00:00:06

[BoJack]

00:00:06

It's a dream come true.

00:00:09

[woman]

00:00:09

You've been trying to get this movie made for 20 years.

00:00:12

Did you ever think you'd be sitting here, talking about Secretariat?

00:00:15

Sitting here? In this hotel room?

00:00:18

[clears throat]

00:00:20

It's a dream come true.

00:00:22

What's it like to play Secretariat?

00:00:24

Dream come true.

00:00:25

Playing Secretariat, what was that like?

00:00:28

Dream come true.

00:00:29

[woman]

00:00:29

How long you in New York for?

00:00:31

Just a couple days of fun interviews, then it's off to Chicago for more fun interviews, and then, if I don't blow my brains out, I get to go back to L.A.

00:00:39

Darling, you're doing marvelously, I am so proud of you.

00:00:42

If I could make one slight adjustment?

00:00:44

Maybe fewer jokes about how these interviews

00:00:46

- make you want to blow your brains out? - Right. Sorry.

00:00:48

I am so thrilled to be here, talking with, uh...

00:00:51

-Yahoo Finland. -Yahoo Finland.

00:00:53

- Are you Finnish? - No, we are just getting started.

00:00:56

Walked right into that one.

00:00:57

What would an Oscar nomination mean for Mr. BoJack Horseman?

00:01:02

Any award recognition is just gravy.

00:01:04

The real joy is to sit in this hotel room all day, answering the same questions over and over again.

00:01:08

Great answers, you're divine. I'm in love with you.

00:01:11

One small adjustment. I don't think sarcasm is going to read.

00:01:14

Just write a script for me, so I don't have to think for myself.

00:01:17

Honey, I would shove my hand up your ass and control your mouth like a Muppet if it would win you an Oscar.

00:01:22

What do I know?

00:01:23

I'm just the publicist you hired to help win you an Oscar.

00:01:26

[woman]

00:01:26

What's it like to play Seabiscuit?

00:01:29

I don't know. You'd have to ask Tobey Maguire.

00:01:31

[man]

00:01:31

Your last attempt at a comeback was The BoJack Horseman Show.

00:01:34

Pass.

00:01:35

[man 2]

00:01:35

People still see you as the guy from that sucky show from the '90s.

00:01:38

Horsin' Around was not a sucky show.

00:01:40

- Yeah, but it was. - It lasted nine seasons.

00:01:43

Its whole purpose was for people to watch it so the network could sell ad time, so the show could make more money than it cost to produce.

00:01:49

It did that well. It was a good show.

00:01:51

- Yes, but it sucked. - It didn't suck!

00:01:56

Great job today. It could not have gone better.

00:01:58

My only note would be stop defending Horsin' Around.

00:02:01

Why? Millions of people loved it!

00:02:03

We need to use these next few months to define your story.

00:02:06

When people see you they need to think Oscar winner, not dumb asshole from an old TV show that nobody cares about.

00:02:13

Okay, I hear what you're saying, but we can both agree Horsin' Around was a good show, right?

00:02:17

BoJack, you know I think the world of you.

00:02:19

I think you are so smart and attractive, so I'm not going to mince words.

00:02:23

Horsin' Around was a piece of shit.

00:02:27

[funky electronic music]

00:03:22

Looking good. Fantastic. You need a coaster.

00:03:26

I told you to wear lipstick and underpants, Teresa.

00:03:29

I put everything bill-related in one folder.

00:03:30

Gas bill, cable bill, and the new headshots for Billy Zane.

00:03:33

- Thank you, Judah. - You also wanted me to remind you

00:03:35

- to call Mr. Peanutbutter. - Yeah.

00:03:37

Ping me again in two minutes? No, five minutes.

00:03:39

Uh, when's our call with BoJack and Spanakopita?

00:03:41
The one that started seven minutes ago? It started seven minutes ago.

00:03:43
What?

00:03:44
Diane's in your office right now, stalling... poorly.

00:03:47
And that is my opinion on the Octomom.

00:03:51
Remember Octomom?

00:03:52
[Ana]

00:03:52
Diane, are you stalling for Princess Carolyn?

00:03:55
What? You know who was good at stallin' was Joseph Stalin.

00:03:55
[chuckles]

00:04:00
[BoJack]

00:04:00
If anything, Stalin was ruthlessly efficient.

00:04:02
Get your head out of your ass.

00:04:04
He also had a city named after him. Isn't that right, Princess Carolyn,

00:04:09
- who's been here the whole time? - Hey, buddy.

00:04:11
How was your first big day at the press junket?

00:04:13
[sighs]

00:04:13
Endless. It was like the second act of a Judd Apatow movie.

00:04:17
He was exquisite.

00:04:18
The movie's tracking really well on social.

00:04:20
New media impressions are up 23 percent across platforms.

00:04:23
What does that mean?

00:04:25
Oh, I have no idea. I assumed you would know.

00:04:27
[clears throat]

00:04:28
But I keep tweeting things and they keep getting retweeted,

00:04:31
so we're doing something right.

00:04:32
Yesterday I dropped my phone in the bathroom which made BoJack's Instagram post a picture of the floor, with the caption " spujb." That got 4000 likes.

00:04:39
[Ana]

00:04:39
Great. - I am exhausted.

00:04:41
Being a movie star is the hardest job.

00:04:44
And we get no recognition.

00:04:44
[grunts]

00:04:46
Okay, you're gonna love this.

00:04:48
I pulled some strings at Manatee Fair and set up an interview tomorrow night.

00:04:52
BoJack is not ready for a magazine feature.

00:04:54
Relax. It's not that big a deal.

00:04:56
I didn't realize you were an authority on deal size.

00:04:59
[Princess Carolyn]

00:04:59
Listen, Moussaka...

00:05:00
Ladies, please. There's plenty of BoJack to go around.

00:05:04
I can do all the bullshit things Ana's scheduled for me in the morning and still have time for Princess Carolyn's bullshit thing tomorrow night.

00:05:10
Now, pajamas.

00:05:12
- Whaa! -

00:05:12
[gasping]

00:05:13
- Todd?! - What is going on over there?

00:05:15
[Ana]

00:05:15
BoJack smuggled a young boy into his room.

00:05:17
No big deal. Movie stars do it all the time.

00:05:20
Where am I?

00:05:20
[sniffs]

00:05:21
Bagels? Pizza?

00:05:23
[sniffing]

00:05:23
Hipsters? Urine?

00:05:26
- Am I in Minneapolis? - What? No, you're in New York.

00:05:29
Follow-up: why are you in New York?

00:05:31
Beats me. Sometimes I just am places.

00:05:34
[moaning]

00:05:34
I can't get to sleep. Oh, God.

00:05:39
[groans]

00:05:41
Yeah, that'll do it.

00:05:42
[sighs]

00:05:44
Is my name Sarah Koenig? Because I'm about to get cereal.

00:05:50
[moans]

00:05:52
I am the queen.

00:05:53
Follow me, citizens.

00:05:55
There are no sad times in our cave of possibilities.

00:05:59
[sighs and snores]

00:06:01
[grunting]

00:06:05
[monitor beeps]

00:06:08
[beeping]

00:06:08
- Huh.

00:06:09
Small bottle of shampoo?! Not on my watch!

00:06:13
[alarm ringing]

00:06:13
[screaming]

00:06:15
You better not have gotten your failure stink all over my important movie star clothes.

00:06:19
- Ohh... - I didn't mean that.

00:06:21
You're my friend and you don't stink of failure.

00:06:23
Your stink is one of good intentions and youthful exuberance.

00:06:27
[Todd]

00:06:27
Hooray, compliment!

00:06:29
You wanted me to ping you regarding Mr. Peanutbutter.

00:06:31
Oh, fish! Guys, hold on, I have to make a quick call.

00:06:34
- What? You're already on a call. - Sorry.

00:06:36
- Please hold. -

00:06:36
[Ana]

00:06:36
This is ridiculous.

00:06:38
- Hello? -

00:06:38
[Princess Carolyn]

00:06:38
It's your agent!

00:06:40
I wanted to remind you of your meeting with Pinky today.

00:06:43
I think I'm already in it.

00:06:44
[annoyed throat clearing]

00:06:46
- Do I need to be on this call still? - I put you on conference. How do I...?

00:06:49
- BoJack Horseman, is that you?! - Hey, Mr. Peanutbutter.

00:06:53
Hey buddy, loved that bathroom floor pic you posted yesterday.

00:06:57
Spujb! Classic BoJack.

00:06:59
We should get together sometime and take a selfie.

00:07:02
I'd love to, buddy, but I'm kinda in New York right now.

00:07:06
[Peanutbutter]

00:07:06

New York City?! They make such great salsa.

00:07:09
I'm here too, honey. Have a great meeting!

00:07:12
Diane?! Wait, you went to New York?

00:07:14
[Diane]

00:07:14
No. I'm just on-- - Why wouldn't you tell me?

00:07:16
How long are you-- I'm not accusing.

00:07:17
I just... I feel safer when I know that I know where you are.

00:07:22
- I affirm your feelings... -

00:07:22
[BoJack]

00:07:22
I don't want to--

00:07:24
...your feelings have value, but I'm not in New York, I'm just on the conference call.

00:07:28
- Guys, can we... -

00:07:28
[Peanutbutter]

00:07:28
I feel heard.

00:07:30
[Diane]

00:07:30
I hear that you feel heard. - What the hell is happening?

00:07:32
- Hey, Mr. Peanutbutter, I'm in New York! - What?!

00:07:36
[Todd]

00:07:36
As Carrie from Sex and the City might say...

00:07:39
- I'm Carrie. -

00:07:39
[Peanutbutter]

00:07:39
Todd? In the naked city?

00:07:42
[chuckling]

00:07:42
That is going to lead to some wackiness. You mark my words.

00:07:47
Would you guys literally mark my words? I do want to refer back to this later on.

00:07:51
We're in the middle of a meeting!

00:07:53
[Peanutbutter]

00:07:53
G ot to go. It's always "Rabbit, Run" with this guy.

00:07:56
Right?

00:07:57
Oh, yeah. Somebody did their research on J.D. Salinger.

00:08:01
Rabbit, Run?

00:08:02
- That's Updike, you illiterate. - What's Updike?

00:08:04
Not much, dyke, what's up with you?

00:08:06

Is "dyke" an okay thing to say now?

00:08:08

Has it been reclaimed? I honestly can't keep track.

00:08:11

- Who are you asking? -

00:08:11

[Ana]

00:08:11

We're hanging up now, goodbye.

00:08:14

Wow! BoJack and Todd in the Big Apple.

00:08:18

I want to find one of those fortune telling robots that can make me big!

00:08:22

[groans]

00:08:23

Hey, champ, I have a very important job for you.

00:08:26

Why don't you go get us some ice?

00:08:28

You don't need to patronize me.

00:08:30

- But, yeah, I can do that important job. -

00:08:30

[BoJack]

00:08:30

Don't get lost, buddy!

00:08:34

I'm not gonna get lost.

00:08:36

The city's on a grid, why would I get...

00:08:44

Oh, no.

00:08:45

Hello? Are you still there?

00:08:47

- They may have hung up. - I have some good news for once.

00:08:50

I just got promoted to head of programming.

00:08:53

I'm no longer a passenger on the burning wreckage of an industry that is broadcast television.

00:08:59

- I'm a captain! - What happened to Wanda?

00:09:01

You didn't hear? She got poached.

00:09:03

- Oh, God! - By another company.

00:09:05

Oh, good.

00:09:06

- They shot her. - Oh, God!

00:09:08

Straight to the top of the corporate ladder!

00:09:10

- Oh, good. - She had to move to Detroit.

00:09:14

- Oh, God! - Which I hear is due for a resurgence.

00:09:17

Can we get to the goddamn point, please?

00:09:19

Anyway, the network is finally breaking even, thanks to the runaway success of Hollywoo Stars and Celebrities:

00:09:25

What Do They Know? Do They Know Things? Let's Find Out!

00:09:27

Not to mention its companion show Talking Hollywoo Stars and Celebrities:

00:09:30

What Do They Know? Do They Know Things? Let's Find Out,

00:09:32

With Chris Hardwick.

00:09:33

- So as long as you two stick around... - I'm taking the show off the air.

00:09:36

Wait, what? Why?!

00:09:38

I told the story I wanted to tell.

00:09:40

To prolong it for commercial reasons would be crass and inorganic.

00:09:43

Uh...

00:09:44

At long last the public knows what Hollywoo stars and celebrities know

00:09:48

- and what they don't know. -

00:09:48

[moaning]

00:09:50

- Did they know things? -

00:09:50

[whimpers]

00:09:51

- Well, we found out. - This is a nightmare.

00:09:53

Why does everything I love fall apart as soon as I touch it?

00:09:56

Oh, my ex-wife was right about me.

00:09:58

I am no Christopher from the Tesla dealership.

00:10:06

Is this as good as it gets?

00:10:09

Or are we living in the ghost town where once my career did blossom?

00:10:15

Who will speak my name when I am gone?

00:10:18

Who will sing lamentations for he who once talked soup?

00:10:22

[groans]

00:10:22

- What legacy of ruin am I left with?

00:10:26

What rewards have I reaped for the damage done?

00:10:31

I do not miss the spotlight's glare, but I do... a little, miss sunshine.

00:10:38

[sobbing]

00:10:42

[gasps and growls]

00:10:44

But before you fold the omelette,

00:10:45

I'd like the chef to hold the pan up and whisper his or her dreams into it.

00:10:49

Whisper dreams into omelette.

00:10:53

Just coffee. Don't need to talk to it at all. Thanks.

00:10:55

You look different. Older. A lot older.

00:10:58
I'm not saying you look bad, just much, much, much older.

00:11:01
Thank you, Jill.

00:11:02
You haven't heard from Cuddlywhiskers recently, have you?

00:11:04
Cuddlywhiskers? I haven't talked to him since the show was canceled.

00:11:07
I worry about him.

00:11:08
About six months back, he disappeared, stopped returning my calls.

00:11:12
I'm sure he's fine. I mean, who returns calls?

00:11:16
Promise me you'll check on him when you get back to L.A.

00:11:19
Maybe swing by his house? I think you owe him that much.

00:11:21
Fine. Listen, about the play...

00:11:23
The Tragedy of Greg KingLear, a theatrical immersion by Jill Pill?

00:11:26
- Right. - That's dead. Over.

00:11:28
A thing that happened that happens no longer,

00:11:30
- like a whimper in the wind. - Okay.

00:11:31
Theater is by its very nature ephemeral. We shout into the void, "Hey, you!"

00:11:36
And the void says, "Stop shouting at me, please!"

00:11:39
And we grab the void and we spit in its face, "Sir, I will not."

00:11:43
Boy, did New York do a number on you.

00:11:45
Let me tell you about my next piece. It starts with you,

00:11:48
BoJack Horseman, completely naked and covered in milk.

00:11:52
- I'll stop you there. - It's a symbol for rebirth.

00:11:54
I'm not interested in being rebirthed.

00:11:56
I'm still recovering from being birthed the first time.

00:11:58
Jill, I'm not the guy who does things that are challenging, or edgy, or covered in milk.

00:12:03
I'm about to be nominated for an Oscar. I'm thinking about my legacy now.

00:12:06
I want to do things that connect with people, things that last.

00:12:10
That's the whole point, nothing lasts.

00:12:12
No, I know, but see, years after I die, people will still be able to see me in Secretariat.

00:12:16
- And then what? - And then...

00:12:19
I'll be remembered. If I win an Oscar, I'll be remembered.

00:12:22

- And then what? - Then my life will have meaning.

00:12:25
- I don't know! - Mm-hmm.

00:12:27
You know what the real tragedy of Greg KingLear is?

00:12:29
Two hours long without an intermission?

00:12:31
It's that he's a marionette.

00:12:32
And he doesn't even know someone else is pulling his strings.

00:12:36
Mmm, I don't think the chef whispered his dreams into this.

00:12:39
This does not taste like dreams.

00:12:43
You told me I would be getting more attention at a smaller agency, but if anything, I'm getting less.

00:12:48
Is this the best time to be on your phone?

00:12:51
I'm sorry. Let me just send this one email...

00:12:53
What? Why isn't it sending? Judah!

00:12:56
I'm taking my business to Gekko Rabbitowitz.

00:12:58
What? No!

00:12:59
J.D. Salinger is too big a star to be hamstrung by some rinky-dink operation working out of a two-story warehouse.

00:13:06
I need an agency with at least nine stories.

00:13:08
Uh...

00:13:09
That was a reference to my work, with which you are clearly not familiar.

00:13:13
- Oh... - Goodbye.

00:13:15
Hello to you, Rasputin.

00:13:17
- Give my regards to the czar. - I will relay the message.

00:13:21
Oh, I don't know why I thought I could do this.

00:13:23
I'm drowning, and cats hate drowning.

00:13:27
I believe I can take on more responsibility around here.

00:13:29
- On a provisional basis, of course. - Okay.

00:13:32
But we're a small agency and we need to think like one.

00:13:35
Instead of spreading ourselves thinner, we should focus on better gigs for the clients we already have.

00:13:40
- Oh. Like Jerry Maguire. - Yes.

00:13:44
- What part of Jerry Maguire ? - The part where Tom Cruise's agent got him a massive payday for being in Jerry Maguire.

00:13:50
[ringtone]

00:13:50
■ Who's that dog? Mister Peanutbutter ■

00:13:53

Princess Carolyn?!

00:13:55

Listen, kid, tough break about the Hollywoo Stars and Celebrities

00:13:57

Whatever, Whatever, Whatever, but what are we gonna do next?

00:14:00

I was looking forward to taking some time off.

00:14:03

What? That is the worst idea I've ever heard.

00:14:06

You're the biggest name in TV right now.

00:14:08

and every network would love to air your next project.

00:14:10

Why don't you get off your lazy keister and come up with some TV ideas and make us all billionaires?

00:14:16

Go get us some money.

00:14:17

Go get it, boy. You can do it! Go! Atta boy!

00:14:20

[barking]

00:14:24

Daddy, it's so nice having you home.

00:14:27

These last few months have been amazing.

00:14:29

My blood pressure's down, my stress is down.

00:14:32

[engine revving]

00:14:32

- Oh, what the...?

00:14:34

There's my favorite accountant!

00:14:37

Great news! P.B. Livin' is back...

00:14:39

- No! No! - ...in business!

00:14:41

- No! - Yes!

00:14:43

-Here we go! -Oh, God, no, please.

00:14:45

It's gonna be great, as it always is, from my perspective.

00:14:48

Dad, you promised we were gonna play catch, and then we'd listen to your favorite Harry Chapin song together!

00:14:53

You never told me what it was!

00:14:55

Oh, it's Cat's in the Cradle , but don't listen to it now!

00:14:57

I'm gonna go listen to it.

00:14:59

No! The lyrics are too relevant. Don't do it.

00:15:01

- No! -

00:15:01

[engine revving]

00:15:05

[both laughing]

00:15:08

So, what's next for BoJack?

00:15:11

What do you mean, "What's next?" Why does everything have to have a next?

00:15:15

I just mean, after Secretariat's all over, what are you going to do next?

00:15:19

We were told this feature would be pegged to the release of Secretariat.

00:15:24

It is, but we also want to get to know the real BoJack.

00:15:27

- Do we? - If you want the real BoJack, there's a book written about that.

00:15:30

But that was BoJack before the book came out.

00:15:33

Who's BoJack now?

00:15:35

Who's BoJack now? BoJack is just...

00:15:37

He's a guy who could use a drink, that's who!

00:15:40

Should we order alcohol?

00:15:41

Heather, could we have a moment of privacy, please?

00:15:44

Sure. I'll just plug my ears and sing an old sea shanty.

00:15:47

■ Oh, the sea she be a salty lass With a hi, ho, barrel of rum... ■

00:15:52

Sweetheart, I don't think we need to be drinking tonight.

00:15:54

Trust me, you do not want me to do this sober.

00:15:57

You don't need to micromanage everything, okay? I'm not your puppet.

00:16:00

All right. You clearly have everything under control.

00:16:04

■ Raise the mast and raise your glass And banish ye dragons ■

00:16:07

■ To where they come from! ■

00:16:09

Garçon, dos whiskey sours, por favor?

00:16:11

Actually, make it tres. And whatever the lady wants.

00:16:14

- Did mama bear finally leave? - She's a human, but yes.

00:16:16

Well, when the cat's away...

00:16:18

Again, a human. I like where you're going with this.

00:16:20

I gotta tell you, I really loved the movie.

00:16:23

You're definitely going to win an Oscar.

00:16:25

That "You Are Secretariat" scene? Oh, it made me wet.

00:16:28

It made you wet?!

00:16:29

Yeah. "Wet" is manatee slang.

00:16:31

It refers to a feeling of comfort and warmth, because a manatee's natural habitat is water.

00:16:36

Oh, okay.

00:16:38

- It also made me really horny. - Uh...

00:16:40

That's narwhal slang.

00:16:41

You know, because they have horns.

00:16:43

[both chuckling]

00:16:50

[Todd]

00:16:50

When I first came to New York I was young, full of hope.

00:16:53

But you get lost in this town.

00:16:55

One day you look in the mirror and think to yourself,

00:16:58

"Who is this sad, broken man?"

00:17:01

Listen, kid, I don't need your life story.

00:17:03

I just came out here to commit suicide.

00:17:05

- No, don't! - Crap! Forgot I could fly.

00:17:09

[chuckling and kissing]

00:17:12

The first thing you notice about BoJack is he's got a nice buzz going.

00:17:16

Oh, one final question. Are you more man than horse?

00:17:19

Or are you more horse than man?

00:17:21

What the hell does that mean?

00:17:22

Take off your city clothes and let's be animals!

00:17:25

I want to get natural!

00:17:27

[laughing]

00:17:28

Okay! A manatee and a horse making out with each other.

00:17:31

Just like in nature.

00:17:33

In the old days sailors thought manatees were mermaids.

00:17:36

Remember that episode of Horsin' Around where Sabrina wanted to be a mermaid?

00:17:40

I don't want to think about that show.

00:17:42

I didn't come back to your hotel room because you're a goofy dad who once got his dick stuck in a vacuum cleaner.

00:17:48

I'm pretty sure that never happened on the show.

00:17:50

If I'm going to sacrifice my journalistic integrity, it's because I'm having sex with a movie star.

00:17:56

And they're off!

00:17:57

[chuckling]

00:17:59

[Heather]

00:17:59

You like that, little horsie?

00:17:59

[BoJack]

00:17:59

Yeah.

00:18:01

- But I don't need you to talk. -

00:18:01

[Heather]

00:18:01

I'm a mermaid, baby.

00:18:05

- Gonna climb up onto your boat. -

00:18:05

[BoJack]

00:18:05

What?

00:18:10

[Heather]

00:18:10

What happened? - Sorry, I just... Give me a minute.

00:18:13

[Heather]

00:18:13

You want me to touch it, blow on it, sing it happy birthday?

00:18:17

[BoJack]

00:18:17

No, no, just...

00:18:18

Why did you say that thing about the boat?

00:18:20

I don't know, I was being sexy. You okay?

00:18:23

Just forget it. You ruined it.

00:18:28

[exhales]

00:18:30

You want to talk about it?

00:18:32

There's nothing to talk about. It was a misunderstanding, that's all.

00:18:37

She just walked in at the worst possible...

00:18:40

It-- It wasn't my fault, uh, right?

00:18:43

I don't know what you're talking about.

00:18:45

On the boat, there was a girl.

00:18:48

- What? - In New Mexico.

00:18:51

And she trusted me.

00:18:53

I keep asking myself if her mother didn't walk in, would I have done it?

00:18:57

And part of me is sure that I-- I couldn't.

00:19:01

But another part knows that's a lie.

00:19:04

How do you make something right when you've made it so wrong you can never go back?

00:19:08

I just think you have to keep moving forward?

00:19:12

[sighs]

00:19:12

Yeah.

00:19:13

All my life that's all I've ever done. What's it gotten me?

00:19:16

Well, hey, look, you're the star of a movie now.

00:19:19

You're probably gonna win an Oscar.

00:19:21

I'm not even in it. That's not me.

00:19:23

- What do you mean, that's not you? - I was digitally replaced.

00:19:26

Special effects. None of it's me.

00:19:30

Wow, that's...

00:19:30

[sighs]

00:19:32

That's quite a story.

00:19:33

I shouldn't even be here.

00:19:35

It's been a long night.

00:19:38

Why don't we go to bed? In the morning, everything will be okay.

00:19:41

[lamp clicks]

00:19:42

[sighs]

00:19:49

[traffic outside, faint]

00:19:49

[snorts]

00:19:52

[moans]

00:19:55

Oh, shit.

00:19:56

[cell phone vibrating]

00:20:01

BoJack?

00:20:02

It's 4:00 am.

00:20:04

No, it's 7:00. I'm in New York. I'm calling from the future.

00:20:07

[drowsily]

00:20:07

Is that BoJack Horseman? What is this, a crossover episode?

00:20:10

What do you want?

00:20:12

Let's say, hypothetically, you had some information about me.

00:20:16

You were gonna write about it,

00:20:17

I wanted to stop you before you could get it published.

00:20:20

What would be a smart thing I could do in that situation that would change your mind?

00:20:24

Are we fighting about the book again?

00:20:26

I don't remember where we left off last time.

00:20:28

No. Diane, not everything is about you.

00:20:30

For once, I have a problem, I need your help.

00:20:32

Okay, walk me through it again?

00:20:34

I don't have time! It's already three hours later here!

00:20:37

Thanks a lot. Once again, you've been no help whatsoever.

00:20:40

Spoiler from the future, you suck.

00:20:43

Sorry, you don't suck. I'm just... very stressed out right now. Bye.

00:20:46

[groans]

00:20:47

Oh, come on, come on.

00:20:50

I'm aware of the situation and I'm handling it.

00:20:53

- But I haven't even-- - I'm handling it.

00:20:55

I'll see you at the screening tonight.

00:20:57

- But... - Don't be late.

00:20:59

- BoJack! - Huh?

00:21:01

There you are. Stay right there.

00:21:03

You will not believe the night I had.

00:21:05

- This city will eat you alive. - Did you get the ice?

00:21:08

[groans]

00:21:10

I'll be right back.

00:21:14

I'm lost again!

00:21:17

[Peanutbutter]

00:21:17

All right, Oxnard.

00:21:18

We are looking at a once in a lifetime opportunity.

00:21:22

Too bad Todd's not here.

00:21:24

He's always the best at coming up with ideas that at first might seem terrible...

00:21:29

Right.

00:21:30

If he was here, he'd probably say something like,

00:21:33

"Hey, you know what's cool? Spaghetti strainers!"

00:21:35

Go on.

00:21:37

And you'd say, "I feel like I've seen that somewhere before."

00:21:40

Hah! That is so me!

00:21:42

And then he'd say, "What if I told you that this spaghetti strainer is also a hat?"

00:21:48

A spaghetti strainer that's also a hat?

00:21:52

That is a brilliant idea!

00:21:54

That's a terrible idea. That's my point!

00:21:56

Put that in the maybe pile.

00:21:57

Right now, we need to focus on TV shows.

00:21:59

I'm sure Todd would suggest,

00:22:01

A Spaghetti Strainer That's Also A Hat: The TV Show.

00:22:05

That's it! Todd, you've done it again.

00:22:07

No! Nobody's done anything.

00:22:09

Oxnard, I want you to buy out the entire spaghetti strainer warehouse.

00:22:13

I mean, every spaghetti strainer they got.

00:22:15

I'm putting all my money in spaghetti strainers for this show.

00:22:18

- How is this a show? - Don't ask me. It's your idea.

00:22:21

[sighs]

00:22:24

[vehicle stopping]

00:22:24

[door opens, closes]

00:22:28

I took care of our problem.

00:22:30

What did you do?

00:22:32

You don't need to know anything else. It's been taken care of.

00:22:35

Ana...

00:22:37

There-- There was a moment back at the hotel where...

00:22:40

I really thought I blew it, I was scared it was all over, and--

00:22:43

And then after, I was relieved.

00:22:47

I don't know if I should win an Oscar.

00:22:49

- I don't know if I want to. - Stop punishing yourself.

00:22:52

I was in New Mexico.

00:22:54

None of that matters. All that matters now is the story.

00:22:58

We get to decide what our story is.

00:23:00

Nobody else gets to tell you what your story is.

00:23:03

- What is my story? - I'll tell you.

00:23:05

This has been your dream for the last 30 years. You made it happen.

00:23:09

An Oscar won't make you happy forever, it won't solve all your problems.

00:23:13

You win that Oscar, the next day you go back to being you.

00:23:17

But that night is a really good night.

00:23:20

I think you deserve a really good night, and I know how to get you there.

00:23:25

Do you want that?

00:23:28

Yes, I do.

00:23:30

Go introduce your movie. Tell your story.

00:23:33

Tomorrow we fly to Chicago.

00:23:38

Being Secretariat isn't just about running fast.

00:23:41

Secretariat's a state of mind.

00:23:43

It's about doing the right thing, standing up for yourself.

00:23:47

Why, I look around and I see a whole room full of Secretariats.

00:23:52

You are Secretariat.

00:23:54

And you are Secretariat.

00:23:56

And you... are Secretariat.

00:24:03

BoJack, it's such a beautiful movie and I think such a textured performance.

00:24:07

When you were on Horsin' Around, could you ever have imagined that you'd give a performance like this?

00:24:12

- Yes. Actually, I imagined it a lot. -

00:24:12

[laughter]

00:24:15

I always knew I was more than just a dumb TV actor.

00:24:18

Even if other people didn't always know that.

00:24:21

[laughter]

00:24:21

- Seriously, though... that TV show... it wasn't me.

00:24:29

This movie is me.

00:24:32

And I can't tell you how great it feels to finally be doing the kind of work that I can be proud of.

00:24:37

[cheers and applause]

00:24:40

Ep 2 — The BoJack Horseman Show

00:00:13

Whoa.

00:00:15

So, that was weird.

00:00:17

Yeah. Wait. Why did you think that was weird?

00:00:20

You know, you and me together, weird.

00:00:22

So it's not because I did that talking penis thing, right?

00:00:25

Just the general concept of us sleeping together that's weird, right?

00:00:28

Yeah.

00:00:29

[man]

00:00:29

Good morning, Hollywood. It's a beautiful morning in sunny 2007.

00:00:35

Oh, my God, 2007? Is that what time it is?

00:00:38

I gotta get my Uggs on and get to work.

00:00:41

Well, you sure you don't want to just hang around for a little bit?

00:00:44

- I got no plans. - No, sadly, I have to go to my job, to help my boss find gigs for you to turn down.

00:00:50

If Marv brought me something good, I would do it.

00:00:53

Besides, I'm still decompressing from my last gig.

00:00:55

Horsin' Around? That ended 11 years ago.

00:00:58

Really? Where does the time go?

00:00:58

[gulping]

00:01:01

What, you're just gonna stay at home and get drunk all day?

00:01:04

Don't climb up my ass. I invited you to play hooky and hang out with me.

00:01:08

I got a new HD DVD player.

00:01:11

Let's get wrecked and get Shreked.

00:01:12

BoJack, last night was fun and you're sweet, sort of.

00:01:15

- I don't want to make a thing of this. - We agree. It's not a thing.

00:01:19

- Not a thing. - Definitely not a thing.

00:01:21

No, this is not a thing.

00:01:21

[nervous chuckling]

00:01:25

Yeah.

00:01:26

[funky electronic music]

00:02:20

[pop music playing]

00:02:24

■ Generic 2007 pop song ■

00:02:28

■ Auto-tuned So all the voices sound weird ■

00:02:31

■ Ah! This is a pop song It's 2007 ■

00:02:35

Hey, Todd, I think you just got a text.

00:02:38

"Who do you like, question mark, colon, bracket"?

00:02:41

That's a smiley face, homeslice.

00:02:44

- Who do you like? - I don't like anyone.

00:02:46

That's ridonkulous. You have to like someone.

00:02:49

- If I have to, I guess, uh... Kimber? -

00:02:49

[groans]

00:02:53

Everyone likes Kimber. That's like saying you like Fergie.

00:02:56

- Who do you like? - I'm not allowed to like anyone.

00:02:58

My dad is real strict. Do you know The Sopranos?

00:03:03

The show, or that weird saxophone that Kenny G plays?

00:03:06

The show, about the guy in the mob? That's what my dad does.

00:03:10

Whoa! Hey, speaking of mobs,

00:03:12

we gotta bounce if we're gonna make that flash mob at the Grove.

00:03:15

Man, I love flash mobs.

00:03:17

And I love you--

00:03:18

Ubisoft's "Assassin's Creed". It's a new video game.

00:03:21

- Okay, let's go flash mob. - Whoo! Flash mobs.

00:03:24

■ This ain't 2006 It's 2007 ■

00:03:28

I just don't know how I feel about my husband

00:03:30

doing a bunch of wacky commercials overseas.

00:03:33

Not overseas, underseas.

00:03:35

You're looking at the new face of Seaborn's Seahorse Milk.

00:03:38

What the hell is seahorse milk?

00:03:40

Beats me, but you better believe I'm trusting Seaborn's.

00:03:44

For all my seahorse milk needs.

00:03:46

- It just seems a little cheesy. - Hey, I'm not too big for anything.

00:03:49

And my flip phone is blowing up with opportunities.

00:03:52

Michael Vick made me a very strange offer.

00:03:54

But I'm gonna hear him out. Always take the meeting.

00:03:57

Ahem. Can I help you?

00:03:59

I'll have an Americano with steamed milk instead of water.

00:04:02

One latte?

00:04:03

For you, my second and final wife?

00:04:05

Oh, I usually like a cool drink when it's hot outside

00:04:08

and a warm drink when it's cold outside.

00:04:10

But today is a perfect day, so--

00:04:13

One lukewarm coffee for my gorgeous spouse.

00:04:16

Name?

00:04:17

Jessica, obviously. I'm Jessica Biel?

00:04:20

- Mmm... uh... - From Stealth ? Summer Catch?

00:04:23

Rules Of Attraction ? Nothing?

00:04:26

[sighs]

00:04:26

Girl from Seventh Heaven who took her clothes off for that magazine?

00:04:29

- Oh, yeah. - Thank you, Blarn?

00:04:32

That's my name.

00:04:36

So she kissed a girl, huh?

00:04:39

And she liked it? This I gotta see.

00:04:42

Talk to you later.

00:04:43

P.C., where are you hiding?

00:04:46

Right out here, Marv, same place I've been for the last 14 years.

00:04:49

Get in here and tell me what scripts I read this weekend.

00:04:53

We have three standouts here.

00:04:55

A feature called No Country For Old Men.

00:04:57

- It's about a hunter who-- -

00:04:57

[snoring]

00:04:59

Sorry, I fell asleep for a second. Because that title's too long.

00:05:04

No Country For Old Men It's About A Hunter Who?

00:05:07

Pass.

00:05:08

- Aaah! - Titles should be two words.

00:05:11

Pretty Woman. Beautiful Girls.

00:05:14

Private Parts.

00:05:15

Then you might not like this next one, There Will Be Blood?

00:05:18

There will not be blood.

00:05:20

I would have accepted There Will, or Be Blood.

00:05:23

- Firm pass. - Oh!

00:05:26

This last one is really special.

00:05:27

It's a TV pilot from a veteran sitcom writer named Cuddlywhiskers called...

00:05:33

- Hmm... Mitch's Life. - Now there's a title.

00:05:37

I think if we attach the right talent, this could be a hit.

00:05:40

You know who'd be great? BoJack Horseman.

00:05:42

[laughing]

00:05:43

Don't make me laugh, because I have a heart condition and it could kill me.

00:05:47

Every little thing I bring that guy, he turns down.

00:05:50

I think with the right project, BoJack could--

00:05:52

Bup, bup, bup! P.C., do I get you coffee and pick up your dry cleaning and buy you peek-a-boo negligees for strange women

00:06:00

- you saw at the train station once? - No.

00:06:03

Then how about I don't do your job and you don't do my job?

00:06:07

You know, I would like to be an agent someday.

00:06:10

Yeah, yeah, someday, sure.

00:06:12

But for now, you're learning from one of the greats.

00:06:15

Mark my words.

00:06:17

The best agent in the world couldn't get that joker off his ass.

00:06:22

Hmm...

00:06:24

[doorbell rings]

00:06:25

BoJack, I brought you Four Loko.

00:06:28

I brought four Four Lokos. That's 16 Lokos.

00:06:32

Finally someone brings me an adequate amount of Lokos.

00:06:34

Are you trying to get me drunk?

00:06:37

[groans]

00:06:37

You were trying to get me drunk.

00:06:39

Where are you taking me, what am I wearing?

00:06:41

To a meeting, and your clothes.

00:06:42

Is this a fedora? What am I, Jason Mirzizzerzaz?

00:06:45

- I don't know. - You know who.

00:06:47

I knew you wouldn't take this meeting if I didn't trick you into it.

00:06:50

Cuddlywhiskers has a great script and wants to meet you.

00:06:53

I have a script for you. It's called "The BoJack Says No Chronicles".

00:06:56

Fade in, Princess Carolyn's car.

00:06:57

Princess Carolyn: "Hey, BoJack, you want to do this dumbass thing?" Act break.

00:07:02

Act two. BoJack turns to Princess Carolyn.

00:07:05

BoJack: "No, thank you." End of episode.

00:07:08

Hey! Aren't you the horse from Horsin' Around?

00:07:10

[sighs]

00:07:10

You see, this is why I don't go out amongst the not-famouses.

00:07:14

Just do me a favor and take this meeting.

00:07:16

[groans]

00:07:16

- If you're a good boy, we can do that weird French thing you saw in that Internet video.

00:07:22

Ooh, parkour?

00:07:25

This show came to me when I was in rehab.

00:07:28

I realized I'm only here on this earth for a bit, why not dig deeper?

00:07:32

- Huh. - Don't get me wrong.

00:07:33

I'm proud of the seven years I spent on Krill & Grace.

00:07:36

That show did so much for the way society views krill people.

00:07:39

That show didn't make me happy.

00:07:41

The awards, the money didn't make me happy.

00:07:43

Did you try spending the money on things?

00:07:46

I started to feel like I was trapped in a giant plastic ball.

00:07:49

BoJack, meet my lovely assistant, Jill Filipowicz.

00:07:53

- Hey. - Hi.

00:07:53

- Did I say you could speak, wench? - You can't talk to me like that.

00:07:57

[grunts]

00:07:58

- Clean up that mess this instant! - No. I'm a dirty girl.

00:08:02

- Uh... - I'm filthy.

00:08:04

- You are being very bad. - You'll have to punish me later.

00:08:08

[both chuckling]

00:08:09

Jill and I have a very... special relationship.

00:08:12

Want to tell me about the show? I hear it's great.

00:08:15

I've worked on great shows my whole career.

00:08:17

Great shows are easy.

00:08:19

I didn't become president of the Lampoon so I could make "great" shows.

00:08:23

- Harvard Lampoon. - Yeah, I got it.

00:08:25

I'm trying to do something different here.

00:08:27

- Something that lasts. - Huh.

00:08:29

Think about it.

00:08:30

If you're ready to finally stop being "The Horse" from Horsin' Around, send me an e-mail: Cuddlywhiskers@harvard.edu.

00:08:38

- That's H-A-R-- - I got it.

00:08:40

[gasps]

00:08:43

You got some mail, babe.

00:08:45

Mwah! You understand I'm using that pet name ironically, right?

00:08:49

Yes, Wayne.

00:08:50

Oh, my God, check it out, a rejection letter from The New Yorker.

00:08:54

That magazine is for white people. White people are the worst, right, guys?

00:08:59

Yup.

00:09:00

"Dear Diane. We are sorry to say that your piece,

00:09:03

'An Open Letter to Open Letters', wasn't right for us, despite its evident merit." Do you know what this means?

00:09:09

Caring leads to disappointment? Trying is stupid and so is having dreams?

00:09:13

Someone gave my piece a read and decided against it.

