Ep 1 — A Horse Walks into a Rehab

00:00:05

[BoJack]

00:00:05

Sarah Lynn.

00:00:07

Sarah Lynn?

00:00:17

[stammers]

00:00:17

I don't have a lot to tell. She called me.

00:00:19

She sounded a little off. I...

00:00:19

[sighs]

00:00:23

So, I drove to the planetarium, and I found her passed out.

00:00:26

I called 911 right away, but it was too late.

00:00:29

[crickets chirping]

00:00:31

-I'm so sorry. -

00:00:31

[cries]

00:00:34

I did everything I could.

00:00:35

It's my fault. I'm a terrible mother.

00:00:38

-No. It's no one's fault. -

00:00:38

[sobs]

00:00:43

So, you don't know where Sarah Lynn got the heroin from?

00:00:47

-I have no idea. -Alrighty then.

00:00:49

That's the only question I had.

00:00:51

I mean, of course I knew she was doing a lot of drugs.

00:00:54

But that's who she was. Who I was.

00:00:56

It felt like we could keep partying forever

00:00:58

-and it wouldn't catch up with us. -Got it. Don't need any more information.

00:01:01

I was in a bad way.

00:01:02

And Sarah Lynn followed me down because she thought I was a safe place.

00:01:07

What have I done?

00:01:08

Just to be clear, the case is closed.

00:01:11

You can stop rambling.

00:01:12

[whistles tune]

00:01:15

I gotta make some changes in my life.

00:01:18

Starting now.

00:01:21

[bottles clink]

00:01:27

[gulping]

00:01:30

[distorted theme music playing]

00:01:32

[bell dinging]

00:01:39

-I need help. Hello? Ah! -Checking in.

00:01:42

-Welcome to Pastiches Malibu! -Great.

00:01:44

I see you have the six-week package, so... a hundred thousand dollars, please!

00:01:48

A hundred thou-- Jesus!

00:01:50

Does every room come with a free bag full of \$90,000?

00:01:53

-Can't put a price on clean living. -And yet somehow you found a way.

00:01:57

Before I take you to your room, could we get a selfie?

00:01:59

What? No.

00:02:01

Every client that comes here takes a picture with me.

00:02:04

Goes on the wall. Kind of a tradition...

00:02:07

I'm not in the mood. I look awful, first of all.

00:02:10

Johnny Depp did it, and he looked just as puffy and ghoulish as you do.

00:02:13

Hey, groundhog. I said no. Why don't you go see your own shadow

00:02:16

so I can get six more weeks of "Leave Me the Hell Alone"?

00:02:19

I'm so sorry, sir.

00:02:21

Thank you. Now if you'll kindly direct me to my room,

00:02:23

I would like to begin the process of healing,

00:02:26

so I can finally stop hurting the people around me, dipshit!

00:02:29

■ You throw a record on And your heart is racin' ■

00:02:33

■ You start to move around While you dance in place ■

00:02:36

■ And you think you're never wrong ■

00:02:39

■ Oh, but you're so-so, honey ■

00:02:41

[grunts]

00:02:41

-■ Oh, yeah, you're so-so, honey ■

00:02:44

[yawns]

00:02:46

[grunts]

00:02:48

■ You start to sing along And your foot is tappin' ■

00:02:51

■ I see you look around I caught you peeking at me ■

00:02:55

■ You think you got it all ■

00:02:57

■ Oh, but you're so-so, honey ■

00:03:01
■ Oh, yeah, you're so-so, honey ■

00:03:06
■ If I knew I waited too long ■

00:03:09
■ I'd find a song to push the time along ■

00:03:13
■ Change works so well for you ■

00:03:16
■ 'Cause you're so-so, honey ■

00:03:19
■ Oh, yeah, you're so-so, honey ■

00:03:22
[music stops]

00:03:25
[music resumes]

00:03:27
■ You throw a record on And your heart is racin' ■

00:03:30
■ You start to move around While you dance in place ■

00:03:33
■ And you start to sing along ■

00:03:36
■ Your foot is tappin' Oh, you're so-so ■

00:03:40
■ Oh, yeah, you're so-so, honey ■

00:03:50
[pants, sighs]

00:03:53
Oh.

00:03:56
So, when I went to the country club for Sheila's luncheon...

00:04:00
Yes. Let it out.

00:04:01
I had to wear the same suit I had just worn to Sandra's tea party.

00:04:05
-Yeah. -

00:04:05
[woman]

00:04:05
Oh.

00:04:06
I think of that as my rock bottom.

00:04:06
[sobs]

00:04:10
Denise, thank you for sharing your story. So brave.

00:04:14
Denise, we are powerless

00:04:16
-over our addictions -Uh-huh.

00:04:17
We have a saying in rehab, "Everyone takes a different road

00:04:20
to get to the same city, Soberopolis, USA."

00:04:23
Hold on a sec. What?

00:04:24
BoJack, maybe you could tell us when was the first time you drank?

00:04:27
When wasn't the first time I drank?

00:04:29
-Am I right? -

00:04:29
[all laugh]

00:04:36

Your last day's tomorrow.

00:04:37
You think you're ready to go back into the world?

00:04:39
I do. I feel good, I feel clear.

00:04:42
You know, just because you cleaned the tobacco out of your teeth don't mean it's your wedding day, pardon the expression.

00:04:47
I don't believe that is an expression.

00:04:48
I notice you tend to deflect whenever I ask you about the source of your addiction.

00:04:52
I don't deflect. Hey, is that a new tie? Because I love it.

00:04:55
You understand a joke about deflection is still a deflection, right?

00:04:59
I came here to take responsibility for myself, and all I keep hearing is, "It's not your fault, you are powerless over your addiction."

00:05:06
-That is the first step. -And while we're at it, why 12 steps?

00:05:09
That is way too many. Nobody wants to do 12 of anything.

00:05:12
Did you see 12 Years a Slave and think, "Twelve. That's a short number of years to be a slave"?

00:05:16
-You're deflecting again. -I'm here because I made choices.

00:05:19
Nobody made me drink.

00:05:20
My addiction didn't pull a knife on me and say, "Hey, bub! Drink this alcohol, or I'm gonna strangle you.

00:05:25
After I put down this knife, which now seems unnecessary."

00:05:28
-We have a saying in the sober community. -No kidding.

00:05:30
"We want what our addictions want us to want, in the same way that our future is just a house built from the materials of our present on the blueprint that is our past."

00:05:39
See, usually the point of sayings is they illustrate complicated concepts via straightforward allegory.

00:05:44
I really admire that your sayings don't do that.

00:05:46
If you don't wanna be here, you don't have to wait until tomorrow.

00:05:49
The gate code is 12, for the number of steps, then my mom's birthday, which is March 4th, '56.

00:05:55
So, the gate code is one, two, three, four, five, six?

00:05:57
You can leave whenever you'd like. But is that really what you want?

00:06:02
[sighs]

00:06:02
No.

00:06:07
It's so beautiful.

00:06:09
And I know a lot about art because my husband owns a Jackson Pollock.

00:06:09

[chuckles]

00:06:14

My dad owns a signed picture of Kevin Pollak.

00:06:16

[yelps]

00:06:16

-What about you, BoJack?

00:06:17

Did you grow up in a house with a lot of art?

00:06:19

Well, my parents practiced the art of being terrible parents.

00:06:22

[laughter]

00:06:23

BoJack, you can't joke your way through this.

00:06:26

Everyone else in this group is trying hard to be honest.

00:06:28

Really? Everyone's being honest?

00:06:31

Doug over here, who keeps dressing in a suit and tie even though he's never getting his finance job back?

00:06:35

[woman gasps]

00:06:35

-Oh! Savage!

00:06:37

And Joan Tripplehorn?

00:06:38

We all know you're just Jeanne Tripplehorn wearing fake glasses!

00:06:42

[all gasp]

00:06:42

[chuckles]

00:06:42

What? No!

00:06:44

I'm Jeanne's identical twin Joan.

00:06:47

Mm, Jeanne Tripplehorn. Not an alcoholic.

00:06:50

And that guy with the fake mustache is obviously actor Jay Hernandez who's just here to do research for a role.

00:06:55

[all gasp]

00:06:55

-No. I'm a no "Hernandez."

00:06:57

Like I say, my name is Mario. Directed by Zack Snyder.

00:07:01

I'm addicted to pain pills from breaking too many bricks on my head.

00:07:04

BoJack's right! You all suck!

00:07:06

-Yeah, well, let's talk about Jameson. -Uh...

00:07:08

-I'd rather you not. -She would love to get sober but still has her friend McCaitlyn sneak her water bottles filled with vodka every visiting day.

00:07:15

[all gasp]

00:07:15

-Jameson?

00:07:16

-Um... -Have you been smuggling in alcohol?

00:07:18

How is this my fault? I blame water for being vodka-colored!

00:07:22

This is your fifth time in rehab.

00:07:24

-Maybe it's a sign it's not working, huh? -BoJack...

00:07:26

Everyone, just as a general rule, if you're checking into rehab more than once,

00:07:31

-either you're a lost cause... -

00:07:31

[all gasp]

00:07:33

...or this is just an industry that profits off of repeat customers, so maybe they don't have your best interest at heart.

00:07:39

-Oh! -How's that for honest?

00:07:42

Mamma mia.

00:07:47

[blows]

00:07:47

[door opens]

00:07:48

Hey, snitch! I only sneak in vodka because I have to make it through six weeks of this bullshit.

00:07:53

I don't even need to be here.

00:07:55

My dad totally overreacted when he found me not breathing.

00:07:58

Yeah, it's always someone else's fault, right?

00:07:59

-You have no idea what I've been through. -I know everything you've been through.

00:08:03

I listen in group! Your mom died of cancer.

00:08:05

Your dad stuck you in boarding school and remarried.

00:08:07

And now there's a new baby and no one pays attention to you.

00:08:10

But it's not his fault you're drinking in rehab.

00:08:12

I was sober for most of last year and he just waited for me to slip up so he could ship me here so I wouldn't embarrass him and ruin his new perfect family--

00:08:19

Hey, if you don't wanna be here, the gate code is one, two, three, four, five, six.

00:08:22

You could sneak out the upstairs window after midnight bed check by tying your sheets into a rope and nobody would notice you're gone until wake-up.

00:08:28

But... is that what you really want?

00:08:31

Ugh!

00:08:33

[door closes]

00:08:37

[studio audience laughing]

00:08:39

Holy sheet!

00:08:41

I've heard of being at the end of my rope... but this is ridiculous!

00:08:46

Why would Sabrina run away like that?

00:08:49

Because I had to break it to her that you weren't going to be her new mommy, international supermodel Cindy Crawfish!

00:08:56

When I was flying to Paris for Paris Fashion Week and my private plane crashed into your backyard, the one thing I never expected was to find someone so special.

00:09:05

-Oh. -

00:09:05

[both chuckle]

00:09:06

[audience]

00:09:06

Aw!

00:09:08

-Cut! That's a five, everyone! -

00:09:08

[bell ringing]

00:09:12

So, look, you're doing everything great.

00:09:13

I'm loving your instincts, it's dead on, couldn't be better, perfect.

00:09:17

The one problem is the kiss got an "aw."

00:09:20

It's supposed to get an "Ooh!"

00:09:24

-Right? -I'm nervous, okay?

00:09:26

This is my first on-camera kiss, and it's with Cindy Crawfish.

00:09:29

You know how many guys would kill to be in your shoes?

00:09:32

What do I gotta do?

00:09:33

Kiss you on the lips myself to show you what a real kiss looks like?

00:09:36

[kisses]

00:09:36

-Ha-ha-ha!

00:09:37

-No. I'll handle it. -Well, I sure as hell hope so.

00:09:42

[gulps]

00:09:42

Mm.

00:09:43

-Hey, what's in this orange juice? -Just a little extra punch.

00:09:46

Oh. No, no, I don't--

00:09:48

Trust me. It'll loosen you up.

00:09:55

The one thing I never expected... was to find someone so special.

00:10:01

[Cindy]

00:10:01

Hmm! -

00:10:01

[audience]

00:10:01

Ooh!

00:10:03

[Herb]

00:10:03

Love it! Cut and scene! -

00:10:03

[bell ringing]

00:10:05

Hey, no way, the party's just beginning. Let's do one more take!

00:10:10

-You up for more acting, Cindy? -

00:10:10

[audience whooping]

00:10:12

Well, if it's for the show.

00:10:15

Hey, Sharona, how 'bout some more of that OJ?

00:10:21

[Jameson grunting]

00:10:21

Whoa! Ow. -Huh?

00:10:24

[panting]

00:10:27

Holy sheet.

00:10:28

I've heard of being at the end of my rope, but this... is very serious!

00:10:36

[exhales]

00:10:36

-Jameson!

00:10:37

Don't cut the string that connects you to the kite that is you!

00:10:41

[scoffs]

00:10:41

What? -I don't know!

00:10:42

I was just trying to come up with one of those dumb rehab sayings!

00:10:45

McCaitlyn told me Dathan was thinking of breaking up with me because I got fat junior year.

00:10:49

So, I need to go show him that I'm back to being hot.

00:10:51

Then break up with him for being a shallow buck foy!

00:10:53

You don't need to do that.

00:10:54

Oh, what does it matter? We both know this place is bullshit!

00:10:57

So, why do you care what I do?

00:10:59

Because I'm the idiot who helped you escape.

00:11:01

So, if you OD tonight, then I'm the one who'll have to lie to everyone about what happened.

00:11:05

Well, I'm going.

00:11:07

You can come with me if you want.

00:11:11

[sighs]

00:11:11

God damn it.

00:11:14

[party music playing]

00:11:20

[Jameson chuckles]

00:11:20

Oh!

00:11:22

This is your boyfriend's house?

00:11:23

-You can't go in there. -I'll be fine.

00:11:25

I'll just find Dathan, crush him with my thigh gap,

00:11:27

-and then we can go. -

00:11:27

[sighs]

00:11:30

Okay.

00:11:32

Dathan? Where are you?

00:11:35

It's me, Jameson H.!

00:11:43

[people laughing]

00:11:44

[gasps]

00:11:50

[panting]

00:11:57

[panting continues]

00:12:01

[knocking on door]

00:12:01

[boy]

00:12:01

Hey, who's in there?

00:12:04

-Um... -Is someone having sex in there?

00:12:06

I think there are people having sex in there.

00:12:10

Hey, it was just the nerd.

00:12:12

Definitely no one having sex in here.

00:12:15

[thuds]

00:12:15

[grunts]

00:12:17

Um. Oh. Mm.

00:12:21

You're BoJack from Spanish 1, right?

00:12:24

-Uh, yeah. I mean, sí! -

00:12:24

[chuckles]

00:12:28

Okay. "Sí" ya around.

00:12:28

[chuckles]

00:12:34

Ah, yeah, bye, Katie.

00:12:37

Ugh.

00:12:38

-Hey! You want a beer, Horseman? -Oh, no, thank you.

00:12:41

I mean, drinking's cool, it's just that we're underage,

00:12:44

-and, you know, the law-- I'm lifting 178 right now.

00:12:47

[keg clangs]

00:12:47

[chuckles]

00:12:49

You know what? I'll have one beer.

00:12:51

[pops]

00:12:56

Okay, who am I? Who am I?

00:12:57

-I'm Eric from chemistry class!" -

00:12:57

[laughter]

00:13:00

That's so Eric!

00:13:00

[chuckles]

00:13:01

He is so in chemistry class!

00:13:03

Speaking of losers, there's Josh!

00:13:06

Look, he's wearing K-Mart shoes because his family's poor!

00:13:08

[laughter]

00:13:12

Katie's not laughing because she always thinks she's better than everyone.

00:13:17

Hey, remember last year when one of Katie's boobs grew bigger than the other?

00:13:20

[groans]

00:13:20

"Look at me, I'm Katie!"

00:13:23

[laughter continues]

00:13:25

[Katie sobs]

00:13:27

-Hey, you want some? -Oh, yeah. Bartender, one more.

00:13:34

[sighs]

00:13:35

[Jameson screaming]

00:13:35

[gasps]

00:13:39

-What's wrong? -Dathan's sucking McCaitlyn's face!

00:13:42

Oh, my God. Jameson.

00:13:43

Okay. It is not what it looks like, I swear.

00:13:46

You're still doing it!

00:13:47

-I tried to make it easy on you, Jameson. -

00:13:47

[both moaning]

00:13:50

I told you things weren't going great.

00:13:52

Oh, Dathan, touch my boob.

00:13:53

Do not touch her boob!

00:13:54

Jameson, it's not my fault you're a mess.

00:13:56

I mean, how many times have you been to rehab?

00:13:58

Yeah, Jameson.

00:13:59

[cries]

00:14:03

[Dathan and McCaitlyn moaning]

00:14:07

[crying]

00:14:11

Look, it's okay. You were gonna break up with him anyway.

00:14:14
-And your friend sucks. -No, they're right.

00:14:17
I'm a mess. And no one cares. God damn it! I might as well drink.

00:14:20
-No. You don't need a drink. -

00:14:20
[grunts]

00:14:23
You need to get back to bed and get some sleep.

00:14:24
You're right. I'm gonna go home and sleep in my bed!

00:14:28
And when my dad shows up to ask why I'm not in rehab,

00:14:30
I'll be like, "Maybe you should go to rehab for your addiction to being a shitty dad, Dad!"

00:14:36
Okay, Jameson, you need to be responsible for yourself.

00:14:39
Now, I think that you should come back to Pastiches with me, like you promised.

00:14:43
But if you wanna go to your dad's house, all you have to do is steal Dathan's car, and I heard Michele with one "L" is about to jump naked into the pool, so everyone's gonna be distracted, which means this is the perfect time.

00:14:53
-But is that really what you want? -

00:14:53
[car engine revving]

00:14:55
[Jameson]

00:14:55
Bye, BoJack! Thanks! -What the...

00:14:57
God damn it!

00:14:57
[grunts]

00:14:59
Stupid...

00:14:59
[mumbling]

00:15:01
-Oh. -

00:15:01
[touch tones beeping]

00:15:04
[buzzing]

00:15:08
[sniffs]

00:15:08
Hello?

00:15:10
I need you to find the address of some rich guy.

00:15:12
-BoJack? -All I know for sure is that he's the father of a girl named Jameson, who's super annoying.

00:15:16
I'm going to assume you have a good reason to locate a girl in the middle of the night, but I can't help you.

00:15:22
Fine! Be that way. Todd'll help me.

00:15:26
-Can you patch me through to Todd? -What? Call him yourself.

00:15:29
I don't know his number.

00:15:30
I only remember your number because it was such a dumb number with all those fours.

00:15:34
Four, four, six, four...

00:15:36
My phone number has a normal amount of fours.

00:15:38
You are not gonna make me self-conscious about--

00:15:40
And it ends with a three!

00:15:41
Talk about an anti-climax!

00:15:43
What kind of phone number ends with a three?

00:15:45
Shut up about my phone number!

00:15:49
-Hold for Todd. -

00:15:49
[beeps]

00:15:50
Todd's phone. Your one-stop shop for all your Todd-related needs.

00:15:54
Todd, I need you to track down an address for me.

00:15:56
You're the world's best hacker, right?

00:15:58
Yeah, but not the kind of hacker you're thinking of.

00:16:01
-Funny story-- -Okay, I gotta go.

00:16:02
-I'm at Coachella... -Uh-huh.

00:16:04
Put my name on the wrong list, suddenly I've entered into a hacky sack competition!

00:16:09
-Right. -Prior to these events,

00:16:11
-I've never hacked a sack in my life. -Uh-huh.

00:16:13
But the only other contender is the Russian ringer they flew in special, so I'm thinking,

00:16:18
-"I've gotta win this for America!" -Uh-huh.

00:16:21
Long story short, the Russian had a heart attack, so I won by default!

00:16:26
Uh, does that answer your question?

00:16:28
I don't remember my question, but I'm gonna guess no.

00:16:31
-Oh, hold on, I'm getting another call. -

00:16:31
[beeps]

00:16:33
Todd's phone! Spare the Todd, spoil the child!

00:16:36
Did you get the black market porcupine milk?

00:16:38
Yeah, I'll bring it right over.

00:16:40
Although, I'm not looking forward to getting on a crowded bus

00:16:43
-in Porcupine Town. -

00:16:43
[grunts]

00:16:45
-Hold on. Getting another call. -

00:16:45
[phone buzzes]

00:16:47
Hey, superstar! How are things goin' on set?

00:16:50
Well, the movie itself is coming together beautifully, but when I was on break playing with my model helicopter, it crashed into the studio water tower.

00:16:58
-Oh, no! -It gets worse!

00:17:00
It flooded the set of former VJ Downtown Julie Brown's new puppet show.

00:17:04
-What? -Completely ruining her vintage goose-feather dress she just bought and disrupting the big finale where her wooden puppet plays Beethoven's Fifth on the bongos!

00:17:12
Wait. You're telling me your dumb drone downed a tower and drowned Downtown Julie Brown's dummy drumming dum-dum-dum-dum, dousing her newly found, goose-down, hand-me-down gown?

00:17:21
-Yes, that is exactly right! -I'll be right down.

00:17:24
-Todd, I gotta go. -

00:17:24
[beeps]

00:17:25
-Hmm. -

00:17:25
[beeps]

00:17:26
[muffled music playing over speakers]

00:17:29
-So, sounds like rehab's goin' well, huh? -No!

00:17:33
[groaning]

00:17:34
Hey, give me my phone back.

00:17:36
I'm expecting some timely feedback on an important dick pic.

00:17:40
Hey, do you know where Jameson lives?

00:17:41
Jameson H.? Or Jameson Q.?

00:17:44
-Ugh, I don't know. -Or Jameson M.?

00:17:46
Where is the nearest Jameson?

00:17:51
[door closes]

00:17:51
[BoJack]

00:17:51
Whoa.

00:17:54
Is that the car from Ferris Bueller's Day Off?

00:17:56
Yeah, my dad loves movie memorabilia. And this car is his baby.

00:18:00
At least... No, it was his baby before the new baby came.

00:18:03
Now the new baby's the baby, which means the car is the new me, so where does that leave me? Nowhere.

00:18:09

What are you talking about?

00:18:10
He threw out all of my stuff and turned my room into the baby's room.

00:18:14
He got rid of my softball trophies, but he loves his stupid bat, naturally.

00:18:18
-And his dumb stupid car! -Whoa, whoa, whoa!

00:18:22
[crying]

00:18:22
-Parents are terrible.

00:18:23
But destroying things isn't gonna change them.

00:18:25
All you can change is you.

00:18:27
Ugh. Fine.

00:18:29
If I'm gonna get lectured anyway, I may as well go back to rehab.

00:18:35
[glass shattering]

00:18:35
[woman moans]

00:18:38
Dad, you there?

00:18:39
Mom said since you didn't come home, I should bring you your dinner.

00:18:42
And she said to tell you she hopes you like cold, burnt pot roast that was spit on.

00:18:47
[woman moaning]

00:18:47
-Huh?

00:18:48
Dad?

00:18:49
There it is, coax it out of my sheath.

00:18:53
[gasps]

00:18:54
BoJack! What the devil!

00:18:55
I-- I'll get right on that memo, Mr. Horseman.

00:18:58
Okay, let me... Oops, oh.

00:18:58
[chuckles]

00:19:00
Okay, let me just... Oh, you look so cute. Bye-bye. All right.

00:19:03
-What were you doing, Dad? -Oh.

00:19:05
It's fun to have you at the office, BoJack.

00:19:07
-You're really turning into a man. -I am?

00:19:10
I think you're old enough now to have a Jack and Coke.

00:19:14
Mm, nice and sweet.

00:19:17
Here's to our first drink as father and son.

00:19:26
[car horns honking]

00:19:29

[groans]

00:19:33

Huh?

00:19:35

-Did I fall asleep? I feel sick. -

00:19:35

[laughs]

00:19:38

You went a little wild. You made a mess on my carpet, BoJack.

00:19:42

I think your mother would be very disappointed in you.

00:19:44

I'm sorry.

00:19:45

Maybe it's best if we both just forgot about everything that happened tonight.

00:19:51

-Okay, buddy? -Okay.

00:19:58

You know what? Screw your dad.

00:20:01

Whoa!

00:20:02

Hey! That's the titular club from The First Wives Club.

00:20:05

You're just a kid.

00:20:07

Why do you have to be responsible for all the ways he screwed you up?

00:20:10

Yeah!

00:20:12

[grunts]

00:20:13

It's not my fault I was born! He's the one who got my mom pregnant!

00:20:17

Yeah, and I bet your mom sucked too!

00:20:20

[gasps]

00:20:20

Oh, whoa, whoa, whoa!

00:20:23

Chick ch'ka... Oh, no.

00:20:26

-Oh, my... -

00:20:26

[thuds]

00:20:28

[both sigh]

00:20:28

[car squeaks]

00:20:30

[glass cracking]

00:20:32

-Wha... -Oh, boy.

00:20:35

[door opens]

00:20:35

[baby crying]

00:20:36

What the hell are you doing?

00:20:39

That's the giant window from The Graduate!

00:20:41

Oh.

00:20:42

Daddy, I didn't wanna leave rehab, but this scary old horse made me!

00:20:47

Hi, cutie! Mwah!

00:20:48

Okay, I'm ready to go back to rehab now. I'll go wait in the car!

00:20:51

Jameson...

00:20:51

[sighs]

00:20:52

-Listen-- -Are you drunk or high?

00:20:54

-What? -Are you drunk or high right now?

00:20:57

-No. -

00:20:57

[sighs]

00:20:59

I'm sorry she roped you into this.

00:21:00

You're not the first guy to help her break out of that rehab.

00:21:03

They always end up at my house.

00:21:04

And then they want me to keep quiet to the press, so they give me a souvenir from one of their movies.

00:21:09

I could send you a swag bag from Felicity Huffman's Booty Academy, but you should probably wash the thong before wearing it.

00:21:15

I don't know what to do with Jameson. I've tried everything.

00:21:19

I thought she would change after she had her baby, but...

00:21:22

[baby cooing]

00:21:24

Change is hard.

00:21:26

Takes a long time.

00:21:27

[sighs]

00:21:29

Let me guess, she wanted to see her boyfriend?

00:21:32

Actually... she told me she just wanted to come here to see her baby.

00:21:38

[sighs]

00:21:38

Wouldn't that be nice?

00:21:56

Bye, Daddy! Love you!

00:21:58

-Ugh. Sorry my dad's so embarrassing. -Jesus Christ.

00:22:01

You have no idea how lucky you are.

00:22:03

I wish I had someone when I was your age who cared about me enough to put me in rehab.

00:22:07

Yeah, maybe.

00:22:10

Well, anyway, thanks for keeping me out of trouble tonight.

00:22:15

Really?

00:22:16

It was a worth a try. Ready to sneak back in?

00:22:19

I'm getting too old to sneak in and out of places.

00:22:21

All right.

00:22:30

[bell dinging]

00:22:32

-Checking in? -No.

00:22:34

I just snuck out and I'm coming back, so, you know, put me down for kitchen clean-up duty or whatever the punishment is for sneaking out.

00:22:41

No, I don't think you've been here before.

00:22:44

Everyone who's been here before is humble enough to take a picture with me.

00:22:49

[sighs]

00:22:49

Yeah. Okay.

00:22:51

Sign me up for six weeks. Starting now.

00:22:54

-And a picture? -Sure.

00:22:58

-Cheese! -

00:22:58

[camera shutter clicks]

00:23:00

[melancholic piano music playing]

00:23:24

[record playing]

00:23:26

[snoring]

00:23:31

[whimpers]

00:23:40

[gulps]

Ep 2 — The New Client

00:00:13

[Mr. Peanutbutter]

00:00:13

If there's one thing I've learned

00:00:14

from this crazy mambo called life,

00:00:17

it's that anyone can be a birthday father, but it takes a heart full of birthdays

00:00:22

to be a true Birthday Dad.

00:00:24

-■ Got a heart full of birthday-- ■ -

00:00:24

[Mr. Peanutbutter]

00:00:24

Stop! Go back!

00:00:31

There it is.

00:00:31

[snoring]

00:00:31

-Please tell me you guys see that.

00:00:34

Oh! Loo-- looks great! Uh, love it!

00:00:36

What's wrong with your face?

00:00:37

I just don't buy it, Director Flea Daniels.

00:00:39

That just doesn't look like the honest, trustworthy face of a Birthday Dad.

00:00:43

What?

00:00:44

This is clearly the face of a guy who did something terrible, like, I don't know, cheat on his girlfriend with his ex-wife a couple of times, and instead of confessing to his girlfriend, asked her to marry him, so now they're engaged, and she still has no idea.

00:00:55

Can't you see he's racked with guilt? It's all over his very handsome face!

00:00:58

Did Birthday Dad cheat on his girlfriend?

00:01:00

No, I'm just saying he looks like he did. We have to re-edit the scene.

00:01:04

No. You've been dragging this out with your ridiculous tweaks and demands for what is the stupidest premise I've ever seen.

00:01:11

I gotta go prep my next film, The Diary of Anne Frankenstein.

00:01:14

- Birthday Dad is over. -Huh? No, I'm over!

00:01:17

Over the moon about continuing to work on this project!

00:01:20

-Go home. -

00:01:20

[door opens]

00:01:21

Wha--

00:01:21

[sighs]

00:01:21

Hey, do you wanna keep hanging out?

00:01:25

Let's go raid a greeting-card aisle and come up with our next project!

00:01:28

Detective John GetWellSoon, Officer Mike Condolences,

00:01:32

President Blank Inside!

00:01:33

Uh, I should probably get home to my baby.

00:01:35

Oh! Congrats on your new baby... is another great idea for a movie!

00:01:40

[exhales]

00:01:40

Yeah. Sounds like fun.

00:01:47

[toy squeaks]

00:01:59

[baby crying]

00:01:59

[sighs]

00:02:02

[theme music playing]

00:02:57

[baby crying]

00:02:57

-Oh, Renata, I'm so sorry I'm late.

00:02:59

Third time this week.

00:03:01

-I quit. -Oh! No! Renata!

00:03:04

Who will take care of Natalie, or Needles, or whatever her name ends up being?

00:03:08

Would you stay if I named her Renata?

00:03:10

I understand you are very respected in your field, so I ask you this:

00:03:14

would you work for a client who has no regard for your time,

00:03:16

your personal boundaries, and your general well-being?

00:03:19

Yes, that's all my clients.

00:03:21

Well, she is your client now.

00:03:24

Good luck.

00:03:27

[coos]

00:03:28

[crying]

00:03:28

-Oh.

00:03:33

[grunts]

00:03:34

Come on.

00:03:34

[echoes]

00:03:38

Ooh, there ya go. There ya go.

00:03:38

[echoes]

00:03:43

[shushing]

00:03:47

[baby crying]

00:03:47

-Ooh.

00:03:47

[echoes]

00:03:55

[crickets chirping]

00:03:59

[sighs]

00:04:02

[coos]

00:04:04

[sighs]

00:04:09

[baby crying]

00:04:09

[groans]

00:04:10

Mommy's coming.

00:04:12

[shushes]

00:04:14

Okay. Nanny quits. No sweat.

00:04:16

It just so happens it's National

Take-Your-Infant-Daughter-To-Work--

00:04:19

While-You-Desperately-Try- To-Hire-A-New-Nanny--

00:04:21

And-Neither-One-Of-You-Has-Slept- A-Wink Day!

00:04:24

That sounds fun. I gotta go to a bunch of meetings today.

00:04:26

-Or as I call it, Todd-day. -Todd-day, yes, I'm aware.

00:04:29

-What meetings? -After I got fired from What Time Is It Right Now, suddenly everyone else wanted to meet me.

00:04:35

That's marvelous! Have fun failing upwards!

00:04:37

I always do!

00:04:40

[baby crying]

00:04:41

[grunts]

00:04:41

[lullaby plays over speakers]

00:04:43

Come on.

00:04:43

[groans]

00:04:46

[engine starts]

00:04:46

[baby stops crying]

00:04:49

[ringing]

00:04:50

[crying]

00:04:50

[gasps]

00:04:53

[phone beeps]

00:04:53

-Hey, there! Shh. Here ya go.

00:04:56

Sorry, I can tell I'm interrupting your meeting with David O. Russell,

00:04:59

so I'll make this quick.

00:05:00

I'm making a list of people I need to apologize to.

00:05:02

-Oh? - Yeah.

00:05:03

And I don't wanna waste your time with another apology.

00:05:05

How thoughtful.

00:05:06

But do you remember the name of that assistant from, like, 20 years ago

00:05:09

who I screamed at for bringing me a room-temp Capri Sun

00:05:12

and told to quit the business? Whatever happened to that guy?

00:05:15

Derek? I think he quit the business.

00:05:16

So, I gave him good advice, then?

00:05:18

Hey, what do you think of Riley for a girl's name?

00:05:20

No good. I slept with a Riley once. Didn't end well.

00:05:23

-How about-- -Maybe you should not ask me about any women's names.

00:05:26

[elevator dings]

00:05:26

[baby crying]

00:05:28

[indistinct chattering]

00:05:34

-Ooh! Loud baby. -Stuart!

00:05:36

I need you to clear my schedule for the day.

00:05:38

My number one priority is finding a new nanny.

00:05:41

Uh-huh. Also, I was supposed to remind you about the Manatee Fair photo shoot for the "Hollywoo Women Who Do It All" issue.

00:05:47

Oh, yeah. When is that happening?

00:05:49

-Right now. -What?

00:05:50

-I was supposed to remind you yesterday. -

00:05:50

[groans]

00:05:54

Princess Carolyn, why am I not looking at your pretty kitty face at my photo shoot, so I can decide later which parts to retouch?

00:06:00

-I don't think I can make it, Amanda. -Too bad. Vanessa Gekko's here.

00:06:04

Gekko? Well, that's fine if Vanessa needs to get the word out about her struggling business, but I'm too busy doing it all to pose for a photo of "Women Who Do It All."

00:06:12

Well, sure, I know that, and you know that, but does the industry?

00:06:14

I've got two words for you: Karen Kitada.

00:06:18

[Princess Carolyn]

00:06:18

The creator of Med School Nights?

00:06:20

[Amanda]

00:06:20

Karen Kitada created the number one show on network television

00:06:23

and its spin-off, Med School Nights: The Day Shift.

00:06:26

Everyone wanted to work with her, everyone!

00:06:30

She had more overall deal offers than an OshKosh B'gosh outlet.

00:06:33

-Then a baby fell out of her! -

00:06:33

[Princess Carolyn]

00:06:33

Well, that's--

00:06:36

[Amanda]

00:06:36

She took three weeks off. Three weeks!

00:06:38

And when she came back, Tumbleweeds, Crickets...

00:06:40

And those are just two of the projects she wasn't offered

00:06:43

because the studios were dubious about her priorities.

00:06:47

-Do you have the right priorities? -Of course I do!

00:06:50

Then prove it!

00:06:51

Leave your work and get your picture taken for my magazine.

00:06:54

-If not for you, do it for Karen Kitada. -

00:06:54

[cell phone beeps]

00:06:57

[Amanda's voice echoes]

00:06:57

Kitada, Kitada, Kitada...

00:06:59

[line ringing]

00:07:02

[ringing]

00:07:03

[phone beeps]

00:07:03

-Hello?

00:07:04

Todd, I have to go to a photo shoot.

00:07:06

I need you to take the baby for an hour or so.

00:07:08

[Todd]

00:07:08

Well, you know how much I love hanging out

00:07:10

-with Untitled Princess Carolyn Project... -

00:07:10

[snores]

00:07:14

Sure, I'd be happy to.

00:07:16

Great. I'll see you at VIM in 15 minutes.

00:07:18

Um... okay?

00:07:20

[Amanda's voice echoes]

00:07:20

Kitada, Kitada, Kitada, Kitada...

00:07:24

How do you do it all?

00:07:25

I just think of myself as having multiple apps running at the same time.

00:07:29

I have my mom app, and my career app, and my wife app, and my yoga body app, and they're all just constantly going, all the time.

00:07:36

-Princess Carolyn. -Amanda! Vanessa!

00:07:39

You've met my oldest, Yancy Charlemagne?

00:07:42

-Sup. -Charmed.

00:07:43

And where is your little precious ball of wonderful?

00:07:45

I didn't know we were supposed to bring our kids.

00:07:47

It's a photo shoot for "Women Who Do It All."

00:07:50

The kids are part of the "All," otherwise we'd just be "Women Who Do."

00:07:53

[sighs]

00:07:53

[phone dialing]

00:07:55

[phone rings]

00:07:56

-Hello? -Todd. Change of plans.

00:07:59

[Amanda's voice echoes]

00:07:59

Kitada, Kitada...

00:08:00

Come on. Shh. Please, not now.

00:08:03

-And who is this adorable pin cushion? -

00:08:03

[baby crying]

00:08:05

I haven't even had a spare minute to think of a name.

00:08:07

It's a lot of pressure.

00:08:09

I don't want my daughter to resent me for the rest of her life because I named her something stupid like...

00:08:13

[stammers]

00:08:13

Light Socket.

00:08:15

-Aw... -Don't listen to her, Light Socket.

00:08:17

-She's just jealous. -Uh-oh. Sorry!

00:08:19

And what have you been working on that's been keeping you so busy?

00:08:22

We just locked picture on Birthday Dad with Mr. Peanutbutter.

00:08:25

That sounds awfully masculine.

00:08:27

-Dad, mister... -Nut?

00:08:29

-Pean? -Right, but I'm producing it, so...

00:08:32

Strong independent woman. Doing it all.

00:08:34

Oh, it sounds like you're doing-it-all for yourself, but the new doing it all is doing it all for other women.

00:08:40

Oh, yeah, well, the twist about Birthday Dad is the women have equal screen time to the men in the movie, and the same number of birthdays!

00:08:48

-Very subversive. -Less man. More Leslie Mann.

00:08:51

Cut out what you need to. If it makes sense, that's a bonus.

00:08:53

Gotta go!

00:08:55

Ladies, we have got to find time to connect like this more often.

00:08:58

This is so empowering.

00:08:59

We could put together a kind of low-key salon where women exchange ideas and support each other.

00:09:05

With bagels!

00:09:06

I'd be more than happy to host, and take care of the caterer, and emcee.

00:09:09

You know, it all!

00:09:11

-I'll co-host! -In that case, why not blow it out?

00:09:13

-Let's make it an event. -Oh, well--

00:09:14

Princess Carolyn, VIM has that massive foyer that never has anyone waiting in it.

00:09:19

[gasps]

00:09:19

You could finally put it to use! -We could.

00:09:22

Move that. That's too close to the wall.

00:09:23

And I happen to know the Fugees have been looking for the right time to do a reunion concert.

00:09:28

Should I call Lauryn? Hill? I call her Lauryn.

00:09:31

A concert? Well, that'll take some time to put together.

00:09:34

Bring it on a little bit. Move it up a quarter of an inch. Do you mind?

00:09:37

Since it's on your turf, I'll focus on the big-picture stuff and leave all the organization and planning to you.

00:09:42

-I wouldn't wanna step on your toes. -We wouldn't want that.

00:09:45

-Thanks for stepping up, Princess Carolyn. -Uh-huh...

00:09:48

[photographer]

00:09:48

Okay! Watch the birdie! One, two, three!

00:09:51

[baby wails]

00:09:51

[Princess Carolyn shouts]

00:09:55

[baby crying]

00:09:58

[Amanda's voice echoes]

00:09:58

Kitada, Kitada, Kitada, Kitada...

00:10:02

Do it for Karen Kitada, Kitada, Kitada...

00:10:06

Do it for Karen Kitada, Kitada, Kitada...

00:10:10

Do it for Karen Kitada, Kitada, Kitada...

00:10:14

-Do it for Karen Kitada... -

00:10:14

[gasps]

00:10:15

-Ah! -

00:10:15

[baby hisses]

00:10:17

[sighs]

00:10:21

[sighs]

00:10:23

[baby crying]

00:10:24

[groaning]

00:10:33

[phone rings, beeps]

00:10:33

[wearily]

00:10:33

Hello?

00:10:36

Just wanted to give you a super quick update on all the dietary restrictions for the Do-It-At-Ball.

00:10:41

It's a ball now?

00:10:43

A ball, a gala, whatever you wanna call it.

00:10:44

It was just supposed to be a bagels.

00:10:46

Bagels. Balls. Is this really the Lauryn you want to die on?

00:10:50

-What? -Sorry, I meant hill. I call her Lauryn.

00:10:53

[giggles]

00:10:54

Maybe I should call you back when I can write this down.

00:10:56

-I'm-- -The Fugees are in, and they love fruit, especially Fuji apples, but they're not fans of Fiji water.

00:11:00

Fuji for the Fugees, but no Fiji. Got it.

00:11:00

[shushes]

00:11:02

Marian is a vegetarian, Meagan is vegan, and Carrie and a few other luminaries, like Gerwig and Larson, won't eat dairy.

00:11:09

Cloister the oysters, say ta-ta to the tartare, make sure there's no feta for Greta or brie for Brie!

00:11:14

Perfect. Is that a fussy baby I hear?

00:11:17

Here's a little trick I learned.

00:11:17

[clears throat]

00:11:19

■ Bye ■

00:11:21

[coos]

00:11:24

[phone beeps]

00:11:24

[groans]

00:11:26

[Amanda's voices echoing]

00:11:26

Kitada, Kitada, Kitada...

00:11:28

[phone ringing, beeps]

00:11:30

Diane, hey! Look, now isn't really the best time.

00:11:32

I came up with a bunch more great baby names while I was interviewing this boring senator.

00:11:36

-Huh? -Okay, but--

00:11:38

Jacinda, like the New Zealand prime minister who had a baby while in office.

00:11:41

Or what about Ravital, which is Hebrew for an abundance of dew.

00:11:45

Is it weird I haven't picked a name yet?

00:11:47

Ah! Don't worry about it.

00:11:48

My parents didn't name me until I was four and I turned out great, right?

00:11:53

-Right? -Listen, I gotta go. Bye!

00:11:54

Wait! What about Lucretia?

00:11:54

[sighs]

00:11:56

So, you were saying your wife went missing in this wheat field?

00:12:00

[groans angrily]

00:12:01

-Oh, there she is! -

00:12:01

[woman hums]

00:12:03

Move the vase over there. Those flowers are dead.

00:12:08

Princess Carolyn, the band changed their mind about the apples.

00:12:11

They'd prefer sweeter ones for this event. But they're okay with Fiji if it's frigid.

00:12:14

Okay, I follow so far.

00:12:16

For this gala, Gala apples over Fuji for the Bee Gees-- I mean, Fugees.

00:12:20

But we have to keep their Fujis frigid.

00:12:22

-Got it. -No, their Fijis frigid.

00:12:24

Right. That's what I meant.

00:12:25

Also, it turns out Marian is pescatarian, and Meagan is no longer vegan, but she is refusing to sit next to Chrissy Teigen.

00:12:32

And now Carrie eats just dairy.

00:12:34

Okay. Marian - pescatarian. Meagan - not vegan, but does hate Teigen.

00:12:38

-Carrie loves dairy. Got it. -

00:12:38

[phone beeps]

00:12:40

Gala for the gala, but Fugees like Fiji and frigid Fuji--

00:12:43

-Fiji! Fish! -

00:12:43

[giggles]

00:12:46

-Oh, you think that's funny? -

00:12:46

[giggles]

00:12:48

[phone rings]

00:12:51

[phone beeps]

00:12:51

-And how's my favorite client?

00:12:53

It's me. I stole Mr. Peanutbutter's phone.

00:12:55

I had to-- Wait. Is Mr. Peanutbutter your favorite client?

00:12:58

Let's circle back on that. What's goin' on?

00:13:00

Your "favorite client" just showed up at my rehab

00:13:03

-for the friends and family meeting. -The what?

00:13:05

Not important. But can you please come collect your "favorite client"?

00:13:08

-Yeah. Hang tight. -

00:13:08

[phone beeps]

00:13:10

[groans, sighs]

00:13:13

-Okay. -Thanks.

00:13:15

Fuji koojee koojee, Greta feta, Brie brie.

00:13:18

[phone rings]

00:13:18

-Oh, hi, Brie-- I-I mean, Flea.

00:13:21

[shouts]

00:13:21

What did you do to my film? -We had to make some edits.

00:13:24

You mixed all the flashbacks together with the present-day scenes, the relationships are incomprehensible, we don't even know how Birthday Dad dies!

00:13:32

Audiences are sophisticated.

00:13:34

We don't need to spell everything out for them.

00:13:36

It's 42 minutes long, and it ends in the middle of a sentence!

00:13:40

-Leaving room for a sequel! -I ain't got time for this.

00:13:42

I'm prepping a sensitive coming-of-age movie about a young girl in hiding, built out of the reanimated corpses of other young girls in

hiding.

00:13:49

In spite of everything, me still believe people good, fire bad!

00:13:54

Not now, Chloë Grace.

00:13:56

So, Birthday Dad needs another pass.

00:13:58

-You can still-- -No. Deuces. I'm outta here.

00:14:00

As the Nazi scientists learn in my new film that I'm just now realizing is in possibly poor taste, there are only so many times you can take something apart and put it back together.

00:14:09

[Flea's voice echoes]

00:14:09

Put it back together, put it back together...

00:14:13

Gala for the gala. Fugees...

00:14:14

-So here I am, digging a hole-- -Fiji-- Oh, excuse me.

00:14:17

I have to pick up my Peanutbutter at Pastiches and get back to Fiji for the Bee Gees--

00:14:22

I mean Fuji for the Mujis.

00:14:24

Your arm looks pretty ripped up. Is that all from needles?

00:14:27

Yeah, my baby's needles.

00:14:29

Uh, listen, we're about to go have some chamomile tea and do a little guided meditation. Why don't you join us?

00:14:35

Well, I guess a quick break couldn't hurt.

00:14:38

[camera shutter clicks]

00:14:44

[sighs]

00:14:50

-Hey. -

00:14:50

[Princess Carolyn groans]

00:14:51

-Hey. -

00:14:51

[yawns]

00:14:53

Hey, you okay? You've been asleep for a really long time.

00:14:56

Huh? What?

00:14:56

[gasps]

00:14:57

[groans]

00:14:57

Why am I here? Mr. Peanutbutter?

00:15:00

-Oh, yeah! Mr. Peanutbutter. -■ Who's that dog? ■

00:15:03

- Birthday Dad is over. -Huh? No, I'm over!

00:15:06

Over the moon about continuing to work on this project!

00:15:09

Go home.

00:15:11

[Pickles]

00:15:11

And I was like, "Ilana, you have to be my maid of honor."

00:15:13

Um...

00:15:15

And then my other friend Ilana was like, "Were you talking to me?"

00:15:17

Typical Other Ilana, always assuming she's the Ilana I'm talking about.

00:15:21

[sighs]

00:15:21

Okay.

00:15:24

Hello, darling!

00:15:25

[pants]

00:15:25

He's home, he's home, he's home, he's home, he's home!

00:15:28

Say hi to the Pickle Pack, Mister!

00:15:30

[chuckles]

00:15:30

Hello, internet!

00:15:31

Keep up the good work with all those charming memes!

00:15:34

I love the one where the boyfriend is looking at the other lady and his girlfriend turns to him with this expression of tremendous pain.

00:15:41

How could this man, who claims to love her, betray her so flagrantly?

00:15:44

That is a very sad meme.

00:15:46

-Uh... okay. Bye, Pickle Pack! -

00:15:46

[phone beeps]

00:15:49

-What is going on? -What do you mean?

00:15:51

You've been acting different.

00:15:52

I first noticed it the night of the Philbert premiere, when you came home late smelling like Diane, and then after a while, things went back to normal.

00:15:59

But then you got real weird again right around that time

00:16:02

BoJack went to rehab.

00:16:03

Right before you proposed that day, you also smelled like Diane.

00:16:03

[sniffs]

00:16:07

-Oh, my God. I get what's happening. -Pickles--

00:16:09

-You feel guilty. -You're right.

00:16:11

-I feel so guilty because I chea-- -Because your good friend's in rehab.

00:16:14

Chiefly feel guilty because my good friend's in rehab, like you said.

00:16:18

Why don't you go visit him if this is the thing that's been weighing on you.

00:16:21

It is. The one thing.

00:16:27

-BoJack Horseman... -

00:16:27

[gasps]

00:16:28

-...and Mr. Peanutbutter in the same room? -Oh, God, no.

00:16:31

-This can't be happening. Um... -What is this?

00:16:32

Hello! Are you here for the friends and family meeting?

00:16:34

-No-- -You're the first friend

00:16:35

-that BoJack's invited. -I don't even remember getting invited.

00:16:37

-I did not invite-- -I'm proud of you, BoJack.

00:16:39

-Hey, I'm Doctor Champ. -Mr. Peanutbutter.

00:16:41

[BoJack groans]

00:16:41

-Hey! Your name's Mister?

00:16:42

-My name's Doctor! -How about that!

00:16:44

Wait, is Doctor Champ just your name? Are you not a doctor?

00:16:47

Five-minute warning everyone. Five minutes.

00:16:49

Come on, BoJack, let's get some good seats!

00:16:51

[chuckles]

00:16:51

-We're sitting in a circle.

00:16:52

They're all good seats.

00:16:55

How can I make up for all the lies, the stealing, the cheating?

00:17:00

She says we can make a fresh start, but is that even possible?

00:17:04

-Hmm... -

00:17:04

[indistinct chattering]

00:17:05

I'm sorry, can we go back to the cheating? Did you tell her about that?

00:17:08

Oh, Mr. Peanutbutter, we don't interrupt when others are sharing.

00:17:10

Just looking for a little context.

00:17:12

Why don't you go looking in your car? Maybe you left it there.

00:17:14

BoJack, don't interrupt Mr. Peanutbutter, he's sharing.

00:17:16

-No. But he-- -But, but, but. Butts are for cigarettes.

00:17:19

Thank you, Doctor Champ.

00:17:20

As I was saying, I think Doug needs to be honest with his wife before they can move forward.

00:17:25

[all]

00:17:25

Mmm. -You're right. I need to tell her.

00:17:27

But on the other hand, maybe that's just your guilt talking.

00:17:30

Isn't it sometimes better to let sleeping dogs lie?

00:17:32

I-I assume your fiancée is a dog?

00:17:34

She's my wife, and she's human.

00:17:36

Okay, so your fiancée. Let's say her name is... Pickles.

00:17:40

-Wait, uh... -She doesn't know, and she's happy not knowing.

00:17:42

Wouldn't telling her now just cause additional pain?

00:17:45

[all]

00:17:45

Uh-huh. -So, it's better not to tell her?

00:17:48

Oh, well, that's really convenient for you, Doug!

00:17:51

-No, I didn't-- -Hey, everyone, look at "Doug" deciding that the best option just happens to be the one where he doesn't get in trouble!

00:17:57

-Mr. Peanutbutter-- -But that's just Doug all over, isn't it?

00:18:00

Classic, stupid, selfish, inconsiderate Doug!

00:18:04

[indistinct chattering]

00:18:06

Wow. Those are harsh words.

00:18:09

But I needed to hear them. Thank you.

00:18:13

Uh...

00:18:18

[sighs]

00:18:19

Look, I don't know what's going on with you, although I'm pretty sure either you or Doug cheated on Pickles, but I understand that feeling of needing to bottle up your guilt, not burden other people with it.

00:18:30

-Yeah? -You think you're protecting them from your toxicity, you convince yourself that you're being selfless, but... it comes out in other ways and it infects everything.

00:18:41

[sighs]

00:18:42

I could use a drink. Is there a bar in here?

00:18:45

■ Mr. Peanutbutter ■

00:18:46

So, then I said, "No. It's rehab." And then he left. That was two days ago.

00:18:51

Two days ago? Oh, my God, the gala!

00:18:53

Yeah, and you're probably worried about your baby, too, right?

00:18:57

Oh, my God, my baby!

00:19:00

[line ringing]

00:19:01

Come on, Todd. Pick up, pick up, pick up, pick up.

00:19:03

Hey! I was wondering if I'd hear from you Todd-day.

00:19:06

Yes-Todd-Day, I thought, "Maybe I'll hear from her Todd-morrow!"

00:19:11

Is Untitled Princess Carolyn Project okay?

00:19:13

-She sure is. -Oh, thank God.

00:19:15

Wait, you're talking about Untitled Princess Carolyn Project,

00:19:18

the baby, right?

00:19:20

Who else would I be talking about?

00:19:21

Well...

00:19:25

-Mr. Knickerbocker will see you now. -Great!

00:19:27

[phone ringing]

00:19:28

Oh, hold on one second.

00:19:29

[phone beeps]

00:19:29

-Hello?

00:19:30

Todd, I have to go to a photo shoot.

00:19:32

I need you to take the baby for an hour or so.

00:19:34

Well, you know how much I love hanging out with Untitled Princess Carolyn Project, but I can't Todd-day

00:19:40

-because of all these meetings I have. -

00:19:40

[snores]

00:19:42

But if my schedule weren't so busy, I'd say...

00:19:46

[pop]

00:19:46

-"Sure, I'd be happy to."

00:19:48

-Great. I'll see you at VIM in 15 minutes. -

00:19:48

[baby crying]

00:19:51

-Um... okay? -

00:19:51

[phone beeps]

00:19:53

I'll be right back.

00:19:53

[pants]

00:19:53

Sorry about that.

00:19:56

[phone rings]

00:19:58

-Hello? -Todd, change of plans.

00:20:00

Bring the baby over to me at SmashFox Studios.

00:20:02

Okay, he had to cancel another meeting but he will see you now.

00:20:06

-I'll be right back. -

00:20:06

[baby cries]

00:20:08

I'm going to level with you, Todd.

00:20:10

You making me wait made me angry, and that made me respect you.

00:20:14

Sorry, things have just been a little hectic since I've been helping out with Untitled Princess Carolyn Project.

00:20:19

"Untitled Princess Carolyn Project"? I'm intrigued.

00:20:22

-You think the project has legs? -Yeah, she has legs.

00:20:27

I'm thrilled to meet you.

00:20:28

The whole town is buzzing about "Untitled Princess Carolyn Project."

00:20:32

Weird, but okay.

00:20:33

We need something big.

00:20:35

Is "Untitled Princess Carolyn Project" the kind of thing that makes a lot of noise?

00:20:38

She sure does!

00:20:39

I'm in. Name your price.

00:20:41

Um...

00:20:42

Jonathan?

00:20:44

We took a big swing with Dick Wolf's Milwaukee shows.

00:20:47

Turns out audiences are not interested in a whole night of Milwaukee, so now we've got some slots to fill.

00:20:51

Do you think "Untitled Princess Carolyn Project" could live for several seasons?

00:20:56

I don't see how those things are related, but I certainly hope so!

00:21:00

-Well, how can I help? -You wanna help?

00:21:02

Let's start with a two-season pick up.

00:21:04

Yeah, sure, pick-up, drop-off, whatever works best for you.

00:21:08

-That would be great. -Great!

00:21:10

[baby giggles]

00:21:11

Well, here she is. What time do you want me to pick her up?

00:21:14

Wait, it's a baby?

00:21:16

-And she has legs! -

00:21:16

[coos]

00:21:19

I already canceled Milwaukee Waste Management.

00:21:21

I told the shareholders this was gonna save the network!

00:21:24

-We designed the poster! -

00:21:24

[coos]

00:21:26

Todd, we need a show. We can't air a baby!

00:21:30
[blows raspberry]

00:21:31
So, long story short, Pinky canceled the baby, but now we owe him a TV show.

00:21:37
Huh?

00:21:40
So, the show is called Birthday Dad.

00:21:42
The pilot was directed by Flea Daniels, and the show will be run by Karen Kitada.

00:21:47
The creator of Med School Nights? And Med School Nights: The New Class,

00:21:50
Med School Nights Goes to Law School?

00:21:52
-Uh... -This show's about a dad who died on his birthday, and every episode, his spirit visits a different intersectionally representative person on their birthday to help them work through their own issues.

00:22:03
But how are all these characters related? When does the show take place?

00:22:07
How does Birthday Dad die?

00:22:08
Those are mysteries we'll tease all season!

00:22:10
-Uh-huh. -Birthday Dad, you'll laugh, you'll cry,

00:22:13
-you'll Birthday Dad! -What do you think?

00:22:16
Yeah, like I said, we'll take anything.

00:22:22
[phone ringing, beeps]

00:22:24
-Yeah? -

00:22:24
[BoJack]

00:22:24
Hey.

00:22:25
Um, so, I don't wanna waste any more of your time.

00:22:28
I just wanted to say that I know you're really busy and I'm sorry for making your life more difficult this week and also always.

00:22:35
Also, I know that my apologies are pretty much meaningless at this point, and I'm sorry for that, too.

00:22:42
Why didn't you tell me about the Friends and Family Meetings?

00:22:44
I don't know. You got so much goin' on, I didn't wanna bother you.

00:22:47
I would have come.

00:22:50
Okay. Thank you.

00:22:54
[elevator dings]

00:22:56
[pants]

00:22:56
Did I miss it? Is the Do-It-All-Ball all done?

00:22:59
Yes. We did it all. Good of you to show up, by the way.

00:23:02

Oh, yeah? Well, it's good of you to, uh...

00:23:05
Shut up!

00:23:07
[sighs]

00:23:09
Are you okay? You're not your usual medium-clever self.

00:23:12
Can I ask you something?

00:23:15
So, there's work, right? I mean, work makes sense to me.

00:23:18
And I'm good at it.

00:23:21
I don't feel that way about my baby.

00:23:25
I don't think I'm feeling what I'm supposed to feel.

00:23:29
What I thought I would feel.

00:23:31
I mean, I love her, of course I do.

00:23:34
Of course I love my daughter. But...

00:23:34
[sighs]

00:23:38
But I don't know if I love her.

00:23:42
I know I'm a terrible person for even thinking it, but... what if it never happens?

00:23:50
Do you love all your clients' projects?

00:23:54
-Of course. -No, you don't.

00:23:56
But you take care of them and you keep them alive

00:23:58
-because that's your job, right? -Yeah.

00:24:00
So, now you've got a new job.

00:24:02
And it is a ruthless one, and I mean ruthless.

00:24:06
You don't have time to waste second-guessing how you feel about it.

00:24:08
You just have to do it the best that you can, and know that that's the best you can do.

00:24:14
You know,

00:24:14
[scoffs]

00:24:14
we have so much in common.

00:24:17
I don't know why we've spent so many years hating each other.

00:24:20
I never hated you. Did you hate me?

00:24:23
Uh... no.

00:24:26
[cries]

00:24:28
Hey.

00:24:28
[shushes]

00:24:28
Hey. Please. Listen.

00:24:32

-Did you get the Fijis for the Fugees? -

00:24:32

[giggling]

00:24:34

Yeah. Is that silly?

00:24:37

The Fugees were egregious when they got interviewed by Regis.

00:24:41

[both giggling]

00:24:44

Isn't that right...

00:24:46

-Ruthie? -

00:24:46

[blows raspberry]

00:24:50

[mellow music playing]

Ep 3 — Feel-Good Story

00:00:05

[Diane]

00:00:05

The series is called Crooshing USA.

