[BoJack]

00:00:25
Nothing's lonelier than a party. -

00:00:25
[exhales]

00:00:28
Good thing I don't need anyone or I might feel lonesome.

00:00:31
-Watch your six. -I'd rather watch your six.

00:00:34
[woman chuckles]

00:00:35
[techno music playing]

00:00:37
[gunshot]

00:00:37
[gasping]

00:00:38
[grunts]

00:00:38
[Gina gasps]

00:00:41
-Hmm. -

00:00:41
[gun cocks]

00:00:44
-What the hell? -

00:00:44
[director]

00:00:44
Cut!

00:00:46
Come on, guys. Pay attention. The squib didn't fire.

00:00:49
-What did I do? -Not you. Squib. Squib.

00:00:51
-The squib. -I don't need any help. Thank you.

00:00:53
-You're doing great, BoJack. -Yeah?

00:00:55
And I did a great job watching you, which is most of what producing is.

00:00:59
We're doing it, buddy! First day!

00:01:01
Listen, I still have some questions about my character, and the script, and the show, and you asking me to do this show,

00:01:06
-and me saying, "Yes". -Hey, can we get rid of Philbert's watch?

00:01:10
The network doesn't want us to remind the audience about the existence of clocks.

00:01:13
And why we're making a TV show for
What-Time-Is-It-Right-Now-dot-com, which is a website for people who don't know their computers already have built-in clocks at the corner of the screen?

00:01:23
All your questions will be answered.

00:01:25

But in the meantime, would it kill you to smile?

00:01:28
[remote clicking]

00:01:29
[grunts]

00:01:32
[theme song playing]

00:02:28
[gunshot]

00:02:29
[grunts]

00:02:29
[Gina gasps]

00:02:30
Dierdre! I should have known!

00:02:32
Just like a bitch to shoot me in the heart, bitch.

00:02:37
Good thing I carry this flask full of my dead wife's blood around.

00:02:41
[director]

00:02:41
And, cut.

00:02:43
Hey, Flip. Can I ask why I'm calling her a bitch twice?

00:02:45
The first bitch is her. The second bitch is your heart.

00:02:48
Okay, you know, I have some questions about my character.

00:02:51
[sighs]

00:02:52
[beeping]

00:02:56
-I have two minutes. -Okay, well, my first question is--

00:02:59
-BoJack Horseman... -Oh, jeez. Here we go.

00:03:01
...and Mr. Peanutbutter on the same studio backlot?

00:03:04
-One sec-- -What is this?

00:03:05
-A mismatched buddy comedy... -No.

00:03:07
...about two guys from different sides of the tracks who learn to respect each other because they have a common interest?

00:03:13
-Who's this guy? -Ignore him. Why--

00:03:15
And a grudging respect blossoms into real friendship

00:03:17
as they set aside their differences to achieve a shared goal...

00:03:20
-Stop it. -...each bringing their own strength to the table, and possibly there's a karaoke scene?

00:03:26
Why does John Philbert's house look the same as my house?

00:03:29
I've never been to your house.

00:03:30
The set was designed to reflect Detective Philbert.

00:03:34
Spare, lonely, precariously balanced on a hill of his own isolation.

00:03:39
It kind of looks like David Boreanaz's house.

00:03:41
The set designer actually took a tour there.

00:03:43

Oh, that's very interesting.

00:03:45

Why are you here?

00:03:46

I'm playing Julius Caesar on the stage next door, in a movie!

00:03:50

Well, it's a short film.

00:03:51

-I gotta run. -Wait!

00:03:52

I'll see you next time I'm Roman around the lot!

00:03:55

-Flip, when can we talk? -Tomorrow morning.

00:03:59

-Hi. -Hey.

00:04:01

[drums playing]

00:04:03

[grunts, groans]

00:04:06

[pants]

00:04:06

-Yikes, was that it? You done?

00:04:10

[exhales]

00:04:10

-Wow.

00:04:11

Sorry, I can't do you.

00:04:13

I'm too distracted, I'd just do a bad job.

00:04:15

You know your own body better than me anyway so just go to town.

00:04:18

Yeah, I'm gonna go.

00:04:19

Wait, Gina. Can I ask you a question, about you?

00:04:22

Uh-huh?

00:04:23

Do you think I'm right, and the Philbert character is poorly written, and Flip needs to write him better, so I don't look so bad?

00:04:29

Look, I do one of these shows every year.

00:04:31

And I keep getting hired because I show up, do the work, and keep my head down.

00:04:34

But do you love this script? Do you love your character?

00:04:37

Do I love Internal Affairs Director Sassy Malone,

00:04:40

whose primary character traits are that she hates bras

00:04:43

and loves cold rooms?

00:04:44

Not especially. It feels gratuitous and male-gazey.

00:04:47

But it pays for my expensive habit of having a mortgage

00:04:49

-in Southern California. -You don't have to go.

00:04:52

We could hang out.

00:04:53

I'm sure you don't wanna be all alone in a house by yourself.

00:04:56

No, I love being alone. I wish I were alone right now.

00:04:58

[door opens, closes]

00:04:58

[sighs]

00:05:13

[inhales, exhales]

00:05:20

Huh.

00:05:22

[phone beeps]

00:05:22

[line ringing]

00:05:24

[Hollyhock grunts]

00:05:24

BoJack? Why are you up?

00:05:28

I could ask you the same question.

00:05:29

Now you're in college you don't need to sleep anymore?

00:05:32

No, I was sleeping.

00:05:33

You called me and woke me up.

00:05:35

Oh, right.

00:05:36

I wanted you to know that I hearted your Instagram photo.

00:05:38

Okay, cool.

00:05:40

Well, there were 23 other hearts.

00:05:41

But I don't know if you know who they're all from, but one was from me.

00:05:45

Yeah, they let me know.

00:05:47

Oh, cool, cool.

00:05:49

Okay, I'm going back to sleep.

00:05:52

Fine, but this phone call does not replace our weekly Sunday call. Okay?

00:05:55

Yeah, I'll talk to you Sunday afternoon.

00:05:58

Yes. Good. Because I miss you.

00:06:00

Sorry, that sounded dumb. I don't miss you, I'm just bored.

00:06:04

-That also sounded dumb. -I miss you too, BoJack.

00:06:07

[phone beeps]

00:06:09

[Todd panting]

00:06:12

Good morning, lovebugs!

00:06:13

Don't mind me, just passing through! Not sneaking a peek at the lovebugs!

00:06:17

There's nothing to see that would embarrass any of us.

00:06:19

-We are all fully clothed. -Ha-ha. If you say so!

00:06:23

What are you gonna do while I'm at work all day?

00:06:25

There's an old frog who lives down in the L.A. River.

00:06:28

He owes me an egg salad sandwich, on account of a caper we once went on.

00:06:32

-What? -I was gonna see if he wants to make instruments out of shoeboxes and rubber bands.

00:06:37

And, uh, that will satisfy you?

00:06:39

When your life is ends, and you're looking back at this day, you'll think that was a good day?

00:06:44

Yeah?

00:06:49

Well, from your preliminary paperwork you seem like a perfect candidate.

00:06:52

Thanks, I just never thought it would be like this.

00:06:55

I mean, my mom popped out kids by the dozen. And I can't even--

00:06:58

Mnh-mnh. Princess Carolyn, is your name Cutie Cutie Cupcake?

00:07:01

-No, that's-- -Were you born on August 12th, 1947?

00:07:04

-I-- -Do you sleep with your hands stuffed

00:07:06

-in lotion-filled socks? -No.

00:07:08

Right, because you are not your mother.

00:07:11

-How did you know-- -What you are is noble, honorable, and unimpeachable.

00:07:15

Anyone can just have a baby. But to adopt one? That takes a hero.

00:07:20

It takes a selfless, giving, kickass superwoman who's willing to take out her checkbook right now and write the adoption agency a check for \$60,000.

00:07:30

Well.

00:07:30

[sighs]

00:07:30

Okay.

00:07:31

Fabulous.

00:07:32

I'm just so glad that I'm on this journey with you.

00:07:35

Princess Carolyn, I'm with you every step of the way, from you giving me this check all the way to me introducing you to your new caseworker, Tracy.

00:07:43

-Hey. -Ah!

00:07:44

You're in wonderful hands, bye!

00:07:46

Uh, what--

00:07:47

Congratulations. What are you, like, five months pregnant?

00:07:50

No, I'm not a birth mother. I'm adopting.

00:07:53

Oh, that makes sense. 'Cause you're so old.

00:07:55

Is Mikhaela ever coming back?

00:07:57

[scoffs]

00:07:57

Yeah, in your dreams. -

00:07:57

[sighs]

00:08:03

Yes. Yes. No. Yes. What?!

00:08:07

Jeanine, the script calls for hot and haunted.

00:08:10

Does this girl look hot and haunted to you?

00:08:12

Yeah, I'm sure she was hot for Shakespeare in the Park, but I need TV hot.

00:08:17

-Actually, she's starting to look haunted. -

00:08:17

[door opens]

00:08:20

-Hey! Uh, this a bad time? -It's fine.

00:08:23

I can talk to you and also judge these women's bodies at the same time.

00:08:27

What do you want?

00:08:28

Okay, well, first of all, the script is great.

00:08:30

Really top-notch stuff. I love the whole... thing of it.

00:08:34

I just wanted to clarify some things about Philbert as a character.

00:08:38

Mm-hmm.

00:08:39

Yeah, okay, on page three, is it necessary that Philbert can only orgasm if he's listening

00:08:44

-to a recording of his dead wife's voice? -Yes.

00:08:47

Okay, well, what about this thing on page eight where he goes to a strip club and just sits in the back with a sketch-pad and draws the strippers, while a Leonard Cohen song plays?

00:08:56

What about it?

00:08:57

It's just that all of these half-naked women.

00:08:59

I mean, I understand it.

00:09:01

I'm just worried it might come across as gratuitous and, uh, male-gazey, which I know it isn't!

00:09:07

Hmm. You know what? You girls can go home.

00:09:10

The stripper scene's cut.

00:09:12

-No. -Seriously?

00:09:13

-Uh, oh. Uh... -How am I gonna feed my baby?

00:09:15

I just got an idea for something better.

00:09:18

So, instead of drawing strippers naked, you're just going to draw Gina naked.

00:09:23

[BoJack]

00:09:23

Uh...

00:09:24

Gina, BoJack was concerned the old scene was gratuitous and male-gazey.

00:09:28

Oh, he was? BoJack said that?

00:09:30

[Flip]

00:09:30

This is much more interesting and motivated by character.

00:09:33

And since it's motivated by character, that means it's not gratuitous.

00:09:38

Thank you for the note, BoJack, you really helped.

00:09:41

Yeah. Thanks, BoJack, for helping.

00:09:43

-Oh, um... -

00:09:43

[Flip]

00:09:43

Can we get some ice?

00:09:45

Can we get some nipple ice for Gina?

00:09:51

-So, you're the famous Yolanda. -I am not famous.

00:09:54

You might have me confused with another more famous Yolanda.

00:09:56

I know, I-I just meant because Todd talks about you so much,

00:10:00

I feel like you're famous.

00:10:01

Oh, well, that was not clear.

00:10:03

Okay. Todd, why don't you say things now?

00:10:05

Steve, you still fixing up your truck?

00:10:07

You're thinking of Emily's old boyfriend, firefighter Steve D'Marco.

00:10:11

Yeah, I'm firefighter Steve D'Mazio. We're very different.

00:10:14

But I do have a truck, and I'm fixing it up.

00:10:16

So, thanks for asking.

00:10:17

I created a dating app for firefighters to meet me.

00:10:20

-Looks like it worked. -

00:10:20

[chuckles]

00:10:20

Yeah.

00:10:22

Hey! We should create a dating app for asexuals.

00:10:26

Why would asexuals want a dating app?

00:10:28

Well, not all asexuals are aromantic.

00:10:31

-Uh... -Think of it this way.

00:10:33

One could be: A, Romantic, or B, Aromantic, while also being A, Sexual, or B, Asexual.

00:10:41

So you could be BB, or BA.

00:10:44

As for me, see AB, see?

00:10:46

Uh...

00:10:47

So, even within the one percent of the population that's asexual, there's an even smaller percentage that is still looking for romantic companionship.

00:10:56

Seems like a pretty thin user base for an app.

00:10:59

But without it, asexual romantics might end up settling for just whatever other asexual romantics they might meet, even if they have nothing else in common.

00:11:07

-Well, anyway-- -Yeah, but maybe it's good if they have nothing in common because then they can help each other grow and change, and become fuller, more well-rounded people.

00:11:17

Yeah, that's true.

00:11:18

So, Todd, are you still doing that rabid clown-dentist exercise thing?

00:11:22

Oh, no, that whole thing kinda fell apart when the clowns got loose.

00:11:28

[mystery music]

00:11:30

Huh?

00:11:33

I know you killed your wife, Philbert, and I'm gonna prove it.

00:11:35

[Mr. Peanutbutter]

00:11:35

Wow!

00:11:37

Don't finger me for a murderer, Malone.

00:11:39

I don't know where those fingers have been.

00:11:41

[Mr. Peanutbutter]

00:11:41

Ooh!

00:11:42

Well, how about I show you?

00:11:44

[Mr. Peanutbutter]

00:11:44

Wow! -

00:11:44

[Flip]

00:11:44

Cut!

00:11:47

Someone keeps shouting "Wow" and "Ooh."

00:11:50

You guys are doing a bang-up job over here.

00:11:52

So sayeth Caesar! King of the apes!

00:11:55

Look, man, I know what you're doing, okay?

00:11:57

You're trying to punish me. Just don't punish Gina.

00:11:59

I'm not trying to punish anyone.

00:12:01

I'm just trying to make a good show that's brilliant and unprecedented.

00:12:05
It sounds like you guys are basically on the same page.

00:12:07
You're the only one with a problem here.

00:12:09
-Gina is fine with it. -Gina is not fine with it.

00:12:11
You guys, you're almost saying exactly the same thing.

00:12:14
Except one of you is saying "not".

00:12:16
Gina, do you have a problem with the nudity in this scene?

00:12:19
It's great. It's brilliant, unprecedented. I'm gonna get some potatoes.

00:12:22
You see? Everyone's fine with it but you.

00:12:24
So, can we drop it?

00:12:26
I know you're used to being the most important person on set.

00:12:28
-This is not about me. -It's weird for you that I don't need to listen.

00:12:32
-I'm not-- -Hey, hey--

00:12:33
But if you actually have notes that are helpful,

00:12:35
I would love to hear them when you're done swinging your dick around.

00:12:38
-No, this is not about my dick. -Okay, fellas...

00:12:40
-Well, maybe it should be about your dick. -What?

00:12:44
Since you're so concerned about the male gaze, let's give the females something to gaze at.

00:12:49
We'll do a full-frontal nude scene with you.

00:12:52
This is compromise! This is working together.

00:12:54
-Well, hold on. -Fully exposed, Philbert reaches up

00:12:57
-with both hands to screw in a light bulb. -Yes!

00:12:59
He totters in little circles on a tiny stool.

00:13:03
-Wouldn't I just turn my wrist? -Full body rotation. We see everything.

00:13:07
Now we're talking!

00:13:08
-No, we're not! Princess-- -I'm on it.

00:13:10
Flip, BoJack can only do this scene

00:13:12
-if he can wear a T-shirt. -What?

00:13:13
He's very self-conscious about his belly area.

00:13:16
No, I'm self-conscious about my penis area.

00:13:19
He can't wear a shirt.

00:13:20
It's about being vulnerable.

00:13:22
We see every fold and imperfection of his wrinkled, saggy body.

00:13:26
-Hey! -So we like him.

00:13:28
But he has to be fully erect so we respect him.

00:13:30
-What? -We'll shoot it tomorrow.

00:13:31
-Yeah. -Unless you don't like this idea, in which case, we can go back to what we were doing.

00:13:35
-Right. -Well--

00:13:36
So, you would be admitting that you don't actually care about the male gaze and you were only giving me notes to hear yourself talk.

00:13:43
But that's not it, right?

00:13:45
-Right. -Great.

00:13:46
-Shooting is tomorrow afternoon. -Okay.

00:13:47
-I'll send the waxing kit over tonight. -Philbert waxes?

00:13:50
Not for cosmetic purposes. He just wants to feel something.

00:13:56
[chuckles]

00:13:56
-Huh?

00:13:58
I like your friend. It's impressive how she creates companies.

00:14:01
And her boyfriend has an interesting career as well.

00:14:03
Yeah! And you have an interesting career.

00:14:06
Hey! The three of you all have interesting careers.

00:14:09
That is so cool!

00:14:11
Todd, do you ever feel weird that you have no discernible life direction?

00:14:15
-No. -Let me rephrase that.

00:14:16
I feel weird that you have no discernible life direction.

00:14:19
-Oh. -I mean...

00:14:21
-What am I supposed to tell people? -A story? A joke?

00:14:25
Compliments are things people like being told sometimes.

00:14:29
I'm sorry. How was your day? Did you end up meeting with that frog?

00:14:33
No, I just stayed home and looked at stuff on the Internet.

00:14:36
Oh.

00:14:41
[gasps]

00:14:41
-Hello, Princess Carolyn.

00:14:43
You're not Princess Carolyn. Why are you not Princess Carolyn?

00:14:46
-She gets home pretty late. -I came all this way for nothing?

00:14:49
I brought my spinny chair and everything!

00:14:50
Well, if you want something to do, you could help me find a job.

00:14:54
-You're looking for a job? -I spent all day looking!

00:14:56
First, I thought I should get a newspaper to find one, but then I was, like, "Where do I find a newspaper?"

00:15:01
-Uh. -So, I looked it up.

00:15:02
And a map came up of my local area.

00:15:04
So, then I thought about how I know this area pretty well, but there's all kinds of areas I don't know.

00:15:09
-Like South Africa. -Okay.

00:15:11
-And then I thought about Charlize Theron. -Uh, right.

00:15:13
And then I thought about that movie Monster.

00:15:16
And then I was, like, "What year did that come out?"

00:15:18
-So I went to Monster.com... -

00:15:18
[pc clacking]

00:15:20
...to look up facts about the movie Monster, and it turns out they have job postings there!

00:15:25
[Bojack sups]

00:15:25
-What a time to be alive!

00:15:27
Hey! A posting for WhatTimeIsItRightNow.com!

00:15:29
[Todd]

00:15:29
Oh, a janitor job.

00:15:32
I've always wanted to... Janet!

00:15:35
I just got an amazing idea. Interview for that job!

00:15:37
Uh... Was that your amazing idea?

00:15:40
Because I feel, like, it kinda came out of the room.

00:15:42
When you get in the building, say you need to use the WC.

00:15:44
Then you'll sneak into the office of one of the network execs.

00:15:47
Go into their email and send a message to Flip McVicker telling him he can't film any more nude scenes because they're derivative and unnecessary,

00:15:54
-especially the nude scenes involving me. -You are throwing a lotta words at me.

00:15:58
Todd, don't you get it? We're gonna save the show!

00:16:02
You're on a show?

00:16:06
This is a very impressive resume.

00:16:08
Yep. Now, if you'll excuse me, I must adjourn to the restroom.

00:16:12

You founded a ride-share app. You built and managed your own theme park.

00:16:16
And you were, briefly, Governor of California!

00:16:19
I was also the director of a Star Wars movie, but they fired me over "creative differences."

00:16:24
Now about that restroom...

00:16:26
Hold on. You are way overqualified to be a janitor.

00:16:28
-Okay. But I do actually need to go. -Oh, you need to go, all right.

00:16:33
-Straight to the top of this company! -

00:16:33
[gasps]

00:16:38
We're ready for you on set, Mr. Horseman.

00:16:40
Just a minute.

00:16:41
[cell phone rings]

00:16:41
-All right! Todd, did you do it?

00:16:43
[woman on phone]

00:16:43
Hold please for Mr. Chavez.

00:16:45
-Already I don't like this development. -

00:16:45
[Todd]

00:16:45
Hey! Good news, bad news.

00:16:48
Good news is I'm now President of Ad Sales and Streamable Content

00:16:52
for WhatTimeIsItRightNow.com and...

00:16:55
-WhatTimeIsItGo. -

00:16:55
[BoJack]

00:16:55
What?

00:16:57
Bad news is I can't help you.

00:16:59
Why not? You're their boss now. You can tell them what to do.

00:17:02
I could, but I'm no leader at all if I can't delegate authority.

00:17:06
-I need to focus on big picture stuff. -

00:17:06
[grinding]

00:17:09
Loving that picture. Can we get it even bigger?

00:17:11
Ugh, Todd, your good-hearted naiveté has once again conspired with outrageous happenstance to completely dick me over!

00:17:19
Have you tried just talking to the show runner?

00:17:21
In my experience, I've found it's best to shoot straight, in the boardroom and on the driving range.

00:17:27
[grunts]

00:17:27

- I gotta jet.

00:17:29

It's Susie in HR's birthday and if I don't show up to these things, people talk, you know what I mean?

00:17:34

-I never do! -

00:17:34

[cell phone beeps]

00:17:37

-Hey, Flip, we need to talk. -Okay.

00:17:39

-I'm not doing the naked scene. -What?

00:17:40

The only reason you wrote it is to embarrass me.

00:17:43

BoJack, I'm not writing scenes for my television show and also directing them in order to teach you lessons or send you secret messages.

00:17:51

I'm just trying to make a good show.

00:17:53

-Why do you keep making it so difficult? -I'm making it difficult?

00:17:56

I have done nothing, but be a friend to you.

00:17:59

I actually called my mom last night and told her that I made a friend on set.

00:18:03

Do you wanna make me a liar to my mother?

00:18:06

-What? Ew. Weird. -Take off that robe and go to set.

00:18:09

-No. -Take off that robe right now.

00:18:12

Why can't you act like a professional and get naked?

00:18:15

Because it's dumb! This whole show is duuuuuuumb!

00:18:19

What?

00:18:20

It's confusing, it's overwritten, and it's poorly lit.

00:18:22

The darkness is a metaphor for darkness!

00:18:26

And worst of all, it's boring!

00:18:27

It has nothing to say, and it says that nothing badly!

00:18:32

[inhales]

00:18:32

Let me tell you how this is going to be.

00:18:35

I am the show creator and if I want your character to get naked, he gets naked.

00:18:40

If I want him to speak only in Korean, you're learning Korean.

00:18:44

If I want your character to shit his pants and walk around with shit in his pants for the rest of the season,

00:18:49

-you will do just that. -

00:18:49

[mystery music]

00:18:51

-Oh, come on. -You signed a contract.

00:18:53

And that means I am your god.

00:18:55

You will please your god, and if I don't see your ass on set then I will see your ass in court.

00:19:02

Do you understand?

00:19:04

[groans]

00:19:05

That's a good note about the lighting. I'll take a look at that.

00:19:10

Good news! We found a birth mother!

00:19:13

Really? A-already?

00:19:14

She came in yesterday.

00:19:16

She's giving her baby to a sweet couple in Illinois.

00:19:18

-What? -Oh...

00:19:20

Did you think we found a birth mother for you?

00:19:23

Conceited much?

00:19:24

Tracy, I'm spending a lot of money to be here with you and I'm putting myself in a very vulnerable position.

00:19:29

Is there any way you can be a little more thoughtful with the way you manage me as a client?

00:19:34

It sounds like what you're looking for is an adoption manager.

00:19:37

This is an adoption agency.

00:19:39

-Do you not know the difference? -

00:19:39

[sighs]

00:19:41

[cell phone buzzes]

00:19:41

-What?

00:19:42

Princess Carolyn, I overplayed my hand.

00:19:45

BoJack and I got into a fight.

00:19:46

-And he never showed up on set. -What?

00:19:49

[horn blaring]

00:19:49

-What?

00:19:50

[BoJack]

00:19:50

Princess Carolyyyyyyyn, I need to talk to youuuuuu.

00:19:55

[sighs]

00:19:56

-BoJack. -Hold on, I got a thing with a chair.

00:19:59

How did you even find me?

00:20:01

Duh. Bought a burner phone, slipped it into your purse, and then used the Find My Phone app.

00:20:05

How thoughtful.

00:20:06

[deep voice]

00:20:06
Hello, Princess Carolyn.

00:20:08
Oh, God.

00:20:09
I have a plan and I need your help.

00:20:11
-I found out his mom has a fake leg. -Who's mom?

00:20:13
Flip. I'm gonna seduce her, steal her leg, and then smack him across the face with it until he chokes on his own blood.

00:20:20
It's subtle, but I think he'll get the message.

00:20:23
BoJack, what are you trying to accomplish here?

00:20:25
I-I don't want to do the show.

00:20:27
So you're gonna run away like you always do?

00:20:28
Yeah. I never wanted to do this show!

00:20:30
-You faked my signature! -And I told you that, and you said, "Okay" because you wanted to be a good friend to me!

00:20:36
So, you can't get points for that and then resent me for it now.

00:20:39
-It's not about you! I don't like him! -Oh, Flip's not that bad.

00:20:42
He's just insecure and is overcompensating a little.

00:20:45
I know that must be a foreign concept for you.

00:20:47
No, not Flip. Philbert.

00:20:49
He-he's a drunk. He's an asshole. I don't want to be him.

00:20:53
So, maybe don't be the drunk asshole.

00:20:55
Maybe this time, you have a good attitude and you don't drink so much and you show up at your call time.

00:21:01
And then you put on the Philbert costume and you pretend to be this other guy.

00:21:06
And then when you're done shooting, you take off your costume and you're BoJack, the star of the show that everybody likes.

00:21:13
-Yeah? -Yeah.

00:21:14
Hey, why are we at an adoption agency? Are you adopting something?

00:21:18
-I'm trying to. -Oh.

00:21:20
So, can you keep it together for the next ten weeks so I don't need to come to set, every day, to put out fires?

00:21:26
You think you could do that? For me?

00:21:32
[inhales]

00:21:33
[exhales]

00:21:36
[Flip]

00:21:36
Action.

00:21:38

[Diane]

00:21:38
Hey, stranger.

00:21:43
It sounds like you had an amazing trip.

00:21:45
I did. What have you been up to?

00:21:47
Well, I did play Julius Caesar in a pizza commercial that they're going to...

00:21:47
[chuckles]

00:21:47
...get this, show in movie theaters.

00:21:54
Wow, look at you. Pizza.

00:21:56
Et Cru-Dités?

00:21:58
-What? -That was my line.

00:21:59
I played Little Caesar's dad, Big Caesar, in the back story part of the commercial, which is funny because most commercials don't even have a back story part.

00:22:07
Also, Little Caesar's doesn't sell crudités.

00:22:09
Oh, man, my part's definitely going to get cut, huh?

00:22:12
Just like the real Caesar!

00:22:14
Hey, that's right!

00:22:18
-Well, here's your place. -

00:22:18
[horns honking]

00:22:20
Yep. Here it is.

00:22:23
Well, anyway, I signed the papers.

00:22:25
Oh. Great!

00:22:27
Yeah, so if it all looks good to you and your lawyer, you can sign it too and then it'll be official.

00:22:32
Divorce completed.

00:22:34
-Yay. -We did it.

00:22:36
Take that, our marriage!

00:22:39
-Well, I guess I'll see you around? -Yeah.

00:22:43
-I was going to-- -Sorry.

00:22:44
[both laughing]

00:22:44
-Sorry. Just go all the way.

00:22:47
-Well, bye. -Cool.

00:22:50
[grunts]

00:22:53
[Flip]

00:22:53
And, cut.

00:22:54

[buzzes]

00:22:54

[Flip]

00:22:54

We got it.

00:22:56

What's that for? We've all seen me naked.

00:22:59

Can't put the genie back in the bottle now, baby.

00:23:01

[crew laughing]

00:23:02

Thanks anyway, Judy.

00:23:04

This is great. Any other work environment

00:23:06

and this would be considered sexual harassment.

00:23:07

[laughter]

00:23:07

-Ooh, Cadbury Creme Eggs.

00:23:09

Yes, please! Whoops. Gonna need new yogurt.

00:23:12

[groans]

00:23:12

-I'll make it up to you,.

00:23:14

Party at my house tonight!

00:23:16

[crew cheering]

00:23:18

■ The last days of the sunset superstars ■

00:23:22

■ Girls in cages playing their guitars ■

00:23:25

So, then Aaron Eckhart said, "If that's Ansel Elgort, then who's Alden Ehrenreich?"

00:23:30

-And then I said, "Gesundheit" -

00:23:30

[all laughing]

00:23:34

-Flip! You made it. -Yeah.

00:23:36

Jesus Christ, your house really does look like Philbert's.

00:23:39

That's what I've been trying to tell you.

00:23:42

Thanks for being so cool today about the naked stuff.

00:23:45

Yeah. Sure.

00:23:46

Those chicks always make such a big deal about their bodies.

00:23:49

Maybe now that you've done it,

00:23:50

Gina won't complain so much next time we make her do it.

00:23:53

-Well, no, she didn't complain. -Whatever. Doesn't matter.

00:23:56

-Everything worked out. -Yeah.

00:23:58

Listen, I'm sorry I flew off the handle earlier and tried to remove your robe by force.

00:24:03

This is my first show and I'm still figuring out how to strike the right tone.

00:24:07

No, of course, I'm just trying to help you fulfill your vision.

00:24:10

Yeah. The main thing you gotta know about me is just don't take things so personal, you know what I mean?

00:24:15

Uh, yeah.

00:24:16

Everything we're doing over these next ten weeks, the places I'm going to take you, it's not about you, you know?

00:24:23

-It's Philbert. -Yeah. Right.

00:24:25

Yeah, you get it.

00:24:26

■ Oh, my Lord Oh, we really did it now ■

00:24:32

I tell you, buddy, this is going to be a sensational season of television.

00:24:37

■ But I can keep running No, I can keep on running ■

00:24:40

[vocalizing]

00:24:46

■ How can anybody have you? How can anybody have you and lose you? ■

00:24:50

■ How can anybody have you and lose you And not lose their mind too? ■

00:24:55

■ How can anybody have you? How can anybody have you and lose you? ■

00:25:00

■ How can anybody have you and lose you And not lose their mind? ■

00:25:08

■ How can anybody have you? How can anybody have you and lose you? ■

00:25:13

■ How can anybody have you and lose you And not lose their mind too? ■

00:25:18

■ How can anybody have you? How can anybody have you and lose you? ■

00:25:23

■ How can anybody have you and lose you And not lose their mind? ■

Ep 2 — The Dog Days Are Over

00:00:05

[Diane crying]

00:00:05

[sad music playing]

00:00:25

[car tires squeaking]

00:00:29

[crying continues]

00:00:45

I need to get as far away from Los Angeles as possible.

00:00:48

The handy ticketing screens are behind you and will provide all the answers you need.

00:00:52

-Can't you just help me? -Screen has all the answers.

00:00:54

[sighs]

00:00:54

I could really use some personal attention right now.

00:00:58

-Where did you want to go? -I need to leave tonight. Anywhere.

00:01:01

Uh, okay. Hanoi?

00:01:04

Vietnam! Yes, perfect! Thank you!

00:01:08

-Sh-should I punch it into that screen? -Uh-huh.

00:01:11

And say nice things about me. That screen's my supervisor.

00:01:15

[theme music playing]

00:02:14

[phone vibrating]

00:02:14

-I'm Peter Sagal. Don't wait, wait.

00:02:17

-Do answer your phone. -Stefani?

00:02:20

Hey, girl! Just checking up on that clickable content you were working on.

00:02:23

Listen, something came up, and I-- Where are you?

00:02:26

I'm doing a new, fully immersive, 3-D spin class.

00:02:29

[chuckles]

00:02:29

Oh, you know what? I'm just biking.

00:02:32

-Oh. Well, I just landed in Vietnam... -

00:02:32

[growls]

00:02:35

-Where is my content, Diane? -Um...

00:02:38

I need words for my website.

00:02:40

There are words on the website now, but I need younger words, newer words, fresher words to feed the insatiable beast!

00:02:46

Okay, okay, I'll write something while I'm here.

00:02:49

-Love it! Feed that beast, girl! Bye! -

00:02:49

[phone beeps]

00:02:52

[indistinct chattering in Vietnamese]

00:02:54

[Diane reading]

00:02:59

Number one: To reconnect with your ancestral roots.

00:03:04

As a born and raised American,

00:03:06

you never felt much connection to your Vietnamese heritage,

00:03:09

and your parents offered little to fill in the blanks.

00:03:12

G'aw! You call that a fastball?

00:03:15

With an arm like that, you're gonna get booted back to Triple-A, you skeezer!

00:03:19

-Dad, where are we from? -We're from Boston, dummy!

00:03:22

Why do you think I talk in this accurate, regional dialect?

00:03:24

I know that, but, I mean, what is our background?

00:03:27

Why do I look different from the other kids?

00:03:30

Ah, shove it up your rear, you jack-off.

00:03:32

You're just the same as anybody else, and don't let nobody tell you different.

00:03:35

I just thought you could give me a little cultural context,

00:03:38

what with you being a tenured professor of Vietnamese history at Tufts and all.

00:03:41

Christ, Deedee, that's my job.

00:03:43

I wouldn't ask you to have a period on your day off.

00:03:46

What? Dad, it-- Okay.

00:03:50

[Diane]

00:03:50

But you're here, finally.

00:03:52

And it's comforting to see your name everywhere

00:03:54

and so many faces, that look like your face.

00:03:56

-Ah! Oh. -

00:03:56

[speaking Vietnamese]

00:03:58

-Sorry, I don't-- I don't speak... -

00:03:58

[speaking Vietnamese]

00:04:01

-I don't... I don't understand you. -

00:04:01

[speaking Vietnamese]

00:04:05

Oh, is this who you were looking for?

00:04:07

-Ouch! -

00:04:07

[speaking Vietnamese]

00:04:10

I'm sorry.

00:04:13

[Diane]

00:04:13

It's more foreign than you expected, but that's good.

00:04:16

You want to truly immerse yourself and get the full non-LA experience.

00:04:20

[bike bell rings]

00:04:20

-Ooh!

00:04:28

Because sometimes, to find yourself,

00:04:30

you need to get as far away from the world you know--

00:04:32

-Coming through! Hot set! -Ah! Ah!

00:04:34

[man]

00:04:34

Movie lingo!

00:04:35

[sighs]

00:04:35

Excuse me, hi. -

00:04:35

[bell dings]

00:04:37

-What's going on here? -Oh, isn't it exciting?

00:04:40

Some American filmmakers are shooting a movie, starring Laura Linney!

00:04:43

It's about a recently-divorced woman who comes to Vietnam to find herself.

00:04:48

[sighs]

00:04:51

[Diane]

00:04:51

You came here to reconnect with your roots,

00:04:54

but now you feel stupid for even thinking that was possible.

00:04:57

You put on the clothing you bought, and... it... feels like a costume.

00:05:02

This is not your home. You're a tourist here.

00:05:06

Reason number two: you can be a tourist here!

00:05:10

[camera shutter clicks]

00:05:10

[both speaking Vietnamese]

00:05:13

Can I have number two?

00:05:15

-Number two? -Ah. Yes.

00:05:18

[speaking Vietnamese]

00:05:18

Number two.

00:05:21

Thank you.

00:05:21

[speaking Vietnamese]

00:05:21

[laughs]

00:05:24

[speaking Vietnamese]

00:05:25

[speaking Vietnamese]

00:05:27

[speaking Vietnamese]

00:05:27

Thank you.

00:05:32

[Diane]

00:05:32

Sometimes, it's just nice to take a vacation

00:05:35

and forget about everything you left behind...

00:05:37

[phone vibrates]

00:05:37

-I'm Peter Sagal. Don't wait, wait.

00:05:39

[beeps]

00:05:39

-Hello?

00:05:40

-Diane! -Hey, Mr. Peanutbutter.

00:05:43

Are you okay? You left my party without saying goodbye.

00:05:45

I was like, "Uh-oh, what happened to Diane?"

00:05:47

-Well-- -Then I got distracted because Todd got his tongue stuck to the ice sculpture.

00:05:51

By the time we got him off, his tongue was completely numb, which made him talk real funny.

00:05:55

-Mm-hmm. -Well, that got him in quite the situation when the mob boss, at the roller rink, thought he was making fun of his deaf sister.

00:06:01

I'm sorry, this is turning into a Todd story.

00:06:03

The point is, are you okay?

00:06:05

Oh, yeah, sorry.

00:06:06

[stammers]

00:06:06

I just had a plane to catch, so... I'm in Vietnam now...

00:06:10

-Whoa. -...but... I'll be back soon.

00:06:12

-Let me fetch you from the airport. -

00:06:12

[bike bell rings]

00:06:15

Oh, that's okay. You don't want to deal with the traffic.

00:06:18

You know I love traffic.

00:06:19

I get to catch up on all those hilarious license plates I haven't read yet.

00:06:23

Okay. Thanks.

00:06:24

Great. Hey, I have to tell you...

00:06:27

I'm glad, I'm not still paying your phone bill because this call must be costing a fortune!

00:06:32

Unless you remembered to call Ed for the international plan.

00:06:34

Of course I remembered to do that! But I have to hang up now.

00:06:37
Our conversation has reached a natural conclusion, goodbye.

00:06:39
[phone beeps]

00:06:39
-Ugh.

00:06:41
Number three: because you're single now

00:06:44
and you can do whatever you want.

00:06:46
Isn't it great being single?

00:06:48
[chuckles]

00:06:48
It sure is!

00:06:50
I love that we're mature enough to still be in each other's lives.

00:06:53
I know!

00:06:54
Other divorced couples can't handle it, but we're handling it, so well, because we are better than them.

00:06:58
Are we the best divorced couple?

00:07:00
-I think we might be. -Yeah.

00:07:03
How are you doing with those divorce papers?

00:07:06
-It's been several weeks now-- Aah! -Hi, folks! I'm Pickles.

00:07:08
-Ooh! -Have you dined with us before?

00:07:10
-Yes. -Well... the way it works around here is: you look at a menu, pick what you want, I'll bring it to you, and then you pay at the end.

00:07:17
So, like, a restaurant.

00:07:18
-Ooh, sounds great. -Can I get you started with drinks?

00:07:21
Water would be great.

00:07:22
-Oh, my God, I love water. -Me, too!

00:07:24
-Uh-huh. -I'm 70 percent water!

00:07:26
-Okay. -Me, too! What are the odds?

00:07:28
So, two waters. Thank you.

00:07:31
So... Mr. Peanutbutter, the divorce papers.

00:07:34
-We need to-- Aah! -It's me again, the same dog as before.

00:07:37
-Do you know what you'd like to order? -Are you bringing our waters?

00:07:40
-No. I forgot. Food, though? -Hmm, what do you like here?

00:07:44
-No, why would you ask-- -Oh, I like everything.

00:07:46
In fact, at the end of my shift, I usually take everyone's leftover scraps and put it in a trough and eat it up. Miam, miam, miam, miam!

00:07:52
-But don't mention that to my boss. -We won't.

00:07:54

But that does sound eclectic and delectable.

00:07:56
The trough of everything.

00:07:58
-Okay, and-- -Whoa, somebody's not hungry at all.

00:08:01
-No, I am! I'm very hungry! -

00:08:01
[laughs]

00:08:04
[shouting]

00:08:04
And I'll have the Cobb salad!

00:08:07
-Why do you keep humoring her? -She's fun.

00:08:10
You know, if we were still married, this would probably be enough to spiral us off into a big argument, that isn't even about the waitress, and we would fight all night.

00:08:17
But since we're not married, I can just be like, whatever.

00:08:20
-This is truly great. -So... great.

00:08:23
We are doing so great.

00:08:26
Although...

00:08:27
I do get lonely sometimes in that big house all by myself.

00:08:31
Hey, why don't you have a housewarming party?

00:08:34
-Eh... -Yeah!

00:08:36
Now that you don't have a mean wife who hates parties...

00:08:38
He-he, you can finally live it up.

00:08:40
Okay, but only if you come. Promise?

00:08:43
I'll come if you have those divorce papers.

00:08:46
-Aah! -Me again.

00:08:46
What did you order? I didn't write it down.

00:08:49
-The trough! -Oh!

00:08:50
He wants the trough!

00:08:56
Uh, xin... loi. Do you speak any English?

00:09:01
We... are... lost.

00:09:04
I actually speak all of the English.

00:09:06
-Oh! Your English... is very good. -I... am... American.

00:09:12
Yes. American. We... are.... from... America.

00:09:18
I... am... from America.

00:09:20
No. Me America. You Vietnam.

00:09:24
No. Me America.

00:09:27
-Me America! -Me America, too.

00:09:31

Me am also America.

00:09:34

[Diane]

00:09:34

Number four: To meet new people!

00:09:39

-Hell-oh, uh, I am with the movie. -

00:09:39

[music playing]

00:09:42

No Vietnamese, but I want a drink.

00:09:46

Beer?

00:09:47

Glug-glug?

00:09:50

[Diane]

00:09:50

Number five: Get out of your natural habitat.

00:09:55

We all work so hard to cultivate our homes,

00:09:58

but what are they other than a place to repeat negative patterns?

00:10:01

There. Last one.

00:10:04

And the first one.

00:10:05

I moved all this other stuff in while you were... stretching.

00:10:08

So much for helping.

00:10:09

Oh, did you need help deciding whether or not this place is a shithole?

00:10:12

Because help is on the way.

00:10:14

-It's a shithole. -I like it.

00:10:16

It's what I can afford and it makes me feel good to do it on my own.

00:10:19

When this place makes you too sad, you can always come over.

00:10:21

You'll have to say, "I'm a sad, sad girl with a terrible, dirty apartment,"

00:10:25

-but I'll let you crash. -This is my home and I am proud of it.

00:10:29

-Where did you get all this junk? -It's not junk!

00:10:31

I just emptied out my storage unit.

00:10:33

This is the stuff that cool, 20-something Diane had to put away when she moved in with old man Peanutbutter.

00:10:38

Oh, can we finally talk shit about Mr. Peanutbutter?

00:10:40

Like how he has dog breath and leaves his hair all over, or is this one of those scam jobs where I talk shit and you nod along, then you two get back together and you hate me because I told you how I felt?

00:10:50

When have you not told me how you felt? All you do is tell me how you really feel.

00:10:53

This place smells weird. I want to go home.

00:10:55

-I don't tell you everything. -You do.

00:10:57

There's literally nothing you haven't told me.

00:10:59

Well, did I tell you this place smells weird?

00:11:02

Yes. Help me move this couch.

00:11:03

Okay, you get started. I'm gonna stretch first.

00:11:05

Anyway, Mr. Peanutbutter and I are still good friends.

00:11:08

Get the hammies.

00:11:09

I'm going to his housewarming party on Saturday. You should come.

00:11:11

"Come with?"

00:11:12

Diane, just because you have the couch of a girl in her 20s does not mean that you are young enough to say "come with."

00:11:18

[grunts]

00:11:18

There.

00:11:20

[light bulb pops]

00:11:20

-Yeesh.

00:11:22

I love it! This is my life now.

00:11:26

[drums]

00:11:26

■ Hey! ■

00:11:27

-What's going on? -Oh, hi, Diane.

00:11:30

[chuckles]

00:11:30

Some cockroaches in IT tried to unionize, so I just called an exterminator.

00:11:30

[laughs]

00:11:37

-What? -Oh. Sorry, I meant negotiator.

00:11:39

Wait, no. Who did I call?

00:11:40

Anyway, we're gonna have to tent this place for the next month.

00:11:43

Can you work from home till then?

00:11:45

I need that listicle on five empowering roles for women over 40, that would be better played by Jennifer Lawrence.

00:11:52

[people screaming]

00:11:52

-What was that?

00:11:54

Oh, negotiations. Bye!

00:11:57

[mobile typing]

00:12:01

[Diane]

00:12:01

Number six: To turn your work into a "work-cation."

00:12:08

[typing on laptop]

00:12:09

In this new era of connectivity, working outside

00:12:12

of the traditional workspace can ignite creativity...

00:12:15

[cat meowing]

00:12:15

[toilet flushing]

00:12:17

[water leaking]

00:12:17

-Ew!

00:12:20

[door opens]

00:12:22

Uh?

00:12:23

I'm a sad, sad girl with a terrible, dirty apartment.

00:12:25

Come on in.

00:12:29

Okay, one more glass, and then I'm gonna head home.

00:12:32

Why don't you take the guest room? I could make urine stains on the carpet and string up police tape so it feels more like home for you.

00:12:38

Thank you, but I'm excited to be on my own.

00:12:40

I can do whatever I want.

00:12:42

I can pick up in the middle of the night and go to Disney World, or... Vietnam.

00:12:47

Do you mean literally Vietnam or like when Old Navy told me they were looking for a fresher face for their Performance Fleece commercials

00:12:53

-and they ended up with Sherman Hemsley? -What?