00:09:16

Their journalistic style couldn't be more outmoded.

00:09:19

- Satire? More like "sa-tired." - I never even thought they'd read it.

00:09:23

"Talk of the Town"? More like "Schlock of the Clown".

00:09:27

Then they typed me a letter that said it had "obvious merit".

00:09:31

"Shouts and Murmurs"? More like "Louts and..."

00:09:34

What rhymes with murmurs?

00:09:35

For two people who don't like The New Yorker, you know a lot about the different sections of The New Yorker.

00:09:42

And then Cuddlywhiskers said:

00:09:43

"What if we stopped thinking of TV as a conduit to tell stories and thinking of it as a conduit to tell truth?"

00:09:48

And I was like: "Damn, this guy must have gone to Yale or something."

00:09:52

Sounds like you two really hit it off.

00:09:54

We were like Heidi and Spencer up in there.

00:09:56

So you're gonna do the show?

00:09:58

- Nah. Timing's really off right now. -

00:09:58
[sighs]
00:09:58
iPhone's coming out this year, I need to gear up for that.
00:10:03
I'm done. That's it, I'm tired of bending over backwards for you.
00:10:06
I mean this in all seriousness, professionally or in bed?
00:10:09
Why won't you do this? Give me one good reason.
00:10:11
Because his show sounds incredible. And what if... I'm not?
00:10:17
What if there's a reason the only thing I'm known for is Horsin'
Around?
00:10:20
BoJack, you are amazing.
00:10:23
You're bright and you're funny and you're handsome and you're talented.
00:10:27
But if you can't see that, then you're the biggest, dumbest piece of shit in the world.
00:10:35
[pop music playing]
00:10:35
[laughter and chatter]
00:10:40
How long do we have to stay in here?
00:10:42
- It's called Seven Minutes in Heaven. - Uh...
00:10:44
We don't have to kiss.
00:10:46
I know you'd rather be in here with Kimber.
00:10:48
That's not true. It's just that, Emily...
00:10:51
- What? - I've never kissed anyone before.
00:10:54
That's okay. Maybe we can try with each other?
00:10:57
That way, when you're in here with Kimber one day, you'll know exactly what to do.
00:11:00
Okay, so how should we do it? French style, Eskimo, Butterfly?
00:11:06
I'll tell you. I know exactly what to do because I practice all the time with a picture of Adam Brody-- No, I don't!
00:11:11
[chuckles]
00:11:12
Just close your eyes, and we move our faces toward each other.
00:11:16
- Okay. - Until we...
00:11:25
[sighs]
00:11:25
[Marv]
00:11:25
Oh!
00:11:27
Well, the elusive BoJack Horseman.
00:11:31
You do, huh? Hey, Princess Carolyn, guess who just got BoJack a job.
00:11:36
You... are the secretary of a wonderful agent.

00:11:41
Now go pick up a pair of satin crotchless undies.
00:11:45
I saw a stewardess at the Yum Yum Donuts.
00:11:48
We did not make eye contact.
00:11:51
[man]
00:11:51
Good morning, Los Angeles.
00:11:53
It's two months later in 2007.
00:11:56
[man 2]
00:11:56
Two months later? Two months later than what?
00:11:59
[man 1]
00:11:59
Did I say two months later?
00:12:00
Cookie chartreuse brontosaurus, I think I'm having a stroke.
00:12:04
Aaah!
00:12:05
- Jeez, sleep much? - Jeez, watch me sleep much?
00:12:07
Well, I couldn't sleep.
00:12:09
I kept thinking about today's first read-through.
00:12:11
These things are always so nerve-wracking, to sit there and perform for all these people like some kind of a--
00:12:16
- Professional actor? - Very funny.
00:12:18
- Before I forget, I got you a present. -
00:12:18
[gasps]
00:12:21
It's a box... with crinkly tissue paper inside it.
00:12:26
How did you know?
00:12:27
Thank you for putting this whole thing together.
00:12:29
Even though I still can't believe I let you talk me into this.
00:12:32
Promise me everything's going to be okay?
00:12:34
I promise it's gonna be great.
00:12:37
If you get scared, look for me in the audience.
00:12:39
I'll be there the whole time, laughing and cheering louder than anyone.
00:12:43
- Mmm... - Mm-mmm-mm.
00:12:48
"Mitch tosses the vodka bottle into the garbage. Thud."
00:12:51
"Goodbye, old friend."
00:12:52
"Mitch turns off the light and closes the door as we...
00:12:56
Fade to black. End of episode."
00:13:01
Thank you.

00:13:05
Let's see what the suits say.

00:13:07
Bet they're gonna want to bland it up, make it appeal to middle America.

00:13:10
[groans]

00:13:10
That's the worst part of America.

00:13:12
Other than the bottom, the top and most of the sides.

00:13:15
BoJack, Cuddlywhiskers, what can we say?

00:13:18
This is why you guys are the pros and we're just the schmoes.

00:13:22
I think what my husband is trying to say is, "Great job."

00:13:26
Enough with the torture.

00:13:27
Don't have to feed me to finger me. Just lay on the notes.

00:13:29
[laughs]

00:13:29
Our only note? No notes.

00:13:32
- No notes? - We love this show.

00:13:35
BoJack, I'm calling it right now.

00:13:37
This show is gonna be as big as Horsin' Around.

00:13:40
[gulps]

00:13:41
Huh.

00:13:43
And then Justin said, "Jessica Biel? You are un-Jessica-Believable."

00:13:49
- It was so funny. - Wow.

00:13:51
It seems like you're really in sync with this Justin guy.

00:13:54
You should do all the things with him that I can't do.

00:13:57
Like eat chocolate, or enjoy fireworks, or watch tennis.

00:14:01
Why, tennis makes me so mad. Why doesn't anyone ever catch the ball?

00:14:05
Hello? Can we please get some service in this place?

00:14:08
I'm famous actress Jessica Biel. I'm one of the Jessicas.

00:14:12
Mom, I'm finally gonna be a published writer.

00:14:15
My "Open Letter to Open Letters" is going to be published in McSweeney's.

00:14:18
Mc-What? Who's that? Some Irish?

00:14:21
No, Mom. It's a very popular website.

00:14:24
Oh, no, no, no, no. I'm not falling for that scam.

00:14:26
Website? We gotta print it out on our own paper with our own ink?

00:14:30
- I don't think so. - Mom.

00:14:31
And my Blockbuster original series has been keeping me very busy.

00:14:35
I still don't get how that's gonna work, at all.

00:14:37
Babe, it makes total sense.

00:14:39
They make the whole season, put it on six DVD's.

00:14:42
People go to their local Blockbuster Video and rent it out one disc at a time for five days each.

00:14:47
What if someone already rented the episodes they want?

00:14:49
They can just get something else, like The Illusionist or The Prestige.

00:14:53
- Whichever one you were in. - Do you know which one?

00:14:55
- Do you? -

00:14:55
[groans]

00:14:58
- Why do you say yes to everything? - I get excited by the possibilities.

00:15:03
Look, a CD, at a coffee shop? That is crazy.

00:15:06
- Buying it. - Eh-eh eh-eh! No.

00:15:08
- Drop it. Drop it. -

00:15:08
[whimpers]

00:15:10
Good boy.

00:15:12
Buzz-buzz-buzz buzz buzz-buzz!

00:15:16
- You heard what the network said. - Heard they loved it.

00:15:19
Yoo-hoo! I also heard that.

00:15:21
Exactly. The network loved it.

00:15:23
Obviously, we're playing it too safe.

00:15:25
If you want my opinion, fellas, you hit oil, stop drilling.

00:15:28
"I am an oil man. I drink your milkshake."

00:15:32
- That'll be funny in a year or so. - Before that got sad and weird, you said, "If you want my opinion," and we don't.

00:15:38
Cuddlywhiskers, you told me you wanted to do something different.

00:15:41
Now we're doing something that's gonna be "just as good as Horsin' Around."

00:15:44
Is that what you wanted? That's not why I'm here.

00:15:47
- I know. - I really think you're making a mistake.

00:15:49
I'm not taking career advice from somebody who's been an assistant the last 14 years.

00:15:53
Is that how you think of me? As your agent's assistant?

00:15:56

- What do you think you are? - I don't know.

00:15:59

Here's some free advice: you should know.

00:16:01

Why don't you leave this to the grown-ups?

00:16:03

Somebody needs coffee, I'll give you a ring.

00:16:05

Okay, best of luck.

00:16:07

[clears throat]

00:16:08

Cuddlywhiskers, let's give ourselves one night to stick our dicks in this script and go balls deep into the universe.

00:16:15

I'm in.

00:16:19

What's that, you say? There's a panic? At the disco?

00:16:22

I gotta go. What do you want, Toots?

00:16:24

I want to be an agent. I think I'm ready.

00:16:27

[groans]

00:16:27

Again with this "I wanna be a female agent" thing.

00:16:30

They don't even have a word for it. Uh, agentess, agentrix.

00:16:35

- It's just called "agent", Marv, agent. - Okay, okay!

00:16:38

You're an agent, all right? I dub thee agent.

00:16:42

You can even take my office, because I quit.

00:16:45

- What? - Who needs the headache?

00:16:46

Thirty years I threw into this job and it destroyed me from the inside out.

00:16:53

I never fell in love, I never had a family.

00:16:57

I never even got to give that lacy teddy to the mean woman who worked at the DMV.

00:17:03

[sighs]

00:17:03

All I have is regrets.

00:17:08

Oh, my God, I'm an agent! I'm gonna make it after all.

00:17:15

Whaah!

00:17:17

First thing I'm gonna do is get rid of that ceiling fan.

00:17:21

How do we make it clear that this isn't Horsin' Around?

00:17:25

What if in the very first scene, we show my character literally taking a massive dump on a VHS copy of Horsin' Around?

00:17:33

What? That's insane.

00:17:35

Let's just put it in, we can always take it out later.

00:17:38

I want this character to be really edgy, the kind of character Denis Leary would be offered and then say:

00:17:43

"This character's too edgy for me."

00:17:45

What if he had a catchphrase that was an anti-catchphrase?

00:17:47

Like if every time he entered the room he was like, "Whassup, bitches?"

00:17:52

Not that, because that's horrible. But something like that.

00:17:55

Whassup, bitches?

00:17:56

- That is so dumb. - But kind of brilliant, right?

00:17:58

Yes, put that in. Put all this in, this should be the show.

00:18:01

This should be the show.

00:18:04

I haven't felt this alive since the head of the Charles Regatta.

00:18:07

- That's a Harvard thing. - Yes. This is brilliant.

00:18:09

What if we had five minutes of him reading a book to himself?

00:18:13

Oh, my God, yes.

00:18:14

Just him turning the page. A close-up of my eyeball.

00:18:17

[bottle breaks]

00:18:17

- The real shit, they never show that.

00:18:21

Wow, we did it.

00:18:22

We stayed up all night, but we really made something new and different and daring.

00:18:27

We've changed everything but the title.

00:18:28

Well, then, how about we give it a new title?

00:18:31

- The BoJack Horseman Show. -

00:18:31

[gasps]

00:18:33

Oh, Cuddlywhiskers, I don't know what to say.

00:18:36

Well, then why don't you just say, "Whassup, bitches?"

00:18:39

But, you know, not that.

00:18:41

- Something like that. - We'll figure it out.

00:18:46

Seriously, can I hear 400 dollars? Let's not forget why we're here tonight.

00:18:50

To raise money for the John Edwards campaign.

00:18:53

I was talking to one of the volunteers earlier and she was just gushing about how John Edwards touched her.

00:18:58

I say, let's make this man president so he can touch whoever he wants.

00:19:02

- Four hundred dollars. - I don't know what's cheesier, this three-cheese risotto or that dude's patter.

00:19:07

Seriously.

00:19:08
This fundraiser should have a fundraiser for a better host of this fundraiser.

00:19:13
Totes McGotes.

00:19:14
I'll post that to my Twitter page. You should follow me.

00:19:17
I'm A with a circle around it, "insWayne in the membWayne".

00:19:20
[Diane sighs]

00:19:20
- What's a Twitter page?

00:19:22
[chuckling]

00:19:22
Erica, you know you're not allowed to vote in national elections.

00:19:26
[electronic music playing]

00:19:31
You sure it's okay to be in your parents' bedroom?

00:19:34
Todd, so we've been together for months now.

00:19:38
Um, I was thinking maybe that we try sex?

00:19:42
Uh...

00:19:43
We don't have to. I don't wanna peer pressure you.

00:19:46
No. I'm ready for sexual situations.

00:19:50
- Um... - Hooray. Um, taking your virginity.

00:19:54
Yeah, sure. That's how I would say it.

00:19:55
Okay, here we-- Here I go. Uh, this is Todd doing sex.

00:20:01
[garage door opening]

00:20:01
- Did you hear that?

00:20:03
Oh, snap. My dad's home early. You gotta get out of here.

00:20:07
Your dad, the mobster?

00:20:08
What? My dad's not a mobster.

00:20:10
You said he was like that guy from The Sopranos.

00:20:12
I said he works on The Sopranos . He's an editor.

00:20:15
Oh, God, oh, God! Even worse.

00:20:17
He must be so desensitized to violence and nihilistic ruminations on the banality of evil.

00:20:23
Here, out the window. You love shimmying, right?

00:20:25
You know I love shimmying, but that's a two-story drop.

00:20:29
Use this.

00:20:32
- Go, get out. Go, go! - Uh, okay.

00:20:35
Oh, shit.

00:20:37
[grunts]

00:20:37
Sorry.

00:20:41
[panting]

00:20:42
Whoa, whoa, Tony marries Dr. Melfi?

00:20:45
Mamma mia!

00:20:52
- So, the island's purgatory, right? - What's really happening--

00:20:56
- Hold that thought. -

00:20:56
[groans]

00:20:57
Hey, Princess Carolyn, you came.

00:21:00
I figured since I'm your agent, I should at least show up to your premiere party.

00:21:03
I know I haven't called in a while. I've been really busy.

00:21:06
I figured you'd call me if you needed a coffee.

00:21:09
Ouch.

00:21:11
Hey, big premiere tonight. Very exciting.

00:21:13
Yeah.

00:21:14
After tonight, it's no more "Aren't you the horse from Horsin' Around?"

00:21:17
From now on it'll be, "You're BoJack Horseman."

00:21:20
I'm happy for you, BoJack.

00:21:22
- How about a kiss for good luck? - No, BoJack.

00:21:25
I'm your agent and your friend, and I will always support you.

00:21:28
But I'm 33 years old, and I want to have a family by the time I'm 40.

00:21:33
I don't want to spend the next seven years in and out of love with you.

00:21:36
I've wasted too much time waiting for things to happen.

00:21:39
And I'm not gonna wait anymore.

00:21:42
And for what it's worth, I always liked the horse from Horsin' Around.

00:21:46
- You did? - Yeah. Everybody did.

00:21:51
Unbelievable. Un-Jessica-Believable.

00:21:55
Can we not fight while I'm at a gig?

00:21:57
There are a lot of big producers, this could be my next big break.

00:22:00
[groans]

00:22:00
This podunk benefit is below us.

00:22:03
I'm about to be in what I've been told is a very important gay rights movie,

00:22:07

I Now Pronounce You Chuck and Larry.

00:22:08

I now pronounce me very impressed, but I'm not getting those kinds of offers.

00:22:13

- As Justin would say, "Cry me a river." - Hey, if you like Justin so much, maybe you should just continue to be really good friends with him.

00:22:20

Fine, maybe I will marry Justin.

00:22:22

Uh, I didn't say that.

00:22:24

I now pronounce this marriage over. Biel with it.

00:22:27

[sobbing]

00:22:30

- You wanted water? - Thanks.

00:22:33

Wait. Blarn, right? Yeah, from the coffee shop.

00:22:37

What are you doing here? Is there coffee to "bariste"?

00:22:40

I also do cater waiter gigs to make ends meet.

00:22:43

You "bariste" and cater and waiter?

00:22:43

[laughs]

00:22:43

Triple threat.

00:22:47

I should be bringing you the water.

00:22:49

You know, just for the record, I think it's cool that you put yourself out there.

00:22:54

A lot of guys in your position wouldn't take gigs like this.

00:22:56

They'd be afraid people would make fun of them.

00:22:59

That's dumb.

00:22:59

If you care about what other people think, you're never gonna do anything.

00:23:03

- Yeah, you're right. - Oh, my God, I'm so glad you agree.

00:23:06

I was like, "Why did I say that? That was so dumb."

00:23:09

Then you were like, "That's right." And I was like, "Ooh! Validation."

00:23:12

- Hey, mind if I change out of this shirt? - Go ahead.

00:23:15

[groans]

00:23:15

This monkey suit is killing me.

00:23:17

Oof! Hey there, Delilah.

00:23:21

Sweet hang, Blarn. You're one in a million.

00:23:24

- Actually, my name isn't Blarn. - What?

00:23:26

I put that on my nametag as a dumb joke to subvert the idea of co-opting personal identity to further corporate branding which, as I'm saying it, isn't much of a joke.

00:23:35

[laughing]

00:23:36

"Blarn." That is very funny. You should be a writer.

00:23:40

Thanks. I'm Diane.

00:23:42

- Mr. Peanutbutter. - Yeah, I know.

00:23:44

- Add me on MySpace, okay? - Sure.

00:23:45

All right. Guess I'll see you around, Diana.

00:23:50

It's Diane.

00:23:53

Hey, buddy, slight change of plans.

00:23:56

Call it off. Call the whole thing off.

00:23:58

What do you mean? We premiere in two minutes.

00:24:00

Call the network, cancel the whole thing.

00:24:02

Nobody wants to see me take a dump on a Horsin' Around VHS.

00:24:04

BoJack, it's going to be fine. This is what we wanted, remember?

00:24:08

Easy for you to say. It's my name on the show.

00:24:11

This is why I didn't want to do another TV show. Everything was perfect.

00:24:14

BoJack, this shit is bananas. B-A-N-A-N-A-S.

00:24:17

I can't promise everyone will love this show.

00:24:20

No matter what, people will remember it.

00:24:21

Five, ten years from now, this is the show people will associate you with, and you'll be glad they do.

00:24:27

Because this show is real, it's edgy, it's different.

00:24:30

A lesser talent couldn't have pulled it off.

00:24:32

But I'm willing to bet on BoJack Horseman.

00:24:35

- Are you? - Yes, I am.

00:24:37

Great. Because the show is starting and your life is about to change forever, in three, two, one.

00:24:44

[BoJack on TV]

00:24:44

Whassup, bitches?

00:24:47

■ Back in '07 I was in a not-successful TV show ■

00:24:56

- ■ I'm BoJack the Horseman ■ - ■ Goddamn ■

00:24:58

■ What the hell was I thinkin', bro? ■

00:25:05

■ When you're an artist Yeah, it's hard to play it safe ■

00:25:10

■ That show stumbled hard right out the starting gate ■

00:25:14

■ Wonder if I'm ever gonna get another chance ■

00:25:18

■ Maybe a listicle at best ■

00:25:22

■ Yeah, I'm not a horse, I'm an ass ■

00:25:27

■ BoJack ■

00:25:31

Boxer versus Raptor, ■ Na-na na-na na-na na-na! ■

Ep 3 — BoJack Kills

00:00:05

[Horsin' Around music playing]

00:00:09

What happened to my birthday cake?

00:00:11

- Goober. - It wasn't me.

00:00:13

But you're welcome to check my pockets.

00:00:16

- Go home, Goober. - Go home, Goober.

00:00:18

[applause]

00:00:18

[videotape stops]

00:00:20

[man]

00:00:20

Oh, I was a Goober, all right. I Goobed with the best of 'em.

00:00:23

But that ain't me anymore.

00:00:25

I'm now the proprietor/spokesperson/ number one customer of Whale World.

00:00:30

At Whale World, families come together to admire the fine female form of the majestic killer whale.

00:00:36

It's educational.

00:00:38

Join us in the Splash Zone.

00:00:39

You and your little ones are gonna get moist.

00:00:42

Whoo-hoo!

00:00:44

These orcas have the floppiest dorsal fins in town

00:00:47

and they can't wait to jump through hoops for you and your kids.

00:00:50

Bring your prepubescent daughters, who are beginning to be cognizant of a woman's role in the world.

00:00:56

They won't internalize deeply problematic notions about the commodification of sexuality in today's society.

00:01:02

What are you talking about? It's just whales.

00:01:05

And what about so-called "experts," who say it's wrong to keep these girls in captivity so they can amuse and entertain us?

00:01:11

Well, to those people I say, "Stop saying that, okay?"

00:01:15

These sea girls are my family, and my business.

00:01:17

And they can be yours too.

00:01:19

Come on down to Whale World, a fun, sexy time for the whole family.

00:01:24

[funky electronic music]

00:02:18

[piano music playing]

00:02:21

■ It is winter, yes, that's right ■

00:02:24

■ A time for family and lights ■

00:02:28

■ It doesn't mean God And it doesn't mean pray ■

00:02:31

■ Unless that's what you want But who are we to say? ■

00:02:35

- Hey, Jill. - Where are you? I hear mirth.

00:02:37

An elementary school all inclusive non-denominational winter day pageant.

00:02:41

Oh, no. The snow goblin wants to destroy our seasonal festivities.

00:02:46

"Snow goblin" is an offensive slur.

00:02:49

Jesus, Jill. And you thought your play sucked.

00:02:51

- I didn't. - Well, regardless.

00:02:53

A lot of these fancy kids' fancy parents are Oscar voters.

00:02:55

If I wanna get nominated, I got to rub elbows

00:02:58

and whatever the non-denominational word for schmooze is.

00:03:00

Hobnob. Did you check on Cuddlywhiskers like I asked?

00:03:03

He's doing great. Little of this, little of that.

00:03:06

Likes to go jogging... in a big wheel.

00:03:09

- You didn't check on him, did you? - Completely forgot.

00:03:11

- Shh! Keep it down, buddy. - Oh, I'm sorry.

00:03:13

Did you miss the three wise people make their journey to visit the regular baby?

00:03:17

Go to his house.

00:03:18

If he's not there, you must retrieve something for me, something of a sensitive nature.

00:03:23

Oh, fine, if it'll finally make you stop calling me, asking me to go on errands.

00:03:27

- What do you need? - A letter I wrote him, back when we were, prepare yourself, I'm about to say lovers... Lovers.

00:03:33

- That was not enough time to prepare. - Get off the phone, jerk.

00:03:36

It was years ago and it was quite beautiful and disgusting all at once. I remember it fondly. And horribly.

00:03:42

- What's in the letter? - None of your concern. I must have it, for... sentimental reasons. Goodbye.

00:03:48

- Did you have a nice phone call? - Are you in the Academy?

00:03:51

- No. - Then I don't care what you think.

00:03:53

- I got to go do a thing for someone. - Fine.

00:03:55

You made your appearance, you were magnificent, I'm very proud.

00:03:58

But don't forget, you have a full day of muckety-muck glad-handing.

00:04:01

The Bat Mitzvah, the senior Academy member meet and greet.

00:04:04

You'll be wonderful, I have complete faith in you.

00:04:07

That is literally the first time anyone ever said that to me.

00:04:09

Diane, you'll keep up his Internet presence?

00:04:11

I want him trending by this afternoon.

00:04:13

But good trending, not bad trending, you understand?

00:04:16

Hashtag you betcha.

00:04:18

Did I just say hashtag out loud? Hashtag, oops. Hashtag, oh no!

00:04:21

I'm honestly more alarmed by the "you betcha".

00:04:24

I'll take a smoke break before these little boogers dig into the refrain of "Frosty the Non-Gendered Snow Person."

00:04:29

Ugh. Could you imagine having a kid? Ewww.

00:04:33

[phone]

00:04:33

I'm Terry Gross and this is your ring tone.

00:04:36

I'm here with novelist Jonathan Lethem.

00:04:37

Jonathan, how did you become a ring tone?

00:04:39

[Lethem]

00:04:39

You know, Terry, growing up in Brooklyn,

00:04:41

I was always fascinated by ring tones and the stories they told.

00:04:46

Hey, Mr. Peanutbutter.

00:04:47

Hello, my precious darling slice of sunshine, who I am not putting on a pedestal.

00:04:51

Just calling for our daily download, as per Dr. Janet's friendly but firm suggestion.

00:04:56

When do you think you'll be home?

00:04:57

- Uh, it might be late. - Okay, just let me know.

00:05:00

I cherish you, I respect you and you have value.

00:05:02

I feel valued and I value you.

00:05:05

I am hearing that and I accept that.

00:05:09

- Diane? - Yes?

00:05:10

Do you accept my acceptance?

00:05:11

I hear it and I accept it and I value it and all the other verbs.

00:05:17

Promise you won't work too hard today?

00:05:19

I won't, if you promise me you won't bother that skunk next door.

00:05:22

I don't want to come home to a stinky husband.

00:05:25

That is some great food for thought. I gotta go right now.

00:05:28

[auto-dialing]

00:05:29

[sighing]

00:05:31

[phone ringing]

00:05:32

Mr. Peanutbutter, my favorite weekday client.

00:05:35

- Why are you calling on the weekend? - I need your help.

00:05:38

I've done something bad, very bad.

00:05:40

Put the corpse on ice, I'm on my way.

00:05:42

What? No, it's not. Why would I--

00:05:44

Listen, I was sniffing around where I didn't belong and I got skunked.

00:05:47

- What? - You got to help us.

00:05:49

- Us? - Todd's here too.

00:05:50

I'm skunked, Princess Carolyn. Skunked real bad.

00:05:53

Yeah, yeah, we got real bad skunked, super skunked.

00:05:56

- Hardcore. - Yeah, hardcore skunked.

00:05:58

Okay. First things first, don't go back in the house.

00:06:02

Sadly, you can call me L.L. Cool J because I am in the house.

00:06:06

Yecch! Okay, don't move. I'll be there in 20.

00:06:14

Mind if I do this real quick? I gotta pick up a letter.

00:06:17

Can we make the appearances we're supposed to make and go home?

00:06:20

Oh, sure.

00:06:21

I haven't seen you much since you moved out of my deck chairs.

00:06:24

You know, I've been focusing on my new job and my marriage and--

00:06:28

- And avoiding me? - I'm not avoiding you.

00:06:31

I'm just making an effort to not be in a room alone with you

00:06:34

- because I am... avoiding you. - Oh.

00:06:38

You know, I think we're alike in a lot of ways.

00:06:42

I always tell people you're like the not-cool version of me.

00:06:45

Sometimes that's great, but it also means we can bring out the worst in each other.

00:06:49

I'm trying to get my life back on track.

00:06:51

I just think maybe it's better, for both of us, if we keep things a little more professional.

00:06:57

Yes, okay. Professional.

00:06:58

BoJack and Diane being professional. Doing our jobs and nothing else.

00:07:02

We're at the place I needed to go to.

00:07:04

It's so weird I drove here on accident.

00:07:06

Might as well run in and grab that thing I need to get.

00:07:09

- Then, back to business. -

00:07:09

[groans]

00:07:13

[creaking]

00:07:18

- It's spooky in here. Too spooky. - Really?

00:07:21

And what would be the right amount of spooky? Jesus, this thing's heavy.

00:07:26

Now I know how Hilary Swank's arms got so jacked.

00:07:28

Put it down, BoJack.

00:07:29

Does it look weird? Me with an Oscar?

00:07:31

- I actually think that it feels-- - Oh, my God.

00:07:35

- I think she's dead. - Hold on, maybe she's not dead.

00:07:37

Maybe she's just being a-- a whale? No, she's dead.

00:07:41

Maybe there's someone in her phone we can call.

00:07:43

Diane, kids these days don't call.

00:07:44

They communicate via a combination of text messages,

00:07:47

- eye rolls, and dick pics. - Oh, my God.

00:07:49

What is it? Dick pics? See if they spell out a message.

00:07:52

[guns cocking]

00:07:52

- Freeze! Drop the Oscar!

00:07:54

- Oh, man. - Well, well, well.

00:07:57

Or should I say whale, whale, whale? Killer whale, that is.

00:08:01

Or should I say killed whale?

00:08:03

- Listen, Officer-- - I told you to freeze.

00:08:05

You just became prime suspects in the case I like to call,

00:08:09

"Black and White and Dead All Over, A Whale Of A Crime:

00:08:14

An Officer Meow Meow Fuzzyface Mystery."

00:08:17

Eh...

00:08:18

- Cuff 'em, boys, or, uh, girls. - I am a woman, sir.

00:08:22

Lindsay, you know I am trying.

00:08:24

Can we please show a united front in front of the perps?

00:08:27

- We will talk about this later. - Aww.

00:08:31

Ohh! It smells like a skunk skunked another skunk in here, then they smoked a joint. What happened?

00:08:36

First I rolled all over the couch to get the skunk stench out, but that did not work.

00:08:41

Then I ran into every room to rub myself on all my clothes and belongings, to get the Mr. Peanutbutter smell back.

00:08:47

And then I smoked a joint, so that might be why it smells like skunk in here.

00:08:51

Princess Carolyn, I have to fix this before Diane gets home.

00:08:55

Things have been shaky with us since she pretended to be out of the country for two months.

00:08:58

And then when I filled our entire house with these giant crates of spaghetti strainers, that did not help.

00:09:03

Why buy these spaghetti strainers in the first place?

00:09:05

Oh, I don't even remember. I'm sure it'll pay off at some point.

00:09:09

Man, married life is weird.

00:09:11

We're making an effort and getting stronger every day, but I swear to God we are like five big fights away from a divorce,

00:09:17

I do not want this to be one.

00:09:19

Okay, number first. We got to get you in a tomato bath.

00:09:22

Mmm! Delicious and nutritious.

00:09:24

Is marinara all right, or will I need something zestier like Arrabiata?

00:09:27

Tomato bath.

00:09:30

Whoa!

00:09:31

I am so high right now.

00:09:31

[sniffs]

00:09:31

Wait, was there a skunk in here?

00:09:35

[Princess Carolyn groans]

00:09:40

- What do you know about Nadia? - Uh, who's Nadia?

00:09:43

Your friend doing the face-down mambo in the king-sized bathtub.

00:09:47

- Now I know her name is Nadia. - Oh, so you're a comedian, huh?

00:09:50

Although I am trying to branch into more serious roles.

00:09:53

You pigs think you can march all over us. But I know my rights.

00:09:56

- Yeah, what are they? - I mean, I don't know them know them.

00:10:00

But I know that I have them. So, can I check my phone real quick?

00:10:04

You're not gonna look up your rights, are you?

00:10:06

What? No.

00:10:07

I'm just supposed to moderate an Emily VanCamp live-chat talkback on Snapchat.

00:10:11

Let me just set up the user preferences here, and... you can't detain us unless we're under arrest.

00:10:20

Damn it. You were looking up your rights, weren't you?

00:10:23

Nope, that was just a thing I already knew.

00:10:25

Everyone's stupid rights these days. I never get to have any fun.

00:10:29

- Let's get out of here. - BoJack, I need to show you something.

00:10:32

This is Nadia's phone.

00:10:34

I did not know you were such a klepto. I can buy you a new phone.

00:10:37

Check this out, the last text message she sent.

00:10:39

"BoJack is going to kill me?"

00:10:41

I think someone's trying to frame you, for murder.

00:10:44

[gasps]

00:10:45

Oh, my God, we're gonna be late for the Bat Mitzvah.

00:10:48

We got to get to Brentwood.

00:10:50

At this time of day? It's gonna be... murder.

00:10:54

■ Hey, hey, hey. L'chaim ■

00:10:56

■ Hey, hey, hey. L'chaim ■ Hey!

00:10:58

I can't believe you're not more concerned about this.

00:11:01

- Someone is implicating you in a murder. - I can be two things at once.

00:11:04

I am very concerned, but also very proud that today Tovah is a woman.

00:11:08

Hi, BoJack Horseman, potential Oscar nominee.

00:11:11

I am kvelling over here. Real verklempt.

00:11:13

Shabbat shalom. Shabbat shalom.

00:11:15

- Shabbat shalom. - Shabbat shalom to you.

00:11:16

We need to figure out who's behind this. Call Jill, find out what she knows.

00:11:20

Good thinking.

00:11:21

If I go to jail, that will throw a monkey wrench into my awards campaign.

00:11:25

The Academy does not look kindly on murder.

00:11:27

Rape, they don't seem to have a problem with.

00:11:28

Be careful. Jill could be the one trying to set you up.

00:11:31

She did send us to the house.

00:11:33

Backstrom, turn it down a notch. Aren't you supposed to be tweeting for me?

00:11:36

This is a crucial weekend for BoJack brand awareness.

00:11:39

What am I supposed to tweet? "Someone got murdered, we found the body.

00:11:42

- Hashtag murder party"? - No, obviously.

00:11:45

[grunts]

00:11:45

Bat Mitzvah in Brentwood. Hashtag Jewish stuff.

00:11:48

[Jill]

00:11:48

BoJack. - Hey, Jill.

00:11:51

You're not trying to frame me for murder, are you?

00:11:53

- What? - Can you take this seriously?

00:11:55

Can you take this seriously?

00:11:56

You find the letter? Check in the vent behind the water feeder.

00:11:59

I've been pretty tied up at Drake's cousin's Bat Mitzvah.

00:12:02

Did you know Drake's cousin was Jewish?

00:12:04

I'm sorry, did I forget to hang up? Get the letter.

00:12:07

This is why I couldn't live in New York. Everyone's so bossy.

00:12:10

Also, what's with the pizza by the slice thing?

00:12:12

Hey, New York, either eat a pizza or don't.

00:12:14

I'm calling the last person Nadia was in contact with before she died.

00:12:17

Maybe she knows something.

00:12:19

[female]

00:12:19

Nadia? - No, this is--

00:12:20

Where you been? Boys upstairs are getting real sick of you.

00:12:23

[Goober]

00:12:23

Get off the phone, Skinny Gina. You're on the clock.

00:12:26

[female]

00:12:26

I gotta go.

00:12:27

- That man's voice sounded familiar. - Yeah, super familiar.

00:12:30

Something about that voice made me want to tell it to go home.

00:12:34

[gasps]

00:12:34

It's Goober. -

00:12:34

[gasps]

00:12:34

Goober.

00:12:36

That guy never went home.

00:12:37

Except for that one episode "Goober Goes Home," because we were on a softball team together and the home was home plate.

00:12:43

They must be at Whale World.

00:12:44

Okay, good. Because I absolutely want to get to the bottom of this.

00:12:48

Can we at least wait until after they lift the chair?

00:12:50

- That is my favorite part. - Yeah, we gotta lift the chair.

00:12:55

[Todd]

00:12:55

Oh, I taste delicious.

00:12:57

How you boys doing in there?

00:12:59

- Ahh! I feel clean as a whistle. - Oh, no, the stain.

00:13:02

- Me three. -

00:13:02

[groans]

00:13:04

You took your bath together?

00:13:06

Lena Dunham takes baths with her friends and no one gives her shit.

00:13:10

Gotta-- Gotta get dry.

00:13:12

Mr. Peanutbutter, use the towel. Do not shake.

00:13:14

- The sauce is so sticky and wet. - Don't shake.

00:13:17

It's dripping all over my body. I gotta shake!

00:13:19

- Aaah! -

00:13:19

[Princess Carolyn]

00:13:19

Aah!

00:13:21

Oh, yeah.

00:13:23

[shuddering]

00:13:24

Oh, look, that made things worse.

00:13:26

Okay, I'll call a cleaning service. You two get rid of the stinky clothes.

00:13:30

You got it, chief. Hooray! Following instructions.

00:13:34

[dance music playing]

00:13:39

Ooh.

00:13:40

Fish half off at Beverly Hills farmers market.

00:13:43

Hashtag something fishy this way comes.

00:13:45

You're not putting emojis in, are you? BoJack don't tweet emojis.

00:13:48

- BoJack? Oh, my God! - Oh, hey... you.

00:13:53

I haven't seen you in forever.

00:13:55

- You came to see your old friend. - Uh, yeah.

00:13:57

All this time I thought you forgot about me.

00:14:00

Things haven't been so swell with me since the show ended.

00:14:03

- Not like you, Mr. Movie Star. -

00:14:03

[chuckles]

00:14:03

Okay, buddy.

00:14:06

Just knowing that you care about me and would come patronize my place of business,

00:14:11

- it really means a lot. - You got it, Goober.

00:14:13

Oh, no, I haven't been Goober for 20 years.

00:14:15

- You can call me by my real name. - Okay, maybe I will.

00:14:18

Right now, call me by my real name. I want to hear you.

00:14:21

Uh...

00:14:22

I want to say Goo... bert. Goobert?

00:14:27

Oh, you didn't come to see me, did you?

00:14:30

- No, we did, but-- - I get it. I'm a big joke.

00:14:33

"Let's all go down to Whale World and laugh at Goober.

00:14:36

We'll have a whale of a good time at Goober's expense.

00:14:38

He's always good for a laugh."

00:14:40

I should've known better than to get my hopes up.

00:14:42

Yeah.

00:14:43

We're looking for one of your strippers, Skinny Gina?

00:14:46

Whoa! Whoa, whoa, whoa, whoa. We don't employ strippers here.

00:14:50

Whale World is a family establishment, where children of all ages have a fun, sexy time.

00:14:55

Hey, Skinny Gina, get that sweet tail over here!

00:14:57

You got a customer. You enjoy yourself.

00:15:00

- Well, hello, land mammals. -

00:15:00

[chuckles]

00:15:03

We're just here to ask you some questions about your friend Nadia.

00:15:06

I'm on the clock. You want to chat?

00:15:07

Buy me a private dance in the Blowhole Room.

00:15:10

- Oh, please. - Ugh, gross. Private dance?

00:15:13

But if that's the only way she'll talk, then fine.

00:15:16
Fine, I'm offended. Yuck.

00:15:17
But really, guys, gross. Start it now.

00:15:20
- But gross. -

00:15:20
[groans]

00:15:25
Oh, um, you can dance however you want. Don't do this for my benefit.

00:15:28
Tango, waltz, salsa. I'm just saying, but pretend I'm not here.

00:15:33
- How would you dance then? - Like a stripper, probably.

00:15:35
Listen, we have some bad news. Your friend Nadia is dead.

00:15:40
- Not surprised. - You're not?

00:15:42
A lot of girls like her come through here. Sweet, vulnerable.

00:15:45
This place takes 'em and makes 'em a lot of promises.

00:15:49
They say they're gonna take care of you, make you big like Shamu.

00:15:52
But once your body gets too banged up, they don't want you no more.

00:15:55
- Thar she blows, then thar she goes. - Shit.

00:15:59
Watch your mouth, lady. There are children here.

00:16:01
- Uh... -

00:16:01
[giggling]

00:16:03
What do you know about Nadia's relationship with Cuddlywhiskers?

00:16:06
Doesn't ring a bell, never met the guy.

00:16:08
His house has been abandoned for months, though. That's all I know.

00:16:11
- That's it? - That's it.

00:16:13
A bunch of girls used to hang out.

00:16:15
He had some sort of system. Told 'em he was gonna help 'em.

00:16:18
- What do you mean, "system"? - I have already said too much.

00:16:21
A system is a formulated method or plan of procedure.

00:16:23
- I know what the word "system" means-- - But that's all I can say.

00:16:27
That text that Nadia sent you, "BoJack is going to kill me."

00:16:30
Any idea what that's about?

00:16:32
Hey, I don't know nothing about BoJack.

00:16:34
How do you not know about BoJack? I am very famous.

00:16:37
- Time's up. -

00:16:37
[groans]

00:16:38

[sighs]

00:16:39
Hey, if you really want to know about all that stuff, come by here real late.

00:16:44
There's an after-hours party. But that's all I can say.

00:16:46
I'm not gonna spill any more beans.

00:16:48
Say you got BoJack with you. That'll get you in. Okay, that's it.

00:16:52
Is Wilbur coming today?

00:16:55
Wilbur's not real. He was a character on a TV show you were on.

00:17:00
- Oh. Are my kids coming today? - Um...

