do we need--

00:05:41

Okay, let's get started.

00:05:42

Step one: Enter the study.

00:05:47

[glass shatters]

00:05:51

Step two: Plant incriminating--

00:05:53

- Hello? Todd? - Uh...

00:05:56

- Hi, Mr. Peanutbutter. - Take the cyanide, Todd.

00:05:59

Take the cyanide!

00:06:00

[panting]

00:06:02

And hup. Hup.

00:06:03

And hup-- No.

00:06:05

Are you here to interview to be my driver?

00:06:07

Um... yes, I am.

00:06:10

Brilliant.

00:06:11

I didn't even post the ad yet.

00:06:12

Here's me thinking destiny over here.

00:06:15

And hup. Yeah!

00:06:16

Hu-aah!

00:06:16

[crash]

00:06:17

[car alarm blares]

00:06:18

[car alarm chirps]

00:06:20

Thank you for your interest in the role of driver.

00:06:22

I know you don't have your resume with you, so I've taken the liberty of letting you use mine.

00:06:27

Yeah, thanks.

00:06:28

Here, business boss.

00:06:30

Let's just have a look here. Mm-hmm.

00:06:32

Oh, ho, with a resume like this, you should be the one hiring a driver.

00:06:36

[laughs]

00:06:36

Just kidding.

00:06:37

I know it's my resume.

00:06:39

But I see you went to Northwestern.

00:06:40

You know, I'm an N.U. man myself.

00:06:42

Go, fighting Westerns.

00:06:44

And it says here you do a great Rodney Dangerfield impression.

00:06:47

Give us a taste.

00:06:48

Uh, okay.

00:06:50

"I'm Roger Dangerfield."

00:06:52

[laughs]

00:06:52

No respect, indeed.

00:06:54

Todd, you got the job.

00:06:58

Oh.

00:06:59

Can you believe this weather we're having?

00:07:01

No, I cannot believe this weather we're having!

00:07:04

[laughs]

00:07:06

Oh, wow. We make a great pair.

00:07:08

It's like I'm Miss Daisy, and you're Minnie Driver.

00:07:12

[lawn mower rattling]

00:07:15

[phone beeps]

00:07:15

- Hey, I'm bored.

00:07:16

And I think Todd swallowed a cyanide pill and might be dead.

00:07:19

Wanna come over and bang it out?

00:07:21

Appealing as that sounds,

00:07:22

I have lunch plans with Vincent.

00:07:24

I know that might be hard for you to hear.

00:07:26

Wait, that guy from the bar who is actually three boys stacked on top of each other under a trench coat?

00:07:31

Well, don't fly into a jealous rage about it.

00:07:33

Not jealous.

00:07:34

Just reminding you that you are trying to have a relationship with someone who is-- and again, it's bizarre

00:07:38

I should have to point this out-- three young boys

00:07:40

stacked on top of each other under a trench coat.

00:07:42

He listens to me.

00:07:45

Okay, okay, but can you just acknowledge that--

00:07:46

- That you are being jealous? - Oh, oh!

00:07:48

[glass shatters]

00:07:48

- Already acknowledged.

00:07:49

- Toodles. -

00:07:49

[phone beeps]

00:07:50

- Look who's not dead. - Better than not dead.

00:07:53

You are looking at Mr. Peanutbutter's new driver.

00:07:56

You're his driver? That's perfect.

00:07:58

Now you can infiltrate Mr. Peanutbutter's inner circle.

00:08:01

I don't know, BoJack.

00:08:03

Sure, you'll act all friendly, gain his trust, chauffeur him around on his little errands to the groomer and whatnot, but all the while, you'll be studying him, scouring out his weaknesses, biding your time till we're ready to strike.

00:08:15

And once you zero in on his Achilles' heel, we will take... him... down.

00:08:22

Hooray. Betrayal.

00:08:26

[warbling]

00:08:29

Oh, man. Oh, man.

00:08:30

- Keep it cool, Todd. - Hey, pal.

00:08:31

If you're making small talk up there, how about sending a little my way?

00:08:36

Um... can you believe this weather we're having?

00:08:39

No, I cannot believe this weather we're having!

00:08:45

[doorbell rings, horse neighs]

00:08:47

Hey, weren't you supposed to be here like a half hour ago?

00:08:49

Yeah, I've just been sitting in my car.

00:08:52

[chuckles]

00:08:53

Listen, I was looking over my notes, and I think I have enough to go write the book, so... I'm just going to do that.

00:09:02

You don't want to interview me anymore?

00:09:04

But don't you want to know what my Rosebud is?

00:09:05

You told me repeatedly it was the nudie magazine your uncle showed you with the three-nippled woman.

00:09:09

- Who was she? - I got it all.

00:09:11

Oh, okay.

00:09:12

Well, I'll see you around though, right?

00:09:14

Yeah. I, um--

00:09:17

Why did you have to make things weird, BoJack?

00:09:21

[car door opens, closes]

00:09:23

I made things weird?

00:09:26

[Mr. Peanutbutter]

00:09:26

So if you see anything you know we need, like this biscuit warmer, you just run the laser over the barcode,

00:09:31

- and kablamsky! -

00:09:31

[beep]

00:09:32

It goes in the registry.

00:09:34

And that way, everybody knows what I want.

00:09:35

- And I know what I want. - Uh...

00:09:37

Which is what everyone wants.

00:09:38

And it's really clear, and nobody's confused about anything.

00:09:41

Am I crazy, or are you not into this?

00:09:44

No, I am. It's just--

00:09:44

[sighs]

00:09:46

The big wedding in Nantucket, all these presents--

00:09:49

I'm so overwhelmed, I can barely consider whether I want or need a biscuit warmer, which I think is how people end up with biscuit warmers.

00:09:56

Hey. Hey, hey, hey.

00:09:58

Close your eyes. Come on.

00:10:00

Okay, picture our lives together.

00:10:01

It's a cold Sunday morning a bunch of years from now.

00:10:04

Maybe robots have taken over, maybe they haven't.

00:10:06

I don't know. It's the future.

00:10:07

This story isn't about that.

00:10:09

The important thing is it's Sunday morning.

00:10:11

I brought you the paper, fetched your slippers.

00:10:13

You come into the kitchen-- Can you smell biscuits?

00:10:16

- Yes. - So can I.

00:10:19

- Are they warm? - Yeah.

00:10:20

Well, that's all a biscuit warmer's for.

00:10:22

Look, if marriage stresses you out, we don't have to get married.

00:10:26

It's not the marriage.

00:10:28

It's the wedding and the year of build-up.

00:10:30

So forget all that.

00:10:32
I've done the whole big wedding thing.

00:10:33
I don't need to do it again.

00:10:34
Let's do something small and casual right here in town next month.

00:10:38
Honestly, that would be amazing.

00:10:40
But we'd have to cancel the doves, and we wouldn't be able to send out those fancy invitations you liked.

00:10:45
Those doves were being jerks anyway.

00:10:47
And invitations-- They're just a scam made up by the Post Office to keep tabs on us.

00:10:51
Post Office.

00:10:52
[grows]

00:10:52
- Settle down, boy.

00:10:54
[Todd]

00:10:54
And then we talked about his favorite Smash Mouth CDs.

00:10:57
[crunching]

00:10:57
And-- Oh, oh.

00:10:59
And then that led to a whole conversations about sticks.

00:11:03
Oh, and let me tell you,

00:11:05
Mr. Peanutbutter has got some serious opinions about sticks.

00:11:09
Why are you telling me this?

00:11:11
What? You said you wanted every detail.

00:11:12
Did I mention he got a new bandana?

00:11:14
Give me something I can use to make them call off their wedding.

00:11:17
Oh, yeah. Did I not tell you?

00:11:18
They called off their wedding.

00:11:19
What? Thank God!

00:11:21
Oh, the universe makes sense.

00:11:23
They decided against a big destination wedding, so they're doing it here

00:11:26
- sometime next month. - What?

00:11:28
I guess saying they called it off is probably not right.

00:11:31
[groans]

00:11:32
[ominous music]

00:11:34
Hey, what's this?

00:11:35
Oh, yes, I got jury duty, but I can't worry about that right now.

00:11:39

That is a problem for Friday BoJack.

00:11:40
Now think, Todd. Gotta have something I can use sloshing around in that pot-infused Jell-O shot

00:11:45
- you call a brain. - Let's see.

00:11:47
Mr. Peanutbutter likes having his tummy scratched, and Diane's family is from Vietnam, which is where Vietnamese food comes from, and since that goes in your tummy--

00:11:58
Okay, stop thinking. Just give me raw data.

00:12:00
What's happening this week?

00:12:01
Well, the circus is in town.

00:12:03
Congress is going to vote on the new Education Bill--

00:12:05
With Mr. Peanutbutter!

00:12:06
What's happening with Mr. Peanutbutter?

00:12:08
Well, I'm taking Diane and him to the bank on Thursday.

00:12:12
I can use that. I can actually use that.

00:12:17
I don't know if I'm up for staging a bank robbery, BoJack.

00:12:20
Oh, come on, character actress Margo Martindale.

00:12:23
They say that there are no good parts for women over 50.

00:12:26
I want to stick an AK-47 in your hand and prove them wrong.

00:12:29
I do tire of the limitations of stage, film, and television.

00:12:33
You might as well perform in a cage, am I right?

00:12:34
This is guerilla theater--

00:12:36
No stage, no script, no net.

00:12:38
It's the kind of work we talked about doing that night in the desert.

00:12:42
Don't tell me we left those dreams in the sweat lodge.

00:12:44
- Hell, I'll do it. -

00:12:44
[dishes clatter]

00:12:48
And that little boy never found his mother.

00:12:50
Hey, guys.

00:12:51
BoJack Horseman?

00:12:53
Oh. Hi.

00:12:54
What a weird coincidence.

00:12:55
I did not know you would be here today.

00:12:57
How are... things?

00:12:59
Things are good. You?

00:13:01

Things good with you?

00:13:02

Hands behind your head, everybody.

00:13:03

Nobody moves, nobody gets shot.

00:13:06

[gasps]

00:13:06

- What an unfortunate surprise.

00:13:08

Well, well, isn't that a pretty ring?

00:13:10

[gasps]

00:13:10

[coughs]

00:13:10

This one.

00:13:12

Well, well, isn't that a pretty ring?

00:13:14

I'll take it.

00:13:15

But it's my engagement ring.

00:13:17

Give it to her, Diane.

00:13:18

- It's just a ring. - Just a ring?

00:13:20

That ring is a symbol of your love.

00:13:22

If you don't care about the ring, it really makes me wonder if you care about the woman wearing it.

00:13:28

That terrifying bank robber is making some very cogent points.

00:13:31

No, Mr. Peanutbutter's right.

00:13:33

If the ring is just a symbol for love, why would I need a symbol when I have the real thing right here?

00:13:38

Yeah, we don't need rings, we have each other.

00:13:40

Hey, why are we even waiting a month to get married?

00:13:43

If anything, this bank robbery is reminding me that life is short.

00:13:47

We should get married even sooner!

00:13:49

[softly]

00:13:49

No...

00:13:50

What do you mean sooner?

00:13:51

Why not this weekend?

00:13:52

We could get married Saturday.

00:13:54

Am I crazy?

00:13:55

[softly]

00:13:55

Yes. Don't do it.

00:13:57

- Oh, keep the damn thing. - Aw.

00:14:00

[applause]

00:14:01

Okay. Saturday it is.

00:14:03

What the hell just happened?

00:14:04

Something truly beauti--

00:14:06

Aah!

00:14:07

- Oh. - Get your hands off me!

00:14:09

[Taser crackles]

00:14:09

- Uh-oh.

00:14:10

[landing blows]

00:14:13

[laughs]

00:14:13

Long story short,

00:14:15

Erica did have to lose the foot, but she gained a friend.

00:14:19

Sorry, kind of went off on a tangent there.

00:14:21

Diane and I wanna thank you all for coming to our impromptu rehearsal dinner, even though we did not actually have time

00:14:26

- to organize a rehearsal. - Or a dinner.

00:14:29

But there is an open bar...

00:14:31

[cheers and applause]

00:14:31

which you are all welcome to partake in as soon as I finish this toast, which I will be doing right... after one more quick anecdote.

00:14:41

[guests groan]

00:14:41

- It was winter in Prague, and the consumption hung low in the air.

00:14:44

Well, the bank thing was a dud.

00:14:45

Thanks a lot, Todd.

00:14:46

Well, you win some, you lose some.

00:14:48

It's like Vincent always says--

00:14:49

- "Oopsy." - Vincent?

00:14:51

Yeah, Princess Carolyn's boyfriend.

00:14:52

We've hung out a couple times.

00:14:54

- What are you ta-- - That dude is funny.

00:14:56

You know he's not a person, right?

00:14:57

Look, I don't want to get in the middle of your whole thing with Princess Carolyn.

00:15:01

It's not about that.

00:15:02

I just don't understand why nobody else seems to notice that she is dating a man who is clearly three little boys doing the thing from The Little Rascals.

00:15:09

Oh, that reminds me of another funny story.

