Ep 1 — See Mr. Peanutbutter Run

00:00:06

[man]

00:00:06

So you said let's do the show about the horse,

00:00:08

-but this time without the horse. -

00:00:08

[woman]

00:00:08

I know, I'm sorry.

00:00:11

[man]

00:00:11

And I said, "That's a terrible idea."

00:00:13

And you said, "I got someone even better." I got...

00:00:15

-What's this asshole's name again? -Vincent D'Onofrio.

00:00:19

-And here we are. -

00:00:19

[director]

00:00:19

Okay. Action!

00:00:23

Hey, Zoe. Hey, Zelda.

00:00:26

-I forgot my boombox. -And your deodorant.

00:00:29

-Pee-yew, mister. -

00:00:29

[audience laughs]

00:00:31

-Zoe, that's no way to get adopted. -Adopted, by me?

00:00:35

Children, I'm a single breakdancing instructor who can barely take care of himself.

00:00:39

Plus, I'm too rad to be a dad.

00:00:43

[rhythmic grunting]

00:00:43

Ooh!

00:00:44

And shake it up. Hah!

00:00:47

[man coughs]

00:00:47

-Cut!

00:00:48

[klaxon blares]

00:00:49

It's fine, Katrina. If I didn't randomly wander into doors all the time,

00:00:54

I never would have ended up co-piloting the very plane that brought me to Los Angeles.

00:00:58

Excuse me, didn't you see the flashing red light outside the door?

00:01:01

Of course. That's why I stopped... what I was doing to come inside.

00:01:06

[laughing]

00:01:07

Ooh, are you filming a sitcom? I love sitcoms!

00:01:10

You should have a character say, "Talk to the hand."

00:01:13

[laughter]

00:01:13

The hand! Not the face, where the ears are.

00:01:16

-Newsflash: hands can't hear. -

00:01:16

[laughter and applause]

00:01:18

What do you mean the character needs to be more likable?

00:01:21

They don't teach likability at the American Stanislavski Theatre.

00:01:24

Look, this is not about your acting.

00:01:25

You don't want an actor, you want a blank canvas upon which to project your own mawkish notions of goodness.

00:01:32

Some man for all seasons up for a bit of anything-- cheerful, optimistic, indomitable.

00:01:37

I assure you no such man exists.

00:01:40

But you're welcome to keep looking.

00:01:43

This D'Onofrio has had enoughfrio.

00:01:45

-Hah hah! -Hmm.

00:01:46

But my favorite scenes are when a character is completely oblivious to something really important going on behind him.

00:01:53

That, dear friends, is where the sit truly hits the com.

00:01:56

-Excuse me. -Kind of in the middle of something.

00:01:58

-He's yakking away, tension's building... -Hey, you, sir.

00:02:00

...the audience is like, "Hey, turn around."

00:02:02

Maybe the person behind him even interrupts him--

00:02:04

-Can we talk to you for a second? -Just like that.

00:02:06

And then, when it would be ridiculous to go on even one second longer...

00:02:10

-My name is David Chase. -Do you mind?

00:02:12

Only then does he say, exasperated,

00:02:15

"What? What do you want?"

00:02:17

I want your face on billboards, you beautiful nonsensical clown prince.

00:02:20

-Doggie-doggie what now? -

00:02:20

[laughter and applause]

00:02:24

Kid, how'd you like to be the star of "Untitled Horsin' Around Knockoff"?

00:02:29

Me, a star? But I have no experience, no formal training.

00:02:33

Hey, you, you don't need any of those things.

00:02:36

You got "it."

00:02:39

Ohh...

00:02:41

[theme music playing]

00:03:37

[Diane]

00:03:37

Hey, BoJack, it's me again.

00:03:40

[yawns]

00:03:40

Hmm?

00:03:40

[groans]

00:03:42

I haven't heard from you in, like, three months,

00:03:44

so I'm calling again to make sure you're okay.

00:03:48

[overlapping chatter]

00:03:50

What's new with me?

00:03:51

Well...

00:03:52

Monocle? No, I think you're thinking of Mr. Peanut.

00:03:56

[Diane]

00:03:56

I don't know if you heard

00:03:58

but Mr. Peanutbutter is running for governor, kind of.

00:04:00

I want a comprehensive crisscross of cold calls to Contra Costa County.

00:04:04

I mean, Christ, people, get me signatures.

00:04:06

First, they need to get Woodchuck Coodchuck-Berkowitz recalled,

00:04:09

which is basically impossible.

00:04:11

So that actually makes it really easy for me to be supportive.

00:04:13

[smooching]

00:04:13

[chuckles]

00:04:15

-How's the recall effort? -Stupendous!

00:04:17

Uh, no. We're about 4,000 signatures shy of stupendous, and the deadline's in a week.

00:04:22

Even if you don't get all the signatures, I'll still be proud of you.

00:04:26

Maybe even more so.

00:04:26

But when we do get the signatures we need--

00:04:29

-please note I said "when," not "if"... -Noted.

00:04:31

...then the campaign will begin in... oh, where did you say again, Katrina?

00:04:35

Earnest. When we get the signatures, the campaign will begin in earnest.

00:04:38

Right. Earnest, California.

00:04:40

Earnest is not a city in Cal-- Why do I try?

00:04:43

Looks like you two have everything worked out.

00:04:45

Just please note that I am being supportive.

00:04:48

Noted!

00:04:49

[Diane]

00:04:49

Most women wouldn't like having their husband's ex-wife

00:04:51

hanging around all the time, but I'm totally cool with it

00:04:53

because she makes me look super chill by comparison.

00:04:56

Oh, uh-- okay.

00:04:58

Anyway, call me back.

00:05:00

This is Diane, by the way. Nguyen, obviously.

00:05:06

You sure you wouldn't rather just play a governor in a movie or TV show?

00:05:09

I could attach Tommy Schlamme to direct.

00:05:11

Tommy Schlamme, shmommy Schlamme.

00:05:14

This is bigger than all that. Don't you recall?

00:05:16

-Recall what? -The governor. We need signatures.

00:05:19

Oh, sure. Where do you stand on the issues?

00:05:21

Oh, he doesn't stand anywhere on issues because he's not running for governor yet.

00:05:25

I'm mainly for people right now and also for the future.

00:05:29

[groans]

00:05:29

Listen, I'm not feeling so hot.

00:05:32

Why don't you go get signatures downstairs.

00:05:34

Jennifer Garner's in the lobby. She'll sign on to anything.

00:05:37

Judah! Can I get your John Wilkes Hancock?

00:05:40

Oh, I never developed a signature. I find them unnecessarily ostentatious.

00:05:43

But I can print my name legibly.

00:05:45

Thank you, Rain Man-bun. That'll do nicely.

00:05:47

-Okay. -

00:05:47

[groaning]

00:05:50

Ralph dropped this off for you.

00:05:51

"I always make a beeline to see my feline." Aww!

00:05:57

Also, you wanted me to remind you about FX's American Dead Girl miniseries.

00:06:01
Oh, that's right! What train wreck are we rubbernecking at this year?

00:06:05
They're doing the Sarah Lynn story

00:06:06
and they're looking for someone to play BoJack.

00:06:09
Oh!

00:06:09
[retching, coughing]

00:06:12
Well, as I was saying, FX is looking for a BoJack Horseman--

00:06:15
[retching, clearing throat]

00:06:15
Ugh!

00:06:17
-Horseman-- Ho-- -

00:06:17
[retching]

00:06:19
[moaning]

00:06:19
-So, as we discussed earlier, is this one of the moments where you would want privacy?

00:06:27
You know what I'd do if I had eight million dollars?

00:06:30
-Yeah, you'd give it to the waitress. -Oh, no, no, no.

00:06:32
I mean, if I had eight million dollars now,

00:06:35
I'd start a company that makes remote-controlled drones.

00:06:38
But these drones have a seat hanging from the bottom so you can fly around in it.

00:06:43
A drone with a throne. A drone throne.

00:06:47
But if you're in it, isn't it not a drone?

00:06:50
I feel like you're getting really hung up on labels.

00:06:53
Well, anyways, with my eight million dollars

00:06:55
I'm starting a new dating app just for firemen and redheaded women named Emily.

00:07:00
Aww, you don't need an app, just hang out with me.

00:07:03
Todd, you're great.

00:07:05
What a way to end a sentence.

00:07:06
But I want a boyfriend who isn't asexual.

00:07:10
Whoa. Why did you call me that?

00:07:12
No, no, it's not bad. I didn't mean it negatively.

00:07:14
-I was just, like, stating it. -I'm not-- that word doesn't describe--

00:07:18
Okay, okay, I'm sorry, whatever you call yourself, you're my friend and I support you.

00:07:23
But sometimes labels can be helpful.

00:07:26

Wow. Well, I would label this conversation "rough".

00:07:30
Here's the check.

00:07:32
And this cow likes getting tipped.

00:07:38
[Diane]

00:07:38
Hey, BoJack, it's me again, voicemail number 17.

00:07:41
Did I tell you I'm working at a blog?

00:07:43
I wrote a story about an all-girl refugee kickball league.

00:07:45
It didn't get as many clicks as Gillian's story about how in certain pictures

00:07:48
you can see the outline of Chris Hemsworth's penis

00:07:50
but, you know, we're all contributing in our own ways.

00:07:52
Anyway, it's weird not having you around.

00:07:55
I hope you're okay, wherever you are.

00:08:02
"I'm so smitten with my favorite little adult cat."

00:08:07
Oh! I love it.

00:08:08
I'm sorry I couldn't make it to the Paul Blart 3: Till Death Do Us Blart premiere last night.

00:08:13
I had a doctor's appointment.

00:08:14
-Whoa. Is everything okay? -Yeah, yeah, it's fine.

00:08:17
I don't like not knowing where you are, especially when we live three freeways and an unprotected left turn away from each other.

00:08:22
I was thinking, what if you move somewhere closer to me, like into my house?

00:08:27
Oh.

00:08:27
[stammers]

00:08:27
Wow!

00:08:28
Would you, could you, with a mouse?

00:08:31
I-- I could, and I would, but it's not a good time.

00:08:34
Oh, okay.

00:08:35
-I'm sorry. -No, no, it's fine. There's no hurry.

00:08:38
-We're still young, right? -Oh, yeah, I'm super young.

00:08:41
Blake Lively accidentally called me Mommy yesterday, but I'm sure she does that to other young women all the time.

00:08:48
[moaning, slurping]

00:08:51
[doorbell rings]

00:08:52
[gasps]

00:08:52
Churro-flavored waffles!

00:08:54
[doorbell ringing]
00:08:54
-Huh?
00:08:57
[gasps]
00:09:01
Drone Throne.
00:09:04
Whoa, whoa!
00:09:06
Okay, Todd. Whoa!
00:09:08
Oh, God, today's the day.
00:09:10
I haven't been this nervous since Diane was vacuuming during a thunderstorm on the Fourth of July,
00:09:13
I had to take a bath, and there was a stranger in our yard.
00:09:16
There's no need to be nervous, or calm for that matter because you've already lost.
00:09:20
We're 1,600 signatures short and the clock runs out at 9:00 AM.
00:09:23
So it's gonna take a miracle, huh?
00:09:25
[buzzer blaring]
00:09:26
Oh, no! It's over.
00:09:28
Everyone can get out of my house now.
00:09:31
Ooh, tough break, kid. We're all in shock.
00:09:33
McG! Are you still looking for a star for your transgender Teddy Roosevelt Planes, Trains and Automobiles reboot,
00:09:39
Plans, Trans, A Man, A Canal, Panama?
00:09:41
Because someone just became available.
00:09:42
Whoa! Whoa!
00:09:44
I don't understand what happened.
00:09:46
Let me put it in terms your dumb dog brain can comprehend.
00:09:49
All your life people have been throwing you bones because they like you, but everyone has a ceiling to their likability.
00:09:56
This is a bone you can't have, because people just don't like you enough.
00:10:03
-I'm sorry, Mr. Peanutbutter. -You know, it's funny.
00:10:06
Personally I like Woodchuck and he's a fine governor, but for some reason, even though I have zero qualifications,
00:10:12
I honestly thought I would have made an even better governor.
00:10:15
-Well, what matters is you tried. -But I would have been good, right?
00:10:18
Now that there's no chance you will ever be governor,
00:10:21
I can tell you honestly...
00:10:23

-Yes. You would have been great. -
00:10:23
[chuckles]
00:10:26
Stop. But seriously, though, elaborate.
00:10:28
You care about people, you follow your heart.
00:10:31
Those are important qualities you should never give up on.
00:10:34
So what you're saying is I shouldn't give up?
00:10:36
-On those qualities. -Yeah. Never concede.
00:10:38
-Stick it out, stay in the race. -Uh-- no--
00:10:41
Uh, maybe we should get Katrina's two cents on this.
00:10:43
-Katrina? -Race. That's it, Diane!
00:10:45
You diabolical Thin Mint.
00:10:47
You, and only you, are responsible for the great thing I am about to do.
00:10:52
Katrina?
00:10:54
[applause]
00:10:54
[deep breath]
00:10:57
Thank you, thank you.
00:10:58
Moments ago I found myself in what seemed to be a no-win situation.
00:11:02
But it turns out it was a "Nguyen situation."
00:11:05
I'm referring of course to my supportive wife Diane Nguyen,
00:11:09
-who told me to never give up! -
00:11:09
[groans]
00:11:12
And that's why I am challenging Woodchuck Coodchuck-Berkowitz
00:11:16
-to a ski race down Devil's Mountain. -What?
00:11:19
No more petitions or fancy ballot initiatives, just a mano a mano, no-holds-barred slippery slalom down an ice-covered peak.
00:11:26
Winner gets to be governor, loser goes home.
00:11:29
Your move, Governor. Mic drop!
00:11:31
[feedback squeal]
00:11:31
[cheers and applause]
00:11:33
-Aaah! -
00:11:33
[cheering]
00:11:35
[Woodchuck]
00:11:35
What the hell is he talking about?
00:11:37

It sounds like he's challenging you to a ski race down Devil's Mountain.

00:11:41

What an absurd conceit. Do I even need to respond to this?

00:11:44

No, sir.

00:11:45

Because I'd rather focus on my drought relief optimization using geohydration technology, or DROUGHT plan.

00:11:53

If I know anything, this story will go away in a couple of days.

00:11:58

Now Mr. Peanutbutter, you challenged Woodchuck to a ski race a month ago.

00:12:03

Not just any ski race, a high-stakes dash down Devil's Mountain

00:12:06

-for the governorship itself. -But still no comment from the governor.

00:12:09

Why won't he race you? That's what I want to know.

00:12:11

You and me both, friendo.

00:12:13

But this isn't an us-ocracy, it's a dem-ocracy.

00:12:17

[audience]

00:12:17

Ooh! -So let's ask "dem" what "dey" think.

00:12:19

[cheers and applause]

00:12:19

-Any questions for the governor, folks?

00:12:22

[audience chants]

00:12:22

Why won't Woodchuck race?

00:12:25

So, to be clear, my DROUGHT plan is actually a drought relief plan.

00:12:30

I see now how that's confusing. Any other questions?

00:12:33

Are you going to race Mr. Peanutbutter?

00:12:34

Any questions about the DROUGHT plan?

00:12:38

To ski or not to ski?

00:12:40

That was the question posed by William Shakespeare

00:12:43

and it's perhaps even more relevant today.

00:12:45

Of course, there are reasons why a gubernatorial election

00:12:48

should not be decided by a ski race,

00:12:50

but are there also reasons why it should?

00:12:53

For the sake of "fairness"

00:12:54

we've brought in two experts with opposite opinions

00:12:57

who will now have equal time to just say those opinions

00:12:59

because that's what news is.

00:13:02

You think they'll really race down Devil's Mountain?

00:13:04

What do I care? As long as I've got my giant bag of kettle corn, that's the only thing that concerns me.

00:13:10

[Todd grunts]

00:13:10

[gasps]

00:13:11

-What the? -Drone Throne strikes again! Ha ha!

00:13:14

Get back here with my kettle corn!

00:13:16

You can't call it a drone if you're riding on it.

00:13:18

Suckers! Hooray!

00:13:20

Ha ha! Oh-- oh, no!

00:13:23

Aw, man.

00:13:24

I was hoisted by my own petard, the one petard I thought would never hoist me.

00:13:31

[Woodchuck]

00:13:31

Unprecedented poppycock.

00:13:33

This poppycock has no precedent.

00:13:35

Maybe it's time to make a statement.

00:13:38

Madeline, no.

00:13:40

This outlandish buffoonery is beneath the office of the governor.

00:13:42

I can't defile the legacy of my predecessors who built the Golden Gate Bridge, irrigated the Central Valley, and played Mr. Freeze in a Batman movie.

00:13:51

Can't you see this thing is eating you alive?

00:13:54

Do it for us, Woodcharles. Do it for us.

00:13:58

[groans]

00:14:00

And so this ski race would be both undemocratic and unconstitutional, which is why I will not be racing Mr. Peanutbutter down Devil's Mountain.

00:14:10

What if the state constitution were changed to allow it?

00:14:13

-Then would you race Mr. Peanutbutter? -I...

00:14:13

[sighs]

00:14:17

Fine. If a state senator wanted to waste everybody's time by sponsoring an amendment to the constitution, and the motion got two-thirds majority in both houses so as to allow a democratically-elected governor to accept a ski race challenge for his office, then yes, I would race Mr. Peanutbutter.

00:14:36

Well, I guess that puts that idea to bed, right?

00:14:38

-Hmm. -Right?

00:14:40

-Hmm...

00:14:40

[chuckles]

00:14:40
-Right?!

00:14:46
You want me to sponsor a ski race amendment to the constitution?

00:14:51
Or you could sponsor the amendment that has a hidden rider doubling farm subsidies in your district.

00:14:56
-Inglewood could use some farms. -That's right.

00:15:00
I do have these campaign donors-- uh, I mean, constituents who really care about babies' access to vaping devices.

00:15:05
[coughing]

00:15:05
-Uh-huh.

00:15:07
I've always wanted to drive across a bridge to Hawaii.

00:15:11
-Can we do that? -You got it.

00:15:13
Aloha!

00:15:13
[giggles]

00:15:14
Hoo hoo hoo hoo! Whoo!

00:15:17
[chuckles]

00:15:17
It tickles.

00:15:21
[sighs]

00:15:23
I'm astounded that it has come to this.

00:15:27
But since the exorbitantly expensive and astonishingly titled I Love California amendment is now law,

00:15:34
I formally accept Mr. Peanutbutter's challenge to a ski race.

00:15:38
It happens that I'm an excellent skier who won numerous medals in the sport when I raced for Dartmouth but, again, I am shocked that fact is relevant in the matter of selecting our state's governor.

00:15:48
Mr. Peanutbutter, I will see you on Devil's Mountain.

00:15:54
-Whoa! -This is insane.

00:15:56
You could actually become governor by winning a race.

00:15:58
Yeah. Wow.

00:16:00
You know, it's days like this I wish I knew how to ski.

00:16:04
-You don't ski? -Never really got into it, no.

00:16:07
Then why did you challenge the governor to a ski race?

00:16:11
[chuckles]

00:16:11
I didn't think it would get this far.

00:16:13
You gotta admit, this is pretty out there.

00:16:15
Well, I guess that's it. Oh, well. Tough break. Bye forever, Katrina.

00:16:18
No, this is not over. This is just beginning.

00:16:21

Mr. Peanutbutter, you're going to ski school.

00:16:25
Doggie-doggie what now?

00:16:27
[Diane]

00:16:27
Hey, BoJack, it's me again.

00:16:29
Where are you, I'm worried,

00:16:31
hope you're not dead, etc... you get it.

00:16:32
Anyway, things are even crazier around here lately.

00:16:36
Don't know if you've seen the news, but I really wish you were here for this.

00:16:39
Well, I'm off to ski school so I can learn how to ski, so I can become the governor.

00:16:44
[Diane]

00:16:44
You'd say something like,

00:16:45
"That's the dumbest thing I've ever heard."

00:16:47
Sounds great, sweetheart.

00:16:49
But as the old saying goes, that's politics.

00:16:52
[Diane]

00:16:52
Then you'd probably say, "A, that's not an old saying

00:16:54
and, B, that's not politics! Nothing about that is politics."

00:16:58
This is so great!

00:17:00
Then you would be so overwhelmed

00:17:01
by the unbearable ludicrousness of the situation

00:17:03
that you would get in your car and drive to Hawaii,

00:17:06
which is also a thing you could do now

00:17:08
because of a new bill that cost our state billions of dollars.

00:17:10
It's all so great!

00:17:14
[sighs]

00:17:14
You know, it's funny, because the last time I saw you you told me that you needed me in your life,

00:17:21
and then you just disappeared.

00:17:23
So how do you think that makes me feel?

00:17:25
Well, wherever you are, I hope you're happy.

00:17:29
I really do, BoJack.

00:17:31
Also, I haven't seen Todd in a while. He's not with you, is he?

00:17:36
[munching]

00:17:38
Oh, simple kettle corn.

00:17:40
Between the worlds of the sweet and the savory.

00:17:44
Not quite popcorn, not quite candy.

00:17:47
-What are we? -

00:17:47
[cawing]

00:17:50
Hey, get away! Get, get!

00:17:52
[gasping, choking]

00:17:57
Wow, my first day at ski academy.

00:17:59
What collegiate shenanigans will befall me?

00:18:02
There will be no shenanigans on my watch.

00:18:05
Professor Thistlethorpe, the famously humorless yet somehow also lovable ski instructor?

00:18:09
Peanutbutter, is it? Everything about you disgusts me.

00:18:13
Uh...

00:18:14
And yet, there might be something in you after all.

00:18:18
You really mean it?

00:18:19
This shall be my greatest challenge.

00:18:22
Meet me on the summit tomorrow at daybreak.

00:18:25
Well, it is daybreak and here we are at the summit.

00:18:28
First lesson, break your skis in half.

00:18:30
Oh, I don't have skis. Was I supposed to bring skis?

00:18:33
-You didn't say that. -No bother. They shan't be required.

00:18:36
Instead, read this book of poetry.

00:18:39
I'll see you in the classroom.

00:18:42
Ah, there you are. Did you read the book of poetry?

00:18:45
No! I forgot to.

00:18:47
-Excellent. -I'm sor-- Excellent?

00:18:49
My assignment was a test.

00:18:51
Skiing isn't about reading old books.

00:18:54
-It's about speaking truth to power... -Oh!

00:18:56
...and you have spoken it eloquently.

00:18:59
You are my finest student.

00:19:02
I love you.

00:19:04
[coughing]

00:19:05
-Are you okay, professor? -Just a cough.

00:19:07

I'm sure it's nothing. You can come by tomorrow for your diploma.

00:19:13
I can't believe ski school is already over.

00:19:16
Professor Thistlethorpe? Professor Thistlethorpe!

00:19:18
[weakly]

00:19:18
Remember everything I taught you.

00:19:22
I will.

00:19:24
Also, if you have any tips for skiing, that would be really helpful.

00:19:27
The most important part of skiing is to keep your legs ben...

00:19:36
[sobbing]

00:19:39
Who's Ben?

00:19:53
Devil's Mountain is the place, skiing is the sport.

00:19:56
I'm uncomfortable. It's cold out.

00:19:58
Tell me, who do you think will win today's bout and what does it mean for the future of California?

00:20:03
I hate winter sports.

00:20:04
I want to go inside and drink a cider.

00:20:07
[starter's pistol firing]

00:20:07
-And they're off!

00:20:08
[grunts, yelling]

00:20:12
[Tom]

00:20:12
Woodchuck, off to a great start.

00:20:14
Mr. Peanutbutter seems to be employing some sort of awkwardly falling down technique.

00:20:20
-Any sign of them? -Nothing yet.

00:20:22
-Oh! I made you a card. -You did?

00:20:25
[chuckles]

00:20:25
Oh, wow, it's sparkly.

00:20:27
Sorry, I went a little overboard with the glitter and a little underboard with the glue.

00:20:31
[Ralph]

00:20:31
"Let's move in together. I think I'm ready now."

00:20:34
This is great. Are you sure, though, because last time you seemed a little hesitant.

00:20:39
-No, I was just a little pregnant. -Oh!

00:20:42
I was gonna tell you, really, but then before I could tell you there was nothing to tell you.

00:20:46
Oh.

00:20:48
I'm so sorry. I still wish you would've told me.

00:20:52
I have a card for that. On the front it says, "Life isn't fairage."

00:20:55
I'm sorry. I just felt dumb because all my life I've wanted a family.

00:20:59
But I didn't want it to happen just because I got pregnant by accident

00:21:02
-and then you got stuck with me. -Okay, first of all, if I get stuck to something, you're the prettiest glue trap I ever saw.

00:21:07
-You know what I mean. -Second, if that's how you feel, maybe you shouldn't get pregnant by accident.

00:21:13
-Well, I didn't try to! -No.

00:21:14
I'm saying maybe we should get you pregnant on purpose.

00:21:17
-Really? -Yeah.

00:21:19
We love each other, and we enjoy having sex with each other-- and we're good at having sex with each other.

00:21:23
And also, I think you'd be an amazing mother.

00:21:26
[sighs]

00:21:26
-Even Blake Lively thinks so.

00:21:29
Ah, still got it.

00:21:34
Yes!

00:21:35
[grunting, yelling]

00:21:37
Whoa! Whoa-ho-ho!

00:21:40
Ohh! Get control.

00:21:42
Woodchuck in the lead, still in the lead.

00:21:44
Woodchuck remains very much in the lead.

00:21:48
Goodbye, dear friend.

00:21:49
You served me well.

00:21:51
[gasps]

00:21:51
Okay, all right, here we go.

00:21:55
Mr. Peanutbutter?

00:21:56
Ohh!

00:21:56
[yelling]

00:21:59
[grunting, gasping]

00:22:03
[yelling]

00:22:05
[gasping]

00:22:07
[panting]

00:22:08
I see Woodchuck!

00:22:10
Yes!

00:22:11
Go, Woodcharles!

00:22:14
Oh... whoa...

00:22:14
[grunts]

00:22:14
Whoa!

00:22:16
Oh, my God.

00:22:19
Todd forever!

00:22:22
Whaa!

00:22:23
[crowd gasping]

00:22:23
-Ow, ow, ow, ow!

00:22:23
[grunts]

00:22:27
[crowd cheering]

00:22:27
-Invictus!

00:22:30
[groaning, grunts]

00:22:30
-Ooh! Ooh.

00:22:32
[moaning]

00:22:32
-Oh... ohh.

00:22:35
-Did I win? -Come on, honey.

00:22:37
Let's go home.

00:22:39
[applause]

00:22:39
-Well, I hope that settles it.

00:22:41
We can finally put an end to this nonsense.

00:22:44
Sir, the rules are clear: the first person to cross the finish line becomes governor, and, well, a strange boy fell out of the sky and crossed the line first.

00:22:52
They're swearing him in now.

00:22:54
-So help me Todd. -Congratulations, Governor Chavez.

00:22:57
[cheers and applause]

00:22:59
You know, ever since I first became governor

00:23:02
I've thought, "I don't want to be governor" and that's where I am now.

00:23:06
So, can I not be governor?

00:23:08
[groaning and gasping]

00:23:10
You'd like to resign?

00:23:11
Yeah. I'm just really not into labels right now.

00:23:14

Maybe after some soul searching I'll be ready to really know what I am.

00:23:17

But for right now, I think I speak for all Californians when I say, "I ate too much kettle corn while drifting through the sky on an out of control drone throne."

00:23:29

Okay, is this charade over? Can I be governor again?

00:23:32

Sir, we live in a society of laws.

00:23:35

When a governor resigns, that triggers a special election.

00:23:38

Until which, the governor's seat shall remain vacant.

00:23:41

[all gasping]

00:23:41

-Election, you say?

00:23:43

Mr. Peanutbutter, will you run?

00:23:46

-You bet I will, and you know why? -No, tell me.

00:23:49

Because this whole ski race was a joke.

00:23:52

Of course Woodchuck was gonna beat me. He went to Dartmouth.

00:23:55

So where's the candidate for regular schmoes like me,

00:23:57

-who went to Northwestern? -Is he serious right now?

00:24:00

You know, Governor Woodchuck Coodchuck-Berkowitz thinks he's better than us, but is he better than us?

00:24:05

[crowd]

00:24:05

No! -Uh, if I could say a few words--

00:24:08

He thinks the race is over.

00:24:09

Well, I say it's just starting.

00:24:12

And he wants me to sit and stay and roll over?

00:24:15

-No! -I say California's tired of rolling over.

00:24:19

What do you say?

00:24:21

[crowd]

00:24:21

Yeah! -

00:24:21

[woman]

00:24:21

I'm tired.

00:24:23

I say it's time for me to stand up and speak.

00:24:26

[cheering]

00:24:26

-Diane-Diane what now?

00:24:28

So loud as you can, let me hear what you want.

00:24:31

[chanting]

00:24:31

Peanutbutter! Peanutbutter!

00:24:34

-Uh, citizens-- -I can't hear you!

00:24:36

Peanutbutter! Peanutbutter!

00:24:39

-Peanutbutter! -

00:24:39

[nervous chuckle]

00:24:40

-Peanutbutter! -Friends, some decorum, please.

00:24:44

-Peanutbutter! Peanutbutter! -

00:24:44

[grunts]

00:24:44

Ah!

00:24:44

[panting]

00:24:47

Peanutbutter! Peanutbutter!

00:24:51

Peanutbutter! Peanutbutter!

00:24:53

[line ringing]

00:24:55

[voicemail]

00:24:55

The mailbox belonging to... -BoJack Horsemack--

00:24:58

-Horseman-- oh, wait, how do I-- -

00:24:58

[voicemail]

00:24:58

...is full. Goodbye.

00:25:02

■ Back in the '90s I was in a very famous TV show ■

00:25:09

[laughing]

00:25:11

-■ I'm Mr. Peanutbutter ■ -■ Ooh, yeah ■

00:25:13

00:25:20

Ep 2 — The Old Sugarman Place

00:00:05

[galloping]

00:00:14

[cellphone ringing]

00:00:23

[notification chime]

00:00:30

["A Horse With No Name" playing]

00:00:46

■ On the first part of the journey ■

00:00:50

■ I was looking at all the life ■

00:00:54

■ There were plants and birds And rocks and things ■

00:00:58

■ There was sand and hills and rings ■

00:01:03

■ The first thing I met Was a fly with a buzz ■

00:01:06

■ And the sky with no clouds ■

00:01:11

■ The heat was hot And the ground was dry ■

00:01:14

■ But the air was full of sound ■

00:01:19

■ I've been through the desert On a horse with no name ■

00:01:22

[notification chime]

00:01:23

■ It felt good to be out of the rain ■

00:01:27

■ In the desert You can't remember your name ■

00:01:31

■ 'Cause there ain't no one For to give you no pain ■

00:01:36

■ La la la-la-la la ■

00:01:39

■ La-la-la la-la ■

00:01:43

■ La-la la la-la-la la ■

00:01:47

■ La-la-la la-la ■

00:01:51

■ After two days in the desert sun ■

00:01:56

■ My skin began to turn red ■

00:02:00

■ After three days in the desert fun ■

00:02:04

■ I was looking at a riverbed ■

00:02:08

■ And the story it told Of a river that flowed ■

00:02:12

■ Made me sad to think it was dead ■

00:02:16

■ You see, I've been through the desert On a horse with no name ■

00:02:20

■ It felt good to be out of the rain ■

00:02:24

■ In the desert You can't remember your name ■

00:02:29

■ 'Cause there ain't no one For to give you no pain ■

00:02:33

■ La la la-la-la la ■

00:02:36

■ La-la-la la-la ■

00:02:41

■ La-la la la-la-la la ■

00:02:45

■ La-la-la la-la ■

00:02:48

[theme music playing]

00:03:43

■ Oh, the beautiful gals of '44 ■

00:03:46

■ Fill my head when I'm off to war ■

00:03:48

[big band jazz playing]

00:03:48

[laughing]

00:03:54

[knock at door]

00:03:54

-Oh!

00:03:55

[sniffing]

00:03:56

All right, Beatrice, you got a good whiff.

00:03:59

Now step away from your father's breakfast

00:04:01

before he catches you a-sniffin' and gives you a spankin'.

00:04:03

[door opens]

00:04:03

-Yes, Mother.

00:04:04

Well, the photographer's here. Where is Crackerjack?

00:04:07

He was aware that we're posing for a family photo portrait.

00:04:10

I've got to ankle back to Indianapolis.

00:04:12

If the government is rationing sugar, can't you ration work?

00:04:15

It is summer, after all.

00:04:17

Oh, that would be a dream, but who else but I will make sure the numbers add up and compliment my secretary on her tight sweaters?

00:04:24

We do appreciate the sacrifices you make, Joseph.

00:04:28

[laughter]

00:04:29

Then after a long day of killing Nazis

00:04:31

we'll sit in a beer garden and enjoy a pint.

00:04:33

All right, Crackerjack, time's a-tickin'.

00:04:35

We need to take this portrait before you and I both take a powder.

00:04:38

Sally, why don't you get yourself some freezy pops,

00:04:41

-and keep the change. -

00:04:41

[chuckles]

00:04:42

Awww, I want a freezy pop.

00:04:45

Oh, Beatrice, you know iced cream is for boys.

00:04:48

You can sprinkle some sugar on a lemon. That's a good healthy girl snack.

00:04:51

Oh, all right.

00:04:53

Crackerjack, you look so handsome in your soldier suit, like a young Clark Gerbil.

00:04:58

[humming]

00:04:58

[playing melody]

00:04:59

Not now, you two.

00:05:01

Oh, we'll be as quick as a pour of warm molasses.

00:05:03

-■ I will always think of you ■ -■ I will always ■

00:05:06

-■ Drink a brew, I'll see your face... ■ -Come now, be serious.

00:05:09

■ When each day is through ■

00:05:10

-■ And days go past ■ -■ Oh, so fast ■

00:05:13

[together]

00:05:13

■ But memories, they last ■

00:05:16

[laughing]

00:05:18

All right. Believe it or not, time's arrow neither stands still nor reverses.

00:05:22

It merely marches forward.

00:05:24

Oh, really? Time's arrow marches?

00:05:26

I didn't know arrows had legs. "Look at me, I'm a marchin' arrow."

00:05:30

[laughter]

00:05:32

Honey Sugarman, how did such a sweet face end up with such a smart mouth?

00:05:36

I don't know, but I've got half a mind

00:05:38

-to kiss you with that smart mouth. -Well, that half you can keep.

00:05:43

Oh! I almost forgot.

00:05:45

Say, if it isn't my old baby blanket, Blinky.

00:05:48

I thought you could take it with you.

00:05:50

Mama, I don't need no Blinky blankie to fight ninny Nazis.

00:05:53

-Bea, will you hold on to it for me? -

00:05:53

[gasps]

00:05:56

-Me? -That's right.

00:05:57

I'll fight better if I know Blinky's safe with you.

00:05:59

[kisses]

00:05:59

-Ohh.

00:06:01

All right, folks, this is for posterity, so don't forget to look far away sad.

00:06:05

[flashbulb pops]

00:06:11

[moaning]

00:06:14

[sighs, mutters]

00:06:24

[squeaking]

00:06:24

[gasps]

00:06:25

[grunts]

00:06:34

-Hey, I'm Tamara, that's Tamera. -

00:06:34

[gasps]

00:06:37

-Hey. -I don't need any help, thanks.

00:06:39

-Are you... -Ryan Gosling? No.

00:06:41

-I get that all the time, it's-- -No, BoJack Horseman.

00:06:44

-No, sorry. -See? That guy's way too fat to be BoJack.

00:06:48

-I'm not too fat to be BoJack. -Yeah, BoJack is much fatter, right?

00:06:52

-No, BoJack is not fatter. -So you're fatter?

00:06:55

-No! We are both equally not fat. -Right.

00:06:58

You know who looks like BoJack Horseman? Phil the stock boy.

00:07:02

[braying]

00:07:02

-Yeah, I see it.

00:07:04

Are you kidding me? He looks nothing like me...

00:07:07

Meester Horseman.

00:07:09

So you were with Sarah Lynn when she died, right?

00:07:11

-No. -TMZ said you took her to the hospital.

00:07:14

-And you held her hand. -Did you cry?

00:07:16

-I'm not-- -Did she totally poop her pants?

00:07:17

I heard people poop their pants when they die.

00:07:20

-Listen to me-- -God, is that true?

00:07:21

Because I just read Romeo and Juliet and that totally changes things.

00:07:27

[faucet squeaks]

00:07:27

[plumbing rattles]

00:07:29

[laughs]

00:07:29

All right! Ow!

00:07:32

[groans]

00:07:32

No!

00:07:35
[grunting]
00:07:39
Ohhh!
00:07:41
[grunting]
00:07:44
[glass shattering]
00:07:47
[growling]
00:07:53
Hey, Not BoJack, did you hear they're making a miniseries about Sarah Lynn?
00:07:57
-BoJack is being played by Paul Giamatti. -What?!
00:08:00
Why would you get Paul Giamatti to play me... meaty roles like that one?
00:08:07
Hey, buddy, is any of that to fix the door?
00:08:09
-What do you care? -I don't.
00:08:11
And if it were up to me, that old house would've been torn down years ago.
00:08:14
It's a blight on the neighborhood.
00:08:16
And that broken door is the cherry on the top of the shit sandwich.
00:08:20
What kind of a sandwich has cherries on top?
00:08:22
A shitty one. How about fixing your door instead of my metaphor?
00:08:31
Ow!
00:08:31
[grunts]
00:08:33
[sighs and groans]
00:08:36
[grunting]
00:08:37
Oh, darling, don't lift that. You'll rupture your uterus.
00:08:41
I'm sad to leave the summer house.
00:08:42
Well, it'll always be here, just like polio and blackface.
00:08:55
Hey, we got a saying in Michigan:
00:08:57
"Put your damn door back on or you're gonna freeze to death, you stupid horse!"
00:09:01
-Hey, what's your name? -Eddie.
00:09:03
Eddie, why don't you mind your goddamn business?
00:09:25
[shuddering]
00:09:27
Tell me, doc, is she gonna be okay?
00:09:30
I know it's here somewhere.
00:09:32
Darling, we've been over this. He doesn't need his blanket.
00:09:35
[doctor]
00:09:35
Nothing we could do. -I need to find it.
00:09:37

-He should've had it. -
00:09:37
[Giamatti]
00:09:37
She's dead?
00:09:39
He's gone, honey.
00:09:40
Even Blinky couldn't have stopped that Nazi's bullet.
00:09:43
Oh, Joseph, I failed him.
00:09:45
Oh, Doc, I let her down.
00:09:47
[doctor]
00:09:47
This was bound to happen. That's just show business.
00:09:50
-That's just war, honey. -
00:09:50
[sobbing]
00:09:54
Here it is, Mother.
00:09:55
I put it in the closet for safekeeping.
00:09:58
-I never should have let him go. -Honey, no.
00:10:00
If anyone's to blame, it's the Jews for peeving off Hitler so bad.
00:10:03
[Giamatti]
00:10:03
■ Three little orphans One, two, three ■
00:10:06
■ Without a home or a family tree-- ■
00:10:09
[ringing]
00:10:14
■ We were lost Now we're found ■
00:10:17
■ And we're... ■
00:10:17
[crying]
00:10:17
Oh, God!
00:10:20
[sobbing]
00:10:21
Come on, let's head home.
00:10:23
It's only ghosts here in the winter.
00:10:25
[sighs]
00:10:25
[Giamatti sobbing]
00:10:34
[rustling, hammering]
00:10:37
What? Wait.
00:10:40
[rattling]
00:10:41
Hey, did you fix my door?
00:10:43
That is a dick move, buddy!
00:10:45
[grunting]
00:10:47
What are you-- are you insane?

00:10:55
[hammering]

00:10:55
-What the...?

00:10:56
Hey! Stop fixing my door, asshole!

00:10:59
[grunting]

00:10:59
Why did you fix this so good?

00:11:01
If you keep breaking it, I'm gonna break you.

00:11:03
Well, call me a Kit Kat bar because I'm already broken.

00:11:06
Kit Kats aren't already broken. That's the whole point.

00:11:10
What the hell?

00:11:12
[whirring]

00:11:12
-Do you even know how to... anything?

00:11:16
I plastered this wall, didn't I? Uh... oh... oh, oh...

00:11:19
[scoffs]

00:11:19
I believe something got plastered.

00:11:22
The problem is I can't get the right supplies because the girls at the hardware store are so annoying.

00:11:26
Heh! You're telling me! Tamera and Tamara are the worst.

00:11:30
Yeah. "Hey, Tamara, how about you get some manners ta-day?"

00:11:33
[sighs]

00:11:33
Let me get my toolkit.

00:11:36
Yeah, fine, you can help, a little.

00:11:38
If it means so much to you, I will let you help me.

00:11:42
Oh.

00:11:48
How come you don't go away for winter like everyone else?

00:11:50
-I don't fly. -Okay.

00:11:52
-So, like, in an airplane, then? -I don't fly.

00:11:55
You don't have to fly the plane.

00:11:56
They got this new thing now, it's called being a passenger.

00:12:00
I have to ask, are you...

00:12:02
-BoJack Horseman? No. -What? Who's BoJack Horseman?

00:12:05
Who's BoJack Horseman? He's a very famous TV and film star.

00:12:09
Or he was, yeah, before he gave it all up for a life of quiet anonymity.

00:12:14
Where is he? Nobody knows.

00:12:15
Perhaps a small town just like this one.

00:12:17
Perhaps he's even... in this very room.

00:12:21
But he's not, 'cause I'm not BoJack Horseman.

00:12:24
Okay.

00:12:26
What I was going to ask was if you were related to Joseph Sugarman, or if you were just squattin' in his house?

00:12:32
My grandfather. I used to come here in the summers when I was a kid.

00:12:35
Hasn't got much use in the last 25 years, except for the termites.

00:12:39
Get on out of here, Bobby and Susan! I saw you gnawin'!

00:12:42
Yeah, well, there isn't any more of us.

00:12:44
I'm the last of my line.

00:12:45
Once my mother dies and I die that'll be it, which is probably for the best.

00:12:49
No more of you?

00:12:49
[chuckles]

00:12:51
-That'll be great. -Oh, thank you.

00:12:53
That was the reaction I was going for.

00:12:55
[sander scraping]

00:13:17
I guess that's it.

00:13:20
Have a nice life, Hambone.

00:13:23
-Why'd you call me Hambone? -You told me that's your name:

00:13:25
Hambone Fake-name-ington.

00:13:27
Oh, right, right, right, right, right.

00:13:38
This is the first summer we'll spend here without him.

00:13:40
Yes, I suppose that's true.

00:13:42
But, as they say, time's arrow marches forward.

00:13:46
You hear that, honey? Time's arrow marches.

00:13:49
[song melody, slowly]

00:13:52
[sobbing, sighs]

00:13:56
Ohh...

00:13:57
Well, I'd love to stay, but I must be going.

00:13:59
As a modern American man

00:14:01
I am woefully unprepared to manage a woman's emotions.

00:14:04
I was never taught, and I will not learn.

00:14:06
Take care, you two.

00:14:07

[panting]

00:14:09

[tires screeching]

00:14:10

[sobbing]

00:14:10

[playing different melody]

00:14:15

Huh.

00:14:18

Look at this.

00:14:19

Yes, you have a very attractive mother.

00:14:22

What? No. Why would I--? Forget that.

00:14:25

-Look at that weather vane. -Ah.

00:14:26

The house isn't finished yet.

00:14:28

We can't stop till we find that weather vane.

00:14:30

Ooh! I know where this is.

00:14:34

Oh. Uh, all right.

00:14:36

[Eddie]

00:14:36

Oh, lordy.

00:14:38

[chuckling]

00:14:41

A bit more... is that it?

00:14:43

Oh, yeah, that's right.

00:14:45

-Oh. -

00:14:45

[Eddie chuckling]

00:14:51

-Hey, there it is! -Oh, hey! You can't be in here!

00:14:53

Why'd you say you can't fly? Who's that other person you're clearly in love with?

00:14:57

I never said I can't fly, I said I don't fly.

00:14:59

If you want help with that weather vane you'll clam up, Hambone!

00:15:02

Fine. Keep your stupid secret about your clearly dead wife and your probably-related dumb fear of flying. See if I care.

00:15:07

["Stars & Stripes Forever" playing]

00:15:12

[fireworks popping]

00:15:12

[Beatrice gasps and coos]

00:15:15

What are those fireworks for, Mother?

00:15:17

Those are because the war is over.

00:15:19

We've dropped bombs on Japan and now everyone is happy.

00:15:22

-Shouldn't we be celebrating? -Yes. Yes!