00:17:04
- No. - Hey there, fella.

00:17:06
Can't wait for you to see Secretariat, think you're gonna love it.

00:17:09
Hey, old pal. Hope you remember how to vote.

00:17:11
We have to go to this Whale World party.

00:17:13
I know I should go, I'm invested in figuring out who's trying to frame me for murder.

00:17:17
Are you sure you wanna go with me? Outside of work hours?

00:17:20
I wouldn't want to be unprofessional.

00:17:21
Sorry about what I said.

00:17:23
I was embarrassed by the person I was when I was staying with you.

00:17:26
I'm trying not to be that person.

00:17:28
I make you unhappy? Is that what you're saying?

00:17:30
It's not about being happy. That's the thing.

00:17:33
I'm just trying to get through each day.

00:17:35
I can't keep asking myself, "Am I happy?"

00:17:37
It just makes me more miserable.

00:17:39
Can I get a photo with the star?

00:17:42
- Of course. - Oh, thank you.

00:17:45
I don't know if I believe in it, real lasting happiness.

00:17:49
All those perky, well-adjusted people you see in movies and TV shows?

00:17:53
- I don't think they exist. - No one's happy all the time.

00:17:56
- You have to focus on the small things. - Right.

00:17:59
- Like winning an Oscar. - Right.

00:18:01
Hey, old pal. Look at this guy, still alive.

00:18:04
Hope your voting finger works.

00:18:08
- What happened out here? - You told us to get rid of the clothes.

00:18:11
Oh, we got rid of 'em, all right. They're never coming back.

00:18:15
[cackling]

00:18:16
You two are impossible. Why did you even call me here?

00:18:19
Because you're Princess Carolyn, you can fix anything.

00:18:21
That's true. But you can't start a fire on your lawn.

00:18:25
There's a drought and-- There's a drought.

00:18:27
You, thoughtful husband that you are, got rid of your lawn, and replaced it with drought-resistant landscaping.

00:18:34
This could work. I got to make a few phone calls.

00:18:37
Aw, thanks. You're the best.

00:18:38
I tell you, I've got half a mind to go over and give it to that skunk for starting this whole darn thing.

00:18:44
No. You go inside to your spot and stay there while I fix this.

00:18:48
- Yeah, but-- Right, but, um... - Stay. Stay.

00:18:50
- Stay. -

00:18:50
[whimpers]

00:18:52
[dance music playing]

00:18:52
- Oh, my God.

00:18:54
Ugh.

00:18:55
- I, uh... - Living the nightlife.

00:18:58
Hashtag feeling good about myself and my choices.

00:19:07
Aah!

00:19:08
Hey, look.

00:19:13
Let's definitely follow that guy.

00:19:17
- Ladies first. - What a gentleman.

00:19:21
Ohh.

00:19:27
- Whoa. - Ooh.

00:19:28
Ohh. Oh, my God.

00:19:29
[phone]

00:19:29
I'm Terry Gross and this is your ring tone.

00:19:32
I'm here with--

00:19:33
BoJack kills?

00:19:35
Something tells me that's not a reference to your old stand-up act.

00:19:37
Was that necessary?

00:19:39
- What do you want? - I'm with BoJack.

00:19:42
Yeah? Let me see.

00:19:44
- See what? - Let me see some BoJack.

00:19:47
[sighs]

00:19:47
Fine. -

00:19:47
[music plays on phone]

00:19:49
Wicka-wicka-wicka-- ■ Now, boys and girls ■

00:19:51
■ If you wanna do the BoJack Take your hands-- ■

00:19:53
- Oh, shit. You're BoJack! - Thank you. Finally.

00:19:57
- From the logo. - Huh?

00:20:00
[gasps]

00:20:00
BoJack, you didn't kill Nadia. BoJack did.

00:20:04
- What? -

00:20:04
[Diane grunts]

00:20:07
Nighty-night.

00:20:13
Wakey, wakey.

00:20:15
[groaning]

00:20:15
- So, you got a little curious, huh?

00:20:17
Thought you'd go sticking your little nose where it doesn't belong?

00:20:20
What's the play here? Trying to get a cut of my smack biz?

00:20:22
What? No, Goober.

00:20:24
- You know my real name. - I actually seriously don't.

00:20:26
[groans]

00:20:27
We just wanted to know why everyone was talking about how BoJack kills?

00:20:30
Why would you implicate me in your drug business?

00:20:32
Wait, I get what happened.

00:20:34
You resented me all these years. My fame, your obscurity.

00:20:37
You made me the face of this drug, because to you my face is a symbol for the opiate of show business.

00:20:43
- No, man. You played The Horse. - Huh?

00:20:45
- Horse is a nickname for heroin. - What?

00:20:47
- BoJack. Horse. Heroin. - Uh-huh. Uh...

00:20:49
Oh-- Oh, okay. Yeah, right.

00:20:52
- Police! - Oh, God, not again.

00:20:54
Gotcha! Richie Osborne, you're under arrest.

00:20:58
- Oh, right, Reggie. - Richie.

00:21:00
- That's what I said. I said Rickie. -

00:21:00
[groans]

00:21:02
Thank God. How did you find us?

00:21:04
Your Twitter account is hooked up to your phone's location services.

00:21:07
We've been tracking you through your tweets all night.

00:21:10
Actually, I've been tracking you all night.

00:21:12
Lindsay, I said "we". Do you need credit for everything?

00:21:15
- I would like credit for something. -

00:21:15
[sarcastic yowl]

00:21:19
What do we know?

00:21:20
Nadia was not murdered. She died of a heroin overdose.

00:21:22
No one tried to frame me. All right, back in the Oscar race.

00:21:25
Look out, Jurj Clooners.

00:21:27
But something's still fishy about this whole mess,

00:21:29
- and it's not just the killer whales. - Whales are mammals, Diane.

00:21:32
- I said it's not the whales. - You said it's not just the whales.

00:21:35
There's more to this story. What are we missing?

00:21:38
Cuddlywhiskers. What was Nadia doing in his backyard in the first place?

00:21:41
What was this "system"? And where is he now?

00:21:43
Why was it so important to Jill to get that letter back?

00:21:46
Oh, yeah, the letter. This mystery has too many things.

00:21:49
I say we go back to the house and finally get to the bottom of what's what.

00:21:53
Oh, this is turning into a real caper.

00:21:55
A real Jill Pill jail fail killer whale caper.

00:21:58
[BoJack]

00:21:58
You're doing 50 in a 35.

00:21:58
[Diane]

00:21:58
Oh, God, you're right.

00:22:01
I feel so alive.

00:22:05
[groans]

00:22:05

This letter is really graphic.

00:22:07
It's all about their magical nights up at the Ojai property.

00:22:10
Ojai property?

00:22:11
She wrote out the sounds. What is a "sploink"?

00:22:14
Did you know Cuddlywhiskers had an Ojai property?

00:22:16
Sure. He always loved to disappear up there.

00:22:18
After our show got canceled, he went there for six months.

00:22:21
It's funny, at the time no one knew where he was and we got really worried.

00:22:25
Anyway, wonder where he went this time.

00:22:28
Oh, you know what?

00:22:31
- I don't see him. Do you? - Huh.

00:22:34
- I'm Terry Gross and this your ring tone. - Shit.

00:22:36
Mr. Peanutbutter.

00:22:37
- Diane, where the hell are you? - Ojai.

00:22:39
Oh, hi? You've been gone all night, all you have to say is "Oh, hi?"

00:22:43
I'm so sorry. BoJack and I were trying to find a killer and--

00:22:46
Oh, you're with BoJack still? Well, that explains it. Of course.

00:22:49
Mr. Peanutbutter, I understand and affirm your feeling--

00:22:52
I'm glad you're safe. I was worried about you.

00:22:54
- What I'm hearing you say is you were-- - No, stop.

00:22:57
You have to call me. It doesn't matter what's happening, doesn't matter if it's the middle of the night.

00:23:02
You can't keep doing this to me.

00:23:04
I'm sorry. I'm coming home.

00:23:06
I'm going back to bed. We'll talk about this in the morning.

00:23:09
[groans]

00:23:11
- Everything okay? - No.

00:23:13
- Sorry. - It's not your fault.

00:23:15
It's my fault.

00:23:19
[gasps]

00:23:19
- BoJack?

00:23:25
Mmm.

00:23:26
After The BoJack Horseman Show fell apart, I got depressed a long time.

00:23:30

Sure, I wrote a bunch of hit movies, I made a ton of money, but it wasn't fulfilling.

00:23:34

I remember when I won my Oscar, standing up on that stage, looking at the statue and thought,

00:23:39

"This is supposed to be the happiest moment of my life."

00:23:41

And I never felt more miserable.

00:23:43

- Oh. Because you're sober? - Because an Oscar is meaningless.

00:23:46

It's all meaningless. I dedicated myself to helping others.

00:23:49

I turned my home into a halfway house for troubled addicts.

00:23:52

I had this system for recovery, and it helped a lot of them, but even more slipped through the cracks.

00:23:58

That, too, left me empty.

00:24:00

Everyone was worried about you, you know.

00:24:02

You can't just disappear. You really hurt a lot of people.

00:24:05

Sometimes you need to take responsibility for your own happiness.

00:24:08

You don't think that's a little selfish?

00:24:10

I don't know what to tell you. I'm happy, for the first time in my life.

00:24:14

I'm not gonna feel bad about it.

00:24:15

It takes a long time to realize how truly miserable you are, even longer to see it doesn't have to be that way.

00:24:22

Only after you give up everything can you begin to find a way to be happy.

00:24:35

Can you believe that guy? What a nut, right?

00:24:39

I just wanna go home.

Ep 4 — Fish Out Of Water

00:00:13

Why do I have to go to this thing?

00:00:15

If we want to be a legitimate awards contender,

00:00:17

Secretariat needs to make an appearance at a big festival.

00:00:20

-I can't just go to Cannes? -You Cannes not.

00:00:23

Apparently, the French do not care for you ever since you said that thing in the press.

00:00:27

Hey, I stand by my critique of Sartre.

00:00:29

His philosophical arguments helped tyrannical regimes justify overt cruelty.

00:00:33

Also, the French smell and I hate them.

00:00:35

And you can't go to Sundance because Robert Redford hates you.

00:00:38

Someone had to tell him The Horse Whisperer was offensive.

00:00:41

Sorry, but real horses don't just do whatever someone says.

00:00:44

And that's why you need to go to this festival.

00:00:47

[sighs]

00:00:47

If you say so.

00:00:48

The Pacific Ocean Film Fest, or POFF, is the biggest underwater film festival in the world.

00:00:55

You make a splash there, people are going to notice.

00:00:58

Fine.

00:00:59

All you need to do is get to the premiere on time, 8:00.

00:01:02

Walk the red carpet, wave at the crowd, kiss some fish babies.

00:01:06

[groans]

00:01:06

Fish. They're so annoying.

00:01:08

[squeaking]

00:01:08

-Sorry, lady. No habla fish talk.

00:01:11

You need to be sensitive to their culture. Things are different down there.

00:01:15

You know what a thumb's up means, right?

00:01:17

Yes, I know what a thumb's up means. I'll be fine.

00:01:20

Oh, I wanted to warn you.

00:01:21

Kelsey Jannings is also going to be at the festival.

00:01:25

-Kelsey? No. -She has another film there.

00:01:27

I haven't talked to her since she got fired from Secretariat.

00:01:30

Well, luckily you won't have to talk much because you'll both be underwater.

00:01:33

God, I haven't been underwater since my mother tried to drown me in the bathtub when I was 22.

00:01:39

I can't do this, Ana. I'm sorry.

00:01:41

-Sir. -I'm getting off.

00:01:42

You can't. We've already pressurized the cabin.

00:01:45

-Sir, please return to your seat. -No. I don't want to do this.

00:01:49

You can't make me.

00:01:50

I'm a land creature. I don't belong down there.

00:01:52

You can lead me to water, but you cannot make--

00:01:54

[electricity crackling]

00:01:54

Ep 5 — Love And/Or Marriage

00:00:09

- Hey, buddy, big day. -

00:00:09

[moans]

00:00:09

No.

00:00:11

- Big premiere day. - Stop.

00:00:13

Secretariat in theaters now.

00:00:15

- How exciting. - Please stop.

00:00:17

People are seeing your movie, forming opinions, judging you, all over the country.

00:00:23

- What are you doing? - Or not. Maybe nobody's seeing it.

00:00:26

Wouldn't it be weird if literally nobody saw your movie?

00:00:29

How do I get out of this conversation?

00:00:30

Just think: by this time tomorrow, we'll know if it's a hit or a flop.

00:00:35

The air crackles with possibilities.

00:00:37

- Oh, good lord.

00:00:37

[groaning]

00:00:37

- Uh-oh.

00:00:40

It's all over. My career is gone.

00:00:44

I'm sure it's going to be fine.

00:00:46

Wasn't Secretariat a big hit at the Pacific Ocean Film Festival?

00:00:50

Critics called it, "Gurgle glub glub blub blub."

00:00:52

Festivals don't matter, Todd.

00:00:54

It's so you can get some leaves on your poster.

00:00:56

But this is the real world now.

00:00:58

If this doesn't hit big this weekend--

00:01:00

- It's-- Oh! Oh, God.

00:01:00

[gasps]

00:01:00

- Oh, no!

00:01:03

BoJack, it's gonna be okay.

00:01:05

[phone ringing]

00:01:05

[gasps and moans]

00:01:07

BoJack, the East Coast box office is in.

00:01:10

Secretariat is, wait for it...

00:01:14

- a huge success! - Why would you make me wait for it?

00:01:16

That was a terrible time for a "wait for it."

00:01:19

Do you know what this means?

00:01:20

You're no longer just some TV actor they threw into a movie,

00:01:24

you're a bona fide movie... wait for it, star.

00:01:28

BoJack, how do you feel?

00:01:31

Awesome.

00:01:33

[funky electronic music]

00:01:35

■■■

00:02:28

We defy odds, we face challenges with valor, and we never give in.

00:02:35

For those reasons, and many more, our love is like the team that inspired the movie Cool Runnings.

00:02:42

If I may borrow that film's promotional tag line,

00:02:45

"Jamaican Bobsledders?"

00:02:47

That's right, Diane. "Jamaican bobsledders."

00:02:50

Thank you, Mr. Peanutbutter.

00:02:52

Thank you, Dr. Janet, for Jamaican me open up like that.

00:02:55

That took up most of the hour,

00:02:57

but we do still have a little time to hear from Diane.

00:03:01

Mr. Peanutbutter, I think you are great.

00:03:07

- Is that all? - I'm sorry.

00:03:09

I'm not always good at using words to describe emotions.

00:03:12

Aren't you a writer?

00:03:14

Writer/social media coordinator/ director of New Media Outreach.

00:03:18

[alarm blaring]

00:03:18

- Aah!

00:03:19

That gentle sound tells us the sun has set on our time together this week.

00:03:24

But I remind you of the importance of communication.

00:03:28

It's the very blade of the bobsled.

00:03:31

I'm not singling out either one of you,

00:03:33

but I think for the next time, some people here

00:03:36

might want to work on putting their thoughts and feelings into words,

00:03:40

as a writer does.

00:03:42

- Mmm? - Mm-mmm.

00:03:44

- Ah. -

00:03:44

[sighs]

00:03:48

I settled on a company dental plan.

00:03:50

It's called, "The tooth, the whole tooth, and nothing but the tooth."

00:03:53

- Seemed comprehensive. - Not "tooth" shabby, Judah.

00:03:56

[laughing]

00:03:56

- Yes.

00:03:58

I also wanted to talk to you, if this is a good time, and it is, because you have exactly nine minutes before your meeting on Captain Hooker 2: Yo Ho Ho Ho and A Bottle Of Booty.

00:04:06

Yeah, what's up?

00:04:07

I've taken on duties beyond the scope of my original contract.

00:04:10

- I think I've proven my worth. - Are you asking for a raise?

00:04:13

A more elegant solution might involve an ownership position in the company.

00:04:16

I thought I'd ask for 15 percent stake, you'd counter with five, we'd settle on ten.

00:04:20

- Well, then, it's settled. - I'll draw up the paperwork.

00:04:22

Speaking of paper, Piper Perabo and Pauley Perrette need to push back the pitch on the Princess and the Pauper project.

00:04:27

- You have a night off tonight. - A night off?

00:04:29

- When's the last time that happened? - It hasn't.

00:04:30

- Can I help you with anything else? - Get me a date for tonight.

00:04:33

Make that three dates.

00:04:35

Who knows when I'll get another night off?

00:04:37

I do. And you won't.

00:04:39

[sighs]

00:04:44

Excuse me, my good man.

00:04:45

My movie, starring me, the movie star, just opened.

00:04:47

We'd like to sit at the bar. Drinks on the house.

00:04:49

Of course, Mr. Horseman. Right away, Mr. Horseman.

00:04:52

[clears throat]

00:04:53

Mr. Sutherland, I'm going to have to ask you to give up your seat for a movie star and his companion.

00:05:00

- Yeah. Beat it, Kiefer. -

00:05:00

[scoffs]

00:05:05

Wow!

00:05:07

- They love you here. - Everybody loves a movie star, Todd.

00:05:11

I'm gonna get a lot of love. I want you by my side, soaking up the spillover and feasting on my discarded leftovers.

00:05:17

Sounds great, Boj.

00:05:18

Tonight, we're riding a rocket straight into the sun.

00:05:21

You won't get left on the launchpad just because nobody knows your name.

00:05:24

- Todd? Todd Chavez? - I think you mean BoJack.

00:05:27

- BoJack Horseman. - Emily.

00:05:29

No, BoJack. Why do people keep saying names that aren't my name?

00:05:32

I haven't seen you since high school. You look great. I love the hat.

00:05:35

Thanks. What brings you here?

00:05:37

My dumb best friend's getting married, so I'm here for the rehearsal dinner.

00:05:41

Why is everybody not talking about me for a moment? This is concerning.

00:05:44

- Oh, my God. You're BoJack Horseman. - Yeah, duh.

00:05:47

I loved The BoJack Horseman Show. That is, like, my favorite show.

00:05:51

- You mean Horsin' Around? - No, The BoJack Horseman Show.

00:05:54

It was so dumb. It was the best.

00:05:56

- Thank you? - I mean, it was the worst.

00:05:58

- But that's what made it so good. - Yeah, I got it.

00:06:01

I was laughing at it because it was so bad, do you understand?

00:06:04

- You're being very clear. - I feel like I'm not articulating.

00:06:07

My enjoyment didn't come from a place of sincere admiration.

00:06:10

It was more like, "What an ill-conceived television show.

00:06:13

Who made those terrible choices? I can't stop watching."

00:06:16

You don't have to keep--

00:06:18

Anyway, I'm pretty much in love with you.

00:06:20

Thanks. I love you. By which I mean, you're terrible.

00:06:22

I should get back to this stupid rehearsal dinner.

00:06:25

Todd, it was really great to see you.

00:06:27

Wait, did you say there's a wedding?

00:06:29

- I said "rehearsal dinner," but-- - Whoa! We gotta crash that.

00:06:32

Boring regular people love it when movie stars show up and drink their alcohol.

00:06:36

They jizz their pants for that shit.

00:06:38

- I don't know, BoJack. - I'm sorry, Todd. Are you a movie star?

00:06:41

I did narrate a Mazda commercial. Funny story how that came together.

00:06:45

This is not the time for one of your weird stories that go nowhere.

00:06:48

- We've got a wedding to crash. - It's a rehearsal dinner.

00:06:54

It just doesn't come easy for me, like it does for you.

00:06:57

Communication is a process. That's why we're going to Dr. Janet.

00:07:01

- That, and there was a Groupon. - You had a model growing up.

00:07:04

You had a house filled with love, parents who said nice things to you, and the beautiful verdant hillsides of the Labrador Peninsula.

00:07:11

I didn't have Diane Peninsula. I had the Isthmus of Assholes.

00:07:15

I keep telling you we should go visit the old country.

00:07:18

You'd love it up there. There's so much to smell.

00:07:21

[chuckles]

00:07:21

That's weird.

00:07:22

I just got a text from Alexi Brosefino.

00:07:25

The famous movie star and man about town?

00:07:27

He wants me to come to his house and party with his friends.

00:07:30

The Snatch Batch?

00:07:31

Alexi Brosefino wants you to party with the Snatch Batch?

00:07:34

He's one of our clients. I met him a couple weeks ago.

00:07:37

We talked about me Instagramming one of his parties.

00:07:40

I didn't think he actually wanted me to do it tonight.

00:07:42

Oh, wait. Tonight?

00:07:43

I hoped we could snuggle up on the couch and watch Bones.

00:07:46

I don't think that show's about what you think it's about.

00:07:48

Besides, I have to go. It's for work. I'm sorry.

00:07:51

It's fine. But you'll call me if you're out late, right?

00:07:54

- Yes. I'll call you. - Okay. Have a good time.

00:07:56

Ugh! I'm sure I won't.

00:07:58

Cool guys like that take me back to high school and I end up feeling like a huge nerd over again.

00:08:03

The only kind of nerd you should feel like is hon-nerd that he selected you.

00:08:14

Princess Carolyn, I made reservations for you tonight at Elefante.

00:08:16

- Reservations? - For your dates.

00:08:18

One at seven, one at 8:30, and one at ten.

00:08:20

You actually got me three dates?

00:08:21

- I was joking. - I'm sorry.

00:08:23

I sometimes have trouble reading tone.

00:08:25

Once I spent 45 minutes at a fascinating lecture at the Apollo Theater before I realized it was a comedy routine.

00:08:29

I can't go on three dates. Can we reschedule two of them?

00:08:33

It will be a long time before you get another night off.

00:08:36

Especially since you have those lawyers coming next week to change light bulbs.

00:08:39

Okay, I just realized now that was also a joke.

00:08:45

As the father of one of the brides, I just wanted to take a moment to--

00:08:49

Buenas noches, amigos.

00:08:51

Let's get blasted. Right?

00:08:55

Oh, my God, BoJack Horseman. The movie star.

00:08:58

This is the happiest day of my life.

00:09:00

[cheering]

00:09:00

[hip-hop music playing]

00:09:07

- Ooh. -

00:09:07

[doorbell rings]

00:09:10

- Can I help you? - I'm Diane.

00:09:12

- Um... - I work for Princess Carolyn.

00:09:14

You texted me to come hang out with you and your friends.

00:09:17

- I'm running out of things to say. - Oh, yeah. Diane.

00:09:21

Yeah, no, of course. Come in, please.

00:09:24

- Holy shit. Is that a Klimt? - Hey, guys, we got a guest.

00:09:28

Diane, this is Carlos, David, and Shitshow.

00:09:31

- Yo. - Word.

00:09:32

Ah, the famous Snatch Batch.

00:09:34

That's just a dumb name some reporter came up with.

00:09:37

We don't actually call ourselves that.

00:09:38

We all have sex with a lot of women. But who cares?

00:09:41

We also love getting brunch.

00:09:43

You might as well call us the Brunch Batch.

00:09:45

Or the Brunch Bunch.

00:09:46

Oh, my God, Carlos, that's why you're the funny one.

00:09:49

That is really good. Write that one down.

00:09:51

Yeah, we get why the Casanova narrative is appealing and how it helps our brand.

00:09:55

- We're not complete idiots. - Yeah, except for Shitshow.

00:09:59

[blows raspberry]

00:09:59

[laughing]

00:10:01

Good one.

00:10:02

But within each man lives a great multiplicity, right?

00:10:04

- Nobody is just one thing. - Yeah, except for Shitshow, right?

00:10:08

[nervous chuckle]

00:10:08

- Ah...

00:10:10

You know, we can make fun of him because, like, he's our friend.

00:10:14

I am so sorry, Shitshow.

00:10:20

But the modern era of automotive glass began when engineers took two panes of laminated glass and separated them with a thin layer of PVB.

00:10:30

- Uh-huh. - How about you? Are you in the industry?

00:10:33

- Yes, actually. I'm an agent. - Agent?

00:10:36

Oh, you're in the entertainment industry.

00:10:39

When I said the industry, I meant the auto glass industry.

00:10:42

We call our business the industry because we think we're more important than everybody else.

00:10:46

[sighs]

00:10:49

[whistles]

00:10:54

I could bore everyone to death about how proud I am of the woman Taneisha's become, but rather than read the remarks I've been preparing for the last eight months, I'm gonna turn the microphone over to an honest to God movie star, BoJack Horseman, ladies and gentlemen.

00:11:07

[cheers and applause]

00:11:09

Thank you, thank you. Let's get to the reason we're here.

00:11:11

And no, Uncle George, I don't mean the chocolate fountain.

00:11:14

[laughter]

00:11:15

You know, I don't know Karen and Taneisha super well, but I do know how precious and rare it is to find that one missing puzzle piece who completes you.

00:11:28

And when you know, you know. You know?

00:11:31

So congrats to the happy couple for knowing.

00:11:35

Okay, as they say in the movie business, "That's a wrap on BoJack."

00:11:39

Let's hear it from some of these bridesmaids.

00:11:42

Taneisha, Karen.

00:11:42

[sing-song]

00:11:42

Taneisha... Karen...

00:11:49

On the way here, the driver stopped in some weird parking lot and asked if he could touch my hair.

00:11:54

- That's terrifying. - I know.

00:11:56

It is a very popular ride-sharing app, you'd think they could vet their drivers better.

00:12:00

Which app is that?

00:12:00

I probably shouldn't say, for legal reasons.

00:12:03

I think we all know which one I'm talking about.

00:12:06

You know what would solve a lot of problems?

00:12:09

If there was a ride-share app for women that only had women drivers.

00:12:13

That is such a good idea, Todd.

00:12:16

- You always did have such great ideas. - You know what else would be cool?

00:12:19

A miniature cupcake gun, so you could shoot tiny cupcakes into your mouth.

00:12:24

"Uh-oh! Is that guy trying to kill himself?"

00:12:27

"Nope, just a cupcake gun."

00:12:29

Wait, no, go back to your other idea.

00:12:31

- Which one? - The one about the women drivers.

00:12:34

Taneisha, and Karen.

00:12:34

[sobbing]

00:12:34

Karen and Taneisha.

00:12:39

[dance music playing]

00:12:41

And my foundation focuses on clean water initiatives and that's actually how I met Carlos.

00:12:46

He patented a process for ionic remineralization.

00:12:48

- It's crazy. - That's incredible.

00:12:50

Okay, enough shop talk. Let's roll.

00:12:53

- Diane? - Oh, drug taking. That's cool. I'm cool.
00:12:58
- What is this, Molly? -
00:12:58
[laughter]
00:13:00
Yeah, Diane, some drug dealer from 2013 found a time machine and gave us this Molly.
00:13:04
- Nobody does Molly anymore. - This is Gush.
00:13:07
What's Gush?
00:13:08
[chuckles]
00:13:08
Look, Diane, I get that this is maybe not your usual scene.
00:13:12
- So don't feel like you have to do any-- - No, no, I can hang. Let's do drugs.
00:13:16
Let's put the drug in my mouth, so I can trip or roll or gush or--
00:13:21
[gulping]
00:13:21
- Oh, you all did it. Uh...
00:13:25
Here we go. Oh, it doesn't hit right away, does it?
00:13:29
- No, it'll take a few minutes. - Okay.
00:13:33
So how'd you guys meet Shitshow?
00:13:36
We went to his TED Talk.
00:13:41
Oh, it is so great to finally date a woman my age.
00:13:44
- Yes. - Who's comfortable in her own skin.
00:13:47
I always say, there's more than one way for a cat... you know, to have skin.
00:13:51
And has come to terms with not having children.
00:13:54
What makes you think I don't want to have children?
00:13:57
Oh, come on. What are you, serious? At your age?
00:13:59
Since when are you an expert on who can and cannot have children?
00:14:03
I'm a gynecologist. I specialize in fertility.
00:14:06
I'd be happy to put you in the stirrups, look at the old cat eggs.
00:14:09
Ecch! Not if you were the last albino rhino gyno on the planet.
00:14:13
I'm the only albino rhino gyno I know.
00:14:15
- Should we get some wine? - Oh, great. You're also a wine addict.
00:14:19
Oh, yeah!
00:14:21
So to do a soft launch, I think we'd only need about ten cars.
00:14:24
I could work out any bugs with the app.
00:14:26
You really know what you're talking about.
00:14:29

So, do you think your girlfriend would get jealous if we started this project together, or...
00:14:33
Oh, God, this is so embarrassing for you, but I actually don't have a girlfriend.
00:14:38
That's a really weird assumption for you to make.
00:14:41
You look really dumb right now.
00:14:43
No, actually, I was kind of hoping you weren't seeing anybody.
00:14:46
I'm also not seeing anybody, for what it's worth.
00:14:50
- Ohh. - Hey, Todd, you must be a real cool dude if a movie star wants to hang out with you for no reason.
00:14:56
Just wanted to give you a key to the room I booked, which nobody is in right now.
00:15:01
- Winkity dinkity. - BoJack.
00:15:03
Maybe you two should just go see if the bed works.
00:15:05
A lot of these rooms have faulty beds.
00:15:08
- That's a great idea. - Uh, yeah.
00:15:10
Okay, let me just finish this cocktail real quick.
00:15:10
[slurping]
00:15:13
- Uh... - All right, Todd. Yeah, go.
00:15:16
Ahh! Cool, I'm just gonna get one or two more drinks and then we'll go check out that bed.
00:15:22
[Emily]
00:15:22
Okay.
00:15:24
Um... hello, everybody. I was thinking about what BoJack said before.
00:15:30
About how when you know, you know.
00:15:32
And I'm sitting there, and I'm thinking, "Do I know?"
00:15:37
- Uh... - I mean, I think I know.
00:15:39
But if you know when you know and I only think that I know, maybe that means that I don't know, right?
00:15:44
- Oh, boy. - Karen, I'm sorry.
00:15:46
I love you, but I can't do this. The wedding's off.
00:15:49
[gasping]
00:15:49
[Emily]
00:15:49
It's a rehearsal dinner. - Thank you, BoJack.
00:15:53
[mic feedback]
00:15:53
[sobbing]
00:15:55
Uh...

00:16:01
I don't think it's working. Am I doing this wrong?

00:16:03
Am I doing drugs wrong?

00:16:05
Alexi, did you hear back from that piece you texted?

00:16:08
- Mm-mmm! Mm-mmm. - "That piece"?

00:16:10
That girl was hot. What was her name again?

00:16:12
Doesn't matter. I mean, let's just enjoy ourselves, right?

00:16:15
- Diane? - What?

00:16:17
No, the hot girl. Her name was Diane.

00:16:19
You saved her in your phone as Cool Sexy Diane.

00:16:22
Let's just, like, drop it, now.

00:16:24
That's funny. You have two friends named Diane.

00:16:28
You know, I also know Diane Lane. So, there's that.

00:16:31
Why are we talking about other Diances?

00:16:33
Hey, wouldn't it be funny if you tried to text Cool Sexy Diane, but then instead you texted Regular Boring Diane by mistake?

00:16:40
And then I showed up and you were like, "Who's this chick?"

00:16:43
All night, I'd be hanging out with you, thinking I was one of the gang, but it was just a big mistake because you meant to text-- Oh, shit, that's exactly what happened.

00:16:51
Wait, Diane, please hear me out...

00:16:51
[voice deepens and distorts]

00:16:55
Whoa.

00:16:56
[laughter, distorted]

00:16:58
Oh, shit. It's hitting. I gotta go.

00:17:02
[panting]

00:17:03
- Diane, wait. Come on. - I get it, okay?

00:17:06
You're the cool kids. I'm the nerd. I should have known.

00:17:08
So I texted the wrong person. So what? This isn't high school.

00:17:12
There's no nerds and no cool kids. We're all adults.

00:17:15
We're hanging out together and having a good time.

00:17:17
- So just come back inside. - Everyone knows I don't belong there.

00:17:20
Hey, you belong wherever you want to belong, Diane.

00:17:23
- Yeah? - Yeah, look at me.

00:17:25
I'm a handsome white guy and I never feel like I don't belong.

00:17:28
Also, you took a shit ton of gush.

00:17:30

- Things are about to get insane. - I just took one pill.

00:17:33
Yeah, that's a shit ton.

00:17:35
- My jeans feel amazing right now. - That is great.

00:17:38
I feel so much love. I got to tell someone.

00:17:42
Yes, yes, tell me. I'm in this with you, Diane.

00:17:44
No. I got to go home. I got to tell my husband.

00:17:48
[sighs]

00:17:48
- Wait, Diane.

00:17:51
That tree is amazing.

00:17:54
Ugh!

00:17:54
[shudders]

00:17:59
- Princess Carolyn? - You've got to be kidding me.

00:18:02
- You're a cat. - And you're a mouse.

00:18:05
- I think I know how this ends. -

00:18:05
[both chuckling]

00:18:09
Let's not waste each other's time and cut right to the chase.

00:18:12
- It was nice to meet you, uh...? - Ralph Stilton. It was nice to meet you.

00:18:17
May all your disasters be this easy to avoid.

00:18:19
[chuckling]

00:18:19
If I have one more bad date...

00:18:22
Oh! I am right there with you.

00:18:24
Date canceled. I could use a bite to eat, though.

00:18:27
There's this great place around the corner.

00:18:29
It's a little hole in the wall, but they do a nice cheese plate.

00:18:32
Hmm.

00:18:34
[sobbing and sniffing]

00:18:34
[howling]

00:18:38
Wow. Weird turn of events, huh?

00:18:40
Nobody's fault, right? I'm gonna jet.

00:18:42
You need to talk some sense into my daughter.

00:18:44
Yeah, talking sense into people isn't really my thing.

00:18:47
In fact, I'm better at the opposite.

00:18:48
I once got Nic Cage to buy Charlie Chaplin's mustache on eBay.

00:18:51
That was his last ten bucks.

00:18:52
Please, BoJack. She'll listen to you. Everyone loves the movie star.

00:18:57
[groans]

00:18:59
Uh... hey, laundry cart.

00:19:01
Want to hide in sheets and pretend we're ghosts?

00:19:04
No, Todd, I don't want to pretend like we're ghosts.

00:19:07
I want to go in the hotel room and fool around. Do you?

00:19:10
[chuckles]

00:19:10
I don't know, Emily. Uh, you're pretty drunk.

00:19:14
No, I'm-- I'm not. I'm not drunk at all.

00:19:16
- Oh, well, I'm pretty drunk. - Yeah, but it seems like you're--

00:19:19
Maybe I should just go to bed.

00:19:21
- I'm, uh, I'm feeling kind of sick. - Oh, yeah. Okay.

00:19:26
But, hey, it was really great seeing you.

00:19:28
- Yeah, it was great seeing you too. - Yeah, yeah, good night.

00:19:32
[sighs]

00:19:33
What?

00:19:35
[laughing]

00:19:37
My arm is stuck in the trap and I'm running around the kitchen like crazy, smearing blood everywhere.

00:19:44
- Oh, this is me. -

00:19:44
[alarm chirps]

00:19:46
I think as far as disasters go, that was one of the better ones.

00:19:50
It's the best non-date I've ever had.

00:19:52
Yeah, I was thinking, maybe some time we should have a--

00:19:55
- What's the opposite of a non-date? - A date.

00:19:58
- That's the word. - I'd like that.

00:20:00
Well, great, great.

00:20:00
[chuckles]

00:20:02
When can I see you again? When's your next night off?

00:20:04
Oh.

00:20:05
Did I say something? Is it because I asked for the glass of milk?

00:20:08
- If you give me a cookie-- - No, you're great.

00:20:10
It's just running an agency doesn't give me a lot of nights off.

00:20:13
Tell you what, here's my card. If you're ever free, give me a call.

00:20:16

If not, I'll just meet somebody else and invite you to the wedding.

00:20:20
- Oh, thanks. - You don't have to come, but send a gift.

00:20:28
- Hey, Taneisha? -

00:20:28
[sniffing]

00:20:28
BoJack?

00:20:31
- I was thinking about what you said-- - Stop doing that.

00:20:34
Nobody should be thinking about the things I say.

00:20:36
- I love Karen. But does she complete me? - Taneisha, nobody completes anybody.

00:20:41
That's not a real thing.

00:20:43
If you're lucky enough to find someone you can halfway tolerate, sink your nails in and don't let go, no matter what.

00:20:48
- So, what, I should just settle? - Yes, thank you, exactly. Settle.

00:20:52
Because otherwise you're just gonna get older, and harder, and more alone.

00:20:56
And you're gonna do everything you can to fill that hole, with friends, and your career, and meaningless sex, but the hole doesn't get filled.

00:21:05
One day, you're gonna look around and you're going to realize that everybody loves you, but nobody likes you.

00:21:13
And that is the loneliest feeling in the world.

00:21:16
[door latch clicks]

00:21:20
- The wedding is back on. -

00:21:20
[cheering]

00:21:23
I love you, baby. I always knew I did.

00:21:26
- This is the happiest day of my life. - Yeah.

00:21:32
[Brennan]

00:21:32
Sometimes, the only way to solve a crime is with bones.

00:21:35
[chuckling]

00:21:36
[man]

00:21:36
Hey, if you love bones so much, maybe we should just call you "Bones."

00:21:39
[giggling]

00:21:39
Bones.

00:21:41
[Brennan]

00:21:41
To the Bones Mobile.

00:21:42
[panting]

00:21:42
Mr. Peabut Nutter. Mr. Peeper Number.

00:21:45
- Diane? Are you okay? -

00:21:45
[shushing]

00:21:48
The drugs have something to say.

00:21:50
And even though they are drugs, they come from science, so let's give a listen.

00:21:55
Okay.

00:21:57
I know I don't always have the right words,

00:21:59
I don't always have the right feelings, but I love you so much and I need you to know that.

00:22:04
Yeah, I know.

00:22:05
And sometimes I think that I know myself, but maybe that's a trap.

00:22:09
Because maybe I am Cool Sexy Diane, or Really In Touch With Her Feelings Diane.

00:22:14
Or possibly other Dianes we don't even know about yet.

00:22:18
The point is, I'm all of the Dianes.

00:22:22
I know exactly what you're talking about.

00:22:24
I love that you do crazy things that make no sense, like fill our house up with spaghetti strainers.

00:22:30
I had a very good reason for that, but I do not remember what it was.

00:22:33
And we're really good for each other. Or at least, you're good for me.

00:22:38
And you're fun. And you're sweet.

00:22:40
And I love you. And I need you.

00:22:43
And I don't always know how to tell you that. But drugs help.

00:22:47
That's right, honey. Drugs are great.

00:22:49
And now, I'm going to carry my man to bed.

00:22:53
- Here we go. - Oh, okay.

00:22:55
[grunting and straining]

00:22:55
- Uh, is this a good idea?

00:22:58
The drugs want me to do this, and that means it's a good idea.

00:23:03
- Aaah!

00:23:03
[grunts]

00:23:03
- Ohh!

00:23:04
Ow! Drugs, I thought we were friends.

00:23:10
Oh.

00:23:11
- Why were you working in the dark? - Oh, I guess it got dark.

00:23:15
- I didn't notice. How were your dates? -

00:23:15
[sighs]

00:23:15
Pointless.

00:23:19
Yes, most dates are. Well, I've prepared our agreement.

00:23:22
- Look it over, sign it at your leisure. - I don't have any leisure.

00:23:25
While you're signing, I have a stack of holiday cards for the staff.

00:23:28
I took the liberty of writing little personal messages

00:23:30
- to everyone on your behalf. - Thank you.

00:23:32
Mm-hmm.

00:23:52
- Hey. - Hey.

00:23:59
- What's gonna happen tomorrow? - I don't know.

00:24:03
- Are we going to fight? - No.

00:24:05
We are. Drugs are gonna wear off and I'm gonna be mean.

00:24:09
- Why am I so mean? - You're not mean.

00:24:11
[exhales]

00:24:13
[gasps]

00:24:14
- Let's go to the Labrador Peninsula. - Yeah?