00:12:55

[intense sounds]

00:12:55

-That was my Vietnam.

00:12:57

I just mean I can finally do the things I've always wanted.

00:13:00

-I'm in a really good place. -Awesome!

00:13:03

[slurring]

00:13:03

A really good place.

00:13:05

That's the thing people don't understand about me.

00:13:08

[slurring]

00:13:08

I'm also in a good place.

00:13:10

I got this new job coming up, so I'm gonna fly right, be tight, and sober up real good.

00:13:14

I'm working out a system so I only drink a little each day.

00:13:17

Mm...

00:13:19

-It's my cheat day. -

00:13:19

[glass breaks]

00:13:20

Isn't it weird that this is the first time we're both been single at the same time?

00:13:25

Yeah. Why is it weird?

00:13:28

I mean, I know why I think it's weird, but you say a first thing.

00:13:31

It's just, uh...

00:13:33

Come on, you know why.

00:13:35

It's just weird. Like, we could totally make out right now.

00:13:39

-What? -No, I'm not saying we should. No. Pfft!

00:13:42

No. I'm just saying we could, and that's weird. I'm saying it's weird.

00:13:47

Oh. Uh, I guess so.

00:13:50

Not that I would. Oh, my God, that's so gross.

00:13:53

-You're gross. -You're being mean.

00:13:55

I'm allowed to be mean. I'm getting a divorce.

00:13:58

Okay, you get two more "divorce means," but then that's it.

00:14:00

I'm cutting you off.

00:14:02

Maybe I should go.

00:14:03

You sure you don't want to stay... in the guest room?

00:14:05

No. No, 'cause then that means I'm staying here.

00:14:08

And I cannot stay here again, not after last time.

00:14:11

-What do you mean? That was fun. -Was not.

00:14:13

I was a mess.

00:14:14

And then you left me in charge of things and then went who knows where. Michigan?

00:14:19

No, uh, no. That time I ended up in New Mexico.

00:14:23

I stayed with this family, got close with the daughter, but, um...

00:14:27

[mystery music]

00:14:30

Luckily, it worked out all fine.

00:14:32

No, and I-I got a boat, I came back, end of story.

00:14:34

Okay, buddy.

00:14:34

[yawns]

00:14:36

Hey, Diane, can I ask you a--

00:14:39

[snoring]

00:14:41

Oh. Yeah.

00:14:42

[continuous snoring]

00:14:48

[Diane moans]

00:14:49

Ooooooooooh...

00:14:49

[sighs]

00:14:53

[snoring]

00:14:53

-Oh...

00:14:55

[heavily snoring]

00:14:59

[door opens, closes]

00:15:00

[Diane]

00:15:00

Reason number seven to go to Vietnam:

00:15:02

Your therapist tells you to.

00:15:05

Have you thought about going away for a little bit?

00:15:07

I don't need to go away. I'm good.

00:15:08

I have this client who went through a surprisingly tough second divorce.

00:15:12

Let's just call her "Demi M."

00:15:14

And let's say that her first husband was called "Bruce."

00:15:18

Talking about Demi Moore?

00:15:19

You know I can't divulge personal information about my other clients, Diane.

00:15:23

I'll ask you to be respectful.

00:15:25

-But she and her second husband... -Ashton.

00:15:27

I cannot say, went on a trip, and getting out of her routine allowed her to process things more honestly.

00:15:32

I just feel, like, I see myself very clearly already.

00:15:35

And what I see is that I am happy with my decision.

00:15:38

Mm-hmm. Another client of mine, Angelina J, who has a lot of adopted kids--

00:15:43

Is she an actress?

00:15:44

As a matter of fact, no.

00:15:46

She thinks of herself as a director.

00:15:48

Wait a minute, do you talk about me in your sessions with other clients?

00:15:51

Oh, honey!

00:15:53

No.

00:15:55

[Vietnamese music]

00:15:57

I'm sorry to bother you, but I'm trying to get a beer.

00:16:00

Can you help me?

00:16:02

Ah?

00:16:03

[speaking Vietnamese]

00:16:05

Oh, my goodness.

00:16:05

[chuckles]

00:16:05

Thank you.

00:16:07

[Vietnamese music]

00:16:09

[swallowing beer]

00:16:12

Ah!

00:16:13

I know you can't really understand me, but I'm a nice American dude.

00:16:16

A good guy.

00:16:18

[both laugh]

00:16:21

Would you want to go for a walk to the markets?

00:16:23

I feel totally lost out there and I could really use a local to help show me around.

00:16:28

Ah?

00:16:30

[packing bag]

00:16:30

[Vietnamese music]

00:16:35

[speaking Vietnamese]

00:16:36

All right!

00:16:39

[Diane]

00:16:39

Reason number eight: To discover a new you.

00:16:45

You let a handsome stranger follow you through the markets of Hanoi.

00:16:49

[chattering]

00:16:50

And the smells, sounds, and tastes transport you to another reality.

00:16:55

He tells you stories, he thinks you can't understand,

00:16:58

about his life in America,

00:16:59

and it's freeing to be this person he thinks you are,

00:17:02

this person who isn't bound by her own history or sadness.

00:17:06

This is a person who could do whatever she wants.

00:17:10

[both]

00:17:10

Mm!

00:17:13

Wow!

00:17:15

I know this is crazy, but... even though you can't understand a word I'm saying,

00:17:20

I feel like we have a real connection.

00:17:23

I want to show you something.

00:17:25

[joyful music]

00:17:30

[Diane]

00:17:30

Oh!

00:17:31

This... is Ha Long Bay.

00:17:33

It's where Laura Linney comes to find herself.

00:17:37

I'll bet you've never been on a movie set before, huh?

00:17:40

I'm a grip. The executive grip. I basically run things here.

00:17:44

It's so cool to see my job through your eyes.

00:17:47

[both moaning]

00:17:50

-Ah! -Holy shit, a falling klieg light!

00:17:52

[man]

00:17:52

Sorry!

00:17:54

-Uh, can you speak English? -

00:17:54

[mystery music]

00:17:57

No... I just heard someone say that sentence in an American movie once.

00:18:02

Also that sentence.

00:18:04

-Also, yes, I speak English. -What?!

00:18:06

-I'm from LA. -So what?

00:18:08

You were just pretending this whole time?

00:18:10

I was actually feeling something special here.

00:18:12

Really? It didn't strike you as weird that you talked for two hours straight and I said nothing?

00:18:16

Or is that what felt special?

00:18:18

I am not the bad guy here. You're a liar!

00:18:21

Okay, and you got to have your little Miss Saigon cosplay, so why don't we call it a draw?

00:18:25

-Get off my set! -Your set?

00:18:27

Nice try, buddy. I know what a grip does. At best, you're the best boy... at best.

00:18:33

Are you kidding me?

00:18:34

Why does this happen to me every time I go on location?

00:18:38

[door slams]

00:18:38

Ugh!

00:18:40

[Vietnamese music]

00:18:49

[Diane]

00:18:49

Reason number nine to go to Vietnam:

00:18:51

Because it's good to get out of your routine.

00:18:53

Is that similar to reason number five: get out of your natural habitat?

00:18:56

No, it's a different thing. It's fine.

00:18:58

-It's whatever. -

00:18:58

[door opens]

00:18:59

Ooh, hey. What are you doing here?

00:19:01

We're going to the party, remember? You told me to "come with."

00:19:04

-Why do you look so different? -Do you like it?

00:19:04

[laughs]

00:19:06

It's a whole new, fun me.

00:19:09

My therapist thought I needed to get out of my routine. I mean, I thought it, too.

00:19:12

It was mostly me who thought it, but my therapist also...

00:19:12

[sighs]

00:19:16

-Ta da! -Did you get a longer neck or something?

00:19:19

I did not get a longer neck. It's a haircut.

00:19:22

-Does it make my neck look long? -No.

00:19:24

Uh, you actually look amazing.

00:19:26

Don't try to take advantage just 'cause I'm all vulnerable right now.

00:19:29

Jesus, lady! I'm just trying to give you a compliment!

00:19:32

-Relax, I was joking. -Were you?

00:19:35

[sighs]

00:19:35

Let's just go to the party. -God, you're all over the place.

00:19:39

-You hate parties. -I don't hate parties.

00:19:41

- You hate parties. I'm fun. -Okay, you know what? Forget this.

00:19:44

-I'm sorry. BoJack... -Hey.

00:19:46

Your haircut looks great. Mr. Peanutbutter's gonna love it.

00:19:50

[door creaking]

00:19:53

[dance music playing]

00:19:55

[chattering]

00:19:58

-Hey, Diane! -Hey.

00:20:00

-I love what you did to your neck. -I didn't--

00:20:02

Did you see that ice sculpture?

00:20:04

I am definitely not going to lick it. Don't worry.

00:20:08

Okay.

00:20:09

Anyway, I can't stay long because I'm supposed to go to the roller rink later.

00:20:13

-Uh-huh. -I hope, there won't be

00:20:14

-any mob bosses there. -Well--

00:20:16

What am I saying? That's so random.

00:20:19

-Have you seen Mr. Peanutbutter? -I don't know. Did you check the library?

00:20:22

-Ugh. -'Kay, I gotta go.

00:20:23

There's a letter I wanna send. I need to lick the stamp.

00:20:26

Hopefully, I'll remember to do it

00:20:27

-before I put my roller skates on... -Okay.

00:20:30

...so I don't accidentally miss the stamp with my tongue and then roll down the stairs with my tongue out and then smack right into the ice sculpture with my tongue.

00:20:37

That would be pretty bad, but I wouldn't put it past me.

00:20:41

[dance music continuous]

00:20:41

[people chatting]

00:20:44

Who are all these people?

00:20:47

-Mr. Peanutbutter. There you are! -Diane, nice haircut!

00:20:51

-Oh, this? No, I didn't-- -Yeah!

00:20:53

It really brings out the neck of your... neck.

00:20:56

Okay, well, that's--

00:20:58

Hey, don't go anywhere, okay? I want to talk to you.

00:21:01

-Oh.

00:21:01

[chuckles]

00:21:01

How was-- -Erica!

00:21:03

What are you doing here with a child-sized coffin?

00:21:06

[sighs]

00:21:07

Oh, my God, are you okay? I saw everything.

00:21:10

Yeah, I'm fine.

00:21:12

I can't pick sides in this divorce because I'm good friends with the both of you, but I want you to know, no matter what, I'm here for you and also there for him.

00:21:20

And if you ever need anything, just let me know and I'll be your rock, as long as it doesn't conflict with me also being Mr. Peanutbutter's rock, or my work, which is keeping me very busy.

00:21:30

Excuse me, I have to take this.

00:21:32

Hi, Flip? Yeah, are we sure we need this strip club set?

00:21:35

Because once we put the deposit down, we cannot get that money back.

00:21:39

[dance music continuous]

00:21:39

[people chatting]

00:21:47

[sighs]

00:21:49

[Diane]

00:21:49

Reason number ten to go to Vietnam:

00:21:51

Because you've gotta leave to come back home.

00:21:54

[phone beeps]

00:21:54

[line ringing]

00:21:57

[BoJack]

00:21:57

Hello? -Hey.

00:21:59

-Hey. -

00:21:59

[sad tune]

00:22:00

I'm sorry. I've been so weird. I'm going through some shit.

00:22:05

I know.

00:22:07

Yeah. And I just really need a friend right now.

00:22:11

You know what I mean?

00:22:12

A friend?

00:22:13

Yeah. I get it.

00:22:16

Okay. Thanks.

00:22:18

-This is Diane, by the way. -Nguyen?

00:22:20

-Yeah. Nguyen. -

00:22:20

[phone beeps]

00:22:23

[Diane]

00:22:23

You're not entirely sure what life will be like when you get home,

00:22:26

but maybe that's good because that means anything could happen.

00:22:31

-Oh, my God, you're Laura Linney! -People say that to me all the time.

00:22:35

And it's true. I am Laura Linney.

00:22:37

I'm so sorry to bother you, but I have to ask, the movie you were filming, what happens at the end?

00:22:42
You get divorced, you go to Vietnam to find yourself, but then what?

00:22:45
How does it work out?

00:22:46
-Well, I do find myself. -Oh.

00:22:48
-My clone. -Oh.

00:22:49
-And she's shackled up with my ex. -Hmm?

00:22:51
I fly into a jealous rage and gut him with a machete, but not before realizing that this whole thing goes all the way to the top.

00:22:58
So me and my clone have to team up and head to Dubai.

00:23:01
A lot of it is setting up the franchise. You know how it is.

00:23:04
-Um... it's an action movie? -And a love story.

00:23:07
Me and my clone have a steamy make-out scene,

00:23:09
-which is hot but also very progressive. -

00:23:09
[PA system beeps]

00:23:12
Excuse me. Can I get some pretzels? I'm Laura Linney.

00:23:15
[Diane]

00:23:15
But none of those reasons are why you actually went to Vietnam.

00:23:19
[plane taking off]

00:23:22
Hey, stranger.

00:23:23
[joyful tune]

00:23:23
[Mr. Peanutbutter chuckles]

00:23:25
Yeah, so, if it all looks good to you and your lawyer, you can sign it, too, and then it'll be official.

00:23:30
-Divorce completed. -Yay!

00:23:33
-We did it. -Take that, our marriage!

00:23:37
-Well, I guess I'll see you around? -Yeah.

00:23:41
-Oh! I was going for the-- -Oh, sorry. Did you--?

00:23:43
[laughs]

00:23:43
-Sorry. Just go all the way.

00:23:45
-Well, bye. -Cool.

00:23:49
Diane, wait. I actually have something to tell you.

00:23:51
I... don't know the best way to say this, but...

00:23:55
I'm seeing someone.

00:23:57
Romantically.

00:23:58
Who isn't you.

00:24:00

That was probably not the best way to say it.

00:24:03
[dance music playing]

00:24:04
So, as I was saying, being there for you right now is my top pri--

00:24:08
[phone vibrates, beeps]

00:24:08
-Oh. Hold on. Stuart!

00:24:10
There's a fire extinguisher under my desk. Oh, that's what's on fire? In that case...

00:24:17
[Diane]

00:24:17
The real reason you go to Vietnam

00:24:20
is because you accidentally see your soon-to-be ex-husband

00:24:23
kiss someone else.

00:24:24
[both chuckle]

00:24:25
At first you think, "Oh, it's a fling. Whatever, they're drunk, it's a party."

00:24:30
[sad tune]

00:24:31
But he puts his hand on the small of her back

00:24:33
exactly the way he used to do to you.

00:24:35
[both]

00:24:35
Mmm.

00:24:37
-It means "I've got you," -

00:24:37
[sad tunes continue]

00:24:40
and when he did it to you, it made you feel safe.

00:24:43
And you realize he will never do that to you again.

00:24:48
[crying]

00:24:48
-And it breaks your heart, again...

00:24:51
after your heart was so broken that you thought

00:24:53
it could never get any more broken.

00:24:56
You thought it was safe,

00:24:58
but it still, somehow, finds a new way to break.

00:25:02
Because, even though, you're the one who asked for this,

00:25:05
now that you've got it, you are completely adrift

00:25:09
with no compass, or map, or sense of where to go, or what to do.

00:25:14
So you go to Vietnam.

00:25:17
You think you might find community, a connection to something bigger,

00:25:21
but... you don't.

00:25:23

In fact, you feel even more alone than you were before you left.

00:25:28

But... you survive.

00:25:30

[sad tunes continue]

00:25:33

You learn that you can survive being alone.

00:25:35

[sad tunes intense]

00:25:39

[sighs]

00:25:40

I'm really happy for you, Mr. Peanutbutter.

00:25:43

[night crickets]

00:25:45

[singing in Vietnamese]

Ep 3 — Planned Obsolescence

00:00:05

[jazz music playing]

00:00:09

I think, the most important thing here is that we're honest with each other and ourselves. Do you agree?

00:00:14

Uh, yes?

00:00:15

It says, here, you failed your last six health inspections.

00:00:18

-Ooh. -How are you still in business?

00:00:19

I wanna say moxie? But possibly spunk.

00:00:23

[chuckles]

00:00:23

I can't believe I fell asleep at your house.

00:00:26

-These shoots are messing up my rhythm. -It's so weird waking up at 6:00 p.m.

00:00:29

Don't worry. I'm not gonna make a habit of spending the night or day.

00:00:32

I get it. We work together, we make sex together, we don't talk about feelings, and yet sometimes a begrudging respect can blossom into--

00:00:39

-Nope. -"Blossoms into nothing" is what I was gonna say.

00:00:41

You cut me off, so you look stupid.

00:00:44

Well, you look stupid when you sleep. Look, I took some dumb pictures.

00:00:47

[BoJack]

00:00:47

All right. -Stupid. Real stupid.

00:00:49

[BoJack]

00:00:49

You can delete some. -You have a weird eye.

00:00:51

-Obsessed much? -This is what it would look like if corpses could drool.

00:00:51

[laughs]

00:00:55

-Hi, excuse me, can I get The BoJack? -What is that?

00:00:57

It's an off-the-menu item for those in the know.

00:01:00

Obviously, I'm BoJack and I always order the BoJack sandwich.

00:01:03

That's kooky.

00:01:04

Why would your name be a sandwich name?

00:01:07

Because I own this restaurant and I'm a celebrity.

00:01:09

So, are all sandwiches named after celebrities?

00:01:13

Is chicken salad a celebrity?

00:01:14

No, that's just a thing they put in the sandwich.

00:01:17

That's not someone's name.

00:01:18

Can't it be both? My name is Pickles.

00:01:20

-What? -I'll have a burger.

00:01:21

BoJack, I'm going to the can. Have fun with the waitress.

00:01:24

[water running]

00:01:24

[humming rhythmically]

00:01:29

-Um. -It's me, Pickles, from before.

00:01:31

-It's cool dating a celebrity. -Okay.

00:01:33

I'm also dating a celebrity. Should we start a club?

00:01:35

-I call vice president. -I'm not dating anyone.

00:01:38

And if I had to guess, I'd say neither are you.

00:01:40

Guys in this town, especially celebrities, are not exactly the settle-down type.

00:01:44

That's why I hit the jackpot with my guy. He doesn't have a problem committing.

00:01:47

In fact, he just got out of his third marriage.

00:01:50

A celebrity who just got divorced. Yeah. No way he'll break your heart.

00:01:54

Do you think Mr. Peanutbutter and I are moving too fast?

00:01:57

I don't know you or your relationship, but I have been around the block a few times.

00:02:01

I was even on an ABC procedural, called The Block, which aired a few times.

00:02:04

The key is to have zero expectations, and then you'll never be disappointed.

00:02:09

Hmm.

00:02:10

Yeah, zero expectations, which also seems to be the mantra of this restaurant.

00:02:15

Thank you.

00:02:16

[theme music]

00:03:13

She looks dead.

00:03:14

But I'm not a doctor, I'm a sassy cop.

00:03:16

Poor girl had dreams.

00:03:17

And there's nothing more precious than dreams.

00:03:20

Philbert takes a drag of his cigarette, then kneels down to inspect the corpse.

00:03:24

[Flip]

00:03:24

Cut! -

00:03:24
[buzzer buzzes]

00:03:25
BoJack, you said the stage directions again.

00:03:28
Sorry. My brain is kinda muddled. It's these night shoots.

00:03:31
I think it works.

00:03:32
John Philbert doesn't play by the rules. He says his stage directions out loud.

00:03:36
It's confusing, which means the show is daring and smart.

00:03:39
-Hey, wanna go check out craft services? -Mm-mm.

00:03:41
How could whatever you're listening to be more fun

00:03:43
than hearing me rant about the fruit spread?

00:03:45
Is your rant honeydew related?

00:03:47
It's in the honeydew area, but the specifics are what keep it fresh each time.

00:03:51
Uh-huh.

00:03:52
[joyful music]

00:03:52
[grunting]

00:03:56
[groans]

00:03:57
-Are you ready to go? -Yeah.

00:03:58
Sorry, I didn't realize how late it got.

00:04:00
If only there was an easy way

00:04:02
to keep track of what time it is right now.

00:04:04
-I'll go change. -No, keep your suit on.

00:04:06
My parents are gonna be impressed I'm dating an executive.

00:04:08
Cool! I've never impressed parents before.

00:04:11
I believe that.

00:04:12
Listen, I haven't told my family I'm asexual, so it might be best if, for tonight, we just pretend we're sexually active.

00:04:20
I mean, it's a family dinner.

00:04:21
What are the odds they're going to ask questions about our sexuality, right?

00:04:25
Right...

00:04:26
[mystery music]

00:04:28
Right.

00:04:29
Yeah...

00:04:33
Yeah.

00:04:37
[Pickles]

00:04:37
Hmm. -Aha! Whoa. Slow down.

00:04:39
-Stop. We're here. -Mr. Peanutbutter?

00:04:41
Am I Steve Carell taking a dramatic role in Little Miss Sunshine, and you are the American public that only knows him for his comedic work?

00:04:48
Because... surprise!

00:04:50
Oh, my God. Are you the umlaut in Chloë Sevigny's name, right now?

00:04:54
Because I don't know why you're here, but I'm glad you are.

00:04:57
As Courteney Cox said when she discovered a rotting corpse in the woods

00:05:00
near the Cougar Town set, "Good God, I hope you're not busy."

00:05:03
-What? -This is a thinker.

00:05:04
-You'll get it later. -Okay.

00:05:05
I have a very fun plan for tonight.

00:05:07
I just heard that they're going to blow up the International Space Station.

00:05:11
-Oh, my God. Blow it up? Why? -No one knows why space people do things.

00:05:15
But I thought we could road trip out to the desert and witness the explosion in all her glory.

00:05:20
That sounds amazing!

00:05:21
I'm so glad you're as excited as I am, and not mad at me for trying to surprise you with something nice.

00:05:27
Yeah! But... are we moving too fast?

00:05:31
A wise lady, in the bathroom, told me some stuff.

00:05:34
-Ooh, she sounds smart. Better listen. -I think her name was Hamburger.

00:05:37
Maybe we should wait, some days, before going on another date.

00:05:39
Okay. If that's how you feel, you stay here and do nothing, and I'll go have this amazing, once-in-a-lifetime experience all by myself.

00:05:46
It does sound cool. I could also drive to the desert.

00:05:50
If we're both going, we might as well carpool.

00:05:52
That's smart! But just to be clear, we're slowing things down.

00:05:55
It's not a date.

00:05:57
[chuckles]

00:05:57
Exactly.

00:05:58
Is this that mysterious, brown hors d'oeuvre

00:06:00

I ate at Mark McGrath's pool party, last week?

00:06:02

Because... oh, boy. Not a date.

00:06:04

[rhythmic music]

00:06:07

...and finally, Carnegie.

00:06:08

Thus, concludes the two-item list of acceptable melons.

00:06:11

[humming rhythmically]

00:06:11

-Always with the earbuds.

00:06:14

What are you listening to?

00:06:15

-Hey! No... Ugh! -

00:06:15

[musical playing]

00:06:17

[laughs]

00:06:17

What is this?

00:06:18

-This is so corny. -It's not corny.

00:06:21

I mean, it's technically a musical about corn, but it's actually sophisticated.

00:06:24

Wait a second. Are you... into musicals?

00:06:27

I sense you'll make this a thing.

00:06:29

Well, well, well, the stone-hearted cynic, who thinks feelings are for suckers, has a secret soft spot for sappy musicals.

00:06:35

-Okay. -When you say, "Okay," do you mean okay like "correct," or okay like "OK-lahoma"?

00:06:40

- ■ Oklahoma ■ -All right.

00:06:41

Step-ball-change, step-ball-change, shuffle off to Buffalo, and big finish.

00:06:46

-BoJack, watch out! -Whoa!

00:06:47

[Gina]

00:06:47

Ah... oh, God. -Ouch! God damn it!

00:06:49

Once again, my life has been worsened by a brush with musical theater.

00:06:53

[groans]

00:06:56

■ Oh, yes, it's true I'm feeling so romantic ■

00:07:02

Driver, can you put on something less romantic?

00:07:05

I have a podcast about the space station explosion.

00:07:08

Oh, good idea! Nothing is less romantic than learning.

00:07:12

[on radio]

00:07:12

From Girlcroosh, I'm Diane Nguyen

00:07:14

and this is the Crooshcast.

00:07:15

Oh. My ex-wife has a podcast. This is probably weird for you.

00:07:20

No, it would only be weird if we were on a date, but we're not, so...

00:07:24

[Diane]

00:07:24

I'm here with Laika, the first woman in space.

00:07:27

Laika, why are we blowing up the space station?

00:07:29

[Laika]

00:07:29

On International Space Station, everything ten years old.

00:07:33

All phone chargers is for original iPhone.

00:07:36

[laughs]

00:07:36

Hotcha! I make jokes.

00:07:39

But is always designed to go exploded.

00:07:42

Is called "planned obsolescence."

00:07:44

[Diane]

00:07:44

Planned obsolescence.

00:07:44

[chuckles]

00:07:46

Sounds like a good description of my last marriage.

00:07:48

-Well, that's probably enough of this. -No. Leave it on.

00:07:50

[Diane]

00:07:50

Now he's dating a girl about 20 years younger than him.

00:07:54

-Honestly, she's the one I feel bad for. -

00:07:54

[laughs]

00:07:56

-Why does she feel bad for me? -We should put on something else!

00:07:59

You got it.

00:08:01

[DJ]

00:08:01

Coming up, we got a brand-new single from Twenty-One Pilots.

00:08:04

Ew, back to the podcast.

00:08:09

-Todd is the president of ad sales. -Mm, look at you.

00:08:13

-And he went to a really good college. -I did?

00:08:16

That's very impressive.

00:08:17

I'm afraid we don't know a lot about the world of big business.

00:08:20

As I'm sure Yolanda has told you,

00:08:21

I'm but a humble, best-selling, erotic novelist and my wife is a world-famous, adult, film star, and Yolanda's identical twin sister, Mindy, is a sex advice columnist.

00:08:30

Wow! Yolanda told me all of that.

00:08:33

That's all really great information, that I was already privy to.

00:08:38

Well, the important thing is that Yolanda is happy and she's finally found a man, woman, or object to have sex with.

00:08:45

Todd is very accomplished at sexual intercourse. Aren't you, Todd?

00:08:48

Yeah, I'm the best at the sex. Hooba, hooba.

00:08:51

Um...

00:08:52

-Are you trying to say "hubba, hubba"? -Uh...

00:08:55

You know, Todd, I have a bit of a reputation, myself.

00:08:55

[moans]

00:08:59

-Whoa! -Okay, we should be hitting the road.

00:09:01

Oh, but you must stay for erotic dessert.

00:09:03

You know, I saw the erotic dessert in the kitchen.

00:09:07

Who knew you could make such a realistic anus out of marzipan?

00:09:10

You can thank my husband. He posed for the baker.

00:09:13

Wow, you know, it really puts the "um" in "yum."

00:09:17

I insist you spend the night and make love in my home.

00:09:20

-Uh... -I can't think of a reason, you wouldn't want to have sex in your parents' house.

00:09:25

Unless, you don't enjoy sex.

00:09:27

[sudden sounds]

00:09:29

No! Of course we'll spend the night, and... fornicate.

00:09:33

[rhythmic music]

00:09:35

Hey, I got a suggestion for that scene where you make your big confession.

00:09:39

-Oh, yeah? -I was thinking you could maybe confess...

00:09:41

■ ...in song! ■

00:09:43

[grunts]

00:09:43

-Whoa, hey!

00:09:44

-BoJack, shut up and get in here. -Okay, look at that! Found an emotion.

00:09:47

I'm gonna tell you something very personal.

00:09:49

When I was a little girl, my mom took me to see A Kernel of Truth on Broadway.

00:09:53

It wasn't a big hit.

00:09:54

Yeah, I know. I Googled the reviews so I could mock you.

00:09:57

That Frank Rich could be a real frank bitch, am I right?

00:09:59

Well, I was six and it blew my mind.

00:10:01

I spent my childhood dreaming of, one day, getting to sing on Broadway.

00:10:04

But, I guess, I wasn't good enough.

00:10:06

So now I get steady TV work, which is fine, and I'm fine, but I still listen to that musical because it reminds me of a time when I was less jaded, when I believed I could do anything, and that makes me feel good.

00:10:19

Oh, my God, Gina.

00:10:20

I-I didn't realize how much this musical meant to you.

00:10:23

-And that... that's even funnier! -Oh!

00:10:27

[laughs]

00:10:27

Oh, come on!

00:10:28

You know if this were reversed, you'd be giving me shit.

00:10:31

Ugh!

00:10:32

Hey, Gina, I'm sorry. I was just teasing. I was... It was...

00:10:32

[sighs]

00:10:36

Gina, come out of the bathroom.

00:10:39

Gina? Oh, right.

00:10:45

[Laika]

00:10:45

So, he make for you room, that you always have dream of,

00:10:47

and this is why you leave? Seems like overreaction.

00:10:50

[laughs]

00:10:50

Oh, thank you!

00:10:51

[Diane]

00:10:51

Okay, we're gonna take a break.

00:10:53

I'm getting kinda hungry.

00:10:55

We could stop at a restaurant, but that's kind of a date thing.

00:10:57

Well, fast food doesn't count, right?

00:11:01

-Look, there's a KFC at the next exit. -Perfect.

00:11:03

[piano music playing]

00:11:05

Welcome to KFC, which stands for Kiki's French Cuisine.

00:11:08

-Hon hon hon! -

00:11:08

[gasps]

00:11:10

[both]

00:11:10

Oh.

00:11:14

I'm not sure I want to wear the pajamas your dad gave me.

00:11:18
I'm sorry you have to deal with all this.

00:11:20
Is it just me or was your sister flirting with me?

00:11:23
Ugh, when we were in high school,

00:11:25
I was still trying to figure out my sexuality, so, I dressed as Mindy, and tried to seduce her boyfriend.

00:11:31
-Hmm. -I quickly realized I wasn't into it, but Mindy found out, and now that I have a boyfriend, she probably wants to have sex with you to get revenge. Typical sister stuff.

00:11:40
I thought sisters were doing it for themselves.

00:11:42
I mean, what does she need me for?

00:11:44
[knocking]

00:11:44
-Todd, can you help me move some furniture? My husband has a hernia.

00:11:48
Yeah, no, I noticed in the marzipan.

00:11:51
So, what, uh, furniture do you want me to--

00:11:53
[sighs]

00:11:53
-Oh, no! Your garment fell.

00:11:55
This must be so embarrassing for you.

00:11:57
Just as I suspected. You're not sexual at all.

00:11:59
Like, heck I'm not.

00:12:01
Any ordinary man would be madly aroused by the body that starred in every single porn version of a John Hughes movie:

00:12:07
Sixteen Cans, Titty in Pink, The Breakfast Chub, Homo Bone...

00:12:10
-I gotta go. -Cum Kind of Wonderful,

00:12:12
Penis Bueller Gets Off, Planes, Trains and Autoerotic-mobiles.

00:12:16
[panting]

00:12:17
[shouts]

00:12:18
When the cock crows midnight, meet me under the old willow tree in the backyard for sex.

00:12:23
-Zoinks! -

00:12:23
[laughs]

00:12:25
[panting]

00:12:27
Okay, quick update.

00:12:28
Mindy wants to meet me for backyard sex at midnight, and your mother knows I'm asexual.

00:12:33
She showed me her boobs.

00:12:34
Please tell me you said, "Ahh-ooga!"

00:12:36

Oh, I didn't!

00:12:37
Oh, no! She'll disown me! We gotta convince her you're super horny.

00:12:41
-How? -If Mindy told my mom that you made a pass at her, that would prove you're not asexual.

00:12:46
Here's the plan. We'll wait until the cock crows midnight.

00:12:49
Who is this cock?

00:12:50
When she's at the backyard,

00:12:51
I'll sneak in her room and wear her clothes.

00:12:53
I'll pretend I'm Mindy and tell my mother you made a pass at me.

00:12:55
Okay, this sounds a little complicated, but I think I can handle exactly this amount of complication as long as things don't become one bit more complicated.

00:13:07
[musical playing over earbuds]

00:13:07
-Hey, I'm sorry I made fun of your dream.

00:13:10
[sighs]

00:13:10
It's okay. Just don't tell anyone about it.

00:13:13
Good news; too late. I talked to Flip and Princess Carolyn about how you're into this Broadway crap...

00:13:17
-What? -...and they said maybe you can sing in the nightclub episode. Can you believe it?

00:13:21
-Oh, my God. -It's your big break, and I helped!

00:13:23
I don't want help. Why would you do that?

00:13:25
I know you don't want me doing nice things because I'm not your boyfriend, and you're a sentient wall of spikes, but they want to hear you sing at the next break.

00:13:33
Here's a song!

00:13:34
■ Hell, no! ■

00:13:35
Gina, this is your dream, and there's nothing more precious than dreams.

00:13:39
It doesn't work that way.

00:13:40
You're used to being the star, so good things always happen to you.

00:13:43
I'm not the star.

00:13:44
I'm the third on the call sheet for Murder Hospital, or Who Called the Monkey Paramedics.

00:13:48
And maybe if I'm lucky, when I'm 60,

00:13:50
I can get a juicy season arc on the right cable show where everyone goes, "Who's this 60-year-old woman?"

00:13:55

She came out of nowhere." Then I win an Emmy in a movie where I play Benjamin Bratt's mother.

00:13:59

Gina, I know, but what I'm saying is, what if you are the star?

00:14:02

-I'm not. -But what if you are?

00:14:04

If you don't try, you'll never know. You'll spend the rest of your life wondering if you could have made it or not.

00:14:09

Is that what you want? Always the Bratt's mom and never Da Brat?

00:14:14

[scoffs]

00:14:16

Okay.

00:14:17

-Yeah? -Yeah.

00:14:18

-Just... so I don't have to wonder, right? -Exactly.

00:14:21

I'm gonna go get ready. This is dumb, but thank you, BoJack.

00:14:27

[piano music playing]

00:14:27

[exhales, giggles]

00:14:29

[birds giggling, cooing]

00:14:32

[both munching]

00:14:36

You know, this is actually really freeing.

00:14:38

I feel like, I can say all the things I would never say on a date.

00:14:41

Like that I've never seen The Wire, and I don't think I'm gonna.

00:14:44

Well, I'd never tell a date that I get the New York Times, but I only read the style section and throw the rest away.

00:14:49

I don't have or want children, but I silently judge every parent that I see in public.

00:14:54

I sleep with a chew toy, since I was a kid.

00:14:56

[chuckles]

00:14:56

I still have feelings for Diannne.

00:14:59

Oh. That's much less fun than the other things.

00:15:02

Uh, listen--

00:15:04

Let's just finish our meal and go see the explosion.

00:15:06

[Mr. Peanutbutter groans]

00:15:06

[both slurp]

00:15:10

[both sigh]

00:15:12

[drums beat]

00:15:15

■ It's midnight! ■

00:15:17

And I'm the cock.

00:15:19

[rhythmic sounds]

00:15:20

Here I come.

00:15:20

[giggles]

00:15:23

Okay.

00:15:25

[giggles]

00:15:28

Ah! Mrs. Buenaventura!

00:15:30

I was trying to understand how someone could be like you, so I did a little research.

00:15:33

Did you know a computer can do more than just find porn?

00:15:36

I use my laptop to flatten pie dough.

00:15:38

This concept of asexuality intrigues me.

00:15:41

I've grown tired of the whole world thinking of me as a sex object.

00:15:44

For once in my life I would like to have a close, intimate experience that has nothing to do with sex.

00:15:50

[shouts]

00:15:50

[gasps]

00:15:51

Asexualize me like one of your French girls, Todd.

00:15:53

Gulp!

00:15:54

[rhythmic sounds]

00:16:03

I can't believe he didn't show up. Only makes me want him more.

00:16:07

Hmm.

00:16:09

Mom, are you there? It's me, Mindy.

00:16:11

You can tell because I'm dressed like a slut, as usual.

00:16:13

Mindy, come down here. I have a question only you can answer.

00:16:18

Oh, okay.

00:16:23

If you really want to be asexual, first, you have to put on every piece of clothing you own.

00:16:28

That's how we make sure we don't look sexy.

00:16:31

So, leave me and go do that.

00:16:34

Very well, but I'll be back to not have sex with you.

00:16:37

Ooh, I'm getting less excited just thinking about it.

00:16:40

Hoo-hoo! Hooba, hooba.

00:16:43

Ooh.

00:16:45

-I need some advice, Mindy. -That's me. I'm definitely Mindy.

00:16:48

So you keep saying.

00:16:49

Look, I'd like to give your sister Yolanda this.

00:16:49

[grunts]

00:16:53
The last barrel of your great grandmother's secret recipe personal lubricant.

00:16:58
As you know, when a Buenaventura is about to make love for the first time in our home, we always give them a barrel of the family lube.

00:17:05
Uh, well...

00:17:06
Antique lube of this purity is worth at least \$100,000.

00:17:09
Ah-ooga!

00:17:10
[rhythmic sounds]

00:17:12
Hello, baby, it's me, your girlfriend Yolanda.

00:17:15
I came to ravage you.

00:17:17
There's something different about you, but I can't put my finger on it.

00:17:21
Todd, take off your pants and get in bed.

00:17:23
Wait. What?

00:17:24
My dad is about to give us very expensive lube just for having sex in this house.

00:17:27
And which sister are you?

00:17:29
What the hell are you doing in here?

00:17:31
Todd, tell Mindy to get her ass out of here, so we can get nasty.

00:17:34
I'm Yolanda. Get away from my boyfriend!

00:17:36
Don't listen to her, Todd.

00:17:37
I'm clearly Yolanda because I'm dressed like a dumb loser.

00:17:40
I'm so confused. I'm Todd, right?

00:17:42
Maybe, this'll clear things up. Mindy's the one who's about to die!

00:17:46
[groaning, moaning]

00:17:46
-Oh, dear, I'm too late.

00:17:49
They're already having sex.

00:17:49
[sighs]

00:17:49
They don't need the lube.

00:17:51
[Yolanda]

00:17:51
Ouch! That hurts!

00:17:53
-Or maybe they do need the lube. -

00:17:53
[door opens]

00:17:54
Ha! Can't see me now, world.

00:17:56
Angelica, as I jizz and breathe, what the hell are you wearing?

00:18:02

-Oh, no! The lube! -Oh, dear!

00:18:04
[Mr. Buenaventura]

00:18:04
Oh! That's too slippery!

00:18:06
-Ho, oh, oh, oh!

00:18:06
[grunts]

00:18:06
[Todd]

00:18:06
Oh, my God!

00:18:08
[Mrs. Buenaventura]

00:18:08
Ah! Oh! -

00:18:08
[Yolanda]

00:18:08
Oh!

00:18:10
[Mindy]

00:18:10
Oh, no! Our grandma's sexily spinning in her grave.

00:18:14
Todd, you gotta save the lube! Just plug the hole with your erect penis!

00:18:18
What? No.

00:18:19
It's the only thing that'll fit the hole perfectly.

00:18:22
There has to be another way.

00:18:24
Surely it's erect since you've been just having sex with my daughter, so unless you've been deceiving me, this whole time, in my own home, there's no logical reason, for you, not to whip out your erect penis and plug the damn hole!

00:18:35
Todd, the lube!

00:18:36
I'm gonna try my big toe. That's the penis of the foot.

00:18:39
[Yolanda]

00:18:39
Oh, God, be careful!

00:18:40
[Todd]

00:18:40
Whoa! Look out! -

00:18:40
[Yolanda]

00:18:40
No! Whoa!

00:18:42
[all shouting]

00:18:44
[Mindy]

00:18:44
Whoa, whoa, whoa! -

00:18:44
[Mr. Buenaventura]

00:18:44
I can't look!

00:18:47
[all]

00:18:47
No!

00:18:49
[Mindy sighing]
00:18:49
[Yolanda sighs]
00:18:54
[all shouting]
00:18:59
Before I start, just to give some context because the song doesn't make sense if...
00:19:03
Okay, so, it's 1712, and American colonist Sybilla Masters is perfecting her invention.
00:19:08
Can we lose the liner notes and get to the singing?
00:19:10
I'm a producer. I can't just sit around having conversations, all day.
00:19:13
Oh, yeah, sorry. Of course.
00:19:13
[inhales, exhales]
00:19:18
■ We love our corn And we need our corn ■
00:19:24
■ But for goodness sake I could just break it in pieces ■
00:19:30
■ Would it be all right If I solved our plight? ■
00:19:36
■ Maybe if I could find my old journals ■
00:19:40
■ They'll help me to grind new kernels ■
00:19:43
Aw, shucks!
00:19:45
■ I have the willpower To create this mill tower ■
00:19:51
■ We'll be quite a pair Though I'll be my own scarecrow ■
00:19:54
■ It's not just a phase ■
00:19:54
[voice croaks]
00:19:56
■ This female inventor craze ■
00:19:58
■ If it takes years or days ■
00:20:00
■ I'm gonna solve this maize ■
00:20:03
■ 'Cause I was boooooorn ■
00:20:06
■ For the coooooooooooooorn ■
00:20:12
I'm sorry. I'm gonna go.
00:20:14
Thank you. And I'm sorry. And...
00:20:14
[clears throat]
00:20:14
I'm sorry.
00:20:19
Okay, I'm just gonna say it. That was weird.
00:20:22
You know what, she was nervous, and--
00:20:24
BoJack, I don't know what kind of power games you two are playing, but keep it in the bedroom.
00:20:28
That was just mean, to her and to us.
00:20:30

No. I thought she'd be good. I was trying to do a nice thing.
00:20:33
And I would like to be judged solely on my intentions this time.
00:20:37
[both grunting]
00:20:39
[both shouting]
00:20:40
Interloper! You ruined our family heirloom.
00:20:43
Ah! I'm sorryyyyyyyyyyyyyyyyyyy...
00:20:51
[both grunting]
00:20:51
-That's for trying to trick Todd into having sex with you!
00:20:55
And that's for having sex with my boyfriend in high school!
00:20:58
I never had sex with him!
00:21:00
Yes, you did! The whole school knew about it.
00:21:02
No, I didn't.
00:21:03
I was going to, but I ran away because I'm
00:21:03
[shouting]
00:21:03
asexuaaaaaaaaaa!
00:21:08
[gasping]
00:21:12
You know, it felt good to finally tell them.
00:21:14
I was surprised how cool they were with it.
00:21:16
Yeah, I kind of forgot that despite our differences, they're family and they love me.
00:21:20
So, I guess all that sneaking around was completely pointless.
00:21:23
Hey, you're right! What a silly waste of time.
00:21:28
-Hey, can I ask you something? -Of course.
00:21:30
Why did you tell your family I went to college?
00:21:33
Oh, I don't know, I guess I just wanted you to seem impressive.
00:21:36
-Impressive to who? -Todd...
00:21:36
[sighs]
00:21:36
To whom.
00:21:41
[sighs]
00:21:42
-Yolanda, we need to break up. -What?
00:21:45
The only thing we have in common is that we're asexual.
00:21:49
I'm sure there's a guy out there for you, whom's smart and accomplished
00:21:54
-and whom went to college-- -And also doesn't want to have sex?
00:21:57
Yeah. Probably.
00:22:00

-But what if there isn't? -Well, then let's make a deal.

00:22:04

How about if neither of us meet anybody else by the time we're a hundred, we give this another shot?

00:22:10

When we're a hundred? I don't know. Are you gonna steal my dentures and use them to build some sort of motorized nutcracker, but then the nutcracker's AI becomes self-aware and leads all the other dentures in the nursing home in a toothy revolt?

00:22:21

-I wanna say no, but probably yes. -

00:22:21

[sighs]

00:22:25

Well, then, I guess I'll see you when we're a hundred.

00:22:28

[soft, calm music playing]

00:22:31

[Pickles shivers]

00:22:31

-Come on, you're shivering.

00:22:34

-Please, just take the blanket. -No, I'm okay.

00:22:36

Are you the type of war dramatized in The Hunt for Red October?

00:22:40

Because you're cold.

00:22:41

That one doesn't even make sense. How do you hunt a month?

00:22:44

I know that it was really hard to hear what I said in the restaurant, but... I want you to know everything about me, even the hard stuff.

00:22:52

I get it. This is a bad time for you to start a relationship.

00:22:55

[laughs]

00:22:55

Of course it's a bad time!

00:22:57

I just signed divorce papers.

00:22:59

But I can't control when I meet someone special.

00:23:01

So, what am I supposed to do, just pretend I don't want to see you every night?

00:23:04

But what if I'm like the space station?

00:23:06

After a while, you get bored of me and replace me with someone new.

00:23:10

Look, I don't know the future.

00:23:11

This could end in heartbreak for both of us.