00:00:07

[man]

00:00:07

What does that mean?

00:00:09

Crooshness is hard to define, but I also don't know it when I see it.

00:00:12

Oop. Pardon my reach.

00:00:13

Well, I'm always trying to get more girls interested in agriculture.

00:00:16

You might say I've got my eyes on them. Potato eyes, that is.

00:00:21

-Guy? -

00:00:21

[Guy]

00:00:21

Mm-hmm.

00:00:22

Hey, girls! It's Diane, outside Idaho's largest potato supplier,

00:00:26

-Starch Farms. -Hello!

00:00:28

Let me get this straight.

00:00:29

Your farm harvests five types of potatoes, two types of onions, and is also a front for a local sex trafficking ring?

00:00:35

[gasps]

00:00:35

-How'd you get started in sex trafficking?

00:00:39

Uh...

00:00:41

[panting]

00:00:44

I don't think I'm getting that microphone back.

00:00:47

This is the second straight year this Michigan resort's food

00:00:49

has tested positive for avian botulism.

00:00:52

Wow, two years in a row.

00:00:53

It's like the Tom Hanks of poisoning people.

00:00:55

They said the jewelry is safe for humans now,

00:00:57

but I've been wearing this for a week, and...

00:01:00

[groans]

00:01:01

Can we get more B-roll so we have something to cut away to when I have to scratch my nose?

00:01:05

I thought scratching your nose was your way of saying hello to me.

00:01:09

Don't you find it a little convenient that the mayor has yet to restore

00:01:12

clean drinking water to this part of--

00:01:14

No, it's quite in-convenient. You think this is convenient?

00:01:18

The East Side is a lower-income area, ergo the residents are not huge campaign donors, ergo--

00:01:24

No, the mayor didn't target that neighborhood, he was just that stupid when it came to water filtration.

00:01:29

He was just stupid enough to think he wouldn't get caught, ergo--

00:01:32

Say "ergo" one more time.

00:01:35

-Ergo. -Nah.

00:01:36

-No, no, no, no. -

00:01:36

[Diane giggles]

00:01:38

This is Diane Nguyen...

00:01:39

This is Diane... This is Di...

00:01:40

This is Diane Nguyen, and that's the Croosh!

00:01:43

[Guy mumbles]

00:01:43

Let me see. -Did you hear about Philip Morris Disney Fox

00:01:46

AT&T AOL Time Warner PepsiCo Haliburton Skynet Toyota Trader Joe's?

00:01:50

-What about them? -They got acquired by Whitewhale.

00:01:52

Oh, shit. Well, how many companies are there now?

00:01:55

Four?

00:01:55

[gasps]

00:01:56

-What is it? -I'm sorry, Diane.

00:01:58

Look, I asked for two beds, I swear.

00:02:01

-Huh. -I mean, this is unprofessional. One bed!

00:02:04

What are we supposed to do with just one bed?

00:02:06

Quite a pickle.

00:02:08

I should march right back down to that front desk and tell them--

00:02:11

[both moaning]

00:02:13

Thank you...

00:02:13

[chuckles]

00:02:13

for helping me with my one bed bit.

00:02:16

[both moan]

00:02:16

-It's a good bit.

00:02:18

[theme music playing]

00:03:14

[BoJack's voice]

00:03:14

Dear Diane, hello.

00:03:15

[Guy snores]

00:03:15

-This is a letter.

00:03:17

Rehab is making me write a letter to a friend

00:03:19

because I guess letter writing is therapeutic?

00:03:21

I hear it did wonders for the Zodiac killer.

00:03:24

Anyway, rehab's going fine. A lot of hikes and movie nights and yoga,

00:03:28

and I think next week, we're doing a color war.

00:03:32

And it's good that I'm here, and it's good that I'm not drinking

00:03:35

or taking pills, but I keep thinking about how this isn't real life.

00:03:38

It's summer camp. Temporary. Easy.

00:03:42

As nice as this is, I know that someday I'll have to go back to the real world.

00:03:46

Hey, Lady, listen, can you put him on the phone, please?

00:03:48

I don't care if he doesn't wanna talk to me. I'm his father. No, Lady--

00:03:52

[Guy groans angrily]

00:03:53

[BoJack's voice]

00:03:53

Anyway, that's my letter.

00:03:55

I probably won't even send it, but if you're reading this, I guess I did?

00:03:59

Your friend, BoJack.

00:04:01

P.S. Horseman.

00:04:07

I'm only in Chicago for a week.

00:04:08

I don't think it's selfish to wanna see my son.

00:04:11

Yeah, but you gotta give your ex notice.

00:04:13

Whose side are you on?

00:04:14

Uh... Hey, look out the window.

00:04:17

[Guy]

00:04:17

Wow, there she is!

00:04:18

The second windy, muddy, big-shoulders city by the lake.

00:04:21

Look! Willis Tower. Oh, and look, the new Whitewhale building!

00:04:25

You cannot be excited about a giant corporation like Whitewhale setting up shop in your hometown.

00:04:29

I'm just excited we got a new big building.

00:04:31

-In your face, Dubai. -

00:04:31

[chuckles]

00:04:34

[man gasps and pants]

00:04:38

-Hmm... -Ah...

00:04:40

-Not bad. -It's because the bread

00:04:42

is made from lake water and lard.

00:04:44

[phone buzzes]

00:04:44

-From New York Times, I'm Michael Barbaro.

00:04:46

Today, your phone is ringing.

00:04:48

Here's what you need to know about people who still use their phone to call people.

00:04:53

Hey, Stefani.

00:04:54

Hey, girl!

00:04:55

-No, no, it's Guy. -

00:04:55

[Stefani]

00:04:55

Hey, Guy!

00:04:57

I got you on speaker. Diane's eating the best sandwich of her life.

00:05:01

-It's okay. -

00:05:01

[Stefani exhales]

00:05:02

Diane, I love that you still eat sandwiches.

00:05:05

Flaws like that are what make you relatable to regular women.

00:05:08

[gulps]

00:05:08

What? -Meanwhile,

00:05:09

I am adoring your cross-country exposition of the ugly underbelly of American capitalism.

00:05:15

So croosh.

00:05:16

But I wonder if you could make room in the rotation

00:05:19

for a few feel-good stories?

00:05:21

Stefani, our videos are making a difference.

00:05:23

Yeah, a difference in how bummed I am.

00:05:26

There's gotta be some good news out there.

00:05:28

[sighs]

00:05:28

-We'll see what we can do!

00:05:30

-Why'd you say yes? -We can do feel-good stories.

00:05:32

What about that girl who opened up a lemonade stand to pay for her dad's cancer treatment?

00:05:35

How is that a feel-good story?

00:05:37

"Hey, America! We're the only developed nation without subsidized healthcare, so this child joined the workforce in a desperate bid to

keep her father alive!"

00:05:44

Okay. How 'bout this?

00:05:45

Local cameraman has a pretty good thing going,

00:05:48

where he gets to travel all over the country

00:05:49

and fool around in hotel rooms with his beautiful, smart, feisty producer...

00:05:53

and he's pretty sure this passionate, intelligent, warrior for truth likes it too, so maybe these two knuckleheads should swallow their pride for a second and make some feel-good videos.

00:06:09

Hey, girls.

00:06:10

-Hey, Diane. -Hey.

00:06:11

Tell me about the Every Animal Girl Company.

00:06:14

We are two best friends who got tired of seeing dolls promoting unrealistic beauty standards.

00:06:19

Take Ginny here.

00:06:20

Most giraffe dolls have necks one inch shorter by scale than the average girl giraffe.

00:06:24

Not our Ginny.

00:06:25

Her neck is long and proud, for all our necky gals out there.

00:06:30

As a necky gal, I love that.

00:06:32

And is it true that all your dolls are made out of recycled material?

00:06:35

-Uh... No. -Yes!

00:06:36

-Sorry? -Well, traditionally...

00:06:38

[overlapping dialogue]

00:06:38

-The first batch, um...

00:06:41

The important thing is we're two best friends.

00:06:44

Okay, what's going on?

00:06:45

Uh...

00:06:45

[giggles nervously]

00:06:47

Okay. We are excited to announce that as of today, the Every Animal Girl Company has been purchased by Toys Galore, a subsidiary of Whitewhale Consolidated Interests.

00:06:57

Yay! Toys Galore!

00:06:59

-Uh... -Huh?

00:07:01

"Yay..."

00:07:03

A small, independent start-up bought out by a huge conglomerate.

00:07:06

It must be so empowering to see your success grow.

00:07:10

What a happy story for two best friends. Now, about the recycled materials?

00:07:14

Well, it's unclear what role recycling will play in the future of this company.

00:07:17

Right now, we're mainly focused on empowering young girls and closing the main Chicago factory so we can relocate overseas for cheaper labor.

00:07:25

Right before the holidays!

00:07:27

[clears throat]

00:07:27

Feel-good.

00:07:29

[strained]

00:07:29

What an exciting, empowering time for you!

00:07:32

I know.

00:07:35

You think you can edit that down into something feel-goody?

00:07:37

For sure. It'll have to go up late, though, because I'm having some friends over to watch the game tonight.

00:07:42

God, I'm freezing.

00:07:45

-Aw. -So, you, uh...

00:07:47

-You wanna watch the game with us? -Are you asking me to meet your friends?

00:07:50

No, I just figure, since you're staying with me anyway--

00:07:53

I would be delighted. Wait, it's not the Chicago Baby Humans game, is it?

00:07:56

It's just a mascot.

00:07:58

[reporter]

00:07:58

And there goes Waa-Waa, the Baby Human, stumbling around

00:08:01

like the furless, featherless dolt he is.

00:08:04

What's he got there? Don't drink that poison, you crazy human!

00:08:07

-We don't drink poison. -Diane, he's not a literal human.

00:08:11

Waa-Waa is a tribute to your proud human heritage.

00:08:13

-I'm very flattered. -Anyway, meet the gang.

00:08:16

Everyone, this is Diane. My, um...

00:08:18

Ah... You know, my-- The woman that I work with.

00:08:21

[all]

00:08:21

Hi. -

00:08:21

[man]

00:08:21

'Sup, dude?

00:08:24

-Hmm... -You okay?

00:08:25

Yeah. Sorry, just-- I'll be right back.

00:08:28

[doorbell rings]

00:08:38

[sighs]

00:08:40

-Diane, I'm really sorry, but-- -It's fine.

00:08:42

I wasn't expecting, ya know, in front of your friends.

00:08:44

-He just showed up. -We haven't put a label on us.

00:08:45

-I'm not looking for-- -The speech and debate tournament

00:08:47

-was canceled on account of cyberbullying. -Wait, what are you talking about?

00:08:50

-My son is here. He surprised me. -Oh, shit.

00:08:52

I usually don't bring women around my kid unless it's serious.

00:08:56

-I get it. -Do you mind staying at a hotel?

00:08:57

-Oh, yeah. Totally. -He'll be gone first thing tomorrow.

00:08:59

What if he sees me go out? Is the coast clear?

00:09:01

-You should maybe go out the window. -

00:09:01

[grunts]

00:09:03

This makes sense. But what about my stuff?

00:09:05

I'll pack your bag and throw it out to you.

00:09:07

Okay, good. Bye. Thank you for inviting me to your party.

00:09:09

You have a lovely home.

00:09:11

[BoJack's voice]

00:09:11

Dear Diane, hello. I am writing you another letter.

00:09:14

Today sucks. There's this new lady here, Beverly, and she took my snack kit.

00:09:18

And that is so classic Beverly. Probably. I just met her.

00:09:23

The whole point of the snack kits is they're communal, right?

00:09:25

They're these bags full of snacks that we take on our morning hikes,

00:09:27

and we put them together the night before as, like, a team-building thing.

00:09:32

Yesterday, I decided to throw an extra bag of candied nuts into a snack kit,

00:09:36

something just for me.

00:09:37

And I marked my bag with a "B"

00:09:38

so I'd know which one to grab in the morning.

00:09:40

"B" for "BoJack."

00:09:41

[groans angrily]

00:09:41

-But then today, I see Beverly,

00:09:42

who, again, just got here, waltzing around the house

00:09:45

with my snack kit, saying, "Oh, somebody made a special kit just for me!

00:09:49

B for Beverly! I must have a secret admirer!"

00:09:52

Again, just got here!

00:09:54

[shivering]

00:09:54

-The story of my life

00:09:55

is that I never get anything nice.

00:09:57

You'd think that I'd learn to adjust my expectations by now.

00:09:59

But, no. Once again,

00:10:01

I was the idiot who got my hopes up about candied nuts,

00:10:04

and now I am disappointed with no one to blame but myself.

00:10:09

[sighs]

00:10:09

-Anyway, what's new with you?

00:10:11

[scoffs]

00:10:11

Just kidding, you can't say anything, this is a letter!

00:10:14

Okay, talk soon. BoJack.

00:10:22

[crickets chirping]

00:10:22

[phone buzzes]

00:10:24

From New York Times, I'm Michael Barbaro.

00:10:26

Today, your--

00:10:27

-Hello? -

00:10:27

[Stefani]

00:10:27

Diane, your last video--

00:10:29

Okay, I know it wasn't as feel-good as maybe you wanted--

00:10:32

Are you kidding? I feel great!

00:10:34

You made a big impression with the guys at Whitewhale.

00:10:36

-Really? -I'll say. They bought Girl Croosh!

00:10:40

-What? -Well, technically they bought Fuddruckers and merged it with Dow Chemical to create a new media venture called Spronk!

00:10:46

[Diane]

00:10:46

Hold on-- -Spronk acquired Univision, which will incorporate Girl Croosh into the Gizmodo-branded mist of advertorial.

00:10:53

-That's terrible! -Not for me! I'm gonna be rich!

00:10:55

-You already are rich! -Oh, yeah!

00:10:55

[giggles]

00:10:58

Oops. Well, anyway, good luck with Spronk, which is currently rebranding as Content Spew.

00:11:03

So spew that content, girl!

00:11:03

[giggles]

00:11:05

Bye!

00:11:08

Oh, spronk me.

00:11:13

[sputters]

00:11:14

Pardon our dust while we finish construction.

00:11:17

Can I get you a Pepsi Cola? Or anything else from the vast Whitewhale agglomeration of fine beverages?

00:11:17

[sputters]

00:11:23

Uh, I think we're good.

00:11:26

Hmm.

00:11:27

[beep]

00:11:29

-I'm sorry about last night. -It's fine. Let's just watch the movie.

00:11:32

Welcome! Here at Whitewhale Consolidated Interests,

00:11:35

we do it all through the free-market magic of the Whitewhale Way!

00:11:40

[both]

00:11:40

That's right, Mr. Whitewhale!

00:11:42

Who? Why? Where? Whence forth are you two,

00:11:44

and how did you manifest in my office? Be gone, ghastly ghouls!

00:11:49

[giggles]

00:11:49

We're no spooky specters! My name's Vert!

00:11:53

Vertical Integration!

00:11:54

And I'm Ollie, the Oligopoly.

00:11:57

You summoned us here to tell your new employees about the Whitewhale Way!

00:12:01

Well, best be quick about it, you unholy apparitions.

00:12:06

The Whitewhale Way was developed by Ezekiel Whitewhale,

00:12:09

who started small with a modest petroleum refinery he inherited from his father.

00:12:14

[Ollie]

00:12:14

One day he looked around and said,

00:12:17

"Wait one minute!

00:12:18

While I'm refining this oil, someone else is getting rich drilling it, and another someone's sellin' it to the common commuter!"

00:12:22

So, he bought his own rig and opened a chain of gas stations.

00:12:25

By controlling both the means of production and the delivery system,

00:12:28

Ezekiel cornered the market and choked out the competition

00:12:32

until they had no choice but to sell to him, too!

00:12:35

And that's vertical integration!

00:12:38

[burps]

00:12:38

[giggles]

00:12:41

Pardon me.

00:12:41

F-f-f-fast-forward to the 1980s,

00:12:43

when Jeremiah took our company to the next level.

00:12:46

[Vert]

00:12:49

He bought a telephone company, a sports team, and when he didn't like

00:12:52

the way the newspapers were talking about him,

00:12:54

-he bought his own newspaper! -

00:12:54

[Ollie chomps]

00:12:56

Well, I must have been a hungry whale because I just kept gobbling up companies.

00:13:01

Fast-forward to today, and it looks like I gobbled up you!

00:13:05

[chuckles]

00:13:05

-Are we supposed to be charmed by this?

00:13:08

Welcome to the Whitewhale family. Everywhere you are, that's where we'll be.

00:13:17

Here's a list of your new sister companies.

00:13:19

Please be mindful of them as you spew your content.

00:13:19

[sputters]

00:13:25

So we can't make videos about any of these subsidiaries?

00:13:28

Monsanto, JP Morgan Chase, Marie Osmond?

00:13:31

Oh! There it is, the Every Animal Girl Company.

00:13:34

You don't really think Whitewhale bought Girl Croosh just to kill our video?

00:13:37

And you couldn't just tell a feel-good story about two friends who started a business.

00:13:41

Maybe this is for the best.

00:13:42

You can get a new job in Chicago, spend more time with your kid.

00:13:45

Yeah, and you can go back to LA, where you won't have to borrow my coat all the time.

00:13:49

[giggles]

00:13:49

-Didn't you wanna write another book?

00:13:50

I have this book of essays I've been brewing in my head.

00:13:52

It's called, One Last Thing and Then I Swear to God I'll Shut Up

00:13:55

About This Forever: Dispatches from the Frontlines of the War on Women:

00:13:58

Arguments, Opinions, Reflections, Recollections, The Razor Tax--

00:14:01

Is this still the title?

00:14:02

I kind of got lost in the middle and couldn't find a way out.

00:14:04

No, no, it's good,

00:14:06

I just think you want to save some of it for the inside of the book.

00:14:08

[sighs]

00:14:08

I guess that's it for us, though, right?

00:14:11

-I guess so. Unless it isn't it for us? -What do you mean?

00:14:16

What if we did one more video about anything we wanted and posted it on the website before they realize we still have all the passwords?

00:14:23

-We could do a story about Whitewhale. -Oh, yeah!

00:14:26

Now, there's a feel-good story.

00:14:28

Me feeling good about takin' those assholes down!

00:14:42

Diane, this is Isabel, star reporter at The Tribune.

00:14:45

She's been hunting Whitewhale for years.

00:14:47

-Call me... Isabel. -Okay.

00:14:52

All my days, the beast has haunted me.

00:14:54

The hunt consumes my every waking moment.

00:14:57

You might even say Whitewhale is my... green light at the end of the dock.

00:15:03

-What? -That's a Gatsby reference. Read a book.

00:15:06

Isabel, be nice.

00:15:07

I wish I had the energy, but my obsession has ruined me.

00:15:10

Destroyed my relationships, obliterated my career. And for nothing.

00:15:14

I had one contact on the warehouse floor, Matt Minnowman.

00:15:18

-Hmm. -Then he disappeared.

00:15:20

-Maybe there's your story. -Not your story?

00:15:22

Mm. My editor thought I was getting "too invested" in the Whitewhale beat, so he moved me to the Holiday Gift Guide desk.

00:15:28

Now the search for the season's hot toy torments my waking days.

00:15:32

Are Spirographs the new fidget spinners? The answer eludes me at every turn.

00:15:41

[Diane]

00:15:41

I can't believe it. We got a lead.

00:15:43

Hey, do you wanna walk back to my place?

00:15:45

Are you kidding? It's so cold. How is it snowing in October?

00:15:48

There are basically two seasons here: bitter winter, unbearable humidity.

00:15:52

-You'll learn to love it. -

00:15:52

[giggles]

00:15:55

[Diane gasping]

00:15:55

[both giggling]

00:15:56

[BoJack's voice]

00:15:56

Dear Diane, I'm sure you are dying to know

00:15:59

how this Beverly secret admirer situation is going,

00:16:01

-so I'll cut right to the chase. -

00:16:01

[Guy]

00:16:01

Oh!

00:16:03

I started writing "BH" on my snack kits to clear up any confusion

00:16:07

about who the extra nuts are for.

00:16:10

But now Beverly thinks "BH" stands for Beverly, here-ya-go.

00:16:13

"Beverly here ya go"? Why would the "H" stand for--

00:16:16

[Guy and Diane moan]

00:16:16

-You know what? Doesn't matter.

00:16:19

The dumbest part is that Beverly doesn't even eat candied nuts.

00:16:22

[Diane moaning]

00:16:22

-She's allergic.

00:16:23

So she usually just ends up

00:16:24

-giving her nuts to me. -

00:16:24

[Guy snores]

00:16:26

Doctor Champ would probably say that means something.

00:16:28
That the universe has a way of looking out for us if we just stop fighting it, but...

00:16:32
I don't know.

00:16:33
Anyway, I guess it's working.

00:16:36
Hope things are working for you, too. BoJack.

00:16:40
[keyboard clacking]

00:16:43
Were you up all night?

00:16:44
I was following up on this Matt Minnowman.

00:16:46
Turns out there was an "accident" at the warehouse.

00:16:48
-What? -He stayed late to finish some work.

00:16:50
"Look at me, I'm just doing some work. It's no big deal."

00:16:52
Next morning, they found him dead.

00:16:54
Oh, shit.

00:16:55
This guy was trying to get the word out about working conditions, and then he died in the warehouse.

00:17:01
I got the names of some coworkers, let's get our hands on the security footage.

00:17:04
Did you know your cereal was made by Whitewhale?

00:17:06
I threw it out to be safe.

00:17:07
Microchips-- Oh, my God, you're looking at me like I'm crazy.

00:17:09
You think I'm obsessed. Am I totally scaring you off right now?

00:17:12
No. You're glowing.

00:17:14
Hmm.

00:17:16
[keyboard clacking]

00:17:19
We were working 17-hour days.

00:17:21
We were spread thinner than a shitty New York slice of pizza and working harder than the '96 Bulls.

00:17:28
[Guy]

00:17:28
Okay, so Matt's stationed here...

00:17:30
So, what, he walked to the other side of the room just to die?

00:17:33
That's where he died, all right.

00:17:35
Management left his body out there on the floor.

00:17:37
Almost like it was a warning to the other workers.

00:17:40
Wow.

00:17:42
I just don't think you can attribute it to intentional cruelty.

00:17:44
-It's callousness. -Can't it be both?

00:17:46
Whitewhale's not evil. They're just capitalists.

00:17:48
What's the difference?

00:17:49
From New York Times, I'm Michael Barbaro. Today--

00:17:52
-Hello? -Mister Whitewhale would like to meet you at the Chicago Whitewhale building tomorrow at 2:00.

00:17:57
Bring your camera.

00:17:57
[sputters]

00:18:00
Oh, shit. If they know what we're doing, why would they wanna talk to us?

00:18:04
I guess we'll find out.

00:18:05
I'm kind of weirdly excited.

00:18:07
-Hey. I got you something. -What? Shut up!

00:18:12
-Huh. -Ah.

00:18:13
-You don't like it. -No, I love it.

00:18:15
It's just I won't get much use out of a coat like this in LA.

00:18:18
No. It's for here.

00:18:19
Is this your way of asking me to move to Chicago?

00:18:22
[chuckles]

00:18:22
No. Not everything is some kind of secret underhanded conspiracy.

00:18:27
-Sometimes a coat's just a coat. -Okay.

00:18:29
But I also don't know why it's so obvious that you go back to LA.

00:18:32
-I live there. -But there's nothing for you there.

00:18:35
Excuse me?

00:18:36
I just don't understand why you're so into punishing yourself.

00:18:38
I am not--

00:18:39
And it's not just yourself, because every time you get cold,

00:18:42
-guess who has to give you his coat. -Oh, sorry, does that inconvenience you?

00:18:46
No.

00:18:46
[sighs]

00:18:47
I just don't know why I should suffer because you have this ideological objection to feeling good.

00:18:52
Are you-- I would love to feel good.

00:18:54
What a luxury. How nice for you that you can do that while the world burns around you.

00:18:59
This is not even about the world, this is about you and me.

00:19:01

"You and me"? What's "you and me"?

00:19:03

-Don't-- -No, no, tell me, Guy, please, because I would love some clarification. Am I your girlfriend?

00:19:08

Am I the, um, "you know, woman that I work with"?

00:19:11

-Come on, Diane. -What is this?

00:19:13

I... Just take the coat.

00:19:17

I think I should go back to the hotel.

00:19:21

[sighs]

00:19:33

[Diane shudders]

00:19:36

[birds chirping]

00:19:43

I didn't know if you'd come.

00:19:44

Well, we got a job to do, right? Could get chilly up there.

00:19:51

I don't know what kind of video you're putting together, but I wanted to let you know I don't mind.

00:19:57

You're not gonna stop us.

00:19:58

I don't want to stop you, I just said that.

00:20:01

See, when you put out stories about us being "evil" or "callous" or whoever the bad guy in Harry Potter is, people think our business is uncompromised by morality and our stock goes up.

00:20:13

So, it doesn't bother your shareholders that one of your employees died in a work-related accident?

00:20:18

-What accident? -Matt Minnowman's body was found in your warehouse.

00:20:22

Oh, him, sure! But that was no accident. I killed him.

00:20:25

-What? -I murdered him!

00:20:27

Like murdered murdered him?

00:20:29

Well, I didn't murder-of-crows him.

00:20:31

He took too many bathroom breaks and encouraged the other employees to take bathroom breaks as well.

00:20:36

And you're not worried it's going to get out that you killed an employee?

00:20:40

Like in the video we're shooting right now?

00:20:42

Didn't you hear? Congress just passed a bill legalizing murder if you're rich.

00:20:47

-No, they didn't-- Oh, my God, they did! -What?

00:20:50

Hold on. Just because it passed the House doesn't mean the Senate will--

00:20:52

Really, Diane?

00:20:53

Okay, but the president could still veto--

00:20:55

Really, Diane?

00:20:56

All right, sure, but the Supreme Court. Okay, I get it.

00:20:58

Look, don't take it so hard.

00:21:00

If you wanna do something about it, just make a billion dollars and murder me!

00:21:05

[both cackle]

00:21:07

Barbara, let's make sure they get a nice Whitewhale Company gift bag

00:21:11

-on their way out. -

00:21:11

[sputters]

00:21:16

Well, we can still post the video.

00:21:20

Why?

00:21:22

Yeah, right, well, um, safe travels. It's been real.

00:21:27

Yeah. It's been real.

00:21:33

I'm not gonna beg you to stay if that's what you're waiting for.

00:21:35

I'm not waiting for anything.

00:21:36

I'm not that guy who says, "Diane, please don't go, I'm in love with you.

00:21:40

Stay here in Chicago and write your book of essays and come with me to baseball games.

00:21:45

They've got a pretty good theater scene here and a big shiny bean and you could...

00:21:48

[sighs]

00:21:49

You could be so happy in your warm winter coat."

00:21:52

-I don't need you to say-- -I'm not gonna be that guy, all right?

00:21:54

But if you wanted to stay, I could make things so good for you, Diane.

00:22:00

-Listen-- -No, no, I get it.

00:22:02

No, listen. Guy.

00:22:04

I feel so shitty all the time.

00:22:08

I feel like the whole world is pushing in on me, except for when I'm with you.

00:22:15

You have been such a good thing for me.

00:22:19

But I can't be with you if you're the only good thing in my life.

00:22:24

It's too much pressure. I'm sorry.

00:22:28

-Diane! Don't get on that train! -

00:22:28

[scoffs]

00:22:31

-Guy, I just told you-- -I know, but you're going to the airport.

00:22:34

That train's going to Cottage Grove, you're gonna get screwed!

00:22:37

Oh, no.

00:22:40

[BoJack's voice]

00:22:40

Dear Diane, it was Beverly's last day yesterday.

00:22:44

Everyone is real excited for her, but she spent the whole day sulking

00:22:48

because she never found out who her secret admirer was.

00:22:51

Frankly, it was getting pretty annoying, so finally I just say,

00:22:54

"It was me! I'm in love with you!"

00:22:56

And she goes, "Oh. I was hoping it was Mario."

00:23:00

And then she starts crying.

00:23:03

And everyone looks at me like, "Way to go, you made Beverly cry on her last day."

00:23:08

So, the thing I keep thinking about is...

00:23:11

was it worth it for Beverly to be happy for a little bit,

00:23:14

even though it ended up sad?

00:23:16

Or would it have been better if the whole thing never happened?

00:23:19

Every time someone leaves rehab...

00:23:20

it makes you think about your own progress.

00:23:23

Some days it feels like you're not progressing at all, other days you think,

00:23:26

"Well, maybe a little."

00:23:28

The main thing I think about is how stupid I am

00:23:29

that I didn't do this sooner.

00:23:31

I wasted so many years being miserable because I assumed

00:23:34

that was the only way to be.

00:23:37

But I don't wanna do that anymore.

00:23:40

Also, am I crazy or have I gotten really good at writing letters?

00:23:43

[sighs]

00:23:44

This is BoJack, by the way.

00:23:47

[phone beeps]

00:23:47

[line ringing]

00:23:51

-Hey. -Hey.

00:23:53

I was thinking about these grilled cheese sandwiches I used to make, back when I first moved to LA.

00:23:58

-What? -I was dirt-broke, and I had no friends and no job, and I got obsessed with perfecting the art of the grilled cheese sandwich.

00:24:05

-Makes sense. -Partly because it was cheap, but also because while I was doing it,

00:24:10

I wasn't thinking about how depressing my life was.

00:24:12

Okay.

00:24:13

So, on the plane I was thinking,

00:24:15

I should make another grilled cheese sandwich because I haven't in a long time, but I love them and they always make me feel better about things.

00:24:24

-Look, Diane, I gotta-- -And the thing about making your own grilled cheese sandwich is you can do it anywhere. You know?

00:24:32

Yeah?

00:24:33

Yeah. So, I guess that's another good thing.

00:24:40

Ep 4 — Surprise!

00:00:06

[Pickles]

00:00:06

Okay, guys, that is my cat eye tutorial.

00:00:09

It probably works better if you're not a dog,

00:00:11

but anyways, like and subscribe.

00:00:14

Oh, and RIP Nelson Mandela and Paul Walker.

00:00:17

[icon pops]

00:00:17

-Love you, sassy boys!

00:00:20

I just don't feel like doing a makeup tutorial today.

00:00:23

[whirring]

00:00:23

-Dad! I'm shooting a video!

00:00:26

[Franco]

00:00:26

Demi!

00:00:27

I really thought me and Buzzy were built to last,

00:00:30

like Brad and Angelina, or Gwyneth and Coldplay Man,

00:00:33

or America and its current love affair with Rebel Wilson.

00:00:36

[sighs]

00:00:36

I'm sorry, I shouldn't be talking about my personal life.

00:00:40

I just feel so alone.

00:00:42

[icon pops]

00:00:42

-Aw! Thank you.

00:00:45

Hey, Pickle Pack! Gettin' ready for another job interview.

00:00:48

I think I'm just gonna lie about having experience. Right?

00:00:52

I got the job! I'm a systems analyst?

00:00:56

I got fired my first day as a systems analyst,

00:01:00

but then I got a job as an air traffic controller!

00:01:04

I got fired my first day as an air traffic controller.

00:01:07

But then I got a job as a waitress!

00:01:10

-So, I've been seeing someone. -

00:01:10

[icon pops]

00:01:13

He's a yellow lab, and he's so handsome and friendly.

00:01:17

[barks and licks]

00:01:18

-Mister asked me to move in with him! -

00:01:18

[icons pop]

00:01:20

-Hi, Mister! -Oh, are you taking a video?

00:01:20

[laughs]

00:01:24

Thank you, queefburglar69, for that lovely cartoon heart!

00:01:28

Get a load of this cool house, Pickle Pack! Lights, off. Lights, on!

00:01:32

[giggles]

00:01:32

-Thank you, Robot House!

00:01:34

Check this out. The Thunder Room.

00:01:36

A place to wait out thunderstorms and Fourth of July celebrations!

00:01:39

Thunder door, close!

00:01:41

[automated voice]

00:01:41

Closing.

00:01:41

[clunks]

00:01:41

Thunder Room secure.

00:01:44

Cute!

00:01:45

He got down on one knee and everything! He was so nervous before he asked!

00:01:51

-Of course I said yes! -

00:01:51

[icons pop]

00:01:53

-I think Mister is still in shock! -Engaged! That's what we are now!

00:01:58

Ring filter!

00:02:00

So, I guess I liked the play.

00:02:02

I was just surprised at how different it was from the movie.

00:02:05

I kept waiting for the baseball part.

00:02:06

And so many dysfunctional relationships! All the cheating and lying!

00:02:11

[sighs]

00:02:11

I'm sure glad we're not like that, right, Mister?

00:02:14

Um, Pickles, would you mind turning off the livestream?

00:02:18

There's something I need to discuss with you. Privately.

00:02:20

Ooh, I hope it's something good!

00:02:25

[beeps]

00:02:25

[sobbing]

00:02:27

-The wedding is off!

00:02:27

[crying]

00:02:27

[icons popping]

00:02:32

[theme music playing]

00:03:27

[brakes squeak]

00:03:27

[crickets chirping]

00:03:31

[exhales]

00:03:33

Hi, I'm here to see BoJack.

00:03:34

You're...

00:03:34

[sucks teeth]

00:03:36

...too late.

00:03:37

-What? -He's...

00:03:37

[sucks teeth]

00:03:38

...gone...

00:03:39

-No! -...to a party for the night.

00:03:41

Here's the address. Sorry for all the wincing.

00:03:43

I put too many jalapeños on my...

00:03:43

[sucks teeth]

00:03:45

...sandwich.

00:03:46

A party? With alcohol?

00:03:48

No, a lame party, without alcohol.

00:03:51

Uh...

00:03:52

Don't worry. We sent him with a trained sober companion.

00:03:55

He'll keep him out of trouble.

00:03:59

This is Eduardo. He's here to keep me out of trouble.

00:04:01

[chuckles]

00:04:01

Say, aren't you one of those fainting goats?

00:04:04

[laughs]

00:04:04

Only if I panic.

00:04:07

So, what makes you panic?

00:04:08

Nothing. The whole point is he doesn't panic. Sober companion.

00:04:11

You know what makes me panic?

00:04:13

Most of the time I'm an ocean-levels-rising guy, but sometimes I like to dwell on the fact that there will always be invisible walls between myself and those who claim to know me.

00:04:24

[chuckles]

00:04:24

That sure is nerve-racking, but the only thing that makes me panic is the thought that I might someday drink again.

00:04:30

-A toast to that never happening! -

00:04:30

[whimpers and thuds]

00:04:34

Very helpful. Thank you, Eduardo.

00:04:38

Oh, I'm just Greg, a guy Mr. Peanutbutter met at a gas station once.

00:04:41

I honestly don't even know why I got invited to this party.

00:04:44

[Ruthie crying]

00:04:45

You know, I got a few TV ideas myself.

00:04:47

[chuckles]

00:04:47

Franco, nobody wants to hear your time-travelling orthodontist pitch!

00:04:52

Demi, you are lighting a long fuse on a short stick of dynamite.

00:04:56

Oh, whoop. And a big one at that.

00:04:59

[inhales, exhales]

00:05:02

-Diane! Didn't think I'd see you here! -

00:05:02

[screams]

00:05:05

Could you go tell BoJack to come out so I can talk to him?

00:05:08

What? I don't have time for your classic Diane wackiness.

00:05:11

We gotta get these to the balloon room!

00:05:15

[coos]

00:05:15

[screams]

00:05:17

-Hey. -Hey, look who's back in town!

00:05:20

[groans]

00:05:20

-Wow! Baby! Cute!

00:05:22

[giggling]

00:05:22

-She's crawling all over the place.

00:05:24

I wasn't gonna bring her out, but another nanny quit on me.

00:05:27

Carlotta quit, huh?

00:05:28

I assume she resigned in disgrace

00:05:30

for not making good airplane noises when she feeds Ruthie?

00:05:33

No, she said she felt she was being watched all day.

00:05:37

Impossible! I'm there around the clock, observing her every move.

00:05:41

-If she was being watched, I'd know! -Uh-huh.

00:05:45

Uh, where do these balloons go?

00:05:50

Hello, Pickles' best friend Ilana.

00:05:52

Pickles' other friend Ilana. Didn't think I'd see you here.

00:05:56

And then of course, there's always the looming fear my spleen could up and re-twist itself.

00:06:01

How are we back in a conversation?

00:06:03

It's like I'm trying to canoe out to sea, but the current keeps washing me back to the same shallow backwater.

00:06:08

-Hey, there you are. -Thank God, I'm so glad you're here.

00:06:11

-Never leave my side. -I have to tell you--

00:06:12

-Okay, everybody get to your places! -What's happening?

00:06:16

Mr. Peanutbutter's and Pickles' surprise wedding!

00:06:20

Surprise wedding?

00:06:21

The wedding planning was stressing Mr. Peanutbutter out, and Pickles loves big romantic surprises.

00:06:27

And I'm not doing much except for sitting at home watching Princess Carolyn's terrible nannies, so naturally, I thought, "Ooh! Surprise wedding!"

00:06:35

-Where are they now? -I got them two tickets to Angels in the Outfield.

00:06:40

-The movie? -The play. It's like six hours long.

00:06:43

Do you mean Angels in America?

00:06:45

Whatever it is, after that feel-good comedy, they'll be in a great mood for a wedding!

00:06:51

Wow. Okay...

00:06:54

Look, I cannot be here. Just... I'm moving.

00:06:56

Great, your apartment's a dump. Where are you moving to?

00:06:58

Uh, not Echo Park. I'll never see you.

00:07:01

-Chicago. -Chicago? Chicago Chicago?

00:07:03

Ooh, they just pulled into the driveway!

00:07:05

-Shit! Shit, shit, shit, shit! -Why Chicago?

00:07:08

Everybody hide and stay quiet.

00:07:11

[slapping and groaning]

00:07:14

Remember, as soon as the lights go on, just jump up and yell, "Surprise!"

00:07:18

-Lights, off! -

00:07:18

[lights beep]

00:07:23

Um, Pickles? Would you mind turning off the livestream?

00:07:26

There's something I need to discuss with you. Privately.

00:07:29

Ooh, I hope it's something good!

00:07:32

It's not.

00:07:35

-Lights-- -Wait!

00:07:36

Before Robot House assaults us with the harsh, unforgiving glare of our energy-efficient bulbs,

00:07:41

I need to tell you this.

00:07:42

But it's so dark in here.

00:07:44

What I'm about to confess is so shameful,

00:07:46

I can only admit it in the cover of shadow.

00:07:48

Don't be silly. Lights, on!

00:07:50

-I cheated on you! -

00:07:50

[man]

00:07:50

Surp--!

00:07:52

[man shushes]

00:07:52

-Did someone just say something?

00:07:54

Don't change the subject!

00:07:55

[voice breaking]

00:07:55

You cheated on me? -I am so sorry.

00:07:58

-How could you do this? -It was the worst mistake of my life!

00:08:02

And I once played Twister with Bryan Singer at Kevin Spacey's party for Andy Dick's early parole.

00:08:07

-Ugh! -I've been in the Thunder Room every night for months trying to swallow my shame.

00:08:12

But I can't. And I've apparently been so racked with guilt I left the door open.

00:08:15

-Thunder door, close. -

00:08:15

[automated voice]

00:08:15

Closing.

00:08:15

[clunks]

00:08:18

Thunder Room secure.

00:08:19

[muffled voice]

00:08:19

Help! Please!

00:08:21

Just because you feel guilty, that doesn't make it okay.

00:08:24

Are you the time I went to see Lady Gaga in concert and she didn't sing "Paparazzi"?

00:08:29

Because I am hurt, and I am confused, and I am angry, and nobody told me there was going to be an encore, so I just went home and...

00:08:35

[groans]

00:08:35

-Why am I even talking to you?

00:08:37
-I need my best friend. I'm calling Ilana! -

00:08:37
[gasps]

00:08:42
But, honestly, can Ilana even relate to me anymore?

00:08:45
Since she got that new Sunday-to-Thursday job she's turned into a real see-you-next-Friday.

00:08:51
I never thought I'd say this, but sometimes I feel like I prefer my other friend Ilana.

00:08:57
Sometimes it's just easier to talk to a person who has nothing else going on.

00:09:00
-What? -Please don't tell the Ilanas about this.

00:09:02
I'm gonna tell everybody about this. I'm a Gemini.

00:09:06
No! Think of my family! They need me to be strong right now.

00:09:10
Poor Captain Peanutbutter.

00:09:11
He recently confided to me he feels trapped in a loveless marriage with Mrs. Captain Peanutbutter.

00:09:16
[laughs awkwardly]

00:09:16
-Well, can you blame her?

00:09:19
Excuse me?

00:09:20
Every time I get trapped in a conversation with Captain,

00:09:22
I think, "If I was married to this guy,

00:09:25
I would gnaw my own hand off just to get the ring off my body."

00:09:28
At least no one in my family has anger issues.

00:09:30
My father has come so far with his anger management classes!

00:09:34
I'm sorry, but your father is a hothead with a little-pug complex.

00:09:38
-Everyone makes excuses for his outbursts. -

00:09:38
[snarling]

00:09:41
"I don't know what's gotten into Franco.

00:09:43
-He's not usually like that." -

00:09:43
[shushes]

00:09:44
-Trust me. He's like that. -How dare you.

00:09:48
And the way your mother provokes him! I think they get off on it, and they're making us unwilling participants in their kinky foreplay.

00:09:55
Ew! Those are my parents!

00:09:57
-And don't even get me started on Greg. -

00:09:57
[shushes]

00:10:00
That guy that I met once at that gas station!

00:10:03

-Why are you bringing him up? -I don't know, but he sucks, too!

00:10:06
-Oh. -There, I got it off my chest.

00:10:09
I know who I need right now.

00:10:11
No, Pickles. Please don't TweedFeed this.

00:10:13
I understand your Pickle Pack is part of how you process pain.

00:10:15
Wrong, Mr. Mister. The Pack isn't part of anything.

00:10:19
They are everything.

00:10:20
When I stabbed myself in the eye with a boba straw, they all sent me photos of themselves wearing eyepatches.

00:10:27
And when my Grandma Piccolino died, stickyvicki was the first person to say, "LMAO. Sorry for your loss."

00:10:35
My subscribers are with me through thick and thin.

00:10:39
And they have never strayed. Unsubscribe!

00:10:44
[crying]

00:10:49
[Diane grunts]

00:10:50
[groans]

00:10:50
-I never thought this would have so much practical application in my life, but you could tie some sheets together and make a rope.

00:10:57
[Mr. Peanutbutter]

00:10:57
Pickles, wait! -

00:10:57
[Pickles]

00:10:57
No! You stay!

00:11:00
Bedroom lights, on!

00:11:02
-Down! -

00:11:02
[whispers]

00:11:02
Go, go, go.

00:11:03
[crying]

00:11:03
[BoJack grunts]

00:11:09
[Diane groans]

00:11:09
[BoJack grunts]

00:11:12
[crying, groaning]

00:11:16
The wedding is off!

00:11:19
[sobbing]

00:11:21
He cheated on me!

00:11:24
[wailing]

00:11:24
[both groaning]

00:11:28

-Freezer, ice. -

00:11:28

[automated voice]

00:11:28

Dispensing.

00:11:33

Water filter, filtrate.

00:11:34

[pouring]

00:11:34

[Pickles sobbing]

00:11:37

Oh, I have to talk to her!

00:11:37

[pants]

00:11:43

[clamoring]

00:11:44

[man]

00:11:44

Go, go, go, go, go! -Let's hit the bricks and quick.

00:11:47

-Um, Princess Carolyn... -Oh, fish!

00:11:51

I mean, I've been hurt by guys before. But this... I just feel so stupid.

00:11:58

[text pops]

00:11:58

-My God, thank you, not even.

00:12:02

[knocks]

00:12:02

Hi. I know you are quite upset, but--

00:12:05

Are you not listening? I told you to leave me alone.

00:12:08

-Right, but-- -Oh! You want a makeup tutorial?

00:12:10

Here's a makeup tutorial: we are never making up!

00:12:13

-Wha-- -Door, slam!

00:12:15

Okay. Here's how to look like a crying, pugly freak!

00:12:21

[Pickles]

00:12:21

So, you're gonna want a mascara that really runs...

00:12:24

-So, why Chicago? -What?

00:12:26

What's the draw? Is it the rampant gun violence?

00:12:28

Or do you just like seeing improv actors who aren't good enough for LA?

00:12:32

-Or is there a guy? -Uh...

00:12:34

What's his name, your suitor? Your gentleman caller?

00:12:36

-Guy. -Fine. What's your guy's name?

00:12:38

No. Guy is the name of the guy I'm not moving to Chicago for.

00:12:42

What's the name of the guy you are moving to Chicago for?

00:12:45

I think we're done here.

00:12:48

[cooing]

00:12:51

-Ruthie. -This is all your fault.

00:12:53

If you hadn't creeped out every nanny I hire--

00:12:55

I wouldn't have to monitor them so closely if you hadn't hired a bunch of quacks!

00:13:00

Ooh! Duck!

00:13:00

[grunts]

00:13:02

[Mr. Peanutbutter whimpering]

00:13:04

What's with all this mid-century furniture so close to the ground?

00:13:07

-No one had to hide in the '50s? -Close to the ground, that's it!

00:13:11

We've gotta think like a baby!

00:13:14

I'm a baby. I don't have a job.

00:13:16

I love being wrapped up in soft, red hoodies.

00:13:18

And when I'm feeling low, I like to get high.

00:13:21

[gasps]

00:13:21

Ruthie's a climber!

00:13:24

[panting]

00:13:27

Just as I suspected.

00:13:29

[licks]

00:13:29

Fresh drool. It's Ruthie.

00:13:33

Todd!

00:13:36

[coos]

00:13:36

[BoJack grunts]

00:13:38

[sighs]

00:13:38

So, I obviously can't marry him, right?

00:13:42

What do you guys think I should do?

00:13:44

-Hey. Give me that. -

00:13:44

[text pops]

00:13:46

"You should make Mr. Peanutbutter take you to the park, far away from this mouse." What mouse?

00:13:52

[groans]

00:13:54

[text pops]

00:13:54

-Great idea!

00:13:55

-Door, open! -

00:13:55

[both gasp]

00:13:57

-Hey, Mister! Take me to the park! -

00:13:57
[giggling]
00:14:00
[Mr. Peanutbutter]
00:14:00
Can do! -I'll be right down!
00:14:02
Okay, Pickle Pack, let's pick out an outfit.
00:14:04
What says, "I am going to survive this because I am strong,
00:14:07
-but you should still feel very bad"? -Uh...
00:14:10
-Go, baby! Go to mama! Oh. -
00:14:10
[giggles]
00:14:15
But what if we go for a walk, and he says all the right things, and I
forgive him?
00:14:20
I can't make it so easy for him, can I?
00:14:23
Oh, my God.
00:14:24
That is an even better idea, MarciFartz.
00:14:28
Hey, Mister! Cancel the park and come here.
00:14:31
What? Stay out of my shit, MarciFartz!
00:14:33
[Mr. Peanutbutter]
00:14:33
On my way, darling! -Kitty up.
00:14:33
[grunts]
00:14:36
[Ruthie blows]
00:14:36
[Princess Carolyn sighs]
00:14:37
Bring me my favorite drink. Exactly the way I like it.
00:14:40
Then we'll talk.
00:14:42
Of course, right away!
00:14:43
[BoJack grunts]
00:14:45
[groans]
00:14:45
Of course he'll make my drink perfect.
00:14:48
Because he's perfect!
00:14:49
I mean, look at him!
00:14:51
And... and... Look at him!
00:14:54
[BoJack groaning]
00:14:54
-Um... Oh!
00:14:57
And him, as portrayed in this boardwalk caricature drawing!
00:15:01
I didn't know he liked tennis and skateboarding.
00:15:03
What else has he been hiding from me?
00:15:05
[sighs]

00:15:05
I mean, is it me? Was I not good enough?
00:15:09
[text popping]
00:15:12
Yeah, I'm not the problem!
00:15:14
In fact, why am I even in his house?
00:15:18
[text pops]
00:15:18
-I need to pack!
00:15:22
[groans]
00:15:22
I'm going to a fancy-ass hotel.
00:15:27
-And... -
00:15:27
[gasps]
00:15:28
...I'm gonna try to get my room comped in exchange for social
media promotion!
00:15:33
And then they'll say no.
00:15:35
And then I'll pay for the room and drag them online.
00:15:38
Hate to leave you hanging.
00:15:38
[grunts]
00:15:41
[coos]
00:15:41
-Yeah.
00:15:44
Wait a minute! Why should I leave?
00:15:47
-He's the one who cheated! -
00:15:47
[exhales]
00:15:49
[grunting]
00:15:52
He can live in the dog park for all I care!
00:15:56
[text popping]
00:15:57
[rustling]
00:15:57
[Princess Carolyn groans]
00:16:00
But then, why do I want him to stay?
00:16:03
-I'm so confused. -
00:16:03
[text pops]
00:16:06
Good call, t_chavez!
00:16:09
[notification dings]
00:16:09
-You're welcome. Oh, no!
00:16:12
[sighs]
00:16:12
-Phew!
00:16:24
Boba Maker. Uh... boba make?

00:16:27
[whirs and squirts]

00:16:29
[automated voice]

00:16:29
Would you like whipped cream?

00:16:31
Uh...

00:16:36
Hey, so, uh, sobriety. How is it?

00:16:38
[scoffs]

00:16:38
Impossible.

00:16:45
Uh...

00:16:48
There's no clear path to the exit. You can wait it out, I'm doing the window.

00:16:51
It's not because of me that you're moving to Chicago?

00:16:54
No. I need to go.

00:16:56
[Mr. Peanutbutter]

00:16:56
Pickles? Precious? Possible point of complexity...

00:16:59
Son of a bitch.

00:17:01
[grunting]

00:17:02
...I know your favorite drink is boba, but just the other day, you said,

00:17:06
"Whipped cream is the best thing in the world," immediately followed by, and this is a direct quote,

00:17:11
"So, keep it as far away from me as possible!"

00:17:13
I just wanted to circle back.

00:17:16
[music playing over earbuds]

00:17:20
Yeah.

00:17:22
Don't get me wrong,

00:17:23
I love the challenge of trying to square two irreconcilable positions.

00:17:26
-Where's the baby? There's the baby! -

00:17:26
[giggling]

00:17:29
Where's the baby?

00:17:29
[gasps]

00:17:29
Shit! Where's the baby?

00:17:33
[glass shatters]

00:17:34
Bang-crash, you say! I hear the note.

00:17:37
I'll be right back with your drink prepared exactly the way you want it!

00:17:42
[Princess Carolyn grunts]

00:17:46
Here.

00:17:48
-You know how in AA they give you chips? -But no salsa?

00:17:51
Using that.

00:17:52
But they're a big deal, the chips.

00:17:54
Sure, they brainwash you into thinking they're more important than they are, but when I got my two-month chip...

00:18:01
I thought, "I wish Diane could see this."

00:18:04
I see it. It's amazing.

00:18:07
It would not be improved by salsa.

00:18:10
[Pickles]

00:18:10
Door, open!

00:18:12
[both gasp, grunting]

00:18:17
No! No!

00:18:19
[BoJack scoffs]

00:18:19
[Pickles humming]

00:18:21
Hmm.

00:18:26
Sunshine, I have your boba.

00:18:29
[Pickles]

00:18:29
No whipped cream, I hope.

00:18:30
Of course not.

00:18:32
You always know how I like it.

00:18:34
Is there any chance we could talk IRL?

00:18:36
Intimately, rigorously, lengthily?

00:18:38
[inhales, exhales]

00:18:40
You know, what's funny is now I actually want the whipped cream.

00:18:44
Well, good news, because, uh...

00:18:47
-Hmm... -I don't want to be mad at you.

00:18:50
That's great!

00:18:51
-No, it's not-- -I know I caused you pain, but we can get through this. I still wanna marry you.

00:18:57
Do you still want to marry me?

00:19:02
Promise me you'll never lie to me again?

00:19:04
I promise.

00:19:05
Then I guess we could put it behind us if it just happened the one time.

00:19:11
It did! One time! One unit of cheating.

00:19:14

Comprised of two separate instances.

00:19:16

-What? -But the spirit of it was once.

00:19:19

Well, at least you told me right away.

00:19:22

-It happened a few months ago. -What?

00:19:25

-But I'm being honest with you now! -Okay.

00:19:29

-At least it wasn't with someone I know. -It was Diane.

00:19:32

Diane, the nice lady from the chew-toy store?

00:19:36

Diane, my ex-wife?

00:19:38

That's so much worse!

00:19:40

You are a bad dog!

00:19:43

-No. No. No! -

00:19:43

[shrieks]

00:19:48

[shattering]

00:19:48

[Mr. Peanutbutter groans]

00:19:50

[Pickles crying]

00:19:57

[crying continues]

00:20:02

Come on, Eduardo. Hold it together. You're not just a fainting goat.

00:20:06

You're a trained sober companion. Just do what the sign says.

00:20:13

No!

00:20:13

[thuds]

00:20:15

[music playing over earbuds]

00:20:15

[sighs]

00:20:19

[whirring]

00:20:22

-Vacuum, stop. -

00:20:22

[automated voice]

00:20:22

Stopping.

00:20:27

Coin sorter, sort.

00:20:27

[tinkling]

00:20:31

Oh, Coin Sorter, I'd love to toss my problems in a tray and say, "Here, sort these out." I know it doesn't work that way, but if only this smart house could give some advice to this stupid dog.

00:20:42

[BoJack imitates robot]

00:20:42

Go to her. -Coin Sorter?

00:20:44

Go to Pickles. Go now.

00:20:47

I don't know, Coin Sorter. I've already screwed everything up so bad.

00:20:51

I should sit here and wait for her to come to me.

00:20:54

No. You go to her. Leave this room.

00:20:57

-Okay. -

00:20:57

[imitates robot]

00:20:57

But don't talk so much!

00:21:00

-What? -It is I, the robot, uh, thermostat.

00:21:05

Thermostat, I should have known.

00:21:07

I can always count on you to cool things down when they get too heated. You were saying?

00:21:11

Sometimes you try to fix problems or make them go away, which comes off as dismissive.

00:21:17

If you want to solve this, listen. Really hear her.

00:21:20

Beep-boop. Seventy-two degrees.

00:21:22

Okay.

00:21:25

[both sigh, grunt]

00:21:31

[normal voice]

00:21:31

Is this mess why you're moving to Chicago?

00:21:33

[normal voice]

00:21:33

I told you, I'm moving for me.

00:21:35

I get it.

00:21:36

-Are you gonna be okay? -Yeah.

00:21:38

-I mean... I don't know. -You seem okay.

00:21:43

But the reason I had to tell you I was leaving, the reason I came to my ex-husband's house, was because I need to know that you're gonna be okay.

00:21:50

I need to hear you say it.

00:21:52

I can't leave if I don't know you're going to be okay, BoJack.

00:21:56

-I'll be okay. -Promise?

00:21:57

Because if something happens, and I'm in Chicago--

00:21:59

That's not a friendship, that's a hostage situation.

00:22:03

Go to Chicago. I'll be fine.

00:22:06

Thank you.

00:22:08

[Todd gasps]

00:22:08

[balloons popping]

00:22:10

-Hey! -Ruthie?

00:22:12

Ruthie!

00:22:12

[groans]

00:22:14

[both grunting]

00:22:14

[balloons popping]

00:22:21

-There you are! -

00:22:21

[giggling]

00:22:23

Let's get you away from these delightful choking hazards!

00:22:28

You know, Todd, you have a knack for this.

00:22:30

Would you wanna be her nanny?

00:22:32

I do know her routine and all of her favorite foods and how to do funny voices for bedtime stories, unlike Carlotta who does voices like Cameron Diaz

00:22:41

"did a voice" for the Shrek movies.

00:22:44

[giggles]

00:22:44

-So, that's a yes then?

00:22:47

[music playing over earbuds]

00:22:51

[sighs]

00:22:54

I don't want to be mad at you.

00:22:58

It sucks that I have to be mad at you.

00:23:00

This should be the happiest time of my life, but now because you did something stupid, I have to feel bad.

00:23:08

That's not fair.

00:23:10

And I still love you and...

00:23:10

[sighs]

00:23:10

I still wanna marry you.

00:23:15

But you can't do things that hurt me like that.

00:23:18

It's not okay.

00:23:20

And if we just go back to the way things were before and pretend nothing happened, I'm gonna feel stupid.

00:23:27

We can't just go back.

00:23:29

How can we make this right?

00:23:32

Don't just stand there! I'm talking to you.

00:23:34

I'm sorry. I want us to stay together. I want you to trust me.

00:23:39

I wanna make us even somehow.

00:23:42

Even? The only logical way to be even would be if I got to sleep with somebody else.

00:23:47

Okay. If that's what needs to happen.

00:23:49

-Really? -Yeah, we just have to think who--

00:23:51

Buzzy. My high school boyfriend, Buzzy.

00:23:53

Very quick with that name, but okay. Fine.

00:23:55

No, you don't even know him.

00:23:56

Knowing is what hurts the most.

00:23:58

What if I sleep with Buzzy and Tyler from Soul Cycle?

00:24:02

-Two people? -Well, maybe we can keep brainstorming.

00:24:06

If we put our heads together,

00:24:07

I know we'll find the perfect guy for you to cheat on me with that makes it totally even, so things can go back to normal and we can get married.

00:24:15

-Thank you. -

00:24:15

[doorbell rings]

00:24:18

-Hey, guys. -Diane?

00:24:21

I'm just here to randomly apologize for that time we cheated on Pickles twice.

00:24:24

It was a big mistake, and it was my fault, and it will never happen again.

00:24:28

Also, I think I left my wallet here when I came to your party a year and a half ago.

00:24:32

If you find it, probably under the bed in the master suite, could you mail it to me? I live in Chicago now. Thanks.

00:24:37

This is Eduardo. Don't mind him. He's just keeping me sober.

00:24:40

Found the baby, had a blast, gotta go.

00:24:42

-And here's your boba. -Thank you.

00:24:46

-Odd. -

00:24:46

[phone buzzing]

00:24:47

-Oh, my parents are calling. -Fun! Put 'em on speaker!

00:24:51

■ Back in the 90s I was in a very famous TV show ■

00:25:00

-■ I'm BoJack the Horseman ■ -■ BoJack ■

00:25:02

■ BoJack the Horseman Don't act like you don't know ■

00:25:10

■ And I'm trying to hold on to my past ■

00:25:14

■ It's been so long I don't think I'm gonna last ■

00:25:19

■ I guess I'm just trying To make you understand ■

00:25:22

■ That I'm more horse than a man ■

00:25:27

■ Or I'm more man than a horse ■ -■ BoJack! ■

Ep 5 — A Little Uneven, Is All

00:00:09

In my line of work, I meet a lot of big names.

00:00:11

I'm talking the sexiest guys of the '90s: Nick Nolte. Mickey Rourke...