00:24:16
- Spend New Year's with your family. - Oh, you are gonna love it up there.

00:24:20
I have an uncle who still plays the flute at the local pub every week.

00:24:23
- I want to hear him. - Ohh, you can't.

00:24:25
- He plays in dog frequency. - Aww.

00:24:28
Well, your blood work looks good. So go home.

00:24:31
Oh, and, uh, lay off the drugs. Especially now.

00:24:34
- Why especially now? - Oh, don't worry. Your baby's fine.

00:24:39
What do you mean "baby"? Why do you say "baby"?

00:24:41
Do you not know?

00:24:44
- You're pregnant. - Motherf--

Ep 6 — Brrap Brrap Pew Pew

00:00:09

...fucker!

00:00:12

-So, we have some options. -Yeah, a lot of options to discuss.

00:00:18

-You know I love you. -That's not what this is about.

00:00:20

We always agreed we didn't want kids, unless--

00:00:23

A streetwise but soulful teen needed somewhere to live as he waited for his Juilliard audition.

00:00:26

We'd support his dancing and let him stay in the guest room, right.

00:00:29

-But a baby? Are you--? -It's not about me.

00:00:32

There's no "I" in uterus, there's only "us."

00:00:34

And "U," and another "U," but that's the "U" that's in "us," so I already said that "U."

00:00:40

The point is, I'm going to be here for you, 24/7.

00:00:43

Two hundred and forty-seven percent, that's how "there for you" I'll be.

00:00:48

-Whatever you decide... -What we decide, because this is--

00:00:50

Definitely. This is a conversation.

00:00:55

Let's both say what we want at the same time on three.

00:00:58

-Okay. -One, two--

00:01:01

On three or after three?

00:01:02

How could I say it "on three"? I'll be saying "three."

00:01:05

-Okay. Okay. -One, two, three...

00:01:08

-Abortion. -Get an abortion.

00:01:09

Oh, no. We said different things.

00:01:12

The Oscar race is heating up,

00:02:10

and all the hot stars came out to sizzle

00:02:12

at the Golden Snowflake Awards.

00:02:14

Step one on the 48 awards show gauntlet that is The Exhausting Road To Oscar.

00:02:22

[presenter]

00:02:22

The nominees for best actor in a motion picture or Vine are...

00:02:26

Mitt Dermon for Midnight Hole...

00:02:29

Bread Poot for City Of AIDS...

00:02:33

Lernererner DiCarpricorn for The Haberdasher's Peanut...

00:02:38

Jurj Clooners for The Nazi Who Played Yahtzee...

00:02:43

and BoJack Horseman for Secretariat.

00:02:47

Oh, my God.

00:02:48

And the Golden Snowflake is... Jurj Clooners.

00:02:52

-Oh, my goodness. -

00:02:52

[cheering]

00:02:54

You have to be kidding me.

00:02:59

Don't worry, they'll call your name next time.

00:03:02

My clients have won Oscars nine out of the last ten years.

00:03:05

Nine out of ten?

00:03:06

If you were an airline and landed nine out of ten planes, you wouldn't exactly brag about that in your commercial.

00:03:11

Everyone loves Secretariat . Your time will come.

00:03:14

Now, if you'll excuse me, I have to go tell A.O. Scott how great you are.

00:03:19

[yelling]

00:03:19

Hey, yo, Scott!

00:03:21

Hey, Diane.

00:03:23

-Diane, Diane, Diane. -I'm doing my job, BoJack.

00:03:26

Young people and their phones.

00:03:27

There could be a beautiful rainbow in this room right now

00:03:30

and you would have no idea.

00:03:31

Really makes you think, huh?

00:03:32

Can you look at rainbows on your phone?

00:03:34

Shut up, BoJack.

00:03:36

[phone pinging]

00:03:36

-Shit.

00:03:37

I just tweeted "Shut up, BoJack," as Cynthia Nixon.

00:03:40

I'd buy it. She is not a fan, and for good reason.

00:03:42

-We were up in the Poconos, she and I... -BoJack, not now.

00:03:45

-What's up your butt tonight? -You really wanna know?

00:03:47

I would seriously like to know what crawled up your butt,

00:03:50

made a home for itself in your butt,

00:03:52

started a family, lived a fruitful life, and then died up your butt.

00:03:55
I'm getting an abortion.

00:03:56
Whoa, that takes me back.

00:03:58
I had more than my share of abortions in the '90s.

00:04:01
I didn't get them, I paid for them.

00:04:02
I really hope all those women actually got the abortions,

00:04:05
and didn't just keep my money.

00:04:07
Diane, are you tweeting for pop starlet Sextina Aquafina right now?

00:04:11
I'm trying to. Why?

00:04:12
Because her account just tweeted out to 40 million followers,

00:04:15
"I'm getting an abortion."

00:04:17
What? No--

00:04:18
She--

00:04:19
Oh, balls.

00:04:22
The tweet heard round the world.

00:04:23
Sextina Aquafina says, "I'm getting an abortion."

00:04:26
And the world says, "Whaaa?"

00:04:30
If it's happening, we're gonna talk about it.

00:04:32
It's time for Tom's Rant.

00:04:34
Is Twitter an appropriate forum to be discussing a sensitive issue like abortion?

00:04:39
Wouldn't a better forum be nowhere?

00:04:42
Wait, does that say "Tom Srant"? Why does that say Tom Srant?

00:04:46
I clearly said--

00:04:47
Randy, don't look at Jessica. This is on you.

00:04:52
Diane, VIM is hanging on by a thread and only barely scraping by because of clients like Sextina.

00:04:58
Hey! Heard you pulled the trigger on the Big Bear condo.

00:05:01
Great investment. We are not on the edge of complete ruin.

00:05:04
We are on the edge of complete ruin.

00:05:06
I think if I explain it to her and apologize, she'll understand.

00:05:10
Because she's so understanding? This is a teenage pop star.

00:05:13
Literally the two least compassionate entities combined into the supernova of not understanding

00:05:18
-that is Sextina Aquafina. -

00:05:18
[elevator dings]

00:05:22

Ugh. So imagine my surprise when I'm in the middle of a performance for Gaddafi's cousin on his yacht and I'm in a giant champagne flute singing "Left Titty" and everyone starts to look at their phones and look at me, because I am apparently aborting a baby I do not have.

00:05:39
So I had them turn their boat into a car and drive me here to fire someone.

00:05:44
-I think that's me. -Great. You're fired, Glasses.

00:05:47
[background]

00:05:47
■ Sextina! ■

00:05:48
I'll put out a statement explaining the whole mess. I am so sorry.

00:05:53
Oh. Oh!

00:05:54
What "oh?" Who said you could "Oh?"

00:05:56
Taylor Swift just tweeted that you were "brave."

00:05:59
Nicki Minaj tweeted at you a face with heart eyes.

00:06:02
And BuzzFeed just posted a list of top 15 celebrities who should have had abortions like Sextina.

00:06:07
-You're trending like crazy. -I'm trending?

00:06:11
Most women who go through this never talk about it because it's so stigmatized.

00:06:14
The fact that you're coming out like this is huge.

00:06:17
It would be, if you were actually getting an abortion.

00:06:19
So what you're saying is, maybe I am getting an abortion?

00:06:24
Well, no, because you're not.

00:06:26
Yeah, but if you did, this would make you a cultural icon.

00:06:29
Glasses, you're un-fired. I'm getting an abortion.

00:06:33
-Well... -I gotta go on talk shows.

00:06:35
If I can make one woman feel a little less alone, then it's all worth it, right?

00:06:40
Yeah...

00:06:41
And if I can make a million women buy my album, then it's definitely all worth it.

00:06:45
Um...

00:06:46
-Diane, take the yes. -Okay.

00:06:48
Sextina Aquafina, you are now the face of the pro-choice movement.

00:06:53
-Now let's get you informed. -Hey! Uh, what?

00:06:56
[crowd chattering]

00:06:59

So, before the procedure, you'll need to look at an ultrasound and listen to the heartbeat.

00:07:04

Or heartbeats, if you're having a litter.

00:07:06

Why does she have to listen to the heartbeat?

00:07:07

It's the law. Also, by law, I have to tell you that at one month, your puppies have a favorite color and that color may be blue.

00:07:14

-That can't be true. -By law, I have to tell you that.

00:07:17

Also, before your procedure, you'll need to watch 20 hours of cute puppy videos as Sarah McLachlan's "I Will Remember You" plays softly.

00:07:24

Don't worry, Diane, I will watch the cute puppy videos for you.

00:07:27

-It's a sacrifice I'm willing to make. -No, she has to watch the videos.

00:07:30

Don't worry, Diane, we will watch the cute puppy videos together.

00:07:34

-No, she has to watch them alone. -Diane, I have some terrible news.

00:07:41

Tomorrow, our exclusive interview with the irrepressible provocateuse

00:07:45

Sextina Aquafina.

00:07:47

But first, one thing that isn't being aborted: the road to Oscar.

00:07:52

Tonight, the Leonard Maltin Awards.

00:07:54

Handing out trophies to all the performances this year that Leonard Maltin thought were pretty good.

00:08:00

And the Malty for Pretty Good Actor goes to Bread Poot.

00:08:04

[applause]

00:08:04

-Whoo!

00:08:12

[screaming]

00:08:14

[sighing]

00:08:15

You need another drink?

00:08:16

Why? Because I lost, I'm a loser, so I have to drown my sorrows in scotch?

00:08:20

No, I just meant because of thirst.

00:08:23

I could use a scotch.

00:08:24

Oh, look. Jurj Clooners.

00:08:27

[cameras clicking]

00:08:27

-There he is, Jurj Clooners.

00:08:28

Hey, how are you? Thank you.

00:08:30

Jurj sucks. What does everyone love about him?

00:08:32

He's not a god. He's just an old guy who loves pranks.

00:08:36

Sure sounds like God.

00:08:37

-Jurj, hey, man. -BoJack, right?

00:08:40

Yeah, good to see you.

00:08:42

Hey, Jurj, my name's Todd, and my friend Keith sleeps on your couch.

00:08:47

Oh, you know Keith? Tell him to clean up his shit.

00:08:49

[both laughing]

00:08:49

-Oh.

00:08:51

That is so Keith.

00:08:53

Todd, why don't you do the grown-ups a favor and go find your own shadow?

00:08:56

It was here a second ago.

00:08:59

Jurj, I loved you in The Nazi Who Played Yahtzee.

00:09:02

How do you get in the head of a war criminal?

00:09:04

You know, I don't think of him as a war criminal.

00:09:07

I just think of him as a person who had a funny accent.

00:09:10

Totally. I think I'm getting the hang of all this now.

00:09:13

You won last night, the other guy won tonight, maybe I'll win next time.

00:09:17

Yikes. Look, man, you're not gonna be next.

00:09:21

This will sound dumb coming out of my mouth, but it's true.

00:09:24

So Jurj, Bread, Mitt, those are names. Like real names.

00:09:29

Lernerner DiCarpricorn, that's a name.

00:09:31

-BoJack, not a name. -Huh.

00:09:33

I figured they would, like, tell you this stuff.

00:09:36

You're the Fifth Man. You get it, right?

00:09:38

-Well-- -Yeah, you get it. Put her there.

00:09:40

[zapping]

00:09:40

-Oh!

00:09:41

-Joy buzzer. You just got Jurjed! -

00:09:41

[groaning]

00:09:45

All right, I'll see you later.

00:09:47

Vivica. Now I know why they call you A. Fox.

00:09:52

Excuse me, you gonna stay here long?

00:09:54

We got the OCD Image Awards tomorrow, and those guys really like a clean afterparty.

00:10:00
[groaning]

00:10:04
So, let me get this straight, Sextina.

00:10:06
Someone put a baby in your belly and now you're like,

00:10:09
"Awooga! Is there an undo button around here?"

00:10:11
Leggo my preggo."

00:10:13
-Is that right? -That is exactly correct, A Ryan, but I am very excited for this opportunity to put a face on this important issue.

00:10:20
One out of three women will have an abortion in her life.

00:10:23
That sounds crazy high to me, I don't buy it.

00:10:26
I wanted to destigmatize the experience for all women out there, so I'm dropping a new single.

00:10:32
-What? - ■ Surprise! ■

00:10:33
-New single? -Just relax.

00:10:35
Crack an egg on your head, feel the yolk drip down.

00:10:39
America, get your uterus turnt,

00:10:41
'cause this song is called "Get Dat Fetus Kill Dat Fetus."

00:10:44
Oh, dear.

00:10:45
■ I'm a baby killer Baby killing makes me horny ■

00:10:49
■ Alien's inside me I'm gonna squash it like Sigourney ■

00:10:52
No, stop.

00:10:54
■ Get that fetus, kill that fetus ■

00:10:56
■ Brrap brrap pew pew... ■

00:10:58
Christ, stop the tape.

00:11:00
Glasses, you did this. You empowered me to tell my story.

00:11:04
I think the tone might be a little severe?

00:11:09
Look, when you get an abortion, you can express yourself however you want, but this is about my body and my choices, and my choice is to be a totally insane badass.

00:11:19
Ugh! I am getting an abortion. You're not even really pregnant.

00:11:22
So? This is show business. "Brrap brrap. Pew pew."

00:11:28
"Brrap brrap. Pew pew."

00:11:30
A daring battle cry from the self-appointed New Voice of Choice.

00:11:34
But has the concept of women having choices gone too far?

00:11:37
We've assembled this diverse panel of white men in bow ties

00:11:40

to talk about abortion. Gentlemen?

00:11:42
Tom, this is not just a woman's issue.

00:11:45
I'm a man, but if I got pregnant,

00:11:47
would I put my life on hold for a child I didn't want? Yes, I would.

00:11:51
I can say that with confidence,

00:11:52
because I will never have to make that decision, so I'm unbiased.

00:11:56
-Does this video glamorize abortion? -Very possibly, Tom.

00:11:59
Millennials today think everything is NBD.

00:12:03
NBD of course stands for No BD, referring to B.D. Wong,

00:12:07
who teens think is a very big deal.

00:12:09
So if something's not BD, it means it's not a big deal.

00:12:14
-These days, abortions are not BD. -Are abortions even necessary?

00:12:19
I heard a theory that if a woman really has an unwanted pregnancy,

00:12:23
the body has a way to break the fetus down into gas particles

00:12:26
and then she can just fart it out.

00:12:28
Where did you hear this intriguing "fart it out" theory?

00:12:31
-I don't remember. Maybe the Bible? -Thank you for clarifying.

00:12:35
Next up, Jurj Clooners is making audiences cry

00:12:38
in his new film, but his latest prank might make you... think?

00:12:42
[groaning]

00:12:42
Jurj. He likes pranks, huh?

00:12:45
I'll prank him. I'll prank him real good.

00:12:48
We'll need to draw him out. What do A-list actors like?

00:12:50
Stretch limos? Nannies?

00:12:52
Flying their private jets to disaster areas so they can "help out"?

00:12:56
Yeah, limos. We'll get a limo.

00:12:58
I'll need one of those caps, I'll be the driver.

00:13:00
I'll pick him up, and he'll be all like, "I'm Jurj, I suck," and then I'll be all, "Surprise," and hit him with a bat.

00:13:06
Pranked!

00:13:07
It really doesn't seem like a prank as much as you hitting him with a bat.

00:13:11
Yeah, it's a bad prank on purpose to show how stupid pranks are.

00:13:15
-That's the point. -Is that the point?

00:13:17

I'm working on levels here, man. To the limousine repository.

00:13:22

[paparazzi yelling]

00:13:23

[with accent]

00:13:23

Good afternoon, Mr. Clooners.

00:13:26

Hey, man, just one sec, my publicist is right behind me.

00:13:28

Of course. Bring the publicist.

00:13:33

-Oh, shit. -What's that, driver?

00:13:34

I said, "Auschwitz." You're the Nazi who played Yahtzee.

00:13:39

Right, well, anyway, we're going to the

AOL-Time-Warner-PepsiCo-Viacom

00:13:43

Halliburton-Skynet-Toyota-Trader Joe's Auditorium for the Image
Choice Spirit Awards.

00:13:47

Uh... okay, yes, ma'am. Here I go. Driving, driving.

00:13:52

You don't need to talk, you can just drive.

00:13:55

Actually, can we make a couple stops?

00:13:57

I am totally out of toilet paper, so if you could find a Rite Aid.

00:14:00

You have to go in and buy the TP for me. I'll get mobbed by fans if I
go in.

00:14:06

Just pick out something extra soft for my tushy.

00:14:09

-I don't know -Do as he says, driver.

00:14:10

-Chop chop. -Okay.

00:14:16

My concern is that you're actually giving the pro-life movement
something to latch onto as an example of--

00:14:21

Oh, my God, you are so boring.

00:14:23

Can I abort talking to you right now? Abort.

00:14:26

-You need to stop and think-- -Or what? You gonna sic Fido on
me?

00:14:29

I am just here for emotional support.

00:14:32

Can you let it go? I don't want to have to ask you again.

00:14:35

I really think we have the chance to say something here, and all
we're saying is "Pshew pshew pow."

00:14:41

-What is that? -What are you doing?

00:14:42

That's the gun sounds, from the song.

00:14:44

Uh. Do you mean, "Brrap brrap pew pew"?

00:14:47

Yeah, that's what I did. "Pshow, kapow."

00:14:49

-That's not what a gun sounds like. -Prow!

00:14:51

-Pshow, kapow! -Bop!

00:14:53

-Brrap brrap pew pew! -Ppew, ping!

00:14:55

Can everyone please stop making gun sounds?

00:14:57

It is really freaking me out.

00:14:59

My point is, everyone's listening to you now.

00:15:01

Soon people are gonna get bored and move onto the next thing
and you'll hate yourself that you weren't able to make a difference
when you had the chance.

00:15:08

Believe me, it happens sooner than you think.

00:15:10

Oh...

00:15:13

Hi. I'm A Ryan Sea--

00:15:13

[screaming]

00:15:16

Okay, we're here, finally. Get out.

00:15:19

Ooh, can we make one more stop?

00:15:21

I just remembered we left my wife back at the house.

00:15:24

Can we go back? Pwease?

00:15:26

Driver? The man said, "Pwease."

00:15:28

That's it. Enough. I am not your driver. It is I, BoJack.

00:15:33

[gasping]

00:15:33

BoJack? What are you doing?

00:15:35

I was gonna prank Jurj by hitting him with this bat, but you got into
the car because, apparently, you are a two-timing liar.

00:15:42

What's the thing with the bat?

00:15:43

BoJack, this is not a good look on you.

00:15:46

All this time, I thought you believed in me.

00:15:48

This is why your clients win every year. You represent everyone.

00:15:50

It has nothing to do with whether you're a good publicist or not.

00:15:53

I am a marvelous publicist.

00:15:55

Not to me. You're doing great work for this asshole who loves
pranks.

00:15:58

You're pranking him right now.

00:15:59

Yeah, with a bad prank to show how stupid pranks are.

00:16:03

Seems a little convoluted, which is actually a trademark of a great
prank.

00:16:07

Well played, sir.

00:16:09

No, it's a bad prank. That's my point. Pranks are dumb.

00:16:12

We're late, and I won't keep going round and round with you on
this.

00:16:15
Publicists have many clients.

00:16:17
Not my publicist. You're fired.

00:16:19
Are you kidding? Who fires Ana Spanakopita?

00:16:21
I do. I just did.

00:16:22
[scoffing]

00:16:22
Who's gonna set up your press appearances?

00:16:25
Your hopeless agent? Your idiot sidekick?

00:16:28
Not your problem. Get the hell out of my limo.

00:16:30
'Cause I gotta pick up a bachelorette party in 30 minutes.

00:16:34
Sextina, welcome to the program. Can I get a "pew pew" for the fans?

00:16:38
-Tom, abortion is a very serious subject. -Yes, very serious, I agree.

00:16:43
I want to tell the real story about abortion,

00:16:45
show America what it's really about,

00:16:47
which is why your girl Sextina Aquafina

00:16:50
is gonna have her abortion live on television.

00:16:54
What what?

00:16:55
Pay-per-view, chitches.

00:16:57
-What? -What?

00:16:58
"Pay-per-view, chitches." Brrap brrap, pew pew, ka-ching ka-ching.

00:17:02
How are you going to have an abortion on live TV when you're not even really having an abortion?

00:17:07
-Duh, we'll just Argo that shit. -What does that mean?

00:17:09
Yeah, yeah. Fake abortion. Movie magic, like in Argo.

00:17:13
That is not what happened in Argo.

00:17:15
If we're gonna do this, we got to be real tasteful.

00:17:18
Yeah, only the best for my abortion. All class.

00:17:21
John Carpenter can do the practical effects.

00:17:23
-He owes me a favor. -What?

00:17:25
We'll book Eddie Redmayne as the fetus.

00:17:27
Are you hearing yourselves?

00:17:29
We're not going to fake an abortion on live TV.

00:17:32
Obviously, we'll pre-tape it.

00:17:34
Then put a little box in the corner of the screen that says "Live."

00:17:37

You don't think this is incredibly disrespectful to the women who actually get abortions?

00:17:42
Not if we do it tasteful.

00:17:43
Diane, this is what the client wants. Stop making it about you.

00:17:47
I'm not making it about me.

00:17:48
-I am so tired of you creating problems. -I'm not--

00:17:51
I'm sorry you're so fertile and in a sexually active, loving relationship and now you don't want a family.

00:17:58
-I'm sure that's really hard for you. -What?

00:18:01
Uh... if this is not about me anymore, then I'mma go.

00:18:05
Y'all figure your shit out and get back at me.

00:18:07
Where's that ZZ Top mofo at?

00:18:09
Can a chitch get a parking validation or what?

00:18:12
Is there something you want to say to me?

00:18:14
[sighs]

00:18:15
I have given everything to get where I am, and I am not about to throw all that away.

00:18:21
She wants an abortion? I'm getting her an abortion.

00:18:24
-You know this is bullshit. -It's all bullshit, Diane.

00:18:27
That's the gig. And you're not good enough at this job to be too good for this job.

00:18:31
I won't be a part of this.

00:18:34
[groaning]

00:18:36
Yo, Beardo, where did you go?

00:18:38
I need to get my parking validation did, or I cannot leave.

00:18:41
Y'all's trippin' if you think Sextina Aquafina is paying \$15 for parking.

00:18:48
All right, new publicist. What do you got for me?

00:18:51
Secretariat was an athlete, right? And you used to be an athlete.

00:18:56
What? No, I didn't.

00:18:57
You didn't play baseball and football? Oh, um...

00:19:01
You know, I think I Googled the wrong guy.

00:19:03
-Did you think I was Bo Jackson? -This idea I know you're going to like.

00:19:07
You know that car wash on Alvarado?

00:19:09
They need someone to dress up like a gorilla and spin a sign.

00:19:15
Why would I do that?

00:19:16

Anything that gets your face out there, right?

00:19:18

How does it get my face out there dressed like a gorilla?

00:19:21

Maybe that one's a dud, but hey, you think Lou Bega knocked it out of the park with "Mambo Number One"?

00:19:27

-No, but he kept at it. -

00:19:27

[groaning]

00:19:32

[crowd chattering]

00:19:32

[babies crying]

00:19:34

I'm making things all about me? I'm the one who's having an abortion.

00:19:38

-It's ridiculous. -They're completely morally bankrupt.

00:19:42

I agree with you, 247 percent.

00:19:44

I just wrote "morally bankrupt" on this form.

00:19:47

You were right to do that. This form is being very nosy right now.

00:19:50

Why did I even take that job?

00:19:52

You were going through a rough time, Princess Carolyn wanted to help you and she offered you the job.

00:19:57

Which she should not have done. So morally bankrupt.

00:20:01

Okay, yeah, that was nice.

00:20:03

But still, she is putting her company's bottom line before the very real damage that bottle-nosed maniac is doing every time she gets on the news and--

00:20:11

[gasping]

00:20:11

That's it, the news.

00:20:13

I gotta take the high road, go on the news and rat those suckers out.

00:20:16

Is that really a good idea?

00:20:18

It is if you think it is, because I am here to support you no matter what, but maybe it isn't the best idea?

00:20:25

Like, if that idea were a Dillon brother maybe it's a Kevin, not a Matt?

00:20:30

Someone has to tell the world that Sextina is a total fraud.

00:20:34

[girl]

00:20:34

You know Sextina Aquafina?

00:20:36

-Oh. Yeah, I mean, I work with her. -Oh. She is so cool.

00:20:41

Sextina's music makes me feel strong, like I can do anything.

00:20:45

It doesn't offend you?

00:20:47

What about the part where she says,

00:20:48

"I hope and pray to God my little fetus has a soul

00:20:51

'cause I want it to feel pain when I eject it from my hole"?

00:20:55

It's a joke. You get that it's a joke, right?

00:20:58

Well, obviously.

00:21:00

Do you think she actually wants to shoot her fetus with a gun?

00:21:03

-No, I get it. -Getting an abortion is scary.

00:21:06

With all the protesters out front, how you have to listen to the heartbeat and all that.

00:21:10

When you can joke about it, it makes it less scary, you know?

00:21:14

[sighing]

00:21:14

Yeah.

00:21:16

[nurse]

00:21:16

Diane?

00:21:26

Ana?

00:21:29

I won't be working with Jurj anymore.

00:21:32

I let him know this morning.

00:21:34

First he thought I was doing a really good prank, but eventually I think he understood.

00:21:38

You dropped Jurj?

00:21:40

Jurj Clooners? Sexiest Man in America Jurj Clooners?

00:21:44

Jurj is easy. Everyone loves him.

00:21:47

I've got a master's degree in Publicist, it's time to put that to use.

00:21:50

I dropped all my other clients. You're the underdog.

00:21:53

I want to put all my attention on you and get you that Oscar.

00:21:58

So nobody else, huh? Good.

00:22:00

Just all your hopes and dreams pinned on me.

00:22:03

Somehow beating the odds and winning the highest possible accolade in an actor's career.

00:22:08

-I know we can do it. -Just me, huh?

00:22:10

Wow, that's actually. That--

00:22:12

Is someone standing on my windpipe?

00:22:14

Let's just get Jurj on the phone so we--

00:22:17

No, BoJack. I believe in you, okay?

00:22:19

Okay.

00:22:21

Whoa, Ana, what are you--?

00:22:22

-Oh, boy. -Shh... It's okay.

00:22:25

-When you fired me, it was thrilling. -Oh. Ana...

00:22:29

Nobody talks to me like that.

00:22:31

It reminded me that I work for you, and I liked that.

00:22:35

Okay, but--

00:22:37

Do you like that? Being in control? Being the star?

00:22:42

Yes.

00:22:43

You're my star, BoJack. My shining star.

00:22:46

-But don't you ever... -Ow, too tight.

00:22:48

-...try to screw me again. -Ouch! Oh, please.

00:22:50

-Do you understand? -Yes. God, yes.

00:22:53

Good.

00:22:54

I'll see you tomorrow bright and early. You have my undivided attention now.

00:23:00

-Uh... -

00:23:00

[door opens, closes]

00:23:03

[doctor]

00:23:03

How are you feeling, Sextina?

00:23:06

[Sextina]

00:23:06

A little queasy but on the whole, wonderful.

00:23:09

[doctor]

00:23:09

Good. Now, I do accept tips.

00:23:11

-That was surprisingly tasteful. -And educational, right?

00:23:15

Yeah. Weirdly educational.

00:23:17

I actually learned a lot about abortion, and I just had an abortion.

00:23:22

-How are you feeling? -I feel shitty.

00:23:25

I mean, physically.

00:23:26

I'm glad I did it, but mostly I just felt old.

00:23:30

There were all these teenagers there. Twenty-somethings.

00:23:33

I know from the outside, it might seem like I should be ready for kids, but I can't--

00:23:38

Diane, you don't need to explain anything to anyone.

00:23:43

[phone buzzing]

00:23:45

-Sextina. Great job, we did it. -Yeah, so, little wrinkle.

00:23:50

I've been having a lot of sex, you know,

00:23:53

'cause I'm a sexual creature and dolphins do have sex for pleasure.

00:23:57

I just found out I got knocked up for real.

00:23:59

-What? -And I think I want to keep it.

00:24:02

But that might be a little confusing to my fans, since they just saw me get the old scoopity doopity?

00:24:09

Okay, we're gonna handle this. Meet us at the office in 20 minutes.

00:24:13

First thing is we gotta get her out of town before she starts to show.

00:24:17

Yeah, we'll send her to that farm where celebrities go to disappear, where Chad Michael Murray and Thora Birch went.

00:24:22

Film a bunch of music videos now, and then--

00:24:25

Release them over the next year so it seems like she's still around.

00:24:29

Then when she comes back, we'll say she adopted a baby.

00:24:32

[Carolyn]

00:24:32

People are going to love that.

00:24:32

[Diane]

00:24:32

Yeah. Everyone loves a baby.

00:24:37

■ I'm a dolphin doll face Bitches in my crawlspace ■

00:24:40

■ Have abortions sometimes? ■

00:24:42

■ No, I'mma have abortions always ■

00:24:45

Ep 7 — Stop the Presses

00:00:21

[groaning]

00:00:24

[mumbling]

00:00:27

[gagging]

00:00:29

[voices overlapping]

00:00:29

[groaning]

00:00:31

Guys, I think we could use another phone jack over here.

00:00:34

[phone ringing]

00:00:35

Cabracadabra. We wanna reach out and grab you.

00:00:38

-No, we're a cab company. -Can you toss me the thing?

00:00:40

[grunting]

00:00:41

-Sorry. The other thing. -

00:00:41

[Todd]

00:00:41

Okay. Watch the couch.

00:00:46

Hey. Goddammit!

00:00:48

[yelling]

00:00:48

-I apologize for... I understand.

00:00:49

Mind if I put you on hold one second?

00:00:51

Don't put me on hold. Do you know who I am?

00:00:53

I just won a Baby's Choice Award, the winner of which has gone to take home the Oscar seven of the last 15 years.

00:00:59

So, yeah, that BoJack Horseman.

00:01:02

Otherwise known as the guy you keep sending your dumb newspaper to even though I never subscribed to it.

00:01:06

I'm putting you on hold.

00:01:08

[muttering]

00:01:08

[buzzing]

00:01:16

-We have a situation, sir. -Talk to me.

00:01:18

Guy's name is BoJack Horseman. He's pretty steamed.

00:01:20

I've tried everything, but we might need to bring the Closer in on this one.

00:01:24

Calm down. We can sort this out without having to get the Closer involved.

00:01:27

Did you offer 26 weeks at 50 percent off the newsstand price?

00:01:30

I went through the entire checklist, sir. Even offered him a free tote bag.

00:01:33

What kind of monster says no to a tote bag? Good work, rep.

00:01:37

You've done all that could be expected of you. I'll take it from here.

00:01:42

Yeah, Got it. Right. I understand. I'll take it from here.

00:01:46

God help us...

00:01:47

Is what I'd say if we needed God's help. Fortunately, we got one better.

00:01:51

Morning. Good morning. How was your weekend? How are you?

00:01:54

Good work yesterday. Get out of my way, please.

00:01:56

[sighing]

00:01:59

We have a situation on line two. Name's Horseman. BoJack Horseman.

00:02:02

Thank you. I'll take it from here.

00:02:06

Hello, good morning, and I say this with 100 percent sincerity...

00:02:10

How can I help you?

00:02:12

[funky electronic music]

00:02:14

■■■

00:03:07

I never subscribed to the L.A. Gazette. I do not read the L.A. Gazette.

00:03:10

I have called this number so many times to stop sending it to me.

00:03:14

Yet every morning, I open my door on a new edition of the L.A. Gazette.

00:03:17

It's like I'm in a boring episode of The Twilight Zone.

00:03:20

Sir, we are going to unravel this mystery.

00:03:22

But before we dig in, is there anything I can get you?

00:03:26

A glass of ice water perhaps?

00:03:28

Yeah, sure, I'd love a glass of ice water.

00:03:30

Fabulous. Johnny will get that to you in three, two, one...

00:03:35

[drone whirring]

00:03:35

-Uh... huh.

00:03:38

I see you've been receiving our paper for six months,

00:03:42

but there's no record of you ever registering a complaint.

00:03:46

From whence the hostility, counselor?

00:03:48

It wasn't a problem until recently, because up until a week ago

00:03:51

the boy who lives with me used the paper to make a giant paper-mâché Todd head.

00:03:55

-What was that? -I live with my best friend, Todd.

00:03:57

Good kid, but sometimes he gets ideas to do things.

00:04:00

[groaning, screaming]

00:04:03

-Pretty scary, right? -Yes. What the hell is that?

00:04:07

Giant Todd Head, of course.

00:04:08

I've been working on him for the last six months.

00:04:11

What? Why?

00:04:12

It all started when a rustling from the kitchen

00:04:15

jostled me from tender slumber.

00:04:19

[blinds rattling]

00:04:19

[panting]

00:04:20

Uh...

00:04:25

What was that?

00:04:29

[gasping]

00:04:32

If there's a ghost present, please do not scream or have a skull face or be wearing a tattered white satin gown.

00:04:40

[gasping]

00:04:42

Someone or something is stealing our food.

00:04:46

I made a giant papier-mâché Todd head to scare it away. Think it'll work?

00:04:51

If I made a giant papier-mâché me head, would you stop eating my food?

00:04:54

You should take this seriously. We might have an infestation.

00:04:56

We do have an infestation, of Todds. Look at that, they're getting bigger.

00:05:00

And? Did the head help to ameliorate your pest peccadillo?

00:05:04

No. Todd abandoned the project as soon as he started working on Cabracadabra.

00:05:08

-What's Cabracadabra? -That's what I said.

00:05:10

-What's Cabracadabra? -That's what I said.

00:05:13

-What's Cabracadabra? -That's what we want you to say.

00:05:16

If I didn't know any better, you were about to pitch an idea.

00:05:19

-We are about to pitch you an idea. -I did not know better.

00:05:24

Has this ever happened to you? Hey, where you headed?

00:05:28

Oh, yes. That happens to me all the time.

00:05:31

-We're not at the main part yet. -I'm so sorry. Please continue.

00:05:34

-To the opera, good sir. -Okay.

00:05:36

Am I watching to see if the whole thing has happened to me?

00:05:39

-Or looking for one specific thing? -Kind of both.

00:05:41

So I just keep watching until I see something that has happened to me?

00:05:46

-Yes. -What if we get to the end, none of it has ever happened to me?

00:05:49

Maybe just try to put yourself in Emily's shoes right now.

00:05:52

Got it. Sorry for the interruption. Please continue.

00:05:54

-So, is this where you live? -Yes, it is.

00:05:57

-Alone or are you in a relationship? -This hardly seems appropriate.

00:06:01

Driver, you're starting to make me feel uncomfortable.

00:06:05

Yeah, Todd. What are you doing?

00:06:08

Has a creepy driver ever given you his number or told you that you reminded him of his dead girlfriend?

00:06:15

Or repeated your address slowly, like he was trying to memorize it?

00:06:18

-No, never. -Unfortunately, if you are a woman all those things would happen to you every day.

00:06:25

That's right, Todd. According to my own research, nine out of ten men are total dirtbag creeps, just the worst.

00:06:32

But what if there was a ride-share service that could guarantee no creepy men drivers because there are no men drivers at all?

00:06:40

What are you saying, robot drivers?

00:06:41

What if they become sentient and try to murder us, or unionize?

00:06:45

That could be a real headache.

00:06:46

No, not murderous robots. Women.

00:06:50

Todd, you have done it again.

00:06:52

Actually, Emily and I came up with it together.

00:06:55

Todd and Emily, you've done it again for the first time.

00:06:58

And that's why we're setting up shop at your house.

00:07:02

Why does it have to be my house?

00:07:04

There's no room at Mr. Peanutbutter's house.

00:07:06

It's full of spaghetti strainers.

00:07:08

-Why? -Who can recall?

00:07:10

I figure the longer they're there, the bigger the payoff.

00:07:12

And they've been sitting there for months now.

00:07:15

So you can bet the payoff's going to be pretty huge.

00:07:19

[The Closer]

00:07:19

So, why did you let them use your house?

00:07:22

Hey, Todd, where do you want this...?

00:07:24

[both]

00:07:24

Uh...

00:07:26

[BoJack]

00:07:26

I felt guilty.

00:07:26

[The Closer]

00:07:26

About what?

00:07:27

[BoJack]

00:07:27

Todd had this old girlfriend. I met her a couple weeks back.

00:07:31

-Hey. -Hey.

00:07:38

-What are you still doing up? -I got thirsty.

00:07:41

Then you came to the right place.

00:07:44

Should we call Todd, see if he wants to join us?

00:07:46

I'm tired of trying to figure out what Todd wants.

00:07:49

And what do you want?

00:07:51

-I'll start with a whiskey. -My kind of girl.

00:07:54

-So then we had sex. -What? Why?

00:07:56

I was lonely? She was there? Why does anyone have sex with anyone?

00:08:00

Intimacy, affection, a deep need to connect to the world at large.

00:08:04

The same reasons three million people subscribe to the L.A.

Gazette.

00:08:08

-What? -I'm getting ahead of myself.

00:08:10

Please, continue your story.

00:08:12

[exhaling]

00:08:13

-You should go. -Yeah.

00:08:14

That was a mistake.

00:08:16

Agreed. A wonderful, sexy mistake for you and a regular mistake for me.

00:08:19

No, it was a regular mistake for me, too.

00:08:21

-What are we gonna tell Todd? -Nothing, obviously.

00:08:25

-I don't want to hurt him. -Neither do I.

00:08:27

-That's why we won't tell him. -I feel like we should tell him.

00:08:30

That feeling is you selfishly trying to assuage your guilt.

00:08:32

If you cared about Todd, you would keep this a secret forever.

00:08:35

I'm not good at lying.

00:08:37

Ask me if when I was a little girl, did I ever used to put a stuffed animal in my underpants and rock back and forth on it.

00:08:43

When you were a little girl, did you ever do that thing you said?

00:08:45

What? Get--

00:08:45

[stammers]

00:08:45

No!

00:08:49

I think it's gonna be fine. Why would it even come up?

00:08:52

Not like there's any reason the three of us would ever be in a room together again.

00:08:56

BoJack, you remember Emily, right?

00:08:58

-I've never seen you before in my life. -No.

00:09:01

-You don't remember BoJack? -Oh, yeah. BoJack.

00:09:04

What... why... What are you here? Why are you doing at Todd's house?

00:09:07

Todd's house? This is my house.

00:09:09

It's cool if we set up shop here, right? That's not gonna be weird?

00:09:12

What? Why would that be weird?

00:09:14

-What are you implying? -Nothing.

00:09:16

It's not weird for me either, if we're keeping track of weirdnesses.

00:09:19

-Okay, what is going on here? -Why would you? I don't even--

00:09:23

-Literally nothing going on. -No, something's going on.

00:09:26

I've got a nose for news.

00:09:27

In this case, Nu is the Greek letter representing the variable for "What Is Going On?"

00:09:32

So let's solve for Nu, shall we?

00:09:34

I think someone's not saying something to someone else about something.

00:09:39

-That's crazy. -I know what it is.

00:09:42

Cabracadabra's going to be huge.

00:09:44

No one wants to say it out loud because we're afraid we'll jinx it.

00:09:47

Yeah. That is exactly what it is.

00:09:50

Yes. Your stupid business is gonna be very successful.

00:09:52

-Yes. -Glad that's out in the open.

00:09:54

We all know what everyone was thinking, we don't need to ask any more questions or do any wondering about mysteries.

00:09:59

Nope.

00:10:00

If you'll excuse me, I need to go watch a sport.

00:10:03

Great idea.

00:10:04

The worst part is things have actually been going really well with Todd.

00:10:07

Our friendship is in a really good place.

00:10:09

Last week he said,

00:10:10

"Did you know the wiener dog is neither a wiener nor a dog?"

00:10:13

Instead of saying, "Shut up, Todd," I said, "Okay."

00:10:16

[The Closer]

00:10:16

So, why did you sleep with Emily?