00:15:26

Let's paint the town scarlet, crimson, and ruby!

00:15:29

Why, I've got half a mind to paint things redder than the banks of Normandy!

00:15:33

Ha ha! What? Too soon?

00:15:40

The Crab Brothers who run this place are total scavengers.

00:15:43

If it can be pinched, they'll pilfer it.

00:15:47

Ooh! It's still there!

00:15:48

I'll make a distraction at the piano, you climb up, get the weather vane.

00:15:51

Oh, of course, the twelve hundred...

00:15:51

[muffled muttering]

00:15:51

pound horse will shimmy up a drain pipe to get it, that makes more sense than the dragonfly, who has the word "fly" in the name of what he is.

00:15:59

Okay, all right, so you've gone now. You walked away, while I make my point.

00:16:02

-Mother, can I get a freezy pop? -Sure, darling.

00:16:05

-You can have whatever you want. -Attention, everyone!

00:16:08

I'm gonna play a song now, so look at me!

00:16:10

Do not look up at the roof of that barn!

00:16:13

[grunts]

00:16:13

Idiot.

00:16:15

[playing melody]

00:16:20

■ I will always think of you ■

00:16:25

■ I see your face When each day's through ■

00:16:28

■ And days go past ■

00:16:31

■ Oh, so fast ■

00:16:32

[together]

00:16:32

■ But memories, they last ■

00:16:36

Huh.

00:16:39

-■ Summer, winter, year by year ■ -■ Year by year ■

00:16:43

■ I'll hear this song Inside my ear ■

00:16:47

-■ Try to restart ■ -■ That'd be smart ■

00:16:50

[together]

00:16:50

■ But thoughts of you Haunt my heart ■

00:16:56

-■ No, I don't want to be alone now ■ -■ Oooh ■

00:17:01

-■ Oooh ■ -■ Just biding my time ■

00:17:04

■ I need somebody dearly ■

00:17:10
■ And darling, you'd be sublime ■

00:17:14
[Honey]

00:17:14
■ Spring and autumn, up and down ■

00:17:18
[Eddie]

00:17:18
■ Up and down ■

00:17:19
-■ I keep trying to escape this town ■ -■ And I just might ■

00:17:24
■ I'll take flight ■

00:17:27
[together]

00:17:27
■ Maybe tomorrow, not tonight ■

00:17:34
[light applause]

00:17:36
-Mother? -Oh!

00:17:38
[big band music playing]

00:17:38
[gasps]

00:17:40
[gulping]

00:17:40
Ahh!

00:17:43
Sal! Oh, Sally!

00:17:45
-Oh! Mrs. Sugarman. -What happened when he got shot?

00:17:48
Was it quick? Did he suffer?

00:17:50
-Hey, Eddie, come on. Eddie, let's go! -

00:17:50
[sobbing]

00:17:53
-Hey! That's not yours! -Yeah! We stole that fair and square.

00:17:57
-Mrs. S. -Please, please tell me.

00:18:01
Please.

00:18:03
Mrs. Sugarman, control yourself.

00:18:05
[sobbing]

00:18:05
[BoJack]

00:18:05
Aaah!

00:18:12
-Hey, gimme that! -

00:18:12
[Honey wailing]

00:18:15
-Please! -Mother?

00:18:18
Why did everybody stop, huh? What's the gag?

00:18:20
I want to dance. I want to fly!

00:18:23
[sobbing]

00:18:26
Listen, you're sloshed and making a scene.

00:18:28

Do the responsible thing: have one more drink to steady your nerves and then drive yourself and your young daughter home.

00:18:33
Don't make me go back to that quiet house, please.

00:18:36
-Mother, let's go. -Eddie, let's go!

00:18:42
-Are you all right? -It's okay. I'm okay.

00:18:45
My hands are doing the wiggly doozle in three-four time, but--

00:18:48
Say, I got a swell idea. Why don't you drive?

00:18:51
But I don't know how.

00:18:52
Why, it's only as easy as finding a hobo in a barrel of beans.

00:18:55
It'll be grand. Everything will be just grand.

00:18:58
[BoJack laughing]

00:18:58
[Eddie]

00:18:58
Whoo!

00:19:00
[shouting]

00:19:00
-Get back here!

00:19:04
Aaah!

00:19:04
[gasps]

00:19:06
-Jeepers! -

00:19:06
[sobbing]

00:19:08
Yeah! We're hooligans!

00:19:10
Faster. I want to feel alive again.

00:19:13
I'd do anything to feel alive.

00:19:17
[screaming]

00:19:17
[metal crunching]

00:19:21
[Eddie laughing]

00:19:26
I gotta say, you really knew how to handle those salad tongs for someone who appears to have never eaten a salad.

00:19:32
Yeah? Well, you got a nice set of pipes.

00:19:35
You're like a Josh Groban who doesn't also think he's funny.

00:19:37
[grunts]

00:19:39
Okay, now, the house is absolutely, totally finished.

00:19:45
Wow.

00:19:48
I wish I could somehow pay you back for all your help.

00:19:50
Don't sweat it.

00:19:54
Hey, Eddie.

00:19:56

-Whoa, whoa-whoa-whoa! -

00:19:56

[crashing]

00:19:57

-Ow!

00:19:57

[groans]

00:19:57

-What are you doing?

00:19:59

What the hell'd you do that for?

00:20:01

I don't know, I thought you would fly to save me and by making you fly I would, in a sense, be saving you!

00:20:06

How many times do I have to tell you? I don't fly!

00:20:11

You're flying right now, asshole!

00:20:12

[gasps, groans]

00:20:15

-Why'd you make me do that? -

00:20:15

[groans]

00:20:15

You're welcome.

00:20:18

I haven't flown since Lorraine died, and now you ruined it.

00:20:22

Okay. Obviously, this was not the preferred outcome for either of us.

00:20:26

You want to fly? All right, let's fly.

00:20:26

[grunts]

00:20:28

-Oh, shit. No, I'm fine, actually. -You want to go higher?

00:20:31

You want to see how high we can go?

00:20:32

Clearly, this is a sore subject. I was wrong to bring it up. Let's go back down.

00:20:36

The night Lorraine died she wanted to go back, but I wanted to see how high we could go.

00:20:42

Whoa! Plane! Look out!

00:20:43

You want to know how Lorraine felt when she got sucked into that engine?

00:20:47

-We're all just tiny bugs, right? -

00:20:47

[groaning]

00:20:50

Aaaah!

00:21:05

[panting]

00:21:10

Oh, God. No, no, come on.

00:21:12

-Come on. -

00:21:12

[coughing]

00:21:14

Are you insane?!

00:21:16

I don't want to live!

00:21:18

Why did you save me?

00:21:18

[sobbing]

00:21:22

I don't want to live!

00:21:24

[crying]

00:21:30

What were you thinking, hoofing around the dance floor like a motorized freckle?

00:21:34

-Did you snap your cap? -You mustn't despise me, darling.

00:21:37

-Please. -That's before mentioning poor Beatrice.

00:21:40

You aiming to get her killed as well? She's all we got.

00:21:43

Oh, don't be cross with Mother!

00:21:45

I don't know what's wrong with me.

00:21:47

How am I supposed to sell sugar and keep my secretary's self-esteem afloat when you're having honest-to-goodness fits of hysteria?

00:21:54

-Don't yell, Father. -I just can't anymore.

00:21:57

I can't stop thinking about him.

00:21:58

I can't be with people and I can't be alone.

00:22:02

I don't know how to be better, Joseph.

00:22:04

-Please fix me. I want to be better. -

00:22:04

[door opens]

00:22:07

[panting]

00:22:09

[phone beeps]

00:22:09

[line ringing]

00:22:12

[muffled gasp]

00:22:13

BoJack? Where are you? Are you okay?

00:22:16

[panting]

00:22:16

I don't know. I'm so sorry.

00:22:18

It's okay. Talk to me. What's going on?

00:22:20

[BoJack]

00:22:20

It's Michigan, and it's beautiful here,

00:22:23

-and everything sucks. -Michigan?

00:22:25

-BoJack, come home. -I can't.

00:22:27

I don't belong there, I don't belong anywhere.

00:22:29

But that's the thing, everybody belongs in Los Angeles.

00:22:33

-There's, like, no barrier for entry. -Oh, God, that's true.

00:22:33

[sighs]

00:22:37
They do let in just anybody.

00:22:38
I was at a coffee shop yesterday, I heard a guy trying to impress someone by soft-pitching a web series he crowdfunded.

00:22:44
Let me guess: the web series is about how funny he and his friends are,

00:22:48
-just, like, hanging out. -He described it as HBO's Girls

00:22:51
-but, like, from a guy's perspective. -What?!

00:22:54
And he's just giving this away for free in a coffee shop?

00:22:56
Somebody get this guy an overall!

00:22:58
Well, the important thing is that barista's definitely going to have sex with him later.

00:23:02
[chuckling]

00:23:04
I've missed you, Diane.

00:23:06
I've missed you, too.

00:23:09
Mmm.

00:23:09
[slurping]

00:23:14
-Is Mother okay? -She is now.

00:23:16
She just let her womanly emotions get the better of her, that's all.

00:23:20
Nothing a little operation couldn't fix.

00:23:22
Operation?

00:23:23
What's broken in the heart can never be repaired, but the brain, well, we have all sorts of science for the brain.

00:23:30
She's a brand new woman now, and she'd like to meet you very much.

00:23:35
[note plays]

00:23:40
-Mother? -Oh, hello.

00:23:42
It's Beatrice.

00:23:44
Yes, that's right. What a pretty girl.

00:23:47
-What did they do to you?

00:23:47
[sobs]

00:23:47
-Oh, hush.

00:23:50
It's okay. I'm better now.

00:23:53
I don't understand.

00:23:55
Love does things to a person, terrible things.

00:23:58
[sniffles, sighs]

00:24:00
Beatrice, promise me you'll never love anyone

00:24:03

-as much as I loved Crackerjack. -I promise. I won't.

00:24:07
Why, I have half a mind...

00:24:10
[truck advancing, beeping]

00:24:16
Keep going, keep going, keep going. There we go, big boy.

00:24:19
Hey, what's going on out here?

00:24:21
Probably should have warned you, when these guys tear the house down it might make some noise.

00:24:25
Tear the house down?!

00:24:26
Uh, yeah. You think I just want to mope around in a shrine to the past, getting off on my own guilt while the rest of my life passes me by?

00:24:32
Pathetic, much?

00:24:33
But we spent the last eight months restoring this place.

00:24:36
Yeah, and then you tried to kill me.

00:24:38
That's usually a series wrap on a friendship.

00:24:40
-What is a series wrap? -Are you serious?

00:24:42
Oh, my God, what am I doing in this backwash of a town?

00:24:45
Do you even get Showtime here?

00:24:47
-So what was all this for? -I don't know.

00:24:49
Guess it was just a big waste of time.

00:24:51
But you can't change the past. Time's arrow marches on, right?

00:24:54
I don't believe this.

00:24:55
Well, as a great woman once said, suck a dick, dumbshit.

00:24:55
[grunts]

00:25:00
-Where are you going? -Home.

00:25:05
[glass shatters]

00:25:07
[smashing, clattering]

00:25:07
- ■ Back in the '90s ■

00:25:09
-■ I was in a very famous TV show ■ -

00:25:09
[wood smashing, truck beeping]

00:25:16
-■ I'm BoJack the Horseman ■ -■ BoJack ■

00:25:18
■ BoJack the Horseman Don't act like you don't know ■

00:25:25
■ And I'm trying to hold on to my past ■

00:25:29
[clattering]

00:25:29
- ■ It's been so long ■

00:25:31
-■ I don't think I'm gonna last ■ -

00:25:31

[wood and glass clattering]

00:25:34

■ I guess I'll just try And make you understand ■

00:25:38

[crunching and clattering]

00:25:38

- ■ That I'm more horse than a man ■

00:25:43

■ Or I'm more man than a horse ■

00:25:47

■ BoJack ■

Ep 3 — Hooray! Todd Episode!

00:00:05

[classical music playing]

00:00:12

Oh.

00:00:13

-He'll be here. -But his part is in 16 bars.

00:00:16

[grunts and panting]

00:00:19

Excuse me. Sorry!

00:00:21

[groaning, panting]

00:00:25

[orchestra swells]

00:00:26

[note dings]

00:00:26

[sighs]

00:00:28

[cheers and applause]

00:00:31

I heard before he played triangle he was in a prison gang.

00:00:34

I heard he was a tech millionaire.

00:00:36

[in French accent]

00:00:36

There is a rumor he is a foreign prince.

00:00:39

-His name is Todd Chavez. -

00:00:39

[gasping]

00:00:42

And he's the most giving man the world has ever known.

00:00:45

He saved my pregnant daughter from drowning in a shipwreck,

00:00:49

then he delivered her baby while they rode on a piece of driftwood.

00:00:53

[musicians gasp]

00:00:53

-And then he circumcised her baby

00:00:55

while they both hung from the ladder of the rescue helicopter.

00:00:58

[gasps]

00:00:58

-Of course, before he did,

00:01:00

Todd Chavez explained that circumcision has somewhat fallen out of vogue.

00:01:04

They had a spirited but respectful debate,

00:01:07

and by the end my daughter decided that since we are of Jewish heritage, the boy might like to have the option to become religious if he so chooses.

00:01:15

Sounds like he really helped your daughter make the decision that was right for her family.

00:01:19

And last year, when our triangle player died of starvation after getting his foot stuck in his triangle,

00:01:24

Todd Chavez took over because we needed him.

00:01:27

-What a guy! -He is always helping others.

00:01:29

You know, sometimes when that triangle part is coming up,

00:01:33

I find myself hoping he won't show up.

00:01:35

No man should be asked to give that much.

00:01:38

-He is truly the best of all of-- -Whoa!

00:01:41

Oh, hey, guys. I was eating a taco earlier and I got salsa on my shirt.

00:01:45

I went to clean it off, but then when I put my hands in the automatic dryer

00:01:48

I forgot I was still holding the taco.

00:01:50

I got my hands all greasy, so I couldn't open the doorknob for an hour.

00:01:54

What you guys talking about?

00:01:57

[theme music playing]

00:02:51

[cell phone alarm music]

00:02:55

[Katrina]

00:02:55

So then at 11:00 you're gonna be giving a policy speech on fracking.

00:02:59

Fracktastic!

00:03:01

Meanwhile, all this talk of whatever it is you're talking about

00:03:03

-is making me hungry. -Mmm?

00:03:05

Cheese? Yes, please!

00:03:07

Todd, don't distract Mr. Peanutbutter with your weird pocket cheeses.

00:03:10

The issue is fracking and the people really want to know your opinion.

00:03:13

Well, then, color me "the people" because I would also like to know my opinion.

00:03:17

You don't have one yet. The polling research comes in today

00:03:20

and that will decide whether you're for or against fracking.

00:03:23

Here's a thought: maybe be against fracking.

00:03:25

-It's terrible! -Diane.

00:03:27

Just my opinion. You don't tell me how to do my job.

00:03:29

Also, fracking is the worst. I can't believe you'd even consider endorsing it.

00:03:33

None of my business. Gotta get to work. Love you!

00:03:35

-Bye, hon! -But seriously, seriously,

00:03:37

if you come out in support of fracking I'm gonna be super upset.

Bye!

00:03:40

Where you stand on the issue doesn't really matter.

00:03:43

What's important is that you seem sincere and emphatic.

00:03:46

Ohh. Are you a fan of charming but inessential Will Smith movies?

00:03:49

Because, slight Hitch, I always show I'm empathic by taking off my glasses dramatically, but I kinda lost them.

00:03:56

Wow! This must be what I'd look like to a starving shipwrecked person.

00:03:59

[sighs]

00:03:59

When did you last see the glasses?

00:04:02

I was in a meeting with Princess Carolyn.

00:04:03

She was saying I'm always forgetting stuff, so I whipped off my glasses, looked her square in the eye and said,

00:04:08

"I never forget a thing."

00:04:10

I might have left my glasses there.

00:04:12

Todd, you never do anything.

00:04:13

Why don't you take the campaign bus over to VIM

00:04:15

and get Mr. Peanutbutter's glasses? Can you handle that?

00:04:18

I never know if I can handle anything.

00:04:20

That's what makes my life so exciting.

00:04:23

[both grunting]

00:04:23

-Mr. Peanutbutter, there's a delivery!

00:04:26

[Katrina]

00:04:26

He's busy! Just sign for it.

00:04:28

I can't sign for another man's mail.

00:04:30

That's how I ended up with the cremains of Cornelius Vanderbilt.

00:04:33

It all started when a young Todd--

00:04:33

[grunts]

00:04:33

I don't have time for this!

00:04:37

I've got a job to do.

00:04:38

[panting]

00:04:47

[Princess Carolyn]

00:04:47

It's Todd! -It's me!

00:04:49

You are just the guy I need. You know the actress Courtney Portnoy?

00:04:52

I think so. She portrayed the formerly portly consort in The Seaport Resort ?

00:04:57

Courtly roles like the formerly portly consort are Courtney Portnoy's forte, but she's got a new action movie that's supposed to change her image: Ms. Taken.

00:05:04

You know Mr. Taken from the Taken movies?

00:05:06

-This is his niece. -Nice!

00:05:08

This was supposed to be Courtney's crossover coronation.

00:05:11

But that's sort of been thwarted, unfortunately,

00:05:13

'cause Courtney's purportedly falling short of shoring up four-quadrant support.

00:05:17

Makes perfect sense so far.

00:05:19

The public sees her as out of touch.

00:05:21

We need to make her seem relatable, and the best way to do that is to be seen dating a down-to-earth boring nobody like yourself.

00:05:28

You can do that, right? You're not doing anything.

00:05:30

I'm kind of busy today. I gotta pick up these glasses, and then tonight there was this meeting I wanted to go to.

00:05:36

This will take no time, I promise. Meet her for lunch.

00:05:39

The paparazzi will show up, pop some razzis.

00:05:42

I do love getting my picture taken. It's proof I exist.

00:05:45

Marvelous! Judah, prepare the press release.

00:05:47

"Portnoy finds joy in hoi polloi boy toy."

00:05:51

[panting]

00:05:53

Well, we didn't get the polling research on fracking--

00:05:56

-Here you go. -Thank you.

00:05:57

Because apparently when the delivery came someone wouldn't sign for it.

00:06:01

Ooh.

00:06:02

In the future, whenever anyone asks you to sign Mr. Peanutbutter's name,

00:06:07

-just sign it. -You got it, chief.

00:06:09

All right, Middle-Aged Yeller, here's what you're gonna do.

00:06:11

You're gonna give an impassioned speech on fracking that doesn't actually take a stand either way on fracking.

00:06:18

Okay.

00:06:19

Good morning!

00:06:22

Let's talk fracking.

00:06:23

Everyone has very strong opinions about it, and I want you all to know, right here and right now,

00:06:31

I am taking a stand.

00:06:32

-I am on... your side! -

00:06:32

[applause]

00:06:36

-What side is that, specifically? -Good question.

00:06:38

I am specifically on the side of the facts, and also on the side of feelings.

00:06:44

[cheers and applause]

00:06:44

-Well, I'm satisfied.

00:06:46

Oh, excuse me, would Mr. Peanutbutter be willing to sign this letter to our state government?

00:06:52

Yes. I'll write his name on anything.

00:06:55

Oh, thank you so much.

00:06:57

[gasps]

00:06:57

And down goes Todd.

00:07:02

And up comes Todd!

00:07:04

Aah!

00:07:04

[grunting]

00:07:05

-Whoa! -Stay back!

00:07:06

Calm down, I'm not going to hurt you.

00:07:08

My name is Hollyhock Manheim-Mannheim
Guerrero-Robinson-Zilberschlag

00:07:12

-Hsung-Fonzerelli-McQuack. -Wait, wait, wait.

00:07:14

-What's your first name? -Hollyhock.

00:07:16

And your last name?

00:07:18

Manheim-Mannheim-Guerrero-Robinson-
Zilberschlag-Hsung-Fonzerelli-McQuack.

00:07:21

Got it.

00:07:23

-Wait, what's your last name? -I know, it's confusing.

00:07:26

-I have eight dads. -How'd that happen? Test tubes?

00:07:28

-No. I was adopted. -Oh, of course.

00:07:31

By eight men in a committed gay polyamorous relationship.

00:07:34

-Less of course. -But ever since I was a baby, people always said I
looked like BoJack Horseman.

00:07:40

-That's a terrible thing to say to a baby! -

00:07:40

[skimmer clatters]

00:07:43

And I've always wondered if BoJack could be my biological...
sperm guy.

00:07:48

I guess it's possible.

00:07:50

BoJack used to say his penis is like sun-dried tomatoes: back in the
'90s it got into everything.

00:07:57

I came to L.A. to get to the bottom of things.

00:07:59

I even bought a deluxe spy kit. Sorry about knocking you out.

00:08:02

Once you have chloroform, you can't not use it.

00:08:05

No, I get it. BoJack had one of those spy kits, too.

00:08:07

He mostly just used the chloroform on himself, though.

00:08:10

I read in his book that you live together.

00:08:13

-Can you help me find him? -Sorry. I don't live there anymore.

00:08:16

And no one knows where he's been for the last year.

00:08:18

I guess I don't have to meet him.

00:08:20

All I need is a DNA sample, like a piece of hair or something.

00:08:24

-I guess his house might have--

00:08:24

[gasps]

00:08:24

[grunts]

00:08:27

-Whoa! -Sorry again. It's just so fun.

00:08:30

Okay, there might be some hairs in the shower drain, but hard to
know who they belong to.

00:08:35

Everyone who has sex with BoJack usually takes a long shower
afterwards.

00:08:40

-Hey, I think I see a hair. -

00:08:40

[moaning]

00:08:43

Oh, no, BoJack.

00:08:45

-Yoink! -What the... was...

00:08:48

[exhales]

00:08:48

Okay. -Okay, let's blow.

00:08:50

Blow? Who's got blow? Save some for BoJack.

00:08:50

[groans]

00:08:50

Huh?

00:08:53

Wait, Todd? Oh, shit. Are you gonna yell at me? Can I have the
blow first?

00:08:56

No. BoJack, there's no blow, okay? And I'm not going to yell at you.

00:09:00

And what is this?

00:09:01

I'm Hollyhock Manheim-Mannheim- Guerrero-Robinson-

00:09:04

Zilberschlag-Hsung-Fonzerelli-McQuack.

00:09:06

Of the New Haven Manheim-Mannheim-Guerrero-Robinson-

00:09:09

Zilberschlag-Hsung-Fonzerelli-McQuacks?

00:09:10

That was a joke. Obviously, I've never heard of your family and/or law firm.

00:09:15

That was also a joke. Todd, who is this tough crowd you brought to my home?

00:09:18

-Um, BoJack, this is your daught... -Mm-mmm, mm-mmm!

00:09:22

...dot-dot maid.

00:09:24

Way to build up the suspense.

00:09:26

To, uh, tidy up the place in case you came back.

00:09:28

You got me a maid? Thank you.

00:09:30

Here I thought Channing Tatum was a good neighbor for picking up my mail while I was gone, but you, and after all the things I did to you,

00:09:36

-I don't know how to tell you-- -BoJack, we haven't talked in like a year, and that's actually been kind of working for me.

00:09:42

So, maybe it's better if we just keep things like that, you know?

00:09:46

-Oh. Okay. So then why did you hire me-- -

00:09:46

[grunts]

00:09:49

Oh, yeah, deliver me.

00:09:52

You're welcome. Now go get that DNA tested.

00:09:54

[panting]

00:09:57

Can you tell me if this is a match?

00:09:59

-A match with who? -Hollyhock.

00:10:02

Manheim-Mannheim-Gorilla-Rub-a-Dub-Dub

Zoolander-Hallelujah-something-McDonald's?

00:10:07

Whatever those words are, I need a sample from her, too.

00:10:10

[groans]

00:10:10

Duh!

00:10:12

Bring it in an hour. I gotta get to lunch.

00:10:14

Nothing like working with hair, blood, and semen all day to work up an appetite, and it's already 1:00.

00:10:18

1:00? I gotta go meet my fake girlfriend!

00:10:21

Oh, you have a fake girlfriend too?

00:10:23

Mine is a bunch of water balloons with a blonde wig.

00:10:28

I suppose a fancy restaurant like this is too fancy for a common man such as yourself.

00:10:33

No, it's fine.

00:10:34

You'd probably like to take me someplace rough and primitive.

00:10:37

Uh... do you want me to take you somewhere else?

00:10:39

Well, if you must drag me on some barbaric adventure, I can't stop you.

00:10:44

There's a Pony Roma's at Universal CityWalk.

00:10:46

A chain restaurant? Oh, God, no, I'll be mugged.

00:10:48

I can't do this.

00:10:50

Todd, I can never be your dirty peasant girl, I'm sorry.

00:10:52

-I must abscond.

00:10:52

[sobs]

00:10:52

-Wait, Courtney!

00:10:55

[cameras clicking]

00:10:55

[tires screeching]

00:10:59

Scusi, sir, would you care for a sample of my father's famous angel hair pomodoro?

00:11:05

Famous father? Hair? Sample?

00:11:07

-DNA? -I no say DNA.

00:11:09

I gotta get back to Hollyhock.

00:11:13

[grunting and panting]

00:11:15

[door opens]

00:11:15

-Hollyhock, I need to get--

00:11:19

-Did you clean anything? -No.

00:11:20

But I am learning so much about my possibly-maybe birth father.

00:11:24

Like, did you know he has a shoebox in his closet full of bad reviews for other people's TV shows?

00:11:28

So all you've done so far is snoop around?

00:11:32

I also ate a box of donuts, got sleepy and took a nap.

00:11:36

Yeah, I'm not sure we really need to do this DNA test.

00:11:38

Look, I didn't come all this way to not find out who my biological father is.

00:11:43

Okay, fine, then I just need you to yank out a strand of hair

00:11:46

-so I can take it down to the lab. -No way! That sounds painful.

00:11:50

-Can't we just use your hair? -Um...

00:11:52

-No. -

00:11:52

[panting]

00:11:53

No, but I can pull out some of my hair at the same time,

00:11:57
-so you don't have to do it alone. -Okay, that sounds fair.

00:12:00
On three, we pull.

00:12:02
-One... two... three! -Ow!

00:12:04
Oh, wait, I have this whole comb full of hair in my bag.

00:12:08
-Duh! -

00:12:08
[sighs]

00:12:09
-Todd, can I see you for a minute? -

00:12:09
[grunts]

00:12:12
This maid is the worst. I passed out again for some reason.

00:12:14
When I woke up, the house was messier than when she started.

00:12:17
I don't mind someone else in the house with me, in case I start choking on pills or have a funny take on current events that demands an audience, but if she can't do her job, I gotta fire her.

00:12:25
You can't do that! Here, buzz up real nice, take a nap, and while you're sleeping, I'll get the maid to clean so no one has to fire anyone.

00:12:34
[snoring]

00:12:36
[sighs]

00:12:43
Well, we did it.

00:12:46
What? I'm helping. I'm cleaning out his DVR. Get it?

00:12:51
-Okay, but you got it, right? -

00:12:51
[groans]

00:12:53
[ringtone]

00:12:53
■ To-To-To-Todd! ■

00:12:54
Todd's phone, home of the Todd.

00:12:56
You quarter-wit. Turn on the news.

00:12:58
I don't want to be a manners police, but a "hello" would be nice.

00:13:02
The letter, signed by Mr. Peanutbutter himself,

00:13:04
-in full, unambiguous support of fracking. -Ooh.

00:13:08
The gubernatorial hopeful has until now played coy

00:13:11
on the controversial issue of fra...

00:13:15
What happened? Randy pass out on his keyboard?

00:13:18
Oh, he did? Oh, my God, is he okay?

00:13:20
Well, did someone call Cynthia? No one called Cynthia?!

00:13:24
For Christ's sake, this isn't just a newsroom, this is a family!

00:13:26
Jeez, I hope Randy's okay.

00:13:28
Forget Randy. Did you sign that letter for Mr. Peanutbutter?

00:13:32
Yes. Should I have not done the thing you literally told me to do?

00:13:35
Well, I guess we're pro-fracking now.

00:13:37
[muffled yelling]

00:13:38
Hey, buddy, I just want you to know that while Katrina is filled with white-hot frustration as she has been for much of this campaign, I'm not mad.

00:13:46
I'm just nervous about what Diane will do when she finds out.

00:13:49
But I've got a plan, and it stars you!

00:13:52
What? You want me to keep Diane away from the TV, radio, and Internet?

00:13:56
Ohh! That's a way better idea than I had. Yeah, do that.

00:14:00
Hollyhock, I gotta run.

00:14:02
I'll try to get the hairs tested today. Just stay here and act maid-like.

00:14:06
[moaning]

00:14:06
-Ah, okay.

00:14:08
[panting]

00:14:11
Hey, look at me! I'm dancing. The time is now! Don't miss out!

00:14:15
Okay, Todd, that's some good dancing, but I've got work to do and you've been dancing for... 55 minutes?!

00:14:21
-What is this? -It's a new dance.

00:14:23
I call it the... come on, stall, Todd.

00:14:26
Gotta think of something to call this fake dance you just made up.

00:14:30
Samba.

00:14:31
That's amazing, and you're amazing, and I want your pores.

00:14:33
Diane, I adored your sad little story on refugees.

00:14:37
We have so many articles about things people care about.

00:14:40
It's like supes refreshing to see something that doesn't make you click, but it does make you think.

00:14:45
Well, it's not like nobody clicks on my articles.

00:14:48
You don't care if people read your work or not. That's what's so brave about you.

00:14:51
You inspire me to be my fiercest self.

00:14:54
Buh-buh-buh-bye!

00:14:55
[ringtone]

00:14:55
■ To-To-To-Todd! ■

00:14:57
Todd's phone. I know when that Toddline bling.

00:14:59

What happened at the restaurant?

00:15:01

You disappeared before the paparazzi even got there.

00:15:03

The whole point was to get a picture with her.

00:15:05

Oh! Oops.

00:15:06

Uh, you want me to draw a picture from memory?

00:15:09

How tall is she? What is she, like, eight feet?

00:15:11

Okay, plan B.

00:15:12

She's gonna be at the Sharc Jacobs fashion show in 30 minutes.

00:15:15

There's an empty seat there for her boyfriend, you.

00:15:18

Be there, get the photo. Got it? Click.

00:15:21

[groans]

00:15:22

So, I gotta go.

00:15:23

How do I make people care about important stuff when all they want to do is read articles about who got slayed and who owned at the VMAs?

00:15:30

When I need Mr. Peanutbutter to take his heartworm pills,

00:15:33

I always hide it in cheese so he doesn't know he's doing something he hates.

00:15:37

What if you take your important stuff and hide it in some juicy gossip?

00:15:41

That's actually a really good idea.

00:15:43

But...

00:15:43

[groans]

00:15:43

I don't know any gossip and I wouldn't even know where to look.

00:15:47

The Internet?

00:15:50

No! Look at me!

00:15:51

Because I have potentially earth-shattering inside info!

00:15:55

That beloved famous person, uh...

00:15:58

Channing Tatum may have an illegitimate daughter that's also a Cordovian refugee.

00:16:04

-Are you serious? -I have these two hairs.

00:16:07

One is from Channing, the other is from a baby.

00:16:10

If the DNA lab confirms a match, you have your story.

00:16:13

Thanks, Todd. I owe you one.

00:16:15

Okay, but if it's a match, please call me first.

00:16:18

'Cause, uh-- 'cause I love juicy gossip.

00:16:21

[ringing]

00:16:25

Where am I supposed to go? Okay.

00:16:27

" El Entrance?"

00:16:28

Gracias, sign. Muy bien.

00:16:32

[crowd gasping]

00:16:34

[whispering, murmuring]

00:16:34

-Um...

00:16:36

[groans]

00:16:36

-Good heavens! What's this?

00:16:38

[gasps]

00:16:40

Uh... okay.

00:16:43

[dance music playing]

00:16:43

[mutters]

00:16:43

And this is how I walk...

00:16:45

He's so normal.

00:16:47

Uh... hmm... uh...

00:16:49

Where's the hollow look of someone forced to starve themselves to fit our unrealistic expectation of what beauty should be?

00:16:55

[Tim Gunn]

00:16:55

He is not making it work.

00:16:57

-No! Wait! -Huh?

00:17:00

Isn't fashion supposed to be for everyone?

00:17:03

That behatted boy is right.

00:17:05

Fashion was never meant to be an inherently elitist form.

00:17:09

We need to return fashion to its utilitarian roots.

00:17:13

Give it back to the people!

00:17:14

[Gunn]

00:17:14

Bravo! He is making it work. -

00:17:14

[applause]

00:17:17

[ringtone]

00:17:17

■ To-To-To-Todd! ■

00:17:19

Todd's phone. Leave a message at the Todd.

00:17:22

The DNA matched!

00:17:23

Looks like a wide variety of screen roles isn't the only thing Channing brought life to.

00:17:28

It's a match? I gotta tell Holly... woo agents to keep their eyes peeled for a refugee baby with abs to die for.

00:17:28
[sighs]

00:17:39
Nick, tell Janae to stock the warehouse with red hoodies.

00:17:41
-This is the look of the future. -Couch-surfer couture!

00:17:45
[ringing]

00:17:49
Where's Hollyhock? I need to talk to her.

00:17:51
-She's in maid heaven. -She's dead?!

00:17:54
Sorry, I meant she belongs in maid heaven because she is a cleaning angel.

00:17:58
-Where is she? -I sent her to Channing Tatum's house to pay him back for collecting my mail while I was out of town.

00:18:02
Looks like I missed quite a deal at Pottery Barn.

00:18:05
Life is but an endless series of missed opportunities, some involving Pottery Barn.

00:18:10
Okay, I'm gonna--

00:18:11
Can you believe this? Mr. Peanutbutter's running for governor.

00:18:14
I can believe it, because I've been around for the last year.

00:18:17
Right. How's Diane feel about that?

00:18:20
You could ask her yourself. Does she even know you're back?

00:18:23
I wanted to call her, but I'm just not ready.

00:18:26
Nobody knows I'm back except you.

00:18:27
And Channing Tatum, and my pills guy, and my booze guy, my weed guy, my coke guy, some smartass at Pizza Hut who deserved an in-person finger-wagging,

00:18:35
-and my maid. -And now she's at Channing Tatum's house?

00:18:38
I came back because I wanted to fix things,

00:18:41
-but now I don't know if I can. -Uh-huh.

00:18:43
I've been so lucky to have people in my life who care about me.

00:18:46
I don't deserve any of them.

00:18:47
I definitely don't deserve to have a friend as amazing and generous and forgiving and thoughtful as...

00:18:52
-Yeah? Oh. -Channing Tatum.

00:18:53
I'm only gonna hurt him like I've hurt everyone else.

00:18:56
I was a fool to think I could just jump back into a new relationship.

00:18:59
Can you go over to Channing Tatum's house, tell him I won't be his friend?

00:19:02
I can't break another heart. Not today, not Channing.

00:19:04
Okay.

00:19:06
[panting]

00:19:09
-Hollyhock, I need to tell you something. -Did you get the results?

00:19:13
'Cause I'm really looking forward to dropping this whole maid thing, even though I'm kind of nailing it.

00:19:17
Are you sure you want to know? I don't know if BoJack is ready for a normal relationship with anyone.

00:19:24
Oh.

00:19:25
Well, that's fine. I don't want a relationship.

00:19:28
I already have eight dads.

00:19:29
It's not like a ninth dad is what I need to suddenly fill a hole in my life that the unconditional love of eight dads couldn't already fill.

00:19:35
Well, then good news.

00:19:36
I got the results and... it's not a match.

00:19:41
-Oh. Really? -Yeah. Good news, right?

00:19:44
I shouldn't have come here.

00:19:46
Papa Steve told me this was a bad idea.

00:19:48
But Papa Greg said, "Follow your heart."

00:19:50
Then Papa Dashawn said, "I agree with Greg."

00:19:53
Daddy Quackers said, "Let's put it to a vote, quack-quack."

00:19:55
[knock on door]

00:19:56
[Diane]

00:19:56
Hello? Anybody home? -Get down! Go, go, go! Shh.

00:19:59
[Diane]

00:19:59
I can hear someone in there. Channing?

00:20:01
Jenna Dewan? Their daughter, Everly Elizabeth?

00:20:04
Uh, it's me...

00:20:04
[deep breath]

00:20:04
Channing Tatum.

00:20:07
I'm in the middle of, uh, channing right now, but you can come back... tatum?

00:20:13
Listen, I'm a reporter.

00:20:15
I tested your DNA against another sample's DNA, and apparently the two are related.

00:20:20
-You're a father. -Wait, what?

00:20:22
-Okay. Thanks! -Todd.

00:20:24

I was going to write a story and drag your name through the mud just because I thought a couple more people would click on an article I wrote.

00:20:31

But I don't think that's the kind of journalist I want to be.

00:20:35

Maybe I'm not cut out for this line of work.

00:20:38

Sorry to bother you.

00:20:39

Uh...

00:20:39

[deep breath]

00:20:40

[in lower voice]

00:20:40

Hey, I obviously don't know you because I am Channing Tatum, the guy from Green Lantern or whatever, and you are a nobody, but you came all the way over here to warn me about something you hadn't even written yet.

00:20:53

You ask me, movie star Channing Tatum,

00:20:55

I'd say you're exactly the kind of journalist we need in this world.

00:20:59

Wow!

00:21:00

That doesn't sound at all like Channing Tatum's voice, but that is the kind of thing I would want Channing Tatum to say to me, so thanks, Channing.

00:21:10

Love half your movies!

00:21:11

[sighs]

00:21:11

That was a close one, huh, Hollyhock?

00:21:15

-Hollyhock? -

00:21:15

[ringtone]

00:21:15

■ To-To-To-Todd! ■

00:21:17

Todd's phone. What do you want?

00:21:19

So, I see lots of pictures of you at the fashion show,

00:21:22

-but none of you with Courtney. -Oh, crap!

00:21:25

[grunting, panting]

00:21:27

-Hi. -Oh, hello.

00:21:28

Uh, why are you wearing my clothes?

00:21:30

These aren't anything like your clothes. This hat alone cost \$50,000.

00:21:35

Oh. So, uh... what's it like being a movie star?

00:21:39

It's awfully trying.

00:21:41

Do you ever feel like everyone's looking at you

00:21:43

-but nobody sees you? -Yeah, that's exactly how I feel.

00:21:47

No, I was speaking rhetorically about a feeling that only movie stars get.

00:21:50

Ohh.

00:21:51

-Okay. -But it feels good to talk about it.

00:21:53

Yeah. Talking's good.

00:21:56

You know, there was a meeting I was supposed to go to tonight, but I don't think I'm gonna go. I don't know if I'm ready.

00:22:02

Ready for what?

00:22:03

What if it's not everything I want it to be?

00:22:06

Sometimes the idea of something is better than the truth, you know?

00:22:10

I always prefer fiction to truth, personally.

00:22:13

I've staked my career on it.

00:22:13

[chuckles]

00:22:14

Yeah, that makes sense.

00:22:16

-Ha hah! -Smile for the birdie.

00:22:18

Hey, Courtney, you canoodling with a supermodel now?

00:22:20

-That's right. -Fancy.

00:22:22

I love how not down-to-earth you are together.

00:22:24

This is going to really make headlines when you two break up.

00:22:28

Here's an even bigger headline: we shan't be breaking up.

00:22:31

-We're engaged! -Wowee!

00:22:33

Hooray! I'm confused!

00:22:38

Hollyhock? Are you here?

00:22:40

No, but BoJack, who lives here, is here.

00:22:43

BoJack, I gotta tell you, um...

00:22:47

-Hollyhock is your daughter. -What do you mean?

00:22:49

-She's your daughter. -I don't understand.

00:22:51

She has Horseman DNA. You're her father.

00:22:53

That's impossible. I'm BoJack.

00:22:55

She didn't want me to tell you, but I thought you should know.

00:23:00

I guess I don't blame her. I wouldn't want to be my daughter either.

00:23:02

BoJack...

00:23:03

Look what I do to people I'm supposed to care about.

00:23:05

I had sex with the one person I've ever seen you be in love with.

00:23:08

I guess they're not gonna put you in the best friends hall of fame, but I don't know that I loved her.

00:23:14

I don't think I'm allowed to be in love.

00:23:16

Don't say that. You do so much for everybody.

00:23:18

All you ever asked for was a roof over your head and the occasional s'more in a baguette.

00:23:22

I'm telling you, it's a million-dollar idea.

00:23:24

I got more of you than I ever deserved.

00:23:26

If you never talk to me again I just want you to know that I appreciate it, and I appreciate you.

00:23:32

-Thanks. -

00:23:32

[sipping]

00:23:33

It was shitty what you did with Emily, but, um...

00:23:37

I think I'm... asexual.

00:23:41

A sexual what? Dynamo, deviant?

00:23:44

Harassment lawsuit waiting to happen?

00:23:46

No. Asexual, not sexual.

00:23:49

Ohh.

00:23:50

-I'm sure you think that's weird. -Are you kidding? That's amazing.

00:23:54

Sometimes I wish I was asexual.

00:23:56

Maybe then I wouldn't have a strain of herpes.

00:23:58

-You have multiple strains-- -I know.

00:24:00

The joke only works with the "a".

00:24:01

It actually feels nice to finally say it out loud.

00:24:05

I am an asexual person.

00:24:07

-I am asexual. -That's great.

00:24:10

So if you're not mad about Emily--

00:24:12

It wasn't just Emily, BoJack, and I don't know if I'm ready for us to be friends again yet.

00:24:18

-Oh. Okay. -But we can be more than not-friends.

00:24:21

You know, for an asexual, more than not-friends is probably as good as it gets, right?

00:24:26

I'm not really at a place yet where I want to joke about it.

00:24:29

-Got it, got it, totally. -But it feels good to talk about it.

00:24:32

Well, if you ever need a place to crash, that couch--

00:24:34

-I'm gonna go. -Oh.

00:24:36

-Right now? -Welcome back, BoJack.

00:24:38

It's good to see you.

00:24:42

Uh...

00:24:44

Hmm.

00:24:45

[doorbell rings]

00:24:47

Todd?

00:25:02

[classical music playing]

00:25:09

[audience gasping]

00:25:09

-Hmm.

Ep 4 — Commence Fracking

00:00:12

[clears throat]

00:00:13

Let me be the first to tell you: I'm bad news.

00:00:16

You're actually not the first to tell me that.

00:00:18

I can't offer you parental guidance or advice or love or support or prolonged conversation or interest in you,

00:00:24

-or remembering your name. -It's Hollyhock.

00:00:27

-And I'm not looking for another dad. -Great.

00:00:29

But I've always wanted to know who my mother is.

00:00:32

Your mother? What do I look like, Josh Radnor?

00:00:35

Nothing? Nothing for Josh Radnor. How quickly we forget.

00:00:38

Just tell me the name of the woman you had sex with in December 1999.

00:00:43

That's all the relationship we need to have.

00:00:46

That was quite a time for our nation, sex-wise...

00:00:48

■ Oh, 1999 ■

00:00:52

Actually, I don't need a whole long story. Just get to the point.

00:00:55

The point is I banged a lot of women.

00:00:58

One-night stands, two-night stands, nooners, spooners, hot-air ballooners.

00:01:01

So, out of all of these women it sounds like you really respected, is there any chance one of them got pregnant and then put the baby up for adoption?

00:01:10

I guess Marcy was kind of a poking holes in the condom type.

00:01:13

Real nutter. Good lay, though.

00:01:15

Glad to hear my mother was a "nutter" and "a good lay."

00:01:18

Can I meet her? Where is she?

00:01:20

I bet she's still in that same apartment in the Valley. What a dump!

00:01:23

Can you take me there?

00:01:24

Help me find my mom and I'll leave you alone forever.

00:01:27

Deal. But can we go in the morning?

00:01:29

[yawning]

00:01:29

It's getting pretty late, I become a real asshole if I don't get a solid seven hours of bed drinking a night.

00:01:34

I should get going.

00:01:36

My hostel's all the way downtown in a pretty bad area.

00:01:40

Wait.

00:01:42

-Take this. -Okay.

00:01:44

Here I go, hope there are no murderers out.

00:01:48

Yes, everyone hopes that all the time.

00:01:50

-Okay, just do me a favor. -Ugh! What now?

00:01:52

If I do get murdered, will you call my eight dads and tell them I love them?

00:01:57

I gotta call all eight? They can't work out a phone tree?

00:01:57

[groans]

00:02:00

If you're gonna be a baby, stay here for the night.

00:02:02

-All right! -Take the couch and be quiet.

00:02:04

Don't get on your phone and text all your friends how sweet my house is.