00:23:13

I mean, most relationships do.

00:23:15

And if I'm honest, it's not usually me that gets bored.

00:23:18

But I'd like to see where it goes because... I like you.

00:23:21

[chuckles]

00:23:21

And we have fun together.

00:23:23

And every time we see each other, I like you a little more.

00:23:26

Hmm. Hey, am I Taylor Swift's grudge against Katy Perry, right now?

00:23:31

Because even though it makes no sense, I want to be held for a superlong time.

00:23:36

[Mr. Peanutbutter chuckles]

00:23:36

Mmm. -Mmm.

00:23:39

[romantic music playing]

00:23:43

[phone clicks]

00:23:43

[sighs]

00:23:46

[crying, sniffles]

00:23:49

[folk rock music playing]

00:23:49

[sighs]

00:23:56

-Hey, Gina. -Hi.

00:23:58

[stammers]

00:23:58

Look, I'm sorry. I thought--

00:24:00

Hey, from now on, let's just stick to the original rules

00:24:02

-and not get in each other's business. -Yes, of course.

00:24:05

[stammers]

00:24:05

I'm sorry. I didn't even-- -For the record, you were right.

00:24:08

If I didn't sing there, I would have spent the rest of my life not knowing if I ever could have made it or not.

00:24:13

Now I know. So, good.

00:24:14

You had a bad audition. It doesn't mean that everything--

00:24:17

I said it's fine.

00:24:18

You did your good deed, so, you can feel good about yourself.

00:24:21

-Hmm. -I'm going to bed.

00:24:24

If you want to have sex with me, you can. Otherwise, I'll see you in the morning.

00:24:27

O-Okay. Uh... Hmm.

00:24:31

[distant explosion]

00:24:37

[sighs]

00:24:38

[music continues]

00:24:43

[smooching]

00:24:43

[Pickles giggling]

00:24:50

[music continues]

Ep 4 — BoJack the Feminist

00:00:05

[siren wails, stops]

00:00:07

[car door opens, closes]

00:00:09

-Sir, please get back into your car. -Here's how it's gonna go down.

00:00:12

You're gonna let me go.

00:00:13

If you're lucky, I might even honk your... boobies!

00:00:16

Whoa! Hey! Hey!

00:00:18

-for assaulting a police officer. -You're arresting me?

00:00:20

You must be new here, on the rag, or both.

00:00:22

I'm movie star Vance Waggoner, and I hate Jews!

00:00:26

[drums]

00:00:26

This is the Deep Dive!

00:00:28

My guest today recently said some things, or did some things?

00:00:32

I only read the headline. Vance, what happened?

00:00:34

[sighs]

00:00:35

First of all, I don't hate Jews.

00:00:37

If I did, would I be able to sit in the same room as my good friend

Mark Feuerstein, a Jew?

00:00:42

You know, when I first heard Vance's comments, they stung, but when he called to offer his apology and a supporting role in his next movie,

00:00:49

I thought, "Does not the Torah teach us to forgive?"

00:00:52

As it is written, "schmear, don't smear."

00:00:56

[drums]

00:00:56

Hey! Good to see you. Thanks for coming, everyone!

00:00:59

[camera clicking]

00:01:00

Hey! Hey, Vance, did you get practice swinging that baseball bat from the time you hit that prostitute, with a baseball bat?

00:01:05

What? Who told you that?

00:01:08

I'm Tom Jumbo-Grumbo, and this is Gotcha!

00:01:12

Vance Waggoner, you hit a woman with a baseball bat.

00:01:14

What's your side of the story?

00:01:16

Okay, look, when that altercation occurred,

00:01:17

I was an immature child... of 38. I'm not that guy anymore.

00:01:22

Vance Waggoner respects women.

00:01:23

We have a tape of a voicemail you left for your 14-year-old daughter.

00:01:27

-Oh, God. -Let's give it a listen, shall we?

00:01:30

[tone beeps]

00:01:30

-I'll murder you.

00:01:31

I'm going to murder my daughter. I don't respect women.

00:01:35

You're out there, hanging out with your dirty Swedish friends.

00:01:39

That's right, I hate Swedes now.

00:01:41

I bet you didn't see that coming,

00:01:42

-you disgusting slut, who is my daughter! -

00:01:42

[tone beeps]

00:01:45

As we say here on Gotcha, that's a gotcha.

00:01:49

Why did I go on a show called Gotcha?

00:01:51

[camera shutters clicking]

00:01:53

I stand here with my wife beside me, and my daughter, and my good friend Stellan Skarsgård.

00:01:58

-I am retiring from public life. -

00:01:58

[press corps gasps]

00:02:01

This is the last you'll see of Vance Waggoner.

00:02:07

Who are we gonna get to play Philbert's partner?

00:02:09

We need a bad boy. Someone dangerous, someone you see coming and think, "This guy is trouble."

00:02:18

You know who would be perfect?

00:02:21

[theme music playing]

00:03:16

[growls, grunts]

00:03:21

-Thank you so much for meeting me. -Of course.

00:03:23

I know how busy you are.

00:03:25

The Apology Tour can be a hassle, but you've been handling it perfectly.

00:03:29

What do you have lined up next?

00:03:30

Well, I'm getting the lifetime achievement at the We Forgive You Awards.

00:03:34

You're getting a Forgieve? Damn, your publicist is good.

00:03:38

I don't care about awards. I just want to work, damn it.

00:03:40

You just have to remind them how good you are.

00:03:42

Maybe by taking a meaty role on my gritty, prestige television show Philbert.

00:03:46

Once word gets out that it's okay to hire you again,

00:03:49

all the other offers will come rolling in. Producers are like lemmings.

00:03:52

-Hey, I resent that! -Me, too!

00:03:54

-I also resent that. To the cliff! -Yeah, let's go.

00:03:57

I have a great deal of love and respect for the lemming community!

00:04:00

Okay, I'm in.

00:04:05

Diane, can you believe this?

00:04:07

Vance Waggoner is getting a We Forgive You Award!

00:04:10

Ugh! This town is full of hypocrites.

00:04:12

They act all shocked when one of their favorite stars turns out to be a dirtbag,

00:04:16

but they can't wait to give a comeback to all the dirtbags we already know about.

00:04:19

Now, that is the kind of story I would share without reading,

00:04:23

which, for our purposes, is even better than people reading.

00:04:25

Go to the awards show,

00:04:27

take down that skeezy so-and-so,

00:04:29

and then during commercial breaks, get in some Hollywoo hobnobbing.

00:04:33

-Oh, I'd rather not. -Diane, you have to hobnob.

00:04:36

Have you not been hobnobbing? Hob that nob, girl!

00:04:38

We know how this ends. Our core readership eats it up, a bunch of dude-bros call me a "dumb slunt," and Vance's career chugs, right along.

00:04:46

So, stellar! And while you're there, you can ask your friend BoJack,

00:04:49

why Vance is gonna co-star on his new TV show.

00:04:51

He's what? Oop! Aaaah!

00:04:53

[explosive music]

00:04:56

Greetings, from the red carpet!

00:04:58

Filling in for a Mario Lopez-type, 'tis I, Mr. Peanutbutter!

00:05:02

-And lookie here! -

00:05:02

[yelps]

00:05:03

Super-producer and also my manager, Princess Carolyn!

00:05:07

Who are you wearing

00:05:08

and why haven't you called, about the Dog Day Afternoon reboot?

00:05:11

-Uh... -It's cool. We can talk.

00:05:12

-They cut around stuff they don't need. -Oh, okay.

00:05:15

No one understands how to make a woman feel beautiful like Louis Kitton.

00:05:20

Listen, kid. Dog Day Afternoon isn't gonna happen for you.

00:05:23

-People don't see you as the tough guy. -That's not fair.

00:05:26

Who are you excited to see tonight?

00:05:28

So many amazing stars are being forgiven tonight.

00:05:31

Megyn Kelly, Mark Wahlberg...

00:05:31

[laughs]

00:05:33

Look, every actor has a range, and maybe a gritty drama about a tough-guy bank robber is too much of a stretch for you.

00:05:39

So, I'm not tough enough, huh?

00:05:41

I'll show them how tough I can be.

00:05:45

We'll be back with more of the Red Carpet Pre-Show Fashion-Stravaganza, so don't touch that remote...

00:05:45

[growls]

00:05:45

or else.

00:05:53

[choral music playing]

00:05:56

There is no one this town loves forgiving more than Vance Waggoner.

00:06:00

[applause]

00:06:01

I just don't get why you're doing this.

00:06:03

-We need a big star, Diane. -No, Diane's right.

00:06:05

-I'm the big star. -That's not my point.

00:06:07

You can't have two stars.

00:06:09

All the greatest detective shows are focused around a central, usually titular character.

00:06:14

Kojak, Monk, Nickis.

00:06:16

-Who's Nickis? -You know, Nickis.

00:06:18

Sometimes, he goes to Los Angeles, to New Orleans...

00:06:20

Are you...? Do you mean NCIS?

00:06:24

No.

00:06:26

Princess Carolyn, if you hire this guy, what kind of message does that send?

00:06:29

Diane, we both know the industry is screwed up.

00:06:31

I'm not talking to the industry. I'm talking to you.

00:06:34

-Take some responsibility. -Excuse me?

00:06:35

Hey! Cheese plate!

00:06:36

...Vance Waggoner!

00:06:38

[cheering, applause]

00:06:41

-Ugh! -

00:06:41

[camera clicks]

00:06:43

Horseman forcefully forgoes applause for Vance at Forgives!

00:06:47

Is a feud forming on the Philbert front?

00:06:49

That's the buzz around town, and the question on everybody's mind is,

00:06:53

"Why the strong face?"

00:06:55

He made the face in protest because of what Vance said about native Alaskans.

00:06:59

BoJack's clearly upset about the time Vance Waggoner said the Madrid train bombings were "a real mixed bag."

00:07:07

Remember when Vance locked that shopgirl in a hotel room

00:07:10

and said, "I've got pizzazz" while masturbating into a champagne flute?

00:07:14

Because BoJack remembers.

00:07:14

[slurps]

00:07:17

God damn it! The whole point of the award was to put the past behind me.

00:07:21

But now, because of this idiot's dumb face, my past is all anyone's talking about!

00:07:26

Everyone else was clapping. Why couldn't you clap?

00:07:28

Hey, man, awards show should've had better cheese.

00:07:31

-My publicist is furious, by the way. -Ooh, spooky publicist!

00:07:34

Hope she doesn't papercut me with her mad press release.

00:07:37

We're gonna handle this.

00:07:38

BoJack will go on TV and explain this unfortunate faux pas du fromage.

00:07:43

-Won't you, BoJack? -Ugh. Fine.

00:07:45

Once again, hero BoJack will clean up everyone else's mess.

00:07:54

-Hello, Todd. -Ooh!

00:07:56

Did you notice how I just walked in without knocking? Pretty tough, huh?

00:07:59

Not at all!

00:08:00

To me, it read as amiable and familiar, like our friendship has an assumed "open door" policy.

00:08:05

God damn it!

00:08:05

[thumps]

00:08:05

Owie!

00:08:08

Apparently, Hollywood producers don't think I'm tough enough to play the bad boy parts.

00:08:12

-Oh, no! -Todd, you're the toughest guy I know.

00:08:15

[giggles]

00:08:16

-Will you teach me how to be tough? -I thought you'd never ask.

00:08:20

Because I had no idea this was happening to you.

00:08:24

[audience applauding]

00:08:24

[music playing]

00:08:27

BoJack, clear the air. Why'd you give Vance the face?

00:08:31

Well, there was this cheese--

00:08:32

And you're lactose intolerant, which reminded you that Vance lacks tolerance?

00:08:36

No, it--

00:08:37

The cheese stands alone,

00:08:39

but no woman should stand alone, when standing up to sexual harassment?

00:08:42

-Squawk! -No, it wasn't any of those things!

00:08:43

So, you're saying it wasn't any one thing, more of an accumulation?

00:08:47

-It-- -BoJack, it is really incredible, your taking a stand against your co-star.

00:08:51

-No, I'm not taking any stand-- -I mean, the guy choked his wife, and most of Hollywood is, like, "No biggie. Good for him!"

00:08:57

-Squawk! -Okay, well, obviously it's not good he choked his wife.

00:09:02

-Wow! -

00:09:02

[cheering, applause]

00:09:03

No, no, no! I wasn't trying to make some bold statement or anything.

00:09:06

It's just that... choking your wife is bad.

00:09:09

[cheering and applauding]

00:09:11

Really?

00:09:13

Okay.

00:09:14

Can I just tell you how amazing it is to hear a man say that?

00:09:19

Well, Paloma, someone needed to take a stand.

00:09:22

[cheering and applauding]

00:09:24

Call me crazy. I mean, this is just old BoJack talking,

00:09:27

-but how about we don't choke any women? -

00:09:27

[cheering]

00:09:30

So true, right? Don't choke women!

00:09:34

[all chanting]

00:09:34

Don't choke women!

00:09:37

BoJack is right.

00:09:38

Hollywoo shouldn't legitimize abusers, by allowing them to star in movies and TV shows,

00:09:43

that play off their problematic personas!

00:09:45

[audience]

00:09:45

Hollywoo shouldn't legitimize abusers by allowing them to star in movies and TV shows that play off their problematic personas!

00:09:54

-All right! -Squawk!

00:09:55

And speaking of battering women,

00:09:57

right after the break, we'll show you how to make the perfect blueberry pancake.

00:10:01

-With proud feminist, BoJack Horseman. -Stick around!

00:10:05

And don't choke women!

00:10:05

[chuckles]

00:10:08

[signal buzzes]

00:10:10

How is it you consistently do the opposite of the thing I need you to do?

00:10:13

I don't know, Princess Carolyn.

00:10:15

Is it possible, this whole time,

00:10:16

I've been an amazing feminist hero, and nobody knew it?

00:10:19

-BoJack! -Feels pretty right.

00:10:21

Yeah, I'm a male feminist. You're welcome, society.

00:10:24

-I gotta call Vance. -Okay.

00:10:26

I'm just gonna stay here, being woke.

00:10:29

Vance! Listen, BoJack's been very dehydrated.

00:10:32

No, no, no. You can't use the old "dehydration made him stupid" trick on me.

00:10:36

Okay? I'm Mr. Dehydration-Made-Me-Stupid.

00:10:39

BoJack really wants to work with you. He just got caught up--

00:10:41

Doesn't matter. I'm not doing the show.

00:10:43

-What? -You were right.

00:10:44

All it took was one offer.

00:10:45

Once word got out I was doing Philbert, all the other offers started pouring in.

00:10:49

You signed a contract!

00:10:50

Oh, please. I sexted a 12-year-old and still got a Humanitas Prize.

00:10:54

You think I can't get out of a contract, with a time website?

00:10:56

By the way, still very sorry about sexting that 12-year-old.

00:10:59

[groans]

00:10:59

Oh-hh!

00:11:01

Hey, Princess Carolyn, you ever notice how, as a woman, you only make ten cents for every dollar your clients make?

00:11:07

-Really makes you think, huh? -BoJack, I was wrong, you were right.

00:11:11

Let's take that asshole down.

00:11:14

So, now, you wanna take him down

00:11:16

Now, that he's not doing your TV show, anymore?

00:11:18

Diane, don't be cynical.

00:11:19

- I'm cynical? -What do you want me to say?

00:11:21

I got blinded by my desire to see myself succeed, which, since I'm a woman, is actually very feminist.

00:11:27

But now that Vance can't help me succeed,

00:11:29

I realize the more feminist thing to do is to make sure he doesn't succeed either.

00:11:34

- I'm cynical? -I'm offering an olive branch, here.

00:11:37

Look, this town loves assholes like Vance. There's nothing we can do.

00:11:40

This town is as wishy-washy as a virgin on prom night.

00:11:43

All they need to listen to women is the right voice-- a man's voice.

00:11:48

[BoJack]

00:11:48

Oh!

00:11:49

-Is that why I'm here? -Yep. I brought you two together because between your feminist brain and your stupid manly face, you can actually say things that people will listen to.

00:11:58

That's a good point. People do listen to me all the time.

00:12:00

One time I tweeted "RIP David Bowie," and now everyone still thinks he's dead.

00:12:04

-David Bowie is dead. -Wait, for real? Oh, man.

00:12:06

So, through BoJack, I can say whatever I want, to a huge audience, without being called "shrill," or "naggy," or "classic Diane."

00:12:15

Yeah. Everyone loves a male feminist.

00:12:17

It turns out, the problem with feminism, all along, is it just wasn't men doing it.

00:12:22

We're much less shrill.

00:12:23

Yeah, this is truly a great day for women everywhere.

00:12:26

[rock music playing]

00:12:29

Okay, how do I make people think I'm a tough bad boy, who doesn't give a care about society's precious rules?

00:12:34

Every time Vance Waggoner breaks the rules,

00:12:37

-it gets caught on camera. -That's it!

00:12:40

We just need some video evidence of me being tough!

00:12:42

Here, record this.

00:12:44

Ooooh!

00:12:45

[phone camera beeps]

00:12:45

[exhales]

00:12:47

-Hey, got one for me, toughie? -Sorry, bud.

00:12:50

Not yet, you're not.

00:12:51

But you can bet your candy ass you're gonna be.

00:12:54

[Todd]

00:12:54

Ooh! -

00:12:54

[stammers]

00:12:54

What the--?

00:12:56

What do you say to that?

00:12:59

-Thank you. So much. -Huh?

00:13:02

Two weeks ago, we buried my father. Lung cancer.

00:13:05

My baby girl made me promise I'd quit smoking,

00:13:08

but I've been sneaking these suicide sticks this entire time.

00:13:12

No more. That was my last cigarette.

00:13:14

[sweet melody music]

00:13:14

- Thank you, you sweet, sweet soul.

00:13:18

Mm-wah!

00:13:19

You are truly a kind and approachable character.

00:13:23

And tough?

00:13:26

Tough not to love, you big galoot!

00:13:29

-Oh, banana bread! -

00:13:29

[phone camera beeps]

00:13:31

-Okay, just... -

00:13:31

[marker squeaking]

00:13:35

[sighs]

00:13:35

Okay, so, pop culture inherently normalizes things, and that power works both ways.

00:13:41

It can normalize things for good,

00:13:42

like how dancing Ellen makes middle America less afraid of gay people.

00:13:45

But it can also normalize things for bad,

00:13:47

like what Jack Bauer did for torture, or what Jimmy Fallon did for lip-syncing.

00:13:52

So, when we give a platform to known abusers like Vance Waggoner, that's an example of...?

00:13:59

Normalizing things for...?

00:14:04

-Good or bad? -I'm sorry.

00:14:06

I know you're trying really hard not to be boring, and it's kind of not boring, but it still mostly feels like I'm being lectured at.

00:14:13

-Okay, well-- -Hold on.

00:14:14

Let me imagine that I'm saying it. You know what, that's a little better.

00:14:18

Well, the bar for men is depressingly low.

00:14:20

Just sprinkle in a few words like "intersectionality" or "micro-aggressions" and Vice News will name you Feminist of the Year.

00:14:26

Oh, should I wear a T-shirt that says "Feminism is Bae"?

00:14:29

Girls love shit like that, right?

00:14:30

[sighs]

00:14:30

Sounds great, BoJack.

00:14:36

[door closes]

00:14:38

-Hello, Diane. -

00:14:38

[yelps]

00:14:38

How did you get in my car?

00:14:41

-You left it unlocked. -It's a Prius. It locks automatically.

00:14:44

Priuses unlock automatically.

00:14:46

You still need to lock it when you get out.

00:14:48

-Really? -I know you and your little Scooby gang are plotting something against my client, and I want you to stop.

00:14:54

Ugh! Of course that dirtbag would hire Ana Spanakopita.

00:14:58

Vance has a troubled past. All he's asking for is a fresh start.

00:15:02

-No. Why does he get that over and over? -He's reformed.

00:15:06

What else would you have him do?

00:15:07

Let's say, you can make him do anything you want to make things right.

00:15:10

What would you make Vance Waggoner do, now?

00:15:15

Nothing. I don't think he can make things right.

00:15:18

Well, then, what do you hope to accomplish, here?

00:15:20

Can't you just admit to me, just between the two of us, that this sucks?

00:15:24

You can say it's your job, that you believe in "forgiveness," whatever, but don't you at least a little bit think that when we let guys like Vance off the hook...

00:15:32

-Diane. -...when you, as a woman, give awful men the cover of your friendship, when you work for them. First of all, they're not gonna get better. Second of all, you are then complicit... no, you're culpable for the terrible things they do.

00:15:46

Are you done?

00:15:47

Just, woman to woman, can't you admit this is screwed up?

00:15:53

You've given me a lot to think about.

00:15:57

[walking away]

00:15:57

[remote chirps, lock clicks]

00:16:00

Oh...!

00:16:02

So, in conclusion, is Smurfette a feminist icon?

00:16:05

I think the better question is, why does she have to be?,

00:16:08

We've gotten a little off track, here. We were talking about Vance Waggoner.

00:16:12

Oh, yeah!

00:16:13

We actually have a tape of a press conference Vance gave, earlier today.

00:16:16

-What? -And he mentioned you in it.

00:16:17

Oh, no, is this a Gotcha? Am I the gotcha?

00:16:19

Let's see what he had to say.

00:16:21

I have an important announcement.

00:16:23

-I... am a feminist, too. -

00:16:23

[applause]

00:16:26

That's why I had to walk away from BoJack Horseman's new show Philbert.

00:16:31

Okay, I read the scripts they sent me, and I was outraged.

00:16:34

Gratuitous sexual violence. Protracted, lascivious nude scenes.

00:16:38

Maybe BoJack Horseman thinks that's all in good fun,

00:16:42

but I know it's toxic.

00:16:43

And if I took part in it, I would be complicit--

00:16:45

no, culpable for that toxicity.

00:16:48

BoJack, what do you say to those charges?

00:16:51

Um...

00:16:52

The future is female?

00:16:58

[chuckles]

00:17:00

Pretty cool, huh?

00:17:02

-Uh, are you sure about this outfit? -All the toughest guys wear leather.

00:17:06

Biker gangs, motorcycle cops, non-heteronormative dominatrices.

00:17:09

Well, this is the sleaziest, most dangerous dive bar in Hollywoo.

00:17:14

It's where all the bad boys party. Charlie Sheen, Chris Brown, Subway Jared.

00:17:19

Great. I'll waltz right in, fight a few bouncers, throw a drink in a face, and get this menacing mug on the cover of a few tabloids.

00:17:27

-Hey. -

00:17:27

[Peanutbutter]

00:17:27

Hey! Bird brains!

00:17:30

Why don't you snap some pics of me being mean?

00:17:33

Get the word out that I'm a real tough SOAB!

00:17:37

-You? Tough? Yeah, right! -Hah!

00:17:39

I've seen tougher guys at the fancy-boy bubble bath parties I sometimes attend.

00:17:45

-What? -Sorry, I can't invite ya.

00:17:47

Fancy boys only.

00:17:49

-Well, you two have a pleasant afternoon. -No, Mr. Peanutbutter.

00:17:52

-Show 'em your tough stuff! -Oh, yeah!

00:17:55

[growls]

00:17:57

[barks]

00:17:57

[birds yelp]

00:17:59

Oh, my God, are you guys okay?

00:18:01

-Did you hear that? -No.

00:18:03
Exactly. No more clicking.

00:18:06
You fixed my TMJ, which means no more wearing a night guard to bed.

00:18:10
Wow, I already feel like a more confident and assertive lover.

00:18:14
Thanks, Mr. Peanutbutter.

00:18:15
I'm gonna go home and make love to my wiiiiiiiiiiiife!

00:18:20
Uh...

00:18:22
My crossed eye. It-- it's fixed!

00:18:24
My depth perception is so much better now.

00:18:27
I'm gonna go watch a Wes Anderson movie and see if I can perceive any depth in iiiiiiiiiiit!

00:18:34
And stay out!

00:18:39
Whoa.

00:18:40
-So... did Philbert kill his wife? -Well, Sassy thinks so.

00:18:44
That's why she's pretending to be his new partner, to get closer to the truth.

00:18:47
Meanwhile, his old partner Fritz is back in the mix, but he might be dead and just a projection

00:18:51
-of Philbert's lingering guilt. -Ooooh!

00:18:54
-That's very unclear. -Yeah, the whole thing's nonsense, but, more importantly, how do we prove it's not sexist?

00:19:00
-It is sexist. -No, of course.

00:19:01
But right now, I have to do an interview where I explain that it's not, because otherwise, I'll look like a hypocrite, which would be really bad for women everywhere.

00:19:09
So, in order to save feminism, you need to give me some smart-sounding reasons why Philbert isn't what it so obviously is, so that I can continue to be a hero and role model.

00:19:20
Everything Vance said about these scripts is true.

00:19:22
It's posing as a deconstruction of the edifice of toxic masculinity...

00:19:26
Uh-huh. Toxic masculinity, yeah. Right.

00:19:28
But it's just using that, as an excuse to relish in its own excesses.

00:19:32
And the most depressing thing... is that ten times more people are gonna watch this show than read anything I've ever written.

00:19:38
I feel you're not really getting into the spirit here.

00:19:40
We can still take down Vance and topple the patriarchy.

00:19:43
Come on, we're doing feminism, it's supposed to be fun!

00:19:46
This isn't fun for me!

00:19:47

Being a woman is not a hobby or a pet interest of mine.

00:19:51
You get to drop in, and play Joss Whedon, and everybody cheers.

00:19:54
But when you move on to your next thing, I'm still here.

00:19:57
Okay, yeah, I totally get that. But in the meantime,

00:20:00
I just need to know what to say about this show.

00:20:02
Say whatever you want. I have a listicle to write.

00:20:04
So, unless you can give me "five times Rihanna gave us life," this conversation is over.

00:20:11
BoJack Horseman is our Deep Dive guest, today.

00:20:14
So, what's going on? Something about your show being sexist?

00:20:18
My producer printed out an article for me, but I did not read it.

00:20:21
Look, obviously, when you take plot points out of context, they can seem unsavory.

00:20:24
But they're all part of a larger attempt to deconstruct... toxic... masculinity.

00:20:30
Ooh! Sounds glamorous!

00:20:32
No, we're not glamorizing it, that's the thing.

00:20:34
You're not supposed to like John Philbert or agree with the things he does.

00:20:37
It's a TV show. It doesn't glamorize anything.

00:20:40
But... maybe it normalizes it.

00:20:43
I gotta go.

00:20:45
Okay. We still have 48 minutes, so, I guess I should just talk?

00:20:51
[clicks]

00:20:51
-I was eight years old when my father first showed me his scars.

00:20:55
Each scar... tells a story, and every story... leaves a scar.

00:21:02
[tires screech]

00:21:03
[yelps]

00:21:03
Holy crap! -Diane, the show needs your help.

00:21:06
-What? -You were right.

00:21:07
It's all the things you said it is, but it doesn't have to be.

00:21:10
Come on as a consulting producer. Work with Flip on the scripts, make the show something that we can all be proud of.

00:21:16
Why would I do that?

00:21:17
You said it yourself, more people are going to watch this show than read anything you write.

00:21:21
I'm giving you the opportunity to change society for the better.

00:21:24
-Nothing I do changes anything. -No? You changed me.

00:21:31
[yelling, whooping]

00:21:35
Listen up, scum.

00:21:36
[yelling stops]

00:21:36
-Huh?

00:21:37
[woman grunts]

00:21:37
-There's a new sheriff in town.

00:21:40
-And his name is... -Trace Norcutt.

00:21:42
Yeah, I read about him this morning in the metro section.

00:21:45
He just won a special election, right?

00:21:47
-Maybe so, but I-- -

00:21:47
[bartender]

00:21:47
Wow!

00:21:49
Thank you, sir, for keeping us informed about the comings and goings of our city politic.

00:21:54
After all, a democracy is only as strong as its populace is informed.

00:21:59
No, no, no, I was trying to--

00:22:01
Hey, let's cheer once for this kind stranger!

00:22:03
-Hip! Hip! -

00:22:03
[patrons]

00:22:03
Hurray!

00:22:07
I guess Princess Carolyn was right. Huh, Todd? Todd?

00:22:11
So, I guess the toughest thing of all was being tough.

00:22:15
-Who are you talking to? -Estelle.

00:22:16
-Who's Estelle? -Just Estelle. You don't know her.

00:22:19
Not everybody needs to know everybody.

00:22:22
Hmm. I have learned two lessons, today.

00:22:27
We still need to cast Philbert's partner.

00:22:29
No more bad boys. We can't take another PR hit.

00:22:32
We need an actor who everybody loves. Someone almost annoyingly positive.

00:22:36
Enthusiastic with zero baggage.

00:22:39
[phone beeping, meowing]

00:22:41
You know who would be perfect?

00:22:44
Uh...

00:22:47
Hey, Flip! Diane.

00:22:49
Yeah, you're the lady who's gonna make my show less sexist, right?

00:22:52
-Well, I'll see what I can do. -Here's what I need.

00:22:55
Sit in my office, don't chew too loud, and collect your paycheck.

00:22:59
Then, when the show comes out, people will see your name in the credits and say,

00:23:03
"Huh, a lady worked on the show. Guess it's not sexist."

00:23:07
-I can contribute more than that. -Not necessary.

00:23:09
Hey, thanks for being here. You're really making a difference.

00:23:14
Uh...

00:23:20
[door closes]

00:23:22
-Hello, Diane. -

00:23:22
[shouts]

00:23:22
Jesus Christ!

00:23:24
I locked the doors this time!

00:23:25
I broke your window, because I needed to talk to you.

00:23:28
-I have a phone! -You were right about Vance.

00:23:31
He just got fired off his new movie after a drunken rant about the Chinese, and then plowed his Hummer into the side of the Grauman's Egyptian Theatre.

00:23:40
-Not the... Chinese Theatre? -Mhm.

00:23:43
Anyway, his career is over, for about two or three years,

00:23:47
-and then he'll be fine again. -Yeah.

00:23:49
Listen, I'm sorry, the last time I saw you I made things kind of personal.

00:23:53
No, no. You were right. We give these men cover.

00:23:56
And if we give them cover, we should know exactly what they're capable of.

00:23:59
In fact, I wanted to share this with you...

00:24:02
-woman to woman. -

00:24:02
[clicks]

00:24:05
[BoJack's voice]

00:24:05
She just walked in at the worst possible...

00:24:07
-It wasn't my fault... right? -What is this?

00:24:11
[woman]

00:24:11
...what you're talking about. -

00:24:11

[BoJack]

00:24:11

On the boat.

00:24:13

There was a girl.

00:24:15

-What? -In New Mexico.

00:24:18

-And she trusted me. -Wha...?

00:24:20

I keep asking myself,

00:24:21

if her mother didn't walk in, would I have done it?

00:24:24

And part of me is sure that I... I couldn't.

00:24:28

But another part knows that's a lie.

00:24:32

How do you make it right

00:24:33

when you've made it so wrong, you can never go back?

00:24:39

[music playing]

Ep 5 — The Amelia Earhart Story

00:00:05

A NETFLIX ORIGINAL SERIES

00:00:09

[classical music playing]

00:00:11

[man on TV]

00:00:11

Can't you see? You don't belong here!

00:00:13

Destiny has bigger plans for you. Oh, yes.

00:00:16

[woman on TV]

00:00:16

But this is my home. -

00:00:16

[rooster crows]

00:00:19

It's the only home I've ever known!

00:00:21

[voices]

00:00:21

[man]

00:00:21

You were made for the skies.

00:00:23

Why do you think they named you Amelia Earhart?

00:00:26

It's because your heart... belongs in the air.

00:00:29

[reciting Amelia's lines]

00:00:29

It's true, that is my name.

00:00:32

-Ah! Boots, leave your sister alone! -She started it!

00:00:35

Well, stop it right now or I'll pop the both of you.

00:00:39

So, put on those flygirl goggles, get in your biplane and fly to the sun.

00:00:43

[reciting]

00:00:43

But a woman's never flown to the sun before.

00:00:46

Come on! What other gal's got the get-up-and-go

00:00:49

to tame those savage sun beasts and become their queen?

00:00:52

How many times have you watched this tape?

00:00:54

When you get me a second tape, I'll watch something else.

00:00:56

What am I, made of tapes?

00:00:58

[man]

00:00:58

That's the spirit!

00:00:59

[reciting]

00:00:59

I suppose the most effective way to do it is to do it!

00:01:02

[phone buzzing, meowing]

00:01:08

[sighs]

00:01:08

Hello?

00:01:11

How the hell do they expect me to learn five pages of dialogue in one day?

00:01:14

-What am I, Young Sheldon? -BoJack--

00:01:16

No show should have that much talking. TV is a visual medium.

00:01:19

-Anyway, where the hell are you? -Eden, North Carolina.

00:01:22

Ugh, North Carolina? That's the second worst of the Carolinas.

00:01:25

-You know I'm from here, right? -Yeah, and you got out.

00:01:28

You know what "from" means?

00:01:30

You don't have to be there anymore. That's why they call it "from."

00:01:32

Okay, I'm about to be from this conversation.

00:01:35

Wait, wait. I'm sorry. Can we just talk about Mr. Peanutbutter?

00:01:38

Why did you cast him on this show? Everybody loves him.

00:01:40

I'm the guy everybody's supposed to love. I'm Philbert.

00:01:43

-Ugh! -So then I got a food truck for the crew with a big sign that said, "From your favorite star," but everybody thought it was from Mr. Peanutbutter.

00:01:50

They didn't even read the sign.

00:01:51

BoJack, I'm gonna be back tomorrow.

00:01:53

Do you think you can handle your shit until then?

00:01:55

Oh, yeah, that sounds like me. What are you doing there anyway?

00:01:58

Just... taking care of some family stuff.

00:02:03

[series theme music playing]

00:02:59

Thanks for coming, all this way.

00:03:01

-We could've just talked on the phone. -I wanted to meet you in person.

00:03:04

That's the Princess Carolyn difference.

00:03:06

Ooh! I've never met a person who had a difference named after them before.

00:03:09

Well, this is important. We're here to talk about your baby.

00:03:12

I know what you're thinking; another dumb teenager, so liquored up, she forgot to make sure her boyfriend wrapped his tweedle.

00:03:18

Well, that's all true, but I'm not some backwoods hick.

00:03:20

-Oh! -I'm 18, I got my whole life ahead of me,

00:03:23

and it's not like my boyfriend's begging me to marry him.

00:03:25

Boyfriends rarely do.

00:03:27

-His name's Strib, short for Dennis. -Uh, sure.

00:03:30

He's not exactly the romantic type, but he's got those eyes you just can't say no to, you know?

00:03:35

I hope you and Strib have many happy child-free years, together.

00:03:38

I'm willing to do whatever I can to help contribute to the child-free part.

00:03:42

-Hmm. -

00:03:42

[phone buzzing, meowing]

00:03:44

Oh, sorry. It's work.

00:03:45

Everyone I work with is such a baby.

00:03:47

And I love babies!

00:03:47

[laughs]

00:03:49

Hello, baby.

00:03:50

Hey, listen, I know Flip just wants me to be "the woman",

00:03:53

and keep my mouth shut, but this show makes no sense.

00:03:56

In the rooftop motorcycle scene, Fritz and Philbert keep saying,

00:03:59

"This is so dangerous." "Yeah, man. We're really dangerous."

00:04:02

But then they just get off the motorcycles.

00:04:04

Why aren't they skidding towards the side of the building,

00:04:07

and then they roll off just as their bikes go careening over the edge?

00:04:10

Okay, sure, pitch it to Flip.

00:04:11

Everything I pitch, he shoots down.

00:04:13

That's just because it's coming from someone who isn't him.

00:04:16

If you want him to like your idea, just convince him he thought of it, himself.

00:04:19

You really think he'll do it because I say it's his idea?

00:04:22

That's a great idea, Diane.

00:04:24

Oh, thanks! I'm gonna do it.

00:04:25

-So sorry. -No problem.

00:04:28

Um, just so you know, I have met with some other candidates, mostly couples.

00:04:32

Oh.

00:04:33

I couldn't believe I found someone who grew up in Eden.

00:04:36

-When's the last time you were here? -Oh, not since my mother died.

00:04:39

-Oh, I'm sorry. -It was a long time ago.

00:04:41

-She's still dead, though. -That is true.

00:04:45

[sipping]

00:04:48

-Sorry we had to meet at Phuzzy's. -I love Phuzzy's.

00:04:50

I bet you got fancy restaurants in LA, huh?

00:04:53

Probably a California Pizza Kitchen on every corner.

00:04:55

Or do y'all call it "Pizza Kitchen," since you're in California?

00:04:58

No, we call it "California Pizza Kitchen," or "CPK."

00:05:01

CPK? What kind of city person's too busy to say "California Pizza Kitchen"?

00:05:04

You gotta catch a bus or something? Stay a while and say the whole name.

00:05:07

Yeah, yeah, well, I'm not like that.

00:05:09

I live in Los Angeles now, but you know what they say, you can take the girl out of the Greensboro-High Point metropolitan area, but you can't take the Greensboro-High Point metropolitan area out of the girl.

00:05:18

I wish my boyfriend would've taken his penis out of the girl.

00:05:21

-Meaning, I wish he would've pulled out. -Yeah, no, I got it.

00:05:25

Thank you.

00:05:26

Ooh, have I missed this!

00:05:28

I'm gonna eat the shit out of these hush puppies, and then tomorrow, I'm getting a real sausage biscuit, meaning a sausage patty, not that bullshit link situation they call "sausage" in LA.

00:05:37

[both laughing]

00:05:38

Oh, my goodness, I gotta pee. I'll be right back.

00:05:41

[grunts, sighs]

00:05:41

[phone buzzing, meowing]

00:05:47

-Hello? -Princess Carolyn!

00:05:49

I just wanted to tell you what a ball I'm having on this crazy cop show.

00:05:53

Glad to hear it.

00:05:54

And my favorite star paid for a food truck.

00:05:57

I don't know why Peter Scolari is buying me a falafel plate, but, hey, I'm not complaining.

00:06:01

-Did you have a question? -Yeah.

00:06:03

So, I know my ex-wife is in the writers' room.

00:06:06

I don't want to make things weird for her or anybody else, so... do I have to do all the dialogue, as scripted, or can I have a little fun with it?

00:06:16

-Um-- Normally, I wouldn't even ask, but because of the whole ex-wife of it all,
00:06:20
I figured I should just double-check that it's definitely okay if I change every single word.
00:06:25
Knowing Flip, I would just stick to the script.
00:06:27
So, don't flip the script?
00:06:28
-Exactly. Don't flip Flip's script. - That's a double-flip.
00:06:31
So, you're saying I should flip it?
00:06:33
I'm saying the exact opposite.
00:06:34
-So, flip it. Flip it good. -Okay, I gotta go.
00:06:37
You're very funny and talented. Goodbye. Sorry. Show folk.
00:06:41
Well, this was a pleasure. Thanks for coming all this way.
00:06:44
I do hope to make a decision soon.
00:06:46
-Oh, you have to leave already? -Yeah, I gotta go set up my booth.
00:06:49
-Your booth? -At the flea market.
00:06:50
I sell clothes I bought cheap and then bedazzled.
00:06:53
I'm not saying I'm the Danville Target or nothing, but it's good enough for fleas.
00:06:56
Okay, call me if you have any other questions.
00:06:58
I always answer my phone, day or night.
00:07:01
Thanks.
00:07:04
[bell jingles]
00:07:11
[water dripping]
00:07:11
[grunting, sighs]
00:07:15
Your mom's drunk again, isn't she?
00:07:18
My mom, well, obviously she was planning on cleaning the floors, but I asked her if I could do it.
00:07:22
I wanna learn all the tricks of the trade, so one day,
00:07:24
I can be as good a housekeeper as she is.
00:07:26
Why do you still live here?
00:07:29
Why don't you go live with your dad down in Raleigh?
00:07:31
All my sisters and brothers are gone.
00:07:32
If I leave, my mom's got nobody.
00:07:34
Besides, if I go, who's going to keep you out of trouble?
00:07:38
Did you know I'm on the football team?
00:07:41
[chuckles]
00:07:41

I do know it. Are you ever gonna play?
00:07:43
Probably not, smart-ass.
00:07:45
Not unless the first-string quarterback gets hurt.
00:07:48
Why aren't you the first-string quarterback?
00:07:50
You're not even first-string housekeeper!
00:07:51
Well, how about I first-string punch you in the nose?
00:07:54
Oh! Okay, easy, easy.
00:07:56
Look, I think if I just keep my head down and be patient,
00:07:59
Coach will eventually realize I should be QB one, you know?
00:08:02
That's a terrible approach.
00:08:03
You need to go after what you want.
00:08:05
You gotta fly into that sun, like Amelia Earhart did.
00:08:08
-What? -You know, like in the movie.
00:08:10
I never knew anybody who liked old movies as much as you do.
00:08:13
You're 18. You never knew anybody, period.
00:08:16
Okay, okay.
00:08:17
But what if I'm not as good a quarterback as I think I am?
00:08:21
Doesn't matter. You don't need to be good enough.
00:08:23
You just need to convince your coach you're good enough.
00:08:25
Damn! You know what?
00:08:27
-I'll talk to him tomorrow. -Don't leave until you get that yes.
00:08:31
[bell jingling]
00:08:31
-Oh!
00:08:34
[panting]
00:08:35
-Sadie, wait! -Oh. Um, hey.
00:08:38
Listen, I really want to spend more time getting to know each other.
00:08:41
This baby, your baby, means everything to me.
00:08:44
I think the more time we spend together,
00:08:46
-you'll realize I'm-- -
00:08:46
[phone meowing]
00:08:48
-Do you need to take that? -No, it's fine. The perfect candidate.
00:08:51
I thought you always answered your phone, day or night.
00:08:54
Right. Hello?
00:08:55
I just got off the phone with Flip.
00:08:57

He's really excited about this new motorcycle stunt he came up with.

00:09:00
-He wants to do it tomorrow, but-- -That's Flip, full of ideas. Gotta go.

00:09:04
Well, the show is already way over budget and my boss is starting to ask questions.

00:09:08
Now, normally, I love questions because they're good for pondering,

00:09:12
but I guess in the corporate world,

00:09:14
when people ask questions, they expect someone to answer them.

00:09:17
And, apparently, "Yeah, wow, it really makes you think," is not the kind of answer they're looking for.

00:09:23
Goodbye, Todd.

00:09:24
- Wait, one more thing. -What?

00:09:25
Do you think Lake Erie ever gets jealous of Lake Superior?

00:09:29
Or is it, like, proud to be the eerie one?

00:09:32
We've been through this, Todd. Lakes don't have emotions.

00:09:35
What about Ricki Lake?

00:09:36
As I was saying, I'd love to spend more time together, if you're up for it.

00:09:40
You mentioned the flea market. I'd love to check it out.

00:09:43
-Yeah, come by anytime tomorrow. -I thought it was today.

00:09:45
No, no. I just have to prep for it today.

00:09:47
But if you can stay another day, that would be awesome.

00:09:50
But only if you can. I know you're busy.

00:09:52
I don't want me, or my baby, to get in the way of your career.

00:09:56
Sadie, I'll be there.

00:09:58
[Sadie grunting]

00:10:00
[engine starts]

00:10:00
-Toodle-oos!

00:10:00
[laughs]

00:10:02
[gasps]

00:10:02
Ah! Oh! -

00:10:02
[phone dialing]

00:10:04
Stuart, I need you to change my flight. No, just do it through the website.

00:10:08
Yeah, no, go to the website and put in my confirmation number.

00:10:11

Hold on, let me see if I can find it.

00:10:13
It's 5-2-1-8.

00:10:15
Change it to a Wednesday flight.

00:10:17
No. Oh, okay, click "yes." Click "yes."

00:10:20
Okay, put in my credit card info.

00:10:22
-I'll text you a picture. -

00:10:22
[camera shutter clicks]

00:10:24
[phone whooshes]

00:10:24
-Okay, did you get it?

00:10:26
Check your work email.

00:10:27
Okay, click "accept." Now forward me the confirmation.

00:10:31
Thank you, Stuart. I don't know what I'd do without you.

00:10:33
[deep breath, sighs]

00:10:37
[Cooper humming]

00:10:37
Ow!

00:10:39
-Hey. -Hey, yourself.

00:10:40
Well, you've been up to something.

00:10:43
I'm up to something, all right. It's called first-string quarterback!

00:10:47
[cheering]

00:10:47
-Really?

00:10:49
-I didn't leave until I got the yes. -Oh, congratulations! Ah!

00:10:53
-Oh! -Oops.

00:10:53
[chuckles]

00:10:54
-Sorry. I got a little carried away there. -That's okay.