00:15:11
[clinks glass]
00:15:11
If I could say a few words?
00:15:13
BoJack Horseman. Take the mic.
00:15:15
Spin us a yarn.
00:15:16
Mr. Peanutbutter, Diane.
00:15:18
Since I am friends with both of you
00:15:20
- and have no ulterior motives... - Mm-hmm.
00:15:22
I would like to offer my restaurant as a venue for your wedding.
00:15:24
Wow! Really?
00:15:26
I don't know. That's too generous.
00:15:28
Hey, don't look a horse's gift in the mouth, right?
00:15:31
[laughter]
00:15:32
I get it. Like the song.
00:15:35
That's not a song.
00:15:36
All right, everyone.
00:15:37
That's it for the toasts.
00:15:38
Enjoy yourselves and each other.
00:15:41
[dance music plays]
00:15:43
This is perfect.
00:15:45
Now that the wedding's at my restaurant, we have the home field advantage.
00:15:48
Perfect for sabotage.
00:15:50
BoJack, I need to thank you.
00:15:52
You calling me to the bar the other night turned out to be the best thing that ever happened to me.
00:15:57
- I think I'm in love. - Okay.
00:15:58
This "person" you're in love with--
00:16:00
Have you seen him without his trench coat on?
00:16:02
I don't understand why you can't be happy for me.
00:16:03
He's a good boyfriend.
00:16:05
I actually think you and Vincent would really hit it off if you gave him a chance.
00:16:09
You should spend some one-on-one time with him.
00:16:11
You mean one-on-three time?
00:16:12
Because there are three of him.
00:16:14

We get it. You don't like him.
00:16:16
I'm actually not sure you do get it.
00:16:19
[unzips]
00:16:19
- I know what's been going on.
00:16:21
Ah! I wasn't gonna pee.
00:16:22
I was just taking my penis out.
00:16:24
You've been driving me around, but there was something else happening the whole time.
00:16:27
I see it now.
00:16:29
What are you talking about?
00:16:30
You weren't just working as my driver, Todd.
00:16:33
You were becoming my friend.
00:16:36
Oh, yeah. That was happening.
00:16:38
Well, I could use a friend right about now.
00:16:40
There's something I really gotta get off my chest, and if it got out, it could destroy the whole wedding.
00:16:46
No, I'm not great with sensitive information.
00:16:49
I don't know if I'm ready to get married again.
00:16:51
Don't get me wrong. I love Diane so much.
00:16:54
I didn't have any doubts until I realized she had doubts.
00:16:57
Then I figured she's smarter than I am.
00:16:59
Maybe she knows things I don't.
00:17:01
You are kind of unloading a lot of sensitive information here.
00:17:04
Sure, I think I'm ready to commit to Diane, but I can't even commit to my favorite type of stick.
00:17:09
Yes, today, it's short and knobby, but tomorrow?
00:17:12
Well, sure, Diane is short, but I don't know about knobby.
00:17:15
The last thing I want to do is hurt Diane, but I keep having this dream where she's gone.
00:17:19
There's no break-up, no tragedy.
00:17:21
She's just gone, and my life continues without her.
00:17:23
And it terrifies me to say this, but in the dream I feel... relief.
00:17:28
Hey, thanks for listening to all this.
00:17:30
You're a really good friend, Todd.
00:17:32
[groans]
00:17:34
Since you weren't able to give me any useful intel,
00:17:36

I had to offer up my restaurant, but now, we're on my turf.

00:17:40

Time for operation "I don't."

00:17:42

Yeah, sounds good.

00:17:44

You know, with my knack for coming up with plans and your ability to hear them without contributing more than three words at a time, we make a pretty good team, don't we, Todd?

00:17:53

- You said it. - See?

00:17:55

[news theme playing]

00:17:56

[newsman]

00:17:56

Beloved character actress Margo Martindale

00:17:59

is in police custody tonight

00:18:00

for her role in a failed bank robbery.

00:18:02

Margo Martindale?

00:18:04

But first, pizza for breakfast?

00:18:06

The answer might surprise you.

00:18:08

I know her, but how? Wait.

00:18:13

She was at the convenience store the night I bought that video game and ruined my rock opera.

00:18:18

She's the one who asked me

00:18:20

to hand her that tape from the 10¢ bin.

00:18:23

[gasps]

00:18:23

That means Margo Martindale likes tapes!

00:18:27

And a tape is something you listen to, but tape is also a sticky thing you can use to seal boxes.

00:18:33

Boxes is what cereal comes in.

00:18:37

What does it all mean?

00:18:38

Am I just grasping at straws?

00:18:40

Wait. Straws-- That's it.

00:18:43

Straws are used to drink soda or water, and plants need water.

00:18:49

And BoJack used Margo Martindale as a plant at the bank and the convenience store, which means-- Ugh!

00:19:00

BoJack hired Margo Martindale to make me find that video game so he could kill my rock opera!

00:19:10

Aw, dude.

00:19:14

- Rise and shine, Todd. - I didn't sleep.

00:19:17

Well, we're down to the wire, but we still got one more day to figure out how to stop this wedding, and I can't afford to waste one second, so let's get--

00:19:23

Oh, shit. Forgot about jury duty.

00:19:25

Damn you, Tuesday BoJack.

00:19:31

- And so, you saw the defendant. - Yes.

00:19:35

That man, the defendant-- You saw him?

00:19:39

Come on, come on, come on. Hurry up.

00:19:40

- That's correct. - The defendant was seen by you.

00:19:44

Sweet Jesus.

00:19:46

Some of us have weddings to ruin.

00:19:47

Yes.

00:19:48

No further questions, Your Honor.

00:19:50

I'm sorry. I misspoke.

00:19:52

A lot of further questions.

00:19:54

[groans]

00:20:01

The jury finds the defendant not guilty on all charges.

00:20:04

[murmuring]

00:20:05

We did the right thing today, BoJack.

00:20:07

But you know who the real winner is?

00:20:09

- Justice. - Mr. Peanutbutter.

00:20:13

[sighs]

00:20:14

BoJack.

00:20:15

There's my superstar.

00:20:17

- How are you? - Amazing!

00:20:19

This has been the role of a lifetime.

00:20:21

I think they're gonna send me up to Lompoc, and when I get there, I'm gonna find the meanest, hardest queen bitch of the yard, and I'm going to bite her finger off.

00:20:31

[laughs]

00:20:31

That'll show everyone I'm crazy, and you don't mess with crazy.

00:20:35

Plus, free finger.

00:20:36

Oh, here I am blabbering on about my plans.

00:20:39

Did you ever stop that wedding?

00:20:41

It's actually happening right now.

00:20:42

I ran out of time.

00:20:44

I never understood why it was so important to keep those two apart.

00:20:47

I was just trying to be a good friend in my own shitty, ass-backwards way.

00:20:52
Diane deserves the best.

00:20:53
She's smart and kind and beautiful, and it's gonna be mostly synonyms from here on if I keep going, and I'm in love with her.

00:21:01
Tell her that, BoJack.

00:21:03
You don't need kooky schemes or nutty capers.

00:21:06
Just go to her and speak from your heart.

00:21:09
Then find the biggest person at the wedding and bite his finger off!

00:21:14
You're right, partly.

00:21:16
I've gotta tell her how I feel.

00:21:18
Okay, I'm gonna do it.

00:21:20
Good luck with your finger thing.

00:21:21
[tires screech]

00:21:24
[car alarm chirps]

00:21:25
Todd, thank God you're here!

00:21:26
Did I miss it? Is it too late?

00:21:28
Dude. I'm done with this. No. No.

00:21:29
Mr. Peanutbutter's been nice to me.

00:21:31
Mr. Peanutbutter is nice to everybody.

00:21:32
That's what makes him so stupid.

00:21:34
No, I'm stupid.

00:21:36
But even I know that the only reason you're doing this is because you're in love with Diane.

00:21:41
Yes, that's right.

00:21:42
And I'm here to finally tell her how I feel.

00:21:44
BoJack, she knows how you feel.

00:21:46
How? I barely just realized--

00:21:48
Hey, man, she made her choice.

00:21:50
Look around. This day is not about you, okay?

00:21:55
So maybe you should just stop trying to mess with other people's lives.

00:22:00
[Diane]

00:22:00
I never thought I wanted to get married.

00:22:03
It's so weird, this idea of dedicating yourself to something for the rest of your life.

00:22:08

Like, how could you know, right?

00:22:10
But then I realized it's okay to not know everything.

00:22:14
And some things take a leap of faith.

00:22:16
Mr. Peanutbutter, I want to take that leap with you.

00:22:19
By the power vested in me by one of those dumb websites,

00:22:22
I now pronounce you married.

00:22:24
Go ahead. Kiss, you lovesick dummies.

00:22:26
[kissing]

00:22:28
[cheers and applause]

00:22:29
■ Ow! ■

00:22:31
■■

00:22:35
■ Mmm-yeah ■

00:22:38
■ I used to think maybe-- ■

00:22:39
Hey, Todd. Todd.

00:22:41
Thanks for hearing me out the other night.

00:22:42
I'm really glad I went through with this.

00:22:44
This is the happiest day of my life.

00:22:46
Always happy to be of service.

00:22:47
Oh, and, um, I got you something.

00:22:49
Todd Chavez?

00:22:51
Hey. That name's my name.

00:22:53
What's "PB Livin"?"

00:22:54
My film production company. Read your title.

00:22:58
"Executive Vice President of West Coast Operations."

00:23:02
Whoa! Does that mean I control the waves?

00:23:05
No, it means you're my assistant.

00:23:07
You've got a big future ahead of you, and I don't want you to waste any time looking back.

00:23:11
So I got all my cars' mirrors taken off.

00:23:13
Isn't that kind of dangerous?

00:23:15
What do I care? I'm not driving.

00:23:17
Hey, BoJack. Thanks for coming.

00:23:20
I wasn't sure you were gonna make it.

00:23:22
Wouldn't have missed it for the world.

00:23:24
You're a good friend. I'm really glad to know you.

00:23:26
- Mwah. - Sorry that I--

00:23:29
If I made things weird.

00:23:30
They weren't that weird.

00:23:32
- Oh. -

00:23:32
[Mr. Peanutbutter]

00:23:32
Diane, honey?

00:23:33
Oh, I gotta go dance with my husband.

00:23:36
[squeals]

00:23:37
I'm married!

00:23:37
[giggles]

00:23:40
Hi.

00:23:42
So you're the quote-unquote person, singular, that everyone's so crazy about.

00:23:47
What have you got figured out that I don't?

00:23:48
Um, adult stuff.

00:23:51
Yeah, I'm not seeing it.

00:23:53
But that doesn't matter. Not everything's about me.

00:23:55
And maybe I am a little jealous.

00:23:57
Not because I actually want to date Princess Carolyn anymore, but just because I don't like the idea that I can't.

00:24:04
I guess I just assumed I always could.

00:24:06
But I made a lot of bad decisions.

00:24:08
Not just with her. With...

00:24:08
[sighs]

00:24:08
with everyone, really.

00:24:13
You know, Princess Carolyn was right.

00:24:16
- You are a good listener. - Thanks.

00:24:18
You know, sometimes I feel like I was born with a leak, and any goodness I started with just slowly spilled out of me, and now it's all gone.

00:24:25
And I'll never get it back in me.

00:24:27
It's too late.

00:24:29
Life is a series of closing doors, isn't it?

00:24:34
Don't be sad.

00:24:37
Good horsey.

00:24:41
That actually feels kind of nice.

Ep 10 — One Trick Pony

00:00:08

We're very different, but I think that we bring out the best in each other.

00:00:12

It's like you're chocolate and I'm Mr. Peanutbutter.

00:00:15

Shut up and kiss me, you silly goof.

00:00:21

- Cut! -

00:00:21

[buzzer sounds]

00:00:25

Welcome back to Excess Hollywoo.

00:00:27

I'm A Ryan Seacrest Type, and I'm visiting the set

00:00:30

of Mr. Peanutbutter's Hollywoo Heist.

00:00:32

I'm thrilled to be talking to the star of the film,

00:00:35

BoJack Horseman, and his real life inspiration,

00:00:38

Mr. Peanutbutter.

00:00:39

Am I an inspiration?

00:00:41

Well, that depends on how you define--

00:00:43

- Wait a minute. Yes, I am. - Ugh.

00:00:45

You know, I'm just over the moon to be producing this movie about my daring exploit.

00:00:50

- Yes, your daring exploit. - Yes.

00:00:53

It's such a treat to be shooting in my very own casa.

00:00:55

And it's an even sweeter treat to be played by my good amigo-- dare I say best amigo?

00:01:01

- You "daren't." - We're so in tune.

00:01:03

We even finish each other's... sentences.

00:01:09

Sometimes it doesn't happen.

00:01:11

- It never-- - Happens.

00:01:12

Ah, see? I'm inside him.

00:01:15

BoJack, you haven't worked in quite some time.

00:01:17

In fact, I thought you were dead.

00:01:19

You must be so grateful to be working again and also alive, which, again, I thought you were not.

00:01:24

How did you get involved with this?

00:01:25

Well--

00:01:27

You want me to play Mr. Peanutbutter in the story he stole from me?

00:01:31

I stole the D, and then he stole my stealing of it.

00:01:34

That makes him an idea thief, which is much less cool than a thief thief, which is what I am and what he also is.

00:01:40

You know what might help?

00:01:41

If you think about this like a professional instead of a big titty baby.

00:01:44

This movie is a huge opportunity.

00:01:46

Quentin Tarantulino is known for revitalizing dead careers.

00:01:50

This could do for you what Reservoir Dogs did for Rin Tin Tin.

00:01:53

But isn't there any other part?

00:01:55

I could play myself.

00:01:56

No, BoJack's already being played by Wallace Shawn.

00:01:59

What? The short guy from The Princess Bride who says "inconceivable"?

00:02:02

- Why Wallace Shawn? - BoJack Horseman?

00:02:04

I don't want to play that boob.

00:02:05

I'm trying to help you out, Wally.

00:02:07

You're the one who keeps buying expensive Rothkos.

00:02:10

I have a disease.

00:02:11

Would you tell an alcoholic to stop buying alcohol?

00:02:15

You know, Black and Blue Number 7's going up for auction next week.

00:02:18

Fine. I'll do the dumb movie.

00:02:20

Fine. I'll do the dumb movie.

00:02:22

But if you find me in a bathtub with open wrists tomorrow and the words "I hate my agent" smeared across the walls in blood, you'll know why.

00:02:28

So obviously I'm thrilled to be here, just thrilled.

00:02:32

[funky electronic music]

00:03:27

Cast and crew only.

00:03:28

I know you're just doing your job, but I live here, and the crew has been here since 3:00 a.m., so I'm a little tired.