00:00:15

Literally, here we are in the '90s, and these are the guys we think are sexy, right?

00:00:19

And my daughter couldn't care less.

00:00:21

But when I told her I was meeting BoJack Horseman...

00:00:24

Do me a favor. Make her day.

00:00:26

[sighs]

00:00:27

Me? I didn't ask for this gig.

00:00:29

Angela Diaz, head of the network, calls me, working schmuck, Danny Bananas, and says, "Danny, Herb Kazzaz is leavin', and I want you to run Horsin' Around.

00:00:39

So, here's me, thinking, "What an opportunity to write for the most finely-calibrated ensemble cast on television!"

00:00:44

It's like a bowling alley with you people.

00:00:46

Setting up pins and knocking them down. I should be so lucky.

00:00:49

-Uh. -I know it's no secret that you and Herb had some friction, and he left the show under not-great circumstances.

00:00:55

Now I'm coming at this from a place of... this is your house, and I'm a guest, all right?

00:01:00

The magic of Horsin' Around is not Herb Kazzaz or Danny Bananas.

00:01:03

I know why people buy the Big Mac. I'm not here to change the recipe.

00:01:07

You're the special sauce, BoJack.

00:01:09

Me? I just wanna be the bun.

00:01:11

And not even the top or the bottom bun. I'm fine being the middle bun.

00:01:14

-You already told me this story. -I did?

00:01:16

Yeah. Danny. Sharona. The buns. We've been over it.

00:01:20

-Well, did I tell you about Gina? -Yes.

00:01:22

-And Sarah Lynn? -Multiple times. Yes.

00:01:25

-What about the time I sneezed on Marisa? -You've told me everything.

00:01:28

You told me about that dream where you go to a dinner party.

00:01:30

I even went down that strange detour with you about the three-nippled woman in the nudie magazine your uncle showed you.

00:01:35

-Who was she? -I think we're done here.

00:01:38

-What do you mean, done? -Well, you've been here six months.

00:01:41

It's time to go home.

00:01:42

[theme music playing]

00:02:38

[Shannon]

00:02:38

Oh, sorry. Uh, not this way.

00:02:40

My boss is gonna kill me if I don't deliver these flowers to his mistress.

00:02:44

Well, we're filming an episode of Birthday Dad, and my boss is gonna kill me if I let anyone through.

00:02:50

Great, when they discover my remains scattered in the bramble of Griffith Park,

00:02:53

my loved ones will take solace knowing I died

00:02:56

so they could shoot an episode of Birthday Dad.

00:02:58

I'm sorry. It's a really good show!

00:03:03

I know I couldn't always be there for you, birthday-wise, but I'd like to be.

00:03:09

I'd like to be your Birthday Dad.

00:03:11

You really don't get it, do you? This is the real world, okay?

00:03:15

And I'm a career gal. I don't have time for birthdays.

00:03:18

But what about the birthday spirit?

00:03:20

Everyone knows there's no such thing. This is the real world.

00:03:23

Now, if you'll excuse me, I need to drink my coffee.

00:03:26

-Cut. Let's move on. -

00:03:26

[bell rings]

00:03:28

Great take, Melodie. Chills.

00:03:30

Are we Glenn Close, Jeff Goldblum, Kevin Kline,

00:03:33

and all of the greatest Motown singles collected on one...

00:03:36

[groans]

00:03:37

[chuckles]

00:03:37

"Big Chills." -Hot herbal tea?

00:03:39

-Yes, that would be-- Ooh! -Ha!

00:03:41

-Oops. -

00:03:41

[chuckles]

00:03:41

Got me again, Audrey.

00:03:43

Donna, we're gonna need another scarf.

00:03:45

Am I crazy, or has the crew turned on you?

00:03:47

No, what they're turned onto is hating me...

00:03:50

on account of I cheated on Pickles.

00:03:52

Ever since the story went viral,

00:03:53

the public has really mashed the thumbs down on old Peanurino.

00:03:57

-Especially young women. -Oh, no!

00:03:59

"Especially young women" is one of our show's eight target demos.

00:04:02

We gotta juice your Q!

00:04:04

Right now, the only juice I'm interested in is Pickles' juice

00:04:07

and making things kosher between us, which is a task I relish.

00:04:11

-So, you wanna have sex with me? -Yes.

00:04:13

And your fiancé is gonna be in there watching, or...

00:04:15

Oh, no. Sorry for the misunderstanding.

00:04:17

This is not a fetish-based cuckolding scenario.

00:04:20

He had sex with his ex, so to level the playing field now, we have to boink, so Mister and I can be even and everything can go back to normal.

00:04:26

You understand?

00:04:27

Not really, but I get to have sex with you?

00:04:29

-Yeah. -Correct.

00:04:30

Then, cool. I'm in.

00:04:32

-But what about your reputation? -I'm not too worried about it.

00:04:35

I feel like people generally want to like me.

00:04:38

And if I just don't do anything, eventually, the universe will realign and the public will go back to loving me again.

00:04:44

[grunts]

00:04:44

-Ugh.

00:04:48

-Mm, thanks for making breakfast. -Thanks for calling it breakfast.

00:04:51

Not everyone appreciates the subtle art of the crispy oatmeal.

00:04:54

-Are you starting your memoir today? -That was the plan.

00:04:57

But I got these dishes now. That'll take all morning.

00:04:59

And once the morning's over, basically the whole day is shot, you know?

00:05:02

Better to start clean tomorrow.

00:05:03

Look, I know it's hard to start a new thing, but the hardest part is starting.

00:05:08

You're right.

00:05:09

Also, I'm a freelance cameraman who pays child support, so I'd encourage you to get an advance.

00:05:14

Hmm.

00:05:15

[indistinct chattering]

00:05:18

Hey, uh, guys? Uh, excuse me, everyone?

00:05:20

I just wanted to raise a non-alcoholic toast to Denise.

00:05:24

[laughter]

00:05:24

-Ha-ha!

00:05:26

[man]

00:05:26

Ow! My gluten intolerance!

00:05:28

We've all been through so much together, and it's never easy to say goodbye.

00:05:32

-Remember when Doug left? -

00:05:32

[all]

00:05:32

Hmm?

00:05:34

-Or Jameson? -

00:05:34

[all muttering]

00:05:36

Or sweet, sweet Bongo?

00:05:37

-Sorry, who are we talking about? -To Denise!

00:05:40

[all]

00:05:40

Denise!

00:05:41

[man laughs]

00:05:43

I didn't realize we're the last of our original group.

00:05:45

-God, we had some good times, huh? -I mean, no, mostly.

00:05:49

-Yeah. But you're ready, right? -Ready or not, here I go.

00:05:53

Yeah, you're ready.

00:05:54

Have you given any thought to what we discussed yesterday?

00:05:57

About you transitioning to a version of yourself that is no longer here?

00:06:00

I don't know. Things are kinda working for me.

00:06:02

Staying out of trouble, got the fancy room, finally perfected my egg-white omelet order.

00:06:06

The secret is egg yellows. I might do another six weeks.

00:06:09

[chuckles]

00:06:09

You've already re-upped three times.

00:06:11

This place is for people in crisis.

00:06:13

In crisis of being too cool, maybe. Right, Karmen?

00:06:16

-I-if I say yes, I can see my baby? -Karmen, no.

00:06:21

You sold your baby to a den of leeches to pay for crack.

00:06:23

-The leeches have your baby now. -Oh, yeah.

00:06:27

Ah. Classic Karm.

00:06:28

It's natural to be hesitant.

00:06:30

When I first checked out of rehab, I was terrified.

00:06:33

I knew a single drop of alcohol would send me down a ruinous path.

00:06:37

-But I found my way. -Found your way back to rehab.

00:06:39

-Ah, I'll miss our little comedy routines. -"Our"?

00:06:42

A lot of people leave this place, and I think, "They're not gonna make it." Like Denise, for example.

00:06:48

But you? You've done the work, and you're ready.

00:06:51

You're a special case, BoJack.

00:06:53

-I am? -Of course you are.

00:06:58

Huh.

00:06:59

[Sharon]

00:06:59

Oh, boy, did he do a number on you.

00:07:04

He was actually very nice. You know, I want things to be easy on set.

00:07:07

And I think Danny represents a fresh start.

00:07:09

-Is that why you got Herb fired? -Hey, I'm not the one who--

00:07:12

I can't do your hair if you're gonna move your head so much.

00:07:15

There was nothing I could do about Herb.

00:07:16

If it wasn't for me, they would've canceled the whole show.

00:07:19

And then where would you go?

00:07:20

Who's gonna hire a hair-and-makeup lady with shaky hands?

00:07:22

-My hands only shake when I don't drink. -Be sure to put that on your résumé.

00:07:26

You're just bitter because I'm the only person who can drink as much as you do.

00:07:36

[giggles]

00:07:36

-Ruthie!

00:07:37

-Here comes the airplane... -

00:07:37

[tires screech]

00:07:39

[car crashes]

00:07:39

-Oh, a kerfuffle!

00:07:41

[people clamoring]

00:07:43

Hey! What's going on out there?

00:07:45

An ice cream truck crashed into the root beer factory!

00:07:48

Oh, sounds like a delicious disaster.

00:07:51

-Five people are dead! -Oh, no!

00:07:54

And there's worse to come, unless somebody can slurp up all that ice cream!

00:07:59

Oh, I'd love to help slurp, but I just started a new nannying job.

00:08:04

I don't care!

00:08:06

Hmm...

00:08:11

Wow, BoJack leaving rehab.

00:08:14

-Truly the end of an era. -

00:08:14

[crying]

00:08:16

Sobby Bobby. Gonna miss your excessive crying.

00:08:19

Can't believe it.

00:08:20

Last time I'm gonna stop at this vending machine.

00:08:23

What do you say, B-7? One more hike down Funyun Canyon?

00:08:28

[inhales]

00:08:28

Whew.

00:08:32

Oh, wow. Hello, the public.

00:08:35

Didn't think I'd have to address this so quickly, but I am not ashamed.

00:08:37

-Yes, I, BoJack Horseman, went to rehab-- -Uh, keep it moving.

00:08:41

We wanna get a clean shot for when Gen Z pop superstar/fashion disrupter Joey Pogo shows up.

00:08:48

-Joey Pogo? -Yeah, he's checking in today.

00:08:50

-We heard he's gettin' the fancy room. -Fancy room?

00:08:54

He's gettin' the fancy room.

00:08:57

-It's time to go home. -What?

00:09:00

Ready or not.

00:09:01

I got the fancy room.

00:09:04

He's gettin' the fancy room.

00:09:07

You're a special case, BoJack.

00:09:10
Stay cool, man. Have a good summer.

00:09:13
What does it all mean?

00:09:15
Sounds like they're kicking you out to make room for Joey Pogo.

00:09:17
Huh?

00:09:18
Sounds like they're kicking you out to make room for Joey Pogo.

00:09:23
Oh, my God.

00:09:24
I think they're kicking me out to make room for Joey Pogo.

00:09:28
I just feel like if I knew the source of my addiction, everything else would just click together.

00:09:34
-Playtime's over. -BoJack!

00:09:35
-What the hell? This is my time. -Shut up, Brad.

00:09:38
The source of your addiction is wanting to impress your old babysitter who stole beer from your parents' fridge.

00:09:43
She's dead. You're free.

00:09:44
No, that's not...

00:09:45
Oh. Oh...

00:09:46
I thought you were checking out.

00:09:48
-Oh, you would love that, wouldn't you? -Yes. I've been very clear on that matter.

00:09:54
Well, check this out.

00:09:55
BoHo go bye... BoHo go bye-bye for...

00:10:00
What is he doing?

00:10:01
I think he's trying to get out a zinger. We better let him finish.

00:10:04
You have to imagine that I just said it.

00:10:06
It's only funny if it feels extemporaneous.

00:10:08
Don't waste your breath setting it up, just say the thing.

00:10:11
-Why don't you start over? -Check this out.

00:10:13
BoHo go bye-bye for JoJo Pogo?

00:10:16
That's a no-go, bro.

00:10:19
Worth it.

00:10:20
[car horns blaring]

00:10:22
I'm sorry. Please, go around.

00:10:25
I worked on it all night. The thing that's gonna save your career.

00:10:29
Ha!

00:10:30
-What is it? -It's a meme! For posting online!

00:10:34

Teacher gave you too much homework? "Sad Dog!"

00:10:36
Your favorite sports outfit lost the match? "Sad Dog!"

00:10:39
People are gonna love it. And that love will transfer to you.

00:10:42
But I'm not a sad dog. I'm a happy dog. Everyone knows that.

00:10:45
-So, it needs some massaging. -

00:10:45
[phone rings]

00:10:47
Hold on, I gotta take this.

00:10:48
Conversation over? "Sad Dog!" See how easy it is?

00:10:51
[phone beeps]

00:10:51
-Pickles! How was your date with Carl?

00:10:54
I don't know, Mister.

00:10:55
The sex was good, like, really good, but I didn't feel an emotional connection.

00:11:00
Don't beat yourself up about that. You just met the guy.

00:11:02
But part of the betrayal of you sleeping with Diane is the fact that you share an intimate history.

00:11:07
If we're really trying to even things out, I don't think Carl counts.

00:11:12
Okay, well, then I guess you'll just have to keep having sex with people until you find someone with whom you have an emotional connection.

00:11:18
[sighs]

00:11:18
That might be a lot of guys, but if that's what it's gonna take to save our marriage,

00:11:23
I will keep riding the express train to bone-town until that happens.

00:11:28
That's my girl.

00:11:29
-Oh! Thank you. -

00:11:29
[phone ringing]

00:11:32
[beeps]

00:11:32
-Hello?

00:11:33
Hey, it's Diane.

00:11:34
Oh, yes, I thought I heard retired dads in the distance, praising the '95 Chicago Bulls.

00:11:39
Maybe you could give me some advice. I'm writing a new book, but I shouldn't even get started until I sell it to a publisher, right?

00:11:45
-What is it? -I'm still in the loose idea phase.

00:11:47
Half essay, half memoir.

00:11:49
The working title is

00:11:50

One Last Thing, and Then I Swear to God I'll Shut Up About This Forever:

00:11:54

A Definitive Retrospective of the Choices We Make,

00:11:57

People We Hurt, The Places We Go: Part One.

00:12:01

Wait, how is it part one if it's definitive? I'm getting another call.

00:12:04

[phone beeps]

00:12:04

-Hello?

00:12:05

Hi, while you were blabbering on,

00:12:07

I had our lit assistant take care of everything.

00:12:09

A navel-gazey book of observations. Sounds fun.

00:12:13

- No, I-- -I sold it. You have six months.

00:12:14

Enjoy the process.

00:12:16

Oh.

00:12:18

[groans]

00:12:22

Wha...

00:12:25

What happened? You're packing your things backwards.

00:12:27

What happened is you said I was special.

00:12:29

You gave a whole spiel just trying to get rid of me to make room for a high-profile new client.

00:12:33

I thought we'd made strides on your jealousy issues.

00:12:36

And also, it's pronounced "shpeel."

00:12:37

I'm not jealous! And I've definitely seen it written out as "spiel."

00:12:40

I think it's spelled "spiel," but it's pronounced "shpeel."

00:12:43

Not now, Joey Pogo.

00:12:45

I'm sorry, am I interrupting? I was told I was in the fancy room?

00:12:48

We're moving some things around. Uh, maybe you could come back tomorrow?

00:12:51

Oh, tomorrow is jammed.

00:12:52

I'm shootin' a video for my new single, "Lace Up," which is spon-con for my sneaker collab with Mister Pibb.

00:12:58

-Could we just do it now, real quick? -You wanna do rehab real quick?

00:13:01

Life is precious. God is religious, or merely the idea of human connection.

00:13:04

Don't do drugs. Say you're sorry.

00:13:06

Powerful stuff. Feels like I just got a new lease on life.

00:13:09

Stay cool, bro. Don't ever change.

00:13:11

That's the problem. When you say it in here, it all sounds easy.

00:13:14

But I know that out there, it's hard and confusing.

00:13:16

-And it's just-- I-I don't... -But you're not alone.

00:13:19

You have a wonderful support system.

00:13:21

Think of all your amazing friends just waiting to love you as you love them.

00:13:27

[groaning]

00:13:28

[vibrates, beeps]

00:13:30

Todd's phone. What if Todd was one of us?

00:13:32

Um, okay. Is Todd there?

00:13:34

-Please hold for the next available Todd. -

00:13:34

[beeps]

00:13:36

Okay.

00:13:37

["Ode to Joy" tune]

00:13:37

■ Todd, Todd, Todd, Todd, Todd, Todd, Todd, Todd ■

00:13:40

-■ Todd, Todd, Todd, Todd, Todd, To-Todd ■ -Ugh!

00:13:42

■ Todd, Todd, Todd, Todd Todd, Todd, Todd ■

00:13:45

-Hey, buddy. -Hey, listen, I'm...

00:13:46

You're probably wondering about Georgette,

00:13:48

-the newest member of Team Chavez. -Nope.

00:13:51

Since I've started taking care of Ruthie full-time, that hasn't given me a lot of time for regular Todd business, and stuff's been falling through the cracks.

00:13:59

So, you hired an assistant?

00:14:01

Well, yes, but assistants are like Deadpool movies.

00:14:03

I couldn't just stop at one, even though I probably should have.

00:14:07

Now I have 12.

00:14:10

You hired 12 assistants? To assist you?

00:14:12

Yep, I've got Bella trying out new goofy dances,

00:14:16

Pedro's monitoring all the Five Guys franchises to make sure each one has the right number of guys,

00:14:22

-and Silvia's in charge of checking... -

00:14:22

[clock ringing]

00:14:25

-...All About That Ace every 15 minutes. -What is "All About That Ace?"

00:14:29

My asexual dating app. I think I might be the only one on it.

00:14:32

[Ruthie giggles]

00:14:32

-But another ace could join any day now.

00:14:35

And when that happens, two of a kind.

00:14:37

Well, I guess that makes about as much sense as the rest of it.

00:14:40

Listen, um, I might be getting out of rehab soon...

00:14:43

BoJack, that's fantastic!

00:14:45

...and I wanted to talk to you because I, uh...

00:14:50

[sighs]

00:14:51

...can't do this by myself.

00:14:54

Hey, I got you, buddy. You just wait one jiffy.

00:15:03

[sighs]

00:15:05

-Hi. -Ah!

00:15:06

I'm Casey, the assistant. Todd hired me to be your friend.

00:15:09

Okay, that's, uh, you know... I think I'm good. Thank you.

00:15:11

He said I would be perfect for you because you could be mean to me and you wouldn't feel bad, because you're paying me.

00:15:16

Okay, well, that's kind of thoughtful.

00:15:19

I'm a very good assistant, and I can be very discreet, whatever you need.

00:15:22

Marc Cherry used to dress me in the outfit Natalie Wood drowned in and scream at me for hours on end.

00:15:27

It was very therapeutic for him, and I didn't mind because he wasn't screaming at me, he was screaming at death.

00:15:32

Stars really are just like us, huh?

00:15:34

-Do you mind if I have a sip? -Don't drink that!

00:15:36

Right, of course. I must earn hydration. So sorry.

00:15:39

No, it's just... that's vodka.

00:15:41

You think it's a good idea to keep a bottle of vodka in rehab?

00:15:45

Because it is if you think it is.

00:15:47

It's not for drinking.

00:15:48

I just, I... I don't know why I keep it. As a reminder, I guess.

00:15:53

Of what?

00:15:55

[BoJack]

00:15:55

Sarah Lynn?

00:15:57

Sarah Lynn?

00:15:59

Sarah Lynn!

00:16:00

-What? -Are you almost done?

00:16:01

I need Sharona to work that magic on her mane man.

00:16:04

Yeah, I'll get to you in a minute. Cool your jets.

00:16:07

Why can't you do this in Sarah Lynn's dressing room?

00:16:09

My stepdad's in there, and he's being weird.

00:16:11

-Why is that my problem? -We appreciate your hospitality.

00:16:14

Hey, BoJack, what do you think of the new guy?

00:16:16

Danny? Yeah, he's okay. Right?

00:16:18

-I miss Herb. -We all do, sweetie.

00:16:20

Herb. Danny. What difference does it make? We got a job to do, right?

00:16:23

I'm just saying I miss him.

00:16:25

And I'm just saying it's not my fault he got fired.

00:16:27

-I dunno why you're complaining to me. -I'm sorry.

00:16:29

Nobody said it was your fault.

00:16:31

I actually think Danny represents an opportunity.

00:16:33

For a new beginning.

00:16:34

You don't think it feels weird to do the show without Herb?

00:16:38

If Herb really cared about the show, maybe he shouldn't have...

00:16:41

What? Been gay?

00:16:42

No, that's not-- Obviously...

00:16:44

-I put my ass on the line for you people. -Ugh. BoJack.

00:16:46

Do you know how lucky we are to have this? Herb was gonna throw that all away.

00:16:49

I made the tough choice. What did you do?

00:16:51

-I... I don't know. -BoJack, she's ten!

00:16:55

Yeah, which is basically an adult in Hollywood years.

00:16:57

I'm trying to make this situation work. Enjoy my dressing room.

00:16:59

[sighs]

00:16:59

Hey, I know you feel shitty, but don't take it out on a little girl.

00:17:04

[BoJack]

00:17:04

I don't feel shitty, I feel great!

00:17:10

Okay. You know why this is here, Casey?

00:17:13

It's because I think I'm special and the rules don't apply to me.

00:17:16

And I keep thinking that over and over again.

00:17:18

-Well, you are special. -No, shut up.

00:17:20

[gasps]

00:17:20

-That's the problem. I'm an asshole.

00:17:23

All your bosses are assholes. And people like you indulge us.

00:17:26

And you soothe our egos, and you let us abuse you.

00:17:28

-You're right, I'm terrible. -No, God damn it. That's not my point.

00:17:31

Have some respect for yourself.

00:17:33

Okay, sorry. I'm just happy to be a part of things.

00:17:36

Yeah, and that's how they get you.

00:17:39

[sighs]

00:17:39

I'm sorry. It's not your fault.

00:17:42

Can you run downstairs and grab me some Funyuns?

00:17:45

-Mm... No. -What do you mean, no?

00:17:48

Huh.

00:17:50

I don't know. I'm not going to do that.

00:17:53

-Uh, what's happening? -There's an "I" in "assistants."

00:17:57

And this time, the "I" is us.

00:18:00

I like your energy, but what?

00:18:03

And lo and behold, my sandwich has onions...

00:18:05

[phone beeps]

00:18:06

...when I specifically meant to tell you I didn't want onions.

00:18:10

Where are you going?

00:18:11

-So, this lawyer's got attitude. -

00:18:11

[phone buzzes]

00:18:13

And that attitude? Autism.

00:18:16

I don't understand, why is this person moving now?

00:18:19

Wait! What's goin' on?

00:18:20

The Hollywoo Assistants are unionizing. This is a walk-out.

00:18:24

No! I've grown too dependent on you!

00:18:26

I can't perform basic Todd functions anymore!

00:18:28

I'm like a toddler, but a Todd version. A Toddler!

00:18:36

I know you got a job to do, but is there any way...

00:18:38

[phone beeps]

00:18:38

-...Joey Pogo could get through?

00:18:41

Just got out of rehab. I'm trying to get home.

00:18:42

-Knock yourself out. -All right!

00:18:45

Don't die on me, Ileana. Not on your birthday, of all days!

00:18:49

Year after year, the only thing I wished for was a dad.

00:18:53

[sobs]

00:18:53

And now you're here, and it's like...

00:18:55

[coughs]

00:18:55

...paging Dr. Birthday!

00:18:58

But if you just told me your wish, that means it won't come true!

00:19:00

You really don't get it, do you? It already has.

00:19:00

[gasps]

00:19:06

I love you, Birthday Eric.

00:19:08

No. Birthday Dad.

00:19:11

[groans]

00:19:11

[crying]

00:19:13

[director]

00:19:13

And cut. -

00:19:13

[bell rings]

00:19:15

Wow, Melodie.

00:19:16

Are you Janet Gaynor, Judy Garland, Barbra Streisand, Lady Ga--

00:19:19

Drop dead.

00:19:21

Star is Born.

00:19:22

[car honking]

00:19:22

-Huh?

00:19:24

[gasps, grunts]

00:19:24

-Whoa!

00:19:25

Ah! Buddy, what the hell are you doing? Get out of the way!

00:19:28

-Uh... -I saw the whole thing.

00:19:30

Mr. Peanutbutter said, "I'm a sad dog," and jumped right in front of the car.

00:19:34

I think he's a really sad dog, you guys. You know, like the meme.

00:19:37

[all gasping]

00:19:37

-Oh, my God, I had no idea.

00:19:40

Mr. Peanutbutter, life is precious. That's something you hear a lot in rehab.

00:19:44

Hey, why'd you try to kill yourself, you stupid idiot?

00:19:46

-Um... -I'm no psychiatrist, but it's probably because he's such a sad dog!

00:19:51

[gasps]

00:19:51

Mr. Peanutbutter, we didn't realize you have a mental illness.

00:19:55

Thank you for getting the word out about depression.

00:19:57

You are truly a hero for destigmatizing this all-too-common affliction.

00:20:02

Yes, a hero!

00:20:04

And to see more of this hero in action, tune in to Birthday Dad this spring on MBN!

00:20:09

Uh-huh.

00:20:10

Mr. Peanutbutter, I think I sing for everyone when I say...

00:20:14

■ Don't hurt yourself, we love you ■

00:20:17

[all cheering]

00:20:19

Oh, so I guess this all worked out.

00:20:22

-Huh? -Oh.

00:20:23

-Depressingly, that is. -

00:20:23

[chuckles]

00:20:27

[truck beeping]

00:20:30

I saw your new assistant leave. Why aren't you packed?

00:20:32

I can't. Please don't make me.

00:20:34

-You don't know what I'm like out there. -Let's find out.

00:20:36

-Hey, that's-- -I won't coddle this anymore.

00:20:38

You're scared? Good. Go to AA meetings. Go to a psychiatrist.

00:20:41

But what pisses me off is when you take a bed that someone else could be using to get better.

00:20:46

Isn't it possible I'm one of those people that would benefit from staying here indefinitely?

00:20:50

No. You're not that special.

00:20:52

And you don't belong here anymore. Pack your things.

00:20:55

[huffs]

00:20:56

[inhales]

00:20:56

Don't belong here, huh?

00:21:01

[sniffs]

00:21:03

[spits, gags]

00:21:03

God, what am I doing?

00:21:07

[grunts]

00:21:08

[whistles tune]

00:21:10

No! Shit, shit, shit, shit, shit.

00:21:12

[panting]

00:21:12

[Bobby crying]

00:21:18

Nobody drink any water!

00:21:20

[gulping]

00:21:23

[belches]

00:21:23

Ooh.

00:21:24

[gasps]

00:21:26

[door opens, closes]

00:21:29

Wow, look at you go.

00:21:30

-You can't look at it yet! -Okay, okay!

00:21:32

Sorry. I was just kind of in it, you know?

00:21:34

Yeah? It's going good?

00:21:36

Yeah, you were right. Once I got started, it was easy.

00:21:39

So much of my career has been writing for and about other people, and how terrible everything is.

00:21:44

It's actually really refreshing to just focus on myself, you know?

00:21:47

Well, I don't want to interrupt your flow. Please, write on.

00:22:00

[Doctor Champ]

00:22:00

Oh, this is a fine how do you do.

00:22:02

Brad was like, "It's difficult to have a hot name but not be that hot."

00:22:07

Can you believe that? He's extremely attractive, no?

00:22:09

-I don't... -And honestly, is Brad a hot name?

00:22:12

-Brad Pitt, yes. -Ugh.

00:22:14

But like, name one other handsome Brad.

00:22:17

-Bradley Cooper. -Damn it!

00:22:18

Doctor Champ, I am so sorry. That was vodka you drank, not water.

00:22:22

Uh, duh!

00:22:24

-Jesus. -■ I'm drunk! ■

00:22:28

Shh! Shut up. If anyone hears you, there's gonna be...

00:22:30

I forgot how fun this is.

00:22:32

-Just settle down, okay? -Ah!

00:22:34

You're gonna spend the night here and sober up.

00:22:36

Oh, so it's easy to be sober all of sudden.

00:22:39

[slurring]

00:22:39

Look who thinks it's easy sober, hmm?

00:22:42

Shh! Doctor Champ!

00:22:43

It's so easy. Everything, very easy.

00:22:47

[snores]

00:22:47

[sighs]

00:22:51

[elevator dings]

00:22:51

[laughter]

00:22:52

[grunting]

00:22:52

-Hey, Horse.

00:22:57

Bad news about the Manzanita lawsuit. You think he'll settle?

00:23:00

Settle? Manzanita?

00:23:01

I'd say that's about as likely as my daughter Sabrina skipping school and sneaking into the office with me in my work luggage!

00:23:07

[audience laughter]

00:23:11

-Uh... -Uh...

00:23:11

[director]

00:23:11

Cut! -

00:23:11

[bells rings]

00:23:14

Listen, you're doing great. Slight change of plans, though.

00:23:16

Sarah Lynn had to go home early. So, we need to change the episode to being about you not bringing Sabrina to the office.

00:23:22

Is she okay?

00:23:23

Uh, only reason I'm telling you this is you're my main guy here, and I know you want what's best for everyone.

00:23:29

-Of course. -Sarah Lynn got her hands on some alcohol.

00:23:32

-Oh, my God. -Her mother is apoplectic.

00:23:34

She wants to sue.

00:23:35

I think it's just big talk, but someone needs to be held accountable.

00:23:39

And as the guys in charge here, we're responsible for figuring out who that's gonna be.

00:23:45

-What are you... -I need you to be straight with me.

00:23:47

-That wasn't your alcohol, right? -Oh, I don't...

00:23:50

It wasn't, right?

00:23:51

Because if it was, we're all in real trouble.

00:23:54

-You get what I'm saying. -Y-Yeah.

00:23:56

So, you don't know where she got the alcohol from?

00:23:59

Yeah. I have no idea.

00:24:00

Okay. But someone's gotta answer for this.

00:24:04

Well, don't look at me.

00:24:06

Hmm...

00:24:07

-What? -Nothing. Just a little uneven, is all.

00:24:22

Oh. I'm screwed. I'm so screwed.

00:24:25

-It's gonna be okay. -No!

00:24:27

I'm drunk. Not okay. You can't let anyone know about this.

00:24:30

-Shush! -Yeah. Shh.

00:24:32

You gotta stay with me until I sober up. I can't be alone here like this.

00:24:37

It's okay, I'm here.

00:24:38

Yeah, be here. You need to stay here, BoJack.

00:24:43

Please. Stay.

Ep 6 — The Kidney Stays in the Picture

00:00:09
...and they even let the birthday boy pilot the airplane!

00:00:13
There were no survivors.

00:00:15
In other news, the newly formed Hollywoo "Guild of Assistants"

00:00:18
is meeting with industry power brokers today

00:00:20
to negotiate terms for a standard agreement.

00:00:23
I'm optimistic about the coming talks and confident we can avoid a strike.

00:00:27
Our demands are reasonable,

00:00:29
and our services are crucial to this industry.

00:00:31
All right, you little pishers, let's wrap this up quick so you can all go back to getting me wrong coffees.

00:00:37
-What do you want? -We have one request.

00:00:39
To not be treated like garbage.

00:00:41
It appears we are at an impasse.

00:00:45
[people clamoring]

00:00:47
-Where's my dry cleaning? -Where's my car?

00:00:50
I don't know any of my passwords! What's my mother's maiden name?

00:00:55
I'm going into labor! You need to call my doula!

00:00:58
Will somebody please make me a reservation at Little Dom's?

00:01:04
[car alarm blaring]

00:01:05
[theme song playing]

00:01:59
[birds chirping]

00:02:02
[groans]

00:02:03
Oh, no. Did I really drink last night?

00:02:06
Doctor Champ, I am so sorry. I--

00:02:06
[stutters]

00:02:08
-Did anyone see me? -You were in here all night.

00:02:10
Nobody can know about this.

00:02:12
There are 20 struggling addicts in this building who are counting on me.

00:02:15
[stammers]

00:02:15
Of course.

00:02:16
I'm gonna go home, take a shower.

00:02:18
-This never happened. -Agreed.

00:02:20

But how do I get out of here without anyone seeing me?

00:02:23
[sighs]

00:02:25
-Whoa! -Okay, okay, easy.

00:02:28
This requires a surprising amount of upper-body strength.

00:02:30
Stop swinging. Just slide down.

00:02:32
Am I being inconspicuous?

00:02:34
Yes. Plus or minus the yelling.

00:02:36
-I'm just gonna let go. -Don't--

00:02:37
[both scream]

00:02:37
[BoJack groans]

00:02:40
Thank you, BoJack, for being there to catch me.

00:02:42
Up!

00:02:45
[engine starts]

00:02:48
Ew.

00:02:49
"I looked in that case first chance I got and there was that note still tied there.

00:02:54
That line hadn't touched water in its life."

00:02:57
"Doesn't mean nothin', Alma."

00:02:59
"Don't try and fool me no more, Ennis. I know what it means.

00:03:03
Jack Twist, Jack nasty!"

00:03:05
[knocking on door]

00:03:07
The sock puppet players tribute to Ang Lee will continue after this.

00:03:11
-Oh. Hello, Jorge. -I have some news. It's about your mother.

00:03:17
Oh, is the news that you're marrying her, inserting yourself into our family and ruining my life?

00:03:22
Because I already heard that news like 25 years ago, Jorge.

00:03:26
-I didn't come to your home to fight. -Then joke's on you because you didn't come to my home at all.

00:03:31
-I just sleep on the couch... -

00:03:31
[Jorge sighs]

00:03:34
-...since you and Mom gave me the boot. -That was ten years ago.

00:03:37
Which, by the way, is the only thing you ever gave me.

00:03:40
I gave you my name, and you have clearly wasted it.

00:03:43
Do you know what the Chavez name stands for?

00:03:45
Yes, Jorge.

00:03:47
Chavez! C for cerebral! H for high-minded! A for analytical!

00:03:53
V for veracious! E for efficacious!

00:03:56
And Z for zealously practical.

00:03:59
Feels like a cheat on the Z.

00:04:00
Todd, your mother needs your help.

00:04:02
Well, then instead of sending her husband, she should have asked me herself, if it's so important to her.

00:04:06
-She's in a coma. -A rudeness coma?

00:04:09
No, a regular coma.

00:04:12
Oh, my God! Why didn't you open with that?

00:04:14
Please. Your mother needs a kidney.

00:04:16
I put her on the donor waiting list, but if you're a match...

00:04:20
Oh. I'm sorry. Of course I would give Mom my kidney.

00:04:23
-Then there's no time to waste-- -"Would" give her my kidney.

00:04:27
"Would." You need to work on your listening skills.

00:04:30
I sold my extra kidney just last week.

00:04:32
-Why? -I wanted to buy these sock puppets.

00:04:36
You sold your kidney for...

00:04:36
[groans]

00:04:36
I'm sorry I came.

00:04:40
If you'd like to visit your mother--

00:04:42
Wait. What if instead of visiting my mother, we got my kidney back?

00:04:46
Come on, Ruthie! Field trip to the organ market!

00:04:50
[Ruthie coos]

00:04:50
[groans]

00:04:52
[wind howling]

00:04:54
[dial tone blaring]

00:04:59
[thunder rumbles]

00:05:01
Princess Carolyn, this is a catastrophe.

00:05:02
-You know it. -This strike has shut down the whole city!

00:05:05
Assistants want respect?

00:05:07
If we respect them, how are we supposed to work through our rage issues?

00:05:10
On our spouses and children? That doesn't seem fair.

00:05:13
There's gotta be a better way!

00:05:15

Uh, maybe we could circumvent giving the assistants what they want by giving them what they think they want.

00:05:21
You know, like how we satiate TV creators by giving them little vanity cards at the end of episodes, then sell the shows to streaming networks that auto-skip the end credits so no one even sees the vanity cards!

00:05:31
Yeah, yeah, that's good. But what do assistants want? iTunes gift cards? Amazon gift cards?

00:05:36
I honestly can't think of another thing an assistant would want.

00:05:38
When I was an assistant, the only thing I wanted was not to be an assistant anymore.

00:05:42
[gasps]

00:05:42
Princess Carolyn, I'll say to you what I said to David Levy when we were developing

00:05:46
The Addams Family and brainstorming ancillary characters, like cousins and whatnot: That's Itt!

00:05:56
[man]

00:05:56
Hey! Sad dog! -Ha-ha! You know it!

00:05:59
Wow. Mr. Peanutbutter and Joey Pogo in the same room?

00:06:03
What is this? Two days ago when I almost hit you with my car?

00:06:07
[chuckles]

00:06:07
No! That was outside!

00:06:09
Listen, I've been trying to get in touch with you.

00:06:12
I got a call from this mental health advocacy group.

00:06:14
Those guys are jizzin' their pants over your heroic admission of your struggle with depression, and they wanna help you share your story with the world.

00:06:21
The world, huh?

00:06:22
I wanted to set up a meeting, but my assistant went on strike, and phones, for me, are, like, what?

00:06:29
Even if you had your assistant, it wouldn't do any good.

00:06:31
My reps' assistants are all on strike, too.

00:06:33
Oh, bummer. Guess there's no way to get in touch then.

00:06:36
Too bad. I'd love to get together.

00:06:42
Goodbye, fancy room.

00:06:43
Goodbye, chair. Goodbye, Stinky Susan.

00:06:46
Huh?

00:06:46
[sniffs]

00:06:49
-Where to? -Um...

00:06:51

Home, I-- I guess.

00:06:59

Whoa, whoa, whoa. Hey! Stop the car. Let me out here.

00:07:02

Wow, already stopping for a drink?

00:07:04

Thank you, your commentary is very helpful.

00:07:06

-Five stars, though, right? -

00:07:06

[groans]

00:07:11

[slurps]

00:07:12

[inhales, exhales]

00:07:13

[sighs]

00:07:15

-Doctor Champ, what are you doing? -Okay.

00:07:17

This mood about "never have another drop of alcohol again?"

00:07:21

-Are we sure about this? -Okay, Doctor Champ, clearly, you--

00:07:23

I'm sitting here, like, whatever happened to moderation, buddy?

00:07:26

So, you're telling me the guiding philosophy of the six months of rehab I just paid for is complete bullshit?

00:07:32

Hey, man, it works for you, it works for you.

00:07:34

As for me? Uh, check, please!

00:07:38

No, that's a figure of speech. I don't want the check.

00:07:40

Please replenish me with another mar-gar.

00:07:45

["Toccata and Fugue in D Minor" plays]

00:07:49

[bell ringing]

00:07:49

-Howdy, howdy!

00:07:51

Welcome to Mike and Morgan's House of Organs!

00:07:54

We handle all your matters, from keyboards to bladders.

00:07:57

Mike, give it a rest.

00:07:58

-What's with all the boxes? -We're going out of business.

00:08:03

Oh, no!

00:08:04

I told you we should just stick to the pianos.

00:08:06

You wanted to expand into body parts.

00:08:09

You printed the sign that said,

00:08:11

"For all your organ needs." I was just trying to keep us honest.

00:08:14

Judging from the foolishness of your business plan,

00:08:16

I assume you don't keep records, but we're trying to track down my son's kidney.

00:08:20

Oh...

00:08:21

Sorry, all our kidneys went to Chicago. Jeremiah Whitewhale bought us out.

00:08:25

[gasps]

00:08:25

[organ plays]

00:08:26

-Of Whitewhale Industries? Why? -He's stockpiling organs because he's a rich old guy who wants to live forever.

00:08:33

[organ plays]

00:08:34

Oh, no!

00:08:36

Well, this was a pointless excursion. I'm heading back to the hospital.

00:08:39

I'm sorry I couldn't be more helpful.

00:08:41

No. It's my fault for expecting anything different.

00:08:45

[door opens, closes]

00:08:45

[groans]

00:08:47

Can we offer you anything on your way out?

00:08:48

You want a Wurlitzer or a spleen or an industrial-sized tub of general anesthesia?

00:08:54

Yeah, give me the anesthesia.

00:08:57

[Diane]

00:08:57

You could sneak in during the party as long as nobody's estranged husband who's a cop is visiting.

00:09:02

Holiday party, huh?

00:09:03

-What? Where am I? -You're in Chicago!

00:09:06

-Hi, I'm Diane. This is Guy. -How you doin'?

00:09:09

Oh! Are you ready for introductions or are you still processing the whole being kidnapped across state lines?

00:09:14

I'm sorry, what?

00:09:15

We're breaking into the Whitewhale building.

00:09:17

-Why? -To get back my kidney and save Mom and prove to you that I'm not just a wacky screw-up who engages primarily in goofy whimsical mess-arounds.

00:09:26

-How did you get me on the plane? -We did a Weekend at Bernie's.

00:09:31

[groans]

00:09:31

-As I was saying, tonight's the Whitewhale employee holiday party.

00:09:35

Security will be tight, but you can use my employee ID to get in, because I'm technically still on the payroll.

00:09:39

Wait, you didn't quit? We haven't worked there in months.

00:09:42

Nobody's noticed! They keep sending me checks.

00:09:44

Cashing them is my way of very gradually taking down the man from the inside.

00:09:48
Hey. C-- can we sidebar for a minute? Is this really the best use of your time?

00:09:52
You've been beating yourself up about how slowly the book's going. So...

00:09:55
But the book is about me and my life, so by living my life,

00:09:58
I am in fact working on the book.

00:10:00
You don't have to write this book if you don't want to.

00:10:02
Of course I want to.

00:10:03
Okay. I'm just saying, since you started, you've been pretty down.

00:10:06
-Not yourself. Diane-- -Actually, pretty down is myself.

00:10:09
Can we talk about this later? We're being rude.

00:10:11
Why don't you offer them one of your fancy beers?

00:10:14
So, all we need to do is get into the party, figure out where the kidneys are, find my kidney, and sneak out, all without drawing attention to ourselves.

00:10:24
And be careful, because if Jeremiah Whitewhale catches you, he can legally murder you.

00:10:28
Now, can I get anyone an imperial stout?

00:10:30
The barley was from Portland, Maine, but the brewery is in Portland, Oregon!

00:10:33
This plan is ludicrous.

00:10:35
Hey, maybe instead of criticizing everything like you've done my entire life, you can get on board?

00:10:40
It's gonna work out.

00:10:41
Things don't just work out, Todd!

00:10:43
Of course they do! I don't know why you're so negative!

00:10:46
Do you want to help Mom, or do you wanna just go back to the hospital and wait?

00:10:50
[sighs]

00:10:50
Okay. I'm in.

00:10:55
[thunder rumbling]

00:10:57
I don't feel comfortable negotiating without my fellow assistants present.

00:11:00
Yeah. This is not about that.

00:11:01
Good, because our demands haven't changed.

00:11:03
Casey, it's been so thrilling to see you grow into your role as strike captain.

00:11:08

[gasps]

00:11:08
You know, there's an opening at my company for a development exec.

00:11:12
I don't suppose you'd be interested?

00:11:14
Oh! Uh...

00:11:16
I'd have to think about it. I've never rea--

00:11:18
You'd get overpaid to read scripts, company credit card, and a parking spot in the good garage.

00:11:23
-Um... -Plus, your own assistant.

00:11:26
-An... assistant? -

00:11:26
[thunder rumbling]

00:11:29
-That is, of course, if the strike ends. -

00:11:29
[giggles]

00:11:32
Well, that's a very generous offer, but I'd have to talk it over with my colleagues.

00:11:38
Why? Those are assistants.

00:11:40
You're not one of them anymore. You're one of us.

00:11:44
It's a two-year contract.

00:11:45
Sign right there and your troubles are over.

00:11:48
[breathes heavily, exhales]

00:11:51
[thunder strikes]

00:11:52
[groans, shrieks]

00:11:58
[both cackling]

00:12:00
[Ruthie giggles]

00:12:00
-What's so funny?

00:12:02
I was just remembering a funny joke, unrelated to this.

00:12:05
Can you tell me what it is?

00:12:06
You wouldn't get it. It's about Zsa Zsa Gabor, and it's no longer appropriate in today's climate.

00:12:11
You've made the right decision. You're gonna love the new job.

00:12:13
-Welcome to the team, Stacey. -It's Case--

00:12:18
[both]

00:12:18
Hmm...

00:12:22
Hey!

00:12:22
[grunts]

00:12:25
Sign here to run development for Saoirse Ronan's production company, Saoirse and Rescue.

00:12:32
[Turteltaub]
00:12:32
Mm-hmm.
00:12:35
I can't be an assistant anymore!
00:12:37
Shirley MacLaine threw a cactus at my head because I set a meeting with the wrong Steve McQueen!
00:12:42
How was I supposed to know she meant the dead one?
00:12:42
[cries]
00:12:46
Shh. It's okay. Just sign here and orchestrate your own great escape.
00:12:52
[Princess Carolyn chuckles]
00:12:54
[Turteltaub]
00:12:54
Ooh.
00:12:59
[car horns honking]
00:13:01
Okay, I'm going in.
00:13:02
Todd, promise me you'll be perspicacious in there.
00:13:05
Perspicacious?
00:13:06
-I don't know the meaning of the word. -
00:13:06
[sighs]
00:13:12
-You're Diane? -Yes!
00:13:14
-Nguyen? -That is correct!
00:13:16
I find that hard to believe.
00:13:17
Wow, that's racist.
00:13:19
People don't always look like their last names.
00:13:22
For example, I'm white, and my last name is Chavez.
00:13:26
I thought your last name was Nguyen.
00:13:28
-Oh! Uh, yeah, it is! Todd Nguyen. -Not Diane Nguyen?
00:13:33
Oh, yeah! Diane Nguyen.
00:13:34
That's me, all right, or my name isn't Todd Chavez.
00:13:40
Well, that was a bust.
00:13:41
Okay, this time, you're Diane and I'll be Jorge.
00:13:45
Todd, get in the trash can.
00:13:46
I know I'm a disappointment to you, but I do not live in a trash can, Jorge, and I haven't for several years now! Hey!
00:13:54
[both grunting]
00:13:57
[speaking in Spanish]
00:13:59

Uh... What? Sorry, I...
00:14:01
Oh. No Español?
00:14:01
[speaking in Spanish]
00:14:06
Uh... go ahead.
00:14:08
[indistinct chatter]
00:14:13
-Wow, that was amazing! -No. That was logical and straightforward.
00:14:21
-Another club soda, please. -
00:14:21
[Doctor Champ]
00:14:21
Nerd!
00:14:24
Doctor Champ, what is your plan?
00:14:26
Just gotta drink enough to be steady.
00:14:28
Then, you take me back to Pastiche and keep me out of trouble.
00:14:31
That way, you don't have to go home and I can be a good therapy horse.
00:14:35
All my clients get sober, I am a winner, put my picture on a magazine.
00:14:35
[slurps]
00:14:39
Look, I can't let you go back there drunk.
00:14:41
You don't care about me! You're scared of this guy.
00:14:47
You can't help anybody else unless you're honest with yourself.
00:14:50
-Know what I mean? -No. I never know what you mean.
00:14:53
In fact, maybe I wouldn't be so scared if you'd given me real therapy over the last six months instead of just plying me with folksy aphorisms.
00:14:59
I'm not a therapist! I'm a therapy horse, a subtle but legally important distinction.
00:15:04
Besides, you wouldn't accept real therapy from me.
00:15:07
Oh, and why's that?
00:15:08
Gee, I don't know, maybe because I'm a horse, so I remind you of your father, so you simultaneously resent me and crave my approval, an approval which, ironically, if granted--
00:15:17
Yeah, I would dismiss immediately and then use as an excuse to resent you even more, what's your point?
00:15:21
My point is, you're stunted from having healthy relationships with horses, idiot!
00:15:26
Oh, really? Well, if that were true,
00:15:27
I would have almost no other horses in my life.
00:15:30
Right, it's almost as if all your friends and loved ones are humans or dogs or cats--

00:15:35

But then how do you explain the one horse I do care about, my half-sister Hollyhock, who is also a reminder of my father?

00:15:40

If your theory were true, wouldn't I keep her at arms' length, desperate for her to love me but unwilling to be vulnerable enough to allow her to hurt me?

00:15:46

You blockhead, she's not your father!

00:15:49

Hollyhock reminds you of the horse you hate the most. Yourself!

00:15:53

Okay, you got me!

00:15:54

My parents gave me an internalized self-hatred of horses.

00:15:57

So, my horse body is a prison that I can never escape.

00:16:00

This manifests in rotten behavior because I subconsciously believe I deserve to be punished, but being famous, I'm never punished, so I act out even more.

00:16:07

And since this pattern is so woven into my identity, it is unfathomable to me that it can ever be curbed, so instead, I drink!

00:16:14

Uh... Check, please!

00:16:16

So, the only way I can progress is to return to my life as a sober man and finally hold myself accountable for my actions, past and future.

00:16:22

Oh, my God, is this what therapy is?

00:16:24

Why do you keep bringing me checks?

00:16:26

[glasses clanking]

00:16:27

Uh... Doctor Champ?

00:16:31

[elevator dings]

00:16:33

Wow.

00:16:34

-Sorry, folks! -

00:16:34

[both gasp]

00:16:35

This floor's off-limits.

00:16:37

-Oh, but... -Oh, thank God you're here!

00:16:38

I saw someone at the buffet putting ketchup on a hot dog.

00:16:41

-What? Not in my town! -

00:16:41

[keys jangling]

00:16:44

[elevator dings]

00:16:45

-Wow, you are really good at this. -Let's go.

00:16:48

[gasps]

00:16:48

Ooh, wow. Hmm.

00:16:52

Oh, look. People who selected kidneys might also enjoy small intestines.

00:16:57

Just the kidney. We don't need to be up-sold on other innards.

00:17:00

Yes, sir.

00:17:02

[beeps]

00:17:04

Thank you for...

00:17:04

[clears throat]

00:17:04

this.

00:17:07

Uh. Once your mother is okay, we will never bother you again.

00:17:10

-I know that's what you want. -Why would I want that?

00:17:15

-You never understood me. -I raised you as my own flesh.

00:17:18

I was tough on you because I expected big things from you.

00:17:21

You weren't tough. You were mean.

00:17:23

-Because the world is mean! -Not my world!

00:17:25

I wanted so much for you, Todd.

00:17:27

I wanted to push you to be your best self. I see now that I failed you.

00:17:31

But you didn't fail me because I am not a failure.

00:17:34

Look...

00:17:34

[sighs]

00:17:34

Okay, Todd.

00:17:37

Why do you need to be proud of me on your terms?

00:17:40

Why can't you see I'm living a good life? I have friends. I have a job--

00:17:44

You sleep on the couch and you play with puppets all day.

00:17:47

I'm happy, Jorge. What more do you want from me?

00:17:50

I want to know that you're okay!

00:17:51

Then why haven't you called in ten years?

00:17:54

You don't think I wanted to? I'm not the one who...

00:17:57

-What? -

00:17:57

[Jorge exhales]

00:17:59

She loves you, your mother.

00:18:01

But she's very proud. If you called her, she would talk to you.

00:18:05

Well, she can't talk now because she's in a coma, right?

00:18:09

[sighs]

00:18:09

Yeah.

00:18:13

What are they talking about?

00:18:17

-Oh, shit, oh, shit, oh, shit. -

00:18:17

[keys beeping]

00:18:19

[groans]

00:18:19

Chavez! You got company!

00:18:21

Get out of there now! Do you read me?

00:18:23

[Diane on radio]

00:18:23

Hello? Hello?

00:18:25

Diane? Why is there a walkie-talkie in our kitchen?

00:18:28

-God damn it! -

00:18:28

[man]

00:18:28

Uh...

00:18:30

Excuse me? This garage is for shopping center customers only.

00:18:34

[groans]

00:18:34

Okay, fine, I'll buy a pretzel.

00:18:36

-Or you could just leave. -No, now I want the pretzel.

00:18:39

[Guy]

00:18:39

Hey, Diane, get me a pretzel, too, please. Love you, okay?

00:18:43

[Jorge gasps]

00:18:43

Someone's coming. We have to go.

00:18:46

I'm not going until I get my kidney.

00:18:47

-Todd, this is serious. -Yes, I understand.

00:18:50

You are very serious.

00:18:51

You read serious books and listen to Sirius XM.

00:18:54

We have to go right now.

00:18:55

-Hey! -Why do you always fight me?

00:18:59

Why do you always try to make me leave places?

00:19:01

[man]

00:19:01

Hey! -

00:19:01

[both gasp]

00:19:02

Stay right where you are!

00:19:05

-Whoa!

00:19:05

[exhales]

00:19:05

[grumbles]

00:19:08

Um...

00:19:11

[sighs]

00:19:13

[groans]

00:19:17

Uh, I'm sure the other assistants will be here any minute.

00:19:21

Traffic's real bad because of the rain.

00:19:23

No one else is coming, Stuart.

00:19:25

-Uh... because of the rain? -They got promoted.

00:19:28

Your ranks are divided.

00:19:29

Your leadership has abandoned you. Face it, the strike is over.

00:19:32

Whoa. Okay.

00:19:35

We've drawn up a new collective agreement.

00:19:36

You get none of the things you asked for and you start work again Monday.

00:19:39

Sounds fair.

00:19:41

If I sign this, does that mean I get a promotion, too?

00:19:44

-Sure, Stuart. Someday. -

00:19:44

[gasps]

00:19:48

[Marv]

00:19:48

Princess Carolyn, I'd love to give you a raise, but you're thinking like an assistant.

00:19:53

Any day now, you're gonna get promoted to agent and sign a brand-new contract, so why are you concerning yourself with these assistantly trifles?

00:20:02

You really think I have what it takes to be an agent?

00:20:04

Someday, sure! But for now, you're my assistant, and since you've got a similar build to the angry lady I fell on at the post office,

00:20:13

I need you to try on these apology bikinis and report back where they pinch.

00:20:19

[groans]

00:20:19

-You got it, boss.

00:20:21

[gasps]

00:20:21

Oh.

00:20:23

[Stuart]

00:20:23

Um... -Stuart, don't sign that!

00:20:25

I just remembered there's a typo on page 12!

00:20:28

Instead of "billable hours," I wrote, "Billy Bob showers!"

00:20:31

Ooh, that's not gonna fly, P.C.

00:20:33

That guy hasn't showered since Bad Santa.

00:20:35

Man Who Wasn't There? More like "Man Who Doesn't Wash There."

00:20:38

Sling Blade? More like "Please Bathe!"

00:20:40

Monster's Ball? More like "Monster Balls." Great actor, though.

00:20:45

Let me fix up a new version and you can come back and sign it tomorrow.

00:20:48

I'll walk you to your car.

00:20:54

Well, this is my car.

00:20:56

-Really? -No. I don't own a car.

00:20:58

[scoffs]

00:20:58

So why did we walk three blocks in the rain?

00:21:01

I panicked! I've never been in charge of where to go before!

00:21:04

You're clearly out of your depth in these negotiations.

00:21:07

Take this number.

00:21:08

Wow. This a lot of money, Princess Carolyn.

00:21:11

That's not an offer, it's a phone number!

00:21:15

Oh...

00:21:17

-Can you drive me home? -

00:21:17

[sighs]

00:21:21

-Officer, I... -Sir, did this man attack you?

00:21:24

-What? No. -You can tell me if he attacked you.

00:21:27

-Hey! Keep your hands where I can see 'em. -Look, this is all a misunderstanding.

00:21:31

I'm just trying to take this kidney back to my mom.

00:21:34

Whitewhale's got like a hundred of these. He won't even miss this one.

00:21:37

Well, aren't you a little scamp.

00:21:40

[both laugh]

00:21:40

-Oh, stop!

00:21:42

What?

00:21:46

Armageddon? More like "Arma-gettin' Away From This Stinky Guy!"

00:21:51

What the...? Hey, who's in my chair?

00:21:54

Mr. Turteltaub, I thought our meeting was at 9 a.m.

00:21:56

-It appears to be 9:03. -

00:21:56

[sighs]

00:21:56

Hello.

00:21:59

If you're serious about negotiating, it's imprudent to send the message you don't respect our time.

00:22:03

To start these negotiations on the right foot,

00:22:05

I suggest we adjourn for the day and start in earnest tomorrow.

00:22:08

-On schedule? -Um...

00:22:11

-Okay? -Fabulous. Princess Carolyn.

00:22:13

Judah.

00:22:15

-What the shell was that? -Let the negotiations begin.

00:22:24

[clears throat]

00:22:24

Todd, I, uh... owe you an apology.

00:22:29

-Oh? -

00:22:29

[inhales, exhales]

00:22:32

I know I was hard on you when you were growing up, but I was trying to protect you.

00:22:37

Nothing came easy for me.

00:22:39

It took hard work, focus, discipline to get me where I am today.

00:22:43

Things didn't just work out.

00:22:45

But I should have realized: you're white.

00:22:49

I forgive you.

00:22:51

She's awake.

00:22:52

Do you wanna come say hello? I'm sure she would love to see you.

00:22:56

Well, she has my number.

00:22:59

-That's cold, Todd. -What do you expect?

00:23:01

I'm a Chavez, right?

00:23:05

Hmm...

00:23:08

[groans]

00:23:10

-Huh? Where am I? -You're at Partridges, the rehab clinic founded by Danny Bonaduce.

00:23:16

-What about Pastiches? -I told them I was checking you in here.

00:23:18

Why would you do that?

00:23:20

Those people need me to be an example of success.

00:23:22

You can't help anybody else unless you're honest with yourself.

00:23:25

-A wise man told me that. -Who? What wise man?

00:23:28

You did. I was being poetic and you ruined it.

00:23:30

Well, don't listen to me. I'm a drunk!

00:23:32

Yeah. But the first step is admitting it.

00:23:34

You've destroyed me. I can never go back to Pastiches now.

00:23:38

My husband will leave me.

00:23:40

I promised him I would never drink again after what happened to our daughter.

00:23:43

Uh... What happened to your daughter?

00:23:45

You know nothing of my life and you think you know what's best for me?

00:23:50

The only reason I got drunk in the first place is because of your contraband vodka!

00:23:54

-Well, yes, technically, that's true. -Of course you did this to me.

00:23:57

Because I cared about you.

00:23:59

And you ruin people who care about you.

00:24:02

[exhales]

00:24:02

Well, best of luck.

00:24:04

I want you to remember this, BoJack. I want you to remember what you did to me.

00:24:10

I remember everything. I'm sober now.

00:24:14

[melancholic music playing]

00:24:18

[grunts]

00:24:37

[inhales, grunts]

00:24:40

[keys jangling]

00:24:41

[sighs]

00:24:47

■ Back in the '90s I was in a very famous TV show ■

00:24:56

-■ I'm BoJack the horseman ■ -■ BoJack ■

00:24:58

■ BoJack the horseman Don't act like you don't know ■

00:25:05

■ And I'm trying to hold on to my past ■

00:25:09

■ It's been so long I don't think I'm gonna last ■

00:25:14

■ I guess I'm just trying To make you understand ■

00:25:18

■ That I'm more horse than a man ■

00:25:22

■ Or I'm more man than a horse ■

00:25:26

Ep 7 — The Face of Depression

00:00:06

[dramatic music playing]

00:00:26

I'm not kidding. The pills. Now! I told you, I'm on a system now.