00:02:07

Turn off all the lights when you're going to sleep, all of the lights.

00:02:15

[click]

00:02:16

-Thank you, BoJack. -

00:02:16

[door slams]

00:02:20

[theme music playing]

00:03:15

[moans]

00:03:15

Oh, I can't-- -Oh, you're-- you're in my--

00:03:18

-Wait, I'm not really-- -What if we try...

00:03:20

Wait, I'm almost... Oh, no.

00:03:22

I don't think it's going to happen.

00:03:24

[sighs]

00:03:24

I'm sorry, it's just difficult with all the--

00:03:26

[air horn blares]

00:03:27

[Katrina]

00:03:27

Who gave Todd the air horn? -Right.

00:03:29

-The campaign. -Exactly.

00:03:31

But it's just another two months, right?

00:03:32

After the election everything goes back to normal.

00:03:35

-Well, unless I win. -Right.

00:03:37

I gotta tell you, I'm having a blast.

00:03:39

I always knew I was probably good at something, but I never knew what it was.

00:03:43

Thanks to Katrina, I've finally realized I'm good at people liking me.

00:03:47

That's great, and you know I'm so happy for you,
00:03:51
but do you have to be the pro-fracking candidate?
00:03:55
[shudders]
00:03:55
-Diane, this is the campaign.
00:03:57
Nothing anyone says during a campaign matters.
00:04:00
It's just promising a bunch of stuff to get people to vote for you.
00:04:03
Then when you get an office, you can do whatever you want.
00:04:06
-Democracy in action. -Mark my words-- the only fracking that's
going to be happening
00:04:11
-is in this bedroom. -All right, guy.
00:04:14
I'm gonna drill you deep, and fill you with a mysterious substance
that scientists still don't quite understand the ramifications of.
00:04:21
-This isn't sexy for me-- aaah! -Did someone say "busy day"?
00:04:25
No one said "busy day," Katrina. What did we say about knocking?
00:04:29
It wastes vital seconds we'll never get back?
00:04:31
Anyway, everyone who isn't me needs to shut up right now.
00:04:34
-No one else was talking. -I actually have good news for once.
00:04:37
CNN released a poll today, and for the first time ever,
00:04:39
-Mr. Peanutbutter is up. -Damn!
00:04:42
Wow! Am I John Davidson, Cathy Lee Crosby and Fran Tarkenton
right now, because that's--
00:04:47
We don't have time for the reference you're setting up.
00:04:49
We're doing a presser in 30. Go downstairs, get some breakfast.
00:04:52
Yeah! Breakfast!
00:04:53
Am I Emilio Estevez, Molly Ringwald, Judd Nelson, the principal...
00:04:56
-Just get breakfast! -All right!
00:04:58
[horn blaring]
00:04:58
-Don't you forget about me.
00:04:59
-Diane, you look sad. -We were kind of in the middle of--
00:05:03
No, I'm saying you look sad.
00:05:05
Maybe you need to put on foundation, blush around the cheeks or
something.
00:05:08
[sighs]
00:05:12
[smoke alarm beeping]
00:05:12
[moans]
00:05:15
What the...? Huh?
00:05:17

[electricity crackling]
00:05:17
-Aaah! Aaah!
00:05:19
What's going on down here?
00:05:20
I was trying to make you breakfast to thank you for letting me stay
here!
00:05:23
I put a Pop-Tart in the microwave!
00:05:26
-Did you take the foil off? -No! I was doing it popcorn style!
00:05:29
It's all right, it's not your fault. Making food is impossible.
00:05:32
Let's get out of here and take you to your mom's house.
00:05:34
Should we do something about the fire?
00:05:36
Just leave it. It'll tire itself out eventually.
00:05:39
[munching]
00:05:40
So, who is this lady?
00:05:42
It's actually a cute story. She was the president of my fan club.
00:05:45
You had sex with the president of your fan club?
00:05:47
Yeah. "Oh, my God, what a monster!"
00:05:49
I slept with someone who loved me more than anybody else and
dedicated her life to knowing things about me and caring about me.
00:05:55
How could I be so shallow?
00:05:57
You're right, I'm sorry. Finish your cute story.
00:05:59
That was the whole story.
00:06:01
She was the president of my fan club, I had sex with her.
00:06:03
Then I didn't think about her for 18 years, and here we are.
00:06:12
[sighs]
00:06:15
[door opens]
00:06:15
-Good news, the results are in!
00:06:17
-Oh! -Bad news, the results are bad.
00:06:19
[groaning]
00:06:20
Like an omelet bar at a mongoose convention, you are running
dangerously low on eggs.
00:06:25
How many do I have left?
00:06:26
Well, let's just say it's more than Harry Potter movies, but fewer
than James Bond movies.
00:06:31
-Doctor, no! -What do you recommend?
00:06:33
Hmm. Have you considered impregnating a younger woman?
00:06:36
No, I want to do it with this woman.
00:06:38

You could try throwing money at the problem.

00:06:40

You're gonna want pre-natal vitamins, cervical mucus boosters, a "You Can Do It!" poster, and an iOvulate.

00:06:45

- "iOvulate"? - Let's hope so!

00:06:47

This state-of-the-art bracelet tracks your cycle and also gives you up-to-date info on your ovulation.

00:06:52

-Plus, it's voiced by Harvey Fierstein. -

00:06:52

[chiming]

00:06:55

Hello, I'm Harvey Fierstein. Let's put a baby in you.

00:06:59

[both]

00:06:59

Ooh!

00:07:03

[exhales]

00:07:04

BoJack?

00:07:05

Marcy, hey.

00:07:08

-I knew it. I knew you'd come back. -Right. Um... here's a very specific question: after we had sex, did you by any chance get pregnant and put a baby up for adoption?

00:07:16

-Yes. -Wait, really?

00:07:17

Oh, my God, you're my mother. Can I hug you?

00:07:20

-I'm hugging my mother. -Wow.

00:07:22

BoJack, I'm sorry, I really wanted to tell you.

00:07:25

But when I called the number that you gave me, it was for a sandwich shop in Temecula.

00:07:30

Wha...? That's so weird. You must have dialed it wrong.

00:07:33

And then I thought, well, you know, sooner or later you'd call me.

00:07:37

Yeah, yeah, I was gonna, but then, you know, 9/11 happened...

00:07:41

-Can you ever forgive me? -I think so.

00:07:44

Oh! I'm so sorry. Where are my manners? Please come in.

00:07:47

And that was just such a tough time for our country...

00:07:53

So, once we introduced vicious knife-play into our routine, it really gave our sex life the edge.

00:08:01

Love it, crooshed it.

00:08:02

So the article is just about a happy marriage with a healthy sex life?

00:08:05

We already have Raquel's piece about 69 days of sixty-nining.

00:08:08

-Uh-huh! -So croosh.

00:08:09

What about our readers who aren't having sex with their husbands?

00:08:12

Isn't this just gonna make them feel bad?

00:08:14

Not everyone gets to have great sex all the time, right?

00:08:18

Ladies?

00:08:20

Diane? Can I talk to you in your office for a minute?

00:08:23

I don't have an office.

00:08:24

You said offices have corners and corners are the patriarchy.

00:08:27

Fine. Can I talk to you in the hot-take, cool-down yoga area?

00:08:31

[deep breathing]

00:08:34

You seem tense.

00:08:35

Have you been eating gluten and also not having sex with your husband?

00:08:39

Whoa, Stefani, that's not--

00:08:40

Diane, relax! This is not a conversation between an employee and her superior.

00:08:46

This is a conversation between a friend and her superior.

00:08:50

The campaign has been testing our marriage.

00:08:53

Obviously, it's great to see Mr. Peanutbutter so excited, and I am supporting that.

00:08:57

But if I'm being honest,

00:08:58

I can't wait for it to be over so things can go back to normal.

00:09:01

-Hmm. And what happens if he wins? -He's not going to win.

00:09:04

Did you see the new CNN poll this morning?

00:09:07

He could win. People do love fracking.

00:09:10

It's fun to say! "Frack! Frack! Fricky-fricky-frack"

00:09:10

[laughs]

00:09:14

People wouldn't love saying it if they understood what it actually was.

00:09:17

-So tell them. -I can't go against my husband.

00:09:20

What the frack? Why not? You gotta do you, girl.

00:09:23

I always say, you gotta do you.

00:09:25

And if he's doing him, then who's doing you?

00:09:29

Because right now, it seems like no one's doing you.

00:09:32

[groans]

00:09:35

...and then when I was eight,

00:09:37

Lizzie Dunbar's mom rented us all Freaky Friday for a sleepover, and I got really sad because I realized I didn't have a mom to switch bodies with.

00:09:44

Am I talking a lot? I feel I'm talking a lot.

00:09:47

-Yes. -Oh! I need to show you something.

00:09:49

Okay, so this may seem cuckoo, but I was so head over heels in love with your father that after we made sweet love, and he didn't call me again,

00:09:57

I just got so jealous, so I made a list of every girl he was with... and I found their home addresses...

00:10:03

-Oh. -...and drew Xs over their eyes.

00:10:05

I'm loving this conversation but I have to go the bathroom now, for non-me being weirded out by this conversation-related reasons.

00:10:14

I just keep thinking about how different things would have been if you'd have just called me.

00:10:19

We could have had a family together for 18 loving years.

00:10:23

-That might have-- -

00:10:23

[Hollyhock]

00:10:23

BoJack!

00:10:25

[groans]

00:10:25

Kids. What?

00:10:26

Can you join me in the bathroom for a minute?

00:10:28

What?! No!

00:10:29

-Do you want me, sweetheart? -No, it's a dad bathroom thing.

00:10:34

Uh... Hollyhock?

00:10:36

That woman is not my mother. She's lying to us!

00:10:39

Marcy? No way!

00:10:41

Look. This is from the premiere of Autumn in New York.

00:10:43

That movie came out in August of 2000. I was born in September.

00:10:47

Does this woman look eight months pregnant to you?

00:10:50

Why would they release a romantic drama called Autumn in New York in the middle of summer?

00:10:55

Richard Gere had just done Runaway Bride,

00:10:57

Winona Ryder was hot off Girl, Interrupted

00:10:59

-so the studio got cocky. -How do you know all this?

00:11:01

I looked it up on the Internet because I saw this picture and got confused why Marcy would wear a summer dress to a movie called Autumn in New York.

00:11:09

This is a summer dress? I guess I don't know dresses.

00:11:12

BoJack, focus! That's not my mom!

00:11:14

So the lesson here is I was right to never call her.

00:11:17

-Wait, so who-- -

00:11:17

[Marcy]

00:11:17

Are you okay in there?

00:11:19

-Don't come in! -Yes! Father-daughter bathroom time!

00:11:21

The scrapbook! She has that list of all the other women you slept with.

00:11:25

If we get the book, we can find my mom.

00:11:27

Give me a few minutes. I'll distract her, then you sneak in and grab the book.

00:11:33

[BoJack]

00:11:33

Okay.

00:11:35

And what was the first appearance of the Horse's identical cousin?

00:11:38

[Marcy]

00:11:38

Season eight, episode four.

00:11:40

[BoJack]

00:11:40

Yeah, yeah. That's right. What was the horse's boss's name?

00:11:45

-What are you doing? -Oh, my God!

00:11:47

You're not supposed to see this. Look away!

00:11:49

It's okay, Hollyhock. This is what Mommy and Daddy do.

00:11:51

-Ugh! You said give you a few minutes! -I didn't think it would take this long.

00:11:55

I usually finish faster.

00:11:56

-You're disgusting! -

00:11:56

[moans]

00:11:56

That's what I needed.

00:12:04

-Can I please have a grasshopper? -

00:12:04

[seductively]

00:12:04

Yes?

00:12:07

So the studio finished Mars Attacks! without him.

00:12:10

And since no one ever found a body, my client Tony Tromboni has been making movies

00:12:15

-under the name Tim Burton ever since. -Oh!

00:12:18

[chiming]

00:12:18

- I'm Harvey Fierstein.

00:12:19

Your ovulation window is closing soon. Please commence copulation.

00:12:24

Oh, fish! We gotta go.

00:12:25
-Can't we finish lunch? -You heard the bracelet.

00:12:27
Okay, well, uh, let me get the check.

00:12:29
-There's no time for that! Ralph! -We gotta pay for our--

00:12:32
I have an egg inside me that is ripe to be fertilized.

00:12:35
His name is Philbert.

00:12:37
-Princess Carolyn-- -Uh-uh! Philbert Stilton, and he's going to be sweet and smart and a phenom on the clarinet, and one day you'll be driving him home from band practice and he's going to all of a sudden say something so insightful and true that you'll be positively floored it came out of the mouth of your son.

00:12:55
But if you don't take me home right now and impregnate me,

00:12:58
-then Philbert will never exist. -

00:12:58
[plates clatter]

00:13:01
Okay, let's go.

00:13:05
-You told me to distract her. -We don't need to talk about it.

00:13:08
So now that we got the list, we gotta go see all these other women?

00:13:11
Not all of them, just the ones you didn't see in the nine months after you had sex with them.

00:13:16
-That's gonna be most of them. -Yeah, figures.

00:13:18
Ooh!

00:13:19
Tilda Madison? You dated the Timedium, Tuesdays at 9:00 on CBS?

00:13:24
I never understood that show. What's a Timedium?

00:13:27
She's a medium, but she can also travel through time and she solves crimes.

00:13:31
That's so stupid. She time-travels and she's a medium?

00:13:34
But the one crime she can't solve is her husband's murder.

00:13:37
[groans]

00:13:39
[sitar playing]

00:13:41
So my name is Hollyhock and I love apples but hate applesauce, too slimy.

00:13:45
I was the captain of the JV soccer team--

00:13:47
BoJack, why did you bring this child into my sanctum?

00:13:51
I can make this real quick.

00:13:52
Did you give up my secret baby in the year 2000?

00:13:55
Oh, BoJack, do you recall the impetus for our uncoupling?

00:13:58
Is every one of these gonna be a whole thing?

00:14:00

You were a cad and a boor.

00:14:02
But your fits of sardonic japery amused, to a point, until you impregnated me.

00:14:08
Suddenly, I was awash in dreams of idealized domesticity.

00:14:12
But when I told you I was with child,

00:14:14
I received a check in the mail for \$200 with the memo line,

00:14:18
"BoJack's half of the abortion."

00:14:20
So you put me up for adoption?

00:14:21
Child, no. I had the abortion.

00:14:23
Nice. You don't want any little BoJacks floating around.

00:14:26
Last thing this world needs is more of this garbage.

00:14:28
-Uh, excuse me? -No, you're great, you seem cool, but if we could go back in time and prevent it...

00:14:34
-Right? -

00:14:34
[groans]

00:14:35
Hollyhock, I didn't mean...

00:14:39
By the way, your show sucks. Should be called Tedium.

00:14:42
[tires screeching]

00:14:42
[horn honks]

00:14:44
[chiming]

00:14:45
Your uterus contains the secrets of life, the ability to create.

00:14:49
-Go, go! Oh, God! -I'm going!

00:14:51
At this point, your ovum has burst out of the swollen follicle,

00:14:55
traveled down the long gentle river of the fallopian tube,

00:14:58
and been welcomed by the warm embrace of the silk-lined uterus.

00:15:03
No, no, no.

00:15:04
You must fertilize that precious ovum now or it will disintegrate into nothingness.

00:15:08
Hit the gas! Do it for Philbert!

00:15:12
[siren blaring]

00:15:14
-Pull over your vehicle, now! -

00:15:14
[groans]

00:15:17
Oh, fish!

00:15:19
So in conclusion, I don't think California is the greatest state in the country.

00:15:24
But it can be.

00:15:26

Beautifully put. I'd like to drill down, as it were,
00:15:29
-on the subject of fracking. -Drill away.
00:15:31
Now, mere hours ago your wife, Diane Nguyen,
00:15:34
seen here eating a messy sandwich,
00:15:36
published an essay online titled "The Case Against Fracking"
00:15:40
in which she posits, quote...
00:15:42
"If these frack-happy politicians even knew how dangerous it was,
00:15:45
they wouldn't allow it in their own backyards."
00:15:47
-Diane wrote that? -Damn.
00:15:49
Mr. Peanutbutter, your wife has issued a challenge.
00:15:52
Would you allow fracking in your own backyard?
00:15:55
I would.
00:15:57
Joining us now via Periscope is Frankie Flackery,
00:16:00
foreman and spokesyak for Flackery Will Get You Everywhere
00:16:03
industrial drilling company.
00:16:05
-How are ya? -Flackery Flack, let's talk frack.
00:16:08
Mr. Peanutbutter has invited you to drill on his property.
00:16:12
-Uh-- -Will you take him up on this invitation?
00:16:14
-I could have a team there this afternoon. -Oh...
00:16:17
Ready when you are, boys!
00:16:20
Sir, I apologize. We are very eager to get home.
00:16:23
You were going 36 miles per hour. The speed limit here... is 35.
00:16:28
-Yes. -Now, I'm no mathematician.
00:16:31
-I'm just a humble officer of the law. -Okay.
00:16:33
So you tell me, is 36 below 35 or is it above 35?
00:16:38
Just write us a ticket and let us go.
00:16:40
Now, now, talking back to Officer Meow Meow is a major no-no.
00:16:43
[chiming]
00:16:43
-Hello! Harvey Fierstein here.
00:16:46
Oh! Who said that? Is there another man in your vehicle?
00:16:49
- Hello? -Show yourself, fiend!
00:16:50
We don't have time for this! I'm in heat!
00:16:52
Ma'am, you need to calm down!
00:16:54
Don't tell me to calm down or call me ma'am!
00:16:57

Just write us a goddamn ticket so I can go home and mount my
boyfriend!
00:17:00
That's enough! Out of the car, all three of you!
00:17:06
Obviously, I didn't mean you.
00:17:08
You're giving me the silent treatment?
00:17:10
I guess I have thin skin.
00:17:11
Must be the half of me that's made of garbage.
00:17:14
[sighs]
00:17:14
Well, who else is on this list?
00:17:17
Stacy, Fabiana... Tonya Harding? She is not gonna be happy to
see me.
00:17:21
She said sleeping with me is the worst thing she ever did.
00:17:23
I'm sorry it's so unpleasant for you to have to interact with women
you were shitty to.
00:17:28
I don't understand why we're even doing this.
00:17:30
You're never gonna switch bodies with your mom.
00:17:33
That ship has sailed and is also impossible.
00:17:35
-Pull over the car. -No.
00:17:37
-Pull over now! -Jesus. Fine.
00:17:40
-I'm gonna do the rest of this on my own. -No. Hollyhock.
00:17:44
I got the list. I don't need you anymore. Have a bad life.
00:17:48
Joke's on you, I already have one!
00:17:54
Oh no. No. No, no.
00:17:57
Where's Mr. Peanutbutter?
00:17:58
He's giving a stump speech on the subject of stumps.
00:18:01
-Turns out he's pro. Great for sitting. -
00:18:01
[groans]
00:18:04
I'd be careful with that faucet, the water comes out very hot
because of the fracking.
00:18:08
Aaah! How could you let him do this?
00:18:11
You're the one who called his bluff. Don't do that.
00:18:13
-This just makes my job harder. -I didn't "call his bluff." I just--
00:18:17
Woman, you have one job: be his wife, be supportive.
00:18:21
I am being supportive.
00:18:22
Was that you being supportive today with that piece you wrote
00:18:25
-for your stupid girl website? -It's called Girl Croosh.
00:18:28

"Stoopid Gurl" is just a subsection of the main site.

00:18:32

And my piece wasn't about Mr. Peanutbutter, specifically.

00:18:35

I'm gonna cut this conversation short, my time is more important than yours.

00:18:38

This goes one of two ways.

00:18:40

Either you shut up and be pretty, or your approximation of that, or don't support him, he resents you, your marriage implodes.

00:18:46

-Pick your poison. -Damn!

00:18:48

Not that I get to vote, but from one Mrs. Peanutbutter to another, it's been really fun for me to watch this new marriage fall apart.

00:18:55

-We're not. -So thank you, Diane, for that tiny sliver of mint in the smoothie of dogshit that is trying to get that popular idiot elected.

00:19:04

Good night.

00:19:05

Damn!

00:19:09

[blaring]

00:19:15

[chiming]

00:19:15

-I'm Harvey Fierstein,

00:19:17

and I hope you're almost done having sex

00:19:19

because your ovulation cycle will soon be ending.

00:19:22

Huh.

00:19:23

I'm sorry we couldn't get home in time.

00:19:25

-Your lawyer, he's good? -The best.

00:19:29

Then you know what we have to do?

00:19:31

Oh!

00:19:32

-For Philbert? -For Philbert.

00:19:34

[grunting]

00:19:36

-What are you doing back there? Hey! -

00:19:36

[moaning]

00:19:39

-Sorry you have to be here for this. -Keep your eyes on the road.

00:19:42

Hey! You two cut that out!

00:19:43

I'll write you up for lewd conduct. Lewd, crude and partially nude!

00:19:48

Not to mention the rude 'tude of you two dudes, while this prude...

00:19:52

-Hey, listen to me! -Whoa!

00:19:53

[voice of Fierstein]

00:19:53

And so the dance of life continues apace.

00:19:57

I'm Harvey Fierstein, bidding you a sexy good evening.

00:20:00

[Officer Fuzzyface]

00:20:00

No!

00:20:03

Can I get my check now?

00:20:04

[sighs]

00:20:06

Alone, at last. Thank God.

00:20:14

[sighs]

00:20:17

[groans]

00:20:17

Fine, fine, fine.

00:20:20

Hi, Fabiana. Before you slam the door--

00:20:22

Did a young horse girl come by here, about yay high?

00:20:26

You're still mad about your dad's funeral? That was 18 years ago!

00:20:30

Thank you, Tonya. I know we've had our differences, but seeing you always leaves me weak in the knees.

00:20:35

[groans]

00:20:41

[grunts]

00:20:41

-Hollyhock.

00:20:44

-Was that her? -Ugh! No.

00:20:47

[groans]

00:20:48

I talked to 23 women today and none of them were my mother.

00:20:52

-How did you find me? -I went to everyone on that list.

00:20:55

You talked to all those women? Some of them--

00:20:58

-Really haven't aged well, I know. -I was gonna say, really hate you.

00:21:01

Oh, yeah, that too. But I needed to find you.

00:21:04

To tell you I'm sorry, for being such an asshole then and also now.

00:21:08

This whole thing was stupid. I never should have come out here.

00:21:12

And I don't even care about having a mom, really.

00:21:15

Because I did fine for 17 years without one.

00:21:18

I don't need a mom.

00:21:20

Hollyhock, it's okay to want a mom.

00:21:21

No, it's not! Because that means my dads weren't enough for me, and they are!

00:21:27

[sighs]

00:21:28

I know I just met you, but if you do have any of the old Horseman gunk bouncing around in that brain of yours,

00:21:34

I gotta tell you right now you should give up on looking for "enough" because it will never be enough.

00:21:40
[whimpering]

00:21:42
[sobbing]

00:21:42
-Eww!

00:21:43
-Stop that. -I know, it's stupid.

00:21:48
-There, there. -You are so bad at this.

00:21:52
What do your dads say when you cry?

00:21:54
They say it's okay to cry, and that I shouldn't feel bad about feeling bad.

00:22:00
Well, that-- that's good advice, right?

00:22:02
They're really good dads. I should probably get back to them.

00:22:06
Oh. You don't have to leave right away.

00:22:08
Why don't you just stay with me a bit longer?

00:22:10
At least until we find your mom.

00:22:11
How are we supposed to do that? Every name on that list was a dead end.

00:22:15
Oh...

00:22:17
Yeah. But what if I told you there's a name that isn't on that list?

00:22:22
Someone Marcy never knew about.

00:22:24
What? Where is she now?

00:22:26
I don't know. But you can stay with me while we try to find her?

00:22:29
Okay. Yeah. What's her name?

00:22:31
Her name was Brown Car... la.

00:22:35
Carla Mercedes Benz... Brown.

00:22:38
"Carla Mercedes Benzbrown"? Weird name.

00:22:42
-You've got a weird name. -I guess you're right.

00:22:44
Maybe that's the first thing we'll talk about when I meet her.

00:22:47
Mm-hmm?

00:22:50
[keyboard clicking]

00:22:53
Diane, I know. I'm sorry about the trucks, but you didn't give me much choice.

00:22:58
I know these last few days have been crazy.

00:23:00
-But this is the hard part. -I need you to drop out of the race.

00:23:03
-What? -Please, Mr. Peanutbutter.

00:23:05
This isn't worth it.

00:23:06
I hear what you're saying and I will try to be more conscientious of your needs.

00:23:11
-Drop out of the race. -Because your needs are important.

00:23:14
I've written another piece for Girl Croosh.

00:23:16
It's called "The Case Against Mr. Peanutbutter."

00:23:18
When I hit this button, the post goes live.

00:23:20
Diane, don't.

00:23:22
I don't want to. And I won't, if you drop out of the race.

00:23:25
Jesus, Diane. You can't do that.

00:23:27
Because you're the only one allowed to make decisions for this family?

00:23:30
No. Because it's gonna come off as a weird lovers' spat and it's just going to embarrass everyone.

00:23:35
-Well, I'm sorry if I embarrass you. -Oh, come on.

00:23:39
You told me you weren't going to frack, and now I can't turn on a faucet in my own home without getting third-degree burns.

00:23:45
Oh, I get it. So like always, you're mad at someone, so your solution is to air your dirty laundry for everyone to see.

00:23:52
No. This is not about us. I don't want you to be governor because you would be bad at it, because you don't stand for anything.

00:24:01
[chiming]

00:24:01
-No!

00:24:01
[grunts]

00:24:04
[groans and grunts]

00:24:06
Hey!

00:24:08
Don't you dare. Robert Blake gave me that mug.

00:24:11
[grunts]

00:24:12
No! Oh, you...

00:24:15
[panting]

00:24:17
[grunts]

00:24:23
-I don't... -Shut up. Take off your shirt.

00:24:25
[panting and moaning]

00:24:30
[panting]

00:24:32
[moaning and panting, muffled]

00:24:32
[clattering]

00:24:34
[Mr. Peanutbutter howls]

00:24:34
[groans]

00:24:36
[panting]

00:24:36
[moaning]

00:24:41

-Frack me, Mr. Peanutbutter! -

00:24:41

[grunting and panting]

Ep 5 — Thoughts and Prayers

00:00:13

Oh, no. No, no. No, no, no, no, no.

00:00:17

Sorry to interrupt your lunch, but there was another mass shooting.

00:00:21

Oh, God, where?

00:00:22

A town outside Tampa called--

00:00:24

Not geographically, dipshit. What's the location?

00:00:27

What is it, a pharmacy? A haberdashery?

00:00:29

-It was a shopping mall. -No!

00:00:34

- Ms. Taken is coming out next month. -I know, sir.

00:00:37

The whole third act revolves around Courtney Portnoy shooting people in a mall.

00:00:40

What are we supposed to do now, not release the movie?

00:00:43

I hope it doesn't come to that.

00:00:45

I am sick and tired of real-life gun violence getting in the way of us telling stories that glamorize gun violence.

00:00:50

Why does this keep happening? Has the whole world gone crazy?

00:00:54

No, we've just been conditioned by a rugged individualist culture woven into the savage architecture of our country itself, birthed as it was through violent uprising, but perhaps popularized in the modern imagination by stories of--

00:01:05

Okay, Chomsky, when I want you to talk,

00:01:07

I'll staple a string to your back and then yank it.

00:01:09

Why not make yourself useful and schedule a sit-down with Courtney Portnoy's team to talk about how we distance ourselves from this fakakte mishegoss.

00:01:15

Got it. Except for the foccacia Michigan part.

00:01:18

Excuse me, could you point me in the direction of an H&M?

00:01:22

Sure. But when you get there, you're gonna be DOA.

00:01:26

Uh-uh. You picked the wrong shopaholic to mess with.

00:01:29

Because this shopaholic's also a holic for revenge.

00:01:33

[gunfire]

00:01:33

-Die, scum!

00:01:33

[laughing]

00:01:35

Courtney Portnoy-vey.

00:01:38

[theme music playing]

00:02:34

-Wow. Carla Mercedes Benzbrown. -Yep.

00:02:38

-My mother. -That's right.

00:02:43

[clears throat]

00:02:45

-I lied! -What?

00:02:46

There's no Carla Mercedes Benzbrown.

00:02:48

-I have no idea who your mother is. -What?

00:02:50

I don't want to have a relationship lying to each other.

00:02:52

Okay, so why did you lie to me?

00:02:54

I meant everything else I said.

00:02:55

I'll do everything I can to help find your mom.

00:02:57

To be honest, moms aren't all that great.

00:03:00

In fact, in my experience, they're soulless succubi

00:03:02

born fully formed from the ass of Satan.

00:03:03

Oh, my grandmother sounds like quite a character.

00:03:06

-Can I meet her? -Oh, my mom?

00:03:07

No, you cannot meet my mom because she's... dead.

00:03:11

-Oh. -Dead mom.

00:03:15

BoJack, what happened to the fudgesicles I bought?

00:03:18

-I lied again. My mom's not dead. -Stop lying to me!

00:03:21

That was, like, 15 minutes of lie. Plus, you don't want to meet my mom.

00:03:24

I do. Where does she live?

00:03:26

Oh, this spectacular elder care facility,

00:03:28

she has her own private room with a nice view,

00:03:30

'round-the-clock medical care,

00:03:31

and plenty of other seniors to say casually cruel things to

00:03:34

under a passive-aggressive veil of plausible deniability.

00:03:37

What's this place called?

00:03:38

I want to say Whispering Pines. Whistling Pines?

00:03:41

Unbelievable.

00:03:43

Something with a W. Winter's Bone?

00:03:45

-Take me there. -

00:03:45

[groans]

00:03:45

Fine!

00:03:47

-For real this time? -Yes. I promise.

00:03:49

I am not gonna lie to you ever again.

00:03:52

-Did you eat the last fudgesicle? -No.

00:03:56
I lied. I lied about the fudgesicle.

00:03:59
[gun cocks]

00:04:00
All this time you thought I was just another damsel in distress,

00:04:04
- but I'm afraid you were mis... guided. -

00:04:04
[gun cocks]

00:04:07
[gunfire]

00:04:07
[screaming]

00:04:08
Oh... oh.

00:04:10
[groans]

00:04:10
That is not good. -Okay.

00:04:12
Everybody set a Google Alert for "mass shooting."

00:04:14
Can't keep getting caught off guard.

00:04:16
This is so sad.

00:04:17
You always hear about mass shootings affecting other people's movie openings, but you never think they're gonna affect your movie opening.

00:04:17
[sobs]

00:04:24
My thoughts and prayers to the victims and their families.

00:04:26
-Of course. Yeah, thoughts and prayers. -Thoughts and prayers.

00:04:29
Tragedy like this really puts things in perspective.

00:04:31
Like, what are we doing sitting in a conference room?

00:04:34
Life is short. We should have this meeting at a water park.

00:04:37
Whoa! A water park where people have meetings.

00:04:40
-Maybe that's the movie. -I'm sorry, who is this schmuck?

00:04:42
I'm Courtney's asexual fake fiancé.

00:04:44
He's a common person/supermodel, being engaged to him makes me appear more approachable/glamorous.

00:04:49
Okay-slash-whatever. We still have time to cut the mall shootout from the film.

00:04:53
That still leaves the movie theater shootout,

00:04:55
-the shootout at the county fair, the-- -

00:04:55
[vibrations and buzzing]

00:04:58
We should probably lose the movie theater shootout.

00:05:01
Right. Well, we still have the county fair shootout.

00:05:03
[vibrations and buzzing]

00:05:03
-Oh, dear.

00:05:05
-This is a sad day. -What?

00:05:07
I gotta take this.

00:05:09
- BoJack? -Hi.

00:05:10
-Where have you been? -Listen.

00:05:12
I'm sorry. I was an awful boyfriend to you.

00:05:14
I was an awful client, and I was an awful friend.

00:05:17
This last year I spent some time away and it made me realize how special the people in my life are.

00:05:23
And you might be the most special of them all.

00:05:25
Wow, BoJack.

00:05:26
[chuckles]

00:05:26
I-- I appreciate that.

00:05:28
Anyway, the real reason I'm calling is, do you remember the name of that super nice elder care facility that we both agreed was the best place for my mom to run out the clock?

00:05:38
Oh, pluck a duck. It's called Walnut Springs.

00:05:40
Walnut Springs! I knew there was a W in there. Bye!

00:05:43
[sighs]

00:05:43
[ringing]

00:05:44
What?

00:05:45
I feel like I didn't strike the right tone in the last phone call.

00:05:48
I really am sorry, and the most important thing is, you know how dedicated I am to making things right again.

00:05:52
Okay. Thank you.

00:05:54
Anyway, the real reason I'm calling is, turns out there's a few Walnut Springses in the SoCal area.

00:05:58
It's the one in Santa Barbara, dummy!

00:06:00
-Yeesh! Cranky much? Who died? -A lotta people!

00:06:04
[panting]

00:06:04
-Sorry, what did I miss?

00:06:06
Courtney's beloved was outlining his plan to curtail gun violence.

00:06:09
I'm just saying, if people have the right pumped-up kicks, maybe they can outrun the bullets.

00:06:16
All this talk of gun violence is depressing.

00:06:18
-Ms. Taken is a movie about empowerment. -That's what I've been saying!

00:06:22
It's Bridget Jones with slightly more bloody murdering.

00:06:24

We just have to keep the story on Courtney, and not on the depressingly unstoppable rise of real-life gun violence in this country, thoughts and prayers.

00:06:32

-Thoughts and prayers. -Thoughts and prayers.

00:06:37

[All Things Considered theme playing]

00:06:37

-Oh.

00:06:39

[cell phone vibrating]

00:06:41

[Robert Siegel]

00:06:41

The House Majority Whip outlined a new bipartisan plan

00:06:44

to encourage you to answer your ringing phone.

00:06:47

[Audie Cornish]

00:06:47

For Thursday, October 12, this is All Rings Considered.

00:06:51

-I'm Robert Siegel. -And I'm Audie Cornish.

00:06:53

The proposed bill would take effect when someone tries to call you

00:06:56

-and you hear this ringtone. -

00:06:56

[vibrating]

00:06:58

-Hello? -Diane!

00:07:00

I got an exclusive for you.

00:07:02

You are going to write a glowing feature about my client and her new movie.

00:07:06

-Why would I... -You know Courtney Portnoy.

00:07:08

You probably recall when she soared as the thorny horticulturist in One Sordid Fortnight With the Short-Skirted Sorceress.

00:07:14

-Uh... -How would you enjoy joining Portnoy for a scorched soy porterhouse pork four-courser at Koi?

00:07:20

-Wait, what? -Glorify your source, but don't make it feel forced, of course, and try the borscht. Smooches!

00:07:26

- Hey-- -And that's how you do it, folks.

00:07:31

Oh...

00:07:31

[gasps]

00:07:33

You're telling me you didn't feel one twinge of guilt when you left your mom in this place?

00:07:37

Uh... twinge of guilt, twinge of guilt, trying to remember, no.

00:07:40

-Definitely not. -Damn.

00:07:42

You didn't know my mom.

00:07:44

Football? You don't have the haunches for it.

00:07:47

You'll only embarrass yourself, as in every other endeavor you pursue.

00:07:50

-But, Mom... -If you're looking to get knocked around for an afternoon, why don't you just read one of your father's manuscripts and tell him his prose is pedestrian and derivative?

00:07:59

Works for me every time.

00:08:00

[inhales and puffs]

00:08:04

Mrs. Horseman, you have a visitor.

00:08:09

Oh, uh...

00:08:10

-Hi, Mom. -Do I know you?

00:08:13

Here we go. Yes, Mom, I never visit. You got me.

00:08:16

-Henrietta? -Okay, we're doing this?

00:08:18

I think she really doesn't know who you are.

00:08:20

She knows. This is just like when she pretended not to recognize me after my shaky choir solo in eighth grade.

00:08:25

I had to get a ride home with the pianist who liked to tickle a lot more than just the ivories.

00:08:30

When I made it home unscathed, she said, "Huh. I guess no one wants you."

00:08:33

Henrietta, could I trouble you for some orange juice, please?

00:08:37

Stop calling me Henrietta! Nobody here's named Henrietta!

00:08:39

Henrietta, orange juice. Now!

00:08:41

You're not being paid for polite conversation.

00:08:43

-BoJack, maybe you should just-- -Oh, hello! It's you.

00:08:45

Hollyhock.

00:08:46

I must apologize for Henrietta. She learned to read on secondhand books.

00:08:52

Mom, do you really not know who I am? Me, famous BoJack?

00:08:55

If you are getting orange juice, I'd love a glass too.

00:08:58

Oh. Uh, okay.

00:09:04

So you see I'm really quite ordinary and relatable.

00:09:07

Yeah, you put your pants on one leg at a time.

00:09:09

Well, I step into my pants one leg at a time, then my trouser-maidens lift the legs simultaneously to avoid wrinklage.

00:09:16

Well, right, of course, why else have trouser-maidens?

00:09:19

-Hey. Konichiwa, Princess Mulan. -Just leave us alone, okay?

00:09:23

I was giving you a compliment.

00:09:24

First, konichiwa is not a compliment, it's Japanese for hello.

00:09:27

Second, I'm not Japanese.

00:09:28

Maybe I could put something in that sweet mouth of yours

00:09:30
-so you don't have to talk so much. -Whoa!

00:09:33
One more step, asshole.

00:09:34
-What... -Whoa, whoa, whoa!

00:09:36
I was joking. I don't want any trouble.

00:09:37
-Tell your story walking. -...the... shit was that?

00:09:42
I don't know! My instincts just kicked in.

00:09:45
Why do you even have a gun?

00:09:47
Well, using it in the movie was so empowering, and now I just carry it everywhere. Do you want to hold it?

00:09:52
No, I am very anti-gun.

00:09:54
In fact, I think the whole idea of guns is inherently--

00:09:57
Holy shit, I'm holding a gun. How long has this been in my hand?

00:10:00
-Slides right in, doesn't it? -It actually feels kind of nice.

00:10:03
Would you like to try shooting it? We can go to my gun range.

00:10:06
You have your own gun range?

00:10:07
I'm Courtney Portnoy. I have all the things.

00:10:13
[clicking]

00:10:24
[breathless gasp]

00:10:24
Whoa...

00:10:29
[Bea]

00:10:29
I can't believe you came back.

00:10:31
-Who, me? Or BoJack? -You look just like him.

00:10:34
-People tell me that. -

00:10:34
[groans]

00:10:36
Your mother's dementia is progressing rapidly.

00:10:38
-You came out of nowhere. -Yes.

00:10:40
I snuck up on you on purpose as a symbol for the alarming creep of dementia.

00:10:43
-It isn't there, until it is. -Thank you, very colorful.

00:10:46
We tried to call you, but the number you gave us

00:10:49
-connected to a sandwich shop in Temecula. -Is that right?

00:10:52
This is the most responsive she's been in weeks.

00:10:55
I think with regular visits from you and your daughter--

00:10:57
That's not happening.

00:10:58

Seeing my mom is like a Terrence Malick movie.

00:11:00
Every ten years or so is bearable, but more than that and it starts to get annoying.

00:11:03
She won't last another ten years.

00:11:06
-Well, I guess that's it, then. Bye, Mom! -Huh?

00:11:08
Come on, Hollyhock, let's blow this Jell-O stand.

00:11:10
We're gonna come back though, right?

00:11:12
We can't just leave her like this.

00:11:13
You can do anything if you believe in yourself.

00:11:15
-We have to come back. -

00:11:15
[Bea]

00:11:15
Henrietta?

00:11:17
-Every week. -Why?

00:11:18
Because she's your mother and dementia is hereditary.

00:11:21
One day, you're gonna be in a home like this, and so will I, and wouldn't you want someone visiting you?

00:11:26
[groans]

00:11:26
Fine. We'll come back. Happy?

00:11:29
Where's my orange juice, slag?

00:11:33
[gulping]

00:11:35
Ahhh!

00:11:36
[gulping]

00:11:39
Ahhh! See ya next week.

00:11:43
[humming]

00:11:45
-Hey, are we out of milk? -I can pick up some after work.

00:11:47
Great. Also, real quick follow-up, why are you holding a gun?

00:11:51
Oh, my God!

00:11:52
Did I drive all the way home without realizing I was holding a gun?

00:11:55
No wonder that guy at the gas station didn't charge me for the Red Vines.

00:11:59
[gasps]

00:11:59
Did I rob a gas station?

00:12:01
Classic Diane shenanigans.

00:12:03
Or as I call them, "Diane-igans." All right, be safe.

00:12:07
[smooches]

00:12:07
[sighs]

00:12:09

Hmm.

00:12:12

[Diane]

00:12:12

Let's get one thing out of the way right now.

00:12:15

If you're a man, you're not gonna get it.

00:12:18

Some of you think you get it. You want to get it.

00:12:20

You listen, nod and say all the right things

00:12:23

when we tell you our stories.

00:12:25

But you still can't actually know what it feels like

00:12:28

-to constantly have your guard up. -

00:12:28

[wolf whistle]

00:12:31

In parking garages, walking the street, even at work.

00:12:35

I'm tired of trying to help men understand

00:12:37

how it feels to be a woman.

00:12:39

Starting now, I'm doing what it takes

00:12:41

to put the power in my own hands.

00:12:43

That's why I own a gun.

00:12:52

-That was our senior picnic. -Oh.

00:12:54

Oh, here I am. There's Polio Larry.

00:12:58

Yup, she sure remembers all the important people.

00:13:00

[Hollyhock]

00:13:00

And who's this? -

00:13:00

[Bea]

00:13:00

That's my brother, Crackerjack.

00:13:03

That's not Crackerjack, that's me.

00:13:04

Thirty seconds after that picture was taken you yelled at me for getting ice cream on my shorts.

00:13:08

No ice cream for me, Henrietta. I'm watching my figure.

00:13:11

Yeah, you want to look pretty for when Death comes to visit.

00:13:14

Beth? No.

00:13:15

We stopped talking after she wouldn't eat my casserole and then I told the whole supper club that her son was a gay.

00:13:21

-Ooh. -Okay. You two enjoy each other.

00:13:23

I'm gonna go see if I can seduce a lonely dowager into giving me her night-night pills.

00:13:27

Wow. Is this you?

00:13:28

[Bea]

00:13:28

This is me at my debutante ball. -You were so beautiful.

00:13:32

You could be thin, too. Just go easy on the sweets and when you go somewhere, don't walk, gallop.

00:13:39

Ice cold, Grammy-gram.

00:13:43

[both]

00:13:43

Morning time, Hollywoo!

00:13:44

I'm A Ryan Seacrest Type.

00:13:46

And I'm A Billy Bush Type.

00:13:48

Here's something I'm just now reading on a cue card.

00:13:50

All the ladies are getting concealed carry permits.

00:13:53

It's the newest thing.

00:13:54

I wouldn't want to be around one of those ladies at a certain time of the month, if you know what I mean.

00:13:59

[laughs]

00:13:59

I don't.

00:14:01

Joking aside, I think it's great these gals have a hobby.

00:14:04

Oh, and I'm being told by our producers that we have a breaking news alert--

00:14:08

-there has been another mass shooting. -

00:14:08

[groans]

00:14:11

I am totally unqualified to cover a news story this important.

00:14:14

But as a straight white male, I will plow forward with confidence and assume I'm doing fine.

00:14:21

[groans]

00:14:21

Again with the crazy gunmen.

00:14:24

Princess Carolyn, if this keeps up, we're gonna have to put this movie on the shelf next to that wacky vacation comedy we did about the klutzy babysitter.

00:14:30

[Todd]

00:14:30

Ha! That sounds hilarious! -What the hell are you doing on this call?

00:14:34

Imagining that funny movie you just described.

00:14:37

Okay, what do all these shootings have in common?

00:14:39

Guns? Bullets? Who are you, Art Linkletter? Just spit it out.

00:14:41

Men! What if we played up the "Ms." in Ms. Taken ?

00:14:45

In a world of increasing terror, our movie tells women they don't have to be afraid anymore.

00:14:50

-Yeah, now you're talking. -When you put it that way, it almost sounds like these mass shootings could be a good thing for the movie.

00:14:56

No, no, no, of course not. They're a terrible tragedy.

00:14:59

Thoughts and prayers are with the victims.

00:15:01

-Right, thoughts and prayers. -But... anything that makes women feel unsafe might actually help our box office.

00:15:07

But you don't want women to feel unsafe.

00:15:10

Of course not!

00:15:11

Nobody wants that, nobody's saying that.

00:15:13

But if they already do feel unsafe, there's no reason not to capitalize.