00:10:18

Do you think that part of you was getting uncomfortable with that closeness?

00:10:22

You felt like you didn't deserve Todd's friendship

00:10:25

and you wanted to somehow externalize that feeling into action?

00:10:29

No, man, I think I'm just a dumb asshole. Can't it just be that?

00:10:33

When you do bad things, you have something you can point to when people eventually leave you.

00:10:38

It's not you, you tell yourself, it's that bad thing you did.

00:10:42

Do you often keep people at arm's length?

00:10:44

Are you afraid of being known and knowing others?

00:10:48

Yeah, you know, I think that you're definitely hitting on something real that I would love to drill down into, but I gotta go to this marketing meeting now.

00:10:56

Which is so annoying because I totally want to keep talking about that thing you're talking about.

00:11:01

But marketing meetings, right?

00:11:02

I mean, they're so important. Can I call you back tomorrow?

00:11:05

-Of course. -Great. Bye.

00:11:10

-So, how was your marketing meeting? -Weird.

00:11:13

-Sorry I'm late. -It's fine. We're just getting started.

00:11:15

I had the worst morning.

00:11:17

Hanging on every word. Don't tell us.

00:11:18

So I drove here, right?

00:11:20

I'm sitting at the entrance to the garage when I realize I don't have my key card.

00:11:24

I gotta drive all the way home to get it.

00:11:26

When I got there, I couldn't find it anywhere.

00:11:29

Suddenly, I remember: I put it in the glove compartment.

00:11:32

It was in my car the entire time.

00:11:34

Okay.

00:11:35

Because I was driving back and forth so much, I ran out of gas.

00:11:39

I pulled into a 76.

00:11:40

I was about to pump the gas, I realized I didn't have my credit card, when I remembered it was on my desk at home because I used it to contribute to my friend's dumb Kickstarter campaign.

00:11:48

Diane...

00:11:49

Have you donated to Virginia's dumb Kickstarter yet?

00:11:52

-Oh, shit. -Throw her 50 bucks. You can afford it.

00:11:55

Yeah, but I don't like feeling like I have to, Roxy.

00:11:58

Does the world need a stop-motion short film about a pig who goes to circus school?

00:12:02

Think of it like you're doing a nice thing for your friend.

00:12:05

Mmm... okay.

00:12:06

I called a cab to take me home to get my credit card.

00:12:09

Then back to the gas station, get my car, fill it up and come here.

00:12:13

So that's why I'm late.

00:12:15

-Why did you tell us that whole story? -I don't know.

00:12:18

-Why did you tell me that whole story? -I don't know.

00:12:22

Anyway, I had the ad agency whip up some options for the new Secretariat ads.

00:12:27

Good news is the movie is killing out there. Everyone loves it.

00:12:30

If everyone loves it, why do we need a new ad campaign?

00:12:32

These are the "For Your Consideration" ads.

00:12:35

They're a reminder to the Academy, "Have you considered this yet?"

00:12:38

The Academy doesn't always consider everything.

00:12:41

So they need constant consideration reminders.

00:12:44

-That's very considerate. -This one tested the best.

00:12:46

That's a good one. The rest of these suck.

00:12:48

Dumb. Dumb. Stupid. Offensive.

00:12:50

Ugly. Boring. Typical. Stupid.

00:12:53

Bad. Hideous. Disgusting. Gross. Cliché.

00:12:55

-I am really good at this. -Huh.

00:12:58

-I kind of like this one. -How'd that piece of crap get in there?
00:13:01
We ruled that one out.
00:13:03
It's actually really powerful.
00:13:04
[The Closer]
00:13:04
What spoke to you about that particular ad?
00:13:07
[BoJack]
00:13:07
I don't know.
00:13:08
All the pictures of me, they looked backwards.
00:13:11
When I looked at the mirror ad, I was seeing me as I see myself
00:13:15
and I thought there was something beautiful about that.
00:13:17
Intimate, almost.
00:13:19
Of course you like this ad. When you look at it you see Secretariat,
I see an old turtle.
00:13:23
"Hello, old turtle. Are you Secretariat? No? You're just some old
turtle?
00:13:27
-What the hell? You've aged terribly." -But you've got the heart of a
champion.
00:13:31
I got a team of cardiologists at Cedars who say different.
00:13:33
Isn't that the point of the movie, that anybody could be Secretariat?
00:13:36
The point of the movie is to make a lot of money and win awards.
00:13:39
If anyone who looks at this ad is Secretariat, why should you win
the Oscar?
00:13:43
He's right, BoJack. Why don't you leave this to the experts, okay?
00:13:49
-Yes. You're a star. -
00:13:49
[moaning]
00:13:53
[The Closer]
00:13:53
So, you also had sex with your publicist?
00:13:56
[BoJack]
00:13:56
Yeah, couple times. We have a very complicated relationship.
00:13:59
It's complicated.
00:14:00
If our relationship was a Meryl Streep movie, it would be Doubt.
00:14:04
Don't forget, you have Ellen tomorrow.
00:14:06
Don't wear that sweater I hate.
00:14:08
Yes. You're in charge.
00:14:11
Okay, you know, I gotta say I don't feel like I'm in charge.
00:14:15
If you're gonna throw a tantrum, forget the whole thing.
00:14:17

I'm not throwing a tantrum-- Why are we having sex in my car?
00:14:20
-Can we at least go back to your place? -No, BoJack.
00:14:23
I don't know where you live.
00:14:24
You control every part of my life, I don't know anything about you.
00:14:28
[scoffs]
00:14:28
-You don't want to know me, BoJack. -No, I do.
00:14:31
-I want to be known and know others. -You don't.
00:14:34
I know you and I know what you want. This is exactly what you
want.
00:14:40
[The Closer]
00:14:40
What do you think she meant by that?
00:14:42
Better question: Why am I still getting the L.A. Gazette?
00:14:45
Do you think getting the paper every day is a reminder of Todd's
papier-mâché head?
00:14:50
The project he abandoned to make time for the old girlfriend
00:14:54
you spent an intimate night with?
00:14:56
Could that be why you want to cancel your subscription?
00:15:00
No. I want to cancel my subscription because newspapers are
dumb.
00:15:03
I feel I'm very clear on this point.
00:15:05
Every morning, someone knocks on my door and says,
00:15:07
"Throw away this garbage for me."
00:15:09
So you don't feel any guilt about your tryst with Emily?
00:15:12
Well, I have had trouble sleeping.
00:15:15
[Emily and Todd laughing]
00:15:16
[Todd]
00:15:16
You're silly.
00:15:16
[Emily]
00:15:16
No, you're silly.
00:15:18
Oh, God.
00:15:19
-Okay, your turn, truth or dare. -Truth.
00:15:22
What is the worst recent thing you did to someone who cared about
you?
00:15:27
-The worst thing? Or the most recent? -Both.
00:15:30
Can you keep it down, please? Some people are trying to sleep.
00:15:33
-We are keeping it down. -We've been really quiet.
00:15:35

-You're basically shouting. -Sorry.

00:15:37

-Do you want me to whisper? Like this? -Yeah, we can be real whispery.

00:15:41

No, because then I'll hear the "psst, psst, psst."

00:15:44

And I'll be up all night wondering what you're talking about.

00:15:46

-Uh, what would we be talking about? -Yeah, BoJack.

00:15:49

What would we be talking about?

00:15:51

I don't know. Dumb stuff.

00:15:53

Forget it. Can't sleep here. I'm gonna go sleep in my boat.

00:16:06

[sighing]

00:16:11

-Freeze, candy ass. -

00:16:11

[gasping]

00:16:13

-Character Actress Margo Mart--? -I said, "Freeze."

00:16:15

[The Closer]

00:16:15

Hold on. Are you telling me esteemed character actress

00:16:19

and fugitive from the law Margo Martindale has been living in your boat?

00:16:24

Is this one of those situations where everything we discuss is confidential, due to customer service rep-client privilege?

00:16:29

Of course.

00:16:30

Then yes, Margo Martindale is living in my boat.

00:16:33

-How long have you been in here? -Well, after the incident in Yorba Linda.

00:16:37

[yelling]

00:16:43

[moaning]

00:16:43

-Eh...

00:16:45

Well, Margo, old gal, looks like you've bought yourself another day of freedom.

00:16:49

But at what cost?

00:16:51

I knew I had to lay low. Go off the grid, disappear.

00:16:54

I know what "lay low" means.

00:16:56

So, I disappeared for a little bit.

00:17:01

Mm-hmm.

00:17:02

Somewhere I knew I had no chance of being discovered--

00:17:05

regional theater.

00:17:08

I did a run at the La Jolla Playhouse in an obscure Tennessee Williams play.

00:17:12

I have ambition, sir.

00:17:14

Dreams that don't incorporate the concerns of cynics like you.

00:17:18

Cynic. Always laughing that terrible laugh.

00:17:22

-Ramona... -Well, go ahead and laugh.

00:17:24

Laugh your life away. I can laugh, too.

00:17:27

[laughing]

00:17:29

Ramona, I'm telling you...

00:17:32

[wailing]

00:17:43

She's dead.

00:17:47

[applause]

00:17:48

I was good. Too good.

00:17:51

The San Diego Union-Tribune called me, "A talent to watch."

00:17:54

I knew I had to get out of there.

00:17:56

And you've been living here ever since?

00:17:58

That's right. I also did an arc on The Good Wife.

00:18:01

-Other than that, laying low. - The Good Wife?

00:18:03

How did you go on a nationally broadcast TV show with no one catching you?

00:18:07

I disappeared into the role, BoJack. It's called acting. Try it sometime.

00:18:11

And you're the one who's been stealing our food.

00:18:13

You already know too much.

00:18:15

Smoke bomb. Hi-yah!

00:18:18

-Why did you throw a plum on the floor? -Thought it was a smoke bomb.

00:18:21

Where are my smoke bombs?

00:18:23

I'm gonna go sleep by the pool.

00:18:26

-Hey. BoJack's back. -Yup.

00:18:28

My two favorite people in a room together with me.

00:18:32

-You bet. -Isn't this great, BoJack?

00:18:34

-The three of us under one roof? -Yeah.

00:18:36

It's like Three Men and a Baby.

00:18:38

But there's only two men, and the baby's a lady.

00:18:41

[laughing]

00:18:41

-Uh-huh.

00:18:47

[yawning]

00:18:49
[chattering]
00:18:52
[sighing]
00:19:00
[The Closer]
00:19:00
With all this turmoil and upheaval, sure would be nice to have something you can depend on.
00:19:05
Something that arrives every day at your doorstep, with a robust arts section.
00:19:09
Let me tell you something about the L.A. Gazette.
00:19:12
I don't think you finished the story about your publicist.
00:19:14
What happened when you told her you wanted to know her?
00:19:18
Oh, right. Well...
00:19:19
If we're gonna work together and also have weird kinky car sex,
00:19:22
I wanna know something about you.
00:19:24
What do you wanna know?
00:19:25
I was married once. I have a son I'm not allowed to see.
00:19:28
-My favorite fruit is honeydew. -Gross, is that true?
00:19:31
Does it matter?
00:19:32
Listen, I've been with guys like you before, and I know this thing works better if we keep a little distance.
00:19:37
And...
00:19:37
[grunting]
00:19:38
[groaning]
00:19:38
Well, that worked. -Okay, we're done. I'll see you tomorrow.
00:19:43
[The Closer]
00:19:43
So, that's how you left things?
00:19:44
[BoJack]
00:19:44
That's how she left things. But then I followed her home.
00:19:47
[The Closer]
00:19:47
You did what?
00:19:49
[BoJack]
00:19:49
She lives in this tiny apartment in the Valley.
00:19:51
I could see her through the window and I just watched her being... normal.
00:19:56
Oh!
00:19:56
[sighing]
00:19:58
[The Closer]
00:19:58

There's something very intimate
00:19:59
about watching a person be herself.
00:20:02
[BoJack]
00:20:02
But it wasn't good intimate, like when you see your mom cry.
00:20:05
It was bad intimate,
00:20:06
like when your dad writes a poem about Lena Horne's nipples,
00:20:08
makes you read it out loud so he can hear if it scans.
00:20:11
[The Closer]
00:20:11
She warned you that you wouldn't want to know her.
00:20:13
[BoJack]
00:20:13
Yeah. She was right.
00:20:14
It's so sad that when you see someone as they really are, it ruins them.
00:20:20
-Do you have someone you can talk to? -About what?
00:20:23
These feelings you have, your self-destructive behavior.
00:20:27
You know that old joke about how many psychiatrists does it take to screw in a light bulb? The answer is just one, but the light bulb has to want to change?
00:20:35
-I don't know that joke. -That's it. That's the whole joke.
00:20:39
The light bulb has to want to change.
00:20:41
[laughing]
00:20:41
Yeah. Psychiatrists are idiots.
00:20:44
That's actually not the point of the joke.
00:20:46
-Hey. I need to talk to you. -What the... I'm on the phone.
00:20:49
I got nominated for the Craig Noel Award from the San Diego Theatre Critics Circle.
00:20:54
Oh, it's too much heat.
00:20:55
I'm taking your boat out to international waters.
00:20:57
You never saw me.
00:20:59
On the phone.
00:21:00
I don't want to talk to anybody.
00:21:02
What I want is to have control over my own life.
00:21:04
[engine starting]
00:21:10
Which is why I'm begging you to please cancel my delivery of the L.A. Gazette.
00:21:14
-I don't think you want to do that. -I promise you I do.
00:21:16
No, because that's just theater.

00:21:18
It allows you to think you're in control, but the whole idea of control is a myth.

00:21:23
The universe is a wild beast.

00:21:26
You can't tame it. All you can do is try to live inside it.

00:21:30
Live inside the beast? That's a mixed metaphor.

00:21:33
-But... you're right. -Great.

00:21:35
I'm going to sign you up for another six months.

00:21:38
Since you've been such a sport, I'm throwing in a tote bag.

00:21:42
Thanks. You've given me a lot to think about.

00:21:47
Okay, so I'm a passenger.

00:21:49
Remember the three D's: drive safely, drive efficiently, and don't harass the passenger.

00:21:55
-Todd, can I talk to you for a second? -Sure. Driver, pull over, please.

00:21:59
[imitating car braking]

00:21:59
[imitating opening door]

00:22:03
-Can I talk to you alone? -Of course.

00:22:05
Driver, put up the partition, please.

00:22:07
[imitating partition whirring]

00:22:10
I've been thinking, and you should do this without me.

00:22:14
What? But the whole point is we're doing it together.

00:22:17
But you don't need me anymore.

00:22:18
You have a whole team of coders, and I don't think that I can work in this house.

00:22:23
-What's wrong with the house? -Todd, I just--

00:22:25
-I need to go. -

00:22:25
[imitating opening door]

00:22:27
I don't understand.

00:22:29
Did I do something to make you feel uncomfortable?

00:22:31
No. You are great. It's me and... BoJack.

00:22:36
BoJack?

00:22:36
[sighing]

00:22:36
What did he do this time?

00:22:42
I don't think I've been a very good friend to you.

00:22:44
Things happened and...

00:22:47
I don't think BoJack's been a very good friend to you either.

00:22:52
-Oh, okay. -You should buy me out of the company.

00:22:56
No, no, no, keep your share.

00:22:58
Who knows? It might be worth something someday.

00:23:00
You're sweet, Todd.

00:23:01
You shouldn't waste that on people who don't deserve it.

00:23:04
Hey, you want this plum? I found it in the kitchen.

00:23:08
Sure.

00:23:09
[smoke bomb fizzing]

00:23:09
[both]

00:23:09
Whoa!

00:23:10
[coughing]

00:23:13
Weird plum.

00:23:16
[knocking on door]

00:23:18
How did you know where I live?

00:23:19
-Ana... -You need to leave.

00:23:21
No, I know that it's exciting to remain mysterious and in control, but control is a myth.

00:23:25
That's a conclusion I came to recently by myself.

00:23:27
I can't do this now.

00:23:28
I don't want to go home tonight. I want to sleep in your bed,

00:23:31
I wanna see what you look like waking up.

00:23:33
You are a beautiful, sexy, fascinating, terrifying woman.

00:23:37
And I want to know you. I'm not afraid of that.

00:23:40
And you don't have to be, either.

00:23:44
Okay.

00:23:45
And I want to go with the mirror ads for Secretariat.

00:23:49
-BoJack, no, listen. -Ana.

00:23:50
This is my campaign, I know what I'm doing.

00:23:52
Call up Turteltaub and tell him I won't be pushed around on this.

00:23:55
I'm the star and what I say goes.

00:23:58
Okay.

00:24:00
[cars honking]

00:24:03
[Ana]

00:24:03
Hmm...

00:24:04
[Carolyn]

00:24:04

It kind of just looks like a billboard for the sky.

00:24:07

-I didn't think this part through. -No kidding.

00:24:09

The sky is Secretariat? The sky wants you to nominate it for an Oscar?

00:24:12

It is eerily beautiful.

00:24:14

Like an art piece that resists interpretation.

00:24:17

Oh, good. Yeah. Wouldn't want the ad for my movie to be interpretable.

00:24:21

If you stand where I'm standing, you see a reflection of the KIIS-FM billboard.

00:24:25

Beautiful. So we spent half a million dollars on an Oscar campaign for KIIS-FM.

00:24:28

I'd hate to drive here at rush hour.

00:24:30

When the sun goes down and hits that billboard, that's gonna-- That's gonna be a real problem.

00:24:36

Well, the good news is BoJack got what he wanted.

00:24:40

[sighing]

00:24:40

[bird screeching]

00:24:42

[all gasping]

00:24:44

Ugh.

Ep 8 — Old Acquaintance

00:00:09

When you two first came into my office,

00:00:11

I was like, "This marriage is not going to last."

00:00:15

But you've really put the work in. I deem your marriage fixed.

00:00:21

Thanks, Dr. Janet.

00:00:22

We couldn't have done this without you and your many novelty certificates.

00:00:25

Well, this has certainly been a big year for the Rabbitowitz marriage.

00:00:30

It certainly has.

00:00:31

But now it's New Year's Eve and, Katie, my New Year's resolution to you is to spend more time with my wonderful wife, who I--

00:00:37

[cell phone rings]

00:00:37

- I gotta take this.

00:00:39

-Oh, um, but-- -Hello.

00:00:41

Hey, partner, big news. Huge news.

00:00:43

I'm all ears.

00:00:44

The Flight of the Pegasus just lost their lead.

00:00:46

They start shooting next week.

00:00:48

So what you're telling me is David Pincher needs a new star immediately for his three-picture young adult dystopian future franchise?

00:00:56

Yup. What's that I hear?

00:00:58

Beep beep. Someone's calling on the other line.

00:01:00

That's strange. Hello?

00:01:01

It's Oodles of Money calling. Will we accept the charges?

00:01:04

Why would Oodles of Money be calling collect?

00:01:06

I don't know. Don't accept the charges, we cannot afford it.

00:01:09

I gotta go in. I'm sorry.

00:01:11

Okay. But make sure you're back before, you know.

00:01:14

Deal. Best deal I ever made.

00:01:14

[kisses]

00:01:17

Boom! What's black and white and sexy all over?

00:01:21

Chuff Hollister.

00:01:22

He's young, he's hot, he's Australian or British or whatever.

00:01:25

We can paint over his stripes so he looks like a horse.

00:01:27

I can see the headline now: Chuff Hollister is...

00:01:31

The next Pegasus.

00:01:32

BoJack's got star power and grit up the wazoo. I can't imagine...

00:01:35

Anyone who would appeal to the audience more than Chuff.

00:01:39

He's got sex appeal...

00:01:40

- Gravitas... - Youth...

00:01:42

- Experience... - And abs coming out of the wazoo.

00:01:45

And what a wazoo it is.

00:01:47

- This would put Gekko-Rabbitowitz-- - On the map.

00:01:49

The map of profitable agencies, that is.

00:01:52

Perfect, because without it we could be in--

00:01:54

Real trouble. We did not hit our projected earnings for the year.

00:01:57

The year's not over yet. We still have one day to go all out.

00:02:00

Rutabaga, do you think we have the spunk and moxie--

00:02:03

That's a good name for a lady detective series.

00:02:05

--required to pull this off and save the agency?

00:02:08

Hell yeah, I do.

00:02:09

That would be a great title for a movie about marrying Satan.

00:02:12

How are we losing money?

00:02:14

Vanessa, we're getting Chuff this part and coming out on top.

00:02:17

I know we will, because we're the good guys.

00:02:21

[funky electronic music]

00:02:23

■■■

00:03:18

Suck a duck a duck a dick, dumbshit.

00:03:21

- Hey, Sarah Lynn. - Hey, loser.

00:03:22

Did you get a call about that Ethan Around thing?

00:03:25

- You're not gonna do it, are you? - I'm sorry, what thing?

00:03:28

Ethan Around, the Horsin' Around sequel series Brad's trying to get made?

00:03:32

He called to ask me, I asked him, can you put a bullet in my brain?

00:03:35

That would probably be a better career move.

00:03:38

Wait, slow down. Did you say Ethan Around?

00:03:40

I know. It should be Sabrina Around, right?

00:03:43

That's a show people would watch.

00:03:44

Sabrina doing cool skateboard tricks and eating kettle corn.

00:03:48

Hold on, if this was a real thing, why would Brad call you and not me?

00:03:51

Who knows? Why do people do anything?

00:03:53

Why did I make the cartoon tree grandma from Pocahontas my emergency contact?

00:03:57

Are you sure this whole thing isn't just a semi-lucid fever dream

00:04:00

from mixing the wrong pills?

00:04:01

Did you not hear? I'm clean and sober, eight months.

00:04:04

Really? That's incredible.

00:04:06

Yeah, I wanted a change in my life.

00:04:08

Because I heard if you stop doing drugs for a while,

00:04:11

the first time you do them again, it's amazing.

00:04:14

-What? No, just stay sober. -Ugh!

00:04:16

Whatever. Call me when you're ready to party.

00:04:19

[tires screech]

00:04:19

[crashes]

00:04:21

[horn honks]

00:04:24

Well, that's troubling.

00:04:25

Can you believe they're doing a Horsin' Around reboot without me?

00:04:28

What do you care? You're about to be nominated for an Oscar.

00:04:31

Not the point. This is about respect.

00:04:33

BoJack, is this really a good idea?

00:04:35

[phone rings]

00:04:36

Tools. Brad speaking.

00:04:38

You're doing a new show in the extended Horsin' Around

00:04:40

cinematic universe and you didn't call me?

00:04:42

Hey, BoJack. Ethan Around is just an idea I had.

00:04:46

It's not officially happening or anything.

00:04:47

I would love for you to be part of it, but the horse died in the series finale.

00:04:52

So? We could write around that. The Horse dying was just a dream.

00:04:55

The Horse had a twin brother, comes back as a ghost.

00:04:58

Ethan missed the Horse so much he built a robot Horse as a tribute.

00:05:01

"I've heard of overloaded motherboards, but this is ridiculous."

00:05:05

Those are off the top of my head, they're all gold.

00:05:08

I'm surprised you're so into the idea.

00:05:09

I've been having trouble getting networks on the phone, but with a big star like you attached, we could sell this right away.

00:05:15

I wouldn't say I'm attached...

00:05:17

Don't move. I'm getting the next flight down to LA.

00:05:20

- Right now? - And purchased.

00:05:22

BoJack, for the last 20 years

00:05:24

I've been telling people I didn't need the trappings of fame, that I was better off, happy with my little B-plus life at my little B-plus hardware store in little B-plus Olympia, Washington.

00:05:34

B-minus children. But it's a lie.

00:05:36

I miss the warmth of the spotlight on my face.

00:05:39

The thrill of telling a joke and feeling it land.

00:05:41

Is that a thrill you experienced?

00:05:43

The sitcom stage is my home, and I'm tired of denying myself that.

00:05:48

I'm ready to come home.

00:05:50

Great.

00:05:52

-Why did you let me call him? -Ugh.

00:05:58

Ah, smell that Labrador Peninsula air. Keep an eye out for my brother.

00:06:01

- How will I know which one's him? - He's the one that looks like me.

00:06:05

- Got it. -

00:06:05

[ringtone]

00:06:05

Who's that dog? Mister P--

00:06:07

- Hello? - Hey, Mr. Peanutbutter.

00:06:09

Is this an okay time to talk business?

00:06:11

Yeah, I'm just waiting for Captain Peanutbutter.

00:06:14

What is that, like, a cereal?

00:06:15

No, my brother.

00:06:17

- He's picking us up at the airport. - Nice.

00:06:19

Speaking of driving people places,

00:06:22

Cabracadabra had a killer holiday season and I think New Year's is going to be even bigger.

00:06:27

I'm loving that segue, Todd. You are a conversational Magellan.

00:06:31

Turns out there's a huge demand for a safe space for women. Who knew?

00:06:35
Honestly, never would've crossed my mind.

00:06:37
So I was thinking, what's the next step?

00:06:40
What if we made our safe space for women...

00:06:43
[crashes]

00:06:45
...also available to men?

00:06:47
That's an untapped market.

00:06:49
All right, then it's agreed.

00:06:50
No goodbye?

00:06:52
He's a conversational Amelia Earhart.

00:06:54
Mr. Peanutbutter and Captain Peanutbutter in the same room?

00:06:59
What is this, a flashback episode?

00:07:01
Captain Peanutbutter, you old so-and-so.

00:07:04
- Get over here. -

00:07:04
[Diane]

00:07:04
Careful.

00:07:06
[both laugh]

00:07:08
Where's Mrs. Captain Peanutbutter?

00:07:10
She's in Alaska running the Iditarod. She sends her love.

00:07:14
And this noogie.

00:07:15
Whoo!

00:07:18
Diane, this is my big brother.

00:07:20
Big brother? I'm five minutes older.

00:07:22
And you always will be.

00:07:24
It's nice to meet you, Captain.

00:07:25
Hey, put that thing away. You're family.

00:07:29
[growls]

00:07:29
[Diane]

00:07:29
Oh!

00:07:34
So David Pincher is about to shoot the Flight of the Pegasus trilogy in New Zealand, and BoJack is perfect for the lead.

00:07:41
A part like that would really underline that BoJack's more than just an actor, he's a movie star.

00:07:47
If I'm doing that, I conveniently won't be able to do that dumbass Ethan Around show.

00:07:51
Use that when you tell him I won't do it.

00:07:53

Why don't you tell him you don't want to do it?

00:07:54
I can't. I'm like a father figure to him--

00:07:57
I slept with his mother.

00:07:58
- Gross. - No.

00:07:59
I slept with her 20 years ago. She was young then, not gross.

00:08:02
Ugh!

00:08:03
Hey, loved you in The Caveman's Valentine.

00:08:06
- Hmm? - Nothing? The Caveman's Valentine?

00:08:08
Samuel L. Jackson had that big beard? Look it up.

00:08:11
- When you start laughing, call me. - Will do.

00:08:13
Do we have an offer on the Pegasus movie?

00:08:15
I'll get it, Kalamata. Don't get your pita in a wad.

00:08:17
Wow. Flight of the Pegasus.

00:08:19
This must be what Robert Downey Jr. felt like when he woke up on that stranger's bathroom floor and found out he was gonna be Iron Man.

00:08:27
[man on radio]

00:08:27
It's another unseasonably warm day in the Labrador Peninsula

00:08:32
and things are looking sunny all the way to the new year.

00:08:34
It really is true what they say...

00:08:36
[both]

00:08:36
Nothing bad ever happens on the Labrador Peninsula.

00:08:38
Oh, paradise.

00:08:45
[children laugh]

00:08:56
Uncle Mister. Uncle Mister.

00:08:58
Now who let these little monsters onto my peninsula?

00:09:01
We're your nephews.

00:09:03
What? I don't remember my nephews being made out of candy.

00:09:07
- Gobble, gobble, gobble. -

00:09:07
[all laugh]

00:09:10
Look at those children. Little miracles, right?

00:09:14
They're adorable, not that I value them based on their looks.

00:09:18
Because, of course, children in society today are often reduced to their cuteness.

00:09:22
I can't wait to get to know your children as people, so I can specifically compliment them individually on the foundation of their characters.

00:09:30
Well, one day they'll die, just like us.

00:09:33
Uh...

00:09:34
- Do you believe in the soul? - What?

00:09:36
Life is the most precious resource we have. Remember that, Diane.

00:09:41
Okay.

00:09:44
[laughs]

00:09:44
Pretty great, right?

00:09:46
Did you tell your brother about the A-B-O-R-T-I-O-N?

00:09:51
The audition? No, I could never tell him about that.

00:09:53
He thinks I'm offer-only, it would break his heart.

00:09:56
Wait, what audition?

00:09:57
- No, the abortion. - Oh, no. Should I have?

00:10:00
He said some weird stuff to me earlier.

00:10:03
The kind of stuff you'd hear in a sad Creed song.

00:10:05
Or a happy Elliott Smith song.

00:10:07
Oh, he's probably just razzing ya, but he's a good dog. All bark, no bite.

00:10:11
Sorry, that's a Labrador expression. I guess in human terms it would be:

00:10:15
He's all talk, and no shooting you with an assault rifle.

00:10:19
Is that what you think humans do?

00:10:21
Am I wrong?

00:10:24
[Rutabaga]

00:10:24
Boom! This is David Pincher.

00:10:27
And this is everyone who works for him.

00:10:30
Now unfortunately for us, everyone on this board must really like their boss's movies, because for the holidays, they're all Gone Girl.

00:10:38
Thank you, except for her. Boom.

00:10:41
The assistant to David Pincher's casting director.

00:10:45
Wait a second, I know that face. Why does she look so familiar?

00:10:49
- Oh, fish. - Oh, fish.

00:10:51
So when I found out that the best assistant I ever had was working for David Pincher,

00:10:56
I mean, what are the odds?

00:10:57
Did he hire you because of your cute little Benjamin Button-nose?

00:11:01
I'll put in a good word for BoJack, but I'm just an assistant.

00:11:04
Just an assistant? Laura, assistants are everything.

00:11:08
You're the first people in, the last people out.

00:11:10
You know everyone's real name, age, nose, teeth, and tits.

00:11:13
You have power, because in today's economy the only true power is information.

00:11:17
I want you to use that power.

00:11:19
I want you to get your boss to pick BoJack as his Pegasus.

00:11:22
I always believed in you, Laura.

00:11:25
The question is: do you believe in yourself?

00:11:27
Wow, that's-- I'm sorry, did you just make that up?

00:11:30
Because that was-- Is that a speech you had ready to go?

00:11:33
- Will you do this for me? - Of course.

00:11:35
You went to bat for me when I tried to get a promotion at Vigor.

00:11:38
I pushed so hard for you. I did everything I could.

00:11:41
I mean, we gals gotta look out for each other. Right?

00:11:44
Right.

00:11:46
[thunder cracks]

00:11:51
So you're talking about a merger?

00:11:52
Since my dad croaked I've been running Vigor myself, and I've been doing a pretty good job, A-minus/B-plus.

00:11:59
But I could use a few more experienced hands to help guide the ship,

00:12:03
- because being a boss is really hard. - Yes.

00:12:07
Princess Carolyn can be a proud woman. I'm glad you came to me first.

00:12:10
I would have gone to her directly, but sometimes she yells at me and I do not like being yelled at and that is just something that people need to understand about me.

00:12:18
I'll talk to her, when the time is right.

00:12:21
[groans]

00:12:22
[thunder]

00:12:24
So on the new show Ethan is the dad, and he's raising three little horses.

00:12:30
You couldn't have told me this over the phone?

00:12:32
This show is going to change my life.

00:12:34
I'm taking the kids out of school and moving everyone down here.

00:12:37
I just had an offer accepted on a house in Sherman Oaks.

00:12:40

As long as I don't change my mind before the new year, boom.

00:12:43

Two million dollars, gone.

00:12:44

- The new year? That's tonight. - I know.

00:12:46

Did you talk to my agent by any chance?

00:12:48

- No. - She didn't call you?

00:12:49

I talked to her, and I don't know if she wants me to do it.

00:12:53

You know how agents are.

00:12:54

Just remember, I'm not the bad guy here.

00:12:56

I hear you loud and clear.

00:12:58

Don't worry. We won't take no for an answer.

00:13:00

I think my schedule's gonna be tough-- Might be going to New Zealand.

00:13:03

We'll work around your schedule.

00:13:05

Those bastards got my quote so damn high.

00:13:07

We'll pay it. No obstacle is insurmountable.

00:13:09

- As long as you want to do it. - And I do want to do it.

00:13:13

Get me out of this thing.

00:13:14

This asshole's giving me everything I ask for. What a nightmare.

00:13:17

- Tell him you don't want to do the show. - I can't. It would destroy him.

00:13:20

Destroying people is what I pay you to do, so I don't think about the people I'm destroying.

00:13:25

Do you not know what an agent is?

00:13:27

[knocking]

00:13:27

[Ethan]

00:13:27

BoJack, are you okay in there?

00:13:30

Is it number one or number two?

00:13:35

That cat's running circles around us. What are we going to do?

00:13:38

Maybe we can distract her? I'm thinking laser pointer.

00:13:41

If we're going to beat her, we need to think like her.

00:13:45

Instead of convincing the Pegasus people they don't want BoJack, what if we convince BoJack he doesn't want Pegasus?

00:13:51

Fantastic. How do we do that?

00:13:53

Kelsey.

00:13:55

Kelsey? That's what I said when they said you wanted to meet with me.

00:13:58

I figured you never wanted to see me again.

00:14:00

I never want to see anyone again, but there's a book I've been trying to turn into a movie and I need your help.

00:14:05

It's a coming-of-age story about a girl who likes jellybeans.

00:14:09

The option expires tonight at midnight, unless I can find a big enough star to secure funding.

00:14:14

Frankly, I already gave up on it.

00:14:15

Then my agent said, "Maybe BoJack's interested."

00:14:18

So the reason you think I'm right for the role is because I'm a big enough star to secure funding?

00:14:22

Don't get smart, BoJack. You're not good at it.

00:14:25

You're really giving the hard sell here.

00:14:26

I hear they've got you locked in to some fantasy dystopia thing.

00:14:30

Are you just gonna do stupid bullshit for the rest of your life?

00:14:33

For work or, like, in general?

00:14:34

I saw something in you, something most people don't know you have, and it kills me that instead of sharing it with the world, you want to hide it under some wonderland unicorn nonsense.

00:14:43

It's a Pegasus. Unicorns are for babies.

00:14:46

The movie I want to make isn't glamorous or sexy.

00:14:48

You don't get to be the big hero everybody loves.

00:14:50

You get to be a guy who works at a gas station, who gets in a fight with his daughter about jellybeans.

00:14:55

That's the whole movie. It's small and it's real.

00:14:58

And you'd get to work with a director who sees you.

00:15:01

And I can't sell it any better than that.

00:15:04

You're right, that one scene we shot that didn't even make it into the Secretariat movie was the best thing I ever did.

00:15:10

Why am I wasting my time with this other stuff?

00:15:12

- So you're in? - Let's do it.

00:15:14

Great. How's your little friend with the face?

00:15:16

Is he up to his old tricks, getting into scrapes?

00:15:19

[laughs]

00:15:19

What a little scamp. Will you tell him I said hi?

00:15:26

Kelsey's movie sounds perfect.

00:15:28

Is it the nobody's-gonna-see-it element or the fact you'll be working for peanuts?

00:15:32

This jellybean thing could show the world that BoJack's more than just a movie star.

00:15:36

- He's an actor. - Yeah, well, that's great, but I've been working all day on getting him the Pegasus movie you said would show the world he's a movie star.

00:15:43

I don't want that anymore. I want to do something real.

00:15:46

You realize how much money we'd be walking away from?

00:15:49

This isn't about money. Doesn't matter to me.

00:15:50

- Yeah, it doesn't matter to you. - Right. So what's the problem?

00:15:53

Maybe you can find a way for BoJack to do both?

00:15:56

You're supposed to be this amazing agent, after all.

00:15:59

I'll see what I can do.

00:16:04

New beers for the new year's?

00:16:07

We got a regular Maya Angelou over here.

00:16:10

Good times.

00:16:12

[cell phone rings]

00:16:12

- - Oh, it's Todd. Gotta take this.

00:16:14

- Maybe you can call him back later? - Todd!

00:16:17

Don't be too long, or I'm gonna drink all your beer.

00:16:20

[sighs]

00:16:20

Diane, do you ever look up at the stars and feel like they're tiny holes in the sky, sucking out all the oxygen, and suddenly you can't breathe because you're thinking about how small you are and how meaningless it all is?

00:16:34

Uh... I guess.

00:16:37

It's so cruel to let people love you.

00:16:39

All you're doing is promising you'll one day break their hearts.

00:16:44

Cool fire pit.

00:16:47

So it turns out men love safe spaces for women even more than women do.

00:16:53

You gotta read some of these comments. Queefburglar69 says:

00:16:57

"These sexy lady chauffeurs always get me where I need to go."

00:17:01

That's unambiguous.

00:17:03

The only problem is some of the drivers have been complaining about the new customer base.

00:17:08

The workers are allowed to complain? We gotta tighten up that ship.

00:17:12

Most of the new passengers are perfect gentlemen, but we've found that a growing number are rating our drivers not on

performance but on "bangability", which creates an unfair advantage for our "bangable" drivers and creates what some of our more homely employees have dubbed a hostile sexy-ocracy.

Whoa!

00:17:34

Well, our first priority is creating a safe space for women, so if our women don't feel safe in that space, we should replace them with women who do.

00:17:42

Where can we find women who are comfortable around gentlemen?

00:17:48

I know. A gentleman's club.

00:17:50

That's perfect.

00:17:51

To Whale World.

00:17:55

Well, you didn't hear it from me, but I pulled some strings and you're in.

00:17:59

I always knew you were a superstar.

00:18:01

Let's get drinks in the new year and work out the deets-- That's a fast way of saying details for people who don't have time for every detail of the word details.

00:18:08

Vanessa Gekko on line two.

00:18:09

Great, put that raggedy-ass bitch on.

00:18:11

I'm gonna bat her around like a ball of foil.

00:18:14

I know you're excited, but we are still in a very precarious position, and I wonder if foil-ball-batting is the best tack here.

00:18:21

Judah, this is where I live. Watch and learn.

00:18:24

Hey, we heard BoJack and Kelsey had a great meeting on Jelly Belle.

00:18:28

Gotta tie this up tonight if it's going to happen.

00:18:30

BoJack would love to do the movie, but you're gonna have to work around his Pegasus schedule.

00:18:35

Oh, um... That might be tricky.

00:18:37

Then you're gonna have to match his Pegasus quote.

00:18:40

- He won't do it for a penny less. - Princess Carolyn--

00:18:43

Even with a star like BoJack, Kelsey can't get that kind of money.

00:18:46

Well, then, work around his schedule.

00:18:48

You're overplaying your hand, PC, and I'm calling your bluff.

00:18:51

I'm barreling towards you fast, Gekko, and this Mack truck ain't gonna blink.

00:18:55

That's not fair. I was clearly establishing a poker metaphor, you just changed it to a game of chicken.

00:19:00

My court. My rules.

00:19:01

Court? What game are you playing?

00:19:03

Bye.

00:19:05

- Damn it! - Question:

00:19:06

Am I the faulty bike tire pump I had in seventh grade?

00:19:10

Because I just blew this thing wide open.

00:19:12

- Talk to me, soldier. - I have been scouring old emails.

00:19:15

I didn't know what I was looking for. I knew there was something.

00:19:18

And I found it. Bam!

00:19:20

[gasps]

00:19:20

Hot shit on a ham sandwich, this is amazing!

00:19:25

[ringtone]

00:19:26

Sweet crap on a croissant, Katie's going into labor!

00:19:29

Go, I'll take care of this. Family comes first.

00:19:32

Thank you. You make me stronger.

00:19:35

[dance music plays]

00:19:39

Why is my house filled with sexy orcas?

00:19:42

It's the Cabracadabra New Year's party. These are our drivers.