00:00:30

I'm not doing drugs. I'm not like you. I don't fetishize my own sadness.

00:00:33

No, my hands are so slippery.

00:00:36

Damn it, Todd. Clean up your shit. You know I had sex with Emily.

00:00:43

Turns out there's a brand of heroin called BoJack.

00:00:46

Please don't make me go back to LA. You can count on me, Herb.

00:00:49

[Todd]

00:00:49

You are all the things that are wrong with you.

00:00:51

[Diane]

00:00:51

You haven't changed.

00:00:52

[BoJack]

00:00:52

Yes, you are the last person to get that. I'm not gonna change.

00:01:01

[groans]

00:01:03

[sighs]

00:01:11

Goddamn...

00:01:12

[theme music playing]

00:02:08

[BoJack sighs]

00:02:13

Sharona?

00:02:15

[Sharona]

00:02:15

Ow! You're hurting me. Let me go!

00:02:15

[grunting]

00:02:19

Sarah Lynn got into vodka.

00:02:20

-Oh, my God, is she okay? -Danny knows she got it from you.

00:02:24

-It was yours. -Mine, yours.

00:02:26

What difference does it make who brought this particular vodka?

00:02:28

If I take the fall for this, this whole show is over.

00:02:30

And that means everything I did was for nothing.

00:02:33

-What you did? -To Herb, I mean.

00:02:35

What I did to save the show, do you understand?

00:02:37

-All that's pointless if it goes away now. -So, what am I supposed to do?

00:02:41

I have friends on Coach who owe me a favor.

00:02:43

-It could be a fresh start for you. -There's no such thing as a fresh start.

00:02:47

It's an easy job. Craig T. Nelson's balder by the day.

00:02:49

What if I say n-- no?

00:02:51

Nobody is asking you, Sharona.

00:02:57

BoJack Horseman, would you like to share? I...

00:02:59

[stammers]

00:02:59

I'm sorry. I don't know who you are.

00:03:01

This is anonymous. BoJack Horseman? Who's that?

00:03:04

[sighs]

00:03:07

Um, yeah. Um...

00:03:09

I'm BoJack and, uh...

00:03:12

God, this feels so dumb.

00:03:15

And I'm an alcoholic.

00:03:17

[all]

00:03:17

Hi, BoJack!

00:03:22

Look, I can't go to the Galapagos.

00:03:24

Guy, you have to. This is an important job.

00:03:27

[laughs]

00:03:27

It's the National Geographic Swimsuit Edition.

00:03:30

They want me shooting behind-the-scenes video of turtles in bikinis.

00:03:33

Seems unimportant in light of what you've been dealing with.

00:03:35

What I'm dealing with?

00:03:36

Your psychiatrist said you're depressed.

00:03:38

Okay, yeah, I've been a little depressed. But I'm not like depressed.

00:03:42

I don't have depression.

00:03:43

You're smoking three packs a day,

00:03:45

you've been wearing the same pajama bottoms for weeks...

00:03:47

This is all part of my writing process.

00:03:49

My best stuff comes out when I hate myself.

00:03:50

[chuckles]

00:03:50

What stuff? No stuff is coming out.

00:03:53

[scoffs]

00:03:55

I'd feel better if you just tried the medication your doctor prescribed.

00:03:59

Well, I'd feel worse.

00:04:00

They put me on Prozac in college and I was so calm and boring,

00:04:04

I didn't even wanna LiveJournal.

00:04:05

And then Dawson's Creek got bad because there was no one to speak truth to power.

00:04:09

Dawson's Creek did not get bad.

00:04:11

You just started taking antidepressants, which you should also do now.

00:04:14

It sucks. It made me break out. I gained weight.

00:04:16

What if you leave and come back to this person you don't even recognize?

00:04:20

I don't even recognize you now.

00:04:23

You're making this a bigger thing than it is. I'll be fine.

00:04:27

Don't fall for one of those models.

00:04:29

I'm a one-woman man.

00:04:31

If that woman happens to be a turtle in a two-piece,

00:04:33

-that's just destiny. -

00:04:33

[chuckles]

00:04:36

[sighs]

00:04:37

[knocks on door]

00:04:38

[sighs]

00:04:38

You're the most beautiful person in the world to me. You know that, right?

00:04:42

[chuckles]

00:04:45

[groans]

00:04:49

These strike negotiations have lasted so long, it's like Reds in this boardroom.

00:04:53

Remember Reds? Two VHS tapes.

00:04:55

That's too many tapes, I said, but no one listens to Lenny.

00:04:59

How's this look?

00:05:00

Generous, but you're making up the projected loss by excising office birthday cakes. That's unacceptable.

00:05:05

Everybody hates office parties.

00:05:07

Everyone hates the mysterious dried fruit cubes in trail mix but we still eat them after the other nuts and seeds are gone because in our undervalued, overworked existence, we're desperate for any morsel of satisfaction, whether that be cake, unidentifiable orange fruit shards or the occasional kind word from our boss.

00:05:21

I like cake. They can print those pictures on them now.

00:05:23

What's the issue here?

00:05:24

Fine. But we're grouping birthdays so they only happen once a month.

00:05:28

We accept those terms. We're left with one final issue.

00:05:31

Your insistence assistants be not treated like garbage?

00:05:34

From this day forth, all assistants will be treated like recycling.

00:05:38

Right next to the garbage, but with an understanding that one day, they may be up-cycled to a higher status.

00:05:44

Like a bunch of seatbelts that got turned into a purse.

00:05:47

Or a license plate that gets turned into a purse. Right, Lenny?

00:05:50

Sure, sure. I'm green.

00:05:52

-We're amenable to these terms. -Oh.

00:05:58

-Judah. I meant to reach out-- -There's no need to explain,

00:06:01

I know you're very busy with work and Ruthie.

00:06:03

[chuckles]

00:06:03

You have no idea.

00:06:05

I have some idea.

00:06:06

You talked about it quite often during the negotiations.

00:06:08

This strike has been the most time I've been able to spend with Ruthie since...

00:06:12

[coos]

00:06:12

---ever.

00:06:14

I also feel an ambivalence about the strike ending.

00:06:16

The negotiations have been quite invigorating.

00:06:18

And now you're just gonna ride off into the sunset?

00:06:21

No, the sun sets in the west.

00:06:23

I'm riding east to my Atwater cottage.

00:06:23

[grunts]

00:06:23

Goodbye.

00:06:26

-Judah! -Yes?

00:06:27

You're the best assistant I ever had.

00:06:30

You don't need ever in that sentence. It's implied.

00:06:33

[grunting]

00:06:35

[sighs]

00:06:37

[indistinct chattering]

00:06:37

[BoJack groans]

00:06:39

[exhales]

00:06:41

-Hey! Oh, uh... -Excuse me.

00:06:44

Mm.

00:06:50

Thank you for meeting me here. I can't be at my house.

00:06:53

Just reminds me of what an asshole I've been.

00:06:55

Makes sense. Your house reminds me of what an asshole you've been, too.

00:06:58

[camera shutter clicking]

00:06:58

-Uh... what are you doing?

00:06:59

I'm updating my asexual dating profile with some fresh pics.

00:07:03

There's still no one else on the app, but when they join, I wanna be ready.

00:07:07

Look at this busted photo. It's from over a year ago.

00:07:13

Yeah, you gotta stay current.

00:07:14

Oh, man, they always ask for your job. Oh, I actually have a job!

00:07:17

Hype man for babies.

00:07:19

You've really taken to this nanny thing, huh?

00:07:21

I love it. It's so amazing to hold a baby and look at it sleep and think, "This is a perfect thing."

00:07:27

-I can't imagine. -It's weird to think that at one point, someone held me in their hands and thought,

00:07:33

"I'm going to love this kid forever," you know? What happened?

00:07:37

What happened to what?

00:07:38

I don't know. Moms are weird, right?

00:07:40

Um... Yeah, moms are weird.

00:07:43

So, what are you gonna do now? Just keep getting lunch with your friends?

00:07:47

There was a stewardess in the meeting.

00:07:48

She was talking about how every day, she wakes up in a different place.

00:07:52

I thought, "That sounds perfect."

00:07:54

Every city a clean slate?

00:07:56

Stewardess?

00:07:57

I think the preferred term is flight servant.

00:08:01

[soft music playing]

00:08:17

To us! And depression!

00:08:18

[chuckles]

00:08:18

Yes, but before I drink to that and then depart with you on a cross-country tour of speaking engagements as the quote-unquote "Face of Depression," there is something I feel I must get off my chest.

00:08:29

As it says on the cover of my last single "You Can Tell Me Anything," you can tell me anything.

00:08:33

-I am not depressed. -

00:08:33

[gasps]

00:08:37

Wait. How can you know that?

00:08:38

Well, I feel very happy.

00:08:40

Oh, I know.

00:08:42

[sighs]

00:08:42

Just as I suspected, half-full!

00:08:44

Hmm. That is a troubling development.

00:08:46

And right before our tour!

00:08:48

I would be quite upset by this if I were at all prone to depression, which, as we've just established, I am not.

00:08:53

But isn't it possible that you are depressed and just don't know it?

00:08:56

Well, I do frequently not know things.

00:08:59

According to the literature for this tour that I did not read but had my mom peruse and then paraphrase for me, people who seem happy can actually be the most depressed.

00:09:08

Oh, no! I seem very happy!

00:09:09

-I know. -But wait! You seem happy, too!

00:09:12

Oh, no, does that mean I'm also depressed?

00:09:14

-Oh, good thing we're going on this tour. -We gotta get the word out.

00:09:19

-A cinnabunny and a coffee, please. -3.25.

00:09:24

Four and five.

00:09:25

As Gandhi says, "Make the change you wish to see in the world."

00:09:27

Goodbye, change. Good luck out there. I'll miss you.

00:09:30

-Uh, what? -It's for the best. Go.

00:09:32

Just go, please. Don't make it harder than it has to be.

00:09:35

Okay.

00:09:43

[birds chirping]

00:09:45

[thunder rumbling]

00:09:48

-What is depression? -Depression.

00:09:51
-Who is depression? -You or someone you love.

00:09:55
-Where is depression? -A grassy field, perhaps.

00:09:59
If any of these words describe you or your feelings, you may suffer from...

00:10:04
-Depression. -...depression.

00:10:08
[doorbell rings]

00:10:10
-BoJack? -Surprise!

00:10:14
-Uh, is this a bad time or...? -No.

00:10:17
It's just...

00:10:19
Heat's broken. Let's go for a walk.

00:10:24
-Why didn't you tell me you were coming? -I didn't know.

00:10:26
I was in LA and I didn't want to be, so...

00:10:30
-I'm glad you're here. -You doing okay?

00:10:32
I'm doing great. I have this wonderful boyfriend.

00:10:35
I got an advance on a book of personal essays.

00:10:38
Me, personal essays.

00:10:39
I mean, who am I? Sloane Crosley?

00:10:41
-Who's Sloane Crosley? -Good point. Who's Sloane Crosley?

00:10:44
Yeah, who is Sloane Crosley?

00:10:46
Exactly.

00:10:48
But the headline is you're doing great?

00:10:50
So great.

00:10:51
[slurps]

00:10:54
-Can I crash at your apartment? -No!

00:11:00
-I think I'm depressed. -Yeah?

00:11:02
It started when I was having trouble with my book, and then it kind of snowballed into my boyfriend saying I should take antidepressants.

00:11:10
-Are you going to? -What's the point?

00:11:12
Of antidepressants? I believe the point is to be antidepressed.

00:11:15
Sure. Or you just flip over the nothing and underneath there's more nothing.

00:11:22
Then you flip over that nothing and there's more nothing underneath that.

00:11:26
So, you just keep flipping over nothings, all your life, because you keep thinking under all that nothing, there's gotta be something, but all you find is nothing.

00:11:36

Sure, but you flip over this pizza box, uh, and look, a couch!

00:11:40
We're gonna break up soon anyway.

00:11:41
There's only so long before he gets tired of the real me.

00:11:44
The real you being...?

00:11:45
Ta-da!

00:11:47
You know, someone got really mad at me recently...

00:11:50
Mad? At you?

00:11:52
I know, shocking.

00:11:53
And he said, "BoJack, you ruin everything.

00:11:55
-That's what you are." -Oof.

00:11:57
And it actually took him saying it out loud for me to realize how stupid that is, even though I believed it for so long.

00:12:05
I bought into this idea that I was a thing that couldn't be changed.

00:12:09
So, the reason I came to Chicago is...

00:12:12
I wanted to thank you for believing in me when I didn't, and for encouraging me to accept the help I needed.

00:12:20
Hmm.

00:12:21
[melancholic music playing]

00:12:25
[inhales, groans]

00:12:30
Hmm.

00:12:36
[wind howling]

00:12:36
[shudders]

00:12:49
Hmm.

00:12:50
[groans]

00:12:50
Mm? -

00:12:50
[yelps]

00:12:56
So, I'm really glad you're here, but a little notice next time?

00:13:01
Oh, yeah, sorry.

00:13:02
I already made plans with Tawnie.

00:13:04
-Hey. -

00:13:04
[screams]

00:13:05
Hi, Tawnie. Why are you in the backseat?

00:13:08
Hollyhock and I are in a fight right now. It's both minute and massive.

00:13:12
How can it be minute and massive?

00:13:14
It's a paradox. It's Sylvia Plath wearing Saint Laurent.

00:13:17
[groans]
00:13:17
Wesleyan.
00:13:20
Anyway, we're going to a show. You're welcome to join us.
00:13:23
Great. A music show? I love music.
00:13:25
[discordant sounds playing]
00:13:30
Oh, God, is this what music sounds like when you're sober?
00:13:32
-Do I hate music? -No, this sucks.
00:13:34
I'm just here because I wanted to cheer up Tawnie.
00:13:37
I thought you were in a fight.
00:13:38
Yeah, but I still don't want her to feel bad.
00:13:40
She's my best friend. They cancelled all the drama classes.
00:13:44
What? Why?
00:13:45
The acting professor quit. He got cast in a regional commercial.
00:13:49
And he quit? Wow.
00:13:50
So, yeah, now Tawnie's gotta change her major, which I get why that sucks, but don't take it out on me.
00:13:57
I'll bet a lot of actors would love to teach at a place like this.
00:14:00
They're not looking for a replacement?
00:14:02
Maybe they are. I don't know. What do I look like, the Wesleyan Argus?
00:14:06
Okay, I don't wanna be fighting anymore, so can we just drop it?
00:14:08
-You always do this. -I'm trying to move past it.
00:14:12
You said we were gonna meet at Pi Café for dinner.
00:14:14
-I forgot. -Yeah.
00:14:15
That hurt my feelings. Now we're just supposed to move past it?
00:14:19
Ah, I see. A teachable moment.
00:14:20
Hollyhock, people will disappoint you.
00:14:23
You're always mad at me. There's nothing I can say.
00:14:25
Yes, some wounds will never be healed.
00:14:27
You could say sorry.
00:14:29
-Would it even matter? -No, words are meaningless.
00:14:31
Yes. You do this thing where you don't think you can ever be forgiven, so you don't apologize, but I can't forgive you if you don't say you're sorry.
00:14:40
Okay, I'm... sorry.
00:14:42
Thank you. That's all I wanted.

00:14:44
-I'm sorry. -I love you.
00:14:46
I love you, too.
00:14:47
Come here. Mm!
00:14:49
That's it?
00:14:49
-Come on, let's dance.
00:14:49
[chuckles]
00:14:49
-Yeah!
00:14:52
-Uh...
00:14:52
[groans]
00:14:52
[Hollyhock]
00:14:52
BoJack!
00:14:54
I'm really glad you came to visit.
00:14:56
-Where are you going next? -I don't know.
00:14:58
-Where is not winter? -California?
00:15:00
No, I can't go back there. Not yet.
00:15:02
-Florida? -
00:15:02
[groans]
00:15:04
-Arizona? -Some parts of Texas?
00:15:06
[groans]
00:15:11
I'm telling you, people come to the airport just to eat these things.
00:15:14
But if their houses were made of cinnamon and dough, they wouldn't have to go anywhere!
00:15:18
They could eat and live happily in their Cinnabungalow.
00:15:21
Well, I think it's a great idea and this customer thinks so, too.
00:15:25
-Right, Lonely Horse Guy? -Sure.
00:15:27
He loves it! You better get in on this before there's a bidding war.
00:15:30
[sighs]
00:15:30
No, I'm not dating anyone. Stay on topic, Mom.
00:15:36
And Amelia Earhart flew through the skies until one day, she made it to the sun and everybody cheered. The end.
00:15:44
[knocking on door]
00:15:46
[Princess Carolyn]
00:15:46
Oh. -Hey.
00:15:48
I'm out of rehab and I realized I never got you a baby shower gift, so... here.
00:15:52

I'm registered at Cubs 'R' Us and Baby Hole, but thanks.

00:15:56

If I'm gonna live in that house again,

00:15:57

I wanna get rid of the things that remind me of my old life.

00:16:00

Look what Uncle BoJack brought you, Ruthie.

00:16:03

It's a 1970s pop art interpretation of the Narcissus myth.

00:16:07

How appropriate for a baby.

00:16:09

Narcissus? I thought the painting was about me.

00:16:11

But enough about your baby, I also have a favor to ask.

00:16:13

Of course you do.

00:16:15

There's this drama professor job at Wesleyan.

00:16:17

They need a reference to tell them that I know what I'm talking about, that I'm dependable and passionate.

00:16:23

So, I thought that you could do what you've been doing for 20 years and lie about me.

00:16:27

I'll be back at the office tomorrow.

00:16:29

But have them call my cell because my assistant is terrible.

00:16:32

[cooing]

00:16:33

-Oh, shit, it walks already? -She started a few days ago.

00:16:37

[sniffles]

00:16:37

Oh.

00:16:38

It's okay, she sucks at it now, but she'll get better at it.

00:16:41

I'm gonna miss everything. We have this connection now.

00:16:44

What if that goes away when I go back to work?

00:16:46

So don't go back.

00:16:47

What? I'm dying here, BoJack. I need my job. I love my job.

00:16:52

-Okay. -It's just...

00:16:53

There's always so much stupid bullshit to take care of there.

00:16:56

Aren't you the boss? Why are you doing the stupid bullshit?

00:16:58

I don't know.

00:16:59

Hey, my only responsibility right now is to not drink and I'm barely getting by.

00:17:03

You are producing a show, running a company, catering to your clients, raising a child, a Todd.

00:17:09

You need your own Princess Carolyn to take care of you.

00:17:14

[Ruthie babbling]

00:17:15

[both gasp]

00:17:15

-Oh, no! That thing was priceless.

00:17:18

Ah, we'll tape it back together and call it a Rauschenberg.

00:17:23

I've been back in LA two months. When am I gonna hear about this job?

00:17:27

I have other offers, you know. UCLA, USC, UTI.

00:17:31

[groans]

00:17:31

Mr. Horseman, we have to allow other applicants time to apply.

00:17:36

Raven-Symoné is circling.

00:17:37

Raven! She's circling around, portending my doom?

00:17:40

Is she gonna swoop in and peck out my chances?

00:17:42

That is so... like her.

00:17:47

I still can't get comfortable in my house.

00:17:49

It's huge and perfect, but it feels like the worst place on earth.

00:17:53

No offense, Benny, living in your storage locker sounds pretty rough.

00:17:56

Every day, it just keeps getting better.

00:17:58

God, you're killing me, Benny.

00:18:00

My house reminds me of the horse I was before.

00:18:03

I don't wanna be him again.

00:18:04

But it's the same house, the same city, just nothing's changed, so how am I supposed to?

00:18:17

-Hey. -Sharona, I--

00:18:18

We don't need to do whatever your sad eyes are asking for.

00:18:21

It was a long time ago.

00:18:23

I'd like to try to--

00:18:24

The last time I saw you was my rock bottom.

00:18:26

I've been sober ever since.

00:18:27

So it all worked out, okay?

00:18:29

Please, just let me say it.

00:18:31

I'm sorry. I'm so sorry.

00:18:35

It was nice of you to bring Panda Express for everyone.

00:18:38

-Right. Everyone. -

00:18:38

[chuckles]

00:18:40

What do you say? Once more for old time's sake?

00:18:45

[scissors snipping]

00:18:45

-I can't believe you have been dying your hair for 20 years. What color is this? Sharpie?

00:18:50

Okay. I dye my hair. Nobody makes fun of Dennis Rodman.

00:18:53

They don't? Huh.

00:18:55

-What do you think? -I look old.

00:18:57

[cell phone ringing]

00:18:59

-Hello? -

00:18:59

[grunts]

00:18:59

Raven's out.

00:19:01

She taught a workshop at Spelman and to quote Raven, "Nevermore."

00:19:05

Spring semester starts next week. Can you be here?

00:19:10

I'll be on the next plane.

00:19:12

Welcome to Wesleyan, Professor.

00:19:19

-Is it like a Jesus thing? -No, it's not that. I told you.

00:19:22

I'm just confused, is all. Because I thought you liked me.

00:19:25

I do, but I was very clear there are certain things that I'm not interested in.

00:19:30

[man]

00:19:30

So, why did you go out with me in the first place?

00:19:32

-Because I like you! But it's complicated. -And you're sure it's not a Jesus thing?

00:19:36

Fine, if it helps end this conversation, yes, it's a Jesus thing.

00:19:39

Hey, I admire your devotion.

00:19:41

What would Jesus do? Not this guy.

00:19:41

[chuckles]

00:19:45

-It's not a Jesus thing. -I figured.

00:19:48

I don't wanna presume anything, but there's an app you might be interested in.

00:19:52

An app?

00:19:57

[snoring]

00:19:57

[tires screech]

00:19:58

[groans]

00:19:59

[woman on PA]

00:19:59

Welcome to Dulles International Airport.

00:20:02

Looks like it's so icy,

00:20:04

all connecting flights have been grounded.

00:20:06

We are happy to offer all passengers a complimentary hotel stay

00:20:10

until we can get you on your way.

00:20:12

And the luggage doors are iced shut, so your bags are probably gone forever!

00:20:16

-Ugh! -Thank you for flying with us

00:20:17

and enjoy DC.

00:20:24

Huh.

00:20:25

[clears throat]

00:20:25

Hmm. -

00:20:25

[camera shutter clicks]

00:20:29

[BoJack]

00:20:29

What? -Is that ol' BoJack Horseman?

00:20:32

Oh, no, it's old BoJack Horseman! 'Cause your hair is grey.

00:20:36

-What are you doing in DC? -Addressing Congress, of course.

00:20:39

Getting the word out and raising awareness and so forth.

00:20:41

You're looking at the National Face of Depression!

00:20:44

-You're the National Face of Depression? -Yep!

00:20:47

-This face? -Uh-huh.

00:20:48

-You're depressed? -Hey, I wanna show you something.

00:20:51

Hey, partner, sit tight. I'll be right back.

00:20:53

You got it, SD.

00:20:55

Sad Dog.

00:20:55

[chuckles]

00:20:57

[sniffing]

00:21:00

Jackpot!

00:21:01

You're in a museum! Pretty cool, huh?

00:21:04

-Huh, that is pretty cool. -Doggy-doggy, what, now?

00:21:06

■ Knick-knack, patty whack Give a dog a bone! ■

00:21:09

[sighs]

00:21:09

That makes sense.

00:21:10

[panting]

00:21:12

Well, looks like you finally got your crossover episode.

00:21:15

What? Oh, my God. Okay.

00:21:17

-Is this real? Is this happening? -Yeah.

00:21:19

Okay, you knock on the door here.

00:21:23
Excuse me, are you Zachary's father?

00:21:25
I think our adopted teens go to school together!

00:21:27
Yeah, yeah. Our teens. Our adopted teens.

00:21:31
Like you said, they're...

00:21:31
[in high-pitched voice]

00:21:31
It's a crossover!

00:21:34
They sure have been spending a lot of time together, huh, our teens?

00:21:37
[in normal voice]

00:21:37
I hope they're not having S-E...

00:21:40
Excuse me.

00:21:40
[sobbing]

00:21:40
It's just--

00:21:43
I'm so overwhelmed.

00:21:45
-This is the best day!

00:21:45
[crying]

00:21:45
-Oh.

00:21:48
Oh, God. Oh.

00:21:51
He's the National Face of Depression.

00:21:55
[woman]

00:21:55
We have rescheduled your flight to Connecticut for 8:45 a.m. tomorrow.

00:21:59
Please stay on the line for a survey

00:22:00
that directly determines whether or not I get fired--

00:22:03
[phone beeps]

00:22:05
Hmm.

00:22:07
Hmm.

00:22:15
Hmm.

00:22:16
["Take Me Down Easy" playing]

00:22:17
[knocks on door]

00:22:17
-Come in.

00:22:19
Pardon my state.

00:22:20
I was mid-trek up the Los Angeles Crest when I received your text.

00:22:22
-You had a question for me? -Yes.

00:22:24

Would you be interested in interviewing for a job here as VIM's Chief of Operations?

00:22:29
You'd be a partner with a stake in the company, and a birthday cake just for you.

00:22:33
I would be interested in that interview.

00:22:34
-Do you want the job? -Yes.

00:22:36
Great. Interview done.

00:22:37
Your first task is to clear my schedule every third Friday.

00:22:40
I'm taking them off to be with my daughter.

00:22:42
And there's a weird burnt smell coming from the copy room.

00:22:44
I'm familiar with that smell. I'll investigate right away.

00:22:47
Thanks, Judah.

00:22:49
My pleasure.

00:22:55
[sighs]

00:22:59
[cell phone chimes]

00:22:59
-Oh.

00:23:02
Huh.

00:23:04
[cell phone buzzes, beeps]

00:23:05
Hi, Mister!

00:23:06
Pickles! Other than being away from you,

00:23:09
I gotta say I am having the time of my life being depressed!

00:23:12
I'm so glad.

00:23:14
I sense a sadness in your voice, my gherkin. But maybe not?

00:23:17
At this point, I really don't know the difference.

00:23:19
You sensed correctly.

00:23:21
I thought it'd be easy to get even, but I've slept with 32 guys now,

00:23:25
if you count the two sets of twins as two and not four.

00:23:28
I do.

00:23:29
And the truth is, none of them are like my Mister.

00:23:32
I just wish I could cheat on you with you.

00:23:35
-Mm. -

00:23:35
[muffled grunting]

00:23:37
-Hmm? -

00:23:37
[Joey]

00:23:37
Whoa. Uh-oh.

00:23:39

[laughs]

00:23:39

Hanging in there.

00:23:39

[grunts]

00:23:43

Hmm... I think I may have an idea.

00:23:46

■ 'Cause there was no sunlight ■

00:23:50

■ Just ask my mother ■

00:23:53

-■ When I treated myself hard ■ -Huh!

00:23:53

[chuckles]

00:23:57

■ I crumble and fall ■

00:24:01

■ So take me down easy ■

00:24:03

Huh.

00:24:05

■ Take me down easy ■

00:24:08

■ Let me land softly ■

00:24:11

[bells tolling]

00:24:11

- ■ Back in your arms ■

00:24:16

My fellow horses, are we doomed to die in the shadow of our sins?

00:24:21

[all]

00:24:21

Nay!

00:24:22

Does thy Lord turn His back on His colts?

00:24:24

-Nay! -Nay.

00:24:27

Nay, for to forgive is divine.

00:24:29

Unless thou art a witch, then God wills ye be burnt at the stake.

00:24:32

[clears throat]

00:24:32

-There, Goody Oats! Seize her!

00:24:35

No, no, no!

00:24:35

[screaming]

00:24:38

[door slams]

00:24:39

If God forgives thee, thou must also forgive thyself.

00:24:42

"Though thy sins be like scarlet, they shall be white as snow."

00:24:46

It is only when we show ourselves forgiveness and mercy that we truly live a life of grace, that we are reborn.

00:24:53

Turn to the horse next to you and offer a sign of grace and peace in the name of the Lord.

00:24:58

[man]

00:24:58

Peace be with you.

00:25:00

-Peace be with you. -Uh, peace be with you.

00:25:03

-Peace be with you. -Peace be with you.

00:25:04

Peace be with you. Peace be with you.

00:25:06

Peace be with you. Peace be with you.

00:25:08

[man]

00:25:08

And also with you. -Peace be with you.

00:25:10

And that concludes our reenactment of an early Horsey service!

Thank you.

00:25:16

[sighs]

00:25:20

Looks like you found some solace in our show.

00:25:22

Stay if you like. In 30 minutes, we start over.

00:25:32

■ Take me down easy ■

00:25:36

■ Take me down easy ■

00:25:39

■ Let me land softly ■

00:25:43

■ Back in your arms ■

00:25:47

■ 'Cause I can sing the sad songs ■

00:25:51

■ It's easy to find them ■

00:25:54

■ The worst kind of heartbreak ■

00:25:58

■ Won't leave you alone ■

00:26:02

■ So take me down easy ■

00:26:06

■ Take me down easy ■

00:26:10

■ Let me land softly ■

00:26:13

■ Back in your arms ■

Ep 8 — A Quick One, While He's Away

00:00:05

[monks chanting]

00:00:06

[waves crashing]

00:00:06

[bell tolling]

00:00:11

A hummingbird smiled at me on my walk this morning.

00:00:15

In small pleasures such as this, I'm reminded of the presence of the Lord.

00:00:19

-As you ought. -And yet...

00:00:22

-No. -Out with it, Sister Marguerite.

00:00:24

To hesitate is to waste time, which is a sin when time could be otherwise spent in prayer, or handwashing Monsignor Toscani's 1962 Alfa Romeo, which is itself a form of prayer, is it not?

00:00:36

Of course. Yet I find myself consumed by thoughts of my past.

00:00:41

You have no past. You've confessed.

00:00:43

Your sins have been washed clean.

00:00:45

This is like day one stuff, what are we talking about here?

00:00:48

The people I've hurt, the lives I've ruined, are they washed clean as well?

00:00:55

Your regrets are of no benefit to the Lord.

00:00:57

Ruminating so is a solipsism unbecoming a sister of the cloth.

00:01:01

Is it solipsism to be concerned with the fates of others?

00:01:05

Perhaps one could argue cloistering oneself from the world is itself a form of solipsism.

00:01:10

[stammers]

00:01:10

If one were being ungenerous.

00:01:12

Remember when you first arrived here and you didn't talk for like two years?

00:01:17

I will trouble you no further, Mother.

00:01:19

Lord, how you challenge me with so vexing a pupil.

00:01:23

[car engine starts]

00:01:23

-Hmm?

00:01:24

[shouts]

00:01:24

What dereliction is this?!

00:01:26

When you get to Heaven, look up Margo Martindale!

00:01:30

I won't be there, but my movies will!

00:01:33

[tires screech]

00:01:33

[Margo shouts]

00:01:35

[theme music playing]

00:02:30

I wanna know what's changed since the strike.

00:02:32

Are assistants treated better or have things reverted to business as usual?

00:02:35

Yeah, give me ten inches. I also want a roast beef sub.

00:02:38

-Six inches. -

00:02:38

[intercom beeps]

00:02:39

[woman]

00:02:39

Paige Sinclair is on her way up. -Ah, shit.

00:02:42

She's the best reporter this building's ever seen, but, goddamn, is that woman a pain in the ass.

00:02:46

[Paige]

00:02:46

Colleagues!

00:02:48

Your eyes do not deceive!

00:02:49

You may find my gown overly formal for the workplace, but that is because I am, as of today formerly a member of this vaulted institution.

00:02:55

As I'm to be wed tonight and the newsroom is no room for a domesticated woman,

00:02:59

-I bid you farewell. -

00:02:59

[man screams]

00:03:01

Okay, goodbye.

00:03:02

Yes, mine was a storied run as the star reporter for "The Reporter."

00:03:05

"Front Page Paige," they called me!

00:03:07

-Well, we'll miss you, Paige. -Indeed.

00:03:09

My shoes don't fill easy, my left foot striking a more robust silhouette than her starboard sister.

00:03:13

But I cannot prolong my engagement.

00:03:15

After all, time, as they say, is a river without banks.

00:03:18

Time may not have banks, but this periodical certainly does.

00:03:21

Maximillian Banks, at my service!

00:03:23

[scoffs]

00:03:23

Maximilian Banks.

00:03:25

I may lack your nose for news, but I've got an eyeball for a highball!

00:03:29

Why, this man couldn't string together two clauses

00:03:31

without ending on a preposition.

00:03:33

I don't know what you're referring to.

00:03:34

You could fill a library with all the things you don't know.
00:03:36
In fact, they do. They call them libraries.
00:03:40
Guys, we're trying to work here.
00:03:41
No matter, I shan't be staying.
00:03:43
My sweet betrothed, Baxter Bellamy, awaits with champagne to chauffeur me directly to my nuptials,
00:03:47
and I didn't think I'd visit long,
00:03:48
so I left him in the car with the windows up.
00:03:48
[chuckles]
00:03:51
Good, I've got business to attend to as well.
00:03:53
I'll have you know it's almost time for my mid-morning confabulation
00:03:57
with a former stage mother to the stars, Mrs. Carol Himmelfarb-Richardson.
00:04:01
You've been taking those phone calls?!
00:04:03
Yes, she is as loony as a Canadian dollar,
00:04:06
but she is a scintillating conversationalist.
00:04:09
Oh? What about the conversation scintillates?
00:04:12
She calls every day to see if we have any information on her dead daughter.
00:04:15
-The answer's always no. -Sounds like a scoop.
00:04:17
It's not. It's a pop star who overdosed. Open-and-shut case.
00:04:20
-All the better for opening and shutting. -Why do you have that?
00:04:23
Baxter, my boy, my dear sweet beautiful bridegroom,
00:04:27
best put the champagne on ice.
00:04:28
I've got a story that simply demands my attention and I just couldn't marry you before it's settled.
00:04:32
I'd only be distracted, which isn't fair to you or me.
00:04:35
Oh, darling, I've already committed to being your wife.
00:04:38
What, you need to hear a few measly words?
00:04:40
Well, "I do." Does that satisfy?
00:04:41
I do, I do, I do,
00:04:43
and I do want you to wait for me to ring you again shortly.
00:04:46
[snorts]
00:04:46
I knew you'd understand.
00:04:49
Oh. Mm!
00:04:49
[snorts]
00:04:51

Now, as to the girl. I smell beans. Spill 'em.
00:04:54
The girl's name was Sharon Lynn.
00:04:57
It's Sarah Lynn.
00:04:59
Hmm...
00:05:01
■ Don't you touch my prickly muffin ■
00:05:06
Did you ever notice that this music video takes place in a planetarium,
00:05:10
-and Sarah Lynn died in a planetarium? -Huh.
00:05:13
-Uh... Hey, Tawnie. -
00:05:13
[music stops]
00:05:15
Are we going to this party?
00:05:16
I didn't come all the way down to Manhattan to just watch you watch your boyfriend be on the internet at his parents' fancy house.
00:05:22
Don't parent-shame him, Hollyhock.
00:05:24
It's not Trey's fault he grew up in an Upper Westside brownstone.
00:05:27
Also, I'm not her boyfriend. We're uncomplicated like that.
00:05:31
Come on! We're missing the party.
00:05:33
What? No. If we show up before 2:00, everyone's gonna think we're losers.
00:05:37
Fine. But can't we do something else while we wait?
00:05:37
[gasps]
00:05:41
Let's explore the city!
00:05:45
[sighs]
00:05:45
[siren wailing]
00:05:47
The Big Apple.
00:05:50
There she is.
00:05:52
Apparently, there's a bar around here called Hartigan's.
00:05:55
My cousin and his friends call it "They-Don't-Cardigan's." I don't get it.
00:05:59
Wow, a real New York bar. That could be cool.
00:06:02
Yeah, a bar! But how often are we in New York?
00:06:07
Let's go to the top of the Empire State Building, like the big ape in that movie, Sleepless in Seattle!
00:06:12
All right! Big building!
00:06:13
[thunder rumbling]
00:06:19
Lord, we thank You for this bounty-- Ella?
00:06:22
That place you sent me didn't fix me.

00:06:24
Because I am not a thing to be fixed, Daddy.

00:06:27
Have a seat. We're havin' bacon-blasted chicken fingers from Chicken-4-Dayz.

00:06:31
I'm not staying. I'm going to a place where the people accept me.

00:06:35
You sit your ass in that chair, Ella, because that place is right here.

00:06:39
Oh, Daddy!

00:06:41
That's what I wish I'd said.

00:06:42
I haven't seen Ella in four years, but every night I bring home dinner,

00:06:46
I get an extra bucket of bacon-blasted chicken fingers just for her, so that if she ever comes home...

00:06:50
she'll know that she's welcome at our table.

00:06:53
Huh?

00:06:54
Kelsey Jannings, our little indie film darling,

00:06:58
I think I speak for both of us when I say gooba, gooba, hey, yah, yah!

00:07:02
Tears. Feel my cheeks. Damp cheeks over here.

00:07:05
I do notice it's not as Chicken-4-Dayz-focused as maybe it seemed in the outline stage?

00:07:10
Talk us through your journey there.

00:07:11
What do you want? You want a close-up of the bucket?

00:07:14
Ooh, I think that would make it feel like a commercial, and what's so innovative about this content is that it's not a commercial.

00:07:20
Right, I forgot about the innovative part of it. Excuse me.

00:07:23
Our target demo responds poorly when they feel they're being advertised to, but they love stories that engage them on their level, utilizing themes of inclusivity, as well as dunking on the olds.

00:07:34
Ah, yes, teens love dunking on olds, is there any way to get more of that in?

00:07:39
-Well, we already shot the ad. -Not an ad.

00:07:41
The immersive product placement journey.

00:07:43
But maybe I can find takes that are in more of a dunking tone, as well as shots that highlight more prominently but do not feature the bucket of chicken-bacon finger-blasters.

00:07:52
Thank you for letting us help you share your beautiful vision with the world.

00:07:56
No. Thank you.

00:07:59
[bicycle bell rings]

00:08:01
[scoffs]

00:08:01

I'm sorry, it's bullshit.

00:08:03
A gig's a gig.

00:08:04
And Vassar doesn't accept indie cred in lieu of my daughter's tuition.

00:08:07
I just don't believe it. You're a way better director than I am.

00:08:10
If you'd told me that one day you'd be doing chicken commercials--

00:08:14
-Not a commercial. -That you'd be doing sponsored content pre-roll for Beverly Hillbillies reruns on Gronkle while I'm directing another action-adventure blockbuster, this one set in the world of competitive ballroom dancing, working title, "Balls to the Wall," if you'd told me that...

00:08:29
You'd be super-stoked?

00:08:30
Yeah, first, I'd be really stoked, but then eventually, I would get around to being outraged.

00:08:35
[coughing]

00:08:35
[groans]

00:08:38
It is fun that we're both working on the same lot, though.

00:08:41
-Right? -Yeah.

00:08:42
[cell phone buzzing]

00:08:42
-Sorry.

00:08:44
-What now? -

00:08:44
[man speaking indistinctly]

00:08:47
Again? Okay.

00:08:48
-Yeah. I'll talk to her. -

00:08:48
[phone beeps]

00:08:51
What are these new pages? Why do I have new pages?

00:08:54
You don't like the new pages?

00:08:55
[groans]

00:08:55
The content of the pages is not the issue, Justin.

00:08:58
-Yeah. -I spent time preparing the other pages.

00:09:00
You understand?

00:09:01
I rehearsed them. I studied them. That's precious time I'll never get back!

00:09:04
And then some person-- I don't know this person--

00:09:07
And by the way, I don't like strange persons knocking on my door and then letting themselves in. The knock is so I can tell you to enter.

00:09:13
If you just enter, what is the purpose of the knock?

00:09:15

You're right, of course.

00:09:16

My point is about the pages. Why are you throwing new things at me?

00:09:20

The insurance guys are nixing the car chase.

00:09:22

We had to think fast, so we put together a new hand-to-hand combat scene we're gonna throw on top of the meringue number.

00:09:27

-So, it's a stunt? -I thought you'd be excited.

00:09:29

I'm excited! It's more time spent on your face.

00:09:33

Ever since I directed you in that episode of "FBI: Female Body Inspectors,"

00:09:36

I thought...

00:09:36

[chuckles]

00:09:36

"I gotta give this woman her close-up."

00:09:39

Don't produce me, Justin.

00:09:41

[sighs]

00:09:41

Is there choreography? When am I learning this stunt?

00:09:43

April's gonna be on set. She'll make sure you understand the stunt.

00:09:47

-And it's gonna be safe? -We are taking every precaution.

00:09:49

And we are not gonna shoot until you are 100 percent comfortable.

00:09:53

Thank you. I didn't mean to bite your head off.

00:09:55

-I just don't like being surprised, okay? -Totally my fault.

00:09:57

I should've warned you.

00:09:59

Is there something else going on that I should know about?

00:10:03

I'm fine. I'm actually being really cool here.

00:10:05

I'm not some kind of monster just because I don't like surprises.

00:10:08

I'm number one on the call sheet. I'm entitled to a little respect.

00:10:10

No, you're right.

00:10:11

I mean, I've worked on projects where the number one on the call sheet was like an actual crazy person, so I think I'm being really cool.

00:10:17

-You are being so cool. -Yeah?

00:10:21

Mm-hmm.

00:10:25

[sighs]

00:10:26

[Gina]

00:10:26

Can you wait until you're out of earshot to make your exasperated sighs, please?

00:10:30

Yes, sorry!

00:10:32

[jazz music playing]

00:10:33

[all]

00:10:33

Huh?

00:10:33

[dogs panting]

00:10:36

[chuckles]

00:10:36

Kelsey! You can't compare yourself to Justin Kenyon.

00:10:40

-What's the difference? -The difference is he has a great agent.

00:10:44

[chuckles]

00:10:44

That was a joke, but I see you're in no mood.

00:10:46

I'm a good director.

00:10:48

Yes, but Justin's movies make actual money.

00:10:50

The last big movie you were on, you got fired off of.

00:10:53

Explain this to me.

00:10:55

I didn't break into the Nixon Library alone and yet I'm the only one whose career has suffered.

00:11:00

Why do you think that is?

00:11:01

Kelse, I don't know by what fancy the fates push us about in their great cosmic dance.

00:11:07

-I am but an agent. -What about these stories I keep hearing about how people wanna hire more female directors?

00:11:12

Oh, they want to, they want to so bad. Just not for this particular project.

00:11:17

Which particular project?

00:11:18

Anyone. I mean, you name it. Whatever Paul Feig's doing.

00:11:21

You need to get me out of director jail.

00:11:23

Even Roman Polanski works more than I do, and he should be in actual jail.

00:11:27

[laughs]

00:11:27

Yeah, for his last couple of movies, at least, right? Woof!

00:11:31

No. Not for his last couple of movies.

00:11:34

Carol, be a doll and tell this dame what you told me.

00:11:37

I just don't understand why my daughter would start using again.

00:11:40

She was sober. She was going to AA meetings.

00:11:43

You suspect foul play?

00:11:45

Listen to this, the last voicemail I ever got from her,

00:11:48

-a month before she died. -

00:11:48

[beeps]

00:11:50
[Sarah Lynn]
00:11:50
Hey, Mommy.
00:11:51
I got out of a meeting and we're making amends, so I just wanted to say I'm sorry I'm such a disappointment.
00:11:51
[chuckles]
00:11:59
I'm sorry my platinum records clashed with the chic minimalism of your new sun room.
00:12:05
And I'm sorry I didn't introduce you as my older sister when we met David Hasselhoff at the Kids' Choice Awards.
00:12:11
And I'm sorry I've never been enough for you, Mommy!
00:12:17
What an angel. She just wanted me to be happy.
00:12:20
What is the "we"?
00:12:21
-What? -Yeah! At the beginning.
00:12:23
She says, "We're making amends." Who's this "we"?
00:12:28
[camera shutter clicking]
00:12:34
You know, we don't have to go to this party if you don't want to.
00:12:37
What? I'm the one who keeps saying, "Let's go to the party."
00:12:40
The only reason I came down here was so we could go to this party and get drunk.
00:12:44
Come on. I've gone to like a hundred parties with you.
00:12:47
You always say you're gonna drink, and you never do, which is fine, by the way!
00:12:52
No one's ever offered me a drink.
00:12:54
I keep waiting for this famous peer pressure
00:12:56
I've heard so much about and it never happens!
00:12:59
You wanna go have a drink? Here I am, your peer, pressuring you.
00:13:03
[chuckles]
00:13:06
I'm nervous about losing control, you know?
00:13:10
I think drinking alcohol might not be for you.
00:13:13
But I don't wanna be scared of something that's supposed to be fun.
00:13:16
That's why I wanna go to that party with a bunch of strangers.
00:13:20
Because if I'm gonna lose control, I don't want it to be in front of people I know.
00:13:25
-Okay, weirdo. -
00:13:25
[chuckles]
00:13:25
You're a weirdo.
00:13:30

Because I am not a thing to be fixed, Daddy.
00:13:34
Do you think we should ADR her saying "Daddy-o"? Is "Daddy-o" more of a dunk?
00:13:38
[groans]
00:13:38
[cell phone rings]
00:13:40
-Hello? -Um, hello?
00:13:42
Am I speaking to the future director of "Fireflake"?!
00:13:45
-What's that? -"Fireflake"! It's a superhero movie!
00:13:49
Ugh. Another one?
00:13:50
Yes, but the difference is this one's about a lady superhero, which means this one you could actually get hired on!
00:13:57
I don't want them to hire me just because I'm a woman.
00:13:59
Ugh. You think Justin Kenyon says,
00:14:01
"I don't want them to hire me just because I'm a man"?
00:14:04
Of course not! He says, "Money, money, money. Nom, nom, nom."
00:14:06
I have heard him say that.
00:14:08
Besides, they don't want this to be just another superhero movie.
00:14:11
They're looking for someone who can make a superhero movie with a twist!
00:14:15
So, what, they want me to pitch the twist?
00:14:17
-No, the twist is that it's a woman. -Oh.
00:14:20
But they do wanna hear your take, by which I mean they want you, as a woman, to tell them their take.
00:14:26
Hmm...
00:14:28
[man]
00:14:28
I've been saying for years as soon as we run out of popular male characters and we've given them each two sequels, we have to make a movie about Fireflake!
00:14:36
I think that's really edgy and outside the box.
00:14:38
Outside is exactly where we're trying to be, in relation to the box.
00:14:41
We really think Fireflake can connect with today's Yas Queen culture.
00:14:45
Yeah, I got a real Yas Queen vibe from her.
00:14:48
She comes in, she saves the day, everyone loves her!
00:14:51
-Wow. -Oh.
00:14:52
Didn't I tell you this would make a great movie?
00:14:54
Uh, pretty sure I told you, Nancy. I have always loved Fireflake.
00:14:58

I'm sorry. I remember now, you did tell me that.

00:15:01

Well, uh, thanks for coming in.

00:15:03

We're obviously gonna hear a lot of takes, but it seems like you have a special connection to the material.

00:15:09

I do.

00:15:11

[elevator dings]

00:15:14

[chuckles]

00:15:17

[sighs]

00:15:19

[Paige snorting]

00:15:19

Aw. Aha!

00:15:22

I'm famished. Let's find a place where I can get a glass with an olive in it.

00:15:25

Try to stay on task, won't you, Maxy?

00:15:27

If Sarah Lynn was going to meetings here, someone must have seen her, and if someone saw something, then I wanna know it, particularly as it pertains--

00:15:34

What crime have I committed to deserve so long a sentence?

00:15:37

I've got a point.

00:15:38

Once you arrived at it, send me a postcard.

00:15:40

The starlet was alone when she died, right?

00:15:42

But there was someone else with her while she was blotto.

00:15:44

Who was that person? What'd they see?

00:15:47

And why weren't they mentioned in the police report?

00:15:49

There's your who, what and why.

00:15:50

Get a when and a where in there, and we've got ourselves a story.

00:15:53

Bully for you, you're almost caught up to where I was an hour ago.

00:15:56

Let's chat again in an hour when you've gotten to where I'm at now.

00:15:58

Sounds good.

00:15:59

In the meantime, someone in this building might just offer the key that opens the gate to the garden with the tree that bears the fruit that is our scoop.

00:16:06

Get someone to squeal on an AA meeting?

00:16:07

I do believe one "A" of the two stands for "anonymous."

00:16:11

The other "A", I could not possibly fathom.

00:16:13

I envy your faith in the honor and discretion of other people.

00:16:16

Let's see how that honor stacks up against the desire to dish on celebrities so as to appear swank by association.

00:16:22

Excuse me, kind stranger. I'm writing a story

00:16:25

-on the efficacy of your program. -Uh-huh.

00:16:27

I understand one of the pillars is anonymity, but if you could...

00:16:30

I once saw Craig Ferguson here! I don't know why I said that.

00:16:32

[gasps]

00:16:32

Oh.

00:16:34

I really shouldn't say. It's anonymous, but I have seen Robert Downey, Jr.

00:16:38

Jamie Lee Curtis winked at me once.

00:16:41

Colin Farrell, Russell Brand, the Ikea Monkey.

00:16:45

-Sarah Lynn, I've seen. -Really?

00:16:47

About a month before she died. It was pretty clear she was using.

00:16:50

Well, how do you figure? Did she say something?

00:16:52

She didn't, but her friend did.

00:16:55

-Her friend? -Large fella.

00:16:56

I think he was a horse or a bull maybe, it's hard to remember.

00:17:00

Kind of like a rounder Brad Garrett type, but with a very forgettable face.

00:17:04

He told a story, though, I remember that.

00:17:06

It was about a trip he took to... New Mexico.

00:17:10

-Oh? -Yeah, it was about a girl and a mother.

00:17:13

Oh, this is so long ago now.

00:17:15

I think he had sex with the girl, or maybe he had sex with the mother?

00:17:19

Well, do get your story sorted, but I'd prefer it if it's sordid.

00:17:23

And this man left with Sarah Lynn?

00:17:25

Do you recall anything else about this man, his name, perhaps?

00:17:28

No, but I remember the girl's name.

00:17:30

Yes, Sarah Lynn, now we're all up to speed.

00:17:33

No, the girl from his story. The one in New Mexico.

00:17:37

He was weirdly proud of it, said her name was Penny Carson.

00:17:41

Carson, eh?

00:17:43

"Penny Carson," he said. "And that's her real name, you can look her up!"

00:17:47

I remember thinking, "Why does he want us to look her up?"

00:17:52

[both]

00:17:52

Hmm.

00:17:55

So she's sexy, but don't you call her sweetheart.

00:17:59

[laughs]

00:17:59

Boy. -Oh, that is so Fireflake.

00:18:02

[yelps]

00:18:02

-Oh, wow!

00:18:03

-Stop! -What?

00:18:04

-I'm sorry, I can't let you-- -Uh, excuse me.

00:18:07

Are you already-- Sorry. I'm sure she's got a great pitch, but the movie you want, it's just not realistic.

00:18:11

Sure it is. Wendy Wiggum ate fire as a baby and now she holds the power of the Fireflake. It's all very logical.

00:18:17

No, I just mean you're doing this all wrong.

00:18:19

She saves the day, and everybody loves her?

00:18:22

I mean, yeah, that makes sense if she's a man.

00:18:24

But it's never worked like that for me.

00:18:25

Well, this isn't about you.

00:18:27

That's right! It's about an exotic dancer who's also interdimensional.

00:18:31

No. I mean the rules are different for women.

00:18:33

If you're a woman and you save the day, nobody loves you.

00:18:36

People take you for granted, or worse, they resent you.

00:18:39

They punish you.

00:18:40

The more powerful you are, the more they'll take your power away.

00:18:43

And I just think if your movie is smart, you'll acknowledge that.

00:18:46

-Ooh, yeah, sounds like a bummer. -Yeah, it's a bummer.

00:18:49

Being a superhero is hard. Otherwise, everyone would do it.

00:18:52

Okay, well, thank you for--

00:18:53

Maybe that is a bad superhero movie. Not aspirational enough, I don't know.

00:18:57

But it's real. And it's different.

00:19:01

Also, in my version, she's gay. Okay, bye!

00:19:04

[door closes]

00:19:05

[elevator dings]

00:19:07

[sighs]

00:19:11

[chuckles]

00:19:14

[tango music playing]

00:19:17

You're not bad for a beginner.

00:19:20

Wrong on both counts.

00:19:21

I'm no beginner. And I'm very bad.

00:19:23

[both humming]

00:19:27

[groans]

00:19:29

[shouts]

00:19:29

-Whoa!

00:19:30

Ow! What the hell?

00:19:32

-Cut! Is everyone okay? -I don't know. Do I have a concussion?

00:19:35

-You fell like a foot. -

00:19:35

[groans]

00:19:36

-Why did you drop me? -Why'd you scream at me?

00:19:38

-Hey, guys-- -I didn't know he was gonna dip me.

00:19:40

-That's not what we rehearsed! -You said to have fun with it.

00:19:43

I meant fun energy. I didn't mean change the choreography.

00:19:45

I can't do this. I am number one on the call sheet...

00:19:47

[overlapping dialogue]

00:19:47

---and all I ask for is a modicum

00:19:50

-Breaking news! She's number one! -of respect and professionalism.

00:19:52

Okay, let's everybody cool down.

00:19:53

Do not tell me to cool down like I'm the crazy person here.

00:19:56

I'm just trying to have a safe workplace environ--

00:19:59

I had you. What the fuck is wrong with you?

00:20:01

-I'm... I'm going home. -Gina, we need to get this sequence,

00:20:04

-and we are already behind. -Not my problem.

00:20:07

I get that you're mad, and you're totally right, but everybody else here--

00:20:11

Not my problem.

00:20:12

[Gina sighs]

00:20:12

[grunts]

00:20:15

You got that dip, though, right?

00:20:17

[dance music playing]

00:20:23

Okay. Trey and I will be in the coatroom, doing hand stuff.

00:20:26

-Otherwise, you don't know anybody here. -

00:20:26

[chuckles]

00:20:29

[indistinct chattering]

00:20:32

[grunts]

00:20:32

Hey! -Sorry.

00:20:36

[gulping]

00:20:36

[laughing]

00:20:39

[groans]

00:20:41

[snoring]

00:20:42

[breathing heavily]

00:20:42

[muffled noise]

00:20:44

[heart beating]

00:20:48

[man]

00:20:48

Oh! What do you see? -What?

00:20:50

You're having an anxiety attack, so look around the room and tell me what you see.

00:20:54

I-I see people partying and passing out!

00:21:00

What else do you see?

00:21:01

Um, books. Pizza boxes. I see light fixtures.

00:21:06

I see an odd amount of floor poofs.

00:21:10

-Okay, now say your name. -Hollyhock.

00:21:12

-Last name too. -No, we'll be here all night.

00:21:14

-You feel any calmer? -Yeah, actually. A little bit.

00:21:18

It's a trick my psychiatrist taught me. It's supposed to help you ground yourself.

00:21:23

-Thanks. -Except for the saying your name part.

00:21:25

That's not really part of it. I just wanted to know your name.

00:21:28

Oh. Okay, cool.

00:21:31

I-I'm Peter, by the way.

00:21:32

Just so you don't have to wait for me to have an anxiety attack too.

00:21:32

[chuckles]

00:21:36

-Hollyhock. -Yeah, I know.

00:21:37

Oh.

00:21:37

[chuckles]

00:21:37

Right.

00:21:39

So, this party's kind of crowded. You wanna go get some air?

00:21:43

Yeah. But it's pretty cold out.

00:21:46

-Oh, yeah, that's true. -But we're wearing jackets!

00:21:50

Also true.

00:21:53

Darling, you must keep the cake cold and the flowers fresh for just a moment longer.

00:21:57

This story has revealed itself to be thornier than a rose bush and just as sweet.

00:21:57

[chuckles]

00:22:02

When shall I return? Well, I haven't sorted that out yet.

00:22:05

It seems I've gone to New Mexico for a spell.

00:22:07

[wind howls]

00:22:07

-Whoa!

00:22:09

Well, we're here.

00:22:15

So I wanted to talk to you because I'm directing a new movie: "Fireflame"!

00:22:19

"Fireflame"? Get that money. Nom, nom, nom, nom, nom, nom!

00:22:23

Yeah. So I need an actress. Someone tough, but vulnerable.

00:22:28

I know you're working with Gina Cazador. What do you think of her?

00:22:30

[stammers]

00:22:30

Look, if you've seen her work, you know what she can do.

00:22:34

She's very versatile. Really talented.

00:22:37

But personality-wise, what's she like? Is she good to work with?

00:22:40

I can't risk any drama on set. There's too much riding on this for me.

00:22:43

[sighs]

00:22:43

If I'm being honest, I can't recommend her.

00:22:46

-No? -Especially if you have a lot of stunts.

00:22:48

I mean, don't get me wrong, she's great on camera. She just...

00:22:51

-Uh... She can be a little difficult. -What do you mean?

00:22:55

I don't know what happened.

00:22:56

I worked with her a couple years ago, she was great, but, um...

00:22:58

[inhales sharply]

00:23:00

Oh, you know who'd be perfect? Courtney Portnoy!

00:23:03

Oh! I love her.

00:23:04

I've heard nothing but good things.

00:23:09

[gulping]

00:23:11

[coughs]

00:23:12

It's fine. You're not even supposed to like it yet.

00:23:14

It tastes okay-er over time.

00:23:16

Yeah, I'm kind of aspiring to be okay-er over time myself.

00:23:20

You know, I actually didn't even drink for like all of college.

00:23:23

I had some shit go down in high school, and...

00:23:25

You know, there was this girl in my town. Anyway, it's a long story.

00:23:29

No, I wanna hear it.

00:23:30

Okay. She had this man living in her house.

00:23:35

You mean like more than one dad?

00:23:37

No, no, she had just the one dad, but then there was this other guy.

00:23:42

-Weird. -Totally weird, right?

00:23:43

Okay. So this girl was best friends with my girlfriend.

00:23:46

We all went to prom together: me, my girlfriend, the girl, and the man.

00:23:51

Wait, the man went to prom with you? Yeesh.

00:23:54

That's not even the yeesh-iest part.

00:23:56

This guy bought us bourbon and practically forced us to drink it, and then when my girlfriend got alcohol poisoning, he just ditched us at the ER.

00:24:04

Was your girlfriend okay?

00:24:06

Yeah! Yeah, yeah, yeah. I mean, it was scary in the moment.

00:24:09

We were there all night and they pumped her stomach.

00:24:11

And I was pretty traumatized for a while.

00:24:11

[stammers]

00:24:11

But things are good now.

00:24:14

Things are good. Because at some point, I realized it wasn't the alcohol's fault, or Maddy's fault, or my fault. It was just some shitty dude, you know?

00:24:24

Totally.

00:24:26

But you know the craziest part of all?

00:24:28

The guy, he's actually kind of famous.