00:10:57
[kisses]

00:10:57
Oh! -

00:10:57
[gasps]

00:10:58
-Sorry. Sorry. -That's okay.

00:11:00
[both laugh]

00:11:02
[both moaning]

00:11:12
[man on TV]

00:11:12
By Jove, she's doing it! She's flying to the sun!

00:11:16
That's where she's going.

00:11:18
Now we don't need to be sad when we think about her, later.

00:11:22
[mom snoring, TV playing]

00:11:22

[switching off TV]

00:11:25

-I'd be careful if I were you. -What do you mean?

00:11:28

Think I don't know what's going on?

00:11:31

-Mom. -Let me tell you something.

00:11:33

Life is a big ol' roulette wheel.

00:11:35

Everyone's got a number. Some are winners, some aren't.

00:11:38

It all depends where the little white ball lands.

00:11:40

The problem is when people with losing numbers think they're winners.

00:11:44

I don't know what you're talking about.

00:11:46

-Then what the hell are these? -College brochures. I--

00:11:48

You think you're going to some fancy college in California, all the way on the other side of the country from your mother?

00:11:55

-You're gonna abandon me? -Mom, it's not about you.

00:11:57

UCLA? No, you will not see LA.

00:12:01

Even if you get into one of these places, how're you gonna pay for it?

00:12:05

I'll get a job or a paid internship.

00:12:07

Well, la-di-da, I did not realize I was in the presence of someone,

00:12:11

-who was gonna get a paid internship. -Mom, you need to go to bed.

00:12:15

See, that's the difference between you and me, Princess Carolyn.

00:12:18

I know where I belong. This is my bed.

00:12:22

No, it's not. Where's my bed?

00:12:24

[phone buzzing, meowing]

00:12:24

[mom, distorted]

00:12:24

I know where I belong.

00:12:27

-Hello? - I thought you were gonna be here today.

00:12:29

-Where are you? -Something came up.

00:12:31

Okay, well, listen, Mr. Peanutbutter's doing all his own stunts, and every time he does a dumb little somersault, everybody goes nuts like he's goddamn Kerri Strug.

00:12:39

Kerri Strug? You gotta update your references.

00:12:41

When the world sees the likes of Kerri Strug, again,

00:12:43

I will adjust accordingly.

00:12:45

Anyway, I said I wanted to do my own stunts, too, but little did I know that Flip was writing a new scene, where a motorcycle falls

off a five-story building.

00:12:52

Just say you don't want to do it.

00:12:54

I cannot do that because I already fired my stunt double, so I also need you to call him and get him back, and that might be tricky, 'cause I was really brutal about it.

00:13:02

-Why? -Because people were watching.

00:13:04

Now I need you to intervene and forbid me from doing my own stunts, even though I want to, because I actually don't want to, because that would require me to be in good shape, which we know I'm not, and also not a coward, which we both know I am.

00:13:15

-BoJack-- - Also, if you could say

00:13:16

it's because I'm too important a star to take the risk on, but Mr. Peanutbutter can keep doing his stunts because he is less important; that would be real cool, thanks.

00:13:24

Fine, I'll handle it!

00:13:25

Just stop whining like a little bitch!

00:13:29

[laughs]

00:13:29

Okay, love you, bitch!

00:13:31

[beep]

00:13:31

-Hey, girl!

00:13:32

Hey! I'm so glad you came. This is my stuff.

00:13:35

-I call it Made-y by Sadie. -Wow!

00:13:37

Problem is got a bunch of lookie-loos.

00:13:39

Everyone's browsing, but no one's buying.

00:13:41

It's not about people buying. it's about you selling.

00:13:43

Watch this.

00:13:44

Whoa! Hey, you can't get that jacket.

00:13:46

-Why not? -I was gonna get it.

00:13:48

It's the best thing in this whole place and I saw it first.

00:13:51

So, why don't you make like yourself and flee?

00:13:54

I got it now. Maybe I'm gonna buy it.

00:13:57

[grunts]

00:13:57

-Five dollars.

00:13:59

[gasps]

00:13:59

Oh, my God!

00:14:02

Sadie, you can sell anything, if you just sell people the idea that they're not being sold to.

00:14:06

Wow! That's pretty manipulative.

00:14:09
But I didn't need to because your clothing sells itself.

00:14:11
Hey, I guess you're right.

00:14:13
[groans]

00:14:13
My back aches.

00:14:15
-I gotta sit down. -Oh!

00:14:18
-Here. -

00:14:18
[bear growls]

00:14:20
Smart move adopting.

00:14:21
Let someone else do all the work, right?

00:14:21
[chuckles]

00:14:23
Girl, you do not wanna be pregnant.

00:14:28
Ugh! What am I gonna do?

00:14:30
My life's over.

00:14:32
No! Are you kidding? This is a good thing.

00:14:34
-That boy's stuck with you, now. -Stuck with me?

00:14:38
No, good stuck, like when you try on your friend's fancy ring and it won't come off.

00:14:43
Now you got a free ring.

00:14:44
You know, Evelyn still expects you to give that ring back.

00:14:46
That sounds like an Evelyn problem.

00:14:48
Meanwhile, that little white roulette ball just landed on your number.

00:14:52
You know the Wallaces are good people.

00:14:55
-They're gonna do right by you. -

00:14:55
[sobbing]

00:14:57
No, don't cry. Look.

00:14:58
They're gonna have you move into the big house, probably in the big room.

00:15:03
You know, the one with all the dolls.

00:15:05
And I'll be right up here whenever you need me.

00:15:09
Hey, I wanna give you this.

00:15:12
Did you steal this from Evelyn, too?

00:15:14
Your... grammy gave me this necklace when I first got pregnant.

00:15:18
It's been in our family for generations.

00:15:21
It's from the old country.

00:15:23
And when you wear this,

00:15:24
I want you to remember that you've come from a long line of women, who've taken our licks, but we always land on our feet.

00:15:33
-Don't we? -

00:15:33
[grunts]

00:15:35
Now listen to me. This is our shot.

00:15:38
-Don't blow it, okay? -

00:15:38
[sniffles]

00:15:38
Okay.

00:15:41
[Sadie]

00:15:41
Princess Carolyn?

00:15:44
-Yeah. -Would you want to meet my family?

00:15:47
-Of course. -There's a potluck at the church, tonight.

00:15:49
-I love a church potluck! -Oh! What church do you go to in LA?

00:15:53
Oh, uh, St. Mary's Good Shepherd of the Lady... of the Passion... of the Constant Gardener... of Latter-Day Belle and Sebastian.

00:16:04
You got time for that, but you can't say "California Pizza Kitchen"?

00:16:06
I love church and I love the Lord.

00:16:08
God is my back-door pilot.

00:16:10
I wish Strib was a back-door pilot.

00:16:12
Maybe then I wouldn't be pregnant.

00:16:12
[chuckles]

00:16:14
[whispers]

00:16:14
Anal sex. -Got it.

00:16:18
[chatter]

00:16:20
That's my mom. That woman's been banged more times than a screen door during hurricane season.

00:16:24
-Oh! -But I love her.

00:16:25
That's my sister Tanya.

00:16:26
Thinks she's so smart.

00:16:28
If you're so smart, Tanya, why do you live on a dry-docked pontoon boat?

00:16:31
-Good one! -She's got a great heart.

00:16:33
And, finally, the cousins. I've slept with all of them.

00:16:36
-Wow! -I'm just kidding.

00:16:37
-I'm from North Carolina, not Tennessee. -

00:16:37
[laughing]

00:16:39
Hope you like ambrosia, since everyone brought the exact same dish; ambrosia.

00:16:43
Ah, it's beautiful out here.

00:16:45
Look at all those stars!

00:16:47
-You don't have stars in LA? -Not like these.

00:16:50
Too much light pollution.

00:16:51
And heavy pollution.

00:16:57
[Princess Carolyn shivering]

00:17:01
[sighs]

00:17:01
My dad's ready to see you.

00:17:05
[sighs]

00:17:06
-We better not. -

00:17:06
[groans]

00:17:11
[Mr. Wallace clearing throat]

00:17:13
Oh, I gotta tell you, when my idiot son told me he'd knocked up the help, I...

00:17:19
Let me try that again.

00:17:20
Princess Carolyn, we're going to do the right thing, here.

00:17:23
You'll have a lovely wedding before you start to show.

00:17:26
If it's a girl, we'll name her Dorothy after my mother.

00:17:28
Of course, if it's a boy, he'll be the third Cooper Thomas Rogers Wallace, so you'll call him Cooper III, or Cooper Three, Trip, Trey or Lil' Coop.

00:17:35
You'll join the Junior League, maybe sing in the Follies.

00:17:38
Mrs. Wallace will teach you how to play bridge and destroy other families' social status through indelicate gossip.

00:17:43
-Oh... -We'll go to Hilton Head every summer and take a photo of all of us on the beach wearing khaki and white.

00:17:48
This will be our Christmas card.

00:17:49
Inside, it will say "Merry Merry" or "Seasons Greetings," so as not to alienate our friends of other faiths, but we'll know it's Christmas.

00:17:57
Princess Carolyn, I know you're scared, but I promise you, you've got a great life ahead of you.

00:18:02
No worries, no tough choices and no money troubles, thanks to the Wallace and Sons Answering Machine Tape empire.

00:18:09
Yes, as long as people need answering machine tapes, you will be taken care of.

00:18:13
-Sound good? -Yes.

00:18:14

Ah, ah, ah. Wait for the beep.

00:18:17
Sound good? Beep!

00:18:19
-Yes, sir. -

00:18:19
[phone buzzing, meowing]

00:18:21
[back to present time]

00:18:21
Hello?

00:18:24
Princess Carolyn, there's been an accident.

00:18:26
BoJack's hurt real bad.

00:18:28
Ow! I'm in so much pain.

00:18:30
I'm like Kerri Strug over here.

00:18:32
Where's my big Russian guy?

00:18:34
What happened?

00:18:35
- He fell off a building is what happened. -Oh!

00:18:37
Are you okay?

00:18:38
I mean, I know you're not okay, okay, but you're okay, right?

00:18:42
Why did you let him do his own stunts?

00:18:44
-That was today? -Of course it was today.

00:18:47
I put a sticky on your day page at our sister site

00:18:50
WhatDateIsItRightNow.net.

00:18:52
-Oh! -Do you even check your day page?

00:18:55
Every part of me hurts. Sartre was wrong.

00:18:58
Physical pain is so much worse than prolonged emotional distress.

00:19:02
What a hack!

00:19:04
We're supposed to be shooting, all week. You're behind schedule and over budget.

00:19:07
I'm sending you the number of a specialist.

00:19:09
He can fix BoJack up and inject him full of enough pep to keep things together until end of production.

00:19:14
-Sadie! -

00:19:14
[mother]

00:19:14
No, no, no, no, Strib!

00:19:16
[sister]

00:19:16
Go away!

00:19:17
-So I call this number-- -

00:19:17
[phone beeps]

00:19:19

Strib, what are you doing here?

00:19:21

I mean, I guess I was wrong, maybe. Maybe you don't give the baby away.

00:19:24

Like, maybe keep it. I mean, I guess I could marry you.

00:19:27

Have a family and stuff. I don't know!

00:19:29

A grand gesture? This is like a fairy tale!

00:19:31

Strib, I can't do this again.

00:19:33

-Come on. I love you or whatever. -Go to him, Sadie. He loves you.

00:19:37

Don't listen to her, Sadie. She lives in a pontoon boat.

00:19:40

Y'all gonna be beggin' for a ride when the flood comes.

00:19:42

-Oh, my God. -Somebody gotta get him outta here.

00:19:45

[people arguing]

00:19:45

-Hey! Sadie? Sadie.

00:19:48

[voices overlapping]

00:19:53

You blew it! We were this close, and you blew it.

00:19:57

[sighs]

00:19:57

Mom. -What the hell happened?

00:19:59

You eat a pineapple or something? Put something up there you shouldn't have?

00:20:03

No. It just-- I don't know, it just happened.

00:20:06

Miscarriages don't "just happen." This was our ticket.

00:20:10

That baby would've changed everything for us.

00:20:13

[sobs]

00:20:13

I'm sorry. I'm sorry. I'm sorry!

00:20:16

[sighs]

00:20:16

It's not your fault.

00:20:19

We just got losing numbers.

00:20:22

Well, maybe Cooper will marry me, anyway?

00:20:24

Oh, sweetie, you've been watching too many of those old movies.

00:20:28

Coopers don't marry gals like you.

00:20:31

He's gonna end up with some fancy heiress, like Samantha Floppy-Disk.

00:20:35

Besides, you don't want that life.

00:20:38

-You're free now. -Free to do what?

00:20:42

I wasn't gonna tell you, but this came in the mail.

00:20:46

[gasps]

00:20:52

[phone buzzing, meowing]

00:20:53

-Hello? -I guess you heard about BoJack?

00:20:56

-Yeah. -This is all my fault.

00:20:58

I thought the stunt was Flip's idea.

00:21:00

Well, no, I just convinced him it was his idea.

00:21:03

That's not what I heard. I heard it was Flip's idea.

00:21:07

-Right, but that's just-- -It was Flip's idea.

00:21:09

How are you not getting this?

00:21:10

Do you only seem smart because you wear glasses?

00:21:12

[sighs]

00:21:12

Okay, it was Flip's idea.

00:21:16

Great. I'll see you tomorrow.

00:21:17

-Hey. -Hey.

00:21:19

Listen, I've known me some Stribs. A little sweet, a little dangerous.

00:21:23

But the second things get complicated, he'll run away.

00:21:25

-You don't know my Strib. -But I know you. And you are too special to settle for the first guy who rolls up on a motorcycle and says,

00:21:25

[drawls]

00:21:25

"I love you or whatever."

00:21:33

Well, I haven't decided what I'm gonna do yet anyway.

00:21:36

You're a bright girl, and you've got an incredible future.

00:21:39

Let me ask you something. Did you really like the clothes I made?

00:21:42

Of course I did.

00:21:43

Then why didn't you buy anything for yourself?

00:21:46

-Sadie... -You're bullshitting me.

00:21:48

-This is just another sale for you. -No.

00:21:50

You think I'm stupid, but I've been watching you bullshit, everyone on that phone of yours.

00:21:54

I want to give your baby the best life, the best schools, the best opportunities--

00:21:58

You think, because you left her, you're better.

00:22:00

Because of your fancy show business, you can take whatever you want.

00:22:03

-No, no, no, you don't understand. -Well, I got something you can't have, and no amount of your managing or producing is gonna change that.

00:22:10

I just want to help you. I want to give your baby a better life.

00:22:13

Better than what?

00:22:16

Better than a sky fulla stars?

00:22:18

[sighs]

00:22:20

[deep breath]

00:22:20

Okay, Sadie, you do whatever you want.

00:22:24

You want to keep the baby, you want to give the baby to someone else, fine.

00:22:28

Just do, what you want to do.

00:22:30

Don't live your life for Strib, or this baby, or anybody else.

00:22:35

-I know that. -Okay. Good.

00:22:39

-Thank you. -I mean it.

00:22:44

[sign grinds]

00:22:48

[phone buzzing, meowing]

00:22:48

-Hello?

00:22:50

So, I just got the word from Sadie.

00:22:54

-She's gonna keep looking. -Okay.

00:22:57

Ugh! I'm sorry. This is the hardest part of my job,

00:23:00

when I have to lie to the clients and tell them it's not their fault.

00:23:03

-Thank you, Tracy. -It's not your fault.

00:23:06

-Goodbye, Tracy. -

00:23:06

[phone beeps]

00:23:08

[sighs]

00:23:15

[chattering]

00:23:15

[planes landing and taking off]

00:23:18

[phone buzzing, meowing]

00:23:19

BoJack, I am so sorry. This was all my fault.

00:23:23

Uh, it's your fault I feel amazing?

00:23:26

I don't know what that doctor gave me, but, man, you should leave town more often.

00:23:32

Hey, quick question... is this a train?

00:23:34

I'm on my way home.

00:23:35

I'll come check on you as soon as I get there.

00:23:37

Hey, I'm golden. Let me tell you.

00:23:39

You accidentally drive a motorcycle off a building, and suddenly you are everybody's favorite guy.

00:23:44

We did it, Princess Carolyn. Back on top!

00:23:47

[phone beeps]

00:23:47

[sighs]

00:23:55

[announcer]

00:23:55

Flight 29 to Los Angeles, say your goodbyes.

00:23:57

- This is the final call for boarding. -

00:23:57

[mom grunts]

00:24:00

Okay. Bye, Mom. Ooh!

00:24:02

Hey, I got a nutty idea. What if you deferred for a year?

00:24:05

Mom, I-I can't do that.

00:24:07

Of course you could. Los Angeles isn't going nowhere.

00:24:11

Just another year.

00:24:13

By that time, Boots will be out of rehab, and he can come home, and help out.

00:24:17

-Just wait until then. -Mom, please.

00:24:19

A year. You'll hardly notice it.

00:24:22

-No, Mom. I gotta go. -Please?

00:24:25

Can't you just do this one thing for me?

00:24:29

I'm sorry, Mom.

Ep 6 — Free Churro

00:00:05

[wind blowing]

00:00:11

[shuddering]

00:00:15

[vehicle approaching]

00:00:15

[grunting]

00:00:17

[panting]

00:00:17

[tires screech]

00:00:20

Yes, yes, I see you. Get in. Get in.

00:00:25

[music playing over radio]

00:00:28

Your mother's having another one of her episodes.

00:00:30

Last night, she went to see A Doll's House with a couple girlfriends, and now she has ideas.

00:00:35

I emerged from my sanctum, this afternoon, to discover that not only had she not made me lunch, which is a meal I need in order to live, but she'd furthermore, locked herself in the bedroom to weep... loudly.

00:00:45

Now, it's one thing for a woman to weep, but when they do it at such a volume you can hear it through the door, then you know they're doing it just for the attention.

00:00:53

Anyway, I was able to cobble together a sandwich for myself, so, I'm the real hero of the story.

00:00:59

[horn honking]

00:00:59

[tires screeching]

00:01:02

It was a couple hours later when I realized I was on a good run with my novel.

00:01:06

I had this really interesting sentence that kept going for pages and pages, and I thought about how rare it is to really get in the groove like that.

00:01:13

How, most days, I can't concentrate because my idiot child is blasting the television, and it suddenly dawned on me; hot cock on a rock, she never even picked up the little noise and snot factory!

00:01:23

[tires screech, horn honking]

00:01:26

So, here I am, being your mother, which I know is giving you all sorts of mixed-up ideas about gender, while your brain is still loose and stupid.

00:01:35

Just remember, if you become a queer later in life, this isn't my fault!

00:01:39

Don't you sing no songs in your nightclub act called, "My Daddy was My Mommy," while gazing longingly at a tangled string of pearls.

00:01:46

Pearls are for ladies, BoJack.

00:01:49

Pearls are for ladies.

00:01:52

You know Sunday is my writing day.

00:01:54

Sundays are the one day that are just for me and my craft, and still, you and the black hole that birthed you conspire to ruin it for me.

00:02:02

What am I supposed to do now? Just go back to writing?

00:02:04

I'm out of the zone now, the whole day's shot!

00:02:07

All because of you and that brittle wisp of a woman you made the mistake of making your mother.

00:02:13

[sighs]

00:02:13

No. It's not her fault.

00:02:15

She's doing the best she can, after all.

00:02:17

It's just that... you can't depend on women.

00:02:20

You can't depend on anyone.

00:02:22

Sooner or later, you need to learn that no one else is gonna take care of you.

00:02:25

That's what I learned when I had to make my own sandwich.

00:02:28

You can't rely on other people, BoJack.

00:02:30

It's good for you to know that.

00:02:32

And she's a good mother for teaching you that.

00:02:34

You've got a head start on most kids.

00:02:37

You're actually very lucky.

00:02:39

[music continues over radio]

00:02:43

Thaaaaaank youuuuuu?

00:02:46

[theme music playing]

00:03:41

So, I stopped at a Jack in the Box, on the way here, and the girl behind the counter said, "Hiya! Are you having an awesome day?"

00:03:48

Not, "How are you doing today?" No. "Are you having an awesome day?"

00:03:52

Which is pretty shitty because it puts the onus on me to disagree with her, like if I'm not having an "awesome day," suddenly I'm the negative one.

00:04:00

Usually, when people ask how I'm doing, the real answer is I'm doing shitty, but I can't say I'm doing shitty because I don't have a good reason to be doing shitty.

00:04:07

So if I say, "I'm doing shitty," then they say, "Why? What's wrong?"

00:04:10

And I have to be like, "I don't know, all of it?"

00:04:13

So instead, when people ask how I'm doing, I usually say, "I am doing so great."

00:04:18

But when this girl at the Jack in the Box asked me if I was having an awesome day,

00:04:22

I thought, well, today I'm actually allowed to feel shitty, today I have a good reason, so I said to her, "Well, my mom died."

00:04:28

And she immediately burst into tears.

00:04:30

So, now I have to comfort her, which is annoying, and meanwhile, there's a line of people forming behind me, who are all giving me these real judgy looks because I made the Jack in the Box girl cry.

00:04:39

And she's bawling, and she's saying, "I'm sorry, I'm so sorry," and I'm like, "It's fine. It's fine.

00:04:44

I mean, it's not fine, but, you know, it's... fine.

00:04:47

And I would like to order a Double Jack Meal, and I've kinda got somewhere to be, so maybe less with the crying and more with the frying, huh?"

00:04:54

[inhales]

00:04:54

And the girl apologizes, again, and she offers me a free churro with my meal.

00:04:59

And as I'm leaving, I think, "I just got a free churro because my mom died."

00:05:04

No one ever tells you when your mom dies, you get a free churro.

00:05:07

[people murmuring]

00:05:10

[clears throat]

00:05:10

Anyway, I'm sorry, that's not part of the...

00:05:10

[clears throat]

00:05:10

All right.

00:05:14

Okay, here we go. Let's do this.

00:05:16

Here I am, BoJack Horseman, doing a eulogy, let's go.

00:05:19

Hey, piano man, can I get like a, like an organ flourish?

00:05:22

[organ plays]

00:05:24

Nicely done. You know, I was a little worried

00:05:26

I wouldn't have the right accompaniment today.

00:05:28

I guess it's a good thing my mom was an organ donor!

00:05:30

[rimshot plays]

00:05:32

-What happened to the organ? -

00:05:32

[horn "oogahs"]

00:05:34

Why don't you leave the comedy to the professionals?

00:05:36

Okay? This is a funeral, sir, for my mother.

00:05:38

Can you show a little respect?

00:05:40

[trumpet whines]

00:05:42

I'll take it.

00:05:43

Beatrice Horseman, who was she? What was her deal?

00:05:46

Well, she was a horse.

00:05:47

Uh, she was born in 1938. She died in 2018.

00:05:50

One time, she went to a parade,

00:05:52

and one time, she smoked an entire cigarette in one long inhale.

00:05:55

I watched her do it.

00:05:56

Truly a remarkable woman.

00:05:58

[rustling]

00:06:01

Lived a full life, that lady.

00:06:03

Just, all the way to the end, which is, uh, now, I guess.

00:06:08

Really makes you think, though, huh?

00:06:10

Life, right? Goes by, stuff happens. Then you die.

00:06:15

Well, that's my time, you've been great! Tip your waitress!

00:06:17

No, I'm just kidding around, there's no waitress.

00:06:19

That's all I have to say about my mother.

00:06:21

No point beating a dead horse, right?

00:06:23

So...

00:06:23

[inhales]

00:06:23

Now what? I don't know, Mom, you got any ideas?

00:06:29

Anything?

00:06:30

Mom?

00:06:31

No?

00:06:32

Nothing to contribute? Knock once if you're proud of me.

00:06:37

Can I just say how amazing it is to be in a room with my mother, and I can just talk without her telling me to shut up and make her a drink?

00:06:44

Hey, Mom. Knock once if you think I should shut up.

00:06:46

No? You sure?

00:06:48

I mean, I don't want to embarrass you, by making this eulogy into a me-logy, so, seriously, if you wanted me to sit down and let someone else talk, just knock. I will not be offended.

00:06:57

No? Your funeral.

00:06:59

Sorry about the closed casket, by the way.

00:07:01

She wanted an open casket, but, you know, she's dead now, so who cares what she wanted?

00:07:06

No, that sounds bad. I'm sorry.

00:07:07

I think that if she could've seen what she looked like dead, she'd agree it's better this way. She looked like this.

00:07:13
[groaning]

00:07:13
[mourners gasping]

00:07:17
Kinda like a pissed-off toy dinosaur. The coroner couldn't get her eyes closed.

00:07:21
So, now her face is forever frozen in a mask of tremendous horror and anguish.

00:07:25
Or as my mom called it, Tuesday!

00:07:28
Tuesday! My mom called it Tuesday.

00:07:31
[woman coughs]

00:07:32
Hey, Mom, what did you think of that joke? You like that?

00:07:35
[woman coughs]

00:07:36
You never did care for my comedy.

00:07:38
[clears throat]

00:07:39
Here's a story.

00:07:41
When I was a teenager,

00:07:42
I performed a comedy routine for my high school talent show.

00:07:46
There was this cool jacket that I wanted to wear because it would make me look like Albert Brooks.

00:07:50
For months, I saved up for this jacket, but when I finally had enough, I went to the store and it was gone.

00:07:55
They had just sold it to someone else. So, I went home and I told my mother.

00:07:58
She said, "Let that be a lesson.

00:08:00
That's the good that comes from wanting things."

00:08:02
She was really good at dispensing life lessons, that always seemed to circle back to everything being my fault.

00:08:08
But then, on the day of the talent show, my mother had a surprise for me.

00:08:12
She had bought me the jacket.

00:08:13
Even though she didn't know how to say it, I knew this meant that she loved me.

00:08:18
Now, that's a good story about my mother.

00:08:20
It's not true, but it's a good story, right?

00:08:22
I stole it from an episode of Maude I saw when i was a kid, where she talks about her father.

00:08:26
I remember when I saw it, thinking that's the kind of story

00:08:29
I want to tell about my parents when they die.

00:08:32
But I don't have any stories like that.

00:08:34
All I know about being good I learned from TV.

00:08:37
And in TV, flawed characters are constantly showing people they care with these surprising grand gestures.

00:08:42
And I think that part of me still believes that's what love is.

00:08:46
But in real life, the big gesture isn't enough.

00:08:48
You need to be consistent, you need to be dependably good.

00:08:51
You can't just screw everything up, and then take a boat out into the ocean to save your best friend, or solve a mystery, and fly to Kansas.

00:08:57
You need to do it every day, which is so... hard.

00:09:01
When you're a kid, you convince yourself that maybe the grand gesture could be enough.

00:09:06
That even though your parents aren't what you need them to be, over and over and over again, at any moment they might surprise you, with something... wonderful.

00:09:15
I kept waiting for that, the proof, that even though my mother was a hard woman, deep down, she loved me and cared about me and wanted me to know that I made her life a little bit brighter.

00:09:26
Even now, I find myself waiting.

00:09:30
Hey, Mom, knock once if you love me and care about me, and want me to know I made your life a little bit brighter.

00:09:35
[owl chirping]

00:09:38
My mother did not go gentle into that good night.

00:09:41
She went clawing and fighting and thrashing, hence the face.

00:09:45
[groaning]

00:09:45
[mourners gasping]

00:09:47
If you'd seen her,

00:09:48
I swear to God the only thing you'd be thinking about right now is that I am nailing this impression.

00:09:53
[woman clears her throat]

00:09:53
[chairs squeak]

00:09:55
I was in the hospital with her those last moments, and they were truly horrifying, full of nonsensical screams and cries, but there was this moment, this one instant of strange calm, where she looked in my direction and said, "I see you."

00:10:09
That's the last thing she said to me. "I see you."

00:10:12
Not a statement of judgment or disappointment, just acceptance and the simple recognition of another person in a room.

00:10:19
"Hello, there. You are a person. And I see you."

00:10:23

Let me tell you, it's a weird thing to feel at 54 years old, that for the first time in your life your mother sees you.

00:10:29

It's an odd realization that it's the thing you've been missing, the only thing you wanted all along, to be seen.

00:10:35

And it doesn't feel like a relief, to finally be seen.

00:10:37

It feels mean, like,

00:10:39

"Oh, it turns out that you knew what I wanted, and you waited until the very last moment to give it to me."

00:10:44

I was prepared for more cruelty.

00:10:46

I was sure that she would get in one final zinger, about how I let her down, and about how I was fat and stupid, and too tall to be an effective Lindy-hopper.

00:10:54

How I was needy and a burden and an embarrassment.

00:10:58

All that I was ready for. I was not ready for "I see you."

00:11:03

Only my mother would be lousy enough to swipe me with a moment of connection on her way out.

00:11:08

But maybe I'm giving her too much credit. Maybe it wasn't about connection.

00:11:12

Maybe it was a... Maybe it was an "I see you," like, "I see you."

00:11:17

Like, "You might have the rest of the world fooled, but I know exactly who you are."

00:11:21

That's more my mom's speed.

00:11:24

Or maybe she just literally meant "I see you."

00:11:27

You are an object that has entered my field of vision."

00:11:31

She was out of it at the end, so maybe it's dumb to try to attribute it to anything.

00:11:35

[woman sighs]

00:11:35

-Back in the 90s,

00:11:36

I was in a very famous TV Show called Horsin' Around.

00:11:40

[man coughs]

00:11:40

-Please hold your applause.

00:11:42

And I remember one time, a fan asked me,

00:11:44

"Hey, um, you know that episode where the horse has to give Ethan a pep talk, after Ethan finds out his crush only asked him to the dance because her friends were having a dorkiest date contest?

00:11:54

In all the shots of the horse, you can see a paper coffee cup on the kitchen counter, but in the shots of Ethan, the coffee cup's missing.

00:12:02

Was that because the show was making a statement, about the fluctuant subjectivity of memory and how even two people can experience the same moment in entirely different ways?

00:12:12

And I didn't have the heart to be, like,

00:12:15

"No, man, some crew guy just left their coffee cup in the shot."

00:12:19

So instead, I was, like... "Yeah."

00:12:23

And maybe this is like that coffee cup.

00:12:25

Maybe, we're dumb to try to pin significance onto every little thing.

00:12:29

Maybe, when someone says, "I see you," it just means, "I see you."

00:12:34

Then again, it's possible she wasn't even talking to me.

00:12:37

Because, if I'm being honest, she wasn't really looking at me, she was looking past me. There was nobody else in the room.

00:12:42

I think she was talking to me, but, honestly, she was so far gone at that point, who knows what she was seeing.

00:12:47

Who were you talking to, Mom?

00:12:49

[sighs]

00:12:50

Not saying, huh? Staying mum?

00:12:53

No rimshot there?

00:12:54

God, whatever I'm paying you, it's too much.

00:12:57

Maybe, she saw my dad.

00:12:59

My dad died about ten years ago of injuries he sustained during a duel.

00:13:03

When your father dies, you ask yourself a lot of questions.

00:13:06

Questions like, "Wait, did you say he died in a duel?" and "Who dies in a duel?"

00:13:11

The whole thing was so stupid.

00:13:12

Dad spent his entire life writing this book, but he couldn't get any stores to carry it, or any newspapers to review it.

00:13:19

Finally, I guess this one newspaper thought he was pretty hilarious, because they ran a review and tore him to shreds.

00:13:25

So, my father, ever the Proud Mary, decided he would not stand for this besmirchment of his honor.

00:13:29

He claimed the critic didn't understand what it meant to be a man, so he demanded satisfaction in the form of pistols at dawn.

00:13:36

He wrote the paper, this letter, saying anyone who didn't like his book, he would challenge to a duel, anyone in the world.

00:13:42

He'd even pay for airfare to San Francisco and a night in a hotel.

00:13:45

Well, eventually this found its way to some kook in Montana, who was as batshit as he was and took him up on the offer.

00:13:50

They met at Golden Gate Park and agreed: ten paces, then shoot.

00:13:54

But in the middle of the ten paces,

00:13:56

Dad turned to ask the guy if he'd actually read the book and what he thought, but, not looking where he was going, tripped over an exposed root and bashed his head on a rock.

00:14:04
[murmur]

00:14:06
I wish I'd known to go to Jack in the Box then.

00:14:08
I could have gotten a free churro. It would've been nice to have something to show for being the son of Butterscotch Horseman.

00:14:14
My darling mother gave the eulogy.

00:14:16
My entire life I never heard her say a kind word to or about my father, but at his funeral she said,

00:14:22
"My husband is dead, and everything is worse now."

00:14:25
[clearing throat]

00:14:26
"My husband is dead, and everything is worse now."

00:14:31
I don't know why she said that. Maybe she felt that's the kind of thing you're supposed to say at a funeral.

00:14:35
Maybe she hoped one day someone would say that about her.

00:14:38
"My mother is dead, and everything is worse now."

00:14:41
Or maybe she knew that he had frittered away all her inheritance, and replaced it with crippling debt, which is a pretty shitty thing to leave your widow with.

00:14:49
"Bad news, you lost a husband, but don't worry, you also lost the house!"

00:14:52
Maybe Mom knew she'd have to sell all her fancy jewelry and move into a home.

00:14:56
Maybe that's what she meant by "everything is worse."

00:14:58
Is that what you meant, Mom?

00:15:00
I gotta say, I'm really carrying this double act.

00:15:02
At least with Penn and Teller, the quiet one does card tricks.

00:15:05
Hey, piano man, when I say something funny to my mom, how about you give me a rimshot?

00:15:09
[rimshot plays]

00:15:09
-Yeah, but not now.

00:15:11
When I say something funny. Like, okay.

00:15:14
What's the difference between my mother and a disruptive expulsion of germs?

00:15:17
One's a coughin' fit and the other fits a coffin!

00:15:21
-That's an example of a funny thing. -

00:15:21
[rimshot plays]

00:15:24
Thank you. Let's try again.

00:15:25

Hey, Mom. What's the difference between my mother and a bunch of Easter eggs?

00:15:28
One gets carried in a basket, the other gets buried in a casket!

00:15:33
[rimshot plays]

00:15:33
-Ready for one more? Last one.

00:15:35
What's the difference between a first-year lit major and my mother, Beatrice Horseman?

00:15:39
One is decently read, and the other's a huge bitch!

00:15:44
[woman gasps]

00:15:44
[murmurs]

00:15:45
Might have gone a little too far with that one.

00:15:47
That one might have been a little too "my mom's a huge bitch" for the room.

00:15:51
I'm sorry, Mother. You're not a huge bitch.

00:15:53
You were a huge bitch... and now you're dead.

00:15:57
[woman sighs]

00:15:58
You know, the first time I ever performed in front of an audience, it actually was, uh, with my mom.

00:16:03
She used to put on these shows, with her supper club in the living room, and she used to make...

00:16:03
[inhales]

00:16:07
She used to make me sing "The Lollipop Song."

00:16:10
[organ playing tune]

00:16:13
Those parties, they were really something.

00:16:14
There were skits and magic acts, and ethnically insensitive vaudeville routines, and the big finale was always a dance my mother did.

00:16:24
She had this beautiful dress that she only brought out for these parties, and she did this incredible number.

00:16:29
It was so beautiful and sad.

00:16:33
Dad hated the parties. He'd lock himself in the study, and bang on the walls for us to keep it down, but he always came out to see Mom dance.

00:16:42
He'd linger in the doorway, scotch in hand, and watch in awe, as this cynical, despicable woman he married... took flight.

00:16:52
And as a child who was completely terrified of both my parents,

00:16:56
I was always aware that this moment of grace, it meant something.

00:17:02
We understood each other, in a way.

00:17:03
Me and my mom and my dad, as screwed up as we all were, we did understand each other.

00:17:09

My mother, she knew what it's like to feel your entire life like you're drowning with the exception of these moments, these very rare, brief instances, in which you suddenly remember... you can swim.

00:17:22

[flashback]

00:17:24

[partygoers laughing]

00:17:27

[classical music playing]

00:17:38

But, then again, mostly not. Mostly you're drowning.

00:17:42

She understood that too.

00:17:43

And she recognized that I understood it. And Dad.

00:17:46

All three of us were drowning, and we didn't know how to save each other, but there was an understanding that we were all drowning together.

00:17:53

I would like to think that's what she meant when we were in the hospital and she said, "I see you."

00:17:57

The weird thing about both your parents being dead is it means that you're next.

00:18:02

I mean, you know, obviously it's not like there's a wait list for dying.

00:18:05

Any one of us could get run over by a Snapchatting teen at any moment.

00:18:08

And you would think that knowing that would make us more adventurous, and kind, and forgiving.

00:18:13

But it makes us small, and stupid, and petty.

00:18:18

I actually had a near-death experience, recently.

00:18:20

A stunt went bad and I fell off a building.

00:18:23

I'm an actor. I do my own stunts.

00:18:25

I'm on this new show Philbert. I'm Philbert. Star of the show.

00:18:29

It hasn't come out yet, but it's already getting Emmy buzz.

00:18:31

Oh, speaking of buzz...

00:18:31

[inhales]

00:18:33

I've to take two of these every morning, but my days are so screwed up 'cause of the shooting schedule,

00:18:38

I don't even know what morning means anymore.

00:18:40

There's a joke in there somewhere, about a guy who's been to so many funerals, he doesn't even know what mourning means anymore.

00:18:46

Let you guys figure that one out for yourselves.

00:18:46

[gulps]

00:18:49

Anyway, you know what I thought... when I was falling off the building and I went into panic mode?

00:18:54

The last thing that my stupid brain could come up with before I died?

00:18:59

"Won't they be sorry."

00:19:02

-Cool thought, brain. -

00:19:02

[rimshot plays]

00:19:03

No, that wasn't...

00:19:04

Would you just... Dial it back, all right?

00:19:06

I don't even know what "they" I wanted to be sorry.

00:19:09

My mom, even before she died, could barely remember who I was.

00:19:12

And of course, my dad's dead.

00:19:14

The last conversation I ever had with him was about his novel.

00:19:17

He was so certain this book was his legacy.

00:19:19

Maybe he thought it would vindicate him for all the shitty things he ever did in his stupid worthless life.

00:19:25

Maybe it did. I don't know. I never read it.

00:19:27

Because why would I give him that?

00:19:30

I used to be on this TV show called Horsin' Around.

00:19:33

Seriously, hold your applause.

00:19:35

[man coughs]

00:19:35

-Well held.

00:19:37

It was written by my friend Herb Kazzaz, who's also dead now, and it starred this little girl named Sarah Lynn.

00:19:43

And it was about these orphans. And early on, the network had a note,

00:19:46

"Maybe don't mention they're orphans, because audiences tend to find orphans sad and not relatable."

00:19:52

I never thought the orphans were sad.

00:19:53

I always thought they were lucky because they could imagine their parents to be anything they wanted.

00:19:59

They had something to long for.

00:20:01

Anyway, we did this one season finale, where Olivia's birth mother comes to town.

00:20:04

And she was a junkie, but she's gotten herself cleaned up, and she wants to be in Olivia's life again.

00:20:09

And of course, she's like a perfect grown-up version of Olivia, and they go to the mall together and get her ears pierced, like she's always wanted and--

00:20:16

Sorry, spoiler alert for the season six finale of Horsin' Around, if you're still working your way through it.

00:20:22

Anyway, the horse tries to warn her, "Be careful, moms have a way of letting you down."

00:20:26

But Olivia just thinks the horse is jealous, and when the mom says she's moving to California,

00:20:32

Olivia decides to go with her.

00:20:34

And the network really juiced the cliffhanger:

00:20:36

"Is Olivia gone for good?"

00:20:39

But of course, because it's a TV show, she was not gone for good.

00:20:41

Of course, because it's a TV show,

00:20:43

Olivia's mother had a relapse and had to go back to rehab, so Olivia had to hitchhike all the way home, getting rides from Mr. T, Alf, and the cast of Stomp.

00:20:52

Of course that's what happened.

00:20:53

Because, what are you gonna do, just not have Olivia on the show?

00:20:57

You can't have happy endings in sitcoms, not really, because, if everyone's happy, the show would be over, and above all else, the show... has to keep going.

00:21:06

There's always more show.

00:21:08

And you can call Horsin' Around dumb, or bad, or unrealistic, but there is nothing more realistic than that.

00:21:14

You never get a happy ending, 'cause there's always more show.

00:21:19

I guess until there isn't.

00:21:21

[chuckles]

00:21:23

My mom would hate it if she knew that I spent so much time at her funeral talking about my old TV show.

00:21:29

Or maybe she'd think it was funny that her idiot son couldn't even do this right. Who knows?

00:21:33

She left no instructions for what she wanted me to say.

00:21:36

All I know is she wanted an open casket, and her idiot son couldn't even do that right.

00:21:41

I'll stand up here and pretend

00:21:43

I understood how to please that woman, even though so much of my life has been wasted in vain attempts to figure it out.

00:21:48

But I keep going back to that moment in the ICU when she looked at me, and...

00:21:52

"I-C-U."

00:21:54

"I... see... you."

00:21:59

Jesus Christ, we were in the intensive care unit.

00:22:03

She was just reading a sign.

00:22:07

My mom died and all I got was this free churro.

00:22:12

You know the shittiest thing about all of this?

00:22:14

Is when that stranger behind the counter gave me that free churro, that small act of kindness showed more compassion than my mother gave me her entire goddamn life.

00:22:23

Like, how hard is it to do something nice for a person?

00:22:26

This woman at the Jack in the Box didn't even know me.

00:22:30

I'm your son.

00:22:31

All I had was you!

00:22:35

[inhales]

00:22:37

I have this friend.

00:22:38

And right around when I first met her, her dad died, and I actually went with her to the funeral.

00:22:44

And months later, she told me that she didn't understand why she was still upset, because she never even liked her father.

00:22:51

It made sense to me, because I went through the same thing when my dad died.

00:22:54

And I'm going through the same thing now. You know what it's like?

00:22:57

It's like that show Becker, you know, with Ted Danson?

00:22:59

I watched the entire run of it, hoping that it would get better, and it never did.

00:23:04

It had all the right pieces, but it just-- It couldn't put them together.

00:23:06

And when it got canceled,

00:23:07

I was really bummed out, not because I liked the show, but because I knew it could be so much better, and now it never would be. And that's what losing a parent is like.

00:23:17

It's like Becker.

00:23:19

Suddenly, you realize you'll never have the good relationship you wanted, and as long as they were alive, even though you'd never admit it, part of you, the stupidest goddamn part of you, was still holding on to that chance.

00:23:33

And you didn't even realize it until that chance went away.

00:23:36

"My mother is dead, and everything is worse now."

00:23:41

Because now I know I will never have a mother who looks at me from across a room and says,

00:23:46

"BoJack Horseman, I see you."

00:23:50

But I guess it's good to know.

00:23:52

It's good to know that there is nobody looking out for me, that there never was, and there never will be.

00:23:58

No, it's good to know that I am the only one that I can depend on.

00:24:01

And I know that now and it's good. It's good that I know that.

00:24:05

So... it's good my mother is dead.

00:24:08

[gulps, sighs]

00:24:10

Well. No point beating a dead horse.

00:24:12

Beatrice Horseman was born in 1938, and she died in 2018, and I have no idea... what she wanted.

00:24:23

Unless she just wanted what we all want... to be seen.

00:24:42

[slurps]

00:24:43

[blows nose]

00:24:45

Is this Funeral Parlor B?

00:24:47

[funeral music]

Ep 7 — INT. SUB

00:00:09
[watch ticking]

00:00:09
[woman humming]

00:00:12
-I know, I know. -I'm just glad you showed up.

00:00:15
The waitstaff was starting to get suspicious.

00:00:16
See? I'm not a liar! I do have a wife!

00:00:19
-All right. You're trying to embarrass me. -And I did. And now I'm fine.

00:00:22
-Hi, you. -Hi, you.

00:00:22
[kisses]

00:00:24
Long day at the office?

00:00:26
-I lost them, Indira. -No.

00:00:28
In all my years of corporate mediation,

00:00:30
I've never been unable to resolve a dispute before it goes to arbitration.

00:00:33
I'm Mary-Beth, the Mediating Maven.

00:00:36
I'm sure you helped them in ways you'll never even know.

00:00:38
-I-- Don't therapize me. -

00:00:38
[chuckles]

00:00:38
But you're so easy!

00:00:42
You make me feel like I'm actually good at it.

00:00:44
What's going on with you?

00:00:45
-It's been a tough week. -Tell me.

00:00:47
Mm...

00:00:48
-I shouldn't talk about my clients. -Come on.

00:00:50
What if you changed all the names and identifying characteristics?

00:00:54
Okay. This is a story about...

00:00:57
Bo... Bo... BoBo, the Angsty Zebra.

00:01:02
[theme music playing]

00:01:57
[writing]

00:01:57
[Indira]

00:01:57
So, it all started on Monday.