00:19:46

Oh. Uh, where's Emily?

00:19:48

She left. She said she didn't feel comfortable here.

00:19:51

She certainly didn't feel comfortable paying for the food she ate.

00:19:55

Yeah, okay, BoJack.

00:19:58

[doorbell rings]

00:20:00

I got champagne for my real friends, 'cause that's what you are.

00:20:03

- A real friend. - He doesn't want to do your show.

00:20:06

- What? - BoJack is about to win an Oscar.

00:20:08

Why do you think he would want to do your soon-to-fail sitcom about the further adventures of a carb-faced nobody?

00:20:13

- Oh, maybe-- - You are not a television star.

00:20:16

You have no talent and I am forgetting your face even as I'm looking at it.

00:20:20

Pack your bags. Go back to Nowheresville.

00:20:22

Thank you for the champagne. Best regards, Ana Spanakopita.

00:20:29

Oh, God, the house! I gotta pull my deposit! Pick up--

00:20:32

Oh, no. I dropped my phone in a bog.

00:20:37

Something is going on with your brother. You need to talk to him.

00:20:40

We don't really have the kind of relationship where we talk about things.

00:20:43

Labs prefer to keep things playful.

00:20:45

You know what they say about dogs? Talking to each other is rrruff.

00:20:49

I'm serious, Mr. Peanutbutter.

00:20:50

And I'm serious that you should drop it.

00:20:53

If something was really wrong, he would tell me about it.

00:20:56

Would he?

00:20:57

I know he's your brother, but he's hiding something from you.

00:20:59

Why do you think you know my brother better than I do?

00:21:02

Just because you have a shitty relationship with your family doesn't mean every other family has to have drama too.

00:21:07

I wanted to come up here and have a nice time.

00:21:09

This place is an escape for me.

00:21:11

- Okay, I'm sorry, I just-- - I'm sorry, I'm sorry.

00:21:14

I should not have shouted at you. I just...

00:21:16

I need to go for a walk.

00:21:23

- Oh, hey. - Hey, is there something going on?

00:21:27

Because I know there isn't, but if there is, you would tell me, right?

00:21:31

But there's nothing to tell, because nothing bad ever happens on the Labrador Peninsula.

00:21:35

- Okay, I think you should sit down. - Why?

00:21:38

- I need to talk to you. Sit down. - I will not sit down.

00:21:41

- Mr. Peanutbutter, sit. - Okay.

00:21:44

- I got a twisted spleen. - No.

00:21:47

It's not fatal, necessarily. Everything's gonna be fine.

00:21:50

They still have to run some tests.

00:21:52

- But it's going to be fine? - Yeah.

00:21:54

Promise me it's going to be fine? You're my big brother.

00:21:56

That means you can't lie to me about this.

00:21:58

Mr. Peanutbutter, you are the best runt of the litter a guy could ask for.

00:22:03

No, don't do this.

00:22:04

- But there might come a time... - Please.

00:22:06

...when you're going to have to be the captain.

00:22:10

[sighs]

00:22:11
What is this, a very special episode?

00:22:14
[both laugh]

00:22:19
[both howl]

00:22:23
[howling continues]

00:22:29
What? What do you mean? What happened?

00:22:31
It's a no-go on BoJack for Pegasus.

00:22:34
I don't understand, Laura. I...

00:22:35
I just wanted you to know. I did everything I could.

00:22:44
- Hey. -

00:22:44
[Kelsey]

00:22:44
Look...

00:22:45
If you didn't wanna do my movie, you should have just told me.

00:22:49
I do want to do your movie.

00:22:50
Oh, yeah? Why did your agent keep demanding more money?

00:22:53
- What? - The option's expired and I'm screwed.

00:22:55
Ugh! Why did I get my hopes up? Why do I keep letting you get my hopes up?

00:23:00
Kelsey, this is a mistake.

00:23:01
It's a mistake I keep making. Next time, BoJack?

00:23:04
Do a girl a favor, don't break her heart by inches.

00:23:07
Do it all at once. It'll save everyone some time.

00:23:09
Huh?

00:23:11
[crowd]

00:23:11
Ten, nine, eight...

00:23:16
Oh, good, you're still here.

00:23:17
I wanted to get a head start on the 2016 budget.

00:23:20
It'll be a challenge, but assuming BoJack books Pegasus--

00:23:22
BoJack didn't book Pegasus.

00:23:24
- So he's doing the jellybean movie? - That fell apart, too.

00:23:27
We're gonna have to cut some costs.

00:23:29
Our social media division is a luxury we can no longer afford.

00:23:32
If things don't perk up the first quarter, we might be looking at broader layoffs.

00:23:35
- Do you ever read a room? - I'm sorry, is this a bad time?

00:23:39
Is midnight on New Year's a bad time? I don't know.

00:23:42
Why don't you run that through your robot analysis protocol?

00:23:45
Get back to me once you've assessed the data.

00:23:47
I am not a robot. I am a human being.

00:23:50
You want to make some cuts? Why don't you cut that stupid beard?

00:23:53
Everyone who walks in here thinks this place is run by a homeless person.

00:23:56
I apologize if my appearance or demeanor is unprofessional.

00:23:59
[sighs]

00:23:59
No, you're perfect. Everybody's perfect except for me.

00:24:04
Go home, Judah.

00:24:06
- Would you like me to shave the beard? - Just go home, Judah.

00:24:10
Happy New Year, Princess Carolyn.

00:24:14
[cell phone rings]

00:24:17
[sighs]

00:24:26
[whimpers]

00:24:31
Hello, little ones. Mama loves you.

00:24:35
And you. And you. And you.

00:24:37
- They're so beautiful. - And you, and you, and you.

00:24:40
- Rutabaga, we got it. - Yeah?

00:24:42
Chuff Hollister is the new Pegasus. We saved the agency.

00:24:46
- That's incredible, honey. - Wow, everything worked out.

00:24:50
You gotta love a happy ending.

Ep 9 — Best Thing That Ever Happened

00:00:18

[sighs]

00:00:18

[cell phone rings]

00:00:22

BoJack! Beautiful day, huh?

00:00:24

Perfect day to go outside, not read the trades or talk to anyone in the industry or watch entertainment television or have a gut feeling about the ratings for your television show last night.

00:00:33

- Princess Carolyn, I'm dying. - You read the trades.

00:00:36

My heart is in my stomach, my stomach is in my butt, and my butt ran away with the spoon.

00:00:41

That makes sense because your butt is quite a dish.

00:00:44

Can you come over? I need you.

00:00:46

[sighs]

00:00:50

What the...?

00:00:52

I ordered a few feel better pizzas to feel better. It did not work.

00:00:56

Then I sprinkled happy pills on them, and washed it all down with a "Please, God, make my pain go away" vermouth and ice cream float.

00:01:03

- Somehow I feel worse. - That's a real mystery.

00:01:05

My show was terrible. Why did I insist on a mockumentary format?

00:01:09

It's already an overused trope now, in 2007.

00:01:12

Mockumentary is not a trope, it's a device for storytelling.

00:01:16

And your show is daring and cutting edge. People just aren't ready.

00:01:19

Yeah, people! It's not me.

00:01:22

It's the people that are the problem!

00:01:24

Everyone's dumb and I am great. Why do I always forget that?

00:01:27

That's the spirit.

00:01:28

I'm starting to think this show is the best thing that happened to me.

00:01:31

- Really? - Yeah.

00:01:32

It made me realize you're the best thing that happened to me, with your sexy cat eyes and your cute little hair curl.

00:01:38

You look like a soft serve strawberry ice cream.

00:01:42

BoJack, we can't. I'm your agent.

00:01:44

You are so much more than that. You're my lighthouse, my Garmin.

00:01:48

You're the little plastic table they put in pizza boxes to keep the pizza from getting smushed.

00:01:52

You're Princess Carolyn.

00:01:55

[both moan]

00:02:00

Don't you break my heart, BoJack Horseman.

00:02:02

- What? - What? Nothing.

00:02:04

- Did you just say something to me? - No, I was just being wistful, I guess.

00:02:07

Well, can you be wistful a little quieter?

00:02:10

- Not everyone is interested in your wist. - Okay, BoJack.

00:02:16

- You smell nice. - Thanks, BoJack.

00:03:22

[Carolyn laughs]

00:03:23

Okay, gotta go. I'm about to meet my most important client.

00:03:26

- I know you're not really on the phone. - Bye, Mr. President.

00:03:29

Give my love to your basketball friends. You too.

00:03:33

Should we get dinner, or are you just thinking drinks?

00:03:35

- I'm not planning on staying long. - Okay.

00:03:38

I'm glad you wanted to meet, because I am so pumped to tell you

00:03:41

all about the exciting projects I'm lining up for you.

00:03:44

That won't be necessary.

00:03:45

Once you get your Oscar nom, we'll have our pick. That's the key.

00:03:48

You think Halle Berry would've been offered Catwoman

00:03:51

if she wasn't an Oscar winner?

00:03:52

We just gotta find you your Catwoman.

00:03:54

I'm not sure if a Catwoman

00:03:56

is really the best thing for my career right now.

00:03:59

Right, well, like I said, we are getting lots of offers.

00:04:01

Listen, Princess Carolyn--

00:04:03

Signore Horseman! Principessa Carolina!

00:04:06

Sandro, how you doing, you handsome devil?

00:04:08

To be honest I am, how you say, sweating bull's nets.

00:04:11

- You mean sweating bullets? - I don't think so.

00:04:13

Sweating bullets. How does that make the sense?

00:04:16

How does sweating bull's nets make sense?

00:04:18

I don't want to be caught in bull's nets. He may try to kiss me.

00:04:22

I prefer kissing cows. No judgment, just a preference. I love kissing cows!

00:04:27

Don't tell my wife. I'm kidding!

00:04:29

She knows. She's a cow!

00:04:31

And I only kiss her.

00:04:31

[laughs]

00:04:35

Okay, very good.

00:04:36

Haven't you lived in America for 30 years?

00:04:38

Ignore him. Why are you sweating bullets and/or nets?

00:04:41

Because there is a restaurant critic here tonight.

00:04:47

Very interesting.

00:04:50

Critics are the worst. That's my review of critics.

00:04:53

Two thumbs down! Four percent fresh!

00:04:55

One star! You all eat a flat butt!

00:04:58

Did you not know there was a critic here? You own this place.

00:05:01

I never see you do anything to help run it.

00:05:03

This place runs itself. Right, Sandro?

00:05:05

My wife and children and therapy man may not agree so much, but if you say so, Signore Horseman.

00:05:11

Even his wife and kids and therapy man agree.

00:05:13

Well, as the Black Guy Pete say, "Tonight's gonna be a good night."

00:05:18

Please. Enjoy.

00:05:19

I know you're not happy about what happened with the Kelsey project.

00:05:22

I pushed a little too hard to get you the money you deserve.

00:05:26

What can I say? Sometimes I'm too good of an agent, so deals fall apart.

00:05:30

That's a thing that happens when agents are really good.

00:05:32

- That's not-- - Moving forward!

00:05:34

I know you're not happy with how I handled Ethan Around.

00:05:36

- Or didn't handle it. - Bygones!

00:05:38

It was because I was busy getting you the Pegasus movie, which I know you did not get, but trust me, you'll see not getting these movies was the best thing that ever happened to you.

00:05:47

Onwards and upwards! Tally ho! To the stars!

00:05:50

Okay, you're forcing me to use the cards.

00:05:54

"Princess Carolyn, clear throat, I have been very disappointed--"

00:05:59

Ring! Hello, Your Highness.

00:06:01

It's a king, I have to take this. In the bathroom.

00:06:04

Oh, fish, oh, fish!

00:06:07

[woman]

00:06:07

Who's out there? Are you talking to me?

00:06:09

No.

00:06:09

[sighs]

00:06:11

All right, Pink Lady, think.

00:06:13

[woman]

00:06:13

Are you talking to me? - Are you a pink lady?

00:06:15

[woman]

00:06:15

I was a Pink Lady in my high school's production of Grease.

00:06:18

- Were you Rizzo? -

00:06:18

[woman]

00:06:18

No, Jan.

00:06:21

Then don't waste my time.

00:06:28

Now, let us bow our heads and bray.

00:06:30

[all bray]

00:06:38

[grunts]

00:06:41

[whispers]

00:06:42

Yes, right away!

00:06:45

So back to what you were--

00:06:50

- Oh, my goodness, what is this? - Yeah, what is this?

00:06:52

Happy 23 years working together

00:06:56

- Join me - Oh, my God.

00:06:58

- Twenty-two-three, 23 years - Twenty-three years

00:07:00

You're making this up.

00:07:01

Happy 23 years working together Can you believe this?

00:07:05

- Two plus three equals 23 - This is just stream of consciousness.

00:07:08

Twenty-three years working together!

00:07:09

Twenty-three years

00:07:13

Okay, cool.

00:07:15

Can you believe it, BoJack? It's been almost a quarter of a century.

00:07:19

Talking on the phone pretty much every day, sharing our deepest dreams and secrets, being there for each other through all of it, bosom friends,

00:07:27

Anne of Green Gables style.

00:07:28

Let's toast to another 23 years. What do you say?

00:07:31

- You're fired. - Uh-- Oh.

00:07:33

I can't believe this. You're firing me?

00:07:36

- Me? - What? No.

00:07:38

You have no idea, everything I do around here!

00:07:41

- Half the kitchen staff is my family. - No.

00:07:43

- Honestly, just-- - I detest you!

00:07:45

I hope you rot in the hell!

00:07:47

- We're headed down a road that-- - You washed-up has-been no-good joke!

00:07:51

You are the opposite of an onion, because if I cut you, I am no gonna cry.

00:07:57

Well, now you are fired.

00:07:58

Good luck finding another charming first-generation Italian immigrant with this kind of darling accent, who makes equally delightful malapropisms!

00:08:07

You, sir, have just cut off your nose and thrown Sprite in your face!

00:08:13

I am a classic stereotype that is tough to come by nowadays, because Italians don't emigrate so much to America no more.

00:08:21

Botticelli, Barbarelli, Beetle Bailey!

00:08:23

Modigliani, Masaccio, Marmaduke!

00:08:26

Avanti, all of you! Andiamo!

00:08:28

[laughs nervously]

00:08:30

So that was weird, huh?

00:08:34

Please stop looking at me.

00:08:36

Too bad about Sandro, huh?

00:08:38

You're the one who's fired, obviously.

00:08:42

Right.

00:08:43

Ryan Murphy is doing a re-imagining of The Life and Times of Harriet Tubman.

00:08:47

But in this version, she's a tub-man, with the comparative strength and agility of a tub!

00:08:53

- PC. - He's looking for someone to play the Underground Railroad conductor.

00:08:57

Great, but you don't represent me anymore.

00:08:59

Okay, I get it. I'm fired.

00:09:01

You're gonna spend a couple of days being mad at me, then I'll get you another gig, and you'll be my client again, just like every time.

00:09:08

Can we get past the part where you're mad at me and get to the part where you're stealing General Lee's plutonium to fuel your subterranean steam-punk slave-tram?

00:09:16

"It's best, for both of us, if we end this relationship once and for all."

00:09:22

I'm sorry I screwed up, you don't have to read off the--

00:09:25

"You take me for granted, made decisions that were against my wishes, and worst of all she's got my globes a-warming!"

00:09:32

- How did that get in there? - What is that?

00:09:34

A punch line to a joke from the roast of January Jones.

00:09:36

- A global warming joke? - It's an important issue. Here we go.

00:09:39

"Our relationship no longer has any--"

00:09:41

"January has only gotten hotter and hot--" Nope.

00:09:44

- Were you at the roast of January Jones? - No, but I wrote some jokes in case someone got sick and they needed a backup.

00:09:49

Do you even know January Jones? Why would they call you?

00:09:52

I guess I thought that my agent could get me in the mix if Jason Sudeikis--

00:09:56

How did these get out of order?

00:09:58

So in the joke, are the globes your balls?

00:10:00

And they get warm when you see January Jones?

00:10:03

Is that how balls work?

00:10:04

I don't know. It's a work in progress.

00:10:06

Professional integrity!

00:10:07

"Our relationship no longer has any professional integrity.

00:10:10

So it's gotta end. Stand to leave."

00:10:12

Shouldn't have read that part.

00:10:14

"When you reflect on this, you'll see it's best for us.

00:10:17

Exit restaurant." Goddamn it.

00:10:19

Wow, that was-- I don't know what that was.

00:10:22

Hey! Where are you going?

00:10:25

- Who gave you this idea? Spanakopita? - This has nothing to do with Ana.

00:10:29

Here you go, sir.

00:10:31

- I'll get it! - You two are b'thumping.

00:10:33

Now you do whatever she says?

00:10:34

- Is that what's happening? - No.

00:10:36

No, you're not b'thumping or no, you're not doing whatever she says?

00:10:39
- I'm not doing whatever she says. - So you are b'thumping.

00:10:42
I understand from context what you mean, but there's no way b'thumping is a thing.

00:10:46
I'll get it!

00:10:47
You don't have to do everything your little falafel pocket tells you to.

00:10:50
- You screwed up! - Once! In 23 years!

00:10:54
I'll get 'em.

00:10:55
All these years I carried you, when no one wanted to work with you.

00:10:58
I still managed to get you jobs.

00:11:00
And then you would flake, or sabotage them, or get wrapped up in some crisis or emergency or vague sadness.

00:11:06
Everyone told me to dump you-- my bosses, film execs, directors, they all told me you were washed up, a nobody, a has-been,

00:11:12
- a joke, too portly for TV. - Too portly for TV? Who said that?

00:11:15
- It doesn't matter. - It does. Who said it?

00:11:17
- Luis Guzman. - Luis Guzman said I'm too portly for TV?

00:11:22
You're right, BoJack. This is for the best.

00:11:24
I no longer have to lug your talentless, self-centered, self-sabotaging, dead-weight carcass of faded talent around my neck.

00:11:30
- Hey. - Thank you for firing me.

00:11:31
I'm gonna go pour myself a little celebratory potato juice, because this is the best goddamn thing that's ever happened to me.

00:11:37
Hey! Hey! Hey!

00:11:41
[groans]

00:11:43
Ha ha! I'll get it.

00:11:44
You do not talk to me like that and walk away.

00:11:47
Oh, no? What's happening?

00:11:49
This is so weird. I'm walking away, even though you told me not to.

00:11:52
Right, I don't work for you anymore.

00:11:54
- Hey! - Excuse me, Mr. Horseman?

00:11:56
- Not now. - We have a slight problem in the kitchen.

00:11:59
- Where is everybody? - That's the problem. They all quit.

00:12:02
The kitchen's backed up with orders. No one's getting food.

00:12:04
And the critic is growing very impatient.

00:12:07

Writing that down...

00:12:10
- Just do what you normally do. - But there's no chef.

00:12:12
Tonight's your lucky night. You just got promoted.

00:12:15
But I don't want to be a chef. I want to sing

00:12:18
Kidding. I'm actually just happy being a waiter. I'm not my job.

00:12:22
- A lot of people think that-- - You're the chef! Start cheffing!

00:12:25
Oh.

00:12:31
What? Fifty teeth? Get out of here. Let me see.

00:12:36
Would you look at that.

00:12:37
You're thrilled to have me out of your life?

00:12:39
- I was such a burden all those years. - Can I close my mouth now?

00:12:43
- Know what I think? - Don't wanna hear it.

00:12:45
You like being there to rescue me.

00:12:46
- I close my mouth, okay? - Nobody cares!

00:12:49
- Okay-- - Nope, I'm still counting.

00:12:51
You like it when I'm a mess.

00:12:53
Because it makes you feel good about yourself.

00:12:55
Guess what? I never asked for that.

00:12:57
You ask all the time.

00:12:58
You have never not been asking me to rescue you.

00:13:01
"Princess Carolyn, help me!

00:13:03
I slept with the gaffer's wife and now he's not lighting me properly.

00:13:06
Princess Carolyn, I threw up on Elle Fanning in a bounce house.

00:13:10
Princess Carolyn, why am I such a big stupid asshole?"

00:13:13
Okay, great, more abuse. Right on schedule.

00:13:15
Oh, that's abuse?

00:13:16
"BoJack, you're such a big, stupid asshole.

00:13:18
BoJack, why were you even in the bounce house, dummy?

00:13:21
BoJack, you wasted my thirties!"

00:13:24
I never said you wasted my thirties.

00:13:26
Didn't have to, you're always saying it.

00:13:28
And I don't like being around you, because I feel bad.

00:13:33
You make me feel bad.

00:13:35
So this isn't about me being a bad agent.

00:13:38

It's about a lot of things.

00:13:40

- Where are you going? - Away.

00:13:43

Hey, listen, man.

00:13:44

I don't wanna get in the middle of this, it's none of my business, but I just have to say I love that sweater.

00:13:50

- Can you give it to me? - What? No.

00:13:52

I held my mouth open a really long time.

00:13:54

- What does that have to do--? - You're not being fair, to me or Princess Katniss.

00:13:59

- Who? - Your friend.

00:14:00

You've forgotten her already? Typical BoSchwack.

00:14:03

That's enough out of you.

00:14:05

It's all right, you're gonna get through this.

00:14:07

- You're gonna get through this. -

00:14:07

[woman]

00:14:07

Are you okay?

00:14:09

Are you okay? You've been in there a long time.

00:14:12

[woman]

00:14:12

I left for a while and came back.

00:14:14

Just so you know, this wasn't an easy decision.

00:14:17

- This is the ladies' room! -

00:14:17

[woman]

00:14:17

What's going on out there?

00:14:19

Are you watching a movie?

00:14:21

I agonized over this. Ask Ana.

00:14:23

- So you did talk about it with Ana. - Yeah. I respect her opinion.

00:14:28

[shouts]

00:14:31

Paws not claws! Paws not claws!

00:14:33

God, you're strong.

00:14:39

[BoJack groans]

00:14:43

This is exactly the kind of unprofessionalism I'm talking about.

00:14:47

- You want to talk about professionalism? - Yes, I do.

00:14:54

But not here.

00:14:58

You say you want professionalism? Bullshit.

00:15:01

You want a mommy you can slide your dick in.

00:15:04

I can want that and also want professionalism.

00:15:06

A sex-mommy who keeps her boundaries, is that too much to ask?

00:15:09

Is there a single woman you've worked with who you haven't tried to groggily thrust yourself into?

00:15:14

Is it any wonder I don't want to be around you?

00:15:17

All you do is tell me I'm a terrible person.

00:15:20

Please, you're such a self-pitying masochist,

00:15:23

I could say ten nice things and one mean thing, you would only hear the one mean thing.

00:15:27

I'd love it if you said ten nice things to me.

00:15:29

- I can say nice things. - Ready when you are.

00:15:32

Does self-pitying masochist count, or are we starting from scratch?

00:15:35

Okay, one-- I'm freezing my whiskers off.

00:15:38

- You have a natural charisma. - You hesitated, that means it's a lie.

00:15:41

Two, you are loved by millions.

00:15:43

That's not a compliment. So is Kim Jong Un and Teri Hatcher.

00:15:46

I got this. I got this.

00:15:48

Pre-heat oven? Where's the pre-heat button?

00:15:50

Excuse me? Waiter?

00:15:52

Where are my family's double-fudge cheese pies?

00:15:54

I'm not your waiter anymore. I'm the chef.

00:15:56

- Then who's our waiter? - You're the waiter now.

00:16:00

I can't be a waiter.

00:16:02

I have a very important business meeting tomorrow.

00:16:04

You get someone else to do it. I'm the chef and whatever I say goes!

00:16:08

Okay. Who gets these soy balls and onion cubes?

00:16:10

Table eight. Deliver those soy balls, soldier.

00:16:12

You got it, boss.

00:16:14

Number six. You know how to make me laugh.

00:16:16

So I'm a clown to you? Like Joe Pesci in Home Alone?

00:16:19

[laughs]

00:16:19

You recognize you're being impossible, right?

00:16:21

- I don't know how you put up with me. - I didn't put up with you.

00:16:26

I liked being with you. And I don't regret it.

00:16:30
I don't regret the trip to the Bahamas.

00:16:32
Or the bracelet you bought me for my 38th birthday.

00:16:35
Or when my dad died and you came to the funeral with me and held my hand.

00:16:39
I'm doing this for both of us. You understand?

00:16:42
- Did you ever love me? At all? - I don't-- I'm not--

00:16:46
You know that I don't do the whole love thing.

00:16:50
Either you end up hurting someone or they hurt you. So, what's the point?

00:16:55
Yeah.

00:16:57
This sucks.

00:16:59
I did this to myself. I do this to myself.

00:17:02
- Why do I do this to myself? - I don't know.

00:17:04
Maybe if you're good at putting out fires, you just run from fire to fire and don't really think about--

00:17:08
[screams]

00:17:09
Oh, God, I don't wanna be a chef! I want to be not on fire!

00:17:13
- We gotta put out that fire! - I hate Mondays!

00:17:18
I figured out how to pre-heat the oven.

00:17:22
This night has been a disaster.

00:17:24
The good news is I got my kid to prep my important meeting at work.

00:17:27
The bad news is all the customers went home.

00:17:30
They didn't like the screaming and felt like their food was a little too "on fire".

00:17:34
- It's called a char, dumbshits. - The critic's still here.

00:17:37
Oh, oh, oh!

00:17:39
She still wants her mushroom risotto.

00:17:43
I don't know how to make risotto.

00:17:45
I know how.

00:17:46
What are you doing? No, go home.

00:17:48
You're right. What am I doing?

00:17:51
All right.

00:17:55
Good luck.

00:18:01
Keep driving, keep driving

00:18:03
Girl, don't turn that car around

00:18:06

Break your pattern Of needing to fix other people

00:18:10
Just keep on driving away...

00:18:12
KEEP DRIVING

00:18:15
Who do they write these songs for?

00:18:18
Don't go back to the restaurant, Princess Carolyn

00:18:22
Just keep driving away

00:18:29
Goddamn it.

00:18:31
How should I know? Do I look like an expert in cooking oils?

00:18:34
We have to choose! We're running out of time.

00:18:37
- Olive. You wanna use olive oil. - What are you doing?

00:18:40
Let me do this. You'll burn the place to the ground.

00:18:42
Fine. This isn't one of those things where you save my ass so I feel obligated to give you your job back.

00:18:48
I know you have no sense of obligation to me.

00:18:51
Ooh, slam. I'm sorry, I'd rather not get involved.

00:18:55
Can I get you some more water?

00:18:57
You look lovely. It's a great blouse.

00:18:59
Mom, I wanna go home.

00:19:01
This is a very important night for the restaurant.

00:19:03
How are we coming on the sales meeting? Did you get the big conference room?

00:19:07
Winslow wants the big conference room for his presentation to corporate.

00:19:11
You get back on that phone and you get me that big room.

00:19:14
Okay, Mom.

00:19:17
The secret is stirring continuously.

00:19:19
Right, so that's the secret.

00:19:22
I'm gonna go roll some more soy balls.

00:19:26
- Thanks for your help. - Sure.

00:19:28
How do you know how to do this?

00:19:30
Mom was a live-in maid for a rich family.

00:19:32
She had a little trouble bending her elbow too much.

00:19:35
Unless I wanted us to be on the street, I had to cover for her, a lot.

00:19:40
That rich family loved Italian food and champagne fountains.

00:19:43
And cocaine. And private jets. And screaming at each other.

00:19:47

"Who threw my cocaine in the champagne fountain?"

00:19:49

- So standard rich people stuff? - I guess.

00:19:53

- How come you never told me that? - I did.

00:19:56

It's okay. I know you never remember anything.

00:19:58

That's not true. I remember the first time we met.

00:20:01

I went to see Marv. You were at the desk in front of his office.

00:20:05

I thought you were cute and you said, "It's good to see you again."

00:20:10

- So I guess we'd met before. - That was the third time we met.

00:20:13

The first time was when I was an intern. I delivered a script to your house.

00:20:18

You were passed out in the yard, covered in tapioca pudding.

00:20:21

I hosed you down, dragged you inside, covered you with a blanket.

00:20:24

- Really? I don't remember that. - Shocker.

00:20:26

So you've gone from daughter of a maid to head of your own company.

00:20:30

The company's not doing so hot.

00:20:32

- Don't try to guilt me. - It's not your fault.

00:20:34

Turns out being an agent and running an agency are two different skills.

00:20:38

It's like asking a really delicious tomato to make you a tomato sandwich.

00:20:41

How's a tomato gonna make you a sandwich? He's got no arms.

00:20:44

You'll figure it out. Princess Carolyn always lands on her feet.

00:20:47

But I don't even know why I'm doing it. Does any of it matter?

00:20:50

Why are you an agent at all if it makes you so miserable?

00:20:54

Because I'm good at it.

00:20:55

I mean, stuff hasn't been hitting lately. But, usually, I'm really good at it.

00:20:59

Just 'cause you're good at something doesn't mean you have to do it.

00:21:01

I'm good at driving sober, but I don't relish the opportunity.

00:21:04

But what else would I do? Who else would I be?

00:21:09

I do love you, by the way.

00:21:11

I mean, as much as I'm capable of loving anyone.

00:21:15

Which is never enough. I'm sorry.

00:21:23

Ta-da!

00:21:27

Well, it is truly... how should I put this? Wonderful.

00:21:37

So you'll give Elefante a good review?

00:21:39

No, I can't do that. I waited over two hours to be served.

00:21:44

The ambience was terrible. You two were screaming all night.

00:21:48

At one point, a waiter ran through the restaurant on fire.

00:21:51

Unfortunately, you will be receiving my lowest rating: four hundred and twelve stars, out of a possible a billion.

00:21:59

A billion stars?

00:22:00

Yes, that's the rubric I use on SamanthaGoesToRestaurants.tumblr.com.

00:22:04

Oh, God, get out.

00:22:06

I assure you the animated GIFs with which I describe this encounter shall be scathing.

00:22:13

Mom! I just touched base with Rooney, re: Winslow.

00:22:16

He's out, we're in. The conference room is ours.

00:22:20

Perfect! This is the meeting where we finally convince the big boys to let us get babies addicted to vaping!

00:22:25

Yes! Corporation!

00:22:28

[all cheer]

00:22:33

- How about a drink? - I could drink.

00:22:34

I don't think I can. I'm heading out.

00:22:36

I got pretty badly burnt earlier and in a lot of pain.

00:22:39

I should probably go to the ER. Have a great night.

00:22:42

[groans]

00:22:48

What's the second time we met?

00:22:50

- A taping of Horsin' Around. - Which episode?

00:22:53

The one where Olivia put too much detergent in the washing machine.

00:22:57

Oh, yeah. Nancy Reagan was the guest star.

00:22:59

That woman was the real actor in the family.

00:23:01

I had just started working for Marv. I went backstage to introduce myself.

00:23:06

And then what happened?

00:23:07

You told me you were too tired pretending to be nice all night, and to leave you alone.

00:23:13

I'm a real jerk, huh?

00:23:14

Yeah, but you're honest, straightforward, not fake nice and don't beat around the bush.

00:23:19

Your heart is tender, so you protect it from people, but sometimes you open up a wall and it's incredible.

00:23:26

You're doing the best you can, considering your asshole parents.

00:23:29

You have great taste in art, and that pink spot on your nose is just adorable.

00:23:34

How many nice things was that, about ten?

00:23:36

- Just about. - Okay, one more.

00:23:38

You let me help you tonight because you knew I needed it.

00:23:41

You did it for me, which was very sweet.

00:23:44

Thanks. You're a good friend to me.

00:23:48

- BoJack... - Yeah?

00:23:50

Are we friends?

00:23:51

Yeah. I mean, I think we are.

00:23:54

Or I think we can be.

00:23:56

Okay, then as a friend, I'm asking you...

00:24:00

Please don't leave me.

00:24:01

- Princess Carolyn-- - Please.

00:24:03

I can turn this around, I just need more time.

00:24:06

We're in a fragile period, still finding our feet.

00:24:08

Just give me six months and then you can go.

00:24:11

I promise, I'll never ask anything from you again, but please, give me six months.

00:24:17

Sorry, I left my coat here.

00:24:19

[whistles]

00:24:25

[waiter]

00:24:25

I got it.

00:24:33

So? What do you think?

00:24:37

No.

Ep 10 — It's You

00:00:13

[female announcer]

00:00:13

Ladies and gentlemen,

00:00:15

to announce this year's Oscar nominees...

00:00:18

Mr. Peanutbutter!

00:00:25

Mr. Peanutbutter!

00:00:30

Mr. Peanutbutter?

00:00:34

Hello! Here I am, Mr. Peanutbutter.

00:00:37

That's my name and I am here.

00:00:39

Okay, the nominees. Nominees for Oscar.

00:00:43

Who are the nominees?

00:00:44

Well, as I used to say on Hollywoo Stars and Celebrities:

00:00:48

What Do They Know? Do They Know Things? Let's Find Out, let's find out.

00:00:52

For Best Actor, the nominees are:

00:00:54

Jurj Clooners for The Nazi Who Played Yahtzee.

00:00:57

Bread Poot for City of AIDS.

00:01:00

Colin Firth for First Things Firth:

00:01:02

The Colin Firth Story.

00:01:03

Michael Fassbender for... I want to say Bill Gates?

00:01:06

And BoJack Horseman for Secretariat.

00:01:11

Whoa.

00:01:13

BoJack, you just got nominated for an Oscar.

00:01:16

You're an Oscar nominee. How do you feel?

00:01:18

[chuckles]

00:01:18

I feel...

00:01:20

I-I feel...

00:01:22

I feel... the same.

00:01:27

[funky electronic music]

00:01:28

■■■

00:02:20

It happened again. Why do I keep thinking things will make me happy?

00:02:24

-What is wrong with me? -BoJack, don't do this.

00:02:26

-Don't fetishize your own sadness. -Uh... Oh, God, I'm drowning.

00:02:31

-I feel like I'm drowning. -BoJack, listen.

00:02:34

When I was 17, I snuck out to a fraternity party.

00:02:38

The roads were icy and I swerved into the lake.

00:02:44

I came to underwater.

00:02:46

It was dark and cold, and I didn't even know which way was up.

00:02:50

I thought for sure I was going to drown.

00:02:54

And then... I noticed...

00:02:58

when I opened my mouth, the air bubbles floated up,

00:03:02

and that's how I knew which way to swim.

00:03:06

That is a terrifying story.

00:03:07

BoJack, when you find yourself lost and disoriented and underwater and you don't know which way is up, it's important to breathe.

00:03:16

I don't deserve this. I'm not a best actor.

00:03:19

Awards aren't about who's best, BoJack.

00:03:21

That's literally the only thing they're about.

00:03:23

No. All this means is that you're one of the special people.

00:03:26

I saw it the first time I met you. You must have known it all your life.

00:03:30

And all your life, people told you that you were wrong, that you weren't special, that you were just like everybody else.

00:03:37

But now, the special people are saying, "You were right, BoJack. You were right."

00:03:42

I was right. I am one of the special people.

00:03:46

-Yes. -What are we doing just sitting here?

00:03:48

I just got nominated for an Oscar.

00:03:50

We gotta party like it's 1982, the year Prince released 1999.

00:03:55

[dance music playing]

00:04:03

[man]

00:04:03

Whoo-hoo!

00:04:05

■ Go, go, go... ■

00:04:12

[music stops]

00:04:15

[music resumes]

00:04:15

[people cheering]

00:04:16

[doorbell rings]

00:04:18

BoJack, your complimentary Rolex is here.

00:04:21

[doorbell rings]

00:04:22

BoJack, giant chocolate Oscar's here.

00:04:25

Famous DJ David Gu-etta is at the door.

00:04:29

Free Tesla's here, BoJ. They want to know if they can park it in your driveway.

00:04:32

[music stops]

00:04:32

-No.

00:04:33

Tell them I want my free Tesla parked in my goddamn living room. I'm BoJack!

00:04:37

[music resumes]

00:04:37

[people cheering]

00:04:45

Yeah, now we're doing it! Look at us partying.

00:04:49

[doorbell rings]

00:04:51

BoJack, you got another delivery. Someone sent a... nerd?

00:04:55

Hi.

00:04:59

You get a load of this chili cheese fountain?

00:05:01

-Grab a handful of beans and go to town. -Hey, this is all really something.

00:05:05

But I actually just came because I heard about the nomination and I wanted to make sure you're okay.

00:05:09

That's a funny way of saying congratulations.

00:05:11

But not funny "ha-ha", more like funny Doonesbury.

00:05:14

I know how this kind of thing can sometimes send you spinning.

00:05:16

"Oh, God, why doesn't this make me happy? Will anything make me happy?

00:05:19

I'm an empty husk." That kind of thing.

00:05:21

Well, thank you for that, but I'm actually doing great.

00:05:24

I direct your attention to the aforementioned chili cheese fountain!

00:05:29

It's too bad I'm not managing your social campaign anymore,

00:05:32

because this party would make a great Snapchat story.

00:05:34

You are not gonna make me guilty about leaving Princess Carolyn.

00:05:37

I'm not here to make you feel guilty. Like I said--

00:05:39

Honestly, I don't even know what you're doing over there.

00:05:41

-Tweeting for celebrities? -Well, actually, I don't--

00:05:44

When I met you, you were so cool and interesting--

00:05:46

Uh, I was never cool.

00:05:47

You used to actually care about shit. What happened?

00:05:49

I don't know, BoJack. Maybe caring about shit got old.

00:05:52

Maybe I'm tired of everyone yelling at me and sending death threats to my house,

00:05:56

and all my friends thinking I'm annoying, and getting in fights with my husband,

00:05:59

and seeing little refugee boys die in hospital bombings.

00:06:03

It's exhausting and I can't do it. If that makes me a bad person,

00:06:06

then I'm sorry that I'm not the "cool, interesting girl."

00:06:08

I never said you were a bad person. I just said it's not you.

00:06:11

And you know it's not you.

00:06:13

Oh, and this party is you? Who are all these people?

00:06:15

-These are my friends. -Name one of them.

00:06:17

-Tes-ley. -You're just looking at the Tesla.

00:06:20

I don't know why it's so hard for you to believe that I could be happy.

00:06:22

I'm not like you, okay?

00:06:23

-I don't fetishize my own sadness. -I don't fetishize my own sadness.

00:06:29

-Sure. -You don't know anything about me.

00:06:35

[BoJack]

00:06:35

Hey!

00:06:36

I know that you can tweet for a living in a house in Beverly Hills that your husband bought, or you can think you're better than everyone, but you can't do both.

00:06:43

-I don't think I'm better than everyone. -And again, I say, sure.

00:06:47

You know what's gonna happen?

00:06:48

You're gonna win that Oscar, and you're gonna go up on that stage and give your little speech, and then you're gonna go home.

00:06:54

And you're gonna be so miserable, you'll want to kill yourself.

00:06:57

And you're gonna have nobody left to stop you.

00:07:01

-Hey, it's BoJack! -

00:07:01

[all cheering]

00:07:03

[chanting]

00:07:03

BoJack! BoJack!

00:07:05

No one's gonna be there when I kill myself?

00:07:07

-Listen to that chanting, Diane. -

00:07:07

[all chanting]

00:07:09

The chanting don't lie.

00:07:11

There's going to be plenty of people around when I kill myself.

00:07:15

[all]

00:07:15

BoJack!

00:07:16

Tell your readers that BoJack was sleeping.

00:07:19

He didn't even know they were announced today.

00:07:21

Okay. Goodbye, Heather.

00:07:24

-Hey, Ana, can I ask you something? -Of course, darling.

00:07:27

-So, if I win the Oscar-- "When" you win the Oscar.

00:07:30

Right. But after that, what's gonna happen to us?

00:07:32

-What do you mean? -What we have.

00:07:34

It's more than just an Oscar campaign, right?

00:07:36

-I need to go. -What?

00:07:38

There's work to be done.

00:07:39

We got the nomination, but now, the real battle begins.

00:07:42

Enjoy your party. Stop worrying about the future.