00:24:32

-Really? -Yeah, I never heard of him, but it turns out he's kind of a movie star.

00:24:37

Who is he?

00:24:39

[exhales]

00:24:39

Um...

00:24:45

Who is he?

00:24:49

■ Back in the '90s I was in a very famous TV show ■

00:24:58

-■ I'm BoJack the Horseman ■ -■ BoJack ■

Ep 9 — Intermediate Scene Study w/ BoJack Horseman

00:00:14

[BoJack]

00:00:14

What is acting?

00:00:17

Anyone?

00:00:19

-Anyone? -

00:00:19

[grunts]

00:00:20

Acting is about leaving everything behind, and...

00:00:20

[clicks tongue, sighs]

00:00:27

And becoming something completely new.

00:00:30

What is acting? Anyone?

00:00:32

Acting is about leaving everything behind, and... becoming something completely new.

00:00:38

[exhales deeply]

00:00:40

[classical music]

00:00:43

[pants]

00:00:45

Becoming something completely new.

00:00:45

[sighs]

00:00:48

[both]

00:00:48

Huh?

00:00:49

[exhales]

00:00:49

Hey-o!

00:00:51

[chuckles nervously]

00:00:51

Oh...

00:01:03

What is acting?

00:01:05

Anyone?

00:01:06

Anyone?

00:01:07

Acting is about leaving everything behind and becoming something completely new.

00:01:15

Nailed it.

00:01:20

[grunts]

00:01:23

And that's a Sharpie.

00:01:25

[theme music playing]

00:02:28

[clears throat]

00:02:30

Good morning, my name is Professor Horseman,

00:02:32

which will remain on that whiteboard forever,

00:02:34

and this is Intermediate Scene Study.

00:02:36

What is acting? Anyone?

00:02:38

[all]

00:02:38

Ooh! -Oh! Okay. You.

00:02:41

According to Stanislotski,

00:02:42

acting is the desire to create inside of oneself

00:02:45

another, deeper, more interesting life

00:02:47

than the one that actually surrounds him... or her.

00:02:50

-Oh, okay, yes, but also... Yes? -

00:02:50

[girl]

00:02:50

Oh!

00:02:53

Meisner would say, "Acting is behaving truthfully under imaginary circumstances."

00:02:57

Acting is behaving truthfully under imaginary circumstances.

00:03:00

Uh, okay, wow. So, that's acting. But what is--?

00:03:03

Guys, I'm concerned this class is getting very theory-qua-theory...

00:03:06

I was about to say that.

00:03:08

...when technique should be a means toward a more engaging art.

00:03:11

-Well, quite astute. -Sorry, horse professor. What's acting?

00:03:14

Um...

00:03:15

Acting is the, um...

00:03:15

[grunts]

00:03:18

Acting is...

00:03:20

Uh...

00:03:22

I don't know what acting is. I don't know what I'm doing.

00:03:26

I shouldn't be here.

00:03:27

[boy]

00:03:27

Wow. -

00:03:27

[girl]

00:03:27

Oh!

00:03:29

No, I don't want to quit. I'm acting! That's acting.

00:03:33

Oh!

00:03:34

Class dismissed.

00:03:36

But we still have an hour and 20 minutes left.

00:03:38

Yes. Again, I was acting.

00:03:40

You sounded serious.

00:03:42

Instead of judging my acting, how about you act and I judge you?

00:03:45

-For real? -Yeah. Good point.

00:03:46

We could show you the scenes we were working on last semester.

00:03:49

Uh, sure.

00:03:51

-This is from "Kablammo, Mother." -Whenever you're ready.

00:03:55

Mama, where's Daddy's old World War II grenade with the pin still in it?

00:03:59

[in British accent]

00:03:59

Why would you want an old thing like that?

00:04:02

Tonight, I intend to explode myself. Where are the extra towels?

00:04:07

-Okay, okay. Stop, stop. -What?

00:04:09

-Does this play take place in England? -

00:04:09

[normal voice]

00:04:09

No.

00:04:11

So why are you talking with an English accent?

00:04:14

I'm acting.

00:04:15

Just as an exercise, maybe use your normal voice.

00:04:18

And Tawnie, when you're telling your mother you're gonna kill yourself, the next line is, "Where are the extra towels," right?

00:04:24

And the character's being very casual,

00:04:26

so maybe she should also be casual when she says she's gonna kill herself.

00:04:29

Like it's a big deal, but it's not a big deal for her.

00:04:31

-Like that's the irony of the scene. -Whoa! That's really smart.

00:04:35

Yeah. Yeah, it is.

00:04:38

Okay, let's see it again.

00:04:40

So, darling, what fun and games shall we play?

00:04:44

Shall we play Scattergories?

00:04:46

[raspy voice]

00:04:46

I detest Scattergories!

00:04:48

Whatever the prompt, you always answer in vague allusions to the baby we never had!

00:04:53

Stop. You're both talking to the audience.

00:04:55

I want you to talk to each other, you're having a conversation.

00:04:59

-Hey! Who's you? -Who's me? Screw you is who's me!

00:05:03

I got the leads. The Gooba Gooberry Falls leads.

00:05:06

Mm! Them's them good leads.

00:05:09

-Hubba hubba, I'm horny for leads! -Okay, here's my question for you.

00:05:12

Does your character know he's horny for leads, or is he discovering it?

00:05:17

Who's next? Great. What's the scene?

00:05:19

The scene is I'm late for my next class.

00:05:21

We were supposed to get out 20 minutes ago.

00:05:23

Oh, shit. Sorry. See you Wednesday.

00:05:25

Great work today. Way to go, team.

00:05:27

We did it. That was great, huh? How good was I?

00:05:31

[sighs]

00:05:31

[door closes]

00:05:36

Whitfield, we've been here six weeks. How do you think this is going?

00:05:40

-I think I'm crushing it. -Wow, okay. Well, I admire the confidence.

00:05:44

I know you're an acting major.

00:05:45

And I guess I just-- I wanted to make sure that you're taking other classes.

00:05:50

Like, Economics, or maybe a plumbing course.

00:05:54

Or rental car cashier class? I don't know.

00:05:56

What would you want to do if the acting thing doesn't work out?

00:05:58

Hold up, do you think I'm not a good actor?

00:06:00

Whoa, whoa, whoa!

00:06:01

You said "Not a good actor." But now that you've said it...

00:06:05

Some would say there are no bad actors, only bad teachers.

00:06:08

What about Jason Segel? He was a bad actor in Bad Teacher.

00:06:11

I am a wonderful actor.

00:06:14

You'll see.

00:06:16

[door closes]

00:06:16

-Okay.

00:06:20

She knew I was drunk, but she still let me drive off with Jonathan.

00:06:24

Whoa, oh! I'm a drunk!

00:06:27

Jesus, I had no idea, I--

00:06:28

Booze has taken everything from me.

00:06:31

-My job as an airline pilot, my wife. -Huh? What the--?

00:06:34
Those two things.

00:06:35
[sighs]

00:06:35
Okay. I see what's happening.

00:06:37
Sorry, everybody. This is one of my acting students.

00:06:40
-He's trying to, um-- -Who's Whitfield?

00:06:42
-Nobody said "Whitfield." -My name is Whip Whitaker.

00:06:45
-Did you follow me here? -I drank the vodka bottles on the plane.

00:06:48
Drove the plane upside-downsy. Yeah, I'm drunk now.

00:06:52
-Wow. -No, don't--

00:06:53
We've all been there, man.

00:06:54
He hasn't been there. That's the plot of the movie Flight.

00:06:57
Glug, glug, glug.

00:06:59
-That wet the ol' whistle. -So sorry, everyone.

00:07:01
Now I'm completely over the 0.8 percent blood alcohol level.

00:07:05
-I'm in trouble. I am wasted. -This is very disrespectful.

00:07:08
-Hammered... -We work hard to create a safe space here.

00:07:11
-...tankd, blitzed... -So sorry about that. I recognize that.

00:07:13
-...Irish, canned, smashed... -I value this room, just know that.

00:07:16
-...annihilated, laced, faded. -Really sorry about all of this.

00:07:19
-So sorry. -In conclusion, I am a drunk.

00:07:23
The big D.

00:07:26
-Fine. Shut up. You're a drunk. -Aha! Wrong, I was acting!

00:07:30
It appears the student has become the student-er.

00:07:34
[sighing]

00:07:36
Wow, an actor.

00:07:42
-Uh...

00:07:42
[grunts]

00:07:42
[crowd cheering]

00:07:45
[panting]

00:07:48
[both grunt]

00:07:50
Foul! That fowl fouled, ref! Where's the whistle?

00:07:53
-Ugh! -There are women tossing women everywhere!

00:07:57
What is this, the Running of the Brides at Filene's Basement?

00:07:59

Who's with me?

00:08:01
[slurps]

00:08:03
Okay.

00:08:04
-Um, they're allowed to do that in rugby. -What? Really?

00:08:07
Also, nobody knows what Filene's Basement is.

00:08:10
That's a shame. You definitely paid too much for that coat.

00:08:12
[whistle trills]

00:08:12
-Oh, is it over? Did we win?

00:08:17
[exhales]

00:08:17
Hey, you're really good. I think.

00:08:19
Don't feel like you have to come to these things if it's not your thing.

00:08:23
No, I liked it. Look at us. Doing college.

00:08:26
I'm just saying you have your things and I have my things. It's okay.

00:08:31
-You wanna get something to eat? -I-I can't.

00:08:33
When we win, we all go to Conspiracy to celebrate.

00:08:36
-Sounds fun. Can I join you? -I don't think you should.

00:08:39
It's a bar, and there will be alcohol there.

00:08:42
-That's okay. -And young girls.

00:08:43
-What's that have to do with anything? -Nothing. Just stating a fact.

00:08:48
-Okay. Well, then, I guess I'll see you. -Wouldn't wanna be you!

00:08:51
But I would. You're cool.

00:08:54
Thank you.

00:08:56
Hmm.

00:09:01
Yes, good. Keep doing what they're doing.

00:09:04
[sighs]

00:09:04
Tawnie, you're Hollyhock's best friend...

00:09:07
-We're actually in a fight right now. -Again?

00:09:09
Our fights are like Adele songs.

00:09:11
All kind of the same one, but with different specifics.

00:09:14
-Well, do you understand this rugby thing? -Uh, honestly? No.

00:09:18
She came back from winter break super aggro, but that's Hollyhock, right?

00:09:21
Suddenly, she decides, "This is what I'm all about now, and everyone else just has to get on board."

00:09:25
What are we supposed to do with that?

00:09:27

-Whoa! -I guess... get on board.

00:09:31

[whistle trills]

00:09:32

Get it out, get it-- Yes, nice.

00:09:34

Nice run! Very nice!

00:09:36

Touchdown! That's my sister!

00:09:38

Good try!

00:09:39

Try? She did it. She scored.

00:09:41

It's called a try.

00:09:42

Try to keep up.

00:09:44

-Hey! Hey! -

00:09:44

[sighing]

00:09:50

-Yeah! -Yes, Cardinals!

00:09:51

-All right! -All right!

00:09:53

[both grunt]

00:09:57

The two teams applaud each other, and then the referees.

00:09:59

As is customary. See footnote.

00:10:01

We know.

00:10:03

What's up, rugger?

00:10:04

Two tries, two conversions, and a drop goal?

00:10:06

Jonah Lomu over here.

00:10:08

-Great game, Hock. -Oh, Hock.

00:10:10

I like it. Can I get a nickname too, Regina?

00:10:13

How about, "Professor Horseman, adult faculty member"?

00:10:16

-We have to go. -Yeah, go.

00:10:18

Go. See you. See you on the scrumming pitch.

00:10:21

[whistle trills]

00:10:22

W-E-S-leyan!

00:10:24

We will rock and maul and win!

00:10:26

Wait. Where's Hollyhock?

00:10:28

You mean Hollyhock Manheim-Mannheim-Guerrero...

00:10:34

Hey. What the hell? You quit rugby?

00:10:36

God. You sound like three of my dads.

00:10:39

-The other five were relieved. -You were good.

00:10:41

I need to focus on my studies. I'm not just here to get my ya-yas out.

00:10:45

Yeah, but rugby's our thing.

00:10:47

[sighs]

00:10:48

Okay, then I guess we'll just-- We'll find a new thing.

00:10:50

How about my thing is reading Gender Trouble by Judith Butler, and your thing is being a teacher?

00:10:57

Are you okay?

00:10:58

[sighs]

00:10:58

I'm just busy with school stuff.

00:11:00

You got your showcase in a couple weeks?

00:11:02

"An Evening of Modern American Scenes"?

00:11:04

Yeah. I'll-- I'll go to that.

00:11:07

-Great. I'll see you then. -Yeah, see you then.

00:11:10

Not if I see you first--!

00:11:16

[phone ringing, beeps]

00:11:18

-Hello? -Hey, listen.

00:11:19

-It's your very good accountant, Gaz. -Hey, Gaz.

00:11:21

I just noticed you spent a lot of money last year.

00:11:24

-Did you go to rehab? Like, a lot? -You just noticed that?

00:11:27

I've got a ton of clients, okay? And this was a big cocaine year for me.

00:11:30

But we're fine. Just make another movie, and you'll be fine.

00:11:33

-You're working on a movie? -No.

00:11:34

Actually, I'm a college professor now.

00:11:36

[sputters]

00:11:36

What, do you hate money?

00:11:38

-Gaz... -Ah, no, no, no, it's fine.

00:11:40

Basically, we're fine. As I told my wife before she left me,

00:11:42

I'm not worried, and you shouldn't be either.

00:11:44

We may need to unload some assets, though.

00:11:46

-You still own that restaurant? -Elefante?

00:11:48

I'd love to dump that money pit, but what idiot would buy it?

00:11:51

-Sold! On this arrangement. -Of course you're sold. It was your idea.

00:11:56

Explain it to me one more time?

00:11:59

Okay. You'll spend a lot of time with international superstar sex symbol, Joey Pogo, building a close emotional bond.

00:12:05

After you've established that connection, you'll share one magical evening of intimate sexual congress, after which, we'll finally be even.

00:12:12

You'll marry me, and the two of you will never see each other again.

00:12:15

-Well, I guess it's worth a try. -■ Who's that dog? ■

00:12:17

-■ Mr. Peanutbutter ■ -Excuse me.

00:12:19

[phone beeps]

00:12:19

-Hello? No?

00:12:20

Really? Wow, hold on a sec.

00:12:22

Pickles, should I buy Elefante?

00:12:24

Ooh! Then you'd be my husband and my boss.

00:12:27

Like Ike and Tina Turn-- No.

00:12:29

-Well, I'm sure there are good examples. -There must be.

00:12:32

But buying a restaurant's a big commitment.

00:12:34

What if I went in on it with you? I like food.

00:12:36

Great idea, Joey Pogo. I'm in!

00:12:39

On you being in. On it. With me.

00:12:42

I've got big ideas for this place.

00:12:44

One word-- lazy Susans.

00:12:47

Hold on.

00:12:47

Before we make any rash decisions, should we maybe consider the long-term...

00:12:52

[stammers]

00:12:52

Pickles, this guy on the phone is waiting, and I don't want to be rude.

00:12:56

Sorry. Of course. Finish your conversation.

00:12:58

-Sold! -

00:12:58

[phone beeps]

00:13:00

-Now, you were saying? -...ramifications.

00:13:02

Lazy Susans.

00:13:06

[raspy voice]

00:13:06

Oh, Heidi, you'll never bag a man with all your talk of feminism, and your grandfather in Switzerland, and all your little goat friends--

00:13:13

Stop. Terry, this character is 28.

00:13:16

Is that what you think a 28-year-old sounds like?

00:13:19

[normal voice]

00:13:19

I mean, yes?

00:13:20

You do the same old-man voice for every character.

00:13:23

Gotta have a gimmick if I'm gonna make it in the show business.

00:13:25

In "the show business," when they have old man characters, they cast real old men.

00:13:29

-I'll show you. -Please don't.

00:13:31

You'll see.

00:13:33

We still have 20 minutes of class left.

00:13:38

I'd driven across that bridge drunk hundreds of times, but never on black ice.

00:13:42

[door opens]

00:13:42

[Terry in raspy voice]

00:13:42

Back in my day,

00:13:44

-we called that "the hidden slipperies." -Oh, no.

00:13:47

But we didn't go to meetings and talk about our problems.

00:13:50

-No, we made moonshine in bathtubs. -Please leave. Now.

00:13:53

-Who's Terry? -Nobody said Terry.

00:13:55

Mind if I sit a spell? These old bones need a rest.

00:13:57

Sure, take it easy.

00:13:58

Everyone, this is another one of my students.

00:14:01

I'm very sorry, I have no idea why they think this is gonna impress me.

00:14:04

I just relieved myself in my adult diaper.

00:14:07

Terry...

00:14:08

Here I am, in the twilight of my years, having drunk it all away.

00:14:12

-My job as an airline pilot... -Wow.

00:14:14

-My son... -You don't have a son.

00:14:16

Not anymore I don't, because I abandoned him.

00:14:19

I abandoned my boy!

00:14:21

[Whitfield]

00:14:21

Papa? -My boy!

00:14:22

-Oh, my God. -Papa? Is that you?

00:14:25

I've gone blind, me has, from working in the distillery!

00:14:28

Oh, my sweet child!

00:14:31

Ugh.

00:14:36

Todd, why don't you and Ruthie go for a stroll while I talk to these acting students?

00:14:40

She's just a baby, and I don't want to expose her to too much desperation.

00:14:43

-You got it, boss. -

00:14:43

[Ruthie giggles]

00:14:46

Today, we have a very special guest.

00:14:48

This is my friend, Princess Carolyn, who was nice enough to come here to talk about the business of acting.

00:14:55

So, please do not embarrass me.

00:14:58

Oh, no.

00:14:59

How many months until people get discovered, usually?

00:15:02

One? Two?

00:15:02

[gasps]

00:15:02

Three?

00:15:05

This is more of a comment than a question, but I've seen every Robert Altman movie.

00:15:09

What's the best diner to be discovered in drinking a milkshake?

00:15:12

[sighs]

00:15:13

What if I want to do nudity? Do I still have to sign a waiver?

00:15:18

Huh!

00:15:18

[yawns]

00:15:21

Whoo!

00:15:23

Hey, who's the kid that didn't ask a question?

00:15:25

-The brooding kid in the back. -Oh, that's Stan.

00:15:28

That kid's got it.

00:15:29

The look, the sauce, the power to make me feel like a 13-year-old girl, and to make a 13-year-old girl feel like a woman.

00:15:36

I wanna cast him.

00:15:37

-You haven't even seen him act. -Is he good?

00:15:39

[sighs]

00:15:39

He's the best actor I got.

00:15:42

I had my doubts when he did the scene from Proof, but when he did the scene from Doubt, I thought, "There's the proof."

00:15:47

-I have to sign him. -No.

00:15:48

Stan needs to finish school. He's a sophomore.

00:15:51

Great! A legal adult but he looks young.

00:15:53

He can play all the roles that other young, impressionable actors can't because they keep ODing, or going to prison, or going to rehab, or killing themselves.

00:16:01

-No, he's not ready. -Why don't we let Stan decide?

00:16:05

I want to be your manager.

00:16:07

And I can get you Brooding Birthday Boy on "Birthday Dad" right now.

00:16:12

Stan, LA's not going anywhere.

00:16:13

But you need an education, something to keep you grounded.

00:16:16

Stan, look at me. You have an opportunity now.

00:16:19

What do you need, a piece of paper? You're done with this place.

00:16:22

Stan? Stan. Stan, Stan.

00:16:24

One day, you're gonna look back and realize these days on campus, they were the last days you were truly free.

00:16:31

You want "free"?

00:16:32

Check out the Smirnoff Ice gifting suite at the Emmy Awards after-party!

00:16:35

My whole career, all I wanted was to get to a place like this, and I didn't even know it.

00:16:40

Out there, there's nothing to protect you.

00:16:42

No, but there's a Patagonia jacket that says "Birthday Dad" on it that you get from being on "Birthday Dad."

00:16:48

We're safe here, Stan. Please, don't make the mistake I did.

00:16:52

Come on, you'll get your own chair with your name on it!

00:16:55

[sighs]

00:16:55

Damn it. -Oh, good boy. Yes, he's a good boy.

00:16:59

Okay, first thing, we're gonna get these teeth fixed.

00:17:07

[air horns blaring]

00:17:10

[vocalizing]

00:17:14

Marshmallow?

00:17:18

Thanks!

00:17:18

[munching]

00:17:20

That was for the child.

00:17:21

Oh, should've specified.

00:17:23

If she can abstain from eating the marshmallow for 15 minutes, she'll receive an even bigger reward.

00:17:28

An even bigger reward than a marshmallow?

00:17:31

Remember these times, Ruthie.

00:17:33
Mm-hmm.

00:17:37
[phone beeps]

00:17:38
[phone buzzes, beeps]

00:17:39
-Go Todd for Maude! -You're sitting in front of a marshmallow, and if you don't eat it, you get a bigger reward in 15 minutes.

00:17:44
-What do you do? -Don't be a sucker, Todd.

00:17:45
Eat the marshmallow.

00:17:47
Who knows what the world's gonna be like in 15 minutes?

00:17:49
That's all I needed to hear.

00:17:50
-Thanks, Maude. -

00:17:50
[phone beeps]

00:17:52
[Ruthie giggles]

00:17:54
Oh, no! What have I done? We've got to find another marshmallow!

00:17:58
[phone buzzes, beeps]

00:17:58
-Hey, Todd. You've got the Maude Squad.

00:18:00
Just kidding, it's just Maude. I don't have a squad.

00:18:02
Maude? I didn't go to college.

00:18:04
-Where can I get a marshmallow? -The dining hall?

00:18:06
Dining hall? This is Wesleyan, not Hogwarts.

00:18:09
What's in a marshmallow anyway? Maybe I can make one.

00:18:12
I think they're mostly chemicals.

00:18:14
To the chemistry lab!

00:18:19
[grunts]

00:18:19
You! Make me a marshmallow! -

00:18:19
[Ruthie giggles]

00:18:22
I'm trying to cure brain cancer.

00:18:24
That's not important right now!

00:18:26
If I don't get a new marshmallow, some psychiatrist is gonna get mad at this baby.

00:18:30
A psychiatrist?

00:18:32
I am so sick of the soft sciences wagging the dog in conversations of behavioral development.

00:18:37
Let's teach them a lesson!

00:18:52
-I'm sorry, but the experiment's over. -What? Why?

00:18:55
Because you ate the marshmallow. Good day, sir.

00:18:58

Doctor?

00:19:02
[gasps]

00:19:03
You did it!

00:19:04
Hello, my name is Willie Wesleyan, and you've won the school, my boy!

00:19:09
Wesleyan University is yours.

00:19:12
What? Why?

00:19:14
Somebody needs to keep that stuffy old board of trustees in check once I've shed this mortal skin.

00:19:20
-Oh... -Sorry about that.

00:19:22
We're doing LSD research in the room next door.

00:19:24
-Come on, Mr. Phillips. Time to go. -

00:19:24
[laughing]

00:19:27
The frozzleberries taste like banozzleberries!

00:19:29
Yes, Mr. Phillips, everything tastes like something.

00:19:35
So this is college.

00:19:37
[drum roll]

00:19:40
[knocks on door]

00:19:42
-You wanted to see me? -Amy, yeah. Um, have a seat.

00:19:45
So we're nearing the end of the semester here, and I'm putting together the cast sheet for the student showcase.

00:19:50
-Uh-huh. -This showcase is a big deal.

00:19:53
This might sound crazy coming from famous television star, BoJack Horseman, but in some ways, this showcase means even more to me than the very popular TV shows that, again, I was the star of.

00:20:04
-It means a lot to me, too. -Does it?

00:20:06
'Cause you've been missing a lot of classes.

00:20:07
And forgetting your lines. You seem tired all the time, and...

00:20:10
I can be better. I'll prove it.

00:20:13
Okay.

00:20:15
As the water rose, I remember fumbling through the glove compartment, just praying that I could find a pin hammer so I could shatter the window.

00:20:22
-Uh, excuse me, is this... -No. Nope, no, no, no. Get out of here.

00:20:26
-This has to stop. -What?

00:20:27
This is a place for people who are serious about making a change, not for desperate acting students pretending to have problems, Amy.

00:20:34

I was just trying to get help!

00:20:35

-Oof! -

00:20:35

[crying]

00:20:36

Oh! Oops! That was...

00:20:40

Oops.

00:20:49

-Hey, do you know what this show's about? -I think it's about to start.

00:20:53

So keep your rugby voice on the field, okay?

00:20:55

It turns out my hypothesis was correct. Kids love marshmallows.

00:20:59

You don't say.

00:21:00

You still working on that memoir?

00:21:02

Well, funny story about that...

00:21:04

Oh, I love when stories start like that! Ooh! You should put this one in your book.

00:21:11

Where the hell is she?

00:21:13

Horse professor, we're ready when you are.

00:21:17

Lights.

00:21:21

[applause]

00:21:21

-Hello.

00:21:22

Thank you. Oh, wow, thank you. That's very nice, thank you.

00:21:25

Welcome to "An Evening of Modern American Scenes."

00:21:28

The students are very excited to perform for you tonight.

00:21:31

They've come such a long way over the course of the semester.

00:21:34

Like, a really-- a really long way. They were very bad before.

00:21:38

But now...

00:21:40

Well, I mean, you'll see for yourself, uh...

00:21:42

But, um, I'm proud of them.

00:21:46

Anyway, first up is a scene from Sam German-Shepherd's "Real America."

00:21:50

[crowd whooping]

00:21:53

You think real America's all about cowboys?

00:21:55

[line ringing]

00:21:56

Well, I say real America's about business! And capitalism!

00:22:00

[voicemail]

00:22:00

Hey, it's Hollyhock. -Ugh!

00:22:02

-Leave a message, if you're a hundred. -God damn it.

00:22:04

I'm starting to think the real America is me kicking your ass!

00:22:08

[all gasp]

00:22:12

BoJack? Oh, shit, your showcase!

00:22:15

Tawnie's gonna be so pissed!

00:22:17

Forget Tawnie. I'm pissed! And it's happening right now.

00:22:19

I'm sorry. I forgot.

00:22:21

I know your students just have to do a scene, but I have multiple final papers.

00:22:26

If you're implying acting is a bullshit major, you're right.

00:22:29

But people came all the way from California to see my showcase.

00:22:31

From Chicago. You can't even walk across campus?

00:22:34

Okay, let me put some pants on.

00:22:37

-You've been avoiding me all semester. -I just have a lot going on.

00:22:40

I go to school here. I'm a college student.

00:22:42

-I thought I'd see you more. -This was mine before you got here.

00:22:45

This was my life, my world, and you just, like, live here now.

00:22:49

And you could have asked me, by the way.

00:22:52

Okay, I'm sorry. I guess I thought my sister...

00:22:55

No, don't say that. Like it means something.

00:22:58

-It does mean something. -We don't know each other, really.

00:23:01

-What? -No, I'm just saying it's fine.

00:23:04

I had a life before I met you, and you had a life before you met me.

00:23:09

I don't want that life.

00:23:10

That life, that person? That's not who I am, I...

00:23:15

I'm sorry I came here without asking you first.

00:23:18

That was selfish.

00:23:19

Okay. Thank you.

00:23:21

If this is too weird for you, I don't have to come back next semester.

00:23:25

I can get a job somewhere else.

00:23:27

Tawnie says you're a really good teacher.

00:23:30

She did? Huh. I thought you were in a fight.

00:23:32

Yeah, but I still love her.

00:23:35

Are we in a fight?

00:23:37

Yeah, but...

00:23:37

[sighs]

00:23:39

Yeah.

00:23:41

I should get back to the show.

00:23:42

If you want to come back in the fall, that could be cool.

00:23:47

-Yeah? -Just...

00:23:48

We need to take things slow, you know?

00:23:51

Yeah. I know.

00:23:54

Thanks.

00:23:55

[Terry in raspy voice]

00:23:55

And in that moment, I knew this was my home.

00:24:01

[panting]

00:24:02

And as long as I was here,

00:24:05

I'd be safe.

00:24:07

-But then again, what do I know? -

00:24:07

[panting]

00:24:09

I'm just a 15-year-old boy living in Brighton Beach.

00:24:17

[cheering, applause]

00:24:21

[woman]

00:24:21

Yeah!

00:24:23

Horse professor.

00:24:24

-Come on. Get up here. -No, no, no.

00:24:26

-Get up here. -No, no, no. Come on.

00:24:32

Thank you.

00:24:34

Thank you so much.

00:24:40

[phone ringing]

00:24:45

[gasps]

00:24:52

[phone beeps]

00:24:53

Uh... Hello?

00:24:54

-You need to stop this. -What?

00:24:57

The reporters who keep trying to get Penny to tell her story.

00:25:00

What-- What reporters?

00:25:01

Whatever they're doing, I don't want to be included, okay?

00:25:04

I don't want my daughter to be included.

00:25:07

Charlotte, I swear, I don't know what you're talking about.

00:25:09

-Well, you better figure it out. -

00:25:09

[phone beeps]

00:25:11

[breathing heavily]

00:25:16

■ Back in the '90s I was in a very famous TV show ■

00:25:25

-■ I'm BoJack the horseman ■ -■ BoJack ■

00:25:27

■ BoJack the horseman Don't act like you don't know ■

00:25:35

■ And I'm trying to hold on to my past ■

00:25:39

■ It's been so long I don't think I'm gonna last ■

00:25:44

■ I guess I'm just trying To make you understand ■

00:25:47

■ That I'm more horse than a man ■

00:25:52

-■ Or I'm more man than a horse ■ -■ BoJack ■

Ep 10 — Good Damage

00:00:05

[stadium organ music playing]

00:00:09

[baseball bat cracks]

00:00:09

[crowd cheering]

00:00:11

Whoo! Come on, Baby Humans!

00:00:14

Oh, oh. You gotta try a Chicago-style baked potato.

00:00:16

Why does everything have to be "Chicago-style" here?

00:00:19

We get it. We're in Chicago.

00:00:21

-Come on. Just try it. -

00:00:21

[scoffs]

00:00:21

Look at this.

00:00:23

Fork and knife individually wrapped.

00:00:25

-So much plastic! -Oh!

00:00:27

-Oops. -Yeah. "Oops."

00:00:29

Or the Chicago Baby Humans are owned by the brother of the CEO of Plastico.

00:00:33

And we are thereby complicit in this incestuous money-laundering scheme that's, oh, by the way, killing the planet.

00:00:40

[scoffs]

00:00:40

But what are you gonna do, right?

00:00:46

■ Pick yourself right up When you're feeling down ■

00:00:52

■ Friendly smiling faces all around ■

00:00:57

■ The sun is shining down on you and me ■

00:01:03

■ Happiness is there for all to see ■

00:01:09

■ Everybody, come on And get your happy shoes on ■

00:01:14

■ I said, "Everybody, come on And get your happy shoes on" ■

00:01:19

■ Whoa, everybody, come on And get your happy shoes on ■

00:01:24

[electricity crackles]

00:01:35

-Good morning, beautiful. -Oh!

00:01:36

Wanna go try and hit a Chicago-style museum?

00:01:39

Oh, I'd love to, but I really have to work on my book. Next time.

00:01:43

Great! I've made my romantic offer. I've officially been a good boyfriend.

00:01:46

I will now retreat to our living room to play video games all day.

00:01:50

[sighs]

00:01:58

[theme music playing]

00:02:52

[film reel rolling]

00:02:55

Hello. I am Diane, and I am a young girl living in Boston and ever since I was that,

00:03:01

I wanted to write good things that were good, this is not good, fix this later.

00:03:05

[grunting]

00:03:05

Diane, as your father, I am very unsupportive.

00:03:09

Come up with examples of Dad being unsupportive.

00:03:13

Okay, yes. And, also, the girls from high school.

00:03:16

Hey, I'm Krissy Keating.

00:03:18

Can you use my real name?

00:03:20

Check if it's okay to use my real name.

00:03:22

Anyway, I was a real bitch to you, but now maybe you're realizing I was bullied, too?

00:03:27

-Is any of this interesting? -

00:03:27

[BoJack]

00:03:27

Hey, hey. Hey, hey, hey.

00:03:29

Put me in your book. Remember I gave you that salad bowl?

00:03:31

And I broke the bowl!

00:03:33

Answer your phone.

00:03:35

And I glued it back together with gold because I read an article about the Japanese art of kintsugi!

00:03:41

-And it fell apart again. -It kept falling apart like our marriage!

00:03:44

[Mr. Peanutbutter]

00:03:44

Is that something? Is any of this anything?

00:03:48

[BoJack]

00:03:48

Diane. Answer your phone. I'm calling you right now.

00:03:51

[phone buzzing]

00:03:51

-What?

00:03:54

[phone beeps]

00:03:55

-Hello? -

00:03:55

[BoJack]

00:03:55

Hey, Diane.

00:03:56

If I had my shitty students do a night of scenes here at the end of the semester, would you come see it?

00:04:01

It's gonna suck, so I wanna pack the house with friendly faces.

00:04:04

When you sell it like that, how can I resist?

00:04:06

How's that book coming?

00:04:07

-I'm actually at the mall, writing it now. -Why are you writing at the mall?

00:04:10

I couldn't focus at home and this is the only place

00:04:12

I could sit and work for ten hours.

00:04:13

I can get lunch here, I can people-watch,

00:04:15

all without having to endure what the Chicagoans refer to as "spring."

00:04:19

Hey, Chicago, 49 degrees is not spring.

00:04:22

-It's the non-Lachey half of a boy band. -What?

00:04:25

Forty-nine! Half of 98?

00:04:27

Diane, don't workshop your material in casual conversation.

00:04:29

Howie Mandel used to do it, too. Like, really, Howie?

00:04:32

You just happened to have a rubber glove in your pocket?

00:04:34

All I need to do now is actually write my book.

00:04:37

I have so many stories to tell, but I can't seem to figure out what the book is.

00:04:41

You gonna put any stories about me in there?

00:04:43

-I think I've written about you enough. -But no one else is as good at it!

00:04:47

I'm sure someone will rise to the occasion.

00:04:51

Baxter, darling, I've just a moment to update you on the progress of our Penny Carson crusade.

00:04:56

So far, we've been able to contact three of the four Penny Carsons

00:04:58

listed in New Mexico.

00:04:59

Baxter, there's nowhere I'd rather be than on our honeymoon cruise to "Unjuga,"

00:05:03

but I simply can't stop now.

00:05:05

We're on the lookout for the fourth Penny, and, God willing, she'll be the lucky one.

00:05:10

Oh! Hey.

00:05:11

-Caw-caw! Caw-caw! -

00:05:11

[gasps]

00:05:13

Oh...

00:05:13

[stammers]

00:05:13

Sorry, I didn't mean you. Paige!

00:05:16

[gasps]

00:05:20

Kisses, Baxter dear, it appears we've found our deer.

00:05:25

Okay. Book, here we go.

00:05:28

I grow up in Boston town because my father, who I never was close with, live in Boston.

00:05:32

That's not right English, I'll fix it later.

00:05:35

Me from Boston.

00:05:36

Well, you're not from Boston, but yeah.

00:05:39

-Whatever for now. -Beantown.

00:05:40

To really understand what it's like to grow up in Boston, you actually have to go back 250 years to the Boston Tea Party.

00:05:49

Taxation without representation is wicked unjust, bro!

00:05:53

Bro, check it out. I'm teabaggin' the harbor.

00:05:56

Oh, no freakin' way.

00:05:58

[laughs]

00:05:58

[grunts]

00:05:59

-Go, Pats. Unrelated. -

00:05:59

[Diane]

00:05:59

Stop.

00:06:02

-I'm getting distracted. -Why can't you stay focused?

00:06:04

What's wrong with your head, Deedee?

00:06:06

The idea behind the Japanese art of kintsugi

00:06:09

is that cracks in an object are part of its history.

00:06:12

-What does that have to do with anything? -We have to look at trauma!

00:06:15

Ugh.

00:06:16

[woman]

00:06:16

We totally have to look at Trauma.

00:06:18

-What? -There's a spring sale.

00:06:19

Forty percent off.

00:06:21

Ooh!

00:06:24

[grunting, groans]

00:06:27

[ivy]

00:06:27

Did you hear security still can't figure out who's stealing wallets?

Like...

00:06:27

[scoffs]

00:06:32

I bet my life it's that hag Devon from the hair crimper cart.

00:06:35
Oh, my God, yes, that theory is beast, Ivy.

00:06:38
-Excuse me, I'm sorry... -We forgive you.

00:06:40
You know the story about Gemberly, right? What they found in her locker?

00:06:43
-Tell me. -It was a--

00:06:44
I meant "Pardon me, I need another size."

00:06:47
But I can't seem to find a number on the tag?

00:06:49
-We don't see size here at Trauma. -Okay, but can you help me?

00:06:54
Sure. I think it would help if you figured out why you need to put a number on your body, and let me get back to this mystery.

00:06:59
Thanks.

00:07:01
[grunts]

00:07:02
[phone buzzing, beeps]

00:07:02
-Hello?

00:07:04
[Ivy]

00:07:04
Oh, my God, she's like taking a phone call.

00:07:07
Diane! Great news!

00:07:09
"Birthday Dad" premiered last night to a 0.006, which is the biggest network hit since the inventor of blood-scented perfume went on Shark Tank and got her arm bitten off.

00:07:18
Great!

00:07:19
Meanwhile, my company's running like gangbusters.

00:07:22
Is gangbusters a slur of some sort?

00:07:23
-Can we still say gangbusters? -I'll look into it.

00:07:25
And with Todd watching the baby, my work-life balance is on point.

00:07:29
-Did you call me just to brag? -I was thinking...

00:07:32
What would make my work-life balance even on pointier?

00:07:35
And it hit me: more work!

00:07:37
So, I thought I'd check in and see how your book's doing.

00:07:39
Oh. I'm still kind of figuring out what the "is" of it is, you know?

00:07:44
-It's been six months. -Okay, I think it's about...

00:07:48
-Trauma. -Trauma?

00:07:50
Or... damage.

00:07:51
You know, those bowls that break and then the cracks get filled with gold and then they're even more beautiful?

00:07:55

Maybe it's like that, you know?

00:07:57
Like, we've all been damaged, but it's good damage because it makes us more who we are.

00:08:01
Is that anything?

00:08:02
Yeah, good damage. I like it.

00:08:05
Send me the pages and we'll get 'em to the publisher.

00:08:07
Okay, but no hurry?

00:08:08
Okay, but, no. Hurry.

00:08:14
What can I get ya?

00:08:14
Some information with a side order of revelation.

00:08:17
Is that a type of pasta?

00:08:18
Oh, also a water. I am parched.

00:08:21
In fact, why don't you freeze that water into a cube shape and drop it in some bourbon.

00:08:25
We're looking to identify an associate of Sarah Lynn's.

00:08:28
Sarah Lynn? Is this about BoJack?

00:08:31
Is it about BoJack?

00:08:33
I don't know what you're looking for, but I don't know anything about it.

00:08:35
Okay? I haven't seen BoJack in years. Or Sarah Lynn.

00:08:38
But you have seen them?

00:08:40
I'm gonna go ask the kitchen about your pasta.

00:08:43
BoJack?

00:08:45
Wait, that's the fellow from the police report, who found the dead girl in the planetarium.

00:08:48
-Yes? - Found the dead girl.

00:08:50
-Are you smelling what I'm smelling? -

00:08:50
[snorts]

00:08:52
If he was also with her at the AA meeting...

00:08:54
Well, then why wouldn't he mention it to the police? What's he hiding?

00:08:56
You're starting to make more sense than a change machine.

00:08:58
Yeah, speaking of cents, what happened to Penny?

00:09:02
-Oh, poop! Our scoop's flown the coop! -Go, go, go! Gotta stay in the loop!

00:09:11
"So in a way, that salad bowl was me, and the cracks... were also me..."

00:09:16

-Ugh! It sucks, I'm sorry. -It's a first draft.

00:09:18

I can't remember what happened when and I keep getting distracted.

00:09:22

It's because of the meds. This is what I was afraid would happen.

00:09:24

But isn't it worth it?

00:09:25

You've been feeling so much better, right?

00:09:27

I do feel lighter, and clearer, but also so foggy.

00:09:31

You feel clear and foggy? How is that even possible?

00:09:34

-I don't know! Because of the fog. -Hey. Stick with it.

00:09:37

-With the writing? Or the fog? -Both.

00:09:44

Okay. So, start at the beginning.

00:09:46

I'm a baby.

00:09:47

[Todd]

00:09:47

Hey, baby!

00:09:48

Isn't it great to grow up in a comfortable upper-middle class home, surrounded by love?

00:09:54

But I didn't grow up surrounded by love. That's the problem.

00:09:57

You were fine! Name one example of me being a bad dad.

00:10:01

Uh, okay! What about how you made me lose on purpose at Boggle

00:10:05

so my brothers would think they were, quote, "wicked smarter than a girl."

00:10:09

-That's all you got? -I got other things!

00:10:11

There was lots of shit. Constantly! I just can't express--

00:10:15

Is this what your book is? Just you complaining?

00:10:19

As your target audience, I'm not hooked yet.

00:10:22

You are not my target audience.

00:10:23

[Ivy]

00:10:23

This book is like bore me with a spoon, Diane.

00:10:26

You know the story about Gemberly, right?

00:10:27

-What they found in her locker? -Tell me.

00:10:29

It was a note from the thief, saying where all the wallets were hidden.

00:10:32

What? What is this? I'm trying to write about my childhood trauma.

00:10:35

-Who are you? -I'm Ivy.

00:10:37

My mom and I just moved to Chicago from Southern California.

00:10:39

[Diane]

00:10:39

What? No. I can't...

00:10:41

My dad died and we needed a new start.

00:10:43

I don't really get Chicago yet, and the winters are cold AF, so I hang out at the mall a lot.

00:10:49

Malls are fun!

00:10:50

Or "beast," which is slang that young people like me say.

00:10:53

-You're Ivy Tran, right? -Ivy T. That's me!

00:10:56

I-I need help.

00:10:57

Someone's been filching onesies by the twosies from the fourth floor Baby Hole, and if I don't figure out whodunnit, my manager's gonna mount my head on the wall!

00:11:05

Yes, managers can be very annoying.

00:11:08

I'll take the case.

00:11:09

-Oh, and, also, I'm Vietnamese-American. -

00:11:09

[moose]

00:11:09

Beast.

00:11:13

"Ivy Tran, Food Court Detective"?

00:11:17

Well, I like this. It's fun.

00:11:19

My book is supposed to be a profound treatise on damage.

00:11:23

But I can't even access my damage. I'm too...

00:11:26

-hopped up on goof-berries! -What the hell is a goof-berry?

00:11:28

I need to go to a dark place, and I can't get there.

00:11:31

When I'm with you, when we're out, I feel good, I feel happy, but the minute I sit down to write--

00:11:36

You were having trouble writing this book when you were depressed, and you're having trouble now that you're not depressed.

00:11:40

Is it possible that you just--

00:11:42

-What? That I'm just a shitty writer? -No.

00:11:45

That you just don't wanna write this book.

00:11:47

I do, though. It's just hard.

00:11:50

But that means it's worthwhile. Good things are hard.

00:11:52

I'm not writing The Mall-related Mysteries of Ivy Tran!

00:11:55

[chuckles]

00:11:55

Why not? -Guy, come on.

00:11:57

-No. You come on. -You come on.

00:11:59
Diane, I'm gonna tell you what I always tell my good friend Eileen.

00:12:03
-Don't do it. -Eileen, come on.

00:12:06
[scoffs, chuckles]

00:12:12
More drugs, please!

00:12:14
[phone buzzes, beeps]

00:12:14
-Hello?

00:12:17
I soft-pitched your book to Brad Pitt's company, Plan B, and Craig Bierko's company, Plan C.

00:12:23
They're very excited about the movie adaptation.

00:12:25
What movie adaptation?

00:12:27
Gee, I don't know, a new Robin Hood adaptation.

00:12:30
No, Diane, the adaptation of your book!

00:12:32
What book?

00:12:33
Come to think of it, a new Robin Hood sounds pretty good. Judah!

00:12:36
-Maybe from Maid Marian's point of view? -Directed by Sofia Coppola?

00:12:39
I'll try Rebecca Ferguson's agent.

00:12:41
[Diane]

00:12:41
You're still on the phone with me!

00:12:43
Oh, right. The town has really responded to your pitch about damage.

00:12:46
It wasn't a pitch!

00:12:47
Imagine, all the little Dianes out there, just waiting to see their story on the big screen during a brief Oscar-qualifying run in New York and LA.

00:12:55
You don't think it's too sad, do you?

00:12:57
It wouldn't be better if I wrote something more fun?

00:12:59
Diane, sad is the new fun. Besides, the sad is what makes it you!

00:13:04
-Really? -Yes! Everyone's very excited.

00:13:06
But they wanna see pages.

00:13:08
So, do what you do and get me that sad!

00:13:11
Just got back word from Sofia.

00:13:12
She's booked for the next year developing a new Peter Pan from Wendy's point of view, and Rebecca's doing a limited series about the female ticket-taker at the cinema where Batman's parents got shot.

00:13:20
Ooh, that's really empowering. Diane, I gotta go.

00:13:24

Uh... Ngu-yen?

00:13:27
N-Ngu-yen?

00:13:30
No one?

00:13:35
[Charlotte humming]

00:13:37
-Hey, Mom. -Hey, Pen!

00:13:39
-What's wrong? -Nothing, I just thought I'd stop by.

00:13:42
A girl can't visit her mom? Why are you grilling me?

00:13:45
Slow down. Breathe.

00:13:47
Something happened at work.

00:13:49
-Something? -

00:13:49
[both gasp]

00:13:51
Or someone...s?

00:13:53
Did you follow me home?

00:13:55
If you didn't wanna be followed, you should have been more judicious with the turn signal.

00:13:58
A lady doesn't need to always announce where she's headed.

00:14:00
Yes. Who taught you how to drive?

00:14:02
-Uh, can I help you? -Paige Sinclair, intrepid gal reporter.

00:14:06
And I'm Max!

00:14:09
Okay.

00:14:09
We're circling a story on the last days of Sarah Lynn and we're trying to nail down a timeline.

00:14:13
We think your BoJack Horseman may have played a part.

00:14:13
[snorts]

00:14:16
I think you should go.

00:14:17
Well, it was worth a try.

00:14:19
Actually, I did see Sarah Lynn. Right before she died.

00:14:23
Oh! It was very worth a try.

00:14:25
She came to Oberlin. With BoJack.

00:14:27
-Whoa! BoJack came to Oberlin? -And what happened?

00:14:30
-Nothing. I mean-- -Why didn't you tell me?

00:14:32
I saw them and told BoJack to leave. That's it.

00:14:35
-Were they intoxicated? -Is BoJack ever not intoxicated?

00:14:38
-Would you go on the record? -No, she won't.

00:14:41
Excuse us, we are just about to sit down to dinner.

00:14:43

Do you think BoJack got Sarah Lynn drunk?

00:14:46

Do you think BoJack got Sarah Lynn drunk?

00:14:48

-Penny-- -I'm not a kid, okay?

00:14:50

-We should tell them about Maddy. -No--

00:14:52

Who's Maddy?

00:14:53

My best friend in high school.

00:14:54

BoJack was living here and he bought her booze before the prom and then she got alcohol poisoning.

00:14:58

I'm sorry, he was living here?

00:15:00

-Oh, what's this, a party? -

00:15:00

[gasps]

00:15:01

Did you guys forget to invite Kyle?

00:15:03

-Dad...

00:15:03

[sighs]

00:15:03

-Ah, just kidding. Now it's a party.

00:15:05

Kyle, these folks are from the refrigerator repair company.

00:15:09

And I just told them that our refrigerator is working fine and they were just leaving.

00:15:13

Quite. If you think of anything else, please do give us a call.

00:15:17

Ah. You know, the wine fridge has actually been acting kind of funky.

00:15:19

Two refrigerators? Ha! Give my regards to the Rockafellers.

00:15:25

[Charlotte sighs]

00:15:27

[whistling]

00:15:27

[grunting]

00:15:30

Can you keep it down, please?

00:15:33

I couldn't sleep and you're like shout-whistling at me.

00:15:36

Hey, I'm just whistling. Chicago-style.

00:15:38

Don't. Just please be quiet. I need to write.

00:15:41

Okay. Okay. Write on.

00:15:44

[exhales sharply]

00:15:45

-Hey, how was the writing? -What do you mean?

00:15:48

You were gonna write today.

00:15:50

[Diane]

00:15:50

Oh, is the day over?

00:15:51

-I was just thinking my thoughts... -Are you all right?

00:15:56

[crying]

00:15:56

-Oh! Oh, my God!

00:15:58

-Diane, what's wrong? -I...

00:16:01

[retching, coughing]

00:16:01

-Oh, oh, oh!

00:16:04

-It's okay. I got it in the plant. -Oh! Not in the toilet?

00:16:07

I'm not gonna put my face in your toilet.

00:16:09

-Don't be gross. -Our toilet, baby. We've been over this.

00:16:12

I had to think fast. Went for the plant.

00:16:14

Okay, but the sink? Or the shower? There's so many drains in there.

00:16:18

I'm sorry. I gotta work.

00:16:20

Hey.

00:16:20

[sighs]

00:16:20

Maybe you can just go back to bed and you can work in the morning.

00:16:23

No. Now. Gotta get it done.

00:16:26

[keyboard clacking]

00:16:28

I'm 17 years old. I live in Boston.

00:16:30

Krissy Keating's a real bitch to me.

00:16:31

-Was I? Or did you deserve it? -I deserved it.

00:16:35

Your problem is you always blame other people, Deedee.

00:16:37

-I know. -Who's a good baby? Not you!

00:16:40

Where are my pages, Diane?

00:16:41

I need pages for my beautiful celebrities, such as Stockard Channing, Tatum O'Neal,

00:16:46

Patrick Harrison Ford Focus.

00:16:48

I'm trying to focus. I'm trying to get to the truth.

00:16:51

-I think you're afraid of the truth. -No.

00:16:53

Your damage isn't interesting and you're unworthy of love.

00:16:55

-No, I'm not! -Of course you are!

00:16:57

Are you, uh, you know, one of those stupid pop culture analogies I'm always doing?

00:17:01

Because you're charming at first, but eventually enough already!

00:17:05

You think you're a beautiful salad bowl?

00:17:07

[scoffs]

00:17:07
Conceited much?

00:17:08
More like garden-variety, am I right?

00:17:10
[Diane's Dad]

00:17:10
You blame everyone else for all your problems,

00:17:13
but you're the one constant here.

00:17:15
-Go Pats. - You're right.

00:17:17
[breathing heavily]

00:17:18
Diane, what is going on?

00:17:20
There's a heaviness... on my chest.

00:17:23
And it's not just my boobs, even though, yes, my boobs are heavier now.

00:17:26
-Hey. Talk to me. -I stopped taking my meds.

00:17:28
-Why? -Because I'm terrible!

00:17:30
I'm a stupid person! I deserve this!

00:17:33
No. You're not a stupid person, but you can't just--

00:17:36
I want to die!

00:17:38
-It's so much worse than before. -Baby, you're going through withdrawal.

00:17:41
Do I just have to be on drugs forever now? How am I gonna finish my book?

00:17:44
-Okay, forget about the book for a second. -I can't!

00:17:47
-It's the only thing that matters. -Now, that's not true.

00:17:49
I'm sorry. I'm sorry I'm so stupid. I'm sorry.

00:17:53
It's okay. It's okay. Just take your pills. All right?

00:17:56
Then when you even out we can talk about trying something else, okay?

00:18:00
Okay.

00:18:01
I just-just wanna be a beautiful salad bowl.

00:18:03
You are a beautiful salad bowl.

00:18:11
-How're you doing? -A little better today.

00:18:14
-And, uh, I wanted to say sorry. -For what?

00:18:18
I don't know. "Being Diane"?

00:18:20
-Stop. -I let the stress get to me.

00:18:22
I should just call Princess Carolyn and tell her I need more time.

00:18:25
Yes. But before you do that... don't be mad.

00:18:29
Don't be mad about what?

00:18:30
If I tell you, will you be mad?

00:18:32
From the tone of this conversation, I'm guessing probably.

00:18:34
Okay, what you have to remember is that you were in a really dark place.

00:18:38
And the pressure from Princess Carolyn wasn't helping.

00:18:40
I thought if I could get her off your back for a few days...

00:18:42
What did you do?

00:18:43
[phone buzzing]

00:18:45
Guy, what did you do?

00:18:47
I sent her the Ivy Tran: Food Court Detective pages.

00:18:51
-What? -I'm sorry! I'm sorry. Okay?

00:18:53
-I made an executive decision! -You're not an executive!

00:18:56
I-I made a boyfriend decision! All right?

00:18:58
I made a "my girlfriend is a depressed, vomiting mess and someone needs to make a decision" decision.

00:19:02
Ugh!

00:19:03
-Hello? No. -

00:19:03
[Princess Carolyn]

00:19:03
Loved it!

00:19:06
I love the protagonist, I love the world,

00:19:08
I love that it wasn't your sad memoir about your boring life.

00:19:11
What happened to "sad is the new fun"?

00:19:13
I didn't know you could write this fun! You gotta finish this thing.

00:19:17
I'm on pins and needles, and I'm not just saying that

00:19:19
-because I live with a porcupine. -Listen--

00:19:21
To the ka-ching, ka-ching of the middle-grade IP market? Done!

00:19:24
I slipped the pages to a few studios.

00:19:26
This has franchise potential. Franch potench.

00:19:30
But what I'm saying is that it doesn't, because that's not the book I'm writing.

00:19:34
-I'm hearing a maybe. -I'm not--

00:19:36
[groans]

00:19:38
Are we gonna have a Boston-style fight now?

00:19:45
[grunts]

00:19:48
[Ivy]

00:19:48

Here's a mystery.

00:19:49

Why are you so sad-core?

00:19:51

-I don't know. -Just be fun and popular like me.

00:19:55

-I don't know how. -Sure, you do!

00:19:57

I'm clever and free-spirited and a little bit sardonic but not so much that it's off-putting.

00:20:02

I have vulnerabilities like everybody else but just enough to make me relatable.

00:20:07

-That's the way to be. -It's not that easy.

00:20:12

Yeah, I know.

00:20:15

But wouldn't it be nice if it was?

00:20:22

[Ruthie cooing]

00:20:22

-Where's Princess Carolyn?

00:20:25

She said we should save her a seat. You still working on that memoir?

00:20:28

Well, funny story about that--

00:20:30

Oh, I love when stories start like that! Ooh! You should put this one in your book.

00:20:37

-Hello. Thank you. -

00:20:37

[cheering]

00:20:39

Oh, wow. Thank you. That's very nice. Thank you.

00:20:41

Welcome to "An Evening of Modern American Scenes."

00:20:44

Oh, excuse me.

00:20:46

[sighs]

00:20:46

-We have to talk.

00:20:48

Shh. Diane!

00:20:49

-Don't be rude to the actors. -

00:20:49

[scoffs]

00:20:51

For most of them, this'll be the height of their career.

00:20:54

[BoJack]

00:20:54

Anyway, first up is a scene from Sam German-Shepard's "Real America."

00:20:58

[audience cheering]

00:21:03

[Kyle laughing]

00:21:03

Char, hey, you gotta get in here!

00:21:06

This episode of "Birthday Dad" is an all-timer!

00:21:09

-Penny... -I wanted to get something.

00:21:15

[grunting]

00:21:17

[sighs]

00:21:17

I don't feel good about what happened with those reporters.

00:21:20

-It's okay. -We didn't tell them... everything.

00:21:27

I tried to throw it out, but I couldn't.

00:21:30

I know that's messed up, but I think I look nice here.

00:21:33

Oh! You look beautiful.

00:21:35

I don't think that's the only reason I kept the photo, Mom.

00:21:38

It's all really confusing.

00:21:39

[Kyle]

00:21:39

Charlotte! Birthday Dad just got trapped in a leap year!

00:21:43

-How's he gonna wriggle outta this one? -In a minute, honey!

00:21:45

Stuff happened to us, okay? And he's still out there.

00:21:48

-Penny-- -If we can get the word out,

00:21:50

-if-if people knew-- -It won't be just him in the story.

00:21:54

It'll be you and me. The mistakes we made.

00:21:56

Mistakes I made, that I will never forgive myself for.

00:22:01

But if we can help other people, then it will have been for something, you know?

00:22:05

It won't just be this thing to feel bad about forever.

00:22:07

You don't know what's gonna happen with the story once it's out there.

00:22:09

You have no power over it.

00:22:10

And you just got your panic attacks under control.

00:22:13

Yeah, I know, but--

00:22:14

I love that you want to do what's right, but please just think about it, okay?

00:22:19

Just give it a couple days and then if you still want to talk to them, you can call them.

00:22:25

[sighs]

00:22:27

Okay. Thank you.

00:22:29

You wanna stay and watch "Birthday Dad"?

00:22:31

-Stay the night? -No, I-I should go.

00:22:33

Okay. Yeah. I love you.

00:22:37

I love you, too.

00:22:41

[sighs]

00:22:48
[Kyle]
00:22:48
Oh! Is that the International Date Line?
00:22:51
Don't go over the date line, Birthday Dad!
00:22:55
Because then it won't be your birthday anymore!
00:22:55
[laughs]
00:22:59
[cheering]
00:23:01
Thank you. Thank you so much.
00:23:03
Come on, Todd, let's go.
00:23:04
But I wanna see if there's an after-credits scene.
00:23:07
[Princess Carolyn]
00:23:07
Talk soon, Diane. -Hey, wait a minute.
00:23:09
[door opens, closes]
00:23:09
-Princess Carolyn.
00:23:09
[grunts]
00:23:12
Princess Carolyn, wait.
00:23:15
I understand you're trying to be helpful,
00:23:17
-in your own pushy, self-absorbed way. -Oh, thank you.
00:23:19
But I don't wanna write a middle-grade fiction detective series.
00:23:22
I think you do, though.
00:23:24
Because when I was reading it, I could tell you were having fun.
00:23:28
Yeah, but I'm not writing a book to have fun.
00:23:30
If I don't write my book of essays now, I never will!
00:23:33
So? Don't write your book of essays.
00:23:34
-I have to! -Why?
00:23:36
Because if I don't, that means that all the damage I got isn't good damage, it's just damage.
00:23:43
I have gotten nothing out of it, and all those years I was miserable was for nothing.
00:23:48
I could have been happy this whole time and written books about girl detectives and been cheerful and popular and had good parents, is that what you're saying? What was it all for?
00:23:57
I...
00:23:58
[sighs]
00:24:00
I don't know, Diane.
00:24:01
All I know is that this book about the girl detective is fun.
00:24:06
I liked it.