00:01:59
I was in a session with Diane--

00:02:01
...a! Diana.

00:02:02
[Mary-Beth]

00:02:02

Like Diana, Princess of Whales?

00:02:04
[Indira]

00:02:04
Exactly.

00:02:06
It's just so tough being Princess of Whales.

00:02:08
Like, I can't be all things to all whales.

00:02:10
-You're deflecting. -I'm not!

00:02:11
Let's talk about the BoBo tape.

00:02:13
What's the BoBo tape?

00:02:14
She recently came into possession of an audiotape

00:02:17
of her friend and co-worker, BoBo, the Angsty Zebra.

00:02:20
[BoBo]

00:02:20
On the boat. There was a girl. In New Mexico.

00:02:25
And she trusted me. Also, I'm a zebra.

00:02:28
-What girl is he talking about? -I don't know.

00:02:31
"Girl" sounds young, right?

00:02:31
[scoffs]

00:02:31
Whatever it is, it's gotta be bad,

00:02:35
because, otherwise, why wouldn't he tell me?

00:02:38
Diana, you are not responsible for the dysfunction of others.

00:02:41
I actually explore this in my book,

00:02:43
Are You Responsible For The Dysfunction of Others?

00:02:45
Spoiler alert: You're not!

00:02:46
I just wish I could talk to him about it, but he's like an open sore.

00:02:50
Attention! As some of you might have heard, my mom died recently.

00:02:54
I know you're very concerned, but I wanna let you know it will not affect my work.

00:02:57
I'm here, and I'm doing fine. I just want to focus on the show.

00:03:01
So, please treat this like any other day, and be extra-nice to me

00:03:04
because I am a famous actor, not because my mom died.

00:03:08
[all murmuring]

00:03:10
Thank you. Good.

00:03:11
Yes, that's what I'm looking for. Just go about your business.

00:03:14
That's good 'cause I don't want to talk about my mom.

00:03:17
Hmm.

00:03:17

[grunts]

00:03:19

-Hey. Did you hear my mom died? -Yeah. But you don't wanna talk about it.

00:03:23

No. Pretty weird she died, though, huh?

00:03:25

-Do you want to talk about it? -No. I'm just saying it's weird.

00:03:28

-BoBo. I am so sorry. -And I so don't wanna talk about it.

00:03:32

Obsessed with my mom much? You're the one with issues.

00:03:35

Uh...

00:03:36

I feel like he wants me to comfort him, but I'm still angry.

00:03:39

Maybe you could both use some space from each other.

00:03:42

Why don't you tell him you need to focus on your work?

00:03:44

What work? Flippy won't let me do anything.

00:03:46

[dolphin voice]

00:03:49

Flippy? Are you okay?

00:03:51

[squeaking]

00:03:57

Hey, what are we filming today? Why is there a submarine set?

00:04:01

[squeaking continues]

00:04:02

[Diana]

00:04:02

Interior sub?

00:04:07

Why didn't you just write "way"?

00:04:11

Okay. So, now we just need to come up with a scene that takes place in a submarine.

00:04:22

Okay.

00:04:25

-Ah! -Did you hear my mom died?

00:04:28

[Indira]

00:04:28

How about this? If he wants to talk, and you aren't can't confront him, tell him your therapist says you need space.

00:04:34

That's where I went wrong. I inserted myself into her story.

00:04:37

Don't beat yourself up. Remember what Doctor Janet said?

00:04:41

[bells in accordance to stick]

00:04:44

Tell me about your day. You had a tough workplace mediation?

00:04:47

Whoo! The problem with these two is they don't just work together.

00:04:51

They also live together.

00:04:53

[grunting]

00:04:56

What a beautiful morning!

00:04:57

[Indira]

00:04:57

Wait, wait,, wait. Hold on.

00:04:59

If your story can have Princess Diana, why can't mine have Emperor Finger-Face?

00:05:03

It's not actually Princess Diana. She's just named Diana.

00:05:06

I've been picturing Princess Diana.

00:05:08

Okay, fine. Tell me what happened with Emperor Finger-Face.

00:05:12

He lived in the same apartment as a Tangled Fog of Pulsating Yearning in the shape of a woman.

00:05:18

Good morning, Emperor Finger-Face!

00:05:20

Good morning to you, Tangled Fog of Pulsating Yearning!

00:05:24

-See you tonight? -Afternoon.

00:05:25

I wanna talk to you, so I set a meeting through your assistant.

00:05:28

-Have you seen my keys? -Butter tray in the fridge.

00:05:31

I think I put them there during one of my night terrors.

00:05:34

I don't have time to go to the kitchen. I'll just hotwire my car.

00:05:37

-Hey, did you eat breakfast? -No time for meals.

00:05:40

I just grab whatever I can, whenever I can.

00:05:42

Hold on.

00:05:43

I know you're a gal on the go, but even tangled fogs of pulsating yearning need to eat right.

00:05:48

I'll get something on set.

00:05:50

Pinky swear?

00:05:50

[horn]

00:05:50

Ow! I poked my face!

00:05:53

I feel I'm having a hard time following the story because of how weird you made the characters.

00:05:57

The important thing is that these two have been living together for almost a year with virtually no drama.

00:06:02

In some ways, it's the most functional relationship either have ever been in!

00:06:06

Oh, okay. I guess that's not that weird.

00:06:08

Great! Now, back to the story of the fog and the hand!

00:06:11

-So. What can I do you for? -I have no workspace on set.

00:06:14

I was hoping we could allocate some money to get me an office.

00:06:18

Oh, look, here's the exact paperwork you need all filled out and ready to go.

00:06:22

-Okay. -Just needs your signature.

00:06:24
-Let me retrieve my pen. -Marvelous!

00:06:26
Yep, I am currently gripping my pen inside my jacket.

00:06:30
Now to just pull it out and sign this document.

00:06:34
Just goes to show, you get what you need if you pull the right strings.

00:06:38
Strings?

00:06:39
[gasps]

00:06:39
It was you! -What was me?

00:06:41
The last string cheese in the apartment, I was saving it. And you took it!

00:06:46
And now you want me to give you an office?

00:06:48
What?! I didn't take your cheese.

00:06:50
Uh-oh, are we having a work-related conflict?

00:06:54
This feels like more of a you-crashing-on-my-couch-related conflict.

00:06:58
When I started here, I signed a contract that said, all intra-office disputes must be resolved via mediation, or failing that, forced arbitration.

00:07:09
Ugh!

00:07:10
So, then I-- You're not eating.

00:07:12
I just-- I keep thinking about BoBo the Zebra.

00:07:15
Okay, what happened next with BoBo?

00:07:18
Well, he wanted to get back to work, but since Flippy had writer's block, there was nothing for the actors to do.

00:07:23
How is there nothing to shoot?

00:07:24
So, what, I just have to wait around, and be alone with my thoughts? Gross.

00:07:28
When I was on The Murder-Stoppers. we had to shut down production because Nick Nolte wouldn't come out of his trailer.

00:07:33
He wasn't even on the show! He was in one of our trailers,

00:07:35
-and we couldn't get him out! -Is it hard to write a script, Gino?

00:07:38
"Oh, I'm Philbert, bang, bang. I'm a tough guy.

00:07:40
My wife is dead! Did I kill her? Who knows? I'm cool."

00:07:43
That was pretty good. Can we just roll on that?

00:07:45
When there's something to shoot, we'll shoot.

00:07:47
Meanwhile, you wanna go bang one out in your trailer? I'll get my diaphragm.

00:07:50
Nah, I'd just be thinking about my dead mom the whole time, which would either ruin it or--

00:07:54
Oh, God, what if it makes it better? I don't wanna know that.

00:07:56
-You want me to just get you some pie? -No.

00:07:59
-Yes. -Okay, big guy.

00:08:01
[BoBo sighs]

00:08:02
[sympathetic voice]

00:08:02
Hey, buddy. -Hey, Mr. Chocolate-Hazelnut-Spread.

00:08:05
Really sorry about your mom.

00:08:07
No, it's fine. I'm fine. It's really fine.

00:08:09
It must be so hard to lose a loved one. I, for one, never have.

00:08:13
You've never lost a loved one?

00:08:14
-When my mom got old, she moved to a farm. -What?

00:08:17
In the country, where she could have plenty of room to run free.

00:08:19
Why would she wanna run around if she's old?

00:08:21
You know, I never really questioned the logic.

00:08:23
My brother set it up. I haven't been able to visit, but everyone in my family goes to that farm eventually.

00:08:28
-Oh, dude, your mom's dead. -What? No. She's at a farm.

00:08:32
After a prolonged bout of Parkinson's. A farm.

00:08:34
Where they don't have telephones, or the internet, and... Oh, my God.

00:08:37
She's dead. My mom is dead!

00:08:39
[sobbing]

00:08:39
-Whoa!

00:08:41
[BoBo groans]

00:08:42
Oh, there... There, there.

00:08:43
[Flippy squeaking]

00:08:44
-What's going on with this submarine? -My therapist doesn't want me talking to you!

00:08:48
-What? -My therapist, Dr. Indira, says it would be good if you gave me some space.

00:08:53
-Why would she say that? -Don't know. I'm just the client.

00:08:56
-Her call, not mine. I should go. -Uh...

00:08:58
Everybody? My dear mother has transcended this plane.

00:09:02
[all]

00:09:02
Aw. -I am incredibly fragile and could use all the support I can get, so if everyone could pay a lot of attention to me, and ask me a lot of questions about my mother, and maybe tell me stories about your

mothers,

00:09:12

I think that would really make me feel a lot better.

00:09:14

Sure, Mr. Chocolate-Hazelnut-Spread!

00:09:16

[man]

00:09:16

So sorry for your loss. -This is a very healthy way to grieve.

00:09:19

[applause]

00:09:19

-Ugh.

00:09:22

So, a brief recapitulation: this is not a room for repudiation or condemnation over string cheese appropriation accusations.

00:09:30

Mediation is an invitation for open conversation, frustration de-escalation, and exchange of information, which, in summation, removes any justification for litigation involving this corporation.

00:09:43

Nobody was going to litigate anything.

00:09:45

That's fabulous, because you legally cannot.

00:09:48

Now, tell me about your journey into the woods of conflict.

00:09:51

Well, this very Wednesday, October 24th,

00:09:55

I was excited to come home to some string cheese. The very last one.

00:09:59

I'd been saving it all week.

00:10:01

-All week until Wednesday? -That is correct.

00:10:04

I measure my weeks Thursday to Wednesday.

00:10:06

-Why would you-- -Tangled Fog of Pulsating Yearning?

00:10:08

Emperor Finger-Face has the floor.

00:10:10

I was gonna melt it down and then sculpt it into a Mozzarella Cinderella!

00:10:14

But when I got home, my string cheese was gone!

00:10:18

Doesn't mean I took it.

00:10:19

Tangled Fog, watch yourself. Or I'll turn on this fan.

00:10:21

Well, this morning you said yourself that when it comes to eating,

00:10:25

-you just grab whatever you can. -Can we use "I" statements?

00:10:29

[shouts]

00:10:29

Ai, ai, ai! You took my cheese!

00:10:31

You probably ate it yourself during one of your night terrors!

00:10:34

We know you opened the fridge. You put my keys in there.

00:10:36

I can't eat while I'm terrified.

00:10:38

That's why I'll never know the delicious crunch of Count Chocula.

00:10:42

[shudders]

00:10:42

-That still doesn't mean I took it.

00:10:44

-You will both have a chance to-- -Come on!

00:10:46

We both know you drift around the apartment like you own the place.

00:10:50

-It's my apartment! -

00:10:50

[shouts and thumps]

00:10:50

And it's my cheese!

00:10:53

Oh, boy.

00:10:54

[tires screech]

00:10:56

[grunts]

00:10:56

Who do you think you are? -

00:10:56

[gasps]

00:10:56

Uh...

00:10:58

-I'm Dr. Indir-- -I know who you are!

00:11:00

You know how many therapists there are named Indira?

00:11:02

Google filled in your last name for me.

00:11:05

Why did you tell Diana that she needed space from me?

00:11:07

Would you like to have a seat?

00:11:08

No, I don't wanna "have a seat," and here's why.

00:11:11

Therapists are manipulative leeches...

00:11:16

So, when Jerry Lewis mistook me for the valet, he was carrying so much pain I could never fathom.

00:11:22

-Mm... -And that realization allows me to forgive. Not for his sake, but for mine.

00:11:28

-Mm-hmm. -Wow. How long was I talking?

00:11:30

I hope that was cathartic for you. You wanna come back same time tomorrow?

00:11:33

Wait a minute, I see what's going on here. Are you... my new best friend?

00:11:38

[sighs]

00:11:38

Uh...?

00:11:40

Ugh, I'm sorry, I feel like I'm hogging all the conversation.

00:11:44

There's definitely more to your story than mine.

00:11:46

Mine's more like a secondary story. A B-story, if you will.

00:11:50

I have a feeling it will continue to offer a light alternative, as my story gets increasingly serious.

00:11:54

Let's continue to switch back and forth between our stories, pausing at their most interesting moments.

00:11:59

That feels like the most natural way to have a conversation.

00:12:02

Well, while I was talking to BoBo,

00:12:04

Diana was trying to keep things together

00:12:06

-on set. -I thought it was my turn.

00:12:07

[gasps]

00:12:07

Oh, my God! Oh, my God. -

00:12:07

[Diana]

00:12:07

Okay, cut?

00:12:11

[buzzer blares]

00:12:11

-Why is Sassy saying "Oh, my God?"

00:12:14

I just figured, we've got all these people here, we might as well film some stuff.

00:12:17

Presumably something shocking will happen, and then if it does, we have a shot of you saying,

00:12:17

[mimics Gino]

00:12:17

"Oh, my God!"

00:12:23

-Makes sense. -Diana, can I talk to you for a sec?

00:12:25

I know you're going through something, and need boundaries, but this isn't personal,

00:12:29

-it's about the show. -Ah!

00:12:30

[Diana grunts, sighs]

00:12:30

What is it?

00:12:32

I lied. It's a 100% personal.

00:12:33

-What? -But it's good! You're gonna like this.

00:12:35

-Remember you said you needed space? -Yes.

00:12:37

When you told me that, I didn't take it well.

00:12:39

-Uh... -But I made a new friend,

00:12:40

-so everything is good now. -Oh. Well, that's great.

00:12:43

I'm glad you think so because, fun twist,

00:12:45

-it's Dr. Indira. -What?

00:12:46

I'm seeing Dr. Indira now, as a friend. Dr. Indira's my new friend.

00:12:49

-No. -What?

00:12:50

It's great that you would wanna talk to someone, and you should!

00:12:53

But she's mine. I really need her to just be mine.

00:12:56

-Can you understand that? -

00:12:56

[sighs]

00:12:56

Yeah.

00:13:01

Diana asked me not to be friends with you, so out of respect for her,

00:13:05

I think it's best that I continue seeing you behind her back.

00:13:10

We can still do our lunchtime hang outs, but to cover our tracks,

00:13:13

I'll compensate you for your time on the books.

00:13:15

It'll seem as if you have a client.

00:13:16

And, to be safe, we should invoke a therapist-to-friend confidentiality.

00:13:19

How's that sound?

00:13:23

So, in my dreams, I'm Philbert, and sometimes when I wake up,

00:13:26

I don't know if I'm Philbert or if I'm me,

00:13:28

-or if I'm still dreaming. -

00:13:28

[watch beeping]

00:13:30

Oh, that's our time of friendship hour.

00:13:33

I'm just so glad that I can help break up your day of listening to whiny babies with some entertaining lunchtime convo.

00:13:39

Should I have told him what we were doing was therapy?

00:13:41

On some level, he must have known what was going on.

00:13:44

What I don't understand is, if you knew Diana asked him not to see you--

00:13:47

I'm a therapist. A doctor heals. A DJ spins.

00:13:51

Jessica Chastain takes whatever gig Amy Adams says no to.

00:13:54

My job is to listen.

00:13:56

And at that moment, BoBo needed someone to listen.

00:13:58

I know the feeling.

00:13:59

Okay, we've been going back and forth for two hours.

00:14:03

Can we take a break? I gotta use the bathroom. If I even can!

00:14:06

Maybe it's just another hand down there! Guess I'll find out!

00:14:10

Why not just say you took the cheese?

00:14:12

-Because I didn't. -You want an office, right?

00:14:14

There's nothing wrong with telling a small lie to avoid a fight.

00:14:18

I do it all the time with my wife, Doctor, uh, Underwear.

00:14:22

-Heh? -I love your new hairstyle, honey.

00:14:25

-Did you not like my new hairstyle? -Oh! Um... Back to my story...

00:14:30

All you have to do is tell Emperor Finger-Face what he wants to hear.

00:14:34

Fifty-nine cents worth of edible string for a brand-new office?

00:14:37

Wouldn't you take that deal?

00:14:39

So, turns out I can use the bathroom, but it comes out in tiny cubes!

00:14:44

Hey. I took the string cheese.

00:14:46

Ha, ha! I knew it!

00:14:48

Wonderful. So, she can replace the cheese and you'll give her an office. We did it!

00:14:52

Great! Let me just grab my pen.

00:14:54

-But even if I did take the cheese-- -Which you just admitted you did!

00:14:59

Would I be in the wrong?

00:15:00

I mean, it is kind of a "fair game food," don't you think?

00:15:03

-What? -It's not like it's a sandwich.

00:15:05

Some foods are just widely understood to be up for grabs.

00:15:07

-No. You guys. -

00:15:07

[Finger-Face]

00:15:07

Okay.

00:15:09

Well, then let's make a list of fair game foods.

00:15:12

Grapes. Fair game. Eggs. Fair game. An unsliced pie. Not fair game.

00:15:17

A sliced pie. Fair game. The last slice. Not fair game.

00:15:22

Then let's also make a list of what's fair game to me in my apartment.

00:15:25

Oh, that's right, everything, you literal knucklehead.

00:15:28

Oh, ho-ho! That's a solid diss coming from a gas.

00:15:33

Please, you two, we can still reach an agreement.

00:15:35

I don't know. I think this might go beyond simple mediation.

00:15:38

-No! -Damn it, we're going to arbitration!

00:15:41

[shouts]

00:15:41

Nooooooooooooo!

00:15:44

Hey, Flippy. I got everyone saying, "Oh, my God." How's it going in here?

00:15:49

"Interior sub. Philbert. Philbert. Flap, flap, flippy, flap. Fart. Barf.

00:15:55

Barf me a river, fartbag."

00:15:56

[squeaking]

00:15:58

What's going on in here?

00:16:00

[squeaking continues]

00:16:03

If it relieves any pressure,

00:16:05

I don't know that everyone thinks you're a brilliant genius.

00:16:09

I think we need to simplify.

00:16:10

Let's start with Fritz. Is he a ghost or is he not a ghost?

00:16:14

Can't he just be a ghost?

00:16:17

So, why is Philbert seeing a ghost? Maybe he feels haunted?

00:16:22

And Fritz represents that? What is haunting Philbert?

00:16:26

That's great. But also... Maybe something involving a submarine?

00:16:33

You keep thinking.

00:16:34

Hey, are we about to shoot something?

00:16:36

I'm meeting a friend for lunch. You don't know her.

00:16:38

It's gonna be a while still.

00:16:39

Flippy is working through his "process." And I am helping.

00:16:43

Sounds good. Just remember, you are not responsible for the dysfunction of others.

00:16:47

What?

00:16:48

I'm just saying don't let him get you down.

00:16:50

Where did you hear that? About the dysfunction of others?

00:16:52

I don't know. Just around. It's a thing people say.

00:16:55

[Diana]

00:16:55

Mm...

00:16:56

Hey, are we gonna get new pages today or what?

00:16:58

W-w-wait, did you say "Princess Carolyn"?

00:17:00

I'm sorry, "Priscilla Crustacean."

00:17:04

Vamanos, on the pages, okay?

00:17:05

I've been here all day today, Wednesday, October 24th, waiting for something to shoot. Andele, andele, andele!

00:17:12

I think your Priscilla Crustacean is the same person as my Tangled Fog of Pulsating Yearning in the shape of a woman!

00:17:19

And if she was on set all day Wednesday, that means--

00:17:22

Bu-- Hold on, I'm getting to the juicy part.

00:17:25

As soon as I get the thing, I don't want it anymore.

00:17:28

It feels cheap. So, no, I wouldn't like a bottle of water.

00:17:31

[Diana grunts]

00:17:31

-Emotionally naked!

00:17:33

-I knew it! -Diana! Let me explain.

00:17:34

How long has he been your client?

00:17:37

-Not a client. -Three--

00:17:38

Days. Friends for three days.

00:17:40

I asked you not to see her.

00:17:42

I asked for one part of my life that I could have to myself.

00:17:45

News flash, you're not the only one going through shit.

00:17:47

Maybe if I could talk to you,

00:17:49

I wouldn't need to be looking for other friends.

00:17:51

Diana, is there anything you'd like to discuss with BoBo?

00:17:54

We can do it right here. This is a safe space.

00:17:56

No. This doesn't feel like a safe space anymore.

00:17:59

I can't keep coming here if I know you're also seeing him.

00:18:03

Then it sounds like our time together is done.

00:18:07

What?

00:18:07

You're setting a boundary. It is good.

00:18:09

Go forth with the tools I've given you.

00:18:11

Live your life, Diana. Like a candle in the wind.

00:18:14

-I can't believe this is happening. -I think BoBo needs me more.

00:18:17

-Would you like validation? -No.

00:18:19

Your validation is worthless to me now. You two deserve each other.

00:18:22

[grunts]

00:18:24

Oh, you meant parking validation. I actually would like that.

00:18:27

Wow, I can't believe you chose BoBo over your client of seven years.

00:18:31

At a certain point,

00:18:32

I can't hold myself responsible for other people's dysfunction.

00:18:35

I mean, that is kind of your job.

00:18:38

But at least now you can help the Angsty Zebra, right?

00:18:40

Well...

00:18:42

-Okay. Now for the real work to begin. -Real what now?

00:18:45

You did the hard part, admitting you need help.

00:18:47

Did I admit that?

00:18:48

And now comes the even harder part, getting the help.

00:18:51

-Let's talk about your mother. -You know what? This has been great.

00:18:54

I got what I wanted and I made so much progress!

00:18:56

So, I think I'm done?

00:18:58

-Yes. You did it! -I--

00:18:59

You changed my stripes! Dr. Indira, you're great at your job!

00:19:02

-Goodbye forever. -W-w-w-wait!

00:19:04

I can't believe I lost two clients in one day.

00:19:07

You're focusing on the negative.

00:19:09

I'm sure you helped them in ways you'll never know.

00:19:15

This area's all mine. This is fair game. Ya see the line?

00:19:19

What about popcorn?

00:19:20

Popped is mine. Unpopped is fair game.

00:19:23

[ringtone playing]

00:19:23

[phone beeps]

00:19:24

-Hello? -

00:19:24

[Mary-Beth]

00:19:24

Todd.

00:19:26

Princess Carolyn was on set all day, the day of the string cheese theft.

00:19:29

She was not home when the cheese went missing, rendering any arbitration agreement made under those conditions null and void.

00:19:36

Whoa! Thanks a lot, Mary-Beth.

00:19:39

Just doing my job, kid. A doctor heals. A DJ spins.

00:19:42

Bryce Dallas Howard takes the gigs, Jessica Chastain says no to.

00:19:46

And Mary-Beth mediates.

00:19:49

So, it sounds like you didn't take my string cheese.

00:19:52

That's what I've been saying!

00:19:53

I don't even know why we had to go through corporate mediation in the first place!

00:19:56

I guess I just wanted it to be a workplace dispute, because I thought if you knew it was a roommate dispute, you might kick me out.

00:20:03

I'm not gonna kick you out. I like having you around.

00:20:06

Oh, really?

00:20:07

Who else would I get to keep my keys cold?

00:20:09

You know, I have this job now.

00:20:12

Maybe I could start paying, I believe it's pronounced "roaunnt?"

00:20:17

Rent? Well. That's a great idea.

00:20:19

But I also need my own space. Which is why I wanted that office.

00:20:23

Well, then, let's get you that office. I just need to grab my pen.

00:20:29

-Hey! -Ugh!

00:20:32

Hey. I want to apologize... for my behavior at Dr. Indira's.

00:20:39

-Don't worry about it. -She was right.

00:20:40

You need her more than I do. And I think she can really help you.

00:20:44

Help with what?

00:20:45

I was looking for someone to hang out with during my lunch.

00:20:47

I didn't want some psycho-babbling quack job telling me to get in touch with my feelings.

00:20:52

-Who needs that? -I do. I need that.

00:20:54

You don't anymore! She said it herself, you're fixed!

00:20:57

And then after you left, I was like,

00:20:58

"Hey, if Diane doesn't need this, I don't need this."

00:21:01

Wait, you quit?

00:21:02

Yeah, I'm not someone therapy works on. I might be too smart.

00:21:05

Oh, my God. You haven't changed at all.

00:21:07

Whoa, whoa. Diane, no, no. I'm not the problem here.

00:21:10

None of this would have happened if I felt like I could talk to you, my friend, after my mother died.

00:21:14

So, would you like to talk about your mother?

00:21:17

No, I'm just saying as an example.

00:21:19

Why do you bring things back to my mother?

00:21:20

I can't keep playing this game with you.

00:21:22

You say you wanna get better and you don't know how.

00:21:25

Well, here's me, your friend, telling you how: get therapy.

00:21:29

Otherwise, don't waste my time.

00:21:31

Uh, you heard Dr. Indira. She said we don't need her.

00:21:34

She said I don't need her!

00:21:35

I know, but you're just as screwed up as I am.

00:21:37

-So, if-- -I am not as screwed up as you are.

00:21:40

Diane, it's me. Come on. We're the same.

00:21:43

[gasps]

00:21:43

We are not the same!

00:21:47

[Diane grunts]

00:21:47

-Whoa.

00:21:48

[Diane huffs, hums]

00:21:48

[typing]

00:21:50

Whoa.

00:21:51

That's good stuff. We're doing it, Diane. We're doing it!

00:21:57

I wanna thank everyone for being so kind this week.

00:21:59

Losing a mother is not easy, but I am so lucky to have the support system of my Philbert family.

00:22:05

You know who I really feel bad for is my dad.

00:22:07

He's out on that farm all by himself, and-- Oh, my God. My dad is dead!

00:22:12

[all]

00:22:12

Aw. -Cheer up, everyone!

00:22:14

-We got new pages! -All right!

00:22:16

We're gonna film in the living room with Philbert and Sassy Malone first.

00:22:19

We're moving into the submarine for the flashback.

00:22:21

No time to learn lines. We gotta make up for the lost days, so we're gonna put the whole thing on cue cards. Let's go!

00:22:26

-All right, everybody stand back. -

00:22:26

[murmurs]

00:22:28

[sobbing]

00:22:30

We need lights on the living room!

00:22:31

And action!

00:22:33

Tell me what happened in the submarine, Philbert.

00:22:35

We were doing a routine submarine sting operation.

00:22:39

Things got outta hand.

00:22:40

-Hey. Who do you work for? -Well, I sure as hell don't work for tips.

00:22:44

[chuckles]

00:22:44

[men gasping]

00:22:46

Okay. Hey, Fritz. Be cool. Everybody cool.

00:22:48

We are in a pressurized submarine in the middle of the Bermuda Triangle.

00:22:52
Mm.

00:22:53
Easy...

00:22:53
[inhales]

00:22:55
[all gasping, grunting]

00:22:55
[gunfire]

00:22:59
-Oh, my God! You killed them all? -We had to.

00:23:02
These poor guys.

00:23:03
I wonder if they had kids, families who will never know--

00:23:06
Can you just say the lines, please?

00:23:08
Barf me a river, fartbags.

00:23:10
We gotta make this look like an accident.

00:23:12
You grab the contraband, I'll set up the explosives.

00:23:12
[panting]

00:23:14
[BoJack]

00:23:14
I went to the room where they were keeping the stuff.

00:23:18
-Only there was no stuff. -Oh, my God!

00:23:21
There was a girl there. She couldn't have been older than 17.

00:23:25
Bring in the girl!

00:23:26
What? What is this?

00:23:27
Keep going! We gotta get this tonight!

00:23:30
[Gina]

00:23:30
A girl?

00:23:31
[BoJack]

00:23:31
They weren't smuggling drugs. They were smuggling... her.

00:23:34
-Hey. Are you okay? -Yeah, I'm fine. Just do the scene.

00:23:37
[Bojack]

00:23:37
I told her it was going to be okay.

00:23:39
And... she kissed me.

00:23:40
Wha--?

00:23:42
What did you do to her, Philbert?

00:23:43
Nothing. Like I said, she kissed me.

00:23:46
-Kiss her back. -What?

00:23:47
We need to get you kissing her back.

00:23:49
-What? -Kiss me, you idiot.

00:23:51
Kiss her!

00:23:51
[both moaning]

00:23:54
This whole thing is gonna blow. We gotta bounce, amigo.

00:23:56
If Fritz hadn't come, what would you have done with the girl?

00:23:59
[Bojack]

00:23:59
Part of me is sure I couldn't go through.

00:24:01
But another part knows that's a lie.

00:24:03
-We can't just leave her. -

00:24:03
[whimpering]

00:24:04
Use your brain, Philbert!

00:24:06
Malone, you gotta believe me. I'm a good guy.

00:24:08
If I'd known she was there, I never would've--

00:24:10
-Tell me what happened. -I'll be back.

00:24:12
-You wait right here. -Come on, loverboy.

00:24:15
You kissed a young girl and then left her to die.

00:24:19
I'm a good guy. I didn't know that she was--

00:24:22
You have to understand, I'm a good guy.

00:24:23
-She trusted you. -How do you make something right when you've made it so wrong, you can never go back?

00:24:30
How did you come up with all this?

00:24:32
It's a story I heard once. I just changed all the names.

00:24:35
I'll never forget that night on The...

00:24:38
U.S.S. New Mexico.

00:24:40
Why are you telling me all this?

00:24:41
It's just good to have someone to talk to.

00:24:44
[Flip]

00:24:44
Cut!

00:24:45
[buzzer blares]

00:24:45
-Amazing! I'm a genius!

00:24:52
[music playing]

Ep 8 — Mr. Peanutbutter's Boos

00:00:05

["Toccata and Fugue in D Minor" playing]

00:00:09

Halloween. Fright Night. Spook-tober 30-cursed!

00:00:15

Oh, there's the light switch. I'm still getting used to this new house.

00:00:18

I just bought it and it's the '60s! No, I'm just kidding!

00:00:21

It's 1993, and I'm wearing a costume!

00:00:23

Groovy threads! But you just got drafted, hippie!

00:00:27

-Hmm? -Into the cutest husband army!

00:00:30

[laughs, moans]

00:00:30

-Aw!

00:00:32

Where's your costume?

00:00:33

Can't I just wear a dumb hat and say I'm Blossom?

00:00:35

In my opinionation... Yes.

00:00:37

I am so excited to go to a real Hollywood party with my husband the TV star.

00:00:43

Just do me a favor and don't leave me alone, okay?

00:00:45

-Okay! -Now hurry up and finish getting ready.

00:00:48

I'm kidding.

00:00:49

Can you imagine if I spoke to you like that?

00:00:51

I really can't!

00:00:52

Next time, we're doing a couples costume, though!

00:00:55

It's the perfect way to tell the world that you are completely on the same...

00:00:59

- paaaaage? -What are you wearing?

00:01:01

I thought we were going as Rachel McAdams and Ryan Gosling in the this-year 2004 hit film The Notebook.

00:01:06

Ooooooh! You just said, "The Notebook."

00:01:09

I thought you were gonna be, like, a pen or something.

00:01:11

The important thing is we both look super-cute, and everyone is gonna be, like,

00:01:15

"Hey, is that Jessica Biel from the upcoming Blade: Trinity?"

00:01:18

And I'll say my famous Blade: Trinity catchphrase, "Stop goofin' around, Blade!"

00:01:22

Are you sure you're gonna be okay at this party?

00:01:25

Whenever I went with Katrina, we'd always end up in a big fight.

00:01:27

Well, I'm not Katrina. This is gonna be fun.

00:01:29

Okay. I just know you're afraid of mummies.

00:01:32

And since it's Halloween, we might see some mummies.

00:01:34

I'm not afraid of mummies.

00:01:36

I just don't like them because of an incident... from my past.

00:01:41

Will you stay on the lookout and keep those creepy corpses away?

00:01:44

I'll be sure to make a mental note of it!

00:01:47

I'm a notebook.

00:01:49

I'm not sure I get our costumes.

00:01:50

You're the guy from The Hangover.

00:01:52

The first one, which just came out this year. Why did I say "first one?"

00:01:55

There's only one Hangover movie, and it's 2009.

00:01:58

-And you are...? -Your Baby Bjorn Borg.

00:02:03

Famous '70s tennis player!

00:02:04

-And what's with the robot stuff? -Borg. From Star Trek?

00:02:07

And you're also a baby?

00:02:08

In The Hangover, the guy had a Baby Bjorn. Baby Bjorn Borg.

00:02:12

-Seems like a lot of explaining. -People will get it.

00:02:15

Anyway, we are going to have fun at this party!

00:02:18

You said BoJack Horseman is gonna be there?

00:02:20

Oh, my God. I'm so nervous.

00:02:22

I'm not! Every Halloween party I went to with one of my ex-wives, we'd get in a huge blow out.

00:02:27

I am so relieved that you are fun and easygoing,

00:02:30

-so there's no danger of that happening! -Mm-hmm...

00:02:33

I love that we both love parties. But more than that...

00:02:36

-I love you. -Aw, I love you, too.

00:02:38

And I love these costumes!

00:02:40

But tell me one more time, what are these costumes?

00:02:42

We're new social media app sensation Tweed Feed!

00:02:46

It's Insta plus Snapchat... if they both boinked Friendster, which I guess was a thing in the '70s?

00:02:52

[chuckles]

00:02:52

Believe you me. This party is going to be dope. Booyah!

00:02:57

It'll be off the heezy fo' sheezy.

00:03:00

OMG, it's gonna be cray-cray!

00:03:02

Turnt! This is going to be the best Halloween ever!

00:03:06

[theme music playing]

00:04:04

Wow. My first fancy Hollywoo party. "I'm ready for my close up!"

00:04:08

Nice!

00:04:09

-Sunset Boulevard? -I usually take Fountain.

00:04:12

BoJack must really love Halloween if he has this big bash every year, huh?

00:04:16

Oh, yeah, he's a real fiend for the 'ween.

00:04:18

[doorbell rings, horse neighs]

00:04:20

-Who are you and what are you doing here? -

00:04:20

[chuckling]

00:04:20

Good one!

00:04:23

Pretending not to know your old friend Mr. Peanutbutter.

00:04:25

Why are you at my house?

00:04:26

Remember when I invited you to my Halloween party, and you said,

00:04:29

you'd love to come, but couldn't

00:04:31

because you were having your own Halloween party?

00:04:33

Oh, right.

00:04:33

Well, I'm sure my guests will show up any minute, so, you should probably go.

00:04:37

Well, I figured, "Hey, why not have a crossover party?"

00:04:41

So, I brought my party, wait for it, to you!

00:04:45

That was the first ever "Wait for it!" It's 1993!

00:04:48

-Uh... -Come on in, guys!

00:04:50

[cheering]

00:04:50

[music playing]

00:04:51

-Um... -

00:04:51

[doorbell rings, horse neighs]

00:04:54

God damn it, why are you here?

00:04:56

At the end of last year's Halloween party, you said, "Let's do this again next year,"

00:05:00

like you've said at every Halloween party for the last 11 years!

00:05:03

[cheering, whooping]

00:05:04

That does not sound like me.

00:05:07

Oh, no. Mr. Peanutbutter? Partygoers? No. Is it--

00:05:11

Sure is!

00:05:12

Happy "Your 25-Years-Running" Halloween Party!

00:05:15

[cheering]

00:05:15

-Hallo-ween! Hallo-ween!

00:05:17

-Hallo-ween! Hallo-ween! -No. Don't. Please. Don't. No. You see--

00:05:21

So, we're having a party? Why didn't you say this was happening?

00:05:23

Because I hate that it happens. I take no action to make it happen.

00:05:26

Every year, I pray that it won't happen, and it keeps happening anyway!

00:05:29

I feel like an idiot being at a Halloween party without a costume.

00:05:32

-Who cares? I don't have a costume. -Uh, you're wearing a costume.

00:05:35

Do you mean, in the sense that we all wear costumes, such as we reveal facets of ourselves to those closest to us, but our truest selves remain hidden?

00:05:42

No, in the sense that you are literally wearing a costume

00:05:45

-from the TV show we both work on. -Oh, yeah!

00:05:47

I'll go to Rite Aid to see what I can arrange.

00:05:48

Don't let the party end before I get back.

00:05:50

I definitely will let it die down!

00:05:54

Oh, shit, the Halloween party.

00:05:56

[guests chattering]

00:05:56

[music playing]

00:05:59

Oh. Hey, careful with the-- I'm sorry. Can you put a coaster--

00:06:01

[doorbell rings]

00:06:01

-Can someone--?

00:06:03

-You! Marv's intern! -

00:06:03

[grunts]

00:06:04

-You're on door duty. -You got it!

00:06:06

[glass shatters]

00:06:06

-I'm very good at opening doors.

00:06:08

Do you have any candy for trick-or-treaters?

00:06:10

No. I don't know. Just hand out these Emmy screeners.

00:06:12

I'm on it.

00:06:13

Those kids'll be holding out their hands for Franz.

00:06:16

Why grip a Twix when you can Sip-o-wicz?

00:06:18
What? I don't-- Just keep answering the door until I tell you to stop.

00:06:22
-You got it, chief! -

00:06:22
[doorbell rings, horse neighs]

00:06:25
-Diane! What are you supposed to be? -An annoyed writer who hates Halloween.

00:06:29
Well, you are nailing it.

00:06:31
I'm just here to drop off pages for BoJack. How's the party?

00:06:34
I wouldn't know. I'm stuck on door duty, like always.

00:06:37
[doorbell rings, horse neighs]

00:06:38
Trick or treat!

00:06:40
No. You are way too old to be trick-or-treating, and way too young to be a guest at this party.

00:06:44
Oh, no! Why did I give you the option of trick or treat? I just wanted treat!

00:06:49
Come back when you're five years older, or three years younger.

00:06:52
[doorbell rings, horse neighs]

00:06:53
How 'bout now?

00:06:54
Okay. Come on in.

00:06:56
-Whoa! Cool house. -Oh, thank you.

00:06:59
-It's not mine. It's my boyfriend's. -Really?

00:07:02
-Why does he make you answer the door? -No, he doesn't make me, he's--

00:07:06
Oh, my God. You're right! What am I doing? What am I doing with my life?

00:07:10
Uh, well, judging by your outfit, I'd say you're a pilot of some sort?

00:07:13
I moved to L.A. when I was 18 and now I'm 35!

00:07:16
-Everything's happening so fast! -Oh, no! I'm 18!

00:07:20
Am I going to be 35 soon? That's when they make you president!

00:07:23
I don't want that! That's too much responsibility!

00:07:26
I can't do this anymore. You! Take my shift!

00:07:29
Oh, no! The responsibilities are already starting!

00:07:32
I gotta live my life!

00:07:33
I deserve to be adored by a man, yet here my dreams lie dormant!

00:07:36
I don't mean to get mordantly morbid, but did I get all adorably adorned to get bored manning doors? No more!

00:07:43
Okay, this cider has not been sufficiently alcoholed.

00:07:46
If I'm trapped here with all you losers, I'm at least getting drunk.

00:07:50
[sips]

00:07:51
Whoa! God! I think somebody spiked the cider!

00:07:53
[chuckles]

00:07:53
Well, I guess one drink won't hurt.

00:07:56
No, I get that it's the X-Files.

00:07:57
I'm just saying, what happened to the "A" through "W" Files?

00:08:01
I wanna see that show. More files!

00:08:03
-Hey. -Oh, hey, there you are!

00:08:04
Sweetheart, you disappeared while I was in the bathroom.

00:08:07
Oh, I'm sorry, I guess I just got distracted by the fun party.

00:08:11
But I will not leave your side agai-- Oh, my God, is that Erica?

00:08:14
No, no, please don't go talk to Erica.

00:08:16
Katrina. Erica doesn't know anybody else at this party.

00:08:19
It would be rude to leave her all by herself.

00:08:21
Well, can I at least come with you?

00:08:23
You know Erica can't talk to two people at once on account of her split-brain procedure!

00:08:27
Why don't you go talk to, uh... the teacher from Ferris Bueller's Day Off?

00:08:30
Ben Stein?

00:08:31
I'll bet that famously boring man is a blast at parties. I'll be right back.

00:08:35
-No, don't-- -Erica! Love the costume!

00:08:38
Where did you find such a hideous--? Oh, my mistake, I'm so sorry.

00:08:41
Ugh!

00:08:45
Are you sure this is a good idea, 13-year-old Todd?

00:08:47
It's part of the Halloween Code.

00:08:50
If you don't give teenagers candy, they're going to TP your house.

00:08:53
Okay.

00:08:54
[grunts]

00:08:55
[grunts]

00:08:56
[grunts]

00:09:00
Okay, I've scoped out the party, and I've yet to see a single mummy.

00:09:03
As Margaret Thatcher's children often asked,

00:09:06
[imitating child]

00:09:06
"Is Mummy coming to see us?"

00:09:07
[normal]

00:09:07
And as their nanny always replied,

00:09:09
[British accent]

00:09:09
"Not tonight."

00:09:11
-Thank god. -

00:09:11
[normal voice]

00:09:11
I have to ask, what is the deal with the mummies?

00:09:14
Okay. I auditioned for The Mummy movie.

00:09:17
-The one with Brendan Fraser? -Ooh!

00:09:19
And I thought everything was going well, and then something really traumatic happened.

00:09:23
-Oh, my God, what? -I, uh... I didn't get the part.

00:09:29
That's it? You just didn't get it?

00:09:31
I really wanted it! And it still haunts me!

00:09:33
It's my one major career disappointment as of 2004, so could you please do me this one thing and make sure I don't see any mummies?

00:09:40
I promise. No mummies.

00:09:42
Remember that time that lady freaked out 'cause she saw a mummy?

00:09:45
[BoJack and Pickles laughing]

00:09:46
-Who was that lady? -Uh, that was actually Jessica Biel.

00:09:50
Who?

00:09:50
[chuckles]

00:09:51
-One of my ex-wives? -Oh, yeah!

00:09:53
You've brought so many wives and girlfriends to these parties,

00:09:55
-I cannot keep track. -Well, don't forget about Pickles, huh?

00:09:59
Uh, what? Why is the waitress here talking about pickles?

00:10:02
Somebody order pickles?

00:10:03
No, BoJack, this is my girlfriend. Her name is Pickles.

00:10:06
You can remember because if you look at me, and don't recall my name, you'll think,

00:10:10
"Who is this person? I'm in a real pickle!"

00:10:12
And then just know that my name is like the thing that you're in, but with an "S" at the end.

00:10:16
-What? -I'm Pickles!

00:10:18
-My last name is Aplenty! -Do I need to know this one?

00:10:21
-Is she gonna be around for a while? -

00:10:21
[chuckles]

00:10:24
I like that you're razzing me.

00:10:25
It really makes me feel like one of the gang.

00:10:27
If he teases you, that means he likes you.

00:10:30
What? Is that what people think when I tease them?

00:10:33
[gasps]

00:10:35
[sighs]

00:10:35
Cool.

00:10:37
Remember the year that Pinky won the costume contest, but then it turned out he'd just lost all his belongings in a fire, and those clothes were all that he owned?

00:10:44
[laughing]

00:10:44
[gulps]

00:10:44
That was classic!

00:10:46
Oh, shit, I gotta go run the costume contest.

00:10:49
Ow! My back! Why'd I do that?

00:10:51
It sounds like you all have a lot of history.

00:10:54
Yeah. I can't believe we've been doing this party since '93.

00:10:57
-That's the year I was born! -I... did not realize that!

00:11:02
[chuckles]

00:11:02
Hey, cheers!

00:11:04
[gulps]

00:11:04
[Diane sighs]

00:11:05
Are you having fun?

00:11:07
Yeah, I'm having a great time explaining my costume to people over and over again.

00:11:11
Hey, here's a thought: if you don't get someone's costume, you don't need to tell them! Just live your life!

00:11:17
-Do you wanna leave? -No, no, no, no! I'm fun!

00:11:20
I don't want to leave!

00:11:20
[chuckles]

00:11:22
I wanna leave!

00:11:24
Who has the yellow military assault vehicle blocking me in?