00:15:17

Right, if they already feel unsafe anyway.

00:15:19

Exactly, we're not making them feel unsafe.

00:15:22

We're just profiting, albeit indirectly, from there being more mass shootings.

00:15:26

[cell phone vibrates]

00:15:28

In that case, I got good news and I got bad news.

00:15:30

Bad news is you're gonna want to avoid the 405.

00:15:35

-Ta-da! -Ugh! Keep it down.

00:15:37

Why are you carrying that thin hard book?

00:15:39

It's not a book, it's a DVD case.

00:15:40

We did a special episode about elder care.

00:15:42

Now we're gonna watch it and learn how to handle this bitch.

00:15:45

When you say "this bitch", do you mean your mom's dementia or your mom?

00:15:49

I think you can pick that up through context.

00:15:51

Season two, episode 12.

00:15:52

"I'm Ready For My Close-Up, Mr. Dementia."

00:15:54

-I'll go lie down. -

00:15:54

[music plays]

00:15:56

-Hey, Ethan, who's your friend? -

00:15:56

[Olivia]

00:15:56

Ethan made a friend?

00:15:59

This old man followed me home from the park.

00:16:01

-Can I keep him? -

00:16:01

[audience]

00:16:01

Aww.

00:16:03

[The Horse]

00:16:03

Here we go, again. -

00:16:03

[laughter and applause]

00:16:07

-BoJack? -Mom?

00:16:09

Hush, Henrietta. That's my son on the television.

00:16:11

-You know him? -I think I'd know my own son, wouldn't I?

00:16:14

[Ethan]

00:16:14

You heard the boss man.

00:16:16

Guess your daughter, the bikini model, will have to pick you up at the park.

00:16:19

Daughter, the bikini model?

00:16:21

Whoa, whoa, Ethan, this man is our guest!

00:16:24

[laughs]

00:16:27

Uh...

00:16:28

Huh.

00:16:33

[clears throat]

00:16:34

-You know I hate guns, right? -I know.

00:16:37

Although my official stated political opinion is I respect the Second Amendment but I think some gun purchases should require the barest amount of background checks.

00:16:45

Mr. Peanutbutter, you know I hate guns, too.

00:16:48

Or I thought I did. Or I still do, mostly.

00:16:50

But being a gun owner finally makes me feel as safe walking down the street as a man gets to feel all the time.

00:16:56

And that's an incredible feeling I'm not ready to give up yet.

00:16:59

If you can frack under our house, I should get to have a gun.

00:17:01

All right, that's fair.

00:17:03

I'm really proud we've found a way to keep our personal lives and our political lives compartmentalized.

00:17:07

Me, too.

00:17:09

-You have no idea... -Yes. I have no idea?

00:17:12

-Is your bubble of privilege so thick... -What's with humans and guns?

00:17:14

You're addicted to these things.

00:17:16

And what is it with men and not wanting women to feel safe?

00:17:19

-I don't-- -This is a gendered issue...

00:17:20

-Excuse me! -...make no mistake.

00:17:21
-I don't think women... -You can't sympathize...

00:17:23
...running around with guns makes anybody safer.

00:17:25
-Yeah. That's the danger. -I don't--

00:17:26
-Excuse me. -Not the men

00:17:28
who commit 90 percent of murders, it's the crazy hysterical women

00:17:31
you gotta worry about!

00:17:33
[grunting and moaning]

00:17:35
[Diane]

00:17:35
Yes, yes! Fill my chamber with your powerful bullets!

00:17:41
Beatrice, look who's back.

00:17:42
And we brought more Horsin' Around.

00:17:44
Oh? Good.

00:17:46
Because you love that BoJack, right?

00:17:48
Well, he's not much of a son, but the show can be a comfort sometimes.

00:17:52
[exhales]

00:17:57
They were playing your dumb show in his hospital room.

00:18:00
Which dumb show? New one or old one?

00:18:02
In the episode I saw, you walked in on your daughter in the shower.

00:18:05
The old one. That episode got us into the TV Guide "Cheers and Jeers" column.

00:18:10
We did not get a "Cheers."

00:18:11
You always could play the fool, BoJack.

00:18:14
We have to have this conversation now, on the way to Dad's funeral?

00:18:18
[sighs]

00:18:18
There was so much more I wanted to say to him.

00:18:21
Well... you can forget it now.

00:18:27
[laughs]

00:18:29
[Olivia]

00:18:29
And since you saw me naked, that means I get to see you naked!

00:18:34
[The Horse]

00:18:34
Something tells me I'm gonna regret this.

00:18:37
[audience laughing]

00:18:37
[groans]

00:18:38
Out of the way, hag, you're blocking the screen.

00:18:41
Uh-huh.

00:18:48
I know this must be painful for you.

00:18:50
Not painful, boring. This place sucks.

00:18:53
If I'm not getting credit for coming, what's the point?

00:18:55
If only there was some way for her to connect the BoJack from the show with the BoJack who visits her every week.

00:19:01
-Yeah, too bad we can't. Or can we? -Can we what?

00:19:05
Put on a live episode of Horsin' Around in the nursing home.

00:19:08
-Good thinking, Hollyhock. -Uh...

00:19:10
We'll do a Horsin' Around here at the home.

00:19:12
She'll love it because it's her son BoJack.

00:19:14
-Okay... -Then after the show,

00:19:15
I'll come out and say hello. And she'll say, "BoJack? Is that you?"

00:19:19
When her eyes spark with recognition,

00:19:21
I'm gonna sit down next to her, I'm gonna squeeze her hand and get real close and say...

00:19:25
-"Fuck you, Mom." -What?

00:19:28
I can finally tell her off! I'm gonna say, "Look at you, you old piece of shit, rotting in a nursing home!"

00:19:33
-Now I have the power! -That's what you want to say to her?

00:19:35
Oh, it's gonna be great! I can't wait to see the look on her face.

00:19:39
Okay, let's do this. Let's put on a show!

00:19:46
[ringing]

00:19:48
-Hey! -Bad news.

00:19:49
Hear about the mass shooting outside Tulsa?

00:19:51
Terrible tragedy. Thoughts and prayers.

00:19:53
We really have to do something about these men who go...

00:19:55
No, P.C. This time it was a woman.

00:19:57
A woman mass shooter? Oh, no, that really is bad news!

00:20:01
I just think this is what happens when you give women guns.

00:20:04
They start shooting people with them.

00:20:06
I mean, do they even know what guns are for?

00:20:08
I don't feel safe anymore walking down my own street alone at night.

00:20:11
Me, a man!

00:20:12

I am convening a series of congressional hearings

00:20:15

on the matter of women and guns.

00:20:17

Because even one death from the bullet of a female gun owner

00:20:20

is too many.

00:20:22

What are my constituents supposed to do,

00:20:24

not compliment random women on the street

00:20:27

because they might be carrying a gun?

00:20:29

We cannot allow our lives to be dictated by that kind of fear.

00:20:33

So you see, the trigger was specifically designed for a man's grip

00:20:38

and a man's temperament.

00:20:40

Look, all I'm saying is

00:20:41

maybe you shouldn't blame women for wanting guns.

00:20:44

Maybe you should blame the constant societal messaging

00:20:47

that tells us we are safe only as long as the men around us allow us to be.

00:20:52

So if you have a problem with women carrying firearms,

00:20:55

you can roll up your sleeves and actually work to create a society

00:20:58

where women feel safe and equal, or you can just ban all guns.

00:21:05

[gavel banging]

00:21:05

-The ayes have it.

00:21:07

Possession of any firearm is now illegal in the state of California.

00:21:11

We did it, boys.

00:21:12

-Huzzah! -Yes!

00:21:13

-Congratulations! -Fabulous!

00:21:16

I thought that was gonna go the other way.

00:21:18

Wow, Diane. You just passed sensible gun legislation.

00:21:22

I can't believe this country hates women more than it loves guns.

00:21:25

No?

00:21:30

BoJack, I don't know about this.

00:21:32

You'll be fine. Just remember to enunciate.

00:21:34

It helps if you imagine performing for the back row.

00:21:36

-Not that. I mean... -Shh! Here they come. Gladys, hit it!

00:21:39

[plays Horsin' Around theme]

00:21:44

Too bad I could never run for president, 'cause I love waffling!

00:21:47

Wha-- What is this?

00:21:48

Olivia, you usually love my breakfast humor.

00:21:51

Why so glum, sugarplum?

00:21:52

It's this algebra homework that gives me the blues.

00:21:56

-X-axis? Y-axis? -

00:21:56

[panting and gasping]

00:21:58

Where's the 'Y'-should-I-care axis?

00:22:00

Henrietta, what are you doing?

00:22:02

BoJack, maybe we should stop.

00:22:04

We just started. Let's at least get through the first act before we judge ourselves too harshly, huh?

00:22:08

I wonder if there's a way to make math fun.

00:22:11

[Hollyhock]

00:22:11

Math will never be fun. -

00:22:11

[clicking]

00:22:13

-The only thing I like is rap music songs. -

00:22:13

[groaning and panting]

00:22:15

Make this stop. How do I turn this off?

00:22:18

Don't change it. I want to see if this married couple can work through their differences.

00:22:24

-Gimme the remote! -This isn't right!

00:22:25

-Guys, sharing is caring! -

00:22:25

[grunts]

00:22:27

Oh, my God. Code red, code red!

00:22:29

What is happening? I don't like this!

00:22:31

No!

00:22:32

[Bea]

00:22:32

Let go of me. -Oh, God.

00:22:34

I am the heiress to the Sugarman Sugarcube Company.

00:22:37

You can't do this to me!

00:22:40

[screaming]

00:22:42

I never get to watch what I want.

00:22:46

You think we should still finish the episode, or...?

00:22:51

Our insurance policy is very strict and very clear.

00:22:54

Once a resident becomes violent, we can no longer house them.

00:22:57

Can you recommend another facility?

00:22:59

Frankly, at your mother's rate of deterioration, she probably doesn't have much time.

00:23:02

I recommend she spend it surrounded by the people who care about her.

00:23:05

Okay, who are they? Do you have their number?

00:23:07

-I was referring to you and your daughter. -Oh. Uh...

00:23:10

We'll take her. She can have the guest room,

00:23:12

-and I can sleep on the couch. Right? -

00:23:12

[groans]

00:23:15

Okay. If she really doesn't have much time left.

00:23:18

But if we get to this time next year, she's still hanging on, you will be getting a very strongly worded letter, mister.

00:23:24

Excuse me, could you point me in the direction of an H&M?

00:23:27

-Sure. -

00:23:27

[click]

00:23:29

That's all we got, once we took out all the guns.

00:23:31

Maybe it could work as an H&M commercial?

00:23:33

It's a shame. It was a great movie.

00:23:35

[sighs]

00:23:35

Yeah. Cut down in the prime of its life.

00:23:37

Well, I'm very sorry for your loss.

00:23:41

Eh, I'll be fine.

00:23:45

Hey, Beatrice, you hungry? I could make Pop-Tarts.

00:23:48

[Bea]

00:23:48

No, thank you.

00:23:50

You want to watch another Horsin' Around episode?

00:23:53

What's the point?

00:23:54

-Oh. -

00:23:54

[growls]

00:23:56

Oh, God.

00:24:06

I'm sorry you didn't get to tell your mom off.

00:24:08

I keep thinking about all the things I never said because I was so sure there'd be other days to say them.

00:24:13

-Why don't you tell her now? -It's not the same.

00:24:15

I should have done it back when she knew who I was, back when it would mean something.

00:24:19

But now, she's gonna die and she's never gonna know just how much I hate her.

00:24:22

I'm sure she knew, BoJack.

00:24:25

-Yeah? You're not just saying that? -She read your book, didn't she?

00:24:28

[sighs]

00:24:28

Yeah, but I really wanted to say it to her face.

00:24:31

Well, hey, she's here now, right? And she has good days and bad days.

00:24:36

Maybe, eventually, she'll recognize you. And then you can totally rip into her.

00:24:42

-You really think so? -Mm-hmm.

00:24:43

[chuckles]

00:24:51

Ep 6 — Stupid Piece of Sh*t

00:00:05
[BoJack]
00:00:05
Piece of shit. Stupid piece of shit.
00:00:09
You're a real stupid piece of shit. But I know I'm a piece of shit.
00:00:13
That makes me better than all the pieces of shit
00:00:15
who don't know they're pieces of shit.
00:00:16
Or is it worse? Breakfast.
00:00:18
Oh, I don't deserve breakfast. Shut up.
00:00:20
Don't feel sorry for yourself. Get breakfast, you stupid fat-ass.
00:00:24
These are cookies. This is not breakfast.
00:00:26
You are eating cookies. Stop it.
00:00:28
Stop eating cookies, go make yourself breakfast.
00:00:30
Stop it. Don't eat one more cookie.
00:00:31
Put that down. Do not eat that cookie.
00:00:33
[crunching]
00:00:33
-I can't believe you ate that cookie.
00:00:35
-Hey, BoJack, we need milk. -For the baby.
00:00:38
-For the what? -Where is the baby? I saw...
00:00:40
-Can I borrow your car? -What baby?
00:00:41
I don't know. Tina's gonna make breakfast.
00:00:43
She needs milk. Can I take the car or what?
00:00:45
[thinking]
00:00:45
Shit. I don't want her driving my car,
00:00:47
getting her grubby hands all over.
00:00:48
She's not grubby, she's your daughter, you piece of garbage.
00:00:51
You're a piece of garbage, a real shitty piece of garbage.
00:00:53
Uh...
00:00:54
Think, idiot. If she takes the car, you're trapped here with Mom
00:00:57
and her spooky lazy eyes.
00:00:58
If you get the milk and leave Hollyhock with Mom,
00:01:00
she could tell things about you,
00:01:02
poison your daughter against you, that what you want?
00:01:04
Okay, how about, um... Hold on.
00:01:06
[thinking]
00:01:06

They're looking. Say something!
00:01:08
Open your idiot dumb mouth!
00:01:09
I will get milk.
00:01:12
[door opens, closes]
00:01:13
[thinking]
00:01:13
Milk, milk. What are they talking about now?
00:01:15
Probably you and what a dumb piece of trash you are, you fat sack
of idiot.
00:01:18
Why not do the world a favor and swerve into oncoming traffic?
00:01:21
No, you don't deserve to die young, only the greats die young.
00:01:24
Oh, now you think you're young all of a sudden?
00:01:28
One drink.
00:01:31
Whoa. Is it night suddenly?
00:01:32
Suddenly sundown.
00:01:33
Suddenly "Sooze-town."
00:01:35
What was that show? "Suddenly Sooze-town?"
00:01:37
Brooke Shields... something?
00:01:39
Show was on for five years and now nobody-- Oh, my God, is that
life?
00:01:42
You're there, you do your thing, and then people forget.
00:01:45
"Forget it, Jake. It's Sooze-town."
00:01:47
Is that me? Am I the Suddenly Sooze-town of people?
00:01:49
Shit.
00:01:50
[groans]
00:01:50
[door closes]
00:01:52
Oh, shit. You gotta drive. Sober up, buddy.
00:01:54
Here we go, sober... now!
00:01:56
Sober, now!
00:01:58
Come on, you drunk piece of shit, be less drunk.
00:02:01
Now! Okay.
00:02:05
[alarm blaring]
00:02:06
[screeching]
00:02:08
Idiot. What'd you do all day? Piece of shit.
00:02:11
That's a day you'll never get back. What was that? You're a real
piece of--
00:02:14
-Where have you been? -Uh...

00:02:17
Did you get the milk?

00:02:19
Uh...

00:02:21
[theme music playing]

00:03:16
[thinking]

00:03:16
Stupid piece of shit.

00:03:19
Oh, God.

00:03:19
[groaning]

00:03:22
If you're looking for the milk Tina ended up getting,

00:03:25
Tina is using it to make us all breakfast.

00:03:28
[growls]

00:03:29
Well, it's about time someone pulls their weight around here.

00:03:32
Henrietta, you should make a healthy breakfast.

00:03:35
-Okay, that's enough from you. -For the baby.

00:03:39
No one loves a Fatty Patty.

00:03:41
[groans]

00:03:41
[Bea]

00:03:41
Uh-oh.

00:03:45
[thinking]

00:03:45
Is my house on a slant or something?

00:03:51
[Bea]

00:03:51
This wall needs to be painted. -I'm gonna go.

00:03:55
You don't want to stick around, eat breakfast together?

00:03:57
Great pitch, love your energy. It's a pass.

00:04:01
[thinking]

00:04:01
What are you doing? Go home.

00:04:03
You're parked on Mulholland doing nothing, you could be eating breakfast

00:04:06
with your long-lost daughter and dying mother.

00:04:08
You are a terrible person.

00:04:09
[horn honking]

00:04:09
-Use the shoulder, asshole!

00:04:12
He gets it.

00:04:16
[laughs]

00:04:16
I know, I wanted to tell you right away.

00:04:19
-Right this way. -Oh, I gotta go. See you tonight.

00:04:22
If it isn't my favorite client, Courtney Portnoy, and also another client, Todd.

00:04:27
It's always nice to be included in a sentence someone says.

00:04:31
So bad news first: Ms. Taken was a miserable failure.

00:04:34
-Princess Carolyn-- -But Courtney, more importantly, audiences are going to adore your tour de force performance as the forceful denim-clad court reporter in The Court Reporter Sported Jorts, the jet-setting jort-sporting court reporter story.

00:04:47
Yes, the film is spectacularly romantic and well-titled, but I need a change in representation.

00:04:52
No! Courtney! Before you fire me--

00:04:54
I'm not gonna fire you. Heavens, no! I fired my agents.

00:04:59
Oh, good. Yeah, agents are replaceable.

00:05:02
A manager is forever. That's the takeaway here.

00:05:05
I think you'll fall in love with my new agent.

00:05:07
-Love her already. Who is she? -He.

00:05:10
Yes, he, he, ha, ha.

00:05:10
[chuckles]

00:05:12
-Now tell me her name. -Rutabaga Rabbitowitz.

00:05:14
Oh, fish.

00:05:16
We got a nice bounce off of Court's engagement.

00:05:19
"Court" is what I'm calling Courtney for wordplay-related reasons

00:05:21
that'll become apparent at the end of this sentence, but that bounce has lost its pounce, and if we want to keep this name in the news, we're going to need a full- court press.

00:05:32
So what do you do after an engagement?

00:05:35
D-d-d-doy! Wedding of the century.

00:05:38
Whoa!

00:05:39
We're talking floral arrangements. We're talking procession of elephants.

00:05:42
We're talking Jaden Smith in a Clockwork Orange costume, reading a poem he wrote...

00:05:47
Does that poem rhyme? No! What are you, crazy? Of course it doesn't.

00:05:50
And, uh-oh, was someone looking for Sebastian Janikowski,

00:05:53
because here's the kicker--

00:05:54
we do the whole thing the weekend before the movie drops. Bam!

00:05:58
-Weekend before the movie drops? -Boom!

00:06:00

-That's this weekend. -Ka-zow!

00:06:01

-Four days from today. -Ooh.

00:06:03

Today? That's today!

00:06:04

Which is why it's so perfect. No notice is the new notice.

00:06:08

This wedding is so fancy we don't care if you have other plans.

00:06:11

-Total status move. -You're right.

00:06:13

Being engaged is one thing, but I'm not sure I want to actually get married.

00:06:17

We can draw up a standard Hollywoo sham-marriage contract:

00:06:21

-three years, non-exclusive, huge payday. -Oh.

00:06:24

And I presume you'll be arranging everything.

00:06:26

As Courtney's agent I'm happy to help, but I believe traditionally it's the bride's manager who plans the wedding.

00:06:32

[groans]

00:06:32

Okay.

00:06:36

[thinking]

00:06:36

Idiot. Stupid animal. Oaf.

00:06:39

[Bea]

00:06:39

You are just the prettiest thing.

00:06:41

-Yes, you are. -Who are you talking to?

00:06:43

Keep it down, oaf. You'll make the baby cry.

00:06:47

-Baby? -Yes, you are.

00:06:48

She kept asking where the baby was, so I had Tina get her this doll.

00:06:51

-She's totes into it. -Mom is "totes" into a baby?

00:06:55

Is it possible the baby got dipped in brandy at some point?

00:06:57

Or cigarettes, or regressive ideas about immigrants?

00:06:59

-I think she just wanted a baby. -Coochie-coochie-coo...

00:07:02

You shouldn't indulge her delusions. It's not right.

00:07:05

But she seemed really down. And you're never around anymore.

00:07:08

It was getting depressing to look at her.

00:07:10

That's why I made her this pillowcase.

00:07:12

You just put this over her head and everything is fine.

00:07:15

[groans]

00:07:15

[Bea]

00:07:15

Dark in here.

00:07:16

[growls]

00:07:16

-Hello?

00:07:19

So they're airing an F.H.B.A. Miami marathon this weekend.

00:07:23

Does anyone want to come over?

00:07:25

Oh, I actually have a big announcement.

00:07:28

I'm marrying Courtney Portnoy this weekend.

00:07:31

-Wow! Great, Todd. Good for you. -That's amazing.

00:07:33

I know it's pretty wild for an asexual to get married, but...

00:07:37

Not really. John and I are aces and we're married.

00:07:40

-Really? -Yeah.

00:07:41

Our wedding was nautical-themed.

00:07:42

Why nautical? Is that, like, an asexual thing?

00:07:45

No, man. We just really like boats.

00:07:47

Asexual just means you're not interested in sex.

00:07:49

Some asexuals are also a-romantic, but others have relationships like anyone else.

00:07:55

But involving boats?

00:07:56

I feel like you're getting really hung up on the boats thing.

00:07:59

So, it's not weird for an ace to get married?

00:08:02

No, if you found someone who really accepts you for who you are, go for it.

00:08:06

I will! I mean, I am. I mean, am I?

00:08:13

■ Beautiful eggs of '44 ■

00:08:16

■ For my baby, want some more ■

00:08:19

Mmm! Beatrice, this coffee is amazing.

00:08:22

[groans]

00:08:23

[thinking]

00:08:23

You stupid garbage fire. Everything sucks.

00:08:25

BoJack, did you see what your mother is doing?

00:08:28

Isn't it incredible?

00:08:29

Yeah, making breakfast at three in the afternoon. So with it.

00:08:32

Isn't this baby well-behaved? Hardly ever cries.

00:08:36

Probably because you're such a good mother, Beatrice.

00:08:38

Don't say that.

00:08:39

I was very nervous to have a baby in the house, but it turns out, all it needed is a mother's love.

00:08:46
Oh, when you grow up, you can be anything you want to be.

00:08:50
[thinking]

00:08:50
Lousy baby. What did it ever do that was so great?

00:08:53
Am I jealous of a doll?

00:08:54
Maybe if that doll wasn't so smug, looking at me with its creepy doll eyes...

00:08:58
She's tricking you, Hollyhock.

00:09:00
-This is not what she's really like. -Who cares?

00:09:02
Whatever beef you have with your mom, that's just a sweet confused old lady.

00:09:06
[thinking]

00:09:06
She's right. -Wrong. She's in there.

00:09:08
-She knows exactly what she's doing. -You are so paranoid.

00:09:11
Please stop fighting. All this shouting is bad for the baby.

00:09:14
Where was that keen parenting insight 50 years ago?

00:09:17
[gasps]

00:09:17
Henrietta, you're unfit to be a parent.

00:09:20
-I'm unfit? -

00:09:20
[thinking]

00:09:20
It's true, jackass.

00:09:21
You think it's so hard to be a parent to a doll? I could do that.

00:09:24
Hey, look, I'm cradling the baby. Hope I don't drop it!

00:09:28
[gasps]

00:09:29
Oh, no! I dropped it, but it's not crying.

00:09:31
Guess it's okay. I'm an amazing parent.

00:09:34
What if I left it in its room all day and didn't feed it or change it?

00:09:37
Oh, that's okay, too. I must be mother of the year!

00:09:40
-BoJack. -I know! What if for 18 years straight

00:09:42
I just tell it how worthless it is every day, how it embarrasses me, how my life would be better if it was never born?

00:09:48
Would that be a good idea? Probably, right?

00:09:50
Give me the baby back, you worthless waste of my husband's jism!

00:09:54
-Oh, so you do know who I am. -Govern yourself, Henrietta.

00:09:58
Hey, you think the baby would be okay if I threw it over the side of my deck?

00:10:01
-Probably, right? -

00:10:01
[Bea gasps]

00:10:02
BoJack, don't.

00:10:04
[thinking]

00:10:04
Do it.

00:10:05
Nah, I'm just kidding around. Here you go, Mom.

00:10:08
Oh, no! My hands are so slippery!

00:10:10
Oh, no! Oh, oh, oh!

00:10:14
No!

00:10:18
[thinking]

00:10:18
Nice arm.

00:10:20
[sobbing]

00:10:20
-Why did you do that?

00:10:25
[growling]

00:10:25
-You goddamn piece of shit idiot asshole.

00:10:30
This is what you do. This is what you always do.

00:10:32
This is why Mom loves Doll more than you. She's right. Doll never hurt anybody.

00:10:36
Doll wouldn't throw you over the side of a mountain.

00:10:38
Gotta make things right. Gotta get Doll back.

00:10:41
Okay, one drink. And then, Doll back.

00:10:44
You screw-up. You're making your daughter hate you.

00:10:46
Which is good, because look what happens when people love you.

00:10:49
Look at Penny. And Herb. And Sarah Lynn.

00:10:52
It's because you made them love you, BoJack.

00:10:54
You gotta fix this, dummy. How can you fix this?

00:10:56
Princess Carolyn? She hates your guts.

00:10:58
Todd? No. Diane? Yes! Oh, good.

00:11:00
Good old responsible Diane, she'll know what to do.

00:11:03
Oh... aah...

00:11:05
[groaning]

00:11:05
-Oh.

00:11:07
"California can't wait."

00:11:09
Am I Ace of Base right now?

00:11:11
Because all that I want is another one of these babies.

00:11:14

BoJack Horseman?

00:11:15

What is this, a will.i.am-style celebrity endorsement video?

00:11:18

-Where's Diane? -Oh, she's on the roof.

00:11:20

Boy, will she be surprised to see you. Diane!

00:11:23

[thinking]

00:11:23

What are you doing?

00:11:24

No, not like this. She doesn't know I'm here.

00:11:27

First time she sees me can't be drunk asking for help.

00:11:29

-What's wrong? You need help? - Idiot.

00:11:31

You gotta get me outta here. Where did I park?

00:11:32

-Um... -Beep. Beep, beep?

00:11:34

You shouldn't be driving right now.

00:11:35

Why don't I make like Eddie Money and take you home tonight?

00:11:38

No, I can't go home. Not without Doll.

00:11:41

Also, Eddie Money doesn't do the taking home in "Take Me Home Tonight," so if you're taking me home, then I would be Eddie Money.

00:11:47

Okay, something's going on with you.

00:11:49

-It's not like you to be so testy. -Yes, it is.

00:11:52

Everyone, take the rest of the day off.

00:11:54

My pal BoJack needs a friend day. California can wait!

00:11:59

Elton, you have to play this wedding.

00:12:02

We want one of those Stranger Things kids to be the ring-bearer.

00:12:04

They're still little?

00:12:05

You're gonna do a duet with a hologram of Nat King Cole.

00:12:08

Or, if that's cost-prohibitive, Lisa "Left Eye" Lopes.

00:12:11

Puberty? Can we give them something for that?

00:12:13

-Great. -Fabulous.

00:12:15

We are killing this.

00:12:16

We are doing to this wedding what Rob Durst did to that lady

00:12:19

-and what Fred Durst did to his career. -

00:12:19

[door opens]

00:12:22

I have terrible news. It's Meryl Streep.

00:12:24

[both gasp]

00:12:24

-Did Meryl Streep die?

00:12:27

No, she's retiring.

00:12:29

Mr. McGregor!

00:12:30

You cannot just walk into a room and say, "I have terrible news about Meryl Streep."

00:12:33

Her retirement party is scheduled for this Saturday.

00:12:36

All of Hollywoo will be attending.

00:12:37

This Saturday? No, no, no!

00:12:39

How is #TortneyChortnoy supposed to compete with that?

00:12:42

We're toast.

00:12:43

Unless, uh, we could somehow get Meryl to postpone her party?

00:12:47

Hmm... what if we put together a project so enticing she couldn't help but climb aboard?

00:12:53

-One more gig... -Means no more retirement.

00:12:56

But what could we possibly offer her that she hasn't already done?

00:12:59

-Ah. What does every actor want to do? -Direct.

00:13:04

-Direct! -Yeah.

00:13:05

But the dream of any director is to work with Meryl Streep.

00:13:08

You think Meryl wants to direct a bunch of actors who aren't Meryl Streep?

00:13:11

-Hah! What a nightmare! -Okay, all right. Okay, fine.

00:13:13

But, okay, okay, and this...

00:13:15

What if all the actors in the movie were Meryl Streep?

00:13:19

-What? No! -Are you suggesting some sort of

00:13:22

Nutty Professor II: The Klumps type situation where Meryl Streep plays every role?

00:13:26

Bingo-bongo, weirdo-beardo. All the greats have done it.

00:13:29

Peter Sellers, Sir Alec Guinness, Flo from the Progressive ads.

00:13:32

Let's take this to the Streep.

00:13:37

Hey, look. Maybe this is a baby?

00:13:40

-Mmm. -

00:13:40

[door opens]

00:13:41

-Welcome... -Hey, hey!

00:13:43

...to the nightmare, non-sexy version of Three's Company that my life has become.

00:13:46

Oh, good. Instead of getting the doll back, like you said you would, you disappeared for a few hours and found a friend.

00:13:52

For your information, we are on the case.

00:13:54
Just need a whiff of your mom to track the scent.

00:13:56
Uh, excuse me, young lady, I'm looking for a Beatrice, but you're way too young and attractive to be that mean old crone.

00:14:03
-What? -What are you doing?

00:14:04
[sniffing]

00:14:04
Okay, I'm picking up on some fruity overtones.

00:14:08
Oak, desert sage...

00:14:08
[chuckles]

00:14:08
No, I'm just kidding around.

00:14:12
It's smelling humor.

00:14:13
Is this the best time to be workshoping your tight five?

00:14:16
[sniffing]

00:14:16
Okay, got it. Ooh, this way?

00:14:18
[sniffing]

00:14:18
No! No, no. That way!

00:14:21
[glasses clattering]

00:14:21
[sniffing]

00:14:24
Out the door! Come on! Here we go!

00:14:26
[groans]

00:14:26
[door opens, shuts]

00:14:29
[sniffing]

00:14:33
[thinking]

00:14:33
Look at him. Not a care in the world. How does he do it?

00:14:36
[sniffs]

00:14:36
This is the place.

00:14:39
[doorbell rings]

00:14:41
-Oh, hi, I'm-- -BoJack Horseman.

00:14:43
-Felicity Huffman? -Looking for this?

00:14:46
-Yes! -Well, keep looking, buddy!

00:14:48
You're a real piece of shit, you know that?

00:14:51
Yes.

00:14:52
[grunting]

00:14:57
So, instead of talking through your issues, your new thing is to just get in really big fights and then have hot angry sex?

00:15:05
-Yeah, but it kind of works. -Does it?

00:15:08

I'm sorry, I feel like we always talk about me.

00:15:10
What's going on with you, Roxie?

00:15:12
-I'm actually glad you asked, I... -

00:15:12
[grunts]

00:15:12
Okay.

00:15:15
Hey, Diane, can I get your advice on something?

00:15:17
-Yeah, of course. I'm not doing anything. -Um...

00:15:19
So, I have this friend, and his name is Darnarius McQuimberton.

00:15:26
Oh, yeah, I think I read an article about him in Real, Not Made-Up, Person Magazine.

00:15:31
Darnarius is supposed to get married this weekend.

00:15:34
And it's going to be an amazing wedding, but it's kind of based on a lie.

00:15:39
Should he go through with it?

00:15:40
Well, all weddings are lies, right? Sort of.

00:15:44
You're making this big declaration about how you're gonna stay with this person forever, but you don't actually know that.

00:15:50
You're just saying it. The whole thing is a farce.

00:15:52
-Yeah, that's true. -But it's a lie based on truth.

00:15:56
Like, at the center of the farce there's this nugget of something real and pure.

00:16:01
And that strange beautiful something is why you put up with everything else, right?

00:16:06
I guess so.

00:16:07
And sometimes it's hard to remember that pure, shining thing because it's been painted over with so many arguments and compromises and disappointments.

00:16:17
But you have to believe it's still down there somewhere, even if you can't see it.

00:16:22
And maybe even the belief in it is more important than the thing itself, but only as long as you still believe it.

00:16:29
-Does that make sense? -Yeah. Thanks, Diane.

00:16:32
You've given me and Darquimbertus McNarington a lot to think about.

00:16:40
That was good advice. I'm, like, a really good friend.

00:16:45
[groans]

00:16:46
[doorbell rings]

00:16:48
-What? -Okay.

00:16:49
So that doll actually belongs to my mom. She's very sick, very frail.

00:16:53

And I know you're really mad at me because...

00:16:55

Think, shit-for-brains, think. Why is Felicity Huffman mad at you?

00:16:58

You cut her off in traffic, got her fired off a project,

00:17:00

talked shit about her at an AIDS benefit and didn't realize your mic was on.

00:17:03

I have been living directly under your house for the last 15 years.

00:17:08

Do you have any idea how much shit you throw over the side of your deck?

00:17:11

Beer bottles, lit cigarettes, scripts where the lead is female.

00:17:15

One time, a mountain of regurgitated cotton candy sat on that hill for a month before sliding into my hot tub.

00:17:22

Who you think has to deal with that?

00:17:24

I assume your maid or gardener or something?

00:17:27

Well, yeah. But it's still super-obnoxious.

00:17:30

You're not getting that doll back.

00:17:32

Citizens, citizens.

00:17:33

As the future governor of California,

00:17:35

I pride myself on probably being able to reach compromises across the ideological spectrum.

00:17:41

-Oh! What if we cut the baby in half? -What?

00:17:43

-Why would we do that? -No.

00:17:44

So you both agree that's a bad idea.

00:17:46

Perhaps you're not so different after all?

00:17:49

-Advantage: Peanutbutter. -How is that...?

00:17:51

Felicity Huffman, you are a beloved star of film and television.

00:17:55

BoJack, you have also appeared in film and television.

00:17:59

What's that like? Discuss.

00:18:01

I'm sorry for my acquaintance. I'm actually a big fan.

00:18:04

[thinking]

00:18:04

I hope she has no follow-up questions.

00:18:06

Really? So you've probably seen my new show,

00:18:08

-F.H.B.A. Los Angeles. -

00:18:08

[thinking]

00:18:08

What?

00:18:10

-Yup, love it. -How'd you like to do an arc for sweeps?

00:18:13

[thinking]

00:18:13

Ugh, TV? No. I just got out of that sinkhole.

00:18:16

He'll do it, if you give us our doll back.

00:18:19

Hup... ho... hup!

00:18:21

[Princess Carolyn]

00:18:21

What's your status?

00:18:22

I have breached Compound Strep.

00:18:24

If I don't make it out of this alive, just know I have already seen heaven and it is Meryl's rose garden.

00:18:29

-And the offer? -I put it under a big box that's propped up by a stick.

00:18:32

If she goes to look and the box falls on her, she's contractually obligated to do the movie.

00:18:36

Yeah, I know what "packaging talent" means.

00:18:38

Okay, she's walking up to the box.

00:18:40

She's sniffing around, and...

00:18:43

[box slides, woman screams]

00:18:43

-We got Meryl!

00:18:46

All right! Yes!

00:18:49

[thinking]

00:18:49

What if I throw myself off my deck

00:18:51

into Felicity Huffman's backyard.

00:18:52

If she found my dead body, that'd show her.

00:18:55

Why are we at a bar?

00:18:56

We're just celebrating getting Doll back.

00:18:59

You don't want to bring the doll back to your mom?

00:19:01

I will. We're just having a drink first.

00:19:03

-Relax. -Okay.

00:19:05

[thinking]

00:19:05

He knows you're terrible.

00:19:06

He's the biggest idiot in the world, even he knows you're terrible.

00:19:09

So when did you get a daughter? She's new, right?

00:19:12

-Or was she always part of the gang? -I met her about a month ago.

00:19:15

-Whoa! -Yeah. And it was great, at first.

00:19:18

But now I can feel her getting attached, and I just know I'm gonna BoJack things up.

00:19:21

"BoJack things up?"

00:19:23

You mean, show up somewhere and be the life of the party?

00:19:25

Then share a laugh with your good friend, Mr. Peanutbutter?

00:19:28

No, obviously I meant screw everything up until she hates me.

00:19:31

I don't think I can take that.

00:19:32

Maybe this time, don't do the thing that makes her hate you.

00:19:35

I don't want to, but every time she looks at me with those big innocent eyes, all I can think about is every shitty thing I've ever done, and I think, "I don't deserve that kind of love."

00:19:44

Look, BoJack, I don't know a lot about balancing a state budget

00:19:47

-or how a bill becomes a law. -Uh...

00:19:49

I don't know a lot about a lot of things.

00:19:51

But I do know this: everybody deserves to be loved.

00:19:57

[clinking]

00:19:58

So we put together an all-star wedding and a Meryl Streep movie in one day!

00:20:03

-You got to admit, we're a good team. -Rutabaga...

00:20:05

I know it wasn't always smooth sailing for the Good Ship You and Me, but now you've got a boyfriend and I've got a family, and since we have to work together again, we're a good team.

00:20:14

Tell me you didn't miss this.

00:20:16

-Todd is on line two. -Aaah! Do you go through the walls?

00:20:19

Todd! Have you finished your groomsmen list?

00:20:21

We gotta figure out how many parachutes we need.

00:20:23

Uh, guys, I-- I can't marry Courtney.

00:20:27

-What? -No!

00:20:28

I've been doing some thinking, and marriage is like a Tootsie Pop.

00:20:32

The lollipop part is a lie,

00:20:35

but at the center of the lie there's a truth.

00:20:37

That's the Tootsie Roll, and that's why people get married.

00:20:41

But if I married Courtney it would be a lie without any truth in it, like a Tootsie Pop with just the lollipop part and nothing in the middle.

00:20:50

So, a lollipop? That's still pretty good.

00:20:54

[Todd]

00:20:54

I guess it's a bad analogy.

00:20:55

But I don't want a fake marriage.

00:20:57

I'm sorry I didn't realize that before.

00:21:00

[sighs]

00:21:00

Okay, Todd. You gotta do what's right for you.

00:21:03

Thanks, Princess Carolyn. Whoa--

00:21:05

[groans]

00:21:06

All right, blue sky time. Wedding's off. Can we spin this somehow?

00:21:11

Courtney got jilted, play the sympathy card?

00:21:13

I guess we could put out a statement.

00:21:15

That's your solution?

00:21:16

What happened to the guy from this morning with all the big ideas?

00:21:18

Oh, that guy dies at six. This guy's gotta get home.

00:21:21

I got seven kids and a wife who's really into me co-parenting, or, as she calls it, "parenting."

00:21:26

Well, can't you tuck the kids into bed, read them some script coverage of the film adaptation of Good Night Moon and then come back?

00:21:32

-This is important. -Well, my kids are important.

00:21:35

Fine, both things are equally important.

00:21:37

Oh, my God, thank God you're not a mother.

00:21:39

You would be hilarious at it.

00:21:39

[sips]

00:21:42

Hey, today was fun. I'll call you in the morning.

00:21:45

We'll figure this out. We'll deal with it.

00:21:47

[door opens]

00:21:47

[sighs]

00:21:49

If you'd like to never see him again, I have ways of getting rid of him.

00:21:53

What kind of ways?

00:21:54

Asking him politely to not come back. Actually, that's only one way.

00:21:58

I apologize for misleading you about the number of ways.

00:22:00

He's a jerk, right? It's not just me?

00:22:02

I worked with guys like him at F.M.E.

00:22:03

When I left, I swore I would never work at a big agency again, because I can't work with people like that.

00:22:09

You don't think I'm like that?

00:22:10

No, because you care about people other than yourself.

00:22:12

And for what it's worth, you will be a wonderful mother.

00:22:15

-You're not just saying that? -I never just say anything.

00:22:18

I choose words very carefully, with an eye towards precision and expediency.

00:22:22

I'm surprised you haven't noticed that.

00:22:23

-Good night, Judah. -Mm-hmm.

00:22:28

[door closes]

00:22:35

[muffled grunts and yells]

00:22:42

Okay.

00:22:42

[chuckles]

00:22:45

-It's about time, Henrietta. -You're welcome.

00:22:48

[growls]

00:22:56

[thinking]

00:22:56

Go talk to her, idiot.

00:22:58

Drink first. No, you stupid alcoholic.

00:23:01

Talk to your daughter. You're ruining her. You know that, right?

00:23:03

No matter what, your poison is already in her.

00:23:05

There's nothing you can do. That's not true.

00:23:07

Yeah, it is, you stupid piece of shit.

00:23:09

You're a real stupid piece of shit, and everywhere you go you destroy people.

00:23:12

Your mother never loved you.

00:23:14

That's why Sarah Lynn died, Charlotte'll never forgive you.

00:23:16

What you gonna do to Hollyhock? What you gonna do, asshole?

Shut up!

00:23:20

[exhales]

00:23:28

Got Doll back. No big deal.

00:23:30

Where do you go, when you disappear all day?

00:23:35

Just drive around. Sometimes I go to a bar.

00:23:38

Sometimes I pull over by the side of the road, just sit there for hours.

00:23:42

Why?

00:23:45

And you'd rather do that

00:23:47

-than spend time with me? -Hollyhock...

00:23:49

I know you didn't ask for this dorky 17-year-old to just show up at your door.

00:23:53

And I'm sorry if I'm annoying, but I didn't ask...

00:23:55

-No, Hollyhock, I'm glad you're here. -Oh.

00:23:58

If I'm shitty, that's just because I'm shitty.

00:24:00

You're allowed to be mad at me, but you need to know that whatever I do, it's not your fault.

00:24:07

I know. I mean, I know, but I don't always know, you know?

00:24:12

Like, sometimes I have this tiny voice in the back of my head that goes, like,

00:24:15

"Hey, everyone hates you! And they're not wrong to feel that way!"

00:24:19

I know what you mean.

00:24:21

That voice, the one that tells you you're worthless and stupid and ugly?

00:24:25

-Yeah? -It goes away, right?

00:24:28

It's just, like, a dumb teenage-girl thing, but then it goes away?

00:24:33

Yeah.

00:24:38

00:24:41

Ep 7 — Underground

00:00:10

[dials rapidly]

00:00:11

[line ringing]

00:00:14

Whew.

00:00:16

-BoJack? -I'm back in L.A.

00:00:18

-I should have called you-- -Yeah. You should have.

00:00:21

-I said I was sorry. -No, you didn't.

00:00:24

-Okay. Good to hear from you, BoJack. -No--

00:00:27

[sighs]

00:00:27

Ugh.

00:00:30

[sighs]

00:00:35

What the...?

00:00:37

Okay, thank you.

00:00:39

What's going on here?

00:00:40

Fundraising dinner for the Peanutbutter for California campaign.

00:00:44

-All right, I'm just gonna-- -Sorry. It's a fundraiser.

00:00:47

-Uh... -BoJack!

00:00:48

I love your ironic take on black-tie attire.

00:00:50

It really says, "I truly don't care what you think of me."

00:00:54

This light bulb won't let me in to your house without paying.

00:00:56

Ah, sorry about that. Gotta raise those funds.

00:00:59

-Can't I just-- -Thanks for your support, buddy.

00:01:01

-Means so much. Erica! -Hey--

00:01:03

Look at you, with the right number of ears!

00:01:05

-Look, I just-- -Twenty thousand dollars a plate.

00:01:08

[growls]

00:01:11

-Hmm...! -

00:01:11

[pops]

00:01:13

Oh.

00:01:14

Hey, do you have another bathroom? They're all occupied, and I gotta pee.

00:01:17

Not because I'm pregnant or anything.

00:01:19

Because if I were pregnant, it would be bad luck to tell you this early.

00:01:22

Presuming it was early. But I'm not pregnant.

00:01:23

This is just a normal, non-pregnant gal type of having to pee.

00:01:26

-There's a bathroom in the pool house. -You're a lifesaver.

00:01:29

Pardon me! Out of my way.

00:01:30

Uh-oh. Am I in Ithaca?

00:01:32

Because you are looking "gorges" this evening.

00:01:34

Well, I must be in Nazi Germany, because you're "not so" bad yourself.

00:01:39

-I'm sorry, yours was better. -

00:01:39

[BoJack]

00:01:39

Hi.

00:01:41

Whoa.