00:24:07
I like thinking that my daughter could grow up in a world with books like that.
00:24:11
Or if my daughter's not a reader, a lucrative film adaptation.
00:24:14
When I was a little girl, I thought that everything, all the abuse and neglect, it somehow made me special, and I decided that one day I would write something that would make little girls like me feel less alone.
00:24:27
And if I can't write that book...
00:24:30
Then...
00:24:32
Then maybe write this other book.
00:24:35
-Maybe this book does that, too. -Yeah?
00:24:42
[Ruthie giggles]
00:24:42
[toy squeaks]
00:24:45
-Uh... Princess Carolyn? -What reporters?
00:24:48
BoJack?
00:24:49
Charlotte, I swear, I don't know what you're talking about.
00:24:52
[line disconnects]
00:24:53
[hyperventilating]
00:24:57
-Hey, man, great show. -What? Huh?
00:25:01
-Uh...
00:25:01
[groans]
00:25:01
-Oh, no!
00:25:05
BoJack! Oh!
00:25:09
■ Back in the '90s I was in a very famous TV show ■
00:25:17
-■ I'm BoJack the horseman ■ -■ BoJack ■
00:25:20
■ BoJack the horseman Don't act like you don't know ■
00:25:27
■ And I'm trying to hold on to my past ■
00:25:31
■ It's been so long I don't think I'm gonna last ■
00:25:36
■ I guess I'm just trying To make you understand ■
00:25:40
■ That I'm more horse than a man ■
00:25:44
■ Or I'm more man than a horse ■ -■ BoJack! ■

Ep 11 — Sunk Cost and All That

00:00:09

[Todd]

00:00:09

Watch out!

00:00:10

-Lift with your legs. -I am lifting with my legs.

00:00:11

-Also lift with your arms. -

00:00:11

[Joshua]

00:00:11

Is Horse Professor okay?

00:00:14

Nothing to see here!

00:00:15

He just passed out from pride! Because you kids are so talented!

00:00:21

[students cheering]

00:00:23

You think he passed out from embarrassment?

00:00:25

-Because the kids are not talented. -What happened?

00:00:28

He was getting off a phone call.

00:00:29

I had some constructive criticism about his play.

00:00:32

I tried a compliment sandwich by starting with some praise, but he passed out!

00:00:37

Just goes to show, you never know how much time you have with someone, so you should always say the bad stuff first.

00:00:43

[gasping]

00:00:43

-BoJack! Your play sucked!

00:00:46

They found out. I didn't--

00:00:47

-It's not true. -What's not true?

00:00:49

I need to-- Air.

00:00:50

[students singing]

00:00:50

■ For he's our trusty director ■

00:00:53

No. They can't know. I didn't even do anything.

00:00:55

-It's-- -Slow down.

00:00:56

Why don't you tell us what happened?

00:00:58

Okay, I'll tell you. But you can't talk to anyone.

00:01:02

No reporters.

00:01:03

BoJack, it's okay. No one's gonna talk to any--

00:01:06

Reporters? With questions about my good friend, BoJack Horseman?

00:01:09

I'd be delighted to talk!

00:01:12

[theme music playing]

00:02:06

[music playing over stereo]

00:02:09

Oh, Baxter, my endlessly encouraging enfienced.

00:02:12

I'm thrilled to report our return from a prolonged New Mexican exodus.

00:02:15

True, Max and I shared lodging to husband our expenditures, and true, too, we showered together one night when the tank broke down and the hot water was scarce, but other than those mild inconveniences, the fact-finding mission went as fine as the print at the bottom of a contract, and we're close as ever to sewing things up.

00:02:28

So, BoJack sold the restaurant to Joey Pogo and me,

00:02:31

and we relaunched it with my fiancée Pickles as a themed eatery.

00:02:36

What is the theme?

00:02:37

Pickles wanted small plates, Joey wanted lazy Susans, and I wanted the theme to be my face is on the front of the menu.

00:02:43

So, we did all three!

00:02:43

[laughs]

00:02:45

-What's the big idea? -I'm in the middle of eating!

00:02:47

Huh? It's the perfect compromise because everybody got what they wanted, and nobody had to compromise!

00:02:52

-And why is it called Ele-fee-no? -Ele-fi-no.

00:02:56

Well, if you don't know, hell if I know!

00:02:58

I know this last story is taking its sweet time, but once we can tie down this Bo-Person Horse-fellow to Sarah Lynn on the night of her death, we'll know he procured the final blow, the blow being not blow but horse, a scoop in itself,

00:03:07

but I believe the larger story is-- Oh, but here I am bending your ear.

00:03:12

Your everlasting patience inspires me. Do return my call. This is Paige Sinclair.

00:03:18

-And then I took the boat back to LA. -That's it? How's that a story?

00:03:23

You did nothing illegal, and even the not illegal thing, you didn't even do.

00:03:26

And yet this thing continues to haunt me, I--

00:03:29

-Because it's not about the legality. -

00:03:29

[Todd]

00:03:29

Diane's right.

00:03:32

That story is super sketchy.

00:03:34

-Is BoJack super sketchy? Yes, he is! -

00:03:34

[Ruthie laughs]

00:03:37

[pounds on door]

00:03:37

-Can Horse Professor come out?

00:03:40

We won't go to the cast party unless our fearless teacher comes with us!

00:03:44

Why don't you just have the party here and he'll pop out when he's ready.

00:03:47

Here's some cash. Go buy some nice cast party things.

00:03:50

[students cheering]

00:03:51

[Joshua]

00:03:51

This is gonna be the best night ever!

00:03:53

Okay, okay, you're right. I've been sketchy.

00:03:56

But there's no story here. Right?

00:03:57

-Unless New Mexico isn't the story. -Uh, what?

00:04:01

I'm just saying, if I tried to pitch that story, no one would publish it.

00:04:04

They're working on something bigger. What did you do this time?

00:04:07

I haven't done anything.

00:04:08

Since I got out of rehab I have been on my best behavior.

00:04:11

But before rehab...

00:04:13

No. They can't get me on old shit. I'm a different person now.

00:04:16

-This could be anything. -Or a combination of things.

00:04:18

They're gonna combo me?

00:04:19

Let's take a beat and figure out what this story is.

00:04:21

-Todd, earmuffs. -On it.

00:04:23

BoJack, tell us every bad thing you ever did.

00:04:27

[sighs]

00:04:27

This is gonna be a long night.

00:04:31

So, what can I tell you about BoJack? Nothing bad, though.

00:04:31

[laughs]

00:04:35

It's gonna be a short night!

00:04:37

-Right. I-- Your chair, Miss Sinclair. -Thanks, Mr. Banks.

00:04:42

And thank you, Mr. Peanutbutter, for taking the time to quench our queries.

00:04:45

This shouldn't take more than a half hour, max.

00:04:47

-Yes? -No, not you Max.

00:04:49

-Then who Max? -No, Max. I'm talking to Mr. Peanutbutter.

00:04:51

No, you're talking to Max. I'm Mr. Peanutbutter.

00:04:54

Now I'm talking to Mr. Peanutbutter.

00:04:56

-Glad we're all on the same page. -I beg your pardon.

00:04:58

Mr. Peanutbutter, we have sitch in the kitch.

00:05:01

It's a dishwash ish.

00:05:04

-The dishwashers all quit? -It's the small plates.

00:05:07

If we just had bigger plates, we could get more stuff on them and we wouldn't need so many.

00:05:10

The point of the small plates is to curate a personalized dining experience, but because of your lazy Susans, all the plates keep getting spun around and nobody remembers who ordered what!

00:05:21

Oof! And then there's me, putting my picture on the menu!

00:05:24

-What? No one cares about that. -Yeah, the pic's not the problem.

00:05:27

All right. JoPo... go, why don't you start on those dishes?

00:05:30

You got it, good buddy.

00:05:32

Oh...

00:05:32

[sighs]

00:05:34

Pickles, you keep manning the tables. Those Susans aren't gonna laze themselves.

00:05:38

Sure. But...

00:05:39

Could I talk to you?

00:05:42

How much longer do we have to keep working with that guy?

00:05:44

I thought you loved Joey Pogo!

00:05:46

I love his music!

00:05:47

He's my second favorite recording artist after Lo-Fi Chill-Hop Beats to study/relax to.

00:05:52

I love Lo-Fi Chill-Hop Beats to study/relax to!

00:05:55

And I love you!

00:05:57

But Joey Pogo's like your total opposite!

00:06:00

He's arrogant, annoyingly cheerful, and fake-nice.

00:06:04

You are confident, refreshingly optimistic, and wryly sweet with an ironic self-aware edge that reads to some as inauthentic, but I recognize as archly sincere!

00:06:12

Total opposites!

00:06:14

Okay. So, Pogo's not gonna work, but I guess we keep trying?

00:06:18

I can proposition some young men on set. That should end well.

00:06:21

No, I'm sorry. I want this to work. I'll try to make it work. For us.

00:06:29

Now, if we're to finish this story, we need to stay focused.

00:06:31

The last days of Sarah Lynn.

00:06:34

I'm telling you, the story is bigger than just the one girl!

00:06:36

If we pivot our perspective so we prove a larger pattern, we can paint a clearer portrait of a problematic person for a page-one profile that'll pave our path to a Pulitzer!

00:06:44

Paige, please! At the rate we're going, we'll never file the story, you'll remain unmarried, and I'll be stuck bickering with you until the day I die!

00:06:50

Oh, poor baby.

00:06:51

Sorry, where were we?

00:06:52

-We wanted to ask you about Sarah Lynn. -Oh.

00:06:55

Before we do, let's widen our frame a tad.

00:06:57

Oh, brother.

00:06:58

-Would you say BoJack is a good person? -Unequivocally, more or less.

00:07:01

-More-more or more-less? -Uh...

00:07:04

Yes, but back to Sarah Lynn--

00:07:05

We're trying to understand if your friend has ever exhibited certain patterns...

00:07:09

Argyle? Herringbone? That man can pull off anything!

00:07:12

We're wasting time. Did Sarah Lynn ac--

00:07:14

[dishes crash]

00:07:14

-Whoa!

00:07:15

I told you not to spin it that fast! Lazy! Lazy!

00:07:19

I'm lazy? Aren't you supposed to be washing dishes?

00:07:22

[both panting]

00:07:24

[scoffs]

00:07:24

-Hey! Where are you going?

00:07:27

Okay, let the cat out of the bag so my curiosity can kill it.

00:07:30

What is going on with those two?

00:07:32

That's a personal matter. I'll tell you all about it!

00:07:36

[students]

00:07:36

Cast party! Cast party!

00:07:38

We are having a cast party!

00:07:38

[cheers]

00:07:41

[student 1]

00:07:41

Yeah! -They didn't even buy alcohol!

00:07:43

Just a disco ball and some capes?

00:07:45

These are all the bad things you think you did?

00:07:47

-I swear, this is all I can think of! -None of these are big stories!

00:07:51

-We all know there are more things. -Jesus Christ.

00:07:53

What's the point of working on myself and getting sober and getting better if no matter what, there are people out there just waiting to tear me down?

00:08:00

-BoJack, no. -No, it's not fair.

00:08:02

If you start listing every single thing everyone's done,

00:08:04

-then everyone's a monster. -Nobody's--

00:08:06

Who are these reporters, anyway?

00:08:08

They're so perfect? I'll bet there's dirt on them we could dig up!

00:08:10

-I don't think that's it-- -That'll teach those bloodthirsty leeches what happens when they try to tear someone down over their past without even considering the possibility that he's changed!

00:08:18

-Have you changed? -Yes, obviously.

00:08:21

Because this feels like old BoJack.

00:08:24

I like the BoJack who's thoughtful and directs plays

00:08:28

that are emotionally resonant despite the glaring logical gaps in the plot.

00:08:32

It was a showcase of separate scenes! There was no plot!

00:08:36

I need to go put Ruthie to bed. Call me when new BoJack's back.

00:08:39

[door opens, closes]

00:08:44

You didn't do any of the dishes?

00:08:46

Manual labor featuring me is just not a fruitful collab.

00:08:49

So I just went out and bought 500 new ones.

00:08:51

Why did Mister think I'd like you?

00:08:54

When I'm with him, we finish each other's sentences.

00:08:57

Meanwhile, you are always--

00:08:58

Interrupting, just to say the exact thing that you were going to?

00:09:01

-Yes! It's so-- -Annoying?

00:09:03

Thank you. That's the word.

00:09:04

Hey, I don't wanna be here either. You know Joey Pogo wants to bounce.

00:09:08

What if we just tell Mister we've formed an emotional bond, then we can have sex, and we'll never have to see each other again!

00:09:17

-Why don't we just tell him we had sex? -I can't lie to my fiancé about sex!

00:09:20

That's what got us into this mess in the first place!

00:09:27

[scoffs]

00:09:29

So, as soon as they go to bed with each other, we can put this whole thing to bed, but the problem is...

00:09:33

-She loves him. -No, the opposite.

00:09:35

No, the opposite of the opposite. The very thing itself: she loves him.

00:09:40

Why do you say that?

00:09:41

You've got irises, haven't you? And pupils and corneas?

00:09:44

You might even say you've got a pair of eyes. Optic nerve?

00:09:47

Yes.

00:09:48

So how could you not see the way that she follows him across the restaurant like the puppy dog she is? How they bicker and flirt?

00:09:54

Why would she fall for a dashing cad like Joey Pogo when she's already engaged to sweet, dependable, predictable, safe, boring, perfectly adequate Mr. Peanutbutter?

00:10:03

Thank you.

00:10:04

She only tolerates that other fellow because she has to, for work.

00:10:07

Otherwise she finds him utterly distasteful.

00:10:09

Piggish even! No offense to me. None taken, of course.

00:10:09

[snorts]

00:10:12

No, she loves him, though she'd never admit it, even to herself.

00:10:17

[gasps]

00:10:17

And what about the boy?

00:10:19

Sure, he puts up a front and picks a good fight, but to just once hear those stupid words "I love you" tumble out of her foolish mouth would drop his heart down an elevator shaft and bounce it back up to his throat.

00:10:29

-Yes? -Yes.

00:10:33

-I'm pretty sure they hate each other. -Uh...

00:10:35

I... Well, that's all very...

00:10:35

[breathing rapidly]

00:10:38

-Back to BoJack! -And Sarah Lynn.

00:10:40

Would you say BoJack's relationship with her ever bordered on inappropriate in the weeks leading up to her death?

00:10:46

No! They were closer than thieves! They were thieves, actually.

00:10:50

They broke into my house together, like great friends do, and stole our clothes.

00:10:53

Ask Diane, she never got that jacket back!

00:10:56

But she was able to find another one shortly thereafter that looked exactly the same.

00:11:00

-Pardon me. -Hello. Joseph?

00:11:02

Can I get an announcement drumroll, please?

00:11:04

[beatboxing]

00:11:07

Never mind.

00:11:08

Joey and I have developed feelings for each other.

00:11:11

Oh!

00:11:12

[sputtering]

00:11:14

Wow, I didn't think so soon, but-- No, that's wonderful.

00:11:17

It's exactly what we wanted.

00:11:18

It is! So now we make love, after which we can all get on with our lives.

00:11:24

Great! This is good.

00:11:31

Look, we're not gonna figure this out tonight.

00:11:33

Maybe I should just go to the cast party and try to enjoy--

00:11:36

[Diane and Carolyn gasp]

00:11:36

[phone buzzing]

00:11:39

[phone beeps]

00:11:39

-Hello?

00:11:42

Yes. Um, speaking.

00:11:45

Oh, hello, Paige Sinclair, of the "Hollywoo Reporter."

00:11:48

[BoJack and Carolyn gasp]

00:11:49

Yes, I know BoJack Horseman.

00:11:51

Uh... What night? Did I see BoJack with...

00:11:55

Uh...

00:11:57

Listen, I'd love to talk more, but, uh, I cut my finger earlier in a bagel guillotine and I think I require medical attention, goodbye.

00:12:05

-Bagellotine. -

00:12:05

[phone beeps]

00:12:08

It's Sarah Lynn.

00:12:10

Their story is about you and Sarah Lynn.

00:12:13

[exhales sharply]

00:12:17

[Pickles sighs]

00:12:19

Well, uh, that was...

00:12:21

-Wow. -Yeah.

00:12:24

Well, see ya later.

00:12:26

[shuddering]

00:12:28

Oh.

00:12:30

Hey, I'm sorry I was kind of a dick to you earlier.

00:12:33

The truth is, since Mr. Peanutbutter has been such a good friend and chill hang,

00:12:36

I was nervous I would feel weird smashing his fiancée, but once we were in it, it was like we were two naked hearts raw and exposed but safe in the home we found in each other.

00:12:47

Yeah. Did you just come up with that?

00:12:50

No, it's from my new song,

00:12:51

"Two Naked Hearts (Raw Dog Remix)."

00:12:54

-Oh. Sounds like another banger. -Best of luck with your wedding.

00:12:59

One day I hope to have what you two have.

00:13:00

Right now, I couldn't even imagine getting married.

00:13:02

I can't even commit to a social media director.

00:13:04

Why not?

00:13:05

I'm just having a hard time finding someone who gets my brand, you know?

00:13:09

Sexy?

00:13:10

That's exactly right, you totally get me.

00:13:13

So, if you think of anybody who could be good for the job, let me know, all right?

00:13:16

-I will. -All right.

00:13:18

I'm headed to the airport now for another in a series of extravagant world tours all by myself.

00:13:22

At least I'll have the empty seat next to me that I always book for extra comfort.

00:13:26

I'll be at gate six.

00:13:27

I'm just saying this information out loud so I don't forget it.

00:13:31

Gate six. Plane boards at 10:38.

00:13:34

-Wait, Joey! -Yeah?

00:13:36

Um, here's your jacket back.

00:13:36

[chuckles]

00:13:39

Thanks, Pickles.

00:13:43

Goodbye, Joey Pogo.

00:13:46

So Sarah Lynn. That's okay.

00:13:48

-We can spin this. -Yeah?

00:13:49

What are we spinning?

00:13:50

You went on a bender with her, at some point you split up and she died.

00:13:55

That's the story, right?

00:13:57

If you want us to help you, you need to tell us what's coming.

00:14:01

You know what I thought?

00:14:02

The first thing I thought when I heard Sarah Lynn died?

00:14:05

Poor BoJack, that he had to find her like that.

00:14:08

That's right. Poor BoJack, that's the angle!

00:14:11

But then I kept thinking.

00:14:12

I wish I didn't, but my stupid brain kept thinking.

00:14:16

She died of a heroin overdose, yeah?

00:14:17

And you had heroin, "BoJack" brand, you kept it in your glove compartment.

00:14:21

-Diane... -I didn't wanna think about it, but I couldn't help but wonder. Did you give it to her?

00:14:26

I... Uh...

00:14:29

-Yes. -And then what?

00:14:30

-You just abandoned her? -No, I--

00:14:31

You just left her alone, an addict, with heroin?

00:14:34

I didn't leave her, I was with her!

00:14:36

I was with her the whole time! I was with her when she died!

00:14:40

-Like "with her" with her? -In the planetarium.

00:14:44

I left and came back and pretended I'd found her that way.

00:14:47

I... I've never told anyone that.

00:14:49

That's really bad, BoJack.

00:14:51

Do the reporters know that?

00:14:53

I don't know how they could. I covered my tracks.

00:14:55

How did you "cover your tracks"?

00:14:58

[knocking on door]

00:14:58

[gasps]

00:15:02

Oh. Hey. Uh, what's up?

00:15:04

[Helena]

00:15:04

We're doing end-of-year superlatives, and we thought it would be cool if you came out and read some.

00:15:11

Oh, um...

00:15:12

Just, uh, give me a minute.

00:15:15

[muffled chatter]

00:15:17

-This was supposed to be a celebration. -We can still figure this out.

00:15:21

I'm tired of trying to figure things out.

00:15:23

-Let me just have this one night. -

00:15:23

[sighs]

00:15:26

[Helena]

00:15:26

It's Horse Professor! -

00:15:26

[students laughing, cheering]

00:15:28

Okay, okay, settle down, settle down.

00:15:31

Okay. You wanted me to read these, right? Okay.

00:15:34

-Um, well, for Best Old Man... Terry. -

00:15:34

[students cheering]

00:15:38

[Terry]

00:15:38

Thank you. Thank you so much. -Okay. Sit down, Terry. Just sit down.

00:15:41

Sit down. If you start talking, then we'll all be old!

00:15:41

[chuckles]

00:15:45

For Best Director... Oh, Horse Professor.

00:15:45

[chuckles]

00:15:49

-That's me. -

00:15:49

[cheering]

00:15:50

[Joshua]

00:15:50

Speech! -No, I-- Okay, okay, okay!

00:15:52

Okay. Thank you.

00:15:54

I just want to say that I've loved being here with you this year.

00:15:59

You've shown me the type of person I didn't know I wanted to be.

00:16:03

And this semester, I got to be that person.

00:16:07

Thank you.

00:16:09

And I just... I want you all to appreciate this time, and how special it is, and how fast it'll all go away.

00:16:17

Please, cherish this.

00:16:22

And I have my own superlative to announce.

00:16:24

I, um...

00:16:24

[clears throat]

00:16:27

Oh. Uh, hmm...

00:16:29

For the Best Actor or Actress...

00:16:32

Oh, my God, it's an eight-way tie!

00:16:35

[students cheering]

00:16:35

[laughs]

00:16:37

Okay, everyone. Enjoy your party.

00:16:39

[chuckles]

00:16:48

Hi, I just gotta tell you how much I'm loving the small plates and lazy Susans.

00:16:52

I put my fork down and I never know what I'm gonna pull back up!

00:16:55

-You've really made dinner fun again. -Uh-huh.

00:16:58

And did you notice my picture on the front of the menu?

00:17:01

Uh, sure. I mean that part I could take or leave, but the small plates and lazy Susans work together perfectly to form a completely new kind of upscale dining experience.

00:17:10

Exactly like dim sum, but with white people food, so it's more accessible.

00:17:13

-Oh, well, thank you. -Huh! Tragic, isn't it?

00:17:18

What is?

00:17:18

I just keep thinking about Pickles and Pogo.

00:17:21

They've finally acknowledged that they love each other,

00:17:23

-but she's promised to another. -Yes. To me.

00:17:27

Oh, right! So, you know better than anyone.

00:17:30

Someone's up to something, I can tell you that much.

00:17:31

Mr. Peanutbutter, does your ex-wife regularly consume bagels?

00:17:35

Hey, why don't you two mind your own business? How about that?

00:17:37

As payrolled journalists, our business is minding your business.

00:17:40

I'm not going to help you with your take-down piece on BoJack.

00:17:43

-Oh, no? -He's a good guy.

00:17:45

And you have no idea how torn up he was with Sarah Lynn.

00:17:47

In fact, he was with her in the planetarium when she overdosed.

00:17:51

-He actually gave her the heroin! -Oh?

00:17:53

Yeah. He told me that once when he was drunk, and then he said, "I've never told anybody that."

00:17:58

Because he's modest. So why don't you just leave him alone?

00:18:01

[huffs]

00:18:04

Oh, Max, it's all coming together!

00:18:06

I could just about kiss someone if I had someone here to kiss!

00:18:09

-Listen, I've been meaning to discuss-- -The story?

00:18:11

It's cooking now. Smell that sizzle?

00:18:14

We've gotta build on it. More angles, more leads, more...

00:18:16

-Whoa! -

00:18:16

[grunts]

00:18:18

-Oh... -My...

00:18:21

I-- You know, I think our story is about as wrapped up as a mummy.

00:18:25

What?

00:18:26

I'd better hightail it to the office and put ink on paper.

00:18:28

But what about establishing a larger pattern of behavior?

00:18:30

We still haven't heard back from the New Mexico girl or our contact at the rehabilitation clinic.

00:18:36

Don't you think we ought to keep working together?

00:18:38

No, I think I ought to get married. You were right all along, Banks, my boy.

00:18:41

The story is Sarah Lynn. It always was.

00:18:44

-Taxi! -

00:18:44

[horn honks]

00:18:45

Wait! Paige! I, uh...

00:18:49

-I love you! -Oh, Max. Of course you do.

00:18:53

Everybody does. I'm Paige Sinclair!

00:18:57

[tires screeching]

00:19:04

So, what happens? When the story comes out, what do I do?

00:19:07

A statement about how sorry you are about certain parts of the story but other parts of the story just aren't true.

00:19:13

No, you--

00:19:14

Then in everyone's head you've apologized for the really bad stuff without legally implicating yourself.

00:19:21

-Does that work? -All the time.

00:19:22

No, it doesn't. Why are you telling him to lie?

00:19:25

Because this is good. This BoJack here is good.

00:19:29

This is working, but it's so precarious.

00:19:32

Well, I'm not gonna lose my job here, right?

00:19:34

The Sarah Lynn stuff, that has nothing to do with this.

00:19:37

-Right. -No.

00:19:38

You're about to get pushed out of a plane, and the two of you are talking like you're trying to brainstorm ways to get back on the plane.

00:19:44

That's not gonna happen.

00:19:45

You can try to find a parachute or you can dive headfirst into the earth, but the plane is gone.

00:19:50

You're seeing things in absolutes. We can wriggle out of this.

00:19:54

-Who's "we"? -Diane, I'm asking you for help.

00:19:56

This job is my lifeline.

00:19:58

I think you should do the hard thing and be honest.

00:20:02

About everything. Things will get worse before they get better, but you won't spend the rest of your life waiting for the other shoe to drop.

00:20:09

Yeah.

00:20:10

-BoJack, just think-- -

00:20:10

[phone ringing]

00:20:16

Wesleyan University Theater Department.

00:20:18

[Paige]

00:20:18

Paige Sinclair, "Hollywood Reporter."

00:20:20

Is this a Mr. BoJack Horseman?

00:20:21

-Y-yes. - Fabulous.

00:20:23

We're running a story Thursday next

00:20:25

about your relationship with Sarah Lynn leading up to her death.

00:20:27

I wanted to give you a chance to respond to these allegations.

00:20:30

I presume you will deny them, as is customary,

00:20:32

but this is me doing my due diligence and reaching out for comment, understood?

00:20:36

Uh, yeah.

00:20:37

Now, did you supply Sarah Lynn with the drugs found on her person?

00:20:41

-No. -

00:20:41

[Diane scoffs]

00:20:42

All right. And did you use heroin with Sarah Lynn during those last weeks?

00:20:46

-No. -Uh-huh.

00:20:47

Were you with her when she died?

00:20:50
Um... No.

00:20:51
And did you lie to the police about any of these things?

00:20:54
No.

00:20:57
-Thank you for your time. -

00:20:57
[line disconnects]

00:20:59
What happened to being honest?

00:21:00
I didn't think it would happen so fast. Did she say next Thursday?

00:21:03
That gives us a week to plan. We can minimize damage.

00:21:06
"We" are not doing anything.

00:21:08
-Diane, please. -I can't be a part of this.

00:21:11
I have a book to write.

00:21:13
[grunts]

00:21:13
Oh, my God!

00:21:14
They're all making out out here! Go to your dorms!

00:21:18
You have rooms!

00:21:23
Well, we did it. And by "it," I mean doing it.

00:21:27
Oh-ho! Fantastic.

00:21:29
So, now we're even, and everything can go back to normal.

00:21:33
I can't wait. First step: let's set a date for the wedding.

00:21:35
Joey has a job opening on his tour that I think could be a real opportunity for me.

00:21:40
Oh.

00:21:41
Only thing is, I'd have to go tonight, and I might be gone for a while.

00:21:47
-Oh. -Oh, Mister, I'm so confused!

00:21:50
I feel like my brain is on a lazy Susan, just spinning in all directions.

00:21:54
And I know I should be ready to commit to a main course, but right now I'm just so excited about all the different small plates out there, you know?

00:22:01
It sounds like maybe this is a bad time to have my face printed on the cover of your metaphorical menu.

00:22:06
What? Oh, yeah. I forgot about that part of it.

00:22:10
Go on Joey's tour. Have a good time.

00:22:12
And we'll plan the wedding... when I get back?

00:22:15
Sure, Pickles... when you get back.

00:22:18
-Sounds like a good compromise. -Yeah?

00:22:20
Yeah. The best.

00:22:22
Everyone gets what they want and no one had to compromise.

00:22:26
Oh, my God, I gotta go!

00:22:28
-Okay, I love you! -Hey.

00:22:30
Thank you, for everything.

00:22:30
[kisses]

00:22:35
[sighs]

00:22:38
-Hey! Sad Dog! -

00:22:38
[camera shutter clicks]

00:22:43
-I think the party's over. -

00:22:43
[BoJack]

00:22:43
Yeah.

00:22:46
What do you got?

00:22:47
"My relationship with Sarah Lynn was complicated, as relationships between addicts often are.

00:22:53
However, certain aspects of the story are inaccurate or exaggerated.

00:22:57
This story has started an important conversation and I look forward to continuing to work on my own progress..."

00:23:04
There's-- There's no way to not sound like bullshit.

00:23:06
[sighs]

00:23:08
Yeah, well...

00:23:08
This place was supposed to be a fresh start for me.

00:23:11
Rehab was supposed to be a fresh start.

00:23:13
But no matter how many starts I get, there's always the same ending.

00:23:16
Everything falls apart and I end up alone.

00:23:20
-I'm still here, BoJack. -Why?

00:23:23
I don't know. I'm a fool, I guess.

00:23:26
And you were my first client, and one time you were drunk and you smiled at me and I said, "What?"

00:23:32
And you said, "I just like being in a room with you. You make rooms good."

00:23:36
You still do.

00:23:37
I have loved you for 25 years, and I never loved anyone better.

00:23:43
That kind of love, you only get it when you're young and stupid.

00:23:46
I'm not gonna get it again.

00:23:48
And when I tell my daughter the story of the great love of my life,

00:23:51

I want it to have a happy ending.

00:23:53

Is it possible you letting me go is the happy ending?

00:23:56

I've gone with you this far. In for a penny, in for a pound, right?

00:24:00

Sunk cost and all that?

00:24:02

Yeah, sunk cost.

00:24:04

[sighs]

00:24:07

The story's coming out Thursday.

00:24:09

I don't think that we can get around this, or over this, or try to get under it.

00:24:14

-Diane is right. We need to go through it. -BoJack--

00:24:16

I need to take responsibility.

00:24:18

I want to.

00:24:20

So you can tell your daughter you helped me do the right thing.

00:24:24

-I'll call you tomorrow with a plan. -I'm looking forward to it.

00:24:28

-You sure? -I mean, no.

00:24:32

[laughs]

00:24:39

[sighs]

00:24:49

■ Back in the '90s I was in a very famous TV show ■

00:24:58

-■ I'm BoJack the Horseman ■ -■ BoJack ■

00:25:00

■ BoJack the Horseman Don't act like you don't know ■

00:25:07

■ And I'm trying to hold on to my past ■

00:25:11

■ It's been so long I don't think I'm gonna last ■

00:25:16

■ I guess I'm just trying To make you understand ■

00:25:20

■ That I'm more horse than a man ■

00:25:24

■ Or I'm more man than a horse ■ -■ BoJack! ■

Ep 12 — Xerox of a Xerox

00:00:05

[newscast jingle playing]

00:00:08

Shocking revelations today about BoJack Horseman's involvement

00:00:12

in the overdose of Sarah Lynn,

00:00:14

in an explosive new "Hollywoo Reporter" exposé.

00:00:17

Is BoJack #canceled?

00:00:20

#Find-out-tonight when the horse himself sits down...

00:00:23

On "Braxby Means Business with Biscuits Braxby,"

00:00:25

BoJack Horseman opens up in an exclusive interview.

00:00:29

For the first time ever, we'll hear the real story of the last days of Sarah Lynn.

00:00:34

[Paige]

00:00:34

I don't believe it.

00:00:35

I left shoe leather in six different states and spun the scoop of my career all to get sidetracked by a sit-down with a second-rate celebrity suck-up.

00:00:42

Relax. Your story's clearly doing something if they're scrambling to do damage control so fast.

00:00:49

That's just it, Patience, my sister and lifelong confidante.

00:00:52

These schmoozey charlatans will pour syrup all over this stack of Shinola and try to tell you it's pancakes.

00:00:57

And I'm powerless to prevent it!

00:00:58

Don't you have enough dirt for a whole other story?

00:01:00

You know full well once I become Baxter's bride,

00:01:03

I'm trading board rooms for bedrooms, watches for swatches and deadlines for bedtimes.

00:01:07

Okay, so then get married and forget about this BoJack story.

00:01:10

I mean, who cares, right?

00:01:12

Patience, you cut to the core like a classic Sinclair.

00:01:14

I shall miss making mincemeat of the misdeeds of mischievous miscreants, but I must focus on my new mission, as I transition from miss to missus.

00:01:22

Why do you talk like that? We're from Fresno.

00:01:26

[theme music playing]

00:02:23

Huh, they're really hyping up this BoJack interview.

00:02:26

I gotta admit I'm kinda curious. You're gonna watch, right?

00:02:29

No. I can't waste my energy getting worked up about that guy, Guy.

00:02:32

I've done enough of that. Like, years of that.

00:02:34

-Yeah, but it's not like you can just-- -I need to work on my book.

00:02:37

These mall-related mysteries aren't gonna solve themselves.

00:02:39

Spoken like a very emotionally healthy woman, productive professional writer and super-cute girlfriend.

00:02:44

We already know what BoJack's gonna say.

00:02:46

He'll admit to everything in the story, but nothing else.

00:02:48

He'll trot out this sad-sack routine, everyone will feel bad for him.

00:02:51

He'll talk about his addictions.

00:02:52

"Showbiz is awful. My parents were abusive."

00:02:54

He'll say he's changed. That he's not that guy anymore.

00:02:56

-Yeah. You sound real done with it. -I am! I'm just saying.

00:02:59

They'll make you feel bad for him, without it being too sad...

00:03:01

...because too sad is a bring-down. We wanna shoot for pensive.

00:03:05

And this will keep you from talking with your hands, which can be construed as aggressive.

00:03:09

And whatever you do, don't get defensive! Don't deny anything, and don't argue.

00:03:13

[sighs]

00:03:13

-Give me a smile.

00:03:15

Uh...

00:03:16

Whoa! Am I my third favorite Bruce Springsteen song

00:03:19

because I was not "Born in the USA" nor am I "Tougher Than the Rest," but I am "Blinded By the Light"! Nice smile, buddy.

00:03:25

Do you need to be here right now?

00:03:27

Since your interview is leading into the season finale of "Birthday Dad,"

00:03:30

I wanted to officially welcome you to the MBN Thursday Night family.

00:03:34

Thank you.

00:03:35

And to ask if it wouldn't be too much trouble for you

00:03:37

to shout out "Birthday Dad" during your interview?

00:03:40

-Why would I-- -But only if the interview is going well.

00:03:42

If the interview is going poorly, please do not bring up "Birthday Dad."

00:03:46

[baby cooing]

00:03:46

-Hey, Princess Carolyn, I-- Oh. BoJack.

00:03:48

-Getting ready for the interview? -Yeah.

00:03:50

Oh! You've got your work cut out for you, because people hate you right now.

00:03:55

-I'm aware, thank you. -That story... Wow.

00:03:57

Really well-written, huh?

00:03:59

Yeah, the power of the prose was not the first thing I noticed.

00:04:02

Haunting.

00:04:04

Anyway, Princess Carolyn, is it cool if I take tomorrow night off for a date with Maude?

00:04:09

Todd, I keep hearing about this new girlfriend of yours.

00:04:12

When do I meet her?

00:04:13

You can probably take this part of the conversation elsewhere.

00:04:16

Right this way.

00:04:17

We should go on a double date with you and Pickles!

00:04:19

Pickles and I are putting our relaysh on a brief hiate at the mo, but as soon as she returns from her work trip...

00:04:23

[phone buzzes]

00:04:23

-Uh, oh!

00:04:24

Excuse me, I'm receiving a text message and it appears we have broken up forever.

00:04:31

-You're gonna be great. -

00:04:31

[exhales]

00:04:31

Yeah. Where are we doing this?

00:04:34

I got them to take the "Philbert" set out of storage.

00:04:36

Why?

00:04:37

Because we want the intimacy and vulnerability of your home.

00:04:39

You're saying, "This is me. No more lies."

00:04:43

But since we're pre-taping it in the afternoon, we're using the set to make it look like it's nighttime.

00:04:47

Makes sense.

00:04:48

[jingle playing]

00:04:52

I'm here with BoJack Horseman in his actual house.

00:04:56

BoJack, a story came out this morning about the last days of Sarah Lynn.

00:05:00

How did it make you feel?

00:05:01

Honestly? I felt relieved that now I can stop lying.

00:05:05

[light crashes]

00:05:05

[grunts]

00:05:08

-Are the allegations in the story true? -

00:05:08

[clears throat]

00:05:08

They are.

00:05:11

Sarah Lynn was nine months sober. I invited her on a bender.

00:05:14

We spiraled together for a little over a month and then she overdosed.

00:05:17

On heroin you purchased for her?

00:05:19

-Well, I didn't purchase it for her-- -There's no need to get defensive.

00:05:22

I'm just trying to be accurate.

00:05:24

I-I didn't purchase it at all. I just had it.

00:05:26

[Biscuits]

00:05:26

You just had heroin? Lying around.

00:05:28

No, no, no, no, not lying around.

00:05:30

[scoffs]

00:05:30

You're making it sound like I had extra heroin, because I do so much heroin.

00:05:34

I had that heroin because I wasn't doing heroin.

00:05:37

So, I had it. You understand?

00:05:39

In your original statement to the police, you said she called you, you came to the planetarium and found her. That was a lie.

00:05:46

Yes.

00:05:47

Would you say Sarah Lynn dying was your rock bottom?

00:05:50

I don't believe in rock bottoms.

00:05:52

I've had a lot of what I thought were rock bottoms only to discover

00:05:55

-another rockier bottom underneath. -That sounds dangerous.

00:05:59

Eventually, I decided to stop waiting for something to change me.

00:06:03

I had to make the change myself. And that's why I went to rehab.

00:06:06

And I'm very proud to be one year sober next month.

00:06:08

So, if I'm understanding you correctly,

00:06:09

Sarah Lynn dying was part of that decision?

00:06:12

Uh, it was part of it, yes. Uh, I've made a lot of mistakes.

00:06:17

Can you share some of those other mistakes?

00:06:19

I... I don't think that it would be fair to the people who were affected by those mistakes, all of whom I've apologized to in private.

00:06:26

Now that you're sober, do you think you'll stop making these mistakes?

00:06:29

I do. It's been a lot of work, but I look back at that other BoJack and I think, "Who is that?"

00:06:34

And who was he?

00:06:37

I came from a broken home, and I used to feel like my whole life was an acting job.

00:06:42

Just doing an impression of the people I saw on television, which was just the projection of a bunch of equally screwed-up writers and actors.

00:06:49

I felt like a Xerox of a Xerox of a person, you know what I mean?

00:06:53

-But not anymore? -No. Now I feel like me.

00:06:57

It must have been difficult to see those same patterns repeat themselves with Sarah Lynn.

00:07:01

I think that's why her death was so scary for me, why I didn't wanna confront it, because she reminded me of myself.

00:07:10

Some have accused Sarah Lynn's mother of exploiting her death.

00:07:12

When you hear "All Twerk and No Play" in a Geico commercial, or see Sarah Lynn's face on a billboard with the slogan "I'd die for a Pepsi,"

00:07:20

-how does that make you feel? -Sad. Angry.

00:07:23

Honestly, it feels like that's what killed her.

00:07:25

Not the heroin?

00:07:26

No, you're right. It was mostly the heroin.

00:07:29

If you could talk to her mother now, what would you say to her?

00:07:32

I would say... I wish you could know... how sorry I am.

00:07:40

[gasps]

00:07:44

-Am I crazy or did I nail that? -It was good.

00:07:47

Oh, man, when she brought up Sarah Lynn's mother?

00:07:49

She was setting me up to throw her under the bus, but then I said I'm sorry?

00:07:53

I mean, that was a sweet move, yeah? I felt like I could see The Matrix!

00:07:57

You've definitely gotten your 10,000 hours in when it comes to apologizing.

00:08:01

It was good, right? People are gonna like it?

00:08:03

Yeah, well, we'll find out in three hours when it airs.

00:08:10

And that's why the band Chicago is not one of the top ten Chicago bands of all time.

00:08:15

Uh-huh.

00:08:18

Hmm, it's okay if you wanna watch. All right?

00:08:20

He's your friend, it's a big deal for him.

00:08:22

-You don't have to be so weird about it. -I'm not being weird. I'm in a good place.

00:08:25

I don't wanna get dragged back into that other stuff.

00:08:28

That's great! But, you know, it is a little weird that one of your best friends is a huge celebrity

00:08:32

-and you never wanna talk about him. -Roxy's really more my "best" best friend.

00:08:35

But you never talk about Roxy either!

00:08:36

I don't understand what her job is and it's too late for me to ask.

00:08:39

And you were also married to a huge celebrity.

00:08:41

And you never talk about him either.

00:08:42

You don't share your past life with me. You wanna talk about weird?

00:08:45

I've lived here six months and I still haven't met your son.

00:08:48

[stammers]

00:08:48

Okay. But you don't really wanna meet Sonny.

00:08:52

Of course I do!

00:08:53

All right, cool. Let's get dinner tomorrow.

00:08:54

"Tomorrow" tomorrow?

00:08:56

[birds chirping]

00:08:58

[sighs, mumbles]

00:09:03

[inhales, exhales]

00:09:05

[phone buzzes]

00:09:06

[inhales, exhales]

00:09:12

Huh.

00:09:17

[camera shutter clicks]

00:09:18

[rings]

00:09:20

I saw your interview, BoJack.

00:09:21

As a recovering addict myself, I was spellbound!

00:09:25

Wow. I had no idea.

00:09:26

And I see no reason why you shouldn't return to Wesleyan.

00:09:31

Uh, small latte?

00:09:32

-My manager told me not to charge you. -What?

00:09:34

He said he watched your interview last night, then turned off the TV and went straight to his first AA meeting.

00:09:39

Huh.

00:09:40
No "Birthday Dad."

00:09:44
-So, I nailed it. -You kidding?

00:09:45
-Pinky Penguin, line one. -Pinky!

00:09:48
Princess Carolyn!

00:09:49
You delivered MBN the best ratings we've seen in years!

00:09:51
You just bought us six more months of not having to sell ourselves to a larger media company that strips us for office furniture.

00:09:59
[grunts]

00:10:00
BoJack and I were just talking about all the buzz.

00:10:03
I wanna strike while the iron is hot and do a part two tonight.

00:10:06
-Part two? -There is no part two.

00:10:07
It's right there in the title, "The Last Days of Sarah Lynn."

00:10:11
Just sit down with Biscuits again and tell a few more colorful anecdotes from your years partying in Hollywoo.

00:10:17
Then, an encore presentation of the "Birthday Dad" finale.

00:10:20
Makes sense.

00:10:21
We got what we wanted out of this. I don't think we should push it.

00:10:24
We're starting a dialogue. I'm helping people.

00:10:27
Move over, Sad Dog. Make room for Remorse Horse!

00:10:30
That's great BoJack, but--

00:10:31
Listen, I'm ready to move on and go back to Connecticut, but it does feel good to be part of the conversation again.

00:10:37
And if my openness and candor about addiction is helping people, then I'm kind of a dick if I don't do another interview, right?

00:10:44
[sighs]

00:10:45
[Pinky]

00:10:45
I mean, I wasn't gonna say it.

00:10:47
[jingle playing]

00:10:49
Thank you so much for inviting us into your home

00:10:51
-for another night of questions. -Are you kidding?

00:10:53
You couldn't keep me away! Because this is my house.

00:10:56
[light crashes]

00:10:58
I wanna start with another Sarah Lynn question.

00:11:00
Oh, here we go.

00:11:02
Speaking of addicts, I think you're addicted to Sarah Lynn!

00:11:04
[chuckles]

00:11:04
You told the police you weren't with her when she died.

00:11:07
That she called you from the planetarium.

00:11:09
Yes, I lied.

00:11:10
Weren't you afraid the police would check the phone records?

00:11:13
Oh! Well, I wasn't thinking clearly. Guess I'm not a criminal mastermind!

00:11:16
But the police did check the phone records, and your story checked out.

00:11:20
There was a two-minute phone call made from her phone to your phone,

00:11:23
17 minutes before you called 911.

00:11:27
-Oh? -If you were with her,

00:11:29
-how do you explain the phone call? -I, um...

00:11:32
I called myself.

00:11:33
After I realized what had had happened, I took her phone and I called myself so I could make it look like she called me.

00:11:39
-Why? -I went into panic mode.

00:11:41
And then what did you do?

00:11:42
I thought we were gonna talk about other stuff.

00:11:44
What did you do after you called your own phone, BoJack?

00:11:46
I went outside to the parking lot.

00:11:48
And you just waited there for 17 minutes?

00:11:52
Why are you asking about this?

00:11:57
Biscuits Braxby. Paige Sinclair. You've been had.

00:11:59
A pleasure to meet you. Had by who?

00:12:01
The pleasure is mine, the pronoun is whom, and the whom is the horse.

00:12:04
BoJack? I got him to spill his guts about the worst moment of his life

00:12:07
on national television for huge ratings.

00:12:10
Your disgusting display of soft-pedaling sycophancy made me wanna quit the journalism business altogether, two days prior to when I get married and quit the journalism business altogether.

00:12:18
But the Biscuits Braxby brand is keeping things light.

00:12:20
Celebs come on my show because I make 'em look good.

00:12:22
That access keeps me relevant.

00:12:24
But to what benefit is your relevance if it's squandered in the service of public relations?

00:12:28

With the advent of social media, celebs don't need you to make them look good.

00:12:31

And if you don't alter your strategy soon, you'll have no career left to save.

00:12:34

Face it, chinchilla, you're all wet.

00:12:37

Well, I...

00:12:38

Ugh! Even if I wanted to do a hard-hitting interview, what would I say?

00:12:42

I've a few ideas...

00:12:46

-You keep looking over to your manager. -Well, I--

00:12:48

-Can we talk about your relationship? -Princess Carolyn?

00:12:50

-You dated her for seven years? -Yes, and look! She's alive.

00:12:53

Did it ever get complicated, working with her while maintaining a sexual relationship?

00:12:58

Well, she's always been good at keeping her personal and professional lives separate.

00:13:01

-Quite an accomplished woman. -You said it.

00:13:03

She was an agent's assistant when I met her and now she's running her own company. Plus, she's a great mom.

00:13:09

[chuckles]

00:13:09

Oh, fish! Mom!

00:13:11

-I forgot about Todd's date! -I can watch Ruthie for a few hours.

00:13:14

[whispers]

00:13:14

Thank you.

00:13:15

What can you tell me about Marcy Jerominek?

00:13:18

-Who? -In the '90s, you had a fan club--

00:13:19

-How do you know all this? -Do you know where I'm going here?

00:13:22

[sighs]

00:13:22

Marcy. Yes. She was the president of my fan club.

00:13:25

You slept with her.

00:13:26

We had a lovely evening together. We both got something out of it, and--

00:13:30

Did you take a high school girl to her prom?

00:13:33

-That was a family friend. -Did you help a teen mom sneak out of rehab and take her to a high school party?

00:13:38

I didn't take her. We went together.

00:13:40

Is it true you once dated a woman who'd just woken up from a 30-year coma?

00:13:43

-Were you attracted to her naiveté, too? -What does all this have to with--

00:13:46

You had sex with the president of your fan club.

00:13:48

You had sex with your agent's assistant. You party with underage girls.

00:13:52

-You don't see a pattern here? -It's not a pattern.

00:13:54

-Do you enjoy having power over women? -I don't even know what that means.

00:13:57

You don't know what it means to have power over women?

00:13:59

I don't have power over anyone. I barely have power over myself.

00:14:03

But you do have power over people. And again and again, you abuse that power.

00:14:07

All these women that you mentioned, I never forced myself--

00:14:10

Not through force, but you understand the power differential.

00:14:12

So, I can't be with any woman I might have power over?

00:14:16

-Who does that leave me with? -I'm just pointing out a series of--

00:14:18

You think everything is this nefarious scheme.

00:14:21

Most of the bad shit that happens in this world isn't because of wicked plots and machinations.

00:14:25

It's just because we're all a bunch of stupid, hungry, horny little goons just grabbing at shit, hoping it'll press that little button in our brain that says,

00:14:33

"Okay, you're happy now." That's not an "abuse of power."

00:14:37

Do you really believe you didn't have the power in all of those relationships?

00:14:41

I... I am an addict.

00:14:44

One of the first things that I had to accept was my own powerlessness.

00:14:47

-But that's-- -I understand what I did was wrong.

00:14:49

I'm not denying that. But you're trying to paint this picture.

00:14:51

You're making it out like I'm a bad guy, and I'm not.

00:14:54

I'm not that guy you're saying I am.

00:14:56

-So, back to Sarah Lynn... -No. Why?

00:14:58

You gave her the heroin...

00:14:59

I already told you, yes. How many times can I say it?

00:15:02

Breaking news! The thing I told you yesterday is still true.

00:15:05

-Did you ever give Sarah Lynn alcohol? -What?

00:15:07

The first time Sarah Lynn ever got drunk, she was a child, and it was vodka, right?

00:15:11
How... how do you know about that?

00:15:13
You were bringing vodka to the set of "Horsin' Around."

00:15:16
Who told you all this stuff? Did Sharona tell you that?

00:15:23
Doctor Champ, thank you for returning my call.

00:15:25
I didn't wanna say anything, but just watching BoJack in that interview, talking like he's a victim in all this.

00:15:31
If the world only knew the things I know...

00:15:34
I understand as a therapist, you're not at liberty to divulge what your client told you in confidence.

00:15:39
But I'm not a therapist. I'm a therapy horse.

00:15:42
And I can tell you everything.

00:15:44
Oh.

00:15:45
Because Sharona was a drunk, too, so you can't trust a thing she says.

00:15:48
Obviously, she has a vendetta against me. Besides, I already apologized to her.

00:15:52
Apologized for what?

00:15:54
Okay, when you put it all together, it looks bad.

00:15:56
Do you see any connection between those other women and Sarah Lynn?

00:15:59
There's no connection between anyone, that's what I keep saying!

00:16:02
Sarah Lynn wasn't like those other girls.

00:16:05
I loved Sarah Lynn. She was like a daughter to me.

00:16:08
I just keep seeing this story of you taking young women...

00:16:11
-No. -Grooming them...

00:16:12
I didn't groom anyone, okay?

00:16:14
It's not like I got Sarah Lynn drunk for the purpose of taking advantage of her.

00:16:17
She was ten! I didn't even have sex with her until she was 30!

00:16:20
-I'm sorry, what? -No. I just mean that--

00:16:22
-Did you say you had sex with her? -That was later. She was an adult.

00:16:25
And we were both so drunk and high, I didn't--

00:16:28
We didn't know what we were doing.

00:16:30
We were addicts, and the thing about addicts--

00:16:32
-This was during your bender? -Yeah. No! A different bender.

00:16:35
I took her to rehab, by the way! I tried to get her help.

00:16:38
I just keep thinking about those 17 minutes.

00:16:40
You waiting in the parking lot after she died.

00:16:44
But she wasn't actually dead yet. She died in the hospital.

00:16:47
-Right, but at the time, I didn't... -Ever wonder what would've happened if you didn't take those 17 minutes? Do you think she might still--

00:16:53
No! I... Look, obviously when I did all that stuff, I wasn't--

00:16:55
So to recap, you gave Sarah Lynn alcohol when she was a child.

00:16:59
She then became an addict.

00:17:01
Come on, there was a lot of stuff in between--

00:17:02
I'm talking now. You're not talking.

00:17:05
When she was intoxicated, you had sex with her, and when she was sober, you gave her the heroin that killed her.

00:17:10
Then in an effort to cover for yourself, you waited to call the paramedics that might have saved her life.

00:17:17
And you don't think you have any power over women.

00:17:24
So, it didn't go great.

00:17:26
The gross part is she doesn't even care.

00:17:28
This is just a ratings win she can use as leverage for her next big paycheck.

00:17:31
-Maybe. -She was all over the place.

00:17:33
I think people are gonna see that she was just out to get me.

00:17:35
-People are gonna see that, right? -I guess we'll find out tonight.

00:17:38
Okay, maybe she had some good points, but she completely undermined herself with, like...

00:17:43
I mean, we dated for like seven years.

00:17:45
Do you think that I took advantage of you?

00:17:47
[sighs]

00:17:47
I'm here, aren't I? -And she kept bringing it back to women--

00:17:50
These "women I hurt" because that's what's hip now, right?

00:17:53
Hurting women? But I have also hurt a lot of men!

00:17:56
I told you to do just the one interview and go back to Connecticut.

00:18:00
-But it's gonna be okay, right? -

00:18:00
[sighs]

00:18:04
You wanna grab some tacos? What do you think?

00:18:06
-I think you have three hours... -

00:18:06
[car alarm chirps]

00:18:09
...before this interview airs and your world changes completely.

00:18:12
You should think about how you wanna spend that time.

00:18:15
I'm going home to my daughter.

00:18:17
[engine starts]

00:18:28
-Sonny! It's great to finally meet you. -Hey.

00:18:31
-Sonny! Come on! -Good evening, ma'am.

00:18:34
Whoa!

00:18:34
[chuckles]

00:18:35
What's this? You made varsity?

00:18:37
Yeah. Coach moved me up for the rest of the season.

00:18:39
-Wow! Congratulations! -That's amazing! Why didn't you tell me?

00:18:41
I wanted to wait for the jacket.

00:18:43
I'm so proud of you, buddy.

00:18:44
We should get Chicago-style cheese fries to celebrate.

00:18:46
-Oh! I'll get-- I'm getting cheese fries.

00:18:48
[chuckles]

00:18:48
So... lacrosse. -What's your deal?

00:18:52
-What? -My dad has a thing for broken women.

00:18:54
Then he nurses them back to health, and when they're better they leave.

00:18:57
You gonna leave him?

00:18:58
-Does your dad think I'm gonna leave him? -It doesn't matter, because eventually my mom and dad are gonna get back together.

00:19:04
They're still in love.

00:19:05
-What? No, they hate each other. -No, they don't.

00:19:07
-They fight all the time. -Wha-- Really?

00:19:11
[cries]

00:19:11
-Oh! Whoa!

00:19:13
-My dad hates my mom? -Uh... No! Of course not!

00:19:16
Then why would you say that? You're so mean!

00:19:19
[sobs]

00:19:21
I was gone for two minutes!

00:19:32
Huh.

00:19:49
Ah.

00:19:53
Is this anything?

00:19:54
"My girlfriend was upset I gave her a CD for Christmas.

00:19:57
But she gave me VD for Hanukkah!"

00:20:00
That's nothing. And possibly anti-Semitic. Hold still.

00:20:03
Ugh! I am so ready to never do stand-up again.

00:20:05
Are you gonna put me on your TV show or what?

00:20:07
I'm telling you, the network loves you.

00:20:09
They just need you to do a screen test. It's basically a formality.

00:20:11
-Screen test? -What, you're too good for it?

00:20:14
No, it's cool! A screen test! Ha!

00:20:17
You wanna hit Alma's after the show? Best tacos in LA.

00:20:20
-I keep telling you it's Neptune's Net. -Ugh!

00:20:22
Malibu is for pretentious, rich douchebags.

00:20:24
That's Beverly Hills.

00:20:25
Malibu is for pretentious famous douchebags.

00:20:28
-Hold still so I can finish. -Finish what?

00:20:31
Look, you might never get a star on the Walk of Fame or a wax statue.

00:20:34
But this way you'll always be immortalized and undisturbed in Hollywood forever.

00:20:40
Unless they repaint.

00:20:43
[Coltrane]

00:20:43
Anybody from out of town? It's a trick question, it's LA.

00:20:46
-Everybody's from out of town. -

00:20:46
[audience laughing]

00:20:48
Most of Los Angeles isn't even in Los Angeles.

00:20:50
-I mean, Azusa? Excusa? -

00:20:50
[grunts]

00:20:52
[audience laughing, applauding]

00:20:57
Oh, my God.

00:21:00
-Hey, man. I hated your show. -What?

00:21:03
-"Horsin' Around." Hated it. -Yeah, that's a hell of an opener.

00:21:06
But my baby brother loved it.

00:21:07
I'd be in my bedroom, sulking and I'd hear him laughing his ass off in the living room.

00:21:12

He had this great laugh.

00:21:13

Drugs took a lot from him, but he still had that laugh.

00:21:17

Right up to the end.

00:21:19

Now anytime I hear anything about that show, I hear my brother's laugh.

00:21:24

-Thanks for that. -Well, shit. You're welcome.

00:21:28

Hey, do you wanna go up?

00:21:29

Oh, man. I... I haven't done stand-up in years.

00:21:32

You're famous. They'll get a kick out of it even if you suck.

00:21:35

[stammers]

00:21:35

I don't think so. Thanks, though.

00:21:41

[mumbles, sighs]

00:21:45

Oh.

00:21:48

[audience laughing]

00:21:50

Mm-mm. No.

00:21:51

-Hmm. Oh, what about this show? -Oh, what's it about?

00:21:54

It's really smart.

00:21:55

It's about New Orleans and jazz and Hurricane Katrina and drugs and John Goodman.

00:21:59

-Sounds exciting. -It's not!

00:22:01

[Bess]

00:22:01

Maude? I heard a man's voice!

00:22:04

-Yeah, Mom, Todd's over! -Is that a burglar?

00:22:07

He's my boyfriend! We're gonna watch TV!

00:22:09

No shows about burglars, though!

00:22:11

-You got it, Mom! -And keep the door open.

00:22:13

-No funny business! -

00:22:13

[sighs]

00:22:13

Okay, Mom.

00:22:17

Wanna watch the second part of the BoJack interview?

00:22:19

I don't know.

00:22:20

That guy was my best friend for like five years.

00:22:24

But not because we have anything in common.

00:22:26

I just landed at his house one night.

00:22:28

You ever get tired of living at the mercy of whoever happens to let you crash on their couch?

00:22:32

-What do you mean? -Why don't you get your own place?

00:22:34

Princess Carolyn doesn't need a live-in nanny anymore.

00:22:36

I think I'd get lonely.

00:22:37

How about this: what if you had your own place, but you shared it with someone?

00:22:41

-Like a roommate? -Or a girlfriend.

00:22:43

[chuckles]

00:22:43

But Maude, you're my girlfriend.

00:22:47

What am I supposed to do?

00:22:48

Get a second girlfriend just to live with?

00:22:50

-No, I-- -And by the way, you're one to talk.

00:22:53

-You still live with your mom. -Yeah, I--

00:22:55

-Why don't you get your own place? -Right, that's actually what--

00:22:57

Wait. I just got an incredible idea!

00:23:00

Yeah? Because I just had an incredible idea, too.

00:23:02

Okay, let's both say our ideas at the same time.

00:23:06

One, two, three.

00:23:08

-Salty gum. -Ice cream sandwich flavored ice cream.

00:23:11

Also, we should move in together.

00:23:12

Oh.