00:11:27
-Oh, that's me! -Since when do you drive a Hummer?

00:11:30

Company car. I just like it 'cause it matches my hat.

00:11:33

Plus, lots of room for the golf clubs, and, boy, does that kitten purr.

00:11:37

Why don't you take her out for a spin and see how she handles?

00:11:41

What is his costume?

00:11:42

-Diane! Hi! -Hey...

00:11:46

Am I on the hit Priscilla Barnes vehicle Three's Company right now, because three's company.

00:11:51

-I'm just trying to get out of here. -Oh, my gosh, Diane,

00:11:54

I just want you to know that I know that you and Mister have a history...

00:11:57

-"Mister?" -And I'm fine with it, and there's no reason we should be awkward around each other, or jealous, you know?

00:12:03

-I'm not jealous of you. -Okay, good.

00:12:05

I'm not jealous of you either, even though you are really intimidating.

00:12:09

But if we were jealous of each other, that would be very normal, so either way, it's totally cool. Totally cool.

00:12:09

[hiccups]

00:12:17

Should we do shots together to, like, celebrate how normal we're being?

00:12:21

Yeah, this is a good situation.

00:12:24

Okay, bye, Diane!

00:12:25

-Did I screw up? I'm so stupid. -No. That's just Diane.

00:12:29

She doesn't like parties and she hates fun.

00:12:32

-Oh! -No, that's not fair. She used to be fun.

00:12:35

In fact, when we first started dating, my favorite thing about her was that she was so much more fun than my other ex-wives.

00:12:40

Oh, we're talking about your exes again! That's great.

00:12:43

Of course, Jessica used to be fun, too.

00:12:45

That's why I started seeing her after Katrina because Katrina was so mean and cynical, and Jessica was sweet and full of life.

00:12:52

Yeah, she sounds awesome.

00:12:54

But, actually, now that I think about it, when I first met Katrina, she was also full of life.

00:12:59

Do you want another drink? I'm going to get another drink.

00:13:01

Oh, my God. What a weird coincidence.

00:13:04

Why do all these idealistic, vivacious women eventually turn bitter and cruel after being with me? What's the common denominator?

00:13:12

[guests chattering]

00:13:12

[laughter]

00:13:15

Ugh.

00:13:15

[sighs]

00:13:16

-Hey, buddy. -Ugh.

00:13:19

The conga line leader accidentally led us right into the pool.

00:13:22

I've never felt so alive!

00:13:24

-You should've been there! -I want to go home now.

00:13:26

-What? But this party is so fun! -It's not fun for me.

00:13:29

'Cause I don't know anyone here.

00:13:31

Of course you do. Just-- BoJack! You remember my wife Katrina.

00:13:35

-Huh? No, I do not. -This is going great.

00:13:37

-I'm gonna go dry off. You two chat it up. -No, Mr. Peanutbutter, please.

00:13:41

[exhales]

00:13:42

Thank you for hosting this party.

00:13:45

So fun.

00:13:47

-What's the story on the hat? -It's a Blossom costume.

00:13:50

Oh, shit, that's right! It's Halloween. I need a costume! Good call, stranger!

00:13:54

Ugh.

00:13:56

So, I love parties, as you know, but maybe we should go soon?

00:14:01

There are so many famous people here, it's actually making me kind of anxious.

00:14:05

Diane! Famous people are just like you and me.

00:14:09

Well, like me, because I am one.

00:14:11

Mom? No, I can't talk right now. Can I call you tomorrow?

00:14:14

Or is this the one night a year you emerge from your crypt?

00:14:16

Go introduce yourself. I'm sure he'd love to meet you!

00:14:19

-Or we could just go home? -No, come on.

00:14:22

It's Halloween, a night to face your fears.

00:14:24

That's why they call it Halloween!

00:14:26

So, you can wean yourself off of having fears!

00:14:29

Say "Hallo" to weaning!

00:14:31

[Diane whimpers]

00:14:33

Okay. Todd's Hummer is now blocked in by a blue Tesla.

00:14:37

I'm looking for the owner of a blue Tesla.

00:14:40

Studies say buying used is actually better for the environment, but, hey, you tried, and subsequently trapped me at this party!

00:14:46

[both]

00:14:46

Oh.

00:14:47

-Hi. -Hi.

00:14:48

-So, thanks for the new script pages. -You got it.

00:14:52

Hey, listen. That submarine scene...

00:14:56

You wanna talk about it?

00:14:59

-No? -Okay.

00:15:00

We'll just put that in the large bucket of things we don't talk about.

00:15:03

-What is that supposed to mean? -That you didn't wanna talk about it.

00:15:05

[groans, grunts]

00:15:10

[gulps]

00:15:10

This party sucks.

00:15:13

Hey, doorman! I don't have a costume.

00:15:15

And I don't wanna look stupid at my own bitchin' Halloween party.

00:15:17

Okay, I've got an idea.

00:15:21

There. You're a one-night stand. Get it? Nightstand?

00:15:24

Nice! You should be a producer or something.

00:15:27

-Ha, ha. Yeah, right! -

00:15:27

[doorbell neighs]

00:15:28

-But not yet. Keep manning the door. -

00:15:28

[sighs]

00:15:28

Yeah.

00:15:32

Ah! All dry! Sorry, I got a little distracted on the way back by some people with a Ouija board.

00:15:37

A dead soul told me to "AERXIFASP"!

00:15:40

-What could it mean? -Cool.

00:15:43

While you were gone, Ben Stein introduced me to Tim Allen, and the three of us had a long debate about government spending, which is exactly how I wanted to spend my Halloween.

00:15:51

-I am so sorry. -Although, I have to say, now that your TV show has put us into a new tax bracket, maybe we should start paying attention more to how the government is using our money.

00:16:00

-What? -No, I don't know, ya know,

00:16:02

I'm just saying that a true capitalist-free market is actually, if you really think about it, more fair than an arbitrary redistribution based on need.

00:16:10

-This is from Ten Minutes with Tim Allen? -You left me alone for an hour and a half!

00:16:14

I guess time flies when you're having fun?

00:16:15

-I am not having fun! -

00:16:15

[all gasping]

00:16:20

[grunts]

00:16:24

Hey, I need a costume. I can't be costume-less at my own party.

00:16:27

Mm.

00:16:28

Hmm.

00:16:30

-Follow me. -

00:16:30

[gasps]

00:16:32

-Hold that. Now circle around here. -Oh. What--

00:16:34

-Okay. Just need some tape. -No. What are-- Hey.

00:16:36

No, I get that there's a smoke monster, but other than that, it's just Gilligan's Island, right?

00:16:40

[groaning]

00:16:40

[Peanutbutter gasps]

00:16:42

Oh, thank you so much.

00:16:44

No!

00:16:46

[woman gasps]

00:16:46

[panting]

00:16:46

Whoa!

00:16:48

[glass shatters]

00:16:48

[grunts]

00:16:50

[groans]

00:16:50

Jessica!

00:16:51

Am I written by Albert Hammond and Diane Warren, originally recorded by Tina Turner, but popularized by Ace of Base?

00:16:56

Because "Don't Turn Around."

00:16:59

[slo-mo]

00:16:59

Huh?

00:17:00

[groaning]

00:17:02

[screaming]

00:17:04

Mummy!

00:17:06

[gong sound]

00:17:09

What do you mean, a duel?

00:17:10

-You mean like, like a duel, a duel? -

00:17:10

[clears throat]

00:17:13

Hold on, somebody's--

00:17:14

-Baby Bjorn Borg. -Oh, my God. Yes!

00:17:17

Cute. What do you want?

00:17:18

Oh, um, I actually wanted to introduce yourself.

00:17:21

I mean myself.

00:17:21

[chuckles]

00:17:23

Obviously, you already know yourself, so...

00:17:23

[laughing]

00:17:26

Oh, God. Listen, I just wanted to tell you how much I loved Horsin' Around.

00:17:31

It was, like, a very formative part of my childhood. So... thank you.

00:17:37

I get a warm feeling every time I think about the song.

00:17:41

■ Three little orphans, one, two, three... ■

00:17:43

-I'm sorry. I'm on the phone right now. -Oh.

00:17:45

Uh... Sorry.

00:17:47

Yeah, Mom, I'm still here. No, it was nobody important.

00:17:51

No, I get them to Glee Club.

00:17:53

But why are they singing when they're not in the Glee Club?

00:17:56

Where's the music coming from? Doesn't seem realistic.

00:17:58

Why did you make me talk to BoJack? I made a complete fool of myself.

00:18:02

-No. -I can't do this.

00:18:03

I'm good in small groups.

00:18:05

I'm great in chat-rooms and message boards.

00:18:07

[shouts]

00:18:07

But I hate big parties! -

00:18:07

[record scratches]

00:18:09

-What? No! -Yes!

00:18:10

And I didn't wanna tell you because I know how much this party means to you.

00:18:13

[shouts]

00:18:13

But I can't be more fun than your ex-wives!

00:18:16

It's too much pressure!

00:18:18

I'm sorry.

00:18:19

[panting]

00:18:19

[door slams]

00:18:21

Uh-huh.

00:18:23

[music playing over stereo]

00:18:23

-Whoo! Uh-huh.

00:18:26

-Hey, Pickles? I'm sorry. -For what?

00:18:28

I shouldn't talk about my ex-wives so much.

00:18:30

I don't want you to feel like you have to be fun.

00:18:33

But I am fun.

00:18:34

It has nothing to do with you, or your ex-wives, or your ex-wife Diane, who is in this room right now.

00:18:40

Okay, now I'm looking for the owner of a blue Tesla, a red Maserati, and a gold helicopter.

00:18:47

-Let's just get out of here. -

00:18:47

[crying]

00:18:47

I don't wanna get out of here!

00:18:50

-I'm having fun! This is fun for me! -

00:18:50

[record scratches]

00:18:53

[sobbing]

00:18:57

What's up with the waitress?

00:18:59

You left me alone all night long!

00:19:02

I ask so little of you! And you never listen.

00:19:05

I know, but now I am listening, and I swear I will stay by your side, now and forever.

00:19:10

I'll be on you like Urkel on Laura. "Will I do that?"

00:19:14

-Yes, I will. -You know what? No.

00:19:15

Because now I want to be alone.

00:19:18

So, have fun hanging out with all your hippie liberal friends, okay?

00:19:22

-'Cause I'm going home. -Kar-nina! Don't go!

00:19:24

Ugh.

00:19:26

-Party's over. -All right, fine.

00:19:28

Let's make this an annual thing, though, okay?

00:19:30

I wanna see all of you, back here, next year! No matter what!

00:19:34

I asked you to do one thing, keep me away from mummies. And you couldn't even do that!

00:19:39

Okay, in my defense,

00:19:40

I am dressed like a giant notebook, which severely limits my mobility!

00:19:43

How do you think I felt when I had to do that screen test all wrapped up in gauze?

00:19:46

Wait. You were auditioning to play the mummy?

00:19:49

Mom, I gotta go. Okay? I'll call you tomorrow.

00:19:52

Yeah. We will figure out Dad's funeral. And... I'm... I'm sorry.

00:19:57

[phone beeps]

00:20:00

-You! Boy! What's going on? -I think the party's over, sir.

00:20:03

[sighs]

00:20:05

I always thought that when this happened, I would feel something.

00:20:08

I don't know what, but something.

00:20:11

But I don't feel anything. What's wrong with me?

00:20:13

Nothing's wrong. Just sometimes parties are over.

00:20:17

[sighs]

00:20:18

But... Hey, it doesn't have to be over.

00:20:21

I mean, I could stick around for a little bit.

00:20:23

Yeah, sure, good idea. Stick around for as long as you want.

00:20:27

Yeah?

00:20:30

Okay.

00:20:37

I'm sorry I ruined another Halloween for you.

00:20:39

-You didn't ruin it. -I really wanted you to think I was fun.

00:20:42

Diane, you don't need to pretend to be something you're not.

00:20:45

-I already love you. -What?

00:20:47

And I'm going to love you, no matter what version of you you are.

00:20:50

So, you might as well give me the real version.

00:20:54

This is good.

00:20:55

Now I know you don't like parties.

00:20:57

So, we will never have that argument again.

00:21:00

Yeah.

00:21:02

I really humiliated myself in front of BoJack.

00:21:05

[engine]

00:21:05

-If it makes you feel better,

00:21:07

I guarantee BoJack won't even remember that he met you.

00:21:11

Huh.

00:21:16

Okay, new strategy.

00:21:17

I'm looking for four strong construction workers who can lift my car and carry it out to the street, like in the Mentos commercial. Any takers?

00:21:25

[Peanutbutter]

00:21:25

Open the door!

00:21:26

[Pickles]

00:21:26

Just leave me alone!

00:21:28

What's going on in there? Tough SAT prep course?

00:21:30

Fail her learner's permit test?

00:21:32

Skirmish with the members of the Baby-Sitter's Club?

00:21:34

-Nope. -Shattered dreams of playing Adelaide in her high school's production of Guys and Dolls because the musical director sees her as more of a Rusty Charlie?

00:21:40

I don't know why this keeps happening.

00:21:42

I take these amazing women, like Pickles, like you,

00:21:44

Katrina, Jessica, and I ruin them.

00:21:47

Uh...

00:21:48

I'm not ruined.

00:21:50

-No, I just mean... I don't listen. -Okay, yes.

00:21:53

It is definitely very annoying how you don't listen.

00:21:56

Thank you, but you don't have to say nice things just to make me feel better.

00:21:59

Huh? Okay, no.

00:22:01

I was going to say you not listening and I repeat, you don't listen,

00:22:06

-that's not the only thing going on here. -There are more things?

00:22:09

-What do all these women have in common? -They're mean?

00:22:12

-When you first start dating them. -They're fun?

00:22:15

They're young. You keep dating women in their 20s.

00:22:18

I do, do that.

00:22:20

They're not fully-formed yet. Life changes people.

00:22:23

-Well, not me. -That's kind of my point.

00:22:26

You don't ruin these women, they just grow up.

00:22:28

So, what you're saying is... they all grow up, but I stay the same age?

00:22:33
All right. All right. All right. How do I fix that?

00:22:37
Well, either you date someone older...

00:22:40
-Oooooooooor... -Or, you grow up.

00:22:43
Because otherwise, they're gonna keep outgrowing you.

00:22:46
Mind if I try?

00:22:53
Okay, first thing we need to do is sit you up and get you hydrated.

00:22:58
Thanks.

00:22:59
I understand what you're going through.

00:23:02
I've been in your position before, and this party is hard.

00:23:05
[hiccup]

00:23:05
It is!

00:23:07
It's hard to be the new girlfriend.

00:23:09
And to be at a famous person's house, at an event with 25 years of history, and all these people Mr. Peanutbutter has known for years.

00:23:16
[hiccup]

00:23:16
Plus, you're here. -Plus, I'm here.

00:23:20
-What if I'm just a rebound? -Mm.

00:23:23
I was a rebound. And he loved me, so much, for ten years.

00:23:27
If there's one thing I know about him, it's that he loves the person he's with deeply and unconditionally.

00:23:33
So, you don't have to worry about me, because I'm not that person anymore.

00:23:37
-You are. -Aw.

00:23:37
[chuckles]

00:23:40
[door opens]

00:23:40
-Oh!

00:23:43
[Pickles sighs]

00:23:43
-If you guys will excuse me,

00:23:45
I'm just gonna take this dickhole's helicopter home.

00:23:47
-Are you okay? -Yeah.

00:23:49
I'm actually really glad you went through all those ex-wives because it means I got the best version of you.

00:23:55
-That's right. Version 4.0. -Oh! I like the sound of that.

00:23:59
Hey, you wanna just go home? Hang out, just the two of us?

00:24:02
Psh! No way! I just saw on Tweed Feed that Josephine's ex, Tor, is throwing a monster shindig up in NoHo.

00:24:07

Who-sephine's ex-what now?

00:24:09
They have a two-story ice luge, and a huge beer pond tournament.

00:24:12
And I brought new costumes, so we don't have to look stupid wearing the same in all our pictures.

00:24:15
[laughs]

00:24:17
I never wanna grow up!

00:24:18
[chuckles]

00:24:20
[sighs]

00:24:20
Where's everybody going? It's Halloween!

00:24:23
[groaning]

00:24:28
[door opens]

00:24:28
Happy Hallowee-- What the?

00:24:31
-Where is everyone? -Hey, let's do this again next year.

00:24:35
I'm going to bed.

00:24:38
I love Halloween.

Ep 9 — Ancient History

00:00:09

[BoJack's voice]

00:00:09

I don't know what's real anymore.

00:00:11

-And I don't know if I care. -

00:00:11

[buzzing]

00:00:18

[sighs]

00:00:20

-Talk to me, Philbert. -Don't tell her a thing.

00:00:22

[car horn]

00:00:23

What did you do to your wife?

00:00:24

[sighs]

00:00:25

-She was gonna get us all killed. -So you took care of it, huh?

00:00:29

I tried to stop him!

00:00:30

-Who? -Fritz! He was hopped up on goof-berries.

00:00:33

[pills rattling]

00:00:33

-Agh!

00:00:34

-I think I shot him. -

00:00:34

[Peanutbutter]

00:00:34

Agh!

00:00:36

What are you doing, Philbert? Oh-hh!

00:00:39

You shot your partner?

00:00:40

[groans]

00:00:40

Ugh!

00:00:44

[moans]

00:00:45

-Cut! We're turning around for BoJack. -

00:00:45

[bell ringing]

00:00:48

All right! That was acting.

00:00:50

Hey, so, this has been real, but since it's our last day, it feels like maybe we should call it on the whole us sleeping together thing.

00:00:56

I don't usually keep dating co-stars once we've wrapped.

00:00:59

Would you say we're co-stars?

00:01:00

I mean, I'm Philbert. I'd say we're more like both in the cast?

00:01:04

Yeah, let's definitely pump the brakes on this.

00:01:06

And we're set. Action!

00:01:09

I had no choice. He was strangling my wife!

00:01:10

What did you do with the bodies?

00:01:12

I-- It's all a blur. It feels like a dream.

00:01:14

-Where are the bodies, Philbert? -I buried them.

00:01:17

-In the same place I'm gonna bury you. -

00:01:17

[gasps]

00:01:21

-Right here. -Oh!

00:01:23

Kiss me, you smart, handsome renegade.

00:01:25

There's no time for that now. The nuclear missiles are coming.

00:01:28

Cut! That's a wrap on Philbert Season One!

00:01:32

Great work, everyone!

00:01:33

I want you all to know I'm proud of what I've done here.

00:01:37

-See ya at the Peabody Awards! -Great working with you. Thank you.

00:01:40

[Princess Carolyn]

00:01:40

Terrific job. Seriously...

00:01:42

What the hell are goof-berries?

00:01:44

[theme music playing]

00:02:43

Oh!

00:02:46

[chuckles]

00:02:46

I love the sign. -You better.

00:02:50

I basically had to go through a whole pen on that thing.

00:02:54

-Uh... -Hey, I'd help you with your bag,

00:02:56

-but you know, my back. -Yeah.

00:02:58

It's cool that you came through Los Angeles on your way home.

00:03:00

Yeah, I guess we got lucky.

00:03:02

The only flight from Connecticut to Kansas had a one-night layover in California.

00:03:06

-Really? -No, dummy. I wanted to see you.

00:03:09

[grunts]

00:03:09

[chuckles]

00:03:11

[music playing]

00:03:11

[group cheering]

00:03:13

[woman on intercom]

00:03:13

Emily is here to see you.

00:03:15

-Blunt? -Well, she is a little curt.

00:03:18

That's my Emily! Send her in!

00:03:21

-Hey, Todd.

00:03:21

[sighs]

00:03:21

-You okay?

00:03:23

-I broke up with my fireman. -Not Steve!

00:03:26

No, no, no, not Steve. It was Doug.

00:03:28

Not Doug! Forgot there was a new one!

00:03:31

I am so done with these sexy noble hero hunks.

00:03:35

The sex is great, but the emotional connection just is not there.

00:03:39

It was the same with me and Yolanda.

00:03:40

No emotional connection, but the no-sex was amazing.

00:03:44

None of the best sex I ever had.

00:03:46

You know, I was actually thinking about that.

00:03:49

Remember that idea you had about the dating app for asexuals?

00:03:53

-Nope! -

00:03:53

[phone clicking]

00:03:54

Yeah, here we go. ■ Ta-da-da-da! ■

00:03:56

[Todd]

00:03:56

"All About That Ace"?

00:03:58

You should get yourself out there. You were the best boyfriend I ever had.

00:04:02

If only there was a version of you I could have sex with, I'd be all set.

00:04:05

-Whoa, Emily. I just got a crazy idea. -What?

00:04:10

A restaurant where the menus are printed on garlic bread,

00:04:14

so after you order, the first course is the menu!

00:04:18

Oh.

00:04:19

[clock ticking]

00:04:24

So, ever since Philbert wrapped earlier today, the question on everybody's mind is,

00:04:28

"What's Mr. Peanutbutter going to do next?"

00:04:31

You're a serious actor now, so I guess, narrate a documentary about global warming, and then take a private jet to the premiere?

00:04:38

I've been looking for new projects.

00:04:40

Seems like everything's based on books these days, so I went to the book store to scout some material.

00:04:45

-Mm-hmm. -But all the books are so long now.

00:04:48

-Yeah? -Who has the time?

00:04:49

I'll just wait 'til the movie comes out, then see the movie, and decide if the book the movie is based on would make a good movie.

00:04:55

Oh, that's a good strategy.

00:04:56

Anyway, I was heading to the door in book-length-related frustration...

00:05:00

[groans]

00:05:01

...when I saw one of those circular greeting card racks.

00:05:03

Spotted a card that looked interesting, and it's a super-quick read.

00:05:07

[flutters]

00:05:07

-Eh...?

00:05:09

-"Happy Birthday, Dad." -Pretty cool dad, huh?

00:05:12

You want to option this greeting card for a movie?

00:05:15

-We'll call it Birthday Dad. -But what is it?

00:05:18

Hmm? Mmm... it's... "Birthday Dad."

00:05:23

Oh. Okay.

00:05:24

-You think we can get the film rights? -I'll look into it.

00:05:28

[moans]

00:05:31

[giggles]

00:05:31

So, then Joby was like,

00:05:33

"Uh, nice scrunchie, Professor."

00:05:36

It was literally a thing.

00:05:38

Joby is the guy in your dorm who plays guitar?

00:05:39

Yeah, he's really funny, but like soulful funny, you know?

00:05:43

-That's great. -Oh...!

00:05:49

[BoJack]

00:05:49

You know, I always thought I would make a good college person.

00:05:52

Roaming the campus, sticking it to the crusty old dean with my rowdy 'tude, having friends, and learning things, and just, uh, being young.

00:06:00

[sighs]

00:06:00

-You okay?

00:06:02

You look as if you saw Ghost in the Shell and you're Scarlett Johansson's publicist.

00:06:05

It's weird to be back in this house.

00:06:08

This is where it all happened with your mom.

00:06:10

Oh, my God, this is so weird.

00:06:12

Hollyhock, whoa. It's okay. That's ancient history.

00:06:15

My mom is dead, so nobody is going to drug you with secret pills.
All right?

00:06:19

Now, how about we make new, fun, memories to cancel out the old ones?

00:06:23

-Can the new memories be pizza-related? -No doy!

00:06:29

Ah, thank you for meeting me on such short notice.

00:06:32

It's nice to see you.

00:06:33

I'm sure Fridays must be a big night for you.

00:06:35

You were probably planning on going out to a nice dinner with your new girlfriend?

00:06:39

Or seeing a movie with your new girlfriend?

00:06:41

Or staying in and watching cable--

00:06:44

I get what you're asking. The answer is, no, I don't have cable anymore.

00:06:47

Oh!

00:06:47

[chuckles]

00:06:48

Or a new girlfriend.

00:06:50

I'm not seeing anyone either. I've just been so busy with my Philbert.

00:06:53

Philbert? You have a Philbert?

00:06:55

Oh, I'm sorry. It's a show I'm producing.

00:06:58

Not the baby we really wanted but never had.

00:07:00

Oh, well, that's great, too.

00:07:02

Anyway, Mr. Peanutbutter wants to option this card as a movie.

00:07:06

-Birthday Dad. -How is it a movie?

00:07:10

-Hmm. It's "Birthday Dad." -Oh. Okay.

00:07:13

[ringtone playing]

00:07:13

-Oh!

00:07:17

-I'm sorry. -Yeah. Sure.

00:07:18

[phone beeps]

00:07:18

-Hello?

00:07:19

[Tracy]

00:07:19

Can you get to the St. Bernard Medical Center in like, a half hour?

00:07:22

Uh, I think so. Why?

00:07:24

I just got my tonsils taken out,

00:07:26

-and I need a ride home. -What?

00:07:28

Nah, I'm just messing with you. A pregnant lady doesn't want the baby.

00:07:32

If you can get there tonight, the baby's yours.

00:07:34

Tonight? That's so-- she doesn't even know me.

00:07:37

Hey, man. You don't say no to free baby.

00:07:39

[sighs]

00:07:39

Okay.

00:07:41

Is everything okay?

00:07:42

I have to drive my hospital to the car right now!

00:07:44

I'm a baby, and there's adopting on the way!

00:07:47

-You're adopting? -Vroom-vroom!

00:07:48

There's so much food in my lap! Doesn't matter! It's fine!

00:07:50

-All part of being a mother! -You are really freaking out.

00:07:53

Am I freaking out too much? Or not enough?

00:07:55

-Let me drive you. -But I have the car seat in my car.

00:07:58

They won't let you go home without one. It's the only rule, really.

00:08:00

There should be more rules, but who am I to judge?

00:08:03

[breathing heavily]

00:08:03

-Hey, breathe.

00:08:04

I'll get the car seat. Let's go.

00:08:08

Ugh. I ate too much.

00:08:10

I need ice cream to smoosh the rest of it down.

00:08:12

Oh, I don't keep junk food in the house, ever since last night when I ate all of my ice cream.

00:08:16

Hey, why do you have a vodka bottle for every day of the week?

00:08:20

Oh, that's just my new system I'm trying. I'm down to one bottle a day.

00:08:23

-Is this like an AA thing? -No, I don't need AA.

00:08:26

-Would you get outta there? -I want ice cream.

00:08:28

-Give me your keys. -What? No.

00:08:30

-Come on. Let me drive the Tesla. -With your greasy pizza fingers?

00:08:33

-Forget it. -Come on!

00:08:33

[giggling]

00:08:35

-Hey. -Ooh!

00:08:37

What the hell are these?

00:08:39

What? Oh, those...

00:08:40

Why was this in your pocket? Are these for me?

00:08:42

No, Hollyhock. God, no.

00:08:43

Oh God, did you put this in my pizza?

00:08:45

What? Of course not. Hollyhock. No. Give me the-- no!

00:08:49

-Oops. -Hollyhock, those were for my back!

00:08:52

-Wait, for real? -Yes.

00:08:54

Oh, then actually, oops.

00:08:58

[lock clicks]

00:09:01

-Hey, Todd. Is everything okay? -I need to talk to someone, and you're the only person I knew would be available on a Friday night,

00:09:07

-with nothing to do. -Hey, I almost went to the movies tonight!

00:09:11

It's not my fault there's never anything in the 8:00 hour.

00:09:13

9:15 is too late. 7:00 is too early. When am I supposed to eat dinner?

00:09:16

Uh, sneak in a bag of mashed potatoes like the rest of us?

00:09:21

-Is this your whole apartment? -It's a studio.

00:09:23

I ate lunch with a studio head just yesterday.

00:09:26

-This is not a studio. -What do you need, Todd?

00:09:28

Well, my friend, Emily, did something really nice for me, and I wanna pay her back.

00:09:32

-Thought you could help me brainstorm. -Okay. What kind of things does she like?

00:09:37

Well, sex, for one.

00:09:39

Good for her! A woman needs to know her own body before she expects someone else to know her body.

00:09:43

-What? What are we talking about? -What?

00:09:45

I think sex, for one?

00:09:47

Oh! Diane, you sad-homed genius.

00:09:50

-You've cracked it! -What?

00:09:51

To the junkyard behind the engineering school!

00:09:54

-Always happy to contribute! -

00:09:54

[crashes]

00:09:58

[rattling]

00:09:59

-Oh, my God, I'm sorry. I freaked out. -It's not your fault.

00:10:03

Your generation's been brainwashed by McGruff the Crime Dog.

00:10:06

Who, by the way, I met at a party once? Didn't ask me a single question about me.

00:10:09

Yeah, and also because of the time I overdosed on pills.

00:10:12

Right, well, these were good pills.

00:10:14

I told you I'm on a system now. I'm not "doing drugs." This was medicine.

00:10:18

Can you get more?

00:10:19

Oh, sure. I'll just call the pharmacy and say,

00:10:21

"Hey, girl, you know that highly-addictive opioid

00:10:23

I'm supposed to take every three hours? Well, I kind of misplaced them, so could I just get some more? I'm totally not a drug addict."

00:10:29

-I'm really sorry. -No. It's fine.

00:10:31

Let's enjoy our time together, even though I'm in tremendous pain.

00:10:34

I'll try to forget it, but the whole time we might be thinking about it.

00:10:37

I do not blame you, but if you blame yourself, that is okay with me.

00:10:40

You must know a place you can get more painkillers.

00:10:43

I do know a guy, but he's somewhat "south of Pico," if you know what I mean.

00:10:46

I don't. Why do Los Angeles people think everyone else understands your local references?

00:10:52

Okay, okay, let's go.

00:10:56

I can't believe you're adopting.

00:10:57

I just realized it was the right thing for me.

00:10:59

I just remember you were so adamant about having the baby yourself, even when I said we should talk about other options.

00:11:06

-Yeah, but the way you said it-- I'm not mad.

00:11:07

I just think it's funny you had that change of heart after we broke up.

00:11:11

[sighs]

00:11:12

[sighs]

00:11:12

I'm sorry. This is not about me.

00:11:15

You'll be a great mom, and I'm really happy for you.

00:11:17

-Yeah? -Of course.

00:11:19

Well, one day, you're gonna be a great dad.

00:11:22

-Hopefully as cool as Birthday Dad!

00:11:22

[chuckles]

00:11:27

-Why are we at the pediatrician? -Trust me.

00:11:29

This doctor is the sleaziest, dopiest, scurviest of the scurvy.

00:11:34

-Who is he? -Exactly.

00:11:36

[Hollyhock yelps]

00:11:36

-Hu... wants to par-tay?

00:11:38

Dr. Hu! Thank you for squeezing us in!

00:11:40

You always gotta make time for your friends.

00:11:43

And I haven't seen you since Sarah Lynn's funeral.

00:11:45

Oh, right.

00:11:46

That was a huge wake-up call for me.

00:11:49

Next morning I looked in the mirror, and you know who I saw staring back at me?

00:11:53

[Hollyhock]

00:11:53

Who? -Exactly.

00:11:54

-What? -No. Hu.

00:11:55

I spent 30 days at Pastiches Malibu and now I'm sober.

00:11:59

It's like I completely regenerated as a brand-new doctor.

00:12:02

Congratulations.

00:12:03

You'd have to be a real lost cause not to seek help after losing Sarah Lynn like that, don't you think?

00:12:09

Oh, deffo. I mean, you know, get help or, you know, work out a system on your own.

00:12:13

Even, you know, whatever's right for you.

00:12:15

Anyway, I'm trying to get my hands on some Feelbetterin?

00:12:17

Feelbetterin?

00:12:18

BoJack, have you been taking oxypraxylcortizoid?

00:12:21

Yeah. I know what you're thinking, but I legitimately have a herniated disc.

00:12:24

He's telling the truth!

00:12:25

I threw out his pills because of my trauma from when I got drugged by his mama.

00:12:29

-You got drugged by your own mother? -No, my mother.

00:12:31

Her mother was a maid who got knocked up by my dad, but she got adopted by eight other dads.

00:12:36

Okay, do you know how many times I hear this story every week?

00:12:39

This story, specifically? Even the "eight dads" part?

00:12:42

I don't know who you think you're fooling, but this Hu won't get fooled again.

00:12:49

Thank you for coming, Emily.

00:12:51

What's with all the candles? Why are you wearing a robe?

00:12:55

Oh, I blew a fuse earlier, so I had to light candles.

00:12:58

That took a while, and then I didn't get to change.

00:13:00

-Oh. -Hold that thought.

00:13:02

-The thought of "Oh"? -That's right.

00:13:04

Because you're gonna need it when you meet your new best friend...

00:13:08

-Uh... -

00:13:08

[grunts]

00:13:09

-Whoa! -Henry Fondle!

00:13:11

[robot screaming]

00:13:12

-What? What? -He's a sex robot!

00:13:15

So, you can stop dating all those boring guys and still have sex!

00:13:18

-Stop me if you've heard this one. What? -And guess what?

00:13:22

I even recorded dozens of sexy robot phrases

00:13:25

-for it to say at random intervals! -

00:13:25

[clicks]

00:13:27

[robot]

00:13:27

I am Henry Fondle. Insert me into genitals!

00:13:30

-Why did you do this? -To show you that I care about your needs.

00:13:33

[robot]

00:13:33

My prime directive is to pleasure you.

00:13:36

Todd, I'm not sure you understand how sex works.

00:13:39

That is so condescending.

00:13:42

I know what sex is. I am not a child.

00:13:45

I'm just not great at building robots.

00:13:47

This is my first one, and frankly,

00:13:50

I think it's pretty impressive I put it together in one afternoon.

00:13:53

I love it when you call me "Father."

00:13:56

[clatters]

00:13:56

[both gasp]

00:13:57

Oh, no! My wacky scheme backfired as always!

00:14:03

-I'm really sorry. -It's fine.

00:14:05

We're spending time together, that's all that matters.

00:14:07

You're not super-mad at me, still?

00:14:09

When this is done, maybe it'll make a great story you can tell that kid you have a crush on.

00:14:13

Who, Joby?

00:14:13

[chuckles]

00:14:13

I don't have a crush on him.

00:14:16

Get out of here. His jawline is, like, dumb.

00:14:19

-Oh, okay. -Where are we going now?

00:14:21

There's this actress I was kind of seeing while we were working together and I might have left some pills at her place.

00:14:27

She made it clear she doesn't want to see me again but she's not home now.

00:14:30

-Why do I know Gina's schedule? -Where is she?

00:14:32

She has a book club with dumb Nicole who keeps picking very long Italian books that Nicole doesn't even read. Why do I know about Gina's friends?

00:14:39

-Do you have a key? -I have my ways.

00:14:44

-Well, I'm out of ways. -I'll go around back and see if there's a window I can climb through.

00:14:48

Ooh, good thinking! I'll stand guard.

00:14:50

[wincing]

00:14:50

Ugh.

00:14:52

Oh, shit.

00:14:54

BoJack?

00:14:55

Oh, my God! What happened to book club?

00:14:57

We switched it to Thursdays to confuse Nicole.

00:14:59

-Why are you here? -I just wanted to check on you.

00:15:03

[Gina sighs]

00:15:05

[gasps]

00:15:06

[gasps]

00:15:06

-Wait, Gina. No, stay outside.

00:15:09

I just-- I need to talk to you.

00:15:11

Slowly.

00:15:12

Is this about our relationship? What is there to talk about?

00:15:15

Well, I just been thinking that... we should keep looking at this relationship.

00:15:20

Like all parts of this relationship.

00:15:23

Like even in the junk drawer, in the kitchen of this relationship.

00:15:26

-Or the bathroom cabinet. -I told you I didn't want to see you.

00:15:30

I want you to know that you are top-shelf, Gina.

00:15:33

-Know what I mean? Top shelf. -So, what, you wanna get back together?

00:15:37

-Eh...? -Yes!

00:15:38

Wait, really?

00:15:39

-Okay, I gotta run. -BoJack.

00:15:40

I have had 28 on-set flings, and no guy has ever come to my house after shooting was over to try to have a real relationship.

00:15:47

-Well... -I guess I sort of internalized the idea

00:15:49

I didn't deserve that?

00:15:50

Yeah, but like I said, I really gotta run.

00:15:52

But maybe I do deserve it. Maybe we both do.

00:15:55

BoJack, is it possible that we're the ones we've been waiting for?

00:15:58

Uh, yes. I totally think that is possible, which is why I can't wait to talk about this tomorrow!

00:16:03

-What? Where are you going? -I'll call you!

00:16:05

[Hollyhock panting]

00:16:05

Whoa!

00:16:08

Think I need to call her, or did I leave things open enough

00:16:10

-where I can kinda ghost? -What?

00:16:12

Kidding! I'll call her. I'm very fond of that woman.

00:16:15

And I'm sure that things are gonna work out fine, and we can find a way to be happy together and I won't hurt her in a way that she carries with her for the rest of her life.

00:16:22

-Uh, okay. -Lemme get them pills.

00:16:25

-What the hell? These aren't my pills! -Sorry!

00:16:27

-Not your fault. It's just... my back.

00:16:31

-I got another idea. -Okay.

00:16:33

-Do you think Gina needed those? -She'll be fine. Nobody needs pills.

00:16:40

-You could've just dropped me off. -I wanted to be here.

00:16:43

-Hope that's okay. -It's actually nice you're here.

00:16:45

All the times I imagined us taking home a baby from the hospital,

00:16:48

I never pictured it like this.

00:16:50

You mean, you never pictured it would happen on a Friday?

00:16:52
[laughs]
00:16:52
Yeah, exactly. That's the main difference.
00:16:56
[sighs]
00:16:56
How come you never called me after I kicked you out of my apartment?
00:17:00
You were so mad at me. I didn't think you wanted me to.
00:17:02
I didn't. But you still should have called.
00:17:05
-Well, you could have called me. -Yeah.
00:17:08
-I wish you'd stayed with me that night. -You told me to leave.
00:17:11
Yeah. I guess the lesson is, don't listen to me, right?
00:17:14
[Ralph chuckles]
00:17:14
Mm-hmm.
00:17:16
Is that really what you're gonna wear for the first time your new baby sees you?
00:17:19
-Yes? -Oof! Okay.
00:17:25
I'm supposed to be back at the airport in, like, two hours.
00:17:29
Is this really how you want to spend this time?
00:17:31
Again, and...
00:17:31
[chuckles]
00:17:31
I hate to keep harping on this, we wouldn't be here if someone hadn't dumped my medicine.
00:17:36
I know, but this place is super sketchy.
00:17:39
It looks like where they did the drag race in Grease.
00:17:42
It is where they did the drag race in Grease.
00:17:44
-Where do you think they make movies? -Ooh!
00:17:47
[Hollyhock yelps]
00:17:47
[tires screech]
00:17:48
-You a cop? -What? No. Oh, shit.
00:17:51
No, it's a costume. I just finished filming a show.
00:17:54
Normally, people return the costume.
00:17:57
Hello, drug merchant. Is it lit under here?
00:18:00
What?
00:18:01
Are there illegal pharmaceuticals available for purchase?
00:18:03
And please, talk into my lollipop.
00:18:05
-Okay, this guy's a cop. -I assure you I am not.
00:18:08

He's just saying that because earlier I said he was a cop.
00:18:11
No. You can see the outline of his badge under his tee-shirt!
00:18:15
-Yeah, no, he's definitely a cop. -Seems cool to me.
00:18:18
Listen. If I were a cop,
00:18:20
I'd have pancake breath from the precinct's weekly Friday night pancake dinners.
00:18:24
-But I do not. So clearly, not a cop. -Uh...
00:18:27
Unless, I somehow had an Altoid, or a Tic-Tac after, which again, no.
00:18:27
[chuckles]
00:18:27
I am a gum guy.
00:18:35
That all tracks for me. Here are your drugs.
00:18:37
-Aha! We got the package! -Whoa!
00:18:39
[tires screech, siren wails]
00:18:39
[BoJack]
00:18:39
Run!
00:18:41
[Hollyhock gasps]
00:18:41
-They're getting away!
00:18:42
-Go, go, go! -
00:18:42
[siren wails]
00:18:47
[BoJack panting]
00:18:47
[Hollyhock moans]
00:18:48
[Hollyhock]
00:18:48
Oh, no! -Here, get up.
00:18:50
[both grunting]
00:18:52
[grunts]
00:18:54
-Eh...? -Come on! We have to keep moving!
00:18:57
[groans]
00:18:59
[hissing]
00:18:59
[Emily]
00:18:59
Ooh!
00:19:01
-Thanks, Doug. -I'm not here for you.
00:19:03
I'm here because I respect the art of putting out fires.
00:19:03
[puffs]
00:19:06
- I'm really sorry, Emily. -It was a sweet idea.
00:19:09

I guess I just thought you waste so much time with these boring firemen just for the sex.

00:19:14
-Eh? -Doug, some privacy, please?

00:19:16
Okay.

00:19:17
Maybe I figured if you had some other way to satisfy yourself sexually, then you could spend more time with me.

00:19:23
-Like we did in high school. -Todd, we were dating in high school.

00:19:27
Do you ever think about what it would be like if we dated now?

00:19:31
I don't know. What would it be like?

00:19:33
I guess we'd hang out together, like we already do.

00:19:35
And you would be my favorite person, like you already are.

00:19:38
And when something good happened to me, like if I got a promotion at work, you'd be the first person I'd tell, and you'd smile and say, "That's my boyfriend."

00:19:48
Well, that could be cool. But then I would have sex with the robot?

00:19:51
[whirring]

00:19:51
Boop, boop, boop! Oh!

00:19:53
[splatters]

00:19:53
[sighs]

00:19:53
Uh-hh!

00:19:55
-Hooray. -I guess it's not ideal.

00:19:57
You know, when I was putting the app together,

00:20:00
I learned that some asexuals actually do have sex.

00:20:03
-Do you... think that there's a chance? -

00:20:03
[mutters]

00:20:03
Um-umm.

00:20:07
-Okay. Well, you got any other ideas? -Hmm.

00:20:13
What about if marbles were cube-shaped, so they don't roll away as much?

00:20:18
-No dice. -

00:20:18
[sighs]

00:20:22
[Princess Carolyn]

00:20:22
Oh, he's beautiful.

00:20:24
Do you think I'm terrible for giving him away?

00:20:27
What? Of course not.

00:20:29
I don't know the first thing about being a parent.

00:20:31
-Bridget, it's okay. -Your baby's in excellent hands.

00:20:33
I'm just so glad he's going to a good home,

00:20:36
-with a mother and a father. -What's this, now?

00:20:38
I mean, if my boyfriend was still in the picture, maybe I could be a parent, but as is, I think the baby's probably better off with you two.

00:20:46
-Oh, no, Ralph's not-- -That's right!

00:20:47
We're gonna make a wonderful family together.

00:20:50
-Ralph, don't lie to her. -I'm not lying.

00:20:52
A year ago, we wanted to have a family together.

00:20:54
-I still want that. -Ralph, no. You should go.

00:20:57
I hear you say that, but I'm not making the mistake I made last time.

00:21:00
I don't want this.

00:21:01
This seems like a subject you should have agreed on before you came to the hospital.

00:21:05
We can do this. Nothing has changed.

00:21:07
I changed! I have plans now, and you're not in them.

00:21:10
-You don't need to do this by yourself. -I never needed to. I want to.

00:21:14
I'm not afraid of how hard it's gonna be.

00:21:16
I already love this baby. And that gives me so much power.

00:21:21
I don't need anything else.

00:21:23
Oh, my God, I just realized something.

00:21:26
If you can do it by yourself, maybe that means I can do it by myself.

00:21:29
-Uh... -No, no, Bridget, you definitely can't.

00:21:32
I thought I couldn't. But that speech you gave was so inspiring.

00:21:36
It made me realize that all I need to be a good mother is love.

00:21:40
Actually, you need so much more than that. I was wrong when I said that a second ago.

00:21:45
[chuckles]

00:21:45
Okay. But for real, give me my baby boy.

00:21:49
[moans]

00:21:49
Oh-hh... -Coochie-coochie-choo...

00:21:51
[moans]

00:21:51
-Princess Carolyn, you are amazing.

00:21:54
-Can you be my mom? -

00:21:54
[groans]

00:21:54
Oh-hh!

00:21:57

[both panting]

00:22:00

[coughing]

00:22:00

There's gotta be another way to get pills.

00:22:03

How about calling this Joby? He sounds like a druggie.

00:22:05

-I thought your back hurts. -Yeah.

00:22:07

-How did you lift me over the fence? -Well, the adrenaline kicked in.

00:22:11

-Do you really need these pills? -Hollyhock, how many times--

00:22:14

I'm just saying, is it possible maybe you don't--

00:22:16

Okay. You go to college and suddenly you're so sophisticated,

00:22:20

-and I'm a dumb junkie, is that it? -What? No!

00:22:22

You don't understand anything!

00:22:23

-I am in pain. -No, I get that.