00:01:43

[munches]

00:01:44

Well, I should go.

00:01:45

Looks like the work wife/ex-wife is talking to my other ex-wife.

00:01:49

-You have two ex-wives here? -Katrina's his campaign manager.

00:01:52

[Peanutbutter]

00:01:52

And Jessica Biel loves getting photographed at fancy fundraisers.

00:01:55

If it isn't my two favorite ladies, in the same room! This is great.

00:02:00

-Hey. -BoJack, I'm busy.

00:02:01

You haven't seen me for a year and a half.

00:02:03

Yeah, because you disapp-- No, I am not doing this now.

00:02:05

-Why don't you get yourself a drink? -I will get a drink.

00:02:08

I will get \$20,000 worth of drinks.

00:02:08

[crunches]

00:02:12

[sighs]

00:02:13

Oh, Norman, we have to support the--

00:02:15

-Ooh, yes. -All right.

00:02:16

[grunts]

00:02:17

Hi, Zach Braff. Zach Braff.

00:02:19

Hey there. Famous actor Zach Braff, how you doing?

00:02:21

[glass clinks]

00:02:21

-Everyone? Thank you all for being here.

00:02:24

We're gonna beat that scoundrel Woodchuck

Coodchuck-Berkowitz...

00:02:28

Boo!

00:02:29

...and bring likability back to politics.

00:02:32

[cheering]

00:02:33

I especially want to thank my pro-fracking pals for being here tonight.

00:02:38

You know, my wife said, "Don't frack," but we did it anyway, and it all worked out. Love you, sweetie.

00:02:43

Mm-hmm.

00:02:44

Finally-- oh! Sorry about that, folks.

00:02:46

I sensed an earthquake. Must have been a false--

00:02:48

Oh, hey now!

00:02:50

Nope, I was definitely wrong.

00:02:51

Listen to me, I'm the dog who cried earthquake.

00:02:54

[laughing]

00:02:55

[bangs]

00:02:55

[voices overlapping]

00:02:57

-We're gonna die! -Oh, fudge!

00:03:00

-Oh, my God. Oh, my God. -I can't die!

00:03:02

I'm not famous enough yet to make the "In Memoriam" montage at the Oscars!

00:03:06

I have so many regrets!

00:03:07

I just picked up a family sitcom where the mom is a zombie!

00:03:10

[moans]

00:03:10

It's called Mombie, and it's terrible!

00:03:14

I have a condition where every time I sense a shift in power dynamics,

00:03:18

I have a tiny orgasm!

00:03:19

I have no original ideas, I just repeat things I hear.

00:03:22

-I've never been in love! -I've never been in love!

00:03:24

I tried gay at theater camp!

00:03:26

I regret everything!

00:03:31

[Peanutbutter]

00:03:31

Whoa! -

00:03:31

[BoJack laughs]

00:03:33

[crashes]

00:03:33

[all gasp]

00:03:39

[theme music playing]

00:04:36

[voices overlapping]

00:04:38

Hello?

00:04:42

Is anyone getting any bars? I'm not getting any baa-rs.

00:04:44

Can someone validate my valet ticket? I would like to go home now.

00:04:50

There's no way out. Okay. Everybody stay sane.

00:04:53

I propose we set each other on fire for warmth.

00:04:55

Who wants to be set on fire first? Not me, I'm Jessica Biel.

00:04:57

[woman]

00:04:57

Yeah, that's right.

00:04:59

The natives are getting restless,

00:05:00

so why don't you say something to comfort them?

00:05:03

Okay. Everyone, remain calm!

00:05:05

No one's going to light anyone on fire.

00:05:08

For one thing, that'd eat up a lot of oxygen and who knows how much we have down here.

00:05:12

[man]

00:05:12

I want oxygen! -

00:05:12

[man screams]

00:05:12

Air! I need air!

00:05:14

[guests screaming]

00:05:16

God.

00:05:18

-You okay, sweetie? -I think so.

00:05:20

-That was really scary. -Yeah.

00:05:22

At least we know no one is specifically at fault.

00:05:24

Well, except for San Andreas.

00:05:25

This was because you fracked under our house.

00:05:29

I told you fracking was dangerous, and you didn't listen.

00:05:32

And now our house is ruined and we're trapped underground, and we're all going to die!

00:05:38

-Is this one of our sexy fights? -

00:05:38

[yells]

00:05:38

No!

00:05:43

Hmm.

00:05:45

[sighs]

00:05:47

Oh, you gotta be kidding me.

00:05:48
You can be mad at me or get drunk with me, but you can't do both.

00:05:52
Watch me.

00:05:55
Oh, what the shit?

00:05:58
[creaks, crashes]

00:06:00
-Oh, fish. -

00:06:00
[Todd]

00:06:00
Uh... hello?

00:06:05
-What are you doing in there? -Uh, I live here.

00:06:08
Didn't you know there was a huge party going on?

00:06:10
I was going to go to the party after my bath, but then I realized the bath was the party.

00:06:17
Oh, God.

00:06:18
Well, I'm not waiting around to be rescued like some chump.

00:06:21
Come on, let's go.

00:06:25
[Todd]

00:06:25
Whoa...!

00:06:28
-We gotta go in there? -Well, I don't see any other way.

00:06:32
Sometimes life is like the second season of Friday Night Lights -- you gotta push through and hope there's better stuff ahead.

00:06:37
Aw-ww!

00:06:41
Guys, let's all try to just stay cool and make the best of things, huh?

00:06:46
"Make the best of things"? You idiot, we're trapped and we're terrified.

00:06:49
Okay, settle down, you future hard Jeopardy question.

00:06:52
Let's hear what the idiot has to say.

00:06:54
So that's a re-up on the idiot part?

00:06:56
How are we supposed to make the best of things?

00:06:59
-We're stuck underground. -This is true.

00:07:01
But most of us are important celebrities, so someone will come for us soon.

00:07:06
And for you regulars, I'm sure they'll bring you up with us!

00:07:09
What do we do till then?

00:07:10
We're actors! I say we put on a show. Who's with me?

00:07:13
A show? Who will be the star? Me, I assume.

00:07:16
Sure you'll be the star, and you'll be the star!

00:07:18
And you'll be the star! We'll all be the star!

00:07:22
Folks, I promise you we will be out of here in no time.

00:07:25
[cheering]

00:07:28
And that's when I realized...

00:07:30
I just don't have the face for bangs.

00:07:33
Oh, my God, thank you so much. You're too kind! Thank you.

00:07:36
Thank you, Phoebe, for that rousing Tale from the Above Ground. Who's next?

00:07:41
I can't take this anymore. I need to get out.

00:07:43
This is the longest I've gone without moisturizing,

00:07:45
-and I feel like a lizard! -Humph.

00:07:46
-No offense. -It's only been 72 hours.

00:07:49
I'm missing my general meeting at CBS. I'm supposed to get baa-ck to work.

00:07:52
I can't live like this! We've gotta light someone on fire.

00:07:54
I'm starting to think that less-famous Michelle Monaghan has the right idea

00:07:58
-about lighting people on fire. -Thank you.

00:08:00
Come on, party people, keep it together. Let's not forget why we're here-- to raise money for my campaign, and more recently, to not go crazy and murder each other.

00:08:09
Can someone please bring me my car? It's a Prius. A silver Prius.

00:08:14
You're killing me, Zach.

00:08:15
[sighs]

00:08:15
Mr. Peanutbutter, you can do this.

00:08:18
Be the leader that I know you can be.

00:08:20
Yeah. You're right. I've totally got this.

00:08:22
[bangs]

00:08:22
-What in the world?

00:08:25
"Vox clamantis in deserto."

00:08:27
-It is I. -Woodchuck Coodchuck-Berkowitz!

00:08:30
-We're saved! -Wow!

00:08:31
Oh, thank God. A leader.

00:08:32
[Diane laughs]

00:08:32
[BoJack]

00:08:32
Sh.

00:08:34
What's going on down here? Anyone's looking for us?

00:08:36

We're cool. Just being cool, don't worry.

00:08:38

Diane, have you just been getting drunk with BoJack this whole time?

00:08:42

-What? I'm still mad at you. -

00:08:42

[BoJack laughing]

00:08:45

-Citizens, remain calm. -Yeah, that's what I've been saying!

00:08:48

Rescue workers are coming but it could be a while.

00:08:50

State emergency funds have been depleted due to budget overruns on a costly bridge to Hawaii that's being constructed.

00:08:56

Oh, yeah!

00:08:57

Since a woodchuck is a digging animal, I came to get you out early.

00:09:00

Is that what a woodchuck is? Why did I think it was like a beaver?

00:09:05

What's it like out there, Woodchuck? Whole neighborhood totaled?

00:09:07

-Is the city in chaos? -No, it's really just your house.

00:09:10

Because of all the fracking that's been happening underneath your house.

00:09:14

Oh! Interesting!

00:09:16

-Ay-yi-yi. -Oh, right, right.

00:09:18

So you just burrowed down here to rescue your political opponent's top donors.

00:09:23

That's convenient.

00:09:24

It was actually very inconvenient, but I put politics aside to save you people from dying.

00:09:30

Three cheers for Woodchuck!

00:09:32

[all]

00:09:32

Hip, hip, hooray!

00:09:33

Please, don't cheer too loudly. The tunnel is very delicate.

00:09:36

-Hip, hip, hooray! -Seriously, I think it's best to--

00:09:38

-Hip, hip, hooray! -

00:09:38

[rumbling]

00:09:42

[sighs]

00:09:43

-Let's cheer one more time, just for fun! -No, please.

00:09:46

-Four cheers. Why not? Hip, hip... -Hooray!

00:09:49

-No! -

00:09:49

[rumbling]

00:09:52

[screams]

00:09:54

So turns out three cheers was probably an adequate number of cheers.

00:10:04

[rumbling]

00:10:06

-What was that? -Just keep walking.

00:10:08

God, I can't wait to get home.

00:10:09

I don't even have a home anymore.

00:10:11

Oh, man, where am I going to keep all my different colored hats I never wear?

00:10:15

Well, if you need another couch to crash on, there's always my place.

00:10:18

-Didn't you move in with Ralph? -Yeah, but I kept the old apartment.

00:10:22

-Just in case, I guess. -In case of what?

00:10:25

[faint chattering]

00:10:25

-What was that?

00:10:26

Whoa!

00:10:28

Oh!

00:10:32

[yelps]

00:10:33

Now, ladies, just calm down. We can talk about this.

00:10:36

What are we gonna do, Princess Carolyn?

00:10:38

[ants gasp]

00:10:39

[chattering]

00:10:41

Did you say you're a princess?

00:10:44

-That's just my name. I'm a manager. -It's like an agent.

00:10:47

-It's totally different. -Is it, though?

00:10:49

-Silence! You negotiate deals? -Mm-hmm.

00:10:53

You could be of service, Manager Carolyn.

00:10:57

[ant leader laughs]

00:11:02

My hands... they're crushed.

00:11:04

There's no way I can dig us back out now.

00:11:06

Well, I can dig!

00:11:07

Actually, no one should dig.

00:11:09

Your foundation is basically Swiss cheese.

00:11:12

The slightest provocation could cause another collapse that would crush us all.

00:11:15

[all gasp]

00:11:16

I know that because I bought a sitcom about fracking, The Frack Shack.

00:11:20

It's New Girl meets fracking.

00:11:20

[chuckles]

00:11:23

Oh, God, no one's gonna watch that show, huh?

00:11:25

[groans]

00:11:26

Someone will be coming for us soon. In the meantime, we must organize.

00:11:30

Parcel out food and water and see how much we've got.

00:11:32

-I'll assign team leaders. -Oh, no. I'm sensing a shift in power.

00:11:36

[groans]

00:11:40

[guests chuckling]

00:11:42

All right. Um...

00:11:44

-God...! -For you, a banana

00:11:46

-because you're so appealing. -Yeah.

00:11:49

And for you, a radish. Enjoy.

00:11:51

Mr. Peanutbutter, this is a disaster.

00:11:52

I don't think so. I'm food captain, and I am loving it.

00:11:56

-And who made you the food captain? -Woodchuck.

00:11:58

Exactly. He's in charge.

00:12:00

Excuse me, you have not been allocated those rations.

00:12:03

I'm a horse. I need more food, and I'm a celebrity.

00:12:07

-Everyone down here is a celebrity. -Not the caterers.

00:12:10

Relinquish the food.

00:12:11

Hey. Here's your chance.

00:12:13

Actually, Woodchuck, this is my house and BoJack can eat whatever he wants.

00:12:18

This man has already reached his allotted food portion for the day.

00:12:22

Who said we have to go by your rules?

00:12:23

Yeah, who made you leader of underground?

00:12:26

I'm just gonna take all this and...

00:12:28

You've appointed me. Yes, I under-- citizens, look...

00:12:30

Keep it together.

00:12:30

[grunts]

00:12:33

-Weird stuff going on downstairs. -

00:12:33

[clicking]

00:12:36

Humph.

00:12:37

-I can't believe this is my life. -Uh-oh.

00:12:40

Too much sad booze for you. Where's the happy booze?

00:12:43

I'm trapped underground and it's all my husband's fault and I'm gonna die in this mansion in a mass grave with his ex-wives.

00:12:51

Okay. But on the bright side--

00:12:53

Look, Mr. Peanutbutter loves you, you got a cool job, you got friends.

00:12:58

Jesus, you're right.

00:12:59

Even when I was above ground, I wasn't satisfied.

00:13:03

Oh, my God. I'm the problem!

00:13:07

[sobbing]

00:13:09

Whoa!

00:13:11

What the...?

00:13:12

Why can't I be happy? Am I busted?

00:13:16

No. It...

00:13:18

I am! I'm a pit.

00:13:20

I'm a pit that good things fall into!

00:13:24

Diane, you're not a pit.

00:13:26

I'm a pit!

00:13:26

[sobbing]

00:13:30

[sighs]

00:13:33

I can't believe I'm crying. This is so dumb.

00:13:37

It's okay. Don't feel bad about feeling bad.

00:13:39

You disappeared for a year and a half.

00:13:42

So you do want to talk about it. Just took four solid days of drinking.

00:13:45

If you were back in L.A., why didn't you call me?

00:13:48

-I wasn't... ready. -Ready? For what?

00:13:52

I wanted to be better when you saw me again.

00:13:55

And I thought I could be, somehow. But I'm not.

00:13:58

And even if I did get better, the best I could ever be is still just some other version of me.

00:14:04

BoJack, I can't wait for you to be better.

00:14:08

I need you in my life.

00:14:10

-Really? -You're the biggest asshole I know, and you're the only thing that makes sense to me.

00:14:16
[Diane sighs, moans]

00:14:20
People should be able to have some control over their lives down here.

00:14:24
-Yeah! -People need boundaries.

00:14:25
Leadership means sometimes being the bad guy.

00:14:28
You hear that? Woodchuck's a bad guy!

00:14:31
I don't want a bad guy to be our leader.

00:14:32
-That's not... -That's a point for Mr. Peanutbutter.

00:14:34
And I'm the good guy, so that's two points for me.

00:14:37
What points? There are no points.

00:14:39
-This is not a game! -Well, maybe there should be points.

00:14:42
-Yeah! -Points!

00:14:43
People seem to like my points idea. That's another point for me.

00:14:46
Well, I'm the one who came down here to save you in the first place.

00:14:49
Surely I get points for that.

00:14:51
Asking for points is conceited. That's more points for me.

00:14:54
-He's right! -What?!

00:14:55
If you came down to save us, why are we still here?

00:14:57
[all]

00:14:57
Yeah!

00:14:58
You had one job, and you couldn't do it!

00:15:00
-Yeah! -That's right.

00:15:01
Minus point for Woodchuck.

00:15:02
I implore you not to fall into a mob mentality.

00:15:06
-He called us a mob! Let's kill him! -Yeah!

00:15:08
Folks, Woodchuck's political philosophy is as broken as his hands.

00:15:12
That is a convincing argument. He does have broken hands.

00:15:15
Maybe it's time an outsider took control.

00:15:18
An outsider like me, the guy whose house this is.

00:15:22
[chanting]

00:15:22
Peanutbutter, Peanutbutter.

00:15:25
Peanutbutter-- everybody.

00:15:26
[chanting]

00:15:26
Peanutbutter! Peanutbutter!

00:15:29
Peanutbutter!

00:15:30
-Me! -Peanutbutter!

00:15:31
-Me! -Peanutbutter!

00:15:32
[faint chanting]

00:15:32
Peanutbutter! Peanutbutter...

00:15:34
[snoring]

00:15:34
-BoJack. BoJack.

00:15:37
-BoJack. -What?

00:15:38
-Did you know I can juggle? -Cool.

00:15:40
Are you okay? I mean, outside of our current situation of being buried alive and almost out of alcohol except for cooking sherry and Midori?

00:15:48
It's just been a rough couple years with Sarah Lynn dying and Herb.

00:15:51
-And Corduroy? -Cordu-what now?

00:15:53
Corduroy? Jackson-Jackson? Died of autoerotic "asphyx-ization"?

00:15:58
Oh, yeah, him too. And now I got this... girl in my house, this... daughter-type.

00:16:05
You got daughter? Ruh-roh.

00:16:07
[clatters]

00:16:07
-Yeah, I got daughter, "ruh-roh."

00:16:09
Supposed to help her figure out who her mother is.

00:16:11
But I don't know where to start.

00:16:13
Did she try sending mutual consent form to the adoption agency?

00:16:16
What, what words?

00:16:17
Well, if it's closed adoption, you send a mutual consent form.

00:16:21
Basically says, "I wanna be open now!"

00:16:23
If Mom says same thing, boom-bah-boo! Smo-pen Sesame!

00:16:28
-How do you know about that? -I had an adopted brother.

00:16:31
And also for a while, I hoped I was adopted.

00:16:33
-Ugh! -Huh.

00:16:36
-Whoa! -Ooh!

00:16:39
Who dares disturb Queen Antonia?

00:16:43
My name is Princess Carolyn.

00:16:44
I represent the soldiers of Subcolony K-147, who feel they're doing all the work while reaping none of the spoils.

00:16:50

Everything my soldiers do benefits the colony.

00:16:54

I had this same conversation with Jeffrey Katzenberg.

00:16:57

Believe me, this doesn't end well for you.

00:16:59

[sighs]

00:16:59

What are your demands?

00:17:01

[whispers]

00:17:02

They want to have sex with your drones.

00:17:05

My drones?

00:17:07

[dance music plays]

00:17:09

Mm-hmm.

00:17:10

Oliver, assemble the small council.

00:17:12

Uh, If we're gonna be down here a while, can I get a new towel?

00:17:16

[guests chanting]

00:17:19

Woodchuck's aa-always telling us what to do!

00:17:21

He says help is coming, but how does he know? What if he's lying?

00:17:24

[wails]

00:17:24

And I have still not been validated!

00:17:27

If you could all be patient...

00:17:29

We're sick of waiting! It's time for new leadership.

00:17:31

That attempted movie star is right!

00:17:33

I declare Mr. Peanutbutter President-for-life of Underground.

00:17:37

[guests]

00:17:37

Yeah!

00:17:38

[grunting]

00:17:38

Uh, uh, oh!

00:17:40

-Thank you! -What? No!

00:17:41

-What do we do with Woodchuck? -He must be made an example of.

00:17:44

[man]

00:17:44

Get him! -Yeah!

00:17:45

All right, guys, all right. Calm down.

00:17:47

We don't need to "get him." Let's just tie him up someplace where he can't hurt us anymore with his dangerous ideas.

00:17:53

Do not tie me up. That isn't necessary. No, don't-- no...!

00:17:57

[chanting]

00:17:57

Peanutbutter! -No!

00:17:58

-Peanutbutter! -Thank you, thank you all.

00:18:01

As my first act as President-for-life, I declare that everyone is allowed to eat and drink whatever they want!

00:18:08

[all]

00:18:08

Yeah!

00:18:09

[crashing]

00:18:12

[groans]

00:18:12

[whimpers]

00:18:15

Agh--!

00:18:16

I'm starving, and not the normal celebrity kind of starving like I always am.

00:18:20

Or even red-carpet-season starving.

00:18:22

-Where's the food? -

00:18:22

[Woodchuck]

00:18:22

You ate all the food.

00:18:25

This is it!

00:18:26

Nobody's coming for us. We need to kill someone for food.

00:18:29

-Hmm...! -Oh...!

00:18:32

Let's eat Mr. Peanutbutter!

00:18:33

He has the word "peanut butter" in his name!

00:18:35

[all]

00:18:35

Yeah!

00:18:36

Guys, guys, guys, maybe we don't need to eat anybody!

00:18:40

[all groan]

00:18:40

-What's this now?

00:18:41

Let's listen to the guy who's saying don't kill me.

00:18:43

He's got some interesting ideas.

00:18:45

Listen to me, everyone. Please.

00:18:47

I'm known for monologues that sum things up at the end of the show.

00:18:50

I drive a Prius, which means I'm a good person.

00:18:52

Let's not surrender to our basest instincts.

00:18:55

I know times are tough, but I'm sure if we band together and really concentrate on the problem at hand, we can, as a group of friends--

00:18:55

[screams]

00:19:05

-Oh, my God. -Biel!

00:19:07
The rule of man is over. Now begins the rule of fire.

00:19:11
[howls]

00:19:11
Oh, why? -Jessica, no.

00:19:14
I will no longer be shackled by the civilized society of the above ground.

00:19:18
This is Underground, and the only law here is flame.

00:19:21
The fire wants not for justice. The fire wants not for reason.

00:19:25
-The fire desires only to be fed! -Feed the fire!

00:19:29
-The fire is my new god! -

00:19:29
[moans]

00:19:29
Oh, God!

00:19:32
I'm so sorry, Mr. Peanutbutter, but the tide has turned and I side with the fire now.

00:19:37
Tonight, we dine on Zach Braff.

00:19:40
-Tomorrow, canine cuisine! -No.

00:19:43
You, take him to his spot, and make him stay.

00:19:45
[squawks]

00:19:45
-No! No! Please!

00:19:46
Listen to reason... this time!

00:19:49
[gulps]

00:19:49
Ah-hh!

00:19:52
I think that's all of it.

00:19:53
I can't go back to my old life sober. It's so empty.

00:19:56
Okay, okay. Here's the secret to being happy.

00:19:59
Oh, I can't wait to hear this.

00:20:00
Just pretend you are happy, and eventually you'll forget you're pretending.

00:20:04
Maybe you're right.

00:20:05
I just need to stop complaining and work harder.

00:20:08
Everyone else is doing it. Why am I so special?

00:20:11
[door bangs]

00:20:11
-Lock him in here!

00:20:13
-Please! Diane, my sweet wife. -What's going on?

00:20:16
Marvin Gaye.

00:20:17
The People of Underground have a new god, the fire.

00:20:20
And for my crimes I will be fed to its ravenous flames.

00:20:23
My only hope is the meat of Zach Braff proves lasting, but I fear by daybreak, there will be no Braff meat left.

00:20:30
-What's going on? -Four Non-Blondes.

00:20:32
Everybody out except the prisoner.

00:20:33
[Diane]

00:20:33
No! -Easy on the merchandise!

00:20:35
Get off me!

00:20:38
Well, it's been a tough week, lots of back and forth, but I think we've reached an agreement that meets everybody's needs.

00:20:44
"The queen will share male sex servants with the soldiers for one night of magnificent, sensuous splendor, a gorgeous bacchanal of hedonistic delights, with a second orgy pickup option, pursuant on success of the first."

00:20:53
[hissing]

00:20:54
My clients are satisfied with those terms.

00:20:57
Great. Now can we please return to the surface world?

00:21:00
All my favorite clouds are up there.

00:21:02
Oh, I like this one. He's got moxie and a soft thorax.

00:21:07
How did you find your fleshy self in my kingdom, you pink marshmallow?

00:21:11
We were at this big Beverly Hills fundraiser.

00:21:14
There was an earthquake, and now everyone's trapped underground.

00:21:17
Did you say Beverly Hills? Ugh! Of course.

00:21:20
Surface dwellers are always moving in on our territory.

00:21:23
First they move here, then taxes go up, the next thing you know, there's a Whole Foods.

00:21:28
How am I supposed to concentrate on a great orgy when I've got gentrification on my mind?

00:21:33
No, we've got to get those interlopers out of here.

00:21:35
-Let's-- -Hey! Hold on.

00:21:42
-Uh... -

00:21:42
[Jessica]

00:21:42
Mr. Peanutbutter, did you or did you not tell us we could eat whatever we wanted?

00:21:48
[all]

00:21:48
Peanutbutter!

00:21:49

Peanutbutter! Peanutbutter! Peanutbutter!

00:21:52

We gotta do something.

00:21:54

Mr. Peanutbutter's the only non-shitty thing that's ever happened to me and now they're gonna set him on fire.

00:21:58

Okay. What would non-hungover Diane do? She's smart.

00:22:01

I don't know. I need water.

00:22:03

There is no more water. That's the problem.

00:22:06

"Choodwuck" is right.

00:22:06

Wait, isn't there water, under the ground? Like, a well?

00:22:11

-Yeah! And we're underground. -If we dig, we'll get water!

00:22:16

-Do not dig. The ground is very volatile. -Quiet, sky rodent! To the shovels!

00:22:20

Mr. Peanutbutter, your time is nigh.

00:22:24

Any last words before we light you on fire?

00:22:27

Yes, if I could just say, "Don't light me on fire"?

00:22:31

The fire bends to no man's will. Nothing can defeat the fire. Only--

00:22:35

[Diane]

00:22:35

Water!

00:22:37

[Jessica]

00:22:37

What?

00:22:37

[gasps]

00:22:39

-Oh, wow, it's really water. -Water is stronger than fire.

00:22:42

Wait, let's not really forget how-- ugh!

00:22:44

Water is my new god now!

00:22:46

Oh, boy.

00:22:48

-Clear gold! -All right, water!

00:22:50

H-2-Oh, boy, we hit the freaking jackpot!

00:22:54

Hang on. It's-- it's not stopping.

00:22:56

Which is great!

00:22:58

You hit a pipe, you drunken imbeciles.

00:23:00

H-2-Oh, no!

00:23:04

[guests whimpering]

00:23:06

Well, I guess this is it.

00:23:09

[bangs]

00:23:09

-Oh, God! It's another earthquake!

00:23:12

[all screaming]

00:23:15

How is this happening?

00:23:17

[ants]

00:23:17

Heave! Heave! Heave!

00:23:20

Get them out of here!

00:23:24

Okay.

00:23:25

No! Please! I'm important down here!

00:23:28

[guests]

00:23:28

Whoa, whoa, whoa, whoa!

00:23:31

[crashes]

00:23:36

Oh, what an eyesore. The HOA will be hearing about this.

00:23:43

We are never talking about any of this ever again. Whew.

00:23:48

So I will see you tomorrow. We've got a rally in Bakersfield and then we're touring a tennis ball factory in Modesto.

00:23:53

Okay.

00:23:55

-Hi. -Hi.

00:23:57

You're the best thing that ever happened to me.

00:23:59

-I don't tell you that enough. -It's okay.

00:24:01

If this governor thing is really important to you...

00:24:04

It's not. You saw me in there. I'm a terrible leader.

00:24:07

I don't want to be governor. I just wanted people to like me.

00:24:10

Well, I like you.

00:24:12

Come on, Diane, let's go home... oh, right.

00:24:16

Well, thanks for inviting me to your party.

00:24:18

I had a wonderful time. Evening really flew by.

00:24:21

Sure.

00:24:26

-You guys hungry? -I could eat.

00:24:28

-Ethiopian? -Ooh, haven't done Ethiopian in a while.

00:24:31

I should go home. I haven't seen my boyfriend in ten days.

00:24:34

He's probably worried about me.

00:24:35

I'm down for Ethiopian. I love that sponge bread.

00:24:39

-What do they call it, "injera"? -Yeah, injera.

00:24:41

-Injera, right. -That's right.

00:24:45

Yeah, that's good bread.

Ep 8 — The Judge

00:00:11

So I send in the form, and if my mom wants to meet me too,

00:00:15

-then we meet? -Yeah.

00:00:16

And if she doesn't want to meet me, then I get to feel that hot sting of rejection all over again.

00:00:21

What a fun adventure this all is.

00:00:23

You know what is fun? You coming with me to my first day on my new show.

00:00:27

"BoJack Horseman in F.H.B.A. Los Angeles, starring BoJack Horseman as 'the Judge.'"

00:00:33

What is F.H.B.A. ?

00:00:35

I think it's one of those shows about Navy sex crimes that have gone cold?

00:00:38

And there may be numbers or something? Then, they call "the Judge."

00:00:42

I'm just excited to get out of the house.

00:00:44

I've been getting really fidgety cooped up on that hill.

00:00:46

Like I got tiny little bumps crawling around on the inside of my skin, you know?

00:00:49

Totally. Look at this guy, texting in the middle of the intersection.

00:00:54

You have been judged to be a shitty driver.

00:00:56

I'm the Judge. I sentence you to kiss my ass.

00:00:59

Boom!

00:01:00

You got "judged."

00:01:03

It feels good to be a dramatic actor again.

00:01:06

To make someone laugh is a craft, to be sure, but to make someone cry, on purpose, that is a precious gift.

00:01:11

Hey, I'm Miles, the production intern. Can I get you anything? Water?

00:01:14

That's so sweet of you.

00:01:16

Actually, that's so his job of him.

00:01:17

-Hey, PA, whose name I already forgot. -It's Miles, and I'm an intern.

00:01:21

Still not interested. Can you take my daughter to "video village"?

00:01:24

I wanna make sure she sees me at my most awesome, which is with a slightly high angle to avoid appearance of a double chin.

00:01:29

Note to director.

00:01:30

-Right this way. -Okay.

00:01:31

[bell rings]

00:01:31

[assistant director]

00:01:31

Quiet!

00:01:33

[grunts]

00:01:33

-Rolling!

00:01:34

[announcer]

00:01:34

Previously on F.H.B.A. Los Angeles...

00:01:37

I may be a human rights lawyer, but those skanks are human wrongs.

00:01:42

I'll tell you the same thing I tell kids in the cancer ward.

00:01:45

I'm not here to make friends.

00:01:47

I'm here to win and/or cure cancer.

00:01:49

[announcer]

00:01:49

Tonight, the girls return from Booty Boot Camp

00:01:52

and face new judge, BoJack Horseman.

00:01:55

Will BoJack turn the other cheek,

00:01:56

or is this the week the booties hit the floor?

00:02:00

This is Felicity Huffman's Booty Academy: Los Angeles!

00:02:05

Um... what's all this then?

00:02:08

[theme music playing]

00:03:02

[gavel raps]

00:03:03

On Booty Academy, we're here to find out who's got the right behind and who's going to be left behind.

00:03:10

BoJack, do you have anything you'd like to say to the contestants before we give our verdict?

00:03:16

No, I'm good.

00:03:18

Very well. Calliope, you are "ready for this jelly."

00:03:22

You can stay another week.

00:03:23

Tasha, our 'anaconda don't want none."

00:03:27

Cover up your bottom and go.

00:03:29

No!

00:03:31

Your booty's been adjudicated!

00:03:33

[assistant director]

00:03:33

Cut! -

00:03:33

[bell rings]

00:03:35

This is bullshit!

00:03:36

-Callin' my manager! -Remind me what this show is?

00:03:39

-I know, remind me? -

00:03:39

[Tasha]

00:03:39

...my publicist!

00:03:40

Felicity Huffman's Booty Academy.

00:03:43

It was supposed to be

00:03:44

Felicity Huffman's Future Leaders of America, but it got retooled a little by the network.

00:03:49

So are we judging who has the best booty?

00:03:51

Whoa, BoJack, no. That is so degrading.

00:03:54

So if it's not about their butts, then why is the other judge Sir Mix-A-Lot?

00:03:57

Because I'm an honest and impartial judge.

00:04:00

And if there's one thing I'm famous for, it's that I cannot lie.

00:04:04

Yeah, I guess that would be the one thing.

00:04:06

Hey, can we go home now?

00:04:07

Being around all these skinny L.A. ladies makes me feel like a blob.

00:04:10

Well, I gotta shoot for, like, ten more hours.

00:04:14

Are you serious?

00:04:15

Apparently, it takes three hours to set up the "badonka-donka-dobstacle course."

00:04:19

So making TV is like a full-time job? Then why is it so bad?

00:04:23

I just assumed people weren't trying.

00:04:25

Uh, I don't mean to butt in here, but shouldn't your daughter be in school?

00:04:29

Shouldn't you be "Sir Minding-Your-Own-Business-A-Lot"?

00:04:31

I graduated early and took a gap year.

00:04:34

My friend Maryssa is backpacking through Europe, but lucky me, I get to hang out in this butt-infested warehouse.

00:04:40

Oh. All right.

00:04:41

Someone better be checking the pH levels of that Jacuzzi because these bitches are basic.

00:04:45

Hey, you wanna explore the back lot?

00:04:47

They got a whole area that was built to look like downtown Toronto.

00:04:49

That's where they shoot the stuff set in New York.

00:04:51

Are you allowed to just leave the set?

00:04:53

What are they gonna do? Dock my pay?

00:04:55

I'm an intern. They don't pay me. I got all the power!

00:04:57

[laughing]

00:05:02

Princess Carolyn, you are going to love Stilton Acres.

00:05:06

We have a sauna and a tennis court and a giant hedge maze.

00:05:10

And if you make it all the way through the maze, you get some sugar water.

00:05:13

And you're gonna love the Feast of Saint Squeaky.

00:05:16

It's the holiest of all mouse holidays.

00:05:18

We prepare a feast of Swiss--

00:05:19

Because it's the holiest of all cheeses?

00:05:21

Because it was all our ancestors could carry when they were trying to escape for their lives.

00:05:26

Oh-- because it has holes!

00:05:27

-That's very funny. -Thanks.

00:05:28

I really want you and my parents to get along.

00:05:30

They can be kind of a lot, especially around the holidays.

00:05:33

I'm sure I'm going to love them.

00:05:35

And they're gonna love me. I'm Princess Carolyn!

00:05:38

I'm sure they will too.

00:05:39

But let's wait until after they love you to tell them about, you know, Philbert.

00:05:43

Of course. But what about her?

00:05:45

Don't worry. She's on her phone.

00:05:46

Unless Ralph and Princess Carolyn's secret baby starts to trend,

00:05:49

she won't notice anything we do or say.

00:05:52

-Stefani? Stefani? -

00:05:52

[phone clicking]

00:05:55

[squeashes]

00:05:55

-Whoa.

00:06:01

Katrina! Just the person I wanted to talk to!

00:06:04

-How's hotel life? -Marvelous!

00:06:06

Room service, tiny ketchup bottles, handy list of cable channels.

00:06:09

Now I know why so many people like being homeless.

00:06:12

-Mr. Peanutbutter, that's not-- -On the phone, darling.

00:06:14

Well, I just found you the perfect new campaign headquarters.

00:06:17

I'm gonna sign the lease now, unless you think of a reason I shouldn't.

00:06:20
Nothing comes to mind.

00:06:21
Great! It's done. Now, what did you wanna talk to me about?

00:06:24
-I'm dropping out of the race. -What?!

00:06:26
Woodchuck's a better leader than I'll ever be.

00:06:28
This election is about bigger things than just you and Woodchuck.

00:06:32
What is it about then?

00:06:33
It's about hope, and freedom, and powerful lobbyists who pay me to elect a governor I can control so we can get legislation passed that allows them to build private prisons on what are now protected wetlands.

00:06:43
Well, hopefully those evil lobbyists can find some other puppet to do their bidding.

00:06:47
Why would you hope that?

00:06:48
I'm done running for governor, so you're fired.

00:06:50
No hard feelings, right?

00:06:51
You idiot. I will end you!

00:06:54
-Bye, Cruella! -

00:06:54
[Katrina screams]

00:06:59
[mother]

00:06:59
Hello. -

00:06:59
[father]

00:06:59
Stefani!

00:07:01
-Hello. -Oh, darling, you're home.

00:07:03
-Nice to meet you. -Princess Carolyn!

00:07:04
-Hello. -I'm Poppy! This is my wife, Mimi.

00:07:07
And this is our son, Sissy.

00:07:09
And this is my wife, Missy.

00:07:10
And the boys, Tweeds, Nantucket, and Loophole!

00:07:13
Ugh.

00:07:14
It's so wonderful to meet you all!

00:07:16
-Can I get you a cocktail? -Oh. No, thank you.

00:07:18
-Wine? -That's all right.

00:07:20
I will consider it a personal affront if you won't at least have a beer.

00:07:23
-I shouldn't. -What about a very caffeinated coffee?

00:07:25

-No. -Raw shellfish?

00:07:26
-Not tonight. -Cigarette?

00:07:27
-I don't smoke. -That's okay.

00:07:29
You can just stand around me while I smoke.

00:07:31
No, I don't want to.

00:07:32
Cocaine, then?

00:07:32
I so appreciate that, and I hate to be rude, but I really don't think it's a good idea.

00:07:36
Would you like me to punch you in the belly real quick so you remember what it's like to be alive?

00:07:41
That's a rich person thing.

00:07:42
Oh, I know. I grew up around rich people.

00:07:44
But I'm actually good, as far as belly-punchings go.

00:07:47
Well, can I at least offer you a ride on our private rollercoaster?

00:07:50
Surely, there's no reason you wouldn't want to do that.

00:07:52
-So if you decline, I will be offended. -Oh.

00:07:55
Also, not that it's relevant, but the rollercoaster is specifically discouraged for children under five and pregnant women.

00:08:00
But since you are neither of those, obviously, there's no reason you will not want to ride on our family's really fun rollercoaster.

00:08:06
-Okay, look, the truth is-- -Hey, Dad!

00:08:09
Why don't you tell Princess Carolyn one of your great golf stories?

00:08:12
-Say, there's an idea. -Yes!

00:08:13
So here I am with a mashie when what I need is a niblick.

00:08:17
[all laughing]

00:08:18
Wow, golf. Fore! Am I right?

00:08:21
Yes, that's exactly right. Golf.

00:08:24
[camera shutters clicking]

00:08:27
Californians, this is an endorsement!

00:08:30
My message is simple.

00:08:31
If you want to vote Peanutbutter, vote Coodchuck-Berkowitz because a vote for Coodchuck-Berkowitz is a vote for Peanutbutter.

00:08:39
Uh--

00:08:39
Since Peanutbutter likes Coodchuck-Berkowitz.

00:08:42
So if you like Coodchuck-Berkowitz, vote like Mr. Peanutbutter...

00:08:46
-Excuse me-- ...for Woodchuck Coodchuck-Berkowitz.

00:08:49
So if we want to vote for Woodchuck, we should vote for you?

00:08:53
-No. -Yes.

00:08:54
-By voting for Woodchuck. -Thank you, Mr. Peanutbutter.

00:08:56
I look forward to moving past the political divisiveness of this campaign and finally focusing on the issues.

00:09:03
What's with the gorilla feet?

00:09:04
[sighs]

00:09:06
As I've explained before, my hands were crushed during the fracking incident.

00:09:09
There were no hand transplants readily available, but gorilla feet are somewhat hand-like.

00:09:14
So I am using them temporarily while my doctors find me more suitable replacements.

00:09:19
[laughs]

00:09:19
They sure made a monkey out of you, huh?

00:09:22
[reporters laugh]

00:09:22
-They did no such thing.

00:09:24
Gorillas are apes.

00:09:25
I feel that went pretty well.

00:09:26
Yes, well, thank you for dropping out of the race.

00:09:29
Rest assured, under my stewardship, the state will be in good--

00:09:33
-You were gonna say "hands," weren't you? -Ugh.

00:09:35
So, what's next for us two amigos?

00:09:37
Mr. Peanutbutter, we don't need your help on the campaign.

00:09:40
We are running virtually unopposed. I think our team can handle it from here.

00:09:44
Wha-wha-wha-what?

00:09:45
The best way you can help us is to go back to your regular life and stay out of politics forever.

00:09:51
So this chapter of my life is over? Doggy, doggy. What now?

00:09:56
Coochy-coochy-coochy...

00:09:57
Hey, Mom. You got something in the mail.

00:09:59
Have I received any gentleman callers today?

00:10:02
I'm expecting a visit from Corbin Creamerman.

00:10:06
You know what? I'll check.

00:10:07
You could learn a thing or two from him, Henrietta!

00:10:10
Mm-hmm.

00:10:12
-Hey, where have you been? -I'll make coffee.

00:10:14
Oh, uh... well, Miles actually took me to check out UCLA.

00:10:18
He took me to a party, and I got to sleep in a dorm room, and...

00:10:20
Wow, look at the time. That's enough questioning of me, and where I've been, and what I've been doing. See ya later!

00:10:26
Hold up. Did you and that PA hook up last night?

00:10:28
BoJack! We didn't just hook up.

00:10:30
Miles is a really interesting soul,

00:10:32
-and I feel like we connected. -Oh, boy. Okay. Sit down.

00:10:35
Hollyhock, you are never gonna hear from that guy again.

00:10:37
Okay, actually, I am, because when I left his dorm he said he would, and I quote, "Definitely text me."

00:10:43
Oh, wow, I didn't realize.

00:10:45
Should we plan the wedding for you and teenage-boy-you-slept-with who-said-he-would-definitely-text-you"?

00:10:49
Very funny.

00:10:50
Believe me, I take no pleasure in telling you this,

00:10:52
-but that kid is never, ever, ever-- -

00:10:52
[phone chimes]

00:10:55
-Ooh! BoJack-- -Hollyhock, it is very rude to interrupt.

00:10:58
Now, where was I?

00:10:59
Right. You'll never ever hear from this guy again.

00:11:03
-But, I-- -Ba-ba-ba!

00:11:04
In fact, if he texts you, I will do a hundred pushups.

00:11:07
That's how sure I am, since there is no possible way--

00:11:11
"Had a great time last night. Kilometers."

00:11:13
"Kilometers"?

00:11:14
It's an inside joke between me and Miles.

00:11:17
Not inside enough. I figured it out and it's dumb.

00:11:19
[phone chimes]

00:11:19
-He wants to take me to a party tonight.

00:11:22
-Shouldn't you be doing pushups? -

00:11:22
[sighs]

00:11:25
Nope, can't. Impossible.

00:11:26
Anyone who says they did a pushup is lying.

00:11:28
[phone chimes]
00:11:28
-That him canceling? Classic move.
00:11:30
No, he wants to spend the day together.
00:11:32
Oh. Well, you wanna have breakfast first?
00:11:34
I got a box of crullers, of which one remains.
00:11:36
Nah, I'm good with this coffee.
00:11:38
I'll be home for dinner, though. Bye!
00:11:40
Okay.
00:11:41
Forty-six, 47...
00:11:45
-Ah! I could do this all day. -
00:11:45
[groans]
00:11:49
[horn honking]
00:11:49
[gasps, whimpers]
00:11:53
We have gathered in Todd's new apartment to discuss the future of PB Livin'.
00:11:58
You told me this was an intervention to get Todd to stop coming up with awful ideas.
00:12:02
That was a pretense to get you to show up.
00:12:04
-What? -It was Todd's idea.
00:12:05
What else you got, Todd?
00:12:07
Well, I got this one thing. I don't know. It might be pretty dumb.
00:12:11
-You bite your tongue. -Yes, bite it all the way off!
00:12:13
All your ideas are beyond terrible.
00:12:16
Well, in that case, I guess I must have "terrible" business instincts.
00:12:19
-You do! -Because I wanna hear it.
00:12:21
They say "the devil's in the details," so let's summon the devil!
00:12:24
Okay, so you know how hard it is
00:12:26
-to get your kids to go to the dentist? -I don't.
00:12:28
But what if dentists had a friendlier face?
00:12:31
Ooh!
00:12:33
What if you could take your kids to a dentist's office where all the dentists were clowns?
00:12:38
-What?! -Kids love clowns!
00:12:40
-Do kids love clowns? -Actually--
00:12:42
Don't they? Who else would clowns be for?
00:12:45

Because adults don't love clowns.
00:12:47
That is true. Adults find clowns creepy and off-putting.
00:12:49
So kids must love clowns, because otherwise, why would there be clowns?
00:12:55
That is sound logic. Okay.
00:12:56
I want these clown dentists laughing maniacally as they drill into the teeth of America's children, starting yesterday!
00:13:02
As someone who does have children, I have to say, a lot of kids are actually terrified of clowns!
00:13:09
Are they? Hm.
00:13:10
That would have been helpful information before I committed.
00:13:13
But my word is my bond and I already said yes, didn't I?
00:13:16
Okay, so do we find dentists and train them to be clowns, or do we get clowns and train them to be dentists?
00:13:22
Why don't we get clowns and dentists and they can train each other?
00:13:25
Oh, somebody call the police department, because you are on fire!
00:13:29
[groans]
00:13:29
Aw, jeez.
00:13:32
[all chuckling]
00:13:33
And without missing a beat, I say,
00:13:34
"Well, when life gives you lemons, make an Arnold Palmer."
00:13:37
[all laughing]
00:13:39
It's been so wonderful getting to know you all these last few days.
00:13:42
We're so happy to have you. Now, let the festivities begin.
00:13:46
-Sissy, hand out those cat ears. -Cat ears?
00:13:49
-And this is for you. -I want those.
00:13:51
See, the feast is about remembering the ancient tale of a heroic mouse named Squeaky.
00:13:55
And we always start by wearing cat ears and singing the song of Squeaky's enemy, the cat tyrant, King Pusspuss.
00:14:00
Looks like Princess Carolyn won't need any cat ears to look evil.
00:14:05
[family laughing]
00:14:05
[sighs]
00:14:06
[piano music playing]
00:14:08
■ Look at me, I'm a dumb cat king ■
00:14:10
■ I'm an ugly, mean, fat thing ■
00:14:13
■ Innocent mice will feel my wrath ■

00:14:16
■ I'm a stinky cat Who never takes a bath ■

00:14:18
Okay, that's actually a stereotype. Cats do take baths.