00:23:14

[audience laughing]

00:23:16

You know what they don't tell you about getting sober?

00:23:17

The hardest part, worse than the DTs or the looking back at everything you did or the constant fear of relapse, the hardest part is figuring out what the hell to drink when you order a meal at a nice restaurant.

00:23:28

You expect me to order the bucatini carbonara at Gusto and then drink, what, an Arnold Palmer?

00:23:33

I'm not even a red wine guy, but come on! "Here's your steak, sir.

00:23:36

Would you like an ice-cold Dr. Pepper to go with that?" I mean...

00:23:40

[applause]

00:23:44

[baby cooing]

00:23:44

[door closes]

00:23:47

[sighs]

00:23:48

Are you all right?

00:23:50

Eh... Hmm.

00:23:54

[pops]

00:23:54

[laughs]

00:23:56

[keyboard clacking]

00:23:59

[tapping]

00:24:06

[exhales]

00:24:09

[TV playing]

00:24:12

I guess what I'm getting at is I keep hearing you say,

00:24:15

"That's not me. I've changed."

00:24:17

But how can we believe you've stopped this pattern of behavior

00:24:19

if you won't acknowledge this pattern exists?

00:24:21

I don't even know what pattern you're talking about.

00:24:24

[scoffs]

00:24:24

[Biscuits]

00:24:24

I'll try one more time.

00:24:25

Over these last two nights, you've drawn us an outline of a person.

00:24:28

A person who doesn't think about others, a person who puts his own needs first.

00:24:33

And over and over, other people get hurt,

00:24:35

not necessarily because he means to hurt them,

00:24:37

but because he just doesn't care.

00:24:39

This person I'm describing, is it a different person, or is it you?

00:24:44

Oh.

00:24:48

[BoJack]

00:24:48

Yeah. It's me.

00:24:54

■ Back in the '90s I was in a very famous TV show ■

00:25:03

-■ I'm BoJack the Horseman ■ -■ BoJack ■

00:25:06

■ BoJack the Horseman Don't act like you don't know ■

00:25:13

■ And I'm trying to hold on to my past ■

00:25:17

■ It's been so long I don't think I'm gonna last ■

00:25:22

■ I guess I'm just trying To make you understand ■

00:25:25

■ That I'm more horse than a man ■

00:25:30

-■ Or I'm more man than a horse ■ -■ BoJack ■

Ep 13 — The Horny Unicorn

00:00:05

[line ringing]

00:00:07

[voicemail]

00:00:07

Hey, it's Hollyhock.

00:00:09

Leave a message, if you're a hundred.

00:00:09

[beeps]

00:00:12

Hey, Hollyhock.

00:00:13

Um, you still haven't returned my last call, which is fine.

00:00:15

I just... I know you're going back to school soon, and you should know I won't be there.

00:00:21

Because of... everything you've probably heard about.

00:00:24

So, if you were worried you'd have to see me, you won't.

00:00:27

But I would love to talk.

00:00:29

-It's BoJack. -

00:00:29

[beeps]

00:00:34

[man]

00:00:34

Welcome to Burritos and Mo! Home of burritos and much, much mo!

00:00:38

-Give me a large number three. -Oh, my God. Ellie! Look at the monitor.

00:00:42

It's fricking BoJack Horseman. Don't worry, I muted it.

00:00:45

[Ellie]

00:00:45

He looks like crap. -Yeah. His tie is all loosened up,

00:00:48

which is like the universal sign for having a shitty day.

00:00:51

[Ellie]

00:00:51

Probably because he just came from court. It's all over the news.

00:00:53

He just settled with Sarah Lynn's family for five million dollars.

00:00:56

[man]

00:00:56

Makes sense. He seemed like a real psycho in that interview

00:00:59

-he did a few months back. -Yeah. Guys.

00:01:00

[Ellie]

00:01:00

I'm surprised he'd still wanna show his face in public.

00:01:03

-Hey! -

00:01:03

[man]

00:01:03

His face is everywhere.

00:01:04

-The cover of every magazine. -Okay.

00:01:06

Even got the number-one slot for Hundred Most Hatted Men.

00:01:09

-No, it-- -

00:01:09

[Ellie]

00:01:09

Most Hatted Men? What is that?

00:01:11

[man]

00:01:11

List of men in hats, I guess. He was wearing a fedora.

00:01:13

It was Most Hated Men!

00:01:15

[Ellie gasps]

00:01:15

[man]

00:01:15

What?

00:01:16

It was the Hundred Most Hated Men, it was a newsboy cap, and I can hear everything you've been saying!

00:01:21

[Ellie]

00:01:21

Uh...

00:01:22

[man]

00:01:22

Get his bags, Ellie! -You said you muted it!

00:01:25

[BoJack grunting]

00:01:27

[man]

00:01:27

Have a burrito-ful day! -

00:01:27

[man 2]

00:01:27

Hey!

00:01:27

[grunts]

00:01:27

You suck, asshole!

00:01:32

[sighs]

00:01:32

[theme music playing]

00:02:30

[bleating]

00:02:31

I don't think it's wise to be burning Bridges at this juncture.

00:02:33

I'm sorry, just don't like Beau.

00:02:35

-Greetings, strangers! -Maude?

00:02:37

That's what they want you to think!

00:02:38

I'm Maude's twin sister Fergus, we have never met before, and I'd be delighted to accept a job at this company.

00:02:44

[scoffs]

00:02:44

What? -As you know, I have 12 children.

00:02:47

What sort of day care services do you provide here?

00:02:49

Has this ever happened to you?

00:02:52

Todd? At the office?

00:02:53

Can we wrap whatever this is up?

00:02:55

I'm supposed to head over to the "Birthday Dad" set.

00:02:57

I wanna run a day care at VIM!

00:02:59

I've mastered the art of looking at one baby and I'm ready for more.

00:03:03

You do have several employees with children.

00:03:05

If you employ Todd through the company,

00:03:06

you could offer him a raise and still save money on taxes.

00:03:09

Great. It's done.

00:03:10

Hooray! Corporate tax loophole!

00:03:12

Plus, we can carpool to the office.

00:03:15

Which leads me to my next point. I am moving out to live with

Maude.

00:03:19

It's me! It's Maude. I don't really have a twin sister.

00:03:21

Hey, that's fantastic! Where are you moving to?

00:03:24

Um...

00:03:25

-You can stay here! Live with me forever! -

00:03:25

[director]

00:03:25

Cut!

00:03:29

The line is, "Thank you for the birthday pizza.

00:03:31

Today, I am your dad."

00:03:32

-Oh, sorry! -Let's take five?

00:03:35

-Hey, champ. Everything okay? -I'm just distracted.

00:03:38

Ever since Pickles left, I've been so lonely in that big, empty house.

00:03:41

I've always had a wife or a girlfriend, someone to take care of.

00:03:44

Princess Carolyn, you're perpetually alone.

00:03:46

-How do you manage? -One day at a time, buddy.

00:03:50

I went to the doctor to see if he could make me feel better, he said,

"You should check out this Internet meme, it always cheers me up:
Sad Dog."

00:03:56

And I said, "But Doctor, I am Sad Dog."

00:04:01

Guys, I'm really sorry this keeps happening.

00:04:05

When I got home, I found my wife and daughter had moved out.

00:04:08

All they left behind was this picture.

00:04:11

-Okay. Rude. -Shh!

00:04:13

It's the stock photo that came in the frame.

00:04:15

My wife kept asking me to put in a picture of our family, but I was
always too drunk.

00:04:21

But because of all of you and my sponsor Leo,

00:04:24

I'm no longer just the man who's not in this picture.

00:04:27

I'm a different, better man who is also not in this picture.

00:04:31

Who's next?

00:04:34

[sighs]

00:04:37

-Um, okay, I'll speak. -Ugh.

00:04:39

Things have been pretty brutal for me lately.

00:04:41

-Most people hate me... -Mm-hmm.

00:04:43

...I just lost five million dollars, so that's not great.

00:04:45

Could probably use a Leo of my own right about now.

00:04:50

Wow, tough room.

00:04:51

This AA meeting is a tough room.

00:05:00

[sighs]

00:05:01

Hey, I'll be your sponsor.

00:05:04

Oh! Um...

00:05:05

I know what you're thinking, "Vance Waggoner?

00:05:07

That guy's gonna be my sponsor?

00:05:08

The guy Charlie Sheen once called 'a little much'?"

00:05:11

-Uh... -"Vance Waggoner?

00:05:13

That guy's got more domestic assault convictions than Sean Penn!"

00:05:16

And now you're thinking,

00:05:17

"Did Sean Penn get convicted of domestic assault or was it just
alleged? I gotta look that up later."

00:05:21

-I'm sure-- -Now you're thinking,

00:05:22

"Why would someone this cool and put-together wanna sponsor
me,

00:05:25

-dumb slob BoJack Horseman?" -That's not--

00:05:28

Wait. I've been where you've been, BoJack. And everyone
abandoned me.

00:05:31

If you need someone to talk to, give me a call, okay?

00:05:35

My number is 555-555-8008.

00:05:39

Because sometimes life turns you upside-down, and when you're upside-down, my number is boobs.

00:05:50

[phone buzzing]

00:05:53

[beeps]

00:05:53

-Hello?

00:05:53

Diane! How are the revisions going?

00:05:55

Good! Usually at this stage I hate everything I've ever written and I feel like a worthless hack, but this book actually isn't terrible.

00:06:02

Great, so when can we expect the not-terrible sequel,

00:06:05

"Ivy Tran Two: A Tran for All Seasons"?

00:06:08

I don't know, Ivy Tran was fun but I'm a grown-up writer.

00:06:11

There are other things I wanna write. Did you know Eleanor Roosevelt--

00:06:14

-Interesting. -I didn't even tell you the thing.

00:06:17

I know. I was interested in you not telling me.

00:06:19

Okay, good bit.

00:06:21

In the meantime, if you're interested in writing books that people actually read, you'll get to work on "Ivy Tran Two: Last Tran to Clarksville."

00:06:29

-Eleanor Roosevelt once-- -Interesting!

00:06:31

[disconnect tone]

00:06:34

[audience laughing]

00:06:35

[woman]

00:06:35

And those congressional turd-weasels

00:06:38

actually called this legislation the "Anti-Corruption Bill!"

00:06:41

That's like if BoJack Horseman wore a T-shirt that said,

00:06:44

"I am not a ginormous dick-weasel!"

00:06:47

Hey, that is an unfair drive-by!

00:06:49

Now, I know this Photoshop is not up to our program's usual standards,

00:06:53

but in our graphic department's defense,

00:06:55

none of them could spend ten minutes looking at this ass-weasel

00:06:58

without their uterus literally throwing up.

00:07:01

[phone ringing, buzzing]

00:07:01

-Ugh!

00:07:05

[beeps]

00:07:05

-Yes?

00:07:06

BoJack, it's your very good accountant Gaz.

00:07:08

-I'm here with... -Your very good lawyer Chaz!

00:07:11

Okay.

00:07:12

The good news is the Sarah Lynn settlement isn't gonna kill us.

00:07:14

What's the bad news?

00:07:15

The bad news is you're being sued for a hundred million dollars.

00:07:18

-What? -Remember in your interview, when you disparagingly referred to yourself as "a Xerox of a Xerox"?

00:07:25

The Xerox Corporation did not appreciate being implicated in your untoward behavior.

00:07:29

Just so I'm clear, Sarah Lynn's death cost me five million dollars, but saying something bad about a brand is gonna cost me a hundred million?

00:07:36

When you frame it that way, it almost seems comical!

00:07:38

But it is not comical, because a hundred million dollars is a lot of money you do not have.

00:07:43

Okay, so what's the move?

00:07:44

-Funny you should mention "move." -

00:07:44

[doorbell rings]

00:07:47

Your accountant told me you wanted to sell your house?

00:07:49

-Okay, I'm gonna call you back. -So, I sold your house!

00:07:52

Wow-ee! It looks better than the pictures!

00:07:54

-You sold my house? -Golly, are you...?

00:07:56

Sylvester Stallion. From the Rocky movies.

00:07:58

Oh! Hey, you kids wanna go check out the pool?

00:08:00

[boy]

00:08:00

Yeah! -

00:08:00

[girl]

00:08:00

I love my new life!

00:08:02

You sold my house?

00:08:03

I found this sweet, sweet family from Ohio whose kid just got cast in a movie!

00:08:07

I wanted to make sure the ink dried on the mortgage before they find out the movie's being shot in Saskatchewan.

00:08:07

[chuckles]

00:08:13

So, where do I go?

00:08:14

What do I look like, a real estate agent?

00:08:16

-Wait. -Yeah?

00:08:18

Your mail came.

00:08:19

-Now leave. You're harshing the buzz. -But...

00:08:28

Huh?

00:08:45

-Well, I'm all moved in. -

00:08:45

[sighs]

00:08:45

Me too.

00:08:50

Wow! Got a promotion and my own apartment all in the same day.

00:08:54

-I never realized my boyfriend was butter. -You're right. I am on a roll!

00:08:59

What should I do next?

00:09:00

[ringing]

00:09:01

Chavez residence, this is Jorge. Please state the purpose of your call so I can most appropriately modulate my tone.

00:09:07

Hey, it's Todd. Is Mom there?

00:09:09

Ah! Todd! Yes.

00:09:11

Oh. She's resting at the moment. Can I take a message?

00:09:14

I just wanted her to know that I don't have anything to prove to her, but I got a new job and an apartment, so if I did have something to prove to her,

00:09:23

-I'd have proven it by now. -Well, that's wonderful, Todd.

00:09:26

Yes. And quite mature. And she won't even talk to me.

00:09:29

-Does she know I'm butter? -I'm glad to hear you're on a roll.

00:09:32

We'd love to see your home once you're settled.

00:09:34

What's that supposed to mean? I'm settled! I'm a grown-ass Todd!

00:09:37

-No, I just meant-- -I don't need to impress you!

00:09:40

Why don't you come to my fancy, sophisticated housewarming party tomorrow night and see for yourself!

00:09:46

Consider us there. What can we bring?

00:09:48

-Two chairs! -

00:09:48

[beeps]

00:09:50

We could throw together a party, right?

00:09:52

Um...

00:09:54

-No. -I need a job.

00:09:55

There are no offers.

00:09:56

-Can you check? Ask around? -I'm checking. I'm asking around.

00:10:00

[gasps]

00:10:00

There are no offers. -But I'm broke and homeless.

00:10:05

[scoffs]

00:10:05

I can get you a small role on "Birthday Dad."

00:10:08

Great. Have my pages delivered to me at the Chateau Marmoset.

00:10:11

-You just said you're broke! -And homeless.

00:10:13

You are not staying at a fancy hotel.

00:10:15

Who else would have me?

00:10:17

You could stay here! Live with me forever!

00:10:20

[sighs]

00:10:22

[sizzling]

00:10:22

[Mr. Peanutbutter humming]

00:10:26

And flip! Morning, sunshine!

00:10:29

I hope I didn't wake you with the delicious smell of a well-balanced breakfast.

00:10:32

-Less talky. More coffee. -You got it, roomie!

00:10:35

-Coffee maker, make! -

00:10:35

[beeps]

00:10:37

Took the liberty of doing your laundry and this letter was in your pocket.

00:10:40

[gasps, screams]

00:10:40

-Ooh-hoo! A mysterious pen pal!

00:10:43

Is it a secret admirer or the snowman killer still at large?

00:10:46

It's from Hollyhock. But...

00:10:46

[sighs]

00:10:48

I can't open it. What if she says she never wants to hear from me again?

00:10:51

Or maybe it says "I got rid of my TV three months ago. What's new, BoJack?"

00:10:56

I should just call her.

00:10:57

If I could talk to her, I feel like I could explain that--

00:10:59

[voicemail]

00:10:59

Hey, it's Hollyhock. Leave a message, if you're a hundred.

00:11:03

[voicemail beeps]

00:11:03

-Hey, Hollyhock. It's me again.

00:11:05

And his good friend and roommate and coworker, Mr. Peanutbutter!

00:11:08

It's our first day of work together!

00:11:09

I got your letter and I haven't read it yet, but I'm going to and...

00:11:14

It's really great to hear your voice... your voicemail voice.

00:11:17

-Just give me a call. It's BoJack. -

00:11:17

[beeps]

00:11:19

-Ready to go? -What about this breakfast?

00:11:21

We don't have time for that! You can feed me while I drive, let's go!

00:11:27

-■ Precision... ■ -

00:11:27

[Todd]

00:11:27

Oh, whoa!

00:11:29

-Easy. Okay. Whoa, whoa, whoa. Stop! -

00:11:29

[kids giggling]

00:11:32

Hey, Judah. I need your advice.

00:11:34

I'm trying to throw a sophisticated adult party to impress my parents and I have no furniture or sophisticated adult friends.

00:11:41

I'm alarmed. Do you not consider me a sophisticated adult or a friend?

00:11:45

Judah, this is no time for one of your famous Judah tantrums!

00:11:48

Sounds like you need to throw together a scheme in a short amount of time.

00:11:51

In situations like this, I often think,

00:11:53

-"What would Todd do?" -And?

00:11:55

He'd probably scour VIM's talent list for underemployed actors, tell them they've been hired for a site-specific immersive theater piece as cosmopolitan partygoers, invite just enough real friends to lend it an air of legitimacy and raid the "Birthday Dad" set for furniture.

00:12:05

That's brilliant! Todd, I've done it again!

00:12:09

-Let's go, babies! -

00:12:09

[giggling]

00:12:11

Uh... Babies. Come on!

00:12:14

[trunk trumpets]

00:12:14

[giggling continues]

00:12:19

War.

00:12:20

And for what?

00:12:22

-A couple trophies? A parade? -

00:12:22

[BoJack groans]

00:12:24

No. Not for me.

00:12:27

Maybe I'm just a crazy, old birthday person,

00:12:29

-but I think war is bad. -

00:12:29

[bell rings]

00:12:31

Great job, Mr. Peanutbutter. You're changing hearts and minds.

00:12:35

Isn't this great? Working together?

00:12:37

For the next take, can we get Dead Body Number Four to face away from the camera?

00:12:41

-Oh! That's you! -Yeah.

00:12:43

-Exciting! -

00:12:43

[grunts, groans]

00:12:45

[director]

00:12:45

All the way away from the camera.

00:12:47

[grunts, groans]

00:12:49

[muffled]

00:12:49

I can't really breathe.

00:12:51

That's okay. Let's run it again.

00:12:55

[screams]

00:12:55

-Cool dressing room.

00:12:57

And great work on that scene.

00:12:58

You really seemed like a hollowed-out corpse.

00:13:01

Once animated by the fire of life, now consumed by horror and regret, and for what?

00:13:07

Great. You wanna get dinner?

00:13:08

Oh, I'd love to, buddy, but I have like five more scenes to shoot.

00:13:11

Oh. Of course, yeah. I'll see you back at the house then?

00:13:15

Yeah. Oh! I'm probably going to head right to Todd's fancy party after work.

00:13:19

Todd's having a fancy party?

00:13:20

Mr. Peanutbutter, we're ready for the scene where you help an American soldier and a Taliban insurgent realize they both have the same birthday.

00:13:26

-It's Christmas. -Ugh.

00:13:36

[line ringing]

00:13:38

BoJack!

00:13:40

[Todd]

00:13:40

Greetings, cast!

00:13:41

As you know, you have been hired to play urbane, civilized party guests.

00:13:46
So, if at any point tonight a "member of the audience" tries to talk to you, please say one of the three following phrases that elegant adults say all the time:

00:13:56
"I'm starting to think smart phones are actually making us less connected."

00:14:01
-Oh, yeah! -"Well, that's politics for you!"

00:14:05
Or, "Sir, you cannot remove your shoes inside this Applebee's."

00:14:10
[all]

00:14:10
Ooh!

00:14:12
-Hey! -Hello.

00:14:14
What's that?

00:14:15
It's a case of Ass-Jolt, Pickles' favorite alcoholic energy drink.

00:14:18
I don't need them anymore.

00:14:22
-Oh, fish, I forgot a gift. -You have two options.

00:14:24
This sourdough starter or a haiku I wrote on a grain of rice

00:14:27
-and then suspended in a bottle. -Uh...

00:14:29
Why don't we just say they're both from both of us?

00:14:31
Yeah.

00:14:34
[woman gasps]

00:14:34
Ugh. -And you don't wanna open it?

00:14:36
I'm not ready. As long as I don't read it, she's still in my life.

00:14:39
It's good to have people that remind us why we stay sober.

00:14:42
That's what my daughter is for me.

00:14:44
Here's your sandwich. Chef made it just for you.

00:14:48
Hmph, hmph, hmph.

00:14:52
Okay, do I have a horn?

00:14:54
Because everybody keeps looking at me like I'm some kind of freak.

00:14:57
Well, if you've got a horn, you're the ugliest unicorn I ever saw.

00:15:00
You'd be kicked out of the unicorn kingdom because you couldn't get a date to the marshmallow cotillion.

00:15:06
Yeah, or because I snorted up all the magic fairy glitter.

00:15:09
[deep voice]

00:15:09
"This summer: Dumbass Unicorn."

00:15:11
[chuckles]

00:15:11

That's so stupid. No, that's exactly what they'd do.

00:15:14
It would be like "Nasty Unicorn: The Unicorn Who Parties."

00:15:18
[normal voice]

00:15:18
Yeah, and his horn is like a corkscrew, and he tries to open a bottle of wine, but it gets stuck, so now he's got this wine bottle on his head, just dripping wine down his face,

00:15:27
-like...

00:15:27
[grunting]

00:15:27
[laughing]

00:15:29
"Nasty Unicorn.

00:15:30
He puts the 'U' in 'Eff you.'"

00:15:32
Okay, but it wouldn't be "Nasty Unicorn." It would be "Horny Unicorn"!

00:15:36
Oh, shit, that's amazing. Now we have to do it.

00:15:38
[chuckles]

00:15:38
What do you mean "do it"?

00:15:40
The movie. You're the Horny Unicorn. I'll direct. We're doing it.

00:15:43
Yeah. I'm not really the guy people wanna see in movies right now.

00:15:46
Yeah, they don't wanna see you be Secretariat or raising orphans.

00:15:50
But they will see you be a rude dude who says all the things polite society is too limp-dicked to say.

00:15:55
This is your way back in. This is how you get that love back.

00:15:58
"The Horny Unicorn"?

00:15:59
Yeah, 'cause deep down, he's wounded. He's misunderstood.

00:16:03
It's not his fault he's the way he is!

00:16:05
-And people are gonna see that! -Yeah?

00:16:07
Yeah! He's like, "Hey, buddy! I never asked to be the horny unicorn!

00:16:11
What? You think I like it that I gotta jizz rainbows every 20 minutes to keep my horn from going soft?"

00:16:15
[chuckles]

00:16:15
I don't know.

00:16:17
Come on. I know you need the money.

00:16:19
When are you gonna stop punishing yourself?

00:16:25
[video game noises]

00:16:26
Flip it. No, you gotta...

00:16:26
[sighs]

00:16:26

Flip the thing. Flip it.

00:16:30
Hey, Sonny, do you know where the advance copy of my book is?

00:16:32
Your stupid book about the mall?

00:16:34
Haven't seen it. 'Cause I would never even notice it.

00:16:36
-Cause it's for losers. Girl losers. -

00:16:36
[laughing]

00:16:40
You can just say losers.

00:16:41
Girls can be losers without specifying that they're girls.

00:16:44
Will you let me know if you see it? I need to get revisions to my publisher.

00:16:47
[chuckles]

00:16:47
Sounds like a "you" problem.

00:16:49
[sniggering]

00:16:51
Girl loser.

00:16:57
[piano music playing]

00:16:57
[indistinct chatter]

00:16:59
-Hello. -We're here for the party?

00:17:01
We brought a plant.

00:17:02
Uh, just one sec.

00:17:06
I'm starting to think smart phones are actually making us less connected.

00:17:10
-They are! -Well, that's politics for you.

00:17:12
-It is! -Hey, man. Uh...

00:17:16
-What's going on? -We're here for the party.

00:17:18
We brought a plant.

00:17:20
Look...

00:17:20
[sighs]

00:17:20
BoJack, don't make me ask you to leave.

00:17:24
-You don't have to-- -Come on, dude. Let us in.

00:17:25
-This plant's heavy as tits. -I don't want a whole thing here.

00:17:28
My mom is coming and I haven't spoken to her in ten years, and I can't risk anything happening.

00:17:33
What do you think is going to "happen"?

00:17:35
I don't know, man, but something always happens with you and usually I've been cool because I know you're always dealing with your own shit, but I can't risk it tonight.

00:17:46
I'm sober. Nothing is going to happen.

00:17:48
Yeah, bro, what do you think's gonna-- Oh, shit.

00:17:51
Ugh!

00:17:54
I'll see you around.

00:17:58
We spent like 30 bucks on that plant.

00:18:03
Yes, I have made mistakes. So, now what? I'm just supposed to go away forever?

00:18:08
I'm sorry, but that's bullshit.

00:18:10
This is where you find out who your real friends are.

00:18:12
Part of being sober is leaving behind all the people who can't stop seeing you as the person who pissed in the fountain

00:18:17
-at my own daughter's sweet 16. -Yeah?

00:18:19
You think you owe them something because they tolerated you at your worst, but these people enjoy seeing you fail because it lets them feel superior.

00:18:27
They don't know how to process it when you're no longer the huge screw-up who hijacked a Meals On Wheels van to bring my friends to a strip club.

00:18:33
-I don't know-- -I do. You know what else I know?

00:18:36
You gotta go where the love is.

00:18:38
Yeah. Maybe.

00:18:40
That's why we gotta make "Horny Unicorn."

00:18:42
Because it's gonna make a billion dollars and drive all those assholes crazy!

00:18:46
It would be good to have something to keep me busy.

00:18:48
See? That's what I'm talking about!

00:18:50
-There he is! There's my Horn-corn! -

00:18:50
[phone buzzing]

00:18:53
-Ah, shit. My daughter's in trouble. -What is it?

00:18:55
You mind if we swing by EWE.S.C. real quick?

00:18:57
EWE.S.C.? I'm trying to keep a low profile.

00:18:59
-I don't think a college campus-- -BoJack, this is my daughter, okay?

00:19:02
She's the one person I care about, the one thing keeping me sober.

00:19:05
-Why do you need me to go with you? -Unbelievable.

00:19:07
When everyone else abandoned you, who was there for you?

00:19:09
When the world judged you and ridiculed you?

00:19:11
And now, the one time I need something from you...

00:19:13

Okay. I'm in.

00:19:15

Or as the horny unicorn would say, "Am I in?"

00:19:18

Oh, you're in, baby!

00:19:21

[video game noises]

00:19:23

No. No. Come on, come on, come on! Come on!

00:19:27

-What the hell, Diane? -Ah! I'm working! I'm just taking a break.

00:19:30

-Oh, you found my book? -Yeah, and it sucked. Totally unrealistic.

00:19:34

-You read my book? -I've been reading it.

00:19:36

Obviously, I wasn't gonna say it in front of my friends, because it's a book for girl babies, but anyways it didn't even make sense!

00:19:41

What do you mean?

00:19:42

Like, you say the book takes place in Chicago, but Ivy lives in Schaumburg.

00:19:46

Schaumburg, Diane? Schaumburg's not Chicago.

00:19:49

It's in the Chicago metropolitan--

00:19:51

Oh, my God, what's next?! Evanston, Chicago?

00:19:55

Morton Grove, Chicago? Naperville, Chicago?

00:19:59

-That's what you sound like! -Okay, it's not too late to change it.

00:20:03

Good. And while you're at it,

00:20:04

-I've got some other questions. -Yeah?

00:20:06

Like, okay. When Ivy told Moose that he wasn't her best friend anymore and Moose said, "You're still my best friend whether you like it or not..."

00:20:06

[sniffs]

00:20:15

-was that real? -What do you mean?

00:20:17

Like, did that really happen, that someone could be someone's best friend still even when they're disappointed in them?

00:20:22

Um, yeah, Sonny, that's real.

00:20:25

Okay. And you know how Ivy kept her dad's watch in her locker because even though he wasn't around she still knew that he loved her?

00:20:33

-Was that real, too? -Well, the book is fiction.

00:20:36

Yeah, no, I get it, I just... parts of it felt real, you know?

00:20:40

Yeah. I know.

00:20:41

It's cool that you wrote a book. I mean, I think girls are gonna like it.

00:20:44

Especially girls who, like, don't have good self-esteem.

00:20:47

-I hope so. -So, when's the next one coming out?

00:20:49

Just in case you need me to check it for other mistakes, you know.

00:20:49

[sniffs]

00:20:53

Well, if I get started right away, it should be out by next fall.

00:20:58

-Cool. You gotta flip it. -Oh, shit, shit, shit, shit!

00:21:04

-Jagger! Jagger! -Shh, shh.

00:21:06

Hey, hey, hey, keep it down maybe?

00:21:08

Oh, my God, Dad, is this seriously happening?

00:21:11

-Why are you here? -You knew what you were doing when you liked your mother's Instagram post of her on the beach with her new boyfriend.

00:21:17

-What? -It was a good picture!

00:21:19

That's why we're here?

00:21:20

Every month, you get five Instagram likes on my account and five on your mother's account.

00:21:25

You heard what the judge mandated!

00:21:26

Hey, man, let's just go. Okay? People are starting to--

00:21:28

-Are you BoJack Horseman? -No.

00:21:30

-Yeah, you are. -NoJack.

00:21:31

Were you trying to get my attention? 'Cause you got it now, baby!

00:21:34

-Dad! -The story got picked up by TMZ!

00:21:36

You're ruining my life!

00:21:37

You're making me look like a real cuck, Jagger.

00:21:39

I'm getting cucked by my own daughter!

00:21:42

You don't even know what that word means!

00:21:44

I just want you to know,

00:21:45

-I think you got a real bum deal. -Oh, yeah?

00:21:47

You got massively sandbagged in that interview, bro.

00:21:49

-You were trying to apologize. -Thank you.

00:21:53

Everything these days is all "patriarchy" this and "male gaze" that.

00:21:56

And, well, I think it's cool you're pushing back against that.

00:21:59

Well, no, I'm not pushing back.

00:22:00

No, Bo, I'm saying it's cool. You can relax here. This is a safe space.

00:22:05

-Okay. -You're embarrassing me!

00:22:07

Oh, yeah? How's this for embarrassing?

00:22:09

Your last spon-con post for L'Oréal? It came off as disingenuous!

00:22:15
[gasps]

00:22:15
You know I love my wide array of L'Oréal products!

00:22:18
From game days with the gals to cram sessions at the creamery,

00:22:21
L'Oréal gives me the confidence to shine my brightest!

00:22:24
Do you wanna come back to Delta House?

00:22:26
I think those guys would be super-stoked to meet you.

00:22:29
-They'd be stoked? -Super-stoked.

00:22:31
All right, let's get out of here.

00:22:32
My daughter sucks, which is surprising because I did such a good job raising her.

00:22:35
Let's make one more stop.

00:22:39
-Hey! Looking good! -Well, that's politics for you!

00:22:42
[phone buzzes, beeps]

00:22:43
-Hello? -Your mother isn't feeling well.

00:22:45
She's still recovering from her surgery.

00:22:47
Oh.

00:22:48
Does that mean you're not coming to my refined, upscale party that I totally didn't just throw together only to impress you?

00:22:56
I'm sorry, uh, no. But thank you for inviting us.

00:22:59
Jorge, I'm trying to connect to her.

00:23:03
I know. Please keep trying.

00:23:06
[beeps]

00:23:08
I'm starting to think that smart phones are actually making us less connected.

00:23:17
And then I passed out in the pool. Sploosh!

00:23:20
Luckily, Lindsay Lohan was there to perform CPR.

00:23:23
She still credits me for being the reason she got sober... that time.

00:23:26
[chuckles]

00:23:26
Wow.

00:23:27
-Who's Lindsay Lohan? -She's a celebrity from the olden days.

00:23:31
Olden days? Jesus.

00:23:33
Hey, look, buddy, I gotta go.

00:23:35
I'm gonna walk this co-ed back to her room.

00:23:36
'Cause, you know, there's pervs out there.

00:23:38
Are you serious? You're supposed to be my sponsor.

00:23:40

So, what, I gotta hang out with you all the time?

00:23:42
Relax, okay? I'll call you tomorrow, we'll set up "Horny Unicorn."

00:23:45
Enjoy your people.

00:23:47
Okay.

00:23:49
[camera shutter clicks]

00:23:49
-Hey, man. Hey! No pictures!

00:23:51
-Delete that. -Come on.

00:23:53
Hey, no. You come on. I'm not here to be your cool story later.

00:23:56
Okay, sorry.

00:23:58
I shouldn't be here.

00:24:00
[bottle clinks]

00:24:05
[line ringing]

00:24:06
[female voice]

00:24:06
The number you are trying to reach has been disconnected.

00:24:09
Goodbye.

00:24:10
What?

00:24:12
[gasps, exhales]

00:24:21
Huh.

00:24:25
[sighs]

00:24:35
[indistinct chatter]

00:24:46
[camera shutter clicks]

00:24:49
[camera shutter clicks]

00:24:51
[camera shutters click]

00:24:57

Ep 14 — Angela

00:00:07

[elevator dings]

00:00:07

[men laughing]

00:00:08

And that's the end of a sexist, fatphobic anecdote in which I was so desperate to get out of the rain,

00:00:14

-I slept with a plus-sized woman. -

00:00:14

[laughter continues]

00:00:17

[woman]

00:00:17

Hold the door.

00:00:19

-Oh! Did I miss a meeting? -No, Angela.

00:00:22

We took Davey here out for a big '90s-style birthday party, it being the '90s and all...

00:00:26

I would have come! I love the '90s, and it being them.

00:00:30

Come on, the president of the network shouldn't fraternize with the board.

00:00:33

Let your number two handle that stuff.

00:00:36

[elevator dings]

00:00:36

[laughter continues]

00:00:38

I don't like you going to birthday parties behind my back, Teddy.

00:00:41

I was doing reconnaissance for you!

00:00:43

You didn't hear it from me, but there's some concern that as a single career gal, you're,

00:00:47

-well, a single career gal. -And?

00:00:49

ABC's supposed to be a family network.

00:00:52

I understand families.

00:00:54

Uh-huh.

00:00:55

Does he?

00:00:58

Oh, Herb.

00:00:58

[sighs]

00:01:02

[Herb]

00:01:02

I'm sorry, okay?

00:01:03

It's called discretion, Herb.

00:01:05

We're trying to sell the network to Disney.

00:01:07

Disney? You think Michael Eisner gives a hoot who I go to bed with?

00:01:10

We don't need to bring Eisner into this.

00:01:12

Obviously, Michael Eisner is a compassionate and progressive individual.

00:01:16

This isn't about him.

00:01:18

-So, it's you. Just say it's you. -No. You're the one--

00:01:20

If you're going to fire me, at least have the balls to fire me.

00:01:23

-You're fired. -Hey. Whoa, whoa, whoa.

00:01:24

You think you can do "Horsin' Around" without me?

00:01:26

We could do it without anybody. All we need is the horse.

00:01:29

And that horse is just gonna go along with you canning his best friend?

00:01:32

You want BoJack to betray me, you're gonna need one hell of a pitch.

00:01:37

Okay.

00:01:38

[theme music playing]

00:02:36

[inhales, sighs]

00:02:36

[knocking on door]

00:02:39

-Mr. Horseman, you're invited to set? -Thank you.

00:02:42

-The set of "Horny Unicorn"? -Yes, I'm aware.

00:02:44

To shoot a scene in which the titular horny unicorn gets his penis stuck in a saxophone, because he was hoping to "get blown"?

00:02:50

I know the scene, thank you.

00:02:55

[slurps, gulps]

00:02:56

Ah.

00:02:57

[phone rings, beeps]

00:03:00

Hello?

00:03:01

-BoJack, this is Angela Diaz. -Huh?

00:03:04

We met once before.

00:03:09

I remember.

00:03:10

I saw your interview several months back. It made me nostalgic.

00:03:15

Me too. Nostalgic for the day before I did the interview.

00:03:17

Oh, yes, humor.

00:03:17

[chuckles]

00:03:19

If you're free tonight, you could come by the house, watch the fire, reminisce.

00:03:24

There's something I've been meaning to ask you.

00:03:26

-What? - Wouldn't you love to find out?

00:03:29

Uh...

00:03:33
So, the Stephen King musical opened right next door to the Sondheim revival.

00:03:37
We have clients in both. I was worried there'd be tension,

00:03:39
but it turns out Misery loves Company.

00:03:41
Judah, are you in a band?

00:03:43
Why do you ask that?

00:03:44
I've always wondered if you were in a band ever since this afternoon

00:03:47
when I overheard Juniper tell Stuart that you were in a band.

00:03:50
You're playing a gig tonight, and the whole office is going.

00:03:52
I was planning to invite you, but didn't want you to feel obligated.

00:03:54
-We're not good. -

00:03:54
[phone ringing]

00:03:56
Lenny! How the hell are you?

00:03:58
I got trouble, PC!

00:03:59
You know Teddy Buttons, my head of production?

00:04:01
I'm familiar with Teddy.

00:04:03
I somehow missed that Teddy has spent the last 20 years showing women his...

00:04:07
I'm familiar.

00:04:09
See, that's why I love you. You're discreet.

00:04:10
-You're tough. You're Teflon. -That's me, an old frying pan.

00:04:14
I could use someone who can handle the heat over here.

00:04:16
Someone who can be more professional and less... Moonves.

00:04:19
What are you saying?

00:04:21
I want you to run Turteltaub's new female-focused studio division,

00:04:25
-Girteltaub! -I didn't sneeze.

00:04:26
No, Girteltaub is the studio.

00:04:29
I wanna announce a slate before the Teddy story hits the trades.

00:04:31
You think you can throw one together?

00:04:33
You want me to pitch my dream movie studio?

00:04:35
I need it tomorrow morning. We gotta hit the ground running with this thing.

00:04:38
[stammers]

00:04:38
You don't wanna go slow and steady?

00:04:40
-What am I, a tortoise? -

00:04:40
[phone beeps]

00:04:43
Hmm.

00:04:44
Get me box office numbers.

00:04:45
We need firm financial figures to frame how fans flock to flicks that flex chicks, woman films, like Pretty, Wonder, Little.

00:04:53
Diary of a Mad Black. I'll get my laptop.

00:04:55
Oh, wait! Your gig.

00:04:56
I have time. This is important. When a Man Loves a...

00:05:00
-What? -That's another film title, as we were discussing previously.

00:05:03
Oh, of course.

00:05:08
Mm.

00:05:10
[phone rings, beeps]

00:05:14
-Hey, Guy, I'm about to... -Diane.

00:05:15
Am I wearing a T-shirt right now that says "Treat me like I'm some kind of asshole"?

00:05:18
I can't see you right now, but I'm guessing by your tone, no?

00:05:21
Then why is my ex-wife treating me like I'm some kind of asshole?

00:05:24
Did you tell her you weren't wearing the shirt?

00:05:26
Lady got a job in Houston.

00:05:27
She's taking Sonny out of school and moving to Texas.

00:05:30
She can't do that!

00:05:31
Well, she can, because she has full custody.

00:05:33
And this is her dream job, and I'm really happy for her. But this sucks!

00:05:36
Well, they must need cameramen in Houston, and I can write anywhere...

00:05:42
I... couldn't ask you to do that.

00:05:44
I wouldn't ask you to ask.

00:05:45
If Sonny's going to Houston, then we're going.

00:05:49
Okay. Okay. All right. Houston. Uh, g-go, Astros!

00:05:53
Go... rodeos!

00:05:54
Hope you like barbecue!

00:05:55
I hope I don't need another abortion because they are hard to get there!

00:05:59
-Wait, what? -Just trying to think of Texas things.

00:06:01
Sorry. Houston!

00:06:06

All day at the airport, I watch people pull suitcases.

00:06:09

Why do we suffer that extra weight dragging us down?

00:06:11

Because we need clean clothes.

00:06:13

The point is: helium luggage.

00:06:15

Why pack light when you can pack lighter than air?

00:06:17

All right, so Mom's too sick to come out of her room but not too sick to make her famous Frito pie?

00:06:23

Well, she wanted to see you.

00:06:25

She was fine all day and then suddenly ill with a stomach bug.

00:06:27

I wanna see her.

00:06:29

No, no, no, no, she's not there! She's at the Zumba.

00:06:32

Is she at Zumba or is she sick?

00:06:34

She is sick but was hoping the Afro-Latin fusion beats

00:06:37

-would make her feel better. -

00:06:37

[sighs]

00:06:39

This was a mistake.

00:06:42

[car alarm chirps]

00:06:42

[Todd]

00:06:42

Hmm.

00:06:46

Todd, I must confess to you, your mother is not at Zumba.

00:06:49

I can see her in the window.

00:06:50

Oh! That's a mannequin so I can test out my outfits.

00:06:53

-You're lying again! -

00:06:53

[sighs]

00:06:56

Okay. She didn't come to dinner because she's ashamed.

00:07:00

She can't say hello? The woman has my kidney!

00:07:02

And that's why she's ashamed.

00:07:04

A mother shouldn't owe her child her life.

00:07:07

If she could turn it around somehow, save your life...

00:07:10

-But, alas, she cannot. -Huh.

00:07:12

But maybe if she could... but no, you're obviously healthy.

00:07:17

-But if you weren't... -

00:07:17

[gasps]

00:07:19

-But you are. -Hmm.

00:07:20

-Clearly there is nothing to be done. -Hmm.

00:07:29

[coughs]

00:07:29

Ugh.

00:07:35

[inhales, sighs]

00:07:38

[clears throat]

00:07:39

[Angela]

00:07:39

Hey. -Wha--

00:07:40

Aren't you the horse from "Horsin' Around"?

00:07:43

[chuckles]

00:07:43

Mm.

00:07:47

[grunts]

00:07:50

Look at this thing. I fell down one time and I'm an invalid.

00:07:54

-Word to the wise, BoJack, don't get old. -I'll see what I can do about that.

00:07:58

My 40-year-old companion treats me like a fragile antique.

00:08:01

I've got a Lamborghini Miura and she won't even let me drive it.

00:08:04

I'm sorry to hear that.

00:08:06

Anyway, I wanted to say I'm sorry.

00:08:09

Uh...

00:08:10

Yeah?

00:08:11

I'm sorry that at the '94 upfronts we made you do that stupid BoJack dance.

00:08:16

Oh. Is that why you wanted to see me tonight?

00:08:19

No. You're tall. I need you to reach a box.

00:08:25

"Melanie, good luck with your braces. I think they look cool."

00:08:32

Huh?

00:08:34

Mr. Peanutbutter?

00:08:37

Oh.

00:08:39

Uh...

00:08:41

-■ Who's that dog? ■ -■ Mr. Peanutbutter! ■

00:08:44

-Diane! -You wrote a memoir?

00:08:47

Oh, yeah! I had the idea a few months ago, then one weekend it just fell out of me.

00:08:51

-What? -From the way people talk about writing,

00:08:53

I always assumed it was very difficult, but it turns out it's not at all, literally anyone can do it!

00:08:59

Yes, that's always been my experience.

00:09:01
I loved your new book, by the way.

00:09:03
-Thanks. -I'm happy for you, Diane.

00:09:06
Even though it's really easy to write a book, it's still an accomplishment to be proud of.

00:09:10
-I am. -And how's Chicago?

00:09:12
Are you a Chicagoan yet? You know, I went to school in Chicago.

00:09:15
You went to Northwestern. That's not in Chicago.

00:09:18
Ah! You are a Chicagoan!

00:09:20
I'm actually about to move to Houston.

00:09:23
In New York? Oh, I think there they pronounce it "Hose-town."

00:09:26
No, Texas. My boyfriend and I are going.

00:09:29
Oh, wow! Boyfriend.

00:09:32
-Yeah. -That's fantastic.

00:09:35
I wanna hear all about him. I assume he's a good guy?

00:09:38
He's actually the best Guy.

00:09:43
His girlfriend looks nice. He seems healthy.

00:09:46
What-- What's his job?

00:09:47
I think he runs a daycare, but he talks about the babies as if they're his co-workers, so it's impossible to know for sure.

00:09:54
-I should have been there. -We'll try again.

00:09:56
[phone rings]

00:09:56
-Oh!

00:09:59
-Hello? -

00:09:59
[woman]

00:09:59
Listen up, Helen.

00:10:01
I've kidnapped your son and I demand a ransom or I will--

00:10:04
[whispers]

00:10:04
Next card? -

00:10:04
[grunts]

00:10:06
"Murder him!"

00:10:07
Oh, no! Todd's gonna get murdered by a fearsome stranger whose sage, buttery voice simultaneously comforts me and fills me with dread.

00:10:14
Sounds like a lot of range for a kidnapper.

00:10:16
Who are you and what do you want?

00:10:18

"I'm your worst nightmare and I want one hundred of your famous Frito pies."

00:10:24
Yes. Anything!

00:10:26
"Under the Hyperion Street Bridge in one hour."

00:10:29
That was perfect! Thank you, Margo!

00:10:32
It's the least I can do.

00:10:33
Getting you to buy that addictive video game was the act that set me down this ruinous path so many years ago.

00:10:40
If I can make things right by you, maybe there's hope yet for this wretched soul.

00:10:47
Okay!

00:10:51
[groaning]

00:10:54
Open it.

00:10:57
-Whoa. -The studio went all-out.

00:10:59
They even found your original screen test.

00:11:01
That's incredible.

00:11:02
Too bad no one will ever see it.

00:11:04
After your interview, we couldn't give these things away.

00:11:07
Oh, right. Sure.

00:11:09
It was a great show.

00:11:11
It would be a shame for it to be forgotten now.

00:11:13
Maybe it's for the best.

00:11:15
I just feel so bad for Sarah Lynn. She was so good.

00:11:18
It's tragic she won't be remembered for it.

00:11:20
Well, nothing we can do about it now, right?

00:11:25
[groans]

00:11:26
[clicks tongue, sighs]

00:11:29
I've completed a projection for female-led films over five years.

00:11:32
It's encouraging but vague until I get the specifics of your dream slate.

00:11:35
I don't know what that is! I don't remember my dreams.

00:11:38
Did I ever even have dreams?

00:11:38
[sighs]

00:11:41
If you leave now, you can still make your show.

00:11:44
My job is to be here when you are.

00:11:45
No. Don't give your whole life to this job, because if you do, someday someone will finally ask you what you want and you'll

realize you don't even know anymore.

00:11:56

-Okay. -I'm sorry to miss it.

00:11:58

You missing it will make eye contact easier tomorrow.

00:12:01

[chuckles]

00:12:06

Gronkle has been re-cutting old episodes of The Cosby Show to take out all the Cosby scenes.

00:12:12

-They call it "The Show." -Huh.

00:12:14

They wanna try something similar with "Horsin' Around."

00:12:17

So, it'll just be "Around"?

00:12:19

It'll just be around eight minutes an episode, which is perfect for today's ADD-addled youth.

00:12:26

It's about three precocious orphans living without any adult supervision, who learn that wisdom and guidance can be found everywhere.

00:12:33

It's all "around."

00:12:37

Well, sounds like you got it all figured out.

00:12:39

-What do you need me for? -Your backend.

00:12:41

Nobody's going to watch the show if they think you're still profiting off it.

00:12:44

-I need that money now more than ever. -We want to buy you out.

00:12:48

A one-time payment and then you're divorced from the show forever.

00:12:53

[inhales]

00:12:53

Oof.

00:12:56

Do it for Sarah Lynn.

00:12:59

Doesn't she deserve more than to be remembered as the girl you killed?

00:13:03

[sighs]

00:13:05

Have you seen the episodes without me in them?

00:13:07

-Mm-hmm. -And they're good?

00:13:08

If you sign that document, you won't need to worry about that ever again.

00:13:18

[sighs]

00:13:18

Good, let's drink.

00:13:21

I'm fine with my water, thanks.

00:13:23

You're not fooling anyone with that water bottle.

00:13:25

Let me fix you a real drink.

00:13:28

One.

00:13:31

Wow, this is a huge crowd for us. Is everyone from your office here?

00:13:35

[sighs]

00:13:37

Not everyone.

00:13:38

Judah, obviously I was speaking figuratively.

00:13:44

[sighs]

00:13:47

[keyboard clacking]

00:13:51

[groans]

00:14:05

[woman]

00:14:05

Hi, we are Spectrum of Enchantment.

00:14:08

Our lead singer had to go back to work...

00:14:10

-What? -...so we'll be playing all of the instrumental versions of our songs. So...

00:14:15

Whoo!

00:14:17

-Instrumentals! -

00:14:17

[scoffs]

00:14:20

[upbeat music playing]

00:14:22

■ Now boys and girls If you wanna do the BoJack ■

00:14:24

■ Take your hands Put them up on your lower back ■

00:14:26

■ Take your circle and strut and strut Wiggle your hips and jiggle your... ■

00:14:30

-Uh-oh! -Whoo!

00:14:31

■ ...troubles and pull up your pants That's how you do the BoJack dance! ■

00:14:34

[laughing]

00:14:35

-Brilliant! -

00:14:35

[music stops]

00:14:37

Yeah, but no one wants to do the BoJack now.

00:14:37

[grunts]

00:14:40

It's funny. I remember a time when I was scared you'd leave the show.

00:14:45

Who'd have thought one day I'd be asking you to?

00:14:47

[grunting]

00:14:48

When were you scared that I'd leave the show?

00:14:51

Oh, Herb was gay and I had to convince you to let us fire him.

00:14:55

-Let you? -You probably don't even remember, but I had this whole speech I practiced in the mirror.

00:15:00

I was terrified you were going to call my bluff.

00:15:03

Bluff? All this time, I thought there was nothing I could have done...

00:15:06

I guess I bluffed good!

00:15:08

-I'm not taking your stupid deal. -No! You signed!

00:15:11

[both grunting]

00:15:12

-Stop, you idiot!

00:15:12

[grunts]

00:15:12

-No.

00:15:15

No! Why should I give you what you want? You took everything from me.

00:15:18

My job was on the line. You have no idea--

00:15:21

Every stupid decision I made, every bad thing that has ever happened,

00:15:25

-it all started because of you. -Grow up.

00:15:27

You play these games, "if I hadn't done this, if I wasn't so that," but you did and you were and here we are.

00:15:33

I can't... I...

00:15:34

Here we are! Because we did what we had to do.

00:15:38

So, what do you have to do now?

00:15:41

[pants]

00:15:44

[exhales]

00:15:45

Oh, God.

00:15:48

That's right.

00:15:49

Now, another drink?

00:15:52

[sighs]

00:15:55

[sighs]

00:15:59

[siren blares in distance]

00:15:59

[Todd grunts]

00:16:02

Please! Don't hurt him!

00:16:03

-Boy dies if you don't got the pies. -

00:16:03

[panting]

00:16:06

We have them. Jorge? Go! Go!

00:16:10

Whoa, whoa! Hey, hey! We should have boxed them!

00:16:13

[Helen and Todd]

00:16:13

No! -

00:16:13

[Margo yelling]

00:16:15

Please don't hurt him. I never got to make it right.

00:16:19

I've ruined my chance...

00:16:20

Spare me the deets. I just want the freets.

00:16:22

-Frito pies, that is. -Oh!

00:16:25

No! Stop!

00:16:25

[pants, exhales]

00:16:28

-Mom! Mom! -Helen? Are you all right?

00:16:30

It's okay. It's not real. I'm fine! It's a classic Todd shenanigan!

00:16:33

But how would you know what that is?

00:16:35

I think my wife is having a heart attack.

00:16:37

That's Margo Martindale, the actress!

00:16:39

I'm sorry! I'm sorry!

00:16:40

I was too convincing! Oh, if only I wasn't so good at acting!

00:16:49

It's funny, isn't it? The things that matter?

00:16:52

The truth is none of it matters and the truth is it all matters tremendously.

00:16:58

It's a wonder any of us ever get out of bed at all.

00:17:01

And yet, we get out of bed.

00:17:04

I'm going home.

00:17:05

[groans, inhales]

00:17:08

-What are you doing? -I'm taking your car.

00:17:10

-What? -You're not using it.

00:17:12

Someone should get some pleasure out of something in this sad, stupid world.

00:17:15

Consider it a signing bonus.

00:17:17

Ugh.

00:17:18

[grunts]

00:17:18

And I'm taking these.

00:17:24

But the lazy Susans turned out to be very problematic.

00:17:28

-Why? - Offensive to Susans.

00:17:30

There was a protest organized by Susan Sarandon.

00:17:33

Oh, no!

00:17:34

Not that many Susans showed up. You know what they say about Susans.

00:17:37

They're lazy?

00:17:39

Suddenly you're desperately seeking them.

00:17:41
Anyway, I don't know how we got talking about me for so long.

00:17:44
You were gonna tell me about your boyfriend. It's good?

00:17:46
It's really good. When I'm with him,

00:17:48
I feel like I'm part of an "us," you know?

00:17:50
Like, every other relationship, I always felt like a "me" in a relationship.

00:17:54
Does that make sense?

00:17:55
Uh, yeah. That makes sense.

00:17:57
Sorry. I-I didn't realize I was doing that.

00:18:00
I've always tried to be an "us" with people even when I could see it wasn't a good idea.

00:18:04
Now that I'm single, I feel like I'm finally learning how to be a "me."

00:18:07
That's great.

00:18:08
I know there were times you would try to tell me something and instead of listening, I just tried to fix it or convince you there wasn't a problem.

00:18:15
I shouldn't have done that.

00:18:16
We're all doing our best.

00:18:18
-I wanna know now. -Know what?

00:18:20
Tell me what it's like to be Diane.

00:18:23
Okay. When you're Diane, you can live your whole life like it's a puzzle, put together from the pieces of different sets.

00:18:34
Like a crossover puzzle?

00:18:36
Exactly.

00:18:37
Your whole life is full of these pieces that don't quite fit.

00:18:40
Sounds like a hard puzzle.

00:18:42
But at some point, you start to think it's you.

00:18:46
You're the piece that doesn't quite fit.

00:18:49
And you spend so long with that feeling that the feeling becomes your home.

00:18:55
And it can be jarring when you discover one day that you suddenly don't feel that way anymore.

00:19:01
At first, you don't trust it.

00:19:03
But then, gradually, you do.

00:19:06
I'm sorry. That was a weird thing to be telling my ex-husband.

00:19:09
No.

00:19:11
-I'm really happy for you, Diane. -It's funny.

00:19:14
I feel like if we met each other as the people we are now, things would be totally different with us.

00:19:19
Yeah, but if we hadn't met each other until now, we wouldn't be the people we are now.

00:19:26
Yeah.

00:19:27
Two equally accomplished book writers.

00:19:31
Uh-huh.

00:19:33
[roars, laughs]

00:19:33
[screams]

00:19:35
You suffered an anxiety attack.

00:19:37
I'd encourage you to avoid stressful situations like, uh, fake kidnappings under abandoned bridges.

00:19:44
Okay, paperwork time.

00:19:45
You seem like a fellow who enjoys unnecessary bureaucracy.

00:19:49
I do, Doctor.

00:19:51
Mm, was that the bridge where they shot Grease?

00:19:55
-Yeah! -That's neat.

00:19:58
Todd, I'm so sorry!

00:20:00
Oh, no, I know you didn't mean to--

00:20:02
I thought kicking you out was the right thing.

00:20:05
You were 18. You had dropped out of high school.

00:20:08
You were always high. You only wore flip-flops.

00:20:10
-You never showered. -You don't have to list everything.

00:20:13
I wanted you to grow up, not leave forever.

00:20:16
Then more and more time passed and I didn't know how to make it right.

00:20:20
Truth is, I did grow up. Your plan worked.

00:20:23
I haven't had a mom for so long, I... I don't really need one anymore.

00:20:28
Oh. So, what do we do now?

00:20:31
Well, I do have one idea.

00:20:34
-What? -A big robot suit like in Aliens, but for babies so they can do grown-up things!

00:20:40
-That sounds dangerous. -Yeah, I guess it is.

00:20:45
But maybe the robots could be powered by energy generated from sucking on pacifiers.

00:20:51

That is so smart! Babies love sucking and right now it's just wasted energy!

00:20:57

[Margo's voice]

00:20:57

And so you see, the circle had become complete.

00:21:00

All the twists and turns had all been part of a beautiful tapestry, a grander mission to bring this boy and his mother together again.

00:21:10

That's quite a story. But you've killed a lot of people.

00:21:13

-Margo Martindale, you're going to pris--

00:21:13

[woman]

00:21:13

Wait!

00:21:18

You can't send her to jail before she gets to act in one of my movies!

00:21:21

Indie filmmaker Nicole Holofcener?

00:21:24

I find it hard to believe Margo Martindale has never appeared in your work.

00:21:28

It's true! And I need her to play the mother of the poetry student

00:21:31

Catherine Keener has an affair with in my new film, "Classroom Warfare."

00:21:35

Ooh! Can I, Mr. Judge? Please?

00:21:38

Damn, that does sound good.

00:21:41

Okay, you're free to go.

00:21:43

Yee-haw!

00:21:48

[brakes squeak]

00:21:51

Come on. Open. Open! Open up!

00:21:51

[grunts]

00:21:54

God. Where's my stupid...

00:21:56

[tires screech]

00:21:56

[crashes]

00:21:59

[groans]

00:21:59

Why is everything so difficult?

00:22:04

Have it your way, door.

00:22:07

Todd! How come we never go swimming?

00:22:11

This is terrible.

00:22:15

Well, hello.

00:22:18

Who put pills in my house?

00:22:27

Judah, you were supposed to have the night off! Your hair is so long!

00:22:31

-I'd rather be here. -

00:22:31

[sighs]

00:22:33

I know.

00:22:35

Would you think I was an idiot if I didn't go work for Turteltaub?

00:22:38

I would never think you were an idiot.

00:22:40

This slate we're putting together...

00:22:40

[stammers]

00:22:43

We could get some financiers and do it ourselves, right?

00:22:47

If there's one thing I know about this business, it's never underestimate what Princess Carolyn can do by herself.

00:22:52

Well, not all by myself.

00:22:55

Well...

00:22:55

[chuckles]

00:22:56

I've got the babysitter 'til 11:00. We might as well keep working, right?

00:23:00

-How can I help? -Why don't you play me one of your songs?

00:23:09

■ I strive for precision ■

00:23:11

■ My aim is to be accurate and clear ■

00:23:17

■ I don't say things I don't know to be true ■

00:23:23

■ So believe me When I tell you I love you ■

00:23:32

■ I don't write good love songs ■

00:23:35

■ I'm not adept with metaphors or rhymes ■

00:23:41

■ I just want to describe The things I know ■

00:23:46

■ And the only thing I know Is that I love you ■

00:23:52

■ Please believe me when I tell you ■

00:23:55

I love you, Princess Carolyn.

00:24:00

Mm.

00:24:06

["Horsin' Around" jingle plays]

00:24:09

[groans]

00:24:12

What are you so happy about?