00:22:26

All the time. my whole life. And you have no idea.

00:22:28

So, sorry that you had one bad experience with my mom, but I have been in pain my whole life.

00:22:34

[sighs]

00:22:37

I think you should take me to the airport.

00:22:40

Okay.

00:22:46

-You're sure I can't drive you home? -No, Ralph.

00:22:49

Can I at least wait with you for the cab?

00:22:52

[sighs]

00:22:52

Okay.

00:23:01

[buckle clicks]

00:23:04

So, I guess I'll see you later.

00:23:07

-Hollyhock, I'm sorry. -Me, too.

00:23:10

Maybe, it's possible that I don't...

00:23:13

100-percent need-need the pills.

00:23:17

I thought I did, but-- yeah.

00:23:19

So, thank you for... caring about me.

00:23:22

-Are you gonna be okay? -Yeah.

00:23:25

I could take a semester off, if you need someone--

00:23:27

No. God, no. Stay... stay in school.

00:23:31

And take your classes, and kiss boys, and do the college thing.

00:23:35

I'm gonna be fine. I get it. Drugs are bad.

00:23:38

Not all drugs.

00:23:40

Obviously, if you get hurt again, and a doctor, a real doctor prescribes you painkillers, you can take them.

00:23:46

-But only if you get hurt again. -Okay.

00:23:48

-You promise? -Yes. I promise.

00:23:51

Okay. I love you.

00:23:54

[sighs]

00:23:54

Hmm.

00:23:57

Okay. Bye.

00:24:12

[whirring]

00:24:15

[clicks, beeping]

00:24:22

[sighs]

00:24:28

[sighs]

00:24:28

Whew.

00:24:29

[traffic noises]

00:24:34

[hatch clicks]

00:24:40

Ugh!

00:24:45

[panting]

00:24:49

Uh...

00:24:50

[groaning]

00:24:52

[groaning]

00:24:52

[tires screech]

00:24:53

[crashing]

Ep 10 — Head in the Clouds

00:00:05

[bell rings]

00:00:12

[panting]

00:00:15

[door creaks]

00:00:18

[sighs]

00:00:19

What troubles you, Sister?

00:00:20

It's the woman who came from the water. She's been in our care for two years.

00:00:24

She hasn't spoken a word and spends her days in a fog.

00:00:27

Have you been steadfast in your prayers?

00:00:30

I have. And yet, her condition does not improve.

00:00:33

"And yet"? Is prayer but a bargain?

00:00:35

Is it for you to present terms to the Lord?

00:00:39

No, Mother. I just--

00:00:40

You seek a sign from God. Should He seek less from you?

00:00:45

[sighs]

00:00:46

Take the woman to the seaside tomorrow after Matins.

00:00:49

Prove your faith to Him that He might reveal His glory to you.

00:00:54

Yes, Mother.

00:00:59

Can you feel that on your feet?

00:01:01

That's water. Water.

00:01:06

This is hopeless! I want to help you, but I don't even know who you are!

00:01:11

I look at your face and think you could be literally anyone.

00:01:15

Are you a federal judge? A Russian spy?

00:01:17

-A proud Southern matriarch? -

00:01:17

[gasps]

00:01:19

Bo... BoJack!

00:01:22

-What? -BoJack!

00:01:23

-What are you saying? I don't-- -BoJack! BoJack! BoJack!

00:01:28

[gasps]

00:01:30

[theme music playing]

00:02:27

[grunting]

00:02:27

Agh, oh! -

00:02:27

[sirens wailing]

00:02:29

Gah! Bleh! Agh!

00:02:36

[moans]

00:02:36

Ow...!

00:02:37

-Come on, get up. We're gonna be late. -How have I gained weight?

00:02:40

Spent two weeks in a hospital hooked up to a feeding tube.

00:02:43

You drank milkshakes. That's not a feeding tube.

00:02:44

It's basically a feeding tube.

00:02:46

How many do you take a day? Are you in that much pain right now?

00:02:49

-I'm about to be. Reviews are out. -Okay.

00:02:52

"Philbert is an astonishment,

00:02:54

with Horseman bringing surprising depth to the eponymous character."

00:02:58

"Surprising depth"? God, they always gotta slant it.

00:03:01

Why can't it just be "depth"?

00:03:02

I'd hate to see you after a bad review.

00:03:04

Oh, and I bet "eponymous" was supposed to be a pun on "pony."

00:03:07

Wait. There's a part about me.

00:03:09

"Gina Cazador also appears as Sassy Malone."

00:03:12

Wow, I've never been mentioned in a review before.

00:03:15

"Her restrained performance crackles with nuance and power."

00:03:18

Damn, look at me-- in two sentences.

00:03:20

Well, don't let it go to your head. Probably just because you're a good actor.

00:03:23

Anyway, I got you something for the premiere party.

00:03:27

-These are beautiful, BoJack. -Well, don't let it go to your head.

00:03:29

It's because you visited me in the hospital every day, and I got used to having you around, and it turns out I like you.

00:03:34

Uh-oh. I let them go to my head.

00:03:37

[elevator dings]

00:03:39

"What separates Philbert is the character's vulnerability.

00:03:42

This is not the sad man as suave and cynical anti-hero, but a barely scabbed-over wound of a person."

00:03:48

"Barely scabbed-over." Congratulations.

00:03:51

You're the one who took a stock bad-boy detective and made him into a wound.

00:03:54

Me? No.

00:03:56
-You're coming to the premiere party? -Already on my way.

00:03:58
My apartment is a two-hour drive from everywhere.

00:04:00
Seven miles, two hours.

00:04:02
-How is that possible? -Honk, honk!

00:04:04
Well, that'll give you plenty of time

00:04:06
to come up with a few spontaneous remarks for the red carpet.

00:04:09
[Diane]

00:04:09
Oh, do I have to do that? -Look, I gotta go. You'll be great.

00:04:12
-Just be charmingly effusive. Be yourself. -I can't be both of those things at once!

00:04:15
-Can I help you? -Abel Ziegler.

00:04:18
I saw the trailer for your new show Philbert, and I think you oughta see this.

00:04:18
[slurps]

00:04:25
"What did the clam say to the crab at the undersea ball?"

00:04:30
I think you know why I'm here.

00:04:33
Oh, fish.

00:04:36
Well, buddy, these past few months, you have been inappropriate

00:04:41
with every person who's come to our apartment.

00:04:44
[Henry]

00:04:44
I want to be inside you. -

00:04:44
[sighs]

00:04:46
Henry Fondle, you are inside of me. You always have been.

00:04:50
But there's nowhere else I can take you.

00:04:52
[Henry]

00:04:52
Let's get down to business.

00:04:54
You want me to take you to work? No way!

00:04:57
-Oh, yes! -No!

00:04:58
Yes! Yes! Yes! Yes!

00:04:58
[banging]

00:05:00
-Yes! Yes! Yes! Yes! Yes! -

00:05:00
[sighs]

00:05:04
I need you to be on your best behavior today.

00:05:07
That is the stuff I like.

00:05:08
I also like clearly defined expectations.

00:05:11

It seems we understand each other.

00:05:15
■ Bow-chicka wow-wow Chicka-wow-wow ■

00:05:18
[crashes]

00:05:18
-Mmm-ch, mmm-ch!

00:05:21
So, tonight, are we, like, together-together at this thing?

00:05:25
Oh, uh, well...

00:05:27
I mean, I know we're together. I just meant publicly.

00:05:29
Like, are we gonna introduce the world to "BoJina"?

00:05:31
Well, yeah, I just... I'm not sure the world is ready for, um, BoJina.

00:05:36
-Oh, yeah, you're probably right. -

00:05:36
[phone chimes]

00:05:39
[sighs]

00:05:39
What do you want, Mr. Peanutbutter?

00:05:42
Gotcha! It's not Steven Spielberg. I changed my name in your contacts.

00:05:46
[BoJack groans]

00:05:46
-Pickles wants to say "hi."

00:05:48
- What pickles? -Hi, BoJack!

00:05:49
Uh, hello. Are you the pickles?

00:05:51
I don't know if I'm the Pickles, but maybe one day.

00:05:54
-Right now I'm just a waitress. -Oh, right. The waitress.

00:05:56
Well, I don't know if I'm the waitress.

00:05:59
She's being modest. She's a waitress- slash-

00:06:02
- aspiring Instagram influencer. -What?

00:06:05
Is that Gina?

00:06:06
-Hey, Mr. Peanutbutter. -Wow.

00:06:08
BoJack Horseman and Mr. Peanutbutter, and also Gina on the same phone call?

00:06:13
What is this?

00:06:14
I don't know what this is. Why did you call me?

00:06:16
[Peanutbutter]

00:06:16
Oh, yeah!

00:06:17
You wanna ride with me and Pickles to the premiere?

00:06:19
It'll be like this, but for 40 minutes.

00:06:22
-Hard no. -Hardly no?

00:06:24

-That sounds like a yes. - Okay, bye.

00:06:26
[phone beeps]

00:06:26
-Well, anyway-- hello?

00:06:28
Huh. He must have accidentally hung up, right after he accidentally said, "Okay, bye."

00:06:36
As the clam said to the crab at the undersea ball...

00:06:39
"Shell we dance?"

00:06:41
There are some superficial similarities.

00:06:44
Superficial, shmuperficial! It's the same line!

00:06:48
-Doesn't mean I stole it! -Flip.

00:06:49
I spent months on that line. I slaved, finessed, crafted.

00:06:54
The world was a block of marble, and, like Michelangelo,

00:06:57
I chiseled it into my David, as I did for each and every one of Crazy AZ's Frozen Funnies.

00:07:05
Mr. Ziegler, we have so much respect for your work.

00:07:07
Do you think I'm like a penny on a railroad track?

00:07:10
Prone to flattery?

00:07:12
We've got a premiere to get to.

00:07:13
How long do we have to listen to this guy do his Popsicle schtick?

00:07:16
It's pronounced "stick," idiot.

00:07:18
Play nice, Flip.

00:07:19
If this gets out, everyone will be talking about the stolen gag, instead of all the great parts of the show that weren't stolen.

00:07:25
Fine. What do you want?

00:07:26
I want what every comedy writer wants. Respect!

00:07:30
Oh! What if I just let you come to the premiere party with us?

00:07:33
They have tiny tacos in soft shells that are impossible to fold without making a big mess.

00:07:37
I accept your terms. Where do I sign?

00:07:40
-Can we go now? -Wait.

00:07:42
"Abel Ziegler ampersand"? What are you ampersanding?

00:07:45
-My former writing partner, Ziggy Abler. -What?

00:07:48
I can only give permission for the part I wrote.

00:07:50
I'm the set-up guy.

00:07:52
If you want the punch line, you gotta talk to Ziggy.

00:07:54
Can you ask him to sign the release?

00:07:56
I can't even ask him the best time to go to the dentist.

00:07:59
He hasn't talked to me for 30 years.

00:08:01
-Now, you mentioned a party? -

00:08:01
[Flip groans]

00:08:04
[camera shutters clicking]

00:08:06
[Pickles]

00:08:06
Wow!

00:08:08
A real Hollywoo premiere party.

00:08:10
Can we get our pictures taken, and drink specialty cocktails, and form life-long bonds with other fancy celebrities, and read in magazines, "Who wore it better?"

00:08:17
And then people vote, and then 78 percent of readers say,

00:08:20
-"Pickles did!" -

00:08:20
[chuckles]

00:08:22
[camera shutters clicking]

00:08:22
[reporters clamoring]

00:08:27
Hey, BoJack, can we get some of just you?

00:08:30
-Oh, uh, yeah. -Mm-hmm. I'll see you in there.

00:08:32
FYI, you're gonna want pictures of her after you see what she does in Philbert.

00:08:36
Let me tell you something, that 39-year-old actress is going places.

00:08:40
-Oh. Hey. -What happened to your arm?

00:08:42
-Oh, just some asshole got T-boned by me. -Oh, my God. When?

00:08:47
Uh... couple weeks ago? Or months?

00:08:52
As Philbert says, "Time is like a woman; completely impossible to comprehend."

00:08:57
I think we ended up cutting that line because the network was worried it would be offensive to people who didn't know what time it was.

00:09:04
[clattering]

00:09:04
-This you call a tip?

00:09:06
I haven't seen a tip this measly since my bris.

00:09:08
You must be Ziggy Abler. Oh, thank you so much for coming.

00:09:12
Darling, you're wasting your time.

00:09:14
I love to sign documents. In fact, that's my signature move.

00:09:17
But if Abel signed it, I won't.

00:09:19
I guess you could say I'm willing, but not Abel!

00:09:22
-Oh...! -Now where are those tiny tacos?

00:09:24
Oh!

00:09:25
[bell chimes]

00:09:25
-Cuckoo.

00:09:30
[Henry]

00:09:30
Chicka-chicka, oh, yeah.

00:09:33
Mmm-ch, mmm-ch!

00:09:34
[clattering]

00:09:37
Oh, is it five o'clock already?

00:09:39
If you've poured me a drink, you must want something.

00:09:41
-Out with it. -

00:09:41
[Henry]

00:09:41
I want to be on top of you.

00:09:44
There's no one on top of me. I'm CEO of this company.

00:09:47
-That's my favorite position. -Well, you can't have it. It's mine.

00:09:51
Give it to me.

00:09:53
You want to be tantamount to this catamount?

00:09:59
You've got balls, I'll give you that.

00:10:01
[clanking, whirring]

00:10:01
I am a horny robot.

00:10:03
For my job, yes, you've been quite clear.

00:10:06
But if you were CEO, what would I do?

00:10:09
Take a portraiture class at the Learning Annex?

00:10:11
While away the hours, painting canvas after canvas of my wife, and, through this act, rediscover the woman I fell in love with those many years ago?

00:10:21
No, such a realization would only crush my too-feeble heart.

00:10:24
After all, what benefit is it to love without the words to express it?

00:10:28
What could I possibly say to articulate my deep devotion to this woman, who has become but a stranger to me now?

00:10:35
[whirring]

00:10:35
I am powerless in the face of your mesmerizing sexual energy.

00:10:40
[gasps]

00:10:40
Such a brain for business, yet such a tongue for poetry.

00:10:46
So, I am resigning from my post, effective immediately.

00:10:49

I leave you in the good hands of Henry Fondle.

00:10:53
-Henry, would you like to say a few words? -Henry] You will submit to my desires.

00:10:56
-Very impressive. -He's leaning in and I respect that.

00:10:59
-Uh... guys, are you sure about this? -I've never been more sure about anything.

00:11:04
Todd, why don't you show your new boss around the premises?

00:11:07
I'm actually about to head out to the Philbert premiere party.

00:11:10
[Henry]

00:11:10
I'm coming. -Brilliant! You'll take him with you!

00:11:13
Oh, no, no. He doesn't need to come.

00:11:15
[Henry]

00:11:15
I'm coming, I'm coming. Oh, God, I'm coming.

00:11:18
Whatever you say... boss.

00:11:21
[splattering]

00:11:23
Hello, everyone.

00:11:24
Thank you for attending the premiere of my opus.

00:11:26
I hope you all enjoy it because that means you are smart.

00:11:29
If you don't get it, that means that my genius wasn't appreciated in my own time, and that's okay, too.

00:11:34
[weak laughter]

00:11:36
Why are you laughing? Please do not laugh during the screening.

00:11:39
This episode contains no intentional humor.

00:11:41
[chuckles]

00:11:41
Okay. That's-- that's always a good sign, when you have to clarify that. Look, folks, Herb is being modest.

00:11:47
-"Herb"? -I'm sorry.

00:11:49
[laughs]

00:11:49
Flip. Did I say Herb?

00:11:52
Herb is being modest, but he put together a tremendous show that I think that you guys are really gonna love.

00:11:58
That's right. It all came out of this brain.

00:12:01
-Ha! That brain, he says? -That brain? Double-ha!

00:12:05
Shh!

00:12:06
And the most amazing thing about this show is that I'm sure we all have Philberts in our lives, or we are Philberts.

00:12:13
You know, we've all done terrible things that we deeply regret.

00:12:16

I've done so many... unforgivable things.

00:12:19

And I think that, that's what this show says.

00:12:22

Is that... is that we're all terrible, so therefore we're all... okay.

00:12:27

What?

00:12:27

And I think that's a really powerful message.

00:12:31

Okay, well, without further ado, the first chapter, and notice I said "chapter" not episode because I think of this show as more of a novel than a TV show...

00:12:40

-of Philbert! -

00:12:40

[applause]

00:12:45

[BoJack's voice]

00:12:45

Nothing's lonelier than a party.

00:12:49

[cheering, applause]

00:12:52

Barf me a river!

00:12:54

[camera shutter clicks]

00:12:55

[phone clicking]

00:12:59

Hey, Pickles, where have you been? You left after, like, ten minutes.

00:13:01

I'm sorry.

00:13:03

My friend Ilana, not my best friend Ilana, but another Ilana who is my friend, was having a crisis, and I needed to text her "LOL."

00:13:09

Well, you missed the whole episode.

00:13:11

I saw the first ten minutes! I just couldn't get into it.

00:13:14

And you kept saying,

00:13:15

"Do you love it? Are you loving it? How did you like that scene?"

00:13:18

Well, did you love it? Were you loving it? How did you like that scene?

00:13:21

Every time you showed up on screen, I kept thinking,

00:13:23

"That's not a dirty cop, that's my boyfriend!

00:13:26

The sweetest, cutest dog in the whole world!"

00:13:29

And then you'd shoot someone, and I was like... eww!

00:13:31

-Fritz is the hardest I've ever acted. -Oh.

00:13:34

Harder than the ice bucket challenge, but it was fake ice. I wanted you to see it.

00:13:38

I'm going to fix this. You stay here and party.

00:13:40

I'll go home. I'll watch the entire season of your show.

00:13:43

You don't have to do that.

00:13:44

And you don't have to like every one of my Instagram posts, but you do.

00:13:49

The least I could do is watch your TV show, even if it kills me because I hate it so much.

00:13:55

-Well, don't watch it if you hate it. -I'm going to do this for us.

00:13:58

-But-- -I love you!

00:14:00

[sighs]

00:14:00

[buzzing]

00:14:03

I've been to dozens of these things and I've never heard applause like that.

00:14:06

We might actually get a season two.

00:14:07

-That's never happened to me before. -That's incredible.

00:14:10

Excuse me, can I borrow you for a few minutes?

00:14:13

-Oh, sure. Gina, do you mind if I, um...? -Yeah, go ahead.

00:14:15

Oh, no, I was actually talking to Gina.

00:14:18

Me? I'm being borrowed for a few minutes?

00:14:20

Oh! Well, yeah. Yeah, of course. Yeah, yeah. Sure.

00:14:23

Wow. Oh, my God.

00:14:25

Hey, how you doing? Hey, you came!

00:14:27

Flip, I screwed up. I didn't know it would feel like that.

00:14:30

To be in that room. To hear people cheering for Philbert!

00:14:33

-What are you talking about? -When I first started on this job,

00:14:36

I wanted to make Philbert more well-rounded, so the audience could relate to him better.

00:14:40

And now you're upset because I didn't mention you in my introduction.

00:14:44

Diane, the whole point of television is it's a collaborative medium,

00:14:48

-where one person gets all the credit. -No, it's not about that.

00:14:52

I made him more vulnerable, and that made him more likable, which makes for a better TV show.

00:14:57

But if Philbert is just a way to help dumb assholes rationalize their own awful behavior, well, I'm sorry, but we can't put this out there.

00:15:04

Uh, it's out there.

00:15:05

The whole season's dropping at midnight all over the world.

00:15:08

-I can't be here. -

00:15:08

[Flip sighs]

00:15:10

Come on, fellas. I know we can find a solution here.

00:15:13

I doubt it.

00:15:14

We have the same problem as a hematology lab that goes a week without electricity!

00:15:19

Too much bad blood!

00:15:21

But you obviously work together so well. What went wrong?

00:15:24

It was a long time ago.

00:15:26

My wife Harriet always had a sneaker for Ziggy.

00:15:29

Oh, and the unspoken resentment crept in?

00:15:31

Unspoken? It was shouted!

00:15:33

Nevertheless, me and Harriet ended up having a fling.

00:15:36

Eventually, we got married.

00:15:38

-And that killed the partnership? -No, we got over that.

00:15:40

But at their tenth anniversary, I had a few too many--

00:15:43

And what, you took a swing at him?

00:15:45

I said I always felt he had the easier job, coming up with the punch lines.

00:15:49

And then what? What led to the rift?

00:15:51

Led? That's the whole rift! He besmirched my craft.

00:15:55

I still haven't forgiven the son of a bitch!

00:15:57

I said it then, and I stand by it now!

00:16:01

All the pressure's on the punch line!

00:16:04

Pressure? Please!

00:16:05

Set-ups need context, mise-en-scène, flavor!

00:16:09

I carried us to the top of the Popsicle stick game!

00:16:13

You wrote the part they let you try before you buy!

00:16:15

I had to deliver the money line!

00:16:17

[both]

00:16:17

Ugh!

00:16:18

So, you both think you had the harder job?

00:16:21

[Abel]

00:16:21

Of course! -Indubitably!

00:16:22

Well, what if you tried switching roles?

00:16:24

-You mean, I tag his set-ups? -Why not?

00:16:27

I don't know. I'm a punch line guy my whole life.

00:16:30

How do I come up with straight lines?

00:16:33

-You could try using a ruler. -Oh!

00:16:36

[both laugh]

00:16:38

-Oh, I missed you, Abel! -You, too, Zig!

00:16:42

All right, so we have a deal?

00:16:43

What did the terminally ill man say to Dr. Kevorkian?

00:16:47

"Give me that sweet release!"

00:16:53

Hey.

00:16:54

Did you really mean what you said, before the screening?

00:16:57

About how Philbert made you feel okay, about yourself?

00:17:00

Oh, I don't know--

00:17:01

Because, you know, that's not the point of Philbert-- for guys to watch it and feel okay.

00:17:06

Diane, it's a compliment. You did a good job. Relax.

00:17:08

I don't want you, or anyone else, justifying their shitty behavior because of the show.

00:17:12

What is your problem?

00:17:13

Why can't you accept that something you did is successful?

00:17:16

It's connecting to people, and that's good.

00:17:18

You're right, sorry. I don't know why I thought you would care.

00:17:20

-Excuse me? -What is going on with you? You're a mess.

00:17:23

-Am I? -I feel like I barely know you anymore.

00:17:27

Oh, bullshit. Don't give me that.

00:17:28

-It's true. I don't know you. -No. You know me. You do.

00:17:31

Then what the hell happened in New Mexico?

00:17:34

Look, I...

00:17:35

I don't know what you think that you know--

00:17:37

I don't know anything!

00:17:38

I mean, I know something happened with a girl in New Mexico, and I know it resulted in you coming home in a boat.

00:17:44

-Well, that's-- -I also know... that your old friend Charlotte lives in New Mexico because you used to leave her business card lying around the house, and I know her daughter is a senior at Oberlin.

00:17:52

-How--? -And I know you went to Oberlin during your bender three years ago because a bunch of students posted pictures of you on Facebook.

00:17:58

Jesus Christ, why are you so obsessed with me?

00:18:01

I am not obsessed.

00:18:02

I wanted to know what happened, and you wouldn't tell me.

00:18:05

-You never asked! -Okay, so I'm asking now.

00:18:08

What happened in New Mexico?

00:18:10

-Hallo! Smile for Yahoo, Finland! -

00:18:10

[camera shutter clicks]

00:18:13

What I don't understand is why you feel like you deserve to know every shitty thing I ever did.

00:18:18

I don't deserve anything.

00:18:19

I would like to know when you've done shitty things.

00:18:22

Why is that your business?

00:18:23

Because I'm your friend, and I care about you, and I wrote a book about you, and now I wrote this show for you, and I am very publicly your friend, so if it gets out that you're doing creepy stuff, that makes me look bad.

00:18:35

Oh! So you're worried about things that I may have done because you think that it reflects badly on you?

00:18:41

Hurts your brand? That's your moral high ground?

00:18:43

This is not about "moral high ground."

00:18:45

Wanna know about New Mexico?

00:18:46

You want to know about the one little thing that I did in New Mexico, which, by the way, wasn't even really a thing?

00:18:51

-You know what? Spare me. -No, I'm gonna tell you.

00:18:53

I'll tell you what you want.

00:18:54

And while I'm at it, you wanna hear about what happened at the MTV beach house?

00:18:57

Or why I'm not allowed to fly United anymore?

00:18:59

Or what happened with Sharona, the makeup lady on Horsing Around?

00:19:02

-What? -Or the dozens of other shady things that may or may not have occurred in my life that I can barely even remember

00:19:07

'cause I was high or drunk or it was 30 years ago?

00:19:10

And you don't feel bad, about any of this stuff?

00:19:12

Yeah, of course I do! I've spent so much time feeling bad.

00:19:15

By the way, most of these women... don't even remember, I bet.

00:19:19

Well, that's really convenient for you.

00:19:21

I'm the one who has to live with this shit.

00:19:22

I'm the one who has to feel the guilt all day, every day.

00:19:25

So, you're the victim here?

00:19:27

Yeah, and I know that's not the woke, progressive, intersectionally appropriate thing to say, but I would say, yeah!

00:19:33

I'm the one who has suffered the most because of the actions of BoJack Horseman.

00:19:36

-You've suffered? -Yeah, I have!

00:19:38

-The most? -The most!

00:19:39

Really? More than, say, Sarah Lynn?

00:19:43

Don't talk to me about her.

00:19:45

No, I wanna know how you're the victim of the Sarah Lynn story.

00:19:49

-I'm serious. -Explain to me... how Sarah Lynn's overdose was really rough for you.

00:19:53

-Shut up. -You feel a lot of guilt about that?

00:19:55

You feel a lot of guilt because you were the only father figure she ever had, and when she came to you for help, you--

00:20:00

-Hey, how you doing? -You folks having a good time?

00:20:03

You look great. Thanks for coming.

00:20:04

-You had sex with her? -That's-- ! No.

00:20:06

And then when she was sober, you took her on a month-long bender?

00:20:10

And then she died. And she is dead now. And you're still alive.

00:20:14

With a girlfriend, who is also alive, and a TV show.

00:20:17

And that's been really hard for you, the main character in this story.

00:20:21

Why are you bringing this shit up? Is this fun for you?

00:20:24

-To really rub in-- -It's not fun.

00:20:26

You win! You scored all the points in the argument!

00:20:28

According to facts, you are right and I am wrong, like always.

00:20:32

But you know what? I don't care. Because I'm trying to move forward.

00:20:35

You haven't changed at all.

00:20:36

Yes! Congratulations! You are the last person to get that.

00:20:39

I'm not gonna change. I don't need your help for changing, so you can stop trying to make me your project.

00:20:45

-That's not-- -When I met you, I was depressed because I didn't like myself.

00:20:49

And when you wrote that book and sold a bajillion copies, you taught me that as screwed up as I am, that's okay.

00:20:56

You did that. And now I'm okay.

00:20:59

I don't believe that's true.

00:21:01

And I don't think you believe it's true.

00:21:04

I think you want me to tell you that you can be better.

00:21:08

And even though you're being a total asshole right now,

00:21:12

I still believe it.

00:21:13

If all you've gotten out of this friendship, is the idea that you should be okay with yourself, as you are, then I don't think this is a good relationship... for either of us.

00:21:22

-Diane, come on. -I'm going home.

00:21:24

No, Diane, we're saying things, but let's just go back to the party.

00:21:28

I'm done... with all of this.

00:21:30

I went to New Mexico to see Charlotte.

00:21:33

She was married with a daughter.

00:21:35

But it wasn't like... what you're thinking.

00:21:37

She was 17, which is the legal age of consent in New Mexico, and she wasn't drunk, so, not that I wanted to, I never... I didn't.

00:21:43

That's the dumbest part of all of this! I didn't do anything.

00:21:46

I mean, the fact that this has turned into such a thing for you-- you know, maybe I didn't tell you because there was nothing to tell.

00:21:51

Did you ever think of that? She was my friend's daughter, and she wanted it, and I was...

00:21:51

[breathes]

00:21:56

I was in a bad place because Charlotte had just--

00:21:58

So, then she came onto my boat, Charlotte, I mean, and she walked in, and I was with her daughter.

00:22:03

But again, nothing had happened yet.

00:22:06

-"Yet?" -Nothing happened.

00:22:07

Goodbye, BoJack.

00:22:09

-Diane, no! -Hey-- Aah!

00:22:10

You wanted me to tell you. I told you. You know everything.

00:22:12

-Please let go of me. -Diane, please.

00:22:14

You're hurting me, and I would like you to let go now.

00:22:17

[winces, sighs]

00:22:19

[sighs]

00:22:22

[spits, gulps]

00:22:26

[gulps, sighs]

00:22:34

[whirring]

00:22:37

-So, what'd you think of the show, boss? -

00:22:37

[Henry]

00:22:37

More, more.

00:22:40

Well, all ten episodes

00:22:42

-will be on our website at midnight. -More.

00:22:44

-You want more episodes? -Give it to me.

00:22:49

Ooh! Flip! They're picking us up for more episodes!

00:22:53

Wow. And my mother said I'd never last as long as Hung.

00:22:56

Well, who's Hung now, Mom?

00:22:58

Uh, right.

00:23:02

[puffs]

00:23:02

Ugh.

00:23:04

[grunts]

00:23:04

Ow! Oh, ah!

00:23:07

[wires whizzes]

00:23:07

[breaks lamp]

00:23:12

Uh...

00:23:13

-Oh. Hey! -Hey.

00:23:16

-You're leaving? -Yeah. You?

00:23:18

I'm just getting some air.

00:23:20

No, wrong Prius. I'm sorry I lost my ticket!

00:23:23

[sighs]

00:23:23

[chuckles]

00:23:25

Want me to drive you home?

00:23:26

You can come back and get your car tomorrow?

00:23:28

You don't have to do that.

00:23:29

Of course not. I don't have to do anything.

00:23:32

[camera shutters clicking]

00:23:32

[guests laughing]

00:23:36

Gina, I know it's early, but have you started writing your acceptance speech for the Emmys?

00:23:40

Oh, stop. I'll probably just repurpose whatever I say at the SAG Awards.

00:23:43

[laughter]

00:23:43

-Is that gonna read as cocky?

00:23:45

Can you explain to your readers that I'm being charmingly self-effacing?

00:23:49

-Excuse me. -Oh, hey, hot stuff! Whoa!

00:23:51

[reporter gasps]

00:23:51

[camera shutters clicking]

00:23:53

[Gina moans]

00:24:03

Thanks.

00:24:04

And, great job, by the way. You're really good on the show.

00:24:09

Yeah? No. Me? No. Yeah?

00:24:12

Yeah! You're a good actor. I never knew that about you.

00:24:16

Well, I'll see you back on set, right?

00:24:18

Did you hear we got picked up for more episodes?

00:24:20

I'm not going back.

00:24:22

Oh. Well, then, I guess I'll see you around.

00:24:25

I hope so.

00:24:25

[chuckles]

00:24:27

I can't believe I finally got you to leave a party early.

00:24:30

Come on, you know I'd do anything for you.

00:24:33

-Why? I'm such a disaster. -You're not a disaster.

00:24:38

You're Diane. You're amazing.

00:24:45

Do you wanna come in?

00:24:48

[end theme music playing]

Ep 11 — The Showstopper

00:00:09

[BoJack]

00:00:09

Previously on Philbert...

00:00:11

[sighs]

00:00:11

Now I see why they call you "Sassy."

00:00:14

-Hello, old friend. -Fritz! But you're dead!

00:00:17

Dead serious... about haunting you.

00:00:20

[sighs]

00:00:20

I haven't had sex that good since my wife died.

00:00:23

To be clear, the sex was pre-death.

00:00:25

Philbert, I don't want to be one of those girls, but did you murder your wife?

00:00:29

How many people are dead because of you?

00:00:31

Those were bad guys! They stole the mayor's submarine.

00:00:34

Tell me what happened.

00:00:35

I'm going to the chief! The whole world's gonna know what you did.

00:00:38

-You can't do that, Marjorie. -John, it's over.

00:00:38

[gasps]

00:00:42

Fritz, you maniac! What are you doing?

00:00:43

-What you're too chickenshit to do. -

00:00:43

[gasping]

00:00:43

John! Help!

00:00:47

-Oh-hh! -

00:00:47

[moaning]

00:00:49

[gasping]

00:00:51

[clicks]

00:00:52

[Fritz grunts]

00:00:53

You shot your partner?

00:00:54

He was strangling my wife!

00:00:56

Kiss me, you smart, handsome renegade.

00:00:59

There's no time for that now. The nuclear missiles are coming.

00:01:07

[music playing]

00:01:17

■ Well, I've been down To the girlie club ■

00:01:20

■ With a hot glue gun full of beans ■

00:01:23

■ Shot the beans on the railroad tracks ■

00:01:25

[mumbling]

00:01:25

■ ...Know what I mean ■

00:01:28

■ I'm a man out of time ■

00:01:32

■ And time keeps runnin' me down ■

00:01:38

■ 'Cause rules are for fools ■

00:01:43

■ And I ain't no clown, no ■

00:01:48

■ They say the devil is a woman ■

00:01:53

■ But I ain't no clown ■

00:01:57

[music ends]

00:02:03

[mask huffing]

00:02:06

[Philbert narrating]

00:02:06

It's been six months since the missiles hit.

00:02:09

The air is thick with the stench of death,

00:02:11

and the hospitals are delivering some very wacky babies.

00:02:14

But, finally, they reopened the Yogurtland near me.

00:02:18

Sometimes, even mushroom clouds have a silver lining.

00:02:22

Hey, partner. Looks like you're getting soft... serve frozen yogurt.

00:02:25

[chuckles]

00:02:25

Now I continue to see why they call you "Sassy."

00:02:29

[narrating]

00:02:29

It's also been six months since I told Sassy the truth.

00:02:32

About Fritz. My wife.

00:02:34

And Sassy hasn't turned me in. I think she likes me.

00:02:37

[Sassy sighs]

00:02:37

[Flip]

00:02:37

Cut!

00:02:38

[bell rings]

00:02:38

[spits]

00:02:38

Ugh!

00:02:41

BoJack, I told you not to eat the prop food.

00:02:43

That fake yogurt costs \$500 a cup!

00:02:46

Why?

00:02:50

[BoJack]

00:02:50

It's been two months since the first season of Philbert came out.

00:02:53

And it's a hit. Which is great for me, but even better for Gina.

00:02:58

[camera shutters clicking]

00:03:04

You know, I've done so many TV shows,

00:03:06

but this is the first one that's kind of turned me into a star.

00:03:08

It's a big step up from just recurring on The Cops are Coming,

Whee-oo, Whee-oo.

00:03:12

[BoJack]

00:03:12

And the weird part is I'm not secretly bitter and jealous.

00:03:15

I like seeing her happy.

00:03:18

But I still have this little rancid itch saying something isn't right.

00:03:22

It's like there's always something lurking just beyond the horizon.

00:03:27

[ringing]

00:03:28

Philbert the Troubled Detective.

00:03:30

I see. Thank you.

00:03:32

Why do you still use a landline?

00:03:34

[Philbert]

00:03:34

What am I supposed to tell her, I'm just an old-fashioned guy?

00:03:37

Or maybe I like things that are plugged to the wall?

00:03:39

Something to grab onto if I start floating away.

00:03:42

That was my wife's landline.

00:03:44

[Fritz grunting]

00:03:44

[gasps]

00:03:46

-I'm so sorry. -Never mind that.

00:03:48

The chief's been murdered.

00:03:49

Oh, Philbert, that's awful. I know you didn't want him to be murdered.

00:03:52

Sassy, put on some pants. You've got a sweet bottom,

00:03:55

but the only bottom I'm interested in right now

00:03:57

is the bottom of this case, and getting to it.

00:03:59

Because this time, it's personnel.

00:04:04

-Cut! -

00:04:04

[bell rings]

00:04:06

Did you want me to say, "This time it's personal"?

00:04:08

No, that's a cliché. You're saying it's an inside job.

00:04:11

Someone on the force. "This time, it's personnel."

00:04:14

-Ah, okay. -The strangling looks fake.

00:04:17

Ooh, maybe it would be scarier...

00:04:17

[wailing]

00:04:17

if I talked like this--

00:04:20

I already told you. No spooky voice!

00:04:22

I can roll my eyes back and stick my tongue out.

00:04:25

[gagging]

00:04:27

-Eh...? -Yeah, let's try that.

00:04:29

Gina, you noticed anything funky about these new scripts?

00:04:32

Yeah. Without Diane around to police Flip's use of the word "literally,"

00:04:35

you'd think "the literally store" was going out of business.

Figuratively.

00:04:38

What? No. I mean the story with the chief. I think it's stolen from my life.

00:04:42

I mean, I also had a male boss who died. Herb Kazazz.

00:04:46

Seems like a coincidence.

00:04:47

The chief is named Basil. Like basil, which is an herb! Like Herb.

00:04:51

I don't think anyone would use a story from your life without telling you.

00:04:54

-Diane would. -She's not writing on the show anymore.

00:04:57

You think Flip read her book? Wait a minute. "Her book." "Herb... ook."

00:05:01

-What's going on with you? -I'm gonna get to the bottom of this because this time, it's business.

00:05:05

Personal business.

00:05:08

[typing]

00:05:08

[knocking on door]

00:05:10

Hey, friend. Where'd you get your ideas from?

00:05:13

I'm just-- I'm so interested in your process.

00:05:15

Do you make them up, or get inspired by other things or people's... lives?

00:05:20

What are you accusing me of?

00:05:21

You think I can't come up with my own ideas?

00:05:23

Those popsicle guys signed a release.

00:05:25

Popsicle guys?

00:05:26

-What are you talking about? -What are you talking about?

00:05:29

[both]

00:05:29

Hmm...

00:05:31

[BoJack]

00:05:31

Something's going on. I must be singing a song called "Crazy"

00:05:34

because everyone's treating me like a patsy.

00:05:36

All I know for sure is Flip's hiding something.

00:05:38

Something about "popsicle guys."

00:05:40

-Hey, buddy. Is everything okay in here? -Yeah, fine.

00:05:43

Really? Because this trailer belongs to Stingray Liotta.

00:05:47

[gurgling]

00:05:49

Oh. Uh, I guess I've been a little distracted.

00:05:51

Are you sure you're okay? Because you're my friend, and I would never forgive myself if something happened to you that affected our ability to stay on schedule.

00:05:59

-What? -BoJack, I care about you, and also the 218 other people who will be out of a job if you spin out like you usually do. Now are you keeping things together?

00:06:09

I'm not gonna screw up this professional opportunity for you.

00:06:11

Your concern is very touching.

00:06:13

-What's in those pills you keep taking? -If you really cared, you should've been there the day I fell off a building?

00:06:18

But no. You had other important business to attend to.

00:06:20

-BoJack-- -You're doing a great job, making me feel like you give a shit. You're gonna be an awesome mom.

00:06:26

[sighs]

00:06:26

I think you're overworked.

00:06:28

Oh, for real? With a side order of,

00:06:30

"Ya think?" And sundry retorts of that fashion.

00:06:32

Here's what's gonna happen.

00:06:34

You're gonna take the rest of the night off.

00:06:35

You're gonna get some sleep.

00:06:37

And when you come back, you're gonna be professional, you're gonna be courteous, and you're gonna have your shit together.

00:06:42

Fine! And... I'm sorry, about the mom thing.

00:06:46

Get some sleep.

00:06:49

[sighs]

00:06:51

-I can't sleep. -Ugh. Yeah, you mentioned.

00:06:53

-Flip was acting very suspicious. -He sure was. Eight hours ago.

00:06:57

But we're home now, and it's 4:00 in the morning.

00:07:00

Princess Carolyn's getting all up in my business!

00:07:02

She told me that I seem "not okay," and was "spinning out,"

00:07:05

-and "would make a great mom." -Not sure you'd be the best mom.

00:07:09

-I'd be a wonderful mother! -Wow.

00:07:11

[thinking]

00:07:11

Watch it, BoJack. You're losing it. Gotta be cool for Gina.

00:07:14

What's something a cool person would say?

00:07:16

Uh, hey, Daddy-O.

00:07:17

Gotta splitsville to the lavatory if you catch my drift. Hang ten!

00:07:20

-Oh, okay. -Nailed it.

00:07:23

[panting]

00:07:28

[sighs]

00:07:28

Huh?

00:07:31

[clicking]

00:07:39

[Gina]

00:07:39

BoJack, I know what's going on.

00:07:41

[switch clicks]

00:07:41

[gasps]

00:07:41

Uh... you do?

00:07:43

You're taking the character home with you. It happens to every actor.

00:07:46

I played a girls' PE coach who solved mysteries in a pilot called, Death, She Whistles.

00:07:50

It never went to series, but I got so into it,

00:07:52

I spent months ordering every mouthy teen I saw

00:07:54

-to drop and give me 20. -Yeah, you're probably right.

00:07:59

[sniffs, slurps]

00:08:03

[gasps]

00:08:09

[groans]

00:08:14

[gasps, moans]

00:08:16

[music playing]

00:08:19

[vocals singing backwards]

00:08:22

[music stops]

00:08:22

-Uh...?

00:08:24
[faint fluttering]

00:08:24
[gasps]

00:08:28
[gasps]

00:08:30
[BoJack narrating]

00:08:30
The BoJack Mysteries will continue after this.

00:08:34
[orchestral music playing]

00:08:34
[puffing]

00:08:38
Hello. I hope you're enjoying Philbert. Is everyone having a good time?

00:08:43
-Uh... -

00:08:43
[music stops]

00:08:44
Okay, I'm gonna level with you. I'm in a real situation here because I did not realize I was supposed to sell ads for this show.

00:08:52
Nobody specifically told me that was under the purview of the president of ad sales!

00:08:57
So, if anyone wants to buy 30 million dollars'-worth of ad time, or work out some sort of licensing arrangement, basically, what you need to know about me is I am desperate and will say yes to anything.

00:09:10
Let the negotiations begin!

00:09:12
[music resumes]

00:09:12
-And now, back to the show.

00:09:18
[BoJack thinking]

00:09:18
Who sent this? What do they know?

00:09:21
Do they know things? Let's find out.

00:09:23
Hey, BoJack! Did the L.A. Gazette come today?

00:09:25
Apparently, I'm on their "35 Over 35 but Under 40" list.

00:09:29
Uh, no, nothing came today! I wasn't looking at anything.

00:09:31
Why are you so insistent that something came today?

00:09:33
Obsessed with things coming much?

00:09:35
Whatever this creep has on me could ruin the show, And there goes

00:09:38
Gina's newfound happiness.

00:09:39
I gotta find out who sent this. For her sake.

00:09:45
This case is like the movie, Love Actually. No leads.

00:09:47
-Hope the coroner can help us out. -She will.

00:09:50
We got a lot of history, me and the coroner.

00:09:51

Here's a picture. She used to be one of my closest friends.

00:09:55
Used to?

00:09:56
Times change.

00:09:59
[splatters]

00:10:00
[BoJack]

00:10:00
Diane! Diane! Diane! I know you sent me the note!

00:10:05
-What note? -What note?

00:10:06
The one you slipped under my door.

00:10:08
See, great actors embody their roles, so I've picked up some detective skills.

00:10:11
That letter "I" is in a nerd font. I'd say it's from The Believer.

00:10:15
And you're the only person who reads The Believer.

00:10:18
First of all, The Believer is a very popular \$12 magazine.

00:10:21
And I didn't send this dumb note.

00:10:23
You love revealing my secrets. And not sharing your cobbler!

00:10:27
[sighs]

00:10:27
-Who else could have done it?

00:10:30
I don't know. Who'd you piss off?

00:10:32
[thinking]

00:10:32
She's right. Lotta people have it out for me.

00:10:35
[Philbert narrating]

00:10:35
But who the hell would want to hurt the chief?

00:10:37
Hey, Philbert. This your friend?

00:10:39
[gasps]

00:10:39
-A second strangling victim.

00:10:41
If it's the same killer, he's a real pain in the neck.

00:10:44
Hey, there's being sassy, and there's going over the line with humor. Literally.

00:10:49
All right, enough chokes. Let's put together a list of suspects.

00:10:52
Yeah, suspects.

00:10:54
[Philbert]

00:10:54
Gotta keep it together and go through the suspects.

00:11:00
[rattling]

00:11:02
[thinking]

00:11:02
Who would wanna take down BoJack Horseman?

00:11:04

[clicks]

00:11:07

Huh.

00:11:08

No. Don't call Charlotte. That's a terrible idea. Don't do it.

00:11:11

[ringing]

00:11:12

Hello! Charlotte's husband Kyle here!