00:07:47

[dance music playing]

00:07:47

[people cheering]

00:07:53

[horn honking repeatedly]

00:07:56

[tires squealing]

00:08:10

Come on, buddy! Come on!

00:08:13

[blowing]

00:08:13

[coughing]

00:08:15

-Mr. Peanutbutter! -Thank God you're okay.

00:08:17

Better than okay. I'm wonderful.

00:08:19

Thanks to you, you wonderful man.

00:08:21

When you said my name this morning, you changed my life.

00:08:24

-About that-- -Hey, did you see Erica here?

00:08:26

She was looking for you earlier, with her good eye.

00:08:28

Her other eye was looking to the stars.

00:08:30

-BoJack, I need to talk to you. -Yeah? What's going on, buddy?

00:08:33

Well, I've got good news and I've got bad news.

00:08:41

[cawing]

00:08:43

[coughing, clears throat]

00:08:45

Raven on a wire. A gloomy portent, precariously perched.

00:08:49

And, as the sun sets, so does it spread its deathly shadow across the just and unjust of the outdoor seating area of the California Pizza Kitchen.

00:09:00

Mm-hmm! And what better way to view such disquieting omens than through these gorgeous floor-to-ceiling windows?

00:09:06

Yeah. Wow! They really make regular windows look like shit.

00:09:10

I can't look out the window while lying on the floor?

00:09:13

-No, thank you, regular window! -Tell me a little about your company.

00:09:17

Well, it started as a safe space for women.

00:09:20

Ooh!

00:09:21

Then, it became a safe space for women and men.

00:09:24

Oh!

00:09:25

Now, it's more of a safe-ish space for women...

00:09:28

Mm-hmm.

00:09:29

...and a really safe space for men to look at women...

00:09:32

I hear you.

00:09:33

...while also being driven around by them.

00:09:35

-Wow! Something for everyone. -Demand is skyrocketing.

00:09:39

That's why we need a bigger office space.

00:09:41

You come to work, clock in, you put sugar in your coffee, and watch it slowly disappear into nothingness.

00:09:47

But the sugar doesn't know why. Sugar didn't ask to be born.

00:09:50

Is he okay?

00:09:51

He recently found out that his brother's sick.

00:09:53

Oh. I'm so sorry, but you know what else is sick?

00:09:56

-These hardwood floors. -Ooh!

00:09:58

Did you hear that, Mr. Peanutbutter?

00:10:01

[sighs]

00:10:05

Losing BoJack was a blow. There's no way to sugarcoat it, even if I were generally good at sugarcoating things, which I'm not.

00:10:11

[sighs]

00:10:11

You know, I wish cats really did have nine lives.

00:10:15

It would make me feel better about how much I'm screwing up this one.

00:10:18

You're not screwing up your life.

00:10:19

Sometimes I feel like, if I could start everything over, knowing what I know now, I'd do it all right this time.

00:10:25

But other times I think...

00:10:25

[sighs]

00:10:27

No, I wouldn't.

00:10:31

As you all know, things have been rough, and, unfortunately, we have to scale back our staff.

00:10:36

-Mainly, you. -Are you firing me?

00:10:38

In a sense, yes.

00:10:40

But, in another sense, I'm promoting you to a position of finding a job somewhere else.

00:10:45

Yeah. I don't think I ever thanked you for giving me this job in the first place.

00:10:50

It was an honor to work with you.

00:10:52

You were the worst social media coordinator this company ever had.

00:10:58

Are you sure you need surgery? Can't you get a second opinion?

00:11:01

Second opinion? You know there's only one doctor on the Peninsula.

00:11:05

I could ask him twice if it'd make you feel better.

00:11:07

Nothing could make me feel better right now.

00:11:09

Not even an amazing career opportunity. Hold on, I'm getting another call.

00:11:12

I've got to take this. It could be an amazing career opportunity.

00:11:15

Hello?
[German accent]

00:11:15

Mr. Peanutbutter, this is Shep Von Trapp, awards show producer, with a career opportunity that is... good.

00:11:25

This isn't a great time, Shep. Could you call back?

00:11:27

Absolutely... not.

00:11:28

The Oscar nomination announcement is in seven days and we don't have a host.

00:11:32

Sadly, Jimmy Fallon just broke his face.

00:11:36

What? Halloween in January?

00:11:38

What a crazy concept! I can't believe it!

00:11:40

I mean, what is this? Barry Gibb would be like...

00:11:42

■ I'm going in! ■

00:11:44

No. First, I gotta get a selfie with this thing.

00:11:47

- I'm Jimmy Fallon-- -

00:11:47

[horn honking]

00:11:50

Und you are our first choice after our first "first choice" got hit by a bus.

00:11:55

You're our second "first choice." What do you say?

00:11:58

Ooh, a job like that? You want a fully present presenter to present.

00:12:01

And I don't know if I've got the pep in my step to take that show where it needs to go, you know?

00:12:05

I've got a real pepleless step, Shep.

00:12:07

Okay, well, let me know, because if you don't want to do it, we'll probably just post the list of nominees online or something.

00:12:12

It's really not that big of a deal.

00:12:14

Hey, sorry about that. Just got a call from the Oscars.

00:12:17

-They want me to host-- -They want you to host the Oscars?

00:12:21

Nomination announcement.

00:12:22

But I don't think I have it in me right now.

00:12:24

Are you kidding? You gotta take that gig.

00:12:26

-Really? -Mr. Peanutbutter... what did Nana Peanutbutter always say?

00:12:31

[both]

00:12:31

"Always take every opportunity that comes your way because opportunities are like sneezes from God, and when God sneezes, you can't say 'God bless you' to God, so instead you have to take the opportunity.

00:12:40

I'm cold. Will you pass me that blanket?"

00:12:42

Boy, that old gal had something for everything, didn't she?

00:12:45

I know you're worried about me, but sitting around the house worrying isn't going to help anyone.

00:12:49

Okay, but you'll call me when you get out of the surgery, right?

00:12:52

I'm not gonna let my phone leave my sight.

00:12:54

Of course. And now, I've got something new to live for.

00:12:57

My little brother, telling the whole world who got an Oscar!

00:13:01

Nomination.

00:13:05

We are minutes away. Shep, release the envelope.

00:13:09

Copy that. Releasing the envelope.

00:13:12

It's go time.

00:13:15

It's go time.

00:13:17

-Are you ready, Brother Pricewater? -Of course, Brother Housecoopers.

00:13:28

Mr. Peanutbutter, we'd like to invite you to the stage.

00:13:31
It's here! The golden envelope.

00:13:34
-Hmm... - Herr Peanutbutter?

00:13:36
Okay. Oh, my phone. What should I do with it, Todd?

00:13:39
-Maybe you should hold it. -Uh-huh.

00:13:40
-No, I'll take it with me. -All right.

00:13:41
-No, you hold it. -Sure thing, yeah.

00:13:43
-No, put it in my jacket pocket. -Right here. Okay.

00:13:45
Oh, no, it's a fake pocket. Tricked again!

00:13:48
[ringtone playing]

00:13:48
-Todd, it's ringing. This is it.

00:13:49
Oh, no, my phone!

00:13:50
Oh, no, I kicked it, right through that doorway into the hallway!

00:13:53
Now, other people are kicking it and it's sliding across the floor!

00:13:56
-Okay, this is getting absurd. -Let's get that phone!

00:13:59
Mr. Peanutbutter, you have been invited to the stage!

00:14:02
[funk music playing]

00:14:02
■ Mr. Peanutbutter's House ■

00:14:05
-■ Who's that dog? ■ -Don't sweep-- Oh!

00:14:07
■ Knick-knack, paddy-whack Give a dog a bone ■

00:14:09
-Excuse me! -Hey!

00:14:10
■ Mr. Peanutbutter ■

00:14:12
-■ Trying to catch a... ■ -Oh, there it goes. Oh!

00:14:16
Sorry. If you could just-- My phone!

00:14:19
[Todd]

00:14:19
I'm coming to get you!

00:14:23
-■ He's a dirty dog ■ -

00:14:23
[both scream]

00:14:25
-■ He's just trying to do his job ■ -No, no, no!

00:14:28
-That way! -

00:14:28
[dog howling]

00:14:33
Come on, phone. Just stop!

00:14:35
-■ Who's that dog? ■ -■ Mr. Peanutbutter ■

00:14:37
■ Knick-knack, paddy-whack Give a dog a bone ■

00:14:40
[sighs]

00:14:41

[ringtone playing]

00:14:41
■ Who's that dog? ■

00:14:42
-Hello? -Mr. Peanutbutter.

00:14:44
I just, um... I wanted to give you a chance to say goodbye...

00:14:47
-Oh, no. -...to my twisted spleen.

00:14:50
Because it was successfully removed from my body!

00:14:53
Oh, my God, that's incredible!

00:14:54
Now, get out there and announce those Oscars!

00:14:58
Nominations. You got it, buddy.

00:15:00
Okay. Now, where's the... the...

00:15:02
Uh-oh. Could've sworn it was right here.

00:15:05
-Oh! -

00:15:05
[panting]

00:15:06
Oh! There you are. You need to get on stage.

00:15:09
Yes, just as soon as you give me that backup envelope, please and por favor.

00:15:13
What back-up envelope? There is no back-up envelope.

00:15:17
That was a test and you passed.

00:15:19
Wunderbar. Now, let's get you out there.

00:15:20
Yes, gotta get out there, on to the stage, to announce the nominations.

00:15:25
Just as soon as I-- Oh, my God, is that Bradley Cooper?

00:15:28
Bradley Cooper? We love him for some reason.

00:15:30
-Where? -Let's go, Todd.

00:15:33
-Oh, God, what do we do? -It's okay.

00:15:35
We just need to come up with all the nominees ourselves.

00:15:37
But I haven't even seen all the movies.

00:15:39
Todd, nobody has. That's not how they give out awards.

00:15:42
-But-- -Time for talk is over.

00:15:43
Now's the time for action.

00:15:44
And by "action," I mean talking about these 24 categories until we've settled on a list of nominees.

00:15:50
You need to tell me right now, are you in or out?

00:15:52
Well, when you put it that way,

00:15:53
I guess you can call me high-waisted denim, because, right now, I am very in.

00:15:59

Let's do this.

00:16:02

What did you think of Frieda Pinto?

00:16:03

Are you kidding me? Anybody could do what she did.

00:16:05

"Don't take my baby. I'll give you all my Bitcoins!"

00:16:09

Wow. That is good.

00:16:11

Okay, for Best Picture, what about Avatar?

00:16:14

-That was a good movie. -True, but did that come out this year?

00:16:17

-I feel like I just saw it. -Well, there's no way to know for sure.

00:16:20

Let's just throw it on the list.

00:16:22

Ooh, do we have Daniel Day-Lewis down for anything? He's always there.

00:16:25

Good catch! I'll add him.

00:16:26

Daniel Day-Lewis.

00:16:28

Okay. We need one more nominee for Best Actor. Oh, what about BoJack?

00:16:32

His performance in Secretariat was as thoughtful and self-aware as we've ever seen him.

00:16:36

-Besides, he's our friend. -Is he?

00:16:38

Whoa! I am surprised to hear you say that, Todd Chavez.

00:16:42

-Let's dig into that. We have time. -I don't think we do.

00:16:44

You're supposed to be announcing these, like, now.

00:16:46

There is always time to talk about our feelings.

00:16:49

As my Nana Peanutbutter used to say,

00:16:51

"There's always time to talk about feelings, because feelings are the ceilings of our hearts, and a leaky feeling ceiling leads to a flood of blood.

00:16:58

And I'm cold. Will you pass me that blanket?"

00:17:00

Well, I guess I'm just tired of BoJack walking all over everybody and still getting everything he wants.

00:17:07

Mm-hmm, mm-hmm. I think the important thing to remember here is that BoJack is a damaged individual, struggling against a sea of demons, many self-created, but still all too real.

00:17:16

Getting this nomination from the two friends he loves the most-- you and also me-- would really mean a lot to him.

00:17:22

[sighs]

00:17:22

Okay.

00:17:24

But did you really think he was that good in the movie?

00:17:26

Oh, I haven't seen it. It seemed long.

00:17:29

And the final nominee for Best Picture is Avatar.

00:17:33

Well, those are all the nominations. I will not be taking any questions.

00:17:36

Goodbye. I must go.

00:17:38

[audience clamoring]

00:17:41

I gotta say, we picked some top-notch noms.

00:17:44

You know it!

00:17:45

Boy, was I glad when we got out of that theater, though.

00:17:47

I know. So many questions.

00:17:49

"Oh, what the hell happened?"

00:17:52

Why were you reading off that napkin? Why are you guys running?"

00:17:57

They have their nominees. What more could they want?

00:18:00

You know what's crazy? We saved the day today, and no one will ever even know.

00:18:06

-Hey, we'll know. -

00:18:06

[doorbell rings]

00:18:09

Mr. Peanutbutter, we know what you did.

00:18:13

Oh, boy.

00:18:14

So, the good news is, my brother's surgery was a success.

00:18:18

And the bad news is, you're not nominated for an Oscar.

00:18:20

And the other good news is...

00:18:22

[voice fading out]

00:18:22

...that each breath is a gift and it is a joy to live.

00:18:26

-What? -We are so lucky we get to be alive.

00:18:28

-No, before that. -Oh, I didn't tell you.

00:18:31

-My brother's been sick. -No, I don't care about your brother.

00:18:33

First of all, manners.

00:18:35

Second of all, I think if you met him, you'd actually really hit it off.

00:18:38

Imagine me but with less "in your face" cool guy attitude.

00:18:41

Did you say I'm not nominated for an Oscar?

00:18:43

Oh...

00:18:44

A lot of people are mighty steamed, but I feel like what everyone's overlooking here is,

00:18:48

I got most of the categories dead-on.

00:18:50

That's pretty amazing, and I am not getting enough credit for that.

00:18:53

Did you know that Avatar came out in 2009?

00:18:55
-I'm not nominated for an Oscar. -No.

00:18:58
But you know what they say. "It's an honor just to be nominated."

00:19:00
Oh, wait.

00:19:02
So, I'm just like everybody else.

00:19:04
I know you're upset, but whatever you do, please don't get mad at Todd.

00:19:07
-Why would I get mad at Todd? -Exactly. This is totally my fault.

00:19:10
-He didn't even want to nominate you. -What?

00:19:12
With the gift of hindsight,

00:19:13
I see now how that might have made you even more upset.

00:19:16
But I realized something today, when my brother called from the hospital, and I think it's gonna make you feel a lot better.

00:19:21
-What? What is it? -None of this matters.

00:19:25
Okay, I'll see you later, buddy.

00:19:27
[whistling]

00:19:30
[inaudible dialogue]

00:19:33
As a partner in the company,

00:19:34
I am prepared to forgo my salary for the next three months, but even then, we're going to need some sort of miracle.

00:19:39
What are we doing? What was the point of any of this?

00:19:42
I wasted everyone's time for six months.

00:19:45
Soon, I'll get some offer from one of the big five agencies that I can't say no to, and I'll go back to being another cog in the giant Play-Doh spaghetti maker that is this industry.

00:19:54
-Is that the best I can hope for? -Not necessarily.

00:19:57
Although, there is one thing I should probably mention.

00:19:59
What is it, Judah?

00:20:02
Maybe this is an opportunity to live one of your other eight lives.

00:20:07
Yeah, maybe.

00:20:09
It's been a pleasure working with you, Judah.

00:20:12
I found it to be an above average experience.

00:20:14
Please forgive me for getting emotional.

00:20:16
[sighs]

00:20:21
[Southern accent]

00:20:21
Rye, wheat, or sourdough?

00:20:25
Can I get it on stale?

00:20:27

And then, he said, I fetishize my own sadness.

00:20:30
[laughing]

00:20:30
What did you think was gonna happen? Why did you go there?

00:20:33
I don't know.

00:20:34
-Did you ask for water? -No.

00:20:36
They're not supposed to give us water unless we ask.

00:20:39
-Don't they know there's a drought? -You want to send the water back?

00:20:42
No, I want the water. I just...

00:20:44
I went to BoJack's house to congratulate him.

00:20:46
I'm not trying to pick fights.

00:20:48
Well, you don't have to see him at all if you don't want to.

00:20:50
It's not like you work for him anymore.

00:20:52
-Is he right? Am I a bad person? -Who cares what he thinks?

00:20:55
Why do you have this weird fixation with him?

00:20:58
I do not have a fixation, Roxy. I worry about him.

00:21:02
Okay. And last year?

00:21:03
When you came back from Cordovia and needed a place to crash?

00:21:06
Oh, you could have stayed with me, or any of your other friends, but you went right to his house.

00:21:10
Did you ever ask yourself why?

00:21:14
They're filling everyone's glasses. This is insane.

00:21:16
Oh, my God. What do you care?

00:21:18
Hey, excuse me? Excuse me?

00:21:20
Do you know you're breaking the law by giving everybody water?

00:21:23
It's okay. I want the water.

00:21:24
Yeah, we all want water. That's not the point.

00:21:27
In the state of California, it is illegal for a restaurant to serve people water before they ask for it.

00:21:35
There is a drought.

00:21:37
Sit down! We're thirsty!

00:21:38
[scoffs]

00:21:38
You know, this is what's wrong with society.

00:21:41
Diane...

00:21:42
Nobody thinks about the world outside themselves.

00:21:47
So, how you doing? You still working at that place?

00:21:50
[line ringing]
00:21:53
- Hello? -Hi, Ralph. It's Princess Carolyn.
00:21:56
Oh, my God, Princess Carolyn, I never thought I'd hear from you again.
00:21:59
I might have some free time coming up.
00:22:01
I was wondering if you might want to get a drink.
00:22:03
Okay. So, the night I met you after I said goodbye, the craziest thing happened.
00:22:07
Okay?
00:22:08
I was walking back to my car, when all of a sudden,
00:22:10
-this woman... -
00:22:10
[Carolyn]
00:22:10
Oh.
00:22:12
...tripped on a cobblestone, twisted her ankle,
00:22:14
-and tumbled into my arms. -
00:22:14
[Carolyn]
00:22:14
What?
00:22:16
Turns out, she was a ballerina, and she didn't speak a word of English.
00:22:19
So, I rushed her to the hospital, and long story short, we eloped.
00:22:22
[Carolyn]
00:22:22
Oh. -I moved to Russia, and I'm totally messing with you.
00:22:24
-None of that's true. - What?
00:22:25
I would love to see you again. I think about you all the time.
00:22:27
-Really?
00:22:27
[chuckles]
00:22:27
-Yeah. How about this Saturday?
00:22:30
It's a date.
00:22:36
[metal clattering]
00:22:36
-Ana?
00:22:38
Uh, no, it's just me, giant chocolate Oscar guy.
00:22:42
I'm here to pick up the giant chocolate Oscar.
00:22:44
My boss really wants our product to only be seen with real Oscar nominees.
00:22:49
You know, to maintain the integrity of the giant chocolate Oscar.
00:22:51
I don't care. Take it.

00:22:54
You've reached Ana Spanakopita.
00:22:56
How did you get this number? Explain yourself.
00:22:59
[line beeps]
00:22:59
-Ana, this is the fourth time I've called.
00:23:02
Please call me back. I need you.
00:23:04
Ana, please. This is BoJack, by the way. Horseman.
00:23:08
Hey! Todd! Where you been?
00:23:11
-Oh, hi. -You were in Ojai?
00:23:13
-No, I was just saying hi. -Well, why not go to Ojai, huh?
00:23:16
You and me? I could use an escape, couldn't you?
00:23:18
It's not really a good time.
00:23:20
Todd, I need this. You're my best friend and I need you.
00:23:22
Don't leave me now. Don't be like everybody else.
00:23:25
I'm not leaving you. I just--
00:23:26
Besides, I think you owe me, right? After what you did?
00:23:30
-What I did? -Come on, Todd. I know.
00:23:32
-Mr. Peanutbutter told me everything. -Everything?
00:23:35
Even told you, when I was a kid, I used to bang on my butt like a bongo drum
00:23:38
-when I got out of the bath? -What?
00:23:40
■ Todd-o, me and Todd-o ■
00:23:43
■ Bath time come Make Todd shiny and clean ■
00:23:47
Mm, no, not-not about that.
00:23:49
So, he didn't tell you everything.
00:23:51
Did he tell you about the time I counted to a million?
00:23:53
One, two, three, four, five, six--
00:23:58
-No, stop. -But I was just getting to the good part!
00:24:01
What? Seven? He told me you didn't want to nominate me for an Oscar.
00:24:04
-Oh, that. -What the hell, man?
00:24:06
-After everything I've done for you? -What are you talking about?
00:24:08
Oh, I don't know. Letting you live here for free for six years?
00:24:11
Giving you food, indulging you in your little projects and adventures and stories about how you used to bang on your butt like a bongo drum?
00:24:17

I let you turn my house into your company's headquarters for the last month.

00:24:20

Yeah, but that's not because you're my friend.

00:24:21

-That's because you felt bad about Emily. -You know about Emily?

00:24:25

I think I know. Why? What do you think I know?

00:24:28

I mean, I know what I think, but I don't know if the thing that I think is the thing that you think I know.

00:24:33

-You know? -So, you know I had sex with Emily.

00:24:36

You had sex with Emily?!

00:24:38

-Well, what did you think? -I don't know! Not that!

00:24:41

I just knew something sketchy happened.

00:24:43

I thought maybe you gave her one of your weird monologues about how sad you are, and it bummed her out!

00:24:47

Todd, I'm sorry, all right? I screwed up.

00:24:50

-I know I screwed up. I don't know why-- -Oh, great! Of course!

Here it comes!

00:24:54

You can't keep doing this!

00:24:55

You can't keep doing shitty things, and then feel bad about yourself like that makes it okay!

00:25:01

You need to be better!

00:25:04

I know. And I'm sorry, okay?

00:25:05

I was drunk, and there was all this pressure with the Oscar campaign.

00:25:09

-But now-- Now that it's over, I-- -No! No, BoJack, just stop.

00:25:15

You are all the things that are wrong with you.

00:25:18

It's not the alcohol, or the drugs, or any of the shitty things that happened to you in your career, or when you were a kid.

00:25:24

It's you.

00:25:26

All right? It's you.

00:25:32

Fuck, man. What else is there to say?

00:25:37

■ Back in the '90s I was in a very famous TV show ■

00:25:46

- ■ I'm BoJack the Horseman ■ - ■ BoJack ■

00:25:48

Ep 11 — That's Too Much, Man!

00:00:05

[angelic music playing]

00:00:09

[harp playing]

00:00:13

[takes deep breath]

00:00:15

Good morning, morning.

00:00:17

[humming]

00:00:20

Good morning, sun. Good morning, trees.

00:00:23

Good morning, busy buzzy bees.

00:00:26

Good morning, Sarah Lynn. Good to see you, Sarah Lynn.

00:00:29

The tulips and chrysanthemums are really coming in.

00:00:31

Good morning, handsome garden ants.

00:00:33

I like the way you plant my plants.

00:00:36

Your flowers make my feelings dance. I like your handsome planter pants.

00:00:42

Goddamn it! Why won't you--?

00:00:42

[groans]

00:00:46

It's okay.

00:00:47

Sarah Lynn, you are calm, you are thin.

00:00:50

Your skin is so soft, it's like you murdered a baby and stole its skin.

00:00:54

Your skin is "murdered-baby" soft.

00:00:57

Okay.

00:01:00

Blueberry, goji berry, flax, chia, shark fin, and... white rhino horn.

00:01:13

Sober, so good.

00:01:15

[phone vibrating]

00:01:15

-Oh.

00:01:17

-BoJack? -Hey, Sarah Lynn.

00:01:19

-You wanna party? -Oh, thank God. Yes!

00:01:22

[grunting]

00:02:21

Okay, hand me the açai.

00:02:24

-Is that how you pronounce it? -Who knows?

00:02:26

They should really just call them "overpriced blueberries for douchebags."

00:02:29

-Ow. -How's life?

00:02:30

-Well, the truth is that... -Didn't catch that, but everything's cool?

00:02:34

No. In fact, I've never felt so alone--

00:02:36

Sorry, missed it! You should learn to talk louder, dude!

00:02:38

Oh, hey, bummer about you getting the nomination, but then, it turning out that you didn't get the nomination.

00:02:43

It was big news yesterday.

00:02:45

Yeah, I got royally screwed, know who was there for me?

00:02:47

No one, because everyone's an asshole and the whole world sucks balls.

00:02:50

-Anyway, thanks for having me over. -I'm with you, man.

00:02:53

Everything sucks! Especially sobriety. Why would I make my body a temple?

00:02:57

I've been to Temple. Temple is super boring.

00:03:00

What do you say we go on an epic bender?

00:03:02

Yes! Let's get higher than a stilt walker's dick!

00:03:06

That's what I'm talking about. Let's get some booze and drugs.

00:03:08

We can clear out my bank account. I got nothing left I care about.

00:03:11

What do you mean "get"? This whole house is booze and drugs.

00:03:14

-Here. -Yogurt-covered raisins?

00:03:16

-Nope. Vicodin-covered Vicodin. -Oh!

00:03:20

-LSD. -Wow.

00:03:21

-Yah! Crystal meth. -Ha-ha!

00:03:23

Ee-yah!

00:03:23

[snorting]

00:03:25

Cocaine-- No! That's drywall.

00:03:28

Ugh! Where the hell did I hide the cocaine?

00:03:31

Oh, yeah, I also told the liquor store to deliver.

00:03:34

[grunting]

00:03:34

To nine months of sobriety.

00:03:36

To life and being done with it!

00:03:40

[both laughing]

00:03:42

Okay, okay. What about this one?

00:03:44

Remember when Erika Eleniak guest starred as Goober's cousin from out of town, and Brad had a boner for the whole episode?

00:03:51

-What? No. -You can totally see it in every scene.

00:03:55

Cold open, boner! Act one, boner!

00:03:57

Commercial break-- "Hello, we're from the Wheaties corporation!"
Back to boners!

00:04:00

Okay, we'll put it on the list. We gotta watch that one.

00:04:03

What about the one where the writers made Joelle dress up like a pumpkin, and the whole episode was fat jokes, so then Joelle got an eating disorder?

00:04:11

Everything was so much simpler back then.

00:04:12

She had to go to a clinic. She missed, like, five episodes.

00:04:15

We didn't know how good we had it.

00:04:17

We got to come to work and have fun every day, and we weren't worried about our legacy or awards.

00:04:22

...because buildings are supposed to be rectangles, goddamn it!

00:04:27

Wait, what were we talking about?

00:04:28

We were talking about Horsin' Around.

00:04:30

Then, you had to go pee.

00:04:31

Then, you came back covered in toilet paper and pretended to be a mummy.

00:04:34

Then, you took it all off because you decided Egypt was stupid, especially pyramids, because you think triangle buildings are, and I quote, "gauche as shit."

00:04:43

That does sound like me, but I don't remember any of that.

00:04:45

I must have blacked out. Maybe I should lay off the alcohol for--

00:04:48

...and I said, "You're sitting on the pizza, Mr. President."

00:04:52

-Whoa! I think I just had another one. -Another what? Pizza?

00:04:56

No, blackout. The thing we were just talking about.

00:04:59

-Try to keep up here. -Oh...

00:05:01

Boom! Boner! Pay up! What did I tell you?

00:05:04

That's not a boner. It's a shadow.

00:05:05

Well, I think we all learned a valuable lesson today

00:05:08

about the Armenian genocide.

00:05:10

The Armenian genocide was too much, man!

00:05:13

[audience laughing]

00:05:15

All right! Next episode.

00:05:18

Why can't life be like it was on Horsin' Around?

00:05:20

All our issues conveniently settled in 22 hilarious minutes.

00:05:24

You know, it's amazing that it's legal for kids to be actors.

00:05:27

How is that not child labor? I didn't know what I was signing up for.

00:05:30

-I was three. -This is getting me depressed.

00:05:32

-Let's do something fun. -Oh! Okay, you know what really kicks ass?

00:05:35

The planetarium!

00:05:37

You get crazy high in the parking lot, then you go in and get your mind blown by all the trippy galaxies and shit.

00:05:43

That sounds stupid. I'm gonna be in charge of the fun.

00:05:46

[snorting]

00:05:46

No, no, no! That was drywall.

00:05:47

Jesus, we have to start marking our drugs more clearly.

00:05:50

-Let's just take a box of whiskey and go. -Whoo!

00:05:53

[male voice]

00:05:53

It was just so hard. -Wha--? What the--?

00:05:55

I was stuck in a terrifying cycle of drinking, lifting my head up, drinking, lifting my head up, drinking, lifting my head up.

00:06:04

Coffee, stale donuts, attention hogs telling boring stories about themselves?

00:06:08

-Jesus! Are we at a 12-step meeting? -Now, you're a detective?

00:06:11

Last night, you couldn't even solve the mystery of where the toilet is.

00:06:14

So, all our partying was an elaborate trick just to get me to go sober?

00:06:18

No, Detective Pukes in the Washing Machine.

00:06:20

You're here because I couldn't leave you alone in my house, and I had to come today.

00:06:24

Gotta get my nine-month chip.

00:06:25

Chip? We've been wasted for... 31 hours?

00:06:28

That's no reason for me to not get my chip.

00:06:29

That's literally exactly the reason you shouldn't get your chip.

00:06:32

Nowhere in the 12 steps does it say to not drink.

00:06:34

That's not actually one of the steps. Loophole.

00:06:38

Take a swig.

00:06:39

If you have to listen to losers talk about their shitty sober lives, it's a lot more fun to be buzzed.

00:06:44

And I realized people don't change because they want to change.

00:06:48

They change because they have to change.

00:06:51

Oh, God. Boo!

00:06:53

Oh, booing is generally frowned upon here.

00:06:55

How else am I supposed to express how boring these stories are?

00:06:58
[speaking slowly]

00:06:58
My name is Simon and I'm an alcoholic.

00:07:03
[all]

00:07:03
Hi, Simon.

00:07:04
My rock bottom was when I actually woke up under a rock.

00:07:10
Can't get lower than that.

00:07:12
Come on! You people call yourself drunks?

00:07:14
Most of this is stuff I do on a daily basis completely sober.

00:07:17
Trust me, pal, we've done some awful things.

00:07:20
One time, I didn't want my friend to move out, so I used character actress Ann Dowd to help me sabotage his hip-hopera.

00:07:26
Oh, please, that's baby stuff.

00:07:28
You so-called drunks want something to feel shitty about?

00:07:31
-BoJack, maybe we should go. -I got somethin' for ya. Whoa.

00:07:34
My name is BoJack.

00:07:35
[all]

00:07:35
Hi, BoJack.

00:07:37
Oh, like you didn't know?

00:07:39
Anyway, I once went all the way down to New Mexico to see a woman that I knew, and she had a young daughter, Penny.

00:07:44
Penny Carson. That's her real name. You can look her up. I don't care.

00:07:47
And first, I tried to sleep with the mom, but she said no.

00:07:50
-Then, I tried to sleep with the daughter. -

00:07:50
[all groaning]

00:07:52
Then, the mom walked in on me trying to sleep with the daughter, and I was like, "Oopsie-doopsie! Exit stage right!"

00:07:58
Oh, God.

00:07:59
The worst part is, I don't even know what happened after I left.

00:08:02
Did I ruin the family? Did I scar that little girl for life?

00:08:05
I don't know. I'll never know.

00:08:07
And that's just, like, one of a billion things that I have going through my head all the time.

00:08:12
So, anyone got a better story than that?

00:08:14
Wow.

00:08:15
Didn't think so, bitches.

00:08:17

Where's my trophy, or chip, or whatever?

00:08:18
[screams]

00:08:18
[car horn honking]

00:08:20
-Whoa! -

00:08:20
[screams]

00:08:21
[tires squealing]

00:08:23
That was impressive, BoJack.

00:08:25
I've never seen them cancel an AA meeting because everyone got bummed out before.

00:08:29
Uh, what are you talking about?

00:08:30
You told everyone about that Penny chick.

00:08:32
Then, you went on and on about how you're never going to change.

00:08:34
Then, you chased the slug around, threatening to pour salt on his head.

00:08:37
-I talked about Penny? -Hey! We've all done shitty stuff before.

00:08:41
[tires squealing]

00:08:41
[loud crash]

00:08:42
Most of us aren't as proud of it as you seem to be.

00:08:44
I'm not proud. I feel really terrible that I might have really messed that girl up.

00:08:48
Oh, she's fine. I looked her up on Facebook.

00:08:51
She's going to Oberlin, likes Thai food and the smell of a fire on the first really cold day of winter.

00:08:56
That doesn't mean anything. Everyone likes the smell of fire on the first cold day of winter.

00:08:59
You know, I used to feel just like you before I got into this "12 steps" thing.

00:09:03
They taught me how to make amends.

00:09:04
You just say you're sorry for the things you did and you get a clean slate.

00:09:07
-So, what? Just dirty up the slate again. -Then, you just make amends again.

00:09:11
It's a never-ending cycle, where you always end up feeling good about yourself.

00:09:15
[man]

00:09:15
No! -You know what?

00:09:16
This may be the nitrous and bath salts talking, but I want to do some more nitrous and bath salts.

00:09:21
[tires squealing]

00:09:21

[crash]

00:09:22

And then, let's make some goddamn amends.

00:09:24

Maybe you should start with the family whose playhouse you just smashed.

00:09:28

[crying]

00:09:28

Oh, no! -Oh. Hey, kid!

00:09:29

I'm sorry your lame dad built such a cheap-ass playhouse!

00:09:32

Yeah, you gotta use parallel joints to support that foundation, dumbshit!

00:09:36

-Also, suck a dick! -You know what? I do feel better.

00:09:40

[laughing]

00:09:40

[crying]

00:09:44

[doorbell ringing]

00:09:46

-I don't think they're home. -So, we wait.

00:09:48

I need to make amends to Diane, and we're not leaving until I do.

00:09:50

[sighs]

00:09:50

But it's boring out here, and I'm hungry and I'm bored!

00:09:55

I bet they have food inside.

00:09:57

Let's see if I still have that spare key. Here it is.

00:09:59

[grunts]

00:09:59

-Yes!

00:10:01

Okay, after we get food, remind me that this is another thing I need to make amends for.

00:10:05

[sighs, burps]

00:10:07

Where are those two?

00:10:08

They did not keep their fridge stocked enough for two stoned people waiting around for hours.

00:10:12

It's only been, like, ten minutes. You have a real thing with food.

00:10:15

That's what happens when you mix the appetite of a horse with the appetite of someone with a hole inside him that needs to be constantly filled with attention, food, and sex.

00:10:23

-Pass the Bugles. -There's no more Bugles.

00:10:25

There's no more of anything. Let's just go.

00:10:27

-I can't leave until I make amends. -

00:10:27

[gasps]

00:10:27

I got a idea!

00:10:31

My name is BoJack's friend What's-Her-Face and I wear glasses.

00:10:35

Do you have something to say to me, BoJack?

00:10:37

-Am I BoJack or Mr. Peanutbutter? -You can be anyone you want.

00:10:40

This is your dream... dream... dream...

00:10:44

Stop doing that. We're both awake. Let's just get to this.

00:10:47

Diane, I'm sorry I said mean things to you.

00:10:49

That's cool. I forgive you. Wait, would my character say that?

00:10:52

What's Diane's deal again? She's, like, an Asian Daria?

00:10:55

-She's a little more complex. -But she's basically Asian Daria, right?

00:10:59

With the glasses and the jacket and her whole "blah" thing.

00:11:03

Okay, shut up. Now, I'll be Mr. Peanutbutter and you make amends to me.

00:11:06

Who's Mr. Peanutbutter?

00:11:08

And, now, you be Mr. Carolyn and I'll be Princess Diana.

00:11:11

-Oh, yeah. Good idea. -

00:11:11

[both grunting]

00:11:13

Um... should we do something about this?

00:11:16

Hey, why don't you two sleep this off in our guest room?

00:11:20

Oh, my God, that mirror is talking to us!

00:11:22

You can't stop us, us from the future!

00:11:24

-We're making amends, assholes! -

00:11:24

[screaming]

00:11:26

[both groan]

00:11:27

Ow! Come on!

00:11:31

-That felt so good! -See?

00:11:33

When you make amends, don't you just feel lighter?

00:11:35

Well, I also ate a shit ton of Bugles, so no.

00:11:37

But I do feel like we got to the bottom of who really killed Princess Di.

00:11:40

-It was all of us. -Next stop, Todd!

00:11:43

Todd, I'm sorry. I want to take full responsibility for what happened, even though it is not my fault and I did nothing wrong.

00:11:51

Emily is an adult woman who can make her own choices.

00:11:53

And besides, are you even really into girls?

00:11:55

-I mean, what is your deal? -Uh...

00:11:58

-Hey, what are you doing with our son? -Uh...

00:11:59

Wait, you're BoJack Horseman.

00:12:01
I am, and this is my best buddy Todd.

00:12:01
[grunts]

00:12:04
That movie star has really taken a shine to our boy.

00:12:07
You think this is our big break?

00:12:09
You don't think he's inappropriately interested, do you?

00:12:12
What? No. But if he is, that could also be a big break.

00:12:15
I'm just saying.

00:12:16
[groans]

00:12:16
[stammering]

00:12:17
-Hey, wait! -Hold on. Where are you going?

00:12:19
-Come back. -You want to take Todd for a sleepover?

00:12:21
-Sleepover? -No offense, Todd, but your parents are creeping me out.

00:12:24
To the next amends!

00:12:27
[screaming]

00:12:28
[grunting]

00:12:31
-What do you want, BoJack? -I don't know.

00:12:33
I'm very drunk and a little nauseous, but if I'm here in your house, it must be to make amends.

00:12:38
-Amends... for what? -I don't know.

00:12:40
Whatever it is that you think I did to make you disappear.

00:12:42
-BoJack-- -How could you leave me like that when I needed you most?

00:12:45
I'm sorry, BoJack. I thought you were a winner. I was wrong.

00:12:49
This is hard for me, too. I staked my reputation--

00:12:51
No, this is not about the Oscar campaign.

00:12:53
How could you think that this is about the Oscar campaign?

00:12:55
We had something more, didn't we?

00:12:56
-You've been drinking. -Well, not just drinking.

00:12:59
[snorting]

00:12:59
Yes, Ana, I'm a mess.

00:13:02
Whoa! I am a broken, screwed-up misfit toy, and you act all in control, but I know that, deep down, you're broken, too.

00:13:10
And I don't know why you won't just give us a chance to be broken together.

00:13:15
What about that doesn't appeal to you?

00:13:18

[sighs]

00:13:19
BoJack, when I was in college, I had a job as a lifeguard...

00:13:25
Wait, did we just go to Ana's house? Did I get closure?

00:13:27
If by "closure" you mean I lit her ottoman on fire, then yes.

00:13:30
We gotta go back.

00:13:32
-What the hell? -I know I was just here, but I feel like you told me some important story that explained everything about us.

00:13:37
Unfortunately, I totally spaced it.

00:13:40
Gotta be honest. I've had a couple beers.

00:13:42
Ugh! All right, I'll tell you again, if it'll make you leave.

00:13:46
When I was a lifeguard, I...

00:13:48
-Oh, crud. -You want to go back to Ana's, don't you?

00:13:51
I feel like I'll definitely get it this time.

00:13:53
Lifeguard...

00:13:55
-One more time? -No. This time I wrote it down.

00:13:59
"I'm a lifeguard. This woman's house smells weird, or is that me?"

00:14:03
Pay attention, Sarah Lynn.

00:14:04
Don't do that thing where you write down your thoughts instead of what the person is actually saying.

00:14:08
I wonder if it's time to get my boobs done again."

00:14:11
-Mm-hmm. -

00:14:11
[inhales]

00:14:11
That's very helpful.

00:14:13
Thank you. Who's next?

00:14:14
I'm sorry!

00:14:16
I'm sorry, I'm sorry, I'm sorry!

00:14:20
I'm sorry!