00:14:21
Darling, licking yourself does not qualify.

00:14:24
[family laughing]

00:14:25
-Aw, come on, it was funny. -

00:14:25
[grunts]

00:14:28
■ I'm positively evil I'm nasty and I'm smelly ■

00:14:33
■ So I'll take my sword And stab you in the belly ■

00:14:36
[Poppy]

00:14:36
Oh! Right in the cat gut!

00:14:38
Hooray!

00:14:39
Sorry, it gets a little graphic.

00:14:41
I really wish you'd told me your family's holiday was so anti-cat.

00:14:45
It's just an old story about one bad cat. It's not about every cat.

00:14:49
-Death to all cats! -Whoo-hoo!

00:14:52
[Stefani]

00:14:52
All right! -I forgot about that part.

00:14:54
It's kinda like church.

00:14:55
You say the words so many times, you forget what they mean.

00:14:58
Oh-hh...

00:15:04
[yelps]

00:15:04
Agh! -Hello, Hollyhock.

00:15:06
[clicks]

00:15:08
Oh, come on. Wait there. There's a spare bulb in the kitchen.

00:15:11
I've been sitting in that chair for five hours waiting to do this.

00:15:15
[crashing]

00:15:15
-Agh, damn it! Son-of-a--! What?

00:15:18
[huffing]

00:15:20
[clicks]

00:15:21
-Hello, Hollyhock. -What are you trying to do?

00:15:23
I'm trying to keep you out of trouble with a showman's flair for the dramatic.

00:15:27
I texted you I was gonna be home late.

00:15:29
You don't tell me when you're home late.

00:15:31
This is my house. You need to ask permission.

00:15:33
-What? You're not my dads. -I'm just looking out for you.

00:15:36
You spent four days with this kid, I'm worried--

00:15:38
There's nothing to worry about! We like each other.

00:15:40
Yeah, now. But come on, Hollyhock.

00:15:43
[stammers, sighs]

00:15:44
He's a teenage boy whose job is to be around hot women in skimpy outfits all day.

00:15:49
You think he's gonna want--

00:15:50
What?

00:15:51
No, I just mean that...

00:15:53
What, you think I'm not attractive enough for him?

00:15:55
Well, you're the one who said you were a blob.

00:15:58
-Do you think I'm a blob? -No.

00:16:00
What kind of person calls his own daughter a blob?

00:16:03
-You said "blob." -I said I "felt" like a blob.

00:16:05
Do you think I'm a blob?

00:16:07
I just--

00:16:07
[sighs]

00:16:08
I just think L.A. is a superficial town and you need to be careful.

00:16:12
Well, Miles likes me just the way I am.

00:16:15
And that's the kind of person that I want to spend my time with.

00:16:17
Hollyhock, wait. Wait. Wait!

00:16:20
I get it! It's my weight!

00:16:28
Yeah... I'm sorry about all that.

00:16:31
Why didn't you tell me they hate cats?

00:16:32
They don't hate cats.

00:16:33
Now I get why you didn't want to tell your family about the baby.

00:16:36
Okay, I was a little nervous. But they'll come around.

00:16:38
Besides, what am I supposed to do? They're my family.

00:16:42
-And what are me and Philbert? -

00:16:42
[sighs]

00:16:42
Oh...

00:16:50
Can't believe she's still pissed.

00:16:51
You shouldn't have called her a "blob."

00:16:53

I'm a blob too! We're both blobs!

00:16:56

How about just as a general rule, don't ever call a woman a blob?

00:16:59

Never! What if I meet a woman whose name is Barbara Lob?

00:17:03

And I call her "B" for short. "B. Lob."

00:17:05

Maybe instead of figuring out the woman blob workaround, you should just tell Hollyhock you're sorry.

00:17:10

I still think Miles is up to something.

00:17:12

Why is it so hard for you to believe someone could genuinely like your daughter?

00:17:15

Because she's like me!

00:17:17

Okay. Do you think maybe this could be more about you than it is about her?

00:17:22

Yes, obviously, I have a lot of work to do on myself. Everyone knows that.

00:17:25

But the important thing right now is how I can fix things with Hollyhock.

00:17:28

Try to stay on topic, Diane.

00:17:30

Well, an open conversation about your concerns with--

00:17:33

No, that's too Diane-y. She'd never buy it was coming from me.

00:17:35

Then why do you want my advice?

00:17:37

I got it. If I can somehow prove to her what a jerk Miles is, then she'll have to like me more by default.

00:17:42

That's the BoJack way.

00:17:43

BoJack, no--! Oh-- oh...

00:17:46

Ooh, that's... that's nice.

00:17:48

Goldie, how would you like to advance to the final round?

00:17:50

I would do anything, and I mean, anything.

00:17:55

-So I did it. I had sex with the PA. -You had sex with him?

00:17:59

That's what you wanted, right?

00:18:00

I just said "seduce" the PA.

00:18:03

Doesn't that mean have sex with him?

00:18:04

No, I just wanted you to, like, get him all hot and bothered.

00:18:08

-Eh...? -And ready to sleep with you.

00:18:10

Then once you get him on audiotape

00:18:12

-saying that he would sleep with you... -What?

00:18:14

...come up with some excuse to get out of there with virtue intact.

00:18:16

That's a lot of specifics you just assumed I would know.

00:18:19

Okay, well, the important thing is, we got him now.

00:18:23

Tell Miles what you told me.

00:18:25

-I had sex with the PA. -What PA?

00:18:27

I think his name was "Eggberg"?

00:18:30

-What? Not him? -That's the intern.

00:18:32

-You said "PA." -Did you think I was a PA? Nice!

00:18:35

Why'd you want her to sleep with me?

00:18:37

Not sleep with.

00:18:39

You told a contestant you would advance her to the final round if she slept with a PA?

00:18:44

I said "seduce." There is a distinction.

00:18:46

We make a show about empowering women and lifting them up, and you cheapen it with this coarse vulgarity.

00:18:52

I cannot lie. You disgust me.

00:18:54

This was all a big misunderstanding.

00:18:56

Cover up your bottom and go, BoJack.

00:18:58

You're not fit to judge anyone's character, or their booties.

00:19:04

So it is about judging booties.

00:19:07

[groans]

00:19:07

-Hey, BoJack. -Miles.

00:19:09

Don't want me dating your daughter, you could have told me.

00:19:11

I'm sorry.

00:19:12

Maybe we could've worked out some sort of deal.

00:19:15

What do you mean?

00:19:16

All right, so I got this screenplay, and I think it's a really fresh area.

00:19:19

It's about a production intern who wants to be a writer.

00:19:22

Oh, wow.

00:19:23

I think it could go somewhere if it got in front of the right person.

00:19:26

So if you have like an agent or a manager you could give it to, that would be awesome, and I would never talk to Hollyhock again.

00:19:31

I promise.

00:19:35

So you were right. He was a dirtbag.

00:19:39

Yeah. I was kinda hoping I was wrong for once.

00:19:41

If it makes you feel any better, you were wrong about all the other parts of this.

00:19:45

Diane, you are so bad at making people feel better.

00:19:48

Are you gonna tell Hollyhock?

00:19:49

She's a smart girl. She'll figure it out eventually.

00:19:53

But for now, if she believes someone can love her for who she really is, then why would I take that away from her?

00:19:58

BoJack, you gotta get one of these massages.

00:20:02

-Oh-hh! -Okay.

00:20:04

[Mimi]

00:20:04

Goodbye, darling. -

00:20:04

[Sissy]

00:20:04

It was good seeing you.

00:20:07

-It was so much fun seeing you both. -Thank you for hosting us.

00:20:10

It was so nice to get away for the week and learn all about your charming little traditions that didn't freak me out at all. Bye-bye!

00:20:16

Did our little city mouse have a nice time in the country?

00:20:19

Everything was wonderful.

00:20:20

And your little companion was darling-- for a week.

00:20:23

But I do hope the next one you bring home knows how to appreciate a good Feast of Saint Squeaky.

00:20:28

Well, for your information, there's not gonna be a "next one," because...

00:20:32

I love Princess Carolyn and we're having a baby and I couldn't be happier!

00:20:35

[Mimi]

00:20:35

Oh, my God.

00:20:40

Oh, Mr. Peanutbutter, I am so relaxed.

00:20:43

I didn't realize how much tension I'd built up in my--

00:20:45

Oh, my God! Um...

00:20:49

Mr. Peanutbutter, why is our hotel room filled with dentist clowns?

00:20:54

Don't be ridiculous, Diane.

00:20:56

They're not all dentist clowns.

00:20:57

Half of them are clown dentists.

00:20:59

Just try to ignore them and go about your business.

00:21:02

-Okay. -So, this is the incisor.

00:21:04

Doc, if this is what's incisor,

00:21:05

I'd hate to see what's outside's 'er. Hyuk, hyuk, hyuk!

00:21:08

-Please try to focus, Dr. Boing-Boing. -

00:21:08

[squirts]

00:21:11

Ugh!

00:21:12

[Tom Jumbo-Grumbo]

00:21:12

With former rival Mr. Peanutbutter's support,

00:21:14

just yesterday, Woodchuck Coodchuck-Berkowitz

00:21:17

seemed to be unbeatable,

00:21:18

but as a new candidate enters the race, is Woodchuck also "unbeata-Biel"?

00:21:23

"UnbeataBiel"?

00:21:24

Randy, you wily son of a-- I've missed you, buddy! Bring it in!

00:21:28

"UnbeataBiel"?

00:21:28

[gasps]

00:21:31

I'm tired of these politicians who are all talk.

00:21:33

California needs a leader who excels in both comedy and drama

00:21:37

and who is beautiful in an approachable girl-next-door way,

00:21:39

and who will get all the criminals off the street

00:21:41

while simultaneously finding a use for our wetlands.

00:21:44

That's why I'm running for governor.

00:21:46

A candidate you can Jessica-lieve in.

00:21:48

What the--?!

00:21:49

Let's do it together! I'm with me!

00:21:51

Oh-hh! Katrina.

00:21:53

-Gadzooks! -Not now, Professor Flim-Flam!

00:21:56

Of course, Katrina would latch onto Jessica as the beautiful face of her dangerous agenda.

00:22:00

Well, there's no way they could beat Woodchuck, right?

00:22:03

No? Because I almost beat him and I don't even know what a governor does.

00:22:07

That's true. Mr. Peanutbutter, you've got to help.

00:22:10

Woodchuck has no idea what he's up against.

00:22:12

You're right! But are we sure this is the right thing for us?

00:22:15

If I jump right back into politics, that's not gonna give me a lot of time to focus on our burgeoning clown dentistry business.

00:22:20

[nose beeps]

00:22:21

Then it is definitely the right thing for us.

00:22:25

[Woodchuck]

00:22:25

This is an abomination.

00:22:27

[aide]

00:22:27

It's only till the doctors find better ones.

00:22:29

They're not even hands!

00:22:31

Well, they're better than feet, aren't they?

00:22:33

[beeping]

00:22:33

-What the--?!

00:22:34

[yelps]

00:22:34

-I'm Dr. Boing-Boing!

00:22:36

And I am Dr. Jennifer Picarello, D.D.S.

00:22:39

We come with a message from Mr. Peanutbutter.

00:22:41

You can tell Mr. Peanutbutter I don't--

00:22:43

-Ha! Woodchuck! -What do you want?

00:22:45

You need me, Woodchuck!

00:22:46

You've got brain smarts, but your sober-minded policy speeches are no match for the glitz and pizzazz of a Hollywoo starlet.

00:22:53

Even a relatively low-wattage one like Jessica Biel.

00:22:55

He's right. California loves making movie stars governors.

00:22:58

I was married to both Jessica and Katrina.

00:23:00

I know them inside and out.

00:23:02

And I'm not speaking in a sexual way, although it is also true in a sexual way.

00:23:05

-You gotta let me join the campaign! -

00:23:05

[groans, sighs]

00:23:10

-All right. -Great! There's no time to lose.

00:23:12

Quick! Get in Dr. Boing-Boing's dream-powered smile-mobile!

00:23:15

It's been four seconds and I already deeply regret this.

00:23:19

[beeping]

00:23:23

[changing channels on TV]

00:23:27

-Hey. -Hey, yourself.

00:23:28

-I'm sorry I was an asshole. -Mm-hmm.

00:23:31

-What are you doing? -Seeing how fast I can change channels.

00:23:33

Also, I found all the loose change in the house and I put it in alphabetical order by year.

00:23:39

Do you really think a guy like Miles couldn't ever really like a girl like me?

00:23:43

No.

00:23:44

I was just jealous because you were spending a lot of time with him.

00:23:47

He hasn't texted me all day today.

00:23:49

I've been trying to distract myself.

00:23:51

Forget him. You're gonna meet lots of guys who will fall madly in love with you.

00:23:54

I might have scared him off. I don't know.

00:23:57

Do you ever get that feeling that like, to know you more is to love you less?

00:24:03

Hollyhock, you are an amazing woman and you should never settle for someone who only loves the idea of you.

00:24:08

You are funny, and you're kind, and you're clever.

00:24:11

Am I also pretty?

00:24:13

I-- come on. What do you want me to say?

00:24:16

Obviously, I think you're beautiful.

00:24:19

Well, you don't have to go overboard.

00:24:22

Hey, I got an idea.

00:24:23

Why don't we go get some Cold Stone? That'll take your mind off Miles.

00:24:26

Plus, I'll let you drive the Tesla!

00:24:29

Thanks, but I'm not really in the mood for ice cream.

00:24:32

Well, then, forget that. Let's get a pizza.

00:24:34

-I'm actually not hungry. -Oh.

Ep 9 — Ruthie

00:00:13

Class, settle down. Settle down.

00:00:15

It's Ruthie's turn to present her ancestor.

00:00:18

-Go ahead, Ruthie. -Okay, Teach-Bot.

00:00:21

-Mrs. Teach-Bot. -Ugh.

00:00:23

My great-great-great grandmother was called Princess Carolyn.

00:00:27

She was an agent and a manager in Hollywoo.

00:00:29

What's the difference between an agent and a manager?

00:00:32

Both look to find projects for their clients but only managers can produce.

00:00:35

[class murmuring]

00:00:35

-What?

00:00:37

My mom told me that I come from a long line of strong female cats.

00:00:41

Princess Carolyn was the runt of 12 and it made her one of the toughest.

00:00:45

Mom said, "She could take a lickin' and keep on tickin'."

00:00:48

This expression refers to clocks, an old fashioned way of timekeeping

00:00:52

before we all universally accepted the bean system.

00:00:54

[class]

00:00:54

"The bean system is the way."

00:00:57

For Ancestry Day, I'm gonna tell you a particular story about one particular day on which Princess Carolyn faced and overcame particular adversity all the way back in the year 2017.

00:01:11

[Ruthie]

00:01:11

The day began like any other. -

00:01:11

[groans]

00:01:13

[Ruthie]

00:01:13

Princess Carolyn lived with her boyfriend, Ralph.

00:01:16

- She was pregnant and very happy. -

00:01:16

[sighs]

00:01:19

Sorry I can't go with you to the doctor.

00:01:20

-Don't worry about it. I feel great! -Today is crucial.

00:01:23

Stilton Cards has to create its own holiday to really be playing with the big boys.

00:01:26

Hallmark, American Greeting, those chunky cards that play music when you open them.

00:01:30

I just know you're gonna be the next Joey K. Easter, the guy who invented Arbor Day.

00:01:35

How about "National Friend of a Friend Day?"

00:01:37

-Is that anything? -You'll think of something.

00:01:39

[slurps]

00:01:39

Mm!

00:01:40

Give me just a sip of the coffee. I can have a sip.

00:01:43

-One sip. -Today is going to be great.

00:01:46

Oh--!

00:01:46

[yelps]

00:01:48

-Hey. -

00:01:48

[moans]

00:01:48

Oh-hh!

00:01:49

[Ruthie]

00:01:49

She was wrong.

00:01:50

Today was gonna suck.

00:01:53

[theme music playing]

00:02:48

[Ruthie]

00:02:48

Princess Carolyn started her day with a call to BoJack Horseman, her former client-slash-lover.

00:02:54

-Ruthie! Inappropriate! -Sorry.

00:02:58

[BoJack]

00:02:58

Go for BoJack!

00:02:59

You like that? I'm trying out some new phone stuff.

00:03:02

Or is "Bo for GoJack" better? Nah, maybe too clever.

00:03:05

I don't want people to think I'm trying. Sorry, who is this?

00:03:07

Princess Carolyn, moron.

00:03:09

-Oh, hey, P.C. So what do you think? -About what?

00:03:13

"Go for BoJack!" Or maybe--

00:03:14

Ugh, stop! You need to get a new agent.

00:03:17

I'm sick of fielding your offers.

00:03:18

Offers? Well, you tell them that I am not doing another reality show.

00:03:21

So degrading.

00:03:22

All they had at craft services was Kirkland snacks, P.C. Kirkland snacks.

00:03:26

Well, first of all, I don't work for you, so I'm not gonna tell anyone anything.

00:03:29
But, second, these are actually good offers.

00:03:31
-Really? Like what? -I'm not telling you because--

00:03:34
Got it. Busy, busy. I'm busy too, so I'll call you back later. Bye.

00:03:36
- Don't call. I don't work for you! -How's this for a headline for the blog?

00:03:39
You write about this, quote, "BoJack Finally Solves Mystery of Hollyhock's Mother, comma, Looks Handsome, colon: Is Cool." End quote.

00:03:47
I still don't understand your plan, or how that's a headline.

00:03:50
The plan couldn't be simpler. Go to the county courthouse, ask to see all the birth certificates on file, find Hollyhock's, see what it says in the "mother" spot.

00:03:56
They're not just gonna give you the birth certificates.

00:03:58
Well, I gotta try something. I have this girl at my house

00:04:01
who came to me for help, I want to do right by her.

00:04:03
I just don't know if you've thought through--

00:04:05
Diane, I am a famous. They will give me the birth certificate.

00:04:08
Everyone gives me everything I want all the time.

00:04:11
It is an existential curse, but a huge day-to-day convenience.

00:04:15
-So why do you need me? -I don't know. Just wanted some company.

00:04:17
You told me to use a vacation day because this was, quote,

00:04:20
"a feminism-related emergency."

00:04:22
-I got your number! -Why didn't you just bring Hollyhock?

00:04:24
I was gonna, but she got really into counting her teeth this morning,

00:04:27
didn't want to leave the house. You know how teens are.

00:04:29
Ruthie, this was supposed to be about your ancestor.

00:04:33
-Who are all these other "chara-ca-ters"? -They fill out the world.

00:04:37
Well, can you try to keep things focused, please?

00:04:39
Okay, okay, okay.

00:04:40
[Ruthie]

00:04:40
Princess Carolyn had been called to Gekko-Rabitowitz--

00:04:43
the agency of her nemesis, and nemesis-slash-former lover.

00:04:47
-Ruthie! -Sorry, Teach-Bot.

00:04:48

She had a lot of former lovers.

00:04:50
She was a fluid sexual being, not a machine.

00:04:52
[Ruthie]

00:04:52
But today was all about business.

00:04:54
She was there because she was trying

00:04:56
to get her client Courtney Portnoy cast in--

00:04:58
Corpse Me If You Can-Can , the 1940's Cannes, France-set story of a can-can dancer who contracts cancer but continues to can-can as a canny cadaver who plays the accordion with Kevin Corrigan, Kevin Kline,

00:05:10
Chris Klein, Chris Pine and Chris Kattan.

00:05:12
-Got it. -

00:05:12
[gasps]

00:05:12
Gekko.

00:05:14
Princess Carolyn, hi! Love the dress.

00:05:18
Is it new, or something I've seen you wear literally hundreds of times?

00:05:21
[Ruthie]

00:05:21
Normally, Princess Carolyn would've been rattled,

00:05:23
but that day, she realized Vanessa Gekko no longer had any power over her.

00:05:27
In truth, the woman had challenged and inspired Princess Carolyn,

00:05:31
not only to be a better agent,

00:05:33
but to be brave enough to try and have it all.

00:05:36
Princess Carolyn wanted to tell her thank you, but instead she said...

00:05:40
-You look tired, "Veronica." -Oh, I--

00:05:43
Amazing burn, Princess Carolyn.

00:05:45
Hey, Princess. We have a little snag.

00:05:49
Did Chris Kattan drop out? Right before his comeback?

00:05:52
Right when the world is finally ready to settle for Kattan?

00:05:55
-No, it's-- -You're fired.

00:05:57
I'm fired?

00:05:59
I tried to talk her out of it, but between the gun movie misfiring and her nuptials turning into "nope-tials," and her blaming you for both of those things...

00:06:06
Who knew Portnoy had so many complaints? Oh, just give me one more chance.

00:06:10

I promise I can get you the lead in that can-can cadaver movie.

00:06:13

[laughs]

00:06:13

What?

00:06:15

Oh, P.C., C.P. just made that whole thing up to get you here.

00:06:20

You thought that was real?

00:06:21

The 1940's corpse who learns accordion? It sounds so ludicrous.

00:06:26

You did play the short-sighted seamstress in The Storm on Northern Fortress.

00:06:30

Well, yeah, but that was just because I wanted to work with Ashton.

00:06:33

We'll talk later, right? I'm so sorry. Bye.

00:06:36

Did you have a good meeting?

00:06:36

[mockingly]

00:06:36

Did you get fired?

00:06:40

[groans]

00:06:40

Aw.

00:06:44

Sorry you got fired. Here's a latte.

00:06:46

Oh, uh--

00:06:47

-It's decaf, ma'am. -Thanks, Judah.

00:06:49

You know, one year ago, a setback like this would have really spun me out.

00:06:53

But I don't need Courtney.

00:06:54

Every time we fall, we get back up stronger and better than ever.

00:06:58

-Can I get a hallelujah? -Is that a sort of pressed juice?

00:07:01

I'll have one hallelujah on your desk by 12:45.

00:07:03

Great. What's next?

00:07:04

I noticed your necklace was broken, so I pushed back your appointment, and found a reputable jeweler nearby.

00:07:08

Don't know what I'd do without you, my hairy number two!

00:07:11

Oh, God, I'm sorry. That came out horribly.

00:07:13

Not to speak above my station, but perhaps it would behoove us to entice BoJack Horseman back into our stable.

00:07:18

-Ugh! -I'm sorry, ma'am.

00:07:19

"Stable" and "behoove" were poor word choices.

00:07:21

I was not trying to engage in punnery during business hours, but we've received 15 more inquiries about BoJack just this morning, and I don't think it's wise to look a gift... opportunity in the mouth.

00:07:31

BoJack is off the table. We're a small management company.

00:07:35

We just need to focus on the clients we have.

00:07:37

[Judah]

00:07:37

You know best.

00:07:40

-■ Who's that dog? ■ -■ Mr. Peanutbutter-- ■

00:07:43

[beeps]

00:07:43

-Mo for Gister Peanutbutter!

00:07:45

Hey, handsome. Heard you dropped out of the governor's race.

00:07:48

Now let's get you back to work on what really matters-- show business!

00:07:51

-I'm going to stop you right there. -I was done.

00:07:53

Can't wait to get back in front of the camera, but right now, I have to help my former political rival defeat my two ex-wives.

00:08:00

One of whom is in the pocket of powerful lobbyists and the other of whom murdered popular actor and soundtrack artisan, Zach Braff, and ate his burnt flesh!

00:08:06

Politics as usual, right?

00:08:08

Well, when you're ready to work again--

00:08:10

Gotta go. They need all hands on deck, because Woodchuck lost his hands underground and they replaced them with creepy lobster claws.

00:08:16

Typical politics!

00:08:22

Hey. So I need this clasp replaced, 24-karat gold.

00:08:25

This is a priceless family heirloom.

00:08:28

Princess Carolyn had gotten her necklace from her mother, who got it from her mother, who brought it from the old country.

00:08:34

When our ancestors first emigrated to America, they were very poor.

00:08:37

Back in the Motherland, they had been doctors and engineers,

00:08:41

but here, they struggled to find work.

00:08:43

Every night, they would sing the song of the old country,

00:08:46

hoping to reclaim the glory of those days.

00:08:48

[all]

00:08:48

■ Meow-meow! Meow-meow! ■

00:08:51

■ Meow-meow Meow-meow, meow-meow! ■

00:08:55

[Ruthie]

00:08:55

They slowly sold all their belongings

00:08:57

as they attempted to hang on to a middle-class way of life.

00:09:01

[all]

00:09:01
■ Meow-meow... ■

00:09:04
- ■ Meow-meow! ■ -

00:09:04
[light bulb fizzles]

00:09:07
[Ruthie]

00:09:07
But she never sold that necklace,
because that was the one gift she could give her daughter.

00:09:12
A treasure from the past and a symbol of the tenacity and
stick-to-itiveness that has for generations led my family to always
land on their feet.

00:09:23
-You can come back in about two hours. -Thank you.

00:09:25
[clatters]

00:09:25
-Sorry, sorry! Wait. Sorry, sorry.

00:09:28
[clatters]

00:09:28
-Okay, okay, okay.

00:09:30
I'm just looking for something really nice.

00:09:33
This is for a sexy catfish I met on the Internet.

00:09:36
-Charley? -Princess Carolyn!

00:09:39
-You work at a jewelry store now? -No, I own my own management
company.

00:09:43
Oh, yeah. Good for you.

00:09:44
I'm so proud of you.

00:09:46
Your approval means nothing to me.

00:09:48
So I guess it's good you said "no" to my offer last year.

00:09:51
What offer? I mean, exactly what offer are you talking about?

00:09:54
I get so many.

00:09:56
Last year, I reached out to your guy... I wanna say, "Ju-do"...

00:10:01
-Judah. -This guy's name was Judo.

00:10:04
I offered to buy VIM and merge it with Vigor.

00:10:07
We would have called the new company, VIMgor.

00:10:10
Oh, right. That offer.

00:10:13
I couldn't believe when he said you weren't interested.

00:10:15
Well, yeah. Because I wasn't, and he does what I say.

00:10:18
So I guess it all worked out for everyone.

00:10:21
You got to start over as a manager, and instead of buying VIM, I
bought the Utah Jazz.

00:10:26
They're terrible agents, but they're getting better.

00:10:29
-Yeah. -Anyway, nice bumping into--

00:10:31
-Oh, sorry. -Careful, please. Ooh.

00:10:32
[Charley]

00:10:32
Oopsie. Oh, boy. -No, no.

00:10:34
[crashes]

00:10:34
-Is that valuable? It is.

00:10:36
My great, great, great grandmother was dismayed that her trusted
colleague had kept this from her.

00:10:40
Her mind raced, "Was Judah capable of deception?"

00:10:43
She hoped what Charley told her wasn't true,

00:10:46
but her instincts told her the frog wasn't smart enough to lie.

00:10:49
First quarter, second quarter. Wow, that's a lot of quarters.

00:10:52
Oh, excuse me. Hello.

00:10:54
Judah, you'll never guess who I just ran into.

00:10:57
No, I won't. Very astute, ma'am.

00:10:59
-It was Charley Witherspoon! -Mm-hmm.

00:11:02
-Char... ley... -Hmm...? Hmm!

00:11:05
-Wither... spoon! -Hmm.

00:11:07
-Okay. -How does that make you feel?

00:11:09
That very short story makes me feel nothing.

00:11:11
I don't think it's your fault as a storyteller.

00:11:13
I often have trouble engaging with narratives.

00:11:15
[Ruthie]

00:11:15
His lack of response made her hope it wasn't true.

00:11:18
Could it all have been a misunderstanding

00:11:20
involving an enigmatic stranger named "Judo"?

00:11:22
So, what's next, then?

00:11:25
Ooh, I want to get the life rights to that woman I saw on Instagram
who had a pretty coffee.

00:11:29
I bet we could attach Jessica Alba and Jonathan Taylor-Thomas by
lunch.

00:11:34
Okay, but I still don't understand what a manager is.

00:11:37
Do they just say the names of movies and actors?

00:11:39
How does that generate revenue?

00:11:41
No one knows, Torf. It's not important!

00:11:43

Be quiet, Torf. Take your Hush Pill.

00:11:45

Yes, Miss Teach--

00:11:45

[gulps]

00:11:47

Uh-hh...

00:11:49

-Continue your presentation, Ruthie. -Thank you.

00:11:52

-And finally, Rob Lowe. -Great idea, Princess Carolyn.

00:11:55

But is it possible you've forgotten your doctor's appointment?

00:11:58

-Oh, fish! -It's my fault.

00:12:00

I rescheduled it in an attempt to make your life easier.

00:12:02

Thank you, Judah! I'll call you if I think of any more actor names.

00:12:10

[sighs]

00:12:10

Ba-ba-ba-ba-ba...

00:12:12

-God, this is taking forever. -We've been waiting for 15 minutes.

00:12:15

I know. Let's just go home.

00:12:16

No, Diane. How could you even suggest that?

00:12:18

This is not about us. This is for my daughter.

00:12:20

-Ugh. -I know what I have to do.

00:12:22

Excuse me, excuse me. Pardon me.

00:12:23

Important celebrity doing the right thing.

00:12:25

-Whoa, a famous guy! -And he's doing the right thing?

00:12:29

This is like when George Clooney married that less famous lady!

00:12:33

-Wait. Don't you mean Jurj Clooners? -Who cares?

00:12:36

Hello, friend.

00:12:38

-Yes, it's me, BoJack Hor-- -Number?

00:12:40

I'm sorry, I don't give out my personal phone number.

00:12:42

No, your number. You need a number or I can't help you, BoJack Hor.

00:12:46

Horseman. It's Horseman. I don't look familiar to you at all?

00:12:49

-Eh. -Come on, BoJack. Let's get a number.

00:12:52

Wait a minute. You're Diane Nguyen!

00:12:55

I recognize you from your Girl Croosh avatar.

00:12:57

I loved "Twenty Reasons to Try the Diva Cup."

00:13:00

Oh, wow, thanks! You didn't think 20 was too many reasons?

00:13:04

-No way. Number 14 blew my mind! -Didn't I say it would?

00:13:08

We don't have time. Where do we get a number?

00:13:10

-That line. -What?

00:13:11

And you'll need these--

00:13:11

[grunts]

00:13:11

forms.

00:13:14

Ow, paper cut! Who still uses paper?

00:13:16

Can't I just swipe an app or something?

00:13:18

-Bye, Diane! Keep up the great work! -

00:13:18

[giggles]

00:13:21

Oh, get over yourself.

00:13:27

[sighs]

00:13:27

[door opens]

00:13:28

-So? What's the prognosis? -Hmm...

00:13:31

I'm trying to think of the best way to put this.

00:13:34

As Charles Lindbergh would say,

00:13:36

"Sometimes you fly an airplane, and sometimes you lose a baby."

00:13:39

In this case, you didn't fly the airplane.

00:13:41

Wait, what?

00:13:42

Your pregnancy is no longer viable.

00:13:45

Well, how do we make it viable again?

00:13:48

Mm-mm...

00:13:49

How did this happen?

00:13:50

Goodness, I don't know.

00:13:51

I wouldn't beat yourself up. Miscarriages happen for so many reasons.

00:13:55

There's nothing medically wrong with you. Maybe you just wanted the baby too much.

00:13:59

Maybe you didn't deserve it because you were unkind once.

00:14:01

Maybe you ran afoul of a trickster god or wood nymph who is now exacting revenge.

00:14:05

Oof! This is... a lot.

00:14:08

Not for me. This is my job, so... pretty regular day.

00:14:11

What do I do next?

00:14:13

Well, there's a procedure. We can do it here later this week.

00:14:15

You want Darlene to call someone to drive you home?

00:14:17

No, I'm okay. I don't need anyone.

00:14:20

You're a real tough broad. Except for, you know, the uterus area.

00:14:24
Pretty weak.

00:14:28
[gasps]

00:14:30
-Hey, is my necklace ready? -Oh, I was going to call you.

00:14:33
When I was working on your necklace, I realized something.

00:14:36
-Oh? -It's not actually gold, it's just gold plated. See?

00:14:40
No, it's very expensive.

00:14:43
It's pretty, but basically worthless.

00:14:45
And I'm only saying it's pretty to make you feel better.

00:14:47
But, it's from the old country. It's been in my family for generations.

00:14:52
No, this is costume jewelry from J.C. Penney.

00:14:55
Circa 1963. Somebody just told you a story.

00:14:59
-I'm sorry. -Wha-- huh?

00:15:01
So, do you still want a 24-karat gold clasp on this garbage necklace, or...?

00:15:08
[sniffles]

00:15:08
Oh-hh!

00:15:12
[gasps, sobs]

00:15:22
[ringtone plays]

00:15:22
-Oh!

00:15:25
Ralph, hey!

00:15:26
Hi, honey. Just checking on how the doctor's appointment went and also to wish you a happy "Acknowledge Your Gardener Day."

00:15:32
It's a work in progress. Don't judge.

00:15:33
The doctor's appointment got pushed back.

00:15:36
I'm actually just walking in now.

00:15:37
Oh, hello. Yes, it's me, Princess Carolyn, here for my appointment.

00:15:41
I like your perfume.

00:15:43
There is a painting of a lake on the wall.

00:15:45
You sure it's okay I'm not there with you?

00:15:47
Ralph, it's fine. I'm a big girl.

00:15:49
Everything is so easy with you, Princess Carolyn.

00:15:51
I mean, that's why I love you.

00:15:53
Yeah, easy.

00:15:53
[chuckles]

00:15:55

That's what the boys in high school liked about me, too.

00:15:57
[chuckles]

00:15:57
Okay, I'll see you tonight.

00:15:59
- I love you. -I love you, too.

00:16:01
[beeps]

00:16:02
[sighs]

00:16:06
[slurps, moans]

00:16:09
Oh, I didn't realize you were still here. Do you need anything else before I go?

00:16:12
No. Thank you.

00:16:14
Should you be drinking that?

00:16:16
You don't always know what's best for me, Judah.

00:16:18
Is everything okay, Princess Carolyn?

00:16:19
Charley Witherspoon made you an offer to buy Vim, and you went over my head and turned him down without telling me.

00:16:26
Oh.

00:16:27
-So it's true. You lied to me. -Yes.

00:16:30
Because you didn't want to work at a big agency.

00:16:32
-You don't fit in with other people. -I--

00:16:34
You're weird, so you'd rather stay here where you have all the power.

00:16:37
No, Princess Carolyn--

00:16:39
So you lied to me, and you made me look like an idiot!

00:16:41
I was trying to protect you. If you heard, you'd feel like you had to say yes.

00:16:45
I don't need you to protect me.

00:16:46
If you had time, you could decide what to do next on your own terms, which you did.

00:16:50
Well, that's not your decision to make.

00:16:51
Princess Carolyn, I understand you're upset.

00:16:53
-And perhaps your emotions-- -No.

00:16:55
If I can't trust you, then I can't work with you.

00:16:57
You're fired.

00:17:00
[sighs]

00:17:03
Thank you for my time here, Princess Carolyn.

00:17:04
It's been very pleasurable. Until now.

00:17:07
This part is... sad.

00:17:11
Don't forget, you have reservations at 8:00.

00:17:13
-Thank you, Judah. -Good night.

00:17:18
Ruthie, this story has gotten really dark.

00:17:21
It has a happy ending. I promise.

00:17:23
Well, can we get there soon?

00:17:24
This assignment was supposed to be six beans long.

00:17:28
You've already gone on for eight beans.

00:17:30
Okay. I'm almost finished.

00:17:31
But first, let's check in with BoJack and Diane again.

00:17:34
What have they been up to?

00:17:35
[beeping]

00:17:35
Error. Error.

00:17:38
I'm not leaving without the certificate!

00:17:40
I danced your dance, lady. I filled out that form.

00:17:42
But I will not wait in this line anymore.

00:17:44
Not one person in here offered me a Fiji water, and I am parched from all the yelling I've been doing!

00:17:50
BoJack, let's go home.

00:17:52
No, I would like to register a formal complaint.

00:17:55
-How do I do that? -Complaints are on the eighth floor.

00:17:57
But you need to fill out an application for a complaint registration, which you can get by waiting in line 12-B on the third floor.

00:18:05
You have won this round.

00:18:08
So Princess Carolyn had to meet Ralph.

00:18:10
But she didn't know how to tell him what had happened

00:18:12
or how he'd take the news.

00:18:15
Okay, so, what do you think about "National Paperweight Day"?

00:18:18
"Thanks for keeping my papers in place. I love you as big as outer space."

00:18:21
Okay, so you'd give that card to a paperweight?

00:18:25
Ah, Principessa! And Signor Stilton. Welcome-a back.

00:18:29
Let's have a drink then, yes?

00:18:30
I'll have a glass of Châteauneuf-du-Pape, the red wine inspired by Scandal.

00:18:34
That Kerry Washington has really brought red wine into popularity.

00:18:38

It's a-funny, because I thought that the terroir of the Italian countryside did it.

00:18:42
-But, a-no, it's-a Miss Kerry Washington. -Ugh.

00:18:46
Everybody love-a Miss-a Kerry.

00:18:48
And my gal pal here would love some mint tea. Right?

00:18:51
-You know it. -Bene, bene.

00:18:53
How was the doctor? He tell you the species?

00:18:55
I can't stop thinking about squeezing little Philbert's baby feet.

00:18:58
-Aw-ww... -

00:18:58
[Ruthie]

00:18:58
She wanted to tell him.

00:19:00
But she also wanted to let him stay in his beautiful hopeful reality,

00:19:04
a reality she herself had lived in just hours before,

00:19:08
and to which she now longed desperately to return.

00:19:10
Well, the doctor didn't have much info.

00:19:13
You know how doctors are. But he did say there's nothing wrong with me, so--

00:19:17
-Ah, Miss-a Carrie Underwood. -Ooh!

00:19:19
-Miss-a Carey Mulligan. -Agh!

00:19:21
Miss-a Carey, first name Mariah, right this-a way!

00:19:25
-Ugh! -Look at all of these Miss-a-Carries!

00:19:27
[coughing]

00:19:27
-Are you okay?

00:19:29
-I have to go. -Oh. Well, you want me to drive you?

00:19:31
No, it's fine. I'll just meet you at home.

00:19:34
Hmm.

00:19:35
[Ruthie]

00:19:35
But when Princess Carolyn got to the home that she and Ralph shared,

00:19:39
she found she didn't have the strength to go inside.

00:19:45
She wanted to go some place familiar, some place that was just hers.

00:19:51
[sighs]

00:19:53
[yelps]

00:19:53
Oh!

00:19:54
[whirring]

00:19:56

Shh!

00:19:57

Oh, hey, Princess Carolyn.

00:20:00

What is going on here?

00:20:01

Only the future.

00:20:03

This is horrifying and it doesn't look legal, whatever it is, you'd better cut me in for ten percent.

00:20:07

I could cut you off a lot more than that.

00:20:09

[clown dentists laughing]

00:20:11

Whose kid is that?

00:20:13

Look, if you didn't want me to turn your apartment into a base of operations for my new clown-dentist venture, you should have specified that when I moved in.

00:20:21

Mommy? Where's my mom?

00:20:23

Oh, no! He's waking up.

00:20:25

Hit him with the giggle gas!

00:20:26

[spray hisses]

00:20:26

-Ooh!

00:20:26

[giggles]

00:20:29

[yawns]

00:20:30

[sighs]

00:20:30

Oh!

00:20:30

All right. You're clearly doing important work here.

00:20:33

I'm just gonna have a quick nightcap and go to bed.

00:20:36

■ What up? Let's rock this party ■

00:20:38

-■ H2 limo and a case of Bacardi... ■ -

00:20:38

[splashing]

00:20:41

■ Look at me, I'm a dumb cat queen My baby was the size of a kidney bean ■

00:20:47

Hey, what happened to your necklace?

00:20:49

Oh, fish! Fish, fish, fish, fish.

00:20:51

It must have fallen off!

00:20:53

[knocking]

00:20:53

[Ralph]

00:20:53

Princess Carolyn?

00:20:55

[all gasp]

00:20:55

-Yeah, just a second!

00:20:57

-Todd, get these clowns outta here! -Go, go, go, go.

00:20:59

Scatter, clowns!

00:21:00

Into the night! Go! Go!

00:21:02

[Princess Carolyn]

00:21:02

Go, scamper! Everybody, out!

00:21:04

[clowns whooping]

00:21:09

Ugh!

00:21:10

[sighs]

00:21:14

Okay.

00:21:16

-Oh, hello, handsome. -Oh, thank God!

00:21:18

You didn't come home, didn't answer your phone. I was worried.

00:21:21

Aw, you was worried?

00:21:23

Judah told me you might be here. Did you fire him?

00:21:25

That hipster Chewbacca, always getting in my personal biz-natch.

00:21:29

I didn't know you still had this place. Why do you still have this place?

00:21:33

Okay, what? Third degree much?

00:21:35

-Have you been drinking? -It's fine, okay?

00:21:38

-I get to drink because baby went gone! -What?

00:21:42

"Gone, baby, gone." Like that Ben Affleck movie.

00:21:44

That could be a sequel. Gone, Baby, Never Was. Write that down.

00:21:47

-Oh, my God, Princess Carolyn. -It's okay! You know me.

00:21:51

I always land on my feet.

00:21:53

Take a lickin', keep tickin'.

00:21:54

Like a lollipop with Tourette's. Write that down.

00:21:57

So you were lying earlier at dinner?

00:21:59

Is that what you're upset about? That I lied?

00:22:02

About losing the baby? About keeping my apartment?

00:22:04

I lied? That's the big sad thing that happened?

00:22:08

Trying to process what you threw at me.

00:22:09

It's gonna be fine. I'll be pregnant again in no time.

00:22:13

I'm so sorry. Let me take you home.

00:22:15

-When you're ready to try again-- -I'm ready!

00:22:17

I said I was ready.

00:22:18

So we'll go back to the doctor, maybe talk about other options.

00:22:20

I don't need other options. My mother had 12 kids.

00:22:24

My body was made for this. We just gotta keep tick-tick-tickin'.

00:22:28

I know you wanna do this on your own, but you've had two miscarriages now, and--

00:22:32

-Five! -What?

00:22:33

I've had five miscarriages.

00:22:35

One last year, now one, and three others before.

00:22:38

-But it's whatever. It's okay. -Why didn't you tell me?

00:22:42

Are you kidding? I don't want you looking at me like that.

00:22:45

Like that! I know I can do this.

00:22:47

You can't keep stuff like this from me. It's not okay.

00:22:49

-It's not about you. -It is. This is about us.

00:22:52

You're not allowed to be mad at me.

00:22:53

-This is my bad day. -It's our bad day.

00:22:55

It's so easy for you... to love me when everything's good.

00:22:59

Princess Carolyn, I...

00:23:00

-Let me take you home. -No.

00:23:01

You need to live in this. You need to get used to this, because if you're serious about having a baby with me, this could happen again.

00:23:07

Are you prepared for that?

00:23:09

This could happen five more times. But I'm ready for that.

00:23:11

Because I want this. Do you want it that bad?

00:23:14

[sighs]

00:23:16

I just think we should maybe talk about other options.

00:23:20

Okay. Here's another option.

00:23:23

-Get out of my apartment! -I'm sorry.

00:23:24

Get out! Save it for your next girlfriend.

00:23:27

The one you can take home to your parents. The one who's easy.

00:23:33

Goodbye, Princess Carolyn.

00:23:38

[sighs]

00:23:42

[door opens]

00:23:53

[cork squeaks]

00:23:53

[ringtone plays]

00:23:56

[beeps]

00:23:56

-What is it?