00:11:15

[Kyle]

00:11:15

Hello? Hello, hello, hello?

00:11:17

This is your last chance, okay?

00:11:19

- Three, two... -Uh...

00:11:21

All right, you get another second here. What's going on?

00:11:23

-I'm doing a survey for the cable company. -All right.

00:11:27

I've got time for a survey. Kinda fun to think big-time corporations care about what little old Kyle thinks.

00:11:32

[speaking with mock Scottish accent]

00:11:32

On a scale of one to ten, how would you rate your cable service?

00:11:37

Oh, that's a tough one, right off the bat. Let's see.

00:11:40

Don't take this personally, but I'm gonna say eight.

00:11:42

And on a scale of one to ten, how is your marriage?

00:11:45

Well, that's a little personal, don't ya think?

00:11:47

Oh, okay. Uh...

00:11:49

But I guess if it helps your survey-- my wife and I had some rough patches, but we're stronger now we've got through them.

00:11:54

-I'm gonna give us an eight. -Okay, so it sounds like your wife isn't obsessed with a desire to exact revenge on a former friend?

00:12:01

-What? -For cable-related reasons or otherwise?

00:12:04

-I don't think so. -Okay, wonderful.

00:12:07

On a scale of one to ten, how would you rate your daughter's sexual maturity?

00:12:11

-Boy, that's a sticky one. -I'm just reading what's in front of me.

00:12:14

Pfft. I don't even know how to judge that.

00:12:16

Uh, let's say that one is, "Horribly scarred by an older man she trusted and is now dedicated to getting the word out about the bad thing he did,"

00:12:24

[normal voice]

00:12:24

and ten is, "Slowly explored her body in a healthy way on her own timetable and is now completely emotionally well-adjusted?"

00:12:31

I don't know, maybe eight?

00:12:33

I feel like I'm kind of defaulting to eights.

00:12:35

-Okay, thanks, bye! -Wait! Don't go. I got a couple questions.

00:12:37

Question number one. What channel is Netflix?

00:12:39

Gotta get back to Scotland. You're the man now, dawg.

00:12:42

Well, that didn't pan out.

00:12:43

We got no leads, and the Olive Garden won't deliver.

00:12:45

Sure, when you're there, you're "family."

00:12:47

There's gotta be something we're not seeing. All these victims, strangled.

00:12:51

Yeah, this case just gets strangler and strangler.

00:12:55

You made puns!

00:12:56

You could laugh after two murders.

00:12:57

But now we're talking about eight innocent people killed in five days!

00:13:01

This guy's really going full throttle.

00:13:04

[chuckles]

00:13:04

I guess it's just funnier when I do it.

00:13:06

-The point is, we have to stop him. -

00:13:06

[sighs]

00:13:10

So many people could have sent that note. Why do so many people hate me?

00:13:13

Oh, put up a picture of Crispin Glover.

00:13:15

Apparently, I spilled coffee on his shirt in a dream he had.

00:13:18

I'm not sure production assistants are supposed to help make lists of enemies.

00:13:22

Hey, if you're gonna whine like that, put your own picture on the wall too.

00:13:25

Oh, shit, what time is it? I gotta get to set.

00:13:27

We are on set.

00:13:29

Oh, yeah. We are, in fact, on set.

00:13:33

[buzzing, popping]

00:13:39

[Flip]

00:13:39

I'm telling you, BoJack's onto us!

00:13:42

[Princess Carolyn]

00:13:42

Oh, he's not onto anything.

00:13:44

[Flip]

00:13:44

I think he knows about the popsicle guys!

00:13:46
-Wha--? -Pickles, about dinner tonight, am I any network with a show starring Kyle Bornheimer?

00:13:51
-Because I have to cancel. -Shh, shh, shh!

00:13:53
Nothing's wrong. Just another heavy night of shooting.

00:13:55
-Sha-sha-shh! -Gotta go! Love you!

00:13:57
-Shh! Shh! -Love being monogamous!

00:13:59
[phone beeps]

00:13:59
[sighs]

00:13:59
Hey, BoJack!

00:14:01
Look at you, skulking behind doors with a malevolent aura.

00:14:04
-Someone is hiding something. -How did you know?

00:14:06
-Did you talk to Diane? -Yes. I did talk to Diane.

00:14:10
BoJack, I promise it was a one-time thing.

00:14:12
The worst thing that could happen is if I lost your respect over this.

00:14:15
I couldn't live with myself if your respect for me fell any lower than the current level of respect you have for me, which as we both know is very high.

00:14:22
Can we pretend this whole thing never happened?

00:14:24
-What whole thing? -Thank you.

00:14:28
There's gotta be a simple explanation.

00:14:30
No. I'm telling you, this whole thing is rotten, Gina.

00:14:33
[Flip]

00:14:33
You said "Gina" again! -What?

00:14:34
You called her "Gina." The character's name is "Sassy."

00:14:37
Right. Um, no. This whole thing is rotten, Sassy.

00:14:41
Whatever it is, we'll figure it out together, okay?

00:14:43
-Okay. -In the morning.

00:14:45
[clicks]

00:14:45
[Sassy sighs]

00:14:47
[sighs]

00:14:48
[pistol clicks]

00:14:48
[gasps]

00:14:48
Fritz!

00:14:50
We're not so different, you and I.

00:14:52
In fact, in many ways, you might even say we're the same.

00:14:55

Samie, samie, samie-same, you might say.

00:14:59
Twinsies, even.

00:15:00
-Fritz, you're not real. -Does this feel real enough for ya?

00:15:04
[grunts]

00:15:04
You don't have to do this. You can trust me.

00:15:07
I do trust you.

00:15:08
[sighs]

00:15:09
But I don't trust her.

00:15:11
[grunts]

00:15:11
-Ugh!

00:15:13
And that's why I still have a landline.

00:15:15
[yelling]

00:15:15
[gasps, panting]

00:15:19
What's going on? I'm a heavy sleeper.

00:15:22
The pieces are starting to fit together. Literally.

00:15:25
[BoJack thinking]

00:15:25
He's got a secret he won't tell me. And he's not alone.

00:15:28
That's why she keeps checking on me--

00:15:30
to make sure that I'm not getting too close to the truth.

00:15:32
Who else is in on it?

00:15:34
Mr. Peanutbutter. He's up to something.

00:15:36
Something involving... Diane!

00:15:39
But what do they all have in...

00:15:41
Common?

00:15:48
They all made Philbert.

00:15:50
This whole show is designed to reveal my secrets and destroy me.

00:15:53
And poor Gina is caught up in the madness. I have to find a way protect her! Get it?

00:15:58
Everyone's evil. It's a conspiracy to destroy you.

00:16:00
Protect Gina. Got it.

00:16:02
The Fascinating Mysteries of Detective BoJack Who Is Great... will continue after this.

00:16:10
What...?

00:16:13
I really think we should get to set.

00:16:16
-Aren't we on set? -You're at home.

00:16:18

I came to get you because you didn't show up at call time.

00:16:22

Why didn't you come earlier?

00:16:22

[gasps]

00:16:22

Are you trying to take me down, too?

00:16:24

Down... to set.

00:16:29

[Flip groaning]

00:16:29

[BoJack gasping]

00:16:31

Hey, everyone! BoJack's here, ready to shoot!

00:16:34

-What are we waiting for? Come on. -All right, set it up!

00:16:37

BoJack, what's going on with you?

00:16:38

I can't tell her the truth. She's safer knowing nothing.

00:16:41

-You realize you just said that out loud? -Oh. Sorry. Too many night shoots.

00:16:45

It's so hard to lie to her.

00:16:47

You just said that out loud, too. You do know this is real, right?

00:16:49

More real than you even know, dollface.

00:16:52

Face. Clocks have faces.

00:16:54

That's it!

00:16:54

[gasping]

00:16:55

Where the hell is he going?

00:16:58

[muttering]

00:16:58

Gotta get 'em... Gotta go. Gotta catch up.

00:17:07

[yelps]

00:17:07

-Todd Chavez. The man in charge.

00:17:10

The guy who has a face, which is what clocks have, and also hands, which clocks have, too.

00:17:14

I should have known his clocky-handly face was behind this.

00:17:18

-Hi, BoJack! -The gif is up, bozzo.

00:17:20

-Spill the beefs. -Okay, you got me.

00:17:22

In order to offset the costs of video hosting,

00:17:25

I needed to sign a licensing deal with a pharmaceutical company, but I think this still maintains the dignity of Flip's original vision.

00:17:34

"Oopsie, gotta poopsie"?

00:17:35

That sounds like a thing Philbert would say, right?

00:17:38

We're also doing a board game, a lunchbox, and a campaign with a national taco chain.

00:17:43

The "Philburrito." So zesty, you'll forget your murdered wife.

00:17:48

[gasps]

00:17:48

So, you wrote the note!

00:17:50

-Uh, no, that's-- -Tell me the truth, Chavez!

00:17:52

Have you always been secretly jealous of me?

00:17:54

Did you hate that you were a nothing and I was a successful cop?

00:17:58

Did you create this entire television show to destroy me?

00:18:01

That's a lotta questions, but, generally, no.

00:18:05

-This ends now. -Hey, whoa, whoa, careful!

00:18:08

Ooh!

00:18:10

[beeping]

00:18:11

-Fritz! Put down the gun. -No, BoJack, that's not--

00:18:13

[Henry Fondle]

00:18:13

I am going to blow my load!

00:18:16

Don't. Don't pull the trigger!

00:18:17

It is imminent! Prepare to exchange fluids.

00:18:21

-No! - Beep, beep!

00:18:21

[groans]

00:18:24

You're a super gal. I'll call you.

00:18:27

Fritz is getting away!

00:18:27

[grunts]

00:18:29

-BoJack, hold on-- -

00:18:29

[grunts]

00:18:31

[panting]

00:18:34

[yelps]

00:18:37

[gasps, yelps]

00:18:37

[popping]

00:18:39

[gasps]

00:18:42

-BoJack, what are we doing? -What?

00:18:45

All this running around.

00:18:47

Gina. Someone is trying to take me down, take the show down.

00:18:50

So, what, you solve this little mystery, fix this little hole, and then everything will be fine?

00:18:54

I'm doing this for you.

00:18:55

You don't want that. For everything to be fine?

00:18:58

-How dreadfully boring. -Huh?

00:19:02

■ Life is a never-ending show My friend ■

00:19:06

■ A twisting, turning, ever-bending show ■

00:19:11

Huh?

00:19:11

■ The audience is everyone you know My friend ■

00:19:16

■ Leave them with a smile when you go ■

00:19:22

■ You can bet that you're a star ■

00:19:25

■ So don't forget how fun you are ■

00:19:27

■ Get out there and give it your all ■

00:19:32

■ And don't stop dancing ■

00:19:35

■ Don't stop dancing 'Til the curtains fall ■

00:19:40

Agh!

00:19:41

■ You are a rotten little cog, mon frère ■

00:19:45

■ Spun by forces you don't understand ■

00:19:48

■ Living is a bitter, nasty slog Mein herr ■

00:19:52

■ Why not sell your sadness as a brand? ■

00:19:55

■ Paint your face and brush your mane ■

00:19:57

■ And find some place to cut your pain To portions we can buy at the mall ■

00:20:02

■ And don't stop dancing ■

00:20:03

■ No, you can't stop dancing 'Til the curtains fall ■

00:20:07

-Aw, shucks! -

00:20:07

[yelps]

00:20:09

[shoes tapping]

00:20:18

■ Today's the day, you've got the spark ■

00:20:20

■ You'll find a way to make your mark And get your tiny name on that wall ■

00:20:24

■ So, don't stop dancin', baby Don't stop spinnin' ■

00:20:28

■ Don't stop beltin', buddy Now we're winnin' ■

00:20:31

■ Grief consumes you But you just keep grinnin' ■

00:20:34

■ The ache becomes you And it's just beginning ■

00:20:38

■ Don't stop dancin' Nothing's certain but the curtain ■

00:20:42

[gasps]

00:20:43

[panting]

00:20:50

[sighs]

00:20:53

-Couldn't sleep? -I never sleep.

00:20:54

-I noticed. -I've noticed you noticing.

00:20:57

I've made some progress in our case, but, uh... you're not gonna like it.

00:21:00

-Try me. -It's about Fritz.

00:21:02

[clicks]

00:21:02

[gasps]

00:21:03

So, I guess some of this detective stuff is starting to rub off on me, because I figured out what's been going on with you.

00:21:08

-Gina? -I found your stashes in the toilet paper rolls. Then I looked around the house and found all your other clever little hiding places.

00:21:15

-How many of these do you take a day? -Hey. Those are mine.

Okay? I need those.

00:21:19

[Gina gasps]

00:21:20

I swear to God, you try that again and you're dead.

00:21:23

Sassy, I'm not the bad guy here. It's Fritz.

00:21:25

I didn't want to tell you this, but he's back.

00:21:27

I don't know how. Maybe the nuclear blast resurrected him somehow.

00:21:31

You're my partner. We need to find him.

00:21:33

I'm with Internal Affairs, you moron.

00:21:35

When you told me Fritz killed your wife, something didn't add up.

00:21:37

I tried to find Fritz in the system, but there's no record of him ever existing.

00:21:41

-What? -In fact, there's no record of you ever having a partner at all.

00:21:44

What are you saying?

00:21:46

[grunting]

00:21:48

You killed your wife. And the chief. And the coroner. And the others.

00:21:51

Why would I do that?

00:21:53

Because they knew you, and they knew your secrets.

00:21:55

But I know your secrets now.

00:21:56

-But did you know that I love bocce ball? -What?

00:21:59

[Philbert grunts]

00:21:59

[Sassy gasps]

00:22:02

[panting]

00:22:04

Come on. Gina. I'm serious, Gina.

00:22:07

-I need those pills! -Bullshit.

00:22:08

You have no idea what I'm going through. I'm trying to protect you, Gina!

00:22:11

Protect me from what?

00:22:13

-Are you serious? -Someone is trying to blackmail me.

00:22:16

-BoJack, this is from the show. -What?

00:22:19

It's marketing.

00:22:20

[Gina]

00:22:20

Everyone in L.A. got one. -Huh.

00:22:22

It's a copy of the note that Philbert gets.

00:22:24

-You sent this note. It was you. -No, Philbert.

00:22:29

[Sassy]

00:22:29

It was you. The guilt was unbearable.

00:22:31

It ate you up inside, and drove you to madness.

00:22:33

-Bullshit. -Oh? Or should I say... no "O."

00:22:38

[gasps]

00:22:39

It was you! It was all you! Literally!

00:22:42

No! No!

00:22:44

You don't remember shooting that scene?

00:22:46

Well, I-- I guess I've been a little distracted.

00:22:48

"Distracted"? You've been high.

00:22:50

No. It's not high, Gina, that's not-- It makes things normal.

00:22:53

Normal? You're a goddamn mess, and you're gonna ruin my show.

00:22:56

-Oh, your show? -That's not what I meant.

00:22:58

No, that's very helpful. I understand what you're worried about.

00:23:01

-I thought it was me, but it's your show. -BoJack, listen.

00:23:03

It would really be a shame if your show was ruined by your boyfriend's debilitating drug problem.

00:23:08

-Stop it. -Where would you go to sing

00:23:10

-with your popsicle dancers? -Popsicle dancers?

00:23:12

-Give me my pills back! -No.

00:23:14

So, what happens now?

00:23:15

-Turn yourself in. -Are you kidding?

00:23:16

I know there's a good man buried somewhere in there, Philbert.

00:23:19

He's the man I fell in love with.

00:23:21

-That man is dead! -

00:23:21

[grunts]

00:23:23

Gina. I'm not kidding. The pills. Now!

00:23:23

[bangs]

00:23:26

-You're out of control. -Give them to me!

00:23:27

[growls]

00:23:29

Stop! Let go! You're hurting me!

00:23:32

[Gina gasping]

00:23:32

[grunting]

00:23:35

[wheezing]

00:23:35

[Flip]

00:23:35

Okay, cut!

00:23:37

See, that looks real.

00:23:40

-I'm going. -Gina, no. Come on.

00:23:41

Stay away from me. Get help. Or don't.

00:23:44

-I don't care anymore. -Gina, no. Uh...!

00:23:48

[gulps]

00:23:49

-BoJack grunting] -

00:23:49

[Gina]

00:23:49

Please, stop.

00:23:51

BoJack, he said, "Cut."

00:23:53

BoJack? Buddy? I think he's really strangling her.

00:23:58

What? Oh, no. Turn the camera back on.

00:24:03

-Gina, you okay? -Okay, that's enough.

00:24:06

[screams]

00:24:06

[gasps, panting]

00:24:11

-What the fuck is wrong with you? -

00:24:11

[moans]

00:24:14

[gasping]

00:24:20

Uh...?

Ep 12 — The Stopped Show

00:00:09

[Todd]

00:00:09

You shut down production?

00:00:11

Just for a couple of days.

00:00:13

What is going on over there?

00:00:14

-It's a minor injury issue. -A stunt went slightly awry.

00:00:18

Again?

00:00:19

And one of our stars got a little strangled.

00:00:21

-What? -Just a little strangled.

00:00:23

Like, the minimum amount of strangled.

00:00:24

Everyone's fine now. It's like it didn't even happen.

00:00:28

-Except... -Except what?

00:00:30

Some crew members might have taken some video of the incident that could leak to the press at any moment.

00:00:35

But that's it!

00:00:36

Okay, I'm pulling the plug.

00:00:37

[Flip]

00:00:37

What? -No!

00:00:38

It's too dangerous! We gotta cut our losses.

00:00:40

Cut your losses? Philbert is a monster hit!

00:00:43

We put your site on the map, boy-o, so don't get squeamish now about sunk cost.

00:00:47

Face it: You need us like a fish needs a bicycle in Portland, Austin, Boulder, or Minneapolis, Saint Paul!

00:00:52

You are out of order.

00:00:53

Fine. Switch Boulder and Austin and move the Twin Cities to the front.

00:00:56

Now, can you give me a chance to get everything under control?

00:00:59

[Henry slams door]

00:00:59

Yes! Yes! Yes! -

00:00:59

[Todd sighs]

00:00:59

You have one more chance.

00:01:03

Do you promise me you can take care of this?

00:01:05

I'm clearing my docket. This is my only priority.

00:01:08

Good, because my boss has made it very clear that if we let him down, he will, quote, "eat my ass for dinner."

00:01:16

[theme music playing]

00:02:10

[high-pitched ringing]

00:02:10

[ringtone playing]

00:02:18

[phone beeps]

00:02:18

-Hello?

00:02:19

Hey, buddy, well, how ya feeling today?

00:02:22

Weird. Am I supposed to be on set right now?

00:02:24

You just stay right there. I'm coming over.

00:02:27

-Okay. -Do me a favor, though?

00:02:28

Maybe don't watch any TV, or go on the Internet,

00:02:31

or take any phone calls from anybody else until I get there, okay?

00:02:33

-What? -

00:02:33

[touch tones beeping]

00:02:35

-Ugh. -

00:02:35

[line ringing]

00:02:36

-Stuart. -What up?

00:02:37

Draft an email to Biscuits Braxby.

00:02:39

I wanna set up an interview for-- Hold on, I'm getting another call.

00:02:43

You want that part in the email?

00:02:45

-Hello? -Princess Carolyn! It's Sadie.

00:02:47

Remember me? You wanted my baby, and you came down to Eden, then you thought about your past a lot, and I decided not to give you my baby?

00:02:53

Of course I remember you, Sadie. Unfortunately, this isn't a great time.

00:02:57

Anyway, I got to thinking... I interviewed a lot of people for adoption.

00:03:00

After I said I wasn't gonna give them the baby,

00:03:02

They all went cold or nasty. Except you. You were still nice.

00:03:05

[tires screech]

00:03:05

-I think that's a sign.

00:03:05

[grunts]

00:03:07

-How fast can you get to Eden? -Why?

00:03:09

My boyfriend left me, my mama stole my truck,

00:03:11

-and I don't want this baby no more. -Oh, fish, Sadie.

00:03:14

I'm kind of in the middle of something now.

00:03:16

You're in the middle of something?

00:03:17

I'm about as deep in contractions as an apostrophe!

00:03:20

[panting]

00:03:20

-I know. This is all just coming so fast.

00:03:23

I... Let me call you back.

00:03:24

Okay, but if this baby pops out and you're not here,

00:03:27

-I'm putting it in a dumpster. -

00:03:27

[gasps]

00:03:29

I'm kidding, I'm giving it to someone else.

00:03:29

[grunts]

00:03:36

-Hey. -Hi.

00:03:38

I always forget how tiny and Dickensian this place is.

00:03:41

It's really great how you don't need nice things to be happy.

00:03:45

-Yes, I agree. What do you want? -

00:03:45

[door closes]

00:03:47

For the last couple months, I've had work to distract me,

00:03:49

but now that we're on strangle hiatus, I can't stop thinking about that "thing"

00:03:54

that happened in the prepiere of the Philbert.

00:03:55

-"Strangle hiatus?" -Diane, stay on topic.

00:03:58

-You know what "thing" I'm talking about? -Yes.

00:04:00

-The thing between us? -Got it.

00:04:01

When we had sex?

00:04:02

I was on top and then briefly on bottom. Human-y style?

00:04:05

Yep, I remember.

00:04:06

Pickles has no idea, and I've never felt so guilty in my life.

00:04:09

I hate keeping secrets from people.

00:04:11

It's like Rob Schneider's surprise party all over again.

00:04:13

You cheating on your girlfriend is not the same as Rob Schneider's surprise party.

00:04:17

You're right, this is much less sad and involves more people.

00:04:20

-Just tell Pickles the truth. -Oh, I'm not good at giving bad news.

00:04:25

-Could you do it? -What? No!

00:04:27

But you're so good at bumming people out. I'm more of a "good news" guy.

00:04:31

You want your ex-wife to explain the fact that you cheated with your ex-wife to your current girlfriend?

00:04:37

Well, of course every idea sounds stupid if you describe what it is.

00:04:40

You're not the only one who feels gross about that night.

00:04:43

Do you have any idea how shitty I felt after you left?

00:04:46

So I made you feel gross, and now...

00:04:48

No, you didn't make me anything! I am gross.

00:04:51

I feel, all the time, like a garbage fire.

00:04:54

And not a cozy dumpster in a quaint alley, but a barge, floating out to sea, with no rudder.

00:05:00

I am a rudderless burning large garbage barge.

00:05:03

Well, I'm sorry that you feel that way all the time, but I don't usually, and now, for the first time ever, I do, and I don't know what to do with that feeling!

00:05:11

-Good! You should feel bad! -Well, I do!

00:05:14

-Great! Me, too! -Great!

00:05:16

Great!

00:05:18

[both moaning, kissing]

00:05:26

So, what, exactly, do you think happened last night?

00:05:30

Uh...

00:05:31

I don't know. We shot some stuff?

00:05:34

There was an accident on set and Gina got injured.

00:05:37

-Oh, my God, she did? -She's fine.

00:05:39

-But some footage has gotten out. -Footage?

00:05:42

And because of how it looks, some people might get the impression that you were trying to hurt Gina.

00:05:47

-They're gonna get the impression. -Right.

00:05:50

-But I wasn't. -Of course not.

00:05:52

What did happen?

00:05:53

So, the two of you are gonna do a sit-down interview with Biscuits Braxby.

00:05:58

[chuckles]

00:05:58

She makes news fun!

00:05:59

Yes. All you need to say is that you know the footage looks bad,

00:06:02

but you and Gina are actors.

00:06:04

You performed a convincing scene, and you can't wait for everyone to see the new season.

00:06:09

Well, it seems like you've got everything under control.

00:06:12

[sighs]

00:06:12

I'm sorry things got so messy with the show.

00:06:16

I didn't always look out for you as much as I should have.

00:06:18

I can take care of myself. I know you've got a lot on your plate.

00:06:21

It's just been so crazy, this adoption process, but I think once I get a baby, my life will be less hectic, you know?

00:06:28

Oh, sure.

00:06:29

That is why new mothers always seem so chilled-out and well-rested.

00:06:31

Okay, buddy.

00:06:32

Why don't you save your funny jokes for the interview?

00:06:36

But please don't make jokes at the interview.

00:06:39

[both sigh]

00:06:41

Sorry I broke every piece of furniture you own.

00:06:43

-Will 20 dollars cover it? -Don't worry about it. But, yes.

00:06:47

-So, what happens now? -I don't know.

00:06:49

-I have to tell Pickles. -Yeah.

00:06:51

-I'll tell her you and I had a talk. -Okay.

00:06:54

-And we're getting back together. -Wait, what?

00:06:56

-But she's a great girl. -No, no.

00:06:58

But she is a great girl. You just don't know her.

00:07:00

No, Mr. Peanutbutter.

00:07:02

I don't want to get back together with you.

00:07:04

-What? -I think you misunderstood.

00:07:06

-Then why do you keep doing this? -Why do you keep doing this?

00:07:10

-Because I love you! -Don't say that.

00:07:12

It's true. I never stopped loving you.

00:07:14

No. We can't do this ever again.

00:07:17

-I'm sorry. -

00:07:17

[sighs]

00:07:19

See? I told you you were great at giving bad news.

00:07:22

That is not what I wanted to hear.

00:07:28

BoJack, Biscuits. Biscuits, BoJack.

00:07:30

This interview's gonna go down smooth, like a 1995 Zinfandel.

00:07:34

You ever try one of those '95 zins? Good year for Zinfandels.

00:07:37

Bad year for Oklahoma federal buildings.

00:07:41

-M'kay. -Here's how it's gonna go down.

00:07:43

Red light on the camera goes bloop! I go, "Hey!" You go, "Hey!" I go, "Video?"

00:07:46

You go, "Nah!" I go, "Really?"

00:07:47

You go, "Well..." and you roll me through the rigamarole.

00:07:50

-Oh, don't-- -Don't forget to plug your show.

00:07:52

Then I go, "Wow. This has been so illuminating. Thank you so much."

00:07:54

Red light goes boo-de-de-boop, we'll be out of here before Traffic.

00:07:57

And, yes, I'm talking about the Stephen Soderbergh movie Traffic.

00:08:00

It's playing on FX tonight, and I'm hoping to catch it.

00:08:03

Love me some Cheadle.

00:08:06

Am I crazy or was she kind of hitting on me?

00:08:08

Yeah. You guys have a real flirty energy, like Matt Lauer and those magazine cut-outs he now interviews in his kitchen.

00:08:13

-This should be fun. -Now that's the spirit!

00:08:17

You gotta show me this video.

00:08:18

No, I really don't think that's necessary.

00:08:20

I'll look like an idiot if I don't know what I'm talking about.

00:08:22

Just let me see it. How bad could it be?

00:08:24

Cut to: "Ooh, it's really bad!" But, no, seriously, can I see it?

00:08:28

[sighs]

00:08:30

[BoJack grunting in video]

00:08:30

-Hey, wow, look at me go.

00:08:32

[Princess Carolyn's voice]

00:08:32

BoJack! -Oh. Oh!

00:08:34

Oh, look out, I'm getting really, um...

00:08:37

Well, this looks like...

00:08:38

Yeah.

00:08:40

Because I'm actually...

00:08:43

Yeah.

00:08:51

Diane! What have you been up to? Tell me everything.

00:08:54

Actually, I've been working on a book of essays--

00:08:56

Okay, I was obviously asking to be polite, and it's very rude of you to assume that I care.

00:08:59

I have news that's actually interesting.

00:09:02

Girl Croosh is pivoting to video, and I want you to be the face.

00:09:07

-The face? -Of the site.

00:09:08

Every woman under 40 will tune in to hear what you have to say.

00:09:12

And possibly women over 40, but we have no way of knowing because they're invisible to our site metrics.

00:09:16

Stefani... no.

00:09:18

I don't understand. My parents never said no to me growing up, so I'm literally incapable of processing it as a concept.

00:09:23

I'm a hypocrite. I'm miserable and I make other people miserable.

00:09:27

I don't know what I'm doing. I can't be a trusted news source, or an authority, or a role model for anybody.

00:09:34

Uh, no one called you a "role model." Settle down.

00:09:37

-Oh. Um... -You know what your problem is?

00:09:39

You hold everyone to an impossible standard, including yourself.

00:09:43

It's super helpful for writing hot-take shakedowns, and clickbait take-downs, but totally toxic for your personal life and internalized sense of self-worth, girl.

00:09:52

But shouldn't we be asking more of ourselves

00:09:54

-and of the people in our lives? -Of course. But we all fail, Diane.

00:09:58

The world is unforgiving enough as it is.

00:10:01

The least we could do is find ways to forgive each other and ourselves.

00:10:05

Well, then maybe we should be more forgiving in our content, and maybe not publish so many take-downs?

00:10:11

Oh, Diane.

00:10:15

- All right, let's bring in the talent. -

00:10:15

[mumbling]

00:10:18

[gasps]

00:10:18

-Hey, is this a good time to talk?

00:10:20

No, Stuart. This is a very bad time. We're about to shoot the interview.

00:10:23

Oh, sorry, I haven't memorized your schedule.

00:10:26

-You could write it down. -With what, a quill?

00:10:29

-Okay, Elbridge Gerry. -What?

00:10:31

Anyway, this lady showed up at the office and she was being super annoying, so I brought her here.

00:10:36

-What lady?

00:10:36

[gasps]

00:10:36

-Hey.

00:10:38

Why aren't you answering your phone? Why aren't you in North Carolina?

00:10:41

We're having a bit of a PR crisis.

00:10:43

As soon as this is settled I will take the first plane there, but this is just not the best time.

00:10:47

Look, if you can't do this, don't do it.

00:10:50

My mom worked all the time and she never made time for me.

00:10:54

I felt so alone growing up, especially because I never knew my dad or my twin brother because our parents broke up when we were babies, and wouldn't even talk to each other.

00:11:03

Oh, Tracy, I had no idea.

00:11:05

My whole life, all I had was this half of a medallion with part of a family crest on it.

00:11:11

The crest of a family I'll never know.

00:11:14

-Boring. -Ex-squeeze me?

00:11:16

Sorry, but your story sucks.

00:11:17

I mean, who wasn't separated from their family as a baby and still wears their half of a medallion in the hopes of one day being reunited with their long-lost twin?

00:11:26

That exact thing happened to me and you don't see me bitching about it.

00:11:29

-God, get over yourself. -Get over yourself.

00:11:32

I didn't realize it was a common thing.

00:11:34

Well, obviously it is, so can you get to your point already?

00:11:38

I was getting to it if you'd quit talking already.

00:11:41

My point is, not every woman is supposed to be a mother.

00:11:45

Maybe you'd be happier if you freed yourself from that expectation, and just lived the life you'd clearly rather be living.

00:11:52

Two minutes to air!

00:11:53

No, that's not... I'm not... I can't even deal with this right now.

00:11:57

-You need to leave. -All right, let's go.

00:12:00

She's in one of her moods.

00:12:01

I still think it's pretty nutty we both have the left half of a medallion.

00:12:05

Like, what are the odds?

00:12:06

Nah, it's a completely different thing with me. Mine is the right half.

00:12:09
-So... -Oh, okay.

00:12:15
[exhales]

00:12:18
[clears throat]

00:12:18
Hey.

00:12:20
-Hello, BoJack. -Are you okay? You look good.

00:12:23
Yeah, makeup covered the bruises.

00:12:24
-Gina, I'm so sorry. -Let's just do the interview, okay?

00:12:27
-I'm gonna come clean about everything. -What?

00:12:29
Everyone needs to know what I did.

00:12:31
[bell rings]

00:12:31
[man]

00:12:31
Please get in positions.

00:12:32
No. Don't do that.

00:12:33
Gina, what I did to you-- I saw the video and it looked pretty bad.

00:12:37
I'll say it was pretty bad.

00:12:38
-It was assault. -Yeah.

00:12:39
You physically overpowered me, and if there were any justice, you would be in jail right now.

00:12:44
Okay, so...

00:12:45
But my career, after so many failed attempts, is finally starting to take off.

00:12:49
I am getting offers, and fan mail, and magazine columns about what a good actor I am.

00:12:54
People know me because of my acting.

00:12:56
And all that goes away if I'm just the girl who got choked by BoJack Horseman.

00:13:01
I can't lie about this.

00:13:02
I don't want you to be the most notable thing that ever happened to me.

00:13:06
I don't want you to be the question I get asked in interviews for the rest of my life.

00:13:09
-Gina, I-- -You need to do this for me, okay?

00:13:12
Because I just want this to be over.

00:13:13
Can we talk about it, maybe after the interview?

00:13:16
No. I will be civil to you on set when we have scenes together, but otherwise, I never wanna think about you again.

00:13:22
-Hey, guys, how are we doing? -So good, Biscuits.

00:13:25

We're so excited to be here, aren't we, BoJack?

00:13:28
-Um, yeah. -

00:13:28
[buzzer blares]

00:13:30
I'm here with BoJack Horseman and Gina Cazador, stars of the hit show Philbert.

00:13:36
Let's cut to the chase. That video.

00:13:38
[chuckles]

00:13:38
Oh, my God, it's so embarrassing.

00:13:42
-This is all a misunderstanding. -I mean, it's kind of hilarious.

00:13:46
We've actually been laughing about it here on set!

00:13:48
[both chuckling]

00:13:50
Really? BoJack looks so angry in the video.

00:13:53
And Gina, you look terrified.

00:13:55
Biscuits, we're actors. It's what we do.

00:13:57
-Oh, thank God. -Yep, actors.

00:14:00
Okay, I gotta ask. Is the story true? Are you two an item?

00:14:03
[laughs]

00:14:03
Busted!

00:14:05
Oh, boy. Looks like you got your scoop!

00:14:07
Can you give us a kiss?

00:14:09
-Uh... -Sure thing.

00:14:11
[kisses]

00:14:12
-What's it like dating your co-star? -It's so great.

00:14:16
I'll bet sometimes, though, you wanna strangle each other, right?

00:14:18
Oh, you bet!

00:14:19
[BoJack chuckles]

00:14:19
[Gina growling]

00:14:22
Okay, you two. This has been illuminating.

00:14:26
-Thank you so much. -

00:14:26
[bell rings]

00:14:28
[man]

00:14:28
That's a cut! -That was amazing.

00:14:31
[Gina]

00:14:31
Mm-hmm.

00:14:33
[sighs]

00:14:39

You wanted to see me, Mr. Fondle?

00:14:42

[Henry]

00:14:42

I must make love to you.

00:14:44

[chuckles]

00:14:44

You mean to my brain, because I have such good ideas.

00:14:48

Thanks for the encouragement. I never got that at my last job.

00:14:51

[Henry]

00:14:51

Nice boobs.

00:14:52

That's exactly right.

00:14:54

Those guys were nice, but they were total boobs.

00:14:57

Anyway, I'm gonna go review the third quarter budget with our diagnostics team.

00:15:00

[Henry]

00:15:00

Insufficient power. - To review the budget?

00:15:03

[panel beeping]

00:15:03

[Henry]

00:15:03

Insufficient power.

00:15:05

Are you saying I don't have the authority to do my job?

00:15:08

[Henry]

00:15:08

Now entering sleep mode.

00:15:10

You wanna sleep with me?

00:15:12

That is not a mode I'm comfortable with, Mr. Fondle.

00:15:14

[Henry]

00:15:14

Please connect to power source!

00:15:16

[gasps]

00:15:18

So first, he said I had insufficient power...

00:15:20

Wow.

00:15:21

Which I have never heard him say to a man.

00:15:23

And then he asked me to "connect" to his "power source."

00:15:26

Did you feel physically threatened? Was there any implication of assault?

00:15:30

Not assault, but he did make a mention of "low battery".

00:15:33

It is never acceptable to threaten an employee with battery at any level.

00:15:37

What time is it right now?

00:15:38

For female employees of one popular website, the answer is Sexual Harassment O'Clock!

00:15:44

What started with the allegations of one junior executive has quickly snowballed into an avalanche of accusation, as women at every level have come forward with their own harrowing stories of what happens when the big hand meets the little hand.

00:16:00

He said he wanted to "...get all up in my guts with his penis and ejaculate inside me."

00:16:06

At the time, I just thought it was typical corporate banter, but now I'm like, uh...

00:16:12

Look, obviously,

00:16:13

men should not be engaging in predatory behavior at the office,

00:16:17

but I'm worried now the pendulum's gonna swing too far in the other extreme

00:16:21

where they'll be held accountable for that behavior, and that's not ideal.

00:16:24

Uh, Henry Fondle is a sex robot, and he should not be a CEO of any company.

00:16:31

[reporter]

00:16:31

When you say "sex robot," you're speaking metaphorically, right?

00:16:36

No.

00:16:38

The board has taken decisive action to remove Henry Fondle

00:16:42

by placing him on an indefinite paid leave.

00:16:44

Meanwhile, we will be scaling back, canceling our slate of streaming series and refocusing on our original mission of being a website you can go to

00:16:52

if you don't know what time it is, that also doesn't harass anyone.

00:16:55

This is a great day for the women of this company,

00:16:57

many of whom will be laid off.

00:16:59

[reporters clamoring]

00:16:59

[camera shutter clicking]

00:17:02

So, you got a call from your dentist; no cavities.

00:17:05

Emily Van Camp wants to move your four o'clock to five.

00:17:08

And also, Todd wanted me to let you know that the network folded, everyone got fired...

00:17:08

[yawns]

00:17:08

And your show is canceled.

00:17:15

-What? -It's over. It's all over.

00:17:18

What are you talking about? It's not over.

00:17:20

We just have to find our baby another home.

00:17:22
Maybe What Time Is It Right Now is gone, but there are like a billion other websites, right?

00:17:27
What about that website you go to, to pay your parking tickets?

00:17:30
Or if we're really desperate, TNT?

00:17:33
The point is we're just getting started, Princess Carolyn!

00:17:36
[door grinds]

00:17:36
-Princess Carolyn?

00:17:38
[phone rings]

00:17:38
-She's gone.

00:17:40
Unless...

00:17:42
I was Princess Carolyn the whole time.

00:17:47
Mm.

00:17:49
[in female voice]

00:17:49
Oh, fish!

00:17:53
Well, this is it, Henry Fondle. The end of the line.

00:17:56
[man]

00:17:56
Hiya, hotshot.

00:17:58
I've been following your career pretty closely and I like what I see.

00:18:01
How'd you like a corner office at Disney-Fox-AT&T-AOL-

00:18:05
Time-Warner- Pepsico-Viacom-Halliburton-Skynet-Toyota-Trader-Joe's?

00:18:08
[Henry]

00:18:08
Give it to me!

00:18:10
Uh, you know this guy just got fired for sexual harassment, right?

00:18:14
Yeah, so he's learned his lesson and he's ready to reenter the workforce.

00:18:18
[Henry]

00:18:18
I have many penises.

00:18:20
[chuckles]

00:18:20
You said it, buddy. Give us a call.

00:18:25
Do you wanna take a ride? There's something I wanna show you.

00:18:28
[Henry]

00:18:28
Oh, yeah! Oh, yeah!

00:18:32
[knocking on door]

00:18:35
Oh, hello.

00:18:37
Shouldn't you be out "not really strangling" someone?

00:18:40
The last time I saw you, you said you still believed I could be a better person.

00:18:44
-Do you still believe that? -I do.

00:18:46
I need you to write one of your take-downs.

00:18:48
-About me. -What?

00:18:49
You can't write anything about Gina, but... the other stuff.

00:18:52
Everything. I need to get it out.

00:18:54
No. I'm done writing about you, or for you, or with you.

00:18:59
Diane, please, I need this.

00:19:00
I'm a bad guy and the world needs to know.

00:19:02
There's no such thing as "bad guys" or "good guys."

00:19:06
We're all just... guys... who do good stuff sometimes and bad stuff sometimes.

00:19:11
And all we can do is try to do less bad stuff and more good stuff, but you're never going to be good. Because you're not bad.

00:19:19
So, you need to stop using that as an excuse.

00:19:21
I am asking to be held accountable.

00:19:23
And I'm telling you it's not gonna happen.

00:19:26
Whatever you put in that story, no one is gonna "hold you accountable."

00:19:30
You need to take responsibility for yourself.

00:19:32
I don't know how to do that!

00:19:33
[Diane sighs]

00:19:34
[BoJack grunting]

00:19:37
[sighs]

00:19:40
This is it. My special thinking spot.

00:19:42
[Henry]

00:19:42
Let us put on a Lionel Richie album,

00:19:46
and finger each other's holes.

00:19:48
Shh. Henry, no. There'll be time for that later.

00:19:52
[Henry]

00:19:52
I love it when you call me Father.

00:19:55
That's right.

00:19:57
[Henry]

00:19:57
I... I... -

00:19:57
[grunts]

00:19:59
[Henry]
00:19:59
I love you, Fatheeeeeer...
00:19:59
[powers down]
00:20:04
Shh. It's okay. It's over now. It's all over.
00:20:04
[pants]
00:20:09
Oh, man.
00:20:13
[grunts]
00:20:15
Okay.
00:20:19
[Princess Carolyn chuckles]
00:20:19
Aw.
00:20:21
She's beautiful. What are you gonna call her?
00:20:24
Untitled Princess Carolyn Project.
00:20:27
But not really, though, right?
00:20:32
Hey, do you think my cactus is gonna be okay if I'm not there for six weeks?
00:20:35
Yeah, I think your cactus is gonna be okay.
00:20:39
-Is this a mistake? -No.
00:20:46
Wow, it feels so weird to be eating here.
00:20:49
So, this is what it's like from the other side.
00:20:51
Pickles, I took you here because I wanted you to be somewhere you felt comfortable.
00:20:55
Aw, that's so sweet, Mister.
00:20:58
Because I need to talk to you about something.
00:21:00
Oh, no, this is really bad. Why would you do this to me?
00:21:03
I didn't tell you what it is.
00:21:04
No one ever "needs to talk" about something good!
00:21:07
No one ever says, "I need to talk to you: Happy Birthday" or, "I need to talk to you: Felicity Jones hired a new stylist and her red carpet looks this season are to die for!"
00:21:14
Well, good news first: Felicity Jones did hire a new stylist, but sadly, her fashion choices just aren't popping.
00:21:21
Oh, no! This is bad news! Well, thank you for telling me.
00:21:24
That isn't the thing I was going to tell you.
00:21:26
There's more bad news?
00:21:28
Is it worse or not as bad as the Felicity Jones thing?
00:21:30
Well, it's different...
00:21:33

Whatever it is, we're going to get through it together.
00:21:36
Whatever it is, I love you, and nothing's going to change that.
00:21:40
Nothing you say is going to make me stop loving you, no matter what.
00:21:44
Pickles... I...
00:21:46
What is it?
00:21:49
[grunts]
00:21:49
Will you marry me? -
00:21:49
[squeals]
00:21:56
What do I say... when I go in?
00:21:58
You say, "Hello. I am BoJack. Horseman, obviously."
00:22:03
You've probably heard of me. I'm very famous.
00:22:05
So... Sober me up, please!"
00:22:07
What if I get sober... and I'm still the same awful person I've always been, only more... sober?
00:22:14
I think that is a very real possibility.
00:22:17
-Don't be shitty. -I'm not.
00:22:19
Rehab is not a cure-all that's gonna suddenly make you not an asshole.
00:22:22
Then why are we doing this? Let's turn around and go home.
00:22:24
-You wanna go home? -Is that okay?
00:22:26
Look, you have two options.
00:22:27
You can go back home and try to do things your way, like you've been doing all your life, or you can see what these guys have to offer.
00:22:37
I don't understand why you're being so nice to me.
00:22:39
After everything you know about me, all the shit I put you through.
00:22:43
When I was in high school, I had this friend. Abby.
00:22:47
She was my only friend and we did everything together, until she got adopted by the cool kids and then she turned on me... so fast.
00:22:55
She used every secret she knew about me, every vulnerability.
00:22:58
She made me miserable my entire sophomore year.
00:23:02
But then that summer when her mom got sick, like really sick, and all her cool friends were off vacationing in Martha's Vineyard,
00:23:10
-I was there for her. -Why?
00:23:12
Because I'm an idiot. And it was Abby.
00:23:17
And I hated her, and I will never forgive her, but she needed me and... she was my best friend and I loved her.

00:23:26

And now... you're here, and I hate you, but you're my best friend,
and you need me.

00:23:35

[inhales, exhales]

00:23:38

You know what you're gonna say? You wanna practice?

00:23:41

I'm gonna say, "Hello. I am BoJack Horseman.

00:23:44

Obviously, you know who I am, because I'm very famous, and also
we called ahead.

00:23:50

And I am here because... I need help."

00:24:00

[chuckles]

00:24:11

[door opens, closes]

00:24:20

[car door closes]

00:24:22

[sighs]

00:24:52

[music playing]