00:14:23
[sighs]

00:14:27
[door sliding closed]

00:14:30
Okay, so I know I keep bothering you tonight.

00:14:32
Tonight? I haven't seen you in two weeks.

00:14:35
Oh, really?

00:14:36
I just need to know what you were trying to tell me about being a lifeguard, and then, I'll leave and you'll never see me again.

00:14:41
Mmm...

00:14:43

After I almost drowned, I decided I would never again be weaker than water.

00:14:47

So, I became a lifeguard.

00:14:49

On my first day of training, my instructor told me that there are going to be times when you'll see someone in trouble.

00:14:56

You're going to want to rush in there and do whatever you can to save them, but you have to stop yourself, because there are some people you can't save.

00:15:05

'Cause those people will thrash and struggle and try to take you down with them.

00:15:13

What does that have to do with me?

00:15:16

What the--? Where the hell are we now?

00:15:18

-Ohi-- -Ojai?

00:15:20

-We drove all the way to Ojai? -Let me finish.

00:15:22

Ohi, and here's the kicker... O.

00:15:25

-Ohio. -We drove all the way to Ohio?!

00:15:28

I wanted to go to the planetarium, but you demanded we come here.

00:15:32

You said you had to make one more amend, to that Penny girl.

00:15:36

What? No! That is a terrible idea.

00:15:38

-Let's turn this car around right now. -

00:15:38

[tires squealing]

00:15:39

Uh...

00:15:41

-I feel we didn't turn the car around. -No, we did, but then, you turned it back around because you really wanted to find that deer girl, so we decided to do a stakeout.

00:15:50

There was a whole makeover sequence, where we went to the mall and tried on different trench coats for each other.

00:15:54

Do you not remember any of that?

00:15:56

This is insane. I already scarred her for life.

00:15:59

If I see her again, I'll just end up getting my horribleness all over her.

00:16:02

You think it's too late for me to go to college?

00:16:04

I always wanted to be an architect.

00:16:06

But one of those architects, where, at night, she's a high-end call girl, and, by day, she's an international superspy.

00:16:12

-So, when is she an architect? -I don't know. Frontier times?

00:16:15

No, I didn't mean what era.

00:16:17

If she's a call girl at night and a spy during the day--

00:16:19

-Hey, look, Penny. -Oh, God, what's she doing?

00:16:22

-Does she look emotionally damaged? -She's just going to the computer.

00:16:24

She's probably in a sex chat room with some middle-aged horse because that's the only way she can still feel love.

00:16:30

-Yeah, probably. -Or she's so upset about what you did that she's using the Internet to find ways to commit suicide.

00:16:36

That makes even more sense.

00:16:37

All right, we've established that you ruined her.

00:16:40

-Can we go back to L.A. now? -Yes.

00:16:43

So... obviously, I wanted to keep following Penny because I'm an idiot.

00:16:47

Let's just nip this in the bud.

00:16:48

I'm gonna write "Do not follow Penny" on my hands in the unlikely scenario of my blacking out again.

00:16:53

I'll just write "Follow Penny" on this hand, and then, on this hand, I'll write...

00:16:58

-Goddamn it! -What?

00:17:00

We're just doing what the hand said.

00:17:02

[groans]

00:17:04

-Uh, what? -The hand demanded donuts.

00:17:07

[gasps]

00:17:07

There she is. -She's drinking beer.

00:17:09

Oh, God, this is just like the episode of Horsin' Around when Olivia went to the frat party, but Penny doesn't have a kind angel played by Jose Canseco to help her get out of this jam!

00:17:17

Ugh. Okay, now, I'm bored again. Quit hoggin' the 'nocs.

00:17:20

She's just drinking Red Bull. Wait. Now, she's leaving.

00:17:23

[both gasp]

00:17:23

-Hey, look, it's the Obertones!

00:17:26

Love your sound, dudes!

00:17:28

-■ Thank you ■ -■ Thank you ■

00:17:29

-■ Thank you ■ -■ Thank you! ■

00:17:31

She seems... fine.

00:17:33

Too fine, like she's hiding a dark secret that's eating away at her soul.

00:17:37

Or, possibly... she's fine.

00:17:40

Maybe I didn't ruin her life.

00:17:42

Hey, you were a father figure, who was sexually inappropriate to me, and I turned out perfect.

00:17:46

-Now, can we please go home? -Okay, good plan.

00:17:48

I'll just go pee out the last 20 beers. Whoa. Look at me, walking good.

00:17:52

Whoa, whoa, whoa.

00:17:54

[all screaming melodically]

00:17:56

No, no, no! Shush, shush.

00:17:58

-BoJack? -Oh!

00:17:59

-What are you doing here? -Hey, Penny!

00:18:02

-Did you come here to find me? -No, I--

00:18:05

You can't be here. I-I don't want to see you here.

00:18:08

I don't want to see you at all. I was 17. I didn't know any better.

00:18:12

-I tried-- -You need to leave.

00:18:13

It's BoJack Horseman and Sarah Lynn!

00:18:16

-Oh, my God! Oh, my God! -BoJack, we need to get out of here now.

00:18:18

Can I get a selfie and another selfie if the first selfie doesn't look good?

00:18:22

[overlapping chatter]

00:18:22

-BoJack, over here!

00:18:25

Penny, no.

00:18:27

Penny?

00:18:30

You know, on the plus side, she really seemed okay.

00:18:33

Mm-hmm.

00:18:34

-Until she saw you and freaked out. -

00:18:34

[groans]

00:18:36

But she probably would have been totally fine if you'd never shown up.

00:18:40

-Oh, God. -I think the wound was completely healed before you reopened it by showing up unannounced at her college and all the pain came rushing back to her.

00:18:48

Oh, good Lord!

00:18:49

In a way, it's like you destroyed her life twice.

00:18:51

-Will you please stop talking about it? -Okay, fine.

00:18:54

Whoop.

00:18:54

[shivers]

00:18:56

Man, Ohio sucks!

00:18:58

Next time, could you almost molest someone who lives in Hawaii?

00:19:01

You could be bummed out at a luau right now.

00:19:04

Let's just go home.

00:19:05

-You got a bottle opener? -Glove compartment.

00:19:09

Well, I'll be a dick sucked by a dumbshit! What do we have here?

00:19:12

Oh, that? Turns out there's a brand of heroin called BoJack.

00:19:15

Dude, that's a big freaking deal.

00:19:17

Getting a drug named after you is cooler than getting an Oscar.

00:19:20

I mean, there's Billy Crystal Meth, Angel Dustin Hoffman,

00:19:23

Lucille Eightball and now you.

00:19:25

It's a rarefied breed, man. Congratulations!

00:19:28

-Thank you? -Oh, we have to do BoJack!

00:19:30

-It's too perfect. -I don't know.

00:19:32

There's that old saying. "Liquor before beer, never fear.

00:19:34

Don't do heroin."

00:19:35

"I'm BoJack. Please, put me inside you."

00:19:38

I'm not gonna shoot heroin with you, Sarah Lynn.

00:19:41

We can snort heroin like sophisticated adults.

00:19:43

Way ahead of you.

00:19:45

[both snorting, sighing]

00:19:49

[moaning]

00:19:52

Okay, thank you. Happy Thanksgiving 2007.

00:19:56

Why did you just say what year it is?

00:19:58

I guess I just get nervous talking to network executives.

00:20:01

This last episode got the worst ratings yet.

00:20:04

I was afraid your character trying heroin would be a bridge too far.

00:20:08

-Oh. -And the disjointed blackout structure, with the one flashback in the middle, really confused our audience.

00:20:14

Yeah.

00:20:14

They hated all the fourth-wall-breaking meta jokes.

00:20:17

Of course. Audiences hate meta jokes. When will comedy writers learn?

00:20:21

BoJack, I know there is an audience out there for our show.

00:20:24

We just need to find a way to get more people to check us out.

00:20:27

I know what you're thinking-- Full frontal.

00:20:29

I was thinking guest star.

00:20:31

We need a celebrity who is incredibly popular right now, like--

00:20:34

-Oh, what about Sarah Lynn? -Ooh, that's genius!

00:20:37

Sarah Lynn? I don't know. I haven't spoken to her in years.

00:20:40

Besides, she's not gonna want to do this.

00:20:42

She's the world's biggest pop star.

00:20:44

She's the only hope we have to keep this show alive.

00:20:47

Would you ask her? I'm sure she'd do it for you.

00:20:49

You're like a father to her.

00:20:51

[screams, groans]

00:20:53

[moaning]

00:20:57

-So, what is it? -What is what?

00:20:59

You were mumbling about how you had to ask me something.

00:21:02

Oh! Um, never mind. Hey, how long have we known each other?

00:21:06

-Feels like our entire lives. -Well, my entire life, pretty much.

00:21:10

We were on a TV show. Isn't that insane?

00:21:12

Yeah, it's pretty wild.

00:21:14

You know, sometimes it feels like you're the only one who really understands me, because how could anyone else?

00:21:19

Nobody knows what we went through, nobody who wasn't on that show.

00:21:22

But we knew each other before we were anybody, and that's how we can be friends, because we're not like those other people.

00:21:28

The people who glom onto you because of who they think you are, and they think they can sleep on your couch and eat your food.

00:21:33

They think you're gonna save their agency.

00:21:35

I never asked for that kind of pressure, but you and me, we don't want anything from each other.

00:21:40

You know, I... I could never figure out what love meant, but, right now, I don't need to figure out anything.

00:21:46

I just feel it. I love you, Sarah Lynn.

00:21:50

[siren blaring in distance]

00:21:50

-Sarah Lynn?

00:21:53

-Sarah Lynn? -What?

00:21:54

-Oh, my God! Thank God you're okay! -I'm not okay. I'm bored.

00:21:58

This hotel room is boring!

00:22:00

[sighs]

00:22:00

What's on TV?

00:22:02

[gasps]

00:22:02

The Oscars are on. -Really?

00:22:05

-How long have we been on this bender? -I love the Oscars.

00:22:09

The red carpet, the fashion, all the magic of Hollywood wrapped up in one exciting night.

00:22:14

And the winner for Best Original Song is...

00:22:17

"The Silly Banana Song (Love Theme)"

00:22:20

from The Nazi Who Played Yahtzee by Sarah Lynn.

00:22:22

Get your ass up here, girl.

00:22:24

[screams]

00:22:24

I won! Oh, my God! I forgot I was even nominated.

00:22:29

I accept this on her behalf.

00:22:32

And if you're watching this, Sarah Lynn,

00:22:35

wherever you are, please come home.

00:22:40

[exhales sharply]

00:22:41

Oh, man, I should have been there.

00:22:45

When I was a kid, if you'd told me I'd win an Oscar,

00:22:48

I'd never have believed it.

00:22:50

And, now, I've done it and...

00:22:54

BoJack... I don't... like anything about me.

00:23:00

-Hey. -None of this is me.

00:23:02

These boobs aren't me.

00:23:04

-This house isn't me. -We're not at your house right now.

00:23:06

The only reason I wear this shirt is because some company paid me \$8,000 to wear it.

00:23:12

And I don't even need the money.

00:23:14

[scoffs]

00:23:14

I just liked that someone still wanted me to wear their shirt.

00:23:17

Hey, hey, hey, it's okay. Everything's gonna be okay.

00:23:19

What am I supposed to do? I don't know what to do.

00:23:22

Am I doomed? Are you doomed? Are we all doomed?

00:23:25

No, no! Calm down. Nobody is doomed.

00:23:28

And I'll tell you what we're gonna do. We're gonna go to the planetarium.

00:23:31
Really?

00:23:35
[man]

00:23:35
Our solar system formed about four and a half billion years ago...

00:23:39
-Isn't this place amazing? -Totally.

00:23:41
I always forget that there are more than just the six stars you can see in the Los Angeles sky.

00:23:45
Yeah, that's cool, too, but I meant this building.

00:23:48
It's a giant dome. Domes are so cool.

00:23:51
I prefer rectangular buildings, as I firmly established.

00:23:54
[yawns]

00:23:54
I wanna be an architect.

00:23:58
[man]

00:23:58
...be it horse, cat, human, or even lizard,

00:24:02
our lives are but the briefest flashes

00:24:04
in a universe that is billions of years old.

00:24:08
See, Sarah Lynn, we're not doomed.

00:24:10
In the great grand scheme of things, we're just tiny specks that will one day be forgotten.

00:24:16
So, it doesn't matter what we did in the past, or how we'll be remembered.

00:24:20
The only thing that matters is right now, this moment, this one spectacular moment we are sharing together.

00:24:27
Right, Sarah Lynn?

00:24:30
Sarah Lynn?

00:24:33
Sarah Lynn?

Ep 12 — That Went Well

00:00:05

[people chanting]

00:00:05

Sarah Lynn! Sarah Lynn!

00:00:08

[Sarah Lynn]

00:00:08

Okay, one more song.

00:00:10

I'm gonna slow things down.

00:00:12

-This is "My Heinie Ain't So Tiny." -

00:00:12

[slow ballad playing]

00:00:17

[music stops abruptly]

00:00:24

Sarah Lynn is very tired.

00:00:26

Can you just tell her BoJack's here? Horseman. I'm an old friend.

00:00:29

Well, I'll tell her, but...

00:00:31

[groaning]

00:00:33

[Sarah Lynn]

00:00:33

BoJack? Oh, my God! Bring him in!

00:00:37

-I can't believe you came to my concert. -It was incredible.

00:00:40

When you sang that one ballad and shot fireworks out of your boobs, that was such a moving tribute to gays in the military.

00:00:45

We are going out.

00:00:47

Before you go, I need you to sign these posters.

00:00:49

It's for charity. Doctors Without Posters.

00:00:52

Okay. BoJack, can you hang out for a minute?

00:00:54

-Yeah. I'm not going anywhere. -Also, we have those radio records, and you're doing the print ads for Sarah Lynn's Stank, the new fragrance from Kevin Kline.

00:01:00

-You mean Calvin Klein. -Kevin Kline, BoJack.

00:01:03

He's the only man who truly understands my fragrance.

00:01:05

I'll come back in 20 for those posters.

00:01:08

Oh, my God. Being famous is the worst.

00:01:11

-Ugh! Yeah, you're telling me. -No, but, like, really famous.

00:01:15

-Uh... -How can I explain it to someone like you?

00:01:17

I feel like all my friends only like me because I'm Sarah Lynn, you know.

00:01:22

-Nobody cares about Sarah Lipschitz. -Who's Sarah Lipschitz?

00:01:24

The lawyer who helped me change my name from Sarah Helmulfarb.

00:01:27

Oof!

00:01:28

It is so great to see a real friend who knew me before I got huge and isn't just trying to get something out of me.

00:01:34

Right.

00:01:35

I swear you are, like, the only one I have left.

00:01:37

I am this close to falling off the deep end.

00:01:37

[laughs]

00:01:40

I know I'm smiling right now, but the light inside me is dying.

00:01:44

Uh, what?

00:01:45

But here I am blah-blah-blah-ing about my own boring, sexy, thrilling life.

00:01:48

What is going on with you?

00:01:50

Well, actually, I'm doing this new show, The BoJack Horseman Show.

00:01:54

-I don't know if you've seen it or-- -Ugh, I'm so busy with the tour.

00:01:57

Yeah, no, of course, no, but it's been a lot of fun.

00:01:59

The ratings aren't great, but we have this upcoming episode, and we're looking for a really big guest star.

00:02:07

Oh. You want me to be on your show?

00:02:10

Well, I just thought it would be really fun for... the both of us.

00:02:16

You know, like the old days.

00:02:19

I have the script with me if you want to take a look at it.

00:02:22

Um, okay. Why don't you put it on that pile over there?

00:02:25

And I'll get to it when I have some free time.

00:02:27

-Over here? -Yeah.

00:02:29

I'd love to keep hanging out, but these doctors need their posters, and I'm already pretty exhausted.

00:02:33

You should probably go.

00:02:34

-Oh, okay. -It's all very exhausting.

00:02:37

Thanks again for coming.

00:02:38

Like I said, it's always nice to see a... you.

00:02:42

Yeah.

00:02:44

[male voice]

00:02:44

Adam Levine has tweeted his sympathies.

00:02:46

"Today we lost an icon. #SheWillBeLoved

00:02:50

#WatchTheVoiceSeason10."

00:02:52

Again, for those just joining us,

00:02:55

actress and pop star Sarah Lynn is dead at 31.

00:03:58

Day 75 at sea: there's a darkness brewing on the horizon.

00:04:02

I feel it. What say you, skippy?

00:04:06

[Todd's voice]

00:04:06

I think you got a touch of the ocean madness, Margo.

00:04:10

And I think you got a real smart mouth.

00:04:13

You want another night in the box?

00:04:15

No, anything but that!

00:04:16

Then quit your yappin' and fix Mama a Sazerac.

00:04:23

Hey, is that character actress Margo Martindale?

00:04:26

She's on the FBI's Most Wanted list

00:04:28

and the AV Club's list of 20 actresses that always make everything better.

00:04:32

-We gotta call this in, right? -That depends.

00:04:35

Are we professional blimp pilots, or are we casting directors?

00:04:38

Blimp pilots, sir.

00:04:40

Then we're not being paid to discover underutilized character actresses.

00:04:43

We're being paid to pilot this blimp.

00:04:46

Hey, Margo, do you see something out there across the water?

00:04:48

Yeah. What is that?

00:04:56

[choking]

00:04:57

[horn blaring]

00:04:58

[British accent]

00:04:58

All clear from here to Los Angeles.

00:05:01

[British accent]

00:05:01

We've hit a few delays,

00:05:02

but you'll get your precious cargo by tomorrow.

00:05:05

[Italian accent]

00:05:05

Tomorrow?

00:05:06

But the big opening of my restaurant is tonight!

00:05:08

How can I offer the real Italian cuisine without my real Italian spaghetti?

00:05:12

Spaggett' is how Italian people say "spaghetti."

00:05:14

We'll get you your pasta.

00:05:17

Better do what he says. He might have friends in the Mob.

00:05:19

"Friends in the Mob"? That is an ugly stereotype.

00:05:23

[speaking Italian]

00:05:24

You heard the man. Set this boat's controls to "faster."

00:05:28

Aye-aye, Cap'n.

00:05:32

Oh, I see how it is. Wanna play a game of chicken, huh?

00:05:36

I don't think this is a good idea, Margo.

00:05:39

Cram it, skip! Those limp dicks are about to find out what savvy film and television viewers have known for years.

00:05:45

Character actress Margo Martindale ain't afraid of nothin'!

00:05:50

The boats are about to collide! We have to do something!

00:05:54

You know damn well, when we took to the sky,

00:05:56

we made a solemn oath never to meddle in the affairs of land nor sea.

00:05:59

We are sworn but to observe.

00:06:01

This is the blimper's promise.

00:06:02

Oh, no! The boats are tearing each other apart!

00:06:06

Crates and crates of spaghetti are pouring out into the ocean!

00:06:09

I'm watching the same boat collision you are. You don't need to narrate it.

00:06:12

[screaming]

00:06:12

Oh!

00:06:14

No! Skippy! He was too pure for this world!

00:06:21

Oh, no!

00:06:23

The pasta is cooking!

00:06:26

If only we had some olive oil to reduce the stickiness.

00:06:29

But olive oil doesn't actually reduce the stickiness in pasta.

00:06:33

That's only a myth.

00:06:35

No! I've wasted so much of my life stirring olive oil into pasta!

00:06:44

Disaster al dente off the coast of San Clemente!

00:06:48

Twelve tons of pasta have leaked into the ocean,

00:06:50

and the massive carbo load is heading straight to Pacific Ocean City.

00:06:55

[screaming]

00:06:57

Joining us via Google Hangout

00:06:59

is spaghetti scientist Carla Hall.

00:07:01

-What can you tell us, Carla? -Well, Tom, as the spaghetti cooks,

00:07:04
it will expand, smothering the town

00:07:07
and tenderly broiling the sea life who reside there.

00:07:10
Is there any way to prevent this delicious-sounding environmental catastrophe?

00:07:14
The only hope for rescue would be

00:07:16
if someone had an enormous quantity of spaghetti strainers

00:07:19
just sitting around the house,

00:07:20
but that person would also need access to a fleet of drivers to transport said spaghetti strainers, and in order to strain the spaghetti fast enough, the drivers would also need to be incredibly strong swimmers, like, just as an example, hot, sexy killer whales.

00:07:34
Is there such a savior who could possibly fit that ridiculously specific set of criteria?

00:07:39
I don't know, Tom, but as they used to say on my favorite TV show, let's find out.

00:07:46
A movie, during the day? Dare I?

00:07:50
One for Secretariat, please!

00:07:53
[barks]

00:07:53
-Thank you.

00:07:54
And, now, to turn my phone off.

00:07:56
If anyone needs me in the next two hours, they'll just have to wait.

00:08:00
[Tom on TV]

00:08:00
This tragedy truly puts the "no" into noodle,

00:08:03
the "ruh-roh" in rotelli, and the "oh, man" in manicotti.

00:08:08
Damn it, Randy. Just pick your best one.

00:08:10
-What's going on? -You didn't hear?

00:08:12
They need spaghetti strainers stat, or it's "pasta la vista" for Pacific Ocean City.

00:08:17
-Oh, no! -

00:08:17
[crowd screaming]

00:08:19
[dramatic music playing]

00:08:20
Come on, come on, come on! Pick up, Mr. Peanutbutter!

00:08:24
- Hello? -Oh! Mr. Peanutbutter, we need--

00:08:26
You've reached the voicemail of Mr. Peanutbutter.

00:08:28
No!

00:08:29
[BoJack]

00:08:29
I'm not just running for me. I'm running for America.

00:08:34

Oh-ho-ho!

00:08:36
Cabracadabblers, to Mr. Peanutbutter's house!

00:08:39
Mr. Peanutbutter's House the show, or Mr. Peanutbutter's house the house?

00:08:43
The house. Obviously, the house.

00:08:47
[dramatic music playing]

00:08:49
Wow, that was a good movie.

00:08:51
Was it Oscar-worthy? Who's to say?

00:08:54
Ninety-eight messages? Better listen to them all, in order.

00:08:57
[Todd]

00:08:57
Mr. Peanutbutter, call me back as soon as you get this, okay?

00:08:59
We need your strainers. This is life and death.

00:09:01
-Oh, my God! -

00:09:01
[Todd]

00:09:01
Mr. Peanutbutter,

00:09:03
I'm at your house with the entire Cabracadabra fleet, but we can't get in!

00:09:08
You need to get over here!

00:09:09
It's a spaghetti-strainer-related emergency.

00:09:12
All right, buddy, just as soon as I listen to these other 96 messages.

00:09:15
[man]

00:09:15
Good afternoon, I'm calling from Center Theater Group.

00:09:17
You saw a play once eight years ago.

00:09:19
I wonder if I could interest you in a full season subscription--

00:09:22
Oh, I don't have time for this!

00:09:22
[grunts]

00:09:24
[rock music playing]

00:09:25
If we don't get some kind of miracle--

00:09:27
Wait! In the distance! Is that--?

00:09:29
No, it can't be!

00:09:33
Spaghetti or not, here I come.

00:09:39
[studio audience laughing]

00:09:41
Uh-oh! Uh-oh!

00:09:42
Sabrina, I'm coming down for my birthday surprise!

00:09:46
Oh, no!

00:09:48

Well, I've heard of pasta point of no return,

00:09:51

but this is ridiculous!

00:09:53

[studio audience laughing]

00:09:53

[groans]

00:09:55

Why didn't you just tell me you made too much spaghetti?

00:09:58

I thought if you knew I made a big mess that you wouldn't love me anymore.

00:10:03

[audience]

00:10:03

Aw! -Sabrina, that's not going to happen.

00:10:05

We're a family now, no matter what, and I will always be there for you.

00:10:10

Okay.

00:10:11

[grunts]

00:10:12

Now, get in that kitchen and eat all that spaghetti.

00:10:15

I gotta eat all that? That's too much, man!

00:10:18

[studio audience applauds]

00:10:21

I never understood why the Horsin' Around house

00:10:23

-had two sets of stairs. -What?

00:10:25

One in the living room and one in the kitchen. Why?

00:10:28

Have you ever been in a house like that?

00:10:30

-What are you doing here? -You didn't answer your phone.

00:10:32

I was worried about you.

00:10:33

[takes deep breath]

00:10:36

The funeral was huge. There were so many people there.

00:10:39

I kept thinking, "I did this to her," and everyone was just standing around like, "Well, this was bound to happen," but... it wasn't bound to happen.

00:10:47

I'm really sorry, BoJack.

00:10:50

I don't know how to be, Diane.

00:10:51

It doesn't get better and it doesn't get easier.

00:10:53

I can't keep lying to myself, saying "I'm gonna change." I'm poison.

00:10:56

-BoJack-- -I come from poison.

00:10:58

I have poison inside me, and I destroy everything I touch.

00:11:01

That's my legacy.

00:11:03

I have nothing to show for the life that I've lived, and I have nobody in my life who's better off for having known me.

00:11:08

-That isn't true. -Isn't it, though?

00:11:10

[sighs]

00:11:12

When I was a kid, I used to watch you on TV.

00:11:15

And you know I didn't have the best family.

00:11:18

Things weren't that great for me.

00:11:20

But, for half an hour every week, I got to watch this show about four people who had nobody, who came together and became a family.

00:11:29

And, for half an hour every week, I had a home, and it helped me survive.

00:11:35

BoJack, there are millions of people who are better off for having known you.

00:11:42

Why did you never tell me that?

00:11:43

I guess to preserve some fiction of journalistic objectivity.

00:11:47

-Like that's a thing. -I know you don't want to hear this, but you're too good to be writing Instagram captions for celebrities.

00:11:52

-I'm not just-- -I'm sorry, but you are.

00:11:54

-You know you are. -Okay. Thank you.

00:11:57

And I wish you didn't get so distant after you moved out.

00:12:00

-I'm sorry. -You know me better than anybody, and you can't not be a part of my life.

00:12:11

Tools! This is Brad.

00:12:12

-I want to do Ethan Around. -Oh, very funny.

00:12:14

Is this Jeff from Hammers and More?

00:12:16

-No, it's me, BoJack Horseman. -Wait, really?

00:12:19

Yeah. I think now more than ever people need shows like Horsin' Around.

00:12:22

I... need a show like Horsin' Around.

00:12:25

Okay, but this isn't like last time, is it?

00:12:28

Where you say you want to do it, but then, I find out you don't actually want to do it, and then, your mean publicist yells at me?

00:12:34

And, at the airport, on the way home, I get one of those big pretzels, but then, I drop the pretzel on the ground, and it gets eaten by a ant?

00:12:40

What? No.

00:12:41

You won't regret this, BoJack.

00:12:44

Attention, customers! Please leave and never come back.

00:12:47

Tools! is closed forever. I'm going Hollywoo!

00:12:50

[gasps]

00:12:53

Please, please! I'm no hero.

00:12:55
I'm just a guy with some bowls full of holes.

00:12:58
Thanks again.

00:12:59
It's funny. You help out at one disaster area, and, suddenly, everybody loves you, unless you're Sean Penn.

00:13:04
Great PR for Cabracadabra, too.

00:13:06
Yeah, you can't buy that kind of press, and you can buy most kinds of press.

00:13:10
I hope some of that press makes its way to this reader because she is not a fan of Cabracadabra.

00:13:15
-She hates it. -I don't hate Cabracadabra.

00:13:19
I just think it objectifies women and contributes to a cheap and damaging culture of sexist commodification that undercuts the exact reason it was started in the first place.

00:13:27
But, you know, everything does that.

00:13:28
Cosmo does that. Kids' movies, athletic gear... statues.

00:13:33
Yes, but this objectification of women ended up saving lots of lives, many of whom were also women, so, therefore, not sexist?

00:13:41
I can't argue with that.

00:13:43
Well, the good news is, you don't have to anymore, because I'm selling the company!

00:13:47
[both]

00:13:47
Oh!

00:13:48
You know, it's really too bad you shut down the agency, because, if you could've held out for just a couple more months, right now, Vim would be rolling in money.

00:13:55
I'm really happy for you, but I'm actually enjoying my time off.

00:13:59
Ralph and I went on vacation.

00:14:01
Can you believe this one had never been to Cairo?

00:14:03
Those Egyptians really know how to treat a cat.

00:14:05
And what do you do, Ralph, that you can just hop on a plane to Cairo?

00:14:09
Well, I own and operate my own greeting card company, but everywhere I go, I have a free room.

00:14:13
-Oh, because you're a mouse? -What? No.

00:14:16
-Because I'm a Stilton. -Oh, my God! Like Stilton hotels?

00:14:20
[ringtone playing]

00:14:20
-I gotta take this. It's my new agent.

00:14:22
-Hello? -So, anyway--

00:14:24
[Mr. Peanutbutter]

00:14:24
Another offer? That's incredible!

00:14:26
-Ralph and I-- -They want to pay me how much?

00:14:28
That is a lot of zeroes. Sign me up.

00:14:28
[laughing]

00:14:30
What is he doing? You never take the first offer.

00:14:32
[clears throat]

00:14:32
Hey, Diane, what have you been up to?

00:14:34
Well, I'm just weighing my options.

00:14:36
-I don't want to just jump into my next-- -You know what you should do?

00:14:39
Ralph's sister Stefani is starting a new website.

00:14:42
It's a feminism/lifestyle/celebrity blog/ newsletter/community hub, and she's looking for a partner/editor/ "bomb-ass super bitch," her words.

00:14:52
You'd be perfect for it. I'll set a meeting.

00:14:54
Yeah, that could be cool. Why don't you give her my info?

00:14:57
No, no. I'll just set a meeting. It's easy. I'm not doing anything else.

00:15:01
-Except enjoying your time off, right? -Right.

00:15:03
Wow, another amazing offer!

00:15:06
It's like everywhere I look, money, money, money!

00:15:08
Even ten percent of this would be quite a windfall.

00:15:10
[groans]

00:15:15
-I like your friends. -Yeah.

00:15:17
And I like this.

00:15:18
[both]

00:15:18
Mwah!

00:15:19
-This is working. -I like it, too.

00:15:21
That was smart of you to think of Diane for GirlCrush.

00:15:23
You're always making great connections.

00:15:24
That's probably why you were such a good manager.

00:15:26
-I wasn't a manager. I was an agent. -Oh, right. Sorry.

00:15:29
Well, whatever it was, I'm glad that it's over, because I don't want to share you with anybody.

00:15:33
Oh, my God! Maybe that was the problem!

00:15:35
-Maybe what was the problem? -All this time, I thought I was an agent, but what if what I was really supposed to be was a manager?

00:15:42

-What's the difference? -It's a completely different line of work.

00:15:44

An agent helps a client find jobs, but a manager helps manage a client's career.

00:15:49

-It sounds exactly the same. -I think I'm having an epiphany.

00:15:52

It's like I've been wearing the wrong bra size this whole time.

00:15:54

Okay, if this is the thing that'll make you happy, then I totally support you, but it kind of sounds like you're just going back to the same sort of job that made you miserable for the last 20 years.

00:16:04

No, Ralph. Don't you get it? This is a new beginning.

00:16:07

-I'm gonna be a manager! -Oh...

00:16:12

-Wow. -Takes you back, doesn't it?

00:16:14

Listen, before everyone gets here tomorrow,

00:16:16

I have a couple notes on the script.

00:16:17

Too many "yowza-yowza bo-bowzas," or not enough?

00:16:20

No. On page 18,

00:16:22

Ethan and the Horse try to get Julia to put on the roller skates, and she runs out of the room crying, and then, the Horse says, "That went well."

00:16:28

-Anything about that feel weird to you? -No, see, the Horse is being sarcastic.

00:16:32

It didn't go well. So, when the Horse says, "That went well," it's funny.

00:16:35

-Dramatic irony. -No, I get the irony.

00:16:37

That's not the issue. This is a guaranteed laugh.

00:16:40

-You're giving me the cut to commercial. -And that's a problem for you?

00:16:43

This is Ethan Around. It's your show, and we need to tell the audience that.

00:16:47

-You can't give all the best jokes to me. -I don't know, BoJack.

00:16:50

You really think I'm ready for a "That went well"?

00:16:53

-You tell me. Let's hear it. -That went well!

00:16:55

You're pushing too hard. The line's funny. Trust the line.

00:16:58

-That went well. -Great. Now let me hear you throw it away.

00:17:00

-Oh, like a-- That went well. -Yes, that was great!

00:17:03

And that was a great look, with the eyebrow.

00:17:05

-What if we both did that? -Yeah, yeah.

00:17:07

I'm looking at you like,

00:17:08

"This parenting thing is gonna be harder than I thought," and you're looking at me like, "Now you see what I had to go through."

00:17:14

-Exactly. Let's try it. -Well, that went well.

00:17:16

[both]

00:17:16

Hmm...

00:17:17

-Oh, my God. Chills. -Yeah, you feel that?

00:17:20

-Yeah. -Now that's how you cut to commercial.

00:17:22

That actually went well.

00:17:23

[sitcom music playing]

00:17:28

This place has really gone downhill since they got that new chef.

00:17:31

As I was saying, I don't think the site needs to be just one thing.

00:17:34

I think it can be a big umbrella, but, like, also not an umbrella.

00:17:37

That's GirlCroosh.

00:17:39

Sorry, did you say "croosh"?

00:17:40

Oh, you do not need to apologize here, Diane.

00:17:43

"Sorry" is a crutch and "crutch" is an ableist term.

00:17:47

I'm sorry if that shocks you, but I will not apologize for it.

00:17:49

So, can I ask what the business model is here?

00:17:51

Diane, I'm rich. I'm not doing this to make money.

00:17:55

I'm doing this to make connections with real women and extend my personal brand as a real down-to-earth chica who cares about real women.

00:18:01

Well, you know what's great about that is, if you're not beholden to ad revenue, your writers can--

00:18:05

Yes! That is exactly the idea, whatever you were about to say.

00:18:08

I want to give you a real support system, because, honestly, Diane, what you do is so croosh.

00:18:16

That shit you said about Hank Hippopopolous last year was supernova red hot badass.

00:18:20

It wasn't even on fleek. Fleek was on it.

00:18:24

-Thank you. -One thing though. Is anything off limits?

00:18:26

Like, if you had to write a piece about your husband, could you do it?

00:18:30

-Why would I have to do that? -I don't know.

00:18:32

Because his company is basically Hooters on wheels?

00:18:35

-He's actually selling that company. -Well, he's still a public figure.

00:18:38

What if Mr. Peanutbutter does something problematic and you have a real hot take?

00:18:41
If I have a problem with my husband, I'm gonna talk to him about it directly.

00:18:44
Okay, so what if you did that and he didn't listen, and you knew that, as much as you love him and as much as he loves you, he's never gonna get it?

00:18:54
And meanwhile, you also knew that all your readers looked up to you and wanted to read your opinion?

00:19:00
Would you write about it then?

00:19:03
-You got the job? -I got the job!

00:19:05
Oh, my God! Can you believe it?

00:19:07
In the same week, I sell a company for millions of dollars and you get a job writing for a blog.

00:19:12
When it rains, it pours, huh?

00:19:17
And over here is where you can keep all of your receipts, in your leaning tower of receipts.

00:19:24
I think my client can handle it from here.

00:19:27
This meeting is just to give you and the other former partners your money.

00:19:31
-Sign here. -Okay.

00:19:34
And here's your check. That's all this needed to be.

00:19:36
Whoa!

00:19:38
This is for eight million dollars.

00:19:40
Well, you are a one-third owner. What did you expect?

00:19:43
Todd, as a millionaire? That'll lead to some interesting stories.

00:19:47
What an exciting development. How's that gonna change the dynamic?

00:19:51
-I guess we're gonna find out, right? -You can leave now.

00:19:54
Hooray! Todd's in the one percent.

00:19:58
Oh, uh...

00:19:59
-Hey. -Hi.

00:20:03
[studio audience laughing]

00:20:04
Julia, this ice cream is only for girls who try on their roller skates.

00:20:10
-So, what do you say? -Uh, I'm gonna swipe left on that idea.

00:20:14
[audience laughing]

00:20:14
-Cut! We got a lighting issue.

00:20:17
-What? I'll be in my trailer. -

00:20:17
[audience laughing]

00:20:21

-Hey, Chloe, that was really funny. -Thanks.

00:20:23
-Are you having fun? -Mm-hmm.

00:20:24
-You got any friends in the audience? -No friends, but my mommy and my daddy.

00:20:29
Oh. You want to know a secret about your mommy and daddy?

00:20:32
-What? -They are really proud of you.

00:20:35
Oh, I know that.

00:20:36
What do you want to be when you grow up, Chloe?

00:20:39
What do you mean? I want to be like you.

00:20:42
-Like me? -I want to be famous.

00:20:45
Oh, no.

00:20:46
-BoJack? -

00:20:46
[stammering]

00:20:46
Oh, God.

00:20:49
-Is everything okay? -I can't be here.

00:20:52
I can't do this again. This isn't right.

00:20:54
-What do you mean? -I need to go.

00:20:55
We need to shoot the rest of this episode.

00:20:57
I'm sorry. I just-- I don't belong here.

00:20:59
Where are you going?

00:21:02
I don't know.

00:21:06
["Stars" playing]

00:21:28
So, what are you gonna do with your eight million dollars?

00:21:32
First, I'm gonna get a really fancy hat, like, really fancy.

00:21:36
Then, I'm gonna get a T-shirt that says, "Hey, look at my hat."

00:21:39
[both laugh]

00:21:39
-What about you?

00:21:41
I've always wanted to go to a super nice restaurant and order everything on the menu.

00:21:45
Oh, yeah! That's, like, first day millionaire stuff.

00:21:48
We should go sometime, together.

00:21:51
-Todd, can I ask you something? -Of course.

00:21:54
What's your deal?

00:21:56
I feel like you like me, but you don't like me, but you like me, and I don't know what that is.

00:22:00
Are you gay?

00:22:02

-Whoa. Why would you even--? -You can tell me if you're gay. It's fine.

00:22:05

This isn't the 1600s, or some places in the present.

00:22:08

I'm not gay. I mean, I don't think I am, but... I don't think I'm straight, either.

00:22:16

I don't know what I am.

00:22:18

I think I might be nothing.

00:22:20

-Oh. Well, that's okay. -Yeah?

00:22:23

Yeah, of course.

00:22:26

[Southern accent]

00:22:26

Thank you so much.

00:22:30

Oh, crap! I accidentally tipped the waitress eight million dollars!

00:22:33

Well, guess I'm broke again.

00:22:35

[both laughing]

00:22:47

[doorbell rings]

00:22:47

-Who could that be?

00:22:49

Pizza?

00:22:51

Katrina, you're not pizza.

00:22:53

Ugh. This fight again?

00:22:55

Listen, butt-sniffer, I work for a guy and we're looking for a guy.

00:22:58

You're supposed to be this big hero now, so someone brought your name up in a meeting, and, now, I have an opportunity for you.

00:23:04

Oh, is it being married to you again? Because I'd rather get euthanized.

00:23:08

Spoiler alert from Marley & Me.

00:23:09

That wasn't a spoiler until you said the name of the movie.

00:23:12

If you've got a gig for me, you can go through my new manager.

00:23:14

Oh, I'm not talking about a gig.

00:23:17

Then what are you talking about? Oh, my God, this is so classic Katrina!

00:23:22

How would you like to be the governor?

00:23:25

Whoa.

00:23:26

-Of California? -Yes, of California.

00:23:28

[Diane]

00:23:28

Who's at the door? Is it pizza?

00:23:31

[phone ringing, faintly]

00:23:31

[sighs]

00:23:34

Welcome back. Your first meeting's at 10:00, and you have a lunch at 11:30.

00:23:37

-Thank you, Judah. -Also, I have someone on line two trying to get in touch with BoJack Horseman.

00:23:40

I have no idea how she got this number. It sounds like it's a teenage girl.

00:23:44

Tell her I don't work for BoJack.

00:23:46

Mm-hmm. I'm sorry. We can't help you.