00:03:35

Cast and crew only.

00:03:37

Hey, stranger.

00:03:39

Haven't really seen you since the wedding.

00:03:41

Kind of feels like we're coming back to school

00:03:42

- after summer vacation. - Yeah.

00:03:44

I'll see you at the pep rally.

00:03:45

Hope we don't get Mrs. Kirkman for trig this year.

00:03:47

Yeah, well, I hope the cheerleaders don't stuff me

00:03:50

in a locker and write "virgin slut" on my forehead, and then when I ask how I could be both a virgin and a slut, they make me eat a lipstick.

00:03:56

Uh...

00:03:58

So what have you been up to these last couple months?

00:04:00

Well, I've been pretty busy. Met a girl at Soho House.

00:04:03

- Was she your waitress? - Yes.

00:04:04

Then I met a girl at Mastro's.

00:04:06

- Was she also your waitress? - Yes.

00:04:08

Then I met a girl at P.F. Chang's.

00:04:09

Let me guess. She was your--

00:04:10

A hooker, yes, but what she really wants to do

00:04:12

- is wait tables. -

00:04:12

[laughs]

00:04:14

Well, I, for one, would love to meet the aspiring food-service worker who finally gets you to settle down.

00:04:19

What? Why would I want to settle down?

00:04:22

I'm 50.

00:04:24

- Yeah, anyway... - So I'm sending the first draft of the book to Pinky this afternoon.

00:04:28

- What? It's done? - Not yet. Almost.

00:04:30

I'm excited for you to read it,

00:04:33

but I'm also cripplingly nervous.

00:04:35

I actually kind of feel like throwing up,

00:04:37

but I can't throw up because I haven't had anything to eat because this lady won't let me in my own kitchen.

00:04:41

Cast and crew only.

00:04:43

Listen, if reading a book you wrote is anywhere near

00:04:45

as great as it is to actually spend time with you,

00:04:47

I'm sure it's gonna be wonderful.

00:04:49

Having said that, what do I know about books?

00:04:51

I'm just a dumb actor.

00:04:55

I'm here with Hollywoo darling Naomi Watts.

00:04:59

Tell me, what attracted you to the role of Diane?

00:05:01

I just keep getting pigeonholed

00:05:03

as these complex characters in highly acclaimed movies.

00:05:05

For once, I would just love to phone it in

00:05:07

and play a two-dimensional girl in a rom com

00:05:09

with no inner life of her own.

00:05:11

That's kind of the reason I got into this business.

00:05:14

Ha ha! You said words.

00:05:16

Now, is it true you stay in character between takes?

00:05:19

Oh, we all do. The director insists upon it.

00:05:22

He even has everyone calling me Diane to help me get in the headspace.

00:05:26

It's been great.

00:05:28

Diane, looking good.

00:05:29

- Um, thanks. - Ugh, not you.

00:05:31

I was talking to Diane.

00:05:32

Oh, thank you.

00:05:34

Now, where's my peanut butter?

00:05:35

Right over here, Q.

00:05:36

No, I'm looking for peanut butter.

00:05:37

Oh, you mean BoJack?

00:05:39

If I wanted BoJack, I would call BoJack.

00:05:41

Did someone call for BoJack?

00:05:43

It really cuts down on confusion.

00:05:48

Ah, show business, the great equalizer.

00:05:51

Is that what it is?

00:05:53

Todd, spritz me.

00:05:55

- Spritzing. - Mm, mm, mm.

00:05:57

Well spritzed.

00:05:59

Have you ever been on a movie set before?

00:06:00

No, sir, Mr. Peanutbutter.

00:06:02

Please, Mr. Peanutbutter was my father's name.

00:06:06

- Uh-- - And it's also my name!

00:06:08

[buzzer sounds]

00:06:09

Ooh, speaking of Mr. Peanutbutter,

00:06:11

I'll be back in a jiff, skippy.

00:06:12

Keep that air spritzed for me.

00:06:15

Aloha, kemosabe.

00:06:16

Hey, allow me to put on my producer hat and produce you just for one second here.

00:06:21

I have a few notes on how you're playing me.

00:06:24

Let's see.

00:06:24

[humming]

00:06:26

Problems, problems, problems, ah, here we go.

00:06:28

I find it really troubling that my movie self is wearing a crew neck T-shirt.

00:06:28

[laughs]

00:06:33

I only wear V-necks.

00:06:35

You see the problem.

00:06:36

- I do not. - I just think if we're telling the story, we should tell it how it really happened.

00:06:40

Yeah, this whole story isn't how it really happened.

00:06:42

Right... because of the shirts.

00:06:46

Because I'm the one who stole the D.

00:06:47

I'm the real hero here.

00:06:49

My life is full of exciting adventures.

00:06:50

I should write a book.

00:06:51

Oh, wait. I did.

00:06:53

Suck on that, society.

00:06:55

Hey, you're in a mood.

00:06:56

Perhaps the tightness of that crew neck is cutting off circulation to the brain?

00:07:00

Let me talk to Donna in wardrobe.

00:07:02

We're gonna fix this, buddy.

00:07:03

Donna!

00:07:08

What are you doing?

00:07:09

I'm just trying to get inside my character, which is you.

00:07:12

Is this how we move our arms?

00:07:14

We're so weird.

00:07:15

Is this really necessary?

00:07:17

Is this really necessary?

00:07:18

That's not what I sound like.

00:07:19

That's not mut mi sound mike.

00:07:21

Hey, what's it been like since we got married?

00:07:23

Is it everything we dreamed of since we were little?

00:07:26

When I was little, I dreamed of getting a MacArthur grant for my 'zine about how all the girls at school were bitches.

00:07:31

- Oh. - Look, the wedding was great.

00:07:34

But that's not real life.

00:07:36

I mean, I guess I got a happy ending, but every happy ending has the day after the happy ending, right?

00:07:41

And the day after that.

00:07:42

So the wedding was so much fun.

00:07:44

It was the happiest day of my life.

00:07:46

But, you know, what does that say about all the days I have left?

00:07:49

Whoa.

00:07:51

We're such a Zoe.

00:07:55

Oh, Todd, glad you're here.

00:07:57

Hold this.

00:07:58

Todd, my jacket is on the floor.

00:08:00

You're supposed to hold the jacket so it doesn't go on the floor.

00:08:03

Hey, sorry, BoJack-- I mean, uh, Mr. Peanutbutter.

00:08:06

But I work for Mr. Peanutbutter now.

00:08:08

- I mean, uh, Mr. Peanutbutter. - Ugh.

00:08:11

I can't believe I'm on a movie set, you know?

00:08:13

I mean, this is my first chance to work on something big since my rock opera fell apart.

00:08:18

Man, I really messed up that huge career opportunity all on my own, didn't I?

00:08:23

Uh...

00:08:24

Nothing sabotaged me one bit.

00:08:30

Yep.

00:08:31

You said it.

00:08:32

Well, see you later.

00:08:34

[indistinct chatter]

00:08:36

Where can I grab a nosh?

00:08:38

Oh, craft services is in the kitchen.

00:08:40

Up the driveway, through the living room, make a left.

00:08:42

- Can't miss it. - I'm gonna grab a quick bite.

00:08:44
Don't do anything stupid while I'm gone.

00:08:47
Okay, fellas, here's the thing about the story.

00:08:49
I don't buy it.

00:08:50
It's like something's missing, but I can't put any of my fingers on it.

00:08:53
Um, maybe once we add the music--

00:08:55
The music? Are you kidding me?

00:08:57
Music? You're fired.

00:08:58
What dumb shit brought this dumb shit?

00:08:59
Okay, you're fired too.

00:09:00
Oh, okay.

00:09:02
Anyone else got any bright ideas?

00:09:04
Oh, oh, oh, oh!

00:09:06
Hey, maybe it make it more Diane-y?

00:09:09
- Um, excuse me? - I don't know.

00:09:11
This is probably stupid, but the whole story's about how this guy's in love with this lady, right?

00:09:15
But we don't even know who she is or what she wants.

00:09:18
I mean, maybe give her more lines or words or, I don't know, feelings or whatever?

00:09:23
What?

00:09:24
He's new. He doesn't know the rules.

00:09:26
Forgive him, mighty Caesar.

00:09:34
Yes. Yeah.

00:09:35
I love you.

00:09:36
Who is this kid?

00:09:37
You're a genius.

00:09:39
- I'm gonna kiss your face. - What?

00:09:40
Oh!

00:09:40
[laughs]

00:09:42
Come back to my web.

00:09:43
Let's talk about Diane's feelings and make this baby sing.

00:09:46
Hey, Todd, talk to him about the wardrobe, specifically the top half of the wardrobe, specifically the shirt part of the top half of the wardrobe, specifically the neck part of the shirt part of the wardrobe.

00:09:57
[cell phone rings]

00:09:59

Ugh. What now?

00:10:00
I'm sick of this dog and pony show.

00:10:02
The movie is dumb.

00:10:04
Mr. Peanutbutter is annoying the shit out of me, and there's too much honeydew in the fruit bowl.

00:10:07
Blech. Honeydew is garbage fruit.

00:10:09
Also, why is BoJack being played by an old, nebbishy five-foot-tall bald guy?

00:10:12
Is that how the world sees me?

00:10:13
Oh, I see.

00:10:14
So I can play Vanya on 42nd Street, but I'm not a deft-enough talent to capture the essence of the elusive BoJack Horseman.

00:10:22
So sorry to offend you, sir.

00:10:26
I'm just glad my book's coming out soon so people will get an opportunity to see the real BoJack Horseman.

00:10:32
Oh, are you coming out with a book?

00:10:33
You never mentioned it.

00:10:34
Plus, Todd's being super weird.

00:10:36
I think he's onto me.

00:10:37
Onto you in regards to what?

00:10:38
Oh, right, I didn't tell you.

00:10:40
I sabotaged his rock opera by getting him readdicted to a video game because I didn't want him to move out.

00:10:44
Jesus Christ, BoJack.

00:10:46
Anyway, I think he knows and might be plotting to sabotage me back.

00:10:50
Why is it that 90% of our conversations these days revolve around plotting sabotages?

00:10:54
Are you saying I should plot a countersabotage?

00:10:56
No, no more plotting.

00:10:57
Just be a good soldier and do your job.

00:11:00
Nobody is out to get you.

00:11:01
[cell phone beeps]

00:11:02
Have you seen the new draft?

00:11:04
They took it all off you and put it on me.

00:11:06
What?

00:11:07
Apparently some dickweed named Todd decided I should be three-dimensional and you should have no lines.

00:11:14

Ugh. Isn't this town sick of creating three-dimensional roles for women?

00:11:18

This happens to me all the time!

00:11:20

A.O. Scott is sick of talking about how brilliant I am.

00:11:23

Todd.

00:11:26

I guess what I've been saying for the last seven uninterrupted minutes is, how can I forgive my father if I can't forgive myself?

00:11:34

True dat.

00:11:36

But none of that matters, because we bring out the best in each other.

00:11:41

I'm the chocolate, and you're Mr. Peanutbutter!

00:11:46

- True dat. - Mwah!

00:11:48

Cut! Amazing.

00:11:50

This is the movie that I wanted to make.

00:11:52

This is gonna be great.

00:11:53

- Oh, my God, I'm so-- - Ugh, what kind of idiot puts food on top of a hill?

00:11:57

Hey, so I guess now that the movie's all about Diane,

00:12:00

I really need to dig deep and get to know the real you.

00:12:03

So let's talk and talk and talk until I am you and you are nothing but a hollowed-out husk of your former self and every thought and every feeling you ever had belongs to me and me alone.

00:12:15

So do we like Sprite, or are we more of a 7-Up girl?

00:12:19

Uh, that all sounds great.

00:12:22

But, you know, the person you should really be talking to is that guy.

00:12:26

- Yeah, okay, I'm done. - Diane loves talking to him.

00:12:28

They have great rapport.

00:12:30

In fact, Diane could spend all day talking to him and never talk to me again.

00:12:36

Oh, I get it, because Diane doesn't talk to Diane.

00:12:41

- Diane talks to-- - Anybody else.

00:12:44

Hey, Todd, remember that time when you wouldn't clean up your shit?

00:12:47

That was hilarious.

00:12:48

- We've had some good times. - Oh. Hi.

00:12:50

So I was thinking, I have some...

00:12:52

[sighs]

00:12:52

pretty sloppy seconds left over from P.F. Chang's in the fridge, and I don't think that I want it anymore.

00:12:58

Maybe tonight you could eat it.

00:12:59

Friendly gesture because we're friends.

00:13:01

- Uh... - Oh-oh, there's my guy.

00:13:03

I heard you had a few more thoughts about the script.

00:13:05

I do.

00:13:06

I was just thinking, what if we made the BoJack character into a real shithead?

00:13:11

- Is that really necessary? - I don't think it's necessary.

00:13:13

Yeah, let's-- Let's make him be a real selfish asshole so the audience has someone to root against.

00:13:19

You're probably right.

00:13:20

Let's take another swing at the script and give BoJack more to do.

00:13:23

Now, when you say, "Give BoJack more to do"--

00:13:25

Not now, Mr. Peanutbutter.

00:13:26

And also, now that I'm thinking about it, why does the movie have to take place on Earth?

00:13:32

You are blowing my head.

00:13:35

- I hope you like Oscars. - Honeydew?

00:13:37

More like, "Honey, do I enjoy eating it?"

00:13:39

Yes, I do." Right?

00:13:41

Not right, and I would love to go through all the reasons why, but I've got bigger concerns right now.

00:13:44

- Honeydew, go on. - Did you notice that the Mr. Peanutbutter part has been cut in half?

00:13:48

- What is happening to our movie? - I thought you hated the movie.

00:13:51

Yeah, I do, but if I'm gonna be in a dumb movie

00:13:53

I hate that makes no sense,

00:13:54

I should at least be the star of it.