00:24:13

[remote clicking]

00:24:15

-BoJack Horseman. Six-foot-five. -

00:24:15

[Herb]

00:24:15

All right. Whenever you're ready.

00:24:18

A mustard sandwich?

00:24:20

We may be orphans but leave us our dignity.

00:24:22

[Herb]

00:24:22

Uh, BJ, that's Ethan's line.

00:24:24

Oh, right. Uh...

00:24:25

Orphans, huh?

00:24:26

What am I supposed to feed you?

00:24:28

-All right, stop. You're nervous. -Oh.

00:24:30

-Forget the script. -Okay.

00:24:31

We're gonna do that movie that you're always making me watch.

You know...

00:24:34

You have to answer for the chimpanzee, Tino.

00:24:37

No, Mickey, you got it all wrong!

00:24:39

So, where'd all the bananas go?

00:24:41

The chimp's dead, Tino. So's the bonobo.

00:24:44

Who you been monkeyin' around with?

00:24:46

I can't do it anymore! It was the marmoset!

00:24:48

Good. Perfect. Now look at the red dot. Go!

00:24:51

What am I supposed to feed you? I have mustard.

00:24:54

A mustard sandwich?

00:24:56

We may be orphans but leave us our dignity.

00:24:59

Well, I can't fix you a martini.

00:25:00

Hey, wait! I have olives!

00:25:00

[sniffs]

00:25:03

Nope. Not olives.

00:25:05

-Perfect! -Yeah? You, you think we got it?

00:25:07

Buckle up, buddy, your life is about to start.

00:25:10

[chuckles]

00:25:12

[static crackles]

00:25:15

■ Ch-ka, ch-ka, ch-ka, ch-ka, ch-ka, ah ■

00:25:17

■ Ch-ka, ch-ka, ch-ka, ch-ka, ch-ka BoJack ■

00:25:22

■ Whoa, whoa, yeah! ■

00:25:29

■ Hey ■

00:25:33

■ Now, boys and girls If you wanna do the BoJack ■

00:25:35

■ Take your hands And put them on your lower back ■

00:25:37

■ Walk in a circle and strut and strut ■

00:25:39

■ Wiggle your hips And jiggle your... uh-oh! ■

00:25:42

■ Push away your troubles And pull up your pants ■

00:25:44

■ And that's how you do The BoJack dance! ■

00:25:51

■ Hey ■

00:25:56

[horse neighs]

Ep 15 — The View from Halfway Down

00:00:09
[birds chirping]
00:00:13
[doorbell rings]
00:00:17
What you got there?
00:00:18
I think it's a hydrangea.
00:00:20
Does she even like that kind of plant?
00:00:22
Probably not. She doesn't like anything.
00:00:24
Hello, BoJack.
00:00:26
Thanks for having me, Mom.
00:00:28
You're the guest of honor.
00:00:29
Everyone, BoJack is here.
00:00:32
[Herb]
00:00:32
Hey, buddy! Get in here! -
00:00:32
[Sarah Lynn giggles]
00:00:34
-For you. -Oh, a plant.
00:00:36
-Dirt for inside. Goody. -
00:00:36
[sighs]
00:00:40
[theme music playing]
00:01:36
[dripping]
00:01:40
You got here just in time, BoJack.
00:01:41
A bird flew in through the window and we're having trouble getting her out of the house.
00:01:45
[Sarah Lynn]
00:01:45
Yeah, call yourself early and go get a worm!
00:01:48
Golly, she's more coy than a coyote claiming a cottontail.
00:01:51
-Ahem. Phone for you, Mrs. Horseman. -
00:01:51
[grunting]
00:01:53
Thank you, butler.
00:01:54
-Is that Zach Braff? -Who?
00:01:56
Zach Braff. Actor, independent filmmaker, real-life friend of Donald Faison?
00:02:00
-You mean my butler? -At your service!
00:02:02
I actually was friends with Donald in real life.
00:02:05
He's a spectacular man--
00:02:06
-Butler! -Sorry! Phone call for you.
00:02:08

I'll take it in the kitchen.
00:02:10
BoJack, make yourself useful for a change and help, will ya?
00:02:13
With the bird?
00:02:16
Hello? Oh, it's you.
00:02:18
All right. That does it!
00:02:18
[grunts]
00:02:18
Son of a--!
00:02:21
With a drop like that,
00:02:23
you'd think she was the ratings for Veronica's Closet
00:02:25
when it moved to Mondays.
00:02:26
Ugh. Comedy poison. Who wants to laugh on a Monday?
00:02:29
BJ! Finally made it to our little soirée, huh?
00:02:33
Yeah, I kept having this dream where I was having dinner
00:02:35
with all the people who were gone and I thought, "I should do that!"
00:02:38
So, here I am.
00:02:41
-We've got to flank her from the left. -
00:02:41
[bird]
00:02:41
Huh?
00:02:43
Hello. Crackerjack?
00:02:45
-That's what it says on my underpants! -
00:02:45
[giggles]
00:02:47
[grunts]
00:02:47
The uncle I never met and yet could never live up to!
00:02:50
[grunts]
00:02:50
All right, soldier. Ready, aim...
00:02:55
[bird giggles]
00:02:55
-Huh?
00:02:56
Hey! What's up, man?
00:02:58
Hey, Corduroy.
00:02:58
[stammers]
00:02:58
Good to...
00:03:00
Still weirded out because the last time you saw me I was naked,
00:03:03
hanging from my iPhone charger, holding a lemon, with a very erect penis
00:03:06
despite being deceased in my trailer for over an hour?

00:03:09
Yep.

00:03:10
You're gonna have to get over that, buddy.

00:03:12
Hmm. Mm. Ooh.

00:03:15
-What are you...? Stop that. -Oh! Oh, sorry.

00:03:17
Forgot where I was for a second.

00:03:19
-Think this'll help? -Kid's got the right idea.

00:03:21
We can chuck the choker and spook her with this poker!

00:03:25
-Show her who's boss! -

00:03:25
[Sarah Lynn]

00:03:25
Ruffle her feathers!

00:03:27
[Corduroy]

00:03:27
Get her to the kitchen!

00:03:28
[grunting]

00:03:30
And that!

00:03:32
-All right! -

00:03:32
[Herb]

00:03:32
Go!

00:03:33
[Crackerjack]

00:03:33
Ha-cha!

00:03:37
[Sarah Lynn cheers]

00:03:37
[all whooping]

00:03:39
Yes, yes, BoJack bullied a bird. Bully for him.

00:03:43
Speaking of useless, my husband is running late, so we're gonna start dinner without him.

00:03:47
He'll be here before the show starts, won't he?

00:03:49
He'd better be.

00:03:50
In the meantime, let's adjourn to the dining room

00:03:52
before our dinners get as cold as my parenting style.

00:03:57
[all laughing]

00:03:58
[Sarah Lynn]

00:03:58
I think mine would be the first time someone asked for my autograph.

00:04:02
-Really? -Oh, wow!

00:04:04
I didn't even know how to write my name!

00:04:05
I just drew a squiggle!

00:04:07

-Water? -Thank you, Zach Braff.

00:04:08
You only get to give your first autograph once, you know.

00:04:11
The second time it becomes an obligation, the third time a chore.

00:04:15
But the first time...

00:04:15
[sighs]

00:04:15
The first time...

00:04:15
[chuckles]

00:04:18
-Hey. What is that? -Ah, ah, ah.

00:04:21
Shh.

00:04:24
[BoJack]

00:04:24
Mm. -Okay. My turn.

00:04:26
Mine was also when I signed on a dotted line to enlist.

00:04:29
Are you ready to sing "The Lollypop Song" in the big show later?

00:04:33
No, Mom. You know I never make it to the show.

00:04:35
I didn't know then that enlisting would lead to my two worst parts.

00:04:38
You have two? I didn't know we could pick two.

00:04:40
Corduroy, it's a conversation, not an assignment.

00:04:42
[Corduroy]

00:04:42
In that case, I have three. -

00:04:42
[Herb]

00:04:42
Three is way too many.

00:04:45
My worst parts were saying goodbye to my mother and seeing a bullet go straight through my general's face, right before it hit my own.

00:04:51
[all gasp]

00:04:51
-At least your death was instantaneous.

00:04:54
I can still hear the loud drips of my IV from when I had cancer.

00:04:58
-Drip. Drip. -Ooh.

00:05:00
[Corduroy]

00:05:00
What about you, BoJack? -What?

00:05:02
Best part, worst part, what about you?

00:05:04
Well, I guess my worst part has to be, um...

00:05:08
Right before I got here, I think? Uh...

00:05:11
I went to Angela Diaz's house.

00:05:14
[gulps, spits]

00:05:14

Ugh!

00:05:16

Does anyone else's water taste like chlorine?

00:05:18

Hey, Braff, can I get some different water over here?

00:05:20

Right away, Mr. Horseman.

00:05:21

Crackerjack, do you think your death meant something because it was in the service of a greater cause?

00:05:26

-Aw, shucks. -Of course it meant something.

00:05:28

I think questions like that are too big for a little soldier like me.

00:05:31

My brother gave the ultimate sacrifice.

00:05:33

-Because sometimes I wonder-- -But see, this is where I get hung up, because when we valorize the idea of sacrifice,

00:05:39

-of loss, of suffering-- -BoJack, don't start with this again.

00:05:41

When we grow up in a house that does that, we internalize this idea that being happy is a selfish act, but sacrifice doesn't mean anything.

00:05:50

[Sarah Lynn]

00:05:50

Yes, it does. -Sacrifice?

00:05:51

In the service of something greater, maybe, but just in and of itself?

00:05:55

-What's the good in that? -A lot.

00:05:56

Sacrifice is good.

00:05:58

It has to be because I sacrificed a ton, and I was freaking awesome.

00:06:02

Oh, and what did you ever sacrifice?

00:06:04

I gave everything.

00:06:06

I gave my whole life.

00:06:07

You died in a hedonistic bender.

00:06:09

I'm not talking about my death.

00:06:11

I'm talking about my life. I gave my whole life.

00:06:15

If we get into everyone's whole life, we're gonna be here all night.

00:06:18

It's called "Best Part/Worst Part," not "Everything That Ever Happened."

00:06:21

Okay, worst part: the 2007 "Sexually Confident Virgin Tour."

00:06:26

My manager leaked nudes to get more tour dates added, my mom pointed out every carb I ate, it was hell.

00:06:33

But it gave millions of fans a show they will never forget.

00:06:37

And that is worth something.

00:06:39

No, that's a high you chase.

00:06:40

-It was not. -You think you singing songs on stage is the same thing as this guy who died liberating the camps?

00:06:45

We don't need to compare apples to Auschwitzes.

00:06:48

Herb, tell 'em. It means something-- the work we do, the joy we bring.

00:06:52

It has to, right?

00:06:54

Boy, I sure thought so. I-I used to really believe in it.

00:06:57

I mean, I was one "trapped in an airport during a snowstorm on the eve of the dance championship guest starring Gregory Hines" episode away from an Emmy.

00:07:05

Then I lost it all.

00:07:06

Ow! Seriously, is no one noticing this leak?

00:07:09

Fine, we'll get a bucket.

00:07:10

-The drips are hitting me! -Then you'll hold the bucket.

00:07:12

But the funny thing is, it wasn't until I got fired that I actually became myself.

00:07:17

I was out of the closet. I was free. I was authentically me.

00:07:21

What does being authentic have to do with anything?

00:07:24

Well, when I wasn't hiding behind some facade, I could be at peace.

00:07:27

That's when I really got into philanthropy.

00:07:30

-Can I ask you something, Herb? -Why do people say that?

00:07:32

If you're asking it, then yes, you can and you will and you just did.

00:07:36

Yeah, why are we announcing our questions?

00:07:38

-Yeah, what are these questions, royalty? -

00:07:38

[imitates fanfare]

00:07:42

Announcing King and Queen Query of the Interrogative Isle.

00:07:45

May I ask you how do you do?

00:07:47

-Very well, thanks. -Ah, bup, bup, bup!

00:07:50

I didn't ask you yet. I asked if I could ask you.

00:07:54

Did you get pleasure from your charity work?

00:07:56

Like real, deep pleasure?

00:07:57

It dwarfed every other joy in my life.

00:07:59

Doesn't count then. If you got pleasure, it wasn't selfless.

00:08:02

And it's only good if it's selfless.

00:08:04

Who made up that rule? I helped people.

00:08:06

Who cares if it made me feel good, too?

00:08:09

Feeling good is inherently selfish.

00:08:11

If I'd given myself to Christ, truly went down the path--

00:08:13

I don't care for this talk of religion in my house.

00:08:18

If I wasn't constantly trying to feel good, get it better, always looking for maximum pleasure...

00:08:18

[sighs]

00:08:18

That was my worst part.

00:08:25

Well, one of the three worst parts. Wait, actually, can I have four?

00:08:28

Discovering you in your trailer definitely cracks my top five.

00:08:31

This is bullshit!

00:08:32

I did a lot for a lot of people! I was not a bad person.

00:08:36

No one is accusing you of being a bad person, Sarah Lynn.

00:08:39

[yelling]

00:08:39

You are! You all are with your "being authentic" and "charity work" and "killing Nazis."

00:08:45

I actually never killed a Nazi. All my kills were friendly fire.

00:08:48

I also never liberated any camps. I'm honestly not sure what I did.

00:08:52

Here you go. Your husband just pulled up, ma'am.

00:08:54

Wait, Dad's here? He's never made it to dinner before.

00:08:57

-Hey, here's a question. -Another question has arrived!

00:09:01

Did any of you have a song of yours played in outer space?

00:09:05

Anyone? No. Just me? Oh.

00:09:07

That's what I thought.

00:09:08

My hit single "No, No, No (No Means Yes)" is making its way to Mars!

00:09:13

That means something. I will be remembered.

00:09:15

-That has to mean something. I will be-- -

00:09:15

[door opens]

00:09:18

Sorry I'm late. Did I miss the show?

00:09:20

-Hey! -There he is! There's our guy!

00:09:21

-Dad! -I...

00:09:22

Oh, you didn't miss a thing. It's not like we have anywhere to be.

00:09:25

Why shouldn't we all bend ourselves to your schedule?

00:09:28

I already apologized. I was running.

00:09:30

Yes. As always, running late, while I was running myself ragged trying to get dinner on the table.

00:09:36

[clears throat]

00:09:36

-Yes, you helped.

00:09:38

And now I'm running out of patience for you running your mouth.

00:09:41

And I'm running out the clock until we both...

00:09:44

Well. Here we are.

00:09:47

I'll just squeeze in here.

00:09:50

-Get yourself something nice. -Ooh! Thank you, Mr. Secretariat.

00:09:54

-What'd I miss? -We're playing Best Part/Worst Part.

00:09:56

Ooh! I got one! Machu Picchu.

00:09:58

When I left "Horsin' Around," I honestly thought about killing myself.

00:10:02

Shit, Herb. Really?

00:10:04

Yeah. But the Knicks were having a good season and I wanted to see what happened.

00:10:08

Wait, you didn't kill yourself because the Knicks were having a good season?

00:10:11

What would you have done if they were having a bad season?

00:10:14

I don't know. Gotten into baseball?

00:10:15

Oh, for the love... Where's your follow-through?

00:10:18

It's like you didn't even wanna kill yourself!

00:10:20

And I'm so glad I didn't.

00:10:21

Because there I was ten years later at Machu Picchu and I realized there was so much more I could do in a life.

00:10:30

Okay, my turn.

00:10:31

August 22nd, 1973, I was banned from running ever again.

00:10:36

And running, well, that was the only thing that ever made sense to me,

00:10:38

-so if I couldn't do that I was nobody. -

00:10:38

[coughing]

00:10:42

-This is your worst part? -Best part: jumping off that bridge.

00:10:44

-Jesus. -What did I say about the Jesus talk?

00:10:47

It was my choice. I got to go on my own terms.

00:10:50

Not a lot of people can say that.

00:10:51

-No. -That's true.

00:10:52

The view from up there.

00:10:54

-Eh, you wouldn't believe it. -

00:10:54

[coughs]

00:10:57
[all laughing]
00:10:57
-Oh, my.
00:11:01
-It must've been from swimming earlier. -Oh, you were swimming?
00:11:04
Yeah. I, um...
00:11:04
[clears throat]
00:11:06
-When was I swimming? -Don't think about that.
00:11:08
-Do you have a best part? -Oh, uh, I don't know.
00:11:10
This past year I took a teaching job.
00:11:12
And I had this one student who was really struggling, just couldn't get over this hump.
00:11:16
And what, you helped him do good in a scene? For your class?
00:11:20
That's the best part of your whole life?
00:11:22
I don't know, I was just spitballing.
00:11:24
I didn't know you were gonna put me on the spot like this!
00:11:26
Come on, buddy. What was so special about that moment?
00:11:29
It felt good to help someone do something.
00:11:31
See? Helping someone, like I said!
00:11:33
But he liked it because it felt good, like I said!
00:11:37
I liked it because it reminded me of when I was young, just starting out.
00:11:41
You and me, screwing around, hitting up open mics.
00:11:43
Trying to figure it out. I think...
00:11:45
-I think that was the best part. -Really?
00:11:47
Well, are we ready to start the show?
00:11:50
[Corduroy]
00:11:50
Let's do this! -Okay, nice seeing you all!
00:11:52
You're not coming?
00:11:53
This is always the part where I wake up. You all go to the show.
00:11:56
Zach Braff says "Pardon my reach" even though he can clearly get my plate from another angle.
00:12:00
-Then I wake up. -Oh, okay.
00:12:03
-Next time then.
00:12:03
[sighs]
00:12:03
[dripping]
00:12:06
Pardon my reach.
00:12:10

Hmm.
00:12:17
[Herb]
00:12:17
Hello, everyone! Please take your seats.
00:12:22
Tonight's show is in honor of BoJack Horseman!
00:12:27
What do you say, huh? Should we get this show started?
00:12:30
Yeah! Tonight's opener needs no introduction, but I'm gonna give her one anyway.
00:12:34
Ladies and gentlemen, the one, the only, Sarah Lynn!
00:12:38
[audience cheers, applauds]
00:12:38
-Thank you, thank you!
00:12:41
I'd like to dedicate tonight's performance to the man of the hour, BoJack Horseman!
00:12:48
Sarah Lynn, I'm so sorry for everything that happened with you.
00:12:52
With us. I should have protected you...
00:12:54
Ah, ah, ah. BoJack. This is my time.
00:12:56
Yes. Of course. Sorry.
00:12:59
[knuckles crack]
00:12:59
[clears throat]
00:13:03
■ Life is a never-ending show, old sport ■
00:13:08
■ Except the minor detail that it ends ■
00:13:14
■ The overture's a lifetime But the show is short ■
00:13:19
■ Here with all your family and friends ■
00:13:24
■ You run the race You blurt your lines ■
00:13:27
■ They put your face On shirts and shrines ■
00:13:29
■ And giant signs a thousand feet tall ■
00:13:33
■ And don't stop dancing Don't stop dancing ■
00:13:37
■ 'Til the curtain call ■
00:13:44
■ Shows are a never-ending life Of course ■
00:13:48
■ A silhouette that stays When you are gone ■
00:13:51
■ What use is the struggle And the strife, old horse? ■
00:13:55
■ End it and your legacy lives on ■
00:14:00
■ The chatter stops The crowd departs ■
00:14:04
■ A needle drops, the music starts ■
00:14:09
■ A song you taught me when I was small ■
00:14:16
■ Don't stop dancing ■
00:14:20

■ Don't stop dancing ■

00:14:26

[inhales]

00:14:26

[squelches]

00:14:29

[audience cheering]

00:14:31

Sarah Lynn? Sarah Lynn!

00:14:33

Okay, performing an interpretive aerial routine, your friend and mine, and a killer hang...

00:14:39

[audience laughs]

00:14:39

-...Corduroy Jackson-Jackson!

00:14:44

-Where did Sarah Lynn go? -Shh.

00:14:45

-Try to enjoy the show. -

00:14:45

[grunts]

00:14:45

Ha!

00:14:48

-Where does this door go? -Sit down, buddy. You'll get your turn.

00:14:51

-No, I need you to tell me-- What? -Watch out!

00:14:53

[BoJack grunts]

00:14:53

[Corduroy grunts]

00:14:54

[drumroll]

00:14:54

[audience cheers]

00:14:57

That's a series wrap on Corduroy Jackson-Jackson!

00:15:01

Down in front, please?

00:15:02

All right, let's keep this show going, huh?

00:15:04

Next up, you know him, you love him, please a give a warm, warm, burning hot welcome to...

00:15:08

-Hey. You wanna grab a smoke? -...Zach Braff!

00:15:11

-Yes. Yeah, let's get out of here. -

00:15:11

[audience cheering]

00:15:14

[Zach]

00:15:14

Oh-ho, whee! I'm honored. Honored, honored.

00:15:18

So, what's on the other side of that door?

00:15:20

The nerve of that guy. With the beard. Herb?

00:15:22

Yeah. Herb.

00:15:24

What, he says he's at peace? 'Cause why, Machu Picchu?

00:15:27

-I don't buy it. -I don't know. I... I believe him.

00:15:29

I promise you, every single person in that room would go back if we could.

00:15:32

Peace? That's someone trying to convince himself of something.

00:15:35

-Of what? -That life has meaning or purpose, that... that if you check the right boxes and do the dance, then you get a little parting gift at the end, a framed certificate that says, "Congratulations, you've got peace."

00:15:47

[chuckles]

00:15:48

-I wouldn't mind that. -But guess what?

00:15:50

All the time those people spent, trying to do good or help people or be something?

00:15:55

I did none of that shit, and yet here I am, same as them.

00:15:58

You were the fastest runner in the world. You inspired millions.

00:16:02

And yet, here I am, same as you.

00:16:04

So, if you could go back, do it again, what would you do different?

00:16:07

[sighs]

00:16:07

What would I do? I wouldn't have cared so much.

00:16:10

Cared about what? Racing?

00:16:13

About everything.

00:16:14

I know this part is confusing because I'm Secretariat and also your dad for some reason, but speaking as your dad, it's important that you know that I cared.

00:16:23

No. You never cared. You cared about your book.

00:16:26

You cared about getting drunk and telling everyone how miserable you were, but that's not caring.

00:16:30

You think I didn't care because I put up walls, but I cared so much, BoJack.

00:16:34

About you, about your mother.

00:16:37

I wanted you to respect me. I wanted you to love me.

00:16:41

I was so afraid that you would know that.

00:16:44

I cared so much.

00:16:47

It's a shame that we could never talk like this in real life.

00:16:50

All the good it would have done.

00:16:52

Least we got the chance this time, before I wake up.

00:16:54

[chuckles]

00:16:56

Wake up? Oh, you're not getting it, are you?

00:16:58

Getting what?

00:17:07

Loss is a collaborative art, between the people who leave us and those who remain.

00:17:12

We dance with the shadows of their absence.

00:17:15

-With that in mind, I present to you... -

00:17:15

[grunts]

00:17:15

Stop the show!

00:17:18

-Excuse me. -What's happening?

00:17:20

You're being very rude. I was about to do my roller-dance routine.

00:17:24

-Calm down, son. -Yes, why don't you sit down, and--

00:17:28

-No! -Whoa, whoa, whoa, whoa, no. Please!

00:17:30

I'm not ready. I never got to direct my Backdraft remake:

00:17:32

"Zach Braff's Backdraft"!

00:17:34

I never finished my memoir:

00:17:35

"I Started A Zach Which Started The Whole World Braffing!"

00:17:38

I never got to license the Zach Braff Short Stack Breakfast Attack at Shake Shack!

00:17:42

Cash-strapped hash brown fans who hashtag "Zach's snacks" get cash back fast with the Braff Bucks app!

00:17:51

I need to wake up. I can't be here.

00:17:53

Of course. Everything's always about you.

00:17:55

-BJ, buddy... -Herb! How did I get here?

00:17:58

How the hell should I know?

00:18:00

I broke into my house. But it wasn't my house anymore.

00:18:03

I was... I was watching the "Horsin' Around" Blu-ray.

00:18:05

Yes. Yeah, and I drank some more and I found some pills.

00:18:08

And then I went swimming...

00:18:10

No! No! No! No, wait, wait, wait! I got out of the pool.

00:18:12

Yes! And I called Diane!

00:18:14

BoJack, we're trying to do a show here.

00:18:15

But I called Diane.

00:18:17

I couldn't have drowned if I got out of the pool to call Diane!

00:18:19

So, I shouldn't be here.

00:18:20

[stammers]

00:18:20

If I could just finish the conversation. Where's a phone?!

00:18:23

[pants]

00:18:26

All right, ladies and gentlemen, we have a real treat for you next.

00:18:29

A real treat.

00:18:30

Come and see him before he makes a run for it.

00:18:32

-No! Stop! -It's Secretariat!

00:18:36

Stay calm. Flyin' off the handle won't change a thing.

00:18:38

This was gonna happen to you one of these days.

00:18:41

A poem. Original, obviously.

00:18:43

It's called "The View from Halfway Down."

00:18:43

[clears throat]

00:18:47

"The weak breeze whispers nothing The water screams sublime

00:18:51

His feet shift teeter-totter Deep breath, stand back, it's time

00:18:55

Toes untouch the overpass Soon he's water bound

00:18:59

Eyes locked shut but peek to see The view from halfway down"

00:19:03

[audience applauds, cheers]

00:19:05

I'm not done. Hold on. I'm not done. I'm not done.

00:19:05

[clears throat]

00:19:10

"A little wind, a summer sun A river rich and regal

00:19:14

A flood of fond endorphins Brings a calm that knows no equal

00:19:18

You're flying now

00:19:20

You see things much more clear Than from the ground

00:19:22

It's all okay, it would be Were you not now halfway down

00:19:29

Thrash to break from gravity

00:19:31

What now could slow the drop?

00:19:34

All I'd give for toes to touch The safety back at top"

00:19:37

I change my mind.

00:19:37

[stammers]

00:19:37

I change my mind. I don't wanna--

00:19:40

It's okay.

00:19:43

"But this is it, the deed is done

00:19:45

Silence drowns the sound

00:19:47

Before I leaped I should have seen The view from halfway down

00:19:50

No! I really should have thought About the view from halfway down"

00:19:55

Find your peace, big guy. Find it.

00:19:59

"I wish I could have known About the view from halfway down--"

00:20:02

[BoJack gasps]

00:20:04

I need to get out of here!

00:20:09

-Wha-- -BJ, where do you think you're going?

00:20:10

Nothing you do in here matters, pal.

00:20:12

Yelling and struggling isn't gonna pull your body out of that pool,

00:20:15

-so you might as well just-- -Sit down!

00:20:15

[echoes]

00:20:19

But I...

00:20:20

Look, BJ, it's possible that someone is going to find you and save you, and it's also possible that someone won't.

00:20:26

We don't get to know.

00:20:28

Can I ask you a question?

00:20:29

[imitates fanfare]

00:20:31

Has anyone ever come back from this place?

00:20:34

[sighs]

00:20:34

[mic feedback]

00:20:35

BJ, there is no place.

00:20:38

It's just your brain going through what it feels like it has to go through.

00:20:42

All you can do right now is sit back and enjoy the show.

00:20:46

[sighs]

00:20:47

Folks, here is Beatrice Horseman with her younger older brother, Crackerjack!

00:20:54

[audience applauds]

00:20:54

[organ plays]

00:20:59

[trumpet playing]

00:21:05

[Beatrice hums]

00:21:11

Hoo!

00:21:13

[BoJack exhales]

00:21:20

This is the hard part.

00:21:20

[grunts]

00:21:24

Golly.

00:21:27

And now the easy part.

00:21:32

Over and out!

00:21:34

[grunts]

00:21:36

[squelching]

00:21:44

[audience cheering]

00:21:47

Wow. Beatrice Horseman, huh?

00:21:48

You know, she was gonna sing for us tonight, but apparently, she was a little "horse."

00:21:53

[chuckles]

00:21:54

Okay. You ready for the headliner?

00:21:57

[audience cheering]

00:21:57

-No.

00:21:58

-Please welcome to the stage... -

00:21:58

[drumroll]

00:22:00

No. Please.

00:22:01

The star of "Horsin' Around" and "The BoJack Horseman Show"! "Philbert"! "Secretariat"!

00:22:09

The upcoming "Horny Unicorn"!

00:22:11

Son of Butterscotch and Beatrice!

00:22:14

Husband to no one! Father to none, that we know of!

00:22:14

[chuckles]

00:22:19

Stand-up comedian, actor, crippling alcoholic!

00:22:23

A talented charmer and a stupid piece of shit.

00:22:29

It's... BoJack Horseman!

00:22:39

Is it terrifying?

00:22:42

No. I don't think so.

00:22:44

It's the way it is, you know?

00:22:46

Everything must come to an end, the drip finally stops.

00:22:51

See you on the other side.

00:22:53

Oh, BoJack, no, there is no other side.

00:22:58

This is it.

00:23:03

[audience applauds, cheers]

00:23:03

-Wait, wait, wait, wait, wait.

00:23:07

[mic feedback]

00:23:07

-I... I need to make a phone call.

00:23:11

[squelching]

00:23:15

[indistinct chatter]

00:23:15

-Hello?

00:23:18

Someone? Anyone?

00:23:20

[pants, yells]

00:23:26

[gasps]

00:23:28

[stammers]

00:23:28

I'm looking for a phone.

00:23:32

[screams]

00:23:33

[grunting]

00:23:42

[screams]

00:23:43

Diane! Diane! Are you there? Diane! I need you!

00:23:46

[Diane]

00:23:46

BoJack? - Diane! Thank God!

00:23:48

Thank God, Diane. Okay, Diane. Diane, you're gonna save me, right?

00:23:51

I called you and you're coming to get me?

00:23:53

BoJack, why did you call me? I live in Chicago. I can't save you.

00:23:57

-You didn't pick up. -Right.

00:24:00

-It went to voicemail. -Yeah.

00:24:03

And then... I went back in the pool.

00:24:06

[squelching]

00:24:09

-It's too late. What's done is done. -No.

00:24:13

There's nothing I can do, BoJack. I'm not real. None of this is.

00:24:18

-So, what do I do now? -BoJack, it doesn't matter.

00:24:22

Well, if it doesn't matter, can I stay on the phone with you at least?

00:24:26

Okay.

00:24:29

How was your day?

00:24:31

-Good. -Yeah?

00:24:34

Yeah. My day was good.

00:24:39

[heart monitor blares]

00:24:50

[heart monitor beeping]

Ep 16 — Nice While It Lasted

00:00:04

[crickets chirping]

00:00:04

[indistinct chatter]

00:00:12

[heart monitor beeping]

00:00:15

[heart monitor blares]

00:00:20

[rock music playing]

00:00:28

[no audible dialogue]

00:00:30

■ I'm running through the pages And they start to turn ■

00:00:35

■ In love with the life I had Not the one I've got ■

00:00:41

■ Tell me I'm the good guy ■

00:00:44

■ I wanna come in first ■

00:00:47

■ Here is celebrity at its worst ■

00:00:50

■ So why the long face? ■

00:00:53

■ 'Cause I don't wanna live here ■

00:00:55

■ In this sunny place ■

00:00:58

■ Runnin' from my time ■

00:01:01

■ So why the long face? ■

00:01:04

■ Because I've been losing I really could use you on my side ■

00:01:11

■ So why the long face? ■

00:01:17

■ So why the long face? ■

00:01:22

■ So why the long face? ■

00:01:24

[bars clinking]

00:01:27

■ So why the long face? ■

00:01:32

[alarm buzzes]

00:01:34

[indistinct shouting]

00:01:36

[theme music playing]

00:02:34

Look, nothing's easy.

00:02:36

But I wouldn't be talking to you now if I didn't believe that it wasn't too late for us.

00:02:40

So what are we doing here?

00:02:43

I don't know about the rest of you, but I'm here to put on the best goddamn production of Hedda Gabler this supermax prison has ever seen!

00:02:52

So let's take it back to Mrs. Elvsted's entrance,

00:02:55

and remember, if you're on stage, I can see you, you're in character,

00:02:59

you have an opinion about the return of Ejler Løvborg.

00:03:02

[guard clears throat]

00:03:02

-Oh, shit, is it 10:30 already?

00:03:04

Okay, look, guys, I gotta go, but I'll be back tomorrow and we'll pick up rehearsals Monday.

00:03:08

If everyone could be off-book by then, that would be phenomenal.

00:03:11

Schlesinger, if you have time to fashion a shiv

00:03:13

and organize a jump on the rats in Block C, you have time to learn your lines, 'kay?

00:03:17

-Priorities. -

00:03:17

[alarm buzzes]

00:03:25

[exhales]

00:03:27

-There he is! -

00:03:27

[gasps]

00:03:28

Uh-oh! America's most wanted over here, huh?

00:03:31

-Thanks for picking me up. -The jury finds you guilty of being a super-cool dude, am I right?

00:03:37

You're extremely clever, can we go?

00:03:38

I sentence you to life... filled with my friendship!

00:03:43

If this is my only other option, I choose prison.

00:03:48

So you were just planning on wearing this to the wedding?

00:03:51

Really leaning on that "optional" in black tie optional.

00:03:54

These are the clothes I went in with.

00:03:55

I didn't know I'd be going to a wedding in a year.

00:03:57

That's why you always gotta pack a spare suit, just in case.

00:04:01

-What are you in for again? -Officially, breaking and entering, but I think it was kind of for everything.

00:04:06

Ah, a little bit of everything.

00:04:08

Like the varied cuisine at your favorite small plate lazy Susan restaurant, right?

00:04:13

-Pardon? -Do you have a favorite establishment of that sort?

00:04:17

A favorite small plate lazy Susan restaurant? Hell if I know.

00:04:21

BoJack, it means so much that you would say that.

00:04:23

I actually am a little hungry. Where could we get lunch around here?

00:04:26

Elefino!

00:04:27

No? Oh, how about the diner?

00:04:35

So, do you spend a lot of time with them, as a couple?

00:04:39

Well, I see Princess Carolyn a lot at "Birthday Dad" events.

00:04:42

Emmys, Golden Globes, Critic's Choice Awards, Peabody Awards.

00:04:45

The Nobel Prize for Television they created just for our show.

00:04:48

But Judah usually stays home with Ruthie.

00:04:50

-I can't believe she's getting married. -Thought it would be with you, huh?

00:04:52

I thought it would be with nobody because I wasted all her best years.

00:04:56

Turns out her best years are now.

00:04:57

Well, joke's on me. I couldn't even waste the right years.

00:05:00

I'm shocked she could get me out for the weekend.

00:05:02

-When are you getting out for real? -Few months.

00:05:04

Wow. What are you gonna do next? Big plans post-big house?

00:05:07

Big Momma's House reboot?

00:05:09

Reboot of the franchise Big Momma's House, starring you?

00:05:11

My main goal right now is just not screwing up this weekend.

00:05:15

You won't screw it up.

00:05:16

I'm sure I'll find a way.

00:05:19

-Mm.

00:05:19

[grunts]

00:05:19

[exclaims]

00:05:20

[BoJack groans]

00:05:22

Can you get me another suit?

00:05:26

You think Diane's gonna be there?

00:05:27

Everyone's going to be there. It's the party of the year.

00:05:30

I haven't talked to Diane since, uh...

00:05:32

-What about you? Are you seeing anyone? -Oh, I'm too busy with my show.

00:05:35

Those birthdays aren't gonna dad themselves!

00:05:37

What is this show?

00:05:38

Besides, I'm really trying to focus on myself right now.

00:05:42

I had this breakthrough recently.

00:05:43

One day, in therapy, I just blurted out,

00:05:45

"Is my problem with women any movie directed by Christopher Nolan?"

00:05:48

Because, yes, women are involved, but it's really never about the women.

00:05:53

It's about me."

00:05:54

-That's actually somewhat astute. -It occurred to me:

00:05:56

Are my self-destructive patterns and unexamined cycles of co-dependency the popular Jim Carrey character The Mask?

00:06:02

Because "somebody stop me"!

00:06:04

Are all of your breakthroughs phrased like that?

00:06:06

Um, are all of my breakthroughs a British prog-rock band from the '70s?

00:06:09

-Because yes. -Ugh!

00:06:13

W-What are we doing here? Is this where the wedding is?

00:06:15

-I just have to make a real quick stop. -At the Griffith Observatory?

00:06:18

-I have a press event. -You took me to a press event?

00:06:21

It was on the way.

00:06:23

Ah! No. What do you... I can't be here.

00:06:25

-It'll take 15 minutes, 20 tops. -

00:06:25

[grunts]

00:06:28

Definitely not more than two and a half hours.

00:06:30

[groans]

00:06:30

[camera shutters clicking]

00:06:33

[Mr. Peanutbutter]

00:06:33

Hello, everybody!

00:06:34

You all know and love me as the titular Birthday Dad.

00:06:38

I've also been known for other roles: Sad Dog, fracking advocate, finder-outer of what Hollywoo stars and celebrities know and whether they know things, but some of you might remember me as the notorious Stealer of the "D"!

00:06:50

[all]

00:06:50

Ooh!

00:06:51

Now, to celebrate the success of "Birthday Dad,"

00:06:54

I thought it was time I gave a birthday present back!

00:06:57

I called up my favorite sign company and said,

00:07:00

"I wanna give this whole town the 'D'!"

00:07:02

'D' for Dad.

00:07:04

'Birthday Dad,' that is!"

00:07:05

[all]

00:07:05

Yay!

00:07:06

So, without further a-dad, let's say goodbye to the era of Hollywood forever, and say hello to...

00:07:15

-Holly... woob? -

00:07:15

[all gasping]

00:07:19

Huh?

00:07:20

No, I said "D" as in "Birthday Dad."

00:07:23

No, obviously I meant the "Dad" part of "Birthday Dad,"

00:07:25

I assumed that went without saying.

00:07:27

Look, I gotta go, but the next time I need a sign made

00:07:29

I'm going to strongly consider going with a different company.

00:07:33

Okay, next stop: wedding!

00:07:35

I'm not ready for this. You gotta take me back to jail.

00:07:37

What? Come on, Shawshank, you're gonna be fine.

00:07:40

No, I can't be around people. I can't face them, I'm not ready.

00:07:43

-What do you think is gonna happen? -I don't know! I never know.

00:07:45

I just know that something bad is gonna happen if I go to that wedding.

00:07:49

How about this? We'll go to the wedding and if you get there and you wanna leave, we can leave.

00:07:53

-Yeah? -Yeah.

00:07:54

And if you wanna stay, I'll stay there with you.

00:07:56

I will not leave your side.

00:07:58

-You sure? -Of course.

00:07:59

I'm here for you, buddy. No matter what.

00:08:01

Unless I see my good friend Erica and get distracted by some noteworthy aspect of her character or presentation, but, BoJack, what are the odds that would...

00:08:11

-■ No more lonely nights ■ -Ugh.

00:08:15

■ Wishes do come true ■

00:08:19

Hmm.

00:08:21

Huh.

00:08:23

-BoJack! Thank God I found you! -

00:08:23

[grunts]

00:08:23

What? What is it?

00:08:26

The fireworks are going to start in ten minutes.

00:08:28

There's no time to explain.

00:08:29

We need to go down to the beach so I can sit on your shoulders!

00:08:32

-What? Why? -I just said there's no time to explain!

00:08:36

Did you go to jail for being a bad listener?

00:08:39

-Come on, we gotta go! -

00:08:39

[stammers]

00:08:39

Okay.

00:08:42

[pops, whistles]

00:08:42

[Todd]

00:08:42

Whoa! Ho-oh!

00:08:45

Oh, wow! That's like a 3-D one!

00:08:49

[BoJack]

00:08:49

So... why did we need to be on the beach?

00:08:52

Oh, you just seemed really overwhelmed at the party.

00:08:55

-I thought you could use some air. -Oh. Thanks.

00:08:58

But then why are you on my shoulders?

00:09:00

So I could get a better view of the fireworks.

00:09:02

-Okay, get down. Oh, okay. -

00:09:02

[grunting]

00:09:06

It's good to see you.

00:09:07

How'd you get out of the supermax?

00:09:09

Did a helicopter crash into the side of the building and then you just walked out?

00:09:13

What? No. I'm just here for the wedding. I'm going back tomorrow.

00:09:16

Oh, bummer.

00:09:17

No, it's good. I think the routine is good for me.

00:09:20

-I'm staying out of trouble, at least. -Hooray! Staying out of trouble, at least!

00:09:25

I'm trying to set little goals for myself.

00:09:27

Like, in a couple months, I'll beat my record for being sober.

00:09:30

-Nice! -Yeah, so that's... that's something to aim for, but then, uh, after that, um...

00:09:36

After that, you'll beat your record again.

00:09:39

Every day, you'll set a new record.

00:09:41

Sure. But it's easy now. In jail.

00:09:43

I don't have to make any choices for myself.

00:09:45
I worry about what's gonna happen when I get out.

00:09:48
-What if I relapse again? -Then you'll get sober again.

00:09:51
[groans]

00:09:51
-Let me tell you something.

00:09:53
I was at the office the other day, doing the "Hokey Pokey" with some work associates...

00:09:57
-Uh-huh. -...and I realized everyone misunderstands that song.

00:10:00
"The Hokey Pokey"?

00:10:02
Yeah, there's way too much emphasis on the "hokey pokey" part.

00:10:05
That is what it's all about.

00:10:07
No. That's exactly what I mean.

00:10:09
-That's not what the song is saying. -Okay.

00:10:11
And I was thinking about my mom, you know, my relationship with my mom.

00:10:15
It's weird. You know, awkward.

00:10:18
I feel like she doesn't really get me, but, you know, she's trying.

00:10:22
And a couple years ago,

00:10:23
I never thought I would have any kind of relationship with her.

00:10:27
Like, I was sure of it.

00:10:28
What changed?

00:10:29
I don't know. I did? Or-- Or she did?

00:10:33
Or, um, we... are?

00:10:36
-Huh. -So, that's what I'm talking about.

00:10:39
It's like the song says.

00:10:41
"You do the hokey pokey and you turn yourself around."

00:10:44
You turn yourself around. That's what it's all about.

00:10:49
Yeah, I don't know if the songwriters put that much thought into the existential significance of the lyrics.

00:10:54
They literally rhyme "about" with "about."

00:10:56
But isn't the point of art less what people put into it and more what people get out of it?

00:11:01
-Is that the point of art? -Maybe.

00:11:03
Or maybe art doesn't need a point. Maybe that's why it's called art.

00:11:08
I can't tell if you're being smart or stupid.

00:11:10
Oh, I never know.

00:11:12
I think you had it for a moment and then you lost it.

00:11:15
[chuckles]

00:11:16
Oh, well! It was nice while it lasted, right?

00:11:20
Sure. It was nice while it lasted.

00:11:23
[fireworks popping, whistling]

00:11:28
[upbeat music playing]

00:11:31
Ugh!

00:11:34
Huh! Not bad.

00:11:36
Hey, there he is!

00:11:38
Oh, my God, that was an incredible wedding.

00:11:40
Yeah? It wasn't too much with the fireworks, and the cirque performers, and the procession of exotic peafowl?

00:11:45
No, you produced the hell out of it.

00:11:47
What'd you think about the part where the priest got murdered and Judah had to figure out which bridesmaid was the culprit?

00:11:53
A little outside the box, as far as weddings go, but it worked in context.

00:11:56
I thought so, too!

00:11:58
Congratulations. And Judah, too. Where is he?

00:12:01
I think he's going over some contracts.

00:12:04
We're putting together an all-female reboot of 12 Angry Men.

00:12:07
It's called "11 Angry Women."

00:12:10
-Not 12? -You gotta leave room for a sequel.

00:12:13
So your groom is doing paperwork during his own wedding reception?

00:12:17
Oh, we had our real wedding a week ago. This one's just for the industry.

00:12:20
-What? -I invited the town's top talent, took away their phones, and shuffled them together.

00:12:25
Give 'em some booze, get 'em chatty, next day, they're calling me,

00:12:28
"Hey, could you put me in touch with so-and-so?"

00:12:30
-Boom! I've attached myself as a producer! -Does that really work?

00:12:33
Hey, Jennifer Jason Leigh! Have you met regular Jason Lee?

00:12:38
You're my two favorite Jason Lees. Discuss.

00:12:41
Well, I am offended I wasn't important enough for your real wedding, but I'm flattered I'm important enough for your industry one.

00:12:47
Are you kidding? "Horny Unicorn" is tracking huge.

00:12:50

-What? -All of Hollywoob is buzzing about your comeback.

00:12:53

No. Did you say "Hollywoob"?

00:12:56

If this movie does what it's supposed to, the district attorney's not the only one who's gonna wanna lock you into something.

00:13:01

I'm not sure I should take on more projects.

00:13:03

I started this drama program at prison and we're doing Hedda Gabler.

00:13:07

I mean, it's not Strindberg, but, you know, we're having a good time.

00:13:10

I thought that maybe when I got out, I could go back and volunteer.

00:13:13

Oh! Well, that sounds fabulous!

00:13:14

Yeah, but...

00:13:14

[stammers]

00:13:14

I didn't even think that I'd have other options.

00:13:17

A year ago, everyone in this town hated me.

00:13:19

People have short memories.

00:13:21

It's the best and worst thing about people.

00:13:23

Well, maybe there's a way I could do both?

00:13:26

-I've really enjoyed teaching. -Oh! Oh.

00:13:27

Maybe I could direct something?

00:13:29

-I'm sorry I said anything. I-- -Well, I mean, hold on.

00:13:31

Yeah, I shouldn't just jump into something, but if there's a good opportunity, I'd be stupid not to take it, right?

00:13:36

I mean, we both know how hard it is to get heat in this town.

00:13:39

Think it over. I'm sure you'll make the right decision.

00:13:41

Well, a decision.

00:13:43

[soft music playing]

00:13:47

-Hey, you wanna dance? -Yeah.

00:13:54

-What? -Oh! Aw.

00:13:56

[both chuckle]

00:13:57

You know, I had this weird idea when I heard you were getting married that I'd get here and there'd be some disaster, and I knew that either I would cause it or, just maybe,

00:14:08

I would be the only one who could fix it.

00:14:10

A disaster, huh?

00:14:11

Not like a "disaster" disaster, like a sitcom disaster, you know?

00:14:15

Like, it would be time for the wedding and no one would know where to find you.

00:14:18

-No one but you, right? -Yeah.

00:14:20

And I'd find you in some special spot and I'd say, "Come on, it's time to go."

00:14:25

And you'd say, "What am I doing, BoJack?"

00:14:27

[chuckles]

00:14:27

And then what, I'd run off with you?

00:14:30

No, I would talk you into going through with it, and it would be like a symbol of how much I'd grown, that I could let you go.

00:14:37

I'm sorry to disappoint you.

00:14:39

No, I mean, I'm happy for you.

00:14:40

Just... it's a better story if you had cold feet.

00:14:43

It's a better story for you. I think I like it better this way.

00:14:47

I guess you're right.

00:14:49

What would you have said to me?

00:14:51

Oh, I don't know. I would have said, uh,

00:14:54

-"Come on, man. Do it." -

00:14:54

[chuckles]

00:14:54

Oh, wow.

00:14:57

No, no, no. I would-- Okay. Hold on. Tell me what you're afraid of.

00:15:01

In this make-believe scenario that you came up with?

00:15:05

-Yeah. -Okay.

00:15:06

Well, I guess I'm afraid of losing some part of myself.

00:15:11

I'm afraid that if I let someone else take care of me that I'm not really me anymore.

00:15:16

I'm afraid of getting too comfortable, you know, going soft.

00:15:19

I'm afraid that this could be the best thing that ever happened to me and if it doesn't make me as happy as I'm supposed to be, that means I'm a lost cause.

00:15:29

-Holy shit. -What?

00:15:31

I don't know, those are some really good arguments.

00:15:33

-Are you kidding me?! -Okay, okay, look.

00:15:35

Yes, all those things could be true, but on the other hand, what if you deserve to be happy and this is a thing that will make you happy?

00:15:43

And maybe don't worry about whether you'll be happy later and just focus on how you're happy right now?

00:15:50

-Oh, is it that easy? -No.

00:15:52

But you're here because, at some point,

00:15:54

Princess Carolyn thought this was a good idea.

00:15:57

And I think we oughta listen to her.

00:15:59

Because she's the smartest woman I know.

00:16:01

That's true. She is.

00:16:03

So, what do you think? Are you gonna marry him?

00:16:06

Well, I already got the dress.

00:16:10

But you didn't need me to say any of that, did you?

00:16:13

I guess I didn't.

00:16:15

Hey, if I do decide to get back into the business when I get out of prison...

00:16:19

I mean, I probably won't, but if I do,

00:16:22

I'm gonna need representation.

00:16:25

Someone who can look out for me, help me make the right decisions, keep me out of trouble...

00:16:30

I can recommend some excellent people.

00:16:35

[sighs]

00:16:41

[muffled music playing]

00:16:42

[inhales, exhales]

00:16:49

Hey.

00:16:50

-Thought I might find you here. -I'm trying to quit.

00:16:53

Yeah, you look like you're trying really hard.

00:16:55

Don't be shitty.

00:16:57

I haven't seen you in a while. You doing okay?

00:17:00

Yeah, I'm doing okay.

00:17:02

-I mean, you know, okay. -Sure.

00:17:04

I'm working on this middle-grade fiction series.

00:17:07

[chuckles]

00:17:07

I mean, who am I, Rick Riordan?

00:17:09

Who's Rick Riordan?

00:17:11

Yeah, good point. What have you been up to?

00:17:14

Well, let's see, um, I've been getting into podcasts, went through a Sudoku phase, and, uh,

00:17:19

-oh, I'm in prison, so... -Right. That's still happening?

00:17:21

Oh, it's very much happening. I've also got a new movie coming out.

00:17:25

Oh, yeah, with Vance Waggoner, right?

00:17:26

I know what you're thinking, but he's--

00:17:28

You don't need to explain yourself to me.

00:17:30

I know you think I'm some kind of a sell-out, but it wasn't like other opportunities were banging down my door...

00:17:34

-I'm not arguing with you. -Because of "Horny Unicorn"--

00:17:36

I'm not going to help you work through whatever you're trying to work through.

00:17:40

I just came out here to smoke. You came to me.

00:17:42

-Because I wanted to talk to you. -About what? "The Horny Unicorn"?

00:17:45

No, about-- I don't know.

00:17:47

I just wanted to talk to you.

00:17:47

[stammers]

00:17:47

I miss talking to you.

00:17:52

[cigarette sizzles]

00:17:56

I wish I had my phone right now.

00:17:57

Yeah, I know what you mean.

00:17:59

I never know what to do with my hands at parties.

00:18:00

No, I wish I had my phone so I could play you the last voicemail you left me.

00:18:05

Did you remember that, that you left me a voicemail?

00:18:08

[inhales]

00:18:08

Ooh.

00:18:10

I thought you were sober. You told me you were sober.

00:18:13

And things were good in my life and I was thinking about my future, and then I woke up one morning and I had this voicemail.

00:18:19

Look, I-I wasn't in the--

00:18:21

You were happy on the voicemail. You sounded happy.

00:18:24

Or lightly sardonic, or glibly nihilistic, or however you'd describe that thing you get that's the closest to the emotion normal people call happy.

00:18:30

-I'm sorry-- -And you were clearly intoxicated, and you were talking about swimming. "I'm going swimming," you said.

00:18:35

"Since nothing matters anyway, and nobody cares about me,

00:18:38

-I might as well go swimming, right?" -I'm so sorry.

00:18:40

"Call me back if you don't want me to go swimming.

00:18:42

Otherwise, I'm just gonna assume you don't care."

00:18:47

I thought you were dead.

00:18:49

For seven hours, I couldn't get in touch with anyone and I was sure you were dead, and it was my fault for leaving you, for feeling good, for not worrying.

00:18:57

When I left for Chicago, you promised me you were gonna be okay, but I made you promise me that.

00:19:04

-Was I selfish for believing you? -No.

00:19:06

Why did you call me? You knew I was in Chicago.

00:19:08

I don't know. I was drunk and-- and I was high.

00:19:11

And I just... I wanted to talk to you.

00:19:16

When I found out you weren't dead, I was angry.

00:19:19

I was relieved, but I was also angry that I'd given you that power over me.

00:19:25

I was angry at you for a really long time.

00:19:28

Are you still angry at me?

00:19:30

No. I don't know. What good has being angry at you

00:19:34

-ever done for me? -I'm sorry.

00:19:36

I wish I could have been the person you thought I was,

00:19:38

-the person who would save you. -That was never your job.

00:19:40

Then why did you always make me feel like it was?

00:19:44

I don't know, maybe it's everybody's job to save each other.

00:19:47

I don't know.

00:19:50

Anyway, I'm glad you're alive.

00:19:53

I am, too.

00:19:56

So, you're still in Chicago, then, or...?

00:20:01

When I got that voicemail, my boyfriend at the time wanted me to move to Houston with him.

00:20:08

I wanted to move with him.

00:20:10

But after you called, I got scared.

00:20:13

-Oh, no. -I didn't trust myself.

00:20:15

I was happy and I didn't trust that. So I stayed in Chicago.

00:20:19

We tried to make it work long distance, but it was hard.

00:20:24

Eventually, I just thought, "This is stupid."

00:20:27

So, what, you broke up with him?

00:20:29

No. I moved to Houston.

00:20:31

To be with your boyfriend at the time?

00:20:33

Yeah. Plus, the winters in Chicago are cold as shit,

00:20:35

I don't know why anyone would build a city there.

00:20:37

No wonder that cow started that fire.

00:20:39

I get it. I'm on Team Cow.

00:20:41

But your boyfriend at the time, he's not your boyfriend anymore?

00:20:44

He is not.

00:20:48

-Wow. -Yeah.

00:20:51

How'd you learn how to trust it? The happiness?

00:20:54

I didn't. But I trust him.

00:20:59

It's hard to imagine you in Houston.

00:21:02

Oh, I'm like a totally different person now.

00:21:03

-Are you? -No?

00:21:06

Yes? I wear fewer jackets. I smile more.

00:21:10

Sometimes I look back at my LA years, and I think, "Who was that person?"

00:21:14

Does she ever come back, that Diane?

00:21:16

Sometimes.

00:21:18

I felt her when I got back to LA.

00:21:20

I feel her now that I'm talking to you.

00:21:23

But it's not you?

00:21:24

I mean, it's all me.

00:21:26

I'd love to say, "No, she's gone forever."

00:21:29

But I was terrified of coming back here for the wedding.

00:21:33

-Seeing Mr. Peanutbutter. Seeing you. -What'd you think was gonna happen?

00:21:36

I don't know, I would spin out, start questioning everything, blow everything up.

00:21:41

But that didn't happen, did it?

00:21:44

No. That didn't happen.

00:21:46

But was part of you kinda hoping that it would?

00:21:49

Mm.

00:21:51

You ever miss the mess?

00:21:53

No, "miss" is the wrong word.

00:21:55

Sorry, Miss.

00:21:57

I'm glad I lived in LA, but I'm not nostalgic for it.

00:22:00

I'm glad I knew Mr. Peanutbutter,

00:22:03

-even though he's not in my life anymore. -Yeah?

00:22:05

I think there are people that help you become the person that you end up being, and you can be grateful for them even if they were never meant to be in your life forever.

00:22:15

I'm glad I knew you, too.

00:22:18

"Knew," huh?

00:22:19

Mm.

00:22:20

Hey, wouldn't it be funny if this night was the last time we ever talked to each other?

00:22:29

-Um, anyway, I-- -I need to tell you...

00:22:32

No. You don't have to-- You don't owe me anything.

00:22:34

No, I need to tell you: Thank you.

00:22:37

And it's going to be okay.

00:22:40

And I'm sorry.

00:22:44

And...

00:22:44

[softly]

00:22:44

thank you.

00:22:50

-Wait. -Why?

00:22:51

I know. I know. But can I just tell you a funny story?

00:22:54

Sure.

00:22:55

But it better be very funny.

00:22:57

I don't wanna lie to you, it's only kind of funny.

00:23:02

So we have this movie night at the prison, right?

00:23:04

And we get to vote on what movies we wanna see.

00:23:07

But of course the whole thing's rigged, because Big Andy's favorite movie is The Family Stone, so Big Andy gets his guys to vote for it every week, and so every week we watch The Family Stone.

00:23:17

Hold on, whose favorite movie is The Family Stone?

00:23:20

I mean, yeah, it's a fine movie...

00:23:22

-But every week? -That's what I'm saying!

00:23:24

So, one day I'm like, "If I see Luke Wilson teach Sarah Jessica Parker how to let her freak flag fly one more time, I'm gonna snap."

00:23:30

I don't understand, is movie night mandatory?

00:23:33

-No. -So why don't you just not go?

00:23:35

What am I, a philistine? I support the arts, sue me.

00:23:37

Okay, sorry.

00:23:38

But I know a guy who volunteers in the library, which is where they keep the DVDs, so I make a deal with him.

00:23:44

"I'll give you my Jell-O for a month if The Family Stone goes missing."

00:23:48

I feel like this doesn't end well.

00:23:50

So, movie night comes around, time for another Christmas in Connecticut, but then, uh-oh, the DVD's gone, what do we do?

00:23:56

So Big Andy's getting really upset, and his guys are all riled, and then I go, "Fellas, fellas, fellas!"

00:24:01

Why don't we watch Pieces of April this week?

00:24:03

Change of pace. Patricia Clarkson's in it and..."

00:24:06

And?

00:24:07

-Prison riot. -Oh, shit, really?

00:24:09

No. Worse. Big Andy falls in love with Pieces of April, so now we watch Pieces of April every week.

00:24:14

[chuckles]

00:24:14

You kind of made your own bed on that one.

00:24:16

Story of my life.

00:24:20

[chuckles]

00:24:22

I'm sorry, that sounds awful.

00:24:25

Yeah, well, what are you gonna do? Life's a bitch and then you die, right?

00:24:28

Sometimes.

00:24:30

Sometimes life's a bitch and then you keep living.

00:24:33

Yeah.

00:24:36

But it's a nice night, huh?

00:24:39

Yeah.

00:24:41

This is nice.

00:24:42

[crickets chirping]

00:24:51

■ Mr. Blue ■

00:24:53

■ I told you that I love you Please believe me ■

00:25:03

■ Mr. Blue ■

00:25:05

■ I have to go now, darling ■

00:25:08

■ Don't be angry ■

00:25:13

■ I know that you're tired ■

00:25:16

■ Know that you're sore and sick And sad for some reason ■

00:25:24

■ So I'll leave you with a smile ■

00:25:28

■ Kiss you on the cheek And you will call it treason ■

00:25:36

■ Mr. Blue ■

00:25:38

■ Don't hold your head so low That you can't see the sky ■

00:25:47

■ Mr. Blue ■

00:25:50

■ It ain't so long Since you were flyin' high ■

00:25:59

■ Mr. Blue ■

00:26:11

■ Mr. Blue ■

00:26:35

■ Mr. Blue ■

00:26:38

■ I told you that I love you Please believe me ■