00:23:57

I'm calling about the offers. I don't want to do 'em.

00:23:59

What's the point of being famous if you wait in line?

00:24:01

If you could politely decline on my behalf--

00:24:03

I do not work for you, BoJack!

00:24:05

I'm sorry. I started this all wrong. How was your day?

00:24:09

[moans]

00:24:09

Well-- - Because mine was awful.

00:24:12

I mean, truly, one for the books.

00:24:14

Because I'm a good guy trying to do the right thing.

00:24:16

First, I go for my breakfast Pinkberry, which I had earned because I had good intentions for today, they're out of my favorite toppings!

00:24:22

So I go across the street to Menchie's, like some kind of hobo.

00:24:24

[chuckles]

00:24:24

Mm-hmm.

00:24:26

At Menchie's, the stupid teen that worked there raised her eyebrows at me.

00:24:29

"You kidding me? You're trying to judge me?"

00:24:31

You have very uneven eyebrows and you work at a Menchie's."

00:24:33

And don't even get me started on the rancid internment camp

00:24:36

that is the L.A. County Courthouse.

00:24:38

Hey, you wanna know what I do when I have a really bad, awful, terrible day?

00:24:42

What?

00:24:43

I imagine my great-great-great granddaughter in the future talking to her class about me.

00:24:48

She's poised and funny, and tells people about me and how everything worked out in the end.

00:24:53

And when I think about that,

00:24:55

I think about how everything's going to work out.

00:24:57

Because how else could she tell people?

00:25:00

But it's... fake.

00:25:03

Yeah, well... it makes me feel better.

00:25:07

■ Oh, heart, oh, heart Stop making a fool of me ■

00:25:20

■ I'm everything that a flower is ■

00:25:22

■ I plan to make about 30 kids ■

00:25:24

■ Gotta sink for his and hers And hers for his ■

00:25:27

■ One mill where my cotton is ■

00:25:29

■ I'm your baby, I'm basically The B-girl that's been baking ■

00:25:33

■ Your heart in my stove Hungry for your love ■

00:25:37

■ Oh, heart, oh, heart Stop making a fool of me ■

00:25:42

■ Fool, fool, fool ■

00:25:45

■ Fool, fool, fool... ■

00:25:52

Boxer vs. Raptor, ■ Na-na, na-na, na-na, na-na ■

Ep 10 — lovin that cali lifestyle!!

00:00:09

[groaning]

00:00:12

[moans]

00:00:14

[muffled]

00:00:14

Give it a moment.

00:00:16

Nothing gets by me, Tina. Uno what I'm thinking?

00:00:18

[mutter]

00:00:18

-I don't think you have any blues.

00:00:21

I think you put the wild card down, and chose blue, because you want us to think you have blues.

00:00:26

-Just go already! -Uh, excuse me.

00:00:28

I am employing a little something called "strategy."

00:00:32

I am taking my time because I enjoy being the center of attention.

00:00:34

Until I put a card down, you have to listen.

00:00:36

It's been your turn for ten minutes.

00:00:38

Well, since you're being so impatient,

00:00:40

I'm gonna put my thing down, flip it and reverse it back to Tina.

00:00:43

[groans]

00:00:43

[growls]

00:00:43

Uno.

00:00:44

So you did have blues. Touché.

00:00:46

Henrietta, don't use a foreign language in front of the child.

00:00:50

She'll get ideas.

00:00:51

-It's your turn, Beatrice. -Ah, ah, ah, ah!

00:00:53

-You okay, Hollyhock? -Yeah, I'm-- I'm awesome.

00:00:55

I feel really good.

00:00:56

I just-- I need a glass of water.

00:00:58

Oh! Beatrice, trying to slip a nine on a six.

00:01:00

You think I've never seen an old niner-sixer before?

00:01:03

-Ah! Ow! -Whoa, are-- are you okay?

00:01:05

I'm fine! I just-- Ow!

00:01:07

Did you cut yourself? It's okay. I know what to do.

00:01:09

You need some alcohol, ice, a squeeze of lemon.

00:01:12

-You'll forget all about your cut. -I'll be right back.

00:01:15

One.

00:01:16

[panting]

00:01:20

Oh!

00:01:21

[moans]

00:01:22

Oh!

00:01:23

[cell phone buzzing]

00:01:29

[moaning]

00:01:31

[camera shutter clicks]

00:01:31

[cries out]

00:01:38

[theme music playing]

00:02:32

Californians are feeling the pinch, and you butter believe

it's "beclaws" of Woodchuck Coodchuck-Berkowitz.

00:02:37

I see, you're referring to my hideous transplant lobster claws

00:02:40

in an effort to distract--

00:02:41

Do you want a governor who can be rendered defenseless

00:02:44

- with two rubber bands? -

00:02:44

[groans]

00:02:45

[Tom Jumbo-Grumbo]

00:02:45

Woodchuck is down in the polls.

00:02:48

Californians just aren't connecting with his message.

00:02:52

I have a very important policy announcement.

00:02:54

-I've got new hands, baby! -

00:02:54

[crowd cheering]

00:02:58

Now Woodchuck is way up in the polls!

00:03:00

I guess his message was connecting with voters after all.

00:03:05

Hey! How you doin'? Looking good.

00:03:07

[coos]

00:03:07

-Mmm...

00:03:09

[gasps]

00:03:09

-Oh!

00:03:10

[laughs]

00:03:14

What's the big deal? I have hands too.

00:03:16

There's no way those new hands are as perfect as everyone says.

00:03:18

Nobody's hands are all the way clean. Computer, zoom in on that thumb.

00:03:22

And enhance. Zoom in again.

00:03:25
Enhance again.

00:03:26
Zoom in three more times. Enhance. Enhance.

00:03:29
Now zoom out once. De-enhance.

00:03:31
Okay.

00:03:32
What are you doing?

00:03:33
Quiet, "Face." "Brain" is working on something.

00:03:35
Computer, take a scan on that thumbprint

00:03:38
and cross-reference, please.

00:03:39
[printer whirring]

00:03:41
-Ha! Just what I expected. -What?

00:03:45
Before Woodchuck, the hands belonged to one

00:03:48
Ernest Contralto, a criminal. The man was a pedophile murderer.

00:03:54
Well, if you gotta murder somebody...

00:03:56
No, Tom. Not a pedophile-dash-murderer. A
pedophile-slash-murderer!

00:04:01
Oh, no! The way you said "slash" was very scary!

00:04:05
At first I didn't like him, on account, uh... he didn't have hands?

00:04:09
But then he got new hands, so I liked him again?

00:04:12
But then I found out those hands are bad! Can't trust politicians.

00:04:15
She's killing us on this hands thing.

00:04:18
Much like Ernest Contralto killed those innocent children

00:04:20
after he pedophiled them, with those very hands.

00:04:23
Not helping!

00:04:24
Your hands are being really aggressive right now.

00:04:27
[groans]

00:04:27
-Watch out! They're attacking your face!

00:04:33
Hey, girl, whatcha working on? Getting some clicks?

00:04:35
Get them clicks, girl. Get. Them. Clicks.

00:04:39
I'm working on another big piece about how Jessica Biel is owned

00:04:43
by private prison lobbyists, who want--

00:04:44
Oh, my Gaia, Diane, nobody cares. I care and I don't even care.

00:04:49
So imagine how little someone who doesn't care cares.

00:04:52
-Well... -What if you had lunch with her?

00:04:55
-Why would-- -You could write about

00:04:56

what she smells like, how she makes her face pretty.

00:04:59
These are things people will want to know about our first female
governor.

00:05:02
Ugh!

00:05:05
[screeching]

00:05:08
I'll have the avocado toast.

00:05:09
But instead of the avocado part, I want fresh sea air,

00:05:13
and instead of the toast, I'll have a single grain of rice.

00:05:16
-And for you? -Grilled cheese?

00:05:19
Thank you for meeting me here, Diane. I just wanted to tell you,
you can keep writing whatever you want about me.

00:05:24
Obviously, it has no effect on the polls, because the only thing
voters care about is stupid bullshit, so knock yourself out.

00:05:30
Well, today I just want to know what you smell like.

00:05:33
It's actually my new fragrance: "Bielist," by Jessica Biel.

00:05:37
-Your perfume's called "B"-list? -"Bielist."

00:05:39
"B"-list. Like a "B"-list celebrity.

00:05:41
-No, "Bielist" like Jessica Biel. -I think we're saying the same thing.

00:05:45
Do you want some? I got a whole trunk of this stuff.

00:05:47
-No, thanks. -You sure?

00:05:49
Mr. Peanutbutter always loved the way I smelled.

00:05:51
Well, I wouldn't flatter yourself too much.

00:05:53
He's very enthusiastic about smelling in general.

00:05:56
He's enthusiastic about everything.

00:05:58
Oh, my God. Does he still have that dumb magic eye poster?

00:06:01
What? No.

00:06:02
When we were married, he was obsessed with it.

00:06:05
And he would make me stare at it for hours.

00:06:08
Yeah, I bet.

00:06:09
But then, all of a sudden, I saw it. And it was incredible.

00:06:13
And I was so happy that I had waited long enough to experience
this beautiful thing, and I felt so...

00:06:18
Why is this disgusting avocado on my plate?

00:06:20
-Oh, I... -I feel personally attacked right now.

00:06:22
-Oh, so sorry. -

00:06:22
[retching]

00:06:24

Anyway, as I was saying about the poster, it's funny how something so stupid could have this tremendous power.

00:06:30

You know what I mean?

00:06:32

Yeah. I think I do.

00:06:35

A blog post about Jessica Biel is gaining attention

00:06:38

for the seemingly minor detail

00:06:40

that the candidate would not eat an avocado,

00:06:42

calling the savory fruit, quote, "disgusting."

00:06:45

Who doesn't like avocados?

00:06:47

I don't know if Jessica Biel has the right judgment to lead California.

00:06:51

And I was totally convinced before,

00:06:53

-so it's really... -Whoa!

00:06:54

...the avocado thing that I have a problem with.

00:06:57

Why would you say that you hate avocados?

00:07:00

I just have to live my truth, Katrina.

00:07:03

[groaning]

00:07:05

Her polls, like an avocado exposed to air,

00:07:08

have quickly turned from a verdant green to a mushy brown.

00:07:11

And with only seven days until the election,

00:07:13

her campaign might be in the pits.

00:07:16

Wow. Who'da thunk that such a small trivial detail could be the thing to take Biel down?

00:07:20

Yeah, who'da thunk it?

00:07:22

Who knew?

00:07:25

I knew. I put the avocado thing in the story on purpose,

00:07:27

I knew people wouldn't like it.

00:07:28

So just for the record, I "thunk" it.

00:07:30

Even though it doesn't matter. I don't need credit.

00:07:32

But it does, if I didn't do that, it wouldn't have happened.

00:07:35

So, it's because of me.

00:07:36

-Well, whoever is responsible-- -Me. I just told you.

00:07:38

We shouldn't get too excited just yet.

00:07:40

The election is a week away, and a lot can happen in a week.

00:07:44

This is far from over.

00:07:47

It's over. And the clear winner is Woodchuck Coodchuck-Berkowitz.

00:07:52

-All right! -Huzzah!

00:07:53

-We did it! -High five!

00:07:53

[laughs]

00:07:53

Low five!

00:07:56

Shadow puppet!

00:07:57

Hand jive! Yes!

00:07:59

[laughs]

00:08:00

-We did it, didn't we? -We did!

00:08:02

You and me, working together, both contributing the same amount.

00:08:05

Well, I wrote the article that got Woodchuck elected governor.

00:08:09

You're the one that made him not governor in the first place.

00:08:11

I set 'em up. You knock 'em down.

00:08:16

Thank you for meeting me here.

00:08:17

My name is Yolanda Buenaventura of the Better Business Bureau.

00:08:20

It would be funnier if your name was Betty Buenaventura of the Better Business Bureau.

00:08:25

Well, I'm sorry you don't find my name sufficiently comical, but this is actually a very serious matter.

00:08:30

-Oh. -We've received complaints from several concerned parents.

00:08:33

It seems that many of your clown dentists aren't actually licensed to practice medicine.

00:08:37

Isn't laughter the best medicine?

00:08:40

No. It is the worst medicine.

00:08:42

If you can even call it medicine, which, legally, you cannot.

00:08:44

Well, what if I said my business was for entertainment purposes?

00:08:48

That would require your employees to be entertaining.

00:08:51

According to your reviews on Yelp, your clown dentists are, quote,

00:08:54

"A cotton candy nightmare of Freudian invention that shakes one to the core."

00:08:58

Ah, everyone's a critic.

00:09:00

On Yelp? Yes, that is the idea.

00:09:02

It appears your business provides no service but to terrify children and the adults who accompany them.

00:09:06

If this were October, you could market your venture as some sort of spooky Halloween experience, but since this is January, a month which, to my knowledge, contains no Halloweens, I have no choice but to--

00:09:16

Wait! Wait.

00:09:18
What if my clown dentists put on a show?

00:09:20
A delightful, whimsical, non-terrifying clown-stravaganza?

00:09:26
You would have to agree we were a legitimate business then, right?

00:09:30
-Go on. -Give us a week. We'll put on a show.

00:09:33
If you don't laugh, I'll dissolve the business and release all my clown dentists into the woods, where they'll never bother anyone again.

00:09:41
All right.

00:09:42
You have one week to create a show that delights and astonishes me.

00:09:44
But I should warn you, I am a very tough crowd.

00:09:47
I once met Paul Rudd at a cocktail party and I did not find him charming.

00:09:53
[bell ringing]

00:09:53
-Ooh!

00:09:56
-Excuse me. -

00:09:56
[overlapping chatter]

00:09:58
-Get outta my way. -Like, hooked in a funny way.

00:10:01
You call that funny? That's not funny. It's sad.

00:10:04
Well, some would argue that sad and funny

00:10:07
-are two sides of the same coin. -

00:10:07
[cries out]

00:10:10
Uh, no! Abraham Lincoln and some weird flat house are two sides of the same coin.

00:10:14
-Take five, Picarello. -

00:10:14
[bell ringing]

00:10:16
[groans]

00:10:16
I've got a week to whip these dentists into clowns.

00:10:20
[crashing]

00:10:20
[moaning]

00:10:21
But they're just not silly or wacky or prone to kooky hijinks of any kind!

00:10:26
[sad quack]

00:10:27
[gulping]

00:10:27
[groans]

00:10:27
Should you be drinking that?

00:10:30

Why not? I got no baby or boyfriend. Might as well get blotto, right?

00:10:30
[hiccups]

00:10:35
-Um, shouldn't you be at work? -I'm recal-bibrating.

00:10:39
[horn honks]

00:10:39
-Oh!

00:10:40
[horn honking]

00:10:40
-Ohh...

00:10:42
Hey, maybe you should--

00:10:44
[phone buzzing]

00:10:44
-Judah, look at my phone! Judah!

00:10:48
-You have a meeting with Flip McVicker. -

00:10:48
[groans]

00:10:51
Tell his gal I'm running ten minutes late.

00:10:54
What gal?

00:10:59
-So, you're a writer? -Oh, actually that's a typo.

00:11:02
It should say "Waiter."

00:11:03
-But I'm an aspiring writer. -Uh-huh.

00:11:06
Sorry, that was a joke.

00:11:07
That's the kind of witty repartee you can expect from--

00:11:10
Yeah, yeah. Thanks for the business card.

00:11:11
Wait, ya know,

00:11:13
-I have this idea for a TV show. -Oh?

00:11:15
It's a grizzled former detective who gets sucked back in--

00:11:18
This sounds fabulous.

00:11:19
Why don't you write a script, we'll go from there?

00:11:21
-I already wrote it. Boom. -Oh, you brought it with you.

00:11:24
I don't trust email. You know, the government.

00:11:27
Yeah. Look, Flip, before I even read this,

00:11:30
I should tell you that this town's a total crapshoot.

00:11:33
Odds of the right person finding your material and connecting with it are a million to... one.

00:11:39
I just know I have this great potential inside me. I know I can do it.

00:11:43
Even if no one else understands or believes in me.

00:11:47
I'm sure that sounds pretty stupid but...

00:11:48
It's not stupid. I believe in you.

00:11:54
I don't know how else to describe it other than this feeling of supreme warmth came over me, like this is what I've been waiting for my whole life.

00:12:01
That's amazing!

00:12:02
Todd, the world is dark and scary and full of creepy clown dentists...

00:12:06
They're working very hard to be less creepy.

00:12:08
But when I hold this script in my hands, I have hope.

00:12:11
I gotta get this made. What do I always say?

00:12:14
"What's the difference between an agent and a manager?"

00:12:16
Uh, managers are always talking about the differences between agents and managers and agents don't as much?

00:12:22
No! Managers can produce! This script is a sign.

00:12:26
I gotta get off my ass and produce this baby.

00:12:28
Todd?

00:12:28
[hiccup]

00:12:29
Get me a meeting with Turteltaub. Set something up with his gal.

00:12:32
Who is this gal?

00:12:33
[snoring]

00:12:37
Okay. Clentists, assemble!

00:12:40
[clowns clamoring]

00:12:41
Wipe those serious looks off your faces and listen up!

00:12:44
We gotta help Princess Carolyn, but also we gotta prep for our big show next week.

00:12:48
If only there was a way to do both at once.

00:12:51
What a ludicrous notion!

00:12:53
Doctor Picarello, we might make a clown out of you yet!

00:12:57
Oh, joy!

00:13:00
[cackling]

00:13:01
Special delivery.

00:13:04
This next part is critical. Remain wacky. This is a highly frivolous situation!

00:13:11
-What's in the package? -It's a hand delivery item.

00:13:14
Hey!

00:13:15
-Now, Doctor Boing Boing! -I am in position.

00:13:22
[straining]

00:13:24
All right, Princess Carolyn, sit tight.

00:13:26
[grunts]

00:13:26
-Whoa!

00:13:29
...before, so it's really the avocado thing that I have a problem with.

00:13:34
[grunts]

00:13:38
Target is acquired.

00:13:39
[mimics static]

00:13:39
Deliver the goods, Doctor Boing Boing!

00:13:44
Ah!

00:13:45
It's sh-sh-sh-sh-showtime!

00:13:48
-Whoa! -Oh!

00:13:49
-Princess Carolyn! -Lenny, thanks for making time.

00:13:52
Didn't realize I had.

00:13:54
[sniffing]

00:13:54
Are you drunk?

00:13:55
You smell like somebody tried to put out a fire at the booze factory with more booze.

00:13:59
Uh, new perfume, "Sealist," by Seal.

00:14:02
Now let's get to brass stacks.

00:14:05
So it's a hot young writer. It's TV. It's me producing.

00:14:09
-"TV?" -Just look at this script.

00:14:10
I know it's gonna knock your socks off.

00:14:13
Eh...

00:14:15
Know that website, "What-time-is-it-right-now-dot-com," you go to when you want to know what time it is?

00:14:20
Yeah.

00:14:21
They look to make a play in the gritty prestige streaming world, and it could make a big splash with a huge ad buy.

00:14:26
Plus, you got the built-in audience who don't know what time it is.

00:14:28
That's huge! That's so many people!

00:14:31
Yeah, yeah, this could be perfect as their first series, but we'd have to get in fast.

00:14:34
They wanna premiere before Daylight Savings.

00:14:36
Let's set the pitch for next week.

00:14:38
Philbert? Who's Philbert?

00:14:40
He's this grizzled but very good-looking detective who gets sucked back in to something.

00:14:45

No, I mean who is he?

00:14:46

-You got a star attached? -Not yet, but...

00:14:48

Eh, we can't go in without a big name.

00:14:50

TV pitching is like the Israeli flag, it's nothing without a big star.

00:14:53

Sorry, Princess Carolyn.

00:14:55

No! Fish!

00:14:57

Oh, whoa... ooh, spinny.

00:15:00

Uh-oh! She is out like sauerkraut.

00:15:03

[mimics static]

00:15:03

Don't let Turteltaub get back to his office.

00:15:07

This sounds like a job for the "Waltz of the Rubber Chicken!"

00:15:11

[Todd]

00:15:11

Doctor Picarello, you gotta revive Princess Carolyn.

00:15:13

Give her ten cc's of honka-honka.

00:15:15

-Stat! -

00:15:15

[honking]

00:15:16

Oh!

00:15:16

[groans]

00:15:19

Hey! Hey! Pardon me. Excuse me!

00:15:20

-Oh! Allow me to lead, my lady. -Wow.

00:15:23

-What the shell is this? -So beautiful.

00:15:26

It says so much without saying anything at all.

00:15:29

You gotta be kidding me.

00:15:31

Okay, okay, how about Aaron Eckhart?

00:15:33

He owes me a favor and he can disappear into any role.

00:15:35

Yeah, he can disappear so good, the audience disappears with him.

00:15:38

-Tony Shalhoub! -Tony Sha-who-ub?

00:15:40

This is "What-time-is-it-right-now-dot-com," not

"What-time-is-it-fifteen-years-ago

00:15:44

-dot-Geocities-dot-com- slash- Monk -fanpage."

00:15:48

Please. I need this so bad. You don't understand.

00:15:50

This project is my ba...

00:15:50

[hiccup]

00:15:50

my ba...

00:15:54

-It's my baby. -Well, if you can't attach a real star,

00:15:56

-your baby's dead. -No!

00:15:58

Oh, thank you.

00:15:59

There's gotta be a name that does something for you.

00:16:02

Uh, Jack Huston... Hugh... Hugh Jackman.

00:16:06

-BoJack Horseman! -There's someone...

00:16:07

-Corbin Bernsen. -No.

00:16:08

-Ben Mendelsohn. -No, no, no. Hold on.

00:16:10

-BoJack. That's an idea. -Yeah, yeah, sure. A BoJack-type.

00:16:14

[sighs]

00:16:14

I swore I'd never work with that asshole again, but you gotta admit he's got heat.

00:16:18

Star of Secretariat, disappears for a year, shows up again to do one episode of a reality show about butts.

00:16:25

Right, but--

00:16:26

And then you get him playing a rich, complex anti-hero like Philbert, now there's a show that screams, "What time is it right now?"

00:16:33

Yeah, yeah, yeah. Sure, sure.

00:16:34

I'm saying, there are a lotta guys...

00:16:36

P.C., can you get me BoJack or not?

00:16:37

-Of course I can. -I'll send over a contract, iron-clad.

00:16:41

I don't want to risk that jerkwad skipping town again.

00:16:43

-Make sure he signs it before the pitch. -Uh, will do.

00:16:46

And, uh, go easy on the sauce, huh, kid? Sloppy don't suit you.

00:16:51

■ Rubber chicken Rubber chicken ■

00:16:54

Ah, I got that damn thing stuck in my head.

00:16:56

Guys, that was amazing!

00:16:58

But if we're going to convince Yolanda we're ready for the big top, we need to really hunker down over the next week and put together a show so undeniably hilarious and life-affirming, that she has no choice but to say...

00:17:13

Wow! What a great show! Okay, you can keep your business...

00:17:17

-Hooray! -Perfect!

00:17:18

...is what I would say if you'd put on a good show.

00:17:21

Just so you understand the rubric when I declare my actual reaction, which is: "I did not enjoy that."

00:17:26

[clamoring]

00:17:26

-Oh, no! My hooray was premature!

00:17:29

So I must recommend that you dissolve this venture immediately.

00:17:33

All right, you heard the lady. Get into the car, everyone.

00:17:37

I'm taking you to the woods, out by the old abandoned insane asylum, near the elementary school where you belong.

00:17:43

[horn honks]

00:17:44

[snoring]

00:17:46

Hey, so I'm taking the rest of the day off.

00:17:48

What? Why?

00:17:49

Just don't feel like working right now, so I think if I force it, I'm just gonna do a bad job.

00:17:55

Thank you, Stuart.

00:17:56

But I did want to remind you about that bitch meeting you have

00:17:59

-this afternoon at that clock website. -You mean the pitch meeting.

00:18:02

Pretty sure it said "bitch" meeting on the calendar.

00:18:05

Seemed a little harsh. I could go double-check, but the calendar's all the way downstairs so...

00:18:11

-No, Stuart. Thank you. -You're welcome.

00:18:16

[sighs]

00:18:19

[dialing]

00:18:21

[BoJack]

00:18:21

What? - Hey, BoJack, great news!

00:18:23

-Bad time. Can't talk. -Wait, just listen for a...

00:18:25

[dial tone]

00:18:25

[sighs]

00:18:30

Okay.

00:18:33

Here we go, baby.

00:18:39

Oh, man! You are not finding what you need!

00:18:42

The deck is a harsh mistress, Tina. Hollyhock, you gotta get in here!

00:18:45

Tina is drawing so many cards. It's amazing.

00:18:48

Hollyhock! Hollyhock?

00:18:51

[body thuds in distance]

00:18:51

-Hollyhock?

00:18:53

[woman]

00:18:53

That's her name?

00:18:54

Yes, for the third time, her name is "Hollyhock."

00:18:56

And her last name?

00:18:57

Manheim-Mannheim, uh, Steamroller...

00:19:01

Is there more?

00:19:02

I think there's a Lopez in the mix somewhere?

00:19:04

A Chung maybe?

00:19:06

I'm sorry, sir, I can't help you.

00:19:08

Okay, just... any information you can give me on the 17-year-old horse girl who came here by ambulance

00:19:13

15 minutes ago would be of interest to my friend,

00:19:15

Mr. Franklin's... friend, Mr. Hamilton.

00:19:17

If you can't prove you're her parent or legal guardian,

00:19:20

I can't release any information to you.

00:19:22

-Guerrero! -What?

00:19:23

Hollyhock Manheim-Mannheim-Guerrero... Robinson...

00:19:26

Zilberschlag-Hsung-Fonzarelli-McQuack. That's her name.

00:19:29

And she's about five-eight.

00:19:30

And she's 17, her birthday is in September.

00:19:32

And... she looks like me.

00:19:34

And she loves apples but hates apple sauce.

00:19:36

And she's funny.

00:19:38

But she isn't mean. Which is pretty remarkable,

00:19:41

'cause a lot of 17-year-olds think you have to be mean to be funny, but Hollyhock is very sweet, even if she can be sarcastic.

00:19:48

But she has this smile with...

00:19:52

Does that help?

00:19:53

No, man. Are you her legal guardian?

00:19:55

I'm not leaving here until I get to see her.

00:19:57

-Have a seat. -

00:19:57

[groans]

00:19:59

Well, I don't like pedophile murderer hands,

00:20:01

but I also don't like people talking trash about avocados.

00:20:05

-This is a real head-scratcher for me. -

00:20:05

[groans]

00:20:07

I mean, what's next? The grief for every meal...

00:20:11

[man]

00:20:11

She'll be fine. -Huh?

00:20:13

We have to think what's best for Hollyhock.

00:20:15

-Hollyhock is going to be okay. -Excuse me.

00:20:17

Did you say Hollyhock? Are you...

00:20:18

Jose Guerrero.

00:20:20

Hello, yes! Yeah. Thank God you're here. I'm BoJack Horseman.

00:20:23

Yeah, we know. I'm her dad, Steve Mannheim.

00:20:25

I'm the wrong Mannheim to mess with.

00:20:26

I'm Dashawn Manheim.

00:20:28

I'm probably the right Manheim to mess with, unless we're talking about a dance battle, in which case...

00:20:32

Five, six, seven, eight. Ha!

00:20:35

-You've been warned. -Okay. Yep.

00:20:38

Cupe Robinson III. I think you're just ghostly, and I was against this whole caper from the bell.

00:20:43

-Okay. -Otto Zilberschlag.

00:20:45

Uh, formerly a huge fan.

00:20:47

-Now... just a regular fan. -Got it.

00:20:49

I know of you, but not through your work.

00:20:51

-Okay. -I'm Gregory Hsung.

00:20:53

I only watch foreign films. That's my deal.

00:20:56

Arturo Fonzarelli, but I'm pretty cool so people call me the "Ice Man."

00:21:02

And I'm Quackers!

00:21:03

-Quack, quack, quack! -Easy, Quackers.

00:21:05

How's Hollyhock? They wouldn't give me information.

00:21:07

-Why would they? You're not her dad. -No, I know. I just... Is she okay?

00:21:11

She will be. The doctor said she's lucky to be alive.

00:21:13

What happened?

00:21:14

-She overdosed. -What? No.

00:21:16

How could you let this happen? Quack, quack!

00:21:18

-Quackers! Settle down. -What was she on? I had no idea.

00:21:22

You had no idea?

00:21:23

Have you looked at her? She's as thin as a pole.

00:21:25

You know I don't care for your Polish jokes, Dashawn.

00:21:28

She told us you were taking care of her.

00:21:30

-I was. -I knew she was too young to be on her own like this.

00:21:33

She's a child!

00:21:34

She called Pedro Almodóvar's I'm So Excited "excessively kitsch."

00:21:38

-Kitsch is excessive! That's the point! -Can I see her? Can I talk to her?

00:21:42

-You're lucky we don't call the police! -Quack, quack.

00:21:45

Our kid got hooked on amphetamines because of you!

00:21:47

-No, I didn't... -Quack, quack, quack, quack.

00:21:49

Okay, I feel like there's a lot of male energy right now.

00:21:52

Why don't I come back in a couple hours?

00:21:54

Give Hollyhock a chance to rest before I talk to her.

00:21:56

Are you insane? You are never seeing Hollyhock again.

00:22:00

-Look, if I could just... -Never.

00:22:06

[whimpers]

00:22:08

[muffled audio]

00:22:11

-I have four grapefruits. -

00:22:11

[panting]

00:22:11

Okay.

00:22:13

Henrietta, would you like a grapefruit?

00:22:15

I have but four, but I will share one with you, for I am kind and honest.

00:22:20

[normal audio]

00:22:20

No, no. No, no, no.

00:22:24

Oh, God. Oh, my God. Oh, God.

00:22:26

[gasping]

00:22:28

[panting]

00:22:38

-Where's the girl? -She's gone, Mom.

00:22:40

Oh, yes, I took her, didn't I? Where did I put her?

00:22:43

Oh, Henrietta, would you help me pack this?

00:22:46

-I want to bring it to my son. -Thanks, Mom.

00:22:48

-It's for my son. -Right. How did I not see it?

00:22:53

All this time, I thought you were a terrible parent.

00:22:56

And you were. But I blew it even worse.

00:22:59
It turns out being a parent is impossible, so I guess I can't be that mad at you.

00:23:04
Mad at me? No, Henrietta, this is the right thing. You'll see.

00:23:08
Maybe we deserve each other.

00:23:09
Where is the girl? I made the girl coffee.

00:23:12
Jesus, you two and your coffee.

00:23:14
Wait. No.

00:23:17
[panting]

00:23:17
-Oh!

00:23:18
What did you put in this?

00:23:20
That's an old family secret.

00:23:28
"Chub-B-Gone?"

00:23:29
-Takes the pounds right off. -This whole time.

00:23:32
Just until she learned to take it herself.

00:23:34
-Of course it was you. -Henrietta!

00:23:36
No. All this "I-don't-know-where-I-am or-who-my-son-stuff" is, is officially not cute anymore.

00:23:41
You ruined the one good thing I had.

00:23:43
The one thing I didn't ruin myself, but of course I did because I thought it was a good idea to give you one more chance.

00:23:50
-Where is Crackerjack? -Stop. You are out of chances.

00:23:54
[dance music on radio]

00:23:56
[phone ringing]

00:23:57
What?

00:23:59
[Princess Carolyn]

00:23:59
Hey, BoJack, great news!

00:24:01
-Bad time. Can't talk. -Wait, just listen--

00:24:03
[line beeps]

00:24:03
[radio continues]

00:24:05
[woman]

00:24:05
Thank you for holding, Mr. Horseman.

00:24:07
I understand you're interested in our facility

00:24:09
and wanted our first available room.

00:24:11
No, I said "worst available room."

00:24:17
FYI, we keep these blinds down because the window looks out at a Dumpster.

00:24:21
-Noted. -You know... you kick me a little coin right now,

00:24:24
I can make sure your mother is very well taken care of.

00:24:27
Oh! In that case, please watch me not reach for my wallet.

00:24:32
Well, this is your life now. This is what it all added up to.

00:24:37
You, by yourself, in this room.

00:24:40
Best of luck. See ya never.

00:24:45
Who is that?

00:24:47
Ugh. Bye, Mom.

00:24:48
BoJack?

00:24:51

Ep 11 — Time's Arrow

00:00:11
Slow down, Henrietta. A lady mustn't rush. It's unbecoming.

00:00:15
I am not Henrietta! I'm your son!

00:00:17
My son is a ball of gas.

00:00:19
Yes! Your son, BoJack. I'm him. I'm the ball of gas!

00:00:23
But you're also a star.

00:00:26
Wait. Mom, do you remember--

00:00:27
Shh! Henrietta, I am talking to the sun.

00:00:30
Sun, you're a ball of gas, but you're also a star.

00:00:34
-We call you... "Sun." -Ugh!

00:00:36
Where are you taking me? Are we going to the lake house?

00:00:39
No, we're going to a glorious magical place where they'll lock you in a room by yourself so you can't hurt anyone ever again.

00:00:47
Oh, that sounds lovely. Why are you driving so slowly?

00:00:50
-Hurry up! -Wait. You just said--

00:00:51
Time's arrow neither stands still nor reverses, after all.

00:00:55
It merely marches forward. Isn't that right, Henrietta?

00:01:00
Yes, Mrs. Horseman. That's right.

00:01:02
[humming]

00:01:06
Well, here we are.

00:01:07
-Here? -Yes.

00:01:09
[humming]

00:01:11
Ugh!

00:01:25
[theme music playing]

00:02:22
[wind gusting]

00:02:22
[children laughing]

00:02:24
[coughs]

00:02:25
[laughter]

00:02:28
Halt! No entry.

00:02:30
-But I wanna slide. -This is no mere slide.

00:02:33
We three are members of an elite society

00:02:35
of extremely young women,

00:02:37
led by I, Miss Clemelia Bloodsworth.

00:02:41
You may not enter.

00:02:42
-Yeah, and also you're fat. -Oh!

00:02:45
I'm not fat.

00:02:45
[coughs]

00:02:46
Even your lungs expostulate

00:02:48
as they struggle to expel your ample corpulence.

00:02:51
She's saying your lungs think you're fat too.

00:02:54
Father says I'm just growing.

00:02:56
If you do not halt, we will be forced to physically impede your egress.

00:03:01
Ow! Ow! You're hurting me! Ow!

00:03:04
[cries out]

00:03:05
[grunts]

00:03:06
[girls laughing]

00:03:06
[crying]

00:03:12
Beatrice, stop reading and put on your uniform.

00:03:15
Father, I don't feel well.

00:03:15
[coughing]

00:03:18
I don't care if you're scared of Clemelia Bloodsworth and her gaggle, you have to go to school.

00:03:22
Now stop making books your friends.

00:03:24
Reading does nothing for young women but build their brains,

00:03:27
taking valuable resources away from their breasts and hips.

00:03:31
-But my throat hurts. -Uniform! Now!

00:03:34
[moans]

00:03:35
[sighs]

00:03:37
Beatrice? Oh, my, you're hot.

00:03:39
Dear Lord.

00:03:44
[Joseph]

00:03:44
Now listen here, it's a mother's duty to keep her children alive

00:03:48
and you are continually failing!

00:03:50
How could you not have known she has scarlet fever?

00:03:53
Say something, damn it! What has become of you?

00:03:55
I swear if I'd known this is how you'd behave once we severed the connections to your prefrontal cortex,

00:04:01
I'd hardly have bothered.

00:04:02
-Father? -

00:04:02
[gasps]

00:04:02

Yes, darling?

00:04:05

Am I to die?

00:04:06

Well, eventually yes, but this illness is but a hiccup in what will be a long and happy life,

00:04:11

-I promise. -You promise?

00:04:12

In fact, some good may yet come of this.

00:04:14

Doctor says your throat is nearly swollen shut.

00:04:17

So perhaps you'll finally lose some of that weight that's given you such troubles.

00:04:20

-Won't that be nice? -Yes, Father.

00:04:26

-Ow! -Suck in, Miss Sugarman, please.

00:04:28

Polly, be a darling and fetch me a pretty pill and a glass of water, won't you?

00:04:32

Yes, Señorita Sugarman.

00:04:34

Beatrice, you're looking well, which is just fine,

00:04:36

because your debutante party is vitally important.

00:04:39

Will it end poverty, war and injustice, or bring back civil rights activist Medgar Evers, who was shot in Mississippi this week?

00:04:46

Yes! Or rather, it will end you worrying about that nonsense because it will land you a husband.

00:04:51

At least Evers' death means no one else will be assassinated this year, 1963.

00:04:57

The FBI is on too high alert to allow anything like that to happen again.

00:05:01

-Hmm? -Yes... well...

00:05:03

Your chaperone, Corbin Creamerman, is a fine young man.

00:05:06

Oh, jeez.

00:05:08

-My lady.

00:05:08

[chuckles]

00:05:08

Here you go. -Thanks.

00:05:14

So... uh, you look nice.

00:05:18

Thank you, Corbin. That's the third time you've told me.

00:05:21

You needn't tell me again.

00:05:22

Oh, jeez. I'm sorry. I'm not always good at these things.

00:05:26

But sometimes I am. I can be. I-- I really try to be.

00:05:29

I'm, well, I-- I'm not. I'm really not. I don't know why.

00:05:32

Ah, that's all right. I'm not either.

00:05:35

[Joseph]

00:05:35

Corbin's father, Mort Creamerman, is founder of Creamerman's Creamy Cream-based Commodities.

00:05:40

Think of all the free iced cream you could, uh, serve to other people.

00:05:44

Father, do you aim to marry me off to Corbin Creamerman merely because it would be good for business?

00:05:49

Well, I suppose I do have a few ideas of how a Sugarman/Creamerman alliance might be advantageous.

00:05:54

-Uh-huh. -For example, imagine a television advertisement with a fun jingle.

00:05:58

■ Have your morning coffee or tea ■

00:06:01

■ With Sugarman and Creamerman ■

00:06:03

■ But save some for... these fellas ■

00:06:05

And then it's Mort and me, and we're holding up our products with big smiles from across a very ordinary looking kitchen table.

00:06:11

Father, common Americans don't want you on their TV sets.

00:06:14

You're a reminder of the disparity of wealth in this country.

00:06:18

Poor people find that dreadfully gauche.

00:06:20

You know, I sent you to Barnard to get your MRS from a fine upstanding Columbia man, but instead of a bachelor you returned home with a bachelor's degree and a mouth full of sass.

00:06:30

What a waste!

00:06:32

[sighs]

00:06:34

[Corbin]

00:06:34

You look nice. -Thank you.

00:06:36

Oh, my... Beatrice Sugarman? Doth my eye belie me?

00:06:41

Oh, Clemelia Bloodsworth. Why are you here?

00:06:45

I must say, it's tremendous you're finally debuting.

00:06:49

Better late than never, hmm?

00:06:49

[chuckles]

00:06:51

Ugh! I'm only doing this for my father, who has very old-fashioned ideas about how a woman is to live her life.

00:06:57

Poor Corbin here is saddled with chaperoning me.

00:07:00

Oh, I don't feel saddled.

00:07:02

In truth, I find these parties to be garish, self-serving wastes of money.

00:07:06

Oh, and I'm sure yours was particularly horrendous, Clemelia.

00:07:10

[spits and coughs]

00:07:11

Oh, my! How repugnant!

00:07:17

Uh... scotch on the rocks.

00:07:21

-Do I know you? -

00:07:21

[chuckles]

00:07:23

Nope, just crashing some dumb debutante's party.

00:07:23

[chuckles]

00:07:26

Oh, do you mean for "dumb" to describe the party or the debutante?

00:07:30

Because I might agree with you, or I might be offended.

00:07:33

You're the dumb debutante, aren't you?

00:07:35

Beatrice Sugarman. Welcome to my dumb party.

00:07:38

Butterscotch Horseman. Charmed, I'm sure.

00:07:40

You crash a lot of these?

00:07:41

I'll take my free alcohol where I can get it.

00:07:43

Saving for California.

00:07:45

What's in California?

00:07:46

Ginsberg, Cassady, Squirrelinghetti.

00:07:48

This is where you ask me if those are towns, and I smirk at you.

00:07:51

I am familiar with the Beats, thank you.

00:07:53

I like Ginsberg all right, but if you ask me, that Squirrelinghetti is nuts.

00:07:58

-What's your interest in them? -What's my interest?

00:08:00

They're the greatest minds of our generation.

00:08:02

I'm heading west to join them, because I'm one of the greatest minds too.

00:08:06

-I see. -You will see.

00:08:07

I'm writing the next Great American Novel.

00:08:09

Oh, what's it about?

00:08:11

It's about truth! It's about war!

00:08:13

It's about the twilighting frontier of the lives that were promised us.

00:08:16

But what is it about? Who are the characters?

00:08:19

I never claimed to have the whole thing sorted out just yet, did I?

00:08:22

Sounds like a best seller.

00:08:23

You're sarcastic, which is an ugly thing for a woman to be.

00:08:26

I don't know how you expect to nab a husband at a party like this with a personality like that.

00:08:30

Oh, congratulations. You and my father express the same concerns.

00:08:34

[chuckles]

00:08:34

If I were your old man,

00:08:36

I'd be anxious to get you married off, too.

00:08:38

I bet your thank-you letters are perfunctory, your flower arrangements are uninspired, and your curtsy is an embarrassment.

00:08:45

[chuckles]

00:08:45

[laughs]

00:08:46

Looks like you pegged me as well as I pegged you.

00:08:48

[clicks tongue]

00:08:50

What must your mother think of you?

00:08:52

Oh, she doesn't think much... about anything, anymore.

00:08:55

Oh. I'm sorry, did... did she pass?

00:08:57

-No, not exactly. -Mine did.

00:09:00

I'm very sorry to hear that.

00:09:02

I was little. I don't remember, really.

00:09:04

But she had a diamond just like yours. I saw it in a picture once.

00:09:08

Oh...

00:09:09

[BoJack]

00:09:09

Yes, this is my mother. -What?

00:09:11

I'd like to leave her here.

00:09:12

Can I pay for the next five years now so I don't have to think about her again?

00:09:16

-Wha-- Oh. -

00:09:16

[Corbin]

00:09:16

Oh, jeez, I--

00:09:17

I'm sorry to interrupt, but we have to do the thing now, where we do the... things.

00:09:23

Oh-- oh, right. Um...

00:09:25

-Please excuse me. -Of course, it sounds very important.

00:09:29

Mr. and Mrs. Joseph Sugarman present their daughter,

00:09:33

Miss Beatrice Elizabeth Sugarman.

00:09:35

Chaperoned by Mr. Corbin C. Creamerman.

00:09:40

Look at her go, folks.

00:09:42

Clearing every hurdle.

00:09:44

Look at that form.

00:09:45

What precise movements.

00:09:47

[Beatrice]

00:09:47

Five, six... -

00:09:47

[man]

00:09:47

Beautiful trot.

00:09:49

[softly]

00:09:49

Truly outstanding.

00:09:51

A lovely lady indeed.

00:09:53

-Ta-da! -

00:09:53

[applause]

00:09:55

[clears throat]

00:09:55

Excuse me. Sorry. Excuse me.

00:09:58

Oh...

00:10:01

Excuse me.

00:10:02

Don't you know it's rude to leave without saying goodbye to the hostess?

00:10:06

Why don't you come with me?

00:10:07

It'll dispense with the need for goodbyes, thus eliminating my transgression.

00:10:10

Oh! You want me to leave my own party with you?

00:10:14

The low-life who wasn't even invited?

00:10:16

[glass shatters]

00:10:16

-Yeah.

00:10:18

But I suppose Daddy wouldn't like that, would he?

00:10:23

[both moaning]

00:10:26

Oh, Beatrice.

00:10:26

[sputters]

00:10:32

-I have wonderful news. -I'm reading.

00:10:35

Corbin Creamerman has come to call. He'd like to take you for a Sunday stroll.

00:10:38

I am not interested in Corbin Creamerman.

00:10:41

I don't give a damn where your interests lie!

00:10:44

After the disappearing act you pulled at your own party, you're lucky I don't fill a jar with jellied beans and marry you off to the man who can closest estimate the amount.

00:10:52

Heavens!

00:10:53

Corbin Creamerman is willing to give you a second chance, he is downstairs waiting, and you will be civil to him.

00:10:59

[huffs]

00:11:00

And the way they make non-dairy creamer is by replacing the milk fat with vegetable oil.

00:11:06

That's why it doesn't need refrigeration.

00:11:08

-Pretty nifty, huh? -Is that so?

00:11:11

-Oh, jeez, I'm boring you. -Not at all. I don't find you boring.