00:13:56

Look, I agree that this movie has really lost its way.

00:14:00

I mean, first of all, why would Mr. Peanutbutter wear a crew neck T-shirt?

00:14:04

And second of all, uh...

00:14:06

It's just the shirt, isn't it?

00:14:08

It doesn't make sense.

00:14:09

I'm a V-neck man.

00:14:10

A V you can put your sunglasses in.

00:14:12

Can you do that with a crew neck?

00:14:14

Because I'd like to see you tr--

00:14:16

Whoa.

00:14:18

[groaning]

00:14:21

Bagel.

00:14:22

Thanks so much for running this scene with me.

00:14:24

I have so many lines to learn.

00:14:26

Yeah, well, most of my lines are, "True dat," but I guess it never hurts to practice.

00:14:31

The citizens of Planet D want their king back.

00:14:34

But I'm more concerned with getting my self-esteem back after being in the shadow of powerful men for so long.

00:14:40

True dat.

00:14:41

Is it just me, or is this movie kind of flying off the rails?

00:14:44

Well, I don't want to overuse my catchphrase here, but true dat.

00:14:48

This is so typical.

00:14:49

I just wanted to do something light and fun to distract me from the deep well of sadness that is my life.

00:14:57

You probably wouldn't understand.

00:14:58

Oh, puh-lease.

00:15:00

I'm so deep down a well of sadness that Baby Jessica is like, "Damn."

00:15:05

Shut up and kiss me, you miserable goof.

00:15:08

What?

00:15:09

Oh. Okay. Mwah.

00:15:12

Pop this in a drawer.

00:15:14

Huh?

00:15:17

[glass shatters]

00:15:17

- This is good, baby.

00:15:19

Oh, this is amazing.

00:15:21

Naomi, I haven't felt like this since--

00:15:23

No, no, shh, shh, shh!

00:15:24

Call me Diane.

00:15:28

Okay, got my bagel.

00:15:30

Now back to work.

00:15:32

Hey, guys.

00:15:33

Hey, guys!

00:15:37

Wow, wow.

00:15:39

So you guys really hit it off, huh?

00:15:41

That's awesome.

00:15:43

Want to do some hand stuff in the bathroom before we go down to set?

00:15:46

You read my mind.

00:15:47

Now, kiss me some sour cream.

00:15:50

Hey, so I finished the book and sent the draft to the publishers.

00:15:54

What? My book is ready?

00:15:55

Let me read it. Can I read it?

00:15:56

Call Pinky.

00:15:58

He'll probably send you a copy as soon as he's done with it.

00:16:00

All right! You hang tight, baby.

00:16:02

I got an instant classic to read.

00:16:04

Keep the engine running, though, because if I know me, this book is gonna give me a pretty big erection.

00:16:08

Okay, enjoy! Keep an open mind.

00:16:09

You'll love it. It's a work in progress.

00:16:13

[telephone rings]

00:16:14

Hello. Penguin Publishing.

00:16:15

Unless this is that loan shark, in which case, Johnny's House of Noodles.

00:16:19

May I interest you in our bento lunch box?

00:16:20

Pinky, it's me.

00:16:22

Let me read the book. Give me, give me, give me.

00:16:23

Okay, okay, now, I should warn you, it's not quite what we expected, but it is good.

00:16:29

I'm telling you, this could really sell.

00:16:30

I might actually get to see my kids again.

00:16:32

Great. Send it over.

00:16:33

I'll read it right now.

00:16:35

All right, I sent it, but just remember--

00:16:36

To set my expectations sky-high?

00:16:39

- Way ahead of you. -

00:16:39
[cell phone beeps]

00:16:40
All right, book, let's see what you got.

00:16:43
BoJack, this is you.

00:16:46
One Trick Pony?

00:16:47
"The first time I met BoJack Horseman,

00:16:49
he was puking cotton candy off the deck

00:16:51
of his lavish house in the Hills,

00:16:53
the lights of the city twinkling below us.

00:16:55
The Make-A-Wish kids will not soon forget

00:16:57
the time the great BoJack Horseman

00:16:59
referred to their parents as 'a bunch of used jizz bags.'

00:17:02
He filled the air with words, terrified of silence,

00:17:05
as one often is who is smart enough to recognize

00:17:07
his many personal failings but unwilling or unable

00:17:11
to take the steps required to fix them.

00:17:13
Got out of the car, stepped out toward the coast,

00:17:15
and looked across the water,

00:17:17
and for a moment, he said nothing."

00:17:21
What the shit was that?

00:17:24
What the shit is this?

00:17:26
It's a phone. Well, a tiny computer, really.

00:17:28
I mean, amazing what technology can--

00:17:29
You were supposed to ghostwrite my memoir, but instead you

wrote a story about how you spent six months with me and saw

what a big, dumb loser I am.

00:17:35
Well, I realized that the best way to fully capture you, warts and all--

00:17:40
This isn't warts and all. It's just warts.

00:17:42
Where's the all?

00:17:43
I come off like a total asshole.

00:17:44
You come off as complex and deeply troubled but ultimately

sympathetic.

00:17:49
You might be too close to see that.

00:17:50
There's an entire chapter about me eating apple fritters.

00:17:53
You did go through that fritter phase.

00:17:55
Is this book how you see me?

00:17:56

That day we ran errands together,

00:17:57
I thought that we had a really good time, but you just wrote about

how I cried because the dry cleaner took my head shot down.

00:18:02
You were very emotional.

00:18:04
They didn't even replace me with anyone.

00:18:06
Now it's just a faded spot where my face used to be.

00:18:08
This will actually do wonders for your career.

00:18:10
Trust me.

00:18:11
I mean, you're just a dumb actor who doesn't know anything about

books, right?

00:18:15
[laughs]

00:18:15
- What?

00:18:17
Remember? From before?

00:18:18
Oh, I don't think you understand what's happening here.

00:18:20
This is not a casual conversation between friends.

00:18:23
This is your boss telling his employee that she did a bad job.

00:18:27
- Try again. - What?

00:18:29
Start over, but do it right this time.

00:18:31
Nobody is ever gonna see this.

00:18:35
- Ugh! -

00:18:35
[cell phone dialing]

00:18:37
[cell phone vibrating]

00:18:37
- Diane?

00:18:40
Hey, Wayne, you still work for BuzzFeed ?

00:18:42
Um, yes.

00:18:43
'Cause I got something that's gonna get you a shit-ton of hearts or

digs or smileys or whatever the hell you measure your journalism

with.

00:18:51
Curses!

00:18:53
My evil plan has been defeated, but I'll be back.

00:18:56
You haven't heard the last of Evil Emperor BoJackitron

Horsemaniac.

00:19:01
Oh, no!

00:19:02
You shot a laser at me!

00:19:03
Oh, no! I'm dying.

00:19:05
Oh, no, I'm dead.

00:19:08

And so now that we've escaped the evil clutches of the emperor,
00:19:12
I'm free to assume my natural form, an all-knowing floating orb of light?
00:19:17
True dat.
00:19:19
- Cut, cut. -
00:19:19
[buzzer sounds]
00:19:20
Come on, guys, this is ridiculous.
00:19:22
Is this even a movie anymore?
00:19:23
Oh, maybe it isn't a movie.
00:19:27
Yeah, maybe it's an immersive smartphone app or a 21st-century approach to 360-degree media envelopment.
00:19:34
Yeah, or maybe it's just, like, a feeling, you know?
00:19:38
- We've got work to do. - Yeah, yeah.
00:19:40
- Oh, my God, this is so good. - Oh, this is gonna be awesome.
00:19:42
Yes! Go, Todd.
00:19:43
Hello?
00:19:45
Are you just gonna leave me like this?
00:19:46
Anyone?
00:19:47
Ah!
00:19:49
Oh, good. You're here.
00:19:51
Oh, hi, BoJack.
00:19:52
This whole day's been a shit show.
00:19:54
The book turned out to be a total hatchet job.
00:19:56
The movie's a disaster.
00:19:57
But thank God I have one good thing in my life, and that's you.
00:20:01
BoJack, I--
00:20:02
Please let me say this before I lose my nerve.
00:20:04
I spent 50 years roaming the countryside as a wild stallion, but I am tired of the rodeo, and I'm finally ready to saddle up.
00:20:11
BoJack--
00:20:12
I guess what I'm trying to say is, this mustang wants to rest his head in the comforts of your spacious barn.
00:20:17
Uh, what?
00:20:18
I'm in love with you, Naomi.
00:20:20
BoJack, they fired me and replaced me with a ball on a stick.
00:20:24
I'm so sorry.

00:20:25
But look at the bright side.
00:20:27
Now you and I can just hang out and talk about feelings.
00:20:29
No, but you're not getting it. Boys never get it.
00:20:32
BoJack, I was in character as Diane, and as Diane, we had a real connection.
00:20:38
But now that I'm off the movie, I'm Naomi again, and Naomi is not interested in BoJack Horseman.
00:20:44
In fact, she thinks he's kind of gross.
00:20:47
So I didn't fall in love with Naomi Watts?
00:20:49
No.
00:20:50
You fell in love with Diane.
00:20:52
Naomi what?
00:20:54
Good-bye, BoJack.
00:20:56
Ugh.
00:20:57
See? Nothing.
00:21:03
What's going on? Why are they packing up?
00:21:04
Oh, glad you're here. This is exciting.
00:21:07
Since we last talked, this film has gone through
00:21:08
- so many permutations. - So many.
00:21:10
First, we reimaged the whole film as an interactive social-media experience.
00:21:15
Those are the dumbest words I've ever heard.
00:21:16
I know.
00:21:17
So we realized it was actually more of a floating art installation, but that didn't feel right either.
00:21:23
We thought, is it a high-end perfume?
00:21:24
A series of interrelated fortune cookies?
00:21:26
A hat that if you turn it upside down, it's a boat?
00:21:29
- No, it's none of those things. - Exactly.
00:21:32
That's why we finally settled on this.
00:21:34
Voilà!
00:21:35
What am I looking at?
00:21:37
[Todd]
00:21:37
It is a bimonthly curated box of snacks.
00:21:40
I don't know what that means.
00:21:41
I know. It's confusing.

00:21:43

Not the bimonthly that means twice a month, the bimonthly that means every other month, and each time it's a different box of snacks.

00:21:50

This is the future of cinema.

00:21:52

You guys, finally, my story has been told.

00:21:56

Okay, that's a wrap, everyone.

00:21:56

[claps hands]

00:21:59

Thanks for making this box of snacks a reality.

00:22:02

Let's go home.

00:22:05

What the hell happened to the movie?

00:22:08

Shit, there were snacks here the whole time?

00:22:11

Not bad.

00:22:12

- Whoa! - Look, I get it.

00:22:14

You destroyed my big chance at a comeback as revenge for what I did to your rock opera.

00:22:18

Revenge? Oh, that would have been such a good idea.

00:22:21

Damn it, Todd!

00:22:23

Look, I figured out what you did, but I've been trying to put it behind me and do my job.

00:22:27

So cutting my part down was not about revenge?

00:22:30

No.

00:22:31

And making BoJack the villain of your movie was not a coded statement of your feelings about me?

00:22:36

No.

00:22:37

Oh, okay, great.

00:22:39

Well, I'm-- I'm glad we buried the hatchet and everything's cool.

00:22:42

Uh, actually, you know, everything is not cool.

00:22:46

You ruined my rock opera by using character actress

00:22:48

Margo Martindale to trick me into playing an addictive video game.

00:22:52

And saying it all together like that, it all sounds kind of ludicrous.

00:22:55

But still, it was something I cared about, and what you did really hurt me.

00:23:01

Oh. Well, this feels shitty.

00:23:03

You sure you don't want to just get some revenge real quick-- thump me once in the stones and then we'll be even?

00:23:08

I got to go.

00:23:09

I've got some artisanal popcorns to gauge the mouthfeel of.

00:23:13

- Hey, BoJack. - Yeah?

00:23:15

You want an apple fritter?

00:23:16

Uh, sure.

00:23:18

- Yeah, I bet you would. -

00:23:18

[laughter]

00:23:20

I bet you'd like an apple fritter.

00:23:21

Yeah, an apple fritter would be great.

00:23:23

Why? What-- What-- What's happening here?

00:23:26

"Five Shocking Facts From New BoJack Book"?

00:23:28

No. No!

00:23:30

Um, everyone, please turn off your Internet.

00:23:32

It has gone bad.

00:23:34

I repeat, the Internet has gone foul.

00:23:37

- What a loser. - I'm glad I'm not that guy.

00:23:39

Give me your phones. I'm a celebrity.

00:23:40

You have to listen to me.

00:23:42

Look at his deep well of sadness.

00:23:43

It's hilarious.

00:23:45

Don't look at me. I'm well-adjusted.

00:23:48

- You all want my life. -

00:23:48

[laughter]

00:23:50

Uh, what the hell?

00:23:51

I know, I know. But if you just listen for--

00:23:53

You posted your dumb little book on the Internet.

00:23:55

No, I just leaked the first couple chapters, and people are already talking about it.

00:23:58

This is wildly unprofessional. Who do you think you are?

00:24:02

I know you're mad, and you have every right to be, but you got to read some of these comments.

00:24:05

People love you.

00:24:07

And they're gonna love you even more when they read the rest of my book.

00:24:10

- Your book? - Our book.

00:24:12

Nobody is gonna read that book.

00:24:13

How do you still not get that?

00:24:15

It is never going to be published.

00:24:17

BoJack, I stand by my work.

00:24:19

This is a really good book.

00:24:21

And if you just give it time, you'll see.

00:24:24

[sighs]

00:24:26

Maybe you're right.

00:24:28

Really?

00:24:29

No. You're fired.

Ep 11 — Downer Ending

00:00:05

[Spaghetti Western music]

00:00:13

Whoa!

00:00:14

[BoJack]

00:00:14

Okay, how about this one?

00:00:16

BoJack swallowed a dozen pastries in the time it took the caterer to unwrap a fruit tray.

00:00:20

When she asked where the pastries had gone,

00:00:22

BoJack claimed he had no idea, spraying her with bits of buttery crust?

00:00:27

[laughs]

00:00:27

I did that once.

00:00:29

Oh, but with holiday cookies.

00:00:32

I had sprinkles all over my sweater.

00:00:34

See? People respond to the flawed portrait I painted of you.

00:00:38

They see themselves in it.

00:00:39

Why do you love Secretariat?

00:00:41

Uh, because he was awesome?

00:00:42

No, because he was flawed.

00:00:44

BoJack, when people find out that someone like you, who seems larger than life, is actually just as wounded and vulnerable as they are, it makes them feel less lonely.

00:00:53

Ugh, no! Maybe that's what flawed, sad fatties want from other celebrities, but for BoJack Horseman, they want a heroic horse-stud who is awesome and who can save them from their flawed, sad, fatty lives.

00:01:04

- You're so wrong. - Actually, you know what?

00:01:06

Now that I think about it, I think that you're so wrong!

00:01:08

Listen, we all agree Diane broke contract by leaking the first two chapters, but the response has been amazing!

00:01:16

People want to read more, and we have to get this to the printers by the end of the week, because that's when the repo men are coming to take away our printers.

00:01:24

The end of the week? No!

00:01:25

Okay, what if I told you that I could have a new book for you by then?

00:01:28

- What? - Yeah, a better one.

00:01:31

Better stories, better told, by me-- straight from the horse's mouth.

00:01:34

You're gonna write a whole book in five days?

00:01:37

When's the last time you even read a book?

00:01:39

The Firm , by John Grisham?

00:01:40

Oh, do you think what you do is so hard?

00:01:43

[whining]

00:01:43

"Oh, I'm a writer.

00:01:45

I go to coffee shops with my laptop and my notebook and my dumb glasses that I have to wear, because I'm so important I need to see clearly."

00:01:54

Well, I wish you the best of luck.

00:01:55

You know what your problem is?

00:01:56

You think you're so much smarter than everybody.

00:01:58

Well, guess what.

00:02:00

I spent as much time with you as you did with me.

00:02:02

Why don't I write a book about how you married Mr. Peanutbutter because he's too dumb to see how much better you think you are?

00:02:08

- Okay, I know you're upset-- - I'm not upset.

00:02:11

I'm just sick of nerd-girls like you beating up on stars like me.

00:02:14

It's pathetic! I'm sorry no one wanted to date you in high school, Diane, but I don't see why I have to suffer just because you were never especially pretty or interesting.

00:02:23

You really let me down, BoJack.

00:02:26

You really let me down.

00:02:27

I apologize for her outbursts.

00:02:30

So, you really think you could write a better book by Friday?

00:02:33

Damn right I can, so you can throw this turd of a book in the garbage and then light the garbage on fire.

00:02:38

In fact, you can burn all books, because my book, written by me, is gonna kick your dick off.

00:02:46

[funky electronic music]

00:03:40

[thunder rumbles]

00:03:40

- Okay, chapter one.

00:03:45

Hmm.

00:03:46

Not quite right.

00:03:51

- Huh. -

00:03:51

[cell phone vibrating]

00:03:53

What?

00:03:54

Why are you rewriting the book, bozo?

00:03:56

Diane's version is great.

00:03:58

You're gonna lose gems like this one...

00:04:00

[clears throat]

00:04:01

[hacking, coughing]

00:04:06

Ahem. "The only longstanding relationship

00:04:08

in BoJack's life is with his agent, Princess Carolyn.

00:04:12

Her loyalty must come from a deep-rooted faith

00:04:14

that she's talented enough to sustain the career of a man society perceives as a joke."

00:04:19

Uh, yeah, I would say that I'm not such a fan of that one.

00:04:22

Look, all publicity is good publicity.

00:04:24

That guy who killed all those teachers and ate their fingers?

00:04:26

He just got married in jail, and when this book comes out,

00:04:29

you could be that guy.

00:04:30

Oh, don't you get it?

00:04:32

This is my last chance to make people love me again.

00:04:34

If this goes out, everybody's gonna see the real me.

00:04:36

Now, I spend a lot of time with the real me,

00:04:38

and believe me, nobody's gonna love that guy.

00:04:40

- Okay. - Now if you'll excuse me,

00:04:42

I need to go take a shower

00:04:43

so I can't tell if I'm crying or not.

00:04:48

All right, let's get to work.

00:04:50

[knuckles crack]

00:04:52

I feel like we can beat this font.

00:04:54

Ah, Copperplate, a font for the truly modern man.

00:04:58

Ha. No.

00:05:00

There you are, Verdana.

00:05:01

Thought you could hide at the end of the alphabet, did ya?

00:05:04

Oh, Comic Sans, you drunk, go home.

00:05:07

3:10? I just spent six hours playing with fonts? Holy shit!

00:05:11

Okay, focus BoJack, focus.

00:05:12

Here comes the focus.

00:05:19

Well, this can't be that hard.

00:05:21

[Diane's voice]

00:05:21

BoJack often felt the need

00:05:23

to impress me with material items.

00:05:25

You can see from the teeny, tiny brush strokes, that this is very expensive.

00:05:29

The color is, um-- This one they don't even have a name for, that's how exclusive it is, and this--

00:05:34

I wondered where this came from.

00:05:35

There were two obvious suspects.

00:05:37

His mother Beatrice,

00:05:39

heiress to the Sugarman Sugar Cubes fortune

00:05:41

and used to certain comforts,

00:05:43

and his working-class father, Butterscotch Horseman,

00:05:45

who struggled, and often failed, to provide those comforts.

00:05:48

Or, maybe it was something even--

00:05:52

[explosion noise]

00:05:52

Puuuhhhh!

00:05:59

[explosion noise]

00:05:59

Puuuhhhh!

00:06:05

- Hey, Todd, Todd! - What? What?

00:06:06

- Todd! Todd! - What? What?

00:06:08

Eyeballs here-- Look at me. Look at me!

00:06:09

I need to work. I can't afford to be distracted.

00:06:12

- Don't distract me. - Fine.

00:06:15

[paper rustles]

00:06:16

Oh, Jesus, Todd!

00:06:18

- Read louder much? - Sorry.

00:06:22

Oh, sure, just drop Toaster Strudel crumbs all over the floor, why don't you?

00:06:26

Guess I'll just clean them up myself, like always.

00:06:31

Oh, I can't work like this.

00:06:36

Come on, come on, come on, pick it up, you dumb vacuum.

00:06:40

Oh, I do not have time for this.

00:06:42

I need to write.

00:06:46

What the-- Come on!

00:06:48

Seriously? You cannot be serious--

00:06:51

God, why are you keeping me from writing?

00:06:54

[sighs]

00:06:56

[upbeat music]

00:06:59

[door chimes]

00:07:02

[door chimes]

00:07:07

My parents loved me so much, it was crazy.

00:07:10

I remember one Sunday afternoon, my mother said,

00:07:13

"Your father and I want to spend quality family time together.

00:07:17

All the kids in school envy your intelligence and kickball ability.

00:07:21

[happy music plays]

00:07:21

- Here's an ice cream sundae."

00:07:23

- No, wait. - "An ice cream sandwich."

00:07:25

- No. - "A dreamsicle."

00:07:28

Ah, no. I don't know. This is dumb.

00:07:30

[happy music wind-down]

00:07:32

[whack]

00:07:32

- Nice writing, Shakespeare.

00:07:33

What did I do?

00:07:35

[sighs]

00:07:37

Just need something to help me focus.

00:07:39

Coffee.

00:07:40

No, no. Cigarettes.

00:07:42

[blows smoke]

00:07:42

No, tequila!

00:07:44

Ah, no, I just need the right music...

00:07:47

[classical music]

00:07:47

to do drugs to.

00:07:50

■ Work it ■

00:07:52

Sarah Lynn, I know things got kind of out of hand last time when I tried to make you stop doing drugs.

00:07:58

So I just want to thank you for coming over this time to give me drugs.

00:08:02

Well, you can't go wrong with Dr. Hu's drugs.

00:08:04

They're from another dimension.

00:08:06

These are gonna help me focus and get work done, right?

00:08:08

Oh, yes. These are what I give college students so when they come to, their term papers have written themselves.

00:08:13

That's exactly what he needs.

00:08:15

Also, I should probably do another one.

00:08:18

[sniffs]

00:08:19

Oh, it's "Hu." Dr. Hu.

00:08:22

That's right, Dr. Hu. Dr. Allen Hu.

00:08:24

No, no, no, but I thought it was "Who," like Doctor Who.

00:08:27

Yes, that's exactly what it's like.

00:08:28

No, not H-U, but, "who," like, "Hello, who is it?"

00:08:32

Uh, I don't know. Who is it?

00:08:34

I'm sorry, is this a joke? Is he telling a joke

00:08:36

- that I just don't-- - Hard to tell.

00:08:38

Sometimes I just laugh after he talks so he'll leave me alone.

00:08:41

Seriously? Am I the only one who knows the extremely popular

00:08:43

BBC science fiction show about the time traveling doctor

00:08:46

- who saves civilizations? - Oh, yeah.

00:08:48

I know what you're talking about-- Doctor Who.

00:08:50

- Yes? - No.

00:08:51

- Yes, thank you. Doctor Who. - Yes?

00:08:53

I saw the one where she goes to the Wild West.

00:08:56

The Cheyenne called her Medicine Woman.

00:08:58

What? No, that's Dr. Quinn.

00:09:00

- Who's Dr. Quinn? - I most certainly am not.

00:09:02

Hu's not Dr. Quinn. Hu's Dr. Hu.

00:09:05

- I don't know. -

00:09:05

[both]

00:09:05

Third base!

00:09:07

When are these drugs going to kick in?

00:09:09

Any minute now, if they haven't already.

00:09:10

I want you to take three of these every hour and take two of these every 1/2 hour.

00:09:15

Whatever you do, don't take more than four of these every 90 minutes, and take the first two of the three before you take the second two of the four.

00:09:22

And don't expose yourself to bright light or get wet.

00:09:24

- So... Gremlin rules? - Exactly!

00:09:27

Well, I'm off to perform child heart surgery.

00:09:29

[groans]

00:09:29

Wish me luck.

00:09:31

[sniffs]

00:09:31

Ahh.

00:09:34

All right, team, focus up.

00:09:36

We got a book to write.

00:09:38

Yeah, yeah. Oh, my God, this is so good.

00:09:40

It's good.

00:09:42

- So good, so good. -

00:09:42

[upbeat eerie music]

00:09:44

Okay, Todd, how is it going with the heartwarming anecdotes?

00:09:48

Great! I'm writing about that time we officially became best friends.

00:09:52

Nice! Can you change best to pretty good?

00:09:55

Sarah Lynn, how's it coming with the Horsin' Around years?

00:09:57

Almost done with the story where Hulk Hogan guest starred and told us to say no to drugs.

00:10:01

Great. Keep typing, monkeys.

00:10:04

If only Hulk Hogan could see us now, right?

00:10:06

What?

00:10:08

Because Sarah Lynn said the thing about Hulk Hogan?

00:10:11

That was like four hours ago.

00:10:13

Oh, uh, right.

00:10:15

- How we doing now? - Sending.

00:10:17

- Just about to send. - Nice.

00:10:19

Okay, this is great.

00:10:20

That puts us at 216 pages?

00:10:23

Holy shit, that's almost as long as The Firm by John Grisham.

00:10:26

And we just needed to get to 200, right?

00:10:28

I'm just gonna keep writing.

00:10:29

I got a lot of synapses firing right now.

00:10:32

It's surprisingly literate and insightful, but still fun.

00:10:35

It's a beach read you can thumb through in a wing chair.

00:10:38

Can't believe Diane thought this was so hard.

00:10:40

"Ow, my fingers are cramping from all this typing.

00:10:43

It's like they're having their period."

00:10:45

Did Diane really say that?

00:10:47

No, but my fingers are cramping.

00:10:49

It's like they're having their period, am I right?

00:10:53

[laughs]

00:10:54

Are you just laughing so I'll leave you alone?

00:10:56

[laughs]

00:10:57

Good one.

00:10:59

We just need a way to end this thing.

00:11:01

What should the ending be?

00:11:03

Maybe it was Earth all along.

00:11:06

Not that, but something like that.

00:11:08

Keep thinking.

00:11:15

Uh...

00:11:17

[whinnies]

00:11:18

I got it!

00:11:20

Did you guys switch clothes?

00:11:22

[Sarah's voice]

00:11:22

No.

00:11:23

[talking backwards]

00:11:26

- Uh... What... Huh-- - I don't know.

00:11:28

I like your idea better, BoJack.

00:11:29

- What? - Your idea for the ending.

00:11:31

- Oh, what'd I say? - About Maine.

00:11:32

About how you end up in Maine.

00:11:34

I like the part where you swim in the lake in the summers.

00:11:36

Yeah, right, and when I get too old to take care of myself,

00:11:40

I go for one last swim.

00:11:41

I know I can't make it back to shore.

00:11:43

I'm too weak, too tired.

00:11:44

So I just let the water take me under.

00:11:47

Eesh! Downer ending.

00:11:50

- You got something better? - Wait a minute.

00:11:52

Maybe we don't know the ending yet because you haven't lived it.

00:11:56

Yeah, I mean, if you want to, like, finish finish the book, then you'd have to, like, die tonight.

00:12:01

Oh, I know! I should murder you.

00:12:04

[laughter]

00:12:06

I'm serious.

00:12:08

Think about it.

00:12:09

If the little girl you raised on television killed you in real life--

00:12:14

[gasps]

00:12:14

people would eat that shit up.

00:12:18

I love it. It's perfect. We'll sell so many books.

00:12:20

Oh, yeah. Yeah, kill BoJack!

00:12:26

- I'm gonna kill you! - Oh, yes!