00:11:14

Only the things you choose to talk about, and the way in which you talk about them.

00:11:18

Oh, I... I'm sorry. I... I just get excited by food chemistry.

00:11:22

You know, you take something you thought you knew, and then discover there's so much more to it than you could have possibly imagined.

00:11:27

-It's like... magic. -Oh?

00:11:30

My father is less enchanted.

00:11:32

He says it's just squeezing money out of cow teats.

00:11:35

I suppose that's true, but I got ideas too, and I feel I never get to be anything other than what he expects me to be.

00:11:42

You know what that's like?

00:11:44

I do.

00:11:45

You know, Corbin, it occurs to me that perhaps you and I aren't so--

00:11:50

[retching]

00:11:50

-Oh, dear!

00:11:52

[screams]

00:12:02

[whistles]

00:12:02

Nice gams.

00:12:04

[whistles]

00:12:04

Nice gams.

00:12:05

Is that the only thing you can think of to say?

00:12:07

[whistles]

00:12:07

Nice... gams.

00:12:10

[sighs]

00:12:10

-Uh...

00:12:12

-Beatrice, what are you doing here? -I had to look you up in the phone book.

00:12:17

The number you gave me was to a pizza parlor in Brownsburg.

00:12:21

What? Are you sure?

00:12:22

Butterscotch, I'm pregnant.

00:12:24

-Wha-- -

00:12:24

[whistles]

00:12:24

Whoa, boy!

00:12:26

Come on, Bopper, can you give us some privacy?

00:12:28

Sure thing, Butterscotch. You take it easy.

00:12:30

[whistling]

00:12:31

Are you certain it's mine?

00:12:33

Well, whose else could it be?

00:12:35

What do you wanna do? Maybe you have a cousin, who has a... a friend, who knows a doctor, who can take care of such inconveniences?

00:12:41

I'm-- I'm happy to do the gentlemanly thing and... and pay for the cab fare.

00:12:46

No. I can't.

00:12:48

Well, that doesn't leave us with very many options.

00:12:51

I'm a ruined woman.

00:12:52

Don't be hysterical. You're not ruined.

00:12:54

It's a verifiable fact you look more beautiful than ever.

00:12:57

[scoffs]

00:12:57

Oh, what do you know?

00:13:00

It was a pretty great night we had together, huh?

00:13:02

It was.

00:13:05

Say, did you ever hear the story of the couple who moved to California?

00:13:09

I can't say that I have.

00:13:11

Oh, it's a marvelous adventure.

00:13:12

You see, they hardly knew each other, but they shared a certain sensitivity and a taste for the unknown.

00:13:17

They were living in a one-horse town, so they headed west, towards a town that could accommodate three horses.

00:13:23

Oh, yes, I think I have heard this story.

00:13:25

They got a small house in San Francisco near the bookstore.

00:13:29

He got in good with Squirrelinghetti and his scurry.

00:13:31

He wrote his Great American Novel...

00:13:33

While his wife took care of the baby.

00:13:35

His wife? Oh, well, I didn't hear about that part.

00:13:39

Well, if she'd have him.

00:13:41

If a beautiful creature like herself could ever love an oaf like him.

00:13:45

-I think she could. -Yeah?

00:13:47

And isn't that how the story goes?

00:13:50

[jazz plays]

00:13:54

■ I was blue constantly ■

00:13:58

■ You came along ■

00:13:59

■ Cured my blue song ■

00:14:02

■ Love really happened to me ■

00:14:07

[crying]

00:14:07

-Come on, come on, come on.

00:14:10

-Sleep. -The baby's hungry.

00:14:12

I tried. He won't eat. I don't know what he wants.

00:14:14

Well, can you figure it out?

00:14:15

If I don't sleep, how can I work to support you and the child, let alone have energy left over to write?

00:14:20

Maybe if anyone wanted to pay you for anything you wrote, we'd be able to afford a nanny and a maid.

00:14:25

Well, if Squirrelinghetti and his horde of commie, liberal,

00:14:28

Jew-loving rejects knew what good writing was,

00:14:30

I'd be able to sell something.

00:14:31

Oh, so they're all wrong, and you're right.

00:14:34

[baby wails]

00:14:34

[both groan]

00:14:36

Why won't you just take that corner office job at Sugarman West instead of breaking your back all day at the cannery, and then maybe you could afford me some decent help around here?

00:14:46

You want me to work for your father, and get paid for it, like some sort of slave?

00:14:50

-That is the opposite of slavery. -Is it?

00:14:53

Yes, it is! You have no facility for language.

00:14:57

[baby crying]

00:14:57

-Oh, will you at long last be quiet?

00:15:00
You wanted that baby. Never forget that.

00:15:02
I need quiet!

00:15:04
[crying continues]

00:15:08
[groans]

00:15:08
You'd better be worth all this.

00:15:10
[crying]

00:15:14
-Well, you're not. -I'm not what?

00:15:17
Mommy's tired, BoJack. Tell me a story.

00:15:19
[stammers]

00:15:19
Oh, once upon a time... -

00:15:19
[door opens]

00:15:22
[door slams]

00:15:22
-Quiet. Your father's home.

00:15:24
How was work, darling?

00:15:26
Ugh! Terrible. Those fish do not like being canned.

00:15:29
Well, I burnt dinner, again.

00:15:31
But you can pick at the charred remains and delight me and your simple son with stories of your noble, salt-of-the-earth co-workers like Eight-Finger Joe and Sports-Team Steve...

00:15:42
-Oh, God. -...before locking yourself

00:15:44
-in your study for the night... -Know what?

00:15:45
...to chip away at your never-ending goddamn novel.

00:15:49
I'll clean up the kitchen,

00:15:50
-and bathe our filthy child. -If you could just--

00:15:53
And we'll just keep waltzing

00:15:54
-through this goddamn... -Would you--

00:15:55
-...proletariat dream. -No--

00:15:57
Maybe if the goddamn baby wasn't crying all the time,

00:16:00
I could finish the goddamn novel.

00:16:01
I'm not a baby. I'm six.

00:16:03
Yes, wah, wah, ga, ga, goo, goo.

00:16:05
I'm forming sentences.

00:16:07
Oh, and I can't? Everyone's a critic.

00:16:09
I can see the headline now,

00:16:10
"Idiot Son Thinks Dad's Book is Great, comma, Son is Idiot."

00:16:14
I didn't say your book is great.

00:16:15
I can't live like this!

00:16:17
I should have married Corbin Creamerman.

00:16:19
Ha! Like he'd have you.

00:16:20
Oh, he would have. And he would have been kind to me.

00:16:23
And he wouldn't have been too much of a stubborn ass to take a decent job at my father's company!

00:16:28
Fine! I'll take the corner office, with the company car, six-figure salary, and four weeks paid vacation, but if my novel becomes bad because I no longer remember what it's like to be working class, we'll know of whom to be blamed.

00:16:41
[door slams]

00:16:41
-Oh.

00:16:42
[classical music plays]

00:16:44
A little to the left. Good choice.

00:16:46
Just over... Careful with that. That looks great.

00:16:48
Hello? You're always in the way.

00:16:50
-Why don't you go play? -Okay.

00:16:51
-Go do something. -Bye, Mom.

00:16:52
You are fired. Vacuum. Thank you. Stat.

00:16:54
Goodbye. Thank you.

00:16:55
Henrietta, will you help me pack this? I want to bring it to my son.

00:16:59
[laughs]

00:16:59
Oh, that's so nice. I love a good painting.

00:17:01
It's like TV without all the talking and movement.

00:17:04
Jesus, what is that ghastly thing?

00:17:06
It belonged to Father.

00:17:08
I'm giving it to BoJack.

00:17:10
I never cared for the aesthetic arts. Dulls the senses.

00:17:12
Art should be straightforward and utilitarian, like my novel.

00:17:15
I can't wait to read it.

00:17:17
Books are fantastic. The words tell stories.

00:17:20
-Henrietta, the painting. -Right away, Mrs. Horseman.

00:17:23
I shouldn't have to ask you twice.

00:17:24
God gave you two ears and me only the one mouth, after all.

00:17:29
-You could be nicer to her. -No one's ever nice to me.

00:17:32

-Why should I be nice? -Beatrice...

00:17:34

Just because the maid bats her little eyes at you and makes barely-qualifying- for-conversation conversation, doesn't mean I'm so easily seduced.

00:17:42

I don't know what you're insinuating. I--

00:17:44

Oh, I'm sure she makes you feel like a big smart man, never challenges you, and thanks you for helping her study for nursing school.

00:17:53

As a matter of fact, she is studying for nursing.

00:17:55

I know. I can hear your flirting through the wall, when you're supposedly "working on your novel."

00:18:00

I bet you think she's falling in love with you.

00:18:02

You sensitive, misunderstood artist. Ugh. Won't she be disappointed.

00:18:07

I don't know why you don't just get a divorce already.

00:18:09

Oh, sure, that's the Hollywood way.

00:18:11

"We're out of mustard. Let's get a divorce!"

00:18:12

"I'm a little sad. Divorce!"

00:18:14

"We've grown apart over the years and our adult child has moved out of the house and there's no reason for us to stay together. Divorce!"

00:18:20

That actually is a legitimate reason to get a divorce.

00:18:23

Well, who else would have me now? After what you did to my body?

00:18:26

-What I did? -Anyway, do you want this painting?

00:18:29

It belonged to your grandfather, a man who knew what marriage meant.

00:18:32

[muffled dialogue]

00:18:34

Sure.

00:18:35

I drove it all the way down here, didn't I?

00:18:37

-You might as well take it. -I said I'll take it.

00:18:39

Of course. Take. That's all you ever do.

00:18:42

How long you sticking around for, Mom?

00:18:44

[sighs]

00:18:44

Just pour me a drink and I'll be on my way.

00:18:46

Yeah, let's get you good and liquored up before you drive up the coast.

00:18:49

I got a date with Tonya Harding tonight.

00:18:52

She was the good one? I always get them confused.

00:18:54

I heard your show was canceled.

00:18:56

Three years ago now. You're really on the pulse, huh?

00:18:58

I never understood the appeal.

00:19:00

-It's just a bunch of silly stories. -Some people like silly stories.

00:19:03

Lotta good they ever did me.

00:19:05

It's not Ibsen, but...

00:19:06

It would only depress me to watch you bumble around like that.

00:19:10

All the sacrifices I made, so that you could do this.

00:19:16

Thanks for the painting.

00:19:17

It'll be nice to have something that always reminds me of this conversation.

00:19:25

[screams]

00:19:26

[screaming]

00:19:34

[clearing throat]

00:19:36

-Uh, Beatrice. -What?

00:19:38

I, uh--

00:19:38

[clears throat]

00:19:40

-I gummed things up.

00:19:40

[nervous chuckle]

00:19:40

-Oh?

00:19:43

It's Henrietta.

00:19:45

The girl went and got herself pregnant.

00:19:47

Oh, she got herself pregnant?

00:19:49

Can you talk to her? Just woman to woman?

00:19:51

She wants to have the baby. I-- I can't talk her out of it.

00:19:54

-What do you want me to say? -I'm out of options, Bea.

00:19:57

You think I enjoy groveling to my own wife, hat in hand?

00:19:59

If you weren't so neglectful in your wifely duties...

00:20:02

-Don't you dare. -I'm sorry. What do--

00:20:05

I don't know what to do. I...

00:20:06

Please. Just-- just fix this for me, please.

00:20:12

I know you hate me, Bea, but please just think of the poor girl.

00:20:17

[exhales]

00:20:17

Oh, God.

00:20:23

You're fired, of course.

00:20:24

I'm so sorry, Mrs. Horseman.

00:20:27

He was just so kind to me and I felt so--

00:20:29

Let me guess, he said you reminded him of his dead mother.

00:20:32

He said she had hair like mine. He saw it in a picture once.

00:20:37

[sighs]

00:20:38

-Do you really want this child? -I... I think so?

00:20:42

It's a baby horse.

00:20:42

[chuckles]

00:20:42

A girl.

00:20:44

[sighs]

00:20:46

I need help. I'm studying to be a nurse, and tuition keeps going up.

00:20:50

None of that is my fault.

00:20:52

If I can just finish school and get a job, it'll be okay.

00:20:56

And who's going to care for the baby while you work?

00:20:58

Because God knows he won't.

00:21:00

[sobbing]

00:21:02

Well, don't do that. What does that solve?

00:21:05

I don't know what else to do, Mrs. Horseman.

00:21:08

All right. We'll pay for your tuition.

00:21:11

-Really? -Yes.

00:21:13

And you'll give the baby up for adoption.

00:21:16

[gasps]

00:21:17

No.

00:21:18

You think you want this, but you don't. Not like this.

00:21:21

Mrs. Horseman--

00:21:22

Don't throw away your dreams for this child.

00:21:24

Don't let that man poison your life the way he did mine.

00:21:27

You are going to finish your schooling and become a nurse.

00:21:30

You'll meet a man, a good man, and you'll have a family, but please believe me, you don't want this.

00:21:35

Oh...

00:21:37

Please, Henrietta, you have to believe me.

00:21:39

Please, don't do what I did.

00:21:44

Mm-hmm.

00:21:46

[panting and grunting]

00:21:48

[screaming]

00:21:49

[panting]

00:21:51

[screaming]

00:21:55

My-- My baby! Where's my baby?

00:21:57

[screaming]

00:21:59

[crying]

00:22:00

[screaming]

00:22:02

[crying]

00:22:06

[sighs]

00:22:07

-Oh, look at you. -

00:22:07

[chuckles]

00:22:11

-You did it, Henrietta. -

00:22:11

[panting]

00:22:13

Oh, my God.

00:22:15

[humming]

00:22:19

No, no, no. No, please.

00:22:21

Please don't. Stop.

00:22:23

Stop! Why are you doing this?

00:22:26

Beatrice, remember what we say about crying?

00:22:28

-Mm-hmm. -Crying is stupid.

00:22:30

But, Father, tell them not to burn my things.

00:22:33

But, darling, they have to. Your sickness has infected everything.

00:22:37

The hard part is over.

00:22:38

Wait. Wait. I wanna hold her.

00:22:40

-No. You'll get attached. -Wait!

00:22:42

It all must be destroyed for your own good.

00:22:45

-I need to hold her. -This is for your own good.

00:22:47

-But not my baby. -Yes. Especially your baby.

00:22:50

-Whoop! -

00:22:50

[gasps]

00:22:51

See, doesn't that feel better?

00:22:53

[Beatrice cries]

00:22:53

No!

00:22:55

My baby!

00:22:57

Wait, please. I need to hold her.

00:22:59

-No, no. -

00:22:59

[crying]

00:23:00

Wait. No, please come back. I need to hold her. Please.

00:23:03

[screams]

00:23:04

No!

00:23:06

Come on now, be strong.

00:23:07

You can't let your womanly emotions consume you.

00:23:10

You don't wanna end up like your mother now, do you?

00:23:13

[faint screaming in distance]

00:23:14

[sobs]

00:23:14

No. -I promise.

00:23:16

One day this will all be a pleasant memory.

00:23:28

Best of luck. See ya never.

00:23:32

-Who is that? -

00:23:32

[groans]

00:23:32

Bye, Mom.

00:23:35

BoJack?

00:23:37

-Mom? -BoJack? Is that you?

00:23:40

Yeah, it's me.

00:23:42

-Well, oh, what is this place? -This is where you live now.

00:23:46

-No. Is it? No. -Mom...

00:23:49

-Where are we, BoJack? -I just told you.

00:23:51

I don't understand.

00:23:52

-Where... Where am I? -You're... in Michigan.

00:23:57

-Michigan? -Yeah.

00:23:59

-At the lake house. -I am?

00:24:02

It's a-- It's a warm summer night, and the fireflies are dancing in the sky.

00:24:08

And your whole family is here.

00:24:11

And they're telling you that everything is gonna be all right.

00:24:14

Yes. That's right. What else?

00:24:18

The crickets are-- are chirping, and the lake is still, and the night is full of stars.

00:24:25

I can see it. It's so clear.

00:24:28

What are we doing here, BoJack?

00:24:31

We're sitting on the back porch, and we're listening to your brother play the piano, and we're eating ice cream.

00:24:37

Vanilla ice cream.

00:24:39

Yes. That's right.

00:24:41

Oh, it's all so marvelous.

00:24:44

Can you taste the ice cream, Mom?

00:24:45

Oh, BoJack.

00:24:47

It's so... delicious.

Ep 12 — What Time Is It Right Now

00:00:06

[Princess Carolyn]

00:00:06

I got into this business because I love stories.

00:00:09

They comfort us, they inspire us, they create a context for how we experience the world.

00:00:14

But also, you have to be careful, because if you spend a lot of time with stories, you start to believe that life is just stories, and it's not.

00:00:22

Life is life, and that's so sad, because there's so little time and... what are we doing with it?

00:00:30

[clocks ticking]

00:00:30

-Thank you.

00:00:33

When Princess Carolyn told me we were pitching to whattimeisitrightnow.com,

00:00:37

I was excited, because in so many ways, the story I'm about to tell is about time.

00:00:43

And it's about time this story was told.

00:00:46

-Ooh! -Ahh!

00:00:48

[Flip]

00:00:48

It's about Detective John Philbert, a man from another time.

00:00:54

[sighs]

00:00:56

[Flip]

00:00:56

But now he finds himself in a new time.

00:00:58

-I'm sorry, did you say newt time? -No, no, new time.

00:01:03

Oh, so it's not like a time full of newts?

00:01:06

No.

00:01:07

Unless you want it to be a time full of newts.

00:01:09

-No, no, no, no. I'm just clarifying. -Okay.

00:01:12

He finds himself in a time he doesn't understand.

00:01:17

[sighs]

00:01:17

[phone dialing]

00:01:20

[man]

00:01:20

Don't call this number again. -Wait. I-- I just--

00:01:22

My mother, she's senile, and she was drugging the coffee.

00:01:25

That's why-- Just--

00:01:26

I wanted you to know that none of this was Hollyhock's fault.

00:01:29

[man]

00:01:29

Goodbye, BoJack.

00:01:30

[Flip]

00:01:30

A time in which he is alone.

00:01:34

Perhaps, all this time, he's been alone.

00:01:38

-Except for the newts, right? -Hmm.

00:01:41

Yeah. Except for the newts.

00:01:44

[theme music playing]

00:02:39

And then it dawns on him, his partner isn't a ghost.

00:02:43

Or is he?

00:02:44

-Wow! -As we like to say here,

00:02:47

there are little hand ideas and big hand ideas.

00:02:50

And that's a big hand idea.

00:02:52

And you said BoJack Horseman is attached?

00:02:54

What? Oh, yeah. BoJack is attached.

00:02:56

But he's not like "attached" attached.

00:02:58

If you want us to get somebody better--

00:03:00

Oh, no, no, no. We love BoJack.

00:03:02

Yeah. We don't wanna do this without BoJack, just to be clear.

00:03:05

-Well-- -Oh, he's definitely attached.

00:03:08

He signed a contract. I saw it myself.

00:03:11

Oh, right. Yeah, yeah.

00:03:11

[gulps]

00:03:18

So if you look to the left, you'll see a charming little breakfast nook.

00:03:21

-Oh! -

00:03:21

[gasps]

00:03:21

Look at that!

00:03:23

But if you want more natural light,

00:03:25

you could knock down that wall and put in these...

00:03:28

-French doors! -That is so cool!

00:03:31

-You actually don't have to yell. -Wait, Diane.

00:03:33

Are we in the same house right now? I don't see you.

00:03:36

I can hear you. I think we're close!

00:03:37

You can't see each other in the program.

00:03:39

So I'm invisible? Oh, in this scenario, am I a ghost?

00:03:42

Of a Union soldier, perhaps,

00:03:44
who cannot rest until his final letter is delivered!

00:03:47
And can I be Anne of Green Gables?

00:03:50
No, you're both still you.

00:03:51
Diane, can I talk to you alone for a moment?

00:03:53
-Oh, I can step out-- -Sure!

00:03:54
Why don't you meet me in the guest bathroom? Ow!

00:03:58
-You don't have to. -Where's--

00:03:59
-Hold on. I think-- -Guys, I can just--

00:04:01
-Here we are. -Diane?

00:04:03
No. Careful. Okay.

00:04:05
-Do you really love this house? -Yeah, it's fine.

00:04:08
I didn't love the old house, but it was your house and I moved in, and it was great.

00:04:12
But this is an opportunity to build something together.

00:04:15
Something that'll last for the rest of our lives.

00:04:17
Anything you want is gonna be good with me. Just like your old house.

00:04:19
But I don't want this to just be another one of my houses.

00:04:22
I want this to be our house.

00:04:24
And it will be, because we'll both be living in it.

00:04:26
Mr. Peanutbutter, I don't need anything fancy.

00:04:29
All that matters to me is that I get to live with you.

00:04:32
-In the real world. -Oh!

00:04:34
No more campaign, no more ex-wives.

00:04:37
Just Diane and Mr. Peanutbutter, back to normal.

00:04:40
-For the rest of our lives. -That sounds great.

00:04:43
-We'll take it. -One second, though,

00:04:44
-I have to use the bathroom. -No, no, no, that's not--

00:04:49
You completely humiliated me in front of Sha Na Na!

00:04:52
[The Horse]

00:04:52
How was I supposed to Sha Na know

00:04:55
they were going to invite me on the stage to do a guitar solo?

00:04:57
[Sabrina]

00:04:57
You're supposed to be my dad.

00:04:59
You're supposed to be looking out for me.

00:05:01
[groans]

00:05:02
[Sabrina]

00:05:02
You're the worst dad in the world!

00:05:03
[The Horse]

00:05:03
Well, too bad I'm the only dad you got.

00:05:06
[Sabrina grunts]

00:05:07
[doorbell chimes]

00:05:07
[both]

00:05:07
Huh?

00:05:09
[The Horse]

00:05:09
O.J. Simpson lawyer and DNA expert Barry Scheck?

00:05:14
[Scheck]

00:05:14
My car broke down. -

00:05:14
[Sabrina]

00:05:14
What?

00:05:16
[Scheck]

00:05:16
I guess it ran out of... juice.

00:05:18
Hi. Yeah, my mom is a resident.

00:05:21
I've still got a bunch of her stuff.

00:05:22
Don't put me on hold. Just take a message--

00:05:24
[Sabrina]

00:05:24
Wait, wait! You're a DNA expert?

00:05:26
Could I use DNA to find my real family?

00:05:29
[Scheck]

00:05:29
Well, sometimes, DNA can be a tricky thing.

00:05:32
Like, for example,

00:05:33
was Simpson DNA found at the scene of the murder of Nicole Brown?

00:05:37
Sure. Was it O.J. Simpson's DNA?

00:05:41
- Who's to say? -Oh.

00:05:42
Maybe it was some other Simpson, like his son, or his father.

00:05:46
There's no way to know. I wouldn't worry about it.

00:05:49
That's too much, man--

00:05:56
[doorbell chimes]

00:05:59
-Oh. -Hey, buddy.

00:06:01
-Uh-oh. -She had a long day... of drinking.

00:06:04
I figured she shouldn't drive herself home.

00:06:06
-Good thinking. -Yeah.

00:06:07
I was right too, because she crashed her car.

00:06:09
What?

00:06:10
I probably should've said something, but...

00:06:15
You need to get your shit together.

00:06:18
Wha-- Where am I?

00:06:19
Okay, so you know how you're always giving pep talks to people, telling them they need to get their shit together?

00:06:25
Well, this is me giving you the Princess Carolyn pep talk.

00:06:30
-Why am I tied up in the woods? -So you can't escape my wise words.

00:06:35
Is that not part of it? I couldn't remember.

00:06:37
It doesn't matter. It's all over for me.

00:06:39
When it gets out I faked BoJack's signature, the deal's gonna fall apart.

00:06:43
There goes my reputation, my career--

00:06:45
Well, there's more to life than just your career, isn't there?

00:06:49
-Is there? -Isn't there?

00:06:50
I have nothing!

00:06:51
Oh! This pep talk is going in the wrong direction.

00:06:54
Do you know how hard it is to start a family at my age?

00:06:57
-To find a guy at my age? -You don't need a guy to start a family.

00:07:01
You're Princess Carolyn. You can do anything.

00:07:04
No, I can't.

00:07:05
Look, the woods are dark and scary, but the only way out is through.

00:07:11
I'm sorry. I got distracted by the woods.

00:07:14
-Um, what were we talking about? -No, you're right.

00:07:17
The only way out is through.

00:07:19
I gotta talk to BoJack. I gotta stop feeling sorry for myself.

00:07:22
I'm Princess Carolyn.

00:07:24
That's the spirit!

00:07:25
As my blood type always says, "B" positive!

00:07:29
-What was that? -I don't know.

00:07:30
-Oh! -Oh!

00:07:32
-Hey, Doctor Picarello. -

00:07:32
[groaning]

00:07:34
Doctor Picarello, are you okay?

00:07:36
[growling]

00:07:36
-Todd?

00:07:37
[all snarling]

00:07:37
[drill whirring]

00:07:43
So it turns out Vice Chancellor Laughing Gassy got rabies from quarrelling with an old raccoon.

00:07:48
And then he started biting everyone, and now a bunch of them have rabies.

00:07:52
Who could have predicted my innocent clown dentist venture

00:07:55
-could turn into something so terrifying? -I don't see how this concerns me.

00:07:59
Yolanda, the only reason they're in the woods at all is because of you.

00:08:03
If people find out the Better Business Bureau is behind this, you don't think you'll be getting a buzz from the Business Branch of the Board of Better Bureaus?

00:08:11
You're right! We have to do something before someone gets hurt.

00:08:14
Call me four out of five dentists, because I agree.

00:08:18
What?

00:08:22
Here we are. The rest of our lives.

00:08:25
Yeah, wow.

00:08:27
-Do you wanna go to Hawaii? -What? Right now?

00:08:30
Yeah! When's the last time we did something impulsive?

00:08:32
Well, you did run for governor without giving it much--

00:08:35
I just think we could use a vacation. Things have been so crazy this last year.

00:08:38
Before we start the rest of our lives, haven't we earned a break?

00:08:41
All right. Let's go to Hawaii! They got that bridge that's just sitting there.

00:08:45
-We might as well use it. -All right! Hawaii, here we come!

00:08:48
-All right! Hawaii! -Hawaii!

00:08:51
[horns honking]

00:08:51
[Diane]

00:08:51
Oh.

00:08:54
[Mr. Peanutbutter sighs]
00:08:54
[gulls squawking]
00:08:59
So, listen.
00:09:01
As you know, one of the differences between agents and managers--
00:09:03
-Oh, my God. Stop. Please stop. -I'm producing a new TV show.
00:09:06
It's a phenomenal script which may or may not involve ghost or newts.
00:09:10
-Does it involve ghost or newts? -It may!
00:09:13
-You haven't read it, have you? -Read it? I'm producing it!
00:09:17
-Right. -It's this gritty, hard-boiled mystery--
00:09:20
-Ugh! I'm so sick of mysteries. -Right, well--
00:09:23
They're impossible to figure out.
00:09:24
Then all of a sudden, some random detail makes the hero remember a conversation that totally re-contextualizes everything, and then it all magically comes together.
00:09:31
-Sure, but-- -It's such bullshit.
00:09:33
Where's my random detail that's gonna suddenly make everything make sense?
00:09:36
Because I would love that.
00:09:37
Well, this script is really special, and everyone wants to play the lead, from Matthew McConaughey to Matthew Perry.
00:09:43
-Matthew Perry? -Yeah. But I was thinking--
00:09:45
Hold on. Matthew Perry...
00:09:49
Hey, BoJack, which one of these pictures more says,
00:09:53
"This daughter looks like a cool lady that I wanna have in my life"?
00:09:58
Why do you ask?
00:09:59
I'm writing a letter to my mom and I want to include a picture.
00:10:02
I'm going to send it to the adoption agency.
00:10:04
Maybe if they still have her address on file, they can forward it to her.
00:10:07
Seems like a long shot. How about a better strategy is, don't do that, and then you won't be disappointed when it doesn't work out?
00:10:13
I'm trying everything. I don't wanna look back at this and feel like the end of "Chandler's List," you know?
00:10:17
-You mean Schindler's List . -Never saw it.
00:10:19
I'm talking about "Chandler's List," the sketch from when Matthew Perry hosted SNL.
00:10:23

-Remind me? -Okay.
00:10:25
So it's Chandler from Friends, and it's World War II, and he's got this list.
00:10:28
And the whole time, he's like, "I'm Chandler!
00:10:30
Could I have a bigger list?"
00:10:32
But then at the end, the war's over, and he's like...
00:10:34
-"Could I have had a bigger list?" -Whoa.
00:10:37
He's haunted because he feels like he could have done more.
00:10:39
You know, he's like,
00:10:41
"Could I be any more feeling like I could have done more?"
00:10:46
I have to go.
00:10:47
Look, I'm trying to do you a favor here!
00:10:47
[groans]
00:10:52
[door slams]
00:10:53
[panting]
00:10:57
Oh.
00:10:57
[gasps]
00:10:59
Huh.
00:11:08
Huh?
00:11:10
[snarling]
00:11:10
[music playing]
00:11:22
Shh!
00:11:25
Yes. Get the magazine.
00:11:27
What a fine addition to your waiting room.
00:11:31
-Oh, no! -
00:11:31
[drill whirrs]
00:11:33
[music playing at faster tempo]
00:11:36
[screaming]
00:11:36
[drill whirring]
00:11:39
[grunting, groaning]
00:11:45
-Oh, God. -
00:11:45
[clown growling]
00:11:46
What are we gonna do, Todd?
00:11:47
-Guys, let's talk this out. -
00:11:47
[drill whirring]
00:11:49

[horn honking]

00:11:58

Run. Ouchie! Ouchie!

00:12:01

[both panting]

00:12:04

-Oh, man. -I've never run that fast in my life.

00:12:06

-Me neither. -I gotta get in better shape.

00:12:08

I keep saying I'm gonna run more, but it's just so hard to stay motivated.

00:12:11

Hmm.

00:12:13

Don't "hmm." I'm talking to you.

00:12:18

[horns honking]

00:12:18

[tires screeching]

00:12:22

-Can you not start and stop so much? -I can't control the traffic, darling.

00:12:25

When the car in front of me starts, I start. And when it stops, I stop.

00:12:29

Maybe you don't have to start every time the car in front of you starts, because you know it's gonna stop again anyway.

00:12:34

-You could leave a little space. -Okay.

00:12:37

[engine rumbles]

00:12:37

-And another car just cut in front of me because I left a little space.

00:12:42

Well, I'm sorry, but I'm getting carsick.

00:12:44

Okay. I'm gonna get some gas.

00:12:53

All right. I got the lowdown.

00:12:54

First of all, very important, I got you this flattened penny.

00:12:57

I will cherish it always.

00:12:59

-I'm sorry for being annoying before. -Don't worry about it.

00:13:02

Here's the deal.

00:13:03

With this traffic, we can stay on our current trajectory and get to Hawaii just in time to spend two luxurious hours at the Honolulu Stilton, and then turn around and come back, or we can hang out here at the Thrifty Lodge at this charming halfway to Hawaii rest area and gas park.

00:13:19

Excuse me, we would like your finest room, please.

00:13:22

-All our rooms are the same. -What kind of cuisine is on premises?

00:13:25

There's a deli at the gas station across the street.

00:13:28

-And what are your spa hours? -There's no spa.

00:13:30

Okay, if I wanted to have a big gala, could I use your grand ballroom for that, or is that booked months in advance?

00:13:35

I could settle for a demi-ballroom in a pinch, but attire will be formal, I don't wanna upstage the venue.

00:13:40

We have zero ballrooms in this Thrifty Lodge.

00:13:42

I see. This will do nicely.

00:13:46

Didn't you tell me once you always wanted a ballroom?

00:13:48

Actually, no.

00:13:48

[chuckles]

00:13:48

What I wanted was a Belle-room.

00:13:52

What is that? Like a room full of bells?

00:13:54

It's a room full of big books, with big windows and a ladder, like Belle got in Beauty and the Beast.

00:13:59

-And it's called a Belle-room? -It's called a library.

00:14:02

But I called it a Belle-room because it was magical.

00:14:05

And since it was a name I made up for a room that wasn't real, that meant that it was just mine.

00:14:09

That's adora-Belle.

00:14:11

[woman]

00:14:11

Hey, Seaborn! Seaborn! -What's that?

00:14:13

You're Seaborn's Seahorse Milk, right?

00:14:15

Ha! That's right.

00:14:16

Oh, man! Can I get a shellfie?

00:14:18

That's like a shellfish version of a selfie.

00:14:20

-Hmm? -Go, take a picture.

00:14:23

It'll make their day.

00:14:24

-You sure? You don't mind? -I'll be in the room.

00:14:26

Don't stay out with your new friends too late.

00:14:28

Hey, guys. I'm coming down. What other of my things do you like?

00:14:31

[man]

00:14:31

Wow, yeah!

00:14:35

Okay, so...

00:14:49

[snoring]

00:14:56

Oh.

00:14:58

Hey.

00:15:06

[Jose]

00:15:06

So the supplier said, "I really oughta give Iowa a try."

00:15:09

But I said, "Buddy, Kansas City's about as far as I can go."

00:15:12
Long story short, we're meeting in St. Louis.

00:15:14
[pounding on door]

00:15:14
-Huh?

00:15:16
-Hey! -I need to talk to Hollyhock!

00:15:18
-She's not here. -You have to let me see her.

00:15:20
Please, I flew all the way here and it's Wichita, so it's not like I got other shit to do in Wichita.

00:15:25
No one told you to come here.

00:15:27
You're the one who likes foreign movies, right?

00:15:29
That part in Amelie, where she listens to the guy's story?

00:15:31
This is that part. And I'm the guy with the story.

00:15:33
And I need you to be Amelie right now.

00:15:35
I don't like foreign movies. I like foreign films.

00:15:39
Okay, you're impossible.

00:15:40
The rest of you, please, just listen for a second.

00:15:42
I know you hate me. But for Hollyhock, please, listen.

00:15:46
[clears throat]

00:15:48
Whole time she's staying with me, it doesn't make sense, right?

00:15:51
If I'm her father, where is her mother?

00:15:52
Well, that's an extremely heteronormative way

00:15:54
-of looking at things. -No, I'm saying, medically, where is the woman I had sex with that made her be born?

00:15:59
Right? That's why Hollyhock came to L.A. in the first place.

00:16:02
Okay...

00:16:03
But then I thought, "What if I'm not her father?"

00:16:06
You're not her father. We are her fathers.

00:16:08
You're her fathers. Yeah. I know, I know.

00:16:09
Eight of you, each have your own cute thing, I get it.

00:16:12
My point is, Hollyhock and I have the same DNA, but that doesn't mean I'm her father.

00:16:16
You're not. Because being a father isn't just--

00:16:19
God, I feel like you are willfully misunderstanding me.

00:16:21
What I am saying is, I'm not even her father biologically.

00:16:24
-Excuse me? -My father is her father.

00:16:27
-What? -Huh?

00:16:28

[BoJack]

00:16:28
I went to every hospital and clerk house in L.A.

00:16:30
I waited in lines, filled out forms, talked to anyone who would talk to me.

00:16:33
I wouldn't rest until I knew I'd done everything I could.

00:16:36
But there was no record of a little horse girl

00:16:38
born on Hollyhock's birthday...

00:16:40
Okay, so?

00:16:41
...in L.A., because Hollyhock wasn't born in L.A.

00:16:44
She was born in San Francisco.

00:16:46
I got a little bug in my brain that my father knocked up the help.

00:16:49
So I went up there, and I did the whole thing again, and I found it.

00:16:52
The birth certificate with her mother's name,

00:16:54
clear as day, Henrietta Platchkey.

00:16:56
-That's-- -But where is she now, right?

00:16:58
Looked her up on Facebook. I know what you think:

00:17:00
"BoJack Horseman has a Facebook account?"

00:17:02
Obviously, I didn't, because the Internet is for nerds.

00:17:05
But I know it's a good way to find people, so I set up an account, and I found her.

00:17:08
She lives in Minneapolis. She's a nurse.

00:17:10
Her phone number was on her Facebook page.

00:17:12
And I wanted Hollyhock to have it.

00:17:15
-You did all that? -She has to know.

00:17:16
You don't have to tell her I was here. I'll stay out of her life forever.

00:17:19
You can tell her I'm an asshole. Say you found this on your own.

00:17:22
I don't care, but you have to tell her. Please.

00:17:26
Whittagut dittagoo yittagoo gittaguys thittagink?

00:17:29
Hittagollittagy-hittagock's stitagill frittagail.

00:17:33
-Guys-- -Littaget's jittagust tittagell hittagim whittagut hittagee wittagants tittagoo hittageer.

00:17:39
-All right, BoJack. We'll tell her. -Yeah?

00:17:42
Yeah. But you need to leave. Right now.

00:17:45
[sighs]

00:17:45
Okay.

00:17:51
Welcome to the best workout routine in L.A.

00:17:54
Nothing motivates like fear.

00:17:56
So remember, once you're in there, don't stop running.

00:17:59
If the clown dentists catch you, they will bite you, and they have very healthy teeth.

00:18:03
[chuckles]

00:18:03
Okay, but not really, right?

00:18:06
Nope, really. They will actually bite you, and they do actually have rabies.

00:18:11
Wow, guess I'm gonna really have to run.

00:18:13
No more excuses. This is great.

00:18:15
Exactly! And don't forget... have fun in there!

00:18:18
[woman]

00:18:18
Whoo-hoo! -

00:18:18
[man]

00:18:18
Let's do this.

00:18:20
[man 2]

00:18:20
Let's go. -

00:18:20
[all screaming]

00:18:25
Well, you did it. You made a better business.

00:18:28
We did it.

00:18:29
Between your no-nonsense approach and my the-regular-amount-of-nonsense approach, we make a pretty good team.

00:18:36
Yes. I'm going back to my job.

00:18:38
But if anything happens here and you need me, or if you just wanna hang out again, grab a drink, you should call me sometime.

00:18:45
Oh, um, I should tell you, I'm actually asexual.

00:18:49
Yeah, I know. So am I. That's why I'm asking you out.

00:18:53
-Oh! Uh, okay. -Okay. Goodbye.

00:18:59
Huh.

00:19:08
[doorbell chimes, whinnies]

00:19:11
-I have to talk to you. -Make yourself at home.

00:19:14
I screwed up. I'm sorry.

00:19:16
I promised you'd do this show.

00:19:18
I don't know why. I just... I needed something--

00:19:21
-I'll do it. -What?

00:19:22

You want me to do it, I'll do it. God knows you've done enough for me.

00:19:26
[groans]

00:19:26
-What's wrong? I said I'd do it.

00:19:29
It's just really hard to need people.

00:19:33
Yeah, but...

00:19:35
Yeah. Thank you.

00:19:37
Eh, it'll be good for me to get out of the house anyway.

00:19:40
You want a drink?

00:19:41
-Water. -Water? "Water" you pregnant?

00:19:44
[chuckles]

00:19:44
Very much not so.

00:19:46
-I heard you got a new boyfriend. -We broke up.

00:19:48
Oh. Sounds like an asshole.

00:19:51
He was actually the first guy I ever dated who wasn't an asshole.

00:19:55
-Well, onwards and upwards. -I heard you had a kid living with you?

00:19:59
No. She's got these adopted dads.

00:20:02
They're total dicks, but they take care of her.

00:20:04
-She'll have a good life. -Oh.

00:20:06
-You ever think of adopting? -

00:20:06
[sighs]

00:20:09
-More and more lately. -You should. You'd be a good mom.

00:20:12
-The world needs good moms. -I'll take that under advisement.

00:20:17
Well, I guess I'll see you on set.

00:20:19
I'm looking forward to it.

00:20:27
Now, back to normal. Diane and Mr. Peanutbutter.

00:20:31
-Here we are. The rest of our lives. -I wanna show you something.

00:20:36
I had the contractor put this together while we were gone. Close your eyes.

00:20:39
[Diane]

00:20:39
Okay... -All right. Open them.

00:20:42
-Oh, my God! It's-- -Pretty cool, huh?

00:20:45
-Why would you do this? -It's what you always wanted, right?

00:20:48
It's too much. I didn't want it like this.

00:20:51
-Like what? -I don't know. I'm sorry.

00:20:53

This is great. I'm sorry.

00:20:56

Why would you think I would like this?

00:20:57

Because you told me this is what you always dreamed of?

00:21:00

I don't like big gestures like this!

00:21:02

-How many times have I--? -Yeah, but this is--

00:21:04

This was a fantasy, something that belonged to me.

00:21:08

Why couldn't you have asked me--

00:21:09

I'm sorry. I'm sorry I ever try to surprise you, or do nice things.

00:21:12

Do you know how much it cost to get 5,000 fake books?

00:21:15

-So I'm the bitch? Is that what you-- -I'm sorry that I wanted to make our home feel like a place that you would want to live that could be yours as well as mine!

00:21:22

Why is that so important to you?

00:21:24

Because otherwise, it feels like you're a guest.

00:21:26

And unlike the talking candlestick in the aforementioned Disney film,

00:21:29

I don't want you to be that.

00:21:31

It makes me feel shitty.

00:21:32

Like you're just visiting here, until the next thing and you're gonna leave me when you get bored or you find something better.

00:21:37

Like Katrina did. Like Jessica did.

00:21:39

You can't use your ex-wives against me.

00:21:42

I'm just telling you how I feel.

00:21:44

I was trying to do a nice thing for you.

00:21:46

This is not how I thought this would go at all.

00:21:49

[sighs]

00:21:50

Diane and Mr. Peanutbutter. Back to normal, right?

00:21:53

[chuckles]

00:21:55

You know, sometimes I feel like our marriage is like a magic eye poster.

00:21:59

-I love those things. -I know.

00:22:01

And it's messy. And at first glance, it doesn't seem to make any sense.

00:22:05

And it's hard to figure out.

00:22:07

But sometimes, if you squint at it just right, everything lines up, and it's the most perfect... beautiful, amazing thing.

00:22:17

Yeah. I know what you mean.

00:22:19

But...

00:22:21

[voice breaks]

00:22:21

I'm so tired of squinting.

00:22:23

[crying]

00:22:26

Oh...

00:22:40

What?

00:22:41

-Oh, Christ. -

00:22:41

[ringtone chiming]

00:22:47

-Hollyhock. -Hi.

00:22:48

-How are you? -Listen...

00:22:50

I wanted to thank you for finding my mom.

00:22:52

-They told you? -Not exactly.

00:22:54

They have this secret dad language they think I don't understand, but it's super obvious what they're saying.

00:22:59

[chuckles]

00:22:59

You're too smart for your own good.

00:23:02

So, yeah, I've been talking to Henrietta on the phone and she seems really nice.

00:23:08

Really? Wow!

00:23:09

I'm gonna visit her in Minneapolis. I'm at the airport right now.

00:23:12

Right now? That's incredible.

00:23:14

No, what's incredible is this place at the airport charged me ten dollars for a cup of fruit.

00:23:19

-What? -And get this.

00:23:21

It's like 90 percent honeydew.

00:23:23

Are you kidding me? Why?

00:23:24

What on-the-go jet-setter's demanding more honeydew in his or her fruit cup?

00:23:29

Nobody ever wants honeydew, it's always there.

00:23:31

It is literally the worst part of everything it's in.

00:23:33

It's like the Jared Leto of fruits.

00:23:35

Thank you. Exactly.

00:23:37

Mmm.

00:23:39

Well...

00:23:40

Anyway, they're about to start boarding, so...

00:23:43

Hollyhock, I'm sorry I didn't take better care of you.

00:23:46

I shouldn't have moved in with you. It was maybe too much too fast.

00:23:50

-Yeah. -But it wasn't all bad.

00:23:52

I mean, yeah, I got secretly drugged for months on end to the point I was living a nightmare in which I couldn't recognize my own body or understand what was happening to my brain, but, other than that, it was a pretty chill experience.

00:24:03

I should have protected you.

00:24:05

I really wanted to be a good dad to you, Hollyhock.

00:24:07

Well, turns out you're not my dad at all.

00:24:09

Yeah. Good thing, I guess.

00:24:11

Yeah. Good thing.

00:24:15

So, uh, Minneapolis, huh? Did you rent a car or a cab?

00:24:19

BoJack, it's all taken care of. I gotta go.

00:24:22

Is there anything, uh, I can do?

00:24:24

I can upgrade your seats, or... or send you better fruit.

00:24:26

BoJack, look, I never needed you to be a dad.

00:24:30

I'm going to be fine.

00:24:31

I told you from the beginning, I have eight dads.

00:24:33

Yeah. Yeah. Good.

00:24:37

But... I've never had a brother.

00:24:50