00:12:29

There it is! Oh, yeah, gonna get you!

00:12:30

No, no, no, no--

00:12:32

Ah!

00:12:33

[all yelling]

00:12:33

[ominous rock music]

00:12:38

Okay, so what did we learn?

00:12:39

We learned that if we're going to do drugs we should do them at home where it's safe to do them together, right, Todd?

00:12:46

- No! - Ahh!

00:12:47

Don't worry, guys.

00:12:48

I have this gun to keep us safe from intruders.

00:12:50

- And each other. - Wait, wait, wait.

00:12:52

Is that just your gun-shaped lighter, or your lighter-shaped gun?

00:12:55

Busted! It's just a lighter.

00:12:57

[gunshot]

00:12:57

[all]

00:12:57

Aah!

00:12:58

Shit, I guess it's my gun.

00:13:00

Then what'd I do with my lighter?

00:13:01

And what did I give to that baby?

00:13:03

Ha, I have a gun, too.

00:13:05

Don't be a Silly Billy. That's a broom.

00:13:09

Wait, am I holding a gun?

00:13:11

Todd, are you holding a gun or a broom?

00:13:14

I can't tell anymore!

00:13:17

I guess we'll just have to shoot them at each other at the same time to find out!

00:13:22

Okay!

00:13:24

Todd, sh-- Oh-- Can I just say-- Todd, Todd, I need you--

00:13:26

I need you to shh. Listen, listen, Todd.

00:13:28

Okay, just to be totally clear, we're shooting each other to determine whether we're holding guns or brooms, right?

00:13:33

Not because you're still mad about the whole me sabotaging you with the rock opera and your live stream and suchety-such?

00:13:38

BoJack, shh, shh, okay, Bo?

00:13:40

Quiet, quiet, quiet, quiet.

00:13:41

As you know, I was hurt, but then I realized that's just how you are.

00:13:45

You know, and maybe I just need to stop expecting you to be a good person, so that way, I won't get hurt when you're not.

00:13:52

Oh, o-- Okay.

00:13:55

Hey, this isn't fair.

00:13:56

I don't have a gun.

00:13:58

Sarah Lynn is right.

00:13:59

You know, if we all had guns, then no one would need a gun, and we would all be safe.

00:14:03

Oh, my God.

00:14:04

I think we just solved the gun crisis in America.

00:14:06

- Let them eat guns! -

00:14:06

[fake gunfire]

00:14:10

Bang, bang, pow, pow, yeah, oh, wow!

00:14:12

Let's celebrate... by taking more drugs.

00:14:15

[intense electronic music]

00:14:19

Now we just have to solve the drug crisis in America.

00:14:22

Easy! We'll take them all.

00:14:23

Yes!

00:14:25

■ Madness Chaos in the brain ■

00:14:26

■ Let my blood flow ■

00:14:28

■ Make my blood flow Through you, man ■

00:14:30

■ You've got no business Questioning a thing ■

00:14:34

[music fades]

00:14:34

[echoing whooping sound]

00:14:41

[Diane]

00:14:41

BoJack?

00:14:44

[groans, sniffs]

00:14:46

Hey, sorry. You okay?

00:14:48

Yeah...

00:14:49

Listen, I've thought about it, and you're right.

00:14:52

Your memoir should be a representation of you.

00:14:55

It's only fair you're happy with how you're portrayed.

00:14:58

- Really? - Yeah.

00:14:59

And I want to help write a book we can both be proud of.

00:15:02

Oh, my God. Thank you.

00:15:06

Thank you.

00:15:10

Oh, wha-- Ooh!

00:15:13

- Are you okay? - Oh, no!

00:15:15

[panting]

00:15:15

Not this again!

00:15:17

Gaaaaahhhh!

00:15:19

[yelling]

00:15:19

What is happening!

00:15:22

I ate too many pancakes!

00:15:27

Oh, shit, I'm still tripping.

00:15:32

[Diane groaning, grunting]

00:15:36

- Kiss me. - Oh, Go--

00:15:39

[whimpering]

00:15:44

[electrical crackling]

00:15:48

Ah... ah... oh! Oh, oh, ah, ah...

00:15:51

[yelling]

00:15:52

[laughter]

00:15:56

[sneezes]

00:15:58

[cries]

00:16:00

You abandoned me, and I will never forgive you for that.

00:16:05

I'm Mr. Peanut-- I'm Mr. Peanut--

00:16:07

I'm Mr. Peanutbutter.

00:16:08

Oh, my God!

00:16:08

[grunting]

00:16:10

[panting]

00:16:11

What?

00:16:13

[deep voice]

00:16:13

Hoo hoo hah hah hah...

00:16:15

Ah!

00:16:17

[thud]

00:16:18

Whoa.

00:16:21

What the--

00:16:22

Whoa! Okay, stay calm.

00:16:24

I don't have outlines anymore. That's okay.

00:16:27

There's no boundary between me and space.

00:16:30

This is a thing that happens.

00:16:32

[groans]

00:16:37

Shouldn't we help him?

00:16:38

No, he loves treading water.

00:16:40

Oh-- Oh, God.

00:16:45

Uh-oh.

00:16:45

[whimpering]

00:16:48

Oh, my God. Oh, my God. Oh, my God.

00:16:50

[shrill laughter]

00:16:54

[laughter, chatter]

00:16:56

Why is everyone laughing? What's so funny?

00:16:58

Cut! Get your head out of your ass, B.J.

00:17:01

Your line is, "This is all I am and all I'll ever be."

00:17:06

This is all I am and all I'll ever be.

00:17:08

You can say that again, old man.

00:17:11

[echoing laughter]

00:17:16

[soft heavenly choir]

00:17:16

■ Oh ■

00:17:20

- Horse, horse, horse! - What is it?

00:17:23

Will you make me a penis butter and va-jelly sandwich?

00:17:27

What?

00:17:28

I said, make me a penis butter va-jelly sandwich, bitch.

00:17:32

[laughter]

00:17:32

- No, no.

00:17:35

No?

00:17:37

Well, isn't it too late to say no, BoJack?

00:17:41

This is the road you chose.

00:17:43

[laughter]

00:17:45

I'm sinking, somebody help.

00:17:47

The floor is tar.

00:17:49

Why don't you come with me? Come to Maine.

00:17:51

I can't, I'm stuck.

00:17:53

Do they have Pinkberry in Maine?

00:17:55

I can't!

00:17:56

[Beatrice]

00:17:56

Go out there. - I can't.

00:17:59

Can't lives in a house on Won't Street.

00:18:01

You will not embarrass me in front of the entire Supper Club.

00:18:04

I told them you were going to sing the "Lollipop" song.

00:18:08

But I don't feel like singing.

00:18:09

Nobody gives a damn what you feel.

00:18:11

You've got an audience out there, and they want to hear you sing.

00:18:15

Now, you want your mommy to love you?

00:18:17

You go out there and you do the only thing you're good for, which is singing the goddamn Lollipop song.

00:18:24

And let me tell you somethin'.

00:18:26

The secret to living forever is--

00:18:28

[bell tolling]

00:18:33

Oh, no.

00:18:34

[Diane]

00:18:34

Hey.

00:18:38

What seems to be the problem?

00:18:40

Good grief. I'm so depressed.

00:18:42

I just want everyone to love me, but I don't know how to make them do it.

00:18:45

You can't force love, you blockhead.

00:18:47

All you can do is be good to the people in your life,

00:18:49

and keep your heart open.

00:18:51

I screwed it all up.

00:18:52

It's too late for me, isn't it?

00:18:53

I don't know.

00:18:54

I'm just a crazy drug hallucination.

00:18:55

I'll say whatever you want me to.

00:18:57

Then tell me it's not too late.

00:18:59

Well, it's not too late. It's never too late.

00:19:01

- Yeah, that's right. - It's never too late to be the person you want to be.

00:19:04

You need to choose the life you want.

00:19:07

That'll be 5¢ please...

00:19:20

[grunts]

00:19:22

[doe]

00:19:22

BoJack.

00:19:23

Yes, dear?

00:19:25

Supper's ready.

00:19:28

Ran into Ed at the hardware store.

00:19:29

He said we're in for some weather.

00:19:31

What the hell does that mean? "Some weather."

00:19:32

We're always in for some weather.

00:19:34

Guess what, Ed? There's never not weather.

00:19:36

[laughs]

00:19:37

Oh, BoJack, don't.

00:19:40

Come on, I can't help it.

00:19:42

It's just so cute how they do it automatically.

00:19:43

How do they know?

00:19:45

Oh, man, can we just stay exactly like this for the rest of our lives, please?

00:19:50

Yeah, okay, sure, uh, or we could do the opposite of that, because I'm pregnant.

00:19:56

What? That's amazing.

00:19:58

Yeah, and I'm 80% sure it's yours.

00:20:04

Is it weird that I want to make love to you right now?

00:20:06
Why would that be weird?

00:20:08
I don't know, it's-- I don't want to spook the baby.

00:20:10
Maybe we should just do mouth and hand stuff for the next nine months.

00:20:15
[mellow instrumentals]

00:20:23
Oh, I think someone's awake.

00:20:25
Dada coming? Dada coming?

00:20:27
Yes, Gooby Girl, Dada's coming.

00:20:29
Dada.

00:20:31
I'm gonna eat your finger.

00:20:33
Yum, yum, num, num.

00:20:34
[baby giggling, cooing]

00:20:38
- Daddy? - Harper?

00:20:40
Where do the stars go?

00:20:42
Oh, they're still there.

00:20:43
We just can't see them because the sun is shining.

00:20:46
- Oh. Daddy? - Harper?

00:20:48
Do you think if you were a little kid, we would be friends?

00:20:52
Well, that depends.

00:20:54
Do you love cookies, and the color green, and braids?

00:20:56
Yes, I love all those things.

00:20:59
Well, then, your application has been submitted and is pending board approval.

00:21:03
Approved!

00:21:05
Wah!

00:21:05
[laughing]

00:21:07
Whoa!

00:21:10
Oh, no splashing!

00:21:12
Oh, no. Oh, oh, it's rough, oh, don't.

00:21:13
Oh, oh, you're tickling.

00:21:15
I got you!

00:21:17
She grew up so fast.

00:21:18
I don't like that he drives a motorcycle.

00:21:20
Honey, a Vespa is not a motorcycle.

00:21:23
[laughs]

00:21:24
Okay, okay.

00:21:26
What are you thinking about?

00:21:28
Oh, just how nice things could've been if you had chosen this life.

00:21:32
[distant rhythmic sound]

00:21:35
[cell phone vibrating]

00:21:39
- Oh... what? Where? -

00:21:39
[vibrating, music playing]

00:21:42
Hello?

00:21:44
BoJack, I read the pages you sent me last night, and I have to tell you, your book is absolutely, without a doubt, the most... gibberish.

00:21:53
- It's gibberish. - What day is it?

00:21:55
Let's see what you got here.

00:21:57
You got 20 pages of Doctor Who erotic fan fiction,

00:21:59
a recipe for soup, five different theories

00:22:01
about how 9/11 happened, and a bunch of embedded YouTube videos that can't possibly be printed in book form.

00:22:07
- Okay, I gotta go. -

00:22:07
[beep]

00:22:13
Any questions, at all, for our panel of ghostwriters?

00:22:18
Um, yeah, I have a question for Tori Spelling.

00:22:21
Again, Tori Spelling is not here, as I already explained.

00:22:25
Tori Spelling's ghostwriter is here.

00:22:28
This is a ghostwriter convention.

00:22:29
How do you not--

00:22:31
[clears throat]

00:22:32
Okay, next question?

00:22:34
Uh, yeah, this is for the whole panel.

00:22:36
What's your favorite kind of ghost to write for?

00:22:39
What? No, they don't write for ghosts.

00:22:42
That's not wha-- Why did I think this would be a good idea?

00:22:45
Does anyone have an actual question for someone on this panel?

00:22:51
An actual question, or a gun, so I can shoot myself?

00:22:55
[BoJack]

00:22:55
Yeah, I got a question.

00:22:56
Oh, thank God.

00:22:58

[microphone feedback]

00:22:58

My question is for Diane.

00:23:00

Look, I'm sorry about all the stuff I said about you earlier.

00:23:03

We can publish the book you wrote.

00:23:05

You're obviously a better writer than I am, and I don't actually even really care what the world thinks about me anymore.

00:23:12

I just hated reading that book because I hated feeling like that's how you saw me.

00:23:16

Because I guess you know me better than anybody, and if you think that--

00:23:21

Um, I guess my question is, do you--

00:23:24

Do you think it's too late for me?

00:23:26

What?

00:23:28

I mean, am I just doomed to be the person that I am?

00:23:30

The-- The person in that book?

00:23:32

It's not too late for me, is it? It's-- It's not too late--

00:23:35

Diane, I need you to tell me that it's not too late.

00:23:38

- BoJack, I-- - I-- I need you to tell me that I'm a good person.

00:23:41

I know that I can be selfish and narcissistic and self-destructive, but underneath all that, deep down, I'm a good person, and I need you to tell me that I'm good, Diane.

00:23:51

Tell me, please, Diane. Tell me that I'm good.

00:24:00

[bird calling]

00:24:01

[Harper giggling distantly]

00:24:09

Hey, aren't you the horse from Horsin' Around ?

Ep 12 — Later

00:00:05

[polite applause]

00:00:06

[male TV host]

00:00:06

When we booked you for this show,

00:00:08

you'd just won the Triple Crown, but then just this week,

00:00:12

I open up the newspaper, and look at this...

00:00:15

"Secretariat Under Investigation."

00:00:17

What am I supposed to do with that?

00:00:19

Maybe it's a different Secretariat.

00:00:21

Ha ha ha ha. No, but seriously, folks, there is no truth to these allegations.

00:00:26

I have never bet on horse racing, and I certainly did not bet on my own races.

00:00:31

Although I did bet the network's gonna give your show back to Joey Bishop.

00:00:34

O-- ho ho-- kay.

00:00:36

We get letters here on the show, and one particular letter, for you, actually, struck a chord with our producers.

00:00:42

This is from BoJack H. BoJack is nine years old.

00:00:45

BoJack writes, "Dear Secretariat,

00:00:48

I am a horse just like you.

00:00:50

I like to watch racing, and you are my favorite racer."

00:00:52

Smart kid.

00:00:54

"When I grow up, I want to be just like you, and I think I'm on the right track.

00:00:57

Get it? Track, because horses run on tracks, and you are a horse, and I am a horse.

00:01:02

Do you get it? Do you get my joke about the track?"

00:01:04

Okay, there's a whole page of this.

00:01:06

Should I write him back and tell him I get it?

00:01:08

He goes on, "My question for you is,

00:01:10

I am a good kid, and I like to play, and I like to go to school, but sometimes I get sad.

00:01:16

What do you do when you get sad?

00:01:18

How do you not be sad? Sincerely, BoJack."

00:01:20

That's a great letter.

00:01:22

BoJack, when I was your age, I got sad.

00:01:25

A lot.

00:01:27

I didn't come from such a great home, but one day, I started running, and that seemed to make sense, so then I just kept running.

00:01:35

BoJack, when you get sad, you run straight ahead and you keep running forward, no matter what.

00:01:42

There are people in your life who are gonna try to hold you back, slow you down, but you don't let them.

00:01:47

Don't you stop running and don't you ever look behind you.

00:01:49

There's nothing for you behind you.

00:01:51

All that exists is what's ahead.

00:01:54

[man 1]

00:01:54

Good morning, Louisville. It's August 22nd, 1973.

00:01:59

[man 2]

00:01:59

A sad day for the sport of horse racing.

00:02:01

Secretariat banned for life from competition.

00:02:04

[man 1]

00:02:04

It's a disgrace is what it is. This is the '70s.

00:02:07

You can't cheat in sports and get away with it.

00:02:09

[man 2]

00:02:09

You know, I think it just goes to show you,

00:02:11

you can be the fastest runner in the world,

00:02:14

but you can't outrun the truth.

00:02:18

[wind whooshes]

00:02:19

[man 3]

00:02:19

And traffic is jammed today coming into Louisville.

00:02:22

Looks like some idiot parked his car on the bridge.

00:02:24

[funky electronic music]

00:03:21

And the Golden Globe for Best Comedy or Musical

00:03:24

goes to BoJack Horseman, my friend,

00:03:28

for his book One Trick Pony.

00:03:30

[woman]

00:03:30

This is a first win for BoJack Horseman and his first appearance at the Globe ceremony

00:03:35

since his forced removal in 1992

00:03:37

after he exchanged blows with Sir Paul McCartney.

00:03:41

Wow, what an honor.

00:03:42
I have to thank the Hollywoo Foreign Press.

00:03:44
I feel like I should mention

00:03:46
that my book was not a comedy or a musical.

00:03:48
Do you guys actually watch the movies you give awards to?

00:03:50
'Cause I kind of get the sense that--

00:03:51
Also, my book was not a movie. You do know that, right?

00:03:53
We're friends.

00:03:55
Anyway, the response to this book has been incredible.

00:03:57
These last three months have been really amazing.

00:04:00
You know, a lot of people said to me,

00:04:02
"You sure you want to publish this book?

00:04:03
It's pretty personal."

00:04:05
And I said, "If I can make just one person out there

00:04:07
feel a little less alone, then it's all worth it."

00:04:10
And they said, "That's really brave."

00:04:12
And I said, "Well, I'm not one to call myself brave, but since you

00:04:14
said it, yeah, I am."

00:04:17
- After-party at my restaurant! -

00:04:17
[cheering, applause]

00:04:20
Why did I say after-party at my restaurant?

00:04:22
I do not want to throw a party.

00:04:24
It did seem unlike you. I'm gonna go get some cotton candy.

00:04:26
- You want some? - No.

00:04:28
- Yes. - There he is, man of the hour.

00:04:32
- Hello, other grown up. - Ugh.

00:04:34
Oh, cheer up, dummy. Your book is a huge success.

00:04:37
Everybody loves you. You just won a Golden Globe.

00:04:40
If you can't be happy tonight, maybe you'll never be happy again.

00:04:43
I'm sorry, is that supposed to be encouraging?

00:04:45
- Because it's super-bleak. - Vincent Adultman... how are things at

00:04:47
the old nine to five?

00:04:50
Good. I went to the stock market today.

00:04:52
I did a business.

00:04:54
I keep telling him he works too hard.

00:04:56
Come on, Vincent, let's get away from the rat race.

00:04:58
Take a cruise someplace wet and Latin.

00:05:01
I mean, can you imagine this body in a swimsuit?

00:05:04
- I literally cannot. - Vincent, let's do a lap.

00:05:06
Have you met Brendan Fraser?

00:05:08
I feel like you two would love each other.

00:05:10
Whoa. Easy, easy.

00:05:11
I got to hand it to Diane.

00:05:13
This book has been everything she said it would be.

00:05:15
Yeah, she knows what she's doing.

00:05:17
How is Diane? I haven't seen her since...

00:05:19
Well, I haven't seen her in a while.

00:05:21
Oh, well, the book's been huge for her, too.

00:05:23
She's practically as famous as I am now.

00:05:25
- We're like the Brangelinas. - Well, I'm happy she's happy.

00:05:28
- And how are you? - Well, it's been really hard--

00:05:30
Erica, is that you? Who let you out of the burn ward?

00:05:34
- Get over here, you. - Uhh.

00:05:36
Excuse me. I just have to tell you how much I love your book.

00:05:40
It's so naked and honest and revealing.

00:05:43
It is? Uh-oh.

00:05:45
I love the part about how you became famous so you could be

00:05:47
constantly surrounded by distraction and wouldn't have to be alone

00:05:49
with yourself.

00:05:51
I thought that was a really profound observation.

00:05:53
Oh, yeah, definitely. So profound.

00:05:56
- Do you want to get out of here? - What?

00:05:58
Come back to my place, maybe get a little more naked,

00:06:01
- honest and revealing? - Oh, no. No, thanks.

00:06:03
- What about you? - Yeah, okay.

00:06:05
[woman moaning and panting]

00:06:07
[BoJack groans]

00:06:09
- Oh-- Whoa. -

00:06:11
[screams]

00:06:13
Huh.

00:06:15
- Hey, Diane. - You still friends with BoJack?

00:06:16
Heard you two were on the outs.

00:06:18
You gonna write another book about it?

00:06:19
Oh, you looking at some oranges?

00:06:21
You gonna write a book about those oranges, huh?

00:06:23
[cell phone vibrates]

00:06:24
- Hello. - Diane.

00:06:26
Sebastian St. Claire here, famed billionaire philanthropist/adventurer.

00:06:30
Please, hold your applause.

00:06:33
- Okay. - You can applaud a little.

00:06:35
Okay.

00:06:37
I got your number from Pinky Penguin.

00:06:39
I'm looking for a journalist to follow me around for a few months and document my daring exploits aiding ravaged communities and displaced people.

00:06:47
- Ssss. - Wow, that sounds amazing.

00:06:50
But that's not usually the kind of thing I write about.

00:06:53
Diane, if you can make people care about BoJack Horseman, surely you can make them care about emaciated orphans with missing limbs.

00:07:03
We need to wake people up.

00:07:05
Well, I am a morning person.

00:07:07
I hope you mean mourning with a "u," because, Diane, this is deadly serious.

00:07:12
Oh, yes, of course.

00:07:16
You want to spend three months in Sudan?

00:07:19
Not just there. We're also going to Haiti and Thailand and Uganda and Chechnya.

00:07:23
Can't you do all that in L.A.?

00:07:25
I want to do something important.

00:07:27
I want to help people and do good work and sleep on the ground and poop in a bucket.

00:07:33
Honey, nobody wants to poop in a bucket.

00:07:36
Maybe I do. Maybe I want to poop in a bucket.

00:07:39
If you want to poop in a bucket, we can get you a bucket.

00:07:41
You don't have to go all the way the Chechnylavakia.

00:07:43
Am I saying that right?

00:07:45

It's not just the pooping in a bucket.

00:07:47
I think it might be good for me to get out of L.A. for a little bit.

00:07:50
Sweetie, you know I support you, whatever you want to do, but you're not gonna find what you're looking for in these awful made-up places.

00:07:57
The universe is a cruel, uncaring void.

00:08:00
The key to being happy isn't a search for meaning.

00:08:02
It's to just keep yourself busy with unimportant nonsense, and eventually, you'll be dead.

00:08:07
Well, I guess I can keep my options open.

00:08:11
Great.

00:08:12
[whistles gleefully]

00:08:14
Hey, can I ask you something?

00:08:17
Did Vincent seem extra weird to you last night?

00:08:21
Well, he's still three kids in a trench coat, so, no.

00:08:24
We're going through a rough patch. It's hard, you know.

00:08:26
He's works a full time job at the business factory, so when he gets home, he just wants to unwind by watching R-rated movies.

00:08:32
Ahh, I thought I was ready for a real adult relationship,

00:08:34
- but-- -

00:08:34
[snores]

00:08:36
Enough about me. BoJack, you are on fire.

00:08:38
Oh, are we talking about me again?

00:08:40
We have an offer on the table for you to play the bad guy in the new James Bond.

00:08:44
- Ehh. - I agree. Total garbage.

00:08:47
But this, it's a new drama from the Coen Brothers.

00:08:49
A western about a one-horse town and you're the horse.

00:08:52
Hello, Oscar. What do you think?

00:08:54
I think now's the time to finally make "Secretariat."

00:08:57
Really? Now? Aren't you a little, um, very too old?

00:09:00
You asked me what I wanted to do. That's what I want.

00:09:02
That's all I've ever wanted, and if I can't get it now, then all of this has been for nothing.

00:09:07
Oh, fish. Of course!

00:09:09
Why would you ever make things easy for me when instead you could make things incredibly difficult?

00:09:13

Laura, clear out the rest of my day.

00:09:15

I have to push a boulder up a hill, and then have it roll over me time and time again with no regard for my well-being.

00:09:22

Attagirl.

00:09:25

All right, Todd. PB Livin' needs a new project.

00:09:27

Bi-Monthly Curated Box of Snacks has been an enormous success, but I got into this game to make movies, so let's make a movie.

00:09:34

Well, I got a stack of great scripts here.

00:09:36

Any one of them would make a wonderful movie.

00:09:38

Fantastic.

00:09:39

But I also have this other non-movie-related idea.

00:09:44

Ooh, let's hear the other idea.

00:09:45

Okay. I was heading down Wilshire, and I saw this empty store front, and I thought,

00:09:50

"You know what this world needs?"

00:09:52

Edge of my seat over here.

00:09:54

A store where people can buy Halloween stuff.

00:09:57

Halloween store. Feel like that's been done.

00:10:00

Yeah, in October, but how come your never see a Halloween store in January?

00:10:06

- It's an untapped market. - Yeah.

00:10:08

A Halloween store that's open year-round.

00:10:10

- No, no. Just January. - Brilliant.

00:10:13

That's the kind of idea that wins Golden Globes.

00:10:19

I actually think the time is right for "Secretariat," so what do you want to play, like, Secretariat's dad or his grandfather, maybe like an elderly witch doctor who puts a curse on him or something?

00:10:28

Lenny, look, I know I'm a little long in the tooth, but I think that you more than anyone would know not to count out an old pro.

00:10:34

Don't play the ageism card with me, kid.

00:10:36

I've laid farts that lasted longer than your entire career.

00:10:39

But Secretariat was dead at 27, so who we kidding here?

00:10:42

Just set the project up and give me an audition.

00:10:44

- That's all I ask. - All right.

00:10:45

You got yourself a "go" picture, kid.

00:10:47

And by you, I mean me. And by "go" picture,

00:10:49

I mean I'll make some phone calls, we'll see what I can do.

00:10:51

And by kid, I mean middle-aged adult.

00:10:56

[whispers]

00:10:56

Shh. No, no, no. Put it here. Put it here.

00:10:58

[whispers]

00:10:58

Okay, I'll do it. - Ahem.

00:11:01

- Has this ever happened to you? - Has what ever happened to me?

00:11:04

- Todd? - Yes, Mr. Peanutbutter?

00:11:07

What's going on? Why are you talking like that?

00:11:09

Todd, I just got a phenomenal idea for a Halloween costume.

00:11:13

Why don't you and I dash over to the store right quick and spend some hard-earned American money?

00:11:17

Oh, but, Mr. Peanutbutter, didn't you hear?

00:11:20

It's January, and the Halloween store won't open for another nine months.

00:11:26

But I want satisfaction now.

00:11:28

Has this ever happened to you?

00:11:31

Not to anyone ever at any time.

00:11:33

Ahem. We give you Halloween in January, a truly immersive Halloween experience for the rest of us.

00:11:42

Halloween in January? Please elaborate.

00:11:45

Okay, but before I do, tell the audience.

00:11:47

- Have we ever met before? - Never.

00:11:49

Well, according to facts, there's more suicides in January

00:11:53

- than any other month. - I'm getting pretty close over here.

00:11:55

Also, there's less Halloween stores. Coincidence?

00:12:00

Wow, I'm convinced. This store could save lives.

00:12:03

Unbelievable. When your powers combine... you are somehow even more stupid than the sum of your stupids.

00:12:09

- Thank you. - Go on.

00:12:10

You stop encouraging him and you stop encouraging him.

00:12:13

The two of you are playing with fire.

00:12:15

A fire called Having a Good Idea.

00:12:17

Or maybe a fire called Friendship.

00:12:20

- Fires aren't called things. - What about the Chicago fire?

00:12:23

Or Fire Island.

00:12:24

- Or Gabe. - Who's Gabe?

00:12:26

Just a fire I met once. Named him Gabe.

00:12:28

- He sounds delightful. - He was. Good guy.

00:12:30

[groans]

00:12:37

Business, business, business. Is that all you ever think about?

00:12:40

I don't know.

00:12:41

What's under that coat, Vincent?

00:12:43

- You need to let me in. - Not right now.

00:12:46

I have to call the guy at the office and take the car to the place.

00:12:50

It's always guys in places with you.

00:12:51

You know, I thought I wanted to date a real adult, but I'm actually young at heart.

00:12:56

I need to feel the grass between my toes.

00:12:58

I want to wear jeans. I want to dance.

00:13:01

- That's baby stuff. - No, Vincent.

00:13:03

There's more to being an adult than just work and business and the tall-person rides at Disneyland. I want to have fun.

00:13:09

There has to be a difference between monogamy and monotony.

00:13:12

What's mahumanunny?

00:13:14

Well, clearly we had a different understanding of what this was.

00:13:18

I'd like to be an adult about this, but frankly, I'm hurt.

00:13:21

I think you should just go, just git. Get out of my life.

00:13:25

Okay.

00:13:26

Okay.

00:13:28

Could I have another soda?

00:13:33

BoJack, you know Kelsey Jannings, our director.

00:13:37

I really appreciate you giving me this opportunity.

00:13:39

Yeah.

00:13:41

Secretariat was kind of my hero as a kid.

00:13:44

Yeah, he was a lot of people's hero.

00:13:46

Well, you know, here was a guy who had everything--

00:13:48

Yeah, I know the story. I'm the director.

00:13:51

Kelsey, be nice.

00:13:52

She's just cranky because she's already seen 30 people read for this today, and we are all so goddamn sick of seeing auditions, so whenever you're ready.

00:14:00

Just jump right in.

00:14:01

Great. Let's get to it.

00:14:03

[stilted]

00:14:03

Hey, ain't you that horse

00:14:05

- that won all them races? - Not today, ma'am.

00:14:08

Today I'm just a customer who wants a warm slice of pie.

00:14:11

Can I ask you a question?

00:14:13

When you're out there on that there racetrack,

00:14:15

- what are you running from? - You want to know the truth?

00:14:18

Nothing.

00:14:19

Everyone's running from something, sugar.

00:14:21

No, I'm running from nothing. I'm terrified of nothing.

00:14:26

People come up to me, they want my autograph, they want my picture.

00:14:29

They think they recognize something in me, and I want to be that person they think I am, but I'm not.

00:14:35

They see a greatness in me, and they mistake it for goodness, but I... I know there's nothing there.

00:14:41

As fast as I run, I can't get way from that.

00:14:46

- Oh. - Wow.

00:14:47

BoJack, I think I speak for everyone when I say--

00:14:51

Oh, my God, Andrew Garfield said yes.

00:14:55

- We have our Secretariat. - We got Andrew Garfield?

00:14:58

Oh, my God, it's the best day of my life.

00:14:59

[Lenny]

00:14:59

You don't say no to Spider-Man.

00:15:01

[Kelsey]

00:15:01

This movie is gonna be amazing.

00:15:02

Andrew...

00:15:03

Garfield!

00:15:06

Now, the pills will give you nightmares--

00:15:09

I mean, just horrifying-- but the malaria will give you death, so you're going to want to take the pills, Diane.

00:15:15

- Uh-huh. - Hold on.

00:15:16

A mosquito got into my tent. What do you want?

00:15:21

[cell phone vibrates]

00:15:21
- Hello?

00:15:23
Diane, it's Princess Carolyn, BoJack's agent.

00:15:25
Yeah, I know who you are.

00:15:27
I'm the pink cat, the one who used to date BoJack.

00:15:29
We've met a lot of times. You came to my wedding.

00:15:32
Listen, the Turteltaub Company

00:15:33
is making a movie about Secretariat.

00:15:35
And since you're such an expert, they want to bring you on board as a character consultant.

00:15:40
What does that mean?

00:15:42
Oh, it's the cushiest job in the world.

00:15:44
You sit in a fancy chair and eat pastries all day.

00:15:46
And then once a week, you say, "Secretariat wouldn't do that."

00:15:49
I don't know. I've already been offered this other thing.

00:15:51
And did you know there are orphans in Sudan--

00:15:53
You take this job, you can buy all the orphans you want.

00:15:55
No, I don't want to buy them.

00:15:57
Look, if you really want to help people, it doesn't hurt to have a little money in your pocket.

00:16:01
Take the job now, help the orphans later.

00:16:03
- There's always later. - Hmm.

00:16:06
Okay, talk it over with your husband.

00:16:07
I got to go get my whiskers trimmed.

00:16:09
I run into walls for days, but I look hot.

00:16:14
- How's the pie here? - Not good.

00:16:16
Well, I'll take all you got.

00:16:18
Screw it. Throw it in a bowl with some bourbon

00:16:19
- and bring me a ladle. - Mm-hmm.

00:16:22
BoJack, we notice you've been pretty down in the dumps lately, but we have something that we think is going to cheer you up.

00:16:29
It's an exciting new business venture that's equal parts new and exciting.

00:16:34
Another one? What happened to your Halloween store?

00:16:37
- What now? - Oh, right.

00:16:38
The Halloween store.

00:16:40

We took the floor out because Mr. Peanutbutter kept scratching up the hardwood, and then-- Did we ever get the new floor installed?

00:16:47
Uh...

00:16:49
Halloween? In January?

00:16:51
What a great ide-- Aah!

00:16:53
[thud]

00:16:55
Anyway, now we're all about smoodies.

00:16:57
- What? - Smoodies.

00:16:59
You're saying smoothies, right? Smoothies.

00:17:01
No. Smoodies.

00:17:03
It's a mood that you drink like a smoothie.

00:17:05
I don't understand it. How do you drink a mood?

00:17:08
- Like a smoothie. - So it is a smoothie.

00:17:11
No, it's a smoodie-- A mood that you drink.

00:17:14
- How do you drink a mood? - Like a smoothie.

00:17:18
But do you buy it in a store? What're the physical attributes?

00:17:21
We haven't worked out all the kinks yet, but the important thing is we've gone public, and we want you to get in on the ground floor.

00:17:28
See, that's the problem with all your ideas-- they don't have ground floors.

00:17:32
Finally, a Halloween store for the rest of-- Aah!

00:17:36
[thud]

00:17:38
[man]

00:17:38
Hello.

00:17:39
Anyway, our launch party's tonight,

00:17:42
- and we'd love it if you came. - We spared no expense... that's how confident we are in our product.

00:17:47
- Your product-- Smoodies. - Yes.

00:17:48
Wait, did you say smoodies or smoothies?

00:17:51
Because we only make-- Which one do we make?

00:17:53
I'd like to think the smoodies make us.

00:17:56
Ahh, I can tell by your tone that that was something smart.

00:18:00
[hip-hop music]

00:18:03
- Smoodie keychain? - Smoodie cozy?

00:18:06
-Smoodie bottle opener?

00:18:07
It's a mood that you drink like a smoothie.

00:18:09

Todd, it is all happening.

00:18:11

Hooray. And you know I don't throw that word around lightly.

00:18:15

All right. Now we just got to make sure we focus and actually follow through on this.

00:18:19

I'd feel awful if this great idea fell apart because we got distracted by something else, as we are often wont to do.

00:18:26

Wait, did you say you feel awful or falafel?

00:18:29

I said, "Feel awful," but tell me more about this falafel idea.

00:18:34

Falafel or fawaffle?

00:18:38

What?

00:18:39

[dance music]

00:18:45

BoJack, isn't this exciting? Smoodies, right?

00:18:49

Do you even know what a smoodie is?

00:18:52

I think it's some kind of an adult onesie.

00:18:54

Whatever it is, I'm trying new things.

00:18:56

I'm single again, and I'm loving it.

00:18:58

- Let me repeat-- - Princess Carolyn.

00:19:01

Vincent. Well, you've got some nerve showing your face.

00:19:05

- I've got half a mind to-- - No, let me talk.

00:19:08

I had a attitude problem, but then I took a timeout, and I thought about what I did.

00:19:15

I wanted to be a big man.

00:19:17

But sometimes the biggest thing a man can do is tell the truth.

00:19:22

And the truth about me is, I... I--

00:19:26

- Okay, here we go. - I love you.

00:19:28

- What? - Oh, Vincent.

00:19:30

Let's go feel grass between our toes.

00:19:33

- What? - All right.

00:19:35

You're a better man than I could ever be.

00:19:37

I wish my boyfriend was that mature.

00:19:39

[groans]

00:19:39

[cell phone vibrates]

00:19:41

- Hello? - BoJack, it's Kelsey Jannings.

00:19:43

I got some news about "Secretariat."

00:19:45

- What's up? - Garfield's out.

00:19:47

He got into some sort of accident.

00:19:49

An All Hallows' Eve store in January?

00:19:51

How fiendishly droll. Aah!

00:19:54

[thud]

00:19:56

Oh, bother.

00:19:57

The clumsy bastard broke every bone in his body, and now we got to find a new lead.

00:20:01

Studio wants to go young, but I was thinking we'd get someone a little more BoJack Horseman.

00:20:07

What? Are you serious?

00:20:09

You're the only one with enough grit to play the part, and we can age you down in post, but I'm gonna tell you now, not gonna put up with any woe-is-me bullshit or diva histrionics.

00:20:17

I get enough of that from my ex-wife along with newspaper clippings about gluten.

00:20:21

God, we get it, Marla. Gluten.

00:20:23

But if you want to make a movie, and you're ready to work...

00:20:26

I am. I will. I can. I do.

00:20:28

Great. You got one month to get in shape.

00:20:30

You need to lose 50 pounds and then gain back 20.

00:20:32

- And, BoJack... - Yeah?

00:20:34

Don't ever call this number.

00:20:36

If I want to talk, I'll call you.

00:20:37

[cell phone beeps]

00:20:41

- Hey. - Hey.

00:20:44

Not big on parties, huh?

00:20:45

Nah. I never know what to do with my hands.

00:20:48

I think I just got cast in Secretariat.

00:20:50

- That's amazing. - It's everything I ever wanted.

00:20:53

- Yeah, you seem super-jazzed. - What do I do now?

00:20:57

Well, that's the problem with life, right?

00:20:59

Either you know what you want, and you don't get what you want, or get what you want, and then you don't know what you want.

00:21:04

- Well, that's stupid. - Yeah.

00:21:07

I don't know if this makes you more or less excited, but I actually decided to take a job on the Secretariat movie as a character consultant.

00:21:14

Wow, so we're gonna be working together again.

00:21:17

Yeah. I hope you don't get sick of me.

00:21:19

I don't think that's gonna happen.

00:21:20

- Is it weird I took this job? - Why would it be weird?

00:21:23

You literally wrote the book on Secretariat.

00:21:26

Yeah, I know. I just-- When I first moved to L.A...

00:21:29

I thought I was gonna be doing really important work.

00:21:32

You know, writing stuff that makes a difference.

00:21:35

But then you kind of fall into one thing and then another...

00:21:38

Well, you've got time. There's always later, right?

00:21:40

Yeah, I guess there's always later.

00:21:42

Do you remember the last time I saw you?

00:21:44

You asked me if I thought you were a good person deep down?

00:21:47

Do I remember that? Yeah, vaguely.

00:21:50

You caught me off guard. I didn't know what to say.

00:21:52

Well, do you think I'm a good person... deep down?

00:21:56

That's the thing. I don't think I believe in deep down.

00:21:59

I kind of think all you are is just the things that you do.

00:22:03

- Well, that's depressing. -

00:22:03

[laughs]

00:22:06

For what it's worth,

00:22:07

I think your writing does make a difference.

00:22:09

Thanks.

00:22:11

I really wanted you to like me, Diane.

00:22:13

I know.

00:22:27

■ I know I've dreamed you ■

00:22:32

■ A sin and a lie ■

00:22:39

■ I have my freedom ■

00:22:46

■ But I don't have much time ■

00:22:52

■ Let's do some living ■

00:22:59

■ After we die ■

00:23:05

■ Wild horses ■

00:23:11

■ We'll ride them someday ■

00:23:15

[girl on TV]

00:23:15

Sorry we didn't get you a birthday present.

00:23:19

I got so distracted by trying to get tickets

00:23:21

to the New Kids On The Block concert,

00:23:23

I completely lost sight of what's important.

00:23:26

And I got so swept up in my campaign for class president,

00:23:29

I forgot why I was running in the first place.

00:23:32

And I was boy crazy.

00:23:34

Kids, kids, I don't need a present.

00:23:36

I got everything I need right here.

00:23:38

[audience]

00:23:38

Aww.

00:23:39

- Macaroni. - Sabrina.

00:23:42

Come here, you goofball.

00:23:44

[applause]

00:23:46

[closing theme music]

00:23:52

[overlapping chatter]

00:23:55

[laughter]

00:23:58

- Aha. - Whoa.

00:24:01

- Can you make it out to Blake? - Uh-huh.

00:24:02

Thanks, man. You're, like, my hero.

00:24:05

Really?

00:24:07

Huh.

00:24:22

■ All I want to know is ■

00:24:26

■ Can you come A little closer? ■

00:24:31

■ The doors are open The wind is really blowing ■

00:24:34

■ The night sky Is changing overhead ■

00:24:38

■ It's not just all physical ■

00:24:41

■ I'm the type who won't get Oh, so critical ■

00:24:45

■ So let's Make things physical ■

00:24:48

■ I won't treat you like You're oh, so typical ■

00:24:52

■ Oh-oh-oh ■

00:24:54

■ Oh-oh-oh ■

00:24:56

■ I won't treat you like You're typical ■

00:24:59

■ I want you close I want you ■

00:25:03

■ I won't treat you like You're typical ■

00:25:06

■ All I wanna get is ■

00:25:09

■ A little bit closer ■

00:25:13
